

STEAMSHIP ON THE MISSISSIPPI.

RESOLUTION

OF THE

LEGISLATURE OF LOUISIANA,

*For a steamship of war to be built on the waters of the Mississippi.*

JUNE 12, 1841.

Referred to the Committee on Naval Affairs, and ordered to be printed.

*Resolved by the Senate and House of Representatives of the State of Louisiana in General Assembly convened, That our Senators and Representatives in Congress be requested to use their best efforts to have passed a law requiring of the Government of the United States to have stationed in the Gulf of Mexico, a steamship of war, and to have built, as soon as practicable, a war steamer within the waters of the river Mississippi, for the protection of the West.*

That the Governor of the State be requested to transmit this resolution to our Senators and Representatives in Congress.

WM. DEBUYS,

*Speaker of the House of Representatives.*

FELIX GARCIA,

*President of the Senate.*

A. B. ROMAN,

*Governor of the State of Louisiana.*

Approved, March 6, 1841.

STEAMSHIP ON THE MISSISSIPPI

RESOLUTION

OF THE

LEGISLATURE OF LOUISIANA,

For a steamship of war to be built on the waters of the Mississippi.

June 12, 1841

Referred to the Committee on Naval Affairs, and ordered to be printed.

Resolved by the Senate and House of Representatives of the State of Louisiana in General Assembly convened, That our Senators and Representatives in Congress be requested to use their best efforts to have passed a law requiring of the Government of the United States to have stationed in the Gulf of Mexico, a steamship of war, and to have built, as soon as practicable, a war steamer within the waters of the river Mississippi, for the protection of the West.

That the Governor of the State be requested to transmit this resolution to our Senators and Representatives in Congress.

WM. DEBUYS,

Speaker of the House of Representatives.

FELIX GARCIA,

President of the Senate.

A. B. ROMAN,

Governor of the State of Louisiana.

Approved, March 6, 1841.
