

REORGANIZATION OF THE CUSTOMS SERVICE.

MESSAGE

FROM THE

PRESIDENT OF THE UNITED STATES,

TRANSMITTING

PLAN OF REORGANIZATION OF THE CUSTOMS SERVICE AND
DETAILED ESTIMATE OF EXPENSES OF THE SAME.

MARCH 4, 1913.—Read, referred to the Committee on Ways and Means, and ordered to be printed.

To the Senate and House of Representatives:

Whereas, by virtue of the provision of chapter 355 of the acts of 1912, approved August 24, 1912, being "An act making appropriations for sundry civil expenses of the Government for the fiscal year ending June thirtieth, nineteen hundred and thirteen, and for other purposes," I was authorized to reorganize the customs service and cause estimates to be submitted therefor on account of the fiscal year 1914, reducing the total cost of said service for said fiscal year by an amount not less than \$350,000, and I was further authorized in making such reorganization and reduction in expenses to abolish or consolidate collection districts, ports and subports of entry and delivery, to discontinue needless offices and employments, to reduce excessive rates of compensation below amounts fixed by law or Executive order, and to do all such other and further things that in my judgment may be necessary to make such reorganization effective and within the said limit of cost; and

Whereas it was further provided that such reorganization should be communicated to Congress at its next regular session and should constitute for the fiscal year 1914, and until otherwise provided by Congress, the permanent organization of the customs service: Now, therefore,

It is hereby ordered and communicated that the following plan shall be the organization of the customs service for the said fiscal year 1914, and unless otherwise provided by Congress the permanent organization of the customs service:

II D—62—3—vol 135—48

Such fee shall be deposited and accounted for as "Miscellaneous receipts," and in case the notice of dissatisfaction or protest in connection with which such fee was deposited shall be finally sustained in whole or in part, such fee shall be refunded to the importer, with the duties

found to be collected in excess, from the appropriation for the refund to importers of excess of deposits.
