SIR: I have the honor to submit herewith for your consideration, and upon your approval for transmission to Congress, a supplemental estimate of appropriation for the fiscal year ending June 30, 1926, to remain available until June 30, 1927, for the War Department, amounting to \$5,000.

Inspection of battle fields in the State of Georgia..... \$5,000

The act entitled "An act to provide for an inspection of the Kennesaw Mountain and Lost Mountain and other battle fields in the State of Georgia," approved May 21, 1926 (Public, No. 259, 69th Cong.), creates a commission for the purpose of inspecting the battle fields of the Kennesaw Mountain, Lost Mountain, and other battle fields in the State of Georgia, in order to ascertain the feasibility of their acquisition for the purpose of a national military park and of preserving and marking them for historical and professional military study, and to ascertain the value of lands necessary to acquire for this purpose. The act authorizes an appropriation of \$5,000 for the carrying out of its provisions. The purpose of this estimate is to enable the commission to carry out the provisions of the above-mentioned act.

This estimate is required to provide for legislation which has been enacted since the transmission of the budgets for the fiscal year 1926 and 1927, and its approval is recommended.

Very respectfully,

H. M. LORD,
Director of the Bureau of the Budget.

The PRESIDENT.
