Public Law 111–2
111th Congress

An Act

To amend title VII of the Civil Rights Act of 1964 and the Age Discrimination in Employment Act of 1967, and to modify the operation of the Americans with Disabilities Act of 1990 and the Rehabilitation Act of 1973, to clarify that a discriminatory compensation decision or other practice that is unlawful under such Acts occurs each time compensation is paid pursuant to the discriminatory compensation decision or other practice, and for other purposes.

Jan. 29, 2009
[S. 181]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

Lilly Ledbetter Fair Pay Act of 2009.
42 USC 2000a note.

SECTION 1. SHORT TITLE.

This Act may be cited as the "Lilly Ledbetter Fair Pay Act of 2009".

42 USC 2000e–5 note.

SEC. 2. FINDINGS.

Congress finds the following:

(1) The Supreme Court in Ledbetter v. Goodyear Tire & Rubber Co., 550 U.S. 618 (2007), significantly impairs statutory protections against discrimination in compensation that Congress established and that have been bedrock principles of American law for decades. The Ledbetter decision undermines those statutory protections by unduly restricting the time period in which victims of discrimination can challenge and recover for discriminatory compensation decisions or other practices, contrary to the intent of Congress.

(2) The limitation imposed by the Court on the filing of discriminatory compensation claims ignores the reality of wage discrimination and is at odds with the robust application of the civil rights laws that Congress intended.

(3) With regard to any charge of discrimination under any law, nothing in this Act is intended to preclude or limit an aggrieved person's right to introduce evidence of an unlawful employment practice that has occurred outside the time for filing a charge of discrimination.

(4) Nothing in this Act is intended to change current law treatment of when pension distributions are considered paid.

SEC. 3. DISCRIMINATION IN COMPENSATION BECAUSE OF RACE, COLOR, RELIGION, SEX, OR NATIONAL ORIGIN.

Section 706(e) of the Civil Rights Act of 1964 (42 U.S.C. 2000e–5(e)) is amended by adding at the end the following:

"(3)(A) For purposes of this section, an unlawful employment practice occurs, with respect to discrimination in compensation in violation of this title, when a discriminatory compensation decision or other practice is adopted, when an individual becomes subject to a discriminatory compensation decision or other practice, or

when an individual is affected by application of a discriminatory compensation decision or other practice, including each time wages, benefits, or other compensation is paid, resulting in whole or in part from such a decision or other practice.

"(B) In addition to any relief authorized by section 1977A of the Revised Statutes (42 U.S.C. 1981a), liability may accrue and an aggrieved person may obtain relief as provided in subsection (g)(1), including recovery of back pay for up to two years preceding the filing of the charge, where the unlawful employment practices that have occurred during the charge filing period are similar or related to unlawful employment practices with regard to discrimination in compensation that occurred outside the time for filing a charge.".

SEC. 4. DISCRIMINATION IN COMPENSATION BECAUSE OF AGE.

Section 7(d) of the Age Discrimination in Employment Act of 1967 (29 U.S.C. 626(d)) is amended—

(1) in the first sentence—

(A) by redesignating paragraphs (1) and (2) as subparagraphs (A) and (B), respectively; and

(B) by striking "(d)" and inserting "(d)(1)";

(2) in the third sentence, by striking "Upon" and inserting the following:

"(2) Upon"; and

(3) by adding at the end the following:

"(3) For purposes of this section, an unlawful practice occurs, with respect to discrimination in compensation in violation of this Act, when a discriminatory compensation decision or other practice is adopted, when a person becomes subject to a discriminatory compensation decision or other practice, or when a person is affected by application of a discriminatory compensation decision or other practice, including each time wages, benefits, or other compensation is paid, resulting in whole or in part from such a decision or other practice.".

SEC. 5. APPLICATION TO OTHER LAWS.

42 USC 2000e–5 note.

(a) AMERICANS WITH DISABILITIES ACT OF 1990.—The amendments made by section 3 shall apply to claims of discrimination in compensation brought under title I and section 503 of the Americans with Disabilities Act of 1990 (42 U.S.C. 12111 et seq., 12203), pursuant to section 107(a) of such Act (42 U.S.C. 12117(a)), which adopts the powers, remedies, and procedures set forth in section 706 of the Civil Rights Act of 1964 (42 U.S.C. 2000e–5).

(2) paragraphs (1) and (2) of section 505(a) of such Act (29 U.S.C. 794a(a)) (as amended by subsection (c)).

"(13) EXPRESS LANE OPTION.—

"(A) IN GENERAL.—

"(i) OPTION TO USE A FINDING FROM AN EXPRESS LANE AGENCY.—At the option of the State, the State plan may provide that in determining eligibility under this title for a child (as defined in subparagraph (G)), the State may rely on a finding made within a reasonable period (as determined by the State) from an Express Lane agency

(as defined in subparagraph (F)) when it determines whether a child satisfies one or more components of eligibility for medical assistance under this title. The State may rely on a finding from an Express Lane agency notwithstanding sections 1902(a)(46)(B) and 1137(d) or any differences in budget unit, disregard, deeming or other methodology, if the following requirements are met:

"(I) PROHIBITION ON DETERMINING CHILDREN INELIGIBLE FOR COVERAGE.—If a finding from an Express Lane agency would result in a determination that a child does not satisfy an eligibility requirement for medical assistance under this title and for child health assistance under title XXI, the State shall determine eligibility for assistance using its regular procedures.

"(II) NOTICE REQUIREMENT.—For any child who is found eligible for medical assistance under the State plan under this title or child health assistance under title XXI and who is subject to premiums based on an Express Lane agency's finding of such child's income level, the State shall provide notice that the child may qualify for lower premium payments if evaluated by the State using its regular policies and of the procedures for requesting such an evaluation.

"(III) COMPLIANCE WITH SCREEN AND ENROLL REQUIREMENT.—The State shall satisfy the requirements under subparagraphs (A) and (B) of section 2102(b)(3) (relating to screen and enroll) before enrolling a child in child health assistance under title XXI. "(ii) to modify the limitations in section 1902(a)(5) concerning the agencies that may make a determination of eligibility for medical assistance under this title.

"(C) OPTIONS FOR SATISFYING THE SCREEN AND ENROLL REQUIREMENT.—

"(i) IN GENERAL.—With respect to a child whose eligibility for medical assistance under this title or for child health assistance under title XXI has been evaluated by

a State agency using an income finding from an Express Lane agency, a State may carry out its duties under subparagraphs (A) and (B) of section 2102(b)(3) (relating to screen and enroll) in accordance with either clause (ii) or clause (iii).

"(ii) ESTABLISHING A SCREENING THRESHOLD.—

"(I) IN GENERAL.—Under this clause, the State establishes a screening threshold set as a percentage of the Federal poverty level that exceeds the highest income threshold applicable under this title to the child by a minimum of 30 percentage points or, at State option, a higher number of percentage points that reflects the value (as determined by the State and described in the State plan) of any differences between income methodologies used by the program administered by the Express Lane agency and the methodologies used by the State in determining eligibility for medical assistance under this title.

"(II) CHILDREN WITH INCOME NOT ABOVE THRESHOLD.—If the income of a child does not exceed the screening threshold, the child is deemed to satisfy the income eligibility criteria for medical assistance under this title regardless of whether such child would otherwise satisfy such criteria.

"(III) CHILDREN WITH INCOME ABOVE THRESHOLD.—If the income of a child exceeds the screening threshold, the child shall be considered to have an income above the Medicaid applicable income level described in section 2110(b)(4) and to satisfy the requirement under section 2110(b)(1)(C) (relating to the requirement that CHIP matching funds be used only for children not eligible for Medicaid). If such a child is enrolled in child health assistance under title XXI, the State shall provide the parent, guardian, or custodial relative with the following:

"(iii) TEMPORARY ENROLLMENT IN CHIP PENDING SCREEN AND ENROLL.—

Such procedures may not require the child's parent, guardian, or custodial relative to provide or verify information that already has been provided to the State agency by an Express Lane agency or another source of information unless the State agency has reason to believe the information is erroneous. "(i) IN GENERAL.—The State may initiate and determine eligibility for medical assistance under the State Medicaid plan or for child health assistance under the State CHIP plan without a program application from, or on behalf of, the child based on data obtained from sources other than the child (or the child's family), but a child can only be automatically enrolled in the State Medicaid plan or the State CHIP plan if the child or the family affirmatively consents to being enrolled through affirmation in writing, by telephone, orally, through electronic signature, or through any other means specified by the Secretary or by signature on an Express Lane agency application, if the requirement of clause (ii) is met.

"(ii) INFORMATION REQUIREMENT.—The requirement of this clause is that the State informs the parent, guardian, or custodial relative of the child of the services that will be covered, appropriate methods for using such services, premium or other cost sharing charges (if any) that apply, medical support obligations (under section 1912(a)) created by enrollment (if applicable), and the actions the parent, guardian, or relative must take to maintain enrollment and renew coverage.

"(V) if such error rate exceeds 3 percent for any fiscal year in which the State elects to apply this paragraph, a reduction in the amount otherwise payable to the State under section 1903(a) for quarters for that fiscal year, equal to the total amount of erroneous excess payments determined for the fiscal year only with respect to the children included in the sample for the fiscal year that are in excess of a 3 percent error rate with respect to such children.

"(ii) NO PUNITIVE ACTION BASED ON ERROR RATE.—The Secretary shall not apply the error rate derived from the sample under clause (i) to the entire population of children enrolled in the State Medicaid plan or the State CHIP plan through reliance on a finding made by an Express Lane agency, or to the population of children enrolled in such plans on the basis of the State's regular procedures for determining eligibility, or penalize the State on the basis of such error rate in any manner other than the reduction of payments provided for under clause (i)(V).

"(iii) RULE OF CONSTRUCTION.—Nothing in this paragraph shall be construed as relieving a State that elects to apply this paragraph from being subject to a penalty under section 1903(u), for payments made under the State Medicaid plan with respect to ineligible individuals and families that are determined to exceed the error rate permitted under that section (as determined without regard to the error rate determined under clause (i)(II)).

38 USC 107 note.

SEC. 1002. PAYMENTS TO ELIGIBLE PERSONS WHO SERVED IN THE UNITED STATES ARMED FORCES IN THE FAR EAST DURING WORLD WAR II. (a) FINDINGS.—Congress makes the following findings:

(1) The Philippine islands became a United States possession in 1898 when they were ceded from Spain following the Spanish-American War.

(2) During World War II, Filipinos served in a variety of units, some of which came under the direct control of the United States Armed Forces.

(3) The regular Philippine Scouts, the new Philippine Scouts, the Guerrilla Services, and more than 100,000 members of the Philippine Commonwealth Army were called into the service of the United States Armed Forces of the Far East on July 26, 1941, by an executive order of President Franklin D. Roosevelt.

(4) Even after hostilities had ceased, wartime service of the new Philippine Scouts continued as a matter of law until the end of 1946, and the force gradually disbanded and was disestablished in 1950.

(5) Filipino veterans who were granted benefits prior to the enactment of the so-called Rescissions Acts of 1946 (Public Laws 79–301 and 79–391) currently receive full benefits under laws administered by the Secretary of Veterans Affairs, but under section 107 of title 38, United States Code, the service of certain other Filipino veterans is deemed not to be active service for purposes of such laws.

(6) These other Filipino veterans only receive certain benefits under title 38, United States Code, and, depending on where they legally reside, are paid such benefit amounts at reduced rates.

"Special Transfers in Fiscal Years 2009, 2010, and 2011 for Modernization

"(f)(1)(A) In addition to any other amounts, the Secretary of Labor shall provide for the making of unemployment compensation modernization incentive payments (hereinafter 'incentive payments') to the accounts of the States in the Unemployment Trust Fund, by transfer from amounts reserved for that purpose in the Federal unemployment account, in accordance with succeeding provisions of this subsection.

"(B) The maximum incentive payment allowable under this subsection with respect to any State shall, as determined by the Secretary of Labor, be equal to the amount obtained by multiplying $7,000,000,000 by the same ratio as would apply under subsection (a)(2)(B) for purposes of determining such State's share of any excess amount (as described in subsection (a)(1)) that would have been subject to transfer to State accounts, as of October 1, 2008, under the provisions of subsection (a).

"(C) Of the maximum incentive payment determined under subparagraph (B) with respect to a State—

"(i) one-third shall be transferred to the account of such State upon a certification under paragraph (4)(B) that the State law of such State meets the requirements of paragraph (2); and

"(ii) the remainder shall be transferred to the account of such State upon a certification under paragraph (4)(B) that the State law of such State meets the requirements of paragraph (3).

"(2) The State law of a State meets the requirements of this paragraph if such State law—

"(A) uses a base period that includes the most recently completed calendar quarter before the start of the benefit year for purposes of determining eligibility for unemployment compensation; or

"(B) provides that, in the case of an individual who would not otherwise be eligible for unemployment compensation under the State law because of the use of a base period that does not include the most recently completed calendar quarter before the start of the benefit year, eligibility shall be determined using a base period that includes such calendar quarter.

"(3) The State law of a State meets the requirements of this paragraph if such State law includes provisions to carry out at least 2 of the following subparagraphs:

"(A) An individual shall not be denied regular unemployment compensation under any State law provisions relating to availability for work, active search for work, or refusal to accept work, solely because such individual is seeking only part-time work (as defined by the Secretary of Labor), except that the State law provisions carrying out this subparagraph may exclude an individual if a majority of the weeks of work in such individual's base period do not include part-time work (as so defined).

"(B) An individual shall not be disqualified from regular unemployment compensation for separating from employment if that separation is for any compelling family reason. For purposes of this subparagraph, the term 'compelling family reason' means the following:

"(i) Domestic violence, verified by such reasonable and confidential documentation as the State law may require, which causes the individual reasonably to believe that such individual's continued employment would jeopardize the safety of the individual or of any member of the individual's immediate family (as defined by the Secretary of Labor).

"(ii) The illness or disability of a member of the individual's immediate family (as those terms are defined by the Secretary of Labor).

"(iii) The need for the individual to accompany such individual's spouse—

"(I) to a place from which it is impractical for such individual to commute; and

"(II) due to a change in location of the spouse's employment.

"(C)(i) Weekly unemployment compensation is payable under this subparagraph to any individual who is unemployed (as determined under the State unemployment compensation law), has exhausted all rights to regular unemployment compensation under the State law, and is enrolled and making satisfactory progress in a State-approved training program or in a job training program authorized under the Workforce Investment Act of 1998, except that such compensation is not required to be paid to an individual who is receiving similar stipends or other training allowances for non-training costs.

"(ii) Each State-approved training program or job training program referred to in clause (i) shall prepare individuals who have been separated from a declining occupation, or who have been involuntarily and indefinitely separated from employment as a result of a permanent reduction of operations at the individual's place of employment, for entry into a high-demand occupation.

"(iii) The amount of unemployment compensation payable under this subparagraph to an individual for a week of unemployment shall be equal to—

"(I) the individual's average weekly benefit amount (including dependents' allowances) for the most recent benefit year, less

"(II) any deductible income, as determined under State law.

The total amount of unemployment compensation payable under this subparagraph to any individual shall be equal to at least 26 times the individual's average weekly benefit amount (including dependents' allowances) for the most recent benefit year.

"(D) Dependents' allowances are provided, in the case of any individual who is entitled to receive regular unemployment compensation and who has any dependents (as defined by State law), in an amount equal to at least $15 per dependent per week, subject to any aggregate limitation on such allowances which the State law may establish (but which aggregate limitation on the total allowance for dependents paid to an individual may not be less than $50 for each week of unemployment or 50 percent of the individual's weekly benefit amount for the benefit year, whichever is less), except that a State law may provide for a reasonable reduction in the amount of any such allowance for a week of less than total unemployment.

The Secretary of the Treasury shall make the appropriate transfer within 7 days after receiving such certification.

"(1) INCENTIVE PAYMENTS.—

"(A) IN GENERAL.—

"(i) IN GENERAL.—Subject to the succeeding subparagraphs of this paragraph, with respect to covered professional services furnished by an eligible professional during a payment year (as defined in subparagraph (E)), if the eligible professional is a meaningful EHR user (as determined under paragraph (2)) for the EHR reporting period with respect to such year, in addition to the amount otherwise paid under this part, there also shall be paid to the eligible professional (or to an employer or facility in the cases described in clause (A) of section 1842(b)(6)), from the Federal Supplementary Medical Insurance Trust Fund established under section 1841 an amount equal to 75 percent of the Secretary's estimate (based on claims submitted not later than 2 months after the end of the payment year) of the allowed charges under this part for all such covered professional services furnished by the eligible professional during such year. "(A) ADJUSTMENT.—

"(i) IN GENERAL.—Subject to subparagraphs (B) and (D), with respect to covered professional services furnished by an eligible professional during 2015 or any subsequent payment year, if the eligible professional is not a meaningful EHR user (as determined under subsection (o)(2)) for an EHR reporting period for the year, the fee schedule amount for such services furnished by such professional during the year (including the fee schedule amount for purposes of determining a payment based on such amount) shall be equal to the applicable percent of the fee schedule amount that would otherwise apply to such services under this subsection (determined after application of paragraph (3) but without regard to this paragraph).

"(ii) APPLICABLE PERCENT.—Subject to clause (iii), for purposes of clause (i), the term 'applicable percent' means—

"(I) for 2015, 99 percent (or, in the case of an eligible professional who was subject to the application of the payment adjustment under section 1848(a)(5) for 2014, 98 percent);

"(III) for 2017 and each subsequent year, 97 percent.

that the proportion of eligible professionals who are meaningful EHR users (as determined under subsection (o)(2)) is less than 75 percent, the applicable percent shall be decreased by 1 percentage point from the applicable percent in the preceding year, but in no case shall the applicable percent be less than 95 percent.

"(B) SIGNIFICANT HARDSHIP EXCEPTION.—The Secretary may, on a case-by-case basis, exempt an eligible professional from the application of the payment adjustment under subparagraph (A) if the Secretary determines, subject to annual renewal, that compliance with the requirement for being a meaningful EHR user would result in a significant hardship, such as in the case of an eligible professional who practices in a rural area without sufficient Internet access. "(2) ELIGIBLE PROFESSIONAL DESCRIBED.—With respect to a qualifying MA organization, an eligible professional described in this paragraph is an eligible professional (as defined for purposes of section 1848(o)) who—

"(B) furnishes, on average, at least 20 hours per week of patient care services.

"(3) ELIGIBLE PROFESSIONAL INCENTIVE PAYMENTS.—

"(A) IN GENERAL.—In applying section 1848(o) under paragraph (1), instead of the additional payment amount under section 1848(o)(1)(A) and subject to subparagraph (B), the Secretary may substitute an amount determined by the Secretary to the extent feasible and practical to be similar to the estimated amount in the aggregate that would be payable if payment for services furnished by such professionals was payable under part B instead of this part.

"(B) AVOIDING DUPLICATION OF PAYMENTS.—

"(i) IN GENERAL.—In the case of an eligible professional described in paragraph (2)—

"(I) that is eligible for the maximum incentive payment under section 1848(o)(1)(A) for the same payment period, the payment incentive shall be made only under such section and not under this subsection; and

"(ii) METHODS.—In the case of an eligible professional described in paragraph (2) who is eligible for an incentive payment under section 1848(o)(1)(A) but is not described in clause (i) for the same payment period, the Secretary shall develop a process—

"(II) to collect data from Medicare Advantage organizations to ensure against such duplicate payments.

"(C) FIXED SCHEDULE FOR APPLICATION OF LIMITATION ON INCENTIVE PAYMENTS FOR ALL ELIGIBLE PROFESSIONALS.—In applying section 1848(o)(1)(B)(ii) under subparagraph (A), in accordance with rules specified by the Secretary, a qualifying MA organization shall specify a year (not earlier than 2011) that shall be treated as the first payment year for all eligible professionals with respect to such organization.

Deadline.

"(4) PAYMENT ADJUSTMENT.—

"(A) IN GENERAL.—In applying section 1848(a)(7) under paragraph (1), instead of the payment adjustment being an applicable percent of the fee schedule amount for a year under such section, subject to subparagraph (D), the

payment adjustment under paragraph (1) shall be equal to the percent specified in subparagraph (B) for such year of the payment amount otherwise provided under this section for such year.

"(B) SPECIFIED PERCENT.—The percent specified under this subparagraph for a year is 100 percent minus a number of percentage points equal to the product of—

"(i) the number of percentage points by which the applicable percent (under section 1848(a)(7)(A)(ii)) for the year is less than 100 percent; and

"(ii) the Medicare physician expenditure proportion specified in subparagraph (C) for the year.

"(C) MEDICARE PHYSICIAN EXPENDITURE PROPORTION.—The Medicare physician expenditure proportion under this subparagraph for a year is the Secretary's estimate of the proportion, of the expenditures under parts A and B that are not attributable to this part, that are attributable to expenditures for physicians' services.

"(D) APPLICATION OF PAYMENT ADJUSTMENT.—In the case that a qualifying MA organization attests that not all eligible professionals of the organization are meaningful EHR users with respect to a year, the Secretary shall apply the payment adjustment under this paragraph based on the proportion of all such eligible professionals of the organization that are not meaningful EHR users for such year.

"(5) QUALIFYING MA ORGANIZATION DEFINED.—In this subsection and subsection (m), the term 'qualifying MA organization' means a Medicare Advantage organization that is organized as a health maintenance organization (as defined in section 2791(b)(3) of the Public Health Service Act).

"(A) whether each eligible professional described in paragraph (2), with respect to such organization is a meaningful EHR user (as defined in section 1848(o)(2)) for a year specified by the Secretary; and

"(B) whether each eligible hospital described in subsection (m)(1), with respect to such organization, is a meaningful EHR user (as defined in section 1886(n)(3)) for an applicable period specified by the Secretary.

"(7) POSTING ON WEBSITE.—The Secretary shall post on the Internet website of the Centers for Medicare & Medicaid Services, in an easily understandable format, a list of the names, business addresses, and business phone numbers of—

"(A) each qualifying MA organization receiving an incentive payment under this subsection for eligible professionals of the organization; and

"(B) the eligible professionals of such organization for which such incentive payment is based.

"(8) LIMITATION ON REVIEW.—There shall be no administrative or judicial review under section 1869, section 1878, or otherwise, of—

"(A) the methodology and standards for determining payment amounts and payment adjustments under this subsection, including avoiding duplication of payments under paragraph (3)(B) and the specification of rules for the fixed schedule for application of limitation on incentive payments for all eligible professionals under paragraph (3)(C);

"(B) the methodology and standards for determining eligible professionals under paragraph (2); and

"(C) the methodology and standards for determining a meaningful EHR user under section 1848(o)(2), including specification of the means of demonstrating meaningful EHR use under section 1848(o)(3)(C) and selection of measures under section 1848(o)(3)(B).".

(d) STUDY AND REPORT RELATING TO MA ORGANIZATIONS.—

(1) STUDY.—The Secretary of Health and Human Services shall conduct a study on the extent to which and manner in which payment incentives and adjustments (such as under sections 1848(o) and 1848(a)(7) of the Social Security Act) could be made available to professionals, as defined in 1861(r), who are not eligible for HIT incentive payments under section 1848(o) and receive payments for Medicare patient services nearly-exclusively through contractual arrangements with one or more Medicare Advantage organizations, or an intermediary organization or organizations with contracts with Medicare Advantage organizations. Such study shall assess approaches for measuring meaningful use of qualified EHR technology among such professionals and mechanisms for delivering incentives and adjustments to those professionals, including through incentive payments and adjustments through Medicare Advantage organizations or intermediary organizations.

(2) REPORT.—Not later than 120 days after the date of the enactment of this Act, the Secretary of Health and Human Services shall submit to Congress a report on the findings and the conclusions of the study conducted under paragraph (1), together with recommendations for such legislation and administrative action as the Secretary determines appropriate.

SEC. 4102. INCENTIVES FOR HOSPITALS.

(a) INCENTIVE PAYMENT.—

(1) IN GENERAL.—Section 1886 of the Social Security Act (42 U.S.C. 1395ww) is amended by adding at the end the following new subsection:

"(n) INCENTIVES FOR ADOPTION AND MEANINGFUL USE OF CERTIFIED EHR TECHNOLOGY.—

"(1) IN GENERAL.—Subject to the succeeding provisions of this subsection, with respect to inpatient hospital services furnished by an eligible hospital during a payment year (as defined in paragraph (2)(G)), if the eligible hospital is a meaningful EHR user (as determined under paragraph (3)) for the EHR reporting period with respect to such year, in addition to the amount otherwise paid under this section, there also shall be paid to the eligible hospital, from the Federal Hospital Insurance Trust Fund established under section 1817, an amount equal to the applicable amount specified in paragraph (2)(A) for the hospital for such payment year.

"(2) PAYMENT AMOUNT.—

"(A) IN GENERAL.—Subject to the succeeding subparagraphs of this paragraph, the applicable amount specified in this subparagraph for an eligible hospital for a payment year is equal to the product of the following:

"(B) BASE AMOUNT.—The base amount specified in this subparagraph is $2,000,000.

"(C) DISCHARGE RELATED AMOUNT.—The discharge related amount specified in this subparagraph for a 12-

month period selected by the Secretary shall be determined as the sum of the amount, estimated based upon total discharges for the eligible hospital (regardless of any source of payment) for the period, for each discharge up to the 23,000th discharge as follows:

"(i) For the first through 1,149th discharge, $0.

"(ii) For the 1,150th through the 23,000th discharge, $200.

In the absence of the data necessary, with respect to a hospital, for the Secretary to compute the amount described in clause (ii)(II), the amount under such clause shall be deemed to be 1. "(ii) INFORMATION EXCHANGE.—The eligible hospital demonstrates to the satisfaction of the Secretary, in accordance with subparagraph (C)(i), that during such period such certified EHR technology is connected in a manner that provides, in accordance with law and standards applicable to the exchange of information, for the electronic exchange of health information to improve the quality of health care, such as promoting care coordination.

"(iii) REPORTING ON MEASURES USING EHR.—Subject to subparagraph (B)(ii) and using such certified EHR technology, the eligible hospital submits information for such period, in a form and manner specified by the Secretary, on such clinical quality measures and such other measures as selected by the Secretary under subparagraph (B)(i).

The Secretary shall seek to improve the use of electronic health records and health care quality over time by requiring more stringent measures of meaningful use selected under this paragraph.

"(B) REPORTING ON MEASURES.—

"(i) SELECTION.—The Secretary shall select measures for purposes of subparagraph (A)(iii) but only consistent with the following:

The Secretary shall ensure that an eligible hospital (or critical access hospital) has the opportunity to review the other relevant data that are to be made public with respect to the hospital (or critical access hospital) prior to such data being made public.

"(5) CERTIFIED EHR TECHNOLOGY DEFINED.—The term 'certified EHR technology' has the meaning given such term in section 1848(o)(4).

(A) in paragraph (1), by striking "paragraph (2)" and inserting "the subsequent paragraphs of this subsection"; and

(B) by adding at the end the following new paragraph:

Regulations. Applicability.

"(3)(A) The following rules shall apply in determining payment and reasonable costs under paragraph (1) for costs described in subparagraph (C) for a critical access hospital that would be a

meaningful EHR user (as would be determined under paragraph (3) of section 1886(n)) for an EHR reporting period for a cost reporting period beginning during a payment year if such critical access hospital was treated as an eligible hospital under such section:

"(i) The Secretary shall compute reasonable costs by expensing such costs in a single payment year and not depreciating such costs over a period of years (and shall include as costs with respect to cost reporting periods beginning during a payment year costs from previous cost reporting periods to the extent they have not been fully depreciated as of the period involved).

"(ii) There shall be substituted for the Medicare share that would otherwise be applied under paragraph (1) a percent (not to exceed 100 percent) equal to the sum of—

"(I) the Medicare share (as would be specified under paragraph (2)(D) of section 1886(n)) for such critical access hospital if such critical access hospital was treated as an eligible hospital under such section; and

"(II) 20 percentage points.

"(B) The payment under this paragraph with respect to a critical access hospital shall be paid through a prompt interim payment (subject to reconciliation) after submission and review of such information (as specified by the Secretary) necessary to make such payment, including information necessary to apply this paragraph. In no case may payment under this paragraph be made with respect to a cost reporting period beginning during a payment year after 2015 and in no case may a critical access hospital receive payment under this paragraph with respect to more than 4 consecutive payment years.

"(C) The costs described in this subparagraph are costs for the purchase of certified EHR technology to which purchase depreciation (excluding interest) would apply if payment was made under paragraph (1) and not under this paragraph.

"(D) For purposes of this paragraph, paragraph (4), and paragraph (5), the terms 'certified EHR technology', 'eligible hospital', 'EHR reporting period', and 'payment year' have the meanings given such terms in sections 1886(n).".

(b) INCENTIVE MARKET BASKET ADJUSTMENT.—

(1) IN GENERAL.—Section 1886(b)(3)(B) of the Social Security Act (42 U.S.C. 1395ww(b)(3)(B)) is amended—

(A) in clause (viii)(I), by inserting "(or, beginning with fiscal year 2015, by one-quarter)" after "2.0 percentage points"; and

(B) by adding at the end the following new clause:

"(ix)(I) For purposes of clause (i) for fiscal year 2015 and each subsequent fiscal year, in the case of an eligible hospital (as defined in subsection (n)(6)(A)) that is not a meaningful EHR user (as defined in subsection (n)(3)) for an EHR reporting period for such fiscal year, three-quarters of the applicable percentage increase otherwise applicable under clause (i) for such fiscal year shall be reduced by 33⅓ percent for fiscal year 2015, 66⅔ percent for fiscal year 2016, and 100 percent for fiscal year 2017 and each subsequent fiscal year. Such reduction shall apply only with respect to the fiscal year involved and the Secretary shall not take into account such reduction in computing the applicable percentage increase under clause (i) for a subsequent fiscal year.

Applicability.

"(II) The Secretary may, on a case-by-case basis, exempt a subsection (d) hospital from the application of subclause (I) with respect to a fiscal year if the Secretary determines, subject to annual renewal, that requiring such hospital to be a meaningful EHR user during such fiscal year would result in a significant hardship, such as in the case of a hospital in a rural area without sufficient Internet access. In no case may a hospital be granted an exemption under this subclause for more than 5 years.

"(III) For fiscal year 2015 and each subsequent fiscal year, a State in which hospitals are paid for services under section 1814(b)(3) shall adjust the payments to each subsection (d) hospital in the State that is not a meaningful EHR user (as defined in subsection (n)(3)) in a manner that is designed to result in an aggregate reduction in payments to hospitals in the State that is equivalent to the aggregate reduction that would have occurred if payments had been reduced to each subsection (d) hospital in the State in a manner comparable to the reduction under the previous provisions of this clause. The State shall report to the Secretary the methodology it will use to make the payment adjustment under the previous sentence. Reports.

"(IV) For purposes of this clause, the term 'EHR reporting period' means, with respect to a fiscal year, any period (or periods) as specified by the Secretary.".

(2) CRITICAL ACCESS HOSPITALS.—Section 1814(l) of the Social Security Act (42 U.S.C. 1395f(l)), as amended by subsection (a)(2), is further amended by adding at the end the following new paragraphs:

"(4)(A) Subject to subparagraph (C), for cost reporting periods beginning in fiscal year 2015 or a subsequent fiscal year, in the case of a critical access hospital that is not a meaningful EHR user (as would be determined under paragraph (3) of section 1886(n) if such critical access hospital was treated as an eligible hospital under such section) for an EHR reporting period with respect to such fiscal year, paragraph (1) shall be applied by substituting the applicable percent under subparagraph (B) for the percent described in such paragraph (1). Applicability.

"(B) The percent described in this subparagraph is— Applicability.

"(i) for fiscal year 2015, 100.66 percent;

"(ii) for fiscal year 2016, 100.33 percent; and

"(iii) for fiscal year 2017 and each subsequent fiscal year, 100 percent.

"(C) The provisions of subclause (II) of section 1886(b)(3)(B)(ix) shall apply with respect to subparagraph (A) for a critical access hospital with respect to a cost reporting period beginning in a fiscal year in the same manner as such subclause applies with respect to subclause (I) of such section for a subsection (d) hospital with respect to such fiscal year.

"(5) There shall be no administrative or judicial review under section 1869, section 1878, or otherwise, of—

"(A) the methodology and standards for determining the amount of payment and reasonable cost under paragraph (3) and payment adjustments under paragraph (4), including selection of periods under section 1886(n)(2) for determining, and making estimates or using proxies of, inpatient-bed-days, hospital charges, charity charges, and Medicare share under subparagraph (D) of section 1886(n)(2);

"(B) the methodology and standards for determining a meaningful EHR user under section 1886(n)(3) as would apply if the hospital was treated as an eligible hospital under section 1886(n), and the hardship exception under paragraph (4)(C);

"(C) the specification of EHR reporting periods under section 1886(n)(6)(B) as applied under paragraphs (3) and (4); and

"(D) the identification of costs for purposes of paragraph (3)(C).".

(c) APPLICATION TO CERTAIN MA-AFFILIATED ELIGIBLE HOSPITALS.—Section 1853 of the Social Security Act (42 U.S.C. 1395w–23), as amended by section 4101(c), is further amended by adding at the end the following new subsection:

"(m) APPLICATION OF ELIGIBLE HOSPITAL INCENTIVES FOR CERTAIN MA ORGANIZATIONS FOR ADOPTION AND MEANINGFUL USE OF CERTIFIED EHR TECHNOLOGY.—

"(1) APPLICATION.—Subject to paragraphs (3) and (4), in the case of a qualifying MA organization, the provisions of sections 1886(n) and 1886(b)(3)(B)(ix) shall apply with respect to eligible hospitals described in paragraph (2) of the organization which the organization attests under subsection (l)(6) to be meaningful EHR users in a similar manner as they apply to eligible hospitals under such sections. Incentive payments under paragraph (3) shall be made to and payment adjustments under paragraph (4) shall apply to such qualifying organizations.

"(2) ELIGIBLE HOSPITAL DESCRIBED.—With respect to a qualifying MA organization, an eligible hospital described in this paragraph is an eligible hospital (as defined in section 1886(n)(6)(A)) that is under common corporate governance with such organization and serves individuals enrolled under an MA plan offered by such organization.

"(3) ELIGIBLE HOSPITAL INCENTIVE PAYMENTS.—

"(A) IN GENERAL.—In applying section 1886(n)(2) under paragraph (1), instead of the additional payment amount under section 1886(n)(2), there shall be substituted an amount determined by the Secretary to be similar to the estimated amount in the aggregate that would be payable if payment for services furnished by such hospitals was payable under part A instead of this part. In implementing the previous sentence, the Secretary—

"(i) shall, insofar as data to determine the discharge related amount under section 1886(n)(2)(C) for an eligible hospital are not available to the Secretary, use such alternative data and methodology to estimate such discharge related amount as the Secretary determines appropriate; and

"(ii) shall, insofar as data to determine the medicare share described in section 1886(n)(2)(D) for an eligible hospital are not available to the Secretary, use such alternative data and methodology to estimate such share, which data and methodology may include use of the inpatient-bed-days (or discharges) with respect to an eligible hospital during the appropriate period which are attributable to both individuals for

whom payment may be made under part A or individuals enrolled in an MA plan under a Medicare Advantage organization under this part as a proportion of the estimated total number of patient-bed-days (or discharges) with respect to such hospital during such period.

"(B) AVOIDING DUPLICATION OF PAYMENTS.—

"(i) IN GENERAL.—In the case of a hospital that for a payment year is an eligible hospital described in paragraph (2) and for which at least one-third of their discharges (or bed-days) of Medicare patients for the year are covered under part A, payment for the payment year shall be made only under section 1886(n) and not under this subsection.

"(ii) METHODS.—In the case of a hospital that is an eligible hospital described in paragraph (2) and also is eligible for an incentive payment under section 1886(n) but is not described in clause (i) for the same payment period, the Secretary shall develop a process—

"(I) to ensure that duplicate payments are not made with respect to an eligible hospital both under this subsection and under section 1886(n); and

"(II) to collect data from Medicare Advantage organizations to ensure against such duplicate payments.

"(4) PAYMENT ADJUSTMENT.—

"(A) Subject to paragraph (3), in the case of a qualifying MA organization (as defined in section 1853(l)(5)), if, according to the attestation of the organization submitted under subsection (l)(6) for an applicable period, one or more eligible hospitals (as defined in section 1886(n)(6)(A)) that are under common corporate governance with such organization and that serve individuals enrolled under a plan offered by such organization are not meaningful EHR users (as defined in section 1886(n)(3)) with respect to a period, the payment amount payable under this section for such organization for such period shall be the percent specified in subparagraph (B) for such period of the payment amount otherwise provided under this section for such period.

"(B) SPECIFIED PERCENT.—The percent specified under this subparagraph for a year is 100 percent minus a number of percentage points equal to the product of—

"(i) the number of the percentage point reduction effected under section 1886(b)(3)(B)(ix)(I) for the period; and

"(ii) the Medicare hospital expenditure proportion specified in subparagraph (C) for the year.

"(C) MEDICARE HOSPITAL EXPENDITURE PROPORTION.—The Medicare hospital expenditure proportion under this subparagraph for a year is the Secretary's estimate of the proportion, of the expenditures under parts A and B that are not attributable to this part, that are attributable to expenditures for inpatient hospital services.

"(D) APPLICATION OF PAYMENT ADJUSTMENT.—In the case that a qualifying MA organization attests that not all eligible hospitals are meaningful EHR users with respect to an applicable period, the Secretary shall apply the payment adjustment under this paragraph based on a methodology specified by the Secretary, taking into account the proportion of such eligible hospitals, or discharges from such hospitals, that are not meaningful EHR users for such period.

"(5) POSTING ON WEBSITE.—The Secretary shall post on the Internet website of the Centers for Medicare & Medicaid Services, in an easily understandable format—

"(A) a list of the names, business addresses, and business phone numbers of each qualifying MA organization receiving an incentive payment under this subsection for eligible hospitals described in paragraph (2); and

"(B) a list of the names of the eligible hospitals for which such incentive payment is based.

"(6) LIMITATIONS ON REVIEW.—There shall be no administrative or judicial review under section 1869, section 1878, or otherwise, of—

"(A) the methodology and standards for determining payment amounts and payment adjustments under this subsection, including avoiding duplication of payments under paragraph (3)(B);

"(B) the methodology and standards for determining eligible hospitals under paragraph (2); and

"(C) the methodology and standards for determining a meaningful EHR user under section 1886(n)(3), including specification of the means of demonstrating meaningful EHR use under subparagraph (C) of such section and selection of measures under subparagraph (B) of such section.".

(A) by striking "and" at the end of subparagraph (D);

(B) by striking "plus" at the end of subparagraph (E) and inserting "and"; and

(C) by adding at the end the following new subparagraph:

"(t)(1) For purposes of subsection (a)(3)(F), the payments described in this paragraph to encourage the adoption and use of certified EHR technology are payments made by the State in accordance with this subsection —

"(3) In this subsection and subsection (a)(3)(F):

"(A) The term 'certified EHR technology' means a qualified electronic health record (as defined in 3000(13) of the Public Health Service Act) that is certified pursuant to section 3001(c)(5) of such Act as meeting standards adopted under section 3004 of such Act that are applicable to the type of record involved (as determined by the Secretary, such as an

ambulatory electronic health record for office-based physicians or an inpatient hospital electronic health record for hospitals).

"(B) The term 'eligible professional' means a—

"(i) physician;

"(ii) dentist;

"(iii) certified nurse mid-wife;

"(iv) nurse practitioner; and

"(v) physician assistant insofar as the assistant is practicing in a rural health clinic that is led by a physician assistant or is practicing in a Federally qualified health center that is so led.

"(C) The term 'average allowable costs' means, with respect to certified EHR technology of Medicaid providers described in paragraph (2)(A) for—

"(i) the first year of payment with respect to such a provider, the average costs for the purchase and initial implementation or upgrade of such technology (and support services including training that is for, or is necessary for the adoption and initial operation of, such technology) for such providers, as determined by the Secretary based upon studies conducted under paragraph (4)(C); and

"(ii) a subsequent year of payment with respect to such a provider, the average costs not described in clause (i) relating to the operation, maintenance, and use of such technology for such providers, as determined by the Secretary based upon studies conducted under paragraph (4)(C).

"(D) The term 'hospital-based' means, with respect to an eligible professional, a professional (such as a pathologist, anesthesiologist, or emergency physician) who furnishes substantially all of the individual's professional services in a hospital setting (whether inpatient or outpatient) and through the use of the facilities and equipment, including qualified electronic health records, of the hospital. The determination of whether an eligible professional is a hospital-based eligible professional shall be made on the basis of the site of service (as defined by the Secretary) and without regard to any employment or billing arrangement between the eligible professional and any other provider.

"(E) The term 'net average allowable costs' means, with respect to a Medicaid provider described in paragraph (2)(A), average allowable costs reduced by any payment that is made to such Medicaid provider from any other source (other than under this subsection or by a State or local government) that is directly attributable to payment for certified EHR technology or support services described in subparagraph (C).

"(F) The term 'needy individual' means, with respect to a Medicaid provider, an individual—

"(i) who is receiving assistance under this title;

"(ii) who is receiving assistance under title XXI;

"(iii) who is furnished uncompensated care by the provider; or

"(iv) for whom charges are reduced by the provider on a sliding scale basis based on an individual's ability to pay.

"(4)(A) With respect to a Medicaid provider described in paragraph (2)(A), subject to subparagraph (B), in no case shall—

"(i) the net average allowable costs under this subsection for the first year of payment (which may not be later than 2016), which is intended to cover the costs described in paragraph (3)(C)(i), exceed $25,000 (or such lesser amount as the Secretary determines based on studies conducted under subparagraph (C));

"(ii) the net average allowable costs under this subsection for a subsequent year of payment, which is intended to cover costs described in paragraph (3)(C)(ii), exceed $10,000; and

"(iii) payments be made for costs described in clause (ii) after 2021 or over a period of longer than 5 years.

"(B) In the case of Medicaid provider described in paragraph (2)(A)(ii), the dollar amounts specified in subparagraph (A) shall be ⅔ of the dollar amounts otherwise specified.

Study.

"(C) For the purposes of determining average allowable costs under this subsection, the Secretary shall study the average costs to Medicaid providers described in paragraph (2)(A) of purchase and initial implementation and upgrade of certified EHR technology described in paragraph (3)(C)(i) and the average costs to such providers of operations, maintenance, and use of such technology described in paragraph (3)(C)(ii). In determining such costs for such providers, the Secretary may utilize studies of such amounts submitted by States.

"(5)(A) In no case shall the payments described in paragraph (1)(B) with respect to a Medicaid provider described in paragraph (2)(B) exceed—

"(i) in the aggregate the product of—

"(I) the overall hospital EHR amount for the provider computed under subparagraph (B); and

"(II) the Medicaid share for such provider computed under subparagraph (C);

"(ii) in any year 50 percent of the product described in clause (i); and

"(iii) in any 2-year period 90 percent of such product.

"(B) For purposes of this paragraph, the overall hospital EHR amount, with respect to a Medicaid provider, is the sum of the applicable amounts specified in section 1886(n)(2)(A) for such provider for the first 4 payment years (as estimated by the Secretary) determined as if the Medicare share specified in clause (ii) of such section were 1. The Secretary shall establish, in consultation with the State, the overall hospital EHR amount for each such Medicaid provider eligible for payments under paragraph (1)(B). For purposes of this subparagraph in computing the amounts under section 1886(n)(2)(C) for payment years after the first payment year, the Secretary shall assume that in subsequent payment years discharges increase at the average annual rate of growth of the most recent 3 years for which discharge data are available per year.

"(C) The Medicaid share computed under this subparagraph, for a Medicaid provider for a period specified by the Secretary, shall be calculated in the same manner as the Medicare share under section 1886(n)(2)(D) for such a hospital and period, except that there shall be substituted for the numerator under clause (i) of such section the amount that is equal to the number of inpatient-bed-days (as established by the Secretary) which are attributable to individuals who are receiving medical assistance

under this title and who are not described in section 1886(n)(2)(D)(i). In computing inpatient-bed-days under the previous sentence, the Secretary shall take into account inpatient-bed-days attributable to inpatient-bed-days that are paid for individuals enrolled in a Medicaid managed care plan (under section 1903(m) or section 1932).

"(D) In no case may the payments described in paragraph (1)(B) with respect to a Medicaid provider described in paragraph (2)(B) be paid—

"(i) for any year beginning after 2016 unless the provider has been provided payment under paragraph (1)(B) for the previous year; and

"(ii) over a period of more than 6 years of payment.

"(6) Payments described in paragraph (1) are not in accordance with this subsection unless the following requirements are met:

"(A)(i) The State provides assurances satisfactory to the Secretary that amounts received under subsection (a)(3)(F) with respect to payments to a Medicaid provider are paid, subject to clause (ii), directly to such provider (or to an employer or facility to which such provider has assigned payments) without any deduction or rebate.

"(ii) Amounts described in clause (i) may also be paid to an entity promoting the adoption of certified EHR technology, as designated by the State, if participation in such a payment arrangement is voluntary for the eligible professional involved and if such entity does not retain more than 5 percent of such payments for costs not related to certified EHR technology (and support services including maintenance and training) that is for, or is necessary for the operation of, such technology.

"(B) A Medicaid provider described in paragraph (2)(A) is responsible for payment of the remaining 15 percent of the net average allowable cost.

"(C)(i) Subject to clause (ii), with respect to payments to a Medicaid provider—

"(I) for the first year of payment to the Medicaid provider under this subsection, the Medicaid provider demonstrates that it is engaged in efforts to adopt, implement, or upgrade certified EHR technology; and

"(II) for a year of payment, other than the first year of payment to the Medicaid provider under this subsection, the Medicaid provider demonstrates meaningful use of certified EHR technology through a means that is approved by the State and acceptable to the Secretary, and that may be based upon the methodologies applied under section 1848(o) or 1886(n).

"(ii) In the case of a Medicaid provider who has completed adopting, implementing, or upgrading such technology prior to the first year of payment to the Medicaid provider under this subsection, clause (i)(I) shall not apply and clause (i)(II) shall apply to each year of payment to the Medicaid provider under this subsection, including the first year of payment.

"(D) To the extent specified by the Secretary, the certified EHR technology is compatible with State or Federal administrative management systems.

For purposes of subparagraph (B), a Medicaid provider described in paragraph (2)(A) may accept payments for the costs described

in such subparagraph from a State or local government. For purposes of subparagraph (C), in establishing the means described in such subparagraph, which may include clinical quality reporting to the State, the State shall ensure that populations with unique needs, such as children, are appropriately addressed.

"(7) With respect to Medicaid providers described in paragraph (2)(A), the Secretary shall ensure coordination of payment with respect to such providers under sections 1848(o) and 1853(l) and under this subsection to assure no duplication of funding. Such coordination shall include, to the extent practicable, a data matching process between State Medicaid agencies and the Centers for Medicare & Medicaid Services using national provider identifiers. For such purposes, the Secretary may require the submission of such data relating to payments to such Medicaid providers as the Secretary may specify.

"(8) In carrying out paragraph (6)(C), the State and Secretary shall seek, to the maximum extent practicable, to avoid duplicative requirements from Federal and State governments to demonstrate meaningful use of certified EHR technology under this title and title XVIII. In doing so, the Secretary may deem satisfaction of requirements for such meaningful use for a payment year under title XVIII to be sufficient to qualify as meaningful use under this subsection. The Secretary may also specify the reporting periods under this subsection in order to carry out this paragraph.

"(9) In order to be provided Federal financial participation under subsection (a)(3)(F)(ii), a State must demonstrate to the satisfaction of the Secretary, that the State—

"(A) is using the funds provided for the purposes of administering payments under this subsection, including tracking of meaningful use by Medicaid providers;

"(B) is conducting adequate oversight of the program under this subsection, including routine tracking of meaningful use attestations and reporting mechanisms; and

"(C) is pursuing initiatives to encourage the adoption of certified EHR technology to promote health care quality and the exchange of health care information under this title, subject to applicable laws and regulations governing such exchange.

Reports.

"(10) The Secretary shall periodically submit reports to the Committee on Energy and Commerce of the House of Representatives and the Committee on Finance of the Senate on status, progress, and oversight of payments described in paragraph (1), including steps taken to carry out paragraph (7). Such reports shall also describe the extent of adoption of certified EHR technology among Medicaid providers resulting from the provisions of this subsection and any improvements in health outcomes, clinical quality, or efficiency resulting from such adoption.".

(b) IMPLEMENTATION FUNDING.—In addition to funds otherwise available, out of any funds in the Treasury not otherwise appropriated, there are appropriated to the Secretary of Health and Human Services for the Centers for Medicare & Medicaid Services Program Management Account, $40,000,000 for each of fiscal years 2009 through 2015 and $20,000,000 for fiscal year 2016, which shall be available for purposes of carrying out the provisions of (and the amendments made by) this section. Amounts appropriated under this subsection for a fiscal year shall be available until expended.

Applicability.

(c) ADDITIONAL RELIEF BASED ON INCREASE IN UNEMPLOYMENT.—

(1) IN GENERAL.—Subject to subsections (e), (f), and (g), if a State is a qualifying State under paragraph (2) for a calendar quarter occurring during the recession adjustment period, the FMAP for the State shall be further increased by the number of percentage points equal to the product of—

(A) the State percentage applicable for the State under section 1905(b) of the Social Security Act (42 U.S.C. 1396d(b)) after the application of subsection (a) and after the application of ½ of the increase under subsection (b); and

(B) the applicable percent determined in paragraph (3) for the calendar quarter (or, if greater, for a previous such calendar quarter).

(2) QUALIFYING CRITERIA.—

(A) IN GENERAL.—For purposes of paragraph (1), a State qualifies for additional relief under this subsection for a calendar quarter occurring during the recession adjustment period if the State is 1 of the 50 States or the District of Columbia and the State satisfies any of the following criteria for the quarter:

(i) The State unemployment increase percentage (as defined in paragraph (4)) for the quarter is at least 1.5 percentage points but less than 2.5 percentage points.

(ii) The State unemployment increase percentage for the quarter is at least 2.5 percentage points but less than 3.5 percentage points.

(iii) The State unemployment increase percentage for the quarter is at least 3.5 percentage points.

(B) MAINTENANCE OF STATUS.—If a State qualifies for additional relief under this subsection for a calendar quarter, it shall be deemed to have qualified for such relief for each subsequent calendar quarter ending before July 1, 2010.

(3) APPLICABLE PERCENT.—

(A) IN GENERAL.—For purposes of paragraph (1), subject to subparagraph (B), the applicable percent is—

(i) 5.5 percent, if the State satisfies the criteria described in paragraph (2)(A)(i) for the calendar quarter;

Deadline.

(ii) NOTICE OF LOWER APPLICABLE PERCENT.—The Secretary shall notify a State at least 60 days prior to applying any lower applicable percent to the State under this paragraph.

(4) COMPUTATION OF STATE UNEMPLOYMENT INCREASE PERCENTAGE.—

(A) IN GENERAL.—In this subsection, the "State unemployment increase percentage" for a State for a calendar quarter is equal to the number of percentage points (if any) by which—

(i) the average monthly unemployment rate for the State for months in the most recent previous 3-consecutive-month period for which data are available, subject to subparagraph (C); exceeds

(ii) the lowest average monthly unemployment rate for the State for any 3-consecutive-month period preceding the period described in clause (i) and beginning on or after January 1, 2006.

(B) AVERAGE MONTHLY UNEMPLOYMENT RATE DEFINED.—In this paragraph, the term "average monthly unemployment rate" means the average of the monthly number unemployed, divided by the average of the monthly civilian labor force, seasonally adjusted, as determined based on the most recent monthly publications of the Bureau of Labor Statistics of the Department of Labor.

(C) SPECIAL RULE.—With respect to—

(i) the first 2 calendar quarters of the recession adjustment period, the most recent previous 3-consecutive-month period described in subparagraph (A)(i)

shall be the 3-consecutive-month period beginning with October 2008; and

(ii) the last 2 calendar quarters of the recession adjustment period, the most recent previous 3-consecutive-month period described in such subparagraph shall be the 3-consecutive-month period beginning with December 2009, or, if it results in a higher applicable percent under paragraph (3), the 3-consecutive-month period beginning with January 2010.

(d) INCREASE IN CAP ON MEDICAID PAYMENTS TO TERRITORIES.—Subject to subsections (f) and (g), with respect to entire fiscal years occurring during the recession adjustment period and with respect to fiscal years only a portion of which occurs during such period (and in proportion to the portion of the fiscal year that occurs during such period), the amounts otherwise determined for Puerto Rico, the Virgin Islands, Guam, the Northern Mariana Islands, and American Samoa under subsections (f) and (g) of section 1108 of the Social Security Act (42 6 U.S.C. 1308) shall each be increased by 30 percent (or, in the case of an election under subsection (b)(2), 15 percent). In the case of such an election by a territory, subsection (a)(1) of such section shall be applied without regard to any increase in payment made to the territory under part E of title IV of such Act that is attributable to the increase in FMAP effected under subsection (b) for the territory. Applicability.

(e) SCOPE OF APPLICATION.—The increases in the FMAP for a State under this section shall apply for purposes of title XIX of the Social Security Act and shall not apply with respect to—

(1) disproportionate share hospital payments described in section 1923 of such Act (42 U.S.C. 1396r–4);

(except that the increases under subsections (a) and (b) shall apply to payments under part E of title IV of such Act (42 U.S.C. 670 et seq.) and, for purposes of the application of this section to the District of Columbia, payments under such part shall be deemed to be made on the basis of the FMAP applied with respect to such District for purposes of title XIX and as increased under subsection (b));

(3) payments under title XXI of such Act (42 U.S.C. 1397aa et seq.);

(4) any payments under title XIX of such Act that are based on the enhanced FMAP described in section 2105(b) of such Act (42 U.S.C. 1397ee(b)); or

(5) any payments under title XIX of such Act that are attributable to expenditures for medical assistance provided to individuals made eligible under a State plan under title XIX of the Social Security Act (including under any waiver under such title or under section 1115 of such Act (42 U.S.C. 1315)) because of income standards (expressed as a percentage of the poverty line) for eligibility for medical assistance that are higher than the income standards (as so expressed) for such eligibility as in effect on July 1, 2008, (including as such standards were proposed to be in effect under a State law enacted but not effective as of such date or a State plan amendment or waiver request under title XIX of such Act that was pending approval on such date).

(f) STATE INELIGIBILITY; LIMITATION; SPECIAL RULES.—

(1) MAINTENANCE OF ELIGIBILITY REQUIREMENTS.—

(A) IN GENERAL.—Subject to subparagraphs (B) and (C), a State is not eligible for an increase in its FMAP under subsection (a), (b), or (c), or an increase in a cap amount under subsection (d), if eligibility standards, methodologies, or procedures under its State plan under title XIX of the Social Security Act (including any waiver under such title or under section 1115 of such Act (42 U.S.C. 1315)) are more restrictive than the eligibility standards, methodologies, or procedures, respectively, under such plan (or waiver) as in effect on July 1, 2008.

(B) STATE REINSTATEMENT OF ELIGIBILITY PERMITTED.—Subject to subparagraph (C), a State that has restricted eligibility standards, methodologies, or procedures under its State plan under title XIX of the Social Security Act (including any waiver under such title or under section 1115 of such Act (42 U.S.C. 1315)) after July 1, 2008, is no longer ineligible under subparagraph (A) beginning with the first calendar quarter in which the State has reinstated eligibility standards, methodologies, or procedures that are no more restrictive than the eligibility standards, methodologies, or procedures, respectively, under such plan (or waiver) as in effect on July 1, 2008.

(C) SPECIAL RULES.—A State shall not be ineligible under subparagraph (A)—

(i) for the calendar quarters before July 1, 2009, on the basis of a restriction that was applied after July 1, 2008, and before the date of the enactment of this Act, if the State prior to July 1, 2009, has reinstated eligibility standards, methodologies, or procedures that are no more restrictive than the eligibility standards, methodologies, or procedures, respectively, under such plan (or waiver) as in effect on July 1, 2008; or

(ii) on the basis of a restriction that was directed to be made under State law as in effect on July 1, 2008, and would have been in effect as of such date, but for a delay in the effective date of a waiver under section 1115 of such Act with respect to such restriction.

(2) COMPLIANCE WITH PROMPT PAY REQUIREMENTS.—

(A) APPLICATION TO PRACTITIONERS.—

(i) IN GENERAL.—Subject to the succeeding provisions of this subparagraph, no State shall be eligible for an increased FMAP rate as provided under this section for any claim received by a State from a practitioner subject to the terms of section 1902(a)(37)(A) of the Social Security Act (42 U.S.C. 1396a(a)(37)(A)) for such days during any period in which that State has failed to pay claims in accordance with such section as applied under title XIX of such Act.

(ii) REPORTING REQUIREMENT.—Each State shall report to the Secretary, on a quarterly basis, its compliance with the requirements of clause (i) as such requirements pertain to claims made for covered services during each month of the preceding quarter.

(iii) WAIVER AUTHORITY.—The Secretary may waive the application of clause (i) to a State, or the

reporting requirement imposed under clause (ii), during any period in which there are exigent circumstances, including natural disasters, that prevent the timely processing of claims or the submission of such a report.

(iv) APPLICATION TO CLAIMS.—Clauses (i) and (ii) shall only apply to claims made for covered services after the date of enactment of this Act.

(B) APPLICATION TO NURSING FACILITIES AND HOSPITALS.—

(i) IN GENERAL.—Subject to clause (ii), the provisions of subparagraph (A) shall apply with respect to a nursing facility or hospital, insofar as it is paid under title XIX of the Social Security Act on the basis of submission of claims, in the same or similar manner (but within the same timeframe) as such provisions apply to practitioners described in such subparagraph.

(ii) GRACE PERIOD.—Notwithstanding clause (i), no period of ineligibility shall be imposed against a State prior to June 1, 2009, on the basis of the State failing to pay a claim in accordance with such clause.

(3) STATE'S APPLICATION TOWARD RAINY DAY FUND.—A State is not eligible for an increase in its FMAP under subsection (b) or (c), or an increase in a cap amount under subsection (d), if any amounts attributable (directly or indirectly) to such increase are deposited or credited into any reserve or rainy day fund of the State.

(4) NO WAIVER AUTHORITY.—Except as provided in paragraph (2)(A)(iii), the Secretary may not waive the application of this subsection or subsection (g) under section 1115 of the Social Security Act or otherwise.

(5) LIMITATION OF FMAP TO 100 PERCENT.—In no case shall an increase in FMAP under this section result in an FMAP that exceeds 100 percent.

Time period.

(6) TREATMENT OF CERTAIN EXPENDITURES.—With respect to expenditures described in section 2105(a)(1)(B) of the Social Security Act (42 U.S.C. 1397ee(a)(1)(B)), as in effect before April 1, 2009, that are made during the period beginning on October 1, 2008, and ending on March 31, 2009, any additional Federal funds that are paid to a State as a result of this section that are attributable to such expenditures shall not be counted against any allotment under section 2104 of such Act (42 U.S.C. 1397dd).

(g) REQUIREMENTS.—

(1) STATE REPORTS.—Each State that is paid additional Federal funds as a result of this section shall, not later than September 30, 2011, submit a report to the Secretary, in such form and such manner as the Secretary shall determine, regarding how the additional Federal funds were expended.

(2) ADDITIONAL REQUIREMENT FOR CERTAIN STATES.—In the case of a State that requires political subdivisions within the State to contribute toward the non-Federal share of expenditures under the State Medicaid plan required under section 1902(a)(2) of the Social Security Act (42 U.S.C. 1396a(a)(2)), the State is not eligible for an increase in its FMAP under subsection (b) or (c), or an increase in a cap amount under subsection (d), if it requires that such political subdivisions

pay for quarters during the recession adjustment period a greater percentage of the non-Federal share of such expenditures, or a greater percentage of the non-Federal share of payments under section 1923, than the respective percentage that would have been required by the State under such plan on September 30, 2008, prior to application of this section.

(h) DEFINITIONS.—In this section, except as otherwise provided:

"(C) A prohibition on such TARP recipient making any golden parachute payment to a senior executive officer or any of the next 5 most highly-compensated employees of the TARP recipient during the period in which any

obligation arising from financial assistance provided under the TARP remains outstanding.

"(D)(i) A prohibition on such TARP recipient paying or accruing any bonus, retention award, or incentive compensation during the period in which any obligation arising from financial assistance provided under the TARP remains outstanding, except that any prohibition developed under this paragraph shall not apply to the payment of long-term restricted stock by such TARP recipient, provided that such long-term restricted stock—

"(iii) The prohibition required under clause (i) shall not be construed to prohibit any bonus payment required to be paid pursuant to a written employment contract executed on or before February 11, 2009, as such valid employment contracts are determined by the Secretary or the designee of the Secretary.

"(E) A prohibition on any compensation plan that would encourage manipulation of the reported earnings of such

TARP recipient to enhance the compensation of any of its employees.

"(F) A requirement for the establishment of a Board Compensation Committee that meets the requirements of subsection (c).

"(4) CERTIFICATION OF COMPLIANCE.—The chief executive officer and chief financial officer (or the equivalents thereof) of each TARP recipient shall provide a written certification of compliance by the TARP recipient with the requirements of this section—

"(e) SHAREHOLDER APPROVAL OF EXECUTIVE COMPENSATION.—

"(1) ANNUAL SHAREHOLDER APPROVAL OF EXECUTIVE COMPENSATION.—Any proxy or consent or authorization for an annual or other meeting of the shareholders of any TARP recipient during the period in which any obligation arising from financial assistance provided under the TARP remains outstanding shall permit a separate shareholder vote to approve the compensation of executives, as disclosed pursuant to the compensation disclosure rules of the Commission (which disclosure shall include the compensation discussion and analysis, the compensation tables, and any related material).

"(2) NONBINDING VOTE.—A shareholder vote described in paragraph (1) shall not be binding on the board of directors of a TARP recipient, and may not be construed as overruling

a decision by such board, nor to create or imply any additional fiduciary duty by such board, nor shall such vote be construed to restrict or limit the ability of shareholders to make proposals for inclusion in proxy materials related to executive compensation.

"(3) DEADLINE FOR RULEMAKING.—Not later than 1 year after the date of enactment of the American Recovery and Reinvestment Act of 2009, the Commission shall issue any final rules and regulations required by this subsection.

"(f) REVIEW OF PRIOR PAYMENTS TO EXECUTIVES.—

"(1) IN GENERAL.—The Secretary shall review bonuses, retention awards, and other compensation paid to the senior executive officers and the next 20 most highly-compensated employees of each entity receiving TARP assistance before the date of enactment of the American Recovery and Reinvestment Act of 2009, to determine whether any such payments were inconsistent with the purposes of this section or the TARP or were otherwise contrary to the public interest.

"(2) NEGOTIATIONS FOR REIMBURSEMENT.—If the Secretary makes a determination described in paragraph (1), the Secretary shall seek to negotiate with the TARP recipient and the subject employee for appropriate reimbursements to the Federal Government with respect to compensation or bonuses.

"(g) NO IMPEDIMENT TO WITHDRAWAL BY TARP RECIPIENTS.—Subject to consultation with the appropriate Federal banking agency (as that term is defined in section 3 of the Federal Deposit Insurance Act), if any, the Secretary shall permit a TARP recipient to repay any assistance previously provided under the TARP to such financial institution, without regard to whether the financial institution has replaced such funds from any other source or to any waiting period, and when such assistance is repaid, the Secretary shall liquidate warrants associated with such assistance at the current market price.
