"SUBCHAPTER III—SPECIAL PAY FOR PHYSICIANS AND DENTISTS

"§ 7431. Special pay: authority

Regulations.

"(a) In order to recruit and retain highly qualified physicians and dentists in the Veterans Health Administration, the Secretary shall provide special pay under this subchapter. Such special pay shall be provided under regulations that the Secretary shall prescribe to carry out this subchapter. Before prescribing regulations under this subchapter, the Secretary shall receive the recommendations of the Chief Medical Director with respect to those regulations.

"(b) Special pay may be paid to a physician or dentist under this subchapter only upon the execution of, and for the duration of, a written agreement entered into by the physician or dentist in accordance with section 7432 of this title.

"(c) A physician or dentist serving a period of obligated service pursuant to chapter 76 of this title is not eligible for special pay under this subchapter during the first three years of such obligated service, except that, at the discretion of the Secretary and upon the recommendation of the Chief Medical Director, such a physician or dentist may be paid special pay for full-time status during those three years.

"(d)(1) The Secretary may determine categories of positions applicable to either physicians or dentists, or both, in the Veterans Health Administration as to which there is no significant recruitment and retention problem. While any such determination is in effect, the Secretary may not enter into an agreement under this subchapter with a physician or dentist serving in a position covered by the determination. Before making a determination under this paragraph, the Secretary shall receive the recommendations of the Chief Medical Director with respect to the determination.

"(2) Not later than one year after making any such determination with respect to a category of positions, and each year thereafter that such determination remains in effect, the Secretary shall make a redetermination.

"(3) Any determination under this subsection shall be in accordance with regulations prescribed to carry out this subchapter.

"(e) If the Chief Medical Director determines that payment of special pay to a physician or dentist who is employed on a less than half-time basis is the most cost-effective way available for providing needed medical or dental specialist services at a Department facility, the Chief Medical Director may authorize the payment of special pay for factors other than for full-time status to that physician or dentist at a rate computed on the basis of the proportion that the part-time employment of the physician or dentist bears to full-time employment.

"(f) Special pay may not be paid under this section to a physician or dentist who—

"(1) is employed on less than a quarter-time basis or on an intermittent basis;

"(2) occupies an internship or residency training position; or

“(3) is a reemployed annuitant.

“(g)(1) In the case of a physician or dentist who is employed in a position that is covered by a determination by the Secretary under subsection (d)(1) that the Administration does not have a significant recruitment or retention problem with respect to a particular category of positions and who on the day before the effective date of this subchapter was receiving special pay under an agreement entered into under section 4118 of this title (as in effect before such date), the Secretary may pay to that physician or dentist, in addition to basic pay, retention pay under this subsection.

“(2) The annual rate of such retention pay for any individual may not exceed the rate which, when added to the rate of basic pay payable to that individual, is equal to the sum of the annual rate of basic pay and the annual rate of special pay paid to that physician or dentist pursuant to the final agreement with that individual under such section 4118.

“(3) Such retention pay shall be treated for all purposes as special pay paid under subchapter III of chapter 74 of this title.

“(4) Retention pay under this subsection shall be paid under such regulations as the Secretary may prescribe.

“§ 7432. Special pay: written agreements

“(a) An agreement entered into by a physician or dentist under this subchapter shall cover a period of one year of service in the Veterans Health Administration unless the physician or dentist agrees to an agreement for a longer period of service, not to exceed four years, as specified in the agreement. A physician or dentist who has previously entered into such an agreement is eligible to enter into a subsequent agreement unless the physician or dentist has failed to refund to the United States any amount which the physician or dentist is obligated to refund under any such previous agreement.

“(b)(1) An agreement under this subchapter shall provide that, if the physician or dentist entering into the agreement voluntarily, or because of misconduct, fails to complete any of the years of service covered by the agreement (measured from the anniversary date of the agreement), the physician or dentist shall refund an amount of special pay received under the agreement for that year equal to—

“(A) in the case of a failure during the first year of service under the agreement, 100 percent of the amount received for that year;

“(B) in the case of a failure during the second year of service under the agreement, 75 percent of the amount received for that year;

“(C) in the case of a failure during the third year of service under the agreement, 50 percent of the amount received for that year; and

“(D) in the case of a failure during the fourth year of service under the agreement, 25 percent of the amount received for that year.

“(2) The Secretary may waive (in whole or in part) the requirement for a refund under paragraph (1) in any case if the Secretary determines (in accordance with regulations prescribed under section 7431(a) of this title) that the failure to complete such period of service is the result of circumstances beyond the control of the physician or dentist.

“(3) Any such agreement shall specify the terms under which the Department and the physician or dentist may elect to terminate the agreement.

“(c)(1) If a proposed agreement under this subchapter will provide a total annual amount of special pay to be provided to a physician or dentist who has previously entered into an agreement under this subchapter (or under section 4118 of this title as in effect before the effective date of the Department of Veterans Affairs Physician and Dentist Recruitment and Retention Act of 1991) that will exceed the previous annual amount of special pay provided for the physician or dentist by more than 50 percent (other than in the case of a physician or dentist employed in an executive position in the Central Office of the Department), or that will be less than the previous annual amount of special pay provided for the physician or dentist by more than 25 percent, the proposed agreement shall be promptly submitted to the Secretary. The proposed agreement shall not take effect if it is disapproved by the Secretary within 60 days after the date on which the physician or dentist entered into the proposed agreement.

“(2) For purposes of paragraph (1), the previous annual amount of special pay provided for a physician or dentist is the total annual amount of special pay provided, or to be provided, to the physician or dentist for the most recent year covered by an agreement entered into by the physician or dentist under this subchapter or under section 4118 of this title. In the case of an agreement entered into under section 4118 of this title, incentive pay shall be treated as special pay for purposes of this paragraph.

“(3) The Secretary shall adjust special pay as necessary for purposes of this subsection to reflect appropriately any change in the status of a physician or dentist (A) from full-time status to part-time status, (B) from part-time status to full-time status, or (C) from one proportion of time spent as a Department employee under part-time status employment to a different proportion.

“(d)(1) If a proposed agreement under this subchapter (other than an agreement in the case of the Chief Medical Director) will provide a total annual amount of special pay to be provided to a physician or dentist which, when added to the amount of basic pay of the physician or dentist, will be in excess of the amount payable for positions specified in section 5312 of title 5, the proposed agreement shall be promptly submitted for approval to the Secretary through the Chief Medical Director. The agreement shall take effect at the end of the 60-day period beginning on the date on which the physician or dentist entered into the proposed agreement if it is neither approved nor disapproved within that 60-day period. If the agreement is approved within that period, the agreement shall take effect as of the date of the approval. A proposed agreement may be disapproved under this paragraph only if it is determined that the amounts of special pay proposed to be paid are not necessary to recruit or retain the physician or dentist.

“(2) A proposed agreement under this subchapter with the Chief Medical Director may provide for payment of special pay for which the Chief Medical Director is eligible under this subchapter (other than that specified in section 7433(b)(4)(B) of this title) only to the extent specifically approved by the Secretary.

“(3) The Secretary shall include in the annual report required by section 7440 of this title—

Effective date.

“(A) a statement of the number of agreements entered into during the period covered by the report under which the total amount of special pay to be provided, when added to the amount of basic pay of the physician or dentist, will be in excess of the amount payable for positions specified in section 5312 of title 5;

“(B) a statement of the number of proposed agreements which during the period covered by the report were disapproved under this subsection; and

“(C) a detailed explanation of the basis for disapproval of each such proposed agreement which was disapproved under this subsection.

“(4) This subsection does not apply to any proposed agreement entered into after September 30, 1994.

“§ 7433. Special pay: full-time physicians

“(a) The Secretary shall provide special pay under this subchapter to eligible physicians employed on a full-time basis based upon the factors, and at the annual rates, specified in subsection (b).

“(b) The special pay factors, and the annual rates, applicable to full-time physicians are as follows:

“(1) For full-time status, \$9,000.

“(2)(A) For length of service as a physician within the Veterans Health Administration—

“(3)(A) For service in a medical specialty with respect to which there are extraordinary difficulties (on a nation-wide basis or on the basis of the needs of a specific medical facility) in the recruitment or retention of qualified physicians, an annual rate of not more than \$40,000.

"(5) For specialty certification or first board certification, \$2,000, and for subspecialty certification or secondary board certification, an additional \$500.

"(6) For service in a specific geographic location with respect to which there are extraordinary difficulties in the recruitment or retention of qualified physicians in a specific category of physicians, an annual rate of not more than \$17,000.

"(7)(A) For service by a physician with exceptional qualifications within a specialty, an annual rate of not more than \$15,000.

"(B) Special pay under this paragraph may be paid to a physician only if the payment of such pay to that physician is approved by the Chief Medical Director personally and on a case-by-case basis and only to the extent that the rate paid under this paragraph, when added to the total of the rates paid to that physician under paragraphs (1) through (6), does not exceed the total rate that may be paid under those paragraphs to a physician with the same length of service, specialty, and position as the physician concerned.

"§ 7434. Special pay: part-time physicians

"(a) Subject to section 7431(e) of this title and subsection (b) of this section, special pay under this subchapter for physicians employed on a part-time basis shall be based on the special-pay factors and annual rates specified in section 7433 of this title.

"(b) The annual rate of special pay paid to a physician employed on a part-time basis shall bear the same ratio to the annual rate that the physician would be paid under section 7433 (other than for full-time status) if the physician were employed on a full-time basis as the amount of part-time employment by the physician bears to full-time employment, except that such ratio may not exceed 3/4.

“§ 7435. Special pay: full-time dentists

“(a) The Secretary shall provide special pay under this subchapter to eligible dentists employed on a full-time basis based upon the factors, and at the annual rates, specified in subsection (b).

“(a) Subject to section 7431(e) of this title and subsection (b) of this section, special pay under this subchapter for dentists employed on a part-time basis shall be based on the special-pay factors and annual rates specified in section 7435 of this title.

“(b) The annual rate of special pay paid to a dentist employed on a part-time basis shall bear the same ratio to the annual rate that the dentist would be paid under section 7435 of this title (other than for full-time status) if the dentist were employed on a full-time basis as the amount of part-time employment by the dentist bears to full-time employment, except that such ratio may not exceed 3/4.

“§ 7437. Special pay: general provisions

“(a) A physician who is provided special pay for service in an executive position under paragraph (4)(B) of section 7433(b) of this title may not also be provided scarce specialty special pay under paragraph (3) of that section. A dentist who is provided special pay for service in an executive position under paragraph (4) of section 7435(b) of this title for service as a Service Director, Deputy Service Director, Deputy Assistant Chief Medical Director, or Assistant Chief Medical Director may not also be provided scarce specialty special pay under paragraph (3) of that section.

“(d) A physician or dentist may not be provided scarce specialty pay under section 7433(b), 7434(b), 7435(b), or 7436(b) of this title (whichever is applicable) on the basis of the needs of a specific medical facility unless the Secretary also determines that geographic location pay under that section is insufficient to meet the needs of that facility for qualified physicians or dentists, as the case may be.

“(e)(1) A physician or dentist shall be paid special pay under this subchapter at a rate not less than the rate of special pay the physician or dentist was paid under section 4118 of this title as of the day before the effective date of this subchapter if the physician or dentist—

“(h) In no case may the total amount of compensation paid to a physician or dentist under this title in any year exceed the amount of annual compensation (excluding expenses) specified in section 102 of title 3.

“§ 7438. Special pay: coordination with other benefits laws

“(a) Special pay paid under this subchapter shall be in addition to any other pay and allowances to which a physician or dentist is entitled.

“(b)(1) A physician or dentist who has no section 4118 service and has completed not less than 15 years of service as a physician or dentist in the Veterans Health Administration shall be entitled to have special pay paid to the physician or dentist under this subchapter considered basic pay for the purposes of chapter 83 or 84 of title 5, as appropriate.

“(2) A physician or dentist who has section 4118 service and has completed a total of not less than 15 years of service as a physician or dentist in the Veterans Health Administration shall be entitled to have special pay paid to the physician or dentist under this subchapter considered basic pay for the purposes of chapter 83 or 84, as appropriate, of title 5 as follows:

“(A) In an amount equal to the amount that would have been so considered under section 4118 of this title on the day before the effective date of this section based on the rates of special pay the physician or dentist was entitled to receive under that section on the day before such effective date.

“(B) With respect to any amount of special pay received under this subchapter in excess of the amount such physician or dentist was entitled to receive under section 4118 of this title on the day before the effective date of this section, in an amount equal to 25 percent of such excess amount for each two years that the physician or dentist has completed as a physician or dentist in the Veterans Health Administration after the effective date of this section.

“(3) All special pay paid under this subchapter shall be included in average pay (as defined in sections 8331(4) or 8401(3) of title 5, as appropriate) for purposes of computing benefits paid under section 8337, 8341 (d) or (e), 8442(b), 8443, or 8451 of such title.

“(4) Special pay paid under section 4118 of this title, as in effect before the effective date of this section, to a physician or dentist who has section 4118 service shall be credited to the physician or dentist for the same purposes and in the same manner and to the same extent that such special pay was credited to the physician or dentist before such effective date.

“(5) For purposes of this subsection:

“(A) The term ‘physician or dentist who has no section 4118 service’ means a physician or dentist employed as a physician or dentist in the Veterans Health Administration who has no previous service as a physician or dentist in the Administration (or its predecessor) before the effective date of this section.

“(B) The term ‘physician or dentist who has section 4118 service’ means a physician or dentist employed as a physician or dentist in the Veterans Health Administration who has previous service as a physician or dentist in the Administration (or its predecessor) before the effective date of this section.

“(C) Service in any predecessor entity of the Veterans Health Administration shall be considered to be service in the Veterans Health Administration.

“(c) Compensation paid as special pay under this subchapter or under an agreement entered into under section 4118 of this title (as in effect on the day before the effective date of the Department of

Veterans Affairs Physician and Dentist Recruitment and Retention Act of 1991) shall be considered as annual pay for the purposes of chapter 87 of title 5, relating to life insurance for Federal employees.

“§ 7439. Periodic review of pay of physicians and dentists; quadrennial report

“(a) In order to make possible the recruitment and retention of a well-qualified work force of physicians and dentists capable of providing quality care for eligible veterans, it is the policy of Congress to ensure that the levels of total pay for physicians and dentists of the Veterans Health Administration are fixed at levels reasonably comparable—

“(1) with the levels of total pay of physicians and dentists employed by or serving in other departments and agencies of the Federal Government; and

“(2) with the income of non-Federal physicians and dentists for the performance of services as physicians and dentists.

“(b)(1) To assist the Congress and the President in carrying out the policy stated in subsection (a), the Secretary shall—

“(A) define the bases for pay distinctions, if any, among various categories of physicians and dentists, including distinctions between physicians and dentists employed by the Veterans Health Administration and physicians and dentists employed by other departments and agencies of the Federal Government and between all Federal sector and non-Federal sector physicians and dentists; and

“(B) obtain measures of income from the employment or practice of physicians and dentists outside the Administration, including both the Federal and non-Federal sectors, for use as guidelines for setting and periodically adjusting the amounts of special pay for physicians and dentists of the Administration.

“(2) The Secretary shall submit to the President a report, on such date as the President may designate but not later than December 31, 1994, and once every four years thereafter, recommending appropriate rates of special pay to carry out the policy set forth in subsection (a) with respect to the pay of physicians and dentists in the Veterans Health Administration. The Secretary shall include in such report, when considered appropriate and necessary by the Secretary, recommendations for modifications of the special pay levels set forth in this subchapter whenever—

“(A) the Department is unable to recruit or retain a sufficient work force of well-qualified physicians and dentists in the Administration because the incomes and other employee benefits, to the extent that those benefits are reasonably quantifiable, of physicians and dentists outside the Administration who perform comparable types of duties are significantly in excess of the levels of total pay (including basic pay and special pay) and other employee benefits, to the extent that those benefits are reasonably quantifiable, available to those physicians and dentists employed by the Administration; or

“(B) other extraordinary circumstances are such that special pay levels are needed to recruit or retain a sufficient number of well-qualified physicians and dentists.

“(c) The President shall include in the budget transmitted to the Congress under section 1105 of title 31 after the submission of each report of the Secretary under subsection (b)(2) recommendations with respect to the exact rates of special pay for physicians and

President.

dentists under this subchapter and the cost of those rates compared with the cost of the special pay rates in effect under this subchapter at the time the budget is transmitted.

“§ 7440. Annual report

“The Secretary shall submit to the Committees on Veterans’ Affairs of the Senate and House of Representatives an annual report on the use of the authorities provided in this subchapter. The report shall be submitted each year as part of the budget justification documents submitted by the Secretary in support of the budget of the President submitted pursuant to section 1105 of title 31 that year. Each such report shall include the following:

“(1) A review of the use of the authorities provided in this subchapter (including the Secretary’s and Chief Medical Director’s actions, findings, recommendations, and other activities under this subchapter) during the preceding fiscal year and the fiscal year during which the report is submitted.

“(2) The plans for the use of the authorities provided in this subchapter for the next fiscal year.

“(3) A description of the amounts of special pay paid during the preceding fiscal year, shown by category of pay.

“(4) A list of those geographic areas, and those scarce specialties, for which special pay was paid during the preceding fiscal year, those for which special pay is being paid during the current fiscal year, and those for which special pay is expected to be paid during the next fiscal year, together with a summary of any differences among those three lists.

“(5) The number of physicians and dentists (A) who left employment with the Veterans Health Administration during the preceding year, (B) who changed from full-time status to part-time status, (C) who changed from part-time status to full-time status, as well as (D) a summary of the reasons therefor.

“(6) By specialty, the number of positions created and the number of positions abolished during the preceding fiscal year and a summary of the reasons for such actions.

“(7) The number of unfilled physician and dentist positions in each specialty in the Veterans Health Administration, the average and maximum lengths of time that such positions have been unfilled, and a summary of the reasons that such positions remain unfilled and, in the case of any specialty not designated as a scarce specialty for purposes of special pay under this subchapter, an explanation (including comparisons with other specialties that have been so designated) of why the specialty has not been so designated.”.

“(3) assess the capability of the Department to provide high quality geriatric services, extended services, and other health-care services to eligible older veterans, taking into consideration the likely demand for such services from such veterans;

“(a)(1) The remedy—

“(A) against the United States provided by sections 1346(b) and 2672 of title 28, or

“(B) through proceedings for compensation or other benefits from the United States as provided by any other law, where the availability of such benefits precludes a remedy under section 1346(b) or 2672 of title 28,

for damages for personal injury, including death, allegedly arising from malpractice or negligence of a medical care employee of the Administration in furnishing medical care or treatment while in the exercise of that employee's duties in or for the Administration shall be exclusive of any other civil action or proceeding by reason of the same subject matter against the medical care employee (or employee's estate) whose act or omission gave rise to such claim.

“(2) For purposes of paragraph (1), the term ‘medical care employee of the Administration’ means a physician, dentist, podiatrist, optometrist, nurse, physician assistant, expanded-function dental auxiliary, pharmacist, or paramedical (such as medical and dental technicians, nursing assistants, and therapists), or other supporting personnel.

“(b) The Attorney General shall defend any civil action or proceeding brought in any court against any person referred to in subsection (a) (or such person's estate) for any such damage or injury. Any such person against whom such civil action or proceeding is brought shall deliver within such time after date of service or knowledge of service as determined by the Attorney General, all process served upon such person or an attested true copy thereof to such person's immediate superior or to whomever was designated by the Secretary to receive such papers and such person shall promptly furnish copies of the pleading and process therein to the United States attorney for the district embracing the place wherein the proceeding is brought, to the Attorney General, and to the Secretary.

“(c) Upon a certification by the Attorney General that the defendant was acting in the scope of such person's employment in or for the Administration at the time of the incident out of which the suit arose, any such civil action or proceeding commenced in a State court shall be removed without bond at any time before trial by the Attorney General to the district court of the United States of the district and division embracing the place wherein it is pending and the proceeding deemed a tort action brought against the United States under the provisions of title 28 and all references thereto. After removal the United States shall have available all defenses to which it would have been entitled if the action had originally been commenced against the United States. Should a United States district court determine on a hearing on a motion to remand held before a trial on the merits that the employee whose act or omission gave rise to the suit was not acting within the scope of such person's office or employment, the case shall be remanded to the State court.

“(d) The Attorney General may compromise or settle any claim asserted in such civil action or proceeding in the manner provided in section 2677 of title 28, and with the same effect.

“(e) The Secretary may, to the extent the Secretary considers appropriate, hold harmless or provide liability insurance for any person to whom the immunity provisions of this section apply (as

described in subsection (a)), for damage for personal injury or death, or for property damage, negligently caused by such person while furnishing medical care or treatment (including the conduct of clinical studies or investigations) in the exercise of such person's duties in or for the Administration, if such person is assigned to a foreign country, detailed to State or political division thereof, or is acting under any other circumstances which would preclude the remedies of an injured third person against the United States, provided by sections 1346(b) and 2672 of title 28, for such damage or injury.

"(f) The exception provided in section 2680(h) of title 28 shall not apply to any claim arising out of a negligent or wrongful act or omission of any person described in subsection (a) in furnishing medical care or treatment (including medical care or treatment furnished in the course of a clinical study or investigation) while in the exercise of such person's duties in or for the Administration.

"§ 7317. Hazardous research projects: indemnification of contractors

"(a)(1) With the approval of the Secretary, any contract or research authorized by section 7303 of this title, the performance of which involves a risk of an unusually hazardous nature, may provide that the United States will indemnify the contractor as provided in paragraph (2), but only to the extent that the liability, loss, or damage concerned arises out of the direct performance of the contract and to the extent not covered by the financial protection required under subsection (e).

"(2) Indemnity under paragraph (1) is indemnity against either or both of the following:

"(A) Liability (including reasonable expenses of litigation or settlement) to third persons, except liability under State or Federal workers' injury compensation laws to employees of the contractor employed at the site of and in connection with the contract for which indemnification is granted, for death, bodily injury, or loss of or damage to property, from a risk that the contract defines as unusually hazardous.

"(B) Loss of or damage to property of the contractor from a risk that the contract defines as unusually hazardous.

"(b) A contract that provides for indemnification in accordance with subsection (a) must also provide for—

"(1) notice to the United States of any claim or suit against the contractor for death, bodily injury, or loss of or damage to property; and

"(2) control of or assistance in the defense by the United States, at its election, of any such suit or claim for which indemnification is provided hereunder.

"(c) A payment may not be made under subsection (a) unless the Secretary certifies that the amount is just and reasonable.

"(d) Upon approval by the Secretary, payments under subsection (a) may be made from—

"(1) funds obligated for the performance of the contract concerned;

"(2) funds available for research or development or both, and not otherwise obligated; or

"(3) funds appropriated for those payments.

"(e) Each contractor which is a party to an indemnification agreement under subsection (a) shall have and maintain financial protec-

tion of such type and in such amounts as the Secretary shall require to cover liability to third persons and loss of or damage to the contractor's property. The amount of financial protection required shall be the maximum amount of insurance available from private sources, except that the Secretary may establish a lesser amount, taking into consideration the cost and terms of private insurance. Such financial protection may include private insurance, private contractual indemnities, self-insurance, other proof of financial responsibility, or a combination of such measures.

"(f) In administering the provisions of this section, the Secretary may use the facilities and services of private insurance organizations and may contract to pay a reasonable compensation therefor. Any contract made under the provisions of this section may be made without regard to the provisions of section 3709 of the Revised Statutes (41 U.S.C. 5), upon a showing by the Secretary that advertising is not reasonably practicable, and advance payments may be made under any such contract.

"(g) The authority to indemnify contractors under this section does not create any rights in third persons which would not otherwise exist by law.

"(h) Funds appropriated to carry out this section shall remain available until expended.

"(i) In this section, the term 'contractor' includes subcontractors of any tier under a contract containing an indemnification provision pursuant to subsection (a)."
