## Message to the Congress on Continuation of the National Emergency With Respect to the Actions of Certain Persons To Undermine the Sovereignty of Lebanon or its Democratic Processes and Institutions

July 30, 2008

*To the Congress of the United States:*

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent the enclosed notice to the *Federal Register* for publication stating that the national emergency and related measures blocking the property of persons undermining the sovereignty of Lebanon or its democratic processes and institutions and certain other persons are to continue in effect beyond August 1, 2008.

The actions of certain persons to undermine Lebanon's legitimate and democratically elected government or democratic institutions, to contribute to the deliberate breakdown in the rule of law in Lebanon,

including through politically motivated violence and intimidation, to reassert Syrian control or contribute to Syrian interference in Lebanon, or to infringe upon or undermine Lebanese sovereignty contribute to political and economic instability in that country and the region and constitute a continuing unusual and extraordinary threat to the national security and foreign policy of the United States. For these reasons, I have determined that it is necessary to continue the national emergency and related measures blocking the property of persons undermining the sovereignty of Lebanon or its democratic processes and institutions and certain other persons.
