Statement on California's Health Benefits Exchange Legislation

October 1, 2010

I want to congratulate Governor Schwarzenegger, Speaker Perez, President Pro Tempore Steinberg, and the members of the California State Legislature for passing and signing the bipartisan California Health Benefits Exchange legislation. They are taking an important early step toward reforming our private insurance marketplace so that California families and small

businesses will have high-quality and affordable health insurance choices in 2014, when reform is fully implemented. I look forward to continuing to work with and provide resources and support for all States as we work toward creating a new competitive health insurance system that lowers costs for consumers and businesses, increases quality, and reduces our deficits.

Statement on the 50th Anniversary of the Founding of Cyprus

October 1, 2010

The people of the United States join the people of the Republic of Cyprus in celebrating its 50 years of independence today. This year also marks the 50th anniversary of bilateral relations between our countries, which are united by ties of kinship and common ideals. Our partnership is strengthened by the long history of friendship between our peoples and the many contributions Americans of Cypriot ancestry have made to our Nation. We look forward to deepening our relationship and strengthening cooperation in our many areas of mutual interest.

On this occasion, we recognize not just this history, but also the hopes for future security and prosperity. We applaud the determined efforts to achieve a comprehensive Cyprus settlement and support the reunification of the island as a bizonal, bicomunal federation. The United States is confident that a resolution meeting the aspirations of both communities is attainable.

We congratulate the people of the Republic of Cyprus on this historic anniversary.

Statement on Thad W. Allen's Service as Deepwater Horizon Oil Spill Incident Commander

October 1, 2010

I am profoundly grateful to Admiral Thad Allen for his years of dedicated service to America and particularly his outstanding leadership of the BP oil spill response effort. At a time when he could have enjoyed a well-deserved retirement from the United States Coast Guard, Admiral Allen stepped up to the plate and served his country when his skills and experience were urgently needed. This unprecedented response effort simply could not have succeeded without Admiral Allen at

the helm, and the Nation owes him a debt of gratitude. As we continue to help the people of the Gulf Coast return to their lives and livelihoods, my administration's work will continue to benefit from Admiral Allen's selfless service and dedicated leadership. I wish him well in all of his future endeavors.

NOTE: The Office of the Press Secretary also released a Spanish language version of this statement.
