Mr. Muhlenberg, from the Committee on Revolutionary Claims, made the following REPORT:

The Committee on Revolutionary Claims, to which was referred the petition of the heirs of Lieutenant Colonel William Fountain, report:

This case was examined at the 1st session of the 24th Congress, and favorably reported on, with a bill for the relief of the petitioners. That report the committee adopt, and ask that it may be considered as part of this. In accordance with it, a bill is again reported for the relief of the petitioners.

May 17, 1836.

The Committee on Revolutionary Claims, to which was referred the petition of the legal representatives of Lieutenant Colonel William Fountain, report:

It satisfactorily appears to the committee that William Fountain was the lieutenant colonel of the regiment of guards raised to guard the convention troops, and served as such until the regiment was disbanded, in May, 1781. This fact is established by the certificate of Major John Roberts, of that regiment. It also appears that said Fountain was in active service at an early period of the Revolution, before said regiment was raised. There is no evidence that he resigned his commission after the regiment was disbanded.

Commutation has been conceded to Colonel Taylor, the commandant of the regiment, by a favorable report from the committee during the present session, and we perceive no ground of difference between him and Lieutenant Colonel Fountain. We therefore report a bill for the relief of his legal representatives.
