PUBLIC LAW 103-138—NOV. 11, 1993

An Act

Making appropriations for the Department of the Interior and related agencies for the fiscal year ending September 30, 1994, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the following sums are appropriated, out of any money in the Treasury not otherwise appropriated, for the Department of the Interior and related agencies for the fiscal year ending September 30, 1994, and for other purposes, namely:

TITLE I—DEPARTMENT OF THE INTERIOR

BUREAU OF LAND MANAGEMENT

MANAGEMENT OF LANDS AND RESOURCES

For expenses necessary for protection, use, improvement, development, disposal, cadastral surveying, classification, and performance of other functions, including maintenance of facilities, as authorized by law, in the management of lands and their resources under the jurisdiction of the Bureau of Land Management, including the general administration of the Bureau of Land Management, $599,860,000, of which the following amounts shall remain available until expended: $1,462,000 to be derived from the special receipt account established by section 4 of the Land and Water Conservation Fund Act of 1965, as amended (16 U.S.C. 460l–6a(i)), and $69,418,000 for the Automated Land and Mineral Record System Project: Provided, That appropriations herein made shall not be available for the destruction of healthy, unadopted, wild horses and burros in the care of the Bureau of Land Management or its contractors; and in addition, $15,300,000 for Mining Law Administration program operations to remain available through September 30, 1994, to be reduced by amounts collected by the Bureau of Land Management and credited to this appropriation from annual mining claim fees so as to result in a final fiscal year 1994 appropriation estimated at not more than $599,860,000: Provided further, That in addition to funds otherwise available, not to exceed $5,000,000 from annual mining claim fees shall be credited to this account for the costs of administering the mining claim fee program, and shall remain available until expended.

FIRE PROTECTION

For necessary expenses for fire management, emergency rehabilitation, fire presuppression and preparedness, and other
related emergency actions by the Department of the Interior, $117,143,000, to remain available until expended.

EMERGENCY DEPARTMENT OF THE INTERIOR FIREFIGHTING FUND

For emergency rehabilitation, severity presuppression, and wildfire suppression activities of the Department of the Interior, $116,674,000, to remain available until expended: Provided, That such funds also are available for repayment of advances to other appropriation accounts from which funds were previously transferred for such purposes: Provided further, That notwithstanding any other provision of law, persons hired pursuant to 43 U.S.C. 1469 may be furnished subsistence and lodging without cost from funds available from this appropriation: Provided further, That only amounts for emergency rehabilitation and wildfire suppression activities that are in excess of the average of such costs for the previous ten years shall be considered "emergency requirements" pursuant to section 251(b)(2)(D) of the Balanced Budget and Emergency Deficit Control Act of 1985.

CONSTRUCTION AND ACCESS

For acquisition of lands and interests therein, and construction of buildings, recreation facilities, roads, trails, and appurtenant facilities, $10,467,000, to remain available until expended.

PAYMENTS IN LIEU OF TAXES

For expenses necessary to implement the Act of October 20, 1976 (31 U.S.C. 6901–07), $104,108,000, of which not to exceed $400,000 shall be available for administrative expenses.

LAND ACQUISITION

For expenses necessary to carry out the provisions of sections 205, 206, and 318(d) of Public Law 94–579 including administrative expenses and acquisition of lands or waters, or interests therein, $12,122,000, to be derived from the Land and Water Conservation Fund, to remain available until expended.

OREGON AND CALIFORNIA GRANT LANDS

For expenses necessary for management, protection, and development of resources and for construction, operation, and maintenance of access roads, reforestation, and other improvements on the revested Oregon and California Railroad grant lands, on other Federal lands in the Oregon and California land-grant counties of Oregon, and on adjacent rights-of-way; and acquisition of lands or interests therein including existing connecting roads on or adjacent to such grant lands; $83,052,000, to remain available until expended: Provided, That 25 per centum of the aggregate of all receipts during the current fiscal year from the revested Oregon and California Railroad grant lands is hereby made a charge against the Oregon and California land-grant fund and shall be transferred to the General Fund in the Treasury in accordance with the provisions of the second paragraph of subsection (b) of title II of the Act of August 28, 1937 (50 Stat. 876).
For rehabilitation, protection, and acquisition of lands and interests therein, and improvement of Federal rangelands pursuant to section 401 of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1701), notwithstanding any other Act, sums equal to 50 per centum of all moneys received during the prior fiscal year under sections 3 and 15 of the Taylor Grazing Act (43 U.S.C. 315 et seq.) and the amount designated for range improvements from grazing fees and mineral leasing receipts from Bankhead-Jones lands transferred to the Department of the Interior pursuant to law, but not less than $10,025,000, to remain available until expended: Provided, That not to exceed $600,000 shall be available for administrative expenses.

SERVICE CHARGES, DEPOSITS, AND FORFEITURES

For administrative expenses and other costs related to processing application documents and other authorizations for use and disposal of public lands and resources, for costs of providing copies of official public land documents, for monitoring construction, operation, and termination of facilities in conjunction with use authorizations, and for rehabilitation of damaged property, such amounts as may be collected under sections 209(b), 304(a), 304(b), 305(a), and 504(g) of the Act approved October 21, 1976 (43 U.S.C. 1701), and sections 101 and 203 of Public Law 93-153, to be immediately available until expended: Provided, That notwithstanding any provision to the contrary of section 305(a) of the Act of October 21, 1976 (43 U.S.C. 1735(a)), any moneys that have been or will be received pursuant to that section, whether as a result of forfeiture, compromise, or settlement, if not appropriate for refund pursuant to section 305(c) of that Act (43 U.S.C. 1735(c)), shall be available and may be expended under the authority of this or subsequent appropriations Acts by the Secretary to improve, protect, or rehabilitate any public lands administered through the Bureau of Land Management which have been damaged by the action of a resource developer, purchaser, permittee, or any unauthorized person, without regard to whether all moneys collected from each such forfeiture, compromise, or settlement are used on the exact lands damage to which led to the forfeiture, compromise, or settlement: Provided further, That such moneys are in excess of amounts needed to repair damage to the exact land for which collected.

MISCELLANEOUS TRUST FUNDS

In addition to amounts authorized to be expended under existing law, there is hereby appropriated such amounts as may be contributed under section 307 of the Act of October 21, 1976 (43 U.S.C. 1701), and such amounts as may be advanced for administrative costs, surveys, appraisals, and costs of making conveyances of omitted lands under section 211(b) of that Act, to remain available until expended.

ADMINISTRATIVE PROVISIONS

Appropriations for the Bureau of Land Management shall be available for purchase, erection, and dismantlement of temporary structures, and alteration and maintenance of necessary buildings and appurtenant facilities to which the United States has title;
up to $100,000 for payments, at the discretion of the Secretary, for information or evidence concerning violations of laws administered by the Bureau of Land Management; miscellaneous and emergency expenses of enforcement activities authorized or approved by the Secretary and to be accounted for solely on his certificate, not to exceed $10,000: Provided, That notwithstanding 44 U.S.C. 501, the Bureau may, under cooperative cost-sharing and partnership arrangements authorized by law, procure printing services from cooperators in connection with jointly-produced publications for which the cooperators share the cost of printing either in cash or in services, and the Bureau determines the cooperator is capable of meeting accepted quality standards.

UNITED STATES FISH AND WILDLIFE SERVICE

RESOURCE MANAGEMENT

For expenses necessary for scientific and economic studies, conservation, management, investigations, protection, and utilization of sport fishery and wildlife resources, except whales, seals, and sea lions, and for the performance of other authorized functions related to such resources; for the general administration of the United States Fish and Wildlife Service; and for maintenance of the herd of long-horned cattle on the Wichita Mountains Wildlife Refuge; and not less than $1,000,000 for high priority projects within the scope of the approved budget which shall be carried out by the Youth Conservation Corps as authorized by the Act of August 13, 1970, as amended by Public Law 93-408, $484,313,000, of which $11,799,000 shall be for operation and maintenance of fishery mitigation facilities constructed by the Corps of Engineers under the Lower Snake River Compensation Plan, authorized by the Water Resources Development Act of 1976 (90 Stat. 2921), to compensate for loss of fishery resources from water development projects on the Lower Snake River, and which shall remain available until expended; and of which $2,500,000 shall be provided to the National Fish and Wildlife Foundation for endangered species activities: Provided, That such amount shall be matched by at least an equal amount by the National Fish and Wildlife Foundation.

CONSTRUCTION

For construction and acquisition of buildings and other facilities required in the conservation, management, investigation, protection, and utilization of sport fishery and wildlife resources, and the acquisition of lands and interests therein; $73,565,000, to remain available until expended of which $1,800,000 shall be available as a grant from the United States Fish and Wildlife Service to Ducks Unlimited, Inc., for construction of the Federal portion of the dike and pumping station at Metzger Marsh: Provided, That notwithstanding any other provision of law a single procurement for the construction of facilities at the Walnut Creek National Wildlife Refuge, Iowa may be issued which includes the full scope of the project: Provided further, That the solicitation and the contract shall contain the clause "availability of funds" found at 48 CFR 52.223.18.
NATURAL RESOURCE DAMAGE ASSESSMENT AND RESTORATION FUND

To conduct natural resource damage assessments and restoration activities by the Department of the Interior necessary to carry out the provisions of the Comprehensive Environmental Response, Compensation, and Liability Act, as amended (42 U.S.C. 9601, et seq.), Federal Water Pollution Control Act, as amended (33 U.S.C. 1251, et seq.), the Oil Pollution Act of 1990 (Public Law 101-380), and the Act of July 27, 1990 (Public Law 101-337); $6,700,000, to remain available until expended: Provided, That notwithstanding any other provision of law, any amounts appropriated or credited in fiscal year 1992 and thereafter, may be transferred to any account to carry out the provisions of negotiated legal settlements or other legal actions for restoration activities and to carry out the provisions of the Comprehensive Environmental Response, Compensation, and Liability Act, as amended (42 U.S.C. 9601, et seq.), Federal Water Pollution Control Act, as amended (33 U.S.C. 1251, et seq.), the Oil Pollution Act of 1990 (Public Law 101-380), and the Act of July 27, 1990 (Public Law 101-337) for damage assessment activities: Provided further, That sums provided by any party are not limited to monetary payments and may include stocks, bonds or other personal or real property, which may be retained, liquidated or otherwise disposed of by the Secretary and such sums or properties shall be utilized for the restoration of injured resources, and to conduct new damage assessment activities.

LAND ACQUISITION

For expenses necessary to carry out the provisions of the Land and Water Conservation Fund Act of 1965, as amended (16 U.S.C. 4601-4-11), including administrative expenses, and for acquisition of land or waters, or interest therein, in accordance with statutory authority applicable to the United States Fish and Wildlife Service, and for activities authorized under Public Law 98-244 to be carried out by the National Fish and Wildlife Foundation, $82,655,000, to be derived from the Land and Water Conservation Fund, to remain available until expended.

GENERAL PROVISIONS, DEPARTMENT OF THE INTERIOR

SEC. 101. Appropriations made in this title shall be available for expenditure or transfer (within each bureau or office), with the approval of the Secretary, for the emergency reconstruction, replacement, or repair of aircraft, buildings, utilities, or other facilities or equipment damaged or destroyed by fire, flood, storm, or other unavoidable causes: Provided, That no funds shall be made available under this authority until funds specifically made available to the Department of the Interior for emergencies shall have been exhausted: Provided further, That all funds used pursuant to this section are hereby designated by Congress to be “emergency requirements” pursuant to section 251(b)(2)(D) of the Balanced Budget and Emergency Deficit Control Act of 1985 and must be replenished by a supplemental appropriation which must be requested as promptly as possible.

SEC. 102. The Secretary may authorize the expenditure or transfer of any no year appropriation in this title, in addition to the amounts included in the budget programs of the several agencies, for the suppression or emergency prevention of forest or range fires on or threatening lands under the jurisdiction of the Department of the Interior; for the emergency rehabilitation of burned-over lands under its jurisdiction; for emergency actions related to potential or actual earthquakes, floods, volcanoes, storms, or other unavoidable causes; for contingency planning subsequent to actual oilspills; response and natural resource damage assessment activities related to actual oilspills; for the prevention, suppression, and control of actual or potential grasshopper and Mormon cricket outbreaks on lands under the jurisdiction of the Secretary, pursuant to the authority in section 1773(b) of Public Law 99–198 (99 Stat. 1658); for emergency reclamation projects under section 410 of Public Law 95–87; and shall transfer, from any no year funds available to the Office of Surface Mining Reclamation and Enforcement, such funds as may be necessary to permit assumption of regulatory authority in the event a primacy State is not carrying out the regulatory provisions of the Surface Mining Act: Provided, That appropriations made in this title for fire suppression purposes shall be available for the payment of obligations incurred during the preceding fiscal year, and for reimbursement to other Federal agencies for destruction of vehicles, aircraft, or other equipment in connection with their use for fire suppression purposes, such reimbursement to be credited to appropriations currently available at the time of receipt thereof: Provided further, That for emergency rehabilitation and wildfire suppression activities, no funds shall be made available under this authority until funds appropriated to the “Emergency Department of the Interior Firefighting Fund” shall have been exhausted: Provided further, That all funds used pursuant to this section are hereby designated
by Congress to be "emergency requirements" pursuant to section 251(b)(2)(D) of the Balanced Budget and Emergency Deficit Control Act of 1985 and must be replenished by a supplemental appropriation which must be requested as promptly as possible: Provided further, That such replenishment funds shall be used to reimburse, on a pro rata basis, accounts from which emergency funds were transferred.

SEC. 103. Appropriations made in this title shall be available for operation of warehouses, garages, shops, and similar facilities, wherever consolidation of activities will contribute to efficiency or economy, and said appropriations shall be reimbursed for services rendered to any other activity in the same manner as authorized by sections 1535 and 1536 of title 31, United States Code: Provided, That reimbursements for costs and supplies, materials, equipment, and for services rendered may be credited to the appropriation current at the time such reimbursements are received.

SEC. 104. Appropriations made to the Department of the Interior in this title shall be available for services as authorized by 5 U.S.C. 3109, when authorized by the Secretary, in total amount not to exceed $500,000; hire, maintenance, and operation of aircraft; hire of passenger motor vehicles; purchase of reprints; payment for telephone service in private residences in the field, when authorized under regulations approved by the Secretary; and the payment of dues, when authorized by the Secretary, for library membership in societies or associations which issue publications to members only or at a price to members lower than to subscribers who are not members.

SEC. 105. Appropriations available to the Department of the Interior for salaries and expenses shall be available for uniforms or allowances therefor, as authorized by law (5 U.S.C. 5901-5902 and D.C. Code 4–204).

SEC. 106. Appropriations made in this title shall be available for obligation in connection with contracts issued by the General Services Administration for services or rentals for periods not in excess of twelve months beginning at any time during the fiscal year.

SEC. 107. No funds provided in this title may be expended by the Department of the Interior for the conduct of offshore leasing and related activities placed under restriction in the President's moratorium statement of June 26, 1990, in the areas of Northern, Central, and Southern California; the North Atlantic; Washington and Oregon; and the Eastern Gulf of Mexico south of 26 degrees north latitude and east of 86 degrees west longitude.

SEC. 108. No funds provided in this title may be expended by the Department of the Interior for the conduct of leasing, or the approval or permitting of any drilling or other exploration activity, on lands within the North Aleutian Basin planning area.

SEC. 109. No funds provided in this title may be expended by the Department of the Interior for the conduct of preleasing and leasing activities in the Eastern Gulf of Mexico for Outer Continental Shelf Lease Sale 137 or for Sale 151 in the April 1992 proposal for the Outer Continental Shelf Natural Gas and Oil Resource Management Comprehensive Program, 1992–1997.

SEC. 110. No funds provided in this title may be expended by the Department of the Interior for the conduct of preleasing and leasing activities in the Atlantic for Outer Continental Shelf Lease Sale 164 in the April 1992 proposal for the Outer Continental

Sec. 111. None of the funds in this Act may be used to publish a National final rule defining the term "valid existing rights" for purposes of section 522(e) of the Surface Mining Control and Reclamation Act of 1977 or to publish a final rule disapproving any existing State definition of valid existing rights.

Sec. 112. In implementing section 1307 of Public Law 96–487 (94 Stat. 2479), the Secretary shall deem the holder of entry permit LP–GLBA005–93 to be a person who, on or before January 1, 1979, was engaged in adequately providing visitor services of the type authorized in said permit within Glacier Bay National Park.

ADMINISTRATIVE PROVISIONS, FOREST SERVICE

Appropriations to the Forest Service for the current fiscal year shall be available for: (a) purchase of not to exceed 182 passenger motor vehicles of which 20 will be used primarily for law enforcement purposes and of which 164 shall be for replacement only, of which acquisition of 122 passenger motor vehicles shall be from excess sources, and hire of such vehicles; operation and maintenance of aircraft, the purchase of not to exceed two for replacement only, and acquisition of 28 aircraft from excess sources; notwith-
standing other provisions of law, existing aircraft being replaced may be sold, with proceeds derived or trade-in value used to offset the purchase price for the replacement aircraft; (b) services pursuant to the second sentence of section 706(a) of the Organic Act of 1944 (7 U.S.C. 2225), and not to exceed $100,000 for employment under 5 U.S.C. 3109; (c) purchase, erection, and alteration of buildings and other public improvements (7 U.S.C. 2250); (d) acquisition of land, waters, and interests therein, pursuant to the Act of August 3, 1956 (7 U.S.C. 428a); (e) for expenses pursuant to the Volunteers in the National Forest Act of 1972 (16 U.S.C. 558a, 558d, 558a note); and (f) for debt collection contracts in accordance with 31 U.S.C. 3718(c).

None of the funds made available under this Act shall be obligated or expended to change the boundaries of any region, to abolish any region, to move or close any regional office for research, State and private forestry, or National Forest System administration of the Forest Service, Department of Agriculture, without the consent of the House and Senate Committees on Appropriations and the Committee on Agriculture, Nutrition, and Forestry in the United States Senate and the Committee on Agriculture in the United States House of Representatives.

Any appropriations or funds available to the Forest Service may be advanced to the Forest Service Firefighting appropriation and may be used for forest firefighting and the emergency rehabilitation of burned-over lands under its jurisdiction: Provided, That no funds shall be made available under this authority until funds appropriated to the “Emergency Forest Service Firefighting Fund” shall have been exhausted.

The appropriation structure for the Forest Service may not be altered without advanced approval of the House and Senate Committees on Appropriations.

Funds appropriated to the Forest Service shall be available for assistance to or through the Agency for International Development and the Office of International Cooperation and Development in connection with forest and rangeland research, technical information, and assistance in foreign countries, and shall be available to support forestry and related natural resource activities outside the United States and its territories and possessions, including technical assistance, education and training, and cooperation with United States and international organizations.

All funds received for timber salvage sales may be credited to the Forest Service Permanent Appropriations to be expended for timber salvage sales from any national forest, and for timber sales preparation to replace sales lost to fire or other causes, and sales preparation to replace sales inventory on the shelf for any national forest to a level sufficient to maintain new sales availability equal to a rolling five-year average of the total sales offerings, and for design, engineering, and supervision of construction of roads lost to fire or other causes associated with the timber sales programs described above, and for watershed assessment activities: Provided, That notwithstanding any other provision of law, monies received from the timber salvage sales program shall be considered as money received for purposes of computing and distributing 25 per centum payments to local governments under 16 U.S.C. 500, as amended.

None of the funds made available to the Forest Service under this Act shall be subject to transfer under the provisions of section 702(b) of the Department of Agriculture Organic Act of 1944 (7
U.S.C. 2257) or 7 U.S.C. 147b unless the proposed transfer is approved in advance by the House and Senate Committees on Appropriations in compliance with the reprogramming procedures contained in House Report 102-116.

No funds appropriated to the Forest Service shall be transferred to the Working Capital Fund of the Department of Agriculture without the approval of the Chief of the Forest Service.

Notwithstanding any other provision of law, any appropriations or funds available to the Forest Service may be used to disseminate program information to private and public individuals and organizations through the use of nonmonetary items of nominal value and to provide nonmonetary awards of nominal value and to incur necessary expenses for the nonmonetary recognition of private individuals and organizations that make contributions to Forest Service programs.

Notwithstanding any other provision of law, money collected, in advance or otherwise, by the Forest Service under authority of section 101 of Public Law 93–153 (30 U.S.C. 185(1)) as reimbursement of administrative and other costs incurred in processing pipeline right-of-way or permit applications and for costs incurred in monitoring the construction, operation, maintenance, and termination of any pipeline and related facilities, may be used to reimburse the applicable appropriation to which such costs were originally charged.

Funds available to the Forest Service shall be available to conduct a program of not less than $1,000,000 for high priority projects within the scope of the approved budget which shall be carried out by the Youth Conservation Corps as authorized by the Act of August 13, 1970, as amended by Public Law 93–408.

None of the funds available in this Act shall be used for timber sale preparation using clearcutting in hardwood stands in excess of 25 percent of the fiscal year 1989 harvested volume in the Wayne National Forest, Ohio: Provided, That this limitation shall not apply to hardwood stands damaged by natural disaster: Provided further, That landscape architects shall be used to maintain a visually pleasing forest.

None of the funds made available to the Forest Service in this Act shall be expended for the purpose of administering a special use authorization permitting land use and occupancy and surface disturbing activities for any project to be constructed on Rock Creek, Madera County, California, until a study has been completed and submitted to the Congress by the Forest Service in consultation with the United States Fish and Wildlife Service, the United States Army Corps of Engineers, the California State Water Resources Control Board, the California Department of Fish and Game and other interested public parties regarding the project's potential cumulative impacts on the environment, together with a finding that there will be no substantial adverse impact on the environment. Findings from the study must be presented at no less than three public meetings.

Any money collected from the States for fire suppression assistance rendered by the Forest Service on non-Federal lands not in the vicinity of National Forest System lands shall be used to reimburse the applicable appropriation and shall remain available until expended as the Secretary may direct in conducting activities authorized by 16 U.S.C. 2101 (note), 2101–2110, 1606, and 2111.
Of the funds available to the Forest Service, $1,500 is available to the Chief of the Forest Service for official reception and representation expenses.

Notwithstanding any other provision of law, the Forest Service is authorized to employ or otherwise contract with persons at regular rates of pay, as determined by the Service, to perform work occasioned by emergencies such as fires, storms, floods, earthquakes or any other unavoidable cause without regard to Sundays, Federal holidays, and the regular workweek.

To the greatest extent possible, and in accordance with the Final Amendment to the Shawnee National Forest Plan, none of the funds available in this Act shall be used for preparation of timber sales using clearcutting or other forms of even aged management in hardwood stands in the Shawnee National Forest, Illinois.

None of the funds made available in this Act shall be used for timber sale planning or scoping using clearcutting in the Ouachita and Ozark-St. Francis National Forests in Arkansas, except for sales that are necessary as a result of natural disaster or a threat to forest health, or for maintaining or enhancing wildlife habitat, or habitat for endangered and threatened species, or for research purposes.

None of the funds available to the Forest Service in this Act shall be used to plan or conduct timber sales or to plan or build roads in the Rocky Face, Hidden Creek or Johns Mountain areas of the Chattahoochee National Forest, Georgia.

Pursuant to section 405(b), and section 410(b) of Public Law 101-593, funds up to $1,000,000 for matching funds shall be available for the National Forest Foundation.

None of the funds available to the Forest Service in this Act shall be used to begin preparation of timber sales in fiscal year 1994 using the scaling method: Provided That this limitation shall not apply to timber salvage sales: Provided further, That thinning sales may be prepared using the scaling method if determined by the Regional Forester to be the most effective means of achieving a stated environmental objective: Provided further, That this limitation shall not apply to sales prepared pursuant to existing timber contracts: Provided further, That any timber sales prepared during fiscal year 1994 which involve the use of the scaling method must be scaled by the Forest Service, or under contracts issued by the Forest Service and paid for using deposits by the timber purchaser.

Total outlays by the Forest Service pursuant to the cooperative work trust funds accounts (12–8028–0–7–302) shall not exceed $279,668,000 in fiscal year 1994.

It is the sense of Congress that the Secretary of Agriculture should issue rules at the earliest practicable date on the issue of below-cost timber sales.

The Secretary of Agriculture, acting through the Forest Service, shall reimburse the Agricultural Stabilization and Conservation Service for administrative costs incurred under the Stewardship Incentive Program for the actual cost of services provided by the Agricultural Stabilization and Conservation Service, except that the actual costs shall not exceed 10 percent of the total annual appropriation for the program.

Funds appropriated to the Forest Service shall be available for interactions with and providing technical assistance to rural communities for sustainable rural development purposes.
The first paragraph under this head in Public Law 101-512, as amended, is further amended by striking the phrase “$150,000,000 on October 1, 1993, and $100,000,000 on October 1, 1994” and inserting “$100,000,000 on October 1, 1993, $100,000,000 on October 1, 1994, and $50,000,000 on October 1, 1995” and by striking the phrase “$250,000,000 on October 1, 1993, and $250,000,000 on October 1, 1994” and inserting “$125,000,000 on October 1, 1993, $275,000,000 on October 1, 1994, and $100,000,000 on October 1, 1995”.

FOSSIL ENERGY RESEARCH AND DEVELOPMENT

For necessary expenses in carrying out fossil energy research and development activities, under the authority of the Department of Energy Organization Act (Public Law 95-91), including the acquisition of interest, including defeasible and equitable interests in any real property or any facility or for plant or facility acquisition or expansion, $430,674,000, to remain available until expended: Provided, That no part of the sum herein made available shall be used for the field testing of nuclear explosives in the recovery of oil and gas.

ALTERNATIVE FUELS PRODUCTION

(INCLUDING TRANSFER OF FUNDS)

Monies received as investment income on the principal amount in the Great Plains Project Trust at the Norwest Bank of North Dakota, in such sums as are earned as of October 1, 1993, shall be deposited in this account and immediately transferred to the General Fund of the Treasury. Monies received as revenue sharing from the operation of the Great Plains Gasification Plant shall be immediately transferred to the General Fund of the Treasury.

NAVAL PETROLEUM AND OIL SHALE RESERVES

For necessary expenses in carrying out naval petroleum and oil shale reserve activities, $214,772,000, to remain available until expended: Provided, That the requirements of 10 U.S.C. 7430(b)(2)(B) shall not apply in fiscal year 1994.

ENERGY CONSERVATION

For necessary expenses in carrying out energy conservation activities, $690,375,000, to remain available until expended, including, notwithstanding any other provision of law, the excess amount for fiscal year 1994 determined under the provisions of section 3003(d) of Public Law 99-509 (15 U.S.C. 4502): Provided, That $254,025,000 shall be for use in energy conservation programs as defined in section 3008(3) of Public Law 99-509 (15 U.S.C. 4507) and shall not be available until excess amounts are determined under the provisions of section 3003(d) of Public Law 99-509 (15 U.S.C. 4502): Provided further, That notwithstanding section 3003(d)(2) of Public Law 99-509 such sums shall be allocated to the eligible programs as follows: $206,800,000 for the weatheriza-
tion assistance program, $18,310,000 for the State energy conservation program, and $28,915,000 for the institutional conservation program: Provided further, That $3,000,000 made available in the third proviso under this head in Public Law 102–154 (105 Stat. 1022–1023) shall be available without restriction for use in the weatherization assistance program: Provided further, That $19,366,000 of the amount provided under this heading shall be available for continuing research and development efforts begun under title II of the Interior and Related Agencies portion of the joint resolution entitled “Joint Resolution making further continuing appropriations for the fiscal year 1986, and for other purposes”, approved December 19, 1985 (Public Law 99–190), and implementation of steel and aluminum research authorized by Public Law 100–680.

ECONOMIC REGULATION

For necessary expenses in carrying out the activities of the Economic Regulatory Administration and the Office of Hearings and Appeals, $12,994,000, to remain available until expended.

EMERGENCY PREPAREDNESS

For necessary expenses in carrying out emergency preparedness activities, $8,901,000, to remain available until expended.

STRATEGIC PETROLEUM RESERVE

For necessary expenses for Strategic Petroleum Reserve facility development and operations and program management activities pursuant to the Energy Policy and Conservation Act of 1975, as amended (42 U.S.C. 6201 et seq.), $206,810,000, to remain available until expended: Provided, That appropriations herein made shall not be available for leasing of facilities for the storage of crude oil for the Strategic Petroleum Reserve unless the quantity of oil stored in or deliverable to Government-owned storage facilities by virtue of contractual obligations is equal to 700,000,000 barrels: Provided further, That the requirements of 42 U.S.C. 6240(g) shall not apply in fiscal year 1994.

SPR PETROLEUM ACCOUNT

Notwithstanding 42 U.S.C. 6240(d) the United States share of crude oil in Naval Petroleum Reserve Numbered 1 (Elk Hills) may be sold or otherwise disposed of to other than the Strategic Petroleum Reserve: Provided, That outlays in fiscal year 1994 resulting from the use of funds in this account shall not exceed $75,580,000: Provided further, That no outlays resulting from appropriations made in fiscal year 1993 for acquisition, transporting, and drawing down oil to be stored in the Strategic Petroleum Reserve for national defense purposes shall be counted against any outlay ceiling established for the SPR petroleum account.

ENERGY INFORMATION ADMINISTRATION

For necessary expenses in carrying out the activities of the Energy Information Administration, $86,553,000, to remain available until expended.
Appropriations under this Act for the current fiscal year shall be available for hire of passenger motor vehicles; hire, maintenance, and operation of aircraft; purchase, repair, and cleaning of uniforms; and reimbursement to the General Services Administration for security guard services.

From appropriations under this Act, transfers of sums may be made to other agencies of the Government for the performance of work for which the appropriation is made.

None of the funds made available to the Department of Energy under this Act shall be used to implement or finance authorized price support or loan guarantee programs unless specific provision is made for such programs in an appropriations Act.

The Secretary is authorized to accept lands, buildings, equipment, and other contributions from public and private sources and to prosecute projects in cooperation with other agencies, Federal, State, private, or foreign: Provided, That revenues and other moneys received by or for the account of the Department of Energy or otherwise generated by sale of products in connection with projects of the Department appropriated under this Act may be retained by the Secretary of Energy, to be available until expended, and used only for plant construction, operation, costs, and payments to cost-sharing entities as provided in appropriate cost-sharing contracts or agreements: Provided further, That the remainder of revenues after the making of such payments shall be covered into the Treasury as miscellaneous receipts: Provided further, That any contract, agreement, or provision thereof entered into by the Secretary pursuant to this authority shall not be executed prior to the expiration of 30 calendar days (not including any day in which either House of Congress is not in session because of adjournment of more than three calendar days to a day certain) from the receipt by the Speaker of the House of Representatives and the President of the Senate of a full comprehensive report on such project, including the facts and circumstances relied upon in support of the proposed project.

The Secretary of Energy may transfer to the Emergency Preparedness appropriation such funds as are necessary to meet any unforeseen emergency needs from any funds available to the Department of Energy from this Act.

No funds provided in this Act may be expended by the Department of Energy to prepare, issue, or process procurement documents for programs or projects for which appropriations have not been made.

The thirty-day waiting period required under this head in Public Law 101–512, Department of Energy Administrative Provisions, relating to a contract, agreement, or arrangement with a profit-making or non-profit entity to conduct activities at the Department of Energy's research facilities at Bartlesville, Oklahoma, is hereby waived.
DEPARTMENT OF HEALTH AND HUMAN SERVICES

INDIAN HEALTH SERVICE

For expenses necessary to carry out the Act of August 5, 1954 (68 Stat. 674), the Indian Self-Determination Act, the Indian Health Care Improvement Act, and titles III and XXVII and section 208 of the Public Health Service Act with respect to the Indian Health Service, $1,645,877,000, together with payments received during the fiscal year pursuant to 42 U.S.C. 300aaa-2 for services furnished by the Indian Health Service: Provided, That funds made available to tribes and tribal organizations through contracts, grant agreements, or any other agreements or compacts authorized by the Indian Self-Determination and Education Assistance Act of 1975 (88 Stat. 2203; 25 U.S.C. 450), shall be deemed to be obligated at the time of the grant or contract award and thereafter shall remain available to the tribe or tribal organization without fiscal year limitation: Provided further, That $12,000,000 shall remain available until expended, for the Indian Catastrophic Health Emergency Fund: Provided further, That $337,848,000 for contract medical care shall remain available for obligation until September 30, 1995: Provided further, That of the funds provided, not less than $11,526,000 shall be used to carry out the loan repayment program under section 108 of the Indian Health Care Improvement Act, as amended: Provided further, That funds provided in this Act may be used for one-year contracts and grants which are to be performed in two fiscal years, so long as the total obligation is recorded in the year for which the funds are appropriated: Provided further, That the amounts collected by the Secretary of Health and Human Services under the authority of title IV of the Indian Health Care Improvement Act shall be available for two fiscal years after the fiscal year in which they were collected, for the purpose of achieving compliance with the applicable conditions and requirements of titles XVIII and XIX of the Social Security Act (exclusive of planning, design, or construction of new facilities): Provided further, That of the funds provided, $7,500,000 shall remain available until expended, for the Indian Self-Determination Fund, which shall be available for the transitional costs of initial or expanded tribal contracts, grants or cooperative agreements with the Indian Health Service under the provisions of the Indian Self-Determination Act: Provided further, That funding contained herein, and in any earlier appropriations Acts for scholarship programs under the Indian Health Care Improvement Act (25 U.S.C. 1613) shall remain available for obligation until September 30, 1995: Provided further, That amounts received by tribes and tribal organizations under title IV of the Indian Health Care Improvement Act, as amended, shall be reported and accounted for and available to the receiving tribes and tribal organizations until expended.

INDIAN HEALTH FACILITIES

For construction, repair, maintenance, improvement, and equipment of health and related auxiliary facilities, including quarters for personnel; preparation of plans, specifications, and drawings; acquisition of sites, purchase and erection of modular buildings, and purchases of trailers; and for provision of domestic and commu-
nity sanitation facilities for Indians, as authorized by section 7 of the Act of August 5, 1954 (42 U.S.C. 2004a), the Indian Self-Determination Act and the Indian Health Care Improvement Act, and for expenses necessary to carry out the Act of August 5, 1954 (68 Stat. 674), the Indian Self-Determination Act, the Indian Health Care Improvement Act, and titles III and XXVII and section 208 of the Public Health Service Act with respect to environmental health and facilities support activities of the Indian Health Service, $296,992,000, to remain available until expended: Provided, That notwithstanding any other provision of law, funds appropriated for the planning, design, construction or renovation of health facilities for the benefit of an Indian tribe or tribes may be used to purchase land for sites to construct, improve, or enlarge health or related facilities: Provided further, That of the funds provided herein, $300,000 is available to initiate planning and design for the replacement facility at Winnebago, Nebraska upon approval of a program justification document by the Assistant Secretary for Health.

ADMINISTRATIVE PROVISIONS, INDIAN HEALTH SERVICE

Appropriations in this Act to the Indian Health Service shall be available for services as authorized by 5 U.S.C. 3109 but at rates not to exceed the per diem rate equivalent to the maximum rate payable for senior-level positions under 5 U.S.C. 5376; hire of passenger motor vehicles and aircraft; purchase of medical equipment; purchase of reprints; purchase, renovation and erection of modular buildings and renovation of existing facilities; payments for telephone service in private residences in the field, when authorized under regulations approved by the Secretary; and for uniforms or allowances therefor as authorized by law (5 U.S.C. 5901–5902); and for expenses of attendance at meetings which are concerned with the functions or activities for which the appropriation is made or which will contribute to improved conduct, supervision, or management of those functions or activities: Provided, That in accordance with the provisions of the Indian Health Care Improvement Act, non-Indian patients may be extended health care at all tribally administered or Indian Health Service facilities, subject to charges, and the proceeds along with funds recovered under the Federal Medical Care Recovery Act (42 U.S.C. 2651–53) shall be credited to the account of the facility providing the service and shall be available without fiscal year limitation: Provided further, That notwithstanding any other law or regulation, funds transferred from the Department of Housing and Urban Development to the Indian Health Service shall be administered under Public Law 86–121 (the Indian Sanitation Facilities Act) and Public Law 93–638, as amended: Provided further, That funds appropriated to the Indian Health Service in this Act, except those used for administrative and program direction purposes, shall not be subject to limitations directed at curtailing Federal travel and transportation: Provided further, That the Indian Health Service shall neither bill nor charge those Indians who may have the economic means to pay unless and until such time as Congress has agreed upon a specific policy to do so and has directed the Indian Health Service to implement such a policy: Provided further, That, notwithstanding any other provision of law, funds previously or herein made available to a tribe or tribal organization through a contract, grant or agreement authorized by Title I of the Indian Self-Deter-
mination and Education Assistance Act of 1975 (88 Stat. 2203; 25 U.S.C. 450), may be deobligated and reobligated to a self-governance funding agreement under Title III of the Indian Self-Determination and Education Assistance Act of 1975 and thereafter shall remain available to the tribe or tribal organization without fiscal year limitation: Provided further, That none of the funds made available to the Indian Health Service in this Act shall be used to implement the final rule published in the Federal Register on September 16, 1987, by the Department of Health and Human Services, relating to eligibility for the health care services of the Indian Health Service until the Indian Health Service has submitted a budget request reflecting the increased costs associated with the proposed final rule, and such request has been included in an appropriations Act and enacted into law: Provided further, That funds made available in this Act are to be apportioned to the Indian Health Service as appropriated in this Act, and accounted for in the appropriation structure set forth in this Act: Provided further, That the appropriation structure for the Indian Health Service may not be altered without the advance approval of the House and Senate Committees on Appropriations.

TITLE III—GENERAL PROVISIONS

SEC. 301. The expenditure of any appropriation under this Act for any consulting service through procurement contract, pursuant to 5 U.S.C. 3109, shall be limited to those contracts where such expenditures are a matter of public record and available for public inspection, except where otherwise provided under existing law, or under existing Executive order issued pursuant to existing law.

SEC. 302. No part of any appropriation under this Act shall be available to the Secretary of the Interior or the Secretary of Agriculture for the leasing of oil and natural gas by noncompetitive bidding on publicly owned lands within the boundaries of the Shawnee National Forest, Illinois: Provided, That nothing herein is intended to inhibit or otherwise affect the sale, lease, or right to access to minerals owned by private individuals.

SEC. 303. No part of any appropriation contained in this Act shall be available for any activity or the publication or distribution of literature that in any way tends to promote public support or opposition to any legislative proposal on which congressional action is not complete.

SEC. 304. No part of any appropriation contained in this Act shall remain available for obligation beyond the current fiscal year unless expressly so provided herein.

SEC. 305. None of the funds provided in this Act to any department or agency shall be obligated or expended to provide a personal cook, chauffeur, or other personal servants to any officer or employee of such department or agency except as otherwise provided by law.
SEC. 306. None of the funds provided in this Act shall be used to evaluate, consider, process, or award oil, gas, or geothermal leases on Federal lands in the Mount Baker-Snoqualmie National Forest, State of Washington, within the hydrographic boundaries of the Cedar River municipal watershed upstream of river mile 21.6, the Green River municipal watershed upstream of river mile 61.0, the North Fork of the Tolt River proposed municipal watershed upstream of river mile 11.7, and the South Fork Tolt River municipal watershed upstream of river mile 8.4.

SEC. 307. No assessments may be levied against any program, budget activity, subactivity, or project funded by this Act unless notice of such assessments and the basis therefor are presented to the Committees on Appropriations and are approved by such Committees.

SEC. 308. Section 314 of Public Law 101–512 (104 Stat. 1959–1960) is amended by striking the words “cooperative agreement” and inserting in lieu thereof: “any other agreement or compact”.

SEC. 309. Section 1405, subsection (a) of title 36, United States Code, is amended by striking all of the first sentence through the words “confirmation of the Council and who” and inserting in lieu thereof: “There shall be an Executive Director of the Holocaust Memorial Museum who shall be appointed by the Chairperson of the Council, subject to confirmation of the Council, who may be paid with nonappropriated funds, and who, if paid with appropriated funds,”.

SEC. 310. (a) COMPLIANCE WITH BUY AMERICAN ACT.—None of the funds made available in this Act may be expended by an entity unless the entity agrees that in expending the funds the entity will comply with sections 2 through 4 of the Act of March 3, 1933 (41 U.S.C. 10a–10c; popularly known as the “Buy American Act”).

(b) SENSE OF CONGRESS; REQUIREMENT REGARDING NOTICE.—

(1) PURCHASE OF AMERICAN-MADE EQUIPMENT AND PRODUCTS.—In the case of any equipment or product that may be authorized to be purchased with financial assistance provided using funds made available in this Act, it is the sense of the Congress that entities receiving the assistance should, in expending the assistance, purchase only American-made equipment and products.

(2) NOTICE TO RECIPIENTS OF ASSISTANCE.—In providing financial assistance using funds made available in this Act, the head of each Federal agency shall provide to each recipient of the assistance a notice describing the statement made in paragraph (1) by the Congress.

(c) PROHIBITION OF CONTRACTS WITH PERSONS FALSELY LABELING PRODUCTS AS MADE IN AMERICA.—If it has been finally determined by a court or Federal agency that any person intentionally affixed a label bearing a “Made in America” inscription, or any inscription with the same meaning, to any product sold in or shipped to the United States that is not made in the United States, the person shall be ineligible to receive any contract or subcontract made with funds made available in this Act, pursuant to the debarment, suspension, and ineligibility procedures described in sections 9.400 through 9.409 of title 48, Code of Federal Regulations.

SEC. 311. The Forest Service and Bureau of Land Management may offer for sale salvageable timber in the Pacific Northwest in fiscal year 1994: Provided, That for public lands known to contain
the Northern spotted owl, such salvage sales may be offered as long as the offering of such sale will not render the area unsuitable as habitat for the Northern spotted owl: Provided further, That timber salvage activity in spotted owl habitat is to be done in full compliance with all existing environmental and forest management laws.

SEC. 312. None of the funds in this Act may be used to plan, prepare, or offer for sale timber from trees classified as giant sequoia (sequoiadendron giganteum) which are located on National Forest System or Bureau of Land Management lands until an environmental assessment has been completed and the giant sequoia management implementation plan is approved. In any event, timber harvest within the identified groves will be done only to enhance and perpetuate giant sequoia. There will be no harvesting of giant sequoia specimen trees. Removal of hazard, insect, disease and fire killed giant sequoia other than specimen trees is permitted.

SEC. 313. None of the funds appropriated in this Act may be used to implement any increase in government housing rental rates in excess of 10 per centum more than the rental rates which were in effect on September 1, 1993, for such housing.

SEC. 314. None of the funds provided in this Act may be used to implement the Bureau of Land Management/United States Forest Service comprehensive strategy for Pacific salmon and steelhead habitat (PACFISH) or to impose interim guidelines for such strategy in the Tongass National Forest: Provided, That nothing in this section shall be construed to enlarge or diminish minimum timber no harvest buffer zones required by the Tongass Timber Reform Act or to enlarge or diminish site-specific management prescriptions which increase no harvest fish stream buffer zones applied under the Tongass Land Management Plan and existing standards and guidelines of the Tongass National Forest.

This Act may be cited as the “Department of the Interior and Related Agencies Appropriations Act, 1994”.

Approved November 11, 1993.
