LETTER OF TRANSMITTAL.

DEPARTMENT OF AGRICULTURE,
OFFICE OF THE SECRETARY,
Washington, December 2, 1912.

SIR: As required by the act approved May 22, 1908 (35 Stat. L., 244), I have the honor to transmit herewith a statement showing in detail the travel, from Washington to points outside of the District of Columbia, performed by officers and employees (other than special agents, inspectors, and employees who in the discharge of their regular duties are required to constantly travel) of the Department of Agriculture during the fiscal year 1912.

A copy of this report has also been transmitted to the President of the Senate.

Very respectfully,

JAMES WILSON,
Secretary.

The SPEAKER OF THE HOUSE OF REPRESENTATIVES.

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, together with their official titles, destination or destinations of such travel, the business or work on account of which the same was made, and the total expense to the United States charged in each case. (35 Stat. L., p. 244.)

OFFICE OF THE SECRETARY.

|------------------|-----------------------------|---|---|----------------|-------------------------|
| Arnold, Jacob H. | Scientific assistant..... | Terra Alta, W. Va. (Nov. 20-21, 1911) | To work out plans for operating the farm of the tuberculosis hospital, in cooperation with the State Board of Control of West Virginia. | \$19.68 | Farm management. |
| Do..... | do..... | Charlestown, W. Va. (Dec. 26-29, 1911.) | To study agricultural conditions and recommend plans for operating the farm of the colored institute, in cooperation with State superintendent of schools and the State board of control. | 29.95 | Do. |
| Do..... | do..... | Grafton, Morgantown, W. Va.; Knoxville, Clarksville, Crossville, Nashville, Tenn.; Heidelberg, Richmond, Ky. (Feb. 9-Mar. 4, 1912.) | To secure data on farm operations, to advise regarding farm plans, and to arrange cooperative work in various phases of farm management. | 136.40 | Do. |
| Do..... | do..... | Romney, W. Va. (Mar. 14-16, 1912).... | To recommend a cropping system for use on the farm of the deaf and blind school, and to secure orchard data, in connection with farm-management investigations. | 11.14 | Do. |
| Do..... | do..... | Grafton, Pruntyville, Martinsburg, Sleepy Creek, W. Va.; Pearre, Md. (Mar. 27-Apr. 1, 1912.) | To collect data on orchard management and to devise a cropping system for the farm of the West Virginia Reform School. | 29.40 | Do. |
| Do..... | do..... | Knoxville, Nashville, Cumberland Gap, Clarksville, Tenn.; Bowling Green, Rowletts, Berea, Louisville, Ky. (Apr. 8-24, 1912.) | To arrange cooperative work relative to reorganization of farms, and to inspect work already in progress. | 129.48 | Do. |
| Do..... | do..... | Romney, W. Va. (Apr. 29-30, 1912.) | To confer with the superintendent of State school farm and give instructions relative to cropping plans for the farm. | 10.10 | Do. |
| Do..... | do..... | Institute, Bethany, Morgantown, Grafton, Terra Alta, W. Va. (May 26-June 1, 1912.) | To visit school farms for the purpose of inspecting cooperative work and to give further directions for managing these farms. | 49.39 | Do. |
| Do..... | do..... | Romney, W. Va. (June 22, 1912).... | To confer with managers of the West Virginia State Farm and Deaf and Blind School and advise in regard to farm management work. | 12.09 | Do. |
| Do..... | do..... | Romney, W. Va. (June 28-29, 1912) | do..... | 13.19 | Do. |
| Bacon, Chas. W. | Assistant physiologist..... | Suffield, Hazardville, East Hartford, Conn. (Aug. 19-Sept. 1, 1911.) | To assist in experiments in the curing of tobacco, in connection with the work in the improvement of tobacco. | 51.63 | Tobacco investigations. |

| | | | | | |
|-------------------------|----------------------------|--|--|--------|---------------------------------|
| Bailey, R. Victor..... | Assistant..... | Newell, S. Dak.; Osborn, Mont.; Fallon, Nev.; Hermiston, Oreg.; Salinas, Cal.; Yuma, Ariz.; San Antonio, Tex. (July 1-Sept. 9, 1911.) | To inspect methods in use at field stations for keeping records and handling clerical and fiscal matters, and to institute an improvement and uniformity of business routine. | 308.47 | Western agricultural extension. |
| Ball, Carleton R..... | Agronomist..... | Reno, Fallon, Nev.; Logan, Nephi, Utah; Garden City, Hays, Manhattan, Kans. (July 1-15, 1911.) | To study the progress of grain-sorghum investigations and to investigate the possibilities of grain-sorghum production under both dry land and irrigated conditions. | 110.22 | Grain investigations. |
| Do..... | do..... | Amarillo, Dalhart, Tex.; Garden City, Kans.; Akron, Denver, Colo.; Newell, Highmore, Huron, Brookings, S. Dak. (Aug. 25-Sept. 11, 1911.) | To consult farmer cooperators, experiment station officials, and wholesale market men and factory men, feed manufacturers, grain inspectors, and commission men relative to the commercial handling of grain-sorghums and other cereals. | 215.08 | Do. |
| Do..... | do..... | Amarillo, Tex.; Manhattan, Hays, Kans.; Kansas City, Mo.; Cheyenne, Wyo.; Ames, Iowa. (May 22-June 7, 1912.) | To inspect cereal plot experiments in these sections, to confer with implement dealers relative to machinery for cultivation of broom corn, and to investigate the possibilities for successful cereal culture in dry areas of southeastern Wyoming. | 213.46 | Do. |
| Do..... | do..... | Cheyenne, Wyo.; Logan, Salt Lake City, Nephi, Utah; Denver, Akron, Colo. (June 17-29, 1912.) | To confer with officials of the Wyoming State farm board, relative to a site for a new co-operative cereal experiment farm in Wyoming and to inspect work at State experiment stations in connection with cereal investigations. | 200.34 | Do. |
| Ballard, Wm. S..... | Assistant pathologist..... | Suisun City, Watsonville, Wrights, Berkeley, Cal.; Medford, Corvallis, Portland, Hood River, The Dalles, Oreg.; North Yakima, Walla Walla, Seattle, Wash.; Montrose, Grand Junction, Colo.; Fallon, Hazen, Nev., and other points in States named. (July 1, 1911-Jan. 24, 1912.) | To investigate pear blights, walnut blight, apple rosette, and other diseases of fruits, and to conduct experiments in spraying and other methods for combating and controlling such diseases. | 645.99 | Fruit diseases. |
| Do..... | do..... | Watsonville, San Francisco, Berkeley, San Jose, Los Angeles, Riverside, San Dimas, Santa Paula, Santa Barbara, Indio, Cal. (Feb. 20-June 30, 1912.) | do..... | 386.95 | Do. |
| Barghausen, John F..... | Mechanician..... | Hartsville, S. C. (Nov. 7-12, 1911) | To collect data on methods of picking, storing, ginning, and baling cotton, and to investigate machinery of cotton mills, in connection with the cotton grading and standardization work. | 37.00 | Cotton standardization. |
| Bartlett, Harley H..... | Chemical biologist..... | Florence, Ebenezer, S. C.; Asheville, Sprucepine, Saginaw, N. C. (Sept. 22-Oct. 8, 1911.) | To continue work on red pepper selection, to study medicinal plants under cultivation and also their occurrence in the wild state, and to investigate the commercial collection of wild drug plants. | 72.09 | Drug and other plants. |
| Do... .. | do..... | Annapolis, Chesapeake Beach, Md. (Oct. 16 and 26, 1911.) | To collect material of <i>Trioistem</i> for laboratory examination as to its hydrocyanic acid content as a part of poisonous plant investigations. | 4.10 | Do. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

|-----------------|---------------------------|--|---|----------------|--|
| Beattie, Wm. R. | Assistant horticulturist. | Houston, Port O'Connor, Galveston, Bryan, Tex. (July 18-30, 1911.) | To attend a meeting of the Texas Farmers' Congress and inspect trucking lands in connection with general horticultural investigations. | \$143.00 | Arlington farm and horticulture. |
| Do. | do. | Norfolk, Diamond Springs, Suffolk, Virginia Beach, Va. (Aug. 18-23, 1911.) | To conduct truck crop and peanut investigations. | 26.95 | Do. |
| Do. | do. | Canajoharie, Palatine Bridge, N. Y. (Aug. 24-26, 1911.) | To investigate at the factory of the Beechnut Packing Co. the utilization of peanuts for the manufacture of peanut butter in connection with the improvement of this crop. | 28.75 | Do. |
| Do. | do. | Crystal Springs, Jackson, Brookhaven, Canton, Miss.; Ardmore, Guthrie, Okla.; Little Rock, Russellville, Ark.; Tyler, Laredo, Denton, Texarkana, San Antonio, Tex.; Shreveport, Monroe, Alexandria, New Orleans, La. (Aug. 30-Sept. 30, 1911.) | To instruct agents of the farmers' cooperative demonstration work as to the best methods of growing peanuts, with a view to encouraging peanut cultivation as a diversification crop. | 292.17 | Farmers' cooperative demonstration work. |
| Do. | do. | Richmond, Va. (Oct. 12-13, 1911.) | do. | 11.65 | Do. |
| Do. | do. | Norfolk, Suffolk, Diamond Springs, Va. (Oct. 26-29, 1911.) | To continue work with peanuts. | 19.05 | Arlington farm and horticulture. |
| Do. | do. | Jackson, Crystal Springs, Utica, Canton, Hazlehurst, Brookhaven, Glaston, Monroe, Vicksburg, Miss.; Texarkana, Ark.; Marshall, San Antonio, Scottsville, Laredo, Tex.; Shreveport, New Orleans, La. (Nov. 5-28, 1911.) | To carry on demonstration work with peanuts. | 317.19 | Farmers' cooperative demonstration work. |
| Do. | do. | Norfolk, Portsmouth, Wakefield, Boykins, Suffolk, Waverly, Dinwiddie, Va. (Dec. 5-9, 1911.) | To attend farmers' institutes at the request of the State commissioner of agriculture and to give talks on peanut cultivation and utilization and to continue peanut investigations. | 31.65 | Arlington farm and horticulture. |
| Do. | do. | Spring Grove, Va. (Jan. 3-4, 1912) . . . | To attend a meeting of a portable school of agriculture and to deliver an address on peanut culture at the request of experiment station officials. | 14.80 | Do. |

| | | | | | |
|-------------------------|------------------------------|--|---|--------|------------------|
| Do..... |do..... | Pocomoke City, Md.; New York, N. Y.; Philadelphia, Pa. (Jan. 10-12, 1912.) | To investigate truck-crop culture and market conditions and to deliver an address before the Peninsula Horticultural Society in Maryland. | 32.22 | Do. |
| Do..... |do..... | Milford, Dover, Smyrna, Del. (Feb. 12-17, 1912.) | To cooperate with the State authorities of Delaware in truck crop features of farmers' institute work. | 22.81 | Do. |
| Do..... |do..... | Hackettstown, N. J.; New Haven, Conn.; New York, N. Y. (Apr. 9-12, 1912.) | To investigate problems in connection with the marketing of peanuts and truck crops. | 32.00 | Do. |
| Do..... |do..... | Norfolk, Va.; Moyock, N. C. (May 9-12, 1912.) | To continue investigations of peanuts and truck crops. | 20.20 | Do. |
| Do..... |do..... | New York, Elmira, N. Y. (June 9-14, 1912.) | To investigate celery and onion cultivation. | 32.75 | Do. |
| Do..... |do..... | Moyock, N. C.; Norfolk, Va. (June 20-22, 1912.) | To investigate conditions in connection with the cultivation and handling of truck crops and peanuts. | 28.60 | Do. |
| Bennett, C. Morris..... | Scientific assistant..... | Binghamton, Rochester, Albion, Hilton, Syracuse, Sodus, North Rose, Perry, Castile, Kendall, Buffalo, Modeltown, Sheldrake, MacDougall, Seneca Falls, Bellona, N. Y.; Laceyville, Sayre, North East, Pa. (Oct. 7-Nov. 16, 1911.) | To discuss with farmer cooperators problems in connection with the keeping of farm records and to arrange for further development and extension of farm economic investigations, to ascertain areas devoted to the leading farm crops. | 124.79 | Farm management. |
| Do..... |do..... | Rocky Mount, N. C. (Jan. 23-27, 1912.) | To confer with cooperators on matters relating to farm economics and to secure data regarding cost-accounting records, in connection with farm management investigations. | 19.70 | Do. |
| Do..... |do..... | Wooster, Waukesha, Madison, Blue Mounds, Wis.; Victor, Hartwick, Iowa; Virginia, Ashland, Springfield, Decatur, Ill.; Bloomingdale, Ind. (Feb. 15-Mar. 13, 1912.) | To consult with State officials, department field men, and farmer cooperators engaged in work on farm cost accounting and other record keeping, and to assist in extending this work. | 146.14 | Do. |
| Do..... |do..... | Ovid, Interlaken, Lockport, Rochester, Albion, Medina, Buffalo, Batavia, N. Y. (Mar. 23-29, 1912.) |do..... | 43.17 | Do. |
| Do..... |do..... | Laceyville, West Auburn, Lenape, Pa. (Apr. 20-28, 1912.) |do..... | 41.27 | Do. |
| Benson, Oscar H..... | Agent..... | Mason City, Clarion, Ames, Iowa; Aberdeen, S. Dak.; Cedar Point, Wooster, Ohio. (June 4-22, 1912.) | To organize and promote boys' and girls' agricultural clubs, in connection with farm management demonstrations and to enlist local cooperation in these efforts. | 124.62 | Do. |
| Billings, George A..... | Assistant agriculturist..... | New Brunswick, Plainsboro, Freehold, Newark, Woodstown, New Village, N. J.; Milan, Montrose, Allentown, Alford, Pennsburg, Philadelphia, West Chester, Pa.; Kings Park, L. I.; and New York City. (July 5-30, 1911.) | To work out a farm plan for Essex County Insane Hospital; to confer with New York State department of agriculture officials regarding cropping systems for dairy farms belonging to State institutions; and to study other problems relating to systems of farm management. | 102.44 | Do. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

| Billings, George A | Assistant agriculturist | Millville, Plainsboro, Trenton, N. J.; Glenrock, Easton, King of Prussia, Schellsburg, Pittsburgh, Grove City, Coatesville, Pa. (Aug. 7-Sept. 28, 1911.) | To plan experimental work in cropping systems, including alfalfa, and embracing farm practice with manures and fertilizers, in cooperation with the New Jersey experiment station, and to conduct general farm management investigations. | \$109.08 | Farm management. |
| Do | do | Skillman, N. J. (Oct. 5-7, 1911) | To outline working plans on two cooperative farms and to study farm management problems. | 12.10 | Do. |
| Do | do | New Brunswick, Plainsboro, Trenton, Skillman, N. J.; East Smithfield, Milan, Bradford, Pa. (Oct. 18-Nov. 1, 1911.) | To assist farmers to reorganize and improve their farming systems, to make plans for farm of State Village for Epileptics of New Jersey, and to study methods of farm practice. | 73.94 | Do. |
| Do | do | Pittsburgh, Greenville, Albion, Allentown, Macungie, Pa.; Skillman, Plainsboro, Newark, N. J. (Nov. 13-23, 1911.) | To secure data regarding farm practices from special cooperators, to plan next season's work, and to study general conditions and possibilities of improvement in farm practice and management. | 42.72 | Do. |
| Do | do | Carlisle, State College, Lockhaven, Easton, Pa.; Plainsboro, Millville, Vineland, Norma, N. J.; New York, N. Y. (Feb. 2-17, 1912.) | To lecture on farm management topics at the Pennsylvania State College, to assist Carlisle Indian School and private cooperators in planning farm work, and to obtain data on farm practice. | 64.14 | Do. |
| Do | do | New Brunswick, N. J. (Mar. 1-2, 1912.) | To arrange with the New Jersey agricultural experiment station for cooperative farm management work in northern New Jersey. | 15.15 | Do. |
| Do | do | State College, Lancaster, Altoona, Reading, Eddington, Pa.; Matawan, Plainsboro, New Brunswick, Summit, N. J. (Mar. 17-27, 1912.) | To confer with experiment-station authorities on farm management extension work and to advise farmers regarding labor schedules, cropping systems, and other details of farm work. | 59.61 | Do. |
| Do | do | Plainsboro, Trenton, Newton, Summit, N. J.; Center Point, Uniontown, Warren, Pennsburg, Butler, Altoona, Schellsburg, Pa. (Apr. 21-May 5, 1912.) | To address farmers' granges at Center Point and Pennsburg regarding proposed farm management work in Montgomery County, Pa.; and to arrange for placing agents in other counties of Pennsylvania and New Jersey to conduct similar investigations and demonstrations. | 104.84 | Do. |

| | | | | | |
|---------------|--------------|---|--|------------------|---|
| Do..... |do..... | East Smithfield, Newtown, Allentown, Glenloch, Pa.; Trenton, Plainsboro, New Brunswick, Skillman, N. J. (May 19-June 2, 1912.) | To lecture on farm management topics at farmers' meetings, to give advice as to cropping systems and drainage systems on several farms, and to continue general farm management studies. | 43.54 | Do. |
| Do..... |do..... | Washington, Altoona, State College, Pa. (June 10-12, 1912.) | To confer with officials of the State College and county organizations relative to the selection and appointment of agents to conduct farm management work in Washington and Blair Counties. | 30.03 | Do. |
| Do..... |do..... | West Chester, Harrisburg, Ephrata, Lock Haven, Williamsport, Vineyard, Trenton, N. J. (June 16-23, 1912.) | To select territory for an agricultural survey in Pennsylvania and to confer with local organizations in regard to farm management demonstrations in Mercer County, N. J., and other counties in New Jersey and Pennsylvania. | 50.24 | Do. |
| Bisset, Peter | Expert..... | Brooksville, Orange City, New Smyrna, Homestead, Miami, Palm Beach, Dania, St. Augustine, Jacksonville, Fla.; Savannah, Augusta, Ga.; Columbia, S. C.; Fayetteville, Raleigh, N. C.; Richmond, Providence Forge, Va. (July 1-29, 1911.) | To inspect experiments with foreign plants conducted at the plant-introduction field stations and by private growers, and to arrange for the testing of other introductions. | 162.49 | Special seeds and plants. |
| Do..... |do..... | Easton, Phillipsburg, Riverton, N. J.; Philadelphia, Chestnut Hill, West Grove, Pa.; Baltimore, Md. (Sept. 14-19, 1911.) | To inspect commercial nurseries and trial grounds for the purpose of securing stocks needed at the various plant-introduction testing stations and to visit parks and confer with park commissioners and park superintendents relative to cooperative experiments in the growing and testing of promising street, lawn, and park plants introduced from foreign countries. | 29.70 | Do. |
| Do..... |do..... | Norfolk, Portsmouth, Richmond, Va. (Apr. 2-5, 1912.) | To inspect Dutch bulbs in connection with quotations for furnishing bulbs for Congressional distribution and to obtain information regarding methods of growing and handling bulbs. | 21.45 | Purchase and distribution of valuable seeds, 1912. Congressional seed distribution. |
| Do..... |do..... | Pittsburgh, Pa.; Columbus, Cincinnati, Ohio; St. Louis, Kansas City, Mo.; Denver, Colorado Springs, Colo.; Salt Lake City, Utah; Portland, Oreg.; Seattle, Bellingham, Wash.; Chico, Napa, Fresno, San Francisco, San Diego, Los Angeles, San Fernando, Santa Ana, Riverside, Upland, Whittier, Indio, Redlands, Mecca, Cal.; San Antonio, Brownsville, Tex.; New Orleans, La.; Jacksonville, Pensacola, Brooksville, Fla. (Oct. 4-Dec. 6, 1911.) | To inspect experiments with introduced plants growing at the various departmental gardens and similar experiments by commercial and private growers and to arrange for further tests of imported seeds and plants; and to confer with park officials, officers of civic improvement associations, and other interested parties in connection with the testing of newly introduced seeds and plants, as to their suitability for street, lawn, and park planting. | 307.15 128.30 | Do. Foreign seed and plant introduction. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc—Continued.

| Boerner, Emil G..... | Assistant..... | Baltimore, Md.; New York, N. Y. (Feb. 19-23, 1912.) | To make cooperative arrangements with a steamship company and grain exporters for conducting experiments as to keeping qualities of American export corn while in transit to European ports, in connection with grain standardization investigations. | \$19.65 | General expenses, B. P. I., 1912 (grain standardization). |
| Do..... | do..... | Baltimore, Md.; Rotterdam, Netherlands; Hamburg, Germany; Copenhagen, Denmark; Antwerp, Belgium; Havre, France; London, Liverpool, England; New York, N. Y. (Feb. 26-Apr. 26, 1912.) | To accompany a transatlantic shipment of corn for the purpose of making examinations en route and at destination to determine causes of deterioration while in holds of steamships during the voyage and also to examine other special export shipments of American corn on arrival at European ports. | 455.32 | Do. |
| Brand, Charles J..... | Physiologist..... | Portland, Cumberland Mills, Waterville, Me. (July 5-Aug. 25, 1911.) Philadelphia, Pa.; New York, N. Y.; Cumberland Mills, Waterville, Fairfield, Me. (Aug. 28-Sept. 19, 1911.) | To supervise paper making from crop and other plant material. | 226.24 | Paper plant investigations. |
| Do..... | do..... | Chicago, Springfield, Illinois; Greensburg, Lyons, Ind.; Saginaw, Mich.; Winona, Minneapolis, Minn. (Sept. 26-Oct. 15, 1911.) | To continue work on the utilization of crop and other plants in paper making and on the production of food extracts from crop wastes. | 111.87 | Do. |
| Do..... | do..... | New York, N. Y.; Boston, Mass.; Portland, Cumberland Mills, Me. (Nov. 8-Dec. 16, 1911.) |do..... | 219.00 | Do. |
| Do..... | do..... | Cumberland Mills, Portland, Me. (Jan. 4-17, 1912.) |do..... | 126.43 | Do. |
| Do..... | do..... | Jacksonville, Miami, Fla. (Mar. 10-15, 1912.) | To conduct experiments in the growing of ramie and to investigate matters relative to its utilization in manufactures, especially in connection with paper making. | 97.12 | Do. |
| Do..... | do..... | Easley, Greenville, Calhoun, Clemson College, Pendleton, S. C.; Atlanta, Ga.; Chattanooga, Jackson, Memphis, Tenn.; Birmingham, Montgomery, Ala.; Jackson, Magnolia, Miss.; New Orleans, La.; Los Angeles, El Centro, Bard, San | To consult with State and Government officials, farmers' organizations, and other persons connected with the cotton industry relative to cooperative cotton handling and marketing work; to inspect gins, compresses, storage houses, and other devices or appliances used in the preparation and | 101.85 | Do. |
| | | | | 508.85 | Cotton standardization. |

| | | | | | |
|----------------------|--------------------|--|---|--------|--------------------------|
| Briggs, Lyman J..... | Physicist..... | Francisco, Cal.; Yuma, Mesa, Ariz.; El Paso, San Antonio, Gardendale, Crystal City, Waco, Dallas, Tex.; Oklahoma, Purcell, Muskogee, Chickasha, Ada, Sapulpa, Okla. (May 15-June 21, 1912.) | handling of the cotton crop; and to inspect cotton fields in order to secure additional data bearing upon these investigations. | 538.87 | Physical investigations. |
| Do..... | do..... | Akron, Denver, Colo.; Wamsutter, Wyo; Salt Lake City, Utah; Idaho Falls, Idaho; Hermiston, The Dalles, Moro, Portland, Oreg.; San Francisco, San Dimas, Riverside, Los Angeles, Santa Cruz, Salinas, Placerville, Palo Alto, Sacramento, Cal.; Reno, Carson, Nev.; Battle Creek, Mich. (July 2-Sept. 7, 1911.) | To continue physical field investigations relating to problems in dry farming and to the influence of environmental factors on crop production; to investigate causes of malnutrition of citrus trees; and to confer with cereal manufacturers concerning a method of rapidly determinating the moisture content of grain and grain products. | 253.59 | Do. |
| Brodie, David A..... | Agriculturist..... | Akron, Grand Junction, Fruita, Colo.; Salt Lake City, Tooele, Grantsville, Utah. (May 22-June 19, 1912.) | To conduct biophysical investigations relative to the water requirements of crop and other plants, the causes of malnutrition of orchard trees, and the tolerance of plants to the accumulation of alkali. | 29.18 | Farm management. |
| Do..... | do..... | Binghamton, Dryden, Ithaca, N. Y. (July 17-20, 1911.) | To confer with the field men and inspect cooperative demonstration work in farm management. | 41.88 | Do. |
| Do..... | do..... | Binghamton, Dryden, Ithaca, N. Y. (Aug. 27-Sept. 1, 1911.) |do..... | 275.83 | Do. |
| Do..... | do..... | Columbia, Hayti, Hannibal, St. Louis, Mo.; Bayard, Iowa; Oklahoma, Okla.; Dallas, College Station, Tex.; Monroe, Sterlington, Shreveport, Alexandria, Baton Rouge, La.; Greenville, Natchez, Miss. (Sept. 5-29, 1911.) | To investigate the results of farm management work upon cropping systems in the cotton boll weevil section, to study the conditions of marketing southern grown hay and determine their relations to farm practice, and to conduct general farm management investigations. | 32.68 | Do. |
| Do..... | do..... | Binghamton, Ithaca, N. Y. (Oct. 29-Nov. 1, 1911.) | To confer with field men regarding plans for farm management work. | 17.25 | Do. |
| Do..... | do..... | Richmond, Va. (Nov. 7-9, 1911.) | To advise with farmers regarding the management of their farms. | 48.05 | Do. |
| Do..... | do..... | Elmira, Bath, Binghamton, Water-town, New York, N. Y. (Nov. 22-28, 1911.) | To confer with chambers of commerce, boards of trade, and railroad officials relative to establishing cooperative farm management demonstration work. | 28.72 | Do. |
| Do..... | do..... | Binghamton, Bath, N. Y. (Nov. 20-Dec. 3, 1911.) | To address farmers' meeting and discuss plans for establishing cooperative farm management work. | 37.00 | Do. |
| Do..... | do..... | Bath, New York, N. Y. (Dec. 15-19, 1911.) | To lecture before the Steuben County Grange, Bath, N. Y., on farm management topics and confer with railroad officials relative to establishing cooperative farm management work. | 19.94 | Do. |
| Do..... | do..... | Newton, N. J. (Jan. 11-12, 1912..... | To lecture before a farmers' meeting and to arrange cooperative experiments and demonstrations, in connection with farm management work. | | |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

BUREAU OF PLANT INDUSTRY—Continued.

|----------------------|--|---|---|----------------|--------------------------|
| Brodie, David A..... | Agriculturist..... | Newton, Morris Plains, Grenloch, N. J. (Feb. 8-15, 1912.) | To confer with State, railroad, and local officials relative to appointment of county agents and formulation of plans for cooperative farm management, demonstrations, and studies. | \$62.59 | Farm management. |
| Do..... | do..... | Philadelphia, Pa. (Mar. 15, 1912)..... | To address the Pennsylvania Rural Improvement Association on farm management topics and to confer with cooperators regarding extension work. | 10.35 | Do. |
| Do..... | do..... | Hampton, Va. (Mar. 25-26, 1912)..... | To confer with officials at Hampton Institute relative to cooperative farm management work. | 16.15 | Do. |
| Do..... | do..... | Albany, N. Y. (Apr. 2-3, 1912)..... | To confer with cooperators in regard to farm management investigations. | 26.65 | Do. |
| Do..... | do..... | Newton, Binghamton, Elmira, N. Y. (Apr. 9-12, 1912.) |do..... | 38.84 | Do. |
| Do..... | do..... | Detroit, Mich.; Columbia, Mo. (Apr. 16-22, 1912.) |do..... | 84.45 | Do. |
| Do..... | do..... | Elmira, Binghamton, N. Y. (May 29-31, 1912.) |do..... | 28.00 | Do. |
| Do..... | do..... | Newton, N. J.; New York, N. Y. (June 7-8, 1912.) |do..... | 23.62 | Do. |
| Do..... | do..... | New York, Ithaca, Utica, Watertown, N. Y.; Newton, N. J. (June 13-21, 1912.) |do..... | 66.88 | Do. |
| Brown, Edgar..... | Botanist in charge of seed laboratory. | Hamburg, Berlin, Stettin, Danzig, Königsberg, Germany; Posen, Prussia; Libau, Schawli, Telochi, Sjady, Schkudy, Prekuln, Russia. (July 28-Sept. 7, 1911.) | To investigate the production and handling of hairy vetch seed in relation to its exportation to the United States in connection with the study and testing of commercial seeds. | 441.44 | Seed testing laboratory. |
| Do..... | do..... | Columbus, Ohio. (Nov. 15-18, 1911)..... | To attend a meeting of the Association of Official Seed Analysts in connection with the seed-testing work. | 39.75 | Do. |
| Do..... | do..... | Leonardtown, Md. (Apr. 29-30, 1912.) | To investigate experimental work on the growing of hairy vetch seed as a part of seed-testing work. | 6.20 | Do. |
| Brown, Ernest B..... | Assistant physiologist... | Cypress, Shreveport, Benton, Monroe, Rayville, Newellton, La.; Natchez, Port Gibson, Vicksburg, Jackson, West Point, Greenville, Clarksdale, | To conduct general investigations in corn growing, cultivation and breeding of improved varieties, to consult with farmer cooperatives and learn the results obtained | 411.62 | Grain investigations. |

| | | | | | |
|-------------------------|--|--|--|---------|------------------------|
| Do..... | do..... | Miss.; Pine Bluff, Ark.; Waco, Corsicana, MacAllen, Parksdale, Rosenberg, Beaumont, Nacogdoches, Marshall, Tex.; and other points in States named. (July 1-Sept. 18, 1811.) | from planting seed of improved strains of corn distributed by the department. | | |
| Do..... | do..... | Derwood, Md.; Occoquan, Vienna, Round Hill, Va. (Sept. 22-Oct. 14, 1911.) | To superintend the harvesting of experimental plats of corn and collect data regarding the work. | 17. 96 | Do. |
| Do..... | do..... | Waco, Corsicana, Forney, Marshall, San Antonio, Tex.; Murfreesboro, Tenn. (Feb. 9-May 4, 1912.) | To continue experiments and demonstrations in the production of higher-yielding and more profitable strains of corn by breeding, seed selection, preservation, etc., and to investigate other related problems in connection with the corn work. | 362. 10 | Do. |
| Bunzel, Herbert H..... | Chemical biologist..... | Chicago, Ill.; Odgen, Salt Lake City, Utah. (July 26-Sept. 10, 1911.) | To conduct fermentation investigations on the curly-top disease of sugar beets by means of oxidoze determinations as a part of general physiological and fermentation studies of plants. | 189. 76 | Drug and other plants. |
| Burritt, Maurice C..... | Scientific assistant | Ithaca, Jordanville, Schenectady, Hoosic Falls, East Chatham, Westerlo, Essex, Hilton, Delhi, Syracuse, Binghamton, and other points in New York; Poultney, Vt.; Champaign, Urbana, Virginia, Ill.; Des Moines, Manning, Bayard, Iowa; Fennville, Grand Rapids, Owosso, Flint, Lansing, Mich. (July 1-Oct. 3, 1911.) | To investigate methods of farm practice, especially in the growing of oats, wheat, corn, beans, and hay; and to advise with farmers regarding cropping systems and general farm management problems. | 345. 94 | Farm management. |
| Carleton, Mark A..... | Cerealist in charge of grain investigations. | Manhattan, Kans.; Moccasin, Huntley, Havre, Mont.; Worland, Wyo.; Dickinson, Fargo, N. Dak.; Moscow, Gooding, Aberdeen, Boise, Idaho; Brookings, S. Dak.; Pullman, Spokane, Wash.; Lethbridge, Canada; Moro, Corvallis, Oreg. (July 23-Aug. 28, 1911.) | To inspect experimental work with cereal crops at the various field stations of the department and in cooperation with experiment stations and individual farmers; to advise with farmers regarding cereal cultivation, breeding methods, crop rotation practices, etc., to confer with grain dealers and millers relative to marketing cereals. | 433. 23 | Grain investigations. |
| Do..... | do..... | Chicago, Ill.; Colorado Springs, Colo.; Dalhart, Amarillo, Tex.; Tucumcari, N. Mex.; St. Louis, Mo. (Oct. 4-Nov. 2, 1911.) | To inspect cooperative experimental work with cereals and to confer with grain dealers, millers, and other commercial men regarding the uses and handling of cereal products. | 179. 61 | Do. |
| Do | do..... | New York, N. Y. (Nov. 12-19, 1911.) | To consult grain dealers, millers, bakers, and other handlers of grain products, relative to markets for and commercial values of different kinds of cereals. | 68. 92 | Do. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

BUREAU OF PLANT INDUSTRY—Continued.

| Name. | Title. | Destination. | Business or work. | Total expense. | Appropriation. |
|-----------------------|--|--|--|----------------|-----------------------|
| Carlton, Mark A | Cerealist in charge of grain investigations. | St. Louis, Mo.; San Antonio, Brownsville, Beaumont, Tex.; Crowley, Baton Rouge, La.; Biloxi, Miss.; Mobile, Ala.; Tallahassee, Jacksonville, Cocoanut Grove, Miami, Homestead, Key West, Fort Myers, Citrus Center, Arcadia, Winter Haven, Fla.; Raleigh, N. C. (Dec. 22, 1911—Feb. 11, 1912.) | To confer with grain dealers, malsters, and exporters regarding markets for wheat and other cereals, to inspect cooperative experimental work in cereal production, and to study conditions for cereal growing in the South, particularly in southern Texas and Florida. | \$348.63 | Grain investigations. |
| Do..... | do..... | Harrisburg, State College, Pa.; St. Louis, Mo.; Manhattan, Hays, Kans.; Nara Visa, N. Mex.; Amarillo, Tex.; Oklahoma, Sapulpa, Okla. (May 16—June 3, 1912.) | To confer with officials of State experiment stations concerning experiments with cereals, to secure data regarding milling and baking tests, and to inspect cereal experimental plots in connection with the work in cereal improvement. | 154.10 | Do. |
| Cates, Junius S | Assistant agriculturist. | Greensboro, Melbane, Graham, Fayetteville, Raleigh, Goldsboro, Wilson, Lamberton, Laurinburg, Charlotte, N. C. (July 4-27, 1911.) | To study farm practice and methods of farm management, to inspect cooperative experimental work, and assist in conducting farm-management demonstration work. | 121.00 | Farm management. |
| Do..... | do..... | Auburn, Me.; Beverly, Mass. (Aug. 14-18, 1911.) | To conduct investigations in the eradication of quack grass as a part of farm-management work. | 59.15 | Do. |
| Do..... | do..... | Graham, Raleigh, Wilson, Rocky Mount, Wilmington, Salisbury, Greensboro, Mebane, Burlington, N. C. (Aug. 21-Sept. 20, 1911.) | To collect data on types of farming, farm organization, and to investigate other farm-management problems. | 103.25 | Do. |
| Do..... | do..... | Graham, Raleigh, Wilson, Rocky Mount, Wilmington, Salisbury, Greensboro, Mebane, Burlington, N. C. (Sept. 28-Oct. 31, 1911.) |do..... | 101.75 | Do. |

| Do..... | do..... | Graham, Raleigh, Wilson, Rocky Mount, Wilmington, Salisbury, Greensboro, Mebane, Burlington, N. C. (Nov. 27-30, 1912.) |do..... | 27.60 | Do. |

| | | | | | |
|-------------------------|--|--|--|--------|-------------------------------------|
| Chambliss, Chas. E..... | Agronomist in charge of rice investigations. | Knoxville, Crowley, Lake Charles, New Orleans, La.; Beaumont, College Station, Tex.; Chicago, Ill.; St. Paul, Minn.; Vancouver, B. C.; Portland, Corvallis, Oreg.; Red Bluff, Chico, Biggs, Colusa, Wheatland, San Francisco, Marysville, Stockton, Merced, Sacramento, Cal.; Lakeland, Kissimmee, Goulds, Fla.; Jacksonville, S. C. (July 19-Sept. 30, 1911.) | To study experimental planting of rice, to confer with station officials and others interested in the rice growing and improvement, to investigate wild rices and their use as food, to inspect rice mills, to consult with importers of rice, and to inaugurate further cooperative experimental work with this crop. | 611.53 | Grain investigations. |
| Do..... | do..... | Chicago, Ill.; Milwaukee, Wis. (Oct. 11-21, 1911.) | To confer with grain dealers, millers, and others in regard to the commercial uses of rice in connection with investigations in the improvement of cereals. | 99.70 | Do. |
| Do..... | do..... | Beaumont, College Station, Houston, Tex.; Crowley, Lake Charles, Baton Rouge, La.; San Francisco, Chico, Stockton, Merced, Los Angeles, Cal.; Corvallis, Oreg. (Jan. 4-Mar. 4, 1912.) | To inspect cooperative experiments with rice and to confer with experiment station and private cooperators and to arrange plans for extending the experimental work in rice cultivation and improvement. | 554.04 | Do. |
| Do..... | do..... | San Francisco, Marysville, Chico, Sacramento, Stockton, Biggs, Cal.; Beaumont, Tex. (Apr. 18-May 24, 1912.) | To confer with officials of the Sacramento Valley Grain Association relative to the establishment of a cereal-testing station near Biggs, Cal., and to arrange for experimental work with rice near Houston and Beaumont, Tex., in cooperation with the Texas experiment station. | 335.65 | Do. |
| Chase, Agnes..... | Scientific assistant..... | El Paso, Van Horn, Siena, Blanca, Marfa, Rockport, Tex.; Lake Charles, La. (May 17-June 14, 1912.) | To collect and study grasses in connection with the preparation of a manual of North American grasses, as a part of the taxonomic work. | 207.80 | Taxonomic and range investigations. |
| Chilcott, Ellery C..... | Agriculturist in charge of dry-land agriculture. | Ardmore, Hot Springs, Oelrichs, S. Dak.; Lincoln, Beatrice, North Platte, Mitchell, Alliance, Nebr.; Akron, Denver, Trinidad, Colo.; Dalhart, Midland, El Paso, Snyder, Lubbock, Amarillo, Tex.; Tucumcari, N. Mex.; Garden City, Manhattan, Kans. (Aug. 25-Sept. 28, 1911.) Garden City, Kans.; Dalhart, Tex.; Denver, Akron, Colo.; Ardmore, S. Dak.; Billings, Mont. (May 28-June 22, 1912.) | To inspect work in progress at the dry-farming field stations of the department located in the Great Plains area; to investigate possible sites for new field stations; and to continue the study of general farming conditions in the Great Plains region. | 392.29 | Dry-land agriculture. |
| Do..... | do..... |do..... |do..... | 431.89 | Do. |
| Clark, Charles F..... | Scientific assistant..... | Denver, Longmont, Fort Collins, Greeley, Grand Junction, Colo.; Ogden, Logan, Garland, Lehi, Salt Lake City, Utah; Garden City, Kans.; Geneva, Ithaca, N. Y. (July 1-Dec. 22, 1911.) | To continue experiments in the cultivation and improvement of sugar beets and to study conditions of the sugar-beet industry. | 206.12 | Sugar plant investigations. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

BUREAU OF PLANT INDUSTRY—Continued.

| Name. | Title. | Destination. | Business or work. | Total expense. | Appropriation. |
|------------------------|----------------------------|--|--|----------------|-----------------------------------|
| Clark, Charles F..... | Scientific assistant..... | Garden City, Kans. (Mar. 30-June 30, 1912.) | To continue experiments in the culture and improvement of sugar beets and sorghum, in connection with their utilization as sugar-producing crops. | \$84.27 | Sugar plant investigations. |
| Clark, Charles H..... | Expert..... | Sacaton, Ariz.; Bard, El Centro, Cal. (July 6-Sept. 1, 1911.) | To conduct experiments in the acclimatization and breeding of cotton and to secure data on results of the season's work. | 186.35 | Crop acclimatization. |
| Do..... | do..... | San Antonio, Del Rio, Tex., Tucson, Ariz.; Bard, Cal. (Sept. 6-Oct. 30, 1911.) | do..... | 169.40 | Do. |
| Do..... | do..... | San Antonio, Tex. (May 1-June 30, 1912.) | do..... | 102.60 | Do. |
| Clark, Harry H..... | Assistant..... | Wooster, Ohio. (June 9-29, 1912)..... | To assist officials of the Ohio experiment station to work out statistical tables from data secured in farm cost-accounting investigations. | 84.36 | Farm management. |
| Clark, W. Blair..... | Expert..... | Garden City, Kans.; St. Louis, Mo.; New Marshfield, Ohio. (Sept. 9-Dec. 26, 1911.) | To investigate the sugar content and conduct other analytical work on sugar beets in field laboratories, in connection with the work of improving sugar-producing plants. | 114.91 | Sugar plant investigations. |
| Do..... | do..... | Chicago, Ill.; Madison, Milwaukee, Wis.; Cincinnati, Cozaddale, Ohio. (June 14-22, 1912.) | To confer with department officials and sugar company representatives in regard to sugar-cane and sugar-beet breeding experiments, and to continue laboratory work on the analysis of sugar beets. | 52.89 | Do. |
| Clawson, Arthur B..... | Physiologist..... | Baldwin, Colo. (July 1-Sept. 30, 1911.) | To investigate poisonous plants responsible for great losses of cattle on the stock ranges. | 74.95 | Drug and other plants. |
| Do..... | do..... | Baldwin, Salida, Denver, Colo.; Grey-cliff, Mont. (May 15-June 2, 1912.) | do..... | 122.04 | Do. |
| Cobb, Nathan A..... | Agricultural technologist. | Kansas City, Mo.; Manhattan, Kans.; Waco, Dallas, San Antonio, Tex.; Yuma, Ariz.; Los Angeles, Riverside, Redlands, Whittier, Indio, Cal.; Denver, Akron, Colo.; Minneapolis, Madison, Wis.; Chicago, Ill. (Sept. 23-Oct. 22, 1911.) | To make an administrative inspection of work at various department field stations; to confer with experimental station officials and cooperators; to study the cause of deterioration of citrus orchards; to make arrangements for harvesting, ginning, baling, compressing, and shipping cotton; and to represent the bureau at the Conservation Congress in Kansas City. | 259.51 | Administrative and miscellaneous. |
| Do..... | do..... | Boston, Worcester, Mass. (Jan. 18-25, 1912.) | To study the cotton industry in relation to official grades and standards; to inspect various kinds of spinning machinery; to | 52.45 | Cotton standardization. |

| | | | | | |
|---------------------|--|---|--|--------|-----------------------------------|
| Do..... |do..... | Los Angeles, Riverside, Chico, Middle River, San Francisco, Sacramento, Cal.; Grand Junction, Colo. Mar. 4-Apr. 7, 1912. | To arrange for spinning cotton handled under contract by the department, and to investigate other problems incident to the work of cotton standardization. | 347.41 | Administrative and miscellaneous. |
| Cook, O. F..... | Bionomist in charge of crop acclimatization and cotton breeding. | San Antonio, Del Rio, Waco, Crystal City, Victoria, Tex.; Bard, El Centro, Los Angeles, Indio, Cal. (Sept. 6-Nov. 28, 1911.) | To investigate malnutrition of plants and deterioration of crops under irrigation and to inspect the experimental work at various department field stations. | 375.93 | Crop acclimatization. |
| Do..... |do..... | Waco, San Antonio, Tex.; Yuma, Tucson, Ariz.; Bard, Meloland, Holtsville, Santa Barbara, Cal. (Apr. 29-June 27, 1912.) | To inspect and study field experiments in the acclimatization and breeding of cotton and corn and to plan experimental work for the coming season. | 269.61 | Do. |
| Corbett, Lee C..... | Horticulturist in charge of Arlington farm and horticulture. | Geneva, Ithaca, Rochester, Honeoye Falls, N. Y. (Aug. 8-10, 1911.) | To inspect and study field experiments in the acclimatization and breeding of cotton, corn, rubber, and other plants introduced from tropical countries. | 23.98 | Arlington farm and horticulture. |
| Do..... |do..... | Boston, Concord, Mass. (Sept. 19-22, 1911.) | To inspect potato trials and to confer with officials of the Cornell Experimental Station relative to experimental work in the culture of beans and potatoes. | 44.10 | Do. |
| Do..... |do..... | Mitchell, Lincoln, Nebr.; Denver, Fort Collins, Greeley, Col. (Oct. 4-16, 1911.) | To investigate conditions in the trucking industry and to deliver an address on the preservation and cold storage of vegetables before the Vegetable Growers' Association at Boston as a part of general horticultural investigations. | 147.50 | Dry-land agriculture. |
| Do..... |do..... | Norfolk, Diamond Springs, Va. (Oct. 26-28, 1911.) | To inspect experimental work with truck crops in cooperation with the Virginia truck experiment station. | 14.15 | Arlington farm and horticulture. |
| Do..... |do..... | Elmira, Ithaca, N. Y. (Feb. 18-23, 1912.) | To investigate truck-crop conditions and ascertain the adaptability of soils for culture of celery and onions, and to inspect celery under cold-storage conditions. | 32.23 | Do. |
| Do..... |do..... | Hoboken, Newton, N. J.; New York, N. Y. (June 6-8, 1912.) | To investigate truck-crop conditions as a part of the general horticultural work. | 19.49 | Do. |
| Corder, George..... | Unskilled laborer..... | Honeoye Falls, N. Y. (June 1-14, 1912.) | To assist in planting potatoes in the experimental trial plots in connection with general horticultural investigations. | 46.96 | Do. |
| Cotton, John S..... | Assistant agriculturist..... | Burnt Hills, Binghamton, Roxbury, Delhi, Beerston, Whitney Point, Little Falls, N. Y.; Boston, Beverly, Mass.; Praats, Milford, Hooksett, Dover, Franklin, N. H.; White River Junction, Pittsford, Rutland, Burlington, Vt.; Portland, Kennebunk, Turn, China, Canton, Rumford, Me. (July 8-Sept. 6, 1911.) | To investigate the management and improvement of pastures and in the production of feed for live stock, as a feature of farm management work. | 224.40 | Farm management. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

BUREAU OF PLANT INDUSTRY—Continued.

| Name. | Title. | Destination. | Business or work. | Total expense. | Appropriation. |
|---------------------------|---|---|--|----------------|-------------------------------------|
| Cotton, John S..... | Assistant agriculturist..... | Binghamton, Ithaca, Elmira, N. Y.; Alford, Schellsburg, Harrisonville, Pa. (Sept. 27-Oct. 7, 1911.) | To investigate the management and improvement of pastures and in the production of feed for live stock, as a feature of farm management work. | \$55.73 | Farm management. |
| Do..... | do..... | Wooster, Washington C. H., Columbus, Ohio; Rushville, Lafayette, Bedford, Ind.; Danville, Decatur, Warrensburg, Va.; Chicago, Seneca, Ill.; Cedar Rapids, Belle Plain, Fort Dodge, Iowa; Norfolk, Wakefield, Scribner, Central City, Nebr.; Denver, Colo.; Cheyenne, Wyo.; Manhattan, Kans.; Kansas City, Warrengburg, St. Louis, Mo. (Apr. 19-May 25, 1912.) | To study cropping systems used on farms producing beef and to investigate the relationship of cattle production to such cropping systems, in connection with farm management investigations. | 245.44 | Do. |
| Do..... | do..... | Burnt Hills, Binghamton, N. Y.; Roxbury, Vt. (June 26-29, 1912.) | To continue investigations in the management and improvement of pastures in its relation to farm management. | 39.13 | Do. |
| Coville, Frederick V..... | Botanist in charge of taxonomic and range investigations. | Elkhart, Ind.; New Lisbon, N. J. (July 14-20, 1911.) | To investigate the field culture of the blueberry incidental to a monographic study of this fruit. | 59.61 | Taxonomic and range investigations. |
| Do..... | do..... | New Lisbon, N. J. (May 21-23, 1912.) | To examine field planting of blueberries; to lay out further plantations; to secure material for crossing; and to make observations on selected wild bushes. | 10.58 | Do. |
| Cox, Herbert R..... | Scientific assistant..... | Pittsburgh, Carnegie, West Nanticoke, Bridgeville, Pa.; Canton, Painesville, New Berlin, Port Clinton, Delta, Gypsum, Bowling Green, North Baltimore, Delaware, Osnaburg, Gates Mills, Ohio; Westfield, Mayville, Geneva, Ithaca, Jamaica, Queens, N. Y.; New Brunswick, N. J. (July 7-Aug. 8, 1911.) | To study farm practice with reference to the eradication of quack grass, Canada thistle, wild mustard, and orange hawkweed. | 123.82 | Farm management. |
| Do..... | do..... | Graham, Raleigh, Wilson, Rocky Mount, Wrightsville, Fayetteville, N. C.; Norfolk, Va. (Aug. 21-31, 1911.) | To study methods of eradicating nut grass, Bermuda grass, and wild onion, in connection with farm management. | 73.85 | Do. |
| Do..... | do..... | Bridgeville, Carnegie, Pa.; Canton, Massillon, New Berlin, Ohio; Baker City, La Grande, Milton, Portland, | To investigate methods of farm management in relation to the eradication of wild morning-glory, Canada thistle, quack | 437.67 | Do. |

| | | | | | |
|-------------------------------|----------------------------|--|---|--------|--|
| | | Hood River, Roseburg, Medford, Oreg.; Walla Walla, Colfax, Pullman, Spokane, Puyallup, Bellingham, Seattle, Wash.; Culdesac, Irwinton, Kendrick, Moscow, Idaho; San Jose, Santa Clara, Berkeley, Watsonville, Salinas, Ontario, Whittier, Cal. (Sept. 15-Nov. 22, 1911.) | grass, blue lettuce, fern, and other weeds, including a study of kinds of farm implements used, crop rotation systems, etc. | | |
| | Do..... | do..... | To inaugurate experiments in the control of weeds in pastures, and to conduct other farm management investigations. | 52.64 | Do. |
| | Do..... | do..... | To study methods of controlling wild onion and nut grass. | 23.10 | Do. |
| Cox, John H..... | Assistant..... | Richmond, Williamsburg, Va. (June 27-30, 1912.) Baltimore, Md.; Philadelphia, Pa. (Mar. 11-16, 1912.) | To secure samples of export corn at time of loading for test in connection with grain standardization investigations. | 21.52 | Grain standardization. |
| | Do..... | do..... | To accompany a shipment of export corn in order to make examinations en route and at destination to determine causes which lead to deterioration of corn in holds of steamships while in transit from the States to European ports. | 310.51 | Do. |
| Crandall, E. L..... | Photographer..... | Baltimore, Md.; Liverpool, London, England; Cardiff, Wales; New York, N. Y. (Apr. 15-May 29, 1912.) Vineland, N. J. (Sept. 2-7, 1911)..... | To make autochrome photographs of vines and grapes in the cooperative experimental vineyard for use in the work of improving fruits and methods of fruit growing. | 20.29 | Pomological investigations. |
| | Do..... | do..... | To take photographs of peony plants in connection with tests of varieties grown for congressional distribution. | 29.15 | Purchase and distribution of valuable seeds 1912. Congressional seed distribution. |
| Crawford, Gilbert H., jr..... | Expert..... | Puyallup, Tacoma, Wash.; Salem, Oreg.; Lodi, Cal. (July 1-Nov. 4, 1911.) | To assist with experiments in the precooling, shipping, and storage of fruits. | 368.67 | General Expenses, B. P. I., 1912. Pomological investigations. |
| Cron, Alexander B..... | Assistant in agronomy..... | Rocky Mount, Washington, Tarboro, Raleigh, Durham, N. C.; Emporia, Petersburg, Norfolk, Va.; Laurel, Del. (July 4-25, 1911.) | To secure data on fertilization experiments with alfalfa in connection with the improvement of forage crops. | 140.45 | Forage crop investigations. |
| | Do..... | do..... | Purcellville, Round Hill, Hamilton, Leesburg, Va. (Aug. 2-4, 1911.) | 6.00 | Do. |
| | Do..... | do..... | Richmond, South Boston, Chester Springs, Va. (Aug. 18-23, 1911.) | 31.05 | Do. |
| | Do..... | do..... | Rocky Mount, Washington, N. C.; Powhatan, C. H., Emporia, Norfolk, Va. (Sept. 4-14, 1911.) | 61.34 | Do. |

| Crosby, Matt. A. | Assistant agriculturist.... | Macon, Biloxi, Columbus, Greenville, Starkville, Miss.; Uniontown, Opelika, Montgomery, Talladega, Ala.; Memphis, Tenn.; and other points in States named. (July 1-Nov. 17, 1911.) | To assist in making plans for the organization and management of different types of farms, to confer with cooperators, to collect data on the various lines of work, and to study agricultural conditions. | 478.69 | Farm management. |
| Do. | do. | Macon, Biloxi, Columbus, Greenville, Starkville, Miss.; Uniontown, Opelika, Montgomery, Talladega, Ala.; Memphis, Tenn.; and other points in States named. (Apr. 12-June 23, 1912.) |do..... | 311.07 | Do. |
| Darrow, George M. | Scientific assistant..... | Salem, Portland, Hood River, Oreg.; Spokane, Wash. (July 1-Oct. 27, 1911.) | To assist with investigations in the precooling and handling of fruits in connection with the fruit transportation and storage investigations. | 455.05 | Pomological investigations. |

| | | | | | |
|-----------------------|---------------------------|--|---|--------|----------------------------------|
| Do..... |do..... | Orlando, Winter Park, Crescent City, De Land, Tampa, Eustis, and other points in Florida. (Dec. 11, 1911- Feb. 19, 1912.) | To assist with experiments in picking, packing, storing, and shipping citrus fruits. | 411.45 | Do. |
| Do..... |do..... | Keyser, W. Va. (Apr. 9-26, 1912) | To collect phenological data in peach orchards as part of the work in methods of fruit growing and improvement. | 23.03 | Do. |
| Davis, Hugh..... | Skilled laborer..... | Honeoye Falls, N. Y. (July 31-Aug. 25, 1911.) | To take descriptive notes on experimental plots of seedling potatoes in connection with general horticultural investigations. | 55.75 | Arlington farm and horticulture. |
| Dearing, Charles..... | Scientific assistant..... | Willard, N. C.; Jacksonville, New Smyrna, Fla. (July 16-23, 1911.) | To conduct grafting, cutting, and pollinating experiments with grapes, and to give instructions to growers upon viticultural subjects. | 82.63 | Pomological investigations. |
| Do..... |do..... | Vineland, N. J. (Aug. 3-5, 1911) | To take notes on the fruiting of varieties of grapes in the cooperative experimental vineyard. | 16.27 | Do. |
| Do..... |do..... | Willard, Rocky Mount, Enfield, N. C.; Gainesville, Ocala, New Smyrna, Fla. (Aug. 17-26, 1911.) | To superintend the harvesting, handling, and shipping of Rotundifolia grapes grown in experimental vineyards. | 98.81 | Do. |
| Do..... |do..... | Vineland, N. J. (Aug. 28-Sept. 7, 1911). | To supervise the picking, packing, and shipment of grapes for use in the preparation of illustrations for exhibition purposes and for grape-juice tests. | 35.15 | Do. |
| Do..... |do..... | Willard, Fayetteville, Enfield, Southern Pines, Willard, New Bern, Wilmington, Washington, Kingston, Sandy Cross, N. C.; Norfolk, Emporia, Va. (Sept. 16-Oct. 10, 1911.) | To inspect Rotundifolia experimental vineyard, complete the harvesting of fruit and seeds, take notes on varietal collections of grapes and the results of breeding experiments, and conduct other necessary viticultural investigations. | 117.34 | Do. |
| Do..... |do..... | New Smyrna, Fla.; Sandy Cross, N. C. (Nov. 11-20, 1911.) | To conduct pruning experiments with Rotundifolia grapes. | 89.00 | Do. |
| Do..... |do..... | Southern Pines, Raleigh, Enfield, Rocky Mount, Trotville, Willard, N. C.; Norfolk, Va. (Jan. 10-Feb. 7, 1912.) | To confer with grape growers and State authorities relative to cooperative work in grape culture; to superintend pruning and training experiments, secure new grape varieties, and study methods of cultivation. | 98.47 | Do. |
| Do..... |do..... | Vineland, N. J. (Feb. 16-Mar. 17, 1912.) | To continue grape pruning and training experiments at the cooperative experimental vineyard. | 79.71 | Do. |
| Do..... |do..... | Willard, Enfield, N. C. (Mar. 24-Apr. 4, 1912.) | To plant grape vines and cuttings in vineyard and nursery, to conduct grafting experiments, and to pack vines for distribution to cooperators and experimenters in Rotundifolia territory. | 43.08 | Do. |
| Do..... |do..... | Gainesville, Brooksville, Ocala, New Smyrna, Fla.; Willard, N. C. (May 9-June 30, 1912.) | To confer with State authorities relative to Muscadine grape growing in Florida; to study the adaptability of grape varieties to these sections; to conduct pollination experiments and take notes on experimental work. | 244.09 | Do. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

BUREAU OF PLANT INDUSTRY—Continued.

| Name. | Title. | Destination. | Business or work. | Total expense. | Appropriation. |
|------------------------|---|--|---|----------------|--|
| Dennis, Samuel J | Expert..... | Salem, Oreg.; Puyallup, Wash.; Lodi, Cal. (July 1-Nov. 11, 1911.) | To supervise the installation and operation of an experimental plant for the precooling of fruits in connection with the fruit transportation, marketing, and storage investigations. | \$541.01 | Pomological investigations. |
| Do..... | do..... | Warm Springs, Cornelius, Ga. (May 19-24, 1912.) | To arrange preliminaries for conducting precooling investigations in connection with the handling and transportation of peaches. | 67.20 | Do. |
| Deer, Harry B | Agronomist..... | Richmond, Va.; Nashville, Knoxville, Tenn.; Athens, Atlanta, Griffin, Experiment, Milledgeville, Augusta, Ga.; Montgomery, Tuskegee, Opelika, Ala.; Columbia, S. C.; Raleigh, N. C. (Apr. 3-27, 1912.) | To confer with State authorities and practical farmers relative to the possibilities of cereal production in the South; to inspect cooperative experimental work with cereals and to study the varieties of small grain best adapted to each State. | 178.20 | Grain investigations. |
| Dewey, George W | Scientific assistant..... | Denver, Colo. (June 21-30, 1912) | To inspect experimental lots of berries and other fruits shipped from California and other points to ascertain their keeping qualities during transportation. | 91.75 | Pomological investigations. |
| Dewey, Lyster, H | Botanist in charge of fiber investigations. | Buitenzorg and other points on the Island of Java; Singapore, Hong-kong, China; Nagasaki, Yokohama, Tokyo, Japan; Honolulu, Oahu, Hawaii, and adjacent points. (July 1-Sept. 13, 1911.) | To secure information relative to the growth and utilization of sisal, hemp, ramie, abaca, jute, and other fiber plants; and to attend the International Fiber Congress and inspect an exhibit of fibers and fiber-cleaning machinery. | 697.10 | Crop technology. |
| Do..... | do..... | New York, N. Y. (Nov. 27, 1911) | To examine a fiber-cleaning machine in operation and secure definite information regarding its capacity and efficiency for cleaning hemp, ramie, and similar fibers, in connection with fiber-plant investigations. | 16.25 | Do. |
| Do..... | do..... | New Orleans, La.; Yuma, Ariz.; Bard, Claremont, Laredo, Stockton, Man-teca, San Francisco, Cal.; Chicago, Ill. (Mar. 27-May 7, 1912.) | To supervise field experiments in the growing and cultivation of ramie and to advise cooperators in the best methods to pursue and to continue investigations of the phormium, flax, and hemp industries. | 255.55 | Paper plant investigations. |
| Dexter, Wm. Hart..... | Assistant..... | Rockville, Baltimore, Md. (Sept. 21-23, 1911.) | To make agricultural surveys and to address a farmers' meeting in connection with farmers' cooperative demonstration work. | 11.70 | Farmers' cooperative demonstration work. |
| Dixon, Harrison M..... | Agent..... | Wooster, Salem, Ohio. (May 1-23, 1912.) | To supervise the work of making a farm management survey and to continue investigations in farm economics. | 52.22 | Farm management. |

| | | | | | |
|-------------------------|------------------------------|---|---|--------|--|
| Dodge, Lawrence G..... | Assistant agriculturist..... | Beverly, Amherst, Lowell, Mass.; Pittsfield, Petersboro, Durham, Milford, N. H.; E. Corinth, Burlington, Vt.; Augusta, Caribou, Canton, Me.; Bridgeport Conn., and other points in States named. (July 1-Dec. 4, 1911.) | To investigate the best systems of farm management and farm practice; to instruct farmers in the most approved methods of farming and to inaugurate cooperative work in farm management. | 328.38 | Do. |
| Do..... | do..... | Beverly, Amherst, Lowell, Mass.; Pittsfield, Petersboro, Durham, Milford, N. H.; E. Corinth, Burlington, Vt.; Augusta, Caribou, Canton, Me.; Bridgeport, Conn., and other points in States named. (Dec. 15, 1911-Feb. 28, 1912.) | do..... | 75.96 | Do. |
| Do..... | do..... | Beverly, Amherst, Lowell, Mass.; Pittsfield, Petersboro, Durham, Milford, N. H. E. Corinth, Burlington, Vt.; Augusta, Caribou, Canton, Me.; Bridgeport, Conn., and other points in States named. (Mar. 4-June 30, 1912.) | do..... | 218.28 | Do. |
| Dorsett, Palemon H..... | Expert..... | Pittsburgh, Pa.; Columbus, Cincinnati, Ohio; St. Louis, Kansas City, Mo.; Denver, Colorado Springs, Colo.; Salt Lake, Utah; Portland, Oreg.; Seattle, Bellingham, Wash.; Chico, Fresno, Napa, San Francisco, Antioch, Los Angeles, Pasadena, San Gabriel, San Diego, Santa Ana, Orange, Riverside, Uplands, Redlands, Whittier, Monrovia, Indio, Mecca, Cal.; San Antonio, Brownsville, Tex.; New Orleans, La.; Pensacola, Jacksonville, Brooksville, Fla. (Oct. 3-Dec. 6, 1911.) | To confer with park commissioners and superintendents, officers of civic improvement organizations, and State officials relative to cooperative work in connection with testing newly introduced seeds and plants adapted for streets, lawns, and parks; and to arrange for testing other newly introduced seeds and plants at the plant introduction field stations and other departmental stations and also in cooperation with State experiment stations and private collaborators and experimenters, for the purpose of determining the possibilities of such introductions in the development of new plant industries. | 342.62 | Purchase and distribution of valuable seeds, 1912. Congression on a seed distribution. |
| Do..... | do..... | do..... | do..... | 84.90 | (Foreign seed and plant introduction.) |
| Do..... | do..... | Charleston, S. C.; Gainesville, Brooksville, Jacksonville, Fla.; New Orleans, La.; Brownsville, San Antonio, Tex.; Yuma, Ariz.; Los Angeles, Bakersfield, San Francisco, Sacramento, Chico, Cal.; Bellingham, Wash. (May 9-June 30, 1912.) | do..... | 241.40 | Do. |
| Do..... | do..... | do..... | do..... | 142.19 | General expenses, B. P. I., 1912 (south Texas garden). |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

BUREAU OF PLANT INDUSTRY—Continued.

| Name. | Title. | Destination. | Business or work. | Total expense. | Appropriation. |
|------------------------|---|---|---|----------------|---------------------------------|
| Doyle, Conrad B..... | Scientific assistant..... | Mitchell, Nebr.; Akron, Denver, Montrose, Grand Junction, Colo.; Ogden, Utah; Fallon, Nev.; Sacramento, Stockton, Casa Rio, Indio, Bard, Cal.; El Paso, Pierce, San Antonio, Tex. (Sept. 18–Nov. 19, 1911.) | To inspect the agricultural work in progress at the experiment farms on the reclamation projects; to study agricultural conditions; to make photographic records, and to secure data on the work for publication. | \$361.05 | Western agricultural extension. |
| Drake, J. Allen..... | Assistant agriculturist..... | St. Louis, Mo.; Carrollton, Johnston City, Chicago, Springfield, Hersman, Ill.; Bristol, South Bend, Paoli, Orleans, Corydon, Shelby, Salem, Ind.; Columbus, Ada, Wooster, Fredericksburg, Marion, Troy, Lima, Toledo, Ohio. (July 10–Dec. 9, 1911.) | To superintend work on cooperative demonstration farms; to give advice to farmers for improving their farm practices; to study soil conditions, methods of fertilizing, use of machinery on farms, and other farm-management problems. | 544.74 | Farm management. |
| Do..... | do..... | St. Louis, Mo.; Carrollton, Johnston City, Chicago, Springfield, Hersman, Ill.; Bristol, South Bend, Paoli, Orleans, Corydon, Shelby, Salem, Ind.; Columbus, Ada, Wooster, Fredericksburg, Marion, Troy, Lima, Toledo, Ohio. (Feb. 8–June 30, 1912.) | do..... | 328.76 | Do. |
| Duvall, Carroll F..... | Assistant..... | Anguilla, Miss. (Oct. 24–Nov. 19, 1911) | To assist in picking, handling, and marketing cotton, in connection with the establishment of standards for cotton grades. | 70.22 | Cotton standardization. |
| Duvel, J. W. T..... | Crop technologist in charge of grain standardization. | Boston, Mass.; New York, N. Y. (July 16–19, 1911.) | To confer with produce exchange and chamber of commerce officials relative to investigations as to the quality and condition of American export corn and as to its deterioration during transit in steamships, in connection with the handling, transportation, and grading of grain. | 36.85 | Grain standardization. |
| Do..... | do..... | Chicago, Ill. (July 23–26, 1911) | To confer with the executive committee of National Grain Dealers' Association on matters pertaining to the grading of grain. | 54.00 | Do. |
| Do..... | do..... | Chicago, Decatur, Ill.; Fargo, Livingston, N. Dak.; Bozeman, Helena, Mont.; Spokane, Pasco, Seattle, Tacoma, Wash.; Portland, Oreg.; San Francisco, Cal.; Salt Lake, Utah; Denver, Colo.; Kansas City, Mo.; Lima, Wooster, Ohio. (Aug. 7–Sept. 22, 1911.) | To confer with the assistants in charge of branch grain standardization laboratories and field stations; to investigate methods of handling, marketing, storing, and grading of grain; to confer with experiment station officials relative to types and classes of wheat, and to secure samples of different grades of wheat in important grain markets. | 366.61 | Do. |

| | | | | | |
|-----------------------|--------------|--|---|--------|-------------------------|
| Do..... |do..... | Cincinnati, Ohio; Kansas City, Mo.; Decatur, Chicago, Ill.; Topeka, Kans. (Jan. 8-23, 1912.) | To investigate methods of handling, marketing, storing, and grading grain; to confer with field assistants regarding this work and to address the Kansas State Board of Agriculture on the relation of handling grain on the farm to its commercial value. To confer with commercial exchange and produce exchange officials relative to the quality and condition of grain upon arrival at market. | 136.52 | Do. |
| Do..... |do..... | Philadelphia, Pa.; New York, N. Y.; Baltimore, Md. (Feb. 7-9, 1912.) | | 25.68 | Do. |
| Do..... |do..... | New Orleans, La. (Mar. 16-23, 1912.) | To confer with assistants at the branch laboratory on matters related to the handling, transportation, and grading of grain. | 80.00 | Do. |
| Do..... |do..... | Philadelphia, Pa.; Baltimore, Md. (Apr. 4-12, 1912.) | To confer with commercial exchange authorities relative to the quality and condition of corn exported from Philadelphia, and to inspect work at Baltimore branch grain standardization laboratory. | 10.00 | Do. |
| Do..... |do..... | Lima, Sandusky, Cedar Point, Mansfield, Wooster, Ohio. (June 15-22, 1912.) | To arrange for securing oats for the purpose of conducting special feeding tests to determine the value of various commercial grades, as stock food, and to confer with grain dealers relative to grading, handling and other features of grain standardization. | 56.77 | Do. |
| Earle, Drayton E..... | Expert..... | Newark, N. J.; New York, N. Y. (Aug. 24-25, 1911.) | To inspect cotton spinning and testing devices, and to consult with persons interested in the cotton industry, in connection with handling and grading of cotton. | 15.80 | Cotton standardization. |
| Do..... |do..... | Raleigh, N. C. (Aug. 28-30, 1911) ... | To address State Farmers' Union of North Carolina, on the cotton-grading work of the department and to exhibit and explain a set of the official cotton grades. | 23.35 | Do. |
| Do..... |do..... | chester, Vt. (Sept. 26-30, 1911) ... | To read a paper on "Accurate methods of measuring cotton staples" before the National Cotton Manufacturers' Association, and to confer with representatives of the cotton industry relative to the establishment of official cotton grades. | 45.28 | Do. |
| Do..... |do..... | Waco, Tex.; Hartsville, S. C. (Oct. 1-Nov. 12, 1912.) | To investigate the harvesting, ginning, and storing of cotton and to demonstrate improved methods of performing these operations as a part of the investigation in the establishment of standard grades. | 294.85 | Do. |
| Do..... |do..... | Boston, Lowell, Mass. (Jan. 21-26, 1912.) | To arrange for the spinning of cotton handled under contract by the department; to inspect cotton manufacturing machinery and to confer with State authorities relative to the work of grading and harvesting cotton. | 45.20 | Do. |
| Do..... |do..... | Greenville, Anderson, S. C. (Feb. 12-17, 1912.) |do..... | 38.75 | Do. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year, 1912, etc.—Continued.

BUREAU OF PLANT INDUSTRY—Continued.

| Name. | Title. | Destination. | Business or work. | Total expense. | Appropriation. |
|------------------------|---|--|---|----------------|--|
| Earle, Drayton E..... | Expert | Greenville, Anderson, Spartanburg, Columbia, S. C.; Jackson, Tenn.; St. Louis, Mo. (Mar. 9-25, 1912.) | To inspect machinery and apparatus at employed mills manufacturing contract cotton and to confer with cotton manufacturers relative to matters pertaining to cotton standardization. | \$121.25 | Cotton standardization. |
| Do..... | do..... | Boston, Lowell, Newton, Upper Falls, Whitinsville, Mass.; Lewiston, Me.; Pawtucket, Providence, R. I. (Apr. 4-12, 1912.) | do..... | 65.12 | Do. |
| Edson, Howard A..... | Plant physiologist..... | Madison, Racine, Wis.; Garden City, Kans.; Swink, Rocky Ford, Denver, Grand Junction, Fruita, Delta, Fort Collins, Alamosa, Monte Vista, La Jara, Holly, Colo.; Ogden, Salt Lake City, Utah; San Francisco, San Juan, Salinas, Spreckels, Los Angeles, Santa Ana, Whittier, Compton, Oxnard, Guadalupe, King City, Cal.; Reno, Fallon, Nev. (July 1-Sept. 13, 1911.) | To study conditions in the sugar-beet industry; to inspect experimental work with sugar beet; and to equip field laboratories and conduct analytical work on sugar beets, as a part of the work in the improvement of sugar-producing plants. | 408.85 | Sugar plant investigations. |
| Do..... | do..... | Madison, Wis., and vicinity. (May 1-June 30, 1912.) | To study diseases of the sugar beet and to conduct field and laboratory experiments for their control in connection with the improvement of sugar-producing plants. | 108.56 | Do. |
| Ely, Ethel M..... | Laboratory aid..... | La Fayette, Ind. (Mar. 10-Apr. 30, 1912.) | To assist in the work of testing commercial seeds at the cooperative branch laboratory. | 78.40 | Seed-testing laboratory. |
| Estabrook, Leon M..... | Executive assistant in charge of seed distribution. | Brooklyn, N. Y. (July 5-7, 1911).... | To inspect seed-packeting machines, packets and envelopes and packeted seed, in connection with contract work for the department in the packeting of seed for congressional distribution. | 16.15 | Purchase and distribution of valuable seeds, 1912. Congressional distribution. |
| Do..... | do..... | Richmond, Portsmouth, Diamond Springs, Va. (Apr. 2-5, 1912.) | To inspect Dutch bulbs in connection with quotations on bulbs for congressional distribution and to secure information on methods of growing and handling bulbs in the interest of the propagating garden of the department. | 22.35 | Do. |

| | | | | | |
|-------------------------|---|--|---|--------|---|
| Do..... | do..... | Edon, Salisbury, Md.; Reading, Wyoming, Pa. (June 4-7, 1912.) | To inspect fields of strawberry plants, peonies, and other hardy perennial flowering plants and ornamentals suitable for congressional distribution. | 27.35 | Do. |
| Fairchild, David G..... | Agricultural explorer in charge of foreign seed and plant introduction. | St. Augustine, Miami, Palm Beach, Chases, Key West, Tampa, Sarasota, Oneco, Braidentown, Brooksville, Gainesville, Glen St. Mary, Jacksonville, Fla. (Feb. 17-Mar. 13, 1912.) | To inspect newly introduced plants under cultivation at the subtropical plant introduction field stations, and to arrange for the propagating and testing of other promising seeds and plants from foreign countries at these stations and through private experimenters and cooperators. | 198.97 | General expenses, B.P.I., 1912 (special seeds and plants). |
| Do..... | do..... | Philadelphia, Pa. (Mar. 19-22, 1912.) | To represent the Bureau of Plant Industry at the celebration of the centenary of the foundation of the Academy of Natural Sciences. | 20.35 | Purchase and distribution of valuable seeds, 1912. Foreign seed and plant introduction. |
| Farrell, Francis D..... | Agronomist..... | Logan, Nephi, Petersboro, Salt Lake, Utah; Moccasin, Billings, Huntley, Havre, Mont.; Dickinson, Fargo, Williston, N. Dak.; Brandon, Indian Head, Saskatchewan, Lethbridge, Alberta, Canada; Pullman, Wash.; Corvallis, Oreg.; Moscow, Boise, Gooding, Aberdeen, Downey, Idaho; Chico, Sacramento, San Francisco, Davis, El Centro, Cal.; Yuma, Ariz.; Crowley, La. (July 1-Sept. 13, 1911.) Chicago, Ill.; Colorado Springs, Col.; Manhattan, Hays, Kans. (Oct. 10-25, 1911.) | To inspect experimental work, in connection with the improvement of cereals at department field stations and upon private farms, and to study methods of cereal cultivation in all its phases. | 550.00 | General expenses, B.P.I., 1912 (grain investigations). |
| Do..... | do..... | do..... | do..... | 167.67 | Do. |
| Fernald, J. F..... | Mechanical assistant..... | Puyallup, Tacoma, Wash.; Lodi, Cal. (July 1-Nov. 19, 1911.) | To assist in installing an experimental portable refrigerating plant in railroad cars and to conduct experiments in the precooling of fruits in connection with the work in transporting and storing fruits. | 356.37 | Pomological investigations. |
| Do..... | do..... | Points in the States of Tennessee, Kentucky, Ohio, Indiana, New York, Pennsylvania, New Jersey, Illinois, Virginia, and West Virginia. (Jan. 18-Apr. 5, 1912.) | To assist in an investigation relative to the handling, shipping, and preservation of eggs, poultry, fish and game, and other foods; with special reference to putridity and decomposition of these products in connection with the enforcement of the food and drugs act. | 575.05 | Bureau of Chemistry. Enforcement of food and drugs act, 1912. |
| Do..... | do..... | Puyallup, Tacoma, Wash.; Lodi, Cal. (May 29-June 30, 1912.) | To assist in installing an experimental portable refrigerating plant in railroad cars and to conduct experiments in the precooling of fruits in connection with the work in transporting and storing fruits. | 172.98 | General expenses, B. P. I. 1912 (pomological investigations). |
| Fisher, D. F..... | Scientific assistant..... | Camden, Dover, Woodside, Del.; Denton, Md. (Apr. 16-June 20, 1912.) | To conduct spraying experiments and demonstrations in the control of apple and peach diseases. | 79.43 | Fruit diseases. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

BUREAU OF PLANT INDUSTRY—Continued.

| Name. | Title. | Destination. | Business or work. | Total expense. | Appropriation. |
|--------------------|-------------------------|---|--|----------------|-----------------------------|
| Fletcher, Wm. F. | Scientific assistant | Van Buren, Fort Smith, Ark.; Durant, Russet, Ardmore, Sulphur, Wynnewood, Noble, Okla.; Chanute, Okaloosa, Leroy, Ottawa, Leavenworth, Lawrence, Vinland, Topeka, Fredonia, Hoyt, Hiawatha, Parker, Iola, Tonganoxie, Kans.; Kansas City, Columbia, Mo. (July 15-Sept. 28, 1911.) | To study general orchard conditions, secure temperature records, collect phenological data, and conduct other investigations in the improvement of fruits. | \$427.24 | Pomological investigations. |
| Do | do | New York, N. Y. (Oct. 4-9, 1911) | To inspect experimental shipments of fruit from the Pacific coast, in connection with the fruit transportation and storage investigations. | 23.84 | Do. |
| Do | do | Keyser, W. Va. (Apr. 9-10, 1912) | To inaugurate phenological studies as a part of the fruit improvement investigations. | 14.89 | Do. |
| Froelich, Henry C. | Laboratory aid | Derwood, Md.; Ocoquan, Round Hill, Va. (Oct. 3-19, 1911.) | To assist with the harvesting of experimental plots of corn. | 16.22 | Grain investigations. |
| Froley, John W. | Assistant agriculturist | Lynchburg, Va. (Oct. 4-6, 1911) | To study systems of tenant farming in connection with farm management investigations. | 21.20 | Farm management |
| Do | do | Geneseo, Elmira, N. Y. (Nov. 6-11, 1911.) | do | 39.83 | Do. |
| Do | do | Williamsburg, Old Point Comfort, Va. (Nov. 23-27, 1911.) | do | 13.10 | Do. |
| Do | do | Columbus, Washington, Ind.; Springfield, Lincoln, Auburn, Ill. (Apr. 22-May 2, 1912.) | do | 83.09 | Do. |
| Do | do | Springfield, Northampton, Boston, Mass.; New York, Albany, Nassau, N. Y. (May 19-23, 1912.) | To gather data on agricultural credit unions in their relation to farm credit. | 46.03 | Do. |
| Do | do | Clements Wharf, Va. (May 30-June 1, 1912.) | To study farming systems and practices in connection with the management of large farm estates. | 10.00 | Do. |
| Frost, Fred C. | Assistant | Schellburg, Pa. (May 28-June 30, 1912.) | To assist in conducting general farm management investigations. | 45.33 | Do. |
| Funk, Warren C. | Scientific assistant | Roxbury, Hobart, Ithaca, Rochester, Kendall, Hamlin, N. Y. (Oct. 20-Nov. 30, 1911.) | To collect data on machinery and other equipment of farms in relation to farm management. | 180.70 | Do. |
| Do | do | Lancaster, Ephrata, Adamstown, Mechanicsburg, New Holland, Pa. (Apr. 3-June 30, 1912.) | do | 322.31 | Do. |

| | | | | | |
|-------------------------|---|---|---|-------|-----------------------------|
| Garner, Wightman W..... | Physiologist in charge of tobacco investigations. | Greenville, Raleigh, Creedmoor, Oxford, N. C.; Manning, Sumter, Timmonsville, S. C. (July 6-13, 1911.) | To inspect experimental work in connection with plant nutrition and tobacco investigations and to confer with field assistants and farmer cooperators. | 51.22 | Bacteriology and nutrition. |
| Do..... | do..... | Ephrata, Willow Street, Landisville, Pa.; Hazardville, Suffield, Conn. (July 19-31, 1911.) | To inspect cooperative experiments in tobacco improvement and to arrange for experiments in the curing of tobacco. | 46.66 | Tobacco investigations. |
| Do..... | do..... | Stuffield, Hazardville, South Windsor, Conn.; Lancaster, Ephrata, Pa.; Sunderland, South Deerfield, Mass. (Aug. 19-Sept. 10, 1911.) | do..... | 71.13 | Do. |
| Do..... | do..... | Reidsville, N. C. (Sept. 27-Oct. 1, 1911.) | To study methods of tobacco curing and other problems in tobacco improvement production and handling. | 21.88 | Do. |
| Do..... | do..... | Oxford, Creedmoor, N. C. (Nov. 21-27, 1911.) | To arrange further cooperative experiments in connection with tobacco investigations. | 22.25 | Do. |
| Do..... | do..... | Raleigh, N. C. (Apr. 16-18, 1912)..... | To confer with officials of the State department of agriculture regarding cooperative tobacco experiments. | 21.35 | Do. |
| Do..... | do..... | Reidsville, Kernersville, Durham, Oxford, N. C. (May 21-24, 1912.) | To select a suitable location for conducting tobacco investigations in cooperation with the North Carolina State department of agriculture. | 31.40 | Do. |
| Giffen, James S..... | Scientific assistant..... | Columbia, Darlington, James Crossing, Lykesland, Ridgeway, Newberry, Edisto Island, S. C.; Augusta, Ga. (Mar. 31-Apr. 30, 1912.) | To assist in planting experimental corn plots as a part of the work in the improvement of grains and methods of grain production. | 96.98 | Grain investigations. |
| Do..... | do..... | Ocoquan, Va.; Gaithersburg, Md. (May 21-24 and June 5-12, 1912.) | To plant, transplant, and cultivate experimental corn. | 16.12 | Do. |
| Gilbert, William W..... | Assistant pathologist..... | Raleigh, Auburn, N. C.; Clemson College, Monetta, Lamar, Florence, S. C. (Aug. 9-18, 1911.) | To confer with experiment-station officials and private cooperators relative to work in the breeding of wilt-resistant cotton, cowpeas, and watermelons; to inspect experimental work in connection with disease-resistant cotton and cowpeas and assist in the harvesting of wilt-resistant watermelons. | 55.69 | Cotton and truck diseases. |
| Do..... | do..... | Atlanta, Vienna, De Soto, Americus, Ga.; Dothan, Headland, Columbia, Troy, Ala.; Monetta, Florence, Lamar, S. C. (Sept. 11-30, 1911.) | To confer with officials of the Georgia State board of entomology and cooperators relative to work in the breeding of wilt-resistant cotton; to inspect experimental plots and to secure data on the results secured. | 97.23 | Do. |
| Do..... | do..... | Florence, Lamar, S. C. (Oct. 23-Nov. 4, 1911.) | To complete work in the breeding of cotton for wilt resistance. | 29.51 | Do. |
| Do..... | do..... | New York, N. Y. (Mar. 19-21, 1912)..... | To inspect potatoes from Great Britain and truck crops shipped from Southern States for the detection of plant diseases. | 21.25 | Do. |
| Do..... | do..... | Florence Monetta S.C. (Apr. 23-27, 1912.) | To supervise the experimental planting of selected varieties of cotton and watermelon in connection with the investigation of disease-resistant sorts. | 34.00 | Do. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

BUREAU OF PLANT INDUSTRY—Continued.

| Name. | Title. | Destination. | Business or work. | Total expense. | Appropriation. |
|--------------------------|---------------------------|--|--|----------------|-----------------------------|
| Goll, Frank L..... | Scientific assistant..... | Manns Choice, Schellburg, Harrisburg, Pa. (July 31-Aug. 2, 1911) | To inaugurate experimental work in the inoculation of leguminous plants with nitrogen-fixing bacteria. | \$21.93 | Bacteriology and nutrition. |
| Do..... |do..... | Stoyestown, Somerset, Rockwood, Berlin, Davidsville, Harrisburg, Pa. (Aug. 30-Sept. 5, 1911.) | To inspect various experimental plots of legumes to determine the results of inoculation with nitrogen bacteria; and to examine statistical data in the possession of the State department of agriculture (Pennsylvania) relative to the results of legume inoculation. | 47.64 | Do. |
| Do..... |do..... | Ithaca, N. Y.; Philadelphia, and vicinity, Pa. (Apr. 11-18, 1912.) | To arrange cooperative field work in the inoculation of leguminous crops and to collect plants other than legumes bearing nitrogen-fixing nodules. | 40.68 | Do. |
| Do..... |do..... | Schellburg, Somerset, Stoyestown, Pa.; Salem, Ohio. (June 10-30, 1912.) | To conduct field experiments in methods of inoculating soy beans and alfalfa. | 63.39 | Do. |
| Goodrich, Charles L..... | Agriculturist..... | Elizabeth City, Currituck, Hertford, Edenton, Galesville, Winton, Swan Quarter, Plymouth, Columbia, Greenville, Washington, Williams- ton, N. C. (July 31-Aug. 6, 1911.) Columbia, Hayti, Hannibal, Mo.; Bayard, Iowa; Oklahoma, Okla.; Dallas, College Station, Tex.; Alexandria, Baton Rouge, Monroe, Shreveport, La.; Natchez, Greenville, Miss. (Sept. 5-30, 1911.) Sumter, Columbia, Spearman, S. C. (Jan. 9-13, 1912.) | To address farmers' institutes on the "Control of soil fertility" and to study systems of farm management and farm practice. To study general farm conditions, and to consult with field men engaged in general farm-management investigations and to inspect the work under their charge. | 79.80 | Farm management. |
| Do..... |do..... | Richmond, Va. (Jan. 17-18, 1912).... | To inspect farms and advise in planning their reorganization and to consult with field agents engaged in conducting farm management work. | 274.91 | Do. |
| Do..... |do..... | Greensboro, N. C. (Feb. 12-15, 1912.) | To address a farmers' institute on "farm management and soil fertility." | 15.40 | Do. |
| Do..... |do..... | Pearre, Md.; Pruntytown, Sleepy Creek, Va. (Mar. 27-Apr. 1, 1912.) |do..... To advise as to the reorganization of the farm of West Virginia Reformatory for Boys and to conduct general farm management investigations. | 25.15 26.78 | Do. Do. |

| | | | | | |
|----------------------|---------------------------|--|--|--------|--|
| Do..... | do..... | Nashville, Clarksville, Knoxville, Spring City, Crossville, Tenn.; Bowling Green, Rowletts, Louisville, Middlesboro, Berea, Ky. (Apr. 7-24, 1912.) | To assist farmers in reorganizing their farms and to extend the general farm-management investigations. | 129.51 | Do. |
| Gore, H. C..... | Scientific assistant..... | New York and Poughkeepsie, N. Y. (Mar. 6-8, 1912.) | To inspect the plant of the De Laval Separator Co., and to perform experimental work at that plant, as to the clarification of orange and lemon juices; to investigate types of clarifying machines which the company makes, in order to determine the machine best adapted to the needs of the Bureau of Chemistry. | 23.45 | General expenses, Bureau of Chemistry, 1912 (laboratory miscellaneous expenses). |
| Do..... | do..... | Philadelphia, Pa.; Buffalo, N. Y. (June 20-22, 1912.) | To inspect various types of vacuum driers, to be used in experimental studies on the drying of fruit. | 19.16 | Do. |
| Goss, Willard L..... | do..... | Leonardtown, Md. (Sept. 20-25, 1911.) | To inaugurate experimental work with seed of hairy vetch, in connection with the testing of commercial seeds. | 14.45 | General expenses, B. P. I., 1912 (seed-testing laboratory). |
| Do..... | do..... | Baltimore, Md. (Mar. 26, 1912)..... | To investigate conditions in the seed trade and the commercial handling of seeds. | 3.38 | Do. |
| Gould, Harris P..... | Pomologist..... | Chicago, Ill.; Akron, Denver, Parker, Littleton, Colo.; Dalhart, Amarillo, Hereford, Plainview, San Antonio, Nursery, Alvin, Tex.; Roswell, N. Mex.; Oklahoma, Yale, Chandler, Meridian, Guthrie, Perry, Enid, Avard, Carmen, Okla.; Medicine Lodge, Mulvane, Wichita, Hutchinson, Sterling, Salina, Abilene, Council Grove, Topeka, Leavenworth, Tonganoxie, Troy, and Wathena, Kans.; Arkansas City, Ark.; St. Joseph, Mo.; Beatrice, Crete, Geneva, York, Seward, Dwight, Lincoln, Nebraska City, Omaha, Nebr.; Hamburg, Iowa; Henderson, Ky. (July 11-Sept. 30, 1911.) | To study orchard conditions; to confer with growers, horticulturists and other authorities regarding the fruit industry; to collect data and conduct other necessary work in connection with the improvement of fruits and methods of fruit production. | 475.59 | Pomological investigations. |
| Green, Edw. C..... | do..... | New Orleans, La.; Brownsville, San Antonio, Tex.; Yuma, Ariz.; Mecca, Indio, Los Angeles, Santa Ana, San Fernando, Riverside, Altadena, Whittier, Bakersfield, Fresno, Berkeley, San Francisco, Sacramento, Chico, Cal.; Denver, Colo.; Ames, Boone, Iowa; Omaha, Nebr.; St. Louis, Mo. (May 16-June 30, 1912.) | To inspect newly introduced plants grown at the plant-introduction field stations of the department, by experiment-station collaborators and private experimenters; and to take photographs and secure data as to the results of experiments with introduced plants and seeds. | 363.55 | South Texas garden. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

BUREAU OF PLANT INDUSTRY—Continued.

| Name. | Title. | Destination. | Business or work. | Total expense. | Appropriation. |
|------------------------|----------------------------|--|---|----------------|-----------------------------|
| Griffiths, David..... | Agriculturist..... | Chico, Los Angeles, Pomona, Cal.; Prescott, Phoenix, Tempe, Ariz.; Brownsville, San Antonio, Tex. (Aug. 21-Oct. 21, 1911.) | To carry on investigations of cactus problems; to study native and introduced species of cacti; to take notes and photographs; and to arrange for new tests with cooperators and private growers, in connection with farm management investigations. | \$365.42 | Farm management. |
| Do..... | do..... | St. Louis, Mo.; Brownsville, San Antonio, El Paso, Waco, Tex.; Pomona, Bakersfield, Chico, and other points in California and Nevada. (Apr. 1-June 30, 1912.) | do..... | 276.94 | Do. |
| Hamon, Robert J..... | Laboratory aid..... | Garden City, Kans. (May 26-June 30, 1912.) | To assist in conducting experiments in the culture and improvement of sugar beets and of sorghum as a part of the work in the improvement of sugar-producing plants. | 77.52 | Sugar-plant investigations. |
| Harlan, Harry V..... | Agronomist..... | Chicago, Ill.; Milwaukee, La Crosse, Wis.; St. Paul, Minn.; Kansas City, Mo.; Manhattan, Kans.; Yuma, Ariz.; Los Angeles, El Centro, Merced, Berkeley, San Francisco, Chico, and other points in California; Reno, Nev.; Nephi, Utah; Akron, Colo. (Apr. 23-June 30, 1912.) | To continue barley investigations, including a study of varieties and methods of production, to inspect experimental work with barley at the State stations and private farms, and consult with grain dealers and others regarding the conditions of the barley market. | 421.55 | Grain investigations. |
| Harter, Leonard L..... | Assistant pathologist..... | Norfolk, Portsmouth, Onley, Cape Charles, Va. (July 4-9, 1911.) | To continue work in the investigation of the diseases of truck crops. | 34.41 | Cotton and truck diseases. |
| Do..... | do..... | Vineland, Trenton, Newark, N. J. (July 16-20, 1911.) | To investigate diseases of sweet potatoes and other truck crops. | 30.07 | Do. |
| Do..... | do..... | Norfolk, Onley, Melfa, Va.; Vineland, Glassboro, N. J. (Aug. 20-28, 1911.) | do..... | 66.93 | Do. |
| Do..... | do..... | Vineland, N. J. (Oct. 9-14, 1911.) | do..... | 37.49 | Do. |
| Do..... | do..... | Vineland, N. J. (Nov. 27-28, 1911.) | To investigate diseases of sweet potatoes while in storage. | 20.59 | Do. |
| Do..... | do..... | Philadelphia, Pa.; Vineland, N. J. (Jan. 7-9, 1912.) | do..... | 20.99 | Do. |
| Do..... | do..... | Vineland, Swedesboro, N. J. (Mar. 11-12, and Apr. 9-12, 1912.) | To supervise planting of sweet potatoes in connection with the study of sweet-potato diseases. | 37.66 | Do. |
| Do..... | do..... | Norfolk, Portsmouth, Va. (May 7-10, 1912.) | To continue investigations of truck-crop diseases. | 18.65 | Do. |

| | | | | | |
|-----------------------|--|---|--|--------|-----------------------|
| Do..... | do..... | Vineland, N. J. (3 trips; May 27-June 25, 1912.) | To continue investigations of sweet-potato diseases. | 68.26 | Do. |
| Hartley, Carl..... | do..... | Garden City, Kans.; Halsey, Lincoln, Hyannis, Nebr. (Apr. 16-June 30, 1912.) | To investigate diseases of forest-tree nursery stock and of forest trees in national forests and elsewhere. | 96.13 | Forest pathology. |
| Hartley, Chas. P..... | Physiologist in charge of corn investigations. | Piketon, Ohio. (July 10-Aug. 6, 1911.) | To superintend detasseling and pollinating work with corn, to inspect and take notes on corn grown from improved seed furnished by the department, and to plan future experiments in corn improvement and production. | 61.65 | Grain investigations. |
| Do..... | do..... | Hill City, Colby, Norton, Manhattan, Kans.; Holdrege, Akron, Colo.; North Platte, Sidney, Nebr.; Ardmore, Hot Springs, Mitchell, Huron, Highmore, S. Dak.; Bismarck, Dickinson, N. Dak.; St. Paul, Minn.; Oconomowoc, Wis.; Kansas City, St. Louis, Mo.; Chicago, Ill.; Sunbury, Columbus, Sabina, Chillicothe, Piketon, Cincinnati, Ohio. (Aug. 21-Nov. 2, 1911.) | To supervise the harvesting of corn in experimental breeding plats, to make field records, to inspect cooperative work, and to study various problems in connection with corn improvement and production. | 273.58 | Do. |
| Do..... | do..... | Hamilton, Springfield, Ohio. (Jan. 9-13, 1912.) | To address the Butler County Corn Improvement Association on "Corn improvement" and to inspect corn exhibits at Springfield. | 44.90 | Do. |
| Do..... | do..... | Piketon, Ohio. (May 11-18, 1912).... | To supervise the preparation and planting of experimental plats of corn as a part of the work in the improvement of this crop. | 41.35 | Do. |
| Hawkins, Lon A..... | Scientific assistant..... | Paw Paw, Saugatuck, Lawton, Grand Rapids, South Haven, Kalamazoo, Douglas, Lansing, Jackson, and other points in Michigan; North East, Erie, Pa. (July 1-Sept. 4, 1911.) | To conduct experiments and demonstrations in the control of diseases of grapes and small fruits. | 125.65 | Fruit diseases. |
| Do..... | do..... | Buffalo, N. Y.; North East, Pa. (Sept. 27-29, 1911.) | To investigate grape diseases, especially the powdery mildew. | 41.83 | Do. |
| Do..... | do..... | Lawton, Mich. (Apr. 3-9, 1912).... | To conduct spraying experiments for the control of grape diseases. | 58.79 | Do. |
| Hedcock, Geo. G..... | Pathologist..... | St. Louis, Mo.; Denver, Clyde, Pagosa Springs, Manos, Delta, Colo.; Provo, Kamas, Ogden, Utah; Mackay, Priest River, Challis, Bonanza, Idaho; Missoula, Thompson Falls, Monarch, Billings, Livingston, Bozeman, Mont.; Pullman, Wash.; Portland, Medford, Oreg.; San Francisco, Kennett, Cal.; Gila, Silver City, Mogollon, Albuquerque, Mescal, N. Mex.; Tucson, Ariz.; San Antonio, Austin, Tex. (July 1-Nov. 4, 1911.) | To study the nature and prevalence of forest-tree diseases and of the parasites causing them and to advise with officers of the national-forest districts and with forest supervisors as to means of protecting forest trees against attacks by fungi and mistletoes and from injury by smelter fumes. | 900.65 | Forest pathology. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

BUREAU OF PLANT INDUSTRY—Continued.

| Name. | Title. | Destination. | Business or work. | Total expense. | Appropriation. |
|--------------------------|--|---|--|----------------|-------------------------------------|
| Hedcock, Geo. G..... | Pathologist..... | Philadelphia, Pa.; Richmond Hill, Cold Spring Harbor, New York, N. Y. (June 24-30, 1912.) | To conduct investigations in the control of the chestnut-bark disease, and to consult the herbaria of the New York Botanic Gardens and the Academy of Natural Sciences for data in this connection. | \$48.16 | Forest pathology. |
| Hitchcock, Albert S..... | Systematic agrostologist. | Port Limon, San Jose, Punta Arenas, Costa Rica; Masaya, Corinto, Managua, Jinotega, Nicaragua; Honduras, Santa Ana, Ampala, Acayutla, San Salvador, La Union, Salvador; Guatemala, Port Barrios, Guatemala; Culebra, Canal Zone. (Oct. 19-Dec. 28, 1911.) | To collect and study economic grasses, with especial reference to their value as forage and their relation to the native grasses of Panama, Mexico, and the United States, and to collect seeds of sorts considered worthy of testing in this country. | 444.40 | Taxonomic and range investigations. |
| Hitchcock, Frank H..... | Collaborator..... | do..... | do..... | | |
| Hite, Bertha C..... | Scientific assistant..... | Columbia, Mo. (Dec 4, 1911-June 26, 1912.) | To take charge of the cooperative branch seed-testing laboratory. | 104.62 | Seed-testing laboratory. |
| Humphrey, Harold N..... | do..... | Albion, Medina, Sodus, Rochester, N. Y., and adjacent points. (Sept. 2-Oct. 2, 1911.) | To study farm equipment and farm building inventories and to gather other data on farm economics in connection with farm-management investigations. | 144.35 | Farm management. |
| Do..... | do..... | Roxbury, Hobart, Rochester, Delhi, Hamlin Hilton, N. Y. (Oct. 20-Nov. 30, 1911.) | do..... | 178.08 | Do. |
| Do..... | do..... | Lancaster, New Holland, Strasburg, Millersville, Ephrata, Pa. (Apr. 5-May 26, 1912.) | To secure data on farm building equipment in connection with farm-management investigations. | 235.29 | Do. |
| Do..... | do..... | Lancaster, Elizabethtown, Mount Joy, Pa. (June 1-22, 1912.) | do..... | 113.02 | Do. |
| Humphries, Walter R..... | Assistant..... | Packwaukee, Stoughton, Edgerton, Wis.; Livonia, Rochester, Sodus, N. Y. (Sept. 1-Oct. 4, 1911.) | To study farm equipment and farm building inventories and to collect other data on farm-management investigations. | 195.39 | Do. |
| Do..... | do..... | Rochester, Sodus, N. Y. (Nov. 4-29, 1911.) | do..... | 163.54 | Do. |
| Do..... | do..... | Lancaster, Mount Joy, Ephrata, Pa. (Apr. 11-May 26, 1912.) | do..... | 209.65 | Do. |
| Do..... | do..... | Lancaster, Pa. (June 3-22, 1912.) | do..... | 99.90 | Do. |
| Husmann, Geo. C..... | Pomologist in charge of viticultural investigations. | Vineland, N. J. (Aug. 21-31, 1911)... | To supervise the harvesting and shipping of grapes grown in experimental tests, to inspect and give instructions in grape-pruning methods, and to take notes on the work. | 34.30 | Pomological investigations. |

| | | | | | |
|--------------------|----------------------|--|---|----------------|----------------------------------|
| Do | do | Colfax, Napa, Geyserville, Livermore, Fresno, Brawley, Ontario, Los Angeles, Lodi, Stockton, San Francisco, and other points in California; Sacramento, Ariz. (Sept. 18-Nov. 23, 1911.) | To study viticultural conditions and possibilities, to plan cooperative work in experimental vineyards, to confer with growers and others interested in grape culture, and to inaugurate new experiments in grape production and improvement. | 401.19 | Do. |
| Do | do | Southern Pines, Aberdeen, Manley, Raleigh, Wilson, Enfield, Rocky Mount, Willard, Goldsboro, N. C.; Norfolk and vicinity, Va. (Jan. 10-22, 1912.) | To conduct grape pruning and training experiments in rotundifolia vineyards, to give instructions for further work, inspect and take notes on viticultural work. | 67.75 | Do. |
| Do | do | Vineland, Woodbine, N. J.; New York, N. Y. (Feb. 28-Mar. 6, 1912.) | To demonstrate methods of pruning and training grape vines and to address the American Wine Growers' Association on viticultural topics. | 38.27 | Do. |
| Do | do | Willard, Rocky Mount, Enfield, N. C. (Apr. 1-4, 1912.) | To conduct grafting experiments with rotundifolia grapes; to inspect experiments in cooperative vineyards, and to give instructions for further viticultural experiments. | 33.00 | Do. |
| Ingram, Della E. | Scientific assistant | Vineland, N. J. (Apr. 17-19, 1912). Halsey, Lincoln, Nebr. (July 1-Aug. 31, 1911.) | To investigate damping off and other diseases of conifers, in connection with the control of diseases of forest and ornamental trees. | 12.89 51.32 | Do. Forest pathology. |
| Jackson, Frank H. | Architect | Garden City, Kans.; Denver, Akron, Colo.; Dalhart, Tex.; Ardmore, S. Dak. (May 28-June 30, 1912.) | To supervise the erection of buildings at field stations in connection with dry-land agricultural investigations. | 183.63 | Dry-land agriculture. |
| Jacobs, Cora | Scientific assistant | Columbia, Mo.; Lafayette, Ind. (Feb. 27-Apr. 30, 1912.) | To assist in seed testing at the branch cooperative seed-testing laboratory. | 121.20 | Seed-testing laboratory |
| Johnson, Edward C. | Pathologist | Duluth, St. Paul, Minneapolis, St. Anthony Park, Minn.; Fargo, Williston, N. Dak.; Amarillo, Tex.; Crowley, Rayne, Washington, La.; (July 1-Sept. 12, 1911.) | To study cereal diseases and to supervise the harvesting of disease-resistance cereal hybrids grown in cooperation with experiment stations and private farmers, in connection with the improvement of grains and grain production. | 380.58 | Grain investigations. |
| Do | do | Manhattan, Kans.; Dalhart, Amarillo, Tex.; Las Cruces, Mesilla Park, N. Mex.; Yuma, Tucson, Ariz.; El Centro, Los Angeles, Imperial, Pasadena, Middle River, Fresno, Stockton, Berkeley, San Francisco, Chico, Cal.; Lincoln, Nebr.; St. Paul, Minn. (May 16-June 30, 1912.) | To inspect cooperative cereal-disease experiments; to ascertain the necessity for the extension of cereal disease investigations to new localities; to consult with station officials and other cooperations, and to carry on other experiments and investigations in the study of cereal diseases, as a part of the work in grain improvement. | 353.58 | Do. |
| Jones, J. Walter | Expert | Philadelphia, Pa.; Vineland, N. J. (Mar. 13-19, 1912.) | To study markets and market organizations in their relation to the cultivation of truck crops and to general horticultural investigations. | 29.86 | Arlington Farm and horticulture. |
| Jones, W. Ralph | Scientific assistant | Vineland, Moorestown, New Lisbon, Egg Harbor, Mays Landing, Atlantic City, N. J. (July 1-Sept. 16, 1911.) | To conduct experiments and demonstrations in the control of the diseases of grapes and small fruits. | 49.13 | Fruit diseases. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

| Jones, W. Ralph..... | Scientific assistant..... | Vineland, Moorestown, N. J.; Philadelphia, Pa. (Apr. 3-11, 1912.) | To conduct experiments and demonstrations in the control of the diseases of grapes and small fruits. | \$23. 60 | Fruit diseases. |
| Do..... | do..... | Vineland, Moorestown, N. J.; Philadelphia, Pa. (Apr. 16-June 30, 1912.) |do..... | 23. 05 | Do. |
| Kearney, Thos. H..... | Physiologist in charge of alkali and drought-resistant plants. | Sacaton, Glendale, Ariz.; Bard, Los Angeles, Cal.; Denver, Akron, Col.; Wamsutter, Wyo.; Salt Lake, Utah; Idaho Falls, Idaho; Ontario, Hermiston, Dalles, Moro, Oreg.; North Platte, Nebr. (July 2-Aug. 11, 1911.) | To continue work in breeding and testing alkali and drought-resistant crop plants, to test and breed varieties of pomegranate, especially in respect to the drought and alkali resistance of this plant; and to study the indicator value of natural vegetation in arid regions. | 470. 93 | Alkali and drought-resistant plants. |
| Do..... | do..... | Akron, Colo.; Bakersfield, Wasco, Los Angeles, Bard, Glendale, Cal.; Sacaton, Tempe, Phoenix, Ariz.; San Antonio, Tex. (Sept. 18-Oct. 31, 1911.) |do..... | 324. 40 | Do. |
| Do..... | do..... | Akron, Grand Junction, Colo.; Salt Lake, Tooele, Utah; Newell, Belle-fourche, Whitewood, S. Dak. (May 22-June 20, 1912.) |do..... | 279. 04 | Do. |
| Keitt, George W..... | Scientific assistant..... | Hart, Holland, Saugatuck, Benton Harbor, Coloma, Watervliet, Fennville, Douglas, Mich. (July 1-Sept. 16, 1911.) | To investigate diseases of fruits, especially brown-rot of stone fruits and scab of apples and to conduct spraying demonstrations and experiments for their control. | 111. 30 | Fruit diseases. |
| Do..... | do..... | Atlanta, Marshallville, Cornelius, Fort Valley, Ga. (Mar. 15-June 30, 1912.) |do..... | 99. 46 | Do. |
| Kellerman, Karl F..... | Physiologist in charge of bacteriology and nutrition. | Schellburg, Harrisburg, Pa. (July 31-Aug. 2, 1911.) | To inspect various experimental plots of legumes to determine the results of inoculation with nitrogen-fixing bacteria; and to examine statistical data in the possession of the Pennsylvania Department of Agriculture relative to results secured from legume inoculation. | 32. 29 | Bacteriology and nutrition. |
| Do..... | do..... | Montrose, Grand Junction, Delta, Col.; Fallon, Nev.; San Francisco, Palo Alto, Davis, Los Angeles, Cal. (Sept. 21-Oct. 19, 1911.) | To arrange cooperative experiments in soil bacteriology, to secure soil samples for study of the bacterial flora; and to confer with station officials and other cooperators relative to investigations in soil bacteriology. | 348. 85 | Do. |
| Do..... | do..... | Riverside, Los Angeles, San Dimas, Pomona, Santa Paula, San Bernar- | To investigate soil bacteriological conditions associated with the malnutrition of orchard | 455. 70 | Do. |

| | | | | |
|-------------------|------------------------|---|--------|-----------------------------|
| Krieger, L. C. C. | Artist | dino, San Diego, Stockton, Sacramento, San Francisco, Berkeley, Cal.; Logan, Salt Lake, Utah; Denver, Colo. (Mar. 12-June 16, 1912.) Chico, Cal. (Apr. 4-May 9, 1912.) | 137.15 | Farm management. |
| Kyle, Curtis H. | Assistant physiologist | Darlington, S. C.; Augusta, Ga. (July 1-11, 1911.) | 73.70 | Grain investigations. |
| Do. | do | Portsmouth, Va.; Raleigh, N. C.; Darlington, Hartsville, Newberry, Aiken, Columbia, S. C.; Augusta, Atlanta, Ga.; Tuskegee, Ala.; Fort Myers, La Belle, Edge, Fla. (Sept. 5-30, 1911.) | 199.87 | Do. |
| Do. | do | Piketon, Ohio. (Oct. 18-Dec. 4, 1911.) | 51.20 | Do. |
| Do. | do | Columbia, S. C. (Dec. 13-15, 1911.) | 37.56 | Do. |
| Do. | do | Columbia, James Crossing, Darlington, Newberry, St. Charles, Edisto Island, Clinton, Ballentine, Ridgeway, S. C.; Augusta, Laurens, Ga. (Mar. 4-May 25, 1912.) | 210.99 | Do. |
| Lake, E. R. | Assistant pomologist | Snow Hill, Salisbury, Berlin, Md.; Greenwood, Dover, Harrington, Bridgeville, Milford, Seaford, Del. (May 12-19, 1912.) | 35.47 | Pomological investigations. |
| Do. | do | Snow Hill, Salisbury, Berlin, Md.; Greenwood, Dover, Harrington, Bridgeville, Milford, Seaford, Del. (May 24-June 1, 1912.) | 45.72 | Do. |
| Leonard, Lewis T. | Scientific assistant | Ithaca, N. Y. (Apr. 11-16, 1912.) | 37.11 | Bacteriology and nutrition. |
| Do. | do | Schellburg, Somerset, Stoyestown, Pa.; Salem, Ohio. (June 10-30, 1912.) | 73.01 | Do. |
| Lewis, K. B. | do | Pasadena, Whittier, San Dimas, Riverside, Cucamonga, Los Angeles, Fresno, Sacramento, Cal. (July 1-Nov. 30, 1911.) | 388.02 | Pomological investigations. |
| Do. | do | Orlando, Winter Garden, Winter Park, Crescent City, Tampa, De Land, Tavares, Ocala, Bradenton, Manatee, Fla., and adjacent points. (Jan. 1-Feb. 27, 1912.) | 345.50 | Do. |
| | | trees and other plants in irrigated regions in Western States. | | |
| | | To make illustrations of species of cacti for use in farm-management investigations. | | |
| | | To investigate problems in corn culture; to harvest experimental corn and to confer with cooperating farmers to ascertain the results secured from the planting of improved types of corn bred by the department. | | |
| | | do | | |
| | | To assist in harvesting experimental corn and to record data on results of experiments in connection with the improvement of corn. | | |
| | | To deliver an address on "Corn Improvement" before the South Atlantic Corn Exposition, and to confer with cooperators regarding experimental corn work. | | |
| | | To find locations for experiments in corn culture and to supervise the planting, thinning, and other details of corn cultivation, and to record data on the results of corn investigations. | | |
| | | To collect data on the strawberry industry in connection with investigations in their culture and improvement. | | |
| | | do | | |
| | | To arrange for cooperative field work in connection with the inoculation of leguminous crops with soil bacteria. | | |
| | | To conduct field experiments in methods of inoculating soy beans and alfalfa. | | |
| | | To assist with experiments in handling and storing of fruit. | | |
| | | do | | |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

BUREAU OF PLANT INDUSTRY—Continued.

| Name. | Title. | Destination. | Business or work. | Total expense. | Appropriation. |
|--------------------------|------------------------------|---|--|-----------------------------|--|
| Lewton, Frederick L..... | Assistant botanist..... | Waco, San Antonio, Victoria, Tex. (July 26-Aug. 15, 1911.) Williamsburg, Va.; Columbia, St. Mathews, Hartsville, Charleston, Mount Pleasant, Luray, Easley, S. C.; Rome, Lagrange, Marion, Kellytown, Turnerville, Ga.; Altamonte Springs, Sanford, Forest City, Fla. (Sept. 7-Oct. 6, 1911.) | To supervise and study experiments in the acclimatization and breeding of cotton. To conduct experiments in cotton breeding and to inspect and rogue the cotton grown for congressional seed distribution. | \$172.70 116.32 94.24 | Crop acclimatization. Do. Purchase and distribution of valuable seeds, 1912 (congressional seed distribution). |
| Long, Wm. H..... | Forest pathologist..... | San Francisco, Berkeley, Palo Alto, Boulder Creek, Redwood Park, Red Bluff, Mineral, Sisson, Los Angeles, Cal.; Silver City, Mogollon, Albuquerque, Alamogorda, N. Mex.; El Paso, San Antonio, Austin, Tex.; Gurdon, Ark.; St. Louis, Mo. (Aug. 25-Nov. 26, 1911.) | To investigate forest tree diseases, to devise methods for their control, and to cooperate with the district forester in the Forest Service in carrying such methods into execution. | 654.51 | General expenses, B.P.I., 1912 (forest pathology). |
| Lute, Anna M..... | Scientific assistant..... | Lincoln, Nebr.; Berkeley, Cal. (Oct. 6-June 19, 1912.) | To conclude the work at the Lincoln, Nebr., cooperative branch seed-testing laboratory and to take charge of the branch laboratory at Berkeley, Cal. | 253.15 | Seed-testing laboratory. |
| McBeth, Ira G..... | do..... | Logan, Utah. (Aug. 1-Sept. 28, 1911.) | To conduct investigations upon the bacteriological conditions of the dry and irrigated lands of the Cache Valley, in Utah, in cooperation with the Utah experiment station. | 190.45 | Bacteriology and nutrition. |
| Do..... | do..... | Ames, Iowa; Logan, Utah. (June 20, 30, 1912.) | do..... | 115.20 | Do. |
| McClure, Harry B..... | Assistant agriculturist..... | Hayti, Caruthersville, St. Louis, Mo.; Memphis, Tenn. (July 1-Oct. 24, 1911.) | To complete the construction of and to operate a hay-drying kiln at Hayti, and to continue investigations in the artificial curing of hay as a feature of farm-management studies. | 213.61 | Farm management. |
| Do..... | do..... | Hayti, Caruthersville, St. Louis, Mo.; Memphis, Tenn. (Mar. 14-June 30, 1912.) | do..... | 203.85 | Do. |
| McKay, Andrew W..... | Expert..... | Salem, Oreg.; Puyallup, Wash.; Sacramento, Lodi, Cal. (July 1-Oct. 29, 1911.) | To continue experiments in the precooling, handling, shipping, and storing of citrus and deciduous fruits. | 535.62 | Pomological investigations. |

| | | | | | |
|------------------------|---------------------------|---|---|--------|--|
| Do..... | do..... | Jacksonville, Gainesville, Bradenton, Tampa, Orlando, New Smyrna, Miami, Daytona, Fort Myers, and other points in Florida. (Dec. 3, 1911-Mar. 16, 1912.) | do..... | 571.61 | Do. |
| Do..... | do..... | Denver, Colo. (June 1-30, 1912)..... | To inspect experimental shipments of loganberries arriving from California for the purpose of ascertaining their keeping qualities, in connection with the fruit storage and transportation investigations. | 96.05 | Do. |
| McKay, Marion B..... | Scientific assistant..... | Monetta, Hartsville, Florence, Batesburg, S. C. (Aug. 2-25, 1911.) | To assist in harvesting wilt-resistant watermelons and in conducting experiments in the breeding of cotton and cowpeas for wilt resistance. | 69.50 | Cotton and truck diseases. |
| Do..... | do..... | Florence, Hartsville, Monetta, Lamar, S. C.; Headland, Ala. (Sept. 11-Oct. 10, 1911.) | To assist in field experiments in connection with the breeding and culture of disease-resistant varieties of cotton, cowpea, and watermelon. | 113.32 | Do. |
| Do..... | do..... | Florence, Lamar, S. C. (Oct. 23-Nov. 7, 1911.) | To complete field work on cotton-wilt experiments. | 42.98 | Do. |
| Do..... | do..... | Rocky Ford, Col., and vicinity. (Jan. 8-June 30, 1912.) | To assist with investigations of the leaf-spot disease of sugar beets, as a feature of the work in the improvement of sugar-producing plants. | 106.77 | Sugar-plant investigations. |
| McKee, Roland..... | do..... | Albany, Corvallis, Hood River, Morrow, Union, St. Johns, Portland, Cottage Grove, Eugene, Oreg.; Pullman, Puyallup, Wash.; Chico, Cal. (July 1-Nov. 21, 1911.) | To conduct investigations in the propagating and testing of new and promising crops for forage and green manure, in connection with the congressional distribution of seeds and plants. | 182.00 | Forage crop investigations. |
| Do..... | do..... | Phoenix, Yuma, Ariz.; Indio, Redlands, Colton, Riverside, Pomona, Los Angeles, Santa Ana, Porterville, Sacramento, Chico, San Jose, Red Bluff, Santa Barbara, Cal.; Roseberry, McCall, Weiser, Pocatello, Idaho; Salt Lake, Murray, Nephi, Logan, Utah; Moapa, Nev. (Mar. 4-June 30, 1912.) | do..... | 131.65 | Purchase and distribution of valuable seeds, 1912 (foreign seed and plant introduction). |
| McLachlan, Argyle..... | Assistant..... | Boston, Lowell, New Bedford, Fall River, Springfield, Mass.; Baltic, Conn.; Providence, R. I.; Newark, N. J.; New York, N. Y. (Jan. 5-16, 1912.) | do..... | 135.58 | Do. |
| Do..... | do..... | Houston, Victoria, Tex.; Phoenix, Mesa, Yuma, Sacaton, Ariz.; Bard, El Centro, Los Angeles, Pomona, Brawley, Holtville, Claremont, Cal. (Jan. 24-June 30, 1912.) | To confer with manufacturers and buyers of Egyptian cotton in the interest of the establishment of the commercial production of Egyptian cotton in the Southwestern States, in connection with the work in cotton improvement and the utilization of lands in arid regions for crop production. | 83.63 | Western agricultural extension. |
| Do..... | do..... | | To supervise the establishment of the commercial culture of Egyptian cotton, in connection with investigations in cotton improvement and the utilization of arid and semiarid lands for crop production. | 509.50 | Do. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

| McLane, John W..... | Laboratory assistant..... | Amarillo, Dalhart, Tex.; Garden City, Hays, Kans.; North Platte, Mitchell, Scottsbluff, Nebr.; Bellefourche, Newell, S. Dak.; Hettinger, Edgeley, Williston, Dickinson, N. Dak.; Osborn, Moccasin, Huntley, Judith Basin, Hobson, Mont. (July 8-Aug. 15, 1911.) | To inspect apparatus used in measuring the physical requirements of plants, and to conduct physical investigations. | \$303.15 | Physical investigations. |
| Do..... |do..... | Tooele, Utah, and vicinity. (May 23-June 30, 1912.) | To inaugurate and conduct biophysical investigations relative to the water requirements of crop and other plants, and to the causes of malnutrition of orchard trees and the tolerance of plants to the accumulation of alkali. | 127.85 | Do. |
| McMurran, S. M..... | Expert..... | Winchester, Va. (4 trips). (July 12-Oct. 16, 1911.) | To conduct spraying experiments for the control of apple diseases, and to carry on investigations bearing on the relation of nutrition to apple diseases. | 34.37 | Fruit diseases. |
| Do..... |do..... | Green Springs, W. Va., and vicinity. (Nov. 9-11, 1911.) | To investigate diseases of the apple..... | 15.63 | Do. |
| Do..... |do..... | Miami, Fla., and vicinity. (Jan. 25-Apr. 24, 1912.) | To investigate diseases of mango and other fruits and to conduct field and laboratory experiments for their control. | 350.21 | Do. |
| Do..... |do..... | Ridge Springs, S. C. (May 6-9, 1912).. | To investigate a new and undetermined disease in peach orchards. | 33.90 | Do. |
| Do..... |do..... | Winchester, Va., Charleston, W. Va. (May 14-June 2, 1912.) | To study collar blight of apples, root-rot, and other fruit diseases; and to test the effect of fertilizers on orchard diseases. | 34.14 | Do. |
| Do..... |do..... | Summit Point, W. Va. (June 14-15, 1912.) | To conduct pear blight eradication work, to investigate an unknown disease in apple orchards. | 8.74 | Do. |
| Do..... |do..... | Miami, Fla. (June 24-30, 1912)..... | To continue investigations of diseases of mango and other fruits. | 92.15 | Do. |
| Malcolm, Donald C..... | Laboratory aid..... | Honeoye Falls, N. Y., and vicinity. (Sept. 24-Oct. 15, 1911.) | To assist in harvesting potatoes in the trial plots, in connection with general horticultural investigations. | 57.84 | Arlington farm and horticulture. |
| Do..... |do..... | Houlton, Me.; Honeoye Falls, N. Y. (May 21-June 15, 1912.) | To assist in planting seedling and varietal collections of potatoes, in connection with general horticultural investigations. | 116.41 | Do. |

| | | | | | |
|-----------------------|---------------------------|---|---|--------|-----------------------------|
| Mann, Charles W..... | Scientific assistant..... | Pasadena, San Dimas, Whittier, Riverside, Fresno, Sacramento, San Francisco, Watsonville, Lodi, Los Angeles, Cal.; Chicago, Ill.; New York City. (July 1-Nov. 25, 1911.) New York City. (Dec. 12-15, and 18-20, 1911.) | To investigate methods of handling and storing oranges, lemons, apples, and grapes. | 827.05 | Pomological investigations. |
| Do..... | do..... | | | 69.50 | Do. |
| Do..... | do..... | Chicago, Ill.; Sacramento, Fresno, Los Angeles, San Dimas, Whittier, Pasadena, Riverside, Lodi, San Bernardino, Corona, Redlands, Berkeley, Chico, Santa Rosa, Watsonville, Visalia, Fort Bragg, Sebastopol, Cal. (Jan. 10-June 30, 1912.) Baldwin, Gunnison Col., and vicinity; St. Louis, Mo.; Chicago, Ill. (July 1-Oct. 5, 1911.) | To inspect experimental lots of grapes held in storage, make notes as to their condition, and arrange for their sale. To conduct handling, transportation and storage investigations with lemons, oranges, pomelos, apples, grapes, figs, and other fruits. | 763.21 | Do. |
| Marsh, C. Dwight..... | Physiologist..... | | | 195.61 | Drug and other plants. |
| Do..... | do..... | Chicago, Ill.; Denver, Colo.; Kansas City, Mo. (Dec. 9-18, 1911.) | To conduct field and laboratory studies of the loco weed, larkspur, and other stock-poisoning plants, and to confer with stockmen and others in regard to the work of poisonous-plant investigations. To address the American National Live Stock Association on the subject of "Poisonous Plants;" to consult scientists, stockmen, and other authorities in regard to stock poisoning by plants; and to arrange cooperative work in the poisonous-plant investigations. | 87.47 | Do. |
| Do..... | do..... | Wilmington, N. C., and vicinity. (Mar. 3-Apr. 3, 1912.) | To investigate cases of reported stock poisoning by plants. | 29.15 | Do. |
| Do..... | do..... | Chicago, Ill.; Minneapolis, Minn.; Livingstone, Missoula, Bozeman, Billings, Greycliff, Mont. (May 4-June 30, 1912.) Baldwin, Colo. (July 1-Sept. 18, 1911.) | To continue field and laboratory studies of the loco weed, larkspur, and other stock-poisoning plants. | 199.20 | Do. |
| Marsh, Hadleigh..... | Laboratory assistant..... | | | 81.35 | Do. |
| Do..... | do..... | Greycliff, Mont. (June 6-30, 1912.) | | 70.20 | Do. |
| Mason, Silas C..... | Arboriculturist..... | Boston, Cambridge, Mass. (Aug. 16-24, 1911.) | To consult herbaria and libraries for the purpose of securing data on dry-land arboriculture, in connection with crop-physiology investigations. | 50.10 | Crop physiology. |
| Do..... | do..... | El Paso, San Antonio, Tex.; Mesilla Park, Las Cruces, N. Mex.; Casa Grande, Sacaton, Ariz.; Indio, Los Angeles, San Francisco, Berkeley, Santa Barbara, Cal.; St. Louis, Mo. (Nov. 4-Dec. 29, 1911.) | To study various problems in dry-land arboriculture and to conduct other crop-physiology investigations. | 316.47 | Do. |
| Do..... | do..... | El Paso, San Antonio, Tex.; Mesilla Park, Las Cruces, N. Mex.; Casa Grande, Sacaton, Ariz.; Indio, Los Angeles, San Francisco, Berkeley, Santa Barbara, Cal.; St. Louis, Mo. (May 20-June 30, 1912.) | | 273.85 | Do. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

| Name. | Title. | Destination. | Business or work. | Total expense. | Appropriation. |
|--------------------------|--|--|---|----------------|---|
| Mathewson, Ernest H..... | Scientific assistant..... | Reidsville, Creedmoor, Oxford, Winston-Salem, N. C.; Darlington, Lake City, S. C.; Appomattox, Bowling Green, Richmond, Va. (July 1-Sept. 14 and Sept. 15, 1911-June 27, 1912.) | To study methods of harvesting and curing tobacco, to confer with growers and dealers concerning cooperative tobacco experiments, and to advise farmers regarding methods of tobacco culture. | \$244.42 | Tobacco investigations. |
| Meade, Rowland M..... | do..... | San Antonio, College Station, Clarksville, Tyler, Victoria, Farmersville, Waco, Del Rio, Tex.; Yuma, Ariz.; Bard, El Centros, Los Angeles, Glendale, Indio, Altadena, Cal. (July 1-Nov. 13, 1911.) | To assist with experiments in the acclimation and adaptation of cotton and corn, cotton breeding and selection, and acclimatization and adaptation investigations with other crops introduced from tropical countries. | 538.10 | Crop acclimatization. |
| Do..... | do..... | San Antonio, Kerrville, Boerne, Tex. (May 1-June 30, 1912.) |do..... | 279.95 | Do. |
| Meloy, Guy S..... | Assistant..... | Norfolk, Va. (Feb. 20-22, 1912)..... | To arrange with the Virginia Truck Experiment Station and with private growers to conduct cooperative cotton breeding experiments; and to study the operation of a cotton gin in connection with the cotton improvement work. | 15.85 | Do. |
| Do..... | do..... | Norfolk, Va. (May 8-12, 1912)..... | To assist in planting cotton on the Virginia Truck Experiment Farm, in connection with cotton culture and breeding investigations. | 22.10 | Do. |
| Do..... | do..... | Norfolk, Williamsburg, Va. (June 25-28, 1912.) | To assist with the cotton-breeding experiments. | 20.90 | Do. |
| Do..... | do..... | Norfolk, Va. (June 25-28, 1912.) |do..... | 19.70 | Do. |
| Merick, Lovina..... | Scientific assistant..... | La Fayette, Ind. (Oct. 1, 1911-June 30, 1912.) | To take charge of the cooperative branch seed-testing laboratory. | 54.25 | Seed-testing laboratory. |
| Metcalf, Haven..... | Pathologist in charge of forest pathology. | Philadelphia, Pa.; Cold Spring Harbor, Richmond Hill, Brooklyn, N. Y. (July 8-Aug. 17, 1911.) | To investigate the chestnut-tree bark disease and methods of controlling it. | 132.43 | General expenses, B.P.I., 1911-12 (investigation of the chestnut-tree bark disease). Do. |
| Do..... | do..... | Philadelphia, Sunbury, Paxinos, Pa.; Newark, Del. (Sept. 6-9, 1911.) | To confer with State authorities and private collaborators relative to methods of combating the chestnut-tree bark disease. | 14.88 | General expenses, B.P.I., 1911-12 (investigation of the chestnut-tree bark disease). Do. |
| Do..... | do..... | Baltimore, Md.; Philadelphia, Pa. (Oct. 6, 1911.) | To investigate the bark disease of chestnut, in connection with work in the control of diseases of forest trees. | 6.78 | General expenses, B.P.I., 1912 (forest pathology). Do. |
| Do..... | do..... | Philadelphia, Pa.; New York, Albany, N. Y.; Providence, R. I.; Boston, Mass. (Oct. 18-28, 1911.) |do..... | 61.15 | |

| | | | | | |
|---------------------|----------------------------|--|---|----------|--|
| Do..... | do..... | Blacksburg, Va. (Nov. 13-15, 1911)..... | To investigate the chestnut-bark disease and consult with the crop-pest commission and experiment station authorities relative to cooperative work in combating the disease. | 19.10 | Do. |
| Do..... | do..... | Richmond, Va. (Nov. 19-21, 1911)..... | do..... | 9.80 | Do. |
| Do..... | do..... | Philadelphia, Pa. (Nov. 24, 1911)..... | To attend a meeting of the Chestnut Tree Blight Commission of Pennsylvania and to confer with specialists and cooperators in the interest of the control of the chestnut-bark disease. | 7.15 | Do. |
| Do..... | do..... | Richmond, Va. (Feb. 11-12, 1912)..... | To advise with the finance committee of the Virginia House of Delegates and other State officials regarding pending legislation for the control of the chestnut-bark disease. | 9.85 | Do. |
| Do..... | do..... | Philadelphia, Pa.; Boston, Mass.; New York, N. Y. (Feb. 15-23, 1912)..... | To continue investigations on the chestnut-bark disease. | 18.48 | Do. |
| Do..... | do..... | Philadelphia, Pa. (Mar. 1-2, 1912)..... | To confer with the chestnut-tree blight commission in connection with the control of the chestnut-bark disease. | 11.86 | Do. |
| Do..... | do..... | Philadelphia, Pa. (Apr. 26-27, 1912)..... | do..... | 7.60 | Do. |
| Do..... | do..... | Philadelphia, Valley Forge, Pa. (June 6-9, 1912)..... | do..... | 23.21 | General expenses, B. P. I., 1911-12 (investigating chestnut-bark disease). |
| Do..... | do..... | Philadelphia, Pa.; Richmond Hill, Cold Spring Harbor, New York, N. Y. (June 24-30, 1912)..... | To consult with State authorities and to inspect work in progress in connection with the control of the chestnut-bark disease. | 46.47 | Do. |
| Meyer, Frank N..... | Agricultural explorer..... | Omsk, Barnaul and other points in Russia; Berlin, Germany; Amsterdam, Holland; London, Cambridge, Liverpool, England; Queenstown, Ireland. (July 1, 1911-Apr. 20, 1912)..... | To secure rare and valuable seeds, hardy fruits, trees, shrubs, vines, and other valuable plant material, together with descriptive data regarding same, conditions under which they grow, habits of growth, methods of cultivation, etc. | 1,816.73 | Purchase and distribution of valuable seeds, 1912 (foreign seed and plant introduction). |
| Miles, Geo. F..... | Scientific assistant..... | Norfolk, Cape Charles, Onley, Portsmouth, Va. (July 4-9, 1911)..... | To investigate diseases of truck crops..... | 29.19 | General expenses, B. P. I., 1912 (cotton and truck diseases). |
| Do..... | do..... | Norfolk, Va. (3 trips). (July 13-Aug. 1, 1911)..... | To conduct spraying demonstrations and experiments for the control of diseases of cantaloupes. | 48.40 | Do. |
| Do..... | do..... | Decker, Vincennes, Ind.; Fayetteville, Tenn. (Aug. 2-6, 1911)..... | To investigate the extent of damage from diseases of muskmelons and other truck crops. | 73.57 | Do. |
| Do..... | do..... | Philadelphia, Pa.; Swedesboro, Wolfert, Bridgeton, Vineland, N. J.; Seneca Falls, Rochester, Gasport, N. Y. (Aug. 21-30, 1911)..... | To investigate diseases of muskmelons and other truck crops, and to consult manufacturers of spraying apparatus suitable for use in connection with the control of truck-crop diseases. | 75.63 | Do. |
| Do..... | do..... | Norfolk, Va. (2 trips). Aug. 14-Sept. 7, 1911)..... | To complete spraying experiments for the control of cantaloupe diseases and to investigate general truck-crop conditions from the standpoint of disease control. | 35.05 | Do. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

| Miles, Geo. F. | Scientific assistant..... | Monetta, S. C.; Bradenton, Ocala, Manatee, Sanford, Fla.; Dallas, Greenville, Brownsville, Houston, Petty, Celeste, Tex.; New Orleans, La. (Sept. 21-Oct. 11, 1911.) | To arrange for next season's spraying experiments with muskmelons, to inspect celery for the observation of diseases, and to continue cotton root-rot experiments. | \$239.33 | General expenses, B. P. I., 1912 (cotton and truck diseases). |
| Do..... |do..... | Vineland, N. J.; Philadelphia, Pa.; Elmira, Rochester, Arkport, N. Y. (Jan. 7-16, 1912.) | To select locations for conducting spraying experiments with muskmelons during the coming season and to investigate the diseases of celery in storage. | 68.35 | Do. |
| Do..... |do..... | Jacksonville, Ocala, Tampa, Bradenton, Taylorville, Hastings, Lakeland, Palatka, Gainesville, Wauchula, Palmetto, Manatee, Fla. (Mar. 18-May 23, 1912.) | To conduct spraying experiments with muskmelons and to study diseases of celery and other truck crops. | 323.79 | Do. |
| Do..... |do..... | Philadelphia, Pa.; Vineland, N. J. (May 27-31, 1912.) | To inaugurate spraying experiments for the control of muskmelon diseases. | 26.39 | Do. |
| Do..... |do..... | Greenville, Galveston, Petty, Tex.; Key West, Ocala, Jacksonville, Fla. (June 1-20, 1912.) | To continue investigations of cotton root-rot and to prepare data on the season's work in spraying for muskmelon diseases. | 208.55 | Do. |
| Miller, Henry A..... | Assistant agriculturist..... | Charlottesville, Lynchburg, Va. (July 21-23, 1911.) | To investigate systems of farm management, to advise farmers regarding the adoption of improved farm practices, and to institute farm management demonstration work. | 19.05 | Farm management. |
| Do..... |do..... | Annapolis, Md.; Leesburg, Va. (Aug. 16-17, 1911.) |do..... | 4.35 | Do. |
| Do..... |do..... | Charlottesville, Manassas, Taylors, Barboursville, Va. (Oct. 1-Nov. 10, 1911.) (4 trips.) |do..... | 73.29 | Do. |
| Do..... |do..... | Markham, Fredericksburg, Orange, Warrenton, Va. (Mar. 19-Apr. 16, 1912.) |do..... | 25.30 | Do. |
| Milstead, Joseph I..... | Laborer..... | Norfolk, Va. (May 9-12, 1912) | To assist in planting peanuts at the Virginia Experiment Station in connection with general horticultural investigations. | 12.50 | Arlington Farm and horticulture. |
| Do..... |do..... | Honeoye Falls, N. Y. (June 5-14, 1912.) | To assist in planting trial potatoes, with a view to securing better varieties, as a part of general horticultural investigations. | 41.61 | Do. |
| Mitchell, Geo. A..... | Expert..... | Glassboro, Richland, N. J. (July 27-Nov. 25, 1911.) | To inspect experimental plots of sweet potatoes, in connection with problems relating to diseases of this crop and their control. | 5.37 | Cotton and truck diseases. |

| | | | | | |
|------------------------|---------------------------|--|--|--------|--|
| Morrison, Geo. W..... | Assistant..... | Chicago, Ill.; Fargo, N. Dak.; Kansas City, Mo.; Coffeyville, Kans.; New Orleans, La. (July 1-22, 1911.) | To assist in the grain standardization work and to introduce improved and uniform business methods in the administration of the branch grain standardization laboratories. | 190.11 | Grain standardization. |
| Morse, Wm. J..... | Scientific assistant..... | Purcellville, Round Hill, Hamilton, Leesburg, Va. (Aug. 2-3, 1911.) | To inspect experimental plots of soy beans in connection with the testing of forage crops for congressional distribution. | 7.00 | Purchase and distribution of valuable seeds, 1912 (foreign seed and plant introduction). |
| Do..... |do..... | Washington, N. C.; Monetta, S. C.; Augusta, Atlanta, Ga.; Gainesville, Fla.; Auburn, Ala.; Jackson, Tenn.; Lexington, Ky.; Lafayette, Ind.; Urbana, Ill. (Aug. 10-28, 1911.) | To inspect experimental fields of soy beans and other forage crops under test, in connection with the improvement of forage crops. | 155.31 | General expenses, B. P. I., 1912 (forage crop investigations). |
| Mowry, Herbert H..... | Assistant..... | Rochester, Sodus, Walcott, N. Y.; Portage, Packwaukee, Stoughton, Wis. (July 20-Sept. 27, 1911.) | To secure data on farm equipment, as a feature of general farm-management investigations and the improvement of farm practice. | 226.01 | Farm management. |
| Do..... |do..... | Cazenovia, New Woodstock, Canastota, N. Y. (Nov. 3-17, 1911.) |do..... | 69.93 | Do. |
| Do..... |do..... | St. Paul, Minn. (Nov. 27-Dec. 4, 1911.) | To collect data on farm equipment and to consult with cooperators in general farm-management matters. | 83.25 | Do. |
| Do..... |do..... | York, Lancaster, Pa. (May 7-11, 1912.) | To confer with field assistants regarding investigations in farm equipment, and to develop plans for extending the work. | 32.52 | Do. |
| Do..... |do..... | Lancaster, Mount Joy, Pa.; New York, N. Y. (June 9-12, 1912.) | To confer with commercial firms dealing in farm machinery to ascertain the extent to which certain farm equipment is used, and to secure other data on farm equipment. | 27.02 | Do. |
| Mulford, Furman L..... | Landscape gardener..... | Batesville, Ark.; St. Louis, Mo.; Cincinnati, Ohio. (Aug. 10-19, 1911.) | To inspect tree-planting systems and conduct work in landscape gardening, in connection with general horticultural investigations. | 73.31 | Arlington farm and horticulture. |
| Muncey, Elliott M..... | Laboratory aid..... | Cumberland Mills, Me. (July 4, 1911-Jan. 20, 1912.) (3 trips.) | To continue work on the utilization of crop and other plants for paper making. | 265.65 | Paper-plant investigations. |
| Norton, Jesse B..... | Physiologist..... | Norfolk, Va.; Concord, Mass. (July 4-29, 1911.) | To conduct experiments in breeding rust-resistant asparagus. | 37.46 | Cotton and truck diseases. |
| Do..... |do..... | Clemson College, Monetta, Ridge Springs, Trenton, Hattieville, Charleston, S. C.; Auburn, N. C. (Aug. 9-17, 1911.) | To investigate asparagus rust and other diseases of truck crops. | 49.22 | Do. |
| Do..... |do..... | Norfolk, Va.; Concord, Mass. (Aug. 27-Oct. 3, 1911.) | To conduct experiments on breeding spinach and asparagus for disease resistance. | 50.12 | Do. |
| Do..... |do..... | Norfolk, Va.; Concord, Mass. (Nov. 16-18, 1911, and Jan. 21-23, 1912.) |do..... | 22.44 | Do. |
| Do..... |do..... | Staunton, Winchester, Va. (Apr. 1-4, 1912.) | To inaugurate experiments with sugar beets in connection with the improvement of sugar-producing plants. | 20.97 | Sugar-plant investigations. |
| Do..... |do..... | Norfolk, Va.; Concord, Mass. (Apr. 16-May 1, 1912.) | To continue work on the breeding of disease-resistant strains of spinach and asparagus. | 62.15 | Cotton and truck diseases. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

BUREAU OF PLANT INDUSTRY—Continued.

| Name. | Title. | Destination. | Business or work. | Total expense. | Appropriation. |
|------------------------|--|---|---|----------------|-----------------------------|
| Norton, Jesse B..... | Physiologist..... | Norfolk, Va., and vicinity; Concord, Mass. (May 12-June 24, 1912.) | To continue experiments in breeding disease-resistant asparagus. | \$72.95 | Cotton and truck diseases. |
| Oakley, Russell A..... | Assistant agrostologist... | New London, Ohio. (July 17-22, 1911.) | To arrange with experiment stations and private growers for cooperative work in the testing of new grasses and forage plants. | 44.15 | Forage-crop investigations. |
| Do..... | do..... | Frederick, Hagerstown, Oakland, Cumberland, Md. (Aug. 17-25, 1911.) | To inspect alfalfa tests in connection with the investigation and improvement of forage crops. | 48.42 | Do. |
| Do..... | do..... | Urbana, Ill.; Lafayette, Ind. (Oct. 1-3, 1911.) | To arrange with experiment-station officials for the cooperative testing of forage crops in connection with the congressional seed distribution. | 27.97 | Do. |
| Do..... | do..... | Philadelphia, Chestnut Hill, Pa.; Baltimore, Md. (Oct. 24-26, 1911.) | To inspect experimental plots of grasses and arrange for further work in the testing and improvement of forage crops. | 21.49 | Do. |
| Do..... | do..... | Blacksburg, Va., and vicinity. (Oct. 30-Nov. 3, 1911.) | To secure data on experimental work in the improvement of grasses for pastures. | 21.75 | Do. |
| Do..... | do..... | Biloxi, Miss.; Pensacola, Gainesville, Brooksville, New Smyrna, Miami, Jacksonville, Fla. (Feb. 8-25, 1912.) | To arrange for tests of forage crops, especially Rhodes-grass, and to take notes on the winter condition of perennial forage crops. | 167.65 | Do. |
| Do..... | do..... | Brookings, Newell, Mitchell, S. Dak.; Edgeley, Fargo, Williston, N. Dak.; Moccasin, Mont.; American Falls, Idaho; Murray, Logan, Salt Lake, Nephi, Utah; Fort Collins, Denver, Akron, Rocky Ford, Colo.; Manhattan, Kans. (May 16-June 30, 1912.) | To inspect cooperative experiments with alfalfa and to arrange for further tests; to investigate the manufacture of alfalfa meal, secure information regarding milling machinery, and to conduct other investigations in connection with the improvement of forage crops. | 409.41 | Do. |
| O'Neale, Hugh T..... | Assistant..... | Baldwin, Gunnison, Colo. (July 1-Sept. 29, 1911.) | To assist with the investigations of poisonous plants in the Gunnison National Forest. | 70.60 | Drug and other plants. |
| Orton, William A..... | Pathologist in charge of cotton and truck diseases and sugar-plant investigations. | Vienna, Prague, Austria; London, Kew, Portsmouth, Oxford, Cambridge, Dieppe, England; Dublin, Galway, Ireland; Paris, France; Brussels, Belgium; Amsterdam, Holland; and other points in these countries. (July 1-Nov. 12, 1911.) | To study diseases of truck crops and to investigate methods used in quarantining against potato and other truck-crop diseases. | 724.98 | Cotton and truck diseases. |
| Do..... | do..... | Norfolk, Va., and vicinity. (June 2-5, 1912.) | To investigate diseases of truck crops. | 36.10 | Do. |

| | | | | | |
|-----------------------|--|--|--|----------|--|
| Do..... |do..... | Asheville, Waynesville, Hendersonville, N. C., and vicinity. (June 18-21, 1912.) | To inspect experimental fields of sugar beets in connection with the cultivation and improvement of sugar-producing plants. | 38.90 | Do. |
| Peter, Alan McG..... | Assistant..... | Akron, Colo. (July 1-Sept. 26, 1911). | To assist with work in the breeding and physiological study of drought-resistant plants. | 59.49 | Alkali and drought-resistant plants. |
| Do..... |do..... | Akron, Colo. (May 20-June 30, 1912). |do..... | 69.95 | Do. |
| Piper, Charles V..... | Agrostologist in charge of forage-crop investigations. | Hongkong, Canton, China; Batavia, Java; Singapore, Calcutta, Madras, India; Vienna, Austria; Berlin, Munich, Germany; Amsterdam, Holland; Brussels, Belgium; London, England; and other points in these countries. (July 5, 1911-Jan. 17, 1912.) | To secure new forms of forage crops, rare and valuable seeds, hardy fruits, trees, shrubs, vines, and plant material, with information concerning same; to confer with forage-crop specialists, and to consult herbaria of forage plants, in connection with the introduction and distribution of valuable seeds from foreign countries. | 1,561.63 | Purchase and distribution of valuable seeds, 1912 (foreign seed and plant introduction). |
| Pomeroy, Carl S..... | Expert..... | New York, N. Y. (Aug. 30-Sept. 1, 1911). | To inspect experimental shipments of fresh figs from California and to note their condition, in connection with the fruit storage and transportation investigations. | 22.75 | General expenses, B. P. I., 1912 (pomological investigations). |
| Do..... |do..... | New York. (Sept. 22-Nov. 11, 1911).. | To inspect experimental shipments of grapes and other fruits from the Pacific coast, in connection with the fruit transportation and storage investigations. | 137.63 | Do. |
| Pool, Venus W..... | Scientific assistant..... | Lincoln, Nebr.; Rocky Ford, Colo. (Jan. 3-June 30, 1912.) | To conduct investigations on the leaf-spot disease of sugar beets as a part of the work in the improvement of sugar-producing plants. | 89.10 | Sugar-plant investigations. |
| Potter, Alden A..... | Assistant pathologist..... | Roberts, Wis.; Minneapolis, Crookston, Minn.; Aberdeen, Houghton, S. Dak.; Jamestown, Valley City, Fargo, Casselton, Devils Lake, Crary, Grand Forks, N. Dak.; Amarillo, Tex.; Crowley, La. (July 1-Oct. 3, 1911.) | To investigate cereal diseases and collect cereal-disease statistics, in connection with the work of improving grains. | 387.48 | Grain investigations. |
| Do..... |do..... | Minneapolis, Minn.; Manhattan, McPherson, Wichita, Kans. (Apr. 7-June 30, 1912.) | To supervise spring plantings for experiments on cereal diseases; to continue the breeding of wheat for rust resistance, and to conduct other investigations in the control of cereal diseases, in connection with the improvement of grains. | 136.02 | Do. |
| Pratt, Burr B..... | Scientific assistant..... | Puyallup, Walla Walla, North Yakima, Milton, Spokane, Pullman, Wenatchee, Seattle, Tacoma, Kiesling, Wash.; Portland, Hood River, White Salmon, Salem, Corvallis, Milton, Oreg.; Boise, Payette, Weiser, Lewiston, Coeur d'Alene, Idaho. (July 1-Nov. 21, 1911.) | To assist in the handling, precooling, and transportation investigations with cherries, prunes, raspberries, and other fruits; and to arrange for apple-storage experiments. | 865.69 | Pomological investigations. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

BUREAU OF PLANT INDUSTRY—Continued.

| Name. | Title. | Destination. | Business or work. | Total expense. | Appropriation. |
|------------------------------|---------------------------|--|--|----------------|-----------------------------|
| Pratt, Burr B | Scientific assistant..... | Salem, Portland, Hood River, Milton, Medford, Oreg.; Lewiston, Payette, Weiser, Idaho; Victoria, B. C.; Clarkston, Walla Walla, North Yakima, Tacoma, Seattle, Puyallup, Pullman, Spokane, Wash.; Missoula, Mont.; San Francisco, Santa Rosa, Sebastopol, Cal. (Jan. 1-June 30, 1912.) | To assist with experiments in handling, shipping, precooling, and storing of citrus and deciduous fruits. | \$622.14 | Pomological investigations. |
| Pritchard, Frederick J | Physiologist..... | Garden City, Kans.; Grand Junction, Colo.; Ogden, Utah; San Francisco, San Jose, Salinas, Alameda, Cal.; Portland, Oreg.; Fairfield, Wash.; Billings, Edgar, Mont.; Fargo, N. Dak.; Brookings, S. Dak.; St. Paul, Minn.; Madison, Wis. (July 1-Dec. 24, 1911.) | To conduct experiments in the culture and breeding of sugar beets. | 357.66 | Sugar-plant investigations. |
| Do..... | do..... | Garden City, Kans.; Grand Junction, Colo.; Ogden, Utah; San Francisco, San Jose, Salinas, Alameda, Cal.; Portland, Oreg.; Fairfield, Wash.; Billings, Edgar, Mont.; Fargo, N. Dak.; Brookings, S. Dak.; St. Paul, Minn.; Madison, Wis. (May 1-June 30, 1912.) |do..... | 139.74 | Do. |
| Rabak, Frank..... | Chemical biologist..... | Madison, Wis.; Detroit, Mich.; Buffalo, N. Y. (July 19-Oct. 17, 1911.) | To supervise the harvesting and distilling of volatile-oil plants and confer with manufacturers relative to the use of such plants for the production of turpentine and oils for paint, and to conduct other investigations in connection with the testing and use of volatile oils. | 141.57 | Drug and other plants. |
| Ramsey, H. J..... | Expert..... | Salem, Tacoma, Puyallup, Wash.; Portland, Hood River, Corvallis, Medford, Oreg.; Coeur d'Alene, Idaho; Sacramento, Lodi, Cal., and other points in States named. (July 1-Nov. 18, 1911.) | To conduct experiments in the handling, precooling, transportation, and storage of cherries, prunes, raspberries, apples, grapes, and other fruits. | 685.60 | Pomological investigations. |
| Do..... | do..... | Jacksonville, Tampa, Gainesville, Bradenton, Orlando, Miami, and other points in Florida. (Dec. 3-21, 1911.) | To investigate the relation of handling to the keeping qualities of oranges and pomelos while in transit and on the market. | 196.45 | Do. |

| | | | | | |
|------------------------|---------------------------|--|--|--------|-----------------|
| Do..... |do..... | New York, N. Y. (Jan. 16-18, 1912)..... | To examine experimental lots of grapes shipped from California and held in cold storage to ascertain extent of deterioration in transportation and storage. | 27.20 | Do. |
| Do..... |do..... | Crescent City, De Land, Orlando, Arcadia, Fort Myers, Tampa, and other points in Florida. (Feb. 27-Mar. 16, 1912.) | To conduct demonstrations in the handling of citrus fruits for shipment and to advise growers as to the relation of handling to the decay of citrus fruits in transit and on the market. | 163.30 | Do. |
| Do..... |do..... | Tampa, Fla. (Apr. 16-20, 1912)..... | To address the Citrus Growers' Association on the "Relation of handling to decay in citrus fruits in transit and market." | 69.25 | Do. |
| Do..... |do..... | Miami, Del Ray, Fort Pierce, Jacksonville, Fla.; Atlanta, Warm Springs, Cornelius, Ga. (May 12-24, 1912.) | To arrange for peach precooling and handling investigations and to study methods of handling and shipping pineapples. | 144.40 | Do. |
| Do..... |do..... | Minneapolis, Minn.; Grand Forks, Fargo, N. Dak.; Tacoma, Puyallup, Wash. (June 20-30, 1912.) | To continue transportation and storage investigations, especially in connection with the handling and precooling of the red raspberry. | 144.00 | Do. |
| Rand, Frederick V..... | Scientific assistant..... | Charleston, S. C.; Thomasville, Albany, Baconton, Cairo, Ga. (July 2-12, 1911.) | To investigate pecan diseases and conduct spraying tests for their control. | 83.62 | Fruit diseases. |
| Do..... |do..... | Winchester, Va. (July 12-15, 1911)..... | To conduct spraying tests and experiments in orchard nutrition, in connection with the control of apple disease. | 20.01 | Do. |
| Do..... |do..... | Orangeburg, S. C.; Baconton, Augusta, Macon, Albany, Cairo, Thomasville, Ga. (July 20-29, 1911.) | To continue investigations of pecan diseases and methods of controlling them. | 63.76 | Do. |
| Do..... |do..... | Winchester, Va. (3 trips). (Aug. 15-Oct. 14, 1911.) | To take notes on the results of spraying and fertilizer tests for the control of apple disease. | 35.19 | Do. |
| Do..... |do..... | Gainesville, Tallahassee, Fla.; Thomasville, Baconton, Cairo, Ga. (Aug. 20-31, 1911.) | To investigate pecan diseases and conduct spraying tests for their control. | 78.95 | Do. |
| Do..... |do..... | Atlanta, Albany, Baconton, Thomasville, Cairo, Athens, Ga.; Tallahassee, Newport, Monticello, Fla. (Oct. 16-29, 1911.) | To continue spraying and fertilizer experiments for the control of pecan diseases and to take notes on results of the season's work. | 67.80 | Do. |
| Do..... |do..... | Atlanta, Albany, Baconton, Thomasville, Cairo, Athens, Ga.; Tallahassee, Newport, Monticello, Fla. (Feb. 7-21, 1912.) | To conduct grafting and nutrition experiments for the control of "rosette" and other pecan diseases. | 94.14 | Do. |
| Do..... |do..... | Martinsburg, W. Va. (Mar. 20-23, 1912). | To conduct experiments for the eradication of pear and apple blight. | 14.24 | Do. |
| Do..... |do..... | Martinsburg, Gerrardstown, W. Va. (Mar. 25-30, 1912.) |do..... | 15.37 | Do. |
| Do..... |do..... | Baconton, Bainbridge, Fla.; Orangeburg, S. C. (Mar. 31-Apr. 7, 1912.) | To investigate "rosette" and other pecan diseases and to conduct fertilizer tests for their control. | 70.86 | Do. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

BUREAU OF PLANT INDUSTRY—Continued.

| Name. | Title. | Destination. | Business or work. | Total expense. | Appropriation. |
|------------------------|---------------------------|---|--|----------------|-------------------------------------|
| Rand, Frederick V..... | Scientific assistant..... | Knoxville, Tenn.; Raleigh, N. C. (June 27-30, 1912.) | To investigate peach "yellows" peach "rosette," and diseases of nut trees. | \$26.73 | Fruit diseases. |
| Ricker, Percy L..... | Assistant botanist..... | St. Louis, Mo.; Pueblo, Colo.; Chico, San Francisco, Los Angeles, Cal.; San Antonio, Tex.; Abbeville, New Orleans, La. (Apr. 16-June 15, 1912.) | To collect and study varieties of bur clovers in flower and fruit in connection with the botanical study and classification of economic plants. | 401.16 | Taxonomic and range investigations. |
| Rittue, Edward C..... | Assistant..... | Pueblo, Vineland, Denver, Holbrook, Swink, Trinidad, Rocky Ford, Holly, Colo. (July 1-Sept. 5, 1911.) | To continue experimental and demonstration work in the cultivation of sugar beets and control of sugar-beet diseases as a part of the work in the improvement of sugar-producing plants. | 76.35 | Sugar - plant investigations. |
| Do..... | do..... | Pueblo, Vineland, Denver, Holbrook, Swink, Trinidad, Rocky Ford, Holly, Colo. (Oct. 10-31, 1911.) |do..... | 83.70 | Do. |
| Do..... | do..... | Pueblo, Vineland, Denver, Holbrook, Swink, Trinidad, Rocky Ford, Holly, Colo. (July 14-June 30, 1912.) |do..... | 60.15 | Do. |
| Roberts, John W..... | Scientific assistant..... | Staunton, Fisherville, Mount Jackson, Waynesboro, Afton, Va. (July 11-14, 1911.) | To investigate fruit rot and other diseases of the apple. | 20.30 | Fruit diseases. |
| Do..... | do..... | Dover, Wyoming, Camden, Del. (Aug. 13-17, 1911.) | To conduct experiments and demonstrations in the control of peach and apple diseases. | 13.04 | Do. |
| Do..... | do..... | Hellam, Pa. (Aug. 25-26, 1911)..... | To address a farmers' meeting on "The control of orchard diseases." | 10.82 | Do. |
| Do..... | do..... | Okonoko, W. Va.; Library, Va. (Oct. 3-10, 1911.) | To examine results of spraying experiments for the control of apple and peach diseases. | 11.65 | Do. |
| Do..... | do..... | Camden, Del., and vicinity. (Apr. 1-2 and May 6-9, 1912.) | To arrange cooperative spraying experiments on the control of apple and peach diseases. | 27.74 | Do. |
| Do..... | do..... | Staunton, Crozet, Charlottesville, Va. (May 20-22, 1912.) | To investigate the rough bark diseases of apple trees. | 16.95 | Do. |
| Do..... | do..... | Cornelia, Fort Valley, Marshallville, Ga. (June 10-15, 1912.) | To investigate diseases of the peach..... | 66.76 | Do. |
| Do..... | do..... | Camden, Del., and vicinity. (May 27-28 and June 24-25, 1912.) | To continue investigations of apple and peach diseases. | 24.74 | Do. |
| Robertson, F. E..... | do..... | Pittsfield, Manchester, Pembroke, Woodsville, N. H.; Brattleboro, St. Johnsbury, Burlington, Vt., and other points throughout these States; | To investigate methods of farm management and farm practice and to study economic conditions in relation to the management of farms. | 504.77 | Farm management. |

| | | | | | |
|-----------------------|---|--|--|--------|--------------------------------------|
| Do..... | do..... | Eagle Bridge, Ithaca, N. Y.; North Adams, Mass. (July 1-Nov. 30, 1911.) Pittsfield, Manchester, Pembroke, Woodsville, N. H.; Brattleboro, St. Johnsbury, Burlington, Vt., and other points throughout these States; Eagle Bridge, Ithaca, N. Y.; North Adams, Mass. (Jan. 1-Feb. 29, 1912.) Waco, Tex. (Oct. 4-Nov. 1, 1911)..... | do..... | 148.36 | Do. |
| Schmidt, Rudolph..... | Laboratory aid..... | | | 110.05 | Cotton standardization. |
| Scofield, Carl S..... | Agriculturist in charge of western agricultural extension | Minneapolis, Minn.; Newell, S. Dak.; Huntley, Osborn, Mont. (July 25-Aug. 15, 1911)..... | | 176.02 | Western agricultural extension. |
| Do..... | do..... | Akron, Denver, Montrose, Grand Junction, Colo.; Mitchell, Nebr.; Ogden, Utah; Fallon, Nev.; Sacramento, Stockton, Casa Rio, Antioch, San Francisco, Los Angeles, Indio, Bard, Cal.; Yuma, Phoenix, Mesa, Sacaton, Ariz.; Mesilla Park, N. Mex.; El Paso, San Antonio, Tex. (Sept. 18-Nov. 19, 1911.) Hazen, Fallon, Nev.; Sacramento, Stockton, Middle River, Antioch, Los Angeles, Pasadena, Bard, Cal.; Yuma, Phoenix, Mesa, Sacaton, Maricopa, Ariz.; Portland, Hermiston, Oreg.; Osborn, Mont.; Fargo, N. Dak.; Minneapolis, Minn. (May 13-June 30, 1912.) Staunton, Millboro, Va. (July 26-29, 1911.) | To assist in demonstrating the practicability and usefulness of improved methods of picking, storing, ginning, and baling cotton. To study experimental work at departmental field stations and to confer with experiment station officials relative to cooperative work in connection with the utilization of arid lands. To inspect and study the experimental work at the departmental field stations in the arid and semiarid regions of the West and Southwest; to secure photographs and data in connection with these experiments for publication; and to study general agricultural conditions on irrigated lands. | 416.45 | Do. |
| Do..... | do..... | | | 483.88 | Do. |
| Scott, Wm. M..... | Pathologist..... | | | 15.15 | Fruit diseases. |
| Do..... | do..... | | | 160.68 | Do. |
| Shantz, Homer L..... | Plant physiologist..... | Akron, Colo.; Wamsutter, Wyo.; Salt Lake, Utah; Idaho Falls, Idaho; Hermiston, The Dalles, Portland, Oreg.; San Francisco, Los Angeles, Claremont, Riverside, Santa Ana, San Jose, San Francisco, and other points in California. (July 1-Sept. 26, 1911.) | To continue investigations of the indicator value of native vegetation in relation to the crop-producing possibilities of alkali lands; to study the physiology of drought resistance in plants; and to investigate the relation of soil alkalinity to the deterioration of citrus orchards. | 409.05 | Alkali and drought resistant plants. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

BUREAU OF PLANT INDUSTRY—Continued.

| Name. | Title. | Destination. | Business or work. | Total expense. | Appropriation. |
|-------------------------|---------------------------|---|--|----------------|--------------------------------------|
| Shantz, Homer L..... | Plant physiologist..... | Akron, Denver, Grand Junction, Colo.; Tooele, Grantsville, Utah. (May 20-June 30, 1912.) | To study the physiology of drought and alkali resistance; to continue the study of the indicator value of native vegetation; and to conduct investigations in the breeding of alkali and drought resistant crop plants. | \$246.16 | Alkali and drought resistant plants. |
| Shaw, Harry B..... | do..... | Ogden, Salt Lake, Logan, Utah. (July 1-Oct. 25, 1911.) | To continue investigations in the culture and breeding of sugar beets and in the control of sugar-beet diseases in connection with the improvement of sugar-producing plants. | 124.79 | Sugar-plant investigations. |
| Do..... | do..... | Ogden, Utah. (Mar. 20-Apr. 30, 1912.) | do..... | 153.65 | Do. |
| Shear, Cornelius L..... | Pathologist..... | St. Joseph, Saugatuck, Grand Rapids, Mich. (July 26-Aug. 8, 1911.) | To investigate the diseases of grape and strawberry and other small fruits, and inspect results of spraying and other experiments for their control. | 66.44 | Fruit diseases. |
| Do..... | do..... | Wareham, Mass. (Aug. 20-26, 1911.) | To investigate cranberry diseases..... | 46.55 | Do. |
| Do..... | do..... | Riverhead, Calverton, Manor, and New York N. Y. (Sept. 14-19, 1911.) | do..... | 23.05 | Do. |
| Do..... | do..... | Naples, Portici, Rome, Florence, Venice, Milan, Geneva, Italy; Strassburg, Leipzig, Dresden, Berlin, Germany, Copenhagen, Denmark; and other points in these countries. (Apr. 2-June 30, 1912.) | To investigate fruit diseases and the organisms producing them; to study quarantine and inspection regulations in operation in European countries in connection with fruit diseases; and to determine, if possible, the origin of the chestnut-bark disease. | 404.26 | Do. |
| Shear, Wm. V..... | Scientific assistant..... | Norfolk, Va., and vicinity. (July 4-7, 1911) | To supervise the harvesting of potatoes in trial plots at the Virginia Truck Experiment Station, as a part of the general horticultural investigations. | 103.67 | Forest pathology. |
| Do..... | do..... | Staunton, Norfolk, Diamond Springs, Va. (July 9-19, 1911, 2 trips.) | To inspect potato trial plots and take notes on the results of potato culture and fertilization experiments. | 17.15 | Arlington farm and horticulture. |
| Do..... | do..... | Vineland, Millville, N. J.; New York, Mattituck, N. Y. (July 23-28, 1911.) | To assist in hill selection work with potatoes and to take notes on potato trials. | 49.30 | Do. |
| Do..... | do..... | Honeoye Falls, N. Y. (July 31-Aug. 23, 1911.) | To take descriptive notes on seedling potato experiments. | 36.72 | Do. |
| Do..... | do..... | Mattituck, L. I., N. Y. (Aug. 27-Sept. 3, 1911.) | To supervise the digging of experimental potatoes. | 59.60 | Do. |
| | | | | 30.67 | Do. |

| | | | | | |
|-----------------------|----------------|--|---|--------|----------------------------------|
| Do..... | do..... | Honeoye Falls, N. Y. (Sept. 19-Oct. 15, 1911.) | do..... | 66.56 | Do. |
| Do..... | do..... | Diamond Springs, Va. (Feb. 27-Mar. 1, 1912.) | To supervise the planting of experimental potatoes. | 19.05 | Do. |
| Do..... | do..... | Norfolk, Diamond Springs, Va. (Mar. 21-23 and Apr. 4-6, 1912.) | do..... | 23.45 | Do. |
| Do..... | do..... | Vineland, Bridgeton, Elmer, N. J.; Lansdale, Pa. (Apr. 8-11, 1912.) | To investigate the manufacture of dried potato products, as a feature of the work in potato production and improvement; and to supervise the planting of experimental potatoes. | 14.26 | Do. |
| Do..... | do..... | Staunton, Middlebrook, Va. (Apr. 16-20, 1912.) | To supervise the planting of experimental potatoes. | 15.90 | Do. |
| Do..... | do..... | Terra Alta, W. Va. (May 9-10, 1912.) | do..... | 15.03 | Do. |
| Do..... | do..... | Houlton, Me.; Honeoye Falls, N. Y. (May 21-June 10, 1912.) | To plant seedling and varietal collections of potatoes. | 101.36 | Do. |
| Do..... | do..... | Norfolk, Diamond Springs, Portsmouth, Va. (June 11-16 and 23-27, 1912.) | To supervise harvesting experimental potatoes. | 48.30 | Do. |
| Sherman, Wells A..... | Assistant..... | Hartsville, S. C.; Augusta, Ga.; Houston, Waco, Tex.; Anguilla, Miss. (Sept. 12-Oct. 12, 1911.) | To arrange for handling, picking, storing, baling, ginning, and marketing cotton under the direction of the department; to consult with representatives of the cotton industry regarding official cotton grades; and to secure samples of cotton to be specially selected, picked, and shipped for ginning tests. | 164.39 | Cotton standardization. |
| Do..... | do..... | Anguilla, Miss.; Hartsville, S. C. (Oct. 24-Nov. 6, 1911.) | do..... | 157.86 | Do. |
| Do..... | do..... | Monett, Mo.; Fayetteville, Ark.; Tulsa, Pawnee, Stillwater, Guthrie, Oklahoma, Shawnee, Chickasha, Okla.; Hereford, Paris, Memphis, Tenn.; Tupelo, Starkville, Miss. (Mar. 13-Apr. 5, 1912.) | To investigate conditions of storage of seed cotton; to consult ginners, experiment station officials, and other persons connected with the cotton industry to ascertain the best areas in which to undertake cooperative experimental work in cotton ginning, baling, grading, and marketing. | 169.84 | Do. |
| Do..... | do..... | Easley, Greenville, Calhoun, Clemson College, S. C.; Atlanta, Ga.; Chattanooga, Jackson, Memphis, Tenn.; Birmingham, Montgomery, Ala.; Jackson, Magnolia, Yazoo City, Miss. (May 15-29, 1912.) | do..... | 100.50 | Do. |
| Do..... | do..... | Oklahoma, Yukon, Shawnee, Muskogee, Chickasha, Ada, Okla.; Little Rock, Ark. (June 11-24, 1912.) | do..... | 231.55 | Do. |
| Shoemaker, D. N..... | Expert..... | Vincennes, Decker, Ind.; Fayetteville, Dechard, Tenn. (Aug. 2-6, 1911.) | To inspect muskmelon trial plots and take notes on the result of the work. | 70.57 | Arlington farm and horticulture. |
| Do..... | do..... | Terre Haute, Greencastle, Paoli, Ind.; Cincinnati, Dayton, Ohio. (Sept. 23-30, 1911.) | To study cooperative experiments in the cultivation and improvement of tomatoes and to investigate the methods of tomato packing. | 68.50 | Do. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

BUREAU OF PLANT INDUSTRY—Continued.

| Name. | Title. | Destination. | Business or work. | Total expense. | Appropriation. |
|-------------------------|--------------------|--|---|----------------|---|
| Shoemaker, D. N. | Expert..... | Milford, Conn.; Penn Yan, Rochester, N. Y.; Jackson, Mich. (Dec. 13-21, 1911.) | To select seed sweet corn for experimental trials, and to inspect bean picking and marketing, as a part of the general horticultural investigations. | \$86.75 | Arlington farm and horticulture. |
| Do..... | do..... | Honeoye Falls, N. Y. (June 26-29, 1912.) | To supervise the planting of beans in experimental trials. | 29.91 | Do. |
| Shull, J. M. | do..... | Cold Spring Harbor, Brooklyn, N. Y. (July 13-28, 1911.) | To make illustrations of the chestnut-bark disease and to prepare other illustrative matter in connection with the study and investigation of this disease. | 38.09 | Forest pathology. |
| Sipe, Susan B. | Collaborator..... | Various points in Colorado, Utah, California, Oregon, Washington, Montana, North Dakota, Minnesota, Wisconsin, Illinois, Michigan, Ohio, Pennsylvania, and New York. (July 1-Sept. 11, 1911.) | To investigate and report upon the organization and progress of agricultural schools for the Office of Experiment Stations. | 136.20 | Agricultural experiment station, 1912. Farmers' institutes, 1912. |
| Smith, Clarence B. | Agriculturist..... | Boston, Mass.; Pittsfield, N. H.; Turner, Kennebunk, Me. (July 16-20, 1911.) | To study farm-management problems and to confer with field representatives in regard to general farm-management investigations. | 55.86 | General expenses, B. P. I., 1912 (farm management). |
| Do..... | do..... | Monroe, Lansing, Muskegon, Manistee, Kingsley, Grayling, St. Helen, Lewiston, Long Rapids, Alpena, Prescott, Mich.; Waukesha, Wis.; Wahpeton, Blanchard, Fargo, N. Dak.; South Bend, Conrad, Delphi, Shelbyville, Ind.; Cincinnati, Ohio. (July 22-Sept. 3, 1911.) | To study systems of farming and methods of management; to assist farmers in adopting improved methods of farming, and to direct the work of cooperators and assistants. | 244.17 | Do. |
| Do..... | do..... | Rippey, Odebolt, Iowa; Waukesha, Wis. (Oct. 3-10, 1911.) |do..... | 95.44 | Do. |
| Do..... | do..... | Columbus, Ohio; Schellburg, Pa.; (Nov. 13-18, 1911.) |do..... | 46.88 | Do. |
| Do..... | do..... | Williamsburg, Va. (Nov. 23-27, 1911) | To plan cropping systems for several farms with a view to introducing better methods of farm management. | 12.35 | Do. |
| Do..... | do..... | Alpena, Lansing, Muskegon, Hart, Hastings, Kalamazoo, Plainwell, Buchanan, Constantine, Cassopolis, Coldwater, Mich.; Columbia, Mo. (Jan. 22-Feb. 16, 1912.) | To investigate systems of farm management and practice; to encourage the adoption of improved farming methods, and to confer with the officials of the University of Missouri and others regarding cooperative work in farm management. | 136.67 | Do. |

| | | | | | |
|----------------------------|---|---|--|--------|----------------------------------|
| Do..... | do..... | Waukesha, Wis.; Lansing, Detroit, Mich.; Wooster, Ohio. (May 14-18, 1912.) | To confer with field agents and to assist in organizing field studies and demonstrations in farm management. | 69.66 | Do. |
| Do..... | do..... | Alpena, Atlanta, Bay City, Muskegon, Kalamazoo, Mich. (May 14-18, 1912.) | do..... | 46.55 | Do. |
| Do..... | do..... | Wooster, Cedar Point, Bay City, Grand Rapids, Muskegon, Charlotte, Big Rock, Mich. (June 9-21, 1912.) | do..... | 90.82 | Do. |
| Smith, Nathan R..... | Laboratory aid..... | Nephi, Logan, Utah. (Apr. 9-June 30, 1912.) | To investigate the bacteriological conditions of the dry and irrigated lands of the Cache Valley, in Utah, in cooperation with the Utah experiment station; and to collect soil samples for bacteriological study. | 130.70 | Bacteriology and nutrition. |
| Spaulding, Perley | Pathologist..... | Trenton, N. J.; Chestnut Hill, Pa. (Mar. 25-27, 1912.) | To study the white-pine blister rust and a disease of rhododendrons. | 17.66 | Forest pathology. |
| Do..... | do..... | Brunswick, Me.; Amherst, Gardiner, Huntington, Mass.; Sharon, Woodstock, White River Junction, Vt.; Hartford, New Haven, East Granby, Danbury, Conn.; Providence, R. I.; Lake Clear Junction, Albany, Glens Falls, Westbury, N.Y. (May 12-June 22, 1912.) | To investigate the white-pine blister rust and blight and the chestnut-bark disease with a view to ascertaining their present status and possible means of control. | 163.08 | Do. |
| Spillman, Wm. J..... | Agriculturist in charge of farm management. | Kansas City, Stotts City, Wentworth, Mo. (Sept. 24-Oct. 5, 1911.) | To confer with experiment officials and private cooperators concerning various phases of farm management and practice. | 98.67 | Farm management. |
| Stephens, David E..... | Assistant..... | Bangor, Me.; Auburn, Manchester, N. Y. (July 29-Aug. 5, 1911.) | To inspect and study tri-local experiments with cereals and to consult experiment-station officials regarding cooperative work in this connection, especially as to the methods of recording the agronomic notes on these experiments. | 79.72 | Grain investigations. |
| Stockberger, Warner W..... | Physiologist..... | Hamburg, Berlin, Dresden, Stuttgart, Strassburg, Munich, Germany; Ghent, Brussels, Belgium; Paris, France; London, England; and adjacent points in these countries. (July 7-Oct. 10, 1911.) | To investigate the basis of requirements of the best standards for hop valuation; to investigate methods of selection and breeding hops employed in European experiment stations and to study the hop industry in all its phases. | 483.15 | Drug and other plants. |
| Do..... | do..... | Chicago, Ill. (Oct. 17-28, 1911)..... | To address the International Hop and Barley Exposition on the progress of hop culture in the United States and to consult authorities on problems connected with the culture and improvement of hops. | 67.05 | Do. |
| Do..... | do..... | New York, N. Y. (June 20-21, 1912)..... | To confer with persons interested in hop improvement work. | 21.70 | Do. |
| St , William | Expert..... | Portsmouth, Diamond Springs, Va. (July 11-15, 1911.) | To supervise the digging of potatoes in connection with experiments in the culture and improvement of this crop. | 18.10 | Arlington farm and horticulture. |
| Do..... | do..... | Honeoye Falls, N. Y.; Middlebury, Burlington, St. Albans, Vt. (July 17-25, 1911.) | To study experimental planting of potatoes and to prepare data on the results secured. | 57.60 | Do. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

| Name. | Title. | Destination. | Business or work. | Total expense. | Appropriation. |
|-----------------------------|---|--|--|----------------|----------------------------------|
| Stuart, William | Expert | Honeoye Falls, N. Y. (July 31-Aug. 25, 1911.) | To study experimental planting of potatoes and to prepare data on the results secured. | \$57.96 | Arlington farm and horticulture. |
| Do..... |do..... | St. Paul, Minn.; Fargo, Williston, N. Dak.; Moccasin, Hobson, Billings, Bozeman, Mont.; Salt Lake, Nephi, Utah; Greeley, Denver, Akron, Colo.; Madison, Oshkosh, Stockton, Wis.; Traverse City, Detroit, Mich. (Sept. 5-28, 1911.) |do..... | 208.37 | Do. |
| Do..... |do..... | Honeoye Falls, N. Y.; Middlebury, Burlington, St. Albans, Vt.; Boston, Mass. (Oct. 2-20, 1911.) | To examine potato trial plots and make a general investigation of the potato industry in these sections. | 82.29 | Do. |
| Do..... |do..... | Norfolk, Diamond Springs, Portsmouth, Va. (Feb. 27-Mar. 2 and Mar. 17-21, 1912.) | To continue experimental work with potatoes looking to the production of better varieties. | 29.70 | Do. |
| Do..... |do..... | Houlton, Me.; Boston, Mass. (May 7-11, 1912.) | To arrange experimental work in potato improvement for the coming season. | 62.60 | Do. |
| Do..... |do..... | Houlton, Me.; Honeoye Falls, N. Y. (May 21-June 15, 1912.) | To supervise the planting of seedling and varietal collections of potatoes. | 123.58 | Do. |
| Do..... |do..... | Portsmouth, Va. (June 25-28, 1912).... | To study potato trial plots and take notes on the results of the work in potato improvement. | 13.45 | Do. |
| Stubenrauch, Arnold V | Expert in charge of field investigations in pomology. | Ithaca, New York, N. Y. (Oct. 23-27, 1911.) | To confer with agricultural college officials regarding the appointment of assistants in the fruit-investigation work; and to inspect experimental shipments of grapes arriving from the Pacific coast, in connection with the grape transportation and storage experiments. | 40.80 | Pomological investigations. |
| Do..... |do..... | New York, N. Y.; Chicago, Ill. (Dec. 3-9, 1911.) | To read papers on "Fruit precooling problems," before the American Society of Refrigerating Engineers, and on "Fruit transportation, precooling, and storage investigations," before the American Warehousemen's Association, and to inspect grapes in cold storage. | 82.21 | Do. |
| Do..... |do..... | Riverside, Los Angeles, Redlands, Fresno, Berkeley, Sacramento, Chico, Cal.; Medford, Portland, Salem, Hood River, Oreg.; Seattle, | To confer with fruit growers' associations and warehouse companies railroad officials relative to cooperative experiments in fruit transportation and storage and to | 477.46 | Do. |

| | | | | | |
|-------------------------|--|--|---|----------|--|
| Swingle, Walter T | Physiologist in charge of crop physiology. | Tacoma, Puyallup, North Yakima, Walla Walla, Wash.; Weiser, Payette, Lewiston, Idaho; Missoula, Mont.; St. Paul, Minn.; Chicago, Ill. (Mar. 25-May 10, 1912.) Algiers, Algeria; Marseille, Paris, France; London, Liverpool, England; Algeciras, Seville, Cadiz, Madrid, Valencia, Spain; and other points en route. (Sept. 7, 1911-Feb. 29, 1912.) | To supervise the various lines of work in progress in connection with the handling, pre-cooling, transportation, and storing of fruits. | 1,159.74 | Crop physiology. |
| Do..... | do..... | Stockton, Kans.; Tucson, Yuma, Phoenix, Sacaton, Mesa, Ariz.; Indio, Santa Barbara, Sacramento, Loomis, Chico, Cal.; Portland, Bozeman, Huntley, Mont. (May 27-June 30, 1912.) Columbus, Ohio. (Nov. 13-18, 1911)... | To continue investigations in the physiology and breeding of the date palm, fig, pista- che, and new citrus fruits, looking to their commercial establishment in this country. | 389.15 | Do. |
| Taylor, William A | Assistant chief of bureau. | Norfolk, Suffolk, Va.; Hertford, Selma, Edenton, Plymouth, Tarboro, Raleigh, N. C.; Spartanburg, Pelzer, S. C. (July 16-26, 1911.) | To conduct investigations in the physiology and breeding of the date palm, fig, pista- che, and new citrus fruits, particularly the development of methods for the rapid propagation of the date palm. | 49.15 | Administrative and miscellaneous. |
| Thompson, Homer C | Expert..... | Vineland, Swedesboro, N. J.; Philadelphia, Pa. (Aug. 15-18, 1911.) Jackson, Magnolia, Hattiesburg, Meridian, Vicksburg, Miss.; Shreveport, Alexandria, La.; Texarkana, Ark. (Aug. 30-Oct. 22, 1911.) St. Louis, Mo.; Texarkana, Camden, Stephens, Ark.; Shreveport, New Orleans, La.; Edwards, Canton, Jackson, McComb, Miss. (Nov. 13-28, 1911.) | To represent the bureau at the meeting of the Association of American Agricultural Colleges and Experiment Stations. To inspect experimental work in the culture and improvement of peanuts and truck crops and to arrange for further experiments and demonstrations in connection with the improvement of these crops. To investigate truck-crop conditions and to make hill selections of potatoes. To conduct demonstrations in connection with peanut investigations. | 69.16 | Arlington farm and horticulture. |
| Do..... | do..... | Quitman, Waynesboro, Decatur, Canton, Starkville, Durant, Crystal Springs, Jackson, Brookhaven, Pass Christian, Grand Bay, Miss.; Vivian, Greenwood, Rodessa, Shreveport, New Orleans, Hammond, Amite, La.; Mobile, Flomaton, Theodore, Ala. (Jan. 6-Feb. 29, 1912.) Mobile, Auburn, Tuskegee, Newton, Ala.; Granada, West Point, Winona, Starkville, Canton, Jackson, Crystal Springs, Miss.; Hammond, Independence, Amite, New Orleans, Al- giers, Buras, La. (Apr. 6-30, 1912.) | To supervise peanut thrashing and to continue work on other phases of peanut investigations. | 18.45 | Do. |
| Do..... | do..... | do..... | To address farmers' meetings and conduct demonstrations in connection with the introduction and extension of peanut culture in sections which have been invaded by the cotton boll weevil. | 347.84 | Do. |
| Do..... | do..... | do..... | do..... | 139.93 | Do. |
| Do..... | do..... | do..... | do..... | 339.50 | Farmers' cooperative demonstration work. |
| Do..... | do..... | do..... | do..... | 105.90 | Arlington farm and horticulture. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

BUREAU OF PLANT INDUSTRY—Continued.

| Name. | Title. | Destination. | Business or work. | Total expense. | Appropriation. |
|------------------------|---------------------------|--|---|----------------|----------------------------------|
| Thompson, Homer C..... | Expert | Buras, Long Beach, New Orleans, Baton Rouge, La; Wiggins, McNeill, Miss.; Little Rock, Judsonia, Ark.; Humboldt, Memphis, Tenn. (May 1-25, 1912.) | To continue investigations in the improvement of truck crops. | \$159.70 | Arlington farm and horticulture. |
| Do..... | do..... | New York, Elmira, Hornell, N. Y.; Cleveland, Toledo, Ohio, and vicinities (June 9-22, 1912.) | To continue truck-crop investigations, particularly in connection with the improvement of celery and onions. | 93.56 | Do. |
| Thomson, Edward H..... | Scientific assistant..... | Delhi, Albany, Stuyvesant Falls, N. Y.; Milford, Manchester, N. H.; Beverly, Mass. (July 1-7, 1911.) | To conduct investigations in farm cost accounting and to confer with cooperators and field assistants, in connection with farm-management work. | 39.44 | Farm management. |
| Do..... | do..... | Wooster, Ohio; Frankfort, Forest, Ind.; Ashland, Decatur, Virginia, Ill.; Madison, Wis.; Jefferson, Davenport, Des Moines, Iowa. (July 8-Sept. 8, 1911.) | To confer with experiment station and private cooperators in connection with studies in farm economics and to collect data on the cost of farming operations and on the profits in crop production. | 182.23 | Do. |
| Do..... | do..... | New York, Albany, Stuyvesant Falls, N. Y.; Durham, Milford, N. H.; Beverly, Mass. (Nov. 5-10, 1911.) | To consult field men relative to farm-survey work as a part of farm-management investigations. | 59.14 | Do. |
| Do..... | do..... | Columbus, Ohio. (Nov. 13-17, 1911) .. | To confer with experiment-station officials and other cooperators relative to studies in farm cost accounting and other farm-management investigations. | 42.30 | Do. |
| Do..... | do..... | Ithaca, Auburn, Delhi, Syracuse, Rochester, N. Y. (Dec. 16, 1911-Jan. 10, 1912.) |do..... | 65.02 | Do. |
| Do..... | do..... | Ithaca, Auburn, Delhi, Syracuse, Rochester, N. Y. (Mar. 29-Apr. 8, 1912.) |do..... | 50.64 | Do. |
| Do..... | do..... | State College, Lancaster, York, Pa. (May 6-9, 1912.) | To confer with State college officials and others relative to farm-survey and farm-management work. | 30.34 | Do. |
| Do..... | do..... | Bangor, Kennebunk, Me.; Milford, N. H.; Boston, Mass. (May 22-27, 1912.) | To confer with field agents relative to farm-survey and cost-accounting work and to consult station officials in regard to cooperative farm-management work. | 70.80 | Do. |
| Do..... | do..... | Wooster, Ohio; Lansing, Charlotte, Mich.; Rochester, Auburn, Ithaca, Delhi, N. Y.; West Chester, Pa. (June 9-18, 1912.) |do..... | 78.13 | Do. |

| | | | | | |
|--------------------------|--|---|---|--------|--|
| Tidestrom, Ivar | Assistant botanist..... | Harpers Ferry, W. Va. (July 28-29, 1911.) | To collect plants for laboratory study and analysis with reference to their poisonous properties. | 4.75 | Drug and other plants. |
| Do..... | do..... | Piney Point, Pocomoke City, Md.; Fortress Monroe, Va. (Sept. 2-19, 1911.) | To collect seed of <i>Chaetochloa magna</i> for test as to its value as a forage grass in connection with systematic study of economic grasses. | 23.30 | Taxonomic and range investigations. |
| Townsend, Walter E | Expert..... | Hartsville, Charleston, S. C.; Waco, Tex.; Bard, Cal.; Sacaton, Ariz. (Sept. 12, 1911-Jan. 3, 1912.) | To arrange for and supervise the handling, picking, storing, baling, ginning, and marketing of cotton and to assist in the grading of experimental cotton. | 387.60 | Cotton standardization. |
| Tracy, J. E. W | Assistant superintendent of testing gardens. | Romeo, Birmingham, Lansing, Grand Rapids, Mich.; Hartford, Randolph, Wis.; Billings, Bozeman, Mont.; Fairfield, Walla Walla, Wash.; Moscow, Kendrick, Idaho; Ogden, Utah; Glenwood, Colorado Springs, Rocky Ford, Holly, Colo.; Garden City, Kans.; Jefferson, Anadarko, Okla.; Sioux City, Iowa. (Aug. 15-Sept. 29, 1911.) Chicago, Ill.; Grand Rapids, Holland, Lansing, Detroit, Alma, Mich. (Apr. 22-27, 1912.) | To inspect fields of sugar beets and vegetables and flowers growing under contract, in connection with the congressional seed distribution, and to consult officials of sugar-beet factories with reference to tests of American-grown sugar-beet seed. | 494.14 | Purchase and distribution of valuable seeds, 1912 (congressional seed distribution). |
| Do..... | do..... | Fort Wayne, Decatur, Ind.; Grand Rapids, Menominee, Holland, Mich.; Milwaukee, Madison, Wis.; Garden City, Kans.; Rocky Ford, Colo. (June 22-30, 1912.) | To confer with officials of sugar-beet factories and other cooperators relative to variety tests of sugar beets in connection with the congressional seed distribution. | 73.89 | Do. |
| Do..... | do..... | Seattle, Bellingham, Fairfield, Spokane, Wash.; Moscow, Kendrick, Idaho; Minneapolis, Minn. (July 1-14, 1911.) | To inspect test plots of sugar beets and vegetables and flowers growing under contract in connection with the congressional seed distribution. | 183.23 | Do. |
| Tracy, sr., Wm. W | Superintendent of testing gardens. | Rochester, N. Y. (Nov. 16-19, 1911.) | To inspect seed crops growing under contract for use in the congressional distribution. | 93.80 | Do. |
| Do..... | do..... | Milford, Hartford, Conn. (Dec. 13-16, 1911.) | To study methods followed in the winter production of vegetables as a part of the general horticultural investigations. | 18.44 | General expenses, B. P. I., 1912. (Arlington farm and horticulture.) |
| Do..... | do..... | St. Paul, Minn.; Madison, Wis. (Jan. 6-11, 1912.) | To select seed sweet corn for experimental trials. | 29.80 | Do. |
| Trigg, William S | Laboratory aid..... | Anguilla, Miss. (Oct. 24-Nov. 19, 1911.) | To study vegetable culture under greenhouse conditions. | 23.95 | Do. |
| True, Rodney H | Physiologist in charge of drug and other plants. | Red Bank, Hackettstown, Phalanx, N. J. (Aug. 9-12, 1911.) | To assist in the picking, handling, and marketing of cotton and investigating the methods used in these operations. | 68.37 | Cotton standardization. |
| Do..... | do..... | New York, N. Y. (Oct. 10-12, 1911.) | To consult growers regarding cooperative field tests of drug and related crops. | 31.40 | Drug and other plants. |
| Do..... | do..... | New York, N. Y. (Nov. 27-29, 1911.) | To consult wholesale druggists and manufacturing chemists on problems connected with drug-plant investigations. | 23.10 | Do. |
| | | | do..... | 23.04 | Do. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

BUREAU OF PLANT INDUSTRY—Continued.

| Name. | Title. | Destination. | Business or work. | Total expense. | Appropriation. |
|-------------------------|--|---|---|----------------|-----------------------------|
| True, Rodney H..... | Physiologist in charge of drug and other plants. | Indianapolis, Ind. (May 2-5, 1912).... | To address the Indiana branch of the American Chemical Society on the drug plant work of the department. | \$44.10 | Drug and other plants. |
| Do..... | do..... | Atlantic City, N. J. (June 5-7, 1912)... | To address the Division of Pharmacology and Therapeutics of the American Medical Association on the relation of the cultivation of drug plants to required pharmacological standards. | 17.35 | Do. |
| Do..... | do..... | Philadelphia, Pa. (June 23-25, 1912)... | To examine drug plant material with reference to its purchase for experimental purposes and to confer with experts covering the propagation and breeding of drug plants. | 10.54 | Do. |
| Van Fleet, Walter..... | Expert..... | Red Bank, Phalanx, Matawan, Hackettstown, N. J. (July 31-Aug. 13, 1911.) | To investigate the growing of drug and related plants. | 36.69 | Do. |
| Do..... | do..... | Philadelphia, West Grove, Pa. (June 24-25, 1912.) | To examine drug plant material with reference to the purchase of suitable sorts for experimental work, and to confer with experts concerning the propagating and breeding of drug plants. | 11.65 | Do. |
| Veihmeyer, Frank J..... | Scientific assistant..... | New York, New Rochelle, Mt. Vernon, N. Y. (Sept. 11-13, 1911.) | To study mushrooms which have been the cause of fatal poisoning and to secure specimens for the pathological collections. | 23.35 | Pathological laboratory. |
| Do..... | do..... | Philadelphia, Pa. and vicinity. (Jan. 21-24, 1912.) | To conduct fumigation experiments for the control of fungous diseases of mushrooms. | 21.90 | Do. |
| Do..... | do..... | Philadelphia, Pa. and vicinity. (June 10-14, 1912.) |do..... | 34.23 | Do. |
| Vinall, Harry N..... | Assistant agrostologist..... | Denver, Akron, Colo.; Chillicothe, Amarillo, Dalhart, San Antonio, Tex.; Halsey, Mitchell, Bassett, Nebr.; Newell, Brookings, Highmore, S. Dak.; Dickinson, Williston, Edgeley, N. Dak.; Billings, Huntley, Moccasin, Mont.; Minneapolis, Minn. (July 1-Aug. 19, 1911.) | To take notes and arrange for further experiments in the testing and improvement of legumes, grasses, and other forage crops. | 386.10 | Forage-crop investigations. |
| Do..... | do..... | Staunton, Va. (Sept. 14-15, 1911, and June 24-25, 1912.) | To secure data on experimental work with grasses and other forage plants, in connection with the investigation and improvement of forage crops. | 27.95 | Do. |

| | | | | | |
|---------------------|---------------------------|--|---|--------|--|
| Warner, Marjorie F. | Bibliographical assistant | Boston, Mass. (June 5-28, 1912) | To examine bibliographical collections of the Massachusetts Horticultural Society, especially rare and early publications bearing on the history of cultivated plants in connection with taxonomic investigations. | 86.45 | Taxonomic and range investigations. |
| Weir, James R. | Expert | Missoula, Great Falls, Summit, Belton, Billings, Hamilton, Libby, Mont.; Priest River, St. Maries, Herrick, Sand Point, Wallace, Coeur d'Alene, Idaho. (Aug. 8-Nov. 17, 1911.) Cincinnati, Ohio; Fort Thomas, Ky.; Brownstown, Crothersville, Scottsberg, Culver, Ind.; E. Tawas, Wellsburg, Marquette, Mich.; Duluth, Cass Lake, Minn.; Bowman, N. Dak.; Missoula, Mont. (Apr. 17-June 30, 1912.) | To investigate diseases of forest trees in national forests and to devise and execute methods for their control. | 500.65 | Forest pathology. |
| Do. | do | | To investigate the chestnut bark disease and other diseases of forest trees and to study herbarium specimens of fungi, which cause forest tree diseases. | 133.38 | Do. |
| Westgate, John M. | Agronomist | New London, Ohio; La Fayette, Indianapolis, Ind.; Ames, Iowa; Falmouth, Ky.; Staunton, Va. (July 27-Aug. 10, 1911.) Springfield, Mechanicsburg, Hamilton, LaFayette, Ind.; Fargo, N. Dak.; Ames, Iowa; Manhattan, Topeka, Ogden, Kans. (Apr. 29-May 11, 1912.) | To inspect experimental work in the improvement of clover, as a forage crop, and to address the Virginia State Farmers' Institute on "Alfalfa and how to grow it." To investigate clover production and ascertain the results of experiments looking to the improvement of clover as a forage crop. | 124.45 | Forage-crop investigations. |
| Do. | do | Seaford, Georgetown, Dover, Del.; Salisbury, Pocomoke, Snow Hill, Berlin, Md.; Vineland, N. J. (May 14-28, 1912.) | To conduct investigations in the production and improvement of crimson clover and its curing for hay. | 155.24 | Do. |
| Do. | do | Easton, Salisbury, Md. (June 14-22, 1912.) | To conduct investigations in the culture of crimson clover and the production of seed of this forage crop. | 66.88 | Do. |
| Wight, Wm. F. | Botanist | Chicago, Ill.; Sagatuck, Holland, Grand Rapids, St. Helen, Grayling, Atlanta, Alpena, Lansing, Mich.; Honeoye Falls, Rochester, N. Y. (July 24-Aug. 27, 1911.) Ithaca, N. Y. (Nov. 20-23, 1911) | To collect and study herbarium material of fruits, nuts and vegetables, in connection with the systematic study of cultivated plants. | 133.25 | Taxonomic and range investigations. |
| Do. | do | St. Joseph, Mo. (Mar. 4-8, 1912) | To continue the systematic study of the genus <i>prunus</i> . | 28.35 | Do. |
| Do. | do | | To appear as a witness at the trial of case arising under the food and drugs act. | 80.30 | Enforcement of food and drugs act, 1912. |
| Do. | do | Southampton, London, Cambridge, England; Brussels, Belgium; Paris, France; Geneva, Switzerland. (Apr. 12-June 30, 1912.) | To consult authorities and examine specimens at natural history museums and herbaria, in connection with a study of the origin and history of the genus <i>prunus</i> ; and to investigate various tuber-bearing species of <i>solanum</i> and secure seeds and tubers for propagation in connection with taxonomic researches. | 373.66 | General expenses, B. P. I., 1912 (taxonomic and range investigations). |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

BUREAU OF PLANT INDUSTRY—Continued.

| Name. | Title. | Destination. | Business or work. | Total expense. | Appropriation. |
|----------------------|---------------------------|---|--|----------------|--|
| Wilher, John G..... | Scientific assistant..... | Piketon, Ohio. (Oct. 14–Nov. 2, 1911). | To harvest corn in experimental plots, in connection with work in the improvement and production of grains. | \$54.65 | Grain investigations. |
| Do..... | do..... | Baltimore, Md.; Round Hill, Hamilton, Va. (Nov. 14–29, 1911.) | To arrange for grinding samples of corn meal in connection with the corn improvement work and to prepare seed corn for shipment to Washington. | 15.55 | Do. |
| Do..... | do..... | Herndon, Muncy, Corry, Meadville, Connellsburg, Pa.; Cumberland, Gaithersburg, Md. (Dec. 23–29, 1911.) | To inspect corn-degerminating apparatus and to arrange experimental tests in corn degerminating, in connection with the manufacture of corn meal in order to secure data necessary in the work of corn production and improvement. | 43.60 | Do. |
| Do..... | do..... | Harrisburg, Ind.; Bellefonte, State College, Pa. (Jan. 14–23, 1912.) | To superintend the degerminating and grinding of corn meal for experimental purposes as a feature of the corn improvement work. | 64.42 | Do. |
| Do..... | do..... | Round Hill, Va.; Columbus, Piketon, Ohio; Oconomowoc, Madison, Milwaukee, Wis. (May 5–June 30, 1912.) | To assist in planting experimental corn plots and to investigate methods of popcorn production and factors involved in the manufacture of corn products as a part of the grain improvement work. | 152.67 | Do. |
| Wooton, Elmer O..... | Assistant curator..... | Albuquerque, N. Mex.; Phoenix, Prescott, Flagstaff, Ariz.; Bakersfield, Merced, Fresno, San Francisco, Chico, Santa Barbara, and other points in Cal. (Jan. 22–June 3, 1912.) | To consult cooperators, collect data, and institute further cooperative work in range and cactus investigations, in connection with farm management in dry-land areas. | 601.25 | Farm management. |
| Young, Robert A..... | Scientific assistant..... | Brooksville, Orange City, Enterprise, Fla. (Sept. 11–27, 1911.) | To inspect crop of yautias, taros, and dasheens and to arrange for the harvesting and shipping of these crops, in connection with introduction and testing of plants from foreign countries. | 122.00 | Purchase and distribution of valuable seeds, 1912 (foreign seed and plant introduction). |
| Do..... | do..... | Brooksville, Fla. (Jan. 21–31, 1912.) | To supervise the planting of aroids at the plant-introduction field station. | 59.62 | Do. |
| Zook, Leslie L..... | do..... | Hutchinson, Garden City, Hays, Kans.; Trinidad, Akron, Denver, Granada, Colo.; Lincoln, North Platte, Auburn, Mitchell, Nebr.; Brookings, Newell, Highmore, S. | To investigate the production of improved strains of corn by breeding and selection, and the employment of better methods of culture; to secure data on cooperative experimental work in corn production, in | 592.80 | General expenses, B. P. I., 1912 (grain investigations). |

| | | | | | |
|---------|--------------|---|--|--------|-----|
| Do..... |do..... | Dak.; Dickinson, N. Dak.; Bozeman, Huntley, Judith Basin, Mont.; Pullman, Puyallup, Seattle, Wash.; Corvallis, Ashland, Oreg.; Bard, Chico, Cal.; Yuma, Ariz.; Agricultural College, Tex.; Miami, Fla.; Springer, N. Mex.; Dalhart, Amarillo, Tex. (July 1-Nov. 11, 1911.) Beatrice, North Platte, Johnson, Holdredge, Ord, North Loup, Nebr.; Yuma, Ariz.; Los Angeles, Chico, Cal.; Denver, Akron, Colo. (Feb. 22-June 30, 1912.) | To progress at department field stations and at State experimental stations; and to ascertain the results secured by farmer cooperators from the use of improved seed corn originated and distributed by the department. | 393.43 | Do. |
|---------|--------------|---|--|--------|-----|

FOREST SERVICE.

| | | | | | |
|---------------------|-------------------------|---|--|----------|--|
| Adams, Bristow..... | Forest assistant..... | Jacksonville, Ocala, and Pensacola, Fla. (July 1-July 23, 1911)..... | To supervise eucalyptus and other planting experiments. | \$105.83 | General expenses, Forest Service, 1912 (management of forests). |
| Adams, Jas. B..... | Assistant Forester..... | Headquarters of the several districts and other points. (Sept. 6-Nov. 21, 1911.) | To inspect the work in the district offices at San Francisco, Denver, Ogden, and Albuquerque, and also work on some of the National Forests. | 744.90 | General expenses, Forest Service, 1912 (general administration). |
| Do..... |do..... | Various points in California. (Apr. 7-29, 1912.) | To inspect the work in the district office at San Francisco, and on the Santa Barbara and Angeles Forests. | 292.15 | Do. |
| Do..... |do..... | Headquarters of the several districts, headquarters of supervisors of National Forests, and other points. (Jan. 17-Feb. 14, 1912.) | To make an administrative inspection of district offices, and of certain National Forest offices. | 344.63 | Do. |
| Aldons, A. E..... | Grazing examiner..... | Ogden, Utah. (Apr. 11-June 7, 1912.) | To take charge of range reconnaissance and other grazing studies work. | 197.80 | General expenses, Forest Service, 1912 (national forest range investigations). |
| Ashe, W. W..... | Forest examiner..... | Various points in Virginia, and West Virginia. (Nov. 4-11, 1911.) | To make examination of timber tracts in cooperation with the Virginia Mining & Improvement Co. | 13.90 | Cooperative work forest investigations. |
| Do..... |do..... | Points in North Carolina to Nashville, Tenn., and Asheville, N. C. (Mar. 27-Apr. 10, 1912.) | To cooperate with the Southern Railway in the establishment of forest clubs among the residents of that region, to represent the Forest Service in its cooperation with the Southern Commercial Congress, and to secure additional field data in the study of yellow poplar. | 77.10 | Do. |
| Barrows, W. B..... | Forest assistant..... | Various points in Pennsylvania, New York, New Jersey, the New England States, Ohio, Indiana, Michigan, Iowa, Wisconsin, Minnesota, Kentucky, Virginia, and West Virginia. (July 1-Oct. 31, 1911.) | To inspect and measure forest plantations in the States named. | 503.65 | General expenses, Forest Service, 1912 (management of forests). |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

FOREST SERVICE—Continued.

| Name. | Title. | Destination. | Business or work. | Total expense. | Appropriation. |
|------------------------|---------------------------|--|---|----------------|---|
| Barrows, W. B | Forest assistant..... | Mont Alto and other points in Pennsylvania. (June 19-30, 1912.) | To perform field duty in connection with the collection of specimens to be tested at the Forest Service laboratory at Madison, Wis. | \$38.00 | General expenses, Forest Service, 1912 (management of forests). |
| Baston, Geo. H..... | Laboratory helper..... | Portland, Wallowa, and other points in Oregon. (July 1-Sept. 6, 1911.) | To make technical investigations to determine the acidity of soil on certain National Forests, and to perform other investigative work. | 277.27 | General expenses, Forest Service, 1912 (general administration). |
| Benedict, J. W. J..... | Forest assistant..... | Gorham, N. H., and other points in the States of New Hampshire and Maine. (June 27-30, 1912.) | To take up work of examination of lands under the Weeks law. | 25.10 | Acquisition of lands for the protection of watersheds of navigable streams. |
| Bentley, Geo. A..... | Chief of maintenance..... | Baltimore, Md., and Newark, N. J. (Oct. 20-21, 1911.) | To inspect the method of lithographing metal fire signs in connection with bids under consideration for furnishing 100,000 signs to the Forest Service. | 17.00 | General expenses, Forest Service, 1912 (maintenance and supplies). |
| Bishop, Loren L..... | Forest assistant..... | Barefoot, Ga. (Jan. 7-10, 1912)..... | To join party in charge of S. H. Marsh examining lands under the Weeks law. | 40.64 | Acquisition of lands for the protection of watersheds of navigable streams. |
| Bohn, A. J..... | Field assistant..... | Franklin and other points in North Carolina. (June 3-30, 1912.) | To join party making examination of lands under the Weeks law. | 33.45 | Do. |
| Bushnell, E. P..... | Forest assistant..... | Damascus and other points in Virginia and Tennessee. (Feb. 27-28, 1912.) |do..... | 17.85 | Do. |
| Cantwell, J. J..... | Field assistant..... | Old Fort and other points in North Carolina. (June 8-30, 1912.) |do..... | 18.65 | Do. |
| Chittenden, A. K..... | Forest inspector..... | New England States. (July 1-Aug. 31, 1911.) | To examine lands under the Weeks law..... | 213.28 | Do. |
| Crowell, Lincoln..... | Forest assistant..... | Erwin, Tenn., and other points in Tennessee and North Carolina. (Apr. 27-June 30, 1912.) | To examine lands under the Weeks law, Unaka, Boone, and Yadkin areas. | 125.20 | Do. |
| Curtis, Maury..... | Clerk..... | San Francisco, Cal., Portland, Oreg., Missoula, Mont., and other points. (Dec. 30, 1911-June 30, 1912.) (Trip not completed in fiscal year.) | To assist in legal work at the various district headquarters of the Forest Service. | 432.00 | General expenses, Forest Service, 1912 (general administration). |
| Cushing, C. D | Expert..... | Various points in Virginia and West Virginia. (July 7-Nov. 19, 1911.) | To examine lands under the Weeks law..... | 328.00 | Acquisition of lands for the protection of watersheds of navigable streams. |

| | | | | | |
|---------------------------|------------------------------|---|--|--------|---|
| Do..... |do..... | Roanes Mill, N. C. (Nov. 27-Dec. 31, 1911.) | To make lumberman's examination of lands offered for sale under the Weeks law, Nantahala area. | 60.83 | Do. |
| Dana, Samuel T..... | Assistant chief of silvics.. | To various points in Districts 3, 5, and 6. (July 1-Oct. 1, 1911.) | To make a study of sowing and planting experiments. | 515.69 | General expenses, Forest Service, 1912 (management of forests). |
| Damtoft, W. J..... | Field assistant..... | Various points in Virginia and West Virginia. (May 27-June 30, 1912.) | To examine lands under the Weeks law..... | 17.95 | Acquisition of lands for the protection of watersheds of navigable streams. |
| Dayton, W. A..... | Plant ecologist..... | Sisson, Cal. (June 1-30, 1912) | To continue on the Shasta National Forest the study as to the effect of grazing on the reproduction of timber species. | 162.90 | General expenses, Forest Service, 1912 (national forest range investigations). |
| Dellwig, Louis A..... | Messenger boy | Ogden, Utah. (July 21-25, 1911)..... | To take new official station..... | 80.35 | General expenses, Forest Service, 1912 (general administration). |
| Dieffenbach, Rudolph..... | Forest examiner..... | Various points in North Carolina and Georgia. (Apr. 13-June 9, 1912.) | To inspect the boundary survey work on tracts to be purchased under the Weeks law. | 86.56 | Acquisition of lands for the protection of watersheds of navigable streams. |
| Douglas, Lynn H..... | Grazing examiner..... | Denver, Colo. (with stop-over at Lincoln, Nebr.) and Laramie, Wyo. (May 1-31, 1912.) | To take charge of range reconnaissance on the Medicine Bow National Forest. | 123.97 | General expenses, Forest Service, 1912 (national forest range investigations). |
| Ellis, Don Carlos..... | Clerk examiner..... | Pittsburgh, Pa. (Oct. 12-28, 1911)..... | To secure return of Government property sent to National Land and Irrigation Exposition in Pittsburgh. | 30.10 | General expenses, Forest Service, 1912 (market and miscellaneous investigations). |
| Do..... |do..... | Nashville, Tenn. (Apr. 2-12, 1912)..... | To attend the conference concerning education in the South. | 56.56 | Do. |
| Esser, J. K..... | Field assistant..... | Erwin, Tenn., and various points in Tennessee and North Carolina. (May 16-18, 1912.) | To examine lands under the Weeks law..... | 18.59 | Acquisition of lands for the protection of watersheds of navigable streams. |
| Fahrenbach, John H..... | Forest assistant..... | Roanes Mill, N. C., via Cornelius, Ga., and to Franklin, N. C. (Dec. 4, 1911.) | To join party and to assist in the examination under the Weeks law of lands in the Nantahala area. | 65.77 | Do. |
| Fleming, Chas. E..... | Grazing examiner..... | Portland, Oreg., and Minam National Forest, stopping en route at Cash Junction, Utah. (Apr. 11-May 31, 1912.) | To consult with the district forester at Portland and to take charge of a range reconnaissance party. | 163.42 | General expenses, Forest Service, 1912 (national forest range investigations). |
| Frothingham, Earl H..... | Forest assistant..... | North Woodstock, N. H., via New Haven, Conn., and to certain points in the Northern and Eastern States. | Zon, Raphael..... | Chief, office of silvics..... | Madison, Wis.; St. Paul, Minn.; and various points in districts 1, 2, 5, and 4. (May 20-June 30, 1912.) | To assist in organizing experiment stations at Cloquet, Minn., and on the Plumas Forest; to become familiar with products work; to confer with forest officers in regard to the publication of the review of forest investigations; to examine proposed site for a grazing experiment station on the Manti National Forest. | \$249.24 | General expenses, Forest Service, 1912 (management of forests). |

BUREAU OF CHEMISTRY.

| | | | | | |
|----------------------|--|--|--|---------|---|
| Bailey, H. S..... | Chief of the oil, fat, and wax laboratory. | Chicago, Ill. (July 1-16, 1911)..... | To superintend removal of laboratory equipment of the Bureau of Chemistry from the Manhattan Building and install same in the Heisen Building. | \$97.57 | Enforcement of the food and drugs act, 1912. |
| Do..... | do..... | Philadelphia, Pa. (Dec. 18, 1911)..... | To plan rearrangement of the food research laboratory. | 10.65 | Do. |
| Do..... | do..... | To points in the States of California, Arizona, Colorado, Missouri, and Ohio. (Jan. 4-9, 1912.) | To assist in investigation upon the possibility of utilizing citrus by-products. Also, to stop at San Francisco, Cal., Denver, Colo., Cincinnati, Ohio, and St. Louis, Mo., to confer with chiefs of laboratories at those points. | 556.71 | General expenses, Bureau of Chemistry, 1912 (laboratory, miscellaneous expenses). |
| Barber, K. G..... | Microanalyst..... | Richmond, Lynchburg, Danville, Va.; Greensboro, Durham, Winston Salem, N. C.; Louisville, Henderson, Ky.; Cincinnati, Ohio; New York, Newburgh, Fishkill, N. Y.; Philadelphia, Pa.; Baltimore, Md. (Sept. 19-Oct. 16, 1911.) | To collect data regarding the manufacture of commercial tobacco powders used as insecticides. | 210.33 | Enforcement of the insecticide act, 1912. |
| Bates, Carleton..... | Assistant bacteriologist. | Points in the States of Massachusetts and Rhode Island. (Aug. 26-Sept. 21, 1911.) | To make a bacteriological study of clams and milk entering interstate commerce. | 85.89 | Enforcement of the food and drugs act, 1912. |
| Do..... | do..... | Travel within a radius of 100 miles of New York City. (Oct. 20-21, 1911.) | To make inspection of Staten Island Sound and adjoining waters, to determine whether or not they are polluted, and the effects thereof on shellfish, in connection with the enforcement of the food and drugs act. | 22.25 | Do. |

| | | | | | |
|----------------------|--|--|---|--------|--|
| Do..... | do..... | Points in the State of Virginia. (Nov. 8-11, 1911.) | To make inspection of waters and shellfish in connection with the enforcement of the food and drugs act. | 23.50 | Do. |
| Do..... | do..... | Points in the States of Pennsylvania and New Jersey. (Nov. 23-27, 1911.) | To make a bacteriological study of gelatin in connection with the enforcement of the food and drugs act. | 33.54 | Do. |
| Do..... | do..... | Norfolk, Va. (Dec. 1-3, 1911)..... | To make bacteriological examination of shellfish and waters in connection with the enforcement of the food and drugs act. | 13.35 | Do. |
| Do..... | do..... | Points in the States of Pennsylvania and New Jersey. (Dec. 4, 1911-Feb. 22, 1912.) | To make a bacteriological study of gelatin in connection with the enforcement of the food and drugs act. | 329.00 | Do. |
| Do..... | do..... | Points in the States of Maryland and Virginia. (Mar. 11-16, 1912.) | To make inspection of water and oysters in connection with the enforcement of the food and drugs act. | 31.11 | Do. |
| Do..... | do..... | Points in the States of Virginia, West Virginia, and Maryland. (June 17-23, 1912.) | To conduct investigation of the ice cream and quahog industries in connection with the enforcement of the food and drugs act. | 61.58 | Do. |
| Do..... | do..... | Points within the State of New York. (June 24-30, 1912.) | To make a bacteriological investigation of the gelatin industry. | 52.08 | Do. |
| Bidwell, G. L..... | Assistant chemist..... | Buffalo, N. Y., and points within the States of Indiana, Illinois, and Wisconsin. (Dec. 3-16, 1911.) | To study the bleaching of oats in connection with the enforcement of the food and drugs act. | 115.41 | Do. |
| Do..... | do..... | Kansas City, and St. Louis, Mo.; East St. Louis, Ill.; Stuttgart, Ark.; Houston and Beaumont, Tex.; Crowley, New Orleans, and Baton Rouge, La. (Apr. 27-May 10, 1912.) | To appear as a witness at the trial of case arising under the food and drugs act at Kansas City, Mo.; to visit the other points mentioned to study the manufacture of rolled oats and by-products therefrom; also rice by-products, in connection with the enforcement of the food and drugs act. | 174.95 | Do. |
| Bigelow, W. D..... | Assistant chief of bureau, and Chief of Division of Foods. | Hammond and Chicago, Ill., Muskegon and Detroit, Mich., Cleveland, Ohio. (July 1-6, 1911.) | To supervise and perform inspection and other work in connection with the enforcement of the food and drugs act. | 52.68 | Do. |
| Do..... | do..... | New York City. (Oct. 5-8, 1911.) |do..... | 29.44 | Do. |
| Do..... | do..... | Chicago, Ill.; Kansas City, Mo.; Omaha, Nebr.; St. Louis, Mo.; Pittsburgh, Pa. (Jan. 4-13, 1912.) |do..... | 110.10 | Do. |
| Do..... | do..... | Boston, Mass.; New York City; Detroit, Mich.; Chicago, Ill.; Omaha, Nebr.; Kansas City, Mo.; Topeka, Kans. (May 14-26, 1912.) |do..... | 142.27 | Do. |
| Do..... | do..... | New York City; Boston, Mass.; Providence, R. I. (June 19-25, 1912.) |do..... | 42.35 | Do. |
| Boughton, E. W..... | Assistant chemist..... | New York, N. Y.; Philadelphia, Pa. (Mar. 27-31, 1912.) | To attend meeting of the subcommittee of the American Society for Testing Materials. | 17.40 | Laboratory, miscellaneous expenses. |
| Boyle, Martin..... | do..... | New York, N. Y. (Mar. 31-Apr. 3, 1912.) | To appear as a witness at the trial of a case arising under the food and drugs act. | 23.75 | Enforcement of the food and drugs act, 1912. |
| Breazeale, J. F..... | Laboratory assistant..... | Various points in the States of California, Colorado, North Dakota, Montana, Washington, Oregon, Nebraska, and Kansas. (Sept., 1911.) | To perform work in collaboration with the office of western agricultural extension and dry farming; to attend meeting of the Dry Farming Congress at Colorado Springs, Colo. | 235.90 | Laboratory, miscellaneous expenses. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

| Broomell, A. W..... | Assistant chemist..... | New York, N. Y. (July 1-17, 1911).... | To perform work in connection with the enforcement of the food and drugs act. | \$37.35 | Enforcement of the food and drugs act, 1912. |
| Bryan, A. Hugh..... | Chief of sugar laboratory..... | Points in eastern Kentucky and southern Indiana. (Oct. 16-30, 1911.) | To investigate the manufacture of sorghum syrup on a small scale as well as on a large scale; to study the chemical changes in the finished product, as brought about by the different methods of manufacture. | 106.35 | Laboratory, miscellaneous expenses. |
| Do..... |do..... | Points in Louisiana. (Dec. 1, 1911-Jan. 1, 1912.) |do..... | 172.69 | Do. |
| Do..... |do..... | Cleveland, Ohio; Indianapolis, Ind.; (Mar. 15-25, 1912.) | To purchase samples of maple sugar etc., and to manufacture maple products on a small scale. | 60.40 | Do. |
| Do..... |do..... | Delhi and Troy, N. Y.; Rutland and Burlington, Vt. (Apr. 15-21, 1912.) |do..... | 52.23 | Do. |
| Buchbinder, H. E..... | Assistant chemist..... | Indianapolis, Ind. (May 8-10, 1912).... | To appear before the grand jury in connection with cases arising under the food and drugs act. (May 8-10, 1912.) | 39.95 | Enforcement of food and drugs act, 1912. |
| Chace, E. M..... | Assistant chief of Division of Foods..... | New York City; Poughkeepsie, N. Y. (May 5-7, 1912) | To inspect the plant of the De Laval Separator Co., and to do experimental work at that plant, upon the clarification of orange and lemon juices, for the purpose of investigating the types of clarifying machines on exhibition, to determine which machine is best adapted to the needs of the Bureau of Chemistry. | 24.15 | Laboratory, miscellaneous expenses. |
| Do..... |do..... | Scranton, Pa. (Mar. 28-29, 1912).... | To appear as a witness at the trial of case arising under the food and drugs act. | 21.86 | Enforcement of food and drugs act, 1912. |
| Do..... |do..... | New York, N. Y.; Poughkeepsie, N. Y. (May 5-9, 1912.) | To make trial tests on apparatus for grinding lemon peel, and for separating the essential oil therefrom. | 38.46 | Laboratory, miscellaneous expenses. |
| Do..... |do..... | Baltimore, Md. (June 4, 1912).... | To attend the meeting of the Extract Manufacturers' Association. | 2.45 | Enforcement of food and drugs act, 1912. |
| Do..... |do..... | Detroit, Mich. (June 22-29, 1912).... | To appear as a witness at the trial of a case arising under the food and drugs act. | 62.28 | Do. |
| Chesnut, V. K..... | Assistant chemist..... | Chicago, Ill. (Jan. 28-Feb. 4, 1912).... |do..... | 78.25 | Do. |
| Do..... |do..... | New York City. (Apr. 19-25, 1912).... |do..... | 46.00 | Do. |
| Do..... |do..... | New York City. (May, 1912)..... | To confer with other analysts in cases arising under the food and drugs act. | 49.00 | Do. |

| | | | | | |
|----------------------|--|---|---|--------|--|
| Chick, Thomas..... | Skilled laborer..... | Cincinnati, Ohio. (June 7-30, 1912)..... | To assist in installing the equipment of the Cincinnati laboratory in the Government building at that point; to assist in the removal of the equipment from the First National Bank Building. | 55.05 | Do. |
| Do..... |do..... | New York, N. Y. (Nov. 26, 1911-Jan. 11, 1912.) | To install plumbing in the additional space for the New York Laboratory. | 82.05 | Do. |
| Church, C. G..... | Assistant chemist..... | Yuma, Ariz.; Imperial and El Centro, Cal.; Rocky Ford, Colo.; Garden City and Lakin, Kans.; Lincoln and Waterloo, Nebr.; Decker and Evansville, Ind.; Fayetteville, Tenn.; Salisbury, Md.; Swedesboro, N. J.; Hartford and Hockanum, Conn. (Aug. 1-Sept. 12, 1911.) | To conduct experiments, and make a study of the effect of environment on cantaloupes. | 731.72 | Laboratory, miscellaneous expenses. |
| Do..... |do..... | Gainesville and Tampa, Fla.; Auburn, Ala.; Experiment, Ga., and travel within 100 miles of those places. (May 31-June 30, 1912.) | To continue the study of the effect of environment on cantaloupes, in collaboration with the Bureau of Plant Industry, of this department. | 213.43 | Do. |
| Cook, F. C..... | Physiological chemist..... | Points in the States of New York, Massachusetts, and Illinois. (June 16-28, 1912.) | To study the manufacture of bouillon preparations, in connection with the enforcement of the food and drugs act. | 127.35 | Enforcement of food and drugs act, 1912. |
| Dickerson, E. O..... | Laboratory helper..... | Boston, Mass. (Sept. 4-12, 1911)..... | To assist in making a bacteriological examination of milk, in connection with the enforcement of the food and drugs act. | 48.50 | Do. |
| Dodge, Cleon O..... | Assistant chemist..... | Trenton, N. J. (Oct. 23-25, 1911)..... | To appear as a witness at the trial of case arising under the food and drugs act. | 17.20 | Do. |
| Do..... |do..... | Detroit, Mich. (June 22-29, 1912)..... |do..... | 58.95 | Do. |
| Doolittle, R. E..... | Associate chemist and member of the Board of Food and Drug Inspection. | New York, N. Y. (Apr. 10-12, 1912)..... | To inspect and supervise work in branch laboratory, and other work in connection with the enforcement of the food and drugs act. | 15.45 | Do. |
| Do..... |do..... | Baltimore, Md. (June 4, 1912)..... | To perform work in connection with enforcement of the food and drugs act. | 3.45 | Do. |
| Dunbar, P. B..... | Assistant chemist..... | Philadelphia, Pa.; Boston, Mass.; and New York, N. Y.; and travel in the vicinity of the cities named. (Nov. 5-11, 1911.) | To perform work in connection with an investigation of the lead content of cream of tartar, and tartaric acid. | 41.38 | Do. |
| Do..... |do..... | New York City. (May 1-4, 1912)..... | To appear as a witness at the trial of case arising under the food and drugs act. | 21.71 | Do. |
| Dunlap, F. L..... | Associate chemist and member of the Board of Food and Drug Inspection. | St. Louis, Mo.; Milwaukee, Wis.; Chicago, Ill. (July 9-15, 1911.) | To perform work in connection with the enforcement of the food and drugs act. | 87.20 | Do. |
| Do..... |do..... | Baltimore, Md.; Philadelphia, Pa. (Nov. 22-24, 1911.) |do..... | 14.40 | Do. |
| Dunn, H. E..... | Laboratory helper..... | Baltimore, Md. (May 24, 1912)..... | To secure rabbits, for use in experimental work, to determine the effects of certain drugs and chemicals. | 3.00 | Do. |
| Eaton, E. O..... | Assistant chemist..... | New York City. (July, 1911.) San Francisco, Cal. (Aug. 2-16, 1911.) | To New York City to study the system of inspection at that point; to San Francisco for permanent assignment. | 186.35 | Do. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

|-------------------------|---|---|---|----------------|--|
| Hudson, C. S..... | Chief of physical chemistry laboratory. | Points in States of New York, New Jersey, Massachusetts, Connecticut, Ohio, Illinois, Missouri. (Oct. 26-Nov. 22, 1911.) | To investigate the commercial manufacture of invert sugar, sirups, preserves, candies, and brewers' yeasts, in connection with enforcement of the food and drugs act. | \$169.25 | Enforcement of the food and drugs act, 1912. |
| Do..... | do..... | New York, N. Y.; Boston, Mass. (Dec. 12-23, 1911.) | To study the possibilities of the use of invert sugar in the commercial manufacture of table sirups and condensed milk, in connection with the enforcement of the food and drugs act. | 97.80 | Do. |
| Do..... | do..... | Points in the States of New York and New Jersey. (May 5-21, 1912.) | To study commercial manufacture and uses of invert sugar, in connection with the enforcement of the food and drugs act. | 74.89 | Do. |
| Hume, T. S..... | Laboratory helper..... | New York City. (Aug. 18-19, 1911)... | To report at New York laboratory, for permanent assignment. | 12.50 | Do. |
| Ingle, M. J..... | Assistant chemist..... | Charlottesville, Va. (May 29-June 30, 1912.) | To assist in the analysis of certain wines, in connection with the enforcement of the food and drugs act. | 41.90 | Do. |
| Jacobs, B. R..... | do..... | Points in the States of Georgia, Alabama, Louisiana, Texas, Arizona, California, Oregon, Washington, Utah, Nebraska, Kansas, Colorado, Missouri, Illinois, Wisconsin, Michigan, Ohio, Pennsylvania, Massachusetts, New York, Maryland, and Guelph, Ontario. (Dec. 18-26, 1911; Jan. 19-Mar. 1, 1912.) | To make a chemical study of the grades of flours, yeasts, and other materials entering into the composition of baker's breads, and special types of breads; second, the changes that take place in the dough, due to different methods of fermentation; study of methods of making bread, including the various machinery, apparatus, etc.; also investigating the sanitary condition of baking establishments. | 509.34 | Do. |
| Do..... | do..... | Points in the States of Ohio, Pennsylvania, New York, and New Jersey. (May 31-June 15, 1912.) | To make a study of the methods used in manufacture of macaroni produced from flour of different grades, and to observe the effect of the use of artificial coloring matter in the macaroni, in connection with the enforcement of the food and drugs act. | 106.35 | Do. |
| Johnston, Myrtle J..... | Clerk..... | Kansas City, Mo. (Apr. 27-May 1, 1912.) | To testify in case arising under the food and drugs act. | 85.75 | Do. |
| Katz, Louis..... | Assistant chemist..... | Dayton, Ohio. (Nov. 5-6, 1911)..... | To report for permanent assignment..... | 23.15 | Laboratory, miscellaneous expenses. |

| | | | | | |
|---------------------|--|---|---|--------|--|
| Kebler, L. F..... | Chief of the Division of Drugs. | Philadelphia, Pa.; New York City; Boston, Mass. (Aug. 17-25, 1911.) | To attend the annual meeting of the American Pharmaceutical Association, and for inspecting work in drugs, in connection with the enforcement of the food and drugs act. | 73.95 | Enforcement of the food and drugs act, 1912. |
| Do..... | do..... | New York, N. Y. (Jan. 21-30, 1912.) | To collect information; for inspecting and supervising the work at the branch laboratory, and other work in connection with the enforcement of the food and drugs act. | 21.95 | Do. |
| Do..... | do..... | Baltimore, Md.; New York, N. Y.; Philadelphia, Pa. (May 24-25, 1912.) | do..... | 28.80 | Do. |
| Do..... | do..... | Atlantic City, N. J. (June 4-7, 1912)... | To attend the meeting of the American Medical Association, as the representative of the bureau. | 28.90 | Do. |
| Do..... | do..... | Indianapolis, Ind. (June 13-15, 1912)... | To appear as a witness at the trial of case arising under the food and drugs act. | 46.25 | Do. |
| Keister, J. T..... | Assistant chemist..... | Points in the States of Massachusetts and Rhode Island. (Sept. 4-12, 1911.) | To make chemical analyses of milk and clams entering interstate commerce. | 56.70 | Do. |
| Do..... | do..... | Phoenix, Ariz. (Oct. 10-27, 1911).... | To appear before the grand jury, in case arising under the food and drugs act. | 226.16 | Do. |
| Kent, R. C..... | do..... | Points in the States of Pennsylvania, New Jersey, New York, Massachusetts, and Michigan. (Nov. 23, 1911-Jan. 21, 1912.) | To study the manufacture of gelatin, in connection with the enforcement of the food and drugs act. | 175.11 | Do. |
| Do..... | do..... | Points in the States of Pennsylvania, New Jersey, New York, Massachusetts, and Michigan. (Feb. 1-Mar. 9, 1912.) | do..... | 115.93 | Do. |
| Le Clerc, J. A..... | Chief of the vegetable physiological laboratory. | New York City. (Feb. 15-19, 1912).... | To confer relative to case arising under the food and drugs act. | 33.55 | Do. |
| Do..... | do..... | Louisville, Ky. (June 4-8, 1912).... | To attend the meeting of the second Millers' National Industrial Exposition, in order to read a paper on straight and mixed Graham flours before the seventeenth annual convention of the Fraternity of Operative Millers of America, held in connection with the above-mentioned exposition. | 55.05 | Laboratory, miscellaneous expenses. |
| Linton, F. B..... | Chief clerk, Bureau of Chemistry. | New York City; Philadelphia, Pa. (Feb. 6-9, 1912.) | To examine the methods of accounting, filing, and keeping property and other records in the branch laboratories of these cities. | 31.55 | Enforcement of the food and drugs act, 1912. |
| Do..... | do..... | Savannah, Ga.; Nashville, Tenn.; New Orleans, La.; Galveston, Tex.; St. Louis, Mo.; Kansas City, Mo.; Omaha, Nebr.; Chicago, Ill.; Detroit, Mich.; Cincinnati, Ohio; Pittsburgh, Pa. (Feb. 25-Mar. 14, 1912.) | To administratively examine, and make uniform, the methods of accounting, filing, and keeping interstate, import, property, and other records, and general office work in the branch laboratories of those cities. | 246.16 | Do. |
| Mason, Maud L..... | Bacteriological chemist.. | Points in the State of Massachusetts. (Jan. 11-Feb. 23, 1912.) | To assist in making a bacteriological examination of gelatin, in connection with the enforcement of the food and drugs act. | 171.85 | Do. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

| Do..... | do..... | New York City; Rochester and Buffalo, N. Y.; Boston, Mass.; Chicago, Ill.; Reading and Harrisburg, Pa. May 23-June 28, 1912.) | do..... | 232.31 | Do. |
| Salant, Wm..... | Pharmacologist..... | Arlington Farms, Va. (July 1, 1911, to June 30, 1912). ¹ | To take care of animals at the Arlington Farms belonging to the Bureau of Chemistry. | 25.00 | Do. |
| Reiger, John B..... | Pharmaceutical chemist..... | | | 19.50 | Do. |
| Scott, John..... | Laborer..... | | | | |
| Salant, Wm..... | Pharmacologist..... | New York City; New Haven, Conn. (June 1-9, 1912.) | To make an investigation of shellac in connection with the enforcement of the food and drugs act. | | |
| Sale, J. W..... | Assistant chemist..... | Points in the States of Maryland and Virginia. (Mar. 11-14, 1912.) | To investigate the cause of the pollution of oysters in the Potomac River in connection with the enforcement of the food and drugs act. | 5.00 | Do. |
| Sammet, C. Frank..... | do..... | Points in the States of Pennsylvania, New York, Connecticut, Massachusetts, Illinois, Michigan, and Wisconsin. (June 17-30, 1912.) | To secure data on the methods of drying paper and the effects of these methods on the value and durability of the paper. | 115.22 | Labratory, miscellaneous expenses. |
| Sherfy, R. E..... | Skilled laborer..... | Baltimore, Md. (Nov. 6, 1911).... | To carry certain papers to one of the witnesses appearing in case arising under the food and drugs act. | 2.70 | Enforcement of the food and drugs act, 1912. |
| Sherwood, Sidney F..... | Assistant chemist..... | Sandusky, Ohio. (Sept. 11-Oct. 12, 1911.) | To assist in an investigation relative to the preparation of fruit juices in connection with the enforcement of the food and drugs act. | 179.27 | Do. |

¹ This travel was performed under commutation tickets, and the cost of the travel for the individuals separately can not be given.

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

BUREAU OF CHEMISTRY—Continued.

| Name. | Title. | Destination. | Business or work. | Total expense. | Appropriation. |
|--------------------------|---|--|--|----------------|--|
| Sherwood, Sidney F | Assistant chemist..... | Points in the States of New York, Ohio and Vermont. (Mar. 13-Apr. 16, 1912.) | To assist in the maple sugar investigation being conducted in the States named in connection with the manufacture of sirup and sugar on a small scale from fresh and sour sap, so as to study the difference in composition of the finished product; also the effect of metals on the composition of sirups. | \$71.57 | Laboratory, miscellaneous expenses. |
| Shively, Rex..... |do..... | Chicago, Ill. (Sept. 8-16, 1911)..... | To assist the Chicago laboratory in analyzing samples in connection with the enforcement of the food and drugs act. | 19.60 | Enforcement of the food and drugs act, 1912. |
| Skinner, W. W..... |do..... | Alexandria, Va. (July 3, 1911)..... | To appear as a witness at the trial of case arising under the food and drugs act. | 1.70 | Do. |
| Do..... | Chief of the water laboratory. | Points in the States of Indiana, Illinois, Wisconsin, Colorado, and California. (Mar. 26-Apr. 20, 1912.) | To make a special investigation relative to mineral waters in connection with the enforcement of the food and drugs act. | 362.92 | Do. |
| Smith, Hugh M..... | Deputy commissioner, Bureau of Fisheries. | Boston, Mass. (Apr. 16-19, 1912)..... | To appear as a witness at trial of case arising under the food and drugs act. | 42.45 | Do. |
| Do..... |do..... | Pittsburgh, Pa. (June 16-18, 1912)..... | To appear as a witness in case involving violation of the food and drugs act. | 31.80 | Do. |
| Stephenson, C. H..... | Assistant chemist..... | Points in Pennsylvania and New York. (July 10-31, 1911.) | To conduct the investigations regarding the manufacture of certain food products, in connection with the enforcement of the food and drugs act. | 28.71 | Do. |
| Do..... |do..... | Baltimore, Md.; Philadelphia, Pa.; Salem, N. J. (Aug. 22-Sept. 28, 1911.) |do..... | 30.92 | Do. |
| Do..... |do..... | Danville, Va. (Apr. 10-13, 1912)..... | To appear as a witness in case arising under the food and drugs act. | 21.35 | Do. |
| Do..... |do..... | New York, N. Y. (Apr. 21-25, 1912)..... |do..... | 16.20 | Do. |

| Do..... | do..... | Kansas City, Mo. (Sept. 23-26, 1911)..... | | 48.50 | Laboratory, miscellaneous expenses. |
| Do..... | do..... | Baltimore, Md. (Nov. 8, 1911)..... | | 2.55 | Enforcement of food and drugs act, 1912. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

BUREAU OF CHEMISTRY—Continued.

| Name. | Title. | Destination. | Business or work. | Total expense. | Appropriation. |
|-------------------|------------------------|---|--|----------------|---|
| Wilson, C. P..... | Assistant chemist..... | New York, N. Y. (Aug. 21-24, 1911) .. | To inspect grinding devices and mills; for making experimental runs on lemons with such devices and mills, in connection with experiments the bureau conducted in connection with utilization of citrus by-products. | \$21.05 | Laboratory, miscellaneous expenses. |
| Do..... | do..... | Poughkeepsie and New York City, N. Y.; Philadelphia, Pa. (Oct. 17-21, 1911.) | To conduct experiments on the De Laval separator for the clarification of lemon and orange juices; to inspect citric-acid manufacturing plants, in connection with investigation being conducted by the bureau of the utilization of citrus by-products. | 29.55 | General expenses, Bureau of Chemistry, 1912 (laboratory, miscellaneous expenses). |
| Do..... | do..... | Los Angeles, Cal., travel within and throughout the State of California. (Oct. 28, 1911-June 30, 1912.) | To establish an experimental laboratory and plant, in connection with investigation upon the possibility of utilizing citrus by-products in California. | 877.50 | Do. |

BUREAU OF SOILS.

| | | | | | |
|----------------------|--------------------------|--|---|--------|---|
| Baumann, Geo. W..... | Executive assistant..... | Philadelphia, Pa., and return. (Dec. 20, 1911.) | To inspect and select from the stores at the Schuylkill Arsenal a quantity of suitable camp equipment for use of soil survey field parties. | \$6.89 | General expenses, Bureau of Soils, 1912 (soil survey). |
| Brown, Bailey E..... | Scientist..... | Marlboro, Md., and return. (Sept. 18-21, 1911.) | To examine and collect large samples of soil for laboratory investigations. | 8.86 | General expenses, Bureau of Soils, 1912 (soil laboratory investigations). |
| Do..... | do..... | To points in Alexandria County, Va., and return. (Dec. 4, 1911.) | To supervise the collection of soil samples for laboratory investigations. | 4.48 | Do. |
| Do..... | do..... | Marlboro, Md., and vicinity and return. (Dec. 11-12, 1911.) | To examine and collect large samples of soil for laboratory use in fertility investigations. | 11.18 | Do. |
| Do..... | do..... | Barnesville, Md. (Sept. 22, 1911)..... | To study farm management, public roads, orchards, and other farm subjects. | 2.20 | Contingent expenses, Department of Agriculture, 1912. |

| | | | | | |
|-----------------------|---------|--|--|--------|---|
| Cameron, Frank K..... | do..... | Atlantic City, N. J., and return. (July 16-19, 1911.) | To attend a meeting of the National Association of Fertilizer Manufacturers for the purpose of consulting the officers and members of the association regarding the manufacture and distribution of various types of fertilizers, with special reference to the utilization of natural domestic sources of fertilizer materials. | 24.20 | General expenses, Bureau of Soils, 1912 (soil laboratory investigations). |
| Do..... | do..... | Nashville and Knoxville, Tenn., and return. (Oct. 9-14, 1911.) | To consult with State officials, officers of the Agricultural College, and others with reference to the application of the results of recent soil investigations to the practice of agriculture and with reference to the utilization of smelter by-products in the manufacture of fertilizers. | 63.63 | Do. |
| Do..... | do..... | To points in Montana, Washington, Oregon, California, Nevada, and Missouri and return. (Aug. 20-Sept. 28, 1911.) | To investigate the utilization of natural raw materials and factory and smelter by-products as fertilizers, and to inspect and direct the work of the field agents on kelp and other raw fertilizer materials. | 388.10 | General expenses, Bureau of Soils, 1912 (investigations of fertilizer resources). |
| Do..... | do..... | Boston and New York and return. (Jan. 11-13, 1912.) | To consult with chemists, importers of potash fertilizers, and fertilizer mixers regarding the possible use of various raw materials in the preparation of commercial fertilizers. | 38.85 | Do. |
| Do..... | do..... | New York, N. Y., and return. (Jan. 25-27, 1912.) | To confer with fertilizer and potash importers regarding the use of American potash and raw materials in the mixing of fertilizers. | 26.15 | Do. |
| Do..... | do..... | Columbia, Chattanooga, Knoxville, Birmingham, Atlanta, and return. (Feb. 24-Mar. 8, 1912.) | To investigate methods of mining rock phosphate, manufacture of ground rock phosphate, sulphuric acid, and superphosphates, and the production of ammonia salts in coke ovens, with a view to ascertaining whether or not these products may be utilized as fertilizers. | 124.56 | Do. |
| Davis, R. O. E..... | do..... | Columbus, Ohio, and return. (Nov. 11-16, 1911.) | To consult with officials and professors of the agricultural college and State university concerning the use of ground phosphate rock and superphosphates in the State of Ohio, and to discuss the results obtained in the mineralogical examination of typical agricultural soils of the United States under investigation in the laboratories of the Bureau of Soils; also to confer with officials of the State experiment station and others attending the meeting of the American Society of Agronomy regarding the movement and control of soil moisture in the arable soils of the United States. | 42.60 | General expenses, Bureau of soils, 1912 (soil laboratory investigations). |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

BUREAU OF SOILS—Continued.

| Name. | Title. | Destination. | Business or work. | Total expense. | Appropriation. |
|----------------------|----------------|--|--|----------------|--|
| Fry, W. H. | Scientist..... | Columbus, Ohio, and return. (Dec. 16-28, 1911.) | To make mineralogical examinations of certain types of soils and subsoils under investigation by the Bureau of Soils, and to confer with the university authorities regarding microscopic and other similar methods of technique in the examination of soils. | \$29.50 | General expenses, Bureau of soils, 1912 (soil laboratory investigations). |
| Merz, A. R. | do..... | Reno, Nev. (Nov. 9-14, 1911)..... | To conduct laboratory investigations at Reno for the Bureau of Soils. | 109.65 | Do. |
| Robinson, W. O. | do..... | Newark, N. J., and Malvern, Pa., and return. (Aug. 3-4, 1911.) | To visit the platinum manufacturing establishments of Baker & Co. and Bishop & Co., for the purpose of selecting new forms and ascertaining the cost of reworking and remodeling into crucibles and dishes, worn out and defective platinum ware, property of the Bureau of Soils. | 12.90 | Do. |
| Schreiner, O. | do..... | New York and Ithaca, N. Y., and return. (Feb. 13-17, 1912.) | To confer with officials of Columbia and Cornell Universities with reference to soil fertility problems under investigation by the Bureau of Soils and to deliver a lecture before the students of those universities on the results of the bureau's work in this line of investigation. | 41.88 | Do. |
| Do. | do..... | Goshen, Md., and return. (Mar. 21, 1912.) | To deliver an address on organic matter in relation to soil fertility before a farmers' meeting. | 2.85 | Do. |
| Do. | do..... | State College, Pa., and return. (May 21-23, 1912.) | To consult with officials of the Pennsylvania Agricultural Experiment Station regarding soil fertility problems under investigation by the Bureau of Soils, and to inspect fertility work carried on at that place in co-operation with the experiment station. | 23.48 | Do. |
| Skinner, J. J. | do..... | Germantown, Md. (Sept. 22, 1911).... | To study farm management, public roads, orchards, and other farm subjects. | 1.90 | Contingent expenses, Department of Agriculture, 1912. |
| Ross, W. H. | do..... | Burtonsville, Md., and return. (May 1, 1912.) | To examine and make report upon an alleged discovery of a potash deposit. | 3.60 | General expenses, Bureau of Soils, 1912 (investigation of fertilizer resources). |

| | | | | | |
|-------------------|-----------------|--|---|--------|--|
| Turrentine, J. W. | do | Points in New York and Michigan and return. (July 28-Aug. 18, 1911.) | To investigate, in cooperation with the United States Geological Survey, the methods of salt mining and the handling of salines, brines, and mother liquors, for the purpose of determining the location and extent of potash-carrying salines and their availability as a source of potash salts. | 134.00 | Do. |
| Do | do | Hollofield, Md., and return. (Nov. 7, 1911.) | To investigate a reported deposit of potash salts at or near that place. | 3.78 | Do. |
| Do | do | New York, N. Y., and return. (June 12-15, 1911.) | To obtain information with reference to the methods employed in the dry distillation of kelp and the recovery of potash and other valuable products therefrom, in order that it may be determined whether or not they may be utilized as fertilizers. | 28.00 | Do. |
| Waggaman, W. H. | do | Atlantic City, N. J., and return. (July 16-19, 1911.) | To attend a meeting of the National Association of Fertilizer Manufacturers for the purpose of consulting with members and officials of the association regarding the manufacture and distribution of various types of fertilizers, with special reference to the utilization of natural sources of fertilizers available in the United States. | 24.95 | Do. |
| Do | do | Points in Alabama and Georgia. (Aug. 18-Sept. 2, 1911.) | To investigate sources and manufacture of fertilizer materials. | 195.45 | Do. |
| Do | do | New York, Philadelphia, and Baltimore, Md., and return. (Nov. 3-10, 1911.) | To investigate sources, manufacture, handling, and storage of fertilizer materials. | 36.02 | Do. |
| Do | do | Chicago and return. (Mar. 21-23, 1912.) | To investigate the preparation and utilization of basic slags as fertilizers. | 51.35 | Do. |
| Whitney, Milton | Chief of bureau | Nashville, Tenn., and return. (Apr. 8-12, 1912.) | To deliver an address before the Southern Commercial Congress on the soil resources of the South, and to confer with those present with reference to southern soil problems under investigation by the Bureau of Soils. | 47.10 | General expenses, Bureau of Soils, 1912 (administrative expenses.) |

BUREAU OF ENTOMOLOGY.

| | | | | | |
|----------------|-------------------------|--|---|---------|---|
| Busek, August | Entomological assistant | Richmond, Va. (July 11-13, 1911).... | To investigate certain injurious insects..... | \$15.95 | General expenses, Bureau of Entomology, 1912 (miscellaneous insects). |
| Caudell, A. N. | Assistant | Boston, Mass., stopping at New York and Philadelphia. (July 17-Aug. 17, 1911.) | To compare and study specimens of Orthoptera in the collections of the Academy of Natural Sciences, American Museum of Natural History, Brooklyn Institute, and Cambridge Museum. | 82.90 | Do. |
| Do | do | Boston, Mass., stopping at Philadelphia. (Sept. 18-Nov. 1, 1911.) | do..... | 117.40 | Do. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

BUREAU OF ENTOMOLOGY—Continued.

| Name. | Title. | Destination. | Business or work. | Total expense. | Appropriation. |
|--------------------|---------------------------|--|---|----------------|--|
| Clifton, R. S..... | Executive assistant..... | Boston, Mass. (Nov. 30-Dec. 3, 1911). | To confer with the superintendent of moths, Bureau of Entomology, and the forester of the State of Massachusetts, concerning the investigation of the gipsy and brown-tail moths. | \$39.65 | Preventing spread of moths, Bureau of Entomology, 1912. |
| Howard, L. O..... | Chief of bureau..... | San Francisco, Cal., Los Angeles, Cal., Dallas, Tex., and various other points in the United States. (Sept. 25-Oct. 14, 1911.) | To inspect field stations of the Bureau of Entomology and consult with employees in charge of these stations and with State entomologists. | 275.85 | General expenses, Bureau of Entomology-1912 (miscellaneous in, sects). |
| Do..... | do..... | Boston, Mass., and various points in the New England States. (Sept. 18-24, 1911.) | To inspect field work against the spread of the gipsy and brown-tail moths. | 54.05 | Preventing spread of moths, Bureau of Entomology, 1912. |
| Marlatt, C. L..... | Acting chief of bureau... | Orlando, Fla., and throughout State of Florida. (Apr. 16-26, 1912.) | To inspect field work against citrus fruit insects. | 104.60 | General expenses, Bureau of Entomology, 1912 (citrus fruit insects). |

BUREAU OF BIOLOGICAL SURVEY.

| | | | | | |
|-------------------------|---|---|--|----------|--|
| Bailey, Vernon..... | In charge of biological investigations. | Various points in Montana, Wyoming, and Idaho. (Aug. 1-Oct. 22, 1911.) | To gather data on the geographic distribution of animals and plants and to have general supervisory charge of field parties engaged in similar work. | \$471.57 | General expenses, Bureau of Biological Survey, 1912 (biological investigations). |
| Do..... | do..... | Various points in Wisconsin, Minnesota, North Dakota, Wyoming, Montana, and Idaho. (June 3-30, 1912.) | do..... | 131.60 | Do. |
| Birdseye, Clarence..... | Expert field naturalist.. | Various points in California, Washington, and Montana. (July 1-Oct. 18, 1911; Mar. 26-June 30, 1912.) (Trip begun in previous fiscal year.) | To investigate depredations of ground squirrels, pocket gophers, and other mammals of economic importance and to gather data on the relation of birds to agriculture, horticulture, and forestry, and the transmission of disease. | 795.23 | General expenses, Bureau of Biological Survey, 1912 (food habits of birds and mammals) |
| Brewster, C. E..... | Game law expert..... | Various points in Michigan, Illinois, Wisconsin, Minnesota, and Virginia. (Sept. 28-Nov. 18, 1911.) | To investigate interstate shipments of game. | 348.96 | General expenses, Bureau of Biological Survey, 1912 (game preservation). |

| | | | | | |
|--------------------|---------------------------------------|--|--|--------|---|
| Do..... |do..... | Various points in Virginia, Tennessee, Arkansas, Oklahoma, Kansas, and Missouri. (Nov. 26-Dec. 27, 1911.) | To supervise transportation of game to national game reservations and to investigate the interstate shipment of game in the Southwest. | 275.93 | Do. |
| Do..... |do..... | Various points in Pennsylvania, Delaware, Maryland, Virginia, and North Carolina. (Jan. 12-31, 1912; Feb. 4-20, 1912; Mar. 25-30, 1912.) | To investigate interstate shipments of game and importations of foreign birds and mammals. | 212.92 | Do. |
| Do..... |do..... | Various points in Illinois, Kentucky, Ohio, Michigan, Tennessee, Missouri, Arkansas, Virginia, West Virginia, and North Carolina. (Mar. 2-24, 1912.) |do..... | 254.97 | Do. |
| Do..... |do..... | Various points in Virginia, West Virginia, North Carolina, Pennsylvania, Ohio, Illinois, Michigan, Wisconsin, Arkansas, and Louisiana. (May 2-23, 1912.) | To investigate interstate shipments of game. | 186.43 | Do. |
| Do..... |do..... | Various points in Pennsylvania, Michigan, Wisconsin, and Illinois. (June 1-16, 1912.) |do..... | 135.00 | Do. |
| Dearborn, Ned..... | Expert biologist..... | Various points in California, New Mexico, Washington, and Oregon. (July 1-Aug. 30, 1911; Apr. 19-June 30, 1912.) (Trip begun in previous fiscal year.) | To carry on investigations to determine practical methods of combating depredation of prairie dogs and other injurious mammals and to study methods of suppression of destruction of seeds by mammals and birds in the course of reforestation. | 480.75 | General expenses, Bureau of Biological Survey, 1912 (food habits of birds and mammals) |
| Fisher, A. K..... | In charge of economic investigations. | Various points in Colorado, Utah, Arizona, and Mississippi. (July 1-Aug. 18, 1911.) | To study the depredations of prairie dogs, pocket gophers, ground squirrels, and other mammals of economic importance; to gather data on the economic status of birds and mammals in relation to agriculture, horticulture and forestry, and to study methods of suppressing the destruction of seeds by mammals and birds in the course of reforestation. | 456.46 | General expenses, Bureau of Biological Survey, 1912 (food habits of birds and mammals). |
| Do..... |do..... | Harrisburg, Pa. (Feb. 19-24, 1912).... | To represent Biological Survey in discussion of the relations of birds and squirrels as possible agents in the transmission of chestnut-bark disease. | 25.44 | Do. |
| Do..... |do..... | Various points in Mississippi. (June 6-14, 1912.) | To devise methods for destroying crawfish which devastate the corn and cotton crops in the State. | 97.99 | Do. |
| Do..... |do..... | Various points in Louisiana. (June 16-23, 1912.) | To cooperate with the State in securing better protection for water fowl and other game birds. | 99.75 | Do. |
| Goldman, E. A..... | Field naturalist..... | New York City. (Nov. 10-14, 1911).... | To study and compare specimens of mammals in the American Museum in connection with a report on the biology of the Canal Zone. | 25.05 | General expenses, Bureau of Biological Survey, 1912 (biological investigations). |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

BUREAU OF BIOLOGICAL SURVEY—Continued.

| Name. | Title. | Destination. | Business or work. | Total expense. | Appropriation. |
|-------------------|-------------------------|---|--|----------------|---|
| Gutsell, J. S. | Agent. | Various points in Alabama, Texas, and Georgia. (July 1-Sept. 30, 1911) (Trip begun in previous fiscal year.) | To gather data on the economic status and geographic distribution of the mammals and birds of the region visited. | \$360.97 | General expenses, Bureau of Biological Survey, 1912 (biological investigations). |
| Henshaw, H. W. | Chief of bureau. | Dixon, Montana, and various points in California and Oregon. (Aug. 26-Oct. 2, 1911.) | To inspect the bison range in Montana and to inspect bird reservations in Oregon and work done in California in connection with attempts to exterminate the California ground squirrel, and to collect data on the distribution of animals and plants, and the food habits of birds and mammals. | 284.40 | General expenses, Bureau of Biological Survey, 1912 (administrative expenses). |
| Do. | do. | Philadelphia, Pa. (Nov. 12-15, 1911). | To represent the Biological Survey at the annual meeting of the American Ornithologists' Union. | 22.65 | Do. |
| Howell, A. H. | Assistant biologist. | Various points in Alabama, Mississippi and Georgia. (July 1-9, 1911.) | To gather data on the economic status and geographic distribution of mammals and birds of the region visited. | 64.82 | General expenses, Bureau of Biological Survey, 1912 (biological investigations). |
| Do. | do. | Various points in Tennessee, Alabama, Mississippi, Florida, Georgia, Louisiana, Illinois, and Indiana. (Jan. 20-May 16, 1912.) | do | 575.19 | Do. |
| Jackson, H. H. T. | Expert. | Various points in Wisconsin, Iowa, and Minnesota. (May 10-June 30, 1912.) | do | 130.17 | General expenses, Bureau of Biological Survey, 1912 (biological investigations). |
| Lantz, D. E. | Assistant biologist. | Various points in the national forests of Colorado. (July 1-Sept. 2, 1911; Mar. 28-June 30, 1912.) (Trip begun previous fiscal year.) | To investigate and determine the best methods for controlling prairie dogs and other mammals on the public domain. | 1,038.58 | General expenses, Bureau of Biological Survey, 1912 (food habits of birds and mammals). |
| McAtee, W. L. | do. | Asheville, N. C. (June 22-28, 1912) | To study the Biltmore herbarium in order to secure data on the fruiting season of trees and shrubs which furnish food attractive to birds. | 50.20 | Do. |
| Merriam, C. H. | Consulting biologist. | Various points on the Pacific coast and British Columbia. (July 12-Oct. 28, 1911.) | To gather data on the economic status and geographic distribution of animals and plants. | 185.46 | General expenses, Bureau of Biological Survey, 1912 (administrative expenses). |
| Nelson, E. W. | Chief field naturalist. | Various points in Arizona and California. (Aug. 16-Nov. 9, 1911.) | To gather data on the economic status and geographic distribution of the mammals and birds of the region visited. | 412.42 | Do. |

| | | | | | |
|------------------------|---------------------------|--|---|----------|---|
| Oberholser, H. C..... | Assistant ornithologist.. | Philadelphia and New York City. (Nov. 8-30, 1911.) | To study certain groups of birds in the Academy of Natural Sciences and the American Museum in connection with a report for publication. | 24.95 | General expenses, Bureau of Biological Survey, 1912 (biological investigations). |
| Oldys, Henry..... | Assistant biologist..... | Richmond, Va. (Nov. 21, 1911.) | To investigate game and game conditions.... | 7.30 | General expenses, Bureau of Biological Survey, 1912 (game preservation). |
| Palmer, T. S..... | Assistant chief..... | Various points in Massachusetts, Connecticut, New York, Pennsylvania, New Jersey, Maryland, and Virginia. (Oct. 28-Nov. 16, 1911; Jan. 10-27, 1912; Feb. 1-23, 1912; May 1-3, 1912; June 1-6, 1912.) | To supervise inspection service of foreign birds and to confer with State officials and others concerning matters of game preservation. | 140.65 | Do. |
| Scheffer, Theo. H..... | Expert..... | Various points in Kansas and Arizona. (July 1-Sept. 30, 1911; Mar. 12-June 30, 1912.) (Trip begun previous fiscal year.) | To investigate and determine the best methods of controlling noxious mammals and to study the food habits of certain species of birds of economic importance. | 1,131.90 | General expenses, Bureau of Biological Survey, 1912 (food habits of birds and mammals). |

DIVISION OF ACCOUNTS AND DISBURSEMENTS.

| | | | | | |
|-----------------------|---|---|---|----------|--|
| Calvert, Edgar B..... | Assistant chief..... | Savannah, Ga., Tampa, Key West, and Sand Key, Fla. (Sept. 15-23, 1911). | To examine station accounts and inspect construction work on Sand Key building. | \$116.55 | General expenses, Weather Bureau, 1912. |
| Do..... | do..... | Key West, Fla. (Dec. 16-25, 1911). | To inspect construction work on Key West building. | 122.35 | Do. |
| Do..... | do..... | Key West, Fla. (June 11-18, 1912). | do..... | 100.00 | Do. |
| Fagan, M. E..... | Chief, office of accounts and fiscal agent. | Points in the New England States, New York, New Jersey, and Maryland. (Sept. 21-Oct. 3, 1911.) | To instruct collaborators and State officers engaged in cooperative fire-protection work with a view to securing uniformity in reporting expenditures, and in keeping their accounting records under the cooperative fire agreements. | 64.30 | General expenses, Forest Service, 1912 (general administration). |
| Do..... | do..... | Ogden, Utah, and San Francisco, Cal. (Apr. 12-May 23, 1912.) | To take charge of district accounts office during absence of district fiscal agent at Ogden and to inspect the office of accounts at San Francisco. | 348.30 | Do. |
| Forbes, F. E..... | Auditor..... | Quebec, Canada. (June 24-29, 1912.) | To attend the annual meeting of the Association of American Railway Accounting Officers. | 67.05 | Contingent expenses, Department of Agriculture, 1912. |
| Fuchs, Wm. R..... | Deputy disbursing clerk. | Baltimore, Md. (July 5, 1911) | To secure signatures to certain papers in connection with the purchase of land by the Department of Agriculture. | 2.30 | Do. |
| Melzar, E. A..... | District fiscal agent..... | Denver, Colo.; Ogden, Utah; Missoula, Mont.; Portland, Oreg.; San Francisco, Cal.; and Albuquerque, N. Mex., and other points in the West. (July 12-Oct. 24, 1911.) | To instruct district fiscal agents and others concerned in keeping records for the classification of expenditures, and to take temporary charge of accounts office at San Francisco, Cal. | 749.04 | General expenses, Forest Service, 1912 (general administration). |
| Do..... | do..... | Denver, Colo., and Ogden, Utah. (Feb. 5-Mar. 9, 1912.) | To supervise work of district fiscal agents, and to examine records. | 305.10 | Do. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

BUREAU OF ACCOUNTS AND DISBURSEMENTS—Continued.

| Name. | Title. | Destination. | Business or work. | Total expense. | Appropriation. |
|-------------------|----------------------------|--|--|----------------|--|
| Melzar, E. A..... | District fiscal agent..... | Denver, Colo.; Ogden, Utah; Missoula, Mont.; Portland, Oreg.; San Francisco, Cal.; and Albuquerque, N. Mex., and various national forest headquarters. (June 27-30, 1912.) (Trip not completed in fiscal year 1912.) | To supervise work of district fiscal agents and to take temporary charge of offices. | \$62.25 | General expenses, Forest Service, 1912 (general administration). |

DIVISION OF PUBLICATIONS.

| | | | | | |
|--------------------|-----------------------|------------------------------------|--|---------|---|
| Bowie, John R..... | Assistant editor..... | Richmond, Va. (Nov. 18-23, 1911).. | To collect and disseminate information on road management and economics. | \$44.00 | General expenses, Office of Public Roads, 1912 (road management). |
|--------------------|-----------------------|------------------------------------|--|---------|---|

BUREAU OF STATISTICS.

| | | | | | |
|---------------------|----------------------------|--|--|----------|--|
| Andrews, Frank..... | Statistical scientist..... | New York, N. Y.; Chicago, Ill.; St. Paul, Minn.; St. Louis, Mo.; Louisville, Ky., Cincinnati, Ohio; Roanoke, Va.; Richmond, Va.; Norfolk, Va. (July 1-22, 1911.) (Trip begun in fiscal year 1911.) | To gather information concerning agricultural development in the United States as influenced by transportation companies, with special reference to such topics as railroad lands and their occupation, colonization schemes, freight and passenger rates, special freight service, crop estimates made by transportation lines, tonnage of farm products carried, and the organization of industrial departments; and to collect data concerning fast freight service and methods of distributing perishable farm products. | \$152.29 | General expenses, Bureau of Statistics, 1912 (special investigations). |
| Do..... | do..... | Baltimore, Md. (Aug. 30, 1911)..... | To secure quotations of prices of dressed beef, fresh pork, fresh mutton, fresh fish, dressed poultry, butter, and eggs, in connection with an investigation concerning cold storage and prices. | 1.75 | Do. |

| | | | | | |
|----------------------|----------------------------|--|---|--------|-----|
| Do..... | do..... | New York, N. Y.; Boston, Mass.; Rochester, N. Y.; Chicago, Ill.; St. Louis, Mo.; Indianapolis, Ind.; Cincinnati, Ohio; Pittsburgh, Pa. (May 27-June 22, 1912.) | To secure statistics relative to the quantity of apples marketed, and information concerning methods and cost of moving the apple crop from orchard to storehouse and thence to market. | 168.06 | Do. |
| Covert, James R..... | Clerk, class 4..... | Norfolk, Va.; Boston, Mass. (Sept. 16-29, 1911.) | To secure information relative to the vegetable industry, with special reference to methods and dates of planting and harvesting. | 48.55 | Do. |
| Jones, S. A..... | Assistant chief of bureau. | Council Bluffs, Iowa; Lincoln, Nebr.; King City, Mo.; Topeka, Kans.; Okeene, Okla.; Guthrie, Okla.; Austin, Tex.; Houston, Tex.; Mena, Ark.; Vicksburg, Miss.; Nashville, Tenn.; Lexington, Ky.; Berryville, Va. (July 17-Aug. 21, 1911.) | To examine and inspect offices of the field service of the bureau, and to supervise and instruct State statistical agents and special field agents. | 283.36 | Do. |
| Do..... | do..... | Chicago, Ill.; St. Louis, Mo. (Sept. 4-17, 1911.) | To secure data relative to wholesale prices of meats back to 1880, and to secure such general information as may be available on the subject of cold storage of meats. | 110.58 | Do. |
| Do..... | do..... | Aberdeen, S. Dak.; Sheridan, Wyo.; Missoula, Mont.; Weiser and Moscow, Idaho; Kennewick, Wash.; Portland and Corvallis, Oreg.; San Francisco, Cal.; Carson City, Nev.; Salt Lake City, Utah; Carbondale, Colo.; Los Lunas, N. Mex.; Phoenix, Ariz.; Lake Charles, La.; Laurel and Carrollton, Miss.; Auburn, Ala.; Gainesville, Fla.; Atlanta, Ga.; Greeneville, Tenn. (Oct. 2-Nov. 30, 1911.) | To examine and inspect offices of the field service of the bureau, and to supervise and instruct State statistical agents and special field agents. | 667.77 | Do. |
| Do..... | do..... | Warrenton, Va.; Renssaeler, N. Y.; Randolph, Vt.; Maysville Center, Me.; Kingston, R. I.; Marlboro, Mass.; Whitehouse Station, N. J.; West Cornwall, Conn.; Fayetteville, N. Y.; Milford, Del. (Jan. 24-Feb. 13, 1912.) | do..... | 139.31 | Do. |
| Do..... | do..... | Bryantown, Md.; Raleigh, N. C.; Florence, S. C. (Feb. 16-22, 1912.) | do..... | 36.60 | Do. |
| Do..... | do..... | Hiawatha, Kans.; Council Bluffs, Iowa; Basin, Wyo.; Fargo, N. Dak.; Fergus Falls and Minneapolis, Minn.; Madison, Wis.; Chicago, Ill.; Carson City, Mich.; Columbus, Ohio. (Feb. 26-Mar. 30, 1912.) | do..... | 246.05 | Do. |
| Do..... | do..... | Raymond City, W. Va.; Lexington, Ky.; Mena, Ark.; Guthrie, Okla.; Olathe and Hiawatha, Kans.; Des Moines, Iowa; Indianapolis and Columbus, Ind. (Apr. 21-May 19, 1912.) | do..... | 224.73 | Do. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

BUREAU OF STATISTICS—Continued.

| Name. | Title. | Destination. | Business or work. | Total expense. | Appropriation. |
|-------------------------|----------------------------|--|---|----------------|--|
| Jones, S. A | Assistant chief of bureau. | Greeneville and Nashville, Tenn.; Carrollton, Miss.; Houston and Austin, Tex.; Lake Charles, La.; Laurel, Miss.; Auburn, Ala.; Gainesville, Fla.; Atlanta, Ga.; Florence, S. C.; Raleigh, N. C. (June 2-25, 1912.) | To examine and inspect offices of the field service of the bureau, and to supervise and instruct State statistical agents and special field agents. | \$236.14 | General expenses, Bureau of Statistics, 1912 (special investigations). |
| Olmsted, Victor H. | Chief of bureau..... | Antwerp, Belgium. (July 1, 1911.) (Trip begun in fiscal year 1911.) | To secure information concerning methods of collecting agricultural data by European countries, and to ascertain whether any features of such methods are worthy of adoption. | 1.47 | Do. |

LIBRARY.

| | | | | | |
|--------------------|----------------|--|--|---------|---|
| Barnett, C. R..... | Librarian..... | New York, N. Y. (Sept. 23-Oct. 1, 1911.) | To attend the meetings of the Special Librarians Association and the New York State Library Association, as the official representative of the department library. | \$35.75 | Library, Department of Agriculture, 1912. |
| Do..... | do..... | Ottawa, Canada. (June 25-30, 1912)... | To attend the meeting of the American Library Association as the official representative of the department. | 62.23 | Do. |

OFFICE OF EXPERIMENT STATIONS.

| | | | | | |
|------------------|-------------------------|---|--|----------|---|
| Allen, E. W..... | Assistant director..... | Various points in West Virginia, Ohio, Illinois, Indiana, Iowa, Nebraska, Michigan, Connecticut, and Vermont. (July 15-Sept. 12, 1911.) | To inspect State experiment stations under the act of Mar. 2, 1887, and amendatory acts, and to confer with officials of colleges and experiment stations in relation to their work and condition. | \$277.84 | Agricultural experiment stations, 1912. |
| Do..... | do..... | Columbus, Ohio. (Nov. 12-18, 1911).. | To attend meeting of the Association of American Agricultural Colleges and Experiment Stations and to deliver address on agricultural experiment station work of the department and confer with officials of the association in relation to the conduct and results of their work. | 55.10 | Do. |

| | | | | | |
|-------------------|---------------------------------------|--|---|--------|--|
| Do..... | do..... | Amherst, Mass. (Jan. 27-30, 1912).... | To confer with the director and horticulturist of the Massachusetts Experiment Station and the president of the college, regarding projects of the station. To inspect State experiment stations under the act of Mar. 2, 1887, and amendatory acts, and to confer with officials of colleges and experiment stations in relation to their work and condition. To inquire into the progress of the Lake Phelps Drainage Project. To inspect State experiment stations under the act of Mar. 2, 1887, and amendatory acts and to confer with officials of colleges and experiment stations in relation to their work and condition. | 12.39 | Do. |
| Do..... | do..... | Staunton, Blacksburg, Christiansburg, and Roanoke, Va. (May 27-June 1, 1912.) | To inspect State experiment stations under the act of Mar. 2, 1887, and amendatory acts, and to confer with officials of colleges and experiment stations in relation to their work and condition. | 26.35 | Do. |
| Do..... | do..... | Creswell, N. C. (Apr. 14-17, 1912).... | To inquire into the progress of the Lake Phelps Drainage Project. | 27.30 | Drainage investigations, 1912. |
| Beal, W. H..... | Chief of division..... | Various points in Pennsylvania, New York, New Jersey, and Delaware. (Sept. 24-Oct. 6, 1911.) | To inspect State experiment stations under the act of Mar. 2, 1887, and amendatory acts and to confer with officials of colleges and experiment stations in relation to their work and condition. | 60.47 | Agricultural experiment stations, 1912. |
| Do..... | do..... | Columbus, Ohio. (Nov. 13-17, 1911).... | To attend meeting of the Association of American Agricultural Colleges and Experiment Stations and to deliver address on agricultural experiment station work of the department and confer with officials of the association in relation to the conduct and results of their work. | 45.80 | Do. |
| Do..... | do..... | Various points in North Carolina, South Carolina, Georgia, Florida, Alabama, Mississippi, and Louisiana. (Apr. 28-May 28, 1912.) | To inspect State experiment stations under the act of Mar. 2, 1887, and amendatory acts, and to confer with officials of colleges and experiment stations in relation to their work and condition. | 186.58 | Do. |
| Crosby, D. J..... | Specialist in agricultural education. | Rock Hill, S. C. (July 11-13, 1911).... | To inspect State experiment stations under the act of Mar. 2, 1887, and amendatory acts, and to confer with officials of colleges and experiment stations in relation to their work and condition. | 30.60 | Agricultural experiment station, 1912 (farmers' institutes). |
| Do..... | do..... | Various points in New York. (July 14-21, 1911.) | To investigate and report on the teaching of agriculture and to deliver an address before a conference of teachers in agriculture in high schools. | 9.75 | Do. |
| Do..... | do..... | Various points in California, Arizona, Texas, New Mexico, and Louisiana. (Oct. 4-Nov. 4, 1911.) | To investigate and report on the teaching of agriculture in the schools and to deliver lectures before the Summer School for Teachers at the New York State College of Agriculture. | 202.95 | Do. |
| Do..... | do..... | Various points in Ohio, New York, and Massachusetts. (Nov. 9-22, 1911.) | To attend a conference of officials of agricultural schools and State teachers' association and to investigate and report on methods of teaching agriculture in secondary schools. | 56.66 | Do. |
| | | | To investigate and report on the teaching of agriculture in schools; to deliver lectures before the Central Ohio Teachers' Association at Cincinnati and before the American Association for the Advancement of Agricultural Teaching at Columbus, Ohio, and to attend a conference on the training of teachers for agriculture at Amherst, Mass. | | |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

OFFICE OF EXPERIMENT STATIONS—Continued.

| Name. | Title. | Destination. | Business or work. | Total expense. | Appropriation. |
|---------------------|---------------------------------------|--|---|----------------|---|
| Crosby, D. J | Specialist in agricultural education. | Various points in Louisiana and Texas. (Nov. 27-Dec. 3, 1911.) | To investigate and report upon the teaching of agriculture in schools and to deliver an address before the Southern Educational Association at Houston, Tex. | \$97.55 | Agricultural experiment stations, 1912 (farmers' institutes). |
| Do.....do..... | | New York City. (Jan. 20-27, 1912).... | To attend a conference on agricultural education for dependent and delinquent boys and to deliver address. | 18.55 | Do. |
| Do.....do..... | | Various points in North Carolina. (Feb. 13-16, 1912.) | To investigate and report on the teaching of agriculture in schools. | 27.45 | Do. |
| Do.....do..... | | Various points in Indiana, Illinois, and Missouri. (Feb. 24-Mar. 1, 1912.) | To investigate and report on the teaching of agriculture in schools; to attend the convention of the department of superintendence of the National Education Association and the National Society for the Study of Education, and to give an address before the latter association. | 82.15 | Do. |
| Do.....do..... | | Various points in Virginia. (Apr. 16-18, 1912.) | To investigate and report on the work of agricultural schools. | 13.30 | Do. |
| Do.....do..... | | Gaithersburg, Md., and Greensboro, N. C. (June 7-22, 1912.) | To deliver an address at the Montgomery County Country Life Conference and to investigate and report on the work of agricultural schools. | 23.50 | Do. |
| Daish, Wilda M..... | Clerk, class 1..... | Columbus, Ohio. (Nov. 11-17, 1911)... | To report the proceedings of the convention of the American Association of Farmers' Institute Workers. | 27.10 | Do. |
| Elliott, C. G..... | Chief of drainage investigations. | Richmond, Va. (July 11-15, 1911).... | To inspect the work of the Chickahominy Swamp Survey. | 7.35 | Drainage investigations, 1912. |
| Do.....do..... | | Lawrence, Pa.; points in Canada, Kalamazoo, Mich., and Louisville, Ky. (Aug. 7-26, 1911.) | To give assistance in a drainage project at Lawrenceville, Pa.; to examine the methods of drainage used by the Government of Canada, and to examine the drained muck lands in Michigan. Look over drainage project near Louisville, Ky. | 106.39 | Do. |
| Do.....do..... | | Various points in North Carolina, South Carolina, and Virginia. (Oct. 20-Nov. 16, 1911.) | To examine and report upon several drainage projects and to deliver an address before the fourth annual convention of the North Carolina Drainage Association at Elizabeth City, N. C. | 62.82 | Do. |
| Do.....do..... | | Various points in Tennessee, Mississippi, Arkansas, Illinois, and Kentucky. (Nov. 26-Dec. 14, 1911.) | To inspect the work of the office and examine the Tallahatchie drainage district in Mississippi. | 107.62 | Do. |

| | | | | | |
|----------------------|-------------------------------------|---|--|--------|---|
| Do..... |do..... | Norfolk, Va. (Jan. 28-29, 1912)..... | To consult with engineers regarding the work of the office. | 10.05 | Do. |
| Ervin, Guy..... | Stenographer and typewriter. | Berkley, Cal. (June 23-28, 1912)..... | Transferred for duty..... | 107.75 | Irrigation investigations 1912. |
| Evans, W. H..... | Chief of division n: lar stations. | Various points in Illinois, Wisconsin, Minnesota, North Dakota, South Dakota, Kansas, Missouri, and Arkansas. (Aug. 24-Sept. 7, and Sept. 19-Oct. 6, 1911.) | To inspect State experiment stations under the act of Mar. 2, 1887, and amendatory acts, and to confer with officials of colleges and experiment stations in relation to their work and condition. | 240.85 | Agricultural experimen stations, 1912. |
| Do..... |do..... | Various points in Washington. (Sept. 8-18, 1911.) | To inspect the conditions of live stock being prepared for shipment from Seattle to the experiment station, island of Guam, and to supervise the loading and shipment of the stock. | 158.70 | Agricultural experiment stations, 1912 (island of Guam). |
| Fortier, Samuel..... | Chief of irrigation investigations. | Various points in Utah, Nevada, California, Oregon, Washington, Colorado, Kentucky, Montana, Wyoming, Pennsylvania, and New Jersey. (July 1-Aug. 22, 1911.) | To confer with agents and supervise the work of irrigation investigations. | 348.39 | Irrigation investigations, 1912. |
| Do..... |do..... | Buckeystown, Md. (Nov. 10, 1911)..... | To confer with individuals regarding an irrigation plant in the State of Maryland. | 2.98 | Do. |
| Do..... |do..... | Chicago, Ill. (Dec. 4-9, 1911)..... | To attend the National Irrigation Congress and to confer with experts in relation to irrigation investigations. | 65.60 | |
| Do..... |do..... | Baltimore, Md. (Jan. 12, 1912)..... | To confer with individuals regarding an irrigation plant in the State of Maryland. | 1.50 | Do. |
| Do..... |do..... | Philadelphia and South Bethlehem, Pa. (Jan. 20-21, 1912.) | To confer with parties regarding irrigation plants. | 9.35 | Do. |
| Hamilton, John..... | Specialist, farmers' in- stitutes. | Columbus, Ohio. (Nov. 11-18, 1911)..... | To attend the meetings of the American Association of Farmers' Institute Workers and the Association of American Agricultural Colleges and Experiment Stations; to deliver addresses and confer with the officials of the associations in relation to the conduct and results of their work. | 59.12 | Agricultural experiment stations, 1912 (farmers' institutes). |
| Do..... |do..... | New York City. (Nov. 22-24, 1911)..... | To deliver an address on the work of the farmers' institutes before a conference on rural life problems, in which the relation of farmers' institutes to the betterment of agriculture and country life was discussed. | 19.60 | Do. |
| Do..... |do..... | Baltimore, Md. (Dec. 8, 1911)..... | To deliver an address before the Farmers' League of Maryland. | 2.70 | Do. |
| Do..... |do..... | Richmond, Va. (Jan. 16-18, 1912)..... | To attend a meeting of the Virginia Farmers' Institute. | 18.37 | Do. |
| Do..... |do..... | Harrisburg, Pa. (Jan. 23-25, 1912)..... | To attend meetings of the farmers' institute lectures and the State board of agriculture of Pennsylvania. | 17.02 | Do. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

| Do..... |do..... | Calvert, Md. (May 30-31, 1912).... | To give lecture on the relation of education to good roads. | 5.55 | Do. |
| Do..... |do..... | Winchester, Va. (June 28-30, 1912).... | To make inspection of roads and give advice. | 29.38 | Do. |
| Hoyt, Charles H..... | Bridge engineer. | Concord and various points throughout the State of New Hampshire. (July 27-Aug. 12, 1911.) | To make inspection of roads and give advice at Concord. To collect data and take photographs for bulletin on New Hampshire roads at various points. (Bulletin 42.) | 114.99 | General expenses, Office of Public Roads, 1912 (investigating road building and maintenance). |
| Do..... |do..... | Dillon, S. C.; Bay St. Louis, and Hattiesburg, Miss. (Aug. 29-Sept. 16, 1911.) | To investigate concrete bridge work at Dillon. To make inspection of roads and give advice at Bay St. Louis. To inspect gravel object-lesson road at Hattiesburg; and return to Dillon. | 111.35 | Do. |

| | | | | | |
|-----------------------|-------------------------|--|---|--------|---|
| Do..... |do..... | Nashville, Tenn. (Sept. 19, 1911).... | To advise in regard to Memphis-to-Bristol highway, and to give lecture on road building at State fair. | 32.30 | Do. |
| Do..... |do..... | Dillon, S. C. (Sept. 21-Oct. 1, 1911).... | To investigate concrete bridge work..... | 38.35 | Do. |
| Do..... |do..... | Tazewell, Va. (Nov. 28-30, 1911).... | To make inspection of roads and give advice..... | 32.00 | Do. |
| Do..... |do..... | Concord and Nashua, N. H. (Dec. 12-15, 1911.) | To give lecture on road building at Concord. To make inspection of roads and give advice at Nashua. | 48.79 | Do. |
| Do..... |do..... | Sioux Falls, S. Dak.; Crystal Falls and Ann Arbor, Mich. (Jan. 8-18, 1912.) | To give lecture on road building and maintenance at Sioux Falls. To investigate bridge work at Crystal Falls. To give four lectures on road building at university at Ann Arbor. | 135.14 | Do. |
| Hubbard, Prevost..... | Chemist..... | Atlantic City, N. J. (July 1, 1911).... | To give lecture on road building materials before American Society for Testing Materials. | 3.70 | General expenses, Office of Public Roads, 1912 (road material). |
| Do..... |do..... | Ithaca, N. Y.; (July 13-16, 1911).... | To inspect experimental roads..... | 33.05 | Do. |
| Do..... |do..... | New York, N. Y.; Greenwich, Conn.; Bayonne and Ridgewood, N. J.; Ithaca, N. Y.; Boston, Mass.; West Point, N. Y.; and Morristown, N. J. (Aug. 6-26, 1911.) | To inspect experimental roads at New York, Ridgewood, and Ithaca. To make inspections of roads and give advice at Greenwich, Boston, West Point, and Morristown. To secure information in regard to Hillside Avenue, New York, experimental roads at Bayonne. | 180.53 | Do. |
| Do..... |do..... | New York, N. Y. (Oct. 18-20, Dec. 16-17, 1911; Mar. 28-29, and May 21-22, 1912.) | To assist in constructing experimental roads on Hillside Avenue. | 81.00 | Do. |
| Nash, James P..... | Laboratory apprentice.. | Rockville, Md. (June 26-30, 1912).... | To assist in making survey of road..... | 2.40 | General expenses, Office of Public Roads, 1912 (investigating road building and maintenance). |
| Page, L. W..... | Director..... | Atlantic City, N. J. (July 1, 1911).... | To give scientific lecture on road building before American Society for Testing Materials. | 7.15 | General expenses, Office of Public Roads, 1912 (road material). |
| Do..... |do..... | Providence, R. I. (July 11-15, 1911).... | To make inspection of roads and give advice..... | 22.15 | Do. |
| Do..... |do..... | New York, N. Y. (Aug. 16-18, 1911).... | To inspect experimental roads on Hillside Avenue. | 40.55 | Do. |
| Do..... |do..... | New York, N. Y. (Aug. 29-Sept. 1, 1911.) | To make inspection of roads and advise with road officials. | 33.13 | Do. |
| Do..... |do..... | New York, N. Y.; Springfield, Mass.; and West Point, N. Y. (Sept. 15-23, 1911.) | To make inspections of roads and give advice at New York and West Point; to give lecture on road building at Springfield. | 67.88 | Do. |
| Do..... |do..... | Richmond, Va. (Oct. 18-21, 1911).... | To give lecture on the relation of highways to waterways. | 27.90 | Do. |
| Do..... |do..... | New York, N. Y. (Oct. 24-28, 1911).... | To inspect experimental roads on Hillside Avenue. | 67.75 | Do. |
| Do..... |do..... | Richmond, Va. (Nov. 2-4, 1911).... | To give lecture on road maintenance and take photographs of road construction. | 30.95 | Do. |
| Do..... |do..... | Richmond, Va. (Nov. 15-25, 1911).... | To give lecture on highway construction..... | 57.35 | Do. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

OFFICE OF PUBLIC ROADS—Continued.

| Name. | Title. | Destination. | Business or work. | Total expense. | Appropriation. |
|-----------------------|---------------------|---|--|----------------|---|
| Page, L. W..... | Director | New York, N. Y. (Dec. 8-10, 1911)... | To inspect experimental roads on Hillside Avenue. | \$42.70 | General expenses, Office of Public Roads, 1912 (road material). |
| Do..... |do..... | New York, N. Y. (Dec. 26-27, 1911)... |do..... | 38.70 | Do. |
| Do..... |do..... | Columbia, S. C. (Jan. 10-13, 1912).... | To give lecture on road improvement in South Carolina. | 42.40 | Do. |
| Do..... |do..... | New York, N. Y. (Jan. 17-21, 1912)... | To confer with road officials in regard to road management. | 63.10 | Do. |
| Do..... |do..... | New York, N. Y. (Feb. 16-18, 1912)... | To give lecture on the use of limestone in building highways. | 50.40 | Do. |
| Do..... |do..... | New York, N. Y. (Mar. 12-15, 1912)... | To confer with road officials in regard to testing road materials. | 55.00 | Do. |
| Do..... |do..... | New York, N. Y. (Mar. 27-31, 1912)... | To attend meeting called to discuss the testing of road materials. | 65.35 | Do. |
| Do..... |do..... | New York, N. Y. (Apr. 2-4, 1912).... | To inspect experimental roads on Hillside Avenue. | 28.05 | Do. |
| Do..... |do..... | New York, N. Y. (Apr. 15-19, 1912)... | To confer with road officials in regard to road management. | 37.30 | Do. |
| Do..... |do..... | New York, N. Y. (Apr. 25-27, 1912)... | To confer with road officials in regard to road management and to give lecture on road building. | 27.40 | Do. |
| Do..... |do..... | Chicago, Ill., and Cleveland, Ohio. (May 6-12, 1912.) | To give lecture on the use of Portland cement in road construction at Chicago; to give lecture on road building at Cleveland. | 68.85 | Do. |
| Do..... |do..... | New York, N. Y. (June 3-6, 1912).... | To confer with road officials in regard to testing road materials. | 20.00 | Do. |
| Peirce, Vernon M..... | Chief engineer..... | Nashville and Knoxville, Tenn. (Sept. 3-7, 1911.) | To give lectures on Nashville, Chattanooga & St. Louis Ry. road-improvement train, and to inspect experimental roads at Knoxville. | 64.85 | General expenses, Office of Public Roads, 1912 (investigating road building and maintenance). |
| Do..... |do..... | Richmond, Va. (Nov. 19-22, 1911).... | To give lecture on Atlantic Coast Line road-improvement train. | 30.75 | Do. |
| Do..... |do..... | Boston, Mass. (Jan. 7-12 1912).... | To confer with officials of Boston & Maine Ry. in regard to a road-improvement train. | 43.65 | Do. |
| Do..... |do..... | St. Louis, Mo. (Feb. 25-29, 1912).... | To confer with officials of Frisco R. R. in regard to a road-improvement train. | 73.85 | Do. |
| Do..... |do..... | New York and Ithaca, N. Y. (May 5-12, 1912.) | To give lecture on road building at Domestic Science Congress in New York; to inspect experimental roads at Ithaca. | 77.53 | Do. |

| | | | | | |
|-----------------------|---------------------------|---|---|-------|---|
| Do..... |do..... | Bennington, Vt., and New York, N. Y. (June 19-22, 1912.) | To make inspection of roads and give advice at Bennington; to inspect experimental roads on Hillside Avenue in New York. To make inspection of roads and give advice. | 46.59 | Do. |
| Reeve, Charles S..... | First assistant chemist.. | Warrenton, Va. (Aug. 26, 1911)..... | | 3.05 | General expenses, Office of Public Roads, 1912 (road material). |
| Do..... |do..... | Warrenton, Va. (Sept. 20, 1911)..... |do..... | 2.60 | Do. |
| Do..... |do..... | Ithaca, N. Y. (Sept. 26-29, 1911)..... | To make inspection of experimental roads.. | 29.68 | Do. |
| Do..... |do..... | Knoxville, Tenn., Bowling Green, Ky., and Youngstown, Ohio. (Nov. 20-25, 1911.) | To collect data for progress report. (Circular 94.) | 77.65 | Do. |
| Do..... |do..... | Youngstown, Ohio. (Dec. 10-11, 1911). |do..... | 27.75 | Do. |
| Do..... |do..... | Norton and Big Stone Gap, Va. (Jan. 22-26, 1912.) | To give lecture on use of bituminous binders in road construction and maintenance at Norton; to make inspection of roads and give advice at Big Stone Gap. | 35.85 | Do. |
| Do..... |do..... | New York, N. Y. (Mar. 1-2, 1912)..... | To meet with American Society for Testing Materials to discuss the testing of road materials. | 22.60 | Do. |
| Do..... |do..... | New York, N. Y. (Mar. 28-31, 1912)..... | To meet with American Society for Testing Materials to discuss the testing of road materials, and to take photographs of road construction. | 20.27 | Do. |
| Do..... |do..... | Kennett Square, Pa. (Apr. 25, 1912)..... | To inspect road-building machinery..... | 8.35 | Do.. |
| Do..... |do..... | Ithaca, N. Y., and Marcus Hook, Pa. (May 7-10, 1912.) | To inspect experimental roads at Ithaca; to investigate road materials at Marcus Hook. | 40.20 | Do. |
| Do..... |do..... | Atlanta, Ga. (June 25-28, 1912)..... | To inspect object-lesson road built by the Office of Public Roads. | 49.80 | Do. |
| Sargent, Paul D..... | Assistant director..... | Rockville, Md. (July 5, 1911)..... | To confer with county commissioners in re- gard to Chevy Chase experimental roads. | .90 | General expenses, Office Public Roads, 1912 (in- vestigating road build- ing and maintenance). |
| Do..... |do..... | Alexandria, Va. (July 8, 1911)..... | To make inspection of roads and give advice. | .30 | Do. |
| Do..... |do..... | Richmond, Va. (July 24-26, 1911)..... |do..... | 14.30 | Do. |
| Do..... |do..... | Boston, Mass., Rockland and Rock- port, Me. (Aug. 1-5, 1911.) | To confer with road officials and give advice at Boston. To inspect object-lesson road built by Office of Public Roads between Rockland and Rockport. | 25.75 | Do. |
| Do..... |do..... | Norfolk, Va. (Sept. 1-5, 1911)..... | To make inspection of roads and give advice. | 31.05 | Do. |
| Do..... |do..... | New York, N. Y.; Springfield, Mass.; Waterbury, Conn., and West Point, N. Y. (Sept. 16-23, 1911.) | To inspect New York State roads at New York, Albany, and West Point. To in- spect experimental roads on Hillside Avenue and Marine Barracks in New York. To give lecture on highway construction at Springfield. To attend conference of road officials and make inspection of roads at Waterbury. | 66.71 | Do. |
| Do..... |do..... | Baltimore, Cambridge, and Salisbury, Md. (Oct. 10-12, 1911.) | To make inspection of roads and give advice. | 14.35 | Do. |
| Do..... |do..... | Jackson, Miss., and Selina, Ala. (Oct. 122-28, 1911.) | To give three lectures on the value of the State highway department. | 94.85 | Do. |

Statement showing the names of officers or employees (other than special agents, inspectors, or employees who in the discharge of their regular duties are required to constantly travel) who traveled on official business from Washington to points outside the District of Columbia during the fiscal year 1912, etc.—Continued.

OFFICE OF PUBLIC ROADS—Continued.

| Name. | Title. | Destination. | Business or work. | Total expense. | Appropriation. |
|----------------------|-------------------------|---|---|----------------|--|
| Sargent, Paul D..... | Assistant director..... | Springfield and Boston, Mass. (Nov. 6-10, 1911.) | To give lecture on the importance of engineering supervision at Springfield. To make inspection of roads and give advice at Boston. | \$50.00 | General expenses, Office Public Roads, 1912 (Investigating road building and maintenance). |
| Do..... | do..... | Rochester, N. Y. (Nov. 13-18, 1911)..... | To give lecture on highway improvement..... | 51.05 | Do. |
| Do..... | do..... | Richmond, Va. (Nov. 20-22, 1911)..... |do..... | 30.55 | Do. |
| Do..... | do..... | Concord, N. H., and Augusta, Me. (Dec. 11-17, 1911.) | To give lecture on road building at Concord. To confer with road officials in regard to road improvement train at Augusta. | 61.25 | Do. |
| Do..... | do..... | New York, N. Y. (Jan. 18-20, 1912).... | To confer with road officials in regard to road management. | 31.70 | Do. |
| Do..... | do..... | Kennebunk, Kennebunkport, Wells, and Portland, Me. (Feb. 14-21, 1912.) | To give four lectures on road building..... | 53.90 | Do. |
| Do..... | do..... | Toronto, Ontario. (Feb. 25-Mar. 1, 1912.) | To give lecture on State aid in road building. | 31.46 | Do. |
| Do..... | do..... | New York, N. Y. (Mar. 4-5, 1912).... | To give lecture on road construction at Columbia University. | 24.20 | Do. |
| Do..... | do..... | Philadelphia, Pa. (Mar. 29-30, 1912)..... | To make inspection of roads and give advice. | 18.15 | Do. |
| Do..... | do..... | Nashville, Tenn. (Apr. 6-11, 1912) | To give lecture on road building..... | 55.50 | Do. |
| Do..... | do..... | Detroit and Ann Arbor, Mich., and Chicago, Ill. (Apr. 21-28, 1912)..... | To investigate road building materials at Detroit and Ann Arbor. To make inspection of roads and give advice at Chicago. | 83.38 | Do. |
| Do..... | do..... | New York, N. Y. (June 20-23, 1912)..... | To give lecture on road construction and inspect experimental roads on Hillside Ave. | 28.05 | Do. |

INSECTICIDE BOARD.

| | | | | | |
|----------------------|--|---|--|----------|---|
| McDonnell, C. C..... | Chief, insecticide and fungicide laboratory. | Buffalo, N. Y.; Cleveland, Ohio; Detroit, Mich.; Grand Rapids, Mich.; Chicago, Ill.; Indianapolis, Ind. (June 17-27, 1912.) | To inspect factories and study processes of manufacture of various insecticides and fungicides coming within the scope of the insecticide act of 1910. | \$106.02 | Enforcement of the insecticide act, 1912. |
| Do..... | do..... | Arlington Farms, Va. (April-June, 1912.) (50 trips.) | To conduct chemical investigations as to the effect on foliage of certain insecticides. | 10.00 | General expenses, Bureau of Chemistry, 1912 (laboratory, miscellaneous expenses). |
| Smith, A. W..... | Executive officer..... | New York, N. Y. (Feb. 10-12, 1912)..... | To collect special samples of Paris green from 10 different manufacturers for testing experiments. | 12.50 | Enforcement of the insecticide act, 1912. |
| Wallace, E..... | Expert..... | Wyoming and Dover, Del. (Apr. 1-2, 1912.) | To inspect suitability of an orchard in connection with experimental field tests of insecticides and fungicides. | 13.17 | Do. |
