THE SPEAKER OF THE HOUSE OF REPRESENTATIVES.

SIR: I have the honor to transmit herewith for the consideration of Congress, in compliance with section 2 of the act of July 7, 1884 (5 U. S. S. C. 713), and for the services of the several departments and independent offices.

The necessity for the appropriations asked is explained in the letter of the Director of the Bureau of the Budget, transmitted herewith, in whose conclusions and observations thereon I concur.

Respectfully,

FRANKLIN D. ROOSEVELT.

EXECUTIVE OFFICE OF THE PRESIDENT,
BUREAU OF THE BUDGET,
Washington, D. C., May 17, 1940.

The PRESIDENT,
The White House.

The appropriations necessary to provide for payment of these claims are required in order to meet outstanding obligations of the Government heretofore authorized by Congress, the balances of appropriations concerned having been carried to the surplus fund prior to the allowance of the claims by the proper accounting officers, together with such additional sums, due to possible increases in rates of exchange, as may be necessary to pay certain claims in foreign currency as specified in certain of the certificates of settlement of the General Accounting Office.

The claims are debts of the Government, the validity of which has been approved by the General Accounting Office, and new appropriations are, therefore, necessary at this time.

Very respectfully,

HAROLD D. SMITH,
Director of the Bureau of the Budget.

TREASURY DEPARTMENT,
Washington, May 14, 1940.
