SEC. 635. SENSE OF THE SENATE REGARDING CANADA'S RESTRICTIONS ON IMPORTS OF UNITED STATES CHICKENS.

(a) FINDINGS.—The Senate makes the following findings:

(1) The United States chicken industry is a highly competitive and growing industry which employs over 200,000 people, has over 25,000 family farms, and has significant production in over 28 States.

(2) United States exports of chickens grew by 32 percent in volume in 1993 and exports are increasingly important to the continued economic vitality of the chicken industry.

(3) Canada's chicken supply management system has severely limited the importation of United States chickens to Canada since it was imposed over 15 years ago, and its elimination would lead to between \$350,000,000 and \$700,000,000 in new exports to Canada and between 7,000 and 14,000 new jobs in the United States.

(4) Canada's chicken supply management system protects Canadian chicken growers while seriously hurting both United States and Canadian food processors, retailers, and consumers.

(5) The United States and Canada have a free trade agreement which calls for the elimination of all tariffs and prohibits the imposition of new tariffs on any goods traded bilaterally.

(6) The goals of the Uruguay Round Agreement on Agriculture are to liberalize and expand trade in agriculture and to eliminate distortions to such trade.

(7) Canada refused to negotiate the issue of elimination of its severe trade restrictions on the importation of United States chickens as part of the North American Free Trade Agreement (hereafter referred to as "NAFTA") because the issue was part of the global trade negotiations under the Uruguay Round.

Reports.

Federal Register, publication.

(8) The Uruguay Round has now concluded and the former and current United States Trade Representative, as well as other key cabinet-level officials, have stated that Canada will be in violation of its NAFTA obligations if it does not eliminate its newly imposed tariffs on chickens.

(9) The United States chicken industry has waited patiently for access to Canadian markets, which would be the United States largest export market for chickens if it were fully open.

(10) NAFTA should lead to free and completely open trade for the chicken industry between the United States and Canada, as it will between the United States and Mexico.

(11) The United States and Canada are currently holding discussions to resolve this and other bilateral agricultural matters.

(b) SENSE OF THE SENATE.—It is the sense of the Senate that—

(1) the United States should reserve all current and future rights to bring Canada into compliance with its tariff obligations under NAFTA, including the use of bilateral or multilateral dispute settlement proceedings; and

(2) any agreement that is negotiated between the United States and Canada on chickens should lead to—

(A) substantial and immediate new market access opportunities for United States chicken exports in excess of the levels that have already been achieved; and

(B) a commitment from Canada before the effective date of the Uruguay Round Agreements which—

(i) establishes a timeframe for the elimination of all of Canada's tariffs on chickens; and

(ii) provides for growth in market access levels for United States chicken exports to Canada during the period such tariffs are being phased out.

(B) by striking the last sentence and inserting the following: “Each medal shall consist of gold-plate over bronze, rhodium over bronze, or bronze and shall be struck in accordance with subsection (f).”; and

(2) by adding at the end the following new subsection:

“(f) CONGRESSIONAL AWARD PROGRAM MEDALS.—

“(1) DESIGN AND STRIKING.—The Secretary of the Treasury shall strike the medals described in subsection (a) and awarded by the Board under this Act. Subject to subsection (a), the medals shall be of such quantity, design, and specifications as the Secretary of the Treasury may determine, after consultation with the Board.

“(2) NATIONAL MEDALS.—The medals struck pursuant to this Act are National medals for purposes of chapter 51 of title 31, United States Code.

“(3) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be charged against the Numismatic Public Enterprise Fund such amounts as may be necessary to pay for the cost of the medals struck pursuant to this Act.”.

SEC. 638. Notwithstanding any provision of law, the President, or his designee, must certify to Congress, annually, that no person or persons with direct or indirect responsibility for administering the Executive Office of the President's Drug-Free Workplace Plan are themselves subject to a program of individual random drug testing.

SEC. 639. Section 3626, paragraph (j)(1), subparagraph (D), of title 39, United States Code is amended by—

(a) deleting the final “.” from (II) and adding “; and”; and

(b) adding “(III) clause (i) shall not apply to space advertising in mail matter that otherwise qualifies for rates under former section 4452(b) or 4452(c) of this title, and satisfies the content requirements established by the Postal Service for periodical publications: *Provided*, That such changes in law shall take effect immediately and shall stay in effect hereafter unless the Congress enacts legislation on this matter prior to October 1, 1995.

SEC. 641. The Bureau of the Public Debt is authorized to pay in advance or reimburse any Treasury organization, an amount not to exceed one year of salary and benefits for each Public Debt employee hired by that organization described in section 521(a) of this Act.

SEC. 642. Chapter 63 of title 5 of the United States Code is amended by adding, following the word “Forces” in section 6326, a new section 6327 to read as follows:

“§ 6327. Absence in connection with funerals of fellow Federal law enforcement officers

“A Federal law enforcement officer or a Federal firefighter may be excused from duty without loss of, or reduction in, pay or leave to which such officer is otherwise entitled, or credit for time or service, or performance or efficiency rating, to attend the funeral of a fellow Federal law enforcement officer or Federal firefighter, who was killed in the line of duty. When so excused from duty, attendance at such service shall for the purposes of section 1345(a) of title 31, be considered to be an official duty of the officer or firefighter.”.

SEC. 643. Of the amount appropriated for “Government Payment for Annuitants, Employee Life Insurance” under this Act, such sums as may be necessary for such payments for the period September 15 through 30, 1994 shall become available upon enactment of this Act.

agency for which the budgetary resources available to the agency in fiscal year 1995 would be canceled in an appropriations Act to achieve savings in procurement and procurement-related expenses, of the manner in which these savings are to be achieved.

(b) Notwithstanding any other provision of law, each agency for which the budgetary resources available to the agency in fiscal year 1995 would be canceled in an appropriations Act to achieve savings in procurement and procurement-related expenses, such cancellation shall occur on November 30, 1994, or 30 days after the Office of Management and Budget submits the report required by subsection (a) of this section, whichever date is earlier.
