“(d) **DEFERRAL OF SUBMISSION.**—

“(1) **REQUEST FOR DEFERRAL.**—A local educational agency may request a deferral, to May 9, 1989, of the deadline under subsection (a). Upon approval of such a request, the deadline under subsection (a) is deferred until May 9, 1989, for the local educational agency which submitted the request. Such a request may cover one or more schools under the authority of the agency and shall include a list of all the schools covered by the request. A local educational agency shall file any such request with the State Governor by October 12, 1988, and shall include with the request either of the following statements:

“(A) A statement—

“(i) that the State in which the agency is located has requested from the Administrator, before June 1, 1988, a waiver under section 203(m); and

“(i) A statement that, in spite of the fact that the local educational agency has made a good faith effort to meet the deadline for submission of a management plan under subsection (a), the agency will not be able to meet the deadline. The statement shall include a brief explanation of the reasons why the deadline cannot be met.

“(IV) Documentation showing that an inspection or management plan has been completed in at least one other school under the local educational agency’s authority.

“(2) NOTIFICATION AND PUBLIC MEETING.—Before filing a deferral request under paragraph (1), a local educational agency shall notify affected parent, teacher, and employee organizations of its intent to file such a request. In the case of a deferral request for a public school, the local educational agency shall discuss the request at a public meeting of the school board with jurisdiction over the school, and affected parent, teacher, and employee organizations shall be notified in advance of the time and place of such meeting.

In any case in which the local educational agency decides to refile the request, the agency shall refile the request, and the Governor shall respond to such refiled request in the manner described in subparagraph (A), no later than 15 days after the local educational agency has received a response from the Governor under subparagraph (A).

“(C) Approval of a deferral request under this subsection occurs only upon the receipt by a local educational agency of a written acknowledgment from the Governor that the agency’s deferral request is complete.

“(4) **SUBMISSION AND REVIEW OF PLAN.**—A local educational agency whose deferral request is approved shall submit a management plan to the Governor not later than May 9, 1989. Such management plan shall include a copy of the deferral request and the statement accompanying such request.
