

PAY AND ALLOWANCES OF THE OFFICERS OF THE NAVY
AND MARINE CORPS.

LETTER

FROM

THE SECRETARY OF THE NAVY,

TRANSMITTING

A report of the pay and allowances of the officers of the navy and marine corps, for the year ending June 30, 1849.

JANUARY 24, 1850.

Laid upon the table, and ordered to be printed.

NAVY DEPARTMENT,
January 7, 1850.

SIR: I have the honor to transmit herewith a report from the Fourth Auditor of the Treasury Department, embracing, in a tabular form, the pay and allowances of the several officers of the navy and marine corps of the United States, for the fiscal year ending June 30, 1849, prepared in compliance with a resolution of the House of Representatives, dated 14th June, 1848.

I have the honor to be, very respectfully, your obedient servant,
WM. BALLARD PRESTON.

Hon. HOWELL COBB,
Speaker of the House of Representatives.

TREASURY DEPARTMENT,
Fourth Auditor's Office, January 2, 1850.

SIR: I have the honor to transmit the statement required by a resolution of the House of Representatives, passed during the first session of the thirtieth Congress, which directs that the Secretaries of the Departments of War and the Navy furnish that House annually with "a transcript of the official army and navy lists, in such form as to affix opposite the name of each person contained therein, in separate columns, the annual pay of such officer or person, the amount paid him for rations, servants, and forage; and the gross amount paid or allowed him in all respects, for and on his account, for and during the preceding fiscal year. The blanks which appear are generally occasioned by the want of returns from pursers of dis-

tant vessels, and are not of much importance, since the amount received by officers on board of such vessels usually consists only of the sea pay belonging to their rank, and a commutation for their rations.

I have the honor to be, sir, very respectfully, your obedient servant,
A. O. DAYTON.

Hon. W. B. PRESTON,
Secretary of the Navy.

Statement of the annual pay of each officer of the Marine Corps; the amount paid him for rations, servants, and forage; and the gross amount paid or allowed him, in all respects, for and on his account, for and during the fiscal year ending on the 30th of June, 1849.
