JOHN BRAIDFOOTE'S HEIRS.

JANUARY 25, 1838.

Read, and laid upon the table.

Mr. Muhlenberg, from the Committee on Revolutionary Claims, made the following

REPORT:

The Committee on Revolutionary Claims, to which was referred the petition of the heirs of John Braidfoote, report:

That this case was examined at the 1st session of the 24th Congress, and an unfavorable report made thereon; which report may be found in the printed reports of that session, No. 174. Upon a re-examination, and finding no new evidence, the committee adopt their former report, and again resolve that the prayer of the petitioners cannot be granted.
