<i>Dolls.</i>						1,393,237	37

For which sum of three hundred and sixty thousand two hundred and twenty-seven dollars and seventeen cents, the said Thomas Tudor Tucker is to be debited in a future settlement of his accounts for receipts and expenditures on account of the Department of War.

THOMAS T. TUCKER,

Auditor's Office, 7th July, 1821.

I have examined and adjusted an account between the United States and Thomas Tudor Tucker, Treasurer of said States, for receipts and expenditures of the War Department, commencing on the 1st January, and ending the 31st March, 1821, and find that he stands chargeable in said account, viz:

To balance due from him on settlement of his account to the 31st December, 1820, per report No, 42,465	360,227 17
To amount of warrants drawn in his favor by the Secretary of the Treasury, upon the moneys appropriated for the use of the Department of War, and charged to him in the aforesaid period, per statement - - - - -	2,524,566 78
To amount of warrants drawn in his favor by the Secretary of War, on sundry persons for balances of moneys remaining in their hands, which had been previously advanced them for certain purposes, per statement - - - - -	53,658 37
Dollars,	2,938,452 32

I also find that he is entitled to credit on said account, viz:

By amount of his expenditures on account of the Department of War, from the 1st January to the 31st March, 1821, out of moneys placed in his hands for the use of said Department, pursuant to warrants drawn on him by the Secretary of War and receipted for payment, per statement -	2,235,486 45
Leaving a balance due from him to the United States on the 1st April, 1821, consisting of cash in hand	702,965 87
Dollars,	2,938,452 32

For which sum of seven hundred and two thousand nine hundred and sixty-five dollars and eighty-seven cents, the said Thomas Tudor Tucker is to be debited in a future settlement of his accounts for receipts and expenditures on account of the War Department.

As will appear from the statement and warrants herewith transmitted for the decision of the Comptroller of the Treasury thereon.

TREASURY OF THE UNITED STATES,

October 1, 1821.

THOMAS T. TUCKER,

Treasurer of the United States.

TREASURY DEPARTMENT,
Comptroller's Office, 28th November, 1821.

SIR: According to the provisions of the 3d section of an act passed the first of May, 1820, "the balances of public money hereafter received out of advances made in the War Department, for services or supplies prior to the first day of July, 1815, are to be returned to the Treasury, and by the Secretary of the Treasury to be carried to the surplus fund." For the purpose of carrying into effect the object of this law, an arrangement was made with the 3d Auditor of the Treasury, (under whose superintendence the accounts referred to in the law were to be settled,) and the instructions which were deemed necessary, were given accordingly.

But, from the manner in which this arrangement has been so far executed, some difficulties have occurred in carrying the provisions of the law into effect, in the manner contemplated; and it has, in consequence, become necessary to give some special instructions on the subject, in order to correct the mistakes which have been made, and to prevent any being made in future. The difficulties which have occurred, appear to proceed from the manner in which your account, as agent for the War Department, has been settled at the Treasury, by debiting you in that character with the moneys received by you on account of the surplus fund, and which ought to have been settled in a separate account with you, as agent of the surplus fund. The reason why the account had thus been settled, was, that the warrants placing the surplus fund in your hands, were drawn in the same manner as the warrants in your favor, as agent of the War Department, with the exception of an endorsement at the head the warrant, of the words *surplus fund*; which, however, it seems, was not so far noticed as to cause any distinction to be made between these warrants thus endorsed, and those drawn in the usual way in your favor, as agent for the War Department, and, consequently, were all placed to your debit, as before observed. It is also presumed that, as no special instructions had been given to you by this Department to keep a separate and distinct account of the warrants drawn in your favor, as agent of the surplus fund, that this circumstance may have contributed to the difficulties which have been experienced. Thus circumstanced, it becomes our duty to endeavor, in the best and most convenient manner that we can, to remedy the evil which has thus occurred; and it is conceived that this can be done in the next settlement of your account at the Treasury, as agent for the War Department, by crediting it with the warrants which have been charged to it, belonging to the surplus fund, and then stating an account with you as agent of the surplus fund, debiting you with the amount transferred to your debit on the books of the Register, from the books of the 3d Auditor, and closing the account by a warrant drawn upon you (as agent of the surplus fund,) by the Secretary of the Treasury in your favor, as Treasurer of the United States, by which course of proceeding, the money belonging

to the surplus fund will be brought into the Treasury as directed by the law. It may be proper to observe that all moneys which may be recovered according to the provisions of the act herein before referred to, ought, (whenever paid,) to be placed in bank to your credit, as agent of the surplus fund. And a separate account in each bank should be kept of the money so paid, of which the banks should be advised. The 3d Auditor will be advised by me of the manner in which payments are, hereafter, to be made, so far as he may have any agency in making such payments. It is hardly necessary to add that, in future, a separate account must be kept in your office of the money received on account of the surplus fund.

With great respect,

JOSEPH ANDERSON, *Comptroller*.

To THOMAS T. TUCKER, Esq.

TREASURY DEPARTMENT,

29th November, 1821.

SIR: The Comptroller of the Treasury having this day communicated the enclosed copy of a letter addressed by him to you, relative to the correction of the accounts of the Treasurer of the United States, for the purpose of distinguishing between the moneys placed in his hands which belong to the surplus fund, and those which have been received by him as agent of the War Department, I have the honor to inform you that I approve of the course proposed by the said letter, for removing the difficulty which has occurred, and request that you will correct your accounts in the manner proposed by the Comptroller.

I am, with respect,

Your most obedient servant,

WILLIAM H. CRAWFORD.

To THOMAS T. TUCKER, Esq.

TREASURY DEPARTMENT,

No. 48,578.

Auditor's Office, 9th January, 1822.

I have examined and adjusted an account between the United States and Thomas Tudor Tucker, Treasurer of said States, for receipts and expenditures on account of the War Department, commencing on the 1st July, and ending on the 30th September, 1821, and find that he stands chargeable in said account, viz:

I have examined and adjusted an account between the United States and Thomas Tudor Tucker, Treasurer of said States, for receipts and expenditures on account of the Navy Department, commencing on the 1st of January, and ending on the 31st of March, 1821, and find that he stands chargeable on said account, viz:

<i>Dollars,</i>	1,908,262 71

I also find that he is entitled to credit on said account, viz:

By amount of his expenditures during the aforesaid period, out of the moneys placed in his hands for the use of said Department, in pursuance of warrants drawn on him by the Secretary of the Navy, and receipted for payment, per statement -	822,250 56

For which sum of one million and eighty six thousand and twelve dollars and fifteen cents, the said Thomas Tudor Tucker is to be debited in a future settlement of his account for receipts and expenditures on account of the Navy Department.

TREASURY DEPARTMENT,

Auditor's Office, January 4th, 1822.

I have examined and adjusted an account between the United States and Thomas Tudor Tucker, Treasurer of said States, for receipts and expenditures on account of the Navy Department, commencing on the 1st of July, and ending on the 30th September, 1821, and find that he stands chargeable on said account, viz:

To balance due by him on settlement of his account to the 1st July, 1821, per report No. 43,325 -	442,820 97
To amount of warrants drawn in his favor by the Secretary of the Treasury, on moneys appropriated for the use of said Department, during the aforesaid period, per statement -	1,025,357 50
To amount of warrants drawn in his favor by the Secretary of the Navy, on sundry persons for balances remaining in their hands of moneys previously advanced them for certain purposes, per statement - - - - -	4,723 46
<i>Dollars,</i>	1,472,901 93

I also find that he is entitled to credit on said account, viz:

By amount of his expenditures during the aforesaid period, out of moneys placed in his hands for the use of said Department, in pursuance of warrants drawn on him by the Secretary of the Navy, and receipted for payment, per statement -	815,312 45
Leaving a balance due from him to the United States, on the first day of October, 1821, consisting of cash on hand - - - - -	657,589 48
<i>Dollars,</i>	1,472,901 93

For which sum of six hundred and fifty-seven thousand five hundred and eighty-nine dollars, and forty-eight cents, the said Thomas Tudor Tucker is to be debited in a future settlement of his accounts of receipts and expenditures on account of the Navy Department.

As will appear from the statement and vouchers herewith transmitted for the decision of the Comptroller of the Treasury thereon.
