

REPORTS OF THE SUPREME COURT.

MARCH 3, 1851.

Ordered to be printed.

Mr. JAMES THOMPSON, from the Committee on the Judiciary, made the following

REPORT:

*The Committee on the Judiciary, to whom were referred the resolutions of the legislature of the State of Pennsylvania, relative to distributing the reports of the decisions of the Supreme Court of the United States, report:*

That the committee do not think the public interests demand so large an expenditure of money as would be necessary to print and distribute the reports referred to. It is believed that these decisions are generally in the libraries of the profession wherever the United States courts are held, and consequently no inconvenience is felt by any of the United States courts on account of their absence. The committee offer the following resolution:

*Resolved,* That the committee be discharged from the further consideration of the subject.
