OPERATION AND CONSERVATION OF NAVAL PETROLEUM RESERVES

Operation and Conservation of Naval Petroleum Reserves—

To enable the Secretary [of the Navy] to carry out the provisions contained in the Act approved June 4, 1920, as amended (34 U. S. C. [Supp. IV.] 524), requiring him to conserve, develop, use, and operate the naval petroleum reserves, [\$71,755, of which amount not to exceed \$25,000 shall be available for employees assigned to group IV (b) and those performing similar services carried under native and alien schedules in the Schedule of Wages for Civil Employees in the Field Service of the Navy Department] \$65,000: *Provided*, That out of any sums appropriated for naval purposes by this Act, any portion thereof, not to exceed \$10,000,000, shall be available to enable the Secretary [of the Navy] to protect Naval Petroleum Reserve Numbered 1, established by Executive order of September 2, 1912, pursuant to the Act of June 25, 1910 (43 U. S. C. 141-143), by drilling wells and performing any work incident thereto, of which amount not to exceed \$100,000 shall be available for employees assigned to group IV (b) and those performing similar services carried under native and alien schedules in the Schedule of Wages for Civil Employees in the Field Service of the Navy Department: *Provided further*, That no part of the sum made available for the protection of this property shall be expended if satisfactory agreement or agreements can be made with owners of land within or adjoining said Reserve Numbered 1 not to drill wells for the purpose of producing oil or gas (34 U. S. C. 524; 43 U. S. C. 141-143; 56 Stat. 55-56).

NOTE.—Appropriation under the above head has been transferred to and consolidated under "Maintenance, Bureau of Yards and Docks."

PUBLIC WORKS, BUREAU OF YARDS AND DOCKS

Public Works, Bureau of Yards and Docks—

For public works and public utilities, Bureau of Yards and Docks, including the acquisition of necessary land, [to be available immediately, \$528,705,021] \$1,870,000,000 (including \$916,074,400 for all not heretofore appropriated for contract authorizations granted in Title IV, Naval Appropriation Act, 1943 and prior acts), which, together with the unexpended balances of appropriations heretofore made under this head, shall be finally accounted for as one fund, which fund shall be available for continuing or completing the construction of any project heretofore authorized or undertaken thereunder, for acquisition or construction of temporary or emergency buildings and facilities at localities within or without the United States, needed by the Navy and specifically approved by the Secretary [of the Navy], including collateral public works items, projects for personal services (including group IV (b) personnel), and other expenses, and for part-time and intermittent employment in the District of Columbia and elsewhere by contract of scientists, technicians, and other personnel, at not to exceed \$25 per diem, and the employment in the Bureau of Yards and Docks and in the field service of employees assigned to group IV (b) and those performing similar services carried under native and alien schedules in the Schedule of Wages for Civil Employees in the Field Service of the Navy Department: *Provided*, That contracts for work under this appropriation may be entered into without regard to the provisions of section 3709, Revised Statutes: *Provided further*, That expenditures on all projects under this appropriation heretofore and hereafter authorized, as well as for temporary and emergency construction, and projects for personal services, including group IV (b) personnel, shall be distributed and reported against projects by the Secretary of the Navy to the Congress on or before January 10, 1943: *Provided further*, That the Secretary of the Navy is hereby authorized to enter into contracts for Public Works equipment, materials, and construction in an amount not to exceed \$500,000,000, which amount shall be in addition to all other amounts herein or heretofore appropriated under this title].

No part of the appropriations in this Act under the Navy Department shall be expended for a permanent type of construction at any shore establishment of any character acquired subsequently to the calendar year 1938, unless such establishment shall be designated by the Secretary [of the Navy] as a permanent establishment, and, in that event, a permanent type of construction shall be used only to meet such permanent requirements as the Secretary [of the Navy] may approve: *Provided*, That nothing herein shall prevent construction of a type sufficiently substantial for the use intended nor apply to construction projects now under contract or

in progress: *Provided further*, That no part of such appropriations may be obligated for the construction of quarters, including heating and plumbing apparatus, wiring and fixtures, for greater amounts per unit than follow:

- Permanent construction:
- For commissioned officer, \$10,000.
- For commissioned warrant or warrant officer, \$7,500.
- For enlisted man, \$6,000.
- Temporary construction:
- For commissioned officer, \$7,500.
- For commissioned warrant or warrant officer, \$5,000.
- For enlisted man, \$3,500.

The fixed fee to be paid the contractor as a result of any contract hereafter entered into under this appropriation shall not exceed 6 per centum of the estimated cost of the contract, exclusive of the fee, as determined by the Secretary [of the Navy].

[Public Works, Bureau of Yards and Docks, \$798,300,000, toward contract authorization of \$1,474,634,000 heretofore granted, to remain available until expended, which, together with unexpended balances of appropriations heretofore made under this head, shall be accounted for as one fund, and, in addition to all other amounts heretofore appropriated under this head, the Secretary of the Navy is hereby authorized to enter into contracts for public-works equipment, materials, and construction, including collateral public-works items, in an amount not to exceed \$239,740,400, subject to authorization thereof by other law] (56 Stat. 66-67, 742; Public Law 20).

GENERAL PROVISIONS

SEC. 102. The appropriations made in this Act for the purchase or manufacture of equipment or material or of a particular class of equipment or material shall be available for the purchase of letters patent, applications for letters patent, and licenses under letters patent, and applications for letters patent that pertain to such equipment or material for which the appropriations are made.

SEC. 103. No part of any appropriation made for the Navy shall be expended for any of the purposes herein provided for on account of the Navy Department [in the District of Columbia] at the seat of government, including personal services of civilians, except as expressly authorized by law.

SEC. 104. Such number of enlisted men as may be approved by the Secretary [of the Navy] may be detailed to duty in the Navy Department [in the District of Columbia] at the seat of government and Marine Corps and Coast Guard headquarters.

SEC. 105. No part of the appropriations made in this Act shall be available for the salary or pay of any officer, manager, superintendent, foreman, or other person or persons having charge of the work of any employee of the United States Government while making or causing to be made with a stop watch or other time-measuring device a time study of any job of any such employee between the starting and completion thereof, or of the movements of any such employee while engaged upon such work; [nor shall any part of the appropriations made in this Act be available to pay

any premiums or bonus or cash reward to any employee in addition to his regular wages, except for suggestions resulting in improvements or economy in the operation of any Government plant; and no [part of the] moneys herein appropriated for the Naval Establishment or [herein] made available therefor shall be used or expended under contracts hereafter made for the repair, purchase, or acquirement, by or from any private contractor, of any naval vessel, machinery, article, or articles that at the time of the proposed repair, purchase, or acquirement can be repaired, manufactured, or produced in each or any of the Government navy yards or arsenals of the United States, when time and facilities permit, and when, in the judgment of the Secretary [of the Navy], such repair, purchase, acquirement, or production would not involve an appreciable increase in cost to the Government, except when the repair, purchase, or acquirement, by or from any private contractor, would, in the opinion of the Secretary [of the Navy], be advantageous to the national defense.

SEC. 106. No [part of the] funds herein appropriated shall be available to pay a contractor upon any contract for a naval vessel entered into under authority of this Act unless, at the time of filing his bid, he shall also file the estimates upon which such bid was based.

SEC. 107. [The appropriations contained in this Act shall be available for the pay and other expenses of not to exceed two hundred thousand men inducted into the naval forces and twenty thousand into the Marine Corps under the provisions of the Selective Training and Service Act of 1940] *The appropriations available to the Navy Department and the naval service shall be available for the pay and other expenses of men inducted into the Navy, Marine Corps, and Coast Guard in accordance with law.*

[SEC. 108. No part of any money appropriated by this Act shall be used for maintaining, driving, or operating any Government-owned motor-propelled passenger-carrying vehicle not used exclusively for official purposes; and "official purposes" shall not include the transportation of officers and employees between their domiciles and places of employment except in cases of medical officers on out-patient medical service and except in cases of officers and employees engaged in field work the character of whose duties makes such transportation necessary and then only as to such latter cases when the same is approved by the head of the Department. This section shall not apply to any motor vehicle for official use of the Secretary of the Navy, and no other persons connected with the Navy Department or the naval service, except the commander in chief of the United States Asiatic Fleet, Marine Corps officers serving with expeditionary forces in foreign countries, and medical officers on out-patient medical service, shall have a Government-owned motor vehicle assigned for their exclusive use.]

[SEC. 109. No part of any appropriation contained in this Act shall be used directly or indirectly, except for temporary employment in case of emergency, for the payment of any civilian for services rendered by him on the Canal Zone while occupying a skilled, technical, clerical, administrative, executive, or supervisory position unless such person is a citizen of the United States of America or of the Republic of Panama: *Provided, however,* (1) That, notwithstanding the provision in the Act approved August 11, 1939 (53 Stat. 1409), limiting employment in the above-mentioned positions to citizens of the United States from and after the date of the approval of said Act, citizens of Panama may be employed in such positions; (2) that at no time shall the number of Panamanian citizens employed in the above-mentioned positions exceed the number of citizens of the United States so employed, if United States citizens are available in continental United States or on the Canal Zone; (3) that nothing in this Act shall prohibit the continued employment of any person who shall have rendered fifteen or more years of faithful and honorable service on the Canal Zone; (4) that in the selection of personnel for skilled, technical, administrative, clerical, supervisory, or executive positions, the controlling factors in filling these positions shall be efficiency, experience, training, and education; (5) that all citizens of Panama and the United States rendering skilled, technical, clerical, administrative, executive, or supervisory service on the Canal Zone under the terms of this Act (a) shall normally be employed not more than forty hours per week; (b) may receive as compensation equal rates of pay based upon rates paid for similar employment in continental United States plus 25 per centum; (6) this entire section shall apply only to persons employed in skilled, technical, clerical, administrative, executive, or supervisory positions on the Canal Zone directly or indirectly by any branch of the United States Government or by any corporation or company whose stock is owned wholly or in part by the United States Government: *Provided further,* That the President may suspend, from time to time in whole or in part, compliance with this section in time of war or national emergency if he should deem such course to be in the public interest.]

SEC. [110] 108. The Secretary [of the Navy] is authorized where necessary, to exceed the statutory limit on repairs and alterations to vessels during the fiscal year [1943] 1944.

SEC. [111] 109. During the fiscal year [ending June 30, 1943] 1944, all retired officers of the Navy and Marine Corps, and retired officers and enlisted men of those services, shall, when on active duty, receive full pay and allowances.

SEC. [112] 110. No part of any appropriation contained in this Act shall be used to pay the salary or wages of any person who advocates, or who is a member of an organization that advocates, the overthrow of the Government of the United States by force or violence: *Provided,* That for the purposes hereof an affidavit shall be considered prima facie evidence that the person making the affidavit does not advocate, and is not a member of an organization that advocates, the overthrow of the Government of the United States by force or violence: *Provided further,* That any person who advocates, or who is a member of an organization that advocates, the overthrow of the Government of the United States by force or violence and accepts employment the salary or wages for which are paid from any appropriation in this Act shall be guilty of a felony and, upon conviction, shall be fined not more than \$1,000 or imprisoned for not more than one year, or both: *Provided further,* That the above penalty clause shall be in addition to, and not in substitution for, any other provisions of existing law.

SEC. [113] 111. No part of any money appropriated herein or included under any contract authority herein granted shall be expended for the payment of any commission on any land purchase contract in excess of 2 per centum of the purchase price.

SEC. [114. The funds appropriated in this Title shall be available until June 30, 1943, for the purposes authorized in the last proviso of section 8 (a) of the Act of June 28, 1940 (54 Stat. 680)] 112. *The Secretary is authorized to employ such additional personnel at the seat of government and elsewhere, and to provide out of any appropriations available for the Naval Establishment for their salaries and for such printing and binding, communication service, and supplies as he may deem necessary to carry out the purposes of this Act (56 Stat. 76-78).*

[Not to exceed the indicated amounts of the appropriations contained in the Naval Appropriation Act, 1942, are hereby continued available until June 30, 1943, as follows:]

tional employee at a salary per annum in excess of \$5,000, but not in excess of the appropriate rates established in accordance with the Classification Act of 1923, as amended] (56 Stat. 993-994).

[SEC. 202. The appropriations of the Navy Department for the fiscal years 1942 and 1943 shall be available to carry out the provisions of Executive Order Numbered 9112 of March 26, 1942] (56 Stat. 233).

SEC. 114. The appropriation "Pay, Subsistence, and Transportation, Navy" shall be available, in lieu of the appropriation "Foreign Service Pay Adjustment" contained in the Independent Offices Appropriation Act, for payments to authorized naval and civilian personnel in and under the Naval Establishment due to the appreciation of foreign currencies, as provided by the Act of March 26, 1934, as amended (5 U. S. C. 118c), and for every object and purpose specified therein.

SEC. [102] 115. Appropriations available for the fiscal year [ending June 30, 1943] 1944, for travel expenses of civilian inspectors of the Navy Department shall be available for reimbursement, at not to exceed three cents per mile, for travel performed by such employees in privately owned automobiles within the limits of their official stations.

[SEC. 103. The limitations on the number of men inducted into the naval forces and into the Marine Corps under the provisions of the Selective Training and Service Act of 1940, contained in section 107 of the Naval Appropriation Act, 1943, are hereby removed.]

SEC. [104] 116. During the fiscal year [ending June 30, 1943] 1944, the appropriations available to either the War Department or the Navy Department shall be available for procurement as provided for in such appropriations by any other executive department or independent establishment of the Government through administrative allotments in such amounts as may be authorized by the Secretary of War or the Secretary of the Navy, respectively, without transfer of funds on the books of the Treasury Department: *Provided*, That orders placed or expenses incurred by the procuring department or establishment in respect to such allotments shall be considered as obligations against the appropriations involved: *Provided further*, That disbursing officers of the allotting department may make disbursements chargeable to such allotments upon vouchers certified by officers of the procuring department or establishment: *Provided further*, That whenever vouchers are certified by an officer of the procuring department or establishment and are paid by a disbursing officer of the allotting department the certifying officer and not the disbursing officer shall be held responsible and accountable for the existence and correctness

of the facts certified, including the correctness of computations shown on certified vouchers and on any required supporting documents (Public Law 20).

DEFENSE AID

SEC. [103] 117. Whenever the President deems it to be in the interest of national defense, he may authorize the Secretary of the Navy to sell, or otherwise dispose of, in accordance with the Act of March 11, 1941 (Public Law 11), to the Government of any country whose defense the President deems vital to the defense of the United States, defense articles, information, and services (including furnishing of quarters, subsistence, transportation, and hospitalization of personnel, and care of the dead), *whether or not such information or service is necessary to or connected with the procurement or disposition of any defense article*, procured from any funds appropriated to the Navy Department subsequent to March 11, 1941: *Provided*, That the total value of defense articles (other than ships), information, and services heretofore and hereafter disposed of under this authority shall not exceed \$3,000,000,000: *Provided further*, That ships may be leased, but not otherwise disposed of, for periods not beyond the termination of the existing national emergency, under this authority but title thereof shall remain in the United States and their value shall not be charged against the limitation herein specified (56 Stat. 994).
