(6) promote community involvement with the scholarship program as a tool for broadening and strengthening the "American experience" for foreign students.

(b) **ESTABLISHMENT OF SCHOLARSHIP PROGRAM.**—The Administrator of the Agency for International Development shall establish and administer a program of scholarship assistance, in cooperation with State governments, universities, community colleges, and businesses, to provide scholarships to enable socially and economically disadvantaged students from eligible countries in the Caribbean and Central America to study in the United States.

(d) **AGREEMENT WITH STATES.**—The Administrator and each participating State shall agree on a program regarding the educational opportunities available within the State, the selection and assignment of scholarship recipients, and related issues. To the maximum extent practicable, each State shall be given flexibility in designing its program.

(e) **FEDERAL SHARE.**—The Federal share for each year for which a State receives payments under this section shall be not less than 50 percent.

#### SEC. 232. PROMOTION OF TOURISM.

(a) CONGRESSIONAL FINDING.—The Congress finds that the tourism industry must be recognized as a central element in the economic development and political stability of the Caribbean Basin region because of the potential that the industry has for increasing employment and foreign exchange earnings, establishing important linkages with other related sectors, and having a positive complementary effect on trade with the United States.

(b) FEDERAL AGENCY PRIORITY.—It is the sense of the Congress that increased tourism and related activities should be developed in the Caribbean Basin region as a central part of the Caribbean Basin Initiative program and, to that end, the appropriate agencies of the United States Government should assign a high priority to projects that promote the tourism industry in the Caribbean Basin.

(c) STUDY.—The Secretary of Commerce shall complete the study begun in 1986 regarding tourism development strategies for the Caribbean Basin region. The study shall include—

(1) information on the mutual benefits received by the United States and the Caribbean Basin economies as a result of tourist activity in the area; and

(b) RESTRICTIONS REGARDING PROGRAM.—

(1) The Commissioner of Customs may not consider a country within the Caribbean Basin to be appropriate for the testing referred to in subsection (a) if preclearance operations are currently carried out by the United States Customs Service in that country.

(2) Preclearance operations may not be commenced in the country selected for testing under subsection (a) unless the Commissioner of Customs and the Commissioner of Immigration and Naturalization jointly certify that—

Jamaica.

Reports.

(3) In determining the country in which to establish the operation described in paragraph (1), the Commissioner of Customs and the Commissioner of Immigration and Naturalization shall first determine the viability of establishing such operations in either Aruba or Jamaica. If the Commissioners determine, after full consultation with the governments of such countries, that it is not viable to establish pre-clearance operations in either Aruba or Jamaica, they shall so report to the Committee on Finance of the Senate and the Committee on Ways and Means of the House of Representatives, including an explanation of how this determination was reached. Such report shall be submitted to those Committees within six months after the date of the enactment of this Act. Following the submission of such a report, the Commissioners shall take all necessary steps, consistent with the requirements of this section, to establish such operations in another country.

(c) REPORT.—As soon as practicable after September 30, 1992, the Commissioner of Customs shall submit to the Congress a report regarding the preclearance operations program carried out under subsection (a). The report shall include—

(1) a summary of the preclearance operations, including the number of individuals processed, any administrative problems encountered, and cost of the operations;

(2) an evaluation of the extent to which the preclearance operations contributed to—

(A) the stimulation of the tourism industry of the country concerned, and

(B) expedited customs processing at United States ports of entry;

(3) the opinion of the Commissioner of Customs regarding the efficacy of extending preclearance operations to other countries within the Caribbean Basin that are developing tourism industries, and if the opinion is affirmative, the identity of those countries to which such operations should be extended and the estimated costs and results of such extensions; and

(4) such other matters that the Commissioner of Customs considers relevant.

### SEC. 242. AGRICULTURAL INFRASTRUCTURE SUPPORT.

It is the sense of Congress that in order to facilitate trade with, and the economic development of, the countries designated as beneficiary countries under the Caribbean Basin Economic Recovery Act, the Secretary of Agriculture should, in consultation with the Agribusiness Promotion Council, coordinate with the Agency for International Development the development of programs to encourage improvements in the transportation and cargo handling infrastructure in these countries for the purpose of improving agricultural trade between these countries and the United States. Such programs should focus on improving distribution of agricultural commodities and products in these countries, and the phytosanitary institutions, quarantine capabilities, and pesticide regulations of these countries regarding agricultural commodities and products.

(2) The President and Congress have recognized that United States trade and economic policies play an important role in the overall United States antidrug strategy in the Andes.

(3) The extension of special trade preferences for articles from the Andean region would help revitalize the national economies of the Andes and further United States antinarcotics policy in the region.

#### (b) SENSE OF CONGRESS.—The Congress urges the President to—

(1) review the merits of extending the benefits provided under the Caribbean Basin Economic Recovery Act to the Andean region; and

(2) continue to explore additional mechanisms to expand trade opportunities for the Andean region, and report to Congress in a regular and timely fashion on the result of this review.

Forest Resources  
Conservation  
and Shortage  
Relief Act of  
1990.

## TITLE IV—EXPORTS OF UNPROCESSED TIMBER

16 USC 620 note. SEC. 487. SHORT TITLE.

This title may be cited as the "Forest Resources Conservation and Shortage Relief Act of 1990".

16 USC 620. SEC. 488. FINDINGS AND PURPOSES.

(a) FINDINGS.—The Congress makes the following findings:

- (1) Timber is essential to the United States.
- (2) Forests, forest resources, and the forest environment are exhaustible natural resources that require efficient and effective conservation efforts.
- (3) In the interest of conserving those resources, the United States has set aside millions of acres of otherwise harvestable timberlands in the western United States, representing well over 100,000,000,000 board feet of otherwise harvestable timber.
- (4) In recent years, administrative, statutory, or judicial action has been taken to set aside an increased amount of otherwise harvestable timberlands for conservation purposes.
- (5) In the next few months and years, additional amounts of otherwise harvestable timberlands may be set aside for conservation purposes, pursuant to the Endangered Species Act of 1973, the National Forest Management Act of 1976, or other expected statutory, administrative, and judicial actions.

(6) There is evidence of a shortfall in the supply of unprocessed timber in the western United States.

(7) There is reason to believe that any shortfall which may already exist may worsen unless action is taken.

(8) In conjunction with the broad conservation actions expected in the next few months and years, conservation action is necessary with respect to exports of unprocessed timber.

(b) PURPOSES.—The purposes of this title are—

(1) to promote the conservation of forest resources in conjunction with State and Federal resources management plans, and other actions or decisions, affecting the use of forest resources;

(2) to take action essential for the acquisition and distribution of forest resources or products in short supply in the western United States;

(3) to take action necessary, to meet the goals of Article XI 2.(a) of the General Agreement on Tariffs and Trade, to ensure sufficient supplies of certain forest resources or products which are essential to the United States;

(4) to continue and refine the existing Federal policy of restricting the export of unprocessed timber harvested from Federal lands in the western United States; and

(5) to effect measures aimed at meeting these objectives in conformity with the obligations of the United States under the General Agreement on Tariffs and Trade.

**SEC. 489. RESTRICTIONS ON EXPORTS OF UNPROCESSED TIMBER ORIGINATING FROM FEDERAL LANDS.**

16 USC 620a.

(a) PROHIBITION ON EXPORT OF UNPROCESSED TIMBER ORIGINATING FROM FEDERAL LANDS.—No person who acquires unprocessed timber originating from Federal lands west of the 100th meridian in the contiguous 48 States may export such timber from the United States, or sell, trade, exchange, or otherwise convey such timber to any other person for the purpose of exporting such timber from the United States, unless such timber has been determined under subsection (b) to be surplus to the needs of timber manufacturing facilities in the United States.

(b) SURPLUSES.—

(1) DETERMINATIONS BY SECRETARY CONCERNED.—The prohibition contained in subsection (a) shall not apply to specific quantities of grades and species of unprocessed timber originating from Federal lands which the Secretary concerned determines to be surplus to domestic manufacturing needs.

(2) PROCEDURES.—Any determination under paragraph (1) shall be made in regulations issued in accordance with section 553 of title 5, United States Code. Any such determination shall be reviewed at least once in every 3-year period. The Secretary concerned shall publish notice of such review in the Federal Register, and shall give the public an opportunity to comment on such review.

Federal  
Register,

**SEC. 490. LIMITATIONS ON THE SUBSTITUTION OF UNPROCESSED FEDERAL TIMBER FOR UNPROCESSED TIMBER EXPORTED FROM PRIVATE LANDS.**

16 USC 620b.

(a) DIRECT SUBSTITUTION.—(1) Except as provided in subsection (c), no person may purchase directly from any department or agency of the United States unprocessed timber originating from Federal lands west of the 100th meridian in the contiguous 48 States if—

(A) such unprocessed timber is to be used in substitution for exported unprocessed timber originating from private lands; or  
 (B) such person has, during the preceding 24-month period, exported unprocessed timber originating from private lands.

(2) Notwithstanding paragraph (1)—

(A) Federal timber purchased pursuant to a contract entered into between the purchaser and the Secretary concerned before the date on which regulations to carry out this subsection are issued under section 495 shall be governed by the regulations of the Secretary concerned in effect before such date that restrict the substitution of unprocessed timber originating from Federal lands for exported timber originating from private lands;

Contracts.

(B) in the 1-year period beginning on the effective date of this title, any person who operates under a Cooperative Sustained Yield Unit Agreement, and who has an historic export quota shall be limited to entering into contracts under such a quota to a volume equal to not more than 66 percent of the person's historic export quota used during fiscal year 1989;

(C) a person referred to in subparagraph (B) shall reduce the person's remaining substitution volume by an equal amount each year thereafter such that no volume is substituted under such a quota in fiscal year 1995 or thereafter; and

(D) the 24-month period referred to in paragraph (1)(B) shall not apply to any person who—

(i) before the enactment of this Act, has, under an historic export quota approved by the Secretary concerned, purchased unprocessed timber originating from Federal lands west of the 100th meridian in the contiguous 48 States in substitution for exported unprocessed timber originating from private lands;

(ii) certifies to the Secretary concerned, within 3 months after the date of the enactment of this Act, that the person will, within 6 months after such date of enactment, cease exporting unprocessed timber originating from private lands; and

(iii) ceases exports in accordance with such certification.

(b) INDIRECT SUBSTITUTION.—

(1) IN GENERAL.—Except as provided in paragraph (2), no person may, beginning 21 days after the date of the enactment of this Act, purchase from any other person unprocessed timber originating from Federal lands west of the 100th meridian in the contiguous 48 States if such person would be prohibited from purchasing such timber directly from a department or agency of the United States. Acquisitions of western red cedar which are domestically processed into finished products to be sold into domestic or international markets are exempt from the prohibition contained in this paragraph.

(2) EXCEPTIONS.—(A) The Secretary of Agriculture shall, as soon as practicable but not later than 9 months after the date of the enactment of this Act, establish, by rule, a limited amount of unprocessed timber originating from Federal lands described in subparagraph (B) which may be purchased by a person otherwise covered by the prohibition contained in paragraph (1). Such limit shall equal—

(i) the amount of such timber acquired by such person, based on the higher of the applicant's actual timber purchasing receipts or the appropriate Federal agency's

records, during fiscal years 1988, 1989, and 1990, divided by 3, or

(ii) 15 million board feet,

whichever is less, except that such limit shall not exceed such person's proportionate share, with respect to all persons covered under this paragraph, of 50 million board feet.

(B) The Federal lands referred to in subparagraph (A) are Federal lands administered by the United States Forest Service Region 6 that are located north of the Columbia River from its mouth and east to its first intersection with the 119th meridian, and from that point north of the 46th parallel and east.

(C) Any person may sell, trade, or otherwise exchange with any other person the rights obtained under subparagraph (A), except that such rights may not be sold, traded, or otherwise exchanged to persons already in possession of such rights obtained under subparagraph (A).

(D) Federal timber purchased from Federal lands described in subparagraph (B) pursuant to a contract entered into between the purchaser and the Secretary of Agriculture before the date on which regulations to carry out this subsection are issued under section 495 shall be governed by the regulations of the Secretary of Agriculture in effect before such date that restrict the substitution of unprocessed timber originating from Federal lands for exported timber originating from private lands.

(c) APPROVAL OF SOURCING AREAS.—

(1) IN GENERAL.—The prohibitions contained in subsections (a) and (b) shall not apply with respect to the acquisition of unprocessed timber originating from Federal lands within a sourcing area west of the 100th meridian in the contiguous 48 States approved by the Secretary concerned under this subsection by a person who—

(A) in the previous 24 months, has not exported unprocessed timber originating from private lands within the sourcing area; and

(B) during the period in which such approval is in effect, does not export unprocessed timber originating from private lands within the sourcing area.

The Secretary concerned may waive the 24-month requirement set forth in subparagraph (A) for any person who, within 3 months after the date of the enactment of this Act, certifies that, within 6 months after such date, such person will, for a period of not less than 3 years, cease exporting unprocessed timber originating from private lands within the sourcing area.

(2) REQUIREMENTS FOR APPLICATION.—The Secretaries concerned shall, not later than 3 months after the date of the enactment of this Act, prescribe procedures to be used by a person applying for approval of a sourcing area under paragraph (1). Such procedures shall require, at a minimum, the applicant to provide—

(A) information regarding the location of private lands from which such person has, within the previous year, harvested or otherwise acquired unprocessed timber which has been exported from the United States; and

(B) information regarding the location of each timber manufacturing facility owned or operated by such person within the proposed sourcing area boundaries at which the

applicant proposes to process timber originating from Federal lands.

The prohibition contained in subsection (a) shall not apply to a person before the date which is 1 month after the procedures referred to in this paragraph are prescribed. With respect to any person who submits an application in accordance with such procedures by the end of the time period set forth in the preceding sentence, the prohibition contained in subsection (a) shall not apply to such person before the date on which the Secretary concerned approves or disapproves such application.

(3) GRANT OF APPROVAL.—For each applicant, the Secretary concerned shall, on the record and after an opportunity for a hearing, not later than 4 months after receipt of the application for a sourcing area, either approve or disapprove the application. The Secretary concerned may approve such application only if the Secretary determines that the area that is the subject of the application, in which the timber manufacturing facilities at which the applicant desires to process timber originating from Federal lands are located, is geographically and economically separate from any geographic area from which that person harvests for export any unprocessed timber originating from private lands. In making a determination referred to in this paragraph, the Secretary concerned shall consider equally the timber purchasing patterns, on private and Federal lands, of the applicant as well as other persons in the same local vicinity as the applicant, and the relative similarity of such purchasing patterns.

(4) DENIAL OF APPLICATION.—(A) Subject to subparagraph (B), and notwithstanding any other provision of law, in the 9-month period after receiving disapproval of an application submitted pursuant to this subsection, the applicant may purchase unprocessed timber originating from Federal lands in the area which is the subject of the application in an amount not to exceed 75 percent of the annual average of such person's purchases of unprocessed timber originating from Federal lands in the same area during the 5 full fiscal years immediately prior to submission of the application. In the subsequent 6-month period, such person may purchase not more than 25 percent of such annual average, after which time the prohibitions contained in subsection (a) shall fully apply.

(B) If a person referred to in subparagraph (A) certifies to the Secretary concerned, within 90 days after receiving disapproval of such application, that such person shall, within 15 months after such disapproval, cease the export of unprocessed timber originating from private lands from the geographic area determined by the Secretary for which the application would have been approved, such person may continue to purchase unprocessed timber originating from Federal lands in the area which is the subject of the application, without being subject to the restrictions of subparagraph (A), except that such purchases during that 15-month period may not exceed 125 percent of the annual average of such person's purchases of unprocessed timber originating from Federal lands in the same area during the 5 full fiscal years immediately prior to submission of the application which was denied.

(C) Any person to whom subparagraph (B) applies may not, during the 15-month period after the person's application for

sourcing area boundaries is denied, export unprocessed timber originating from private lands in the geographic area determined by the Secretary concerned for which the application would have been approved in amounts that exceed 125 percent of the annual average of such person's exports of unprocessed timber from such private lands during the 5 full fiscal years immediately prior to submission of the application.

(5) REVIEW OF DETERMINATIONS.—Determinations made under paragraph (3) shall be reviewed, in accordance with the procedures prescribed in this title, not less often than every 5 years.

**SEC. 491. RESTRICTION ON EXPORTS OF UNPROCESSED TIMBER FROM STATE AND OTHER PUBLIC LANDS.** 16 USC 620c.

(2) STATES WITH ANNUAL SALES OF GREATER THAN 400,000,000 BOARD FEET.—With respect to any State with an annual sales volume greater than 400,000,000 board feet, the following shall apply:

(A) The Secretary of Commerce shall issue an order referred to in subsection (a) not later than 21 days after the date of the enactment of this Act. Such order shall cover a period beginning 120 days after the issuance of such an order, or January 1, 1991, whichever is earlier, and shall extend to December 31, 1991. Such order shall prohibit the export of 75 percent of the annual sales volume in such State of unprocessed timber from public lands.

(B) For the period beginning on January 1, 1992, and ending on December 31, 1993, the Secretary of Commerce shall, after notice and an opportunity for a hearing, issue an order referred to in subsection (a) not later than September 30, 1991. Such order shall prohibit the export of at least 75 percent of such State's annual sales volume for this 2-year period.

(C) For the period beginning on January 1, 1994, and ending on December 31, 1995, the Secretary of Commerce shall, after notice and an opportunity for a hearing, issue an order referred to in subsection (a) not later than September 30, 1993. shall prohibit the export of the lesser of 400,000,000 board feet or the total annual sales volume.

(3) **REPORT TO CONGRESS.**—Not later than June 1, 1995, the Secretary of Commerce, in conjunction with the Secretaries of Agriculture and Interior, shall issue a report to the Congress on the effects of the reallocation, as a result of the enactment of this title, of public lands timber resources to the domestic timber processing sector, the ability of the domestic timber processing sector to meet domestic demand for forest products, the volume of transshipment of timber originating from public lands across State borders, the effectiveness of rules issued and administered by States pursuant to this title, and trends in growth and productivity in the domestic timber processing sector.

(c) **BASIS FOR INCREASE IN VOLUME PROHIBITED FROM EXPORT.**—The Secretary of Commerce may increase the amount of unprocessed timber to be prohibited from export above the minimum amount specified in subsection (b)(2) (B) and (C), based on a determination that the purposes of this title have not been adequately met and that such an increase would further the purposes of this title. In making this determination, the Secretary shall consider—

(1) actions or decisions taken, for the purpose of conserving or protecting exhaustible natural resources in the United States, which have affected the use or availability of forest products;

(2) whether the volume of timber from public lands that is under contract has increased or decreased by an amount greater than 20 percent within the previous 12 months; and

(3) the probable effects of unprocessed timber exports on the ability of timber mills to acquire unprocessed timber.

(d) **ADMINISTRATIVE PROVISIONS.**—

(1) **DELAY OF SECRETARY'S ORDER.**—In the event that any order of the Secretary of Commerce under subsection (a) or its implementation is delayed for any reason, the prohibitions on exports under subsection (b) to which such order would apply shall apply in the absence of such order.

(2) **ADMINISTRATION BY STATES.**—Each State shall determine the species, grade, and geographic origin of unprocessed timber to be prohibited from export under subsection (b) and shall administer such prohibitions consistent with the intent of this title and ensure that the species, grades, and geographic origin of unprocessed timber prohibited from export is representative of the species, grades, and geographic origin of timber comprising such State's total timber sales program. The State is authorized to cooperate with Federal and State agencies with appropriate jurisdiction to further the intent of this title.

(3) **STATE REGULATIONS.**—(A) Except for States with annual sales of 400,000,000 board feet or less upon the date of the enactment of this Act, the Governor of each State to which this title applies, or such other State official as the Governor may designate, shall, within 120 days after the date of the enactment of this Act, issue regulations to carry out the purposes of this section, the promulgation of which shall be consistent with section 553 of title 5, United States Code. Such regulations in each State shall remain in effect until such time as the legislature of that State enacts such requirements as it deems appropriate to carry out this section. Before issuing such regulations,

the Governor shall enter into formal consultation, concerning such regulations, with appropriate State officials and with a State Board of Natural Resources where such a board exists. When formulating regulations under this paragraph, the Governor shall take into account the intent of this title to effect a net increase in domestic processing of timber harvested from public lands consistent with all orders issued by the Secretary of Commerce under subsection (a).

(B) The Governor of each State with annual sales of 400,000,000 board feet or less upon the date of the enactment of this Act, or such other State official as the Governor may designate, shall, within 120 days after the date of the enactment of this Act, issue regulations to carry out the purposes of this section. Until such regulations are issued in a State, the prohibitions contained in subsections (a) and (b) of section 490 shall apply to unprocessed timber originating from public lands in that State to the same extent as such prohibitions apply to unprocessed timber originating from Federal lands, except that the provisions of subsection (c) of such section shall not apply.

(4) **PRIOR CONTRACTS.**—Nothing in this section shall apply to any contract for the purchase of unprocessed timber from public lands entered into before the effective date of a Secretary's order issued under subsection (a).

(f) **REMOVAL OR MODIFICATIONS OF STATE RESTRICTIONS.**—Based upon a determination that it is in the national economic interest, the President may remove or modify any prohibition on exports from public lands in a State if that State petitions the President to remove or modify such prohibition.

(g) **EFFECT OF PRIOR FEDERAL LAW.**—No provision of Federal law which imposes requirements with respect to the generation of revenue from State timberlands and was enacted before the enactment of this Act shall be construed to invalidate, supersede, or otherwise affect any action of a State or political subdivision of a State pursuant to this title.

(h) **SURPLUS TIMBER.**—The prohibitions on exports contained in orders of the Secretary of Commerce issued under subsection (a) shall not apply to specific quantities of grades and species of unprocessed timber originating from public lands which the Secretary concerned determines by rule to be surplus to the needs of timber manufacturing facilities in the United States. Any such determination may, by rule, be withdrawn by the Secretary concerned if the Secretary determines that the affected timber is no longer surplus to the needs of timber manufacturing facilities in the United States.

(i) **SUSPENSION OF PROHIBITIONS.**—Notwithstanding any other provision of this section, beginning on January 1, 1998, and annually thereafter, if the President finds, upon review of the purposes and implementation of this title, that the prohibitions on exports required by subsection (a) no longer promote the purposes of this title, then the President may suspend such prohibitions, except that such suspension shall not take effect until 90 days after the President notifies the Congress of such finding.

(j) **EXISTING AUTHORITY NOT AFFECTED.**—Nothing in this title shall be construed to limit the authority of the President or the United States Trade Representative to take action authorized by law to respond appropriately to any measures taken by a foreign government in connection with this title.
