LETTER

FROM

THE SECRETARY OF THE TREASURY,

TRANSMITTING

*The information required by resolutions of the House of Representatives, of January 14, 1839, in relation to fines and forfeitures for the last five years; also of money received as fees by any officers of the Government, &c.*

DECEMBER 30, 1839.

Referred to the Committee on Commerce.

TREASURY DEPARTMENT,  
December 19, 1839.

SIR: Under two resolutions of the House of Representatives, of the 14th January, 1839, the Secretary of the Treasury is directed to prepare a statement "showing the amount of money received yearly, for five years past, by each of the collectors of customs of the United States, and others, on account of fines and forfeitures; that he also state whether any compromises have been effected during the said period, after seizures made, and, if so, by whom and upon what condition; and that he lay before this House the amount of money received as fees, or in any other way, by any officer of the Government, or other person in the custom-house, or its employment each year for five years past, which has not been recorded in the Blue Book." In compliance therewith, I have the honor to transmit the accompanying statements, marked A and B, with a letter from the Register of the Treasury, which are supposed to contain the information desired.

I am, sir, very respectfully, your obedient servant,

LEVI WOODBURY,  
*Secretary of the Treasury.*

Hon. R. M. T. HUNTER,  
*Speaker of the House of Representatives.*

TREASURY DEPARTMENT,  
Register's Office, August 1, 1839.

SIR: The accompanying statements, marked A and B, have been prepared in compliance with your reference to this office of the resolution of the House of Representatives, of the 14th February last.

Blair & Rives, printers.

It will be observed that statement A embraces five years, ending with 1837; the accounts for 1838, when it was prepared (13th February, 1839) not having been audited. The records of this office afford no information other than noted in the statement, relative to the compromise referred to in the resolution.

Statement B exhibits the amount of money received as fees, and in any other way, by every person connected with the custom-houses, during the years 1834, 1836, and 1838, being the years for which the blue books were not prepared.

I have the honor to be, sir, your obedient servant,

T. L. SMITH.

HON. LEVI WOODBURY,  
*Secretary of the Treasury.*

*Statement exhibiting the amount received by each collector of the customs for his proportion of fines, penalties, and forfeitures accruing during the years 1833, '34, '35, '36, and '37.*
