FEDERAL AVIATION ADMINISTRATION

OPERATIONS

For necessary expenses of the Federal Aviation Administration, not otherwise provided for, including administrative expenses for research and development, establishment of air navigation facilities and the operation and maintenance of aircraft, and carrying out the provisions of the Airport and Airway Development Act, as amended, or other provisions of law authorizing the obligation of funds for similar programs of airport and airway development or improvement, purchase of four passenger motor vehicles for replacement only, \$4,037,000,000, of which \$2,002,749,000 shall be derived from the Airport and Airway Trust Fund: *Provided*, That there may be credited to this appropriation funds received from States, counties, municipalities, other public authorities, and private sources, for expenses incurred in the maintenance and operation of air navigation facilities and for issuance of airmen and aircraft certificates,

including processing of major repair and alteration forms: *Provided further*, That none of these funds shall be available for new applicants for the second career training program or for a pilot test of contractor maintenance: *Provided further*, That the immediately preceding proviso shall not prohibit the augmentation of the existing field maintenance work force if it is determined to be essential for the safe operation of the air traffic control system: *Provided further*, That, of the funds available under this head, \$3,250,000 shall be made available for the Federal Aviation Administration to enter into contractual agreement with the Mid-American Aviation Resource Consortium in Minnesota to operate an air traffic controller training program.

FACILITIES AND EQUIPMENT

(AIRPORT AND AIRWAY TRUST FUND)

For necessary expenses, not otherwise provided for, for acquisition, establishment, and improvement by contract or purchase, and hire of air navigation and experimental facilities as authorized by the Federal Aviation Act of 1958, as amended (49 U.S.C. App. 1301 et seq.), including initial acquisition of necessary sites by lease or grant; engineering and service testing including construction of test facilities and acquisition of necessary sites by lease or grant; and construction and furnishing of quarters and related accommodations of officers and employees of the Federal Aviation Administration stationed at remote localities where such accommodations are not available; to be derived from the Airport and Airway Trust Fund and to remain available until September 30, 1995, \$2,095,407,000: *Provided*, That there may be credited to this appropriation funds received from States, counties, municipalities, other public authorities, and private sources, for expenses incurred in the establishment and modernization of air navigation facilities: *Provided further*, That with appropriations made for the Airway Science Program, as authorized below in this section, the Federal Aviation Administration may hereafter enter into competitive grant agreements with institutions of higher education having airway science curricula, for the Federal share of the allowable direct costs of the following categories of items, to the extent that such items are in support of airway science curricula: (a) the construction, purchase, or lease with option to purchase, of buildings and associated facilities, and (b) instructional materials and equipment. Such funds are hereby authorized to be appropriated and may remain available until expended, as provided in such Acts. The Federal Aviation Administration shall establish guidelines for determining the direct costs allowable under grants to be made pursuant to this section. The maximum Federal share of the allowable cost of any project assisted by such grants shall be fifty percent.

49 USC app.
1354a.

RESEARCH, ENGINEERING, AND DEVELOPMENT

(AIRPORT AND AIRWAY TRUST FUND)

For necessary expenses, not otherwise provided for, for research, engineering, and development, in accordance with the provisions of the Federal Aviation Act of 1958, as amended (49 U.S.C. App. 1301 et seq.), including construction of experimental facilities and acqui-

tion of necessary sites by lease or grant, \$205,000,000, to be derived from the Airport and Airway Trust Fund and to remain available until expended: *Provided*, That there may be credited to this appropriation funds received from States, counties, municipalities, other public authorities, and private sources, for expenses incurred for research, engineering, and development.

GRANTS-IN-AID FOR AIRPORTS

(LIQUIDATION OF CONTRACT AUTHORIZATION)

(AIRPORT AND AIRWAY TRUST FUND)

AVIATION INSURANCE REVOLVING FUND

The Secretary of Transportation is hereby authorized to make such expenditures and investments, within the limits of funds available pursuant to section 1306 of the Act of August 23, 1958, as amended (49 U.S.C. 1536), and in accordance with section 104 of the Government Corporation Control Act, as amended (31 U.S.C. 9104), as may be necessary in carrying out the program set forth in the budget for the current fiscal year for aviation insurance activities under said Act.

AIRCRAFT PURCHASE LOAN GUARANTEE PROGRAM

The Secretary of Transportation may hereafter issue notes or other obligations to the Secretary of the Treasury, in such forms and denominations, bearing such maturities, and subject to such terms and conditions as the Secretary of the Treasury may prescribe. Such obligations may be issued to pay any necessary expenses required pursuant to any guarantee issued under the Act of September 7, 1957, Public Law 85-307, as amended (49 U.S.C. 1324 note). None of the funds in this Act shall be available for the implementation or execution of programs under this head the obligations for which are

49 USC app.
1324 note.

in excess of \$9,970,000 during fiscal year 1991. Such obligations shall be redeemed by the Secretary from appropriations authorized by this section. The Secretary of the Treasury shall purchase any such obligations, and for such purpose he may use as a public debt transaction the proceeds from the sale of any securities issued under the Second Liberty Bond Act, as now or hereafter in force. The purposes for which securities may be issued under such Act are extended to include any purchase of notes or other obligations issued under the subsection. The Secretary of the Treasury may sell any such obligations at such times and price and upon such terms and conditions as he shall determine in his discretion. All purchases, redemptions, and sales of such obligations by such Secretary shall be treated as public debt transactions of the United States.

SEC. 301. During the current fiscal year applicable appropriations to the Department of Transportation shall be available for maintenance and operation of aircraft; hire of passenger motor vehicles and aircraft; purchase of liability insurance for motor vehicles operating in foreign countries on official department business; and uniforms, or allowances therefor, as authorized by law (5 U.S.C. 5901-5902).

SEC. 302. Funds for the Panama Canal Commission may be apportioned notwithstanding 31 U.S.C. 1341 to the extent necessary to permit payment of such pay increases for officers or employees as may be authorized by administrative action pursuant to law that are not in excess of statutory increases granted for the same period in corresponding rates of compensation for other employees of the Government in comparable positions.

20 USC 241 note.

SEC. 303. Funds appropriated under this Act for expenditures by the Federal Aviation Administration shall be available (1) except as otherwise authorized by the Act of September 30, 1950 (20 U.S.C. 236-244), for expenses of primary and secondary schooling for dependents of Federal Aviation Administration personnel stationed outside the continental United States at costs for any given area not in excess of those of the Department of Defense for the same area, when it is determined by the Secretary that the schools, if any, available in the locality are unable to provide adequately for the education of such dependents, and (2) for transportation of said dependents between schools serving the area that they attend and their places of residence when the Secretary, under such regulations as may be prescribed, determines that such schools are not accessible by public means of transportation on a regular basis.

SEC. 304. Appropriations contained in this Act for the Department of Transportation shall be available for services as authorized by 5 U.S.C. 3109, but at rates for individuals not to exceed the per diem rate equivalent to the rate for a GS-18.

SEC. 305. None of the funds for the Panama Canal Commission may be expended unless in conformance with the Panama Canal Treaties of 1977 and any law implementing those treaties.

SEC. 306. None of the funds in this Act shall be used for the planning or execution of any program to pay the expenses of, or otherwise compensate, non-Federal parties intervening in regulatory or adjudicatory proceedings funded in this Act.

SEC. 307. None of the funds appropriated in this Act shall remain available for obligation beyond the current fiscal year nor may any be transferred to other appropriations unless expressly so provided herein.

SEC. 308. None of the funds in this or any previous or subsequent Act shall be available for the planning or implementation of any change in the current Federal status of the Transportation Systems Center, and none of the funds in this Act shall be available for the implementation of any change in the current Federal status of the Turner-Fairbank Highway Research Center: *Provided*, That the Secretary may plan for further development of the Transportation Systems Center and for other compatible uses of the Center's real property, provided that any such planning does not alter the Federal status of the Center's research and development operation.

SEC. 309. The expenditure of any appropriation under this Act for any consulting service through procurement contract pursuant to section 3109 of title 5, United States Code, shall be limited to those contracts where such expenditures are a matter of public record and available for public inspection, except where otherwise provided under existing law, or under existing executive order issued pursuant to existing law.

Government
contracts.

SEC. 310. (a) For fiscal year 1991 the Secretary of Transportation shall distribute the obligation limitation for Federal-aid highways by allocation in the ratio which sums authorized to be appropriated for Federal-aid highways and highway safety construction that are apportioned or allocated to each State for such fiscal year bear to the total of the sums authorized to be appropriated for Federal-aid highways and highway safety construction that are apportioned or allocated to all the States for such fiscal year.

Inter-
governmental
relations.
23 USC 104 note.

(b) During the period October 1 through December 31, 1990, no State shall obligate more than 35 per centum of the amount distributed to such State under subsection (a), and the total of all State obligations during such period shall not exceed 25 per centum of the total amount distributed to all States under such subsection: *Provided*, That this subsection shall not apply to funds obligated for the Kennedy Expressway rehabilitation project in Chicago, Illinois.

(c) Notwithstanding subsections (a) and (b), the Secretary shall—

(1) provide all States with authority sufficient to prevent lapses of sums authorized to be appropriated for Federal-aid highways and highway safety construction that have been apportioned to a State, except in those instances in which a State indicates its intention to lapse sums apportioned under section 104(b)(5)(A) of title 23, United States Code;

(2) after August 1, 1991, revise a distribution of the funds made available under subsection (a) if a State will not obligate the amount distributed during that fiscal year and redistribute sufficient amounts to those States able to obligate amounts in addition to those previously distributed during that fiscal year giving priority to those States having large unobligated balances of funds apportioned under section 104 of title 23, United

States Code, and giving priority to those States which, because of statutory changes made by the Surface Transportation Assistance Act of 1982 and the Federal-Aid Highway Act of 1981, have experienced substantial proportional reductions in their apportionments and allocations; and

(3) not distribute amounts authorized for administrative expenses, the Federal lands highway program, the strategic highway research program and amounts made available under sections 149(d), 158, 159, 164, 165, and 167 of Public Law 100-17.

(d) The limitation on obligations for Federal-aid highways and highway safety construction programs for fiscal year 1991 shall not apply to obligations for emergency relief under section 125 of title 23, United States Code; obligations under section 157 of title 23, United States Code; projects covered under section 147 of the Surface Transportation Assistance Act of 1978, section 9 of the Federal-Aid Highway Act of 1981, subsections 131 (b) and (j) of Public Law 97-424, section 118 of the National Visitors Center Facilities Act of 1968, section 320 of title 23, United States Code; projects authorized by Public Law 99-500, Public Law 99-591 and Public Law 100-202; or projects covered under subsections 149 (b) and (c) of Public Law 100-17.

(e) Subject to paragraph (c)(2) of this General Provision, a State which after August 1 and on or before September 30 of fiscal year 1991 obligates the amount distributed to such State in that fiscal year under paragraphs (a) and (c) of this General Provision may obligate for Federal-aid highways and highway safety construction on or before September 30, 1991, an additional amount not to exceed 5 percent of the aggregate amount of funds apportioned or allocated to such State—

(1) under sections 104, 130, 144, and 152 of title 23, United States Code, and

(2) for highway assistance projects under section 103(e)(4) of such title,

which are not obligated on the date such State completes obligation of the amount so distributed.

(f) During the period August 2 through September 30, 1991, the aggregate amount which may be obligated by all States pursuant to paragraph (e) shall not exceed 2.5 percent of the aggregate amount of funds apportioned or allocated to all States—

(1) under sections 104, 130, 144, and 152 of title 23, United States Code, and

(2) for highway assistance projects under section 103(e)(4) of such title,

which would not be obligated in fiscal year 1991 if the total amount of the obligation limitation provided for such fiscal year in this Act were utilized.

(g) Paragraph (e) shall not apply to any State which on or after August 1, 1991, has the amount distributed to such State under paragraph (a) for fiscal year 1991 reduced under paragraph (c)(2).

SEC. 329. (a) Notwithstanding any other provision of law, the Secretary of Transportation shall reduce the aggregate amount which a State may obligate for Federal-aid highways and highway safety construction programs for fiscal year 1991 by 25 percent if such State has a public authority which provides mass transportation for an urbanized area of such State with a population of 3,000,000 or more as determined under the 1980 decennial census of the United States, and if by October 1, 1990—

23 USC 104 note.

(1) laws of such State do not authorize a general tax-based source of revenues to take effect on or before January 1, 1992, dedicated to paying the non-Federal share of projects for mass transportation eligible for assistance under the Urban Mass Transportation Act of 1964; or

(2) the laws of such State do not authorize the establishment of regional or local tax-based sources of revenues dedicated to pay such non-Federal share or for paying operating expenses of mass transit service so as to satisfy financial capacity standards as may be required by the Secretary of Transportation.

(b) The Secretary of Transportation may restore any reductions in obligation authority made under paragraph (a) in fiscal year 1991 for any such State which meets by July 1, 1991, subparagraph (1) or (2) of paragraph (a).

(c) For purposes of this section, the terms "mass transportation", "State", and "urbanized areas" have the meaning such terms have under section 12 of the Urban Mass Transportation Act of 1964.

SEC. 331. **NATIONAL 55 MPH SPEED LIMIT ENFORCEMENT PENALTIES.**—Notwithstanding sections 141(a) and 154 of title 23, United States Code, none of the funds in this or any previous or subsequent Act shall be used for the purpose of reducing or reserving any portion of a State's apportionment of Federal-aid highway funds as required by section 154(f) of title 23, United States Code, for reason of noncompliance with the criteria of that subsection during fiscal year 1989. The Secretary shall promptly restore any apportionments which, prior to enactment of this Act, were reduced or reserved from obligation for reason of noncompliance under section 154(f) during said fiscal year.

SEC. 332. Unless specifically provided in this Act, none of the funds in this Act shall be available to initiate multiyear contracts for a program which meets the criteria of a Level I or Level II major system acquisition as defined by Department of Transportation Order 4200.14 if the total value of procurement end items in the contract, including options, exceeds \$100,000,000: *Provided*, That for the purposes of this section, a multiyear contract is defined as one which provides for more than one year's requirements of systems, subsystems, or components within a single contract: *Provided further*, That none of the funds in this Act shall be available to initiate contracts for major systems acquisition which include procurement options where funding for those options is scheduled to be provided prior to delivery to the Federal Government of at least fifty per centum of all units previously ordered under that contract.

23 USC 104 note.

SEC. 333. For each fiscal year the Secretary of Transportation shall withhold five per centum of the amount required to be apportioned to any State under each of paragraphs (1), (2), (5), and (6) of section 104(b) on the first day of each fiscal year which begins after the second full calendar year following the date of enactment of this section if the State does not meet the requirements of paragraph (3) on such date.

Subsections (a)(2), (a)(3), (b), and (c) of section 104 of title 23, United States Code, are amended as follows:

"(2) The Secretary shall withhold 10 per centum (including any amounts withheld under paragraph (1)) of the amount required to be apportioned to any State under each of paragraphs (1), (2), (5), and (6) of section 104(b) on the first day of each fiscal year which begins after the fourth full calendar year following the date of enactment of this section if the State does not meet the requirements of paragraph (3) on the first day of such fiscal year.

"(3) A State meets the requirements of this paragraph if—

“(A) the State has enacted and is enforcing a law that requires in all circumstances, or requires in the absence of compelling circumstances warranting an exception—

“(i) the revocation, or suspension for at least 6 months, of the driver’s license of any individual who is convicted, after the enactment of such law, of—

“(I) any violation of the Controlled Substances Act, or

“(II) any drug offense, and

“(ii) a delay in the issuance or reinstatement of a driver’s license to such an individual for at least 6 months after the individual applies for the issuance or reinstatement of a driver’s license if the individual does not have a driver’s license, or the driver’s license of the individual is suspended, at the time the individual is so convicted, or

“(B) The Governor of the State—

“(i) submits to the Secretary no earlier than the adjournment sine die of the first regularly scheduled session of the State’s legislature which begins after the date of enactment of this section a written certification stating that he is opposed to the enactment or enforcement in his State of a law described in subparagraph (A) relating to the revocation, suspension, issuance, or reinstatement of driver’s licenses to convicted drug offenders; and

“(ii) submits to the Secretary a written certification that the legislature (including both Houses where applicable) has adopted a resolution expressing its opposition to a law described in clause (i).

“(b)(1)(A) Any funds withheld under subsection (a) from apportionment to any State on or before September 30, 1995, shall remain available for apportionment to such State as follows:

“(i) If such funds would have been apportioned under section 104(b)(5)(A) but for this section, such funds shall remain available until the end of the fiscal year for which such funds are authorized to be appropriated.

“(ii) If such funds would have been apportioned under section 104(b)(5)(B) but for this section, such funds shall remain available until the end of the second fiscal year following the fiscal year for which such funds are authorized to be appropriated.

“(iii) If such funds would have been apportioned under paragraph (1), (2), or (6) of section 104(b) but for this section, such funds shall remain available until the end of the third fiscal year following the fiscal year for which such funds are authorized to be appropriated.

“(B) No funds withheld under this section from apportionment to any State after September 30, 1995, shall be available for apportionment to such State.

“(2) If, before the last day of the period for which funds withheld under subsection (a) from apportionment are to remain available for apportionment to a State under paragraph (1), the State meets the requirements of subsection (a)(3), the Secretary shall, on the first day on which the State meets the requirements of subsection (a)(3), apportion to the State the funds withheld under subsection (a) that remain available for apportionment to the State.

“(3) Any funds apportioned pursuant to paragraph (2) shall remain available for expenditure as follows:

“(A) Funds originally apportioned under section 104(b)(5)(A) shall remain available until the end of the fiscal year succeed-

ing the fiscal year in which such funds are apportioned under paragraph (2).

"(B) Funds originally apportioned under paragraph (1), (2), (5)(B), or (6) of section 104(b) shall remain available until the end of the third fiscal year succeeding the fiscal year in which such funds are so apportioned.

Sums not obligated at the end of such period shall lapse or, in the case of funds apportioned under section 104(b)(5), shall lapse and be made available by the Secretary for projects in accordance with section 118(b).

"(4) If, at the end of the period for which funds withheld under subsection (a) from apportionment are available for apportionment to a State under paragraph (1), the State does not meet the requirements of subsection (a)(3), such funds shall lapse or, in the case of funds withheld from apportionment under section 104(b)(5), such funds shall lapse and be made available by the Secretary for projects in accordance with section 118(b).

"(c) For purposes of this section—

"(1) The term 'driver's license' means a license issued by a State to any individual that authorizes the individual to operate a motor vehicle on highways.

"(2) The term 'drug offense' means any criminal offense which proscribes—

"(A) the possession, distribution, manufacture, cultivation, sale, transfer, or the attempt or conspiracy to possess, distribute, manufacture, cultivate, sell, or transfer any substance the possession of which is prohibited under the Controlled Substances Act, or

"(B) the operation of a motor vehicle under the influence of such a substance.

"(3) The term 'convicted' includes adjudicated under juvenile proceedings."

(b) The table of contents for chapter 1 of title 23, United States Code, is amended by adding at the end thereof the following new item:

"159. Revocation or suspension of the driver's license of individuals convicted of drug offenses."

SEC. 334. Unobligated funds authorized to be appropriated by section 131(d)(2) of the Highway Improvement Act of 1982, Public Law 97-424, shall be available for obligation for the project described in section 149(a)(88) of the Federal-Aid Highway Act of 1987, Public Law 100-17, in the same manner and to the same extent provided in section 131(d)(3) of the Highway Improvement Act of 1982.

SEC. 335. Notwithstanding section 127 of title 23, United States Code, the State of Wyoming may permit the use of the National System of Interstate and Defense Highways located in Wyoming by vehicles in excess of 80,000 pounds gross weight, but meeting axle and bridge formula specifications in section 127 of title 23, United States Code: *Provided*, That this section shall remain in effect until December 31, 1991.

SEC. 336. 23 U.S.C. 410(e)(1)(C) is hereby amended by striking the words "within the time period specified in subparagraph (F)"; 23 U.S.C. 410(e)(2) is hereby amended by adding the words "a significant portion of" after the word "which", the first time it appears,

and by striking the words "convicted of" and inserting in lieu thereof the words "apprehended and fined for".

SEC. 337. Within 180 days of the effective date of this Act, the Federal Aviation Administration shall undertake and complete a study on the classification of air traffic controllers at level IV limited radar approach facilities which includes airspace complexity as a factor in determining grade classification. The results of this study, along with an implementation plan, shall be provided to the House and Senate Committees on Appropriations.

SEC. 338. Notwithstanding any provision of the Urban Mass Transportation Act of 1964, as amended, the Urban Mass Transportation Administration shall not withhold fiscal year 1989, 1990 or 1991 funds for any section 3 and section 9 operating and capital assistance grants for the City of Phoenix, Arizona, based on the inclusion of a "preference in hiring" provision in the employee protective arrangements developed pursuant to 49 U.S.C. 1609(c).

SEC. 339. Notwithstanding subsection (d) of section 402 of the Surface Transportation Assistance Act of 1982 (Public Law 97-424, 96 Stat. 2155, 2156) for States which have received only a development grant for fiscal year 1989 under such section 402 and which have participated in the Commercial Motor Carrier Safety Inspection and Weighing Demonstration Program, the Secretary shall only approve a plan under such section 402 for fiscal year 1991 which provides that the aggregate expenditure of funds of the State and political subdivisions thereof, exclusive of Federal funds, for commercial motor vehicle safety programs will be maintained at a level which does not fall below the average level of such expenditure for the last two full fiscal years preceding fiscal year 1990.

SEC. 340. (a)(1) None of the funds appropriated by this Act may be obligated or expended to enter into any contract for the construction, alteration, or repair of any public building or public work in the United States or any territory or possession of the United States with any contractor or subcontractor of a foreign country, or any supplier of products of a foreign country, during any period in which such foreign country is listed by the United States Trade Representative under subsection (c) of this section.

41 USC 10b note.

(2) The President or the head of a Federal agency administering the funds for the construction, alteration, or repair may waive the restrictions of paragraph (1) of this subsection with respect to an individual contract if the President or the head of such agency determines that such action is necessary for the public interest. The authority of the President or the head of a Federal agency under this paragraph may not be delegated. The President or the head of a Federal agency waiving such restrictions shall, within 10 days, publish a notice thereof in the Federal Register describing in detail the contract involved and the reason for granting the waiver.

(b)(1) Not later than 30 days after the date of enactment of this Act, the United States Trade Representative shall make a determination with respect to each foreign country of whether such foreign country—

(A) denies fair and equitable market opportunities for products and services of the United States in procurement, or

(B) denies fair and equitable market opportunities for products and services of the United States in bidding,

for construction projects that cost more than \$500,000 and are funded (in whole or in part) by the government of such foreign

country or by an entity controlled directly or indirectly by such foreign country.

(2) In making determinations under paragraph (1), the United States Trade Representative shall take into account information obtained in preparing the report submitted under section 181(b) of the Trade Act of 1974 and such other information or evidence concerning discrimination in construction projects against United States products and services that are available.

(c)(1) The United States Trade Representative shall maintain a list of each foreign country which—

(A) denies fair and equitable market opportunities for products and services of the United States in procurement, or

(B) denies fair and equitable market opportunities for products and services of the United States in bidding,

for construction projects that cost more than \$500,000 and are funded (in whole or in part) by the government of such foreign country or by an entity controlled directly or indirectly by such foreign country.

(2) Any foreign country that is initially listed or that is added to the list maintained under paragraph (1) shall remain on the list until—

(A) such country removes the barriers in construction projects to United States products and services;

(B) such country submits to the United States Trade Representative evidence demonstrating that such barriers have been removed; and

(C) the United States Trade Representative conducts an investigation to verify independently that such barriers have been removed and submits, at least 30 days before granting any such waiver, a report to each House of the Congress identifying the barriers and describing the actions taken to remove them.

(3) The United States Trade Representative shall publish in the Federal Register the entire list required under paragraph (1) and shall publish in the Federal Register any modifications to such list that are made after publication of the original list.

(d) For purposes of this section—

(1) The term "foreign country" includes any foreign instrumentality. Each territory or possession of a foreign country that is administered separately for customs purposes shall be treated as a separate foreign country.

(2) Any contractor or subcontractor that is a citizen or national of a foreign country, or is controlled directly or indirectly by citizens or nationals of a foreign country, shall be considered to be a contractor or subcontractor of such foreign country.

(3) Subject to paragraph (4), any product that is produced or manufactured (in whole or in substantial part) in a foreign country shall be considered to be a product of such foreign country.

(4) The restrictions of subsection (a)(1) shall not prohibit the use, in the construction, alteration, or repair of a public building or public work, of vehicles or construction equipment of a foreign country.

(5) The terms "contractor" and "subcontractor" includes any person performing any architectural, engineering, or other services directly related to the preparation for or performance of the construction, alteration, or repair.

(1) laws of such State do not authorize a general tax-based source of revenues to take effect on or before January 1, 1992, dedicated to paying the non-Federal share of projects for mass transportation eligible for assistance under the Urban Mass Transportation Act of 1964; or

(2) the laws of such State do not authorize the establishment of regional or local tax-based sources of revenues dedicated to pay such non-Federal share or for paying operating expenses of mass transit service so as to satisfy financial capacity standards as may be required by the Secretary of Transportation.

(b) For purposes of this section, the terms "mass transportation", "State", and "urbanized areas" have the meaning such terms have under section 12 of the Urban Mass Transportation Act of 1964.

(c) Any withholding defined under this section shall be waived if the Governor of the State—

(1) submits to the Secretary by October 1, 1991, a written certification stating that he is opposed to the enactment in his State of a law described in subsections (a) (1) and (2) and that funding as described in subsections (a) (1) and (2) would not improve public transportation safety; and

(2) submits to the Secretary a written certification that the legislature (including both Houses where applicable) has adopted a resolution by a simple majority expressing its opposition to a law described in subsections (a) (1) and (2).

(d) This section shall remain in effect until December 31, 1992. This Act may be cited as the "Department of Transportation and Related Agencies Appropriations Act, 1991".
