**SEC. 140. MINORITY AND DISADVANTAGED BUSINESS PARTICIPATION.**

(a) **FINDINGS.**—Congress finds the following:

49 USC 47113  
note.

(1) While significant progress has occurred due to the establishment of the airport disadvantaged business enterprise program (49 U.S.C. 47107(e) and 47113), discrimination and related barriers continue to pose significant obstacles for minority- and women-owned businesses seeking to do business in airport-related markets across the Nation. These continuing barriers merit the continuation of the airport disadvantaged business enterprise program.

(2) Congress has received and reviewed testimony and documentation of race and gender discrimination from numerous sources, including congressional hearings and roundtables, scientific reports, reports issued by public and private agencies, news stories, reports of discrimination by organizations and individuals, and discrimination lawsuits. This testimony and documentation shows that race- and gender-neutral efforts alone are insufficient to address the problem.

(3) This testimony and documentation demonstrates that discrimination across the Nation poses a barrier to full and fair participation in airport-related businesses of women business owners and minority business owners in the racial groups detailed in parts 23 and 26 of title 49, Code of Federal Regulations, and has impacted firm development and many aspects of airport-related business in the public and private markets.

(4) This testimony and documentation provides a strong basis that there is a compelling need for the continuation of the airport disadvantaged business enterprise program and the airport concessions disadvantaged business enterprise program to address race and gender discrimination in airport-related business.

“(3) **PARTICIPANTS.**—A person referred to in paragraph (1) is an official or agent of an airport sponsor—

“(A) who is required to provide a written assurance under this section or section 47107(e) that the airport owner or operator will meet the percentage goal of subsection (b) of this section or section 47107(e)(1), as the case may be; or

(B) seek to eliminate change fees or charges and any penalties;

(C) seek to eliminate or reduce baggage and excess weight fees;

(D) offer flexible terms that allow members to purchase, modify, or cancel tickets without time restrictions, and to waive fees (including baggage fees), ancillary costs, or penalties; and

(D) by amending paragraph (3) to read as follows:

“(3) RELOCATION OR SHARING COSTS DEFINED.—

“(A) IN GENERAL.—For purposes of this section and section 118, the term ‘relocation or sharing costs’ means the costs incurred by a Federal entity in connection with the auction of spectrum frequencies previously assigned to such entity or the sharing of spectrum frequencies assigned to such entity (including the auction or a planned auction of the rights to use spectrum frequencies on a shared basis with such entity) in order to achieve comparable capability of systems as before the relocation or sharing arrangement. Such term includes, with respect to relocation or sharing, as the case may be—

“(ii) the costs of all engineering, equipment, software, site acquisition, and construction, as well as any legitimate and prudent transaction expense, including term-limited Federal civil servant and contractor staff necessary to carry out the relocation or sharing activities of a Federal entity, and reasonable additional costs incurred by the Federal entity that are attributable to relocation or sharing, including increased recurring costs associated with the replacement of facilities;

“(iii) the costs of research, engineering studies, economic analyses, or other expenses reasonably incurred in connection with—

“(v) the costs associated with the accelerated replacement of systems and equipment if the acceleration is necessary to ensure the timely relocation of systems to a new frequency assignment or the timely accommodation of sharing of Federal frequencies.

“(B) COMPARABLE CAPABILITY OF SYSTEMS.—For purposes of subparagraph (A), comparable capability of systems—

“(i) may be achieved by relocating a Federal Government station to a new frequency assignment, by relocating a Federal Government station to a different geographic location, by modifying Federal Government equipment to mitigate interference or use less spectrum, in terms of bandwidth, geography, or time, and thereby permitting spectrum sharing (including sharing among relocated Federal entities and incumbents to make spectrum available for non-Federal use) or relocation, or by utilizing an alternative technology; and

“(ii) includes the acquisition of state-of-the-art replacement systems intended to meet comparable operational scope, which may include incidental increases in functionality.”;

Washington.  
16 USC 251 note,  
1132 note.

(a) DEFINITIONS.—In this section:

(B) most of the Reservation village of La Push is located within the coastal flood plain, with the Tribe’s administrative buildings, school, elder center, and housing all located in a tsunami zone;

(C) for many decades, the Tribe and the Park have had a dispute over the Reservation boundaries along the Quillayute River;

(D) in recent years, this dispute has intensified as the Tribe has faced an urgent need for additional lands for housing, schools, and other Tribe purposes outside the tsunami and Quillayute River flood zones; and

(E) the lack of a settlement of this dispute threatens to adversely impact the public’s existing and future recreational use of several attractions in the Park that are accessed by the public’s use of Reservation lands.

(2) PURPOSES.—The purposes of this Act are—

(A) to resolve the longstanding dispute along portions of the northern boundary of the Quileute Indian Reservation;

(C) to provide the Quileute Indian Tribe with approximately 275 acres of land currently located within the Park and approximately 510 acres of land along the Quillayute River, also within the Park;

(D) to adjust the wilderness boundaries to provide the Quileute Indian Tribe tsunami and flood protection; and

(E) through the land conveyance, to grant the Tribe access to land outside of tsunami and Quillayute River flood zones, and link existing Reservation land with Tribe land to the east of the Park.

(c) REDESIGNATION OF FEDERAL WILDERNESS LAND, OLYMPIC NATIONAL PARK CONVEYANCE.—

(1) REDESIGNATION OF WILDERNESS.—Certain Federal land in the Park that was designated as part of the Olympic Wilderness under title I of the Washington Park Wilderness Act of 1988 (Public Law 100-668; 102 Stat. 3961; 16 U.S.C. 1132 note) and comprises approximately 222 acres, as generally depicted on the Map is hereby no longer designated as wilderness, and is no longer a component of the National Wilderness Preservation System under the Wilderness Act (16 U.S.C. 1131 et seq.).

(3) BOUNDARY ADJUSTMENT; SURVEY.—The Secretary shall—

(A) adjust the boundaries of Olympic Wilderness and the Park to reflect the change in status of Federal lands under paragraph (2); and

(B) as soon as practicable after the date of enactment of this section, conduct a survey, defining the boundaries of the Reservation and Park, and of the Federal lands taken into and held in trust that are adjacent to the north and south bank of the Quillayute River as depicted on the Map as “Northern Lands”.

(4) LAW APPLICABLE TO CERTAIN LAND.—The land taken into trust under this subsection shall not be subject to any requirements for valuation, appraisal, or equalization under any Federal law.

(d) NON-FEDERAL LAND CONVEYANCE.—Upon completion and acceptance of an environmental hazard assessment, the Secretary shall take into trust for the benefit of the Tribe certain non-Federal land owned by the Tribe, consisting of approximately 184 acres, as depicted on the Map as “Eastern Lands”, such non-Federal land shall be designated as part of the Reservation.

(e) MAP REQUIREMENTS.—

(1) AVAILABILITY OF INITIAL MAP.—The Secretary shall make the Map available for public inspection in appropriate offices of the National Park Service. The Map shall also depict any non-Federal land currently owned by the Tribe which is being placed in trust under this section.

(2) REVISED MAP.—Not later than one year after the date of the land transaction in subsections (d) and (e), the Secretary shall submit to the Committee on Energy and Natural Resources of the Senate and Committee on Natural Resources of the House of Representatives a revised map that depicts—

Deadline.

(A) the Federal and non-Federal land taken into trust under this section and the Second Beach Trail; and

(B) the actual boundaries of the Park as modified by the land conveyance.

(f) JURISDICTION.—The land conveyed to the Tribe by this section shall be designated as part of the Quileute Reservation and placed in the following jurisdictions:

Designation.

(1) TRUST LAND.—The same Federal, State, and Tribe jurisdiction as on all other trust lands within the Reservation, so long as the exercise of such jurisdiction does not conflict with the terms of the easement described in subsection (g) below.

(2) TRIBE JURISDICTION.—Park visitors shall remain subject to the jurisdiction of the Tribe while on the Second Beach parking lot, on those portions of the Second Beach Trail on the Reservation, and Rialto Spit, to the same extent that such visitors are subject to the Tribe's jurisdiction elsewhere on the Reservation.

(g) GRANT OF EASEMENT IN CONNECTION WITH LAND CONVEYANCE.—

(1) EASEMENT REQUIRED.—The conveyances under subsection (c)(2) shall be subject to the conditions described in this subsection.

(2) REQUIRED RIGHTS UNDER EASEMENT.—Any easement granted under this subsection must contain the following express terms:

(4) REQUIRED TERMS AND CONDITIONS.—The following specified land areas shall be subject to the following easement conditions:

(A) CONDITIONS ON NORTHERN LAND.—Certain land that will be added to the northern boundary of the Reservation by the land conveyance, from Rialto Beach to the east line of Section 23, shall be subject to an easement, which shall contain the following requirements:

(i) The Tribe may lease or encumber the land, consistent with their status as trust lands, provided

that the Tribe expressly subjects the conveyance or authorized use to the terms of the easement.

(ii) The Tribe may place temporary, seasonal camps on the land, but shall not place or construct commercial residential, industrial, or other permanent buildings or structures.

(iii) Roads on the land on the date of enactment of this Act may be maintained or improved, but no major improvements or road construction may occur, and any road improvements, temporary camps, or other uses of these lands shall not interfere with its use as a natural wildlife corridor.

(iv) The Tribe may authorize Tribe members and third parties to engage in recreational, ceremonial, or treaty uses of the land provided that the Tribe adopts and enforces regulations permanently prohibiting the use of firearms in the Thunder Field area, and any areas south of the Quillayute River as depicted on the Map.

(v) The Tribe may exercise its sovereign right to fish and gather along the Quillayute River in the Thunder Field area.

Plans.

(vi) The Tribe may, consistent with any applicable Federal law, engage in activities reasonably related to the restoration and protection of the Quillayute River and its tributaries and streams, weed control, fish and wildlife habitat improvement, Quillayute River or streambank stabilization, and flood control. Accessibility.

(viii) Park officials and visitors shall have access to, and shall be allowed to engage in, activities on Tribal lands at Rialto Spit that are consistent with past recreational uses, and the Tribe shall have access to Park lands at Rialto Beach so that the Tribe may access and use the jetty at Rialto Beach.

(B) CONDITIONS ON SECOND BEACH TRAIL AND ACCESS.—

Certain Quileute Reservation land along the boundary between the Park and the southern portion of the Reservation, encompassing the Second Beach trailhead, parking area, and Second Beach Trail, shall be subject to a conservation and management easement, as well as any other necessary agreements, which shall implement the following provisions:

Maintenance.

(i) The Tribe shall allow Park officials and visitors to park motor vehicles at the Trail parking area existing on the date of enactment of this Act and to access the portion of the Trail located on Tribal

lands, and the Park shall be responsible for the costs of maintaining existing parking access to the Trail.

(ii) The Tribe shall grant Park officials and visitors the right to peacefully use and maintain the portion of the Trail that is on Tribal lands, and the Park shall be responsible for maintaining the Trail and shall seek advance written approval from the Tribe before undertaking any major Trail repairs.

(v) The Tribe shall reserve the right to make improvements or undertake activities at the Second Beach headlands that are reasonably related to enhancing fish habitat, improving or maintaining the Tribe's hatchery program, or alterations that are reasonably related to the protection of the health and safety of Tribe members and the general public.

(vi) The Park officials, after consultation with the Tribe, may remove hazardous or fallen trees on the Tribal-owned Second Beach headlands to the extent necessary to clear or safeguard the Trail, provided that such trees are not removed from Tribal lands.

(vii) The Park officials and the Tribe shall negotiate an agreement for the design, location, construction, and maintenance of a gathering structure in the Second Beach headlands overlook for the benefit of Park visitors and the Tribe, if such a structure is proposed to be built.

Contracts.

(C) SOUTHERN LANDS EXEMPT.—All other land conveyed to the Tribe along the southern boundary of the Reservation under this section shall not be subject to any easements or conditions, and the natural conditions of such land may be altered to allow for the relocation of Tribe members and structures outside the tsunami and Quillayute River flood zones.

(D) PROTECTION OF INFRASTRUCTURE.—Nothing in this Act is intended to require the modification of the parklands and resources adjacent to the transferred Federal lands. The Tribe shall be responsible for developing its lands in a manner that reasonably protects its property and facilities from adjacent parklands by locating buildings and facilities an adequate distance from parklands to prevent damage to these facilities from such threats as hazardous trees and wildfire.

(h) EFFECT OF LAND CONVEYANCE ON CLAIMS.—

(1) CLAIMS EXTINGUISHED.—Upon the date of the land conveyances under subsections (d) and (e) and the placement of conveyed lands into trust for the benefit of the Tribe, any claims of the Tribe against the United States, the Secretary, or the Park relating to the Park's past or present ownership,

entry, use, surveys, or other activities are deemed fully satisfied and extinguished upon a formal Tribal Council resolution, including claims related to the following:

(A) LAND ALONG QUILLAYUTE RIVER.—The lands along the sections of the Quillayute River, starting east of the existing Rialto Beach parking lot to the east line of Section 22.

31 USC 5112  
note.

To require the Secretary of the Treasury to mint coins in commemoration of the 225th anniversary of the establishment of the Nation's first Federal law enforcement agency, the United States Marshals Service.

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

**SECTION 1. SHORT TITLE.**

This Act may be cited as the “United States Marshals Service 225th Anniversary Commemorative Coin Act”.

**SEC. 2. FINDINGS.**

The Congress hereby finds as follows:

(1) The United States Marshals, the first Federal law enforcement officers in America, were established under section 27 of the Act of Congress entitled “Chapter XX.—An Act to Establish the Judicial Courts of the United States” and enacted on September 24, 1789 (commonly referred to as the “Judiciary Act of September 24, 1789”), during the 1st Session of the 1st Congress, and signed into law by the 1st President of the United States, George Washington.

(2) George Washington had carefully considered the appointments to the Judicial Branch long before the enactment of the Judiciary Act of September 24, 1789, and nominated the first 11 United States Marshals on September 24, and the remaining two Marshals on September 25, 1789. The Senate confirmed all 13 on September 26, 1789, 2 days after the Judiciary Act was signed into law.

(3) In 1969, by order of the Department of Justice, the United States Marshals Service was created, and achieved Bureau status in 1974. The United States Marshals Service has had major significance in the history of the United States, and has directly contributed to the safety and preservation of this Nation, by serving as an instrument of civil authority used by all 3 branches of the United States Government.

(4) One of the original 13 United States Marshals, Robert Forsyth of Georgia, a 40-year-old veteran of the Revolutionary War, was the first civilian official of the United States Government, and the first of many United States Marshals and deputies, to be killed in the line of duty when he was shot on January 11, 1794, while trying to serve civil process.

(5) The United States Marshals Service Commemorative Coin will be the first commemorative coin to honor the United States Marshals Service.

(6) The United States should pay tribute to the Nation's oldest Federal law enforcement agency, the United States Marshals Service, by minting and issuing commemorative coins, as provided in this Act.

(7) A commemorative coin will bring national and international attention to the lasting legacy of this Nation's oldest Federal law enforcement agency.

(8) The proceeds from a surcharge on the sale of such commemorative coins will assist the financing of national museums and charitable organizations.

Public Law 112–127

An Act

June 5, 2012  
[H.R. 4119]

To reduce the trafficking of drugs and to prevent human smuggling across the Southwest Border by deterring the construction and use of border tunnels.

Border Tunnel  
Prevention Act of  
2012.  
18 USC 1 note.

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

**SECTION 1. SHORT TITLE.**

This Act may be cited as the “Border Tunnel Prevention Act of 2012”.

18 USC 555 note.

**SEC. 2. FINDINGS.**

Congress finds the following:

(1) Trafficking and smuggling organizations are intensifying their efforts to enter the United States through tunnels and other subterranean passages between Mexico and the United States.

(2) Border tunnels are most often used to transport narcotics from Mexico to the United States, but can also be used to transport people and other contraband.

(3) From Fiscal Year 1990 to Fiscal Year 2011, law enforcement authorities discovered 149 cross-border tunnels along the border between Mexico and the United States, 139 of which have been discovered since Fiscal Year 2001. There has been a dramatic increase in the number of cross-border tunnels discovered in Arizona and California since Fiscal Year 2006, with 40 tunnels discovered in California and 74 tunnels discovered in Arizona.

(4) Section 551 of the Department of Homeland Security Appropriations Act, 2007 (Public Law 109–295) added a new section to title 18, United States Code (18 U.S.C. 555), which—

(A) criminalizes the construction or financing of an unauthorized tunnel or subterranean passage across an international border into the United States; and

(B) prohibits any person from recklessly permitting others to construct or use an unauthorized tunnel or subterranean passage on the person’s land.

(5) Any person convicted of using a tunnel or subterranean passage to smuggle aliens, weapons, drugs, terrorists, or illegal goods is subject to an enhanced sentence for the underlying offense. Additional sentence enhancements would further deter tunnel activities and increase prosecutorial options.

**SEC. 3. ATTEMPT OR CONSPIRACY TO USE, CONSTRUCT, OR FINANCE  
A BORDER TUNNEL.**

Section 555 of title 18, United States Code, is amended by adding at the end the following:

“(d) Any person who attempts or conspires to commit any offense under subsection (a) or subsection (c) of this section shall be subject to the same penalties as those prescribed for the offense, the commission of which was the object of the attempt or conspiracy.”.

**SEC. 4. AUTHORIZATION FOR INTERCEPTION OF WIRE, ORAL, OR ELECTRONIC COMMUNICATIONS.**

Section 2516(1)(c) of title 18, United States Code, is amended by inserting “, section 555 (relating to construction or use of international border tunnels)” before the semicolon at the end.

**SEC. 5. FORFEITURE.**

Section 982(a)(2)(B) of title 18, United States Code, is amended by inserting “555,” after “545,”.

**SEC. 6. MONEY LAUNDERING DESIGNATION.**

Section 1956(c)(7)(D) of title 18, United States Code, is amended by inserting “section 555 (relating to border tunnels),” after “section 554 (relating to smuggling goods from the United States),”.

**SEC. 7. SENSE OF CONGRESS.**

It is the sense of Congress that—

(1) success in combating the construction and use of cross-border tunnels requires cooperation between Federal, State, local, and tribal officials and assistance from private land owners and tenants across the border between Mexico and the United States;

(2) the Department of Homeland Security is currently engaging in outreach efforts in California to certain landowners and tenants along the border to educate them about cross-border tunnels and seek their assistance in combating their construction; and

(3) the Department should continue its outreach efforts to both private and governmental landowners and tenants in areas along the border between Mexico and the United States with a high rate of cross-border tunnels.

**SEC. 8. REPORT.**

6 USC 257.

(1) **FEDERAL-AID HIGHWAY PROGRAM.**—For the national highway performance program under section 119 of title 23, United States Code, the surface transportation program under section 133 of that title, the highway safety improvement program under section 148 of that title, the congestion mitigation and air quality improvement program under section 149 of that title, and to carry out section 134 of that title—

(b) **DISADVANTAGED BUSINESS ENTERPRISES.**—

(1) **FINDINGS.**—Congress finds that—

(A) while significant progress has occurred due to the establishment of the disadvantaged business enterprise

program, discrimination and related barriers continue to pose significant obstacles for minority- and women-owned businesses seeking to do business in federally-assisted surface transportation markets across the United States;

(B) the continuing barriers described in subparagraph (A) merit the continuation of the disadvantaged business enterprise program;

(C) Congress has received and reviewed testimony and documentation of race and gender discrimination from numerous sources, including congressional hearings and roundtables, scientific reports, reports issued by public and private agencies, news stories, reports of discrimination by organizations and individuals, and discrimination lawsuits, which show that race- and gender-neutral efforts alone are insufficient to address the problem;

(D) the testimony and documentation described in subparagraph (C) demonstrate that discrimination across the United States poses a barrier to full and fair participation in surface transportation-related businesses of women business owners and minority business owners and has impacted firm development and many aspects of surface transportation-related business in the public and private markets; and

(E) the testimony and documentation described in subparagraph (C) provide a strong basis that there is a compelling need for the continuation of the disadvantaged business enterprise program to address race and gender discrimination in surface transportation-related business.

(2) DEFINITIONS.—In this subsection, the following definitions apply:

(B) SOCIALLY AND ECONOMICALLY DISADVANTAGED INDIVIDUALS.—The term “socially and economically disadvantaged individuals” has the meaning given the term in section 8(d) of the Small Business Act (15 U.S.C. 637(d)) and relevant subcontracting regulations issued pursuant to that Act, except that women shall be presumed to be socially and economically disadvantaged individuals for purposes of this subsection.

(3) AMOUNTS FOR SMALL BUSINESS CONCERNS.—Except to the extent that the Secretary determines otherwise, not less than 10 percent of the amounts made available for any program under divisions A and B of this Act and section 403 of title 23, United States Code, shall be expended through small business concerns owned and controlled by socially and economically disadvantaged individuals.

(4) ANNUAL LISTING OF DISADVANTAGED BUSINESS ENTERPRISES.—Each State shall annually—

(A) survey and compile a list of the small business concerns referred to in paragraph (2) in the State, including the location of the small business concerns in the State; and

(B) notify the Secretary, in writing, of the percentage of the small business concerns that are controlled by—

- (i) women;
- (ii) socially and economically disadvantaged individuals (other than women); and
- (iii) individuals who are women and are otherwise socially and economically disadvantaged individuals.

(5) UNIFORM CERTIFICATION.—

(A) IN GENERAL.—The Secretary shall establish minimum uniform criteria for use by State governments in certifying whether a concern qualifies as a small business concern for the purpose of this subsection.

(B) INCLUSIONS.—The minimum uniform criteria established under subparagraph (A) shall include, with respect to a potential small business concern—

- (i) on-site visits;
- (ii) personal interviews with personnel;
- (iii) issuance or inspection of licenses;

(A) information concerning disadvantaged business enterprise awards, commitments, and achievements; and

(B) such other information as the Secretary determines to be appropriate for the proper monitoring of the disadvantaged business enterprise program.

(7) COMPLIANCE WITH COURT ORDERS.—Nothing in this subsection limits the eligibility of an individual or entity to receive funds made available under divisions A and B of this Act and section 403 of title 23, United States Code, if the entity or person is prevented, in whole or in part, from complying with paragraph (2) because a Federal court issues a final order in which the court finds that a requirement or the implementation of paragraph (2) is unconstitutional.

23 USC 104 note. **SEC. 1102. OBLIGATION CEILING.**

(a) GENERAL LIMITATION.—Subject to subsection (e), and notwithstanding any other provision of law, the obligations for Federal-aid highway and highway safety construction programs shall not exceed—
