"§ 8415. Computation of basic annuity

5 USC 8415.

"(a) Except as otherwise provided in this section, the annuity of an employee retiring under this subchapter is 1 percent of that individual's average pay multiplied by such individual's total service.

"(b) The annuity of a Member, or former Member with title to a Member annuity, retiring under this subchapter is computed under subsection (a), except that if the individual has had at least 5 years of service as a Member or Congressional employee, or any combination thereof, so much of the annuity as is computed with respect to either such type of service (or a combination thereof), not exceeding a total of 20 years, shall be computed by multiplying $1\frac{1}{10}$ percent of the individual's average pay by the years of such service.

"(c) The annuity of a Congressional employee, or former Congressional employee, retiring under this subchapter is computed under subsection (a), except that if the individual has had at least 5 years of service as a Congressional employee or Member, or any combination thereof, so much of the annuity as is computed with respect to either such type of service (or a combination thereof), not exceeding a total of 20 years, shall be computed by multiplying $1\frac{1}{10}$ percent of the individual's average pay by the years of such service.

"(d) The annuity of an employee retiring under subsection (d) or (e) of section 8412 or under subsection (a) or (b) of section 8425 is—

"(2) 1 percent of that individual's average pay multiplied by so much of such individual's total service as exceeds 20 years.

"(e)(1) In computing an annuity under this subchapter for an employee whose service includes service performed on a part-time basis—

"(A) the average pay of the employee, to the extent that it includes pay for service performed in any position on a part-time basis, shall be determined by using the annual rate of basic pay that would be payable for full-time service in the position; and

"(B) the benefit so computed shall then be multiplied by a fraction equal to the ratio which the employee's actual service, as determined by prorating the employee's total service to reflect the service that was performed on a part-time basis, bears to the total service that would be creditable for the employee if all of the service had been performed on a full-time basis.

"(2) For the purpose of this subsection, employment on a part-time basis shall not be considered to include employment on a temporary or intermittent basis.

"(f)(1) The annuity of an employee or Member retiring under section 8412(g) or 8413(b) is computed in accordance with applicable provisions of this section, except that the annuity shall be reduced by five-twelfths of 1 percent for each full month by which the commencement date of the annuity precedes the sixty-second anniversary of the birth of the employee or Member.

"(2)(A) Paragraph (1) does not apply in the case of an employee or Member retiring under section 8413(b) if the employee or Member would satisfy the age and service requirements for title to an annuity under section 8412 (a), (b), (d)(2), (e)(2), or (f)(2), determined

as if the employee or Member had, as of the date of separation, attained the age specified in subparagraph (B).

“(B) at the time of the separation on which entitlement to the annuity is based, is at least 62 years of age and has completed at least 20 years of service;

5 USC 8416.

“§ 8416. Survivor reduction for a current spouse

“(a)(1) If an employee or Member is married at the time of retiring under this chapter, the reduction described in section 8419(a) shall be made unless the employee or Member and the spouse jointly waive, by written election, any right which the spouse may have to a survivor annuity under section 8442 based on the service of such employee or Member. A waiver under this paragraph shall be filed with the Office under procedures prescribed by the Office.

“(2) Notwithstanding paragraph (1), an employee or Member who is married at the time of retiring under this chapter may waive the annuity for a surviving spouse without the spouse's consent if the employee or Member establishes to the satisfaction of the Office (in accordance with regulations prescribed by the Office)—

“(A) that the spouse's whereabouts cannot be determined; or

“(B) that, due to exceptional circumstances, requiring the employee or Member to seek the spouse's consent would otherwise be inappropriate.

“(3) Except as provided in subsection (d), a waiver made under this subsection shall be irrevocable.

“(b)(1) Upon remarriage, a retired employee or Member who was married at the time of retirement (including an employee or Member whose annuity was not reduced to provide a survivor annuity for the employee's or Member's spouse or former spouse as of the time of retirement) may irrevocably elect during such marriage, in a signed writing received by the Office within 2 years after such remarriage or, if later, within 2 years after the death or remarriage of any former spouse of such employee or Member who was entitled to a survivor annuity under section 8445 (or of the last such surviving former spouse, if there was more than one), a reduction in the employee's or Member's annuity under section 8419(a) for the purpose of providing an annuity for such employee's or Member's spouse in the event such spouse survives the employee or Member.

“(2) The election and reduction shall be effective the first day of the second month after the election is received by the Office, but not less than 9 months after the date of the remarriage.

“(3) An election to provide a survivor annuity to an individual under this subsection—

"(A) shall prospectively void any election made by the employee or Member under section 8420 with respect to such individual; or

"(B) shall, if an election was made by the employee or Member under section 8420 with respect to a different individual, prospectively void such election if appropriate written application is made by such employee or Member at the time of making the election under this subsection.

"(4) Any election under this subsection made by an employee or Member on behalf of an individual after the retirement of such employee or Member shall not be effective if—

"(A) the employee or Member was married to such individual at the time of retirement; and

"(B) the annuity rights of such individual based on the service of such employee or Member were then waived under subsection (a).

"(c)(1) An employee or Member who is unmarried at the time of retiring under this chapter and who later marries may irrevocably elect, in a signed writing received by the Office within 2 years after such employee or Member marries or, if later, within 2 years after the death or remarriage of any former spouse of such employee or Member who was entitled to a survivor annuity under section 8445 (or of the last such surviving former spouse, if there was more than one), a reduction in the current annuity of the retired employee or Member, in accordance with section 8419(a).

"(2) The election and reduction shall take effect the first day of the first month beginning 9 months after the date of marriage. Any such election to provide a survivor annuity for an individual—

"(A) shall prospectively void any election made by the employee or Member under section 8420 with respect to such individual; or

"(B) shall, if an election was made by the employee or Member under section 8420 with respect to a different individual, prospectively void such election if appropriate written application is made by such employee or Member at the time of making the election under this subsection.

"(d)(1) An employee or Member—

"(A) who is married on the date of retiring under this chapter, and

"(B) with respect to whose spouse a waiver under subsection (a) has been made,

may, during the 18-month period beginning on such date, elect to have a reduction made under section 8419 in order to provide a survivor annuity under section 8442 for such spouse.

"(2)(A) An election under this subsection shall not be effective unless the amount described in subparagraph (B) is deposited into the Fund before the expiration of the 18-month period referred to in paragraph (1).

"(B) The amount to be deposited under this subparagraph is equal to the sum of—

"(i) the difference (for the period between the date on which the annuity of the former employee or Member commences and the date on which reductions pursuant to the election under this subsection commence) between the amount paid to the former employee or Member from the Fund under this chapter and the amount which would have been paid if such election had been made at the time of retirement; and

“(ii) the costs associated with providing for the election under this subsection.

The amount to be deposited under clause (i) shall include interest, computed at the rate of 6 percent a year.

“(3) An annuity which is reduced pursuant to an election by a former employee or Member under this subsection shall be reduced by the same percentage as was in effect under section 8419 as of the date of the employee's or Member's retirement.

“(4) Rights and obligations under this chapter resulting from an election under this subsection shall be the same as the rights and obligations which would have resulted had the election been made at the time of retirement.

“(5) The Office shall inform each employee and Member who is eligible to make an election under this subsection of the right to make such election and the procedures and deadlines applicable in making any such election.

5 USC 8417.

“§ 8417. Survivor reduction for a former spouse

“(a) If an employee or Member has a former spouse who is entitled to a survivor annuity as provided in section 8445, the reduction described in section 8419(a) shall be made.

“(b)(1) An employee or Member who has a former spouse may elect, under procedures prescribed by the Office, a reduction in the annuity of the employee or Member under section 8419(a) in order to provide a survivor annuity for such former spouse under section 8445.

“(2) An election under this subsection shall be made at the time of retirement or, if the marriage is dissolved after the date of retirement, within 2 years after the date on which the marriage of the former spouse to the employee or Member is so dissolved.

“(3) An election under this subsection—

“(A) shall not be effective to the extent that it—

“(i) conflicts with—

“(I) any court order or decree referred to in section 8445(a) which was issued before the date of such election; or

“(II) any agreement referred to in such section 8445(a) which was entered into before such date; or

“(ii) would cause the total of survivor annuities payable under sections 8442 and 8445, respectively, based on the service of the employee or Member to exceed the amount which would be payable to a widow or widower of such employee or Member under such section 8442 (determined without regard to any reduction to provide for an annuity under such section 8445); and

“(B) shall not be effective, in the case of an employee or Member who is then married, unless it is made with the spouse's written consent.

Regulations.

The Office shall by regulation provide that subparagraph (B) may be waived for either of the reasons set forth in section 8416(a)(2).

5 USC 8418.

“§ 8418. Survivor elections; deposit; offsets

“(a)(1) An individual who makes an election under subsection (b) or (c) of section 8416 or section 8417(b) which is required to be made within 2 years after the date of a prescribed event shall deposit into the Fund, before the expiration of the 2-year period involved, an amount determined by the Office (as nearly as may be administra-

tively feasible) to reflect the amount by which the annuity of such individual would have been reduced if the election had been in effect since the date of retirement (or, if later, and in the case of an election under such section 8416(b), since the date the previous reduction in the annuity of such individual was terminated under paragraph (1) or (2) of section 8419(b)), plus interest.

“(2) Interest under paragraph (1) shall be computed at the rate of 6 percent a year.

“(b) If the electing individual does not make the deposit required under subsection (a), the Office shall collect such amount by offset against such individual’s annuity, up to a maximum of 25 percent of the net annuity otherwise payable, and the individual is deemed to consent to such offset.

“(c) Subsections (a) and (b) shall not apply if—

“(1) the employee or Member makes an election under section 8416 (b) or (c) after having made an election under section 8420; and

“(2) the election under such section 8420 becomes void under subsection (b)(3) or (c)(2) of such section 8416.

“(d) The Office shall prescribe regulations under which the survivor of an employee or Member may make a deposit under this section.

“§ 8419. Survivor reductions; computation

5 USC 8419.

“(a)(1) Except as provided in paragraph (2), the annuity of an annuitant computed under section 8415, or under section 8452 (including subsection (a)(2) of such section, if applicable), shall be reduced by 10 percent if a survivor annuity, or a combination of survivor annuities, under section 8442 or 8445 (or both) are to be provided for.

“(2)(A) If no survivor annuity under section 8442 is to be provided for, but one or more survivor annuities under section 8445 involving a total of less than the entirety of the amount referred to in subsection (b)(2) of such section are to be provided for, the annuity of the annuitant involved (as computed under section 8415, or under section 8452 (including subsection (a)(2) of such section, if applicable)), shall be reduced by an appropriate percentage determined under subparagraph (B).

“(B) The Office shall prescribe regulations under which an appropriate reduction under this paragraph, not to exceed a total of 10 percent, shall be made.

Regulations.

“(b)(1) Any reduction in an annuity for the purpose of providing a survivor annuity for the current spouse of a retired employee or Member shall be terminated for each full month—

“(A) after the death of the spouse; or

“(B) after the dissolution of the spouse’s marriage to the employee or Member, except that an appropriate reduction shall be made thereafter if the spouse is entitled, as a former spouse, to a survivor annuity under section 8445.

“(2) Any reduction in an annuity for the purpose of providing a survivor annuity for a former spouse of a retired employee or Member shall be terminated for each full month after the former spouse remarries before reaching age 55 or dies. This reduction shall be replaced by appropriate reductions under subsection (a) if the retired employee or Member has one or more of the following:

“(A) another former spouse who is entitled to a survivor annuity under section 8445;

“(B) a current spouse to whom the employee or Member was married at the time of retirement and with respect to whom a survivor annuity was not waived under section 8416(a) (or, if waived, with respect to whom an election under section 8416(d) has been made); or

“(C) a current spouse whom the employee or Member married after retirement and with respect to whom an election has been made under subsection (b) or (c) of section 8416.

“§ 8420. Insurable interest reductions

“(a)(1) At the time of retiring under section 8412, 8413, or 8414, an employee or Member who is found to be in good health by the Office may elect to have such employee's or Member's annuity (as computed under section 8415) reduced under paragraph (2) in order to provide an annuity under section 8444 for an individual having an insurable interest in the employee or Member. Such individual shall be designated by the employee or Member in writing.

“(2) The annuity of the employee or Member making the election is reduced by 10 percent, and by 5 percent for each full 5 years the individual named is younger than the retiring employee or Member, except that the total reduction may not exceed 40 percent.

“(3) An annuity which is reduced under this subsection shall, effective the first day of the month following the death of the individual named under this subsection, be recomputed and paid as if the annuity had not been so reduced.

“(b)(1) In the case of a married employee or Member, an election under this section on behalf of the spouse may be made only if any right of such spouse to a survivor annuity based on the service of such employee or Member is waived in accordance with section 8416(a).

“(2) Paragraph (1) does not apply in the case of an employee or Member if such employee or Member has a former spouse who would become entitled to an annuity under section 8445 as a survivor of such employee or Member.

5 USC 8420a.

“§ 8420a. Alternative forms of annuities

Regulations.

“(a) The Office shall prescribe regulations under which an employee or Member may, at the time of retiring under this subchapter, elect annuity benefits under this section instead of any other benefits under this subchapter, and any benefits under subchapter IV of this chapter, based on the service of the employee or Member.

“(b) Subject to subsection (c), the Office shall by regulation provide for such alternative forms of annuities as the Office considers appropriate, except that among the alternatives offered shall be—

“(A) payment of the lump-sum credit (excluding interest) to the employee or Member; and

“(B) payment of an annuity to the employee or Member for life; and

“(2) in the case of an employee or Member who is married at the time of retirement, an alternative which provides for—

“(A) payment of the lump-sum credit (excluding interest) to the employee or Member; and

“(B) payment of an annuity to the employee or Member for life, with a survivor annuity payable for the life of a surviving spouse.

"(c) Each alternative provided for under subsection (b) shall, to the extent practicable, be designed such that the present value of the benefits provided under such alternative (including any lump-sum credit) is actuarially equivalent to the sum of—

"(1) the present value of the annuity which would otherwise be provided under this subchapter, as computed under section 8415; and

"(2) the present value of the annuity supplement which would otherwise be provided (if any) under section 8421.

"(2) Subject to paragraph (3), an individual shall, if and while entitled to an annuity under section 8412(f), or under subsection (a) or (b) of section 8414, also be entitled to an annuity supplement under this section if such individual is at least the applicable minimum retirement age under section 8412(h).

"(3)(A) An individual whose entitlement to an annuity under section 8412 or 8414 does not commence before age 62 is not entitled to an annuity supplement under this section.

"(B) An individual entitled to an annuity supplement under this section ceases to be so entitled after the last day of the month preceding the first month for which such individual would, on proper application, be entitled to old-age insurance benefits under title II of the Social Security Act, but not later than the last day of the month in which such individual attains age 62.

42 USC 401.

"(b)(1) The amount of the annuity supplement of an annuitant under this section for any month shall be equal to the product of—

"(A) an amount determined under paragraph (2), multiplied by

"(B) a fraction, as described in paragraph (3).

In computing the primary insurance amount under section 215 of such Act for purposes of this paragraph, the number of elapsed years (referred to in section 215(b)(2)(B)(iii) of such Act and used to compute the number of benefit computation years) shall not include years beginning with the year in which such annuitant's entitlement to any payment under this section commences, and—

42 USC 402.

42 USC 415.

“(A) only basic pay for service performed (if any) shall be taken into account in computing the total wages and self-employment income of the annuitant for a benefit computation year;

“(B) for a benefit computation year which commences after the date of the separation with respect to which entitlement to the annuitant's annuity under this subchapter is based and before the date as of which such annuitant is treated, under the preceding sentence, to have attained age 62, the total wages and self-employment income of such annuitant for such year shall be deemed to be zero; and

“(C) for a benefit computation year after age 21 which precedes the separation referred to in subparagraph (B), and during which the individual did not perform a full year of service, the total wages and self-employment income of such annuitant for such year shall be deemed to have been an amount equal to the product of—

“(i) the average total wages of all workers for that year, multiplied by

“(ii) a fraction—

“(I) the numerator of which is the total basic pay of the individual for service performed in the first year thereafter in which such individual performed a full year of service; and

“(II) the denominator of which is the average total wages of all workers for the year referred to in subclause (I).

“(3) The fraction under this paragraph for any annuitant is a fraction—

“(A) the numerator of which is the annuitant's total years of service (rounding a fraction to the nearest whole number, with $\frac{1}{2}$ being rounded to the next higher number), not to exceed the number under subparagraph (B); and

“(B) the denominator of which is 40.

“(4) For the purpose of this subsection—

42 USC 415.

“(A) the term ‘benefit computation year’ has the meaning provided in section 215(b)(2)(B)(i) of the Social Security Act;

“(B) the term ‘average total wages of all workers’, for a year, means the average of the total wages, as defined and computed under section 215(b)(3)(A)(ii)(I) of the Social Security Act for such year; and

“(C) the term ‘service’ does not include military service.

“(c) An amount under this section shall, for purposes of section 8467, be treated in the same way as an amount computed under section 8415.

“§ 8421a. Reductions on account of earnings from work performed while entitled to an annuity supplement 5 USC 8421a.

“(a) The amount of the annuity supplement to which an individual is entitled under section 8421 for any month (determined without regard to subsection (c) of such section) shall be reduced by the amount of any excess earnings of such individual which are required to be charged to such supplement for such month, as determined under subsection (b).

“(b) The amount of an individual's excess earnings shall be charged to months as follows:

“(1)(A) There shall be charged to each month of a year under subsection (a) an amount equal to the individual's excess earnings (as determined under paragraph (2) with respect to such year), divided by the number of the individual's supplement entitlement months for such year (as determined under paragraph (3)).

“(B) Notwithstanding subparagraph (A), the amount charged to a month under subsection (a) may not exceed the amount of the annuity supplement to which the individual is entitled under section 8421 for such month (determined without regard to subsection (c) of such section).

“(2) The excess earnings based on which reductions under subsection (a) shall be made with respect to an individual in a year—

“(A) shall be equal to 50 percent of so much of such individual's earnings for the immediately preceding year as exceeds the applicable exempt amount for such preceding year; but

“(B) may not exceed the total amount of the annuity supplement payments to which such individual was entitled for such preceding year under section 8421 (determined without regard to subsection (c) of such section, and without regard to this section).

“(3)(A) Subject to subparagraph (B), the number of an individual's supplement entitlement months for a year shall be 12.

“(B) The number determined under subparagraph (A) shall be reduced so as not to include any month after which such individual ceases to be entitled to an annuity supplement by reason of section 8421(a)(3)(B), relating to cessation of entitlement upon attaining age 62.

“(4)(A) For purposes of this section, and except as provided in subparagraph (B), the ‘earnings’ and the ‘applicable exempt amount’ of an individual shall be determined in a manner consistent with applicable provisions of section 203 of the Social Security Act.

42 USC 403.

“(B) For purposes of this section—

“(i) in determining the excess earnings of any individual, only earnings attributable to periods during which such individual was entitled to an annuity supplement under section 8421 shall be considered; and

“(ii) any earnings attributable to a period before attaining the applicable retirement age under section 8412(h) shall not be considered in determining the excess earnings of an individual who retires under section 8412 (d) or (e), or section 8414(c).

"(c) If, after an individual ceases to be entitled to an annuity supplement under section 8421 by reason of subsection (a)(3)(B) of such section, any portion of the individual's excess earnings remains outstanding, an amount not to exceed 25 percent of the amount otherwise payable to such individual under this chapter for each month shall be deducted from such monthly payment until the full amount of that outstanding portion has been accounted for. To the extent practicable, reductions under this subsection shall be made by a level percentage.

Regulations.

"(d) The Office shall prescribe regulations under which this section shall be applied in the case of a reemployed annuitant.

“(i) the decree expressly relates to any portion of the lump-sum credit involved; and

“(ii) payment of the lump-sum credit would affect any right or interest of the former spouse with respect to a survivor annuity under section 8445, or to any portion of an annuity under section 8467.

“(2)(A) Notification of a spouse or former spouse under this subsection shall be made in accordance with such requirements as the Office shall by regulation prescribe.

ficiary in a will or other document not so executed and filed has no force or effect.

"Second, if there is no designated beneficiary, to the widow or widower of the employee or Member.

"Fourth, if none of the above, to the parents of the employee or Member or the survivor of them.

"Fifth, if none of the above, to the duly appointed executor or administrator of the estate of the employee or Member.

"Sixth, if none of the above, to such other next of kin of the employee or Member as the Office determines to be entitled under the laws of the domicile of the employee or Member at the date of death of the employee or Member.

For the purpose of this subsection, 'child' includes a natural child and an adopted child, but does not include a stepchild.

"(e) If an employee or Member, or former employee or Member, dies—

"(1) without a survivor, or

"(h) Annuity accrued and unpaid on the termination, except by death, of the annuity of an annuitant or survivor shall be paid to that individual. Annuity accrued and unpaid on the death of a survivor shall be paid in the following order of precedence, and the payment bars recovery by any other person:

"First, to the duly appointed executor or administrator of the estate of the survivor.

"Second, if there is no executor or administrator, payment may be made, after 30 days from the date of death of the survivor, to such next of kin of the survivor as the Office determines to be entitled under the laws of the domicile of the survivor at the date of death.

The employing office shall notify the employee in writing of the date of separation at least 60 days before that date. Action to separate the employee is not effective, without the consent of the employee, until the last day of the month in which the 60-day notice expires.

“(c) The President, by Executive order, may exempt an employee from automatic separation under this section if the President determines the public interest so requires.

“(B) An employee or Member (or former employee or Member) may make an election or change referred to in subparagraph (A) if the employee or Member and the employee's or Member's spouse (or the former employee or Member and the former employee's or Member's spouse) jointly waive, by written election, any right which the spouse may have to a survivor annuity with respect to such employee or Member (or former employee or Member) under section 8434 of this title or subsection (c).

“(2) Paragraph (1) shall not apply to an election or change of election by an employee or Member (or former employee or Member) who establishes to the satisfaction of the Executive Director (at the time of the election or change and in accordance with regulations prescribed by the Executive Director)—

“(A) that the spouse's whereabouts cannot be determined; or

“(B) that, due to exceptional circumstances, requiring the spouse’s waiver would otherwise be inappropriate.

“(b)(1) Except as provided in paragraph (2), a transfer may be made by an employee or Member (or former employee or Member) under section 8433(d) of this title only after the Executive Director notifies any current spouse and each former spouse of the employee or Member (or former employee or Member), if any, that the transfer is to be made.

“(2) Paragraph (1) may be waived with respect to a spouse or former spouse if the employee or Member (or former employee or Member) establishes to the satisfaction of the Executive Director that the whereabouts of such spouse or former spouse cannot be determined.

“(c)(1) Notwithstanding any election under subsection (b) of section 8434 of this title, the method described in subsection (a)(2)(B) of such section (or, if more than one form of such method is available, the form which the Board determines to be the one which provides for a surviving spouse a survivor annuity most closely approximating the annuity of a surviving spouse under section 8442 of this title) shall be deemed the applicable method under such subsection (b) in the case of an employee, Member, former employee, or former Member who is married on the date on which the employee’s, Member’s, former employee’s, or former Member’s annuity commences under this subchapter.

“(2) Paragraph (1) shall not apply—

“(A) in the case of an employee or Member retiring under section 8412, 8413, 8414, or 8451 of this title if—

“(i) a joint waiver of such method is made, in writing, by the employee or Member and the spouse; or

“(ii) the employee or Member waives such method, in writing, after establishing to the satisfaction of the Executive Director that circumstances described in subsection (a)(2)(A) or (a)(2)(B) make the requirement of a joint waiver inappropriate; or

“(B) in the case of an employee or Member not covered by subparagraph (A), if the employee or Member waives such method after—

“(i) having provided notification to the spouse of intent to waive; or

“(ii) establishing to the satisfaction of the Executive Director that the whereabouts of such spouse cannot be determined.

“(d)(1) An election, change of election, or modification of the commencement date of a deferred annuity shall not be effective under this subchapter and a transfer may not be made under section 8433(d) of this title to the extent that the election, change, modification, or transfer conflicts with any court decree, order, or agreement described in paragraph (2).

“(2) A court decree, order, or agreement referred to in paragraph (1) is, with respect to an employee or Member (or former employee or Member), a court decree of divorce, annulment, or legal separation issued in the case of such employee or Member (or former employee or Member) and any former spouse of the employee or Member (or former employee or Member) or any court order or court-approved property settlement agreement incident to such decree if—

“(A) the decree, order, or agreement expressly relates to any portion of the balance in the employee’s or Member’s (or former employee’s or Member’s) account; and

“(B) notice of the decree, order, or agreement was received by the Executive Director before—

“(i) the date on which payment is made, or

“(ii) in the case of an annuity, the date on which the annuity commences,

in accordance with the election, change, modification, or contribution referred to in paragraph (1).

“(3) The Executive Director shall prescribe regulations under which this subsection shall be applied in any case in which the Executive Director receives two or more decrees, orders, or agreements referred to in paragraph (1).

Regulations.

“(A) an election under section 8434(a)(2)(E) of this title, or

“(B) any court decree, order, or agreement (described in subsection (d)(2), without regard to subparagraph (B) of such subsection) which relates to such deceased individual and such former spouse,

expressly provides for such survivor annuity.

“(2) Paragraph (1) shall apply only to payments made by the Executive Director after the date on which the Executive Director receives written notice of the election, decree, order, or agreement, and such additional information and documentation as the Executive Director may require.

“(3) The amount of the survivor annuity payable from the Thrift Savings Fund to a former spouse of a deceased employee, Member, former employee, or former Member under this section may not exceed the excess, if any, of—

“(A) the amount of the survivor annuity determined for a surviving spouse of the deceased employee, Member, former employee, or former Member under the method described in subsection (c)(1), over

“(B) the total amount of all other survivor annuities payable under this subchapter to other former spouses of such deceased employee, Member, former employee, or former Member based on the order of precedence provided in paragraph (4).

“(4) If more than one former spouse of a deceased employee, Member, former employee, or former Member is entitled to a survivor annuity pursuant to this subsection, the amount of each such survivor annuity shall be limited appropriately to carry out paragraph (3) in the order of precedence established for the entitlements by the chronological order of the dates on which elections are properly made pursuant to section 8434(a)(2)(E) of this title and the dates on which the court decrees, orders, or agreements applicable to the entitlement were issued, as the case may be.

“(5) Subsections (c) and (d) of section 8445 of this title shall apply to an entitlement of a former spouse to a survivor annuity under this subsection.

"(6) For the purposes of this section, a court decree, order, or agreement or an election referred to in subsection (a) of this section shall not be effective, in the case of a former spouse, to the extent that the election is inconsistent with any joint waiver previously executed with respect to such former spouse under subsection (a)(2) or (c)(2).

"(7) Any payment under this subsection to any individual bars recovery by any other individual.

Loans.

"(f)(1)(A) A loan may be made to a married employee or Member under section 8433(i) of this title only if the employee's or Member's spouse consents to such loan in writing.

"(B) A consent under subparagraph (A) shall be irrevocable with respect to the loan to which the consent relates.

"(C) Subparagraph (A) shall not apply to a loan to an employee or Member who establishes to the satisfaction of the Executive Director (at the time the employee or Member applies for such loan and in accordance with regulations prescribed by the Executive Director)—

"(i) that the spouse's whereabouts cannot be determined; or

"(ii) that, due to exceptional circumstances, requiring the employee or Member to seek the spouse's consent would otherwise be inappropriate.

"(2) An application for a loan under section 8433(i) of this title shall not be approved if approval would have the result described in subsection (d)(1).

"(g) Waivers and notifications required by this section and waivers of the requirements for such waivers and notifications (as authorized by this section) may be made only in accordance with procedures prescribed by the Executive Director.

“(a)(1) Except as provided in subsection (g), if an annuitant dies and is survived by a widow or widower, the widow or widower is entitled to an annuity equal to 50 percent of an annuity computed under section 8415 with respect to the annuitant, unless—

“(A) the right to an annuity was waived under section 8416(a) (and no election was subsequently made under section 8416(d) nullifying the waiver); or

“(B) in the case of a marriage after retirement, the annuitant did not file an election under section 8416 (b) or (c), as the case may be.

“(2) A spouse acquired after retirement is entitled to an annuity under this subsection (as provided in paragraph (1)) only upon electing this annuity instead of any other survivor benefit to which such spouse may be entitled under this subchapter or section 8424 or under another retirement system for Government employees.

“(b)(1) If an employee or Member dies after completing at least 18 months of civilian service creditable under section 8411 and is survived by a widow or widower, the widow or widower is entitled to—

“(A) an amount equal to the sum of—

“(i) 50 percent of the final annual rate of basic pay (or of the average pay, if higher) of the employee or Member; and

“(ii) \$15,000 as adjusted under section 8462(e); and

“(B) if the employee or Member completed at least 10 years of service, an annuity equal to 50 percent of an annuity computed under section 8415 with respect to the employee or Member, but without regard to subsection (f) of such section.

“(2) The Office shall prescribe regulations under which the total amount payable to a widow or widower under paragraph (1)(A) may, at the election of the widow or widower, be paid—

Regulations.

“(A) in a lump sum; or

“(B) on a monthly basis—

“(i) over a period of 3 years beginning on the day after the employee's or Member's death; or

“(ii) over any other period established under the regulations.

Any method of payment provided for under subparagraph (B) shall be designed such that the present value of the benefits provided under such method is actuarially equivalent to the present value of a lump-sum payment under subparagraph (A).

“(3) An amount payable under paragraph (1)(A) shall not be considered to be part of an annuity for purposes of this chapter.

“(c)(1) If a former employee or Member dies after having separated from the service with title to a deferred annuity under section 8413 but before having established a valid claim for an annuity, and is survived by a widow or widower to whom married on the date of separation, the widow or widower may elect to receive—

“(A) an annuity under paragraph (2); or

“(B) the lump-sum credit, if the widow or widower is the individual who would be entitled to the lump-sum credit and if such widow or widower files application therefor with the Office.

“(2)(A)(i) Subject to clause (ii) and subparagraph (B)(ii), the annuity of the widow or widower is equal to 50 percent of an annuity computed under section 8415 for the former employee or Member.

“(ii)(I) In computing an amount under section 8415 for a former employee or Member (described in subclause (II)) in order to compute the annuity for a widow or widower under this subsection, the computation under section 8415 shall be made as if the former employee or Member had attained the applicable minimum retirement age under section 8412(h).

“(II) This clause applies with respect to a former employee or Member who dies before having attained the applicable minimum retirement age under section 8412(h).

“(B)(i) Notwithstanding the first sentence of subsection (d)(1), the annuity of the widow or widower of a former employee or Member under subparagraph (A)(ii) commences—

“(I) on the day after the date on which the former employee or Member would have attained age 62; or

“(II) if the widow or widower so designates in the election, as of the day after the death of the former employee or Member.

“(ii) The present value of the annuity of a widow or widower who chooses the earlier commencement date under clause (i)(II) shall be actuarially equivalent to the present value of an annuity computed for the widow or widower, determined as if the commencement date under clause (i)(I) were applicable.

“(3)(A) Paragraphs (1) and (2) shall apply only in the case of an employee or Member who completes at least 10 years of service.

“(B) Nothing in this subsection shall be considered to affect the provisions of this chapter relating to a lump-sum credit in the case of the widow or widower of a former employee or Member who dies after completing less than 10 years of service.

“(d)(1) The annuity of a widow or widower under this section commences on the day after the death of the individual on whose service such annuity is based. This annuity and the right thereto terminate on the last day of the month before the widow or widower—

“(A) dies; or

“(B) remarries before becoming 55 years of age.

“(2) In the case of a widow or widower whose annuity under this section is terminated because of remarriage before becoming 55 years of age, the annuity shall be restored at the same rate commencing on the day the remarriage is dissolved by death, divorce, or annulment, if—

“(A) the widow or widower elects to receive this annuity instead of any other survivor benefit to which such widow or widower may be entitled (under this subchapter or section 8424 or under another retirement system for Government employees) by reason of the remarriage; and

“(B) any lump sum paid on termination of the annuity is returned to the Fund.

“(e) The requirement in paragraphs (1)(A) and (2)(A) of section 8441 that the widow or widower of an annuitant, employee, or Member, or of a former employee or Member, have been married to such individual for at least 9 months immediately before the death of the individual in order to qualify as the widow or widower of such individual shall be deemed satisfied in any case in which the individual dies within the applicable 9-month period, if—

“(1) the death of the individual was accidental; or

“(2) the surviving spouse of the individual had been previously married to such individual and subsequently divorced, and the aggregate time married is at least 9 months.

"(f)(1) Subject to paragraph (4), a survivor who is entitled to an annuity under subsection (a) shall also be entitled to a supplementary annuity under this subsection.

"(2) A supplementary annuity under this subsection shall be equal to the lesser of—

"(A) the amount by which the survivor's assumed CSRS annuity exceeds the annuity payable to such survivor under subsection (a); or

"(B) the amount determined under paragraph (3).

"(3)(A) Except as provided in subparagraph (B), the amount under this paragraph for a survivor is the amount of widow's or widower's insurance benefits which would be payable to such survivor under title II of the Social Security Act (without regard to sections 202(e)(7), 202(f)(2), and 203 of such Act) based on the wages and self-employment income of the deceased annuitant, and determined—

42 USC 401.

42 USC 402, 403.

"(i) as of the date on which the annuitant died; and

"(ii) as if the survivor had attained age 60 and made application for those benefits under subsection (e) or (f) of section 202 of such Act, as the case may be.

"(B) Any computation or determination under this paragraph shall be made in accordance with the applicable provisions of the Social Security Act, except that in computing any primary insurance amount under section 215 of such Act for purposes of determining an amount under this subsection, subparagraphs (A) and (C) of section 8421(b)(2) shall apply.

42 USC 1305.

42 USC 415.

"(4) A supplementary annuity under this subsection—

"(A) shall be payable to a survivor only for calendar months ending before the calendar month in which such survivor first satisfies the minimum age requirement under section 202(e)(1)(B)(i) or 202(f)(1)(B)(i) of the Social Security Act, as the case may be;

42 USC 402.

"(B) shall not be payable to a survivor who would not be entitled to benefits under subsection (e) or (f) of section 202 of the Social Security Act based on the wages and self-employment income of the deceased annuitant (determined, as of the date of the annuitant's death, as if the survivor had attained age 60 and made appropriate application for benefits, but without regard to any restriction under either such subsection relating to remarriage); and

"(C) shall not be payable to a survivor for any calendar month in which such survivor is entitled (or would, on proper application, be entitled) to benefits under section 202(g) of the Social Security Act (relating to mother's and father's insurance benefits), or under section 202 (e) or (f) of such Act by reason of having become disabled, based on the wages and self-employment income of the deceased annuitant.

"(5) For the purpose of this subsection, the term 'assumed CSRS annuity', as used in the case of a survivor, means the amount of the annuity to which such survivor would be entitled under subchapter III of chapter 83 of this title based on the service of the deceased annuitant, determined—

Post, pp. 589,
591-593.

"(A) as of the day after the date of the annuitant's death;

"(B) as if the survivor had made appropriate application therefor; and

"(C) as if the service of the deceased annuitant were creditable under such subchapter.

"(6) An amount payable under this subsection shall be adjusted under section 8462 and shall otherwise be treated under this chapter in the same way as an amount payable under subsection (a).

"(g)(1) If the widow or widower of an annuitant under section 8452 (hereinafter in this subsection referred to as a 'disability annuitant') is determined under subsection (a) to be entitled to an annuity based on the service of such disability annuitant, the annuity of the widow or widower shall be equal to 50 percent of the amount determined under paragraph (2), rather than of the amount referred to in subsection (a).

"(2)(A) Except as provided in subparagraph (B), the amount on which the annuity of the widow or widower of a disability annuitant is based shall be the amount of the annuity to which such disability annuitant was entitled, as computed under section 8452 (including appropriate reduction under subsection (a)(2) of such section and any adjustments under section 8462 allowed under section 8452), as of the day before the date of the disability annuitant's death.

"(B)(i) In the case of a widow or widower entitled to an annuity based on the service of a disability annuitant who dies before age 62, the amount under clause (ii) shall apply instead of the amount which would otherwise apply under subparagraph (A).

"(ii)(I) Subject to subclause (II), the amount of the annuity to which the disability annuitant was entitled as of the day before the date of death shall be considered to be the amount which would be computed with respect to such disability annuitant under section 8452(b) if the disability annuitant had attained age 62 on the day before date of death.

"(II) For purposes of any such computation under section 8452(b)(2) pursuant to this clause, creditable service shall (in addition to the service which would otherwise be used under subparagraph (B)(i) of such section) include the period of time between date of death and the date of the sixty-second anniversary of the birth of the annuitant, and average pay shall be adjusted in accordance with subparagraph (B)(ii) of such section only through date of death.

"(h) The following rules shall apply notwithstanding any other provision of this section:

"(1) The annuity payable under this section to a widow or widower may not exceed the difference between—

"(A) the amount of the annuity which would otherwise be payable to such widow or widower under this section; and

"(B) the amount of the annuity payable to any former spouse of the deceased employee, Member, or annuitant, or former employee or Member, based on an election made under section 8417(b) or a court order previously issued or agreement previously entered into as described in section 8445(a).

"(2) The amount payable under subsection (b)(1)(A) to a widow or widower may not exceed the difference between—

"(A) the amount which would otherwise be payable to such widow or widower under such subsection; and

"(B) the portion of such amount payable to any former spouse of the deceased employee, Member, or annuitant, or former employee or Member, based on a court order previously issued or agreement previously entered into.

"(3) A lump-sum credit under subsection (c)(2) shall be subject to the same terms and conditions as apply with respect to a lump-sum credit under section 8424(b).

"§ 8443. Rights of a child

5 USC 8443.

"(a)(1) If an employee or Member dies after completing at least 18 months of civilian service which is creditable under section 8411, or an annuitant dies, each surviving child is, for any month, entitled to an annuity equal to—

"(A) the amount by which the applicable amount under paragraph (2) for such month exceeds the applicable amount under paragraph (3) for such month, divided by

"(B) the number of children entitled to a payment under this section for such month.

"(2) The applicable amount under this paragraph for any month is the total amount to which the surviving child or children (as the case may be) of the annuitant, employee, or Member would be entitled for such month under subchapter III of chapter 83 based on the service of such annuitant, employee, or Member, if the service of such annuitant, employee, or Member were creditable under such subchapter.

Post, pp. 589,
591-593.

"(3) The applicable amount under this paragraph for any month is the total amount of child's insurance benefits which are payable (or would, on proper application, be payable) under title II of the Social Security Act for such month based on the wages and self-employment income of such annuitant, employee, or Member.

42 USC 401.

"(b) The annuity of a child under this subchapter—

"(1) commences on the day after the annuitant, employee, or Member dies;

"(2) commences or resumes on the first day of the month in which the child later becomes or again becomes a student as described by section 8441(4), if any lump sum paid is returned to the Fund; or

"(3) commences or resumes on the first day of the month in which the child later becomes or again becomes incapable of self-support because of a mental or physical disability incurred before age 18 (or a later recurrence of such disability), if any lump sum paid is returned to the Fund.

This annuity and the right thereto terminate on the last day of the month before the child—

"(A) becomes 18 years of age unless then a student as described or incapable of self-support;

"(B) becomes capable of self-support after becoming 18 years of age unless then such a student;

"(C) becomes 22 years of age if then such a student and capable of self-support;

"(D) ceases to be such a student after becoming 18 years of age unless then incapable of self-support; or

"(E) dies or marries;

whichever occurs first. On the death of the surviving wife or husband, or former wife or husband, or termination of the annuity of a child, the annuity of any other child or children shall be recomputed and paid as though the wife or husband, former wife or husband, or child had not survived the annuitant, employee, or Member.

"§ 8444. Rights of a named individual with an insurable interest

5 USC 8444.

"The annuity of a survivor named under section 8420(a) is 55 percent of the reduced annuity of the retired employee or Member determined under paragraph (2) of such section 8420(a). The annuity of the survivor commences on the day after the retired employee or

Member dies. This annuity and the right thereto terminate on the last day of the month before the survivor dies.

5 USC 8445.

"§ 8445. Rights of a former spouse

"(a) Subject to subsections (b) through (e), a former spouse of a deceased employee, Member, or annuitant (or of a former employee or Member who dies after having separated from the service with title to a deferred annuity under section 8413 but before having established a valid claim for annuity) is entitled to an annuity under this section, if and to the extent expressly provided for in an election under section 8417(b), or in the terms of any decree of divorce or annulment or any court order or court-approved property settlement agreement incident to such decree.

"(b)(1) The annuity payable to a former spouse under this section may not exceed the difference between—

"(A) the amount applicable in the case of such former spouse, as determined under paragraph (2); and

"(B) the amount of any annuity payable under this section to any other former spouse of the employee, Member, or annuitant, or former employee or Member, based on an election previously made under section 8417(b), or a court order previously issued or agreement previously entered into as described in subsection (a).

"(2) The applicable amount, for purposes of paragraph (1)(A) in the case of a former spouse, is the amount of the annuity which would be payable under the provisions of section 8442 (including subsection (f) of such section, but without regard to subsection (h) of such section) if such former spouse were a widow or widower entitled to an annuity under such provisions based on the service of the deceased employee, Member, or annuitant, or former employee or Member.

Contracts.

"(c) The commencement and termination of an annuity payable under this section shall be governed by the terms of the applicable order, decree, agreement, or election, as the case may be, except that any such annuity—

"(1) shall not commence before—

"(A) the day after the employee, Member, or annuitant, or former employee or Member, dies; or

"(B) the first day of the second month beginning after the date on which the Office receives written notice of the order, decree, agreement, or election, as the case may be, together with such additional information or documentation as the Office may prescribe;

whichever is later; and

"(2) shall terminate no later than the last day of the month before the former spouse remarries before becoming 55 years of age or dies.

"(d) For purposes of this chapter, a modification in a decree, order, agreement, or election referred to in subsection (a) shall not be effective—

"(1) if such modification is made after the retirement or death of the employee, Member, or annuitant, or former employee or Member, concerned; and

"(2) to the extent that such modification involves an annuity under this section.

"(e) For purposes of this chapter, a decree, order, agreement, or election referred to in subsection (a) shall not be effective, in the

case of a former spouse, to the extent that it is inconsistent with any joint waiver previously executed with respect to such former spouse under section 8416(a).

“(f)(1) Any amount under section 8442(b)(1)(A) which would otherwise be payable to a widow or widower based on the service of another individual shall be paid (in whole or in part) by the Office to a former spouse of such individual if and to the extent expressly provided for in the terms of a court decree of divorce, annulment, or legal separation, or the terms of a court order or court-approved property settlement incident to any decree of divorce, annulment, or legal separation.

“(2) Paragraph (1) shall apply only to payments made by the Office after the date of receipt in the Office of written notice of such decree, order, or agreement, and such additional information and documentation as the Office may prescribe.

“SUBCHAPTER V—DISABILITY BENEFITS

“§ 8451. Disability retirement

5 USC 8451.

“(a)(1)(A) An employee who completes at least 18 months of civilian service creditable under section 8411 and has become disabled shall be retired on the employee's own application or on application by the employee's agency.

“(B) For purposes of this subsection, an employee shall be considered disabled only if the employee is found by the Office to be unable, because of disease or injury, to render useful and efficient service in the employee's position.

“(2)(A) Notwithstanding paragraph (1), an employee shall not be eligible for disability retirement under this section if the employee has declined a reasonable offer of reassignment to a vacant position in the employee's agency for which the employee is qualified if the position—

“(i) is at the same grade (or pay level) as the employee's most recent grade (or pay level) or higher;

“(ii) is within the employee's commuting area; and

“(iii) is one in which the employee would be able to render useful and efficient service.

“(B) An employee who is applying for disability retirement under this subchapter shall be considered for reassignment by the employee's agency to a vacant position described in subparagraph (A) in accordance with such procedures as the Office shall by regulation prescribe.

Regulations.

“(C) An employee is entitled to appeal to the Merit Systems Protection Board under section 7701 any determination that the employee is not unable, because of disease or injury, to render useful and efficient service in a position to which the employee has declined reassignment under this section.

“(D) For purposes of subparagraph (A), an employee of the United States Postal Service shall not be considered qualified for a position if such position is in a different craft or if reassignment to such position would be inconsistent with the terms of a collective-bargaining agreement covering the employee.

“(b) A Member who completes at least 18 months of service as a Member and is found by the Office to be disabled for useful and

efficient service as a Member because of disease or injury shall be retired on the Member's own application.

"(c) An employee or Member retiring under this section is entitled to an annuity computed under section 8452.

5 USC 8452.

"§ 8452. Computation of disability annuity

"(a)(1)(A) Except as provided in paragraph (2), or subsection (b), (c), or (d), the annuity of an annuitant under this subchapter—

"(i) for the period beginning on the date on which such annuity commences, or is restored (as described in section 8455(b) (2) or (3)), and ending at the end of the twelfth month beginning on or after such date, shall be equal to 60 percent of the annuitant's average pay; and

"(ii) after the end of the period referred to in clause (i), shall be equal to 40 percent of the annuitant's average pay.

"(B) An annuity computed under this paragraph shall not, for purposes of any adjustment under section 8462 (including any adjustment under subsection (c)(1) of such section), be considered to have commenced until after such annuity ceases to be determined under subparagraph (A)(i).

42 USC 423.

"(2)(A) For any month in which an annuitant is entitled both to an annuity under this subchapter as computed under paragraph (1) and to a disability insurance benefit under section 223 of the Social Security Act, the annuitant's annuity for such month (as so computed) shall—

"(i) if such month occurs during a period referred to in paragraph (1)(A)(i), be reduced by 100 percent of the annuitant's assumed disability insurance benefit for such month; or

"(ii) if such month occurs other than during a period referred to in paragraph (1)(A)(i), be reduced by 60 percent of the annuitant's assumed disability insurance benefit for such month; except that an annuity may not be reduced below zero by reason of this paragraph.

"(B)(i) For purposes of this paragraph, the assumed disability insurance benefit of an annuitant for any month shall be equal to—

"(I) the amount of the disability insurance benefit to which the annuitant would have been entitled under section 223 of the Social Security Act for the month in which the annuity under this subchapter commenced, or was restored, determined as if such annuitant had then satisfied all requirements for entitlement to a benefit under such section, adjusted by

"(II) all adjustments made under section 8462(b) between the date on which the annuity commenced, or was restored, and the start of the month involved (without regard to whether the annuitant's annuity was affected by any of those adjustments).

For purposes of computing the assumed disability insurance benefit, the month in which the annuitant's disability began (as determined under section 216(i)(2)(C) of the Social Security Act) shall be the month in which the annuity commenced or, if earlier (and if a determination was actually made) the month determined under such section.

42 USC 416.

"(ii) For purposes of applying section 224 of the Social Security Act to the assumed disability insurance benefit used to compute the reduction under this paragraph, the amount of the annuity under this subchapter which is considered shall be the amount of the annuity as determined before the application of this paragraph.

42 USC 424a.

"(b)(1) Except as provided in subsection (d), if an annuitant is entitled to an annuity under this subchapter as of the day before the date of the sixty-second anniversary of the annuitant's birth (hereinafter in this section referred to as the annuitant's 'redetermination date'), such annuity shall be redetermined under paragraph (3) or (4), as applicable. Effective as of the annuitant's redetermination date, the annuity (as so redetermined) shall be in lieu of any annuity to which such annuitant would otherwise be entitled under this subchapter.

"(2)(A) In order to carry out paragraphs (3) and (4), the Office shall compute an annuity for the annuitant under section 8415.

"(B) In performing a computation under this paragraph—

"(i) creditable service of the annuitant shall be increased by including the period (or periods), if any, before the annuitant's redetermination date during which the annuitant was entitled to an annuity under this subchapter; and

"(ii) the average pay which would otherwise be used shall be adjusted to reflect all adjustments made under section 8462(b) with respect to any period (or periods) referred to in clause (i) (without regard to whether the annuitant's annuity was affected by any of those adjustments).

"(3) If, as of the day before the annuitant's redetermination date, the annuitant's annuity is subject to reduction under subsection (a)(2), the annuitant's redetermined annuity shall be the lesser of—

"(A) the amount determined with respect to such annuitant under paragraph (2); or

"(B) subject to the following sentence, the amount (converted so as to be expressed as an annual amount) which would otherwise be payable under this subchapter for the month in which occurs the day before the annuitant's redetermination date, as computed under subsection (a) (based on the assumption that the annuitant was entitled to an annuity under this subchapter, and to a disability insurance benefit under section 223 of the Social Security Act, for the entirety of such month).

42 USC 423.

If the annuitant's redetermination date occurs during the period described in subsection (a)(1)(A), the amount used under subparagraph (B) may not exceed the amount (converted so as to be expressed as an annual amount) which would otherwise be payable under this subchapter for the first month after such period, as computed under subsection (a) based on the assumption that the annuitant was entitled to an annuity under this subchapter, and to a disability insurance benefit under section 223 of the Social Security Act, for the entirety of such month.

"(4) If, as of the day before the annuitant's redetermination date, the annuitant's annuity is not subject to reduction under subsection (a)(2), the annuitant's redetermined annuity shall be the lesser of—

"(A) the amount determined with respect to such annuitant under paragraph (2); or

"(B) the amount which would be used for such annuitant under subparagraph (B) of paragraph (3) (as determined subject to the second sentence of such paragraph), if such paragraph applied to such annuitant.

"(c) Except as provided in subsection (d), the annuity of an annuitant under this subchapter shall be computed under section 8415 if—

"(1) such annuity commences, or is restored, beginning on or after the redetermination date of the annuitant; or

"(2) as of the day on which such annuity commences, or is restored, the annuitant satisfies the age and service requirements for entitlement to an annuity under section 8412 (other than subsection (g) of such section).

"(d) The annuity to which an annuitant is entitled under this section shall not be less than the amount of an annuity computed under section 8415 (excluding subsection (f) of such section).

Claims.

5 USC 8453.

"§ 8453. Application

"A claim may be allowed under this subchapter only if application is filed with the Office before the employee or Member is separated from the service or within 1 year thereafter. This time limitation may be waived by the Office for an employee or Member who, at the date of separation from service or within 1 year thereafter, is mentally incompetent if the application is filed with the Office within 1 year from the date of restoration of the employee or Member to competency or the appointment of a fiduciary, whichever is earlier.

5 USC 8454.

"§ 8454. Medical examination

"An annuitant receiving a disability retirement annuity from the Fund shall be examined under the direction of the Office—

"(1) at the end of 1 year from the date of the disability retirement; and

"(2) annually thereafter until becoming 60 years of age; unless the disability is permanent in character. If the annuitant fails to submit to examination as required by this section, payment of the annuity shall be suspended until continuance of the disability is satisfactorily established.

5 USC 8455.

"§ 8455. Recovery; restoration of earning capacity

"(a)(1) If an annuitant receiving a disability retirement annuity from the Fund recovers from the disability before becoming 60 years of age, payment of the annuity terminates on reemployment by the Government or 1 year after the date on which the Office determines that the annuitant has recovered, whichever is earlier.

"(2) If an annuitant receiving a disability annuity from the Fund, before becoming 60 years of age, is restored to an earning capacity fairly comparable to the current rate of pay of the position occupied at the time of retirement, payment of the annuity terminates 180 days after the end of the calendar year in which earning capacity is so restored. Earning capacity is deemed restored if in any calendar year the income of the annuitant from wages or self-employment or both equals at least 80 percent of the current rate of pay of the position occupied immediately before retirement.

"(b)(1) If an annuitant whose annuity is terminated under subsection (a) is not reemployed in a position in which that individual is subject to this chapter, such individual is deemed, except for service credit, to have been involuntarily separated from the service for the purpose of subchapter II of this chapter as of the date of termination of the disability annuity, and after that termination is entitled to annuity under the applicable provisions of such subchapter.

"(2) If an annuitant whose annuity is terminated under subsection (a)(2)—

"(A) is not reemployed in a position subject to this chapter; and

"(B) has not recovered from the disability for which that individual was retired;
the annuity of such individual shall be restored at the applicable rate under section 8452 effective the first of the year following any calendar year in which such individual's income from wages or self-employment or both is less than 80 percent of the current rate of pay of the position occupied immediately before retirement.

"(3) If an annuitant whose annuity is terminated because of a medical finding that the individual has recovered from disability is not reemployed in a position in which such individual is subject to this chapter, the annuity of such individual shall be restored at the applicable rate under section 8452 effective from the date on which the Office determines that there has been a recurrence of the disability.

"(4) Paragraphs (2) and (3) shall not apply in the case of an annuitant receiving an annuity from the Fund under subchapter II of this chapter.

"§ 8456. Relationship to workers' compensation

5 USC 8456.

"(a)(1) An individual is not entitled to receive an annuity under this subchapter and compensation for injury to or disability of the individual under subchapter I of chapter 81 covering the same period of time.

5 USC 8101.

"(2) Paragraph (1) does not bar the right of a claimant to the greater benefit conferred by either subchapter referred to in such paragraph for any part of the period referred to in such paragraph.

"(3) Paragraph (1) and the provisions of subchapter I of chapter 81 do not deny an individual an annuity which the individual is entitled to receive under this chapter on account of service performed by the individual and do not deny any concurrent benefit to the individual under subchapter I of chapter 81 on account of the death of another individual.

"(b)(1) Subject to paragraph (2), an individual's receipt of a lump-sum payment for compensation under section 8135 shall not affect the individual's entitlement to an annuity under this subchapter.

"§ 8468. Annuities and pay on reemployment

"(a) If an annuitant becomes employed in an appointive or elective position in the Government, payment of any annuity under subchapter II or V of this chapter to the annuitant terminates effective on the date of the employment. The amounts withheld during any calendar quarter shall be held in the Fund and disbursed to the States during the month following that calendar quarter.

"(b) An annuitant may have in effect at any time only one request for withholding under this section, and an annuitant may not have more than two such requests in effect during any one calendar year.

"(c) Subject to subsection (b), an annuitant may change the State designated by that annuitant for purposes of having withholdings made, and may request that the withholdings be remitted in accordance with such change. An annuitant also may revoke any request of that annuitant for withholding. Any change in the State des-

“(d) This section does not give the consent of the United States to the application of a statute which imposes more burdensome requirements on the United States than on employers generally, or which subjects the United States or any annuitant to a penalty or liability because of this section. The Office may not accept pay from a State for services performed in withholding State income taxes from annuities. Any amount erroneously withheld from an annuity and paid to a State by the Office shall be repaid by the State in accordance with regulations issued by the Office.

“(b) Recovery of payments under subchapter II, IV, or V of this chapter may not be made from an individual when, in the judgment of the Office, the individual is without fault and recovery would be against equity and good conscience. Withholding or recovery of money paid under subchapter II, IV, or V of this chapter on account of a certification or payment made by a former employee of the United States in the discharge of his official duties may be made only if the head of the agency on behalf of which the certification or payment was made certifies to the Office that the certification or payment involved fraud on the part of the former employee.

"SEC. 861. FORMER SPOUSES.—(a)(1)(A) Unless otherwise expressly provided by any spousal agreement or court order governing disposition of benefits under this subchapter, a former spouse of a participant or former participant is entitled, during the period described in subparagraph (B), to a share (determined under paragraph (2)) of all benefits otherwise payable to such participant under this subchapter if such former spouse was married to the participant for at least 10 years during service of the participant which is creditable under this chapter with at least 5 of such years occurring while the participant was a member of the Foreign Service.

22 USC 4071j.

"(B) The period referred to in subparagraph (A) is the period which begins on the first day of the month following the month in which the divorce or annulment becomes final and ends on the last day of the month before the former spouse dies or remarries before 55 years of age.

"(2) The share referred to in paragraph (1) equals—

"(A) 50 percent, if such former spouse was married to the participant throughout the actual years of service of the participant which are creditable under this chapter; or

"(B) a pro rata share of 50 percent, if such former spouse was not married to the participant throughout such creditable service.

"(3) A former spouse shall not be qualified for any benefit under this subsection if, before the commencement of any benefit, the former spouse remarries before becoming 55 years of age.

"(5) Notwithstanding subsection (a)(1), in the case of any former spouse of a disability annuitant—

"(A) the annuity of the former spouse shall commence on the date the participant would qualify, on the basis of his or her creditable service, for an annuity under this chapter (other than a disability annuity) or the date the disability annuity begins, whichever is later, and

"(B) the amount of the annuity of the former spouse shall be calculated on the basis of the annuity for which the participant would otherwise so qualify.

"(6)(A) Except as provided in subparagraph (B), any former spouse who becomes entitled to receive any benefit under this subchapter which would otherwise be payable to a participant or former participant shall be entitled to make any election regarding method of payment to such former spouse that such participant would have otherwise been entitled to elect, and the participant may elect an alternate method for the remaining share of such benefits. Such elections shall not increase the actuarial present value of benefits expected to be paid under this subchapter.

Ante, p. 522.

"(B) A former spouse may not elect a method of payment under subchapter II, chapter 84 of title 5, United States Code, providing for payment of a survivor annuity to any survivor of the former spouse.

"(7) The maximum amount payable to any former spouse pursuant to this subsection shall be the difference, if any, between 50 percent of the total benefits authorized to be paid to a former participant by this subchapter, disregarding any apportionment of these benefits to others, and the aggregate amount payable to all others at any one time.

"(b)(1) Unless otherwise expressly provided for by any spousal agreement or court order governing survivorship benefits under this subchapter to a former spouse married to a participant or former participant for the periods specified in subsection (a)(1)(A), such

former spouse is entitled to a share, determined under subsection (b)(2), of all survivor benefits that would otherwise be payable under this subchapter to an eligible surviving spouse of the participant.

"(2) The share referred to in subsection (b)(1) equals—

"(A) 100 percent if such former spouse was married to the participant throughout the entire period of service of the participant which is creditable under this chapter; or

"(B) a pro rata share of 100 percent if such former spouse was not married to the participant throughout such creditable service.

"(c) A participant or former participant may not make any election or modification of election under section 8417, 8418, or 8433 of title 5, United States Code, or other section relating to the participant's account in the Thrift Savings Plan or annuity under the basic plan that would diminish the entitlement of a former spouse to any benefit granted to the former spouse by this section or in a current spousal agreement.

"(d) If a member becomes a participant under this subchapter after qualifying for benefits under subchapter I and, at the time of transfer, has a former spouse entitled to benefits under subchapter I which are determined under section 814 or 815 (as determined by the Secretary of State) and are similar in amount to a pro rata share division under section 814 or 815 and the service of the member as a participant under this subchapter is not recognized in determining that pro rata share, then subsections (a) and (b) of this section shall not apply to such former spouse. Otherwise, subsections (a) and (b) of this section shall apply.

22 USC 4054,
4055.

"(e) If a participant dies after completing at least 18 months of service or a former participant dies entitled to a deferred annuity, but before becoming eligible to receive the annuity, and such participant or former participant has left with the Secretary of State a spousal agreement promising a share of a survivor annuity under subchapter IV, chapter 84, title 5, United States Code, to a former spouse, such survivor annuity shall be paid under the terms of this subchapter as if the survivor annuity had been ordered by a court.

"SEC. 862.
