Notice of Contest.

Third Congressional district of the State of Louisiana.

ROBERT O. HEBERT, }
vs.
 J. H. ACKLEN. }

To the honorable Speaker and House of Representatives of the Forty-sixth Congress:

The petition of Robert O. Hebert respectively sheweth: That the said Hebert was a candidate for election to your honorable body at the general election held in the third Congressional district of the State of Louisiana November 5, 1878, and that he was voted for at said election as the candidate of the National and Republican parties severally and jointly.

That said third Congressional district is composed of the parishes of Cameron, Calcasieu, Vermillion, Lafayette, Saint Martin, Iberia, Saint Mary, Terrebonne, Lafourche, Assumption, Ascension, and Iberville.

That the candidates, other than your petitioner, voted for at said election for members of Congress, were William B. Merchant, irregular Republican, and J. H. Acklen, the candidate of the Democratic party, and that the number of votes officially returned for each of said candidates and your petitioner is as follows:

Parishes.	Hebert.	Acklen.	Merchant.
Cameron		285	47
Calcasieu		1,347	37
Vermillion		802	245
Lafayette		992	684
Saint Martin	1,037	923	5
Iberia	3	887	1,447
Saint Mary	798	413	1,012
Terrebonne	1,573	903	
Lafourche	1,065	1,183	
Assumption	1,025	996	
Ascension	388	1,050	
Iberville	1,174	421	185
	7,063	10,202	3,662

And that a certificate of election was issued to said J. H. Acklen as member elect of your honorable body, by Francis T. Nicholls, governor of Louisiana, according to said official return, as cited.

Your petitioner believes and alleges that said official return of the votes cast for him, said Acklen, and Merchant, was incorrect and fraudulent, and that the certificate of election was improperly issued to said Acklen instead of to your petitioner, for the reasons hereinafter set forth, to wit:

That in the parish of Iberia 300 votes were cast for R. O. Hebert, 887 for J. H. Acklen, and 1,150 for William B. Merchant; that 297 votes were, by the commissioners of election, fraudulently and illegally abstracted from the vote cast for your petitioner and counted for William B. Merchant.

That in the parish of Saint Mary 1,698 votes were cast for R. O. Hebert, 413 for J. H. Acklen, and 112 for William B. Merchant. That the commissioners of election illegally and fraudulently abstracted 900

votes from those cast for your petitioner and counted the same for William B. Merchant.

That in the parish of Lafourche, during the period of registration, prior to and in preparation for said election, the assessor and registrar of said parish illegally and fraudulently refused registration to persons entitled to registration, and who, if registered, would have voted for your petitioner, to the number of 140 persons. That said assessor and registrar registered persons who never appeared in person at his office, and whose votes were cast and counted for J. H. Acklen, to the number of 72 persons. That prior to and in preparation for said election, the registrar and assessor of said parish sent the books of registration below the line of quarantine in said parish and out of his presence and custody, and that during the times and occasions when the books of registration were out of his custody, as stated, persons were illegally and fraudulently registered by unauthorized persons to the number of 150, whose votes were subsequently cast and counted for J. H. Acklen. That the votes actually cast were, for R. O. Hebert 1,344, for J. H. Acklen 904, and that the commissioners of election illegally and fraudulently abstracted 279 or more votes from among those cast for your petitioner and counted the same for J. H. Acklen.

That in the parish of Assumption, during the period of registration prior to and in preparation for said election, the assessor and registrar of said parish sent the books of registration below the line and within the of lines of quarantine in the said parish, and out of his presence and custody, and that during the several times and occasions when the books were out of his custody, as stated, persons were illegally and fraudulently registered by unauthorized persons to the number of 200, whose votes were subsequently cast and counted for J. H. Acklen. That this officer disregarded the advertised periods of keeping the registration books open at the court-house in Napoleonville, and did not keep them open thereat at the times and for the periods of which public notice had been given according to law, and that by his illegal action, as stated, fifty or more persons, who would have voted for your petitioner, were prevented illegally and fraudulently from obtaining registration, and that 337 or more ballots actually cast for R. O. Hebert were in said parish illegally and fraudulently refused to be counted by the commissioners of election and were not in any manner returned. And that said J. H. Acklen was then and there present; he urged, aided, and abetted said commissioners of election in their illegal and fraudulent refusal to count said 337 votes for your petitioner.

That in the parish of Ascension the actual total vote cast for member of Congress was 2,032, instead of 1,438, as counted and returned. That at polls 3, 4, 5, 6, 7, and 8, 594 ballots cast for R. O. Hebert, were, by the commissioners of election, illegally and fraudulently excluded, and not counted at all, nor were the said ballots in any manner returned as cast at said election; that at polls 1, 2, 3, 4, 5, 6, 7, and 8, in said parish, registered voters of said parish, to the number of 104 persons, who offered to vote for your petitioner, were illegally and fraudulently refused the right of suffrage, upon the pretense that they were laboring upon plantations outside the wards in which they were registered and had their places of residence.

That in the parish of Terrebonne the votes actually cast were, for R. O. Hebert 1,733, and for J. H. Acklen 743, and that the commissioners of election illegally and fraudulently abstracted 160 or more votes from among those cast for your petitioner, and counted the same for J. H. Acklen.

That in the parish of Iberville, at the sixth precinct, 185 ballots cast for R. O. Hebert were, by the commissioners of election, illegally and fraudulently counted for William R. Merchant; that owing to the failure of the proper officer to open a poll at Bayou Goula, in the first ward, as established by the police jury of said parish, under the statute, 200 persons who would have voted for your petitioner were deprived of the right of suffrage. Twenty persons, registered voters, who offered to vote for R. O. Hebert, at the poll which was opened in the first ward, were told by the commissioners of election that their names did not appear upon the poll-book, and were not allowed to vote; the statement cited being false in fact, and said persons being entitled to vote, and their names being inscribed upon the poll-book in due form. One hundred persons, registered voters of said parish, who offered to vote for your petitioner, were refused the right of suffrage, their names having been illegally and fraudulently omitted from the poll-books of said parish; that in the fourth ward or precinct of said parish 100 ballots cast for R. O. Hebert were illegally and fraudulently counted as cast for J. H. Acklen.

That the vote cast for members of Congress in said third Congressional district should therefore have been officially returned as follows :

Your petitioner respectfully reserves the right to file an amended specification of contest, setting forth the names of voters, places, and boxes at which the frauds alleged occurred, and any other information pertinent in the case that may come to his knowledge, and of which he has not at this time accurate knowledge.

Petitioner finally prays your honorable body to grant him a commission to take testimony, and that a hearing may be had in this case, and that after all due and legal proceedings, and on examination of the evidence that may be taken in this case, your petitioner may be declared elected to the Forty sixth Congress of the United States, from the third Congressional district of the State of Louisiana, and that he be admitted to his seat therein, according to the Constitution and laws of the United States, and that said J. H. Acklen be excluded from said Congress and said seat, and for all legal and appropriate orders, and as petitioner will ever pray.

Answer to notice of contest.

HOUSE OF REPRESENTATIVES,
Washington, D. C., February 13, 1879.

SIR: I have received notice from you of your intention to contest my seat as a member of the Forty-sixth Congress from the third Congressional district of Louisiana, to which I have been returned and certified by the proper authorities to have been the duly-elected member, by a plurality of over three thousand votes, cast at the election of November 5, 1878, in said district.

You file the following as the official returns:

Parishes.	Hebert.	Acklen.	Merchant.
Cameron.....		285	47
Calcasieu.....		1,347	37
Vermillion.....		802	245
Lafayette.....		992	684
Saint Martin.....	1,037	923	5
Iberia.....	3	887	1,447
Saint Mary.....	798	413	1,012

Ascension.....	388	1,050	
Iberville.....	1,174	421	185
	7,063	10,202	3,662

You allege that the above official returns are incorrect, and you then give the following table, made up by you, as showing what should have been the vote returned:

Parishes.	Hebert.	Acklen.	Merchant.
Cameron.....		285	47
Calcasieu.....		1,347	37
Vermillion.....		802	245
Lafayette.....		992	684
Saint Martin.....	1,037	923	5
Iberia.....	300	887	1,050
Saint Mary.....	1,698	413	112

Iberville.....	1,779	321	
Lafourche.....	1,484	682	
	10,529	9,241	2,180

You, therefore, contest my election in the parishes of Iberia, Saint Mary, Lafourche, Assumption, Ascension, Terrebonne, and Iberville. The vote of these parishes, as shown by the official returns, is as follows:

Parishes.	Hebert.	Acklen.	Merchant.
Iberia.....	3	887	1,447
Saint Mary.....	798	413	1,012
Terrebonne.....	1,573	903
Lafourche.....	1,065	1,183
Assumption.....	1,025	996
Ascension.....	388	1,050
Iberville.....	1,174	421	185
	6,026	5,853	2,644

You claim that it should be as follows :

Parishes.	Hebert.	Acklen.	Merchant.
Iberia.....	300	887	1,050
Saint Mary.....	1,698	413	112
Terrebonne.....	1,733	743
Lafourche.....	1,484	682
Assumption.....	1,412	796
Ascension.....	1,086	1,050
Iberville.....	1,779	321
	9,492	4,892	1,162

The official returns show :

Acklen.....	10,202
Hebert.....	7,063
Merchant.....	3,662

Total vote..... 20,927

Your individual returns, which you make up, gives :

Acklen.....	9,241
Hebert.....	10,529
Merchant.....	2,181

Total vote..... 21,950

or a total of 1,023 more votes cast than the official returns show to have been cast in the district ; therefore, to return yourself elected, you take from the officially-retuned vote for—

Merchant.....	1,482
From that of Acklen.....	961
To which you add.....	1,023

Making a total of..... 3,466

which you claim were cast, but not counted, for you. All this you are compelled to do to obtain a plurality of the votes cast ; and you add 3,466 votes to your officially-retuned vote of 7,063 in order to obtain a vote of 10,529, by which you claim to have been elected. No intimidation or bribery of votes is alleged ; therefore, you claim that the sworn commissioners of election, both Republican and Democratic, without intimidation and without bribery, in seven parishes, deprived you of 3,466 votes, by collusion and fraud. Such a position cannot be sustained by any of the facts.

In the parish of Iberia, where the official vote is—

Acklen.....	837
Hebert.....	3
Merchant.....	1,447

you claim that the commissioners of election fraudulently abstracted 297 votes from those cast for you, and gave them to Merchant. You do not allege by what commissioners or at what box this was done, but state generally that the commissioners of election did this. Such general allegations cannot hold. (Revised Statutes, sec. 105. McCrary, sec. 394.)

I deny your statement *in toto*, and claim that the vote as officially returned is correct. I was not in this parish on the day of election, nor during the campaign. I submit further, that it is not probable that the commissioners of election, two Democrats and one Republican, would have abstracted 297 from those cast for you, the *National* candidate, and have given them to a *Republican*, Mr. Merchant. Had they been capable of committing such a fraud, the transfer would have been made to me (a *Democrat*), and not to Merchant, the *Republican*.

In the parish of Saint Mary's, where the official return shows—

Acklen.....	413
Hebert.....	798
Merchant.....	1,012

you allege, generally, and without any specifications whatever, that the commissioners of elections fraudulently *abstracted 900 votes cast for you and gave them to Merchant*.

The same answer made in regard to the parish of Iberia, applies to this; nor was I in this parish on the day of election, or during the campaign.

In the parish of Lafourche, you allege that the registrar of voters fraudulently registered voters not entitled to registration, and refused registration to those who were. I deny this as a fact.

In 1876 the registration was (see statement annexed):

White.....	2,157
Colored.....	1,857

White majority..... 300

In 1878:

White.....	1,803
Colored.....	1,345

White majority..... 458

In 1876 the registration was entirely in the hands of the Republican party, and was fraudulent. (See confession of M. A. Ledet, Republican registrar 1876, pp. 73-83, contest Acklen *vs.* Darrall, Forty-fifth Congress; testimony of J. D. Moore, p. 79, *ibid.*; H. H. Michelet, p. 129, *ibid.*; E. A. O'Sullivan, p. 137, *ibid.*)

You allege that the registrar illegally registered by unauthorized persons.

The yellow fever prevented the registrar from visiting all parts of the parish personally, but the law permits him to appoint a deputy (see registration law of Louisiana, section 16), and I deny that any voters were illegally registered by him or his deputy. You further say that 279 votes cast for you were fraudulently abstracted by the commissioners of election, and counted for J. H. Acklen. You neither say by what

commissioner, or at what box or boxes. I deny this as a fact, and what I have said relative to the parishes of Iberia and Saint Mary's applies equally here. Finally, my officially returned majority in this parish is less in 1878 than in 1876, when the election machinery was all in the hands of the Republicans.

In the parish of Assumption you make the same claim against the action of the registrar of voters, as in Lafourche, and my answer to Lafourche applies equally to Assumption. The yellow fever, which raged here terribly, may have prevented a strict compliance with the letter of the law as to advertised periods of registration, but the spirit of the law was complied with as well as the circumstances of the case permitted. The Democratic party suffered a greater loss than the Republicans, for in 1876, with all the election machinery in your hands, the vote stood :

Darrall.....	1,692
Acklen.....	1,679
Republican majority	13

In 1878 :

Hebert.....	1,025
Acklen	996
Republican majority.....	29

To your general statement without specifications that the commissioners of election fraudulently refused to count 337 or more votes cast for you, I reply as I have before, and deny it as a fact. I also deny your statement that I was in the parish on election day, and assisted, aided, and abetted such action. I was not in that parish at any time on the day of election. If votes were rejected they were those illegally cast.

In the parish of Ascension you state that the commissioners of election fraudulently refused to count 594 votes cast for you. This I deny *in toto*. Some ballots which were illegally cast were excluded, a majority of which, however, bore my name. No registered voters were denied the right of voting, and at Cofield's store, in the fifth ward, a separate box was even placed for those who were *not registered* to vote in. Upwards of a hundred voted, most all of them for me, but the commissioners did not count or return this box, which they had no right to do under the law.

In the parish of Terrebonne, you state generally and without specifications that the commissioners of election fraudulently abstracted 160 or more votes from those cast for you and gave same to J. H. Acklen ; this I also deny. I was not in this parish on election day, nor at any time during the campaign.

The vote in 1876, when all the party machinery was in Republican hands, was—

Darrall.....	1,966
Acklen.....	1,393
Republican majority.....	573

In 1878 :

Hebert.....	1,573
Acklen.....	903
Republican majority	670

Besides, as will be seen by the return hereto appended, you received your full party vote at *each and every poll*.

In the parish of Iberville, you state that the commissioners of election at the sixth precinct fraudulently counted 185 ballots for Merchant

which were cast for you. This I deny. Your statements about the first ward are incorrect. The law does not require but one polling place in each justice of the peace ward. (See election law Louisiana, section 11.)

You state that the commissioners of election in the fourth ward fraudulently counted 100 ballots for me which were cast for you. This I also deny. You were personally in this parish on election day, and I claim and can show that through gross misrepresentations on your part I lost several hundred votes, for in 1876 the vote in this parish was—

Acklen	1,595
Darrall	1,253
Acklen's majority	342

And in 1878 by your misrepresentation it was—

Hebert	1,174
Acklen	421
Hebert's majority	753

That the election in the third Congressional district was fair and just; that no intimidation of voters was practiced, is a fact universally known and admitted. The Republican party was represented at every poll by at least one commissioner of election and by United States supervisors and deputy marshals. That any fraud was practiced is not only improbable but was impossible.

Further than this I charge and can sustain by the evidence of good and competent witnesses, that many tickets bearing my name were suppressed by your emissaries, and that, through your misrepresentations, voters who would and intended to vote for me were prevented from so doing, whereby my just majority was greatly reduced.

Having denied generally and specifically all the grounds alleged by you in your notice of contest, I have the honor to be,

Your obedient servant,

J. H. ACKLEN.

Petition of W. B. Merchant.

State of Louisiana, third Congressional district.

To the honorable the Speaker and members of the House of Representatives of the Forty-sixth Congress of the United States of America in Congress assembled:

Your petitioner, Washington B. Merchant, of the parish of Iberia, State of Louisiana, respectfully shows, that he was a candidate for election to the Forty-sixth Congress, at an election held in the third Congressional district, State of Louisiana, on Tuesday, November 5, 1878; that he was the regularly nominated candidate of the Republican party

of the aforesaid district; that the other candidates at that time were Joseph H. Acklen, the nominee of the Democratic party of said district, and Robert O. Hebert, the nominee of the pretended National party of said district, who also claimed the nomination of the Republican party, at a pretended and so-called Republican convention, held at Bayou Goula, in the parish of Iberville, on the 12th day of October, 1878.

Petitioner further shows that the parishes composing the third Congressional district are as follows: Ascension, Assumption, Calcasieu, Cameron, Iberia, Iberville, Lafourche, Lafayette, St. Martin, St. Mary, Terrebonne, and Vermillion.

That the returns as promulgated by Francis T. Nicholls, governor, H. N. Ogden, attorney-general, and Will. A. Strong, secretary of state of the State of Louisiana, in the New Orleans Democrat, on February 20, 1879, were as follows:

	J. H. Acklen.	R. O. Hebert.	W. B. Merchant.
Iberville	421	1, 174	185
Ascension	1, 050	388
Assumption	996	1, 025
Lafourche	1, 283	1, 165
Terrebonne	903	1, 573
Saint Mary	413	798	1, 012
Iberia	887	3	1, 447
Saint Martin	923	1, 037	5
Lafayette	992	684
Vermillion	802	245
Cameron	225	47
Calcasieu	1, 241	41
	10, 296	7, 163	3, 661

By which returns and the certificate of Governor Nicholls, attached thereto, it will appear that Joseph H. Acklen is returned as having been elected to the Forty-sixth Congress from said district by a majority of six thousand five hundred and fifty-eight votes over your petitioner.

Your petitioner further alleges that the aforesaid returns as made, and upon which the governor of the State of Louisiana did issue to said Joseph H. Acklen a certificate of election to your honorable body, is incorrect, and that but for a fraudulent conspiracy entered into between Joseph H. Acklen, Robert O. Hebert, E. L. Weber, William Carrington, and others, whose names will be given hereafter, and false representations on the part of said Joseph H. Acklen and Robert O. Hebert to colored voters in the said Congressional district, that said certificate would have been, as it should properly be, issued to your petitioner, for the following reasons, hereinafter set forth:

That some time after petitioner had been nominated and indorsed by the Republican party and leaders in said district, which was made public through the newspapers, Robert O. Hebert, who was the pretended National candidate for Congress in said district, got up, with the aid of said James H. Acklen, and others, and in pursuance of a fraudulent conspiracy, previously formed to defeat by fraudulent and corrupt means your petitioner for Congress, a pretended Republican convention at Bayou Goula, which met on October 12, 1878, and pretended to nominate said Robert O. Hebert for Congress; that the object and purpose of said pretended convention was to defeat petitioner and secure the election of Joseph H. Acklen, one of said conspirators, to Congress.

Petitioner further shows and alleges, that at the time of said pretended convention, for two months previous thereto, and for some time after November 5, 1878, the yellow fever was prevailing in the parishes of Terrebonne, Lafourche, Assumption, Ascension, and Iberville to such an extent that it was unsafe for him to visit his friends and make a canvass in said parishes; that said conspirators, well knowing that fact, induced by deceitful and illegal means the colored Republican voters in the said parishes and others to believe that said Hebert was the only Republican candidate in the field, and that petitioner was a bolter from the Republican party; that by reason of said fraudulent conspiracy, false representations, and other wrongs hereinafter set forth, upwards of seven thousand votes which properly would have been cast for your petitioner were cast for said Hebert, as your petitioner will show by sufficient testimony; and that more than three thousand votes which would have properly been cast for petitioner were cast for said Acklen.

That said representations were made by said conspirators, and in pursuance of said conspiracy, to thereby secure for Hebert as many votes of Republicans in the district as possible, and insure the defeat of petitioner and the election of said Joseph H. Acklen; that the said conspiracy was formed and existed at the time W. W. Wharton, pretending to be the chairman of the Congressional committee of the third Congressional district, called said pretended convention to meet at Bayou Goula; that said Acklen was a party thereto, and continued from that time up to the day of election to conspire, confederate, and corruptly collude with said before-named persons to defeat by bribery and fraud your petitioner for Congress; that in pursuance of said conspiracy and combination one of said conspirators, E. L. Weber, with the full knowledge of Joseph H. Acklen and the others, sent to petitioner several telegraphic dispatches in words and figures as follows, to wit:

[Dated New Orleans, 28th October, 1878. Received at New Iberia 28th October, 1878.]

Via Terrebonne, La.

Your petitioner further alleges that the originals of all of the above mentioned telegrams are in the handwriting of the said Joseph H. Acklen, which will be shown by production thereof, through the officers of the Western Union Telegraph Company, on the trial of this case. He further alleges that he placed confidence in the honesty of said E. L. Weber as a Republican.

Not knowing at the time that he was engaged in a corrupt conspiracy, and had been bribed by said Joseph H. Acklen to work in his interest, and by corrupt means defeat petitioner's election to Congress, petitioner authorized and directed said Weber to have printed the regular Republican tickets, bearing petitioner's name, and forwarded into the parishes of Iberville, Ascension, Assumption, Lafourche, Terrebonne, Saint Martin and Saint Mary, to be there used by the Republicans thereof in voting for petitioner; that in place of forwarding said tickets as directed, the said Weber, acting under the direction of said Jos. H. Acklen, and in pursuance of the corrupt conspiracy aforesaid, retained a large number of said tickets in his possession, and only gave and forwarded the balance to the personal and political friends of said Jos. H. Acklen, to be by them used in his interest, and in such manner as he, the said Acklen, might direct; that a large number of said tickets were placed in the hands of said Jos. H. Acklen, and by him disposed of in his own interest; that L. Graham, who was employed by the said Weber in preference to F. F. Hansell, to whom petitioner had referred said Weber to get said work done, was the same printer employed by

said Joseph H. Acklen to print his tickets, and well knew at the time that said Weber and Acklen had formed a conspiracy to defeat petitioner by corrupt and deceitful means; that said Graham forwarded several thousand of said tickets to persons designated to him by said Weber and by said Acklen, all of whom were the political friends of said Acklen.

Petitioner further alleges that on account of said corrupt conspiracy as aforesaid, and on account of the regular tickets bearing the name of petitioner for Congress on them having been withheld from the political friends and supporters of petitioner by said Acklen, Weber and others, as aforesaid, by virtue of and in pursuance of said conspiracy, and placed in the hands of said Acklen and his political friends, who detained or destroyed the same, the Republican voters in the parishes of Iberville, Ascension, Assumption, Lafourche, Terrebonne, Saint Mary, and Saint Martin, with few exceptions, were unable to vote for petitioner, as the Louisiana election laws requires that all names of candidates to be voted for shall be printed on one ticket; that said Weber, Acklen and the other conspirators, knowing that the Republicans in said parishes would not vote for said Joseph H. Acklen for Congress, and in order to induce them not to vote for petitioner, had printed and distributed among Republicans in the aforesaid parishes regular Republican tickets bearing the name of Robert O. Hebert, for Congress, on them, and the Republicans in said parishes, with few exceptions, being unable to read and write, and not knowing of the existence of said corrupt conspiracy, and honestly believing that they were voting for your petitioner, the regular Republican candidate for Congress, were corrupted and deceitfully imposed upon by the said conspirators and their minions, strikers, &c., and voted for said Robert O. Hebert and said Joseph H. Acklen for Congress, honestly and conscientiously believing that they were voting for your petitioner for Congress.

That in the parish of Ascension, by reason of withholding and destroying tickets, bribery, threats, deception, and otherwise as aforesaid, on the part of said Acklen and other conspirators aforesaid, three hundred and eighty-eight votes as cast and counted for Robert O. Hebert should have been cast and counted for your petitioner, and three hundred which were not counted by the commissioners of election, all of whom were the political friends of said Acklen, should have been counted for petitioner; that in the said parish, for the reason and causes aforesaid, seven hundred votes as cast and counted for Joseph H. Acklen should have been cast and counted for petitioner, making a total of thirteen hundred and eighty-eight votes in said parish that should have been cast and counted for petitioner which were cast and not counted for him by the illegal, corrupt, and deceitful action of the aforesaid conspirators; that in the parish of Assumption, by reason of the like action as aforesaid on the part of said Acklen and other conspirators, one thousand and twenty-five votes as cast and counted for Robert O. Hebert should have been cast and counted for petitioner; that two hundred and twenty-five votes cast and counted in said parish for Joseph H. Acklen for like reason should have been cast and counted for your petitioner; that there was about four hundred votes cast in said parish for your petitioner which were thrown out by the illegal and unwarranted action of the commissioners of election, all of whom were the political friends of said Acklen; that the four hundred votes thrown out should have been counted for petitioner; that petitioner is fairly and equitably entitled to sixteen hundred and fifty votes in said parish; that in the parish of Iberville, by reason of the action of the

conspirators aforesaid, in the manner and form aforesaid, eleven hundred and four votes counted for Robert O. Hebert and two hundred and twenty-one votes counted for Joseph H. Acklen should properly have been counted for your petitioner.

That in the parish of Lafourche, by reason of the action of the aforesaid conspirators, in manner and form aforesaid, one thousand and five votes counted for Robert O. Hebert and two hundred and six votes counted for Joseph H. Acklen should have been counted for petitioner.

That in the parish of Terrebonne, by reason of the action of said conspirators, in manner and form aforesaid, one thousand five hundred and fifty votes counted for Robert O. Hebert and two hundred and three votes counted for Joseph H. Acklen that should have been counted for your petitioner.

That in the parish of Saint Martin, by reason of the aforesaid action of said conspirators, in manner and form aforesaid, one thousand votes counted for Robert O. Hebert and twenty-three votes counted for Joseph H. Acklen that should have been counted for your petitioner.

That in the parish of Saint Mary, by reason of the aforesaid action of said conspirators, in manner and form aforesaid, seven hundred votes were counted for Robert O. Hebert that should have been counted for your petitioner.

That the vote cast for member of Congress in the third Congressional district should have been officially returned as follows, to wit:

	J. H. Acklen.	R. O. Hebert.	W. R. Merchant.
Ascension.....	358	1,388
Assumption.....	778	1,650
Calcasieu.....	1,347	47

Lafourche.....	978	60	1,211
Lafayette.....	992	684
Saint Martin.....	900	37	1,028
Saint Mary.....	413	98	1,712
Terrebonne.....	700	23	1,753
Vermillion.....	802	245
	8,640	291	12,722

Your petitioner further represents that he should have been returned elected, and would have been returned elected had it not been for the causes herein set forth; that he reserves his right to set forth in detail the names of the other conspirators, the corrupt means used by each one of them in pursuance of said conspiracy, the names of persons of whom tickets were sent, and by whom destroyed, &c.

Petitioner further alleges that the conspiracy and combination, as herein alleged, was brought to his knowledge since the 17th day of March, 1879, and that he has used due diligence to discover the same previous thereto in vain; that he should not be deprived of being heard on his contest because of the delay in filing the same.

The premises considered, your petitioner prays that both the said Joseph H. Acklen and Robert O. Hebert be notified of this contest, and after hearing evidence in support of the foregoing statements, that the returned member, J. H. Acklen, and the other contestant, R. O. He-

bert, both be excluded from a seat in the Forty-sixth Congress, and that your petitioner be seated as the duly-elected member from the third Congressional district of the State of Louisiana.

Petitioner prays for such other relief as the nature of the case demands.

W. B. MERCHANT.

WASHINGTON, D. C., April 16, 1879.

W. B. MERCHANT, Esq.,
New Iberia, La.:

SIR: I received to-day, through the clerk of the Committee of Elections, what purports to be a notice from you of an intention to contest my right to a seat as a member of the Forty-sixth Congress.

You have delayed over three months to comply with the law regulating contests for seats in Congress, which requires that a notice of contest shall be served within thirty days after the official announcement of the vote, and you assign no sufficient reason for such delay. I might, therefore, justly and legally refuse to take any notice of your alleged intention to contest my seat, since not only had the time expired in which you were entitled to give notice of contest, your notice having been mailed at New Iberia, April 10, and received by the Clerk of the House of Representatives April 15, 1879), but likewise the time has expired in which you were entitled to take testimony; knowing, however, that I was justly, fairly, and honestly elected to the seat in the Forty-sixth Congress which I now occupy, I shall interpose no technical objections whatever, and permit you the same scope for a trial of the case on its merits as I have given Mr. R. O. Hebert, who likewise totally failed to comply with the requirements of the law. You shall both be placed upon the same footing, with fullest opportunity of establishing your pretended claims.

You first file the vote as officially returned, as shown by the certificate of the governor of Louisiana, hereto attached, as follows:

Parishes.	Joseph H. Acklen.	Robert O. Hebert.	W. B. Merchant.
Iberville.....	421	1,174	185
Ascension.....	1,050	388
Assumption.....	996	1,025
Lafourche.....	1,283	1,165
Terrebonne.....	903	1,573
Saint Mary.....	413	798	1,012
Iberia.....	887	3	1,447
Saint Martin.....	923	1,037	5
Lafayette.....	992	684
Vermillion.....	502	245
Cameron.....	285	47
Calcasieu.....	1,341	41
Total.....	10,296	7,163	3,661

This you allege is incorrect, and thereupon file your own return, as follows:

	J. H. Acklen.	R. O. Hebert.	W. B. Merchant.
Ascension	558		1,388
Assumption	778		1,650
Calcasieu	1,347		47
Cameron	285		47
Iberia	887	3	1,447
Iberville	200	70	1,500
Lafourche	978	60	1,211
Lafayette	992		684
Saint Martin	900	37	1,028
Saint Mary	413	98	1,712
Terrebonne	700	23	1,753
Vermillion	802		245
Total	8,640	291	12,722

Therefore, to return yourself elected you are forced to take from my vote of 10,296, 1,656 votes, and from the vote of R. O. Hebert, which is 7,163, 6,872 votes, or a total deduction of 8,528, which you find it necessary to deduct from the total vote cast for Hebert and myself and add to your own vote of 3,661 to return yourself elected. Such truly remarkable figuring surpasses even the Wells-Anderson returning board of 1876, and cannot be sustained by the facts in the case.

To your charge that I conspired with R. O. Hebert, E. L. Weber, William T. Carrington and others, and by bribery, threats, and intimidation deprived you of votes sufficient to defeat your election, I give a most emphatic denial. That I used all legal and honorable means to defeat both you and Hebert I certainly admit. To your long list of telegrams filed, which you allege came from E. L. Weber, and to your charges connected therewith, it is unnecessary for me to reply, as they form no part of the merits of a contest. Any charge, however, that illegal and improper means were used by me in connection with same is incorrect and cannot be sustained by the facts.

To your general charges of bribery, corruption, intimidation, conspiracy and fraud, which you make without any specifications whatever, in and for the parishes of Ascension, Assumption, Iberville, Terrebonne, Saint Martin, and Saint Mary, I make likewise a positive denial.

The election in all of the parishes of the third Congressional district was free from any intimidation, was unaccompanied by any disturbance whatever, and eminently fair, and the officially returned vote correct.

I have the honor to be your obedient servant,

J. H. ACKLEN.

Agreement.

WASHINGTON, D. C., December 20, 1878.

It is hereby agreed by and between Hon. Robert O. Hebert, contestant, and Hon. J. H. Acklen, the returned member of Congress from the third Congressional district of Louisiana to the Forty-sixth Congress, that the requirements of law in reference to the taking of testimony, in so far as they relate to the time granted by section 107 Revised Statutes of the United States, are hereby set aside, and the parties hereto bind

themselves to abide by the terms and conditions of this agreement, as follows:

That the contestant shall have from the 10th day of March to the 20th day of April, 1879, to take the testimony upon which he intends to rely in his case, and the contestee from the 21st day of April to the 31st day of May, 1879, in which to take testimony in defense; the contestant then to have from the 1st to the 10th day of June, inclusive, in which to take testimony in rebuttal. Should the contestant finish his testimony in less time than is herein agreed, he shall notify the contestee, who may in that case proceed to take evidence from the time of said notification.

Neither the contestant nor contestee is hereby deprived of the right and privilege after the assembling of the Forty-sixth Congress to demand further time of the Committee on Elections, in which to take testimony germane to this contest, and it is hereby agreed that either party will agree to the extension at that time of a reasonable delay for that purpose.

The contestee hereby agrees to waive all informalities in the petition or notice of contest, and the contestant allows the contestee until the 15th day of February, 1879, in which to file his answer to the notice of contest served upon him December 3, 1878; the law, however, requiring both parties to confine their evidence to the issues established by the notice of contest and answer is not herein set aside.

Nothing in this agreement shall prevent any further and future agreements in writing between the parties hereto having for its object mutual convenience, the reduction of expenses, or other desirable matters germane to the cause at issue.

J. H. ACKLEN.
ROBERT O. HEBERT.

Personally appeared before me, at the city of Washington, District of Columbia, on this 20th day of December, A. D. 1878, the above-named parties, who signed the foregoing agreement in duplicate in my presence.

[SEAL.]

GEO. F. GRAHAM,
Notary Public.

Agreement.

WASHINGTON, D. C., March 12, 1879.

By and under an agreement between R. O. Hebert and J. H. Acklen, dated Washington, December 20, 1878, the requirements of the law in reference to taking testimony, in so far as they relate to the time granted by section 107, Revised Statutes of the United States, were set aside, and the parties agreed to fix certain times and dates. Reference is here made to this agreement.

It is now further agreed between said R. O. Hebert, by his attorney, D. J. M. A. Jewett, and said J. H. Acklen, that a further continuance of time be arranged, as follows: The contestant to have forty days, to commence ten days after the adjournment of the extra session called for March 18; the contestee forty days following, and the contestant ten days for rebuttal.

Nothing in this agreement is to alter, change, or affect anything contained in the agreement of December 20, 1878, save as to the time for taking testimony.

Affidavit of S. H. St. Martin.

S. H. ST. MARTIN, being duly sworn, deposed as follows:

I reside in Donaldsonville, parish of Ascension, State of Louisiana, and was present and took an active part in the late election held in Louisiana on November 7, 1879. The parish of Ascension, strictly on the color line, is largely Republican and therefore there has generally existed a split in the Republican ranks; this was particularly evinced in the last election, where the Hill or Independent Republican faction split off from the Landry or Regular Republican organization of the parish. Early in the campaign a convention of the Regular Republican party was held, and an executive committee was appointed to confer with the executive committee of the Democratic party of the parish to ascertain if a compromise ticket could not be put in the field agreeable to both parties. This movement was made by the Regular Republicans not only in the interest of harmony and good feeling between both races, but to offset the action of the Independent Republicans who had left the regular organization. These committees, after a full consideration of the case, agreed to place four Republicans and three Democrats of the Fusion ticket, as follows. Here is the ticket:

PARISH OF ASCENSION.

FUSION TICKET.

For State treasurer,

E. A. BURKE.

For Forty-sixth Congress, third district,

J. H. ACKLEN.

For State Senate, eighth district,

PIERRE LANDRY,

For House Representatives,

J. L. BRENT.

For Parish Judge,

JOHN A. CHEEVERS.

For Sheriff,

PETER A. JONES.

For Coroner,

J. J. SULLIVAN.

[Under act No. 12, extra session of 1878.]

Twenty-first proposed amendment—"Against amendment."

As it was generally conceded that Burke would be elected, the Republicans did not count the addition of his name to their ticket as giving anything to the Democrats other than what they would obtain anyhow, so the ticket practically, as will be seen, contained two Democrats and four Republicans. J. L. Brent, Democrat, for the legislature, was personally satisfactory to the majority of the Republicans though unpopular with many of his own party, and Colonel Acklen's course in Congress and his personal popularity with the majority of the Republicans of our parish made him peculiarly acceptable to our people. Besides, Mr. R. O. Hebert was the National nominee and almost totally unknown to our people, and Mr. Merchant the Republican wholly so, as he had never even visited the parish. The committees reported and the Republican convention indorsed their action and agreed to stand by the ticket as made up, which was termed a "Fusion ticket."

Senator Landry, who is a colored man, is the most influential and able politician of the Republican party in our parish, and his party, particularly the colored people, were very anxious that he should represent them in the State senate. Therefore the ticket as made up was largely to the advantage of the Republicans, particularly as the senatorial district embraced also the parish of Saint James, and the combination as formed insured Landry's election beyond doubt, which, with his party, was a consideration paramount to all others. Colonel Acklen, before the election, visited different parts of the parish, and was everywhere warmly received by the Republicans. On the Monday evening preceding the day of election an immense mass meeting was held in Donaldsonville, where all the leaders and many of the Republicans were present. Colonel Acklen, Senator Landry, and others spoke. Senator Landry said that he had visited every part of the parish, and was glad to announce that the Republicans of Ascension would give Colonel Acklen a unanimous vote, which announcement was received with great cheering and calls for Acklen. Colonel Acklen spoke, and was enthusiastically applauded.

The tickets for the voters had to be printed in New Orleans, and that matter was referred to a committee there. In some way Mr. Hebert managed to get the printer or committee to leave off Colonel Acklen's name, and insert his in place thereof, which was only discovered when

the tickets came up from the city. Immediately Colonel Acklen had the proper tickets prepared in New Orleans, and got them to the parish just in time, viz, Monday, the day before the election. Then the other tickets which had been sent up were destroyed, and the ticket agreed upon by the party distributed. Hebert had the Independent Republican ticket with his name on, and some Democratic tickets with his name on also. But he found that in Ascension the Republicans were determined to support Acklen, and after going to the trouble of having prominent Republicans from New Orleans—Wm. F. Brown, former superintendent education of Louisiana; James Lewis, naval officer; Morris Marks, collector of internal revenue, and others—came from the city to try and change the determination of the Republicans to vote for Acklen, he saw the futility of any such attempt, and abandoned the parish of Ascension, and went to Iberville Parish to make his fight there, where many Republicans were also openly supporting Colonel Acklen.

The election of the parish in Ascension was the fairest, most peaceful and quiet election I have ever witnessed. The Fusion ticket had been productive of the greatest harmony, and whites and blacks were voting the same ticket side by side.

I visited many of the polls on the day of election, and everywhere I saw the same good spirit manifested. Some few of Hill's supporters were inclined to abusive language towards the colored voters of the Fusion ticket, but no attention was paid to them, and the day passed off without a single difficulty of any kind whatever.

This Fusion ticket swept the parish like wildfire; at Donaldsonville, for instance, a strong Republican poll, out of upwards of 250 votes Hebert received only 3; at Colon's store nearly all the colored people were voting for Colonel Acklen, many of them putting his pasters on the Hill ticket over Hebert's name. Colonel Acklen had distributed a number of his photographs among the negroes, and they seemed greatly tickled and pleased with this little attention of his.

At Colon's store some negroes came up who had not registered, and in order to accommodate them a separate box was placed on the table and they were allowed to vote; nearly all voted for Colonel Acklen from what I saw and was told. This box, though, was not counted by the commissioners but sent to the court-house and placed in charge of the clerk.

There were some votes thrown out by the commissioners because they were not voted in the right wards, but from what I saw and was told the majority of those thrown out had Colonel Acklen's name pasted or printed on. I am certain that he was a great loser by this mistake of voters to vote in the right ward.

I have before stated the election was the fairest I have ever witnessed, and I have no knowledge of any deception practiced on any voter, or any fraud of any nature whatever connected with election. If Colonel Acklen were to run there to-day he would get nineteen-twentieths of the colored vote of the parish, perhaps more.

S. H. ST. MARTIN.

DISTRICT OF COLUMBIA,
Washington County:

On the 13th day of January, A. D. 1879, personally appeared S. H. St. Martin and made oath to the truth of the foregoing statement by him signed. Before me.

JOHN BAILEY,
Justice of the Peace.

To the voters of the third Congressional district, State of Louisiana :

Being a candidate for Congress from the above mentioned district, and being prevented by the existence of yellow fever in many of the parishes of the district, and strict quarantine regulations in other parishes, from making appointments and speaking in the different parishes, I have thought proper to issue this address to the voters in order that they may know exactly how I propose to serve them if elected to Congress.

NATIONAL FINANCES.

With regard to national finance, I will favor such legislation as will insure to the people good and cheap money in such amounts as are actually required to transact the business of the country, to be determined by the laws of trade, and give to it a fixed and unvarying value.

NATIONAL BANKING SYSTEM.

I am opposed to the national banking system as it is now regulated by acts of Congress, and will do all in my power to break it down and cause the issue of Treasury notes to supply the place of the national-bank notes; the Treasury notes thus issued to be used in the purchase of the bonds upon which the national banks are now banking, thereby saving to the people the enormous interest paid by the government upon these bonds, instead of paying it to the banks, and giving the people as a circulating medium Treasury notes, redeemable in specie, in place of the national-bank notes.

PROTECTIVE TARIFF.

The district being largely interested in the production and manufacture of sugar and rice, I will advocate such a protective tariff against foreign productions as the best interest of both the planter and laborer may require.

INTERNAL IMPROVEMENTS, ETC.

I believe that the national government should devise some plan or system of internal improvements, especially with reference to building and keeping up the levees on the Mississippi River and the protection of alluvial lands within the latitudes adapted to the culture of sugar and rice. I will favor a national system of internal improvements, and will ask, in common justice to the South, that the following measures be adopted: 1. The construction of a national railroad from the Mississippi, south of the thirty-second parallel, passing through the State of Texas to a port or ports upon the Pacific Ocean within the territory of the United States or of the republic of Mexico. 2. The construction at national expense and under national supervision of a levee for the reclamation and protection of alluvial lands within the latitudes adapted to the culture of rice and sugar. 3. The grant of a subvention from the national Treasury adequate to secure postal steam service between one or more Gulf ports of the Union and the principal ports on the Southern Atlantic coast of this continent.

HOME MATTERS FOR ATTENTION.

Outside of the protection of sugar, rice, and the building of levees, &c., we have several navigable bayous in the district that require the

fostering care of the government in order to give the people cheaper means of internal communication. I refer to bayous Atchafalaya, Lafourche, Teche, Vermillion, and Plaquemine. In order to insure safe low-water navigation through the above named bayous, I will advocate the passage by Congress of such annual appropriations as may be necessary to clean them out and keep them in good navigable condition the year round.

The Atchafalaya Bay Company having, under the authority derived from the legislative department of the State government in 1871, dredged out a channel through the Atchafalaya Bay to the Gulf, will not permit vessels to pass through their channel without first paying twenty-five cents per ton. While I recognize the right of the company to collect money for the use of their channel, I am of opinion that the government should take control of the channel after paying the company a reasonable compensation for their work; then deepen and open said channel to the commerce of the world, free of any charge, thereby making Morgan City the commercial entrepot of the Attakapas and other parishes. There being a large number of seamen employed on the great number of vessels running to and from Morgan City, there should be established at said city a marine hospital.

Lake Charles, in the parish of Calcasieu, having in the past few years built up a large and increasing commercial intercourse with Galveston and other cities, both foreign and domestic, and being largely interested in the lumber traffic, thereby employing one hundred vessels or more to carry lumber, should be made a port of entry, and have a resident collector of customs.

With reference to all of the above-mentioned home matters, or matters pertaining exclusively to the interest of the people of the district, I will introduce and secure the passage of such acts of Congress as may be necessary to carry out, in letter and spirit, my views as above stated. There are many other local measures that will present themselves through the people, and regarding myself as their servant, I will, at all times and under all circumstances, comply with their demands.

LOG SEIZURES.

There has been for the past two years much said about the log seizures made by the government agents in the parish of Calcasieu. I know nothing about the merits of the case, but will give the matter a fair, impartial, and personal investigation, and if, from such investigation, I come to the conclusion that the people whose timber was seized, or any portion of them, have been wronged by the powerful hand of the government through its agents, I will use all the power and influence that I may have or can secure in their vindication. I believe that the government should be held accountable for the illegal acts of its officers, and if the timber of *bona fide* owners has been seized and disposed of by the government, justice and equity demand that they should be allowed a reasonable compensation for the same. I believe that the land belonging to the government, situated in the parish of Calcasieu, should be put on the market and sold at an early day.

MY OPPONENT.

Having been born and raised in the South, and having resided in this district for more than thirteen years, and having been engaged for the past eight years in the practice of law, I flatter myself to the extent of

saying that I know the wants of the people of the district, as well, if not better, than my opponent, against whom I have nothing to say, politically or otherwise.

VOTES SOLICITED.

Determined, if elected, to be the representative of the whole people, and to advocate the equal rights of all, and to work devotedly and honestly in their interest as above indicated, I solicit the votes of all.

W. B. MERCHANT.

ZEVGENE A. BABIN,

*Assessor and Registrar of Voters,
Parish of Iberia, State of Louisiana.*

WASHINGTON, D. C., *December 20, 1878.*

DEAR SIR: I will meet you at the door of the House of Representatives to-day at 1 p. m., instead of at my rooms at 10½ a. m.

An important business engagement compels me to make the change.

I am, very respectfully, your obedient servant,

ROBERT O. HEBERT.

Hon. J. H. ACKLEN, *City.*

NEW IBERIA, LA., *May 6, 1879.*

SIR: Your favor of April 18 came duly to hand with inclosures as therein stated, to wit:

1st. Your answer to my petition and notice of contest.

2d. Copy of agreement entered into between yourself and R. O. Hebert with reference to taking testimony, dated December 20, 1878.

3d. Agreement between yourself and D. J. M. A. Jewett, representing R. O. Hebert, dated March 12, 1879, extending the time to commence taking testimony until ten days after the adjournment of the extra session of Congress, and to regulate the same.

In accordance with your offer to allow me to become a party to said agreements &c., contained in your letter of above date, I have this day signed the two agreements above referred to, and will be ready to commence taking evidence on my behalf ten days after the adjournment of the present extra session of Congress.

I desire to call your attention to the fact that you omitted to sign your name to the answer forwarded to me, but as I am satisfied that the omission was not intentional on your part we will by mutual consent waive the same for the present.

I desire also to call your attention to charges recently made in New Orleans papers, and claimed to be obtained from New Orleans custom-house employés, that my contest has been concocted in your interest, and that you are a party thereto. This being a base slander on both of us, I have denied the same over my signature in the New Orleans Observer, and hope you will give it the lie in such manner as you may see proper.

I have the honor to be your obedient servant,

W. B. MERCHANT.

Hon. J. H. ACKLEN, *Washington, D. C.*

NEW IBERIA, LA., *July 16, 1879.*

DEAR SIR: Your favor of the 11th instant received, with inclosure as therein stated. I am willing to the extension of time asked by Mr. Hebert for taking testimony and will sign the agreement. We might, by consent, take testimony at any time when ready, and when you come to Louisiana come and see me that we may agree upon taking our testimony in such a way and at such time as will suit both parties. I am at present and will be for some months very busy.

Your obedient servant,

W. B. MERCHANT.

Hon. J. H. ACKLEN,
New Orleans, La.

NEW ORLEANS, LA., *November 4, 1879.*

DEAR SIR: I was unable to see my attorney to-day; will see him tomorrow morning.

Let me know where you will be on the 6th instant, and I will either write or telegraph you.

Trusting you will excuse my not seeing you to-night,
I have the honor to be, very respectfully,

ROBERT O. HEBERT.

Hon. J. H. ACKLEN,
St. Charles Hotel.

NEW IBERIA, LA., *December 16, 1879.*

DEAR SIR: Your favor of the 6th instant received, and in reply I beg to say that I will have interrogatories prepared and submit them to you just after the holidays. I desire to take my testimony in that way and as suggested by me to you at Genrett's Hotel when you were here last.

My contest for your seat in Congress should not debar us from extending to each other the usual courtesies, hence I will expect from you the usual number of public documents.

Yours, &c.,

W. B. MERCHANT.

Hon. J. H. ACKLEN,
Washington, D. C.

NEW ORLEANS, LA., *July 28, 1879.*

DEAR SIR: At the time I signed the joint agreement of July 15, 1879, I notified my counsel, and, on consultation with him to-day, he informs me that his arrangements are of such a nature that he cannot attend to my case during August.

Thus I am compelled to decline your proposition to go on with the case at present.

I have the honor to be, very respectfully,

ROBERT O. HEBERT.

Hon. J. H. ACKLEN,
St. Charles Hotel, New Orleans, La.

NEW ORLEANS, LA., *July 8, 1879.*

MY DEAR SIR: Your favor of the 3d instant has been received and contents noted.

I do not object to a postponement of taking testimony in our contest, if such postponement will be of any convenience to yourself.

If postponement be made, my affairs will demand postponement until after September 15, 1879.

In reply please suggest a date on and after the one named; or forward memorandum of agreement ready for my signature.

I have the honor to be, very respectfully,

ROBERT O. HEBERT.

Hon. J. H. ACKLEN,
Nashville, Tenn.

NEW IBERIA, LA., *November 17, 1878.*

MY DEAR SIR: Your favor of the 15th instant reached me this morning, and in reply beg to say that your suggestion meets my approval, provided the rumor that there is yellow fever on Avalon is untrue, relative to which you will inform me by telegraph.

Yours, truly,

W. B. MERCHANT.

Hon. J. H. ACKLEN,
New Orleans, La.

MORGAN CITY, LA.,
October 20, 1878.

DEAR SIR: Your telegram and rations received; be sure the people of our city will not forget your efforts for their relief. As I had three of

my family down with the fever, and besides had charge of the cemetery, it was impossible for me to attend personally to the distribution; I therefore placed A. Erman and John Vanslyke, two councilmen, representing two races, in charge, and I believe they have done the work well and impartially.

With many thanks, I am, very respectfully,

C. H. ST. CLAIR,
Mayor Morgan City, La.

Hon. J. H. ACKLEN.

M. C., *October 21, 1878.*

The undersigned have issued the rations received by Mayor C. H. St. Clair from Hon. J. H. Acklen, and have use' care, and after due inquiry have been enabled to supply the pressing needs of (200) two hundred persons, equal to 1,200 rations.

A. ERMANN,
JOHN VAN SLYK,
Councilmen.

NEW IBERIA, LA., *April 13, 1879.*

SIR: I herewith send you copy of my petition contesting your seat in the Forty-sixth Congress.

I hope you will not take advantage of the delay in filing the same, as many of the facts alleged in the petition have been brought to my knowledge since the 12th of March, and as the charges in the petition are of a serious nature your good sense will prompt you to waive delays and have them investigated.

I would be pleased to make arrangements with you about taking testimony after receiving your answer, and would suggest that in order to save as much cost as possible we might agree upon some plan to take testimony, by consent from time during the summer months of the present year.

Hoping to hear from you soon,
I am your obedient servant,

W. B. MERCHANT.

Hon. J. H. ACKLEN,
Washington, D. C.

Agreements.

NEW ORLEANS, LA., *July 15.*

It is hereby agreed by and between R. O. Hebert, contestant, and J. H. Acklen, the seated member of the Forty-sixth Congress from the third Congressional district of Louisiana, that only the time for taking testimony under two certain agreements, dated, respectively, Washington, D. C., December 20, 1878, and Washington, D. C., March 12, 1879, is hereby extended to October 1, 1879; nothing herein, however, to affect any rights of said parties under said former agreements.

J. H. ACKLEN.
R. O. HEBERT.

NEW ORLEANS, LA., *July 15, 1879,*

It is hereby agreed by and between Wm. B. Merchant, contestant, and J. H. Acklen, the seated member of the Forty-sixth Congress from the third Congressional district of Louisiana, that the time only for taking

testimony under certain former agreements, dated, respectively, December 20, 1878, and March 12, 1879, and to which agreements said Merchant became a party, is hereby extended to October 1, 1879; nothing herein to affect any right of said parties under said former agreements.

J. H. ACKLEN.

W. B. MERCHANT.

Witness:

C. M. ACKLEN.

NEW ORLEANS, *October 29, 1878.*

DEAR SIR: On the receipt of your telegram I called but failed to see Marks, and appreciating the necessity of prompt action in your case I secured the printing of your tickets. Fortunately I was able to discover Hebert's tickets, and, as you see from the inclosed, have been able to duplicate them, which is a strong point gained in your favor. They will go off promptly to the parishes of Terrebonne, Lafourche, Assumption, Ascension, and Iberville. Now, as to the point referred to in my telegram of to-night, Hebert made the proposition direct on the E. J. Gay, yesterday, to Allen Jumel here in New Orleans, and closed same, to go over to the Democrats if they would assist him in his election against Acklen as soon as he was elected. This matter has been put in writing by Hebert and can be used and will be used on election day if not before.

It will kill his chances beyond any doubt with our party, and your tickets being on hand at the proper time will be voted. Our friends cannot vote for Acklen; they are anyway in your favor; and this fact, used as it shall be, will turn them entirely and emphatically to you. Terrioonne will poll twenty-six hundred Republican votes, Lafourche two thousand, and Ascension, Assumption, and Iberville almost as many. The tide is setting strongly in your favor. You will need no money in this matter, other than about \$50 for my expenses to Ascension, aside from the expense of the tickets, &c. There are reasons why the custom house nominee should and must be either made to give up or be defeated. Acklen is not strongly supported, and will meet with but lame endeavors from his Democratic friends, who will probably vote for him, if at all, only through necessity. I see no reason why you should not be elected, Hebert, if you have the strength you are reported to have, and the Attakapas will be but a slight obstacle to your success, and indeed none at all, when this last move of his is exposed, as it will be. I hear of endeavors to force you out of the fight. With your excellent chances of course this will prove futile, but you must be very frank with me, and say by telegraph, *positively*, whether you intend to stay *at all hazards*; if so, I am with you, and am willing to be recompensed for my work when you are elected, as I think you can be; otherwise would not do what I am and will do for you. The Democratic vote in the Lafourche Parishes will fall off fearfully and the Republicans but little, if any. Telegraph me fully.

E. L. WEBER.

W. B. MERCHANT.

WASHINGTON, D. C., *December 6, 1879.*

DEAR SIR: I have this day addressed a letter to Robert O. Hebert, esq., requesting of him definite information as to his intentions in regard to the contest which he has instituted for my seat in Congress. Should he in reply fix a time for taking testimony during the holidays, I desire to

know of you if such arrangement would meet your convenience, and whether you would need the services of Mr. O'Connor, the stenographer, who could act for all parties, and thereby save the expense incident to the employment of a United States commissioner, as he is one himself. Mr. O'Connor informs me that he will put you to no expense other than 25 cents per folio, to be paid when such testimony as you may see fit to have taken on your own behalf shall have been transcribed.

As early a reply as convenient will oblige your obedient servant,

J. H. ACKLEN.

W. B. MERCHANT, Esq.,
New Iberia, La.

WASHINGTON, D. C., December 6, 1879.

DEAR SIR: Previous to my return from the Teche to New Orleans, I telegraphed you, if convenient, to meet me, as I desired to ascertain what your intentions might be in reference to your contest for my seat in Congress. On my arrival in New Orleans, I ascertained when I called at your office that you were out of town, and had been so for several days. I now, therefore, write to know of you whether it is your intention to continue the contest or not. You know, as I have personally and by letter already expressed myself, that I desire to place no obstacles in the way of a full investigation of the facts in connection with my election, and that I have already accorded to you every facility for making your contest. I desire now, however, to say that unless some definite steps are taken within a month or so, I suppose, as is the custom in the Committee of Elections, that the case will be dropped from the docket, and could not then be afterwards considered. Although it would be inconvenient for me to visit Louisiana during the holidays, yet, if you desire to set such a time for taking testimony, I think it possible that I could arrange to leave here about that time. I would not be able, however, to spend more than four or, at the outside, five days in Louisiana, during which time I suppose that you could obtain all of the testimony that you intend to take. It will be necessary, however, to have a stenographer, and I would suggest Mr. John D. O'Connor as fully competent to fill this position. He would expect at once \$100 in cash, expenses while in Louisiana, and 20 cents per folio when the testimony is transcribed.

Please advise me at the earliest possible moment of your wishes in the case, so that I can make my arrangements accordingly.

I have the honor to be, sir, your obedient servant,

J. H. ACKLEN.

ROBERT O. HEBERT, Esq.,
Custom House, New Orleans, La.

WASHINGTON, D. C., June 11, 1879.

DEAR SIR: Congress will adjourn in the course of a week or ten days, and I am anxious to know from you whether I shall secure the services of a stenographer, in order to further the taking of the testimony in the contested election case of Hebert *vs.* Acklen. By acting promptly in this matter, I feel satisfied that I can secure such advantageous terms as will save both you and myself no inconsiderable expense. I should be glad to hear from you on this subject by return mail, if possible.

And have the honor to be your obedient servant,

J. H. ACKLEN.

R. O. HEBERT, Esq.,
Custom House, New Orleans, La.

WASHINGTON, D. C., *July 3, 1879.*

SIR: I had the honor of addressing you a letter on the 11th of June last, on the subject of employing a stenographer to take the testimony under our agreement after the adjournment of this extra session of Congress, to which I have not as yet received any reply.

It is my intention on my way South to stop some little time in Nashville, Tenn., at which point I shall be glad to receive some communication from you in reference to the taking of testimony. Unless you are anxious that the testimony should be taken at once, it might be found mutually agreeable to take the testimony when the weather is a little cooler. This, however, is a matter of which you are the best judge, and I shall be at your service when duly informed by you.

I have the honor to be, sir, your obedient servant,

J. H. ACKLEN.

ROBERT O. HEBERT, Esq.,
New Orleans, La.

WASHINGTON, D. C., *April 18, 1879.*

SIR: On day before yesterday I received your notice of contest through the clerk of the Committee of Elections. Yesterday I received a copy of same through the mail, and also a personal letter, in which you ask me to waive all my legal rights springing from your failure to comply with the law regulating the time of serving notices in such cases.

Your request is certainly an extraordinary one, but as I made a like concession to Mr. R. O. Hebert, by agreement, knowing as I well do that I was fairly and honestly elected, and that no testimony that either of you can take could disclose facts to the contrary, I am willing to accord to you the same opportunities as I did him for the fullest and freest investigation. I therefore inclose to you copies of the agreements signed by us, to which you may become a party, and request that you notify me by letter of the date when you append your signature. The agreements you may retain, as I have the originals here. I also mail you my answer to your notice of contest.

I have the honor to be your obedient servant,

J. H. ACKLEN,
Per O. C.

W. B. MERCHANT, Esq.,
New Iberia, La.

WASHINGTON, D. C., *May 10, 1879.*

SIR: I am in receipt of your letter, under date of May 6, in answer to my communication of April 18, acknowledging your receipt of my answer to your notice of contest; also copies of agreements entered into between Robert O. Hebert and myself relative to the time for taking testimony; and also note your statement that you have signed and become a party to same, and that you will commence the taking of evidence ten days after the adjournment of the present extra session of Congress. If my name was not signed to the answer to your notice of contest, it was an oversight on my part, which I desire hereby to correct.

I note your remarks relative to the charges recently made in the New Orleans Observer. I saw and read this article, and also your reply to it, which I must say I deemed unnecessary, inasmuch as no authority was given for the statement, the party making it having done so under a *nom de plume*. If any responsible party should make such assertions, I would take the proper steps to refute such base slander at once;

but a statement from an anonymous correspondent carries no weight, and is not deserving of attention.

I have the honor to be your obedient servant,

J. H. ACKLEN.

nance relative to State debt had indorsed on them the words; "For ordinance relative to State debt."

Now, therefore, I, Francis T. In witness whereof I have hereunto signed my name and caused the great seal of the State of Louisiana to be hereunto affixed at the city of New Orleans, this thirty-first day of the month of December, in the year of our Lord one thousand eight hundred and seventy-nine, and of the one hundredth and fourth year of the Independence of the United States of America.

In the above figures the vote for lieutenant-governor has been assumed as the one showing the actual vote of the two parties. The entire vote of the parish falls about 600 below the registration.

The actual majority by this test, as well as by the vote of the State ticket, except that of the governor, has been over 200 in favor of the Democrats.

Taking into consideration the fact that there are at least 100 colored men in the parish working on sugar plantations, who are not residents, and the further fact of an equal number of white residents who are working in other parishes or absent hunting, there is an actual Democratic majority in Lafourche at any other period of the year of fully 400.

Judge Beattie has run ahead of his ticket more than 350 votes; Webre has led his party vote about 110 votes; J. W. Knobloch, Grisamore, and Billiu are behind the State ticket about 50 votes. Mathews falls behind 250 votes.

There has been more scratching than at any election within ten years.

A singular fact concerning this vote is that every Democrat on the parish ticket except Webre falls about 50 votes behind the State Democratic ticket. It would appear that the further one gets from home the more popular he becomes.

Judge Beattie obtained Democratic votes in every precinct except the one in which he resides. Politics are scaly things, and elections are mighty uncertain.

ENTITLED TO VOTE.

The State census of 1875 was conducted mainly by the same officials who supervised the registration, and much evidence has been produced showing that there was a discrimination unfavorable to the whites in the enumeration.

Adopting, however, the State census of 1875, and allowing one vote for each five of population in 56 parishes, and for the native white and colored in New Orleans, and to this sum adding the naturalized foreigners in New Orleans, we find the following result, viz:
