TITLE I—AMENDMENTS RELATING TO BASIC PAY

SEC. 101. ANNUAL ADJUSTMENTS TO STATUTORY PAY RATES; LOCALITY-BASED COMPARABILITY PAYMENTS; OTHER MATTERS.

(a) **GENERALLY.**—(1) Subchapter I of chapter 53 of title 5, United States Code, is amended to read as follows:

“SUBCHAPTER I—PAY COMPARABILITY SYSTEM

“§ 5301. Policy

“It is the policy of Congress that Federal pay fixing for employees under the General Schedule be based on the principles that—

“(1) there be equal pay for substantially equal work within each local pay area;

“(2) within each local pay area, pay distinctions be maintained in keeping with work and performance distinctions;

“(3) Federal pay rates be comparable with non-Federal pay rates for the same levels of work within the same local pay area; and

“(4) any existing pay disparities between Federal and non-Federal employees should be completely eliminated.

“§ 5302. Definitions

“For the purpose of this subchapter—

“(1) the term ‘statutory pay system’ means a pay system under—

“(A) subchapter III, relating to the General Schedule;

“(B) section 403 of the Foreign Service Act of 1980, relating to the Foreign Service of the United States; or

“(C) chapter 73 of title 38, relating to the Veterans Health Services and Research Administration;

“(2) the term ‘ECI’ means the Employment Cost Index (wages and salaries, private industry workers) published quarterly by the Bureau of Labor Statistics;

“(3) the ‘base quarter’ for any year is the 3-month period ending on September 30 of such year;

“(4) the term ‘pay agent’ means the agent designated by the President under section 5304(d)(1);

“(5) the term ‘locality’ or ‘pay locality’ means any locality, as established or modified under section 5304;

“(6) the term ‘pay disparity’, as used with respect to a locality, means the extent to which rates of pay payable under the General Schedule are generally lower than the rates paid for the same levels of work by non-Federal workers in the same locality; except as otherwise required in this subchapter, a pay disparity shall be expressed as a single percentage which, if uniformly applied to employees within the locality who are receiving rates of pay under the General Schedule, would cause the rates payable to such employees to become substantially equal (when considered in the aggregate) to the rates paid to

non-Federal workers for the same levels of work in the same locality;

“(7) the term ‘comparability payment’ means a payment payable under section 5304;

“(8) the term ‘rates of pay under the General Schedule’, ‘rates of pay for the General Schedule’, or ‘scheduled rates of basic pay’ means—

“(A) the rates of basic pay set forth in the General Schedule; and

“(B) in the case of an employee covered by the performance management and recognition system, the rates of basic pay under chapter 54; and

“(9) the term ‘General Schedule position’ means any position to which subchapter III applies (including any position under the performance management and recognition system).

“§ 5303. Annual adjustments to pay schedules

“(a) Effective as of the first day of the first applicable pay period beginning on or after January 1 of each calendar year, the rates of basic pay for each statutory pay system shall be increased by the percentage (rounded to the nearest one-tenth of 1 percent) equal to one-half of 1 percentage point less than the percentage by which the ECI for the base quarter of the year before the preceding calendar year exceeds the ECI for the base quarter of the second year before the preceding calendar year (if at all).

“(b)(1) If, because of national emergency or serious economic conditions affecting the general welfare, the President should consider the pay adjustment which would otherwise be required by subsection (a) in any year to be inappropriate, the President shall—

“(A) prepare and transmit to Congress before September 1 of the preceding calendar year a plan for such alternative pay adjustments as he considers appropriate, together with the reasons therefor; and

“(B) adjust the rates of pay of each statutory pay system, in accordance with such plan, effective on the same day as the increase under subsection (a) would otherwise take effect.

“(2) In evaluating an economic condition affecting the general welfare under this subsection, the President shall consider pertinent economic measures including, but not limited to, the Indexes of Leading Economic Indicators, the Gross National Product, the unemployment rate, the budget deficit, the Consumer Price Index, the Producer Price Index, the Employment Cost Index, and the Implicit Price Deflator for Personal Consumption Expenditures.

“(3) The President shall include in the report to Congress under paragraph (1)(A) his assessment of the impact that the alternative pay adjustments under this subsection will have on the Government’s ability to recruit and retain well-qualified employees.

“(c) The rates of basic pay that take effect under this section—

“(1) shall modify, supersede, or render inapplicable, as the case may be, to the extent inconsistent therewith, any prior rates of basic pay under the statutory pay system involved (as last adjusted under this section or prior provisions of law); and

“(2) shall be printed in the Federal Register and the Code of Federal Regulations.

President.

Federal
Register,
publication.

“(d) An increase in rates of basic pay that takes effect under this section is not an equivalent increase in pay within the meaning of section 5335.

“(e) This section does not impair any authority pursuant to which rates of basic pay may be fixed by administrative action.

“(f) Pay may not be paid, by reason of any provision of this section (disregarding any comparability payment payable), at a rate in excess of the rate of basic pay payable for level V of the Executive Schedule.

“(g) Any rate of pay under this section shall be initially adjusted, effective on the effective date of the rate of pay, under conversion rules prescribed by the President or by such agency or agencies as the President may designate.

“§ 5304. Locality-based comparability payments

“(a) Pay disparities shall be identified and reduced as follows:

“(1) Comparability payments shall be payable within each locality determined to have a pay disparity greater than 5 percent.

“(2)(A) The localities having pay disparities, and the size of those disparities, shall, for purposes of any comparability payment scheduled to take effect in any calendar year, be determined in accordance with the appropriate report, as prepared and submitted to the President under subsection (d)(1) for purposes of such calendar year.

“(B) Any computation necessary to determine the size of the comparability payment to become payable for any locality in a year (as well as any determination as to the size of any pay disparity remaining after that comparability payment is made) shall likewise be made using data contained in the appropriate report (described in subparagraph (A)) so prepared and submitted for purposes of such calendar year.

“(3) Subject to paragraphs (4) and (5), the amount of the comparability payments payable under this subsection in a calendar year within any locality in which a comparative payment is payable shall be computed using such percentage as the President determines for such locality under subsection (d)(2), except that—

“(A) the percentage for the first calendar year in which any amounts are payable under this section may not be less than $\frac{1}{5}$ of the amount needed to reduce the pay disparity of the locality involved to 5 percent;

“(B) the percentage for the second calendar year in which any amounts are payable under this section may not be less than $\frac{2}{10}$ of the amount needed to reduce the pay disparity of the locality involved to 5 percent;

“(C) the percentage for the third calendar year in which any amounts are payable under this section may not be less than $\frac{3}{5}$ of the amount needed to reduce the pay disparity of the locality involved to 5 percent;

“(D) the percentage for the fourth calendar year in which any amounts are payable under this section may not be less than $\frac{1}{2}$ of the amount needed to reduce the pay disparity of the locality involved to 5 percent;

“(E) the percentage for the fifth calendar year in which any amounts are payable under this section may not be less

than $\frac{1}{2}$ of the amount needed to reduce the pay disparity of the locality involved to 5 percent;

“(F) the percentage for the sixth calendar year in which any amounts are payable under this section may not be less than $\frac{1}{10}$ of the amount needed to reduce the pay disparity of the locality involved to 5 percent;

“(G) the percentage for the seventh calendar year in which any amounts are payable under this section may not be less than $\frac{1}{2}$ of the amount needed to reduce the pay disparity of the locality involved to 5 percent;

“(H) the percentage for the eighth calendar year in which any amounts are payable under this section may not be less than $\frac{1}{10}$ of the amount needed to reduce the pay disparity of the locality involved to 5 percent;

“(I) the percentage for the ninth calendar year in which any amounts are payable under this section, and any year thereafter, may not be less than the full amount necessary to reduce the pay disparity of the locality involved to 5 percent;

“(4) Nothing in this section shall be considered to preclude the President, in his discretion, from adjusting comparability payments to a level higher than the minimum level otherwise required in a calendar year, including to the level necessary to eliminate a locality’s pay disparity completely.

“(b) After the ninth calendar year (referred to in subsection (a)(3)(I)), the level of comparability payments payable within such locality may be reduced for any subsequent calendar year, but only if, or to the extent that, the reduction would not immediately create another pay disparity in excess of 5 percent within the locality (taking into consideration any comparability payments remaining payable).

“(c)(1) The amount of the comparability payment payable within any particular locality during a calendar year—

“(A) shall be stated as a single percentage, which shall be uniformly applicable to General Schedule positions within the locality; and

“(B) shall, for any employee entitled to receive a comparability payment, be computed by applying that percentage to such employee’s scheduled rate of basic pay (or, if lower due to a limitation on the rate payable, the rate actually payable), subject to subsection (g).

“(2) A comparability payment—

“(A) shall be considered to be part of basic pay for purposes of retirement under chapter 83 or 84, as applicable, life insurance under chapter 87, and premium pay under subchapter V of chapter 55, and for such other purposes as may be expressly provided for by law or as the Office of Personnel Management may by regulation prescribe; and

“(B) shall be paid in the same manner and at the same time as the basic pay payable to such employee pursuant to any provision of law outside of this section.

“(3) Nothing in this subchapter shall be considered to permit or require that any portion of a comparability payment be taken into account for purposes of any adjustment under section 5303.

“(4)(A) Only employees receiving scheduled rates of basic pay (subject to any pay limitation which may apply) shall be eligible for comparability payments under this section.

“(B) Comparability payments shall not be payable for service performed in any position which may not, under subsection (f)(1)(A), be included within a pay locality.

“(d) In order to carry out this section, the President shall—

President.

“(1) direct such agent as he considers appropriate to prepare and submit to him annually, after considering such views and recommendations as may be submitted under subsection (e) (but not later than 18 months before the start of the calendar year for purposes of which it is prepared), a report that—

“(A) compares the rates of pay under the General Schedule with the rates of pay generally paid to non-Federal workers for the same levels of work within each pay locality, as determined on the basis of appropriate annual surveys that shall be conducted by the Bureau of Labor Statistics;

“(B) based on data from such surveys, identifies each locality in which a pay disparity exists and specifies the size of each such pay disparity (before and after taking into consideration any comparability payments payable);

“(C) makes recommendations for appropriate comparability payments, in conformance with applicable requirements of this section; and

“(D) includes the views and recommendations submitted under subsection (e);

“(2) after considering the report of his agent (including the views and recommendations referred to in subsection (e)(2)(C)), provide for or adjust comparability payments in conformance with applicable requirements of this section, effective as of the beginning of the first applicable pay period commencing on or after January 1 of the applicable year; and

“(3) transmit to Congress a report of the actions taken under paragraph (2) (together with a copy of the report submitted to him by his agent, including the views and recommendations referred to in subsection (e)(2)(C)) which shall—

Reports.

“(A) identify each pay locality;

“(B) specify which localities have pay disparities in excess of 5 percent, and the size of the disparity existing in each of those localities, according to the pay agent's most recent report under paragraph (1) (before and after taking into consideration any comparability payments payable); and

“(C) indicate the size of the respective comparability payments (expressed as percentages) which will be in effect under paragraph (2) for the various pay localities specified under subparagraph (B) for the applicable calendar year.

“(e)(1) The President shall establish a Federal Salary Council of 9 members, of whom—

President.

“(A) 3 shall be chosen from among persons generally recognized for their impartiality, knowledge, and experience in the field of labor relations and pay policy; and

“(B) 6 shall be representatives of employee organizations which represent substantial numbers of employees holding General Schedule positions, and who shall be selected giving due consideration to such factors as the relative numbers of employees represented by the various organizations, except that not more than 3 members of the Council at any one time shall be from a single employee organization, council, federation, alliance, association, or affiliation of employee organizations.

Members of the Council shall not receive pay by reason of their service on the Council, nor shall members who are not otherwise employees of the United States be considered employees by reason of any such service. The President shall designate one of the members to serve as Chairman of the Federal Salary Council. One of the 3 members under subparagraph (A) may be the Chairman of the Federal Prevailing Rate Advisory Committee, notwithstanding the restriction under section 5347(a)(1), and such individual may also be designated to serve as Chairman of the Federal Salary Council.

"(2) The pay agent shall—

"(A) provide for meetings with the Council and give thorough consideration to the views and recommendations of the Council and the individual views and recommendations, if any, of the members of the Council regarding—

"(i) the establishment or modification of pay localities;

"(ii) the coverage of the annual survey conducted by the Bureau of Labor Statistics under subsection (d)(1)(A) (including, but not limited to, the occupations, establishment sizes, and industries, to be surveyed, and how pay localities are to be surveyed);

"(iii) the process of comparing the rates of pay payable under the General Schedule with rates of pay for the same levels of work performed by non-Federal workers; and

"(iv) the level of comparability payments that should be paid in order to eliminate or reduce pay disparities in accordance with the requirements of this section;

"(B) give thorough consideration to the views and recommendations of employee organizations not represented on the Council regarding the subjects in subparagraph (A)(i)-(iv); and

"(C) include in its report to the President the views and recommendations submitted as provided in this subsection by the Council, by any member of the Council, and by employee organizations not represented on the Council.

"(f)(1) The pay agent may provide for such pay localities as the pay agent considers appropriate, except that—

"(A) each General Schedule position (excluding any outside the continental United States, as defined in section 5701(6)) shall be included with a pay locality; and

"(B) the boundaries of pay localities shall be determined based on appropriate factors which may include local labor market patterns, commuting patterns, and practices of other employers.

Regulations.

"(2)(A) The establishment or modification of any such boundaries shall be effected by regulations which, notwithstanding subsection (a)(2) of section 553, shall be promulgated in accordance with the notice and comment requirements of such section.

"(B) Judicial review of any regulation under this subsection shall be limited to whether or not it was promulgated in accordance with the requirements referred to in subparagraph (A).

"(g)(1) Except as provided in paragraph (2), comparability payments may not be paid at a rate which, when added to the rate of basic pay otherwise payable to the employee involved, would cause the total to exceed the rate of basic pay payable for level IV of the Executive Schedule.

"(2) For positions under subparagraphs (A)-(E) of subsection (h)(1), the applicable maximum under this subsection shall be level III of the Executive Schedule.

“(h)(1) For the purpose of this subsection, the term ‘position’ means—

“(A) a position to which section 5376 applies (relating to certain senior-level positions);

“(B) a Senior Executive Service position under section 3132;

“(C) a position in the Federal Bureau of Investigation and Drug Enforcement Administration Senior Executive Service under section 3151;

“(D) a position to which section 5372 applies (relating to administrative law judges appointed under section 3105);

“(E) a position to which section 5372a applies (relating to contract appeals board members); and

“(F) a position within an Executive agency not covered under any of the preceding subparagraphs, the rate of basic pay for which is (or, but for this section, would be) less than the rate payable for level V of the Executive Schedule;

but does not include—

“(i) a position to which subchapter IV applies (relating to prevailing rate systems); or

“(ii) a position as to which a rate of pay is authorized under section 5377 (relating to critical positions).

“(2)(A) Notwithstanding subsection (c)(4) or any other provision of this section, but subject to subparagraph (B) and paragraph (3), upon the request of the head of an Executive agency with respect to 1 or more categories of positions, the President may provide that each employee of such agency who holds a position within such category, and within the particular locality involved, shall be entitled to receive comparability payments.

“(B) A request by an agency head or exercise of authority by the President under subparagraph (A) shall cover—

“(i) with respect to the positions under subparagraphs (A) through (E) of paragraph (1), all positions described in the subparagraph or subparagraphs involved (excluding any under clause (i) or (ii) of such paragraph); and

“(ii) with respect to positions under paragraph (1)(F), such positions as may be considered appropriate (excluding any under clause (i) or (ii) of paragraph (1)).

“(3) Comparability payments under this subsection—

“(A) may be paid only in any calendar year in which comparability payments under the preceding provisions of this section are payable with respect to General Schedule positions within the same locality;

“(B) shall be payable, within the locality involved, for the entirety of each calendar year for which authority is granted by the President;

“(C) shall be computed using the same percentage as is applicable, for the calendar year involved, with respect to General Schedule positions within the same locality; and

“(D) shall be subject to the applicable limitation under subsection (g).

“(i) The Office of Personnel Management may prescribe regulations, consistent with the provisions of this section, governing the payment of comparability payments to employees.

"§ 5304a. Authority to fix an alternative level of comparability payments

President.

"(a) If, because of national emergency or serious economic conditions affecting the general welfare, the President should consider the level of comparability payments which would otherwise be payable under section 5304 in any year to be inappropriate, the President shall—

Reports.

"(1) prepare and transmit to Congress, at least 1 month before those comparability payments (disregarding this section) would otherwise become payable, a report describing the alternative level of payments which the President instead intends to provide, including the reasons why such alternative level is considered necessary; and

"(2) implement the alternative level of payments beginning on the same date as would otherwise apply, for the year involved, under section 5304.

"(b) The requirements set forth in paragraphs (2) and (3), respectively, of section 5303(b) shall apply with respect to any decision to exercise any authority to fix an alternative level of comparability payments under this section.

"§ 5305. Special pay authority

"(a) Whenever the President finds that the Government's recruitment or retention efforts with respect to 1 or more occupations in 1 or more areas or locations are, or are likely to become, significantly handicapped, due to any of the circumstances described in subsection (b), he may establish for the areas or locations involved, with respect to individuals in positions paid under any of the pay systems referred to in subsection (c), higher minimum rates of basic pay for 1 or more grades or levels, occupational groups, series, classes, or subdivisions thereof, and may make corresponding increases in all step rates of the pay range for each such grade or level. However, a minimum rate so established may not exceed the maximum pay rate prescribed by statute for the grade or level by more than 30 percent, and no rate may be established under this section (disregarding any amount payable under subsection (g)) in excess of the rate of basic pay payable for level V of the Executive Schedule. The President may authorize the exercise of the authority conferred on him by this section by the Office of Personnel Management or, in the case of individuals not subject to the provisions of this title governing appointment in the competitive service, by such other agency as he may designate.

"(b) The circumstances referred to in subsection (a) are—

"(1) rates of pay offered by non-Federal employers being significantly higher than those payable by the Government within the area, location, occupational group, or other class of positions under the pay system involved;

"(2) the remoteness of the area or location involved;

“(2) any other pay system established by or under Federal statute for civilian positions within the executive branch.

“(d) Within the limitations applicable under the preceding provisions of this section, rates of pay established under this section may be revised from time to time by the President or by such agency as he may designate. The actions and revisions have the force and effect of statute.

“(e) An increase in a rate of basic pay established under this section is not an equivalent increase in pay within the meaning of section 5335.

“(f) The rate of basic pay established under this section and received by an individual immediately before a statutory increase, which becomes effective prior to, on, or after the date of enactment of the statute, in the pay schedule applicable to such individual of any pay system specified in subsection (c) of this section, shall be initially adjusted, effective on the effective date of the statutory increase, under conversion rules prescribed by the President or by such agency as the President may designate.

“(g)(1) The benefit of any comparability payments under section 5304 shall be available to individuals receiving rates of basic pay established under this section to such extent as the President (or his designated agency) considers appropriate, subject to paragraph (2) and subsection (h).

“(2) Payments under this subsection may not be made if, or to the extent that, when added to basic pay otherwise payable, such payments would cause the total to exceed the rate of basic pay payable for level IV of the Executive Schedule.

“(h) The rate of basic pay payable to an individual under this section may not, at any time, be less than the rate which would then be payable to such individual (taking comparability payments under section 5304 into account) if this section had never been enacted.

“(b)(1) Any amount which is not paid to an employee in a calendar year because of the limitation under subsection (a) shall be paid to such employee in a lump sum at the beginning of the following calendar year.

(B) in concert with the Secretary of State, the Secretary of Defense, the Secretary of the Treasury, and the Director of the Office of Management and Budget, shall consult with Congress on the steps the President is taking to meet the goals enumerated in subparagraph (A) and shall provide a report to the Congress no later than November 30, 1990, detailing the progress of such steps to date;

(C) during his consultations with other international leaders, should consider stressing, among other points, that failure by any country to actively contribute in the most appropriate manner for that country could have a detrimental impact on its bilateral relationship with the United States; and

SEC. 632. CONVENTION ON THE RIGHTS OF THE CHILD.—(a) FINDINGS.—The Senate finds that—

(1) the future peace and prosperity of all nations depend upon the good health and well-being of the world's children;

(2) the Congress has long recognized the vulnerability of children and has enacted numerous laws that afford them special protections in this country;

(3) similar protections for children are either totally lacking or inadequately enforced in much of the world;

(4) in part as a result of this lack of protection, millions of children are threatened daily by poverty, malnutrition, homelessness, exploitation and abuse, depriving both family and society of their productivity and potential;

(5) the Child Survival and Development Revolution, launched in 1982 to attack the root causes of infant mortality and child ill-health through low-cost means such as universal child immunization and oral rehydration therapy, is saving the lives of more than 3,000,000 children each year and has demonstrated that the number of child deaths can be reduced significantly if available resources are used appropriately;

(6) despite these gains and an emerging international consensus about the importance of protecting children, children both here and abroad will continue to face poverty, sickness, and ill-treatment.

(7) on November 20, 1989, the United States and other members of the United Nations unanimously endorsed the Convention on the Rights of the Child and urged national governments to ratify the Convention and make possible its application as international law;

(8) this Convention, if implemented, will help establish universal legal standards for the care and protection of children against neglect, exploitation, and abuse;

(9) the United States Government, scores of private voluntary organizations, and hundreds of American citizens were actively involved in the drafting of this Convention; and

(10) the United States must continue playing a leading role in the implementation of the Convention to ensure that it becomes a force for improving the lot of children, both in this country and abroad.

(b) **SENSE OF THE SENATE.**—It is the sense of the Senate that the issue of children's rights and their well-being is important both to the United States and the world at large and that, in consideration thereof, the President should promptly seek the advice and consent of the Senate to the ratification of the Convention on the Rights of the Child, adopted by the United Nations with the support of the United States on November 29, 1989.

(B) add after subsection (b) the following:

“(c)(1) For the purpose of this section—

“(A) the ‘threshold amount’ is \$1,800,000,000; and

“(B) ‘severe economic conditions’ shall be considered to exist relative to comparability payments scheduled to take effect on a given date if, during the 12-month period ending 2 calendar quarters before such date, there occurred 2 consecutive quarters of negative growth in the GNP.

“(2) Authority under this section to provide an alternative level of comparability payments in any year may not be exercised except in accordance with the following:

“(A) If the estimated cost of the comparability payments which (but for this section) would otherwise be payable in such year would be equal to the threshold amount or less, no alternative level may be fixed under this section unless necessary because a state of war or severe economic conditions exist.

SEC. 635. (a) The Congress finds that—

(1) President Saddam Hussein of Iraq has attempted to evade the consequences of his illegal invasion of Kuwait by the taking of civilian hostages;

(2) Saddam Hussein has violated standards of civilized conduct by willfully seeking to endanger the lives of foreign civilians in Kuwait and Iraq;

(3) He has further violated international diplomatic practice by laying siege to Western embassies in Kuwait;

(4) Iraq’s conduct both at home and on the battlefield during the recent war with Iran has demonstrated a willingness to use the most barbaric methods of warfare, including the gassing of civilian women and children;

(5) The Nuremberg principles, while denying national guilt for acts of war, do also stipulate that individual leaders may be held responsible for violations of the conventions of war and of civilized behavior;

(6) The taking of hostages, the use of gas, the terrorizing of civilians and diplomats, and other such acts in both peace and war have long been considered crimes against humanity for which prosecution is justifiable.

(b) It is the sense of the Senate that in the event of hostilities between the United States and the government of Iraq it shall be the policy of the United States to pursue Saddam Hussein, other Iraqi leaders, and other such perpetrators as may be determined responsible in order to bring them to justice as war criminals, and to seek their prosecution and punishment under the auspices of an international tribunal with relevant jurisdiction.
