Fund", "Foreign Military Credit Sales", "Military Assistance", "International Military Education and Training", the Agricultural Trade Development and Assistance Act of 1954 (Public Law 480), development assistance programs, or trade promotion programs should fully cooperate with the international refugee assistance organizations, the United States, and other governments in facilitating lasting solutions to refugee situations. (b)(1) The Congress calls upon the President to direct the Agency for International Development, working through the Centers for Disease Control and other appropriate Federal agencies, to work in a global effort to provide enhanced support toward achieving the goal of universal access to childhood immunization by 1990 by—
