authorities, and private sources, for expenses incurred in the maintenance and operation of air navigation facilities and for issuance of airmen and aircraft certificates, including processing of major repair and alteration forms: *Provided further*, That none of these funds shall be available for new applicants for the second career training program or for a pilot test of contractor maintenance: *Provided further*, That the immediately preceding proviso shall not prohibit the augmentation of the existing field maintenance work force if it is determined to be essential for the safe operation of the air traffic control system: *Provided further*, That the unexpended balances of the appropriation "Federal Aviation Administration, Headquarters Administration" shall be transferred to and merged with this appropriation: *Provided further*, That in the event that the Federal Aviation Administrator employs annuitants subject to section 8344(h) of title V, United States Code, not to exceed \$10,000,000, to be derived from the unobligated balance of any appropriation available for obligation by the Federal Aviation Administration as of the effective date of this Act, shall be available through December 31, 1990, for the purpose of funding such employment: *Provided further*, That any such funding shall be reported to the Committees on Appropriations of the Senate and the House of Representatives: *Provided further*, That, of the funds available under this head, \$3,400,000 shall be made available for the Federal Aviation Administration to enter into contractual agreement with the Mid-American Aviation Resource Consortium in Minnesota to operate an air traffic controller training program.

FACILITIES AND EQUIPMENT

(AIRPORT AND AIRWAY TRUST FUND)

For necessary expenses, not otherwise provided for, for acquisition, establishment, and improvement by contract or purchase, and hire of air navigation and experimental facilities, including initial acquisition of necessary sites by lease or grant; engineering and service testing including construction of test facilities and acquisition of necessary sites by lease or grant; and construction and furnishing of quarters and related accommodations of officers and employees of the Federal Aviation Administration stationed at remote localities where such accommodations are not available; and the lease or purchase of one aircraft from funds available under this head, or prior year funds available under this head, or a combination thereof; to be derived from the Airport and Airway Trust Fund and to remain available until September 30, 1994, \$1,746,487,000: *Provided*, That there may be credited to this appropriation funds received from States, counties, municipalities, other public authorities, and private sources, for expenses incurred in the establishment and modernization of air navigation facilities: *Provided further*, That none of the funds under this head shall be available for the Secretary of Transportation to enter into grant agreements with universities or colleges for any capital project the Federal share of which is in excess of 50 per centum of the total cost of such project.

RESEARCH, ENGINEERING, AND DEVELOPMENT

(AIRPORT AND AIRWAY TRUST FUND)

For necessary expenses, not otherwise provided for, for research, engineering, and development, in accordance with the provisions of the Federal Aviation Act (49 U.S.C. 1301-1542), including construction of experimental facilities and acquisition of necessary sites by lease or grant, \$173,000,000, to be derived from the Airport and Airway Trust Fund and to remain available until expended: *Provided*, That there may be credited to this appropriation funds received from States, counties, municipalities, other public authorities, and private sources, for expenses incurred for research, engineering, and development: *Provided further*, That of the funds available under this head, \$1,000,000, to remain available until expended, is appropriated and shall be available for grants under the Federal Grant and Cooperative Agreement Act of 1977 to the National Aviation Institute, Pleasantville, New Jersey, to fund research and development in the area of facilitating research by cataloguing and prioritizing aviation related research efforts and providing a central clearinghouse for aviation research.

GRANTS-IN-AID FOR AIRPORTS

(LIQUIDATION OF CONTRACT AUTHORIZATION)

(AIRPORT AND AIRWAY TRUST FUND)

For liquidation of obligations incurred for airport planning and development under section 14 of Public Law 91-258, as amended, and under other law authorizing such obligations, and obligations for noise compatibility planning and programs, \$1,190,000,000, to be derived from the Airport and Airway Trust Fund and to remain available until expended: *Provided*, That none of the funds in this Act shall be available for the planning or execution of programs the commitments for which are in excess of \$1,500,000,000 in fiscal year 1990 for grants-in-aid for airport planning and development, and noise compatibility planning and programs, notwithstanding section 506(e)(4) of the Airport and Airway Improvement Act of 1982, as amended: *Provided further*, That, of the amount available for obligation under this head, \$100,000,000 shall be made available, in addition to amounts otherwise provided by law, for the planning and execution of programs under section 507(c)(2) of the Airport and Airway Improvement Act of 1982, as amended.

AVIATION INSURANCE REVOLVING FUND

The Secretary of Transportation is hereby authorized to make such expenditures and investments, within the limits of funds available pursuant to section 1306 of the Act of August 23, 1958, as amended (49 U.S.C. 1536), and in accordance with section 104 of the Government Corporation Control Act, as amended (31 U.S.C. 9104), as may be necessary in carrying out the program set forth in the budget for the current fiscal year for aviation insurance activities under said Act.

AIRCRAFT PURCHASE LOAN GUARANTEE PROGRAM

49 USC app.
1324 note.

The Secretary of Transportation may hereafter issue notes or other obligations to the Secretary of the Treasury, in such forms and denominations, bearing such maturities, and subject to such terms and conditions as the Secretary of the Treasury may prescribe. Such obligations may be issued to pay any necessary expenses required pursuant to any guarantee issued under the Act of September 7, 1957, Public Law 85-307, as amended (49 U.S.C. 1324 note). None of the funds in this Act shall be available for the implementation or execution of programs under this head the obligations for which are in excess of \$10,000,000 during fiscal year 1990. Such obligations shall be redeemed by the Secretary from appropriations authorized by this section. The Secretary of the Treasury shall purchase any such obligations, and for such purpose he may use as a public debt transaction the proceeds from the sale of any securities issued under the Second Liberty Bond Act, as now or hereafter in force. The purpose for which securities may be issued under such Act are extended to include any purchase of notes or other obligations issued under the subsection. The Secretary of the Treasury may sell any such obligations at such times and price and upon such terms and conditions as he shall determine in his discretion. All purchases, redemptions, and sales of such obligations by such Secretary shall be treated as public debt transactions of the United States.

FEDERAL HIGHWAY ADMINISTRATION

LIMITATION ON GENERAL OPERATING EXPENSES

Necessary expenses for administration, operation, and research of the Federal Highway Administration, not to exceed \$234,000,000 shall be paid in accordance with law, from appropriations made available by this Act to the Federal Highway Administration together with advances and reimbursements received by the Federal Highway Administration: *Provided*, That not to exceed \$41,080,000 of the amount provided herein shall remain available until expended: *Provided further*, That, notwithstanding any other provision of law, there may be credited to this account funds received from States, counties, municipalities, other public authorities, and private sources, for training expenses incurred for non-Federal employees.

UNIVERSITY TRANSPORTATION CENTERS

(HIGHWAY TRUST FUND)

For necessary expenses for university transportation centers, as authorized by section 21(i)(2) of the Urban Mass Transportation Act of 1964, as amended, \$5,000,000 to be derived from the Highway Trust Fund (other than the Mass Transit Account).

SEC. 301. During the current fiscal year applicable appropriations to the Department of Transportation shall be available for maintenance and operation of aircraft; hire of passenger motor vehicles and aircraft; purchase of liability insurance for motor vehicles operating in foreign countries on official department business; and uniforms, or allowances therefor, as authorized by law (5 U.S.C. 5901-5902).

SEC. 302. Funds for the Panama Canal Commission may be apportioned notwithstanding section 3679 of the Revised Statutes, as amended (31 U.S.C. 1341), to the extent necessary to permit payment of such pay increases for officers or employees as may be authorized by administrative action pursuant to law that are not in excess of statutory increases granted for the same period in corresponding rates of compensation for other employees of the Government in comparable positions.

SEC. 303. Funds appropriated under this Act for expenditures by the Federal Aviation Administration shall be available (1) except as otherwise authorized by the Act of September 30, 1950 (20 U.S.C. 236-244), for expenses of primary and secondary schooling for dependents of Federal Aviation Administration personnel stationed outside the continental United States at costs for any given area not in excess of those of the Department of Defense for the same area, when it is determined by the Secretary that the schools, if any, available in the locality are unable to provide adequately for the education of such dependents, and (2) for transportation of said dependents between schools serving the area that they attend and their places of residence when the Secretary, under such regulations

20 USC 241 note.

as may be prescribed, determines that such schools are not accessible by public means of transportation on a regular basis.

SEC. 304. Appropriations contained in this Act for the Department of Transportation shall be available for services as authorized by 5 U.S.C. 3109, but at rates for individuals not to exceed the per diem rate equivalent to the rate for a GS-18.

SEC. 305. None of the funds for the Panama Canal Commission may be expended unless in conformance with the Panama Canal Treaties of 1977 and any law implementing those treaties.

SEC. 306. None of the funds in this Act shall be used for the planning or execution of any program to pay the expenses of, or otherwise compensate, non-Federal parties intervening in regulatory or adjudicatory proceedings funded in this Act.

SEC. 307. None of the funds appropriated in this Act shall remain available for obligation beyond the current fiscal year nor may any be transferred to other appropriations unless expressly so provided herein.

SEC. 308. None of the funds in this or any previous or subsequent Act shall be available for the planning or implementation of any change in the current Federal status of the Transportation Systems Center, and none of the funds in this Act shall be available for the implementation of any change in the current Federal status of the Turner-Fairbank Highway Research Center.

Contracts.

SEC. 309. The expenditure of any appropriation under this Act for any consulting service through procurement contract pursuant to section 3109 of title 5, United States Code, shall be limited to those contracts where such expenditures are a matter of public record and available for public inspection, except where otherwise provided under existing law, or under existing executive order issued pursuant to existing law.

State and local
governments.
23 USC 104 note.

SEC. 310. (a) For fiscal year 1990 the Secretary of Transportation shall distribute the obligation limitation for Federal-aid highways by allocation in the ratio which sums authorized to be appropriated for Federal-aid highways and highway safety construction that are apportioned or allocated to each State for such fiscal year bear to the total of the sums authorized to be appropriated for Federal-aid highways and highway safety construction that are apportioned or allocated to all the States for such fiscal year.

(b) During the period October 1 through December 31, 1989, no State shall obligate more than 35 per centum of the amount distributed to such State under subsection (a), and the total of all State obligations during such period shall not exceed 25 per centum of the total amount distributed to all States under such subsection.

(c) Notwithstanding subsections (a) and (b), the Secretary shall—

(1) provide all States with authority sufficient to prevent lapses of sums authorized to be appropriated for Federal-aid highways and highway safety construction that have been apportioned to a State, except in those instances in which a State indicates its intention to lapse sums apportioned under section 104(b)(5)(A) of title 23, United States Code;

(2) after August 1, 1990, revise a distribution of the funds made available under subsection (a) if a State will not obligate the amount distributed during that fiscal year and redistribute sufficient amounts to those States able to obligate amounts in addition to those previously distributed during that fiscal year giving priority to those States having large unobligated balances of funds apportioned under section 104 of title 23, United

States Code, and giving priority to those States which, because of statutory changes made by the Surface Transportation Assistance Act of 1982 and the Federal-Aid Highway Act of 1981, have experienced substantial proportional reductions in their apportionments and allocations; and

(3) not distribute amounts authorized for administrative expenses, the Federal lands highway program, the strategic highway research program and amounts made available under sections 149(d), 158, 159, 164, 165, and 167 of Public Law 100-17.

(d) The limitation on obligations for Federal-aid highways and highway safety construction programs for fiscal year 1990 shall not apply to obligations for emergency relief under section 125 of title 23, United States Code; obligations under section 157 of title 23, United States Code; projects covered under section 147 of the Surface Transportation Assistance Act of 1978, section 9 of the Federal-Aid Highway Act of 1981, subsections 131 (b) and (j) of Public Law 97-424, section 118 of the National Visitors Center Facilities Act of 1968, section 320 of title 23, United States Code; projects authorized by Public Law 99-500, Public Law 99-591 and Public Law 100-202; or projects covered under subsections 149 (b) and (c) of Public Law 100-17.

(e) Subject to paragraph (c)(2) of this General Provision, a State which after August 1 and on or before September 30 of fiscal year 1990 obligates the amount distributed to such State in that fiscal year under paragraphs (a) and (c) of this General Provision may obligate for Federal-aid highways and highway safety construction on or before September 30, 1990, an additional amount not to exceed 5 percent of the aggregate amount of funds apportioned or allocated to such State—

(1) under sections 104, 130, 144, and 152 of title 23, United States Code, and

(2) for highway assistance projects under section 103(e)(4) of such title,

which are not obligated on the date such State completes obligation of the amount so distributed.

(f) During the period August 2 through September 30, 1990, the aggregate amount which may be obligated by all States pursuant to paragraph (e) shall not exceed 2.5 percent of the aggregate amount of funds apportioned or allocated to all States—

(1) under sections 104, 130, 144, and 152 of title 23, United States Code, and

(2) for highway assistance projects under section 103(e)(4) of such title,

which would not be obligated in fiscal year 1990 if the total amount of the obligation limitation provided for such fiscal year in this Act were utilized.

(g) Paragraph (e) shall not apply to any State which on or after August 1, 1990, has the amount distributed to such State under paragraph (a) for fiscal year 1990 reduced under paragraph (c)(2).

SEC. 311. None of the funds in this Act shall be available for salaries and expenses of more than one hundred and twenty political and Presidential appointees in the Department of Transportation.

SEC. 312. Not to exceed \$1,400,000 of the funds provided in this Act for the Department of Transportation shall be available for the necessary expenses of advisory committees.

SEC. 313. None of the funds in this or any other Act shall be made available for the proposed Woodward light rail line in the Detroit, Michigan area until a source of operating funds has been approved in accordance with Michigan law: *Provided*, That this limitation shall not apply to alternatives analysis studies under section 21(a)(2) of the Urban Mass Transportation Act of 1964, as amended.

49 USC app.
1617 note.

SEC. 314. The limitation on obligations for the Discretionary Grants program of the Urban Mass Transportation Administration shall not apply to any authority under section 21(a)(2) of the Urban Mass Transportation Act of 1964, as amended, previously made available for obligation.

SEC. 315. Notwithstanding any other provision of law, none of the funds in this Act shall be available for the construction of, or any other costs related to, the Central Automated Transit System (Downtown People Mover) in Detroit, Michigan.

SEC. 318. None of the funds appropriated in this Act may be used to prescribe, implement, or enforce a national policy specifying that only a single type of visual glideslope indicator can be funded under the facilities and equipment account or through the airport improvement program: *Provided*, That this prohibition shall not apply in the case of airports that are certified under part 139 of the Federal Aviation Regulations.

SEC. 319. Notwithstanding any other provision of law, funds appropriated in this or any other Act intended for studies, reports, or research, and related costs thereof including necessary capital expenses, are available for such purposes to be conducted through contracts or financial assistance agreements with the educational institutions that are specified in such Acts or in any report accompanying such Acts.

SEC. 320. The Secretary of Transportation shall permit the obligation of not to exceed \$4,000,000, apportioned under title 23, United States Code, section 104(b)(5)(B) for the State of Florida for operating expenses of the Tri-County Commuter Rail Project in the area of Dade, Broward, and Palm Beach Counties, Florida, during each year that Interstate 95 is under reconstruction in such area.

Real property.

SEC. 321. (a) Within 30 days after the date of enactment of this Act, the United States, acting through a duly authorized official, shall convey to the Saint Lawrence Seaway Development Corporation without consideration, all right, title, and interest of the United States, in the real property described in subsection (b) (and any improvements thereon) for the purposes of emergency response and any other purposes as the Administrator of the Corporation deems necessary.
