

Public Law 102-300
102d Congress

An Act

June 16, 1992
[S. 2783]

To amend the Federal Food, Drug, and Cosmetic Act with respect to medical devices and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

(b) **REFERENCE.**—Whenever in this Act an amendment or repeal is expressed in terms of an amendment to, or repeal of, a section or other provision, the reference shall be considered to be made to a section or other provision of the Federal Food, Drug, and Cosmetic Act.

SEC. 2. EFFECTIVE DATE AND REGULATIONS TO IMPLEMENT DEVICE TRACKING.

(a) **AMENDMENT.**—Section 3 of the Safe Medical Devices Act of 1990 (21 U.S.C. 360i note) is amended—

(A) by striking out “and 519(e)” the first place it occurs; and

(B) by striking out “and 519(e) of such Act are” and inserting in lieu thereof “of such Act is”; and

(3) by adding at the end of subsection (c) the following: “(3) Not later than November 28, 1992, the Secretary shall issue final regulations to implement section 519(e) of the Federal Food, Drug, and Cosmetic Act. If the Secretary does not promulgate such final regulations by November 28, 1992, the Congress finds that there is good cause for the proposed regulations to be considered as the final regulations without response to comment because the implementation of section 519(e) of such Act is essential to protect the health of patients who use devices. In such event, the proposed regulations issued under paragraph (1) shall become the issued final regulations on November 29, 1992. There shall be promptly published in the Federal Register notice of the new status of the proposed regulations.”.

(b) **EFFECTIVE DATE.**—The amendments made by subsection (a) shall take effect as of May 27, 1992 and any rule to implement section 519(e) of the Federal Food, Drug, and Cosmetic Act proposed under section 3(c)(2) of the Safe Medical Devices Act of 1990 shall revert to its proposed status as of such date.
