Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “Four Corners Interpretive Center Act”.

SEC. 2. FINDINGS AND PURPOSES.

(a) FINDINGS.—Congress finds that—

(1) the Four Corners Monument is nationally significant as the only geographic location in the United States where 4 State boundaries meet;

(2) the States with boundaries that meet at the Four Corners are Arizona, Colorado, New Mexico, and Utah;

(3) between 1868 and 1875 the boundary lines that created the Four Corners were drawn, and in 1899 a monument was erected at the site;

(4) a United States postal stamp will be issued in 1999 to commemorate the centennial of the original boundary marker;

(5) the Four Corners area is distinct in character and possesses important historical, cultural, and prehistoric values and resources within the surrounding cultural landscape;

(6) although there are no permanent facilities or utilities at the Four Corners Monument Tribal Park, each year the park attracts approximately 250,000 visitors;

(7) the area of the Four Corners Monument Tribal Park falls entirely within the Navajo Nation or Ute Mountain Ute Tribe reservations;

(8) the Navajo Nation and the Ute Mountain Ute Tribe have entered into a memorandum of understanding governing the planning and future development of the Four Corners Monument Tribal Park;

(9) in 1992, through agreements executed by the Governors of Arizona, Colorado, New Mexico, and Utah, the Four Corners Heritage Council was established as a coalition of State, Federal, tribal, and private interests;

(10) the State of Arizona has obligated $45,000 for planning efforts and $250,000 for construction of an interpretive center at the Four Corners Monument Tribal Park;

(11) numerous studies and extensive consultation with American Indians have demonstrated that development at the
Four Corners Monument Tribal Park would greatly benefit the people of the Navajo Nation and the Ute Mountain Ute Tribe;

(12) the Arizona Department of Transportation has completed preliminary cost estimates that are based on field experience with rest-area development for the construction of a Four Corners Interpretive Center and surrounding infrastructure, including restrooms, roadways, parking areas, and water, electrical, telephone, and sewage facilities;

(13) an interpretive center would provide important educational and enrichment opportunities for all Americans; and

(14) Federal financial assistance and technical expertise are needed for the construction of an interpretive center.

(b) PURPOSES.—The purposes of this Act are—

(1) to recognize the importance of the Four Corners Monument and surrounding landscape as a distinct area in the heritage of the United States that is worthy of interpretation and preservation;

(2) to assist the Navajo Nation and the Ute Mountain Ute Tribe in establishing the Four Corners Interpretive Center and related facilities to meet the needs of the general public;

(3) to highlight and showcase the collaborative resource stewardship of private individuals, Indian tribes, universities, Federal agencies, and the governments of States and political subdivisions thereof (including counties); and
