For retirement pay and medical benefits of Public Health Service Commissioned Officers as authorized by law, for payments under the Retired Serviceman's Family Protection Plan and Survivor Benefit Plan, and for medical care of dependents and retired personnel under the Dependents' Medical Care Act, such amounts as may be required during the current fiscal year.

PUBLIC HEALTH AND SOCIAL SERVICES EMERGENCY FUND

For expenses necessary to support activities related to countering potential biological, nuclear, radiological, chemical, and cybersecurity threats to civilian populations, and for other public health emergencies, $1,026,458,000, of which $561,700,000 shall remain available through September 30, 2020, for expenses necessary to support advanced research and development pursuant to section 319L of the PHS Act and other administrative expenses of the Biomedical Advanced Research and Development Authority: *Provided*, That funds provided under this heading for the purpose of acquisition of security countermeasures shall be in addition to any other funds available for such purpose: *Provided further*, That products purchased with funds provided under this heading may, at the discretion of the Secretary, be deposited in the Strategic National Stockpile pursuant to section 319F–2 of the PHS Act: *Provided further*, That $5,000,000 of the amounts made available

to support emergency operations shall remain available through September 30, 2021.

For expenses necessary for procuring security countermeasures (as defined in section 319F–2(c)(1)(B) of the PHS Act), $735,000,000, to remain available until expended.

For an additional amount for expenses necessary to prepare for or respond to an influenza pandemic, $260,000,000; of which $225,000,000 shall be available until expended, for activities including the development and purchase of vaccine, antivirals, necessary medical supplies, diagnostics, and other surveillance tools: *Provided*, That notwithstanding section 496(b) of the PHS Act, funds may be used for the construction or renovation of privately owned facilities for the production of pandemic influenza vaccines and other biologics, if the Secretary finds such construction or renovation necessary to secure sufficient supplies of such vaccines or biologics.

GENERAL PROVISIONS

SEC. 201. Funds appropriated in this title shall be available for not to exceed $50,000 for official reception and representation expenses when specifically approved by the Secretary.

SEC. 202. None of the funds appropriated in this title shall be used to pay the salary of an individual, through a grant or other extramural mechanism, at a rate in excess of Executive Level II.

SEC. 203. None of the funds appropriated in this Act may be expended pursuant to section 241 of the PHS Act, except for funds specifically provided for in this Act, or for other taps and assessments made by any office located in HHS, prior to the preparation and submission of a report by the Secretary to the Committees on Appropriations of the House of Representatives and the Senate detailing the planned uses of such funds.

SEC. 204. Notwithstanding section 241(a) of the PHS Act, such portion as the Secretary shall determine, but not more than 2.5 percent, of any amounts appropriated for programs authorized under such Act shall be made available for the evaluation (directly, or by grants or contracts) and the implementation and effectiveness of programs funded in this title.

(TRANSFER OF FUNDS)

SEC. 205. Not to exceed 1 percent of any discretionary funds (pursuant to the Balanced Budget and Emergency Deficit Control Act of 1985) which are appropriated for the current fiscal year for HHS in this Act may be transferred between appropriations, but no such appropriation shall be increased by more than 3 percent by any such transfer: *Provided*, That the transfer authority granted by this section shall not be used to create any new program or to fund any project or activity for which no funds are provided in this Act: *Provided further*, That the Committees on Appropriations of the House of Representatives and the Senate are notified at least 15 days in advance of any transfer.

SEC. 206. In lieu of the timeframe specified in section 338E(c)(2) of the PHS Act, terminations described in such section may occur up to 60 days after the execution of a contract awarded in fiscal year 2019 under section 338B of such Act.

SEC. 207. None of the funds appropriated in this Act may be made available to any entity under title X of the PHS Act unless the applicant for the award certifies to the Secretary that it encourages family participation in the decision of minors to seek family planning services and that it provides counseling to minors on how to resist attempts to coerce minors into engaging in sexual activities.

SEC. 208. Notwithstanding any other provision of law, no provider of services under title X of the PHS Act shall be exempt from any State law requiring notification or the reporting of child abuse, child molestation, sexual abuse, rape, or incest.

SEC. 209. None of the funds appropriated by this Act (including funds appropriated to any trust fund) may be used to carry out the Medicare Advantage program if the Secretary denies participation in such program to an otherwise eligible entity (including a Provider Sponsored Organization) because the entity informs the Secretary that it will not provide, pay for, provide coverage of, or provide referrals for abortions: *Provided*, That the Secretary shall make appropriate prospective adjustments to the capitation payment to such an entity (based on an actuarially sound estimate of the expected costs of providing the service to such entity's enrollees): *Provided further*, That nothing in this section shall be construed to change the Medicare program's coverage for such services and a Medicare Advantage organization described in this section shall be responsible for informing enrollees where to obtain information about all Medicare covered services.

SEC. 210. None of the funds made available in this title may be used, in whole or in part, to advocate or promote gun control.

SEC. 211. The Secretary shall make available through assignment not more than 60 employees of the Public Health Service to assist in child survival activities and to work in AIDS programs through and with funds provided by the Agency for International Development, the United Nations International Children's Emergency Fund or the World Health Organization.

SEC. 212. In order for HHS to carry out international health activities, including HIV/AIDS and other infectious disease, chronic and environmental disease, and other health activities abroad during fiscal year 2019:

(1) The Secretary may exercise authority equivalent to that available to the Secretary of State in section 2(c) of the State Department Basic Authorities Act of 1956. The Secretary shall consult with the Secretary of State and relevant Chief of Mission to ensure that the authority provided in this section is exercised in a manner consistent with section 207 of the Foreign Service Act of 1980 and other applicable statutes administered by the Department of State.

(2) The Secretary is authorized to provide such funds by advance or reimbursement to the Secretary of State as may be necessary to pay the costs of acquisition, lease, alteration, renovation, and management of facilities outside of the United States for the use of HHS. The Department of State shall cooperate fully with the Secretary to ensure that HHS has secure, safe, functional facilities that comply with applicable regulation governing location, setback, and other facilities requirements and serve the purposes established by this Act. The Secretary is authorized, in consultation with the Secretary of State, through grant or cooperative agreement, to make

available to public or nonprofit private institutions or agencies in participating foreign countries, funds to acquire, lease, alter, or renovate facilities in those countries as necessary to conduct programs of assistance for international health activities, including activities relating to HIV/AIDS and other infectious diseases, chronic and environmental diseases, and other health activities abroad.

(3) The Secretary is authorized to provide to personnel appointed or assigned by the Secretary to serve abroad, allowances and benefits similar to those provided under chapter 9 of title I of the Foreign Service Act of 1980, and 22 U.S.C. 4081 through 4086 and subject to such regulations prescribed by the Secretary. The Secretary is further authorized to provide locality-based comparability payments (stated as a percentage) up to the amount of the locality-based comparability payment (stated as a percentage) that would be payable to such personnel under section 5304 of title 5, United States Code if such personnel's official duty station were in the District of Columbia. Leaves of absence for personnel under this subsection shall be on the same basis as that provided under subchapter I of chapter 63 of title 5, United States Code, or section 903 of the Foreign Service Act of 1980, to individuals serving in the Foreign Service.

(TRANSFER OF FUNDS)

SEC. 213. The Director of the NIH, jointly with the Director of the Office of AIDS Research, may transfer up to 3 percent among institutes and centers from the total amounts identified by these two Directors as funding for research pertaining to the human immunodeficiency virus: *Provided*, That the Committees on Appropriations of the House of Representatives and the Senate are notified at least 15 days in advance of any transfer.

(TRANSFER OF FUNDS)

SEC. 214. Of the amounts made available in this Act for NIH, the amount for research related to the human immunodeficiency virus, as jointly determined by the Director of NIH and the Director of the Office of AIDS Research, shall be made available to the "Office of AIDS Research" account. The Director of the Office of AIDS Research shall transfer from such account amounts necessary to carry out section 2353(d)(3) of the PHS Act.

SEC. 215. (a) AUTHORITY.—Notwithstanding any other provision of law, the Director of NIH ("Director") may use funds authorized under section 402(b)(12) of the PHS Act to enter into transactions (other than contracts, cooperative agreements, or grants) to carry out research identified pursuant to or research and activities described in such section 402(b)(12).

(b) PEER REVIEW.—In entering into transactions under subsection (a), the Director may utilize such peer review procedures (including consultation with appropriate scientific experts) as the Director determines to be appropriate to obtain assessments of scientific and technical merit. Such procedures shall apply to such transactions in lieu of the peer review and advisory council review procedures that would otherwise be required under sections 301(a)(3), 405(b)(1)(B), 405(b)(2), 406(a)(3)(A), 492, and 494 of the PHS Act.

SEC. 216. Not to exceed $45,000,000 of funds appropriated by this Act to the institutes and centers of the National Institutes of Health may be used for alteration, repair, or improvement of facilities, as necessary for the proper and efficient conduct of the activities authorized herein, at not to exceed $3,500,000 per project.

(TRANSFER OF FUNDS)

SEC. 217. Of the amounts made available for NIH, 1 percent of the amount made available for National Research Service Awards ("NRSA") shall be made available to the Administrator of the Health Resources and Services Administration to make NRSA awards for research in primary medical care to individuals affiliated with entities who have received grants or contracts under sections 736, 739, or 747 of the PHS Act, and 1 percent of the amount made available for NRSA shall be made available to the Director of the Agency for Healthcare Research and Quality to make NRSA awards for health service research.

SEC. 218. (a) The Biomedical Advanced Research and Development Authority ("BARDA") may enter into a contract, for more than one but no more than 10 program years, for purchase of research services or of security countermeasures, as that term is defined in section 319F–2(c)(1)(B) of the PHS Act (42 U.S.C. 247d–6b(c)(1)(B)), if—

(1) funds are available and obligated—

(A) for the full period of the contract or for the first fiscal year in which the contract is in effect; and

(B) for the estimated costs associated with a necessary termination of the contract; and

(2) the Secretary determines that a multi-year contract will serve the best interests of the Federal Government by encouraging full and open competition or promoting economy in administration, performance, and operation of BARDA's programs.

(b) A contract entered into under this section—

(1) shall include a termination clause as described by subsection (c) of section 3903 of title 41, United States Code; and

(2) shall be subject to the congressional notice requirement stated in subsection (d) of such section.

SEC. 219. (a) The Secretary shall publish in the fiscal year 2020 budget justification and on Departmental Web sites information concerning the employment of full-time equivalent Federal employees or contractors for the purposes of implementing, administering, enforcing, or otherwise carrying out the provisions of the ACA, and the amendments made by that Act, in the proposed fiscal year and each fiscal year since the enactment of the ACA.

(b) With respect to employees or contractors supported by all funds appropriated for purposes of carrying out the ACA (and the amendments made by that Act), the Secretary shall include, at a minimum, the following information:

(1) For each such fiscal year, the section of such Act under which such funds were appropriated, a statement indicating the program, project, or activity receiving such funds, the Federal operating division or office that administers such program, and the amount of funding received in discretionary or mandatory appropriations.

(2) For each such fiscal year, the number of full-time equivalent employees or contracted employees assigned to each authorized and funded provision detailed in accordance with paragraph (1).

(c) In carrying out this section, the Secretary may exclude from the report employees or contractors who—

(1) are supported through appropriations enacted in laws other than the ACA and work on programs that existed prior to the passage of the ACA;

(2) spend less than 50 percent of their time on activities funded by or newly authorized in the ACA; or

(3) work on contracts for which FTE reporting is not a requirement of their contract, such as fixed-price contracts.

SEC. 220. The Secretary shall publish, as part of the fiscal year 2020 budget of the President submitted under section 1105(a) of title 31, United States Code, information that details the uses of all funds used by the Centers for Medicare & Medicaid Services specifically for Health Insurance Exchanges for each fiscal year since the enactment of the ACA and the proposed uses for such funds for fiscal year 2020. Such information shall include, for each such fiscal year, the amount of funds used for each activity specified under the heading "Health Insurance Exchange Transparency" in the joint explanatory statement accompanying this Act.

SEC. 221. None of the funds made available by this Act from the Federal Hospital Insurance Trust Fund or the Federal Supplemental Medical Insurance Trust Fund, or transferred from other accounts funded by this Act to the "Centers for Medicare & Medicaid Services—Program Management" account, may be used for payments under section 1342(b)(1) of Public Law 111–148 (relating to risk corridors).

(TRANSFER OF FUNDS)

SEC. 222. (a) Within 45 days of enactment of this Act, the Secretary shall transfer funds appropriated under section 4002 of the ACA to the accounts specified, in the amounts specified, and for the activities specified under the heading "Prevention and Public Health Fund" in the joint explanatory statement accompanying this Act.

(b) Notwithstanding section 4002(c) of the ACA, the Secretary may not further transfer these amounts.

(c) Funds transferred for activities authorized under section 2821 of the PHS Act shall be made available without reference to section 2821(b) of such Act.

SEC. 223. Effective during the period beginning on November 1, 2015 and ending January 1, 2021, any provision of law that refers (including through cross-reference to another provision of law) to the current recommendations of the United States Preventive Services Task Force with respect to breast cancer screening, mammography, and prevention shall be administered by the Secretary involved as if—

(1) such reference to such current recommendations were a reference to the recommendations of such Task Force with respect to breast cancer screening, mammography, and prevention last issued before 2009; and

(2) such recommendations last issued before 2009 applied to any screening mammography modality under section 1861(jj) of the Social Security Act (42 U.S.C. 1395x(jj)).

SEC. 224. In making Federal financial assistance, the provisions relating to indirect costs in part 75 of title 45, Code of Federal Regulations, including with respect to the approval of deviations from negotiated rates, shall continue to apply to the National Institutes of Health to the same extent and in the same manner as such provisions were applied in the third quarter of fiscal year 2017. None of the funds appropriated in this or prior Acts or otherwise made available to the Department of Health and Human Services or to any department or agency may be used to develop or implement a modified approach to such provisions, or to intentionally or substantially expand the fiscal effect of the approval of such deviations from negotiated rates beyond the proportional effect of such approvals in such quarter.

(TRANSFER OF FUNDS)

SEC. 225. The NIH Director may transfer funds specifically appropriated for opioid addiction, opioid alternatives, pain management, and addiction treatment to other Institutes and Centers of the NIH to be used for the same purpose 15 days after notifying the Committees on Appropriations: *Provided*, That the transfer authority provided in the previous proviso is in addition to any other transfer authority provided by law.

SEC. 226. (a) The Secretary shall provide to the Committees on Appropriations of the House of Representatives and the Senate:

(1) Detailed monthly enrollment figures from the Exchanges established under the Patient Protection and Affordable Care Act of 2010 pertaining to enrollments during the open enrollment period; and

(2) Notification of any new or competitive grant awards, including supplements, authorized under section 330 of the Public Health Service Act.

(b) The Committees on Appropriations of the House and Senate must be notified at least 2 business days in advance of any public release of enrollment information or the award of such grants.

SEC. 227. In addition to the amounts otherwise available for "Centers for Medicare & Medicaid Services, Program Management", the Secretary of Health and Human Services may transfer up to $305,000,000 to such account from the Federal Hospital Insurance Trust Fund and the Federal Supplementary Medical Insurance Trust Fund to support program management activity related to the Medicare Program: *Provided*, That except for the foregoing purpose, such funds may not be used to support any provision of Public Law 111–148 or Public Law 111–152 (or any amendment made by either such Public Law) or to supplant any other amounts within such account.

(RESCISSION)

SEC. 228. Of the unobligated balances available in the "Nonrecurring Expenses Fund" established in section 223 of division G of Public Law 110–161, $400,000,000 are hereby rescinded.

SEC. 229. Not later than the 15th day of each month, the Department of Health and Human Services shall provide the Committees on Appropriations of the House of Representatives and

Senate a report on staffing described in the joint explanatory statement accompanying this Act.

SEC. 230. Funds appropriated in this Act that are available for salaries and expenses of employees of the Department of Health and Human Services shall also be available to pay travel and related expenses of such an employee or of a member of his or her family, when such employee is assigned to duty, in the United States or in a U.S. territory, during a period and in a location that are the subject of a determination of a public health emergency under section 319 of the Public Health Service Act and such travel is necessary to obtain medical care for an illness, injury, or medical condition that cannot be adequately addressed in that location at that time. For purposes of this section, the term "U.S. territory" means Guam, the Commonwealth of Puerto Rico, the Northern Mariana Islands, the Virgin Islands, American Samoa, or the Trust Territory of the Pacific Islands.

(INCLUDING TRANSFER OF FUNDS)

SEC. 231. There is established in the Treasury a reserve fund to be known as the "Infectious Diseases Rapid Response Reserve Fund" (the "Reserve Fund"): *Provided*, That of the funds provided under the heading "CDC-Wide Activities and Program Support", $50,000,000, to remain available until expended, shall be available to the Director of the CDC for deposit in the Reserve Fund: *Provided further*, That amounts in the Reserve Fund shall be for carrying out titles II, III, and XVII of the PHS Act to prevent, prepare for, or respond to an infectious disease emergency, including, in connection with such activities, to purchase or lease and provide for the insurance of passenger motor vehicles for official use in foreign countries: *Provided further*, That amounts in the Reserve Fund may only be provided for an infectious disease emergency if the infectious disease emergency (1) is declared by the Secretary of Health and Human Services under section 319 of the PHS Act to be a public health emergency; or (2) as determined by the Secretary, has significant potential to imminently occur and potential, on occurrence, to affect national security or the health and security of United States citizens, domestically or internationally: *Provided further*, That amounts in the Reserve Fund may be transferred by the Director of the CDC to other accounts of the CDC, to accounts of the NIH, or to the Public Health and Social Services Emergency Fund, to be merged with such accounts or Fund for the purposes provided in this section: *Provided further*, That the Committees on Appropriations of the House of Representatives and the Senate shall be notified in advance of any transfer or obligation made under the authority provided in this section, including notification on the anticipated uses of such funds by program, project, or activity: *Provided further*, That not later than 15 days after notification of the planned use of the Reserve Fund, the Director shall provide a detailed spend plan of anticipated uses of funds, including estimated personnel and administrative costs, to the Committees on Appropriations of the House of Representatives and the Senate: *Provided further*, That such plans shall be updated and submitted every 90 days thereafter until funds have been fully expended which should include the unobligated balances in the Reserve Fund and all the actual obligations incurred to date: *Provided further*, That amounts in the Reserve

42 USC 247d–4a.

Fund shall be in addition to amounts otherwise available to the Department of Health and Human Services for the purposes provided in this section: *Provided further*, That the transfer authorities in this section are in addition to any transfer authority otherwise available to the Department of Health and Human Services: *Provided further*, That products purchased using amounts in the Reserve Fund may, at the discretion of the Secretary of Health and Human Services, be deposited in the Strategic National Stockpile under section 319F–2 of the PHS Act: *Provided further*, That this section shall be in effect as of the date of the enactment of this Act through each fiscal year hereafter.

SEC. 232. The Department of Health and Human Services may accept donations from the private sector, nongovernmental organizations, and other groups independent of the Federal Government for the care of unaccompanied alien children (as defined in section 462(g)(2) of the Homeland Security Act of 2002 (6 U.S.C. 279(g)(2))) in the care of the Office of Refugee Resettlement of the Administration for Children and Families, including medical goods and services, school supplies, toys, clothing, and any other items intended to promote the wellbeing of such children.

SEC. 233. The Secretary shall submit to the Congress by November 15, 2018, a plan to promptly facilitate the reunification of children separated from their parents and placed in the custody of the Office of Refugee Resettlement ("ORR"), including the reunification of children with parents who are no longer in the United States: *Provided*, That such plan shall include possible children of potential class members in the class-action lawsuit *Ms. L v. ICE*, as identified in the Joint Status Report filed on September 6, 2018: *Provided further*, That such plan shall describe the activities the Administration has undertaken to locate parents who are no longer in the United States and to reunify those parents with their children, including (1) the process for tracking children and parents, (2) the process for coordinating interagency responsibilities for communication, location, and reunification of such parents, and (3) the number of parents that the Administration has been unable to contact: *Provided further*, That such plan shall provide detailed information on how many parents have been determined to be ineligible for reunification and the reasons for those determinations: *Provided further*, That such plan shall identify the number of children in ORR custody whose parents were deported that (1) have been reunified with their parents, (2) have been released into the custody of a family member other than a parent, (3) have been released into the custody of a sponsor who is not a family member, and (4) are still in ORR custody: *Provided further*, That such plan shall provide detailed information regarding the procedures the Administration follows when child sexual abuse is alleged at facilities operated by ORR contractors: *Provided further*, That such plan shall include an estimate of expenditures in fiscal year 2018 and an estimate of anticipated expenditures in fiscal year 2019 related to housing children who were separated from their parents at the border as well as activities to reunify such children with their parents: *Provided further*, That if such plan is not submitted by the deadline identified above, the Department of Health and Human Services may not, until such a plan has been submitted to the Congress, obligate funds from the Fund established by section 223 of title II of division G of Public Law 110–161, except to obligate

funds for projects identified in the joint explanatory statement accompanying this Act.

SEC. 234. None of the funds made available by this Act may be used to prevent a Member of the United States Congress from entering, for the purpose of conducting oversight, any facility in the United States, used for purposes of maintaining custody of or otherwise housing unaccompanied alien children (as defined in section 462(g)(2) of the Homeland Security Act of 2002 (6 U.S.C. 279(g)(2))).

This title may be cited as the "Department of Health and Human Services Appropriations Act, 2019".

20 USC 1077 note.

(f) The amendments made by this Act shall apply with respect to loans—

(1) made on or after the date of the enactment of this Act; or

(2) in repayment on the date of the enactment of this Act.

(RESCISSION)

SEC. 310. Of the unobligated balances available under the heading "Student Financial Assistance" for carrying out subpart 1 of part A of title IV of the HEA, $600,000,000 are hereby rescinded.

(RESCISSION)

SEC. 311. Section 401(b)(7)(A)(iv)(IX) of the Higher Education Act of 1965 (20 U.S.C. 1070a(b)(7)(A)(iv)(IX)) is amended by striking "$1,409,000,000" and inserting "$1,370,000,000".

SEC. 312. (a) An institution of higher education may, with explicit written consent of an applicant who has completed a FAFSA

under such section 483(a), provide such information collected from the applicant's FAFSA as is necessary to a scholarship granting organization, including a tribal organization (defined in section 4 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 5304)), or to an organization assisting the applicant in applying for and receiving Federal, State, local, or tribal assistance, that is designated by the applicant to assist the applicant in applying for and receiving financial assistance for any component of the applicant's cost of attendance (defined in section 472 of the HEA) at that institution.

(b) An organization that receives information pursuant to subsection (a) shall not sell or otherwise share such information.

(c) This section shall be in effect until title IV of the HEA is reauthorized.

SEC. 313. For an additional amount for "Department of Education—Federal Direct Student Loan Program Account", $350,000,000, to remain available until expended, shall be for the cost, as defined under section 502 of the Congressional Budget Act of 1974, of the Secretary of Education providing loan cancellation in the same manner as under section 455(m) of the Higher Education Act of 1965 (20 U.S.C. 1087e(m)), for borrowers of loans made under part D of title IV of such Act who would qualify for loan cancellation under section 455(m) except some, or all, of the 120 required payments under section 455(m)(1)(A) do not qualify for purposes of the program because they were monthly payments made in accordance with graduated or extended repayment plans as described under subparagraph (B) or (C) of section 455(d)(1) or the corresponding repayment plan for a consolidation loan made under section 455(g) and that were less than the amount calculated under section 455(d)(1)(A), based on a 10-year repayment period: *Provided*, That the monthly payment made 12 months before the borrower applied for loan cancellation as described in the matter preceding this proviso and the most recent monthly payment made by the borrower at the time of such application were each not less than the monthly amount that would be calculated under, and for which the borrower would otherwise qualify for, clause (i) or (iv) of section 455(m)(1)(A) regarding income-based or income-contingent repayment plans, with exception for a borrower who would have otherwise been eligible under this section but demonstrates an unusual fluctuation of income over the past 5 years: *Provided further*, That the total loan volume, including outstanding principal, fees, capitalized interest, or accrued interest, at application that is eligible for such loan cancellation by such borrowers shall not exceed $500,000,000: *Provided further*, That the Secretary shall develop and make available a simple method for borrowers to apply for loan cancellation under this section within 60 days of enactment of this Act: *Provided further*, That the Secretary shall provide loan cancellation under this section to eligible borrowers on a first-come, first-serve basis, based on the date of application and subject to both the limitation on total loan volume at application for such loan cancellation specified in the second proviso and the availability of appropriations under this section: *Provided further*, That no borrower may, for the same service, receive a reduction of loan obligations under both this section and section 428J, 428K, 428L, or 460 of such Act.

SEC. 314. Of the amounts made available under this title under the heading "Student Aid Administration", $2,300,000 shall be used

by the Secretary of Education to conduct outreach to borrowers of loans made under part D of title IV of the Higher Education Act of 1965 who may intend to qualify for loan cancellation under section 455(m) of such Act (20 U.S.C. 1087e(m)), to ensure that borrowers are meeting the terms and conditions of such loan cancellation: *Provided*, That the Secretary shall specifically conduct outreach to assist borrowers who would qualify for loan cancellation under section 455(m) of such Act except that the borrower has made some, or all, of the 120 required payments under a repayment plan that is not described under section 455(m)(A) of such Act, to encourage borrowers to enroll in a qualifying repayment plan: *Provided further*, That the Secretary shall also communicate to all Direct Loan borrowers the full requirements of section 455(m) of such Act and improve the filing of employment certification by providing improved outreach and information such as outbound calls, electronic communications, ensuring prominent access to program requirements and benefits on each servicer's website, and creating an option for all borrowers to complete the entire payment certification process electronically and on a centralized website.

20 USC 7703 note.

SEC. 315. (a) For any local educational agency that for fiscal year 2018, had an enrollment of eligible Federally connected children that was at least 35 percent of the agency's total student enrollment and a per-pupil expenditure that was less than the average per-pupil expenditure of the State or of all the States, and was determined ineligible to receive a payment under section 7003(b)(2)(A) of the Elementary and Secondary Education Act of 1965 for failing to meet the average tax rate requirement for general fund purposes in section 7003(b)(2)(B)(i)(V)(bb), and whose calculated payment amount under section 7003(b) for the three years following fiscal year 2019 is less than 80 percent of the amount received for fiscal year 2019, the Secretary shall pay the local educational agency for the following three years not less than 90 percent of the total amount the local educational agency received under section 7003(b)(2) for fiscal year 2017 if such local educational agency—

(1) previously received a payment under section 7003(b)(2)(A) but did not receive a payment under section 7003(b)(2)(B)(ii) (or any predecessor of such provision) for each of fiscal years 2015 through 2017; and

(2) was considered a local educational agency described in section 7003(b)(2)(B)(i)(V) (or any predecessor of such provision) for each such fiscal year.

(b) For fiscal year 2020 and succeeding fiscal years, if a local educational agency described in subsection (a) is eligible to receive a basic support payment pursuant to section 7003(b)(2) of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 7703(b)(2)), the payment received by the local educational agency shall be calculated under section 7003(b)(2) of such Act and not under subsection (a).

This title may be cited as the "Department of Education Appropriations Act, 2019".

In addition, an amount not to exceed 3 percent of the total provided in this appropriation may be transferred from the "Limitation on Administrative Expenses", Social Security Administration, to be merged with this account, to be available for the time and purposes for which this account is available: *Provided,* That notice of such transfers shall be transmitted promptly to the Committees on Appropriations of the House of Representatives and the Senate at least 15 days in advance of any transfer.

TITLE V

GENERAL PROVISIONS

(TRANSFER OF FUNDS)

SEC. 501. The Secretaries of Labor, Health and Human Services, and Education are authorized to transfer unexpended balances of prior appropriations to accounts corresponding to current appropriations provided in this Act. Such transferred balances shall be used for the same purpose, and for the same periods of time, for which they were originally appropriated.

SEC. 502. No part of any appropriation contained in this Act shall remain available for obligation beyond the current fiscal year unless expressly so provided herein.

SEC. 503. (a) No part of any appropriation contained in this Act or transferred pursuant to section 4002 of Public Law 111–148 shall be used, other than for normal and recognized executive-legislative relationships, for publicity or propaganda purposes, for the preparation, distribution, or use of any kit, pamphlet, booklet, publication, electronic communication, radio, television, or video presentation designed to support or defeat the enactment of legislation before the Congress or any State or local legislature or legislative body, except in presentation to the Congress or any State or local legislature itself, or designed to support or defeat any proposed or pending regulation, administrative action, or order issued by the executive branch of any State or local government, except in presentation to the executive branch of any State or local government itself.

(b) No part of any appropriation contained in this Act or transferred pursuant to section 4002 of Public Law 111–148 shall be used to pay the salary or expenses of any grant or contract recipient, or agent acting for such recipient, related to any activity designed to influence the enactment of legislation, appropriations, regulation, administrative action, or Executive order proposed or pending before the Congress or any State government, State legislature or local legislature or legislative body, other than for normal and recognized executive-legislative relationships or participation by an agency or officer of a State, local or tribal government in policymaking and administrative processes within the executive branch of that government.

(c) The prohibitions in subsections (a) and (b) shall include any activity to advocate or promote any proposed, pending or future Federal, State or local tax increase, or any proposed, pending, or future requirement or restriction on any legal consumer product, including its sale or marketing, including but not limited to the advocacy or promotion of gun control.

SEC. 504. The Secretaries of Labor and Education are authorized to make available not to exceed $28,000 and $20,000, respectively, from funds available for salaries and expenses under titles I and III, respectively, for official reception and representation expenses; the Director of the Federal Mediation and Conciliation Service is authorized to make available for official reception and representation expenses not to exceed $5,000 from the funds available for "Federal Mediation and Conciliation Service, Salaries and Expenses"; and the Chairman of the National Mediation Board is authorized to make available for official reception and representation expenses not to exceed $5,000 from funds available for "National Mediation Board, Salaries and Expenses".

SEC. 505. When issuing statements, press releases, requests for proposals, bid solicitations and other documents describing projects or programs funded in whole or in part with Federal money, all grantees receiving Federal funds included in this Act, including but not limited to State and local governments and recipients of Federal research grants, shall clearly state—

(1) the percentage of the total costs of the program or project which will be financed with Federal money;

(2) the dollar amount of Federal funds for the project or program; and

(3) percentage and dollar amount of the total costs of the project or program that will be financed by non-governmental sources.

SEC. 506. (a) None of the funds appropriated in this Act, and none of the funds in any trust fund to which funds are appropriated in this Act, shall be expended for any abortion.

(b) None of the funds appropriated in this Act, and none of the funds in any trust fund to which funds are appropriated in this Act, shall be expended for health benefits coverage that includes coverage of abortion.

(c) The term "health benefits coverage" means the package of services covered by a managed care provider or organization pursuant to a contract or other arrangement.

SEC. 507. (a) The limitations established in the preceding section shall not apply to an abortion—

(1) if the pregnancy is the result of an act of rape or incest; or

(2) in the case where a woman suffers from a physical disorder, physical injury, or physical illness, including a life-endangering physical condition caused by or arising from the pregnancy itself, that would, as certified by a physician, place the woman in danger of death unless an abortion is performed.

(b) Nothing in the preceding section shall be construed as prohibiting the expenditure by a State, locality, entity, or private person of State, local, or private funds (other than a State's or locality's contribution of Medicaid matching funds).

(c) Nothing in the preceding section shall be construed as restricting the ability of any managed care provider from offering abortion coverage or the ability of a State or locality to contract separately with such a provider for such coverage with State funds (other than a State's or locality's contribution of Medicaid matching funds).

(d)(1) None of the funds made available in this Act may be made available to a Federal agency or program, or to a State or local government, if such agency, program, or government subjects any institutional or individual health care entity to discrimination on the basis that the health care entity does not provide, pay for, provide coverage of, or refer for abortions.

(2) In this subsection, the term "health care entity" includes an individual physician or other health care professional, a hospital, a provider-sponsored organization, a health maintenance organization, a health insurance plan, or any other kind of health care facility, organization, or plan.

SEC. 508. (a) None of the funds made available in this Act may be used for—

(1) the creation of a human embryo or embryos for research purposes; or

(2) research in which a human embryo or embryos are destroyed, discarded, or knowingly subjected to risk of injury or death greater than that allowed for research on fetuses in utero under 45 CFR 46.204(b) and section 498(b) of the Public Health Service Act (42 U.S.C. 289g(b)).

(b) For purposes of this section, the term "human embryo or embryos" includes any organism, not protected as a human subject under 45 CFR 46 as of the date of the enactment of this Act, that is derived by fertilization, parthenogenesis, cloning, or

any other means from one or more human gametes or human diploid cells.

SEC. 509. (a) None of the funds made available in this Act may be used for any activity that promotes the legalization of any drug or other substance included in schedule I of the schedules of controlled substances established under section 202 of the Controlled Substances Act except for normal and recognized executive-congressional communications.

(b) The limitation in subsection (a) shall not apply when there is significant medical evidence of a therapeutic advantage to the use of such drug or other substance or that federally sponsored clinical trials are being conducted to determine therapeutic advantage.

SEC. 510. None of the funds made available in this Act may be used to promulgate or adopt any final standard under section 1173(b) of the Social Security Act providing for, or providing for the assignment of, a unique health identifier for an individual (except in an individual's capacity as an employer or a health care provider), until legislation is enacted specifically approving the standard.

SEC. 511. None of the funds made available in this Act may be obligated or expended to enter into or renew a contract with an entity if—

(1) such entity is otherwise a contractor with the United States and is subject to the requirement in 38 U.S.C. 4212(d) regarding submission of an annual report to the Secretary of Labor concerning employment of certain veterans; and

(2) such entity has not submitted a report as required by that section for the most recent year for which such requirement was applicable to such entity.

SEC. 512. None of the funds made available in this Act may be transferred to any department, agency, or instrumentality of the United States Government, except pursuant to a transfer made by, or transfer authority provided in, this Act or any other appropriation Act.

SEC. 513. None of the funds made available by this Act to carry out the Library Services and Technology Act may be made available to any library covered by paragraph (1) of section 224(f) of such Act, as amended by the Children's Internet Protection Act, unless such library has made the certifications required by paragraph (4) of such section.

SEC. 514. (a) None of the funds provided under this Act, or provided under previous appropriations Acts to the agencies funded by this Act that remain available for obligation or expenditure in fiscal year 2019, or provided from any accounts in the Treasury of the United States derived by the collection of fees available to the agencies funded by this Act, shall be available for obligation or expenditure through a reprogramming of funds that—

(1) creates new programs;

(2) eliminates a program, project, or activity;

(3) increases funds or personnel by any means for any project or activity for which funds have been denied or restricted;

(4) relocates an office or employees;

(5) reorganizes or renames offices;

(6) reorganizes programs or activities; or

(7) contracts out or privatizes any functions or activities presently performed by Federal employees;

unless the Committees on Appropriations of the House of Representatives and the Senate are consulted 15 days in advance of such reprogramming or of an announcement of intent relating to such reprogramming, whichever occurs earlier, and are notified in writing 10 days in advance of such reprogramming.

(b) None of the funds provided under this Act, or provided under previous appropriations Acts to the agencies funded by this Act that remain available for obligation or expenditure in fiscal year 2019, or provided from any accounts in the Treasury of the United States derived by the collection of fees available to the agencies funded by this Act, shall be available for obligation or expenditure through a reprogramming of funds in excess of $500,000 or 10 percent, whichever is less, that—

(1) augments existing programs, projects (including construction projects), or activities;

(2) reduces by 10 percent funding for any existing program, project, or activity, or numbers of personnel by 10 percent as approved by Congress; or

(3) results from any general savings from a reduction in personnel which would result in a change in existing programs, activities, or projects as approved by Congress;

unless the Committees on Appropriations of the House of Representatives and the Senate are consulted 15 days in advance of such reprogramming or of an announcement of intent relating to such reprogramming, whichever occurs earlier, and are notified in writing 10 days in advance of such reprogramming.

SEC. 515. (a) None of the funds made available in this Act may be used to request that a candidate for appointment to a Federal scientific advisory committee disclose the political affiliation or voting history of the candidate or the position that the candidate holds with respect to political issues not directly related to and necessary for the work of the committee involved.

(b) None of the funds made available in this Act may be used to disseminate information that is deliberately false or misleading.

SEC. 516. Within 45 days of enactment of this Act, each department and related agency funded through this Act shall submit an operating plan that details at the program, project, and activity level any funding allocations for fiscal year 2019 that are different than those specified in this Act, the accompanying detailed table in the joint explanatory statement accompanying this Act or the fiscal year 2019 budget request.

SEC. 517. The Secretaries of Labor, Health and Human Services, and Education shall each prepare and submit to the Committees on Appropriations of the House of Representatives and the Senate a report on the number and amount of contracts, grants, and cooperative agreements exceeding $500,000 in value and awarded by the Department on a non-competitive basis during each quarter of fiscal year 2019, but not to include grants awarded on a formula basis or directed by law. Such report shall include the name of the contractor or grantee, the amount of funding, the governmental purpose, including a justification for issuing the award on a non-competitive basis. Such report shall be transmitted to the Committees within 30 days after the end of the quarter for which the report is submitted.

SEC. 518. None of the funds appropriated in this Act shall be expended or obligated by the Commissioner of Social Security, for purposes of administering Social Security benefit payments under title II of the Social Security Act, to process any claim for credit for a quarter of coverage based on work performed under a social security account number that is not the claimant's number and the performance of such work under such number has formed the basis for a conviction of the claimant of a violation of section 208(a)(6) or (7) of the Social Security Act.

SEC. 519. None of the funds appropriated by this Act may be used by the Commissioner of Social Security or the Social Security Administration to pay the compensation of employees of the Social Security Administration to administer Social Security benefit payments, under any agreement between the United States and Mexico establishing totalization arrangements between the social security system established by title II of the Social Security Act and the social security system of Mexico, which would not otherwise be payable but for such agreement.

SEC. 520. (a) None of the funds made available in this Act may be used to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography.

(b) Nothing in subsection (a) shall limit the use of funds necessary for any Federal, State, tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecution, or adjudication activities.

SEC. 521. None of the funds made available under this or any other Act, or any prior Appropriations Act, may be provided to the Association of Community Organizations for Reform Now (ACORN), or any of its affiliates, subsidiaries, allied organizations, or successors.

SEC. 522. For purposes of carrying out Executive Order 13589, Office of Management and Budget Memorandum M–12–12 dated May 11, 2012, and requirements contained in the annual appropriations bills relating to conference attendance and expenditures:

(1) the operating divisions of HHS shall be considered independent agencies; and

(2) attendance at and support for scientific conferences shall be tabulated separately from and not included in agency totals.

SEC. 523. Federal agencies funded under this Act shall clearly state within the text, audio, or video used for advertising or educational purposes, including emails or Internet postings, that the communication is printed, published, or produced and disseminated at U.S. taxpayer expense. The funds used by a Federal agency to carry out this requirement shall be derived from amounts made available to the agency for advertising or other communications regarding the programs and activities of the agency.

SEC. 524. (a) Federal agencies may use Federal discretionary funds that are made available in this Act to carry out up to 10 Performance Partnership Pilots. Such Pilots shall be governed by the provisions of section 526 of division H of Public Law 113–76, except that in carrying out such Pilots section 526 shall be applied by substituting "FISCAL YEAR 2019" for "FISCAL YEAR 2014" in the title of subsection (b) and by substituting "September 30, 2023" for "September 30, 2018" each place it appears: *Provided*,

That such pilots shall include communities that have experienced civil unrest.

(b) In addition, Federal agencies may use Federal discretionary funds that are made available in this Act to participate in Performance Partnership Pilots that are being carried out pursuant to the authority provided by section 526 of division H of Public Law 113–76, section 524 of division G of Public Law 113–235, section 525 of division H of Public Law 114–113, section 525 of division H of Public Law 115–31, and section 525 of division H of Public Law 115–141.

(c) Pilot sites selected under authorities in this Act and prior appropriations Acts may be granted by relevant agencies up to an additional 5 years to operate under such authorities.

31 USC 1502 note.

SEC. 525. Not later than 30 days after the end of each calendar quarter, beginning with the first month of fiscal year 2019, the Departments of Labor, Health and Human Services and Education and the Social Security Administration shall provide the Committees on Appropriations of the House of Representatives and Senate a report on the status of balances of appropriations: *Provided,* That for balances that are unobligated and uncommitted, committed, and obligated but unexpended, the monthly reports shall separately identify the amounts attributable to each source year of appropriation (beginning with fiscal year 2012, or, to the extent feasible, earlier fiscal years) from which balances were derived.

(RESCISSION)

SEC. 526. Of the unobligated balances available in the "National Service Trust" established in section 102 of the National and Community Service Trust Act of 1993, $150,000,000 are hereby rescinded.

(RESCISSION)

SEC. 527. Of any available amounts appropriated under section 2104(a)(22) of the Social Security Act (42 U.S.C. 1397dd) that are unobligated as of September 25, 2019, $2,061,000,000 are hereby rescinded as of such date.

SEC. 528. Amounts deposited in the Child Enrollment Contingency Fund prior to the beginning of fiscal year 2019 under section 2104(n)(2) of the Social Security Act and the income derived from investment of those funds pursuant to section 2104(n)(2)(C) of that Act, shall not be available for obligation in this fiscal year.

SEC. 529. Notwithstanding any other provision of this Act, no funds appropriated in this Act shall be used to purchase sterile needles or syringes for the hypodermic injection of any illegal drug: *Provided*, That such limitation does not apply to the use of funds for elements of a program other than making such purchases if the relevant State or local health department, in consultation with the Centers for Disease Control and Prevention, determines that the State or local jurisdiction, as applicable, is experiencing, or is at risk for, a significant increase in hepatitis infections or an HIV outbreak due to injection drug use, and such program is operating in accordance with State and local law.

This division may be cited as the "Departments of Labor, Health and Human Services, and Education, and Related Agencies Appropriations Act, 2019".

DIVISION C—CONTINUING APPROPRIATIONS ACT, 2019

Continuing Appropriations Act, 2019.

The following sums are hereby appropriated, out of any money in the Treasury not otherwise appropriated, and out of applicable corporate or other revenues, receipts, and funds, for the several departments, agencies, corporations, and other organizational units of Government for fiscal year 2019, and for other purposes, namely:

SEC. 101. Such amounts as may be necessary, at a rate for operations as provided in the applicable appropriations Acts for fiscal year 2018 and under the authority and conditions provided in such Acts, for continuing projects or activities (including the costs of direct loans and loan guarantees) that are not otherwise specifically provided for in this Act, that were conducted in fiscal year 2018, and for which appropriations, funds, or other authority were made available in the following appropriations Acts:

(1) The Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 2018 (division A of Public Law 115–141), except section 783.

(2) The Commerce, Justice, Science, and Related Agencies Appropriations Act, 2018 (division B of Public Law 115–141).

(3) The Energy and Water Development and Related Agencies Appropriations Act, 2018 (division D of Public Law 115–141).

(4) The Financial Services and General Government Appropriations Act, 2018 (division E of Public Law 115–141).

(5) The Department of Homeland Security Appropriations Act, 2018 (division F of Public Law 115–141) and title II of division M of Public Law 115–141.

(6) The Department of the Interior, Environment, and Related Agencies Appropriations Act, 2018 (division G of Public Law 115–141), except section 114, except for appropriations in the matter preceding the first proviso under the heading "Dwight D. Eisenhower Memorial Commission—Capital Construction", and except that the language in section 118 shall be applied as if the language read as follows: "Section 6906 of title 31, United States Code, shall continue in effect for this fiscal year".

(7) The Legislative Branch Appropriations Act, 2018 (division I of Public Law 115–141) and section 7(a) of Public Law 115–141.

(8) The Military Construction, Veterans Affairs, and Related Agencies Appropriations Act, 2018 (division J of Public Law 115–141), except section 243.

(9) The Department of State, Foreign Operations, and Related Programs Appropriations Act, 2018 (division K of Public Law 115–141).

(10) The Transportation, Housing and Urban Development, and Related Agencies Appropriations Act, 2018 (division L of Public Law 115–141).

SEC. 102. Appropriations made by section 101 shall be available to the extent and in the manner that would be provided by the pertinent appropriations Act.

SEC. 103. No appropriation or funds made available or authority granted pursuant to section 101 shall be used to initiate or resume any project or activity for which appropriations, funds, or other authority were not available during fiscal year 2018.

SEC. 104. Appropriations made and authority granted pursuant to this Act shall cover all obligations or expenditures incurred for any project or activity during the period for which funds or authority for such project or activity are available under this Act.

SEC. 105. Unless otherwise provided for in this Act or in the applicable appropriations Act for fiscal year 2019, appropriations and funds made available and authority granted pursuant to this Act shall be available until whichever of the following first occurs:

(1) the enactment into law of an appropriation for any project or activity provided for in this Act;

(2) the enactment into law of the applicable appropriations Act for fiscal year 2019 without any provision for such project or activity; or

(3) December 7, 2018.

SEC. 106. Expenditures made pursuant to this Act shall be charged to the applicable appropriation, fund, or authorization whenever a bill in which such applicable appropriation, fund, or authorization is contained is enacted into law.

SEC. 107. Appropriations made and funds made available by or authority granted pursuant to this Act may be used without regard to the time limitations for submission and approval of apportionments set forth in section 1513 of title 31, United States Code, but nothing in this Act may be construed to waive any other provision of law governing the apportionment of funds.

SEC. 108. Notwithstanding any other provision of this Act, except section 105, for those programs that would otherwise have high initial rates of operation or complete distribution of appropriations at the beginning of fiscal year 2019 because of distributions of funding to States, foreign countries, grantees, or others, such high initial rates of operation or complete distribution shall not be made, and no grants shall be awarded for such programs funded by this Act that would impinge on final funding prerogatives.

SEC. 109. This Act shall be implemented so that only the most limited funding action of that permitted in the Act shall be taken in order to provide for continuation of projects and activities.

SEC. 110. (a) For entitlements and other mandatory payments whose budget authority was provided in appropriations Acts for fiscal year 2018, and for activities under the Food and Nutrition Act of 2008, activities shall be continued at the rate to maintain program levels under current law, under the authority and conditions provided in the applicable appropriations Act for fiscal year 2018, to be continued through the date specified in section 105(3).

(b) Notwithstanding section 105, obligations for mandatory payments due on or about the first day of any month that begins after October 2018 but not later than 30 days after the date specified in section 105(3) may continue to be made, and funds shall be available for such payments.

SEC. 111. Amounts made available under section 101 for civilian personnel compensation and benefits in each department and agency may be apportioned up to the rate for operations necessary to avoid furloughs within such department or agency, consistent with the applicable appropriations Act for fiscal year 2018, except that such authority provided under this section shall not be used until after the department or agency has taken all necessary actions to reduce or defer non-personnel-related administrative expenses.

SEC. 112. Funds appropriated by this Act may be obligated and expended notwithstanding section 10 of Public Law 91–672 (22 U.S.C. 2412), section 15 of the State Department Basic Authorities Act of 1956 (22 U.S.C. 2680), section 313 of the Foreign Relations Authorization Act, Fiscal Years 1994 and 1995 (22 U.S.C. 6212), and section 504(a)(1) of the National Security Act of 1947 (50 U.S.C. 3094(a)(1)).

SEC. 113. (a) Each amount incorporated by reference in this Act that was previously designated by the Congress for Overseas Contingency Operations/Global War on Terrorism or as an emergency requirement pursuant to section 251(b)(2)(A) of the Balanced Budget and Emergency Deficit Control Act of 1985 or as being for disaster relief pursuant to section 251(b)(2)(D) of such Act is designated by the Congress for Overseas Contingency Operations/Global War on Terrorism or as an emergency requirement pursuant to section 251(b)(2)(A) of such Act or as being for disaster relief pursuant to section 251(b)(2)(D) of such Act, respectively.

(b) Section 6 of Public Law 115–141 shall apply to amounts designated in subsection (a) for Overseas Contingency Operations/Global War on Terrorism or as an emergency requirement.

SEC. 114. Amounts made available by section 101 for "Department of Agriculture—Food and Nutrition Service—Child Nutrition Programs" to carry out section 749(g) of the Agriculture Appropriations Act of 2010 (Public Law 111–80) may be apportioned up to the rate for operations necessary to ensure that the program can be fully operational by May, 2019.

SEC. 115. Notwithstanding section 101, amounts are available in the "Rural Utilities Service—Rural Water and Waste Disposal Program Account" of the Department of Agriculture for gross obligations for the principal amount of direct loans as authorized by section 306 of the Consolidated Farm and Rural Development Act not to exceed $4,141,176,000.

SEC. 116. Amounts provided by section 110 to the Department of Agriculture for "Corporations—Commodity Credit Corporation Fund—Reimbursement for Net Realized Losses" may be used, prior to the completion of the report described in section 2 of the Act of August 17, 1961 (15 U.S.C. 713a–11), to reimburse the Commodity Credit Corporation for net realized losses sustained, but not previously reimbursed, as reflected in the June 2018 report of its financial condition.

SEC. 117. In addition to amounts provided by section 101, amounts are provided for "Department of Agriculture—Agricultural Research Service—Salaries and Expenses" at a rate for operations of $42,000,000 for the operation and maintenance of the National Bio and Agro-Defense Facility.

SEC. 118. Any program, authority, or provision, including any pilot program, authorized under the Violence Against Women Reauthorization Act of 2013 (Public Law 113–4; 127 Stat. 54) shall continue in effect through the date specified in section 105(3) of this Act.

SEC. 119. (a) Funds made available by section 101 for "Department of Energy—Energy Programs—Uranium Enrichment Decontamination and Decommissioning Fund" may be apportioned up to the rate for operations necessary to avoid disruption of continuing projects or activities funded in this appropriation.

(b) The Secretary of Energy shall notify the Committees on Appropriations of the House of Representatives and the Senate

not later than 3 days after each use of the authority provided in subsection (a).

SEC. 120. Notwithstanding section 101, the matter preceding the first proviso under the heading "Department of Energy—Power Marketing Administrations—Operation and Maintenance, Southwestern Power Administration" in division D of the Consolidated Appropriations Act, 2018 (Public Law 115–141) shall be applied by substituting "$43,488,000" for "$30,288,000"; the first proviso under such heading shall be applied by substituting "$33,088,000" for "$18,888,000"; and the second proviso under such heading shall be applied by substituting "$10,400,000" for "$11,400,000".

SEC. 121. Notwithstanding section 101, amounts are provided to the Department of the Treasury for "Departmental Offices—Salaries and Expenses" at a rate for operations of $214,576,000.

SEC. 122. Notwithstanding any other provision of this Act, except section 105, the District of Columbia may expend local funds under the heading "District of Columbia Funds" for such programs and activities under the District of Columbia Appropriations Act, 2018 (title IV of division E of Public Law 115–141) at the rate set forth under "Part A—Summary of Expenses" as included in the Fiscal Year 2019 Local Budget Act of 2018 (D.C. Act 22–397), as modified as of the date of the enactment of this Act.

SEC. 123. Amounts made available by section 101 for "Small Business Administration—Business Loans Program Account" may be apportioned up to the rate for operations necessary to accommodate increased demand for commitments for general business loans authorized under section 7(a) of the Small Business Act (15 U.S.C. 636(a)).

SEC. 124. Amounts made available by section 101 for "Department of Homeland Security—Federal Emergency Management Agency—Disaster Relief Fund" may be apportioned up to the rate for operations necessary to carry out response and recovery activities under the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 et seq.).

SEC. 125. The Secretary of Homeland Security may transfer up to $15,000,000 in unexpended balances of amounts made available to the Department of Homeland Security under the heading "Science and Technology Directorate—Operations and Support" in division F of the Consolidated Appropriations Act, 2018 (Public Law 115–141) to the Department of Agriculture for the purpose of contract support of the operations of the National Bio and Agro-defense Facility.

SEC. 126. Amounts made available by section 101 for the "U.S. Customs and Border Protection—Operations and Support", "U.S. Immigration and Customs Enforcement—Operations and Support", and "United States Secret Service—Operations and Support" accounts of the Department of Homeland Security may be apportioned at a rate for operations necessary to maintain not less than the number of the staff achieved on September 30, 2018.

SEC. 127. Amounts made available by section 101 for the Department of Homeland Security for "United States Secret Service—Procurement, Construction, and Improvements" may be apportioned up to the rate for operations necessary to purchase base platform vehicles in support of the fully armored vehicle program.

SEC. 128. Amounts made available by section 101 to the Department of Homeland Security for "Office of the Secretary and Executive Management—Operations and Support", "Management Directorate—Operations and Support", and "Intelligence, Analysis, and Operations Coordination—Operations and Support" may be apportioned up to the rate for operations necessary to carry out activities previously funded by the Working Capital Fund of the Department of Homeland Security, consistent with the fiscal year 2019 President's Budget.

SEC. 129. (a) In addition to amounts provided by section 101, amounts are provided for "Department of Health and Human Services—Indian Health Service—Indian Health Services" at a rate for operations of $14,112,000, for an additional amount for costs of staffing and operating facilities that were opened, renovated, or expanded in fiscal year 2018, and such amounts may be apportioned up to the rate for operations necessary to staff and operate such facilities.

(b) In addition to amounts provided by section 101, amounts are provided for "Department of Health and Human Services—Indian Health Service—Indian Health Facilities" at a rate for operations of $1,200,000, for an additional amount for costs of staffing and operating facilities that were opened, renovated, or expanded in fiscal year 2018, and such amounts may be apportioned up to the rate for operations necessary to staff and operate newly constructed facilities.

SEC. 130. Section 810 of the Federal Lands Recreation Enhancement Act (16 U.S.C. 6809) shall be applied by substituting "September 30, 2020" for "September 30, 2019".

SEC. 131. Notwithstanding section 101, the matter preceding the first proviso and the second proviso under the heading "Environmental Protection Agency—Hazardous Waste Electronic Manifest System Fund" in division G of Public Law 115–141 shall be applied by substituting "$8,000,000" for "$3,674,000" each place it appears: *Provided*, That such amounts may be apportioned up to the rate for operations necessary and amounts made available by section 101 for "Environmental Protection Agency" may be transferred between appropriations under such heading as necessary to ensure that the Hazardous Waste Electronic Manifest System becomes fully operational.

SEC. 132. (a) The following sections of the Federal Insecticide, Fungicide, and Rodenticide Act shall continue in effect through the date specified in section 105(3) of this Act—

(1) subparagraphs (C) through (E) of section 4(i)(1) (7 U.S.C. 136a–1(i)(1)(C)–(E));

(2) section 4(k)(3) (7 U.S.C. 136a–1(k)(3));

(3) section 4(k)(4) (7 U.S.C. 136a–1(k)(4)); and

(4) section 33(c)(3)(B) (7 U.S.C. 136w–8(c)(3)(B)).

(b)(1) Section 4(i)(1)(I) of the Federal Insecticide, Fungicide, and Rodenticide Act (7 U.S.C. 136a–1(i)(1)(I)) shall be applied by substituting the date specified in section 105(3) of this Act for "September 30, 2017".

(2) Notwithstanding section 33(m)(2) of the Federal Insecticide, Fungicide, and Rodenticide Act (7 U.S.C. 136w–8(m)(2)), section 33(m)(1) of such Act (7 U.S.C. 136w–8(m)(1)) shall be applied by substituting the date specified in section 105(3) of this Act for "September 30, 2017".

42 USC 18601.

SEC. 2. DEFINITIONS.

In this Act:

(1) DEPARTMENT.—The term "Department" means the Department of Energy.

(2) DIRECTOR.—The term "Director" means the Director of the Office of Science of the Department, except as otherwise indicated.

(3) NATIONAL LABORATORY.—The term "National Laboratory" has the meaning given that term in section 2 of the Energy Policy Act of 2005 (42 U.S.C. 15801).

(4) SECRETARY.—The term "Secretary" means the Secretary of Energy.

TITLE I—LABORATORY MODERNIZATION AND TECHNOLOGY TRANSFER

Laboratory Modernization and Technology Transfer Act.

SEC. 101. SHORT TITLE.

42 USC 18601 note.

This title may be cited as the "Laboratory Modernization and Technology Transfer Act".

SEC. 102. INCLUSION OF EARLY STAGE TECHNOLOGY DEMONSTRATION IN AUTHORIZED TECHNOLOGY TRANSFER ACTIVITIES.

Section 1001 of the Energy Policy Act of 2005 (42 U.S.C. 16391) is amended—

(1) by redesignating subsection (g) as subsection (h); and

(2) by inserting after subsection (f) the following:

"(g) EARLY STAGE TECHNOLOGY DEMONSTRATION.—The Secretary shall permit the directors of the National Laboratories to use funds authorized to support technology transfer within the Department to carry out early stage and precommercial technology demonstration activities to remove technology barriers that limit private sector interest and demonstrate potential commercial applications of any research and technologies arising from National Laboratory activities.".

SEC. 103. SENSE OF CONGRESS ON ACCELERATING ENERGY INNOVATION.

42 USC 18611.

It is the sense of Congress that—

(1) although important progress has been made in cost reduction and deployment of clean energy technologies, accelerating clean energy innovation will help meet critical competitiveness, energy security, and environmental goals;

(2) accelerating the pace of clean energy innovation in the United States calls for—

(A) supporting existing research and development programs at the Department and the world-class National Laboratories;

(B) exploring and developing new pathways for innovators, investors, and decision-makers to leverage the resources of the Department for addressing the challenges and comparative strengths of geographic regions; and

(C) recognizing the financial constraints of the Department, regularly reviewing clean energy programs to ensure that taxpayer investments are maximized;

(3) the energy supply, demand, policies, markets, and resource options of the United States vary by geographic region;

(4) a regional approach to innovation can bridge the gaps between local talent, institutions, and industries to identify opportunities and convert United States investment into domestic companies; and

(5) Congress, the Secretary, and energy industry participants should advance efforts that promote international,

domestic, and regional cooperation on the research and development of energy innovations that—

(A) provide clean, affordable, and reliable energy for everyone;

(B) promote economic growth;

(C) are critical for energy security; and

(D) are sustainable without government support.

42 USC 18612.

SEC. 104. RESTORATION OF LABORATORY DIRECTED RESEARCH AND DEVELOPMENT PROGRAM.

(a) IN GENERAL.—Except as provided in subsection (b), the Secretary shall ensure that laboratory operating contractors do not allocate costs of general and administrative overhead to laboratory directed research and development.

(b) EXCEPTION FOR NATIONAL SECURITY LABORATORIES.—This section shall not apply to the national security laboratories with respect to which section 3119 of the National Defense Authorization Act for Fiscal Year 2017 (Public Law 114–328) applies.

42 USC 18613.

SEC. 105. RESEARCH GRANTS DATABASE.

Public information.

(a) IN GENERAL.—The Secretary shall establish and maintain a public database, accessible on the website of the Department, that contains a searchable listing of each unclassified research and development project contract, grant, cooperative agreement, task order for a federally funded research and development center, or other transaction administered by the Department.

(b) REQUIREMENTS.—Each listing described in subsection (a) shall include, at a minimum, for each listed project, the Department office carrying out the project, the project name, an abstract or summary of the project, funding levels, project duration, contractor or grantee name (including the names of any subcontractors), and expected objectives and milestones.

(c) RELEVANT LITERATURE AND PATENTS.—The Secretary shall provide information through the public database established under subsection (a) on relevant literature and patents that are associated with each research and development project contract, grant, or cooperative agreement, or other transaction, of the Department.

Reports. Recommendations. 42 USC 18614.

SEC. 106. TECHNOLOGY TRANSFER AND TRANSITIONS ASSESSMENT.

Not later than 1 year after the date of enactment of this Act, and as often as the Secretary determines to be necessary thereafter, the Secretary shall transmit to the appropriate committees of Congress a report that includes recommended changes to the policy of the Department and legislative changes to section 1001 of the Energy Policy Act of 2005 (42 U.S.C. 16391) to improve the ability of the Department to successfully transfer new energy technologies to the private sector.

42 USC 18615.

SEC. 107. AGREEMENTS FOR COMMERCIALIZING TECHNOLOGY PILOT PROGRAM.

(a) IN GENERAL.—The Secretary shall carry out the Agreements for Commercializing Technology pilot program of the Department, as announced by the Secretary on December 8, 2011, in accordance with this section.

(b) TERMS.—Each agreement entered into pursuant to the pilot program referred to in subsection (a) shall provide to the contractor of the applicable National Laboratory, to the maximum extent determined to be appropriate by the Secretary, increased authority to

negotiate contract terms, such as intellectual property rights, payment structures, performance guarantees, and multiparty collaborations.

(c) ELIGIBILITY.—

(1) IN GENERAL.—Any director of a National Laboratory may enter into an agreement pursuant to the pilot program referred to in subsection (a).

(2) AGREEMENTS WITH NON-FEDERAL ENTITIES.—To carry out paragraph (1) and subject to paragraph (3), the Secretary shall permit the directors of the National Laboratories to execute agreements with a non-Federal entity, including a non-Federal entity already receiving Federal funding that will be used to support activities under agreements executed pursuant to paragraph (1), provided that such funding is solely used to carry out the purposes of the Federal award.

(3) RESTRICTION.—The requirements of chapter 18 of title 35, United States Code (commonly known as the "Bayh-Dole Act") shall apply if— Applicability.

(A) the agreement is a funding agreement (as that term is defined in section 201 of that title); and

(B) at least one of the parties to the funding agreement is eligible to receive rights under that chapter.

(d) SUBMISSION TO SECRETARY.—Each affected director of a National Laboratory shall submit to the Secretary, with respect to each agreement entered into under this section—

(1) a summary of information relating to the relevant project; Summary.

(2) the total estimated costs of the project; Cost estimate.

(3) estimated commencement and completion dates of the project; and Timeframe estimate.

(4) other documentation determined to be appropriate by the Secretary.

(e) CERTIFICATION.—The Secretary shall require the contractor of the affected National Laboratory to certify that each activity carried out under a project for which an agreement is entered into under this section—

(1) is not in direct competition with the private sector; and

(2) does not present, or minimizes, any apparent conflict of interest, and avoids or neutralizes any actual conflict of interest, as a result of the agreement under this section.

(f) EXTENSION.—The pilot program referred to in subsection (a) shall be extended until September 30, 2019.

(g) REPORTS.— Coordination.

(1) OVERALL ASSESSMENT.—Not later than 60 days after the date described in subsection (f), the Secretary, in coordination with directors of the National Laboratories, shall submit to the appropriate committees of Congress a report that— Assessments.

(A) assesses the overall effectiveness of the pilot program referred to in subsection (a);

(B) identifies opportunities to improve the effectiveness of the pilot program;

(C) assesses the potential for program activities to interfere with the responsibilities of the National Laboratories to the Department; and

(D) provides a recommendation regarding the future of the pilot program. Recommendations.

(2) TRANSPARENCY.—The Secretary, in coordination with directors of the National Laboratories, shall submit to the appropriate committees of Congress an annual report that accounts for all incidences of, and provides a justification for, non-Federal entities using funds derived from a Federal contract or award to carry out agreements pursuant to this section.

SEC. 108. SHORT-TERM COST-SHARE PILOT PROGRAM.

(a) IN GENERAL.—Section 988(b) of the Energy Policy Act of 2005 (42 U.S.C. 16352(b)) is amended—

(1) in paragraph (1), by striking "Except as provided in paragraphs (2) and (3)" and inserting "Except as provided in paragraphs (2), (3), and (4)"; and

(2) by adding at the end the following:

"(4) EXEMPTION FOR INSTITUTIONS OF HIGHER EDUCATION AND OTHER NONPROFIT INSTITUTIONS.—

"(A) IN GENERAL.—Paragraph (1) shall not apply to a research or development activity performed by an institution of higher education or nonprofit institution (as defined in section 4 of the Stevenson-Wydler Technology Innovation Act of 1980 (15 U.S.C. 3703)).

Applicability. Time period.

"(B) TERMINATION DATE.—The exemption under subparagraph (A) shall apply during the 2-year period beginning on the date of enactment of this paragraph.".

Time periods.

(b) REPORTS.—

(1) INITIAL REPORT.—As soon as practicable after the date of enactment of this Act, the Secretary shall submit to the appropriate committees of Congress a report that describes the use of cost-sharing waivers by the Department under section 988(b) of the Energy Policy Act of 2005 (42 U.S.C. 16352(b)) during the 2-year period ending on the date of enactment of this Act.

(2) ANNUAL REPORTS.—Annually during the 2-year period beginning on the date of enactment of this Act, the Secretary shall submit to the appropriate committees of Congress a report that describes the use of cost-sharing waivers by the Department under section 988(b) of the Energy Policy Act of 2005 (42 U.S.C. 16352(b)) during the period covered by the report.

Department of Energy Research Coordination Act.

TITLE II—DEPARTMENT OF ENERGY RESEARCH COORDINATION

42 USC 18601 note.

SEC. 201. SHORT TITLE.

This title may be cited as the "Department of Energy Research Coordination Act".

SEC. 202. PROTECTION OF INFORMATION.

Section 5012 of the America Competes Act (42 U.S.C. 16538) is amended—

(1) in subsection (a)(3), by striking "subsection (n)(1)" and inserting "subsection (o)(1)";

(2) by redesignating subsection (n) as subsection (o); and

(3) by inserting after subsection (m) the following:

"(n) PROTECTION OF INFORMATION.—The following types of information collected by ARPA–E from recipients of financial assistance awards shall be considered commercial and financial information obtained from a person and privileged or confidential and not subject to disclosure under section 552(b)(4) of title 5, United States Code:

"(1) Plans for commercialization of technologies developed under the award, including business plans, technology-to-market plans, market studies, and cost and performance models.

"(2) Investments provided to an awardee from third parties (such as venture capital firms, hedge funds, and private equity firms), including amounts and the percentage of ownership of the awardee provided in return for the investments.

"(3) Additional financial support that the awardee—

"(A) plans to or has invested into the technology developed under the award; or

"(B) is seeking from third parties.

"(4) Revenue from the licensing or sale of new products or services resulting from research conducted under the award.".

SEC. 203. CROSSCUTTING RESEARCH AND DEVELOPMENT.

42 USC 18631.

(a) IN GENERAL.—The Secretary shall use the capabilities of the Department to identify strategic opportunities for collaborative research, development, demonstration, and commercial application of innovative science and technologies.

(b) EXISTING PROGRAMS; COORDINATION OF ACTIVITIES.—To the maximum extent practicable, the Secretary shall seek—

(1) to leverage existing programs of the Department; and

(2) to consolidate and coordinate activities throughout the Department to promote collaboration and crosscutting approaches within programs of the Department.

(c) ADDITIONAL ACTIONS.—The Secretary shall—

(1) prioritize activities that use all affordable domestic resources;

(2) develop a planning, evaluation, and technical assessment framework for setting objective long-term strategic goals and evaluating progress that—

(A) ensures integrity and independence; and

(B) provides the flexibility to adapt to market dynamics;

(3) ensure that activities shall be undertaken in a manner that does not duplicate other activities within the Department or other Federal Government activities; and

(4) identify programs that may be more effectively left to the States, industry, nongovernmental organizations, institutions of higher education, or other stakeholders.

SEC. 204. STRATEGIC RESEARCH PORTFOLIO ANALYSIS AND COORDINATION PLAN.

The Energy Policy Act of 2005 is amended by striking section 994 (42 U.S.C. 16358) and inserting the following:

42 USC 16358.

"SEC. 994. STRATEGIC RESEARCH PORTFOLIO ANALYSIS AND COORDINATION PLAN.

"(a) IN GENERAL.—The Secretary shall periodically review all of the science and technology activities of the Department in a strategic framework that takes into account—

"(1) the frontiers of science to which the Department can contribute;

"(2) the national needs relevant to the statutory missions of the Department; and

"(3) global energy dynamics.

"(b) COORDINATION ANALYSIS AND PLAN.—

"(1) IN GENERAL.—As part of the review under subsection (a), the Secretary shall develop a plan to improve coordination and collaboration in research, development, demonstration, and commercial application activities across organizational boundaries of the Department.

"(2) PLAN CONTENTS.—The plan developed under paragraph (1) shall describe—

"(A) crosscutting scientific and technical issues and research questions that span more than one program or major office of the Department;

"(B) ways in which the applied technology programs of the Department are coordinating activities and addressing the questions referred to in subparagraph (A);

"(C) ways in which the technical interchange within the Department, particularly between the Office of Science and the applied technology programs, could be enhanced, including ways in which the research agendas of the Office of Science and the applied programs could better interact and assist each other;

"(D) ways in which the Secretary would ensure that the overall research agenda of the Department includes, in addition to fundamental, curiosity-driven research, fundamental research related to topics of concern to the applied programs, and applications in Departmental technology programs of research results generated by fundamental, curiosity-driven research;

Assessments.

"(E) critical assessments of any ongoing programs that have experienced subpar performance or cost overruns of 10 percent or more over 1 or more years;

"(F) any activities that may be more effectively left to the States, industry, nongovernmental organizations, institutions of higher education, or other stakeholders; and

Evaluations.
Proposals.

"(G) detailed evaluations and proposals for innovation hubs, institutes, and research centers of the Department, including—

"(i) an affirmation that the hubs, institutes, and research centers will—

"(I) advance the mission of the Department; and

"(II) prioritize research, development, and demonstration; and

"(ii) an affirmation that any hubs, institutes, or research centers that are established or renewed within the Office of Science are consistent with the mission of the Office of Science described in subsection (c)

of section 209 of the Department of Energy Organization Act (42 U.S.C. 7139).

"(c) SUBMISSION TO CONGRESS.—Every 4 years, the Secretary shall submit to Congress— Time period.

"(1) the results of the review under subsection (a); and

"(2) the coordination plan under subsection (b).".

SEC. 205. STRATEGY FOR FACILITIES AND INFRASTRUCTURE.

(a) AMENDMENTS.—Section 993 of the Energy Policy Act of 2005 (42 U.S.C. 16357) is amended—

(1) by striking the section heading and inserting the following: "**STRATEGY FOR FACILITIES AND INFRASTRUCTURE**"; and

(2) in subsection (b)(1), by striking "2008" and inserting "2018".

(b) CLERICAL AMENDMENT.—The table of contents in section 1(b) of the Energy Policy Act of 2005 is amended by striking the item relating to section 993 and inserting the following:

"Sec. 993. Strategy for facilities and infrastructure.".

SEC. 206. ENERGY INNOVATION HUBS. 42 USC 18632.

(a) DEFINITIONS.—In this section:

(1) ADVANCED ENERGY TECHNOLOGY.—The term "advanced energy technology" means—

(A) an innovative technology—

(i) that produces energy from solar, wind, geothermal, biomass, tidal, wave, ocean, or other renewable energy resources;

(ii) that produces nuclear energy;

(iii) for carbon capture and sequestration;

(iv) that enables advanced vehicles, vehicle components, and related technologies that result in significant energy savings;

(v) that generates, transmits, distributes, uses, or stores energy more efficiently than conventional technologies, including through Smart Grid technologies; or

(vi) that enhances the energy independence and security of the United States by enabling improved or expanded supply and production of domestic energy resources, including coal, oil, and natural gas;

(B) a research, development, demonstration, or commercial application activity necessary to ensure the long-term, secure, and sustainable supply of an energy-critical element; or

(C) any other innovative energy technology area identified by the Secretary.

(2) HUB.—

(A) IN GENERAL.—The term "Hub" means an Energy Innovation Hub established under this section.

(B) INCLUSION.—The term "Hub" includes any Energy Innovation Hub in existence on the date of enactment of this Act.

(3) QUALIFYING ENTITY.—The term "qualifying entity" means—

(A) an institution of higher education;

(B) an appropriate State or Federal entity, including a federally funded research and development center of the Department;

(C) a nongovernmental organization with expertise in advanced energy technology research, development, demonstration, or commercial application; or

(D) any other relevant entity the Secretary determines appropriate.

(b) AUTHORIZATION OF PROGRAM.—

(1) IN GENERAL.—The Secretary shall carry out a program to enhance the economic, environmental, and energy security of the United States by making awards to consortia for establishing and operating hubs, to be known as "Energy Innovation Hubs", to conduct and support, at, if practicable, one centralized location, multidisciplinary, collaborative research, development, demonstration, and commercial application of advanced energy technologies.

Designation.

(2) TECHNOLOGY DEVELOPMENT FOCUS.—The Secretary shall designate for each Hub a unique advanced energy technology or basic research focus.

(3) COORDINATION.—The Secretary shall ensure the coordination of, and avoid unnecessary duplication of, the activities of each Hub with the activities of—

(A) other research entities of the Department, including the National Laboratories, the Advanced Research Projects Agency—Energy, and Energy Frontier Research Centers; and

(B) industry.

(c) APPLICATION PROCESS.—

(1) ELIGIBILITY.—To be eligible to receive an award for the establishment and operation of a Hub under subsection (b)(1), a consortium shall—

(A) be composed of not fewer than two qualifying entities;

(B) operate subject to a binding agreement, entered into by each member of the consortium, that documents—

(i) the proposed partnership agreement, including the governance and management structure of the Hub;

(ii) measures the consortium will undertake to enable cost-effective implementation of activities under the program described in subsection (b)(1); and

(iii) a proposed budget, including financial contributions from non-Federal sources; and

(C) operate as a nonprofit organization.

(2) APPLICATION.—

(A) IN GENERAL.—A consortium seeking to establish and operate a Hub under subsection (b)(1) shall submit to the Secretary an application at such time, in such manner, and containing such information as the Secretary may require, including a detailed description of each element of the consortium agreement required under paragraph (1)(B).

(B) REQUIREMENT.—If the consortium members will not be located at one centralized location, the application under subparagraph (A) shall include a communications plan that ensures close coordination and integration of Hub activities.

(3) SELECTION.—

(A) IN GENERAL.—The Secretary shall select consortia for awards for the establishment and operation of Hubs through a competitive selection process.

(B) CONSIDERATIONS.—In selecting consortia under subparagraph (A), the Secretary shall consider—

(i) the information disclosed by the consortium under this subsection; and

(ii) any existing facilities a consortium will provide for Hub activities.

(d) TERM.—

(1) IN GENERAL.—An award made to a Hub under this section shall be for a period of not more than 5 years, subject to the availability of appropriations, after which the award may be renewed, subject to a rigorous merit review.

(2) EXISTING HUBS.—A Hub already in existence on, or undergoing a renewal process on, the date of enactment of this Act—

(A) may continue to receive support during the 5-year period beginning on the date of establishment of that Hub; and

(B) shall be eligible for renewal of that support at the end of that 5-year period.

(e) HUB OPERATIONS.—

(1) IN GENERAL.—Each Hub shall conduct or provide for multidisciplinary, collaborative research, development, demonstration, and commercial application of advanced energy technologies within the technology development focus designated under subsection (b)(2).

(2) ACTIVITIES.—Each Hub shall—

(A) encourage collaboration and communication among the member qualifying entities of the consortium and awardees;

(B) develop and publish proposed plans and programs on a publicly accessible website; Plans. Web posting.

(C) submit an annual report to the Department summarizing the activities of the Hub, including— Reports.

(i) detailing organizational expenditures; and

(ii) describing each project undertaken by the Hub; and

(D) monitor project implementation and coordination.

(3) CONFLICTS OF INTEREST.—Each Hub shall maintain conflict of interest procedures, consistent with the conflict of interest procedures of the Department.

(4) PROHIBITION ON CONSTRUCTION.—

(A) IN GENERAL.—Except as provided in subparagraph (B)—

(i) no funds provided under this section may be used for construction of new buildings or facilities for Hubs; and

(ii) construction of new buildings or facilities shall not be considered as part of the non-Federal share of a Hub cost-sharing agreement.

(B) TEST BED AND RENOVATION EXCEPTION.—Nothing in this paragraph prohibits the use of funds provided under this section or non-Federal cost share funds for the construction of a test bed or renovations to existing

buildings or facilities for the purposes of research if the Secretary determines that the test bed or renovations are limited to a scope and scale necessary for the research to be conducted.

Department of Energy Office of Science Policy Act.

TITLE III—DEPARTMENT OF ENERGY OFFICE OF SCIENCE POLICY

42 USC 18601 note.

SEC. 301. SHORT TITLE.

This title may be cited as the "Department of Energy Office of Science Policy Act".

SEC. 302. MISSION.

Section 209 of the Department of Energy Organization Act (42 U.S.C. 7139) is amended by adding at the end the following:

"(c) MISSION.—The mission of the Office of Science shall be the delivery of scientific discoveries, capabilities, and major scientific tools to transform the understanding of nature and to advance the energy, economic, and national security of the United States.".

SEC. 303. BASIC ENERGY SCIENCES.

42 USC 18641.

(a) ENERGY FRONTIER RESEARCH CENTERS.—

(1) IN GENERAL.—The Director shall carry out a program to provide awards, on a competitive, merit-reviewed basis, to multi-institutional collaborations or other appropriate entities to conduct fundamental and use-inspired energy research to accelerate scientific breakthroughs.

(2) COLLABORATIONS.—A collaboration receiving an award under this subsection may include multiple types of institutions and private sector entities.

(3) SELECTION AND DURATION.—

(A) IN GENERAL.—A collaboration under this subsection shall be selected for a period of 4 years.

(B) EXISTING CENTERS.—An Energy Frontier Research Center in existence and supported by the Director on the date of enactment of this Act may continue to receive support for a period of 4 years beginning on the date of establishment of that center.

(C) REAPPLICATION.—After the end of the period described in subparagraph (A) or (B), as applicable, a recipient of an award may reapply for selection on a competitive, merit-reviewed basis.

(D) TERMINATION.—Consistent with the existing authorities of the Department, the Director may terminate an underperforming center for cause during the performance period.

(4) NO FUNDING FOR CONSTRUCTION.—No funding provided pursuant to this subsection may be used for the construction of new buildings or facilities.

42 USC 18641.

(b) BASIC ENERGY SCIENCES USER FACILITIES.—

(1) IN GENERAL.—The Director shall carry out a program for the development, construction, operation, and maintenance of national user facilities.

(2) REQUIREMENTS.—To the maximum extent practicable, the national user facilities developed, constructed, operated,

or maintained under paragraph (1) shall serve the needs of the Department, industry, the academic community, and other relevant entities to create and examine materials and chemical processes for the purpose of improving the competitiveness of the United States.

(3) INCLUDED FACILITIES.—The national user facilities developed, constructed, operated, or maintained under paragraph (1) shall include—

(A) x-ray light sources;

(B) neutron sources;

(C) nanoscale science research centers; and

(D) such other facilities as the Director considers appropriate, consistent with section 209 of the Department of Energy Organization Act (42 U.S.C. 7139).

(c) ACCELERATOR RESEARCH AND DEVELOPMENT.—The Director shall carry out research and development on advanced accelerator and storage ring technologies relevant to the development of basic energy sciences user facilities, in consultation with the High Energy Physics and Nuclear Physics programs of the Office of Science. Consultation. 42 USC 18641.

(d) SOLAR FUELS RESEARCH INITIATIVE.—

(1) IN GENERAL.—Section 973 of the Energy Policy Act of 2005 (42 U.S.C. 16313) is amended to read as follows:

"SEC. 973. SOLAR FUELS RESEARCH INITIATIVE.

"(a) INITIATIVE.—

"(1) IN GENERAL.—The Secretary shall carry out a research initiative, to be known as the 'Solar Fuels Research Initiative' (referred to in this section as the 'Initiative') to expand theoretical and fundamental knowledge of photochemistry, electrochemistry, biochemistry, and materials science useful for the practical development of experimental systems to convert solar energy to chemical energy.

"(2) LEVERAGING.—In carrying out programs and activities under the Initiative, the Secretary shall leverage expertise and resources from—

"(A) the Basic Energy Sciences Program and the Biological and Environmental Research Program of the Office of Science; and

"(B) the Office of Energy Efficiency and Renewable Energy.

"(3) TEAMS.—

"(A) IN GENERAL.—In carrying out the Initiative, the Secretary shall organize activities among multidisciplinary teams to leverage, to the maximum extent practicable, expertise from the National Laboratories, institutions of higher education, and the private sector.

"(B) GOALS.—The multidisciplinary teams described in subparagraph (A) shall pursue aggressive, milestone-driven, basic research goals.

"(C) RESOURCES.—The Secretary shall provide sufficient resources to the multidisciplinary teams described in subparagraph (A) to achieve the goals described in subparagraph (B) over a period of time to be determined by the Secretary.

"(4) ADDITIONAL ACTIVITIES.—The Secretary may organize additional activities under this subsection through Energy

Frontier Research Centers, Energy Innovation Hubs, or other organizational structures.

"(b) ARTIFICIAL PHOTOSYNTHESIS.—

"(1) IN GENERAL.—The Secretary shall carry out under the Initiative a program to support research needed to bridge scientific barriers to, and discover knowledge relevant to, artificial photosynthetic systems.

"(2) ACTIVITIES.—As part of the program described in paragraph (1)—

"(A) the Director of the Office of Basic Energy Sciences shall support basic research to pursue distinct lines of scientific inquiry, including—

"(i) photoinduced production of hydrogen and oxygen from water; and

"(ii) the sustainable photoinduced reduction of carbon dioxide to fuel products including hydrocarbons, alcohols, carbon monoxide, and natural gas; and

"(B) the Assistant Secretary for Energy Efficiency and Renewable Energy shall support translational research, development, and validation of physical concepts developed under the program.

"(3) STANDARD OF REVIEW.—The Secretary shall review activities carried out under the program described in paragraph (1) to determine the achievement of technical milestones.

"(4) PROHIBITION.—No funds allocated to the program described in paragraph (1) may be obligated or expended for commercial application of energy technology.

"(c) BIOCHEMISTRY, REPLICATION OF NATURAL PHOTOSYNTHESIS, AND RELATED PROCESSES.—

"(1) IN GENERAL.—The Secretary shall carry out under the Initiative a program to support research needed to replicate natural photosynthetic processes by use of artificial photosynthetic components and materials.

"(2) ACTIVITIES.—As part of the program described in paragraph (1)—

"(A) the Director of the Office of Basic Energy Sciences shall support basic research to expand fundamental knowledge to replicate natural synthesis processes, including—

"(i) the photoinduced reduction of dinitrogen to ammonia;

"(ii) the absorption of carbon dioxide from ambient air;

"(iii) molecular-based charge separation and storage;

"(iv) photoinitiated electron transfer; and

"(v) catalysis in biological or biomimetic systems;

"(B) the Associate Director of Biological and Environmental Research shall support systems biology and genomics approaches to understand genetic and physiological pathways connected to photosynthetic mechanisms; and

"(C) the Assistant Secretary for Energy Efficiency and Renewable Energy shall support translational research, development, and validation of physical concepts developed under the program.

"(3) STANDARD OF REVIEW.—The Secretary shall review activities carried out under the program described in paragraph (1) to determine the achievement of technical milestones.

"(4) PROHIBITION.—No funds allocated to the program described in paragraph (1) may be obligated or expended for commercial application of energy technology.".

(2) CONFORMING AMENDMENT.—The table of contents for the Energy Policy Act of 2005 is amended by striking the item relating to section 973 and inserting the following:

"Sec. 973. Solar fuels research initiative.".

(e) ELECTRICITY STORAGE RESEARCH INITIATIVE.—

(1) IN GENERAL.—Section 975 of the Energy Policy Act of 2005 (42 U.S.C. 16315) is amended to read as follows:

"SEC. 975. ELECTRICITY STORAGE RESEARCH INITIATIVE.

"(a) INITIATIVE.—

"(1) IN GENERAL.—The Secretary shall carry out a research initiative, to be known as the 'Electricity Storage Research Initiative' (referred to in this section as the 'Initiative')—

"(A) to expand theoretical and fundamental knowledge to control, store, and convert—

"(i) electrical energy to chemical energy; and

"(ii) chemical energy to electrical energy; and

"(B) to support scientific inquiry into the practical understanding of chemical and physical processes that occur within systems involving crystalline and amorphous solids, polymers, and organic and aqueous liquids.

"(2) LEVERAGING.—In carrying out programs and activities under the Initiative, the Secretary shall leverage expertise and resources from—

"(A) the Basic Energy Sciences Program, the Advanced Scientific Computing Research Program, and the Biological and Environmental Research Program of the Office of Science; and

"(B) the Office of Energy Efficiency and Renewable Energy.

"(3) TEAMS.—

"(A) IN GENERAL.—In carrying out the Initiative, the Secretary shall organize activities among multidisciplinary teams to leverage, to the maximum extent practicable, expertise from the National Laboratories, institutions of higher education, and the private sector.

"(B) GOALS.—The multidisciplinary teams described in subparagraph (A) shall pursue aggressive, milestone-driven, basic research goals.

"(C) RESOURCES.—The Secretary shall provide sufficient resources to the multidisciplinary teams described in subparagraph (A) to achieve the goals described in subparagraph (B) over a period of time to be determined by the Secretary.

"(4) ADDITIONAL ACTIVITIES.—The Secretary may organize additional activities under this subsection through Energy Frontier Research Centers, Energy Innovation Hubs, or other organizational structures.

"(b) MULTIVALENT SYSTEMS.—

"(1) IN GENERAL.—The Secretary shall carry out under the Initiative a program to support research needed to bridge scientific barriers to, and discover knowledge relevant to, multivalent ion materials in electric energy storage systems.

"(2) ACTIVITIES.—As part of the program described in paragraph (1)—

"(A) the Director of the Office of Basic Energy Sciences shall investigate electrochemical properties and the dynamics of materials, including charge transfer phenomena and mass transport in materials; and

"(B) the Assistant Secretary for Energy Efficiency and Renewable Energy shall support translational research, development, and validation of physical concepts developed under the program.

"(3) STANDARD OF REVIEW.—The Secretary shall review activities carried out under the program described in paragraph (1) to determine the achievement of technical milestones.

"(4) PROHIBITION.—No funds allocated to the program described in paragraph (1) may be obligated or expended for commercial application of energy technology.

"(c) ELECTROCHEMISTRY MODELING AND SIMULATION.—

"(1) IN GENERAL.—The Secretary shall carry out under the Initiative a program to support research to model and simulate organic electrolytes, including the static and dynamic electrochemical behavior and phenomena of organic electrolytes at the molecular and atomic level in monovalent and multivalent systems.

"(2) ACTIVITIES.—As part of the program described in paragraph (1)—

Coordination.

"(A) the Director of the Office of Basic Energy Sciences, in coordination with the Associate Director of Advanced Scientific Computing Research, shall support the development of high performance computational tools through a joint development process to maximize the effectiveness of current and projected high performance computing systems; and

"(B) the Assistant Secretary for Energy Efficiency and Renewable Energy shall support translational research, development, and validation of physical concepts developed under the program.

"(3) STANDARD OF REVIEW.—The Secretary shall review activities carried out under the program described in paragraph (1) to determine the achievement of technical milestones.

"(4) PROHIBITION.—No funds allocated to the program described in paragraph (1) may be obligated or expended for commercial application of energy technology.

"(d) MESOSCALE ELECTROCHEMISTRY.—

"(1) IN GENERAL.—The Secretary shall carry out under the Initiative a program to support research needed to reveal electrochemistry in confined mesoscale spaces, including scientific discoveries relevant to—

"(A) bio-electrochemistry and electrochemical energy conversion and storage in confined spaces; and

"(B) the dynamics of the phenomena described in subparagraph (A).

"(2) ACTIVITIES.—As part of the program described in paragraph (1)—

"(A) the Director of the Office of Basic Energy Sciences and the Associate Director of Biological and Environmental Research shall investigate phenomena of mesoscale electrochemical confinement for the purpose of replicating and controlling new electrochemical behavior; and

"(B) the Assistant Secretary for Energy Efficiency and Renewable Energy shall support translational research, development, and validation of physical concepts developed under the program.

"(3) STANDARD OF REVIEW.—The Secretary shall review activities carried out under the program described in paragraph (1) to determine the achievement of technical milestones.

"(4) PROHIBITION.—No funds allocated to the program described in paragraph (1) may be obligated or expended for commercial application of energy technology.".

(2) CONFORMING AMENDMENT.—The table of contents for the Energy Policy Act of 2005 is amended by striking the item relating to section 975 and inserting the following:

"Sec. 975. Electricity storage research initiative.".

SEC. 304. ADVANCED SCIENTIFIC COMPUTING RESEARCH. 42 USC 18642.

(a) AMERICAN SUPER COMPUTING LEADERSHIP.—

(1) RENAMING OF ACT.—

(A) IN GENERAL.—Section 1 of the Department of Energy High-End Computing Revitalization Act of 2004 (15 U.S.C. 5501 note; Public Law 108–423) is amended by striking "Department of Energy High-End Computing Revitalization Act of 2004" and inserting "American Super Computing Leadership Act of 2017".

(B) CONFORMING AMENDMENT.—Section 976(a)(1) of the Energy Policy Act of 2005 (42 U.S.C. 16316(1)) is amended by striking "Department of Energy High-End Computing Revitalization Act of 2004" and inserting "American Super Computing Leadership Act of 2017".

(2) DEFINITIONS.—Section 2 of the American Super Computing Leadership Act of 2017 (15 U.S.C. 5541) is amended—

(A) by redesignating paragraphs (2) through (5) as paragraphs (3) through (6), respectively;

(B) by striking paragraph (1) and inserting the following:

"(1) DEPARTMENT.—The term 'Department' means the Department of Energy.

"(2) EXASCALE COMPUTING.—The term 'exascale computing' means computing through the use of a computing machine that performs near or above 10 to the 18th power operations per second."; and

(C) in paragraph (6) (as redesignated by subparagraph (A)), by striking ", acting through the Director of the Office of Science of the Department of Energy".

(3) DEPARTMENT OF ENERGY HIGH-END COMPUTING RESEARCH AND DEVELOPMENT PROGRAM.—Section 3 of the American Super Computing Leadership Act of 2017 (15 U.S.C. 5542) is amended—

(A) in subsection (a)(1), by striking "program" and inserting "coordinated program across the Department";

(B) in subsection (b)(2), by striking ", which may" and all that follows through "architectures"; and

(C) by striking subsection (d) and inserting the following:

"(d) EXASCALE COMPUTING PROGRAM.—

"(1) IN GENERAL.—The Secretary shall conduct a research program (referred to in this subsection as the 'Program') for exascale computing, including the development of two or more exascale computing machine architectures, to promote the missions of the Department.

"(2) EXECUTION.—

"(A) IN GENERAL.—In carrying out the Program, the Secretary shall—

"(i) establish two or more National Laboratory partnerships with industry partners and institutions of higher education for the research and development of two or more exascale computing architectures across all applicable organizations of the Department;

"(ii) conduct mission-related codesign activities in developing the exascale computing architectures under clause (i);

"(iii) develop such advancements in hardware and software technology as are required to fully realize the potential of an exascale production system in addressing Department target applications and solving scientific problems involving predictive modeling and simulation and large scale data analytics and management;

"(iv) explore the use of exascale computing technologies to advance a broad range of science and engineering; and

"(v) provide, as appropriate, on a competitive, merit-reviewed basis, access for researchers in industries in the United States, institutions of higher education, National Laboratories, and other Federal agencies to the exascale computing systems developed pursuant to clause (i).

"(B) SELECTION OF PARTNERS.—The Secretary shall select the partnerships with the computing facilities of the Department under subparagraph (A) through a competitive, peer-review process.

"(3) CODESIGN AND APPLICATION DEVELOPMENT.—

"(A) IN GENERAL.—The Secretary shall—

"(i) carry out the Program through an integration of applications, computer science, applied mathematics, and computer hardware architecture using the partnerships established pursuant to paragraph (2) to ensure that, to the maximum extent practicable, two or more exascale computing machine architectures are capable of solving Department target applications and broader scientific problems, including predictive modeling and simulation and large scale data analytics and management; and

"(ii) conduct outreach programs to increase the readiness for the use of such platforms by domestic industries, including manufacturers.

"(B) REPORT.—The Secretary shall submit to Congress a report describing—

"(i) how the integration under subparagraph (A) is furthering application science data and computational workloads across application interests, including national security, material science, physical science, cybersecurity, biological science, the Materials Genome and BRAIN Initiatives of the President, advanced manufacturing, and the national electric grid; and

"(ii) the roles and responsibilities of National Laboratories and industry, including the definition of the roles and responsibilities within the Department to ensure an integrated program across the Department.

"(4) PROJECT REVIEW.—

"(A) IN GENERAL.—The exascale architectures developed pursuant to partnerships established pursuant to paragraph (2) shall be reviewed through a project review process.

"(B) REPORT.—Not later than 90 days after the date of enactment of this subsection, the Secretary shall submit to Congress a report on—

"(i) the results of the review conducted under subparagraph (A); and

"(ii) the coordination and management of the Program to ensure an integrated research program across the Department.

"(5) ANNUAL REPORTS.—At the time of the budget submission of the Department for each fiscal year, the Secretary, in consultation with the members of the partnerships established pursuant to paragraph (2), shall submit to Congress a report that describes funding for the Program as a whole by functional element of the Department and critical milestones.". Consultation.

(b) HIGH-PERFORMANCE COMPUTING AND NETWORKING RESEARCH.—The Director shall support research in high-performance computing and networking relevant to energy applications, including modeling, simulation, and advanced data analytics for basic and applied energy research programs carried out by the Secretary.

(c) APPLIED MATHEMATICS AND SOFTWARE DEVELOPMENT FOR HIGH-END COMPUTING SYSTEMS.—The Director shall carry out activities to develop, test, and support—

(1) mathematics, models, and algorithms for complex systems and programming environments; and

(2) tools, languages, and operating systems for high-end computing systems (as defined in section 2 of the American Super Computing Leadership Act of 2017 (15 U.S.C. 5541)).

SEC. 305. HIGH-ENERGY PHYSICS. 42 USC 18643.

(a) SENSE OF CONGRESS.—It is the sense of Congress that—

(1) the Director should incorporate the findings and recommendations of the report of the Particle Physics Project Prioritization Panel entitled "Building for Discovery: Strategic Plan for U.S. Particle Physics in the Global Context" into the planning process of the Department; and

(2) the nations that lead in particle physics by hosting international teams dedicated to a common scientific goal attract the world's best talent and inspire future generations of physicists and technologists.

(b) INTERNATIONAL COLLABORATION.—The Director, as practicable and in coordination with other appropriate Federal agencies as necessary, shall ensure the access of United States researchers to the most advanced accelerator facilities and research capabilities in the world, including the Large Hadron Collider.

(c) NEUTRINO RESEARCH.—The Director shall carry out research activities on rare decay processes and the nature of the neutrino, which may include collaborations with the National Science Foundation or international collaborations.

(d) DARK ENERGY AND DARK MATTER RESEARCH.—The Director shall carry out research activities on the nature of dark energy and dark matter, which may include collaborations with the National Aeronautics and Space Administration or the National Science Foundation; or international collaborations.

42 USC 18644.

SEC. 306. BIOLOGICAL AND ENVIRONMENTAL RESEARCH.

(a) BIOLOGICAL SYSTEMS.—The Director shall carry out research and development activities in fundamental, structural, computational, and systems biology to increase systems-level understanding of the complex biological systems, which may include activities—

(1) to accelerate breakthroughs and new knowledge that would enable the cost-effective, sustainable production of—

(A) biomass-based liquid transportation fuels;

(B) bioenergy; and

(C) biobased materials;

(2) to improve understanding of the global carbon cycle, including processes for removing carbon dioxide from the atmosphere, through photosynthesis and other biological processes, for sequestration and storage; and

(3) to understand the biological mechanisms used to transform, immobilize, or remove contaminants from subsurface environments.

(b) LIMITATION FOR RESEARCH FUNDS.—The Director shall not approve new climate science-related initiatives without making a determination that such work is well-coordinated with any relevant work carried out by other Federal agencies.

(c) LOW-DOSE RADIATION RESEARCH PROGRAM.—

(1) IN GENERAL.—The Director shall carry out a research program on low-dose radiation.

(2) PURPOSE.—The purpose of the program is to enhance the scientific understanding of, and reduce uncertainties associated with, the effects of exposure to low-dose radiation to inform improved risk-management methods.

42 USC 18645.

SEC. 307. FUSION ENERGY.

(a) FUSION MATERIALS RESEARCH AND DEVELOPMENT.—As part of the activities authorized in section 978 of the Energy Policy Act of 2005 (42 U.S.C. 16318)—

Coordination.

(1) the Director, in coordination with the Assistant Secretary for Nuclear Energy of the Department, shall carry out research and development activities to identify, characterize, and demonstrate materials that can endure the neutron, plasma, and heat fluxes expected in a fusion power system; and

Assessment.

(2) the Director shall provide an assessment of—

(A) the need for one or more facilities that can examine and test potential fusion and next generation fission materials and other enabling technologies relevant to the development of fusion power; and

(B) whether a single new facility that substantially addresses magnetic fusion and next generation fission materials research needs is feasible, in conjunction with the expected capabilities of facilities operational as of the date of enactment of this Act.

(b) TOKAMAK RESEARCH AND DEVELOPMENT.—The Director shall support research and development activities and facility operations to optimize the tokamak approach to fusion energy.

(c) INERTIAL FUSION ENERGY RESEARCH AND DEVELOPMENT.—The Director shall support research and development activities for inertial fusion for energy applications.

(d) ALTERNATIVE AND ENABLING CONCEPTS.—The Director shall support research and development activities and facility operations at institutions of higher education, National Laboratories, and private facilities in the United States for a portfolio of alternative and enabling fusion energy concepts that may provide solutions to significant challenges to the establishment of a commercial magnetic fusion power plant, prioritized based on the ability of the United States to play a leadership role in the international fusion research community.

(e) COORDINATION WITH ARPA–E.—The Director shall coordinate with the Director of the Advanced Research Projects Agency-Energy (referred to in this subsection as "ARPA–E") to—

(1) assess the potential for any fusion energy project supported by ARPA–E to represent a promising approach to a commercially viable fusion power plant;

(2) determine whether the results of any fusion energy project supported by ARPA–E merit the support of follow-on research activities carried out by the Office of Science; and

(3) avoid the unintentional duplication of activities.

(f) FAIRNESS IN COMPETITION FOR SOLICITATIONS FOR INTERNATIONAL PROJECT ACTIVITIES.—Section 33 of the Atomic Energy Act of 1954 (42 U.S.C. 2053) is amended by inserting before the first sentence the following: "In this section, with respect to international research projects, the term 'private facilities or laboratories' means facilities or laboratories located in the United States.". Definition.

(g) IDENTIFICATION OF PRIORITIES.—

(1) REPORT.—

(A) IN GENERAL.—Not later than 2 years after the date of enactment of this Act, the Secretary shall submit to Congress a report on the fusion energy research and development activities that the Department proposes to carry out over the 10-year period following the date of the report under not fewer than 3 realistic budget scenarios, including a scenario based on 3-percent annual growth in the non-ITER portion of the budget for fusion energy research and development activities. Time period.

(B) INCLUSIONS.—The report required under subparagraph (A) shall—

(i) identify specific areas of fusion energy research and enabling technology development in which the United States can and should establish or solidify a lead in the global fusion energy development effort;

(ii) identify priorities for initiation of facility construction and facility decommissioning under each of the three budget scenarios described in subparagraph (A); and

(iii) assess the ability of the fusion workforce of the United States to carry out the activities identified under clauses (i) and (ii), including the adequacy of programs at institutions of higher education in the United States to train the leaders and workers of the next generation of fusion energy researchers.

(2) PROCESS.—In order to develop the report required under paragraph (1)(A), the Secretary shall leverage best practices and lessons learned from the process used to develop the most recent report of the Particle Physics Project Prioritization Panel of the High Energy Physics Advisory Panel.

(3) REQUIREMENT.—No member of the Fusion Energy Sciences Advisory Committee shall be excluded from participating in developing or voting on final approval of the report required under paragraph (1)(A).

42 USC 18646.

SEC. 308. NUCLEAR PHYSICS.

(a) ISOTOPE DEVELOPMENT AND PRODUCTION FOR RESEARCH APPLICATIONS.—The Director—

(1) may carry out a program for the production of isotopes, including the development of techniques to produce isotopes, that the Secretary determines are needed for research, medical, industrial, or related purposes; and

(2) shall ensure that isotope production activities carried out under the program under this paragraph do not compete with private industry unless the Director determines that critical national interests require the involvement of the Federal Government.

(b) RENAMING OF THE RARE ISOTOPE ACCELERATOR.—Section 981 of the Energy Policy Act of 2005 (42 U.S.C. 16321) is amended—

(1) in the section heading, by striking "**RARE ISOTOPE ACCELERATOR**" and inserting "**FACILITY FOR RARE ISOTOPE BEAMS**"; and

(2) by striking "Rare Isotope Accelerator" each place it appears and inserting "Facility for Rare Isotope Beams".

42 USC 18647.

SEC. 309. SCIENCE LABORATORIES INFRASTRUCTURE PROGRAM.

(a) IN GENERAL.—The Director shall carry out a program to improve the safety, efficiency, and mission readiness of infrastructure at laboratories of the Office of Science.

(b) INCLUSIONS.—The program under subsection (a) shall include projects—

(1) to renovate or replace space that does not meet research needs;

(2) to replace facilities that are no longer cost effective to renovate or operate;

(3) to modernize utility systems to prevent failures and ensure efficiency;

(4) to remove excess facilities to allow safe and efficient operations; and

(5) to construct modern facilities to conduct advanced research in controlled environmental conditions.

Sept. 28, 2018
[H.R. 1109]

To amend section 203 of the Federal Power Act.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. CLARIFICATION OF FACILITY MERGER AUTHORIZATION.

Section 203(a)(1) of the Federal Power Act (16 U.S.C. 824b(a)(1)) is amended by striking subparagraph (B) and inserting the following:

"(B) merge or consolidate, directly or indirectly, its facilities subject to the jurisdiction of the Commission, or any part thereof, with the facilities of any other person, or any part thereof, that are subject to the jurisdiction of the Commission and have a value in excess of $10,000,000, by any means whatsoever;".

SEC. 2. NOTIFICATION FOR CERTAIN TRANSACTIONS.

Section 203(a) of the Federal Power Act (16 U.S.C. 824b(a)) is amended by adding at the end the following new paragraph:

Deadlines.
Regulations.

"(7)(A) Not later than 180 days after the date of enactment of this paragraph, the Commission shall promulgate a rule requiring any public utility that is seeking to merge or consolidate, directly or indirectly, its facilities subject to the jurisdiction of the Commission, or any part thereof, with those of any other person, to notify the Commission of such transaction not later than 30 days after the date on which the transaction is consummated if—

"(i) the facilities, or any part thereof, to be acquired are of a value in excess of $1,000,000; and

"(ii) such public utility is not required to secure an order of the Commission under paragraph (1)(B).

"(B) In establishing any notification requirement under subparagraph (A), the Commission shall, to the maximum extent practicable, minimize the paperwork burden resulting from the collection of information.".

16 USC 824b note.

SEC. 3. EFFECTIVE DATE.

The amendment made by section 1 shall take effect 180 days after the date of enactment of this Act.

SEC. 4. FEDERAL ENERGY REGULATORY COMMISSION REPORT.

(a) IN GENERAL.—Not later than 2 years after the date of enactment of this Act, the Federal Energy Regulatory Commission shall submit to Congress a report that assesses the effects of the amendment made by section 1.

(b) REQUIREMENTS.—In preparing the report under subsection (a), the Federal Energy Regulatory Commission shall—

(1) take into account any information collected under paragraph (7) of section 203(a) of the Federal Power Act (16 U.S.C. 824b(a)) (as added by section 2); and

(2) provide for public notice and comment with respect to the report. Notice.

An Act

Sept. 28, 2018
[S. 97]

To enable civilian research and development of advanced nuclear energy technologies by private and public institutions, to expand theoretical and practical knowledge of nuclear physics, chemistry, and materials science, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

Nuclear Energy Innovation Capabilities Act of 2017.
42 USC 15801 note.

SECTION 1. SHORT TITLE.

This Act may be cited as the "Nuclear Energy Innovation Capabilities Act of 2017".

SEC. 2. NUCLEAR ENERGY INNOVATION CAPABILITIES.

(a) NUCLEAR ENERGY.—Section 951 of the Energy Policy Act of 2005 (42 U.S.C. 16271) is amended to read as follows:

"SEC. 951. NUCLEAR ENERGY.

"(a) MISSION.—

"(1) IN GENERAL.—The Secretary shall carry out programs of civilian nuclear research, development, demonstration, and commercial application, including activities under this subtitle.

"(2) CONSIDERATIONS.—The programs carried out under paragraph (1) shall take into consideration the following objectives:

"(A) Providing research infrastructure to promote scientific progress and enable users from academia, the National Laboratories, and the private sector to make scientific discoveries relevant for nuclear, chemical, and materials science engineering.

"(B) Maintaining nuclear energy research and development programs at the National Laboratories and institutions of higher education, including infrastructure at the National Laboratories and institutions of higher education.

"(C) Providing the technical means to reduce the likelihood of nuclear proliferation.

"(D) Increasing confidence margins for public safety of nuclear energy systems.

"(E) Reducing the environmental impact of activities relating to nuclear energy.

"(F) Supporting technology transfer from the National Laboratories to the private sector.

"(G) Enabling the private sector to partner with the National Laboratories to demonstrate novel reactor concepts for the purpose of resolving technical uncertainty associated with the objectives described in subparagraphs (A) through (F).

"(b) DEFINITIONS.—In this subtitle:

"(1) ADVANCED NUCLEAR REACTOR.—The term 'advanced nuclear reactor' means—

"(A) a nuclear fission reactor with significant improvements over the most recent generation of nuclear fission reactors, which may include—

"(i) inherent safety features;

"(ii) lower waste yields;

"(iii) greater fuel utilization;

"(iv) superior reliability;

"(v) resistance to proliferation;

"(vi) increased thermal efficiency; and

"(vii) the ability to integrate into electric and non-electric applications; or

"(B) a nuclear fusion reactor.

"(2) COMMISSION.—The term 'Commission' means the Nuclear Regulatory Commission.

"(3) FAST NEUTRON.—The term 'fast neutron' means a neutron with kinetic energy above 100 kiloelectron volts.

"(4) NATIONAL LABORATORY.—

"(A) IN GENERAL.—Except as provided in subparagraph (B), the term 'National Laboratory' has the meaning given the term in section 2.

"(B) LIMITATION.—With respect to the Lawrence Livermore National Laboratory, the Los Alamos National Laboratory, and the Sandia National Laboratories, the term 'National Laboratory' means only the civilian activities of the laboratory.

"(5) NEUTRON FLUX.—The term 'neutron flux' means the intensity of neutron radiation measured as a rate of flow of neutrons applied over an area.

"(6) NEUTRON SOURCE.—The term 'neutron source' means a research machine that provides neutron irradiation services for—

"(A) research on materials sciences and nuclear physics; and

"(B) testing of advanced materials, nuclear fuels, and other related components for reactor systems.".

(b) NUCLEAR ENERGY RESEARCH PROGRAMS.—

(1) IN GENERAL.—Section 952 of the Energy Policy Act of 2005 (42 U.S.C. 16272) is amended—

(A) by striking subsection (c); and

(B) by redesignating subsections (d) and (e) as subsections (c) and (d), respectively.

(2) CONFORMING AMENDMENT.—Section 641(b)(1) of the Energy Policy Act of 2005 (42 U.S.C. 16021(b)(1)) is amended by striking "section 942(d)" and inserting "section 952(c)".

(c) ADVANCED FUEL CYCLE INITIATIVE.—Section 953(a) of the Energy Policy Act of 2005 (42 U.S.C. 16273(a)) is amended by striking ", acting through the Director of the Office of Nuclear Energy, Science and Technology,".

(d) UNIVERSITY NUCLEAR SCIENCE AND ENGINEERING SUPPORT.—Section 954(d)(4) of the Energy Policy Act of 2005 (42 U.S.C. 16274(d)(4)) is amended by striking "as part of a taking into consideration effort that emphasizes" and inserting "that emphasize".

(e) DEPARTMENT OF ENERGY CIVILIAN NUCLEAR INFRASTRUCTURE AND FACILITIES.—Section 955 of the Energy Policy Act of 2005 (42 U.S.C. 16275) is amended—

(1) by striking subsections (c) and (d); and

(2) by adding at the end the following:

"(c) VERSATILE NEUTRON SOURCE.—

"(1) MISSION NEED.—

Deadline.
Determination.

"(A) IN GENERAL.—Not later than December 31, 2017, the Secretary shall determine the mission need for a versatile reactor-based fast neutron source, which shall operate as a national user facility.

"(B) CONSULTATIONS REQUIRED.—In carrying out subparagraph (A), the Secretary shall consult with the private sector, institutions of higher education, the National Laboratories, and relevant Federal agencies to ensure that the user facility described in subparagraph (A) will meet the research needs of the largest practicable majority of prospective users.

Plan.

"(2) ESTABLISHMENT.—As soon as practicable after determining the mission need under paragraph (1)(A), the Secretary shall submit to the appropriate committees of Congress a detailed plan for the establishment of the user facility.

"(3) FACILITY REQUIREMENTS.—

"(A) CAPABILITIES.—The Secretary shall ensure that the user facility will provide, at a minimum, the following capabilities:

"(i) Fast neutron spectrum irradiation capability.

"(ii) Capacity for upgrades to accommodate new or expanded research needs.

"(B) CONSIDERATIONS.—In carrying out the plan submitted under paragraph (2), the Secretary shall consider the following:

"(i) Capabilities that support experimental high-temperature testing.

"(ii) Providing a source of fast neutrons at a neutron flux, higher than that at which current research facilities operate, sufficient to enable research for an optimal base of prospective users.

"(iii) Maximizing irradiation flexibility and irradiation volume to accommodate as many concurrent users as possible.

"(iv) Capabilities for irradiation with neutrons of a lower energy spectrum.

"(v) Multiple loops for fuels and materials testing in different coolants.

"(vi) Additional pre-irradiation and post-irradiation examination capabilities.

"(vii) Lifetime operating costs and lifecycle costs.

"(4) DEADLINE FOR ESTABLISHMENT.—The Secretary shall, to the maximum extent practicable, complete construction of, and approve the start of operations for, the user facility by not later than December 31, 2025.

"(5) REPORTING.—The Secretary shall include in the annual budget request of the Department an explanation for any delay in the progress of the Department in completing the user facility by the deadline described in paragraph (4).

"(6) COORDINATION.—The Secretary shall leverage the best practices for management, construction, and operation of national user facilities from the Office of Science.".

(f) SECURITY OF NUCLEAR FACILITIES.—Section 956 of the Energy Policy Act of 2005 (42 U.S.C. 16276) is amended by striking ", acting through the Director of the Office of Nuclear Energy, Science and Technology,".

(g) HIGH-PERFORMANCE COMPUTATION AND SUPPORTIVE RESEARCH.—Section 957 of the Energy Policy Act of 2005 (42 U.S.C. 16277) is amended to read as follows:

"SEC. 957. HIGH-PERFORMANCE COMPUTATION AND SUPPORTIVE RESEARCH.

"(a) MODELING AND SIMULATION.—The Secretary shall carry out a program to enhance the capabilities of the United States to develop new reactor technologies through high-performance computation modeling and simulation techniques.

"(b) COORDINATION.—In carrying out the program under subsection (a), the Secretary shall coordinate with relevant Federal agencies as described by the National Strategic Computing Initiative established by Executive Order 13702 (80 Fed. Reg. 46177 (July 29, 2015)), while taking into account the following objectives:

"(1) Using expertise from the private sector, institutions of higher education, and the National Laboratories to develop computational software and capabilities that prospective users may access to accelerate research and development of advanced nuclear reactor systems and reactor systems for space exploration.

"(2) Developing computational tools to simulate and predict nuclear phenomena that may be validated through physical experimentation.

"(3) Increasing the utility of the research infrastructure of the Department by coordinating with the Advanced Scientific Computing Research program within the Office of Science.

"(4) Leveraging experience from the Energy Innovation Hub for Modeling and Simulation.

"(5) Ensuring that new experimental and computational tools are accessible to relevant research communities, including private sector entities engaged in nuclear energy technology development.

"(c) SUPPORTIVE RESEARCH ACTIVITIES.—The Secretary shall consider support for additional research activities to maximize the utility of the research facilities of the Department, including physical processes—

"(1) to simulate degradation of materials and behavior of fuel forms; and

"(2) for validation of computational tools.".

(h) ENABLING NUCLEAR ENERGY INNOVATION.—Subtitle E of title IX of the Energy Policy Act of 2005 (42 U.S.C. 16271 et seq.) is amended by adding at the end the following:

"SEC. 958. ENABLING NUCLEAR ENERGY INNOVATION. 42 USC 16278.

"(a) NATIONAL REACTOR INNOVATION CENTER.—There is authorized a program to enable the testing and demonstration of reactor concepts to be proposed and funded, in whole or in part, by the private sector.

"(b) TECHNICAL EXPERTISE.—In carrying out the program under subsection (a), the Secretary shall leverage the technical expertise

of relevant Federal agencies and the National Laboratories in order to minimize the time required to enable construction and operation of privately funded experimental reactors at National Laboratories or other Department-owned sites.

"(c) OBJECTIVES.—The reactors described in subsection (b) shall operate to meet the following objectives:

"(1) Enabling physical validation of advanced nuclear reactor concepts.

"(2) Resolving technical uncertainty and increasing practical knowledge relevant to safety, resilience, security, and functionality of advanced nuclear reactor concepts.

"(3) General research and development to improve nascent technologies.

"(d) SHARING TECHNICAL EXPERTISE.—In carrying out the program under subsection (a), the Secretary may enter into a memorandum of understanding with the Chairman of the Commission in order to share technical expertise and knowledge through—

"(1) enabling the testing and demonstration of advanced nuclear reactor concepts to be proposed and funded, in whole or in part, by the private sector;

"(2) operating a database to store and share data and knowledge relevant to nuclear science and engineering between Federal agencies and the private sector;

"(3) developing and testing electric and nonelectric integration and energy conversion systems relevant to advanced nuclear reactors;

"(4) leveraging expertise from the Commission with respect to safety analysis; and

"(5) enabling technical staff of the Commission to actively observe and learn about technologies developed under the program.

Memorandum.

"(e) AGENCY COORDINATION.—The Chairman of the Commission and the Secretary shall enter into a memorandum of understanding regarding the following:

"(1) Ensuring that—

"(A) the Department has sufficient technical expertise to support the timely research, development, demonstration, and commercial application by the civilian nuclear industry of safe and innovative advanced nuclear reactor technology; and

"(B) the Commission has sufficient technical expertise to support the evaluation of applications for licenses, permits, and design certifications and other requests for regulatory approval for advanced nuclear reactors.

"(2) The use of computers and software codes to calculate the behavior and performance of advanced nuclear reactors based on mathematical models of the physical behavior of advanced nuclear reactors.

"(3) Ensuring that—

"(A) the Department maintains and develops the facilities necessary to enable the timely research, development, demonstration, and commercial application by the civilian nuclear industry of safe and innovative reactor technology; and

"(B) the Commission has access to the facilities described in subparagraph (A), as needed.

"(f) REPORTING REQUIREMENTS.—

"(1) IN GENERAL.—Not later than 180 days after the date of enactment of the Nuclear Energy Innovation Capabilities Act of 2017, the Secretary, in consultation with the National Laboratories, relevant Federal agencies, and other stakeholders, shall submit to the appropriate committees of Congress a report assessing the capabilities of the Department to authorize, host, and oversee privately funded experimental advanced nuclear reactors as described in subsection (b). Consultation.

"(2) CONTENTS.—The report submitted under paragraph (1) shall address—

"(A) the safety review and oversight capabilities of the Department, including options to leverage expertise from the Commission and the National Laboratories;

"(B) options to regulate privately proposed and funded experimental reactors hosted by the Department;

"(C) potential sites capable of hosting privately funded experimental advanced nuclear reactors;

"(D) the efficacy of the available contractual mechanisms of the Department to partner with the private sector and Federal agencies, including cooperative research and development agreements, strategic partnership projects, and agreements for commercializing technology;

"(E) the liability of the Federal Government with respect to the disposal of low-level radioactive waste, spent nuclear fuel, or high-level radioactive waste (as those terms are defined in section 2 of the Nuclear Waste Policy Act of 1982 (42 U.S.C. 10101));

"(F) the impact on the aggregate inventory in the United States of low-level radioactive waste, spent nuclear fuel, or high-level radioactive waste (as those terms are defined in section 2 of the Nuclear Waste Policy Act of 1982 (42 U.S.C. 10101));

"(G) potential cost structures relating to physical security, decommissioning, liability, and other long-term project costs; and

"(H) other challenges or considerations identified by the Secretary.

"(3) UPDATES.—Once every 2 years, the Secretary shall update relevant provisions of the report submitted under paragraph (1) and submit to the appropriate committees of Congress the update.

"(g) SAVINGS CLAUSES.—

"(1) LICENSING REQUIREMENT.—Nothing in this section authorizes the Secretary or any person to construct or operate a nuclear reactor for the purpose of demonstrating the suitability for commercial application of the nuclear reactor unless licensed by the Commission in accordance with section 202 of the Energy Reorganization Act of 1974 (42 U.S.C. 5842).

"(2) FINANCIAL PROTECTION.—Any activity carried out under this section that involves the risk of public liability shall be subject to the financial protection or indemnification requirements of section 170 of the Atomic Energy Act of 1954 (42 U.S.C. 2210) (commonly known as the 'Price-Anderson Act').".

(i) BUDGET PLAN.—Subtitle E of title IX of the Energy Policy Act of 2005 (42 U.S.C. 16271 et seq.) (as amended by subsection (h)) is amended by adding at the end the following:

42 USC 16279.

"SEC. 959. BUDGET PLAN.

Deadline.

"(a) IN GENERAL.—Not later than 1 year after the date of enactment of the Nuclear Energy Innovation Capabilities Act of 2017, the Secretary shall submit to the Committee on Energy and Natural Resources of the Senate and the Committee on Science, Space, and Technology of the House of Representatives 2 alternative 10-year budget plans for civilian nuclear energy research and development by the Secretary, as described in subsections (b) through (d).

"(b) BUDGET PLAN ALTERNATIVE 1.—One of the budget plans submitted under subsection (a) shall assume constant annual funding for 10 years at the appropriated level for the civilian nuclear energy research and development of the Department for fiscal year 2016.

"(c) BUDGET PLAN ALTERNATIVE 2.—One of the budget plans submitted under subsection (a) shall be an unconstrained budget.

"(d) INCLUSIONS.—Each alternative budget plan submitted under subsection (a) shall include—

List.

"(1) a prioritized list of the programs, projects, and activities of the Department to best support the development of advanced nuclear reactor technologies;

"(2) realistic budget requirements for the Department to implement sections 955(c), 957, and 958; and

"(3) the justification of the Department for continuing or terminating existing civilian nuclear energy research and development programs.".

(j) REPORT ON FUSION INNOVATION.—

(1) IN GENERAL.—Not later than 180 days after the date of enactment of this Act, the Secretary of Energy shall submit to the Committee on Energy and Natural Resources of the Senate and the Committee on Science, Space, and Technology of the House of Representatives a report identifying engineering designs for innovative fusion energy systems that have the potential to demonstrate net energy production not later than 15 years after the start of construction.

(2) INCLUSIONS.—The report submitted under paragraph (1) shall identify budgetary requirements that would be necessary for the Department of Energy to carry out a fusion innovation initiative to accelerate research and development of the engineering designs identified in the report.

(k) CONFORMING AMENDMENTS.—The table of contents for the Energy Policy Act of 2005 is amended by striking the item relating to section 957 and inserting the following:

"957. High-performance computation and supportive research.
"958. Enabling nuclear energy innovation.
"959. Budget plan.".

42 USC 16280.

SEC. 3. ADVANCED NUCLEAR ENERGY LICENSING COST-SHARE GRANT PROGRAM.

(a) DEFINITIONS.—In this section:

(1) COMMISSION.—The term "Commission" means the Nuclear Regulatory Commission.

(2) PROGRAM.—The term "program" means the Advanced Nuclear Energy Cost-Share Grant Program established under subsection (b).

(3) SECRETARY.—The term "Secretary" means the Secretary of Energy.

(b) ESTABLISHMENT.—The Secretary shall establish a grant program, to be known as the "Advanced Nuclear Energy Cost-Share Grant Program", under which the Secretary shall make cost-share grants to applicants for the purpose of funding a portion of the Commission fees of the applicant for pre-application review activities and application review activities.

(c) REQUIREMENT.—The Secretary shall seek out technology diversity in making grants under the program.

(d) COST-SHARE AMOUNT.—The Secretary shall determine the cost-share amount for each grant under the program in accordance with section 988 of the Energy Policy Act of 2005 (42 U.S.C. 16352).

(e) USE OF FUNDS.—A recipient of a grant under the program may use the grant funds to cover Commission fees, including those fees associated with—

(1) developing a licensing project plan;
(2) obtaining a statement of licensing feasibility;
(3) reviewing topical reports; and
(4) other—
  (A) pre-application review activities;
  (B) application review activities; and
  (C) interactions with the Commission.

An Act

To require a land conveyance involving the Elkhorn Ranch and the White River National Forest in the State of Colorado, and for other purposes.

Oct. 3, 2018
[H.R. 698]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

Elkhorn Ranch and White River National Forest Conveyance Act of 2017.

SECTION 1. SHORT TITLE.

This Act may be cited as the "Elkhorn Ranch and White River National Forest Conveyance Act of 2017".

SEC. 2. LAND CONVEYANCE, ELKHORN RANCH AND WHITE RIVER NATIONAL FOREST, COLORADO.

(a) LAND CONVEYANCE REQUIRED.—Consistent with the purpose of the Act of March 3, 1909 (43 U.S.C. 772), all right, title, and interest of the United States (subject to subsection (b)) in and to a parcel of land consisting of approximately 148 acres as generally depicted on the map entitled "Elkhorn Ranch Land Parcel–White River National Forest" and dated March 2015 shall be conveyed by patent to the Gordman-Leverich Partnership, a Colorado Limited Liability Partnership (in this section referred to as "GLP").

(b) EXISTING RIGHTS.—The conveyance under subsection (a)—

(1) is subject to the valid existing rights of the lessee of Federal oil and gas lease COC–75070 and any other valid existing rights; and

(2) shall reserve to the United States the right to collect rent and royalty payments on the lease referred to in paragraph (1) for the duration of the lease.

(c) EXISTING BOUNDARIES.—The conveyance under subsection (a) does not modify the exterior boundary of the White River National Forest or the boundaries of Sections 18 and 19 of Township 7 South, Range 93 West, Sixth Principal Meridian, Colorado, as such boundaries are in effect on the date of the enactment of this Act.

Deadline.

(d) TIME FOR CONVEYANCE; PAYMENT OF COSTS.—The conveyance directed under subsection (a) shall be completed not later than 180 days after the date of the enactment of this Act. The conveyance shall be without consideration, except that all costs incurred by the Secretary of the Interior relating to any survey, platting, legal description, or other activities carried out to prepare

and issue the patent shall be paid by GLP to the Secretary prior to the land conveyance.

Approved October 3, 2018.

DIVISION A—SPORTS MEDICINE LICENSURE

Sports Medicine Licensure Clarity Act of 2018.

SEC. 11. SHORT TITLE.

15 USC 8601 note.

This division may be cited as the "Sports Medicine Licensure Clarity Act of 2018".

SEC. 12. PROTECTIONS FOR COVERED SPORTS MEDICINE PROFESSIONALS.

15 USC 8601.

(a) IN GENERAL.—In the case of a covered sports medicine professional who has in effect medical professional liability insurance coverage and provides in a secondary State covered medical services that are within the scope of practice of such professional in the primary State to an athlete or an athletic team (or a staff member of such an athlete or athletic team) pursuant to an agreement described in subsection (c)(4) with respect to such athlete or athletic team—

(1) such medical professional liability insurance coverage shall cover (subject to any related premium adjustments) such professional with respect to such covered medical services provided by the professional in the secondary State to such an individual or team as if such services were provided by such professional in the primary State to such an individual or team; and

(2) to the extent such professional is licensed under the requirements of the primary State to provide such services to such an individual or team, the professional shall be treated as satisfying any licensure requirements of the secondary State to provide such services to such an individual or team to the extent the licensure requirements of the secondary State are substantially similar to the licensure requirements of the primary State.

(b) RULE OF CONSTRUCTION.—Nothing in this section shall be construed—

(1) to allow a covered sports medicine professional to provide medical services in the secondary State that exceed the scope of that professional's license in the primary State;

(2) to allow a covered sports medicine professional to provide medical services in the secondary State that exceed the scope of a substantially similar sports medicine professional license in the secondary State;

(3) to supersede any reciprocity agreement in effect between the two States regarding such services or such professionals;

(4) to supersede any interstate compact agreement entered into by the two States regarding such services or such professionals; or

(5) to supersede a licensure exemption the secondary State provides for sports medicine professionals licensed in the primary State.

(c) DEFINITIONS.—In this division, the following definitions apply:

(1) ATHLETE.—The term "athlete" means—

(A) an individual participating in a sporting event or activity for which the individual may be paid;

(B) an individual participating in a sporting event or activity sponsored or sanctioned by a national governing body; or

(C) an individual for whom a high school or institution of higher education provides a covered sports medicine professional.

(2) ATHLETIC TEAM.—The term "athletic team" means a sports team—

(A) composed of individuals who are paid to participate on the team;

(B) composed of individuals who are participating in a sporting event or activity sponsored or sanctioned by a national governing body; or

(C) for which a high school or an institution of higher education provides a covered sports medicine professional.

(3) COVERED MEDICAL SERVICES.—The term "covered medical services" means general medical care, emergency medical care, athletic training, or physical therapy services. Such term does not include care provided by a covered sports medicine professional—

(A) at a health care facility; or

(B) while a health care provider licensed to practice in the secondary State is transporting the injured individual to a health care facility.

(4) COVERED SPORTS MEDICINE PROFESSIONAL.—The term "covered sports medicine professional" means a physician, athletic trainer, or other health care professional who—

(A) is licensed to practice in the primary State;

(B) provides covered medical services, pursuant to a written agreement with an athlete, an athletic team, a national governing body, a high school, or an institution of higher education; and

(C) prior to providing the covered medical services described in subparagraph (B), has disclosed the nature and extent of such services to the entity that provides the professional with liability insurance in the primary State.

(5) HEALTH CARE FACILITY.—The term "health care facility" means a facility in which medical care, diagnosis, or treatment is provided on an inpatient or outpatient basis. Such term does not include facilities at an arena, stadium, or practice facility, or temporary facilities existing for events where athletes or athletic teams may compete.

(6) INSTITUTION OF HIGHER EDUCATION.—The term "institution of higher education" has the meaning given such term in section 101 of the Higher Education Act of 1965 (20 U.S.C. 1001).

(7) LICENSE.—The term "license" or "licensure", as applied with respect to a covered sports medicine professional, means a professional that has met the requirements and is approved to provide covered medical services in accordance with State laws and regulations in the primary State. Such term may include the registration or certification, or any other form of special recognition, of an individual as such a professional, as applicable.

(8) NATIONAL GOVERNING BODY.—The term "national governing body" has the meaning given such term in section 220501 of title 36, United States Code.

(9) PRIMARY STATE.—The term "primary State" means, with respect to a covered sports medicine professional, the State in which—

(A) the covered sports medicine professional is licensed to practice; and

(B) the majority of the covered sports medicine professional's practice is underwritten for medical professional liability insurance coverage.

(10) SECONDARY STATE.—The term "secondary State" means, with respect to a covered sports medicine professional, any State that is not the primary State.

(11) STATE.—The term "State" means each of the several States, the District of Columbia, and each commonwealth, territory, or possession of the United States.

(12) SUBSTANTIALLY SIMILAR.—The term "substantially similar", with respect to the licensure by primary and secondary States of a sports medicine professional, means that both the primary and secondary States have in place a form of licensure for such professionals that permits such professionals to provide covered medical services.

DIVISION B—FAA REAUTHORIZATION ACT OF 2018

SEC. 101. DEFINITION OF APPROPRIATE COMMITTEES OF CONGRESS.

49 USC 40101 note.

In this division, the term "appropriate committees of Congress" means the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives.

Subtitle B—Passenger Facility Charges

SEC. 121. PASSENGER FACILITY CHARGE MODERNIZATION.

(a) PASSENGER FACILITY CHARGES; GENERAL AUTHORITY.—Section 40117(b)(4) of title 49, United States Code, is amended—

(1) in the matter preceding subparagraph (A), by striking ", if the Secretary finds—" and inserting a period; and

(2) by striking subparagraphs (A) and (B).

(b) PILOT PROGRAM FOR PASSENGER FACILITY CHARGE AUTHORIZATIONS AT NONHUB AIRPORTS.—Section 40117(l) of title 49, United States Code, is amended—

(1) in the heading, by striking "AT NONHUB AIRPORTS";

(2) in paragraph (1), by striking "nonhub"; and

(3) in paragraph (6), by striking "Not later than 180 days after the date of enactment of this subsection, the" and inserting "The".

SEC. 122. FUTURE AVIATION INFRASTRUCTURE AND FINANCING STUDY.

(a) FUTURE AVIATION INFRASTRUCTURE AND FINANCING STUDY.—Not later than 60 days after the date of enactment of this Act, the Secretary of Transportation shall enter into an agreement with a qualified organization to conduct a study assessing the infrastructure needs of airports and existing financial resources for commercial service airports and make recommendations on the actions needed to upgrade the national aviation infrastructure system to meet the growing and shifting demands of the 21st century.

(b) CONSULTATION.—In carrying out the study, the qualified organization shall convene and consult with a panel of national experts, including representatives of—

(1) nonhub airports;

(2) small hub airports;

(3) medium hub airports;

(4) large hub airports;

(5) airports with international service;

(6) nonprimary airports;

(7) local elected officials;

(8) relevant labor organizations;

(9) passengers;

(10) air carriers;

(11) the tourism industry; and

(12) the business travel industry.

(c) CONSIDERATIONS.—In carrying out the study, the qualified organization shall consider—

(1) the ability of airport infrastructure to meet current and projected passenger volumes;

(2) the available financial tools and resources for airports of different sizes;

(3) the available financing tools and resources for airports in rural areas;

(4) the current debt held by airports, and its impact on future construction and capacity needs;

(5) the impact of capacity constraints on passengers and ticket prices;

(6) the purchasing power of the passenger facility charge from the last increase in 2000 to the year of enactment of this Act;

(7) the impact to passengers and airports of indexing the passenger facility charge for inflation;

(8) how long airports are constrained with current passenger facility charge collections;

(9) the impact of passenger facility charges on promoting competition;

(10) the additional resources or options to fund terminal construction projects;

(11) the resources eligible for use toward noise reduction and emission reduction projects;

(12) the gap between the cost of projects eligible for the airport improvement program and the annual Federal funding provided;

(13) the impact of regulatory requirements on airport infrastructure financing needs;

(14) airline competition;

(15) airline ancillary fees and their impact on ticket pricing and taxable revenue; and

(16) the ability of airports to finance necessary safety, security, capacity, and environmental projects identified in capital improvement plans.

(d) LARGE HUB AIRPORTS.—The study shall, to the extent not considered under subsection (c), separately evaluate the infrastructure requirements of the large hub airports identified in the National Plan of Integrated Airport Systems (NPIAS). The evaluation shall—

(1) analyze the current and future capacity constraints of large hub airports;

(2) quantify large hub airports' infrastructure requirements, including terminal, landside, and airside infrastructure;

(3) quantify the percentage growth in infrastructure requirements of the large hub airports relative to other commercial service airports;

(4) analyze how much funding from the airport improvement program (AIP) has gone to meet the requirements of large hub airports over the past 10 years; and

(5) project how much AIP funding would be available to meet the requirements of large hub airports in the next 5 years if funding levels are held constant.

(e) REPORT.—Not later than 15 months after the date of enactment of this Act, the qualified organization shall submit to the Secretary and the appropriate committees of Congress a report on the results of the study described in subsection (a), including its findings and recommendations related to each item in subsections (c) and (d).

(f) DEFINITION OF QUALIFIED ORGANIZATION.—In this section, the term "qualified organization" means an independent nonprofit organization that recommends solutions to public policy challenges through objective analysis.

SEC. 123. INTERMODAL ACCESS PROJECTS.

Not later than 6 months after the date of enactment of this Act, the Administrator of the Federal Aviation Administration shall, after consideration of all public comments, publish in the Federal Register a final policy amendment consistent with the notice published in the Federal Register on May 3, 2016 (81 Fed. Reg. 26611).

Subtitle C—Airport Improvement Program Modifications

SEC. 131. GRANT ASSURANCES.

Section 47107 of title 49, United States Code, is amended—

(1) in subsection (a)(17), by striking "each contract" and inserting "if any phase of such project has received funds under this subchapter, each contract";

(2) in subsection (r)(3), by striking "2018" and inserting "2023"; and

(3) by adding at the end the following:

"(u) CONSTRUCTION OF RECREATIONAL AIRCRAFT.—

"(1) IN GENERAL.—The construction of a covered aircraft shall be treated as an aeronautical activity for purposes of—

"(A) determining an airport's compliance with a grant assurance made under this section or any other provision of law; and

"(B) the receipt of Federal financial assistance for airport development.

"(2) COVERED AIRCRAFT DEFINED.—In this subsection, the term 'covered aircraft' means an aircraft—

"(A) used or intended to be used exclusively for recreational purposes; and

"(B) constructed or under construction by a private individual at a general aviation airport.

"(v) COMMUNITY USE OF AIRPORT LAND.—

"(1) IN GENERAL.—Notwithstanding subsection (a)(13), and subject to paragraph (2), the sponsor of a public-use airport shall not be considered to be in violation of this subtitle, or to be found in violation of a grant assurance made under this section, or under any other provision of law, as a condition for the receipt of Federal financial assistance for airport development, solely because the sponsor has entered into an agreement, including a revised agreement, with a local government providing for the use of airport property for an interim compatible recreational purpose at below fair market value.

"(2) RESTRICTIONS.—This subsection shall apply only—

"(A) to an agreement regarding airport property that was initially entered into before the publication of the Federal Aviation Administration's Policy and Procedures Concerning the Use of Airport Revenue, dated February 16, 1999;

"(B) if the agreement between the sponsor and the local government is subordinate to any existing or future agreements between the sponsor and the Secretary, including agreements related to a grant assurance under this section;

"(C) to airport property that was acquired under a Federal airport development grant program;

"(D) if the airport sponsor has provided a written statement to the Administrator that the property made available for a recreational purpose will not be needed for any aeronautical purpose during the next 10 years;

"(E) if the agreement includes a term of not more than 2 years to prepare the airport property for the interim compatible recreational purpose and not more than 10 years of use for that purpose;

"(F) if the recreational purpose will not impact the aeronautical use of the airport;

"(G) if the airport sponsor provides a certification that the sponsor is not responsible for preparation, start-up,

operations, maintenance, or any other costs associated with the recreational purpose; and

"(H) if the recreational purpose is consistent with Federal land use compatibility criteria under section 47502.

"(3) STATUTORY CONSTRUCTION.—Nothing in this subsection may be construed as permitting a diversion of airport revenue for the capital or operating costs associated with the community use of airport land.".

SEC. 132. MOTHERS' ROOMS.

(a) GRANT ASSURANCES.—Section 47107 of title 49, United States Code, as amended by this Act, is further amended by adding at the end the following:

"(w) MOTHERS' ROOMS.—

"(1) IN GENERAL.—In fiscal year 2021 and each fiscal year thereafter, the Secretary of Transportation may approve an application under this subchapter for an airport development project grant only if the Secretary receives written assurances that the airport owner or operator will maintain—

"(A) a lactation area in the sterile area of each passenger terminal building of the airport; and

"(B) a baby changing table in one men's and one women's restroom in each passenger terminal building of the airport.

"(2) APPLICABILITY.—

"(A) AIRPORT SIZE.—The requirement in paragraph (1) shall only apply to applications submitted by the airport sponsor of a medium or large hub airport.

"(B) PREEXISTING FACILITIES.—On application by an airport sponsor, the Secretary may determine that a lactation area in existence on the date of enactment of this Act complies with the requirement in paragraph (1), notwithstanding the absence of one of the facilities or characteristics referred to in the definition of the term 'lactation area' in this subsection.

"(C) SPECIAL RULE.—The requirement in paragraph (1) shall not apply with respect to a project grant application for a period of time, determined by the Secretary, if the Secretary determines that construction or maintenance activities make it impracticable or unsafe for the lactation area to be located in the sterile area of the building.

"(3) DEFINITION.—In this section, the term—

"(A) 'lactation area' means a room or similar accommodation that—

"(i) provides a location for members of the public to express breast milk that is shielded from view and free from intrusion from the public;

"(ii) has a door that can be locked;

"(iii) includes a place to sit, a table or other flat surface, a sink or sanitizing equipment, and an electrical outlet;

"(iv) is readily accessible to and usable by individuals with disabilities, including individuals who use wheelchairs; and

"(v) is not located in a restroom; and

"(B) 'sterile area' has the same meaning given that term in section 1540.5 of title 49, Code of Federal Regulations.".

(b) TERMINAL DEVELOPMENT COSTS.—Section 47119(a) of title 49, United States Code, is amended by adding at the end the following:

"(3) LACTATION AREAS.—In addition to the projects described in paragraph (1), the Secretary may approve a project for terminal development for the construction or installation of a lactation area (as defined in section 47107(w)) at a commercial service airport.".

SEC. 133. CONTRACT TOWER PROGRAM.

(a) AIR TRAFFIC CONTROL CONTRACT PROGRAM.—

(1) SPECIAL RULE.—Section 47124(b)(1)(B) of title 49, United States Code, is amended—

(A) by striking "under the program continued under this paragraph" and inserting "under the Contract Tower Program"; and

(B) by striking "exceeds the benefit for a period of 18 months after such determination is made" and inserting the following: "exceeds the benefit—

"(i) for the 1-year period after such determination is made; or

"(ii) if an appeal of such determination is requested, for the 1-year period described in subsection (d)(4)(D).".

(2) EXEMPTION.—Section 47124(b)(3)(D) of title 49, United States Code, is amended—

(A) by striking "under the program" and inserting "under the Cost-share Program"; and

(B) by adding at the end the following: "Airports with air service provided under part 121 of title 14, Code of Federal Regulations, and more than 25,000 passenger enplanements in calendar year 2014 shall be exempt from any cost-share requirement under this paragraph.".

(3) CONSTRUCTION OF AIR TRAFFIC CONTROL TOWERS.—

(A) GRANTS.—Section 47124(b)(4)(A) of title 49, United States Code, is amended in each of clauses (i)(III) and (ii)(III) by inserting ", including remote air traffic control tower equipment certified by the Federal Aviation Administration" after "1996".

(B) ELIGIBILITY.—Section 47124(b)(4)(B)(i)(I) of title 49, United States Code, is amended by striking "contract tower program established under subsection (a) and continued under paragraph (1) or the pilot program established under paragraph (3)" and inserting "Contract Tower Program or the Cost-share Program".

(C) LIMITATION ON FEDERAL SHARE.—Section 47124(b)(4) of title 49, United States Code, is amended by striking subparagraph (C).

(4) BENEFIT-TO-COST CALCULATION FOR PROGRAM APPLICANTS.—Section 47124(b)(3) of title 49, United States Code, is amended by adding at the end the following:

"(G) BENEFIT-TO-COST CALCULATION.—Not later than 90 days after receiving an application to the Contract Tower Program, the Secretary shall calculate a benefit-to-cost

ratio (as described in subsection (d)) for the applicable air traffic control tower for purposes of selecting towers for participation in the Contract Tower Program.".

(b) CRITERIA TO EVALUATE PARTICIPANTS.—Section 47124 of title 49, United States Code, is amended by adding at the end the following:

"(d) CRITERIA TO EVALUATE PARTICIPANTS.—

"(1) TIMING OF EVALUATIONS.—

"(A) TOWERS PARTICIPATING IN COST-SHARE PROGRAM.—In the case of an air traffic control tower that is operated under the Cost-share Program, the Secretary shall annually calculate a benefit-to-cost ratio with respect to the tower.

"(B) TOWERS PARTICIPATING IN CONTRACT TOWER PROGRAM.—In the case of an air traffic control tower that is operated under the Contract Tower Program, the Secretary shall not calculate a benefit-to-cost ratio after the date of enactment of this subsection with respect to the tower unless the Secretary determines that the annual aircraft traffic at the airport where the tower is located has decreased—

"(i) by more than 25 percent from the previous year; or

"(ii) by more than 55 percent cumulatively in the preceding 3-year period.

"(2) COSTS TO BE CONSIDERED.—In establishing a benefit-to-cost ratio under this section with respect to an air traffic control tower, the Secretary shall consider only the following costs:

"(A) The Federal Aviation Administration's actual cost of wages and benefits of personnel working at the tower.

"(B) The Federal Aviation Administration's actual telecommunications costs directly associated with the tower.

"(C) The Federal Aviation Administration's costs of purchasing and installing any air traffic control equipment that would not have been purchased or installed except as a result of the operation of the tower.

"(D) The Federal Aviation Administration's actual travel costs associated with maintaining air traffic control equipment that is owned by the Administration and would not be maintained except as a result of the operation of the tower.

"(E) Other actual costs of the Federal Aviation Administration directly associated with the tower that would not be incurred except as a result of the operation of the tower (excluding costs for noncontract tower-related personnel and equipment, even if the personnel or equipment is located in the contract tower building).

"(3) OTHER CRITERIA TO BE CONSIDERED.—In establishing a benefit-to-cost ratio under this section with respect to an air traffic control tower, the Secretary shall add a 10 percentage point margin of error to the benefit-to-cost ratio determination to acknowledge and account for the direct and indirect economic and other benefits that are not included in the criteria the Secretary used in calculating that ratio.

"(4) REVIEW OF COST-BENEFIT DETERMINATIONS.—In issuing a benefit-to-cost ratio determination under this section with

respect to an air traffic control tower located at an airport, the Secretary shall implement the following procedures:

"(A) The Secretary shall provide the airport (or the State or local government having jurisdiction over the airport) at least 90 days following the date of receipt of the determination to submit to the Secretary a request for an appeal of the determination, together with updated or additional data in support of the appeal.

"(B) Upon receipt of a request for an appeal submitted pursuant to subparagraph (A), the Secretary shall—

"(i) transmit to the Administrator of the Federal Aviation Administration any updated or additional data submitted in support of the appeal; and

"(ii) provide the Administrator not more than 90 days to review the data and provide a response to the Secretary based on the review.

"(C) After receiving a response from the Administrator pursuant to subparagraph (B), the Secretary shall—

"(i) provide the airport, State, or local government that requested the appeal at least 30 days to review the response; and

"(ii) withhold from taking further action in connection with the appeal during that 30-day period.

"(D) If, after completion of the appeal procedures with respect to the determination, the Secretary requires the tower to transition into the Cost-share Program, the Secretary shall not require a cost-share payment from the airport, State, or local government for 1 year following the last day of the 30-day period described in subparagraph (C).

"(e) DEFINITIONS.—In this section:

"(1) CONTRACT TOWER PROGRAM.—The term 'Contract Tower Program' means the level I air traffic control tower contract program established under subsection (a) and continued under subsection (b)(1).

"(2) COST-SHARE PROGRAM.—The term 'Cost-share Program' means the cost-share program established under subsection (b)(3).".

(c) CONFORMING AMENDMENTS.—Section 47124(b) of title 49, United States Code, is amended—

(1) in paragraph (1)(C), by striking "the program established under paragraph (3)" and inserting "the Cost-share Program";

(2) in paragraph (3)—

(A) in the heading, by striking "CONTRACT AIR TRAFFIC CONTROL TOWER PROGRAM" and inserting "COST-SHARE PROGRAM";

(B) in subparagraph (A), by striking "contract tower program established under subsection (a) and continued under paragraph (1) (in this paragraph referred to as the 'Contract Tower Program')" and inserting "Contract Tower Program";

(C) in subparagraph (B), by striking "In carrying out the program" and inserting "In carrying out the Cost-share Program";

(D) in subparagraph (C), by striking "participate in the program" and inserting "participate in the Cost-share Program"; and

(E) in subparagraph (F), by striking "the program continued under paragraph (1)" and inserting "the Contract Tower Program".

(d) APPROVAL OF CERTAIN APPLICATIONS FOR THE CONTRACT TOWER PROGRAM.— 49 USC 47124 note.

(1) IN GENERAL.—If the Administrator of the Federal Aviation Administration has not implemented a revised cost-benefit methodology for purposes of determining eligibility for the Contract Tower Program before the date that is 30 days after the date of enactment of this Act, any airport with an application for participation in the Contract Tower Program pending as of January 1, 2017, shall be approved for participation in the Contract Tower Program if the Administrator determines the tower is eligible under the criteria set forth in the Federal Aviation Administration report entitled "Establishment and Discontinuance Criteria for Airport Traffic Control Towers", and dated August 1990 (FAA–APO–90–7).

(2) REQUESTS FOR ADDITIONAL AUTHORITY.—The Administrator shall respond not later than 60 days after the date the Administrator receives a formal request from an airport and air traffic control contractor for additional authority to expand contract tower operational hours and staff to accommodate flight traffic outside of current tower operational hours.

(3) DEFINITION OF CONTRACT TOWER PROGRAM.—In this section, the term "Contract Tower Program" has the meaning given the term in section 47124(e) of title 49, United States Code, as added by this Act.

SEC. 134. GOVERNMENT SHARE OF PROJECT COSTS.

Section 47109(a) of title 49, United States Code, is amended—

(1) in paragraph (1), by striking "primary airport having at least .25 percent of the total number of passenger boardings each year at all commercial service airports;" and inserting "medium or large hub airport;"; and

(2) by striking paragraph (5) and inserting the following:

"(5) 95 percent for a project that—

"(A) the Administrator determines is a successive phase of a multiphase construction project for which the sponsor received a grant in fiscal year 2011; and

"(B) for which the United States Government's share of allowable project costs would otherwise be capped at 90 percent under paragraph (2) or (3).".

SEC. 135. UPDATED VETERANS' PREFERENCE.

Section 47112(c)(1)(C) of title 49, United States Code, is amended—

(1) by striking "or Operation New Dawn for more" and inserting "Operation New Dawn, Operation Inherent Resolve, Operation Freedom's Sentinel, or any successor contingency operation to such operations for more"; and

(2) by striking "or Operation New Dawn (whichever is later)" and inserting "Operation New Dawn, Operation Inherent Resolve, Operation Freedom's Sentinel, or any successor contingency operation to such operations (whichever is later)".

SEC. 136. USE OF STATE HIGHWAY SPECIFICATIONS.

Section 47114(d)(5) of title 49, United States Code, is amended to read as follows:

"(5) USE OF STATE HIGHWAY SPECIFICATIONS.—The Secretary shall use the highway specifications of a State for airfield pavement construction and improvement using funds made available under this subsection at nonprimary airports serving aircraft that do not exceed 60,000 pounds gross weight if—

"(A) such State requests the use of such specifications; and

"(B) the Secretary determines that—

"(i) safety will not be negatively affected; and

"(ii) the life of the pavement, with necessary maintenance and upkeep, will not be shorter than it would be if constructed using Administration standards.".

SEC. 137. FORMER MILITARY AIRPORTS.

Section 47118(a) of title 49, United States Code, is amended—

(1) in paragraph (1)(C), by striking "or" at the end;

(2) in paragraph (2), by striking the period at the end and inserting "; or"; and

(3) by adding at the end the following:

"(3) the airport is—

"(A) a former military installation that, at any time after December 31, 1965, was owned and operated by the Department of Defense; and

"(B) a nonhub primary airport.".

SEC. 138. ELIGIBILITY OF CCTV PROJECTS FOR AIRPORT IMPROVEMENT PROGRAM.

Section 47119(a)(1)(B) is amended—

(1) by striking "; and" at the end and inserting "; or";

(2) by striking "directly related to moving passengers" and inserting the following: "directly related to—

"(i) moving passengers"; and

(3) by adding at the end the following:

"(ii) installing security cameras in the public area of the interior and exterior of the terminal; and".

SEC. 139. STATE BLOCK GRANT PROGRAM EXPANSION.

Section 47128(a) of title 49, United States Code, is amended by striking "not more than 9 qualified States for fiscal years 2000 and 2001 and 10 qualified States for each fiscal year thereafter" and inserting "not more than 20 qualified States for each fiscal year".

SEC. 140. NON-MOVEMENT AREA SURVEILLANCE PILOT PROGRAM.

(a) IN GENERAL.—Subchapter I of chapter 471 of title 49, United States Code, is amended by inserting after section 47142 the following:

49 USC 47143.

"§ 47143. Non-movement area surveillance surface display systems pilot program

"(a) IN GENERAL.—The Administrator of the Federal Aviation Administration may carry out a pilot program to support non-Federal acquisition and installation of qualifying non-movement area surveillance surface display systems and sensors if—

"(1) the Administrator determines that such systems and sensors would improve safety or capacity in the National Airspace System; and

"(2) the non-movement area surveillance surface display systems and sensors supplement existing movement area systems and sensors at the selected airports established under other programs administered by the Administrator.

"(b) PROJECT GRANTS.—

"(1) IN GENERAL.—For purposes of carrying out the pilot program, the Administrator may make a project grant out of funds apportioned under paragraph (1) or paragraph (2) of section 47114(c) to not more than 5 eligible sponsors to acquire and install qualifying non-movement area surveillance surface display systems and sensors. The airports selected to participate in the pilot program shall have existing Administration movement area systems and airlines that are participants in Federal Aviation Administration's airport collaborative decision-making process.

"(2) DATA EXCHANGE PROCESSES.—As part of the pilot program carried out under this section, the Administrator may establish data exchange processes to allow airport participation in the Administration's airport collaborative decision-making process and fusion of the non-movement surveillance data with the Administration's movement area systems.

"(c) SUNSET.—This section shall cease to be effective on October 1, 2023.

"(d) DEFINITIONS.—In this section:

"(1) NON-MOVEMENT AREA.—The term 'non-movement area' means the portion of the airfield surface that is not under the control of air traffic control.

"(2) NON-MOVEMENT AREA SURVEILLANCE SURFACE DISPLAY SYSTEMS AND SENSORS.—The term 'non-movement area surveillance surface display systems and sensors' means a non-Federal surveillance system that uses on-airport sensors that track vehicles or aircraft that are equipped with transponders in the non-movement area.

"(3) QUALIFYING NON-MOVEMENT AREA SURVEILLANCE SURFACE DISPLAY SYSTEM AND SENSORS.—The term 'qualifying non-movement area surveillance surface display system and sensors' means a non-movement area surveillance surface display system that—

"(A) provides the required transmit and receive data formats consistent with the National Airspace System architecture at the appropriate service delivery point;

"(B) is on-airport; and

"(C) is airport operated.".

(b) TECHNICAL AND CONFORMING AMENDMENTS.—The table of contents of chapter 471 of title 49, United States Code, is amended by inserting after the item relating to section 47142 the following: 49 USC prec. 47101.

"47143. Non-movement area surveillance surface display systems pilot program.".

SEC. 141. PROPERTY CONVEYANCE RELEASES.

Section 817(a) of the FAA Modernization and Reform Act of 2012 (49 U.S.C. 47125 note) is amended—

(1) by striking "or section 23" and inserting ", section 23"; and

(2) by inserting ", or section 47125 of title 49, United States Code" before the period at the end.

SEC. 142. STUDY REGARDING TECHNOLOGY USAGE AT AIRPORTS.

(a) IN GENERAL.—Not later than 6 months after the date of enactment of this Act, the Administrator of the Federal Aviation Administration shall initiate a study on—

(1) technology developed by international entities (including foreign nations and companies) that have been installed in American airports and aviation systems over the past decade, including the nation where the technology was developed and any airports utilizing the technology; and

(2) aviation safety-related technology developed and implemented by international entities with proven track records of success that may assist in establishing best practices to improve American aviation operations and safety.

(b) REPORT.—Not later than 18 months after the date of enactment of this Act, the Administrator shall submit to the appropriate committees of Congress a report on the results of the study.

SEC. 143. STUDY ON AIRPORT REVENUE DIVERSION.

(a) STUDY.—Not later than 180 days after the date of enactment of this Act, the Comptroller General of the United States shall initiate a study of—

(1) the legal and financial challenges related to repealing the exception in section 47107(b)(2) of title 49, United States Code, for those airports that the Federal Aviation Administration has identified are covered by the exception; and

(2) measures that may be taken to mitigate the impact of repealing the exception.

(b) CONTENTS.—The study required under subsection (a) shall address—

(1) the level of revenue diversion at the airports covered by the exception described in subsection (a)(1) and the uses of the diverted revenue;

(2) the terms of any bonds or financial covenants an airport owner has issued relying on diverted airport revenue;

(3) applicable local laws or ordinances requiring use of airport revenue for nonairport purposes;

(4) whether repealing the exception would improve the long-term financial performance of impacted airports; and

(5) any other practical implications of repealing the exception for airports or the national aviation system.

(c) REPORT.—Not later than 18 months after the date of enactment of this Act, the Comptroller General shall submit to the appropriate committees of Congress a report on the results of the study.

SEC. 144. GAO STUDY ON THE EFFECT OF GRANTING AN EXCLUSIVE RIGHT OF AERONAUTICAL SERVICES TO AN AIRPORT SPONSOR.

(a) IN GENERAL.—Not later than 2 years after the date of enactment of this Act, the Comptroller General of the United States shall conduct a study to examine the cases in which an airport sponsor has exercised an exclusive right (commonly known as a proprietary exclusive right), as described in the Federal Aviation Advisory Circular 150/1590–6 issued on January 4, 2007.

(b) REPORT.—Upon completion of the study described under subsection (a), the Comptroller General shall submit to the appropriate committees of Congress a report on the findings of the study.

SEC. 145. SENSE OF CONGRESS ON SMART AIRPORTS.

It is the sense of Congress that the Administrator of the Federal Aviation Administration and the Secretary of Transportation should produce a smart airports initiative plan that focuses on creating a more consumer-friendly and digitally connected airport experience. The plan should include recommendations on modernizing technologies to provide more efficient check-ins, shortened security lines, Wi-Fi and GPS upgrades, as well as improvements of aircraft turnaround for on-time boarding and flights. The purpose of the initiative is to invest in technologies and infrastructure toward better-connected airports while providing appropriate national security and cybersecurity for travelers.

SEC. 146. CRITICAL AIRFIELD MARKINGS.

Not later than 180 days after the date of enactment of this Act, the Administrator of the Federal Aviation Administration shall issue a request for proposal for a study that includes—

(1) an independent, third-party study to assess the durability of Type III and Type I glass beads applied to critical markings over a 2-year period at not fewer than 2 primary airports in varying weather conditions to measure the retroreflectivity levels of such markings on a quarterly basis; and

(2) a study at 2 other airports carried out by applying Type III glass beads on half of the centerline and Type I glass beads to the other half and providing for assessments from pilots through surveys administered by a third party as to the visibility and performance of the Type III glass beads as compared to the Type I glass beads over a 1-year period.

SEC. 147. GENERAL FACILITIES AUTHORITY.

Section 44502 of title 49, United States Code, is amended—

(1) by striking subsection (e) and inserting the following:

"(e) TRANSFERS OF AIR TRAFFIC SYSTEMS.—

"(1) IN GENERAL.—An airport may transfer, without consideration, to the Administrator of the Federal Aviation Administration, an eligible air traffic system or equipment that conforms to performance specifications of the Administrator if a Government airport aid program, airport development aid program, or airport improvement project grant was used to assist in purchasing the system or equipment.

"(2) ACCEPTANCE.—The Administrator shall accept the eligible air traffic system or equipment and operate and maintain it under criteria of the Administrator.

"(3) DEFINITION.—In this subsection, the term 'eligible air traffic system or equipment' means—

"(A) an instrument landing system consisting of a glide slope and localizer (if the Administrator has determined that a satellite navigation system cannot provide a suitable approach to an airport);

"(B) an Automated Weather Observing System weather observation system; or

"(C) a Remote Communication Air/Ground and Remote Communication Outlet communications facility."; and

(2) by adding at the end the following:

"(f) AIRPORT SPACE.—

"(1) RESTRICTION.—The Administrator may not require an airport owner or sponsor (as defined in section 47102) to provide to the Federal Aviation Administration without cost any of the following:

"(A) Building construction, maintenance, utilities, or expenses for services relating to air traffic control, air navigation, or weather reporting.

"(B) Space in a facility owned by the airport owner or sponsor for services relating to air traffic control, air navigation, or weather reporting.

"(2) RULE OF CONSTRUCTION.—Nothing in this subsection may be construed to affect—

"(A) any agreement the Secretary may have or make with an airport owner or sponsor for the airport owner or sponsor to provide any of the items described in paragraph (1)(A) or (1)(B) at below-market rates; or

"(B) any grant assurance that requires an airport owner or sponsor to provide land to the Administration without cost for an air traffic control facility.".

SEC. 148. RECYCLING PLANS; UNCATEGORIZED SMALL AIRPORTS.

(a) PROJECT GRANT APPLICATION APPROVAL.—Section 47106(a) of title 49, United States Code, is amended—

(1) in paragraph (5), by striking "and" at the end;

(2) in paragraph (6), by inserting "that includes the project" before ", the master plan";

(3) in paragraph (6)(E), by striking the period at the end and inserting "; and"; and

(4) by adding at the end the following:

"(7) if the project is at an airport that is listed as having an unclassified status under the most recent national plan of integrated airport systems (as described in section 47103), the project will be funded with an amount appropriated under section 47114(d)(3)(B) and is—

"(A) for maintenance of the pavement of the primary runway;

"(B) for obstruction removal for the primary runway;

"(C) for the rehabilitation of the primary runway; or

"(D) for a project that the Secretary considers necessary for the safe operation of the airport.".

(b) NONPRIMARY APPORTIONMENT.—Section 47114(d)(3) of title 49, United States Code, is amended by adding at the end the following:

"(C) During fiscal years 2019 and 2020—

"(i) an airport that accrued apportionment funds under subparagraph (A) in fiscal year 2013 that is listed as having an unclassified status under the most recent national plan of integrated airport systems shall continue to accrue apportionment funds under subparagraph (A) at the same amount the airport accrued apportionment funds in fiscal year 2013, subject to the conditions of this paragraph;

"(ii) notwithstanding the period of availability as described in section 47117(b), an amount apportioned to an airport under clause (i) shall be available to the airport only during the fiscal year in which the amount is apportioned; and

"(iii) notwithstanding the waiver permitted under section 47117(c)(2), an airport receiving apportionment funds under clause (i) may not waive its claim to any part of the apportioned funds in order to make the funds available for a grant for another public-use airport.

"(D) An airport that re-establishes its classified status shall be eligible to accrue apportionment funds pursuant to subparagraph (A) so long as such airport retains its classified status.".

SEC. 149. EVALUATION OF AIRPORT MASTER PLANS.

Section 47106 of title 49, United States Code, is amended by adding at the end the following:

"(h) EVALUATION OF AIRPORT MASTER PLANS.—When evaluating the master plan of an airport for purposes of this subchapter, the Secretary shall take into account—

"(1) the role the airport plays with respect to medical emergencies and evacuations; and

"(2) the role the airport plays in emergency or disaster preparedness in the community served by the airport.".

SEC. 150. DEFINITION OF SMALL BUSINESS CONCERN.

Section 47113(a)(1) of title 49, United States Code, is amended to read as follows:

"(1) 'small business concern'—

"(A) has the meaning given the term in section 3 of the Small Business Act (15 U.S.C. 632); but

"(B) in the case of a concern in the construction industry, a concern shall be considered a small business concern if the concern meets the size standard for the North American Industry Classification System Code 237310, as adjusted by the Small Business Administration;".

SEC. 151. SMALL AIRPORT REGULATION RELIEF.

Section 47114(c)(1) of title 49, United States Code, is amended by striking subparagraph (F) and inserting the following:

"(F) SPECIAL RULE FOR FISCAL YEARS 2018 THROUGH 2020.—Notwithstanding subparagraph (A) and subject to subparagraph (G), the Secretary shall apportion to a sponsor of an airport under that subparagraph for each of fiscal years 2018 through 2020 an amount based on the number of passenger boardings at the airport during calendar year 2012 if the airport—

"(i) had 10,000 or more passenger boardings during calendar year 2012;

"(ii) had fewer than 10,000 passenger boardings during the calendar year used to calculate the apportionment for fiscal year 2018, 2019, or 2020, as applicable, under subparagraph (A); and

"(iii) had scheduled air service at any point in the calendar year used to calculate the apportionment.

"(G) LIMITATIONS AND WAIVERS.—The authority to make apportionments in the manner prescribed in subparagraph (F) may be utilized no more than 3 years in a row. The Secretary may waive this limitation if the Secretary determines that an airport's enplanements are substantially close to 10,000 enplanements and the airport sponsor or affected communities are taking reasonable steps to restore enplanements above 10,000.

"(H) MINIMUM APPORTIONMENT FOR COMMERCIAL SERVICE AIRPORTS WITH MORE THAN 8,000 PASSENGER BOARDINGS IN A CALENDAR YEAR.—Not less than $600,000 may be apportioned under subparagraph (A) for each fiscal year to each sponsor of a commercial service airport that had fewer than 10,000 passenger boardings, but at least 8,000 passenger boardings, during the prior calendar year.".

SEC. 152. CONSTRUCTION OF CERTAIN CONTROL TOWERS.

Section 47116(d) of title 49, United States Code, is amended by adding at the end the following:

"(3) CONTROL TOWER CONSTRUCTION.—Notwithstanding section 47124(b)(4)(A), the Secretary may provide grants under this section to an airport sponsor participating in the contract tower program under section 47124 for the construction or improvement of a nonapproach control tower, as defined by the Secretary, and for the acquisition and installation of air traffic control, communications, and related equipment to be used in that tower. Such grants shall be subject to the distribution requirements of subsection (b) and the eligibility requirements of section 47124(b)(4)(B).".

SEC. 153. NONDISCRIMINATION.

Section 47123 of title 49, United States Code, is amended—

(1) by striking "The Secretary of Transportation" and inserting the following:

"(a) IN GENERAL.—The Secretary of Transportation"; and

(2) by adding at the end the following:

"(b) INDIAN EMPLOYMENT.—

"(1) TRIBAL SPONSOR PREFERENCE.—Consistent with section 703(i) of the Civil Rights Act of 1964 (42 U.S.C. 2000e–2(i)), nothing in this section shall preclude the preferential employment of Indians living on or near a reservation on a project or contract at—

"(A) an airport sponsored by an Indian tribal government; or

"(B) an airport located on an Indian reservation.

"(2) STATE PREFERENCE.—A State may implement a preference for employment of Indians on a project carried out under this subchapter near an Indian reservation.

"(3) IMPLEMENTATION.—The Secretary shall consult with Indian tribal governments and cooperate with the States to implement this subsection.

"(4) INDIAN TRIBAL GOVERNMENT DEFINED.—In this section, the term 'Indian tribal government' has the same meaning given that term in section 102 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5122).".

SEC. 154. DEFINITION OF AIRPORT DEVELOPMENT.

Section 47116(d)(2) of title 49, United States Code, is amended to read as follows:

"(2) AIRPORT DEVELOPMENT FOR ELIGIBLE MOUNTAINTOP AIRPORTS.—In making grants to sponsors described in subsection (b), the Secretary shall give priority consideration to mass grading and associated structural support (including access road, duct banks, and other related infrastructure) at mountaintop airports, provided that the airport would not otherwise have sufficient surface area for—

"(A) eligible and justified airport development projects; or

"(B) additional hangar space.".

SEC. 155. GENERAL AVIATION AIRPORT EXPIRED FUNDS.

Section 47117(b) of title 49, United States Code, is amended—

(1) by striking "An amount" and inserting "(1) IN GENERAL.—An amount";

(2) by striking "If the amount" and inserting "Except as provided in paragraph (2), if the amount"; and

(3) by adding at the end the following:

"(2) EXPIRED AMOUNTS APPORTIONED FOR GENERAL AVIATION AIRPORTS.—

"(A) IN GENERAL.—Except as provided in subparagraph (B), if an amount apportioned under section 47114(d) is not obligated within the time specified in paragraph (1), that amount shall be added to the discretionary fund under section 47115 of this title, provided that—

"(i) amounts made available under paragraph (2)(A) shall be used for grants for projects in accordance with section 47115(d)(2) at airports eligible to receive an apportionment under section 47114(d)(2) or (3)(A), whichever is applicable; and

"(ii) amounts made available under paragraph (2)(A) that are not obligated by July 1 of the fiscal year in which the funds will expire shall be made available for all projects in accordance with section 47115(d)(2).

"(B) STATE BLOCK GRANT PROGRAM.—If an amount apportioned to an airport under section 47114(d)(3)(A) is not obligated within the time specified in paragraph (1), and the airport is located in a State participating in the State block grant program under section 47128, the amount shall be made available to that State under the same conditions as if the State had been apportioned the amount under section 47114(d)(3)(B).".

SEC. 156. PRIORITY REVIEW OF CONSTRUCTION PROJECTS IN COLD WEATHER STATES.

49 USC 47112 note.

(a) IN GENERAL.—The Administrator of the Federal Aviation Administration, to the extent practicable, shall schedule the Administrator's review of construction projects so that projects to be carried out in the States in which the weather during a typical calendar year prevents major construction projects from being carried out before May 1 are reviewed as early as possible.

(b) BRIEFING.—The Administrator shall provide a briefing to the appropriate committees of Congress annually on the effectiveness of the review and prioritization.

(c) TECHNICAL AMENDMENT.—Section 154 of the FAA Modernization and Reform Act of 2012 (49 U.S.C. 47112 note) and the item relating to that section in the table of contents under section 1(b) of that Act (126 Stat. 13) are repealed.

49 USC 47113 note.

SEC. 157. MINORITY AND DISADVANTAGED BUSINESS PARTICIPATION.

(a) FINDINGS.—Congress finds the following:

(1) While significant progress has occurred due to the establishment of the airport disadvantaged business enterprise program (sections 47107(e) and 47113 of title 49, United States Code), discrimination and related barriers continue to pose significant obstacles for minority- and women-owned businesses seeking to do business in airport-related markets across the Nation. These continuing barriers merit the continuation of the airport disadvantaged business enterprise program.

(2) Congress has received and reviewed testimony and documentation of race and gender discrimination from numerous sources, including congressional hearings and roundtables, scientific reports, reports issued by public and private agencies, news stories, reports of discrimination by organizations and individuals, and discrimination lawsuits. This testimony and documentation shows that race- and gender-neutral efforts alone are insufficient to address the problem.

(3) This testimony and documentation demonstrates that discrimination across the Nation poses a barrier to full and fair participation in airport-related businesses of women business owners and minority business owners in the racial groups detailed in parts 23 and 26 of title 49, Code of Federal Regulations, and has impacted firm development and many aspects of airport-related business in the public and private markets.

(4) This testimony and documentation provides a strong basis that there is a compelling need for the continuation of the airport disadvantaged business enterprise program and the airport concessions disadvantaged business enterprise program to address race and gender discrimination in airport-related business.

(b) PROMPT PAYMENTS.—

(1) REPORTING OF COMPLAINTS.—Not later than 120 days after the date of enactment of this Act, the Administrator of the Federal Aviation Administration shall ensure that each airport that participates in the Program tracks, and reports to the Administrator, the number of covered complaints made in relation to activities at that airport.

(2) IMPROVING COMPLIANCE.—

(A) IN GENERAL.—The Administrator shall take actions to assess and improve compliance with prompt payment requirements under part 26 of title 49, Code of Federal Regulations.

(B) CONTENTS OF ASSESSMENT.—In carrying out subparagraph (A), the Administrator shall assess—

(i) whether requirements relating to the inclusion of prompt payment language in contracts are being satisfied;

(ii) whether and how airports are enforcing prompt payment requirements;

(iii) the processes by which covered complaints are received and resolved by airports;

(iv) whether improvements need to be made to—

(I) better track covered complaints received by airports; and

(II) assist the resolution of covered complaints in a timely manner;

(v) whether changes to prime contractor specifications need to be made to ensure prompt payments to subcontractors; and,

(vi) whether changes to prime contractor specifications need to be made to ensure prompt payment of retainage to subcontractors.

(C) REPORTING.—The Administrator shall make available to the public on an appropriate website operated by the Administrator a report describing the results of the assessment completed under this paragraph, including a plan to respond to such results.

(3) DEFINITIONS.—In this subsection, the following definitions apply:

(A) COVERED COMPLAINT.—The term "covered complaint" means a complaint relating to an alleged failure to satisfy a prompt payment requirement under part 26 of title 49, Code of Federal Regulations.

(B) PROGRAM.—The term "Program" means the airport disadvantaged business enterprise program referenced in subsection (a)(1) of the FAA Modernization and Reform Act of 2012 (49 U.S.C. 47113 note).

SEC. 158. SUPPLEMENTAL DISCRETIONARY FUNDS.

Section 47115 of title 49, United States Code, is further amended by adding at the end the following:

"(j) SUPPLEMENTAL DISCRETIONARY FUNDS.—

"(1) IN GENERAL.—The Secretary shall establish a program to provide grants, subject to the conditions of this subsection, for any purpose for which amounts are made available under section 48103 that the Secretary considers most appropriate to carry out this subchapter.

"(2) TREATMENT OF GRANTS.—

"(A) IN GENERAL.—A grant made under this subsection shall be treated as having been made pursuant to the Secretary's authority under section 47104(a) and from the Secretary's discretionary fund under subsection (a) of this section.

"(B) EXCEPTION.—Except as otherwise provided in this subsection, grants made under this subsection shall not be subject to subsection (c), section 47117(e), or any other apportionment formula, special apportionment category, or minimum percentage set forth in this chapter.

"(3) ELIGIBILITY AND PRIORITIZATION.—

"(A) ELIGIBILITY.—The Secretary may provide grants under this subsection for an airport or terminal development project at any airport that is eligible to receive a grant from the discretionary fund under subsection (a) of this section.

"(B) PRIORITIZATION.—Not less than 50 percent of the amounts available under this subsection shall used to provide grants at—

"(i) airports that are eligible for apportionment under section 47114(d)(3); and

"(ii) nonhub and small hub airports.

"(4) AUTHORIZATION.—

"(A) IN GENERAL.—There is authorized to be appropriated to the Secretary to carry out this subsection the following amounts:

"(i) $1,020,000,000 for fiscal year 2019.

"(ii) $1,041,000,000 for fiscal year 2020.

"(iii) $1,064,000,000 for fiscal year 2021.

"(iv) $1,087,000,000 for fiscal year 2022.

"(v) $1,110,000,000 for fiscal year 2023.

"(B) AVAILABILITY.—Sums authorized to be appropriated under subparagraph (A) shall remain available for 2 fiscal years.".

SEC. 159. STATE TAXATION.

(a) IN GENERAL.—Section 40116(d)(2)(A) of title 49, United States Code, is amended by adding at the end the following:

"(v) except as otherwise provided under section 47133, levy or collect a tax, fee, or charge, first taking effect after the date of enactment of this clause, upon any business located at a commercial service airport or operating as a permittee of such an airport that is not generally imposed on sales or services by that State, political subdivision, or authority unless wholly utilized for airport or aeronautical purposes.".

49 USC 40116 note.

(b) RULE OF CONSTRUCTION.—Nothing in this section or an amendment made by this section shall affect a change to a rate or other provision of a tax, fee, or charge under section 40116 of title 49, United States Code, that was enacted prior to the date of enactment of this Act. Such provision of a tax, fee, or charge shall continue to be subject to the requirements to which such provision was subject under that section as in effect on the day before the date of enactment of this Act.

SEC. 160. AIRPORT INVESTMENT PARTNERSHIP PROGRAM.

(a) IN GENERAL.—Section 47134 of title 49, United States Code, is amended—

(1) by striking the section heading and inserting "**Airport investment partnership program**";

(2) in subsection (b), by striking ", with respect to not more than 10 airports,";

(3) in subsection (b)(2), by striking "The Secretary may grant an exemption to a sponsor" and inserting "If the Secretary grants an exemption to a sponsor pursuant to paragraph (1), the Secretary shall grant an exemption to the sponsor";

(4) in subsection (b)(3), by striking "The Secretary may grant an exemption to a purchaser or lessee" and inserting "If the Secretary grants an exemption to a sponsor pursuant to paragraph (1), the Secretary shall grant an exemption to the corresponding purchaser or lessee";

(5) by amending subsection (d) to read as follows:

"(d) PROGRAM PARTICIPATION.—

"(1) MULTIPLE AIRPORTS.—The Secretary may consider applications under this section submitted by a public airport

sponsor for multiple airports under the control of the sponsor if all airports under the control of the sponsor are located in the same State.

"(2) PARTIAL PRIVATIZATION.—A purchaser or lessee may be an entity in which a sponsor has an interest."; and

(6) by striking subsections (l) and (m) and inserting the following:

"(l) PREDEVELOPMENT LIMITATION.—A grant to an airport sponsor under this subchapter for predevelopment planning costs relating to the preparation of an application or proposed application under this section may not exceed $750,000 per application or proposed application.".

(b) CLERICAL AMENDMENT.—The analysis for chapter 471 of title 49, United States Code, is amended by striking the item relating to section 47134 and inserting the following:

49 USC prec. 471101.

"47134. Airport investment partnership program.".

SEC. 161. REMOTE TOWER PILOT PROGRAM FOR RURAL AND SMALL COMMUNITIES.

49 USC 47104 note.

(a) PILOT PROGRAM.—

(1) ESTABLISHMENT.—The Administrator of the Federal Aviation Administration shall establish—

(A) in consultation with airport operators and other aviation stakeholders, a pilot program at public-use airports to construct and operate remote towers in order to assess their operational benefits;

(B) a selection process for participation in the pilot program; and

(C) a clear process for the safety and operational certification of the remote towers.

(2) SAFETY CONSIDERATIONS.—

(A) SAFETY RISK MANAGEMENT PANEL.—Prior to the operational use of a remote tower under the pilot program established in subsection (a), the Administrator shall convene a safety risk management panel for the tower to address any safety issues with respect to the tower. The panels shall be created and utilized in a manner similar to that of the safety risk management panels previously convened for remote towers and shall take into account existing best practices and operational data from existing remote towers in the United States.

(B) CONSULTATION.—In establishing the pilot program, the Administrator shall consult with operators of remote towers in the United States and foreign countries to design the pilot program in a manner that leverages as many safety and airspace efficiency benefits as possible.

(3) APPLICATIONS.—The operator of an airport seeking to participate in the pilot program shall submit to the Administrator an application that is in such form and contains such information as the Administrator may require.

(4) PROGRAM DESIGN.—In designing the pilot program, the Administrator shall—

(A) to the maximum extent practicable, ensure that at least 2 different vendors of remote tower systems participate;

(B) identify which air traffic control information and data will assist the Administrator in evaluating the feasibility, safety, costs, and benefits of remote towers;

(C) implement processes necessary to collect the information and data identified in subparagraph (B);

(D) develop criteria, in addition to considering possible selection criteria in paragraph (5), for the selection of airports that will best assist the Administrator in evaluating the feasibility, safety, costs, and benefits of remote towers, including the amount and variety of air traffic at an airport; and

(E) prioritize the selection of airports that can best demonstrate the capabilities and benefits of remote towers, including applicants proposing to operate multiple remote towers from a single facility.

(5) SELECTION CRITERIA FOR CONSIDERATION.—In selecting airports for participation in the pilot program, the Administrator, after consultation with representatives of labor organizations representing operators and employees of the air traffic control system, shall consider for participation in the pilot program—

(A) 1 nonhub airport;

(B) 3 airports that are not primary airports and that do not have existing air traffic control towers;

(C) 1 airport that participates in the Contract Tower Program; and

(D) 1 airport selected at the discretion of the Administrator.

(6) DATA.—The Administrator shall clearly identify and collect air traffic control information and data from participating airports that will assist the Administrator in evaluating the feasibility, safety, costs, and benefits of remote towers.

(7) REPORT.—Not later than 1 year after the date the first remote tower is operational, and annually thereafter, the Administrator shall submit to the appropriate committees of Congress a report—

(A) detailing any benefits, costs, or safety improvements associated with the use of the remote towers; and

(B) evaluating the feasibility of using remote towers, particularly in the Contract Tower Program, for airports without an air traffic control tower, to improve safety at airports with towers, or to reduce costs without impacting safety at airports with or without existing towers.

(8) DEADLINE.—Not later than 1 year after the date of enactment of this Act, the Administrator shall select airports for participation in the pilot program.

(9) DEFINITIONS.—In this subsection:

(A) CONTRACT TOWER PROGRAM.—The term "Contract Tower Program" has the meaning given the term in section 47124(e) of title 49, United States Code, as added by this Act.

(B) REMOTE TOWER.—The term "remote tower" means a remotely operated air navigation facility, including all necessary system components, that provides the functions and capabilities of an air traffic control tower whereby air traffic services are provided to operators at an airport from a location that may not be on or near the airport.

(C) OTHER DEFINITIONS.—The terms "nonhub airport", "primary airport", and "public-use airport" have the meanings given such terms in section 47102 of title 49, United States Code.

(10) SUNSET.—This subsection, including the report required under paragraph (8), shall not be in effect after September 30, 2023.

(b) REMOTE TOWER PROGRAM.—Concurrent with the establishment of the process for safety and operational certification of remote towers under subsection (a)(1)(C), the Administrator shall establish a process to authorize the construction and commissioning of additional remote towers that are certificated under subsection (a)(1)(C) at other airports.

(c) AIP FUNDING ELIGIBILITY.—For purposes of the pilot program under subsection (a), and after certificated remote towers are available under subsection (b), constructing a remote tower or acquiring and installing air traffic control, communications, or related equipment specifically for a remote tower shall be considered airport development (as defined in section 47102 of title 49, United States Code) for purposes of subchapter I of chapter 471 of that title if the components are installed and used at the airport, except, as needed, for off-airport sensors installed on leased towers.

SEC. 162. AIRPORT ACCESS ROADS IN REMOTE LOCATIONS.

49 USC 47102 note.

Notwithstanding section 47102 of title 49, United States Code, for fiscal years 2018 through 2023—

(1) the definition of the term "airport development" under that section includes the construction of a storage facility to shelter snow removal equipment or aircraft rescue and firefighting equipment that is owned by an airport sponsor and used exclusively to maintain safe airfield operations, up to the facility size necessary to accommodate the types and quantities of equipment prescribed by the FAA, regardless of whether Federal funding was used to acquire the equipment;

(2) a storage facility to shelter snow removal equipment may exceed the facility size limitation described in paragraph (1) if the airport sponsor certifies to the Secretary that the following conditions are met:

(A) The storage facility to be constructed will be used to store snow removal equipment exclusively used for clearing airfield pavement of snow and ice following a weather event.

(B) The airport is categorized as a local general aviation airport in the Federal Aviation Administration's 2017–2021 National Plan of Integrated Airport Systems (NPIAS) report.

(C) The 30-year annual snowfall normal of the nearest weather station based on the National Oceanic and Atmospheric Administration Summary of Monthly Normals 1981–2010 exceeds 26 inches.

(D) The airport serves as a base for a medical air ambulance transport aircraft.

(E) The airport master record (Form 5010–1) effective on September 14, 2017 for the airport indicates 45 based aircraft consisting of single engine, multiple engine, and jet engine aircraft.

(F) No funding under this section will be used for any portion of the storage facility designed to shelter maintenance and operations equipment that are not required for clearing airfield pavement of snow and ice.

(G) The airport sponsor will complete design of the storage building not later than September 30, 2019, and will initiate construction of the storage building not later than September 30, 2020.

(H) The area of the storage facility, or portion thereof, to be funded under this subsection does not exceed 6,000 square feet; and

(3) the definition of the term "terminal development" under that section includes the development of an airport access road that—

(A) is located in a noncontiguous State;

(B) is not more than 5 miles in length;

(C) connects to the nearest public roadways of not more than the 2 closest census designated places; and

(D) may provide incidental access to public or private property that is adjacent to the road and is not otherwise connected to a public road.

SEC. 163. LIMITED REGULATION OF NON-FEDERALLY SPONSORED PROPERTY.

49 USC 47107 note.

(a) IN GENERAL.—Except as provided in subsection (b), the Secretary of Transportation may not directly or indirectly regulate—

(1) the acquisition, use, lease, encumbrance, transfer, or disposal of land by an airport owner or operator;

(2) any facility upon such land; or

(3) any portion of such land or facility.

49 USC 47107 note.

(b) EXCEPTIONS.—Subsection (a) does not apply to—

(1) any regulation ensuring—

(A) the safe and efficient operation of aircraft or safety of people and property on the ground related to aircraft operations;

(B) that an airport owner or operator receives not less than fair market value in the context of a commercial transaction for the use, lease, encumbrance, transfer, or disposal of land, any facilities on such land, or any portion of such land or facilities; or

(C) that the airport pays not more than fair market value in the context of a commercial transaction for the acquisition of land or facilities on such land;

(2) any regulation imposed with respect to land or a facility acquired or modified using Federal funding; or

(3) any authority contained in—

(A) a Surplus Property Act instrument of transfer, or

(B) section 40117 of title 49, United States Code.

49 USC 47107 note.

(c) RULE OF CONSTRUCTION.—Nothing in this section shall be construed to affect the applicability of sections 47107(b) or 47133 of title 49, United States Code, to revenues generated by the use, lease, encumbrance, transfer, or disposal of land under subsection (a), facilities upon such land, or any portion of such land or facilities.

(d) AMENDMENTS TO AIRPORT LAYOUT PLANS.—Section 47107(a)(16) of title 49, United States Code, is amended—

(1) by striking subparagraph (B) and inserting the following:

"(B) the Secretary will review and approve or disapprove only those portions of the plan (or any subsequent revision to the plan) that materially impact the safe and efficient operation of aircraft at, to, or from the airport or that would adversely affect the safety of people or property on the ground adjacent to the airport as a result of aircraft operations, or that adversely affect the value of prior Federal investments to a significant extent;";

(2) in subparagraph (C), by striking "if the alteration" and all that follows through "airport; and" and inserting the following: "unless the alteration—

"(i) is outside the scope of the Secretary's review and approval authority as set forth in subparagraph (B); or

"(ii) complies with the portions of the plan approved by the Secretary; and"; and

(3) in subparagraph (D), in the matter preceding clause (i), by striking "when an alternation" and all that follows through "Secretary, will" and inserting "when an alteration in the airport or its facility is made that is within the scope of the Secretary's review and approval authority as set forth in subparagraph (B), and does not conform with the portions of the plan approved by the Secretary, and the Secretary decides that the alteration adversely affects the safety, utility, or efficiency of aircraft operations, or of any property on or off the airport that is owned, leased, or financed by the Government, then the owner or operator will, if requested by the Secretary".

SEC. 164. SEASONAL AIRPORTS.

Section 47114(c)(1) of title 49, United States Code, as amended by this Act, is further amended by adding at the end the following:

"(I) SEASONAL AIRPORTS.—Notwithstanding section 47102, if the Secretary determines that a commercial service airport with at least 8,000 passenger boardings receives scheduled air carrier service for fewer than 6 months in the calendar year used to calculate apportionments to airport sponsors in a fiscal year, then the Secretary shall consider the airport to be a nonhub primary airport for purposes of this chapter.".

SEC. 165. AMENDMENTS TO DEFINITIONS.

Section 47102 of title 49, United States Code, is amended—

(1) in paragraph (3)—

(A) in subparagraph (K), by striking "7505a) and if such project will result in an airport receiving appropriate" and inserting "7505a)) and if the airport would be able to receive";

(B) by striking subparagraph (L) and inserting the following:

"(L) a project by a commercial service airport for the acquisition of airport-owned vehicles or ground support equipment equipped with low-emission technology if the airport is located in an air quality nonattainment or maintenance area (as defined in sections 171(2) and 175A of the Clean Air Act (42 U.S.C. 7501(2); 7505a)), if the airport would be able to receive appropriate emission

credits (as described in section 47139), and the vehicles are;

"(i) used exclusively on airport property; or

"(ii) used exclusively to transport passengers and employees between the airport and the airport's consolidated rental car facility or an intermodal surface transportation facility adjacent to the airport."; and

(C) by adding at the end the following:

"(P) an on-airport project to improve the reliability and efficiency of the airport's power supply and to prevent power disruptions to the airfield, passenger terminal, and any other airport facilities, including the acquisition and installation of electrical generators, separation of the airport's main power supply from its redundant power supply, and the construction or modification of airport facilities to install a microgrid (as defined in section 641 of the United States Energy Storage Competitiveness Act of 2007 (42 U.S.C. 17231)).

"(Q) converting or retrofitting vehicles and ground support equipment into eligible zero-emission vehicles and equipment (as defined in section 47136) and for acquiring, by purchase or lease, eligible zero-emission vehicles and equipment.

"(R) predevelopment planning, including financial, legal, or procurement consulting services, related to an application or proposed application for an exemption under section 47134.";

(2) in paragraph (5), by striking "regulations" and inserting "requirements"; and

(3) in paragraph (8), by striking "public" and inserting "public-use".

SEC. 166. PILOT PROGRAM SUNSETS.

(a) IN GENERAL.—Sections 47136 and 47140 of title 49, United States Code, are repealed.

(b) CONFORMING AMENDMENTS.—

(1) Sections 47136a and 47140a of title 49, United States Code, are redesignated as sections 47136 and 47140, respectively.

(2) Section 47139 of title 49, United States Code, is amended—

(A) by striking subsection (c); and

(B) by redesignating subsection (d) as subsection (c).

(c) CLERICAL AMENDMENTS.—The analysis for chapter 471 of title 49, United States Code, is amended—

49 USC prec. 47101.

(1) by striking the items relating to sections 47136, 47136a, 47140, and 47140a;

(2) by inserting after the item relating to section 47135 the following:

"47136. Zero-emission airport vehicles and infrastructure."; and

(3) by inserting after the item relating to section 47139 the following:

"47140. Increasing the energy efficiency of airport power sources.".

SEC. 167. BUY AMERICA REQUIREMENTS.

49 USC 50101 note.

(a) NOTICE OF WAIVERS.—If the Secretary of Transportation determines that it is necessary to waive the application of section 50101(a) of title 49, United States Code, based on a finding under section 50101(b) of that title, the Secretary, at least 10 days before the date on which the waiver takes effect, shall—

(1) make publicly available, in an easily identifiable location on the website of the Department of Transportation, a detailed written justification of the waiver determination; and

(2) provide an informal public notice and comment opportunity on the waiver determination.

(b) ANNUAL REPORT.—For each fiscal year, the Secretary shall submit to the appropriate committees of Congress a report on waivers issued under section 50101 of title 49, United States Code, during the fiscal year.

Subtitle D—Airport Noise and Environmental Streamlining

SEC. 171. FUNDING ELIGIBILITY FOR AIRPORT ENERGY EFFICIENCY ASSESSMENTS.

(a) COST REIMBURSEMENTS.—Section 47140(a) of title 49, United States Code, as so redesignated, is amended by striking "airport." and inserting "airport, and to reimburse the airport sponsor for the costs incurred in conducting the assessment.".

(b) SAFETY PRIORITY.—Section 47140(b)(2) of title 49, United States Code, as so redesignated, is amended by inserting ", including a certification that no safety projects are being be deferred by requesting a grant under this section," after "an application".

SEC. 172. AUTHORIZATION OF CERTAIN FLIGHTS BY STAGE 2 AIRCRAFT.

49 USC 47521 note.

(a) IN GENERAL.—Notwithstanding chapter 475 of title 49, United States Code, not later than 180 days after the date of enactment of this Act, the Administrator of the Federal Aviation Administration shall initiate a pilot program to permit an operator of a stage 2 aircraft to operate that aircraft in nonrevenue service into not more than 4 medium hub airports or nonhub airports if—

(1) the airport—

(A) is certified under part 139 of title 14, Code of Federal Regulations;

(B) has a runway that—

(i) is longer than 8,000 feet and not less than 200 feet wide; and

(ii) is load bearing with a pavement classification number of not less than 38; and

(C) has a maintenance facility with a maintenance certificate issued under part 145 of such title; and

(2) the operator of the stage 2 aircraft operates not more than 10 flights per month using that aircraft.

(b) TERMINATION.—The pilot program shall terminate on the earlier of—

(1) the date that is 10 years after the date of the enactment of this Act; or

(2) the date on which the Administrator determines that no stage 2 aircraft remain in service.

(c) DEFINITIONS.—In this section:

(1) MEDIUM HUB AIRPORT; NONHUB AIRPORT.—The terms "medium hub airport" and "nonhub airport" have the meanings given those terms in section 40102 of title 49, United States Code.

(2) STAGE 2 AIRCRAFT.—The term "stage 2 aircraft" has the meaning given the term "stage 2 airplane" in section 91.851 of title 14, Code of Federal Regulations (as in effect on the day before the date of the enactment of this Act).

SEC. 173. ALTERNATIVE AIRPLANE NOISE METRIC EVALUATION DEADLINE.

Not later than 1 year after the date of enactment of this Act, the Administrator of the Federal Aviation Administration shall complete the ongoing evaluation of alternative metrics to the current Day Night Level (DNL) 65 standard.

SEC. 174. UPDATING AIRPORT NOISE EXPOSURE MAPS.

Section 47503(b) of title 49, United States Code, is amended to read as follows:

"(b) REVISED MAPS.—

"(1) IN GENERAL.—An airport operator that submits a noise exposure map under subsection (a) shall submit a revised map to the Secretary if, in an area surrounding an airport, a change in the operation of the airport would establish a substantial new noncompatible use, or would significantly reduce noise over existing noncompatible uses, that is not reflected in either the existing conditions map or forecast map currently on file with the Federal Aviation Administration.

"(2) TIMING.—A submission under paragraph (1) shall be required only if the relevant change in the operation of the airport occurs during—

"(A) the forecast period of the applicable noise exposure map submitted by an airport operator under subsection (a); or

"(B) the implementation period of the airport operator's noise compatibility program.".

49 USC 47501 note.

SEC. 175. ADDRESSING COMMUNITY NOISE CONCERNS.

When proposing a new area navigation departure procedure, or amending an existing procedure that would direct aircraft between the surface and 6,000 feet above ground level over noise sensitive areas, the Administrator of the Federal Aviation Administration shall consider the feasibility of dispersal headings or other lateral track variations to address community noise concerns, if—

(1) the affected airport operator, in consultation with the affected community, submits a request to the Administrator for such a consideration;

(2) the airport operator's request would not, in the judgment of the Administrator, conflict with the safe and efficient operation of the national airspace system; and

(3) the effect of a modified departure procedure would not significantly increase noise over noise sensitive areas, as determined by the Administrator.

SEC. 176. COMMUNITY INVOLVEMENT IN FAA NEXTGEN PROJECTS LOCATED IN METROPLEXES.

(a) COMMUNITY INVOLVEMENT POLICY.—Not later than 180 days after the date of enactment of this Act, the Administrator of the Federal Aviation Administration shall complete a review of the Federal Aviation Administration's community involvement practices for Next Generation Air Transportation System (NextGen) projects located in metroplexes identified by the Administration. The review shall include, at a minimum, a determination of how and when to engage airports and communities in performance-based navigation proposals.

(b) REPORT.—Not later than 60 days after completion of the review, the Administrator shall submit to the appropriate committees of Congress a report on—

(1) how the Administration will improve community involvement practices for NextGen projects located in metroplexes;

(2) how and when the Administration will engage airports and communities in performance-based navigation proposals; and

(3) lessons learned from NextGen projects and pilot programs and how those lessons learned are being integrated into community involvement practices for future NextGen projects located in metroplexes.

SEC. 177. LEAD EMISSIONS.

(a) STUDY.—The Secretary of Transportation shall enter into appropriate arrangements with the National Academies of Sciences, Engineering, and Medicine under which the National Research Council will study aviation gasoline.

(b) CONTENTS.—The study shall include an assessment of—

(1) existing non-leaded fuel alternatives to the aviation gasoline used by piston-powered general aviation aircraft;

(2) ambient lead concentrations at and around airports where piston-powered general aviation aircraft are used; and

(3) mitigation measures to reduce ambient lead concentrations, including increasing the size of run-up areas, relocating run-up areas, imposing restrictions on aircraft using aviation gasoline, and increasing the use of motor gasoline in piston-powered general aviation aircraft.

(c) REPORT TO CONGRESS.—Not later than 1 year after the date of enactment of this Act, the Secretary shall submit to the appropriate committees of Congress the study developed by the National Research Council pursuant to this section.

SEC. 178. TERMINAL SEQUENCING AND SPACING.

Not later than 60 days after the date of enactment of this Act, the Administrator of the Federal Aviation Administration shall provide a briefing to the appropriate committees of Congress on the status of Terminal Sequencing and Spacing (TSAS) implementation across all completed NextGen metroplexes with specific information provided by airline regarding the adoption and equipping of aircraft and the training of pilots in its use.

SEC. 179. AIRPORT NOISE MITIGATION AND SAFETY STUDY.

(a) STUDY.—Not later than 1 year after the date of enactment of this Act, the Administrator of the Federal Aviation Administration shall initiate a study to review and evaluate existing studies

and analyses of the relationship between jet aircraft approach and takeoff speeds and corresponding noise impacts on communities surrounding airports.

(b) CONSIDERATIONS.—In conducting the study initiated under subsection (a), the Administrator shall determine—

(1) whether a decrease in jet aircraft approach or takeoff speeds results in significant aircraft noise reductions;

(2) whether the jet aircraft approach or takeoff speed reduction necessary to achieve significant noise reductions—

(A) jeopardizes aviation safety; or

(B) decreases the efficiency of the National Airspace System, including lowering airport capacity, increasing travel times, or increasing fuel burn;

(3) the advisability of using jet aircraft approach or takeoff speeds as a noise mitigation technique; and

(4) if the Administrator determines that using jet aircraft approach or takeoff speeds as a noise mitigation technique is advisable, whether any of the metropolitan areas specifically identified in section 189(b)(2) would benefit from such a noise mitigation technique without a significant impact to aviation safety or the efficiency of the National Airspace System.

(c) REPORT.—Not later than 2 years after the date of enactment of this Act, the Administrator shall submit to the appropriate committees of Congress a report on the results of the study initiated under subsection (a).

49 USC 106 note.

SEC. 180. REGIONAL OMBUDSMEN.

(a) IN GENERAL.—Not later than 1 year after the date of enactment of this Act, with respect to each region of the Federal Aviation Administration, the Regional Administrator for that region shall designate an individual to be the Regional Ombudsman for the region.

(b) REQUIREMENTS.—Each Regional Ombudsman shall—

(1) serve as a regional liaison with the public, including community groups, on issues regarding aircraft noise, pollution, and safety;

(2) make recommendations to the Administrator for the region to address concerns raised by the public and improve the consideration of public comments in decision-making processes; and

(3) be consulted on proposed changes in aircraft operations affecting the region, including arrival and departure routes, in order to minimize environmental impacts, including noise.

49 USC 40101 note.

SEC. 181. FAA LEADERSHIP ON CIVIL SUPERSONIC AIRCRAFT.

(a) IN GENERAL.—The Administrator of the Federal Aviation Administration shall exercise leadership in the creation of Federal and international policies, regulations, and standards relating to the certification and safe and efficient operation of civil supersonic aircraft.

(b) EXERCISE OF LEADERSHIP.—In carrying out subsection (a), the Administrator shall—

(1) consider the needs of the aerospace industry and other stakeholders when creating policies, regulations, and standards that enable the safe commercial deployment of civil supersonic aircraft technology and the safe and efficient operation of civil supersonic aircraft; and

(2) obtain the input of aerospace industry stakeholders regarding—

(A) the appropriate regulatory framework and timeline for permitting the safe and efficient operation of civil supersonic aircraft within United States airspace, including updating or modifying existing regulations on such operation;

(B) issues related to standards and regulations for the type certification and safe operation of civil supersonic aircraft, including noise certification, including—

(i) the operational differences between subsonic aircraft and supersonic aircraft;

(ii) costs and benefits associated with landing and takeoff noise requirements for civil supersonic aircraft, including impacts on aircraft emissions;

(iii) public and economic benefits of the operation of civil supersonic aircraft and associated aerospace industry activity; and

(iv) challenges relating to ensuring that standards and regulations aimed at relieving and protecting the public health and welfare from aircraft noise and sonic booms are economically reasonable, technologically practicable, and appropriate for civil supersonic aircraft; and

(C) other issues identified by the Administrator or the aerospace industry that must be addressed to enable the safe commercial deployment and safe and efficient operation of civil supersonic aircraft.

(c) INTERNATIONAL LEADERSHIP.—The Administrator, in the appropriate international forums, shall take actions that—

(1) demonstrate global leadership under subsection (a);

(2) address the needs of the aerospace industry identified under subsection (b); and

(3) protect the public health and welfare.

(d) REPORT TO CONGRESS.—Not later than 1 year after the date of enactment of this Act, the Administrator shall submit to the appropriate committees of Congress a report detailing—

(1) the Administrator's actions to exercise leadership in the creation of Federal and international policies, regulations, and standards relating to the certification and safe and efficient operation of civil supersonic aircraft;

(2) planned, proposed, and anticipated actions to update or modify existing policies and regulations related to civil supersonic aircraft, including those identified as a result of industry consultation and feedback; and

(3) a timeline for any actions to be taken to update or modify existing policies and regulations related to civil supersonic aircraft.

(e) LONG-TERM REGULATORY REFORM.—

(1) NOISE STANDARDS.—Not later than March 31, 2020, the Administrator shall issue a notice of proposed rulemaking to revise part 36 of title 14, Code of Federal Regulations, to include supersonic aircraft in the applicability of such part. The proposed rule shall include necessary definitions, noise standards for landing and takeoff, and noise test requirements that would apply to a civil supersonic aircraft.

(2) SPECIAL FLIGHT AUTHORIZATIONS.—Not later than December 31, 2019, the Administrator shall issue a notice of proposed rulemaking to revise appendix B of part 91 of title 14, Code of Federal Regulations, to modernize the application process for a person applying to operate a civil aircraft at supersonic speeds for the purposes stated in that rule.

(f) NEAR-TERM CERTIFICATION OF SUPERSONIC CIVIL AIRCRAFT.—

(1) IN GENERAL.—If a person submits an application requesting type certification of a civil supersonic aircraft pursuant to part 21 of title 14, Code of Federal Regulations, before the Administrator promulgates a final rule amending part 36 of title 14, Code of Federal Regulations, in accordance with subsection (e)(1), the Administrator shall, not later than 18 months after having received such application, issue a notice of proposed rulemaking applicable solely for the type certification, inclusive of the aircraft engines, of the supersonic aircraft design for which such application was made.

(2) CONTENTS.—A notice of proposed rulemaking described in paragraph (1) shall—

(A) address safe operation of the aircraft type, including development and flight testing prior to type certification;

(B) address manufacturing of the aircraft;

(C) address continuing airworthiness of the aircraft;

(D) specify landing and takeoff noise standards for that aircraft type that the Administrator considers appropriate, practicable, and consistent with section 44715 of title 49, United States Code; and

(E) consider differences between subsonic and supersonic aircraft including differences in thrust requirements at equivalent gross weight, engine requirements, aerodynamic characteristics, operational characteristics, and other physical properties.

(3) NOISE AND PERFORMANCE DATA.—The requirement of the Administrator to issue a notice of proposed rulemaking under paragraph (1) shall apply only if an application contains sufficient aircraft noise and performance data as the Administrator finds necessary to determine appropriate noise standards and operating limitations for the aircraft type consistent with section 44715 of title 49, United States Code.

(4) FINAL RULE.—Not later than 18 months after the end of the public comment period provided in the notice of proposed rulemaking required under paragraph (1), the Administrator shall publish in the Federal Register a final rule applying solely to the aircraft model submitted for type certification.

(5) REVIEW OF RULES OF CIVIL SUPERSONIC FLIGHTS.—Beginning December 31, 2020, and every 2 years thereafter, the Administrator shall review available aircraft noise and performance data, and consult with heads of appropriate Federal agencies, to determine whether section 91.817 of title 14, Code of Federal Regulations, and Appendix B of part 91 of title 14, Code of Federal Regulations, may be amended, consistent with section 44715 of title 49, United States Code, to permit supersonic flight of civil aircraft over land in the United States.

(6) IMPLEMENTATION OF NOISE STANDARDS.—The portion of the regulation issued by the Administrator of the Federal

Aviation Administration titled "Revision of General Operating and Flight Rules" and published in the Federal Register on August 18, 1989 (54 Fed. Reg. 34284) that restricts operation of civil aircraft at a true flight Mach number greater than 1 shall have no force or effect beginning on the date on which the Administrator publishes in the Federal Register a final rule specifying sonic boom noise standards for civil supersonic aircraft.

SEC. 182. MANDATORY USE OF THE NEW YORK NORTH SHORE HELICOPTER ROUTE.

(a) PUBLIC COMMENT PERIOD.—

(1) IN GENERAL.—The Administrator of the Federal Aviation Administration shall provide notice of, and an opportunity for, at least 60 days of public comment with respect to the regulations in subpart H of part 93 of title 14, Code of Federal Regulations.

(2) TIMING.—The public comment period required under paragraph (1) shall begin not later than 30 days after the date of enactment of this Act.

(b) PUBLIC HEARING.—Not later than 30 days after the date of enactment of this Act, the Administrator shall hold a public hearing in the communities impacted by the regulations described in subsection (a)(1) to solicit feedback with respect to the regulations.

(c) REVIEW.—Not later than 30 days after the date of enactment of this Act, the Administrator shall initiate a review of the regulations described in subsection (a)(1) that assesses the—

(1) noise impacts of the regulations for communities, including communities in locations where aircraft are transitioning to or from a destination or point of landing;

(2) enforcement of applicable flight standards, including requirements for helicopters operating on the relevant route to remain at or above 2,500 feet mean sea level; and

(3) availability of alternative or supplemental routes to reduce the noise impacts of the regulations, including the institution of an all water route over the Atlantic Ocean.

SEC. 183. STATE STANDARDS FOR AIRPORT PAVEMENTS.

Section 47105(c) of title 49, United States Code, is amended—

(1) by inserting "(1) IN GENERAL.—" before "The Secretary" the first place it appears; and

(2) by adding at the end the following:

"(2) PAVEMENT STANDARDS.—

"(A) TECHNICAL ASSISTANCE.—At the request of a State, the Secretary shall, not later than 30 days after the date of the request, provide technical assistance to the State in developing standards, acceptable to the Secretary under subparagraph (B), for pavement on nonprimary public-use airports in the State.

"(B) REQUIREMENTS.—The Secretary shall—

"(i) continue to provide technical assistance under subparagraph (A) until the standards are approved under paragraph (1); and

"(ii) clearly indicate to the State the standards that are acceptable to the Secretary, considering, at a minimum, local conditions and locally available materials.".

SEC. 184. ELIGIBILITY OF PILOT PROGRAM AIRPORTS.

(a) DISCRETIONARY FUND.—Section 47115 of title 49, United States Code, is further amended by adding at the end the following:

"(k) PARTNERSHIP PROGRAM AIRPORTS.—

"(1) AUTHORITY.—The Secretary may make grants with funds made available under this section for an airport participating in the program under section 47134 if—

"(A) the Secretary has approved the application of an airport sponsor under section 47134(b) in fiscal year 2019; and

"(B) the grant will—

"(i) satisfy an obligation incurred by an airport sponsor under section 47110(e) or funded by a nonpublic sponsor for an airport development project on the airport; or

"(ii) provide partial Federal reimbursement for airport development (as defined in section 47102) on the airport layout plan initiated in the fiscal year in which the application was approved, or later, for over a period of not more than 10 years.

"(2) NONAPPLICABILITY OF CERTAIN SECTIONS.—Grants made under this subsection shall not be subject to—

"(A) subsection (c) of this section;

"(B) section 47117(e); or

"(C) any other apportionment formula, special apportionment category, or minimum percentage set forth in this chapter.".

(b) ALLOWABLE PROJECT COSTS; LETTERS OF INTENT.—Section 47110(e) of such title is amended by adding at the end the following:

"(7) PARTNERSHIP PROGRAM AIRPORTS.—The Secretary may issue a letter of intent under this section to an airport sponsor with an approved application under section 47134(b) if—

"(A) the application was approved in fiscal year 2019; and

"(B) the project meets all other requirements set forth in this chapter.".

SEC. 185. GRANDFATHERING OF CERTAIN DEED AGREEMENTS GRANTING THROUGH-THE-FENCE ACCESS TO GENERAL AVIATION AIRPORTS.

Section 47107(s) of title 49, United States Code, is amended by adding at the end the following:

"(3) EXEMPTION.—The terms and conditions of paragraph (2) shall not apply to an agreement described in paragraph (1) made before the enactment of the FAA Modernization and Reform Act of 2012 (Public Law 112–95) that the Secretary determines does not comply with such terms and conditions but involves property that is subject to deed or lease restrictions that are considered perpetual and that cannot readily be brought into compliance. However, if the Secretary determines that the airport sponsor and residential property owners are able to make any modification to such an agreement on or after the date of enactment of this paragraph, the exemption provided by this paragraph shall no longer apply.".

SEC. 186. STAGE 3 AIRCRAFT STUDY.

(a) STUDY.—Not later than 180 days after the date of enactment of this Act, the Comptroller General of the United States shall

initiate a review of the potential benefits, costs, and other impacts that would result from a phaseout of covered stage 3 aircraft.

(b) CONTENTS.—The review shall include—

(1) a determination of the number, types, frequency of operations, and owners and operators of covered stage 3 aircraft;

(2) an analysis of the potential benefits, costs, and other impacts to air carriers, general aviation operators, airports, communities surrounding airports, and the general public associated with phasing out or reducing the operations of covered stage 3 aircraft, assuming such a phaseout or reduction is put into effect over a reasonable period of time;

(3) a determination of lessons learned from the phaseout of stage 2 aircraft that might be applicable to a phaseout or reduction in the operations of covered stage 3 aircraft, including comparisons between the benefits, costs, and other impacts associated with the phaseout of stage 2 aircraft and the potential benefits, costs, and other impacts determined under paragraph (2);

(4) a determination of the costs and logistical challenges associated with recertifying stage 3 aircraft capable of meeting stage 4 noise levels; and

(5) a determination of stakeholder views on the feasibility and desirability of phasing out covered stage 3 aircraft, including the views of—

(A) air carriers;

(B) airports;

(C) communities surrounding airports;

(D) aircraft and avionics manufacturers;

(E) operators of covered stage 3 aircraft other than air carriers; and

(F) such other stakeholders and aviation experts as the Comptroller General considers appropriate.

(c) REPORT.—Not later than 18 months after the date of enactment of this Act, the Comptroller General shall submit to the appropriate committees of Congress a report on the results of the review.

(d) COVERED STAGE 3 AIRCRAFT DEFINED.—In this section, the term "covered stage 3 aircraft" means a civil subsonic jet aircraft that is not capable of meeting the stage 4 noise levels in part 36 of title 14, Code of Federal Regulations.

SEC. 187. AIRCRAFT NOISE EXPOSURE.

(a) REVIEW.—The Administrator of the Federal Aviation Administration shall conclude the Administrator's ongoing review of the relationship between aircraft noise exposure and its effects on communities around airports.

(b) REPORT.—

(1) IN GENERAL.—Not later than 2 years after the date of enactment of this Act, the Administrator shall submit to Congress a report containing the results of the review.

(2) PRELIMINARY RECOMMENDATIONS.—The report shall contain such preliminary recommendations as the Administrator determines appropriate for revising the land use compatibility guidelines in part 150 of title 14, Code of Federal Regulations, based on the results of the review and in coordination with other agencies.

SEC. 188. STUDY REGARDING DAY-NIGHT AVERAGE SOUND LEVELS.

(a) STUDY.—The Administrator of the Federal Aviation Administration shall evaluate alternative metrics to the current average day-night level standard, such as the use of actual noise sampling and other methods, to address community airplane noise concerns.

(b) REPORT.—Not later than 1 year after the date of enactment of this Act, the Administrator shall submit to the appropriate committees of Congress a report on the results of the study under subsection (a).

SEC. 189. STUDY ON POTENTIAL HEALTH AND ECONOMIC IMPACTS OF OVERFLIGHT NOISE.

(a) IN GENERAL.—Not later than 180 days after the date of enactment of this Act, the Administrator of the Federal Aviation Administration shall enter into an agreement with an eligible institution of higher education to conduct a study on the health impacts of noise from aircraft flights on residents exposed to a range of noise levels from such flights.

(b) SCOPE OF STUDY.—The study conducted under subsection (a) shall—

(1) include an examination of the incremental health impacts attributable to noise exposure that result from aircraft flights, including sleep disturbance and elevated blood pressure;

(2) be focused on residents in the metropolitan area of—

(A) Boston;

(B) Chicago;

(C) the District of Columbia;

(D) New York;

(E) the Northern California Metroplex;

(F) Phoenix;

(G) the Southern California Metroplex;

(H) Seattle; or

(I) such other area as may be identified by the Administrator;

(3) consider, in particular, the incremental health impacts on residents living partly or wholly underneath flight paths most frequently used by aircraft flying at an altitude lower than 10,000 feet, including during takeoff or landing;

(4) include an assessment of the relationship between a perceived increase in aircraft noise, including as a result of a change in flight paths that increases the visibility of aircraft from a certain location, and an actual increase in aircraft noise, particularly in areas with high or variable levels of nonaircraft-related ambient noise; and

(5) consider the economic harm or benefits to businesses located party or wholly underneath flight paths most frequently used by aircraft flying at an altitude lower than 10,000 feet, including during takeoff or landing.

(c) ELIGIBILITY.—An institution of higher education is eligible to conduct the study if the institution—

(1) has—

(A) a school of public health that has participated in the Center of Excellence for Aircraft Noise and Aviation Emissions Mitigation of the Federal Aviation Administration; or

(B) a center for environmental health that receives funding from the National Institute of Environmental Health Sciences;

(2) is located in one of the areas identified in subsection (b);

(3) applies to the Administrator in a timely fashion;

(4) demonstrates to the satisfaction of the Administrator that the institution is qualified to conduct the study;

(5) agrees to submit to the Administrator, not later than 3 years after entering into an agreement under subsection (a), the results of the study, including any source materials used; and

(6) meets such other requirements as the Administrator determines necessary.

(d) SUBMISSION OF STUDY.—Not later than 90 days after the Administrator receives the results of the study, the Administrator shall submit to the appropriate committees of Congress the study and a summary of the results.

SEC. 190. ENVIRONMENTAL MITIGATION PILOT PROGRAM.

49 USC 47104 note.

(a) IN GENERAL.—The Secretary of Transportation may carry out a pilot program involving not more than 6 projects at public-use airports in accordance with this section.

(b) GRANTS.—In carrying out the program, the Secretary may make grants to sponsors of public-use airports from funds apportioned under section 47117(e)(1)(A) of title 49, United States Code.

(c) USE OF FUNDS.—Amounts from a grant received by the sponsor of a public-use airport under the program shall be used for environmental mitigation projects that will measurably reduce or mitigate aviation impacts on noise, air quality, or water quality at the airport or within 5 miles of the airport.

(d) ELIGIBILITY.—Notwithstanding any other provision of chapter 471 of title 49, United States Code, an environmental mitigation project approved under this section shall be treated as eligible for assistance under that chapter.

(e) SELECTION CRITERIA.—In selecting from among applicants for participation in the program, the Secretary may give priority consideration to projects that—

(1) will achieve the greatest reductions in aircraft noise, airport emissions, or airport water quality impacts either on an absolute basis or on a per dollar of funds expended basis; and

(2) will be implemented by an eligible consortium.

(f) FEDERAL SHARE.—The Federal share of the cost of a project carried out under the program shall be 50 percent.

(g) MAXIMUM AMOUNT.—Not more than $2,500,000 may be made available by the Secretary in grants under the program for any single project.

(h) IDENTIFYING BEST PRACTICES.—The Secretary may establish and publish information identifying best practices for reducing or mitigating aviation impacts on noise, air quality, and water quality at airports or in the vicinity of airports based on the projects carried out under the program.

(i) SUNSET.—The program shall terminate 5 years after the Secretary makes the first grant under the program.

(j) DEFINITIONS.—In this section, the following definitions apply:

(1) ELIGIBLE CONSORTIUM.—The term "eligible consortium" means a consortium that is composed of 2 or more of the following entities:

(A) Businesses incorporated in the United States.

(B) Public or private educational or research organizations located in the United States.

(C) Entities of State or local governments in the United States.

(D) Federal laboratories.

(2) ENVIRONMENTAL MITIGATION PROJECT.—The term "environmental mitigation project" means a project that—

(A) introduces new environmental mitigation techniques or technologies that have been proven in laboratory demonstrations;

(B) proposes methods for efficient adaptation or integration of new concepts into airport operations; and

(C) will demonstrate whether new techniques or technologies for environmental mitigation are—

(i) practical to implement at or near multiple public-use airports; and

(ii) capable of reducing noise, airport emissions, or water quality impacts in measurably significant amounts.

(k) AUTHORIZATION FOR THE TRANSFER OF FUNDS FROM DEPARTMENT OF DEFENSE.—

(1) IN GENERAL.—The Administrator of the Federal Aviation Administration may accept funds from the Secretary of Defense to increase the authorized funding for this section by the amount of such transfer only to carry out projects designed for environmental mitigation at a site previously, but not currently, managed by the Department of Defense.

(2) ADDITIONAL GRANTEES.—If additional funds are made available by the Secretary of Defense under paragraph (1), the Administrator may increase the number of grantees under subsection (a).

SEC. 191. EXTENDING AVIATION DEVELOPMENT STREAMLINING.

(a) IN GENERAL.—Section 47171 of title 49, United States Code, is amended—

(1) in subsection (a), in the matter preceding paragraph (1), by inserting "general aviation airport construction or improvement projects," after "congested airports,";

(2) in subsection (b)—

(A) by redesignating paragraph (2) as paragraph (3); and

(B) by inserting after paragraph (1) the following:

"(2) GENERAL AVIATION AIRPORT CONSTRUCTION OR IMPROVEMENT PROJECT.—A general aviation airport construction or improvement project shall be subject to the coordinated and expedited environmental review process requirements set forth in this section.";

(3) in subsection (c)(1), by striking "subsection (b)(2)" and inserting "subsection (b)(3)";

(4) in subsection (d), by striking "subsection (b)(2)" and inserting "subsection (b)(3)";

(5) in subsection (h), by striking "subsection (b)(2)" and inserting "subsection (b)(3)"; and

(6) in subsection (k), by striking "subsection (b)(2)" and inserting "subsection (b)(3)".

(b) DEFINITIONS.—Section 47175 of title 49, United States Code, is amended by adding at the end the following:

"(8) GENERAL AVIATION AIRPORT CONSTRUCTION OR IMPROVEMENT PROJECT.—The term 'general aviation airport construction or improvement project' means—

"(A) a project for the construction or extension of a runway, including any land acquisition, helipad, taxiway, safety area, apron, or navigational aids associated with the runway or runway extension, at a general aviation airport, a reliever airport, or a commercial service airport that is not a primary airport (as such terms are defined in section 47102); and

"(B) any other airport development project that the Secretary designates as facilitating aviation capacity building projects at a general aviation airport.".

SEC. 192. ZERO-EMISSION VEHICLES AND TECHNOLOGY.

(a) IN GENERAL.—Section 47136 of title 49, United States Code, as so redesignated, is amended—

(1) by striking subsections (a) and (b) and inserting the following:

"(a) IN GENERAL.—The Secretary of Transportation may establish a pilot program under which the sponsors of public-use airports may use funds made available under this chapter or section 48103 for use at such airports to carry out—

"(1) activities associated with the acquisition, by purchase or lease, and operation of eligible zero-emission vehicles and equipment, including removable power sources for such vehicles; and

"(2) the construction or modification of infrastructure to facilitate the delivery of fuel, power or services necessary for the use of such vehicles.

"(b) ELIGIBILITY.—A public-use airport is eligible for participation in the program if the eligible vehicles or equipment are—

"(1) used exclusively on airport property; or

"(2) used exclusively to transport passengers and employees between the airport and—

"(A) nearby facilities which are owned or controlled by the airport or which otherwise directly support the functions or services provided by the airport; or

"(B) an intermodal surface transportation facility adjacent to the airport.";

(2) by striking subsections (d) through (f) and inserting the following:

"(d) FEDERAL SHARE.—The Federal share of the cost of a project carried out under the program shall be the Federal share specified in section 47109.

"(e) TECHNICAL ASSISTANCE.—

"(1) IN GENERAL.—The sponsor of a public-use airport may use not more than 10 percent of the amounts made available to the sponsor under the program in any fiscal year for—

"(A) technical assistance; and

"(B) project management support to assist the airport with the solicitation, acquisition, and deployment of zero-

emission vehicles, related equipment, and supporting infrastructure.

"(2) PROVIDERS OF TECHNICAL ASSISTANCE.—To receive the technical assistance or project management support described in paragraph (1), participants in the program may use—

"(A) a nonprofit organization selected by the Secretary; or

"(B) a university transportation center receiving grants under section 5505 in the region of the airport.

"(f) MATERIALS IDENTIFYING BEST PRACTICES.—The Secretary may create and make available materials identifying best practices for carrying out activities funded under the program based on previous related projects and other sources.

"(g) ALLOWABLE PROJECT COST.—The allowable project cost for the acquisition of a zero-emission vehicle shall be the total cost of purchasing or leasing the vehicle, including the cost of technical assistance or project management support described in subsection (e).

"(h) FLEXIBLE PROCUREMENT.—A sponsor of a public-use airport may use funds made available under the program to acquire, by purchase or lease, a zero-emission vehicle and a removable power source in separate transactions, including transactions by which the airport purchases the vehicle and leases the removable power source.

"(i) TESTING REQUIRED.—

"(1) IN GENERAL.—A sponsor of a public-use airport may not use funds made available under the program to acquire a zero-emission vehicle unless that make, model, or type of vehicle has been tested by a Federal vehicle testing facility acceptable to the Secretary.

"(2) PENALTIES FOR FALSE STATEMENTS.—A certification of compliance under paragraph (1) shall be considered a certification required under this subchapter for purposes of section 47126.

"(j) DEFINITIONS.—In this section, the following definitions apply:

"(1) ELIGIBLE ZERO-EMISSION VEHICLE AND EQUIPMENT.—The term 'eligible zero-emission vehicle and equipment' means a zero-emission vehicle, equipment related to such a vehicle, or ground support equipment that includes zero-emission technology that is—

"(A) used exclusively on airport property; or

"(B) used exclusively to transport passengers and employees between the airport and—

"(i) nearby facilities which are owned or controlled by the airport or which otherwise directly support the functions or services provided by the airport; or

"(ii) an intermodal surface transportation facility adjacent to the airport.

"(2) REMOVABLE POWER SOURCE.—The term 'removable power source' means a power source that is separately installed in, and removable from, a zero-emission vehicle and may include a battery, a fuel cell, an ultra-capacitor, or other power source used in a zero-emission vehicle.

"(3) ZERO-EMISSION VEHICLE.—The term 'zero-emission vehicle' means—

"(A) a zero-emission vehicle as defined in section 88.102–94 of title 40, Code of Federal Regulations; or

"(B) a vehicle that produces zero exhaust emissions of any criteria pollutant (or precursor pollutant) under any possible operational modes and conditions.".

(b) SPECIAL APPORTIONMENT CATEGORIES.—Section 47117(e)(1)(A) of title 49, United States Code, is amended by inserting "for airport development described in section 47102(3)(Q)," after "under section 47141,".

(c) DEPLOYMENT OF ZERO EMISSION VEHICLE TECHNOLOGY.— 49 USC 47136 note.

(1) ESTABLISHMENT.—The Secretary of Transportation may establish a zero-emission airport technology program—

(A) to facilitate the deployment of commercially viable zero-emission airport vehicles, technology, and related infrastructure; and

(B) to minimize the risk of deploying such vehicles, technology, and infrastructure.

(2) GENERAL AUTHORITY.—

(A) ASSISTANCE TO NONPROFIT ORGANIZATIONS.—The Secretary may provide assistance under the program to not more than 3 geographically diverse, eligible organizations to conduct zero-emission airport technology and infrastructure projects.

(B) FORMS OF ASSISTANCE.—The Secretary may provide assistance under the program in the form of grants, contracts, and cooperative agreements.

(3) SELECTION OF PARTICIPANTS.—

(A) NATIONAL SOLICITATION.—In selecting participants, the Secretary shall—

(i) conduct a national solicitation for applications for assistance under the program; and

(ii) select the recipients of assistance under the program on a competitive basis.

(B) CONSIDERATIONS.—In selecting from among applicants for assistance under the program, the Secretary shall consider—

(i) the ability of an applicant to contribute significantly to deploying zero-emission technology as the technology relates to airport operations;

(ii) the financing plan and cost-share potential of the applicant; and

(iii) other factors, as the Secretary determines appropriate.

(C) PRIORITY.—ln selecting from among applicants for assistance under the program, the Secretary shall give priority consideration to an applicant that has successfully managed advanced transportation technology projects, including projects related to zero-emission transportation operations.

(4) ELIGIBLE PROJECTS.—A recipient of assistance under the program shall use the assistance—

(A) to review and conduct demonstrations of zero-emission technologies and related infrastructure at airports;

(B) to evaluate the credibility of new, unproven vehicle and energy-efficient technologies in various aspects of airport operations prior to widespread investment in the technologies by airports and the aviation industry;

(C) to collect data and make the recipient's findings available to airports, so that airports can evaluate the applicability of new technologies to their facilities; and

(D) to report the recipient's findings to the Secretary.

(5) ADMINISTRATIVE PROVISIONS.—

(A) FEDERAL SHARE.—The Federal share of the cost of a project carried out under the program may not exceed 80 percent.

(B) TERMS AND CONDITIONS.—A grant, contract, or cooperative agreement under this section shall be subject to such terms and conditions as the Secretary determines appropriate.

(6) DEFINITIONS.—In this subsection, the following definitions apply:

(A) ELIGIBLE ORGANIZATION.—The term "eligible organization" means an organization that has expertise in zero-emission technology.

(B) ORGANIZATION.—The term "organization" means—

(i) described in section 501(c)(3) of the Internal Revenue Code of 1986 and exempt from tax under section 501(a) of the Internal Revenue Code of 1986;

(ii) a university transportation center receiving grants under section 5505 of title 49, United States Code; or

(iii) any other Federal or non-Federal entity as the Secretary considers appropriate.

TITLE II—FAA SAFETY CERTIFICATION REFORM

Subtitle A—General Provisions

49 USC 44701 note.

SEC. 201. DEFINITIONS.

In this title, the following definitions apply:

(1) ADMINISTRATOR.—The term "Administrator" means the Administrator of the FAA.

(2) ADVISORY COMMITTEE.—The term "Advisory Committee" means the Safety Oversight and Certification Advisory Committee established under section 202.

(3) FAA.—The term "FAA" means the Federal Aviation Administration.

(4) SECRETARY.—The term "Secretary" means the Secretary of Transportation.

(5) SYSTEMS SAFETY APPROACH.—The term "systems safety approach" means the application of specialized technical and managerial skills to the systematic, forward-looking identification and control of hazards throughout the lifecycle of a project, program, or activity.

49 USC 44701 note.

SEC. 202. SAFETY OVERSIGHT AND CERTIFICATION ADVISORY COMMITTEE.

(a) ESTABLISHMENT.—Not later than 60 days after the date of enactment of this Act, the Secretary shall establish a Safety Oversight and Certification Advisory Committee.

(b) DUTIES.—The Advisory Committee shall provide advice to the Secretary on policy-level issues facing the aviation community that are related to FAA safety oversight and certification programs and activities, including, at a minimum, the following:

(1) Aircraft and flight standards certification processes, including efforts to streamline those processes.

(2) Implementation and oversight of safety management systems.

(3) Risk-based oversight efforts.

(4) Utilization of delegation and designation authorities, including organization designation authorization.

(5) Regulatory interpretation standardization efforts.

(6) Training programs.

(7) Expediting the rulemaking process and giving priority to rules related to safety.

(8) Enhancing global competitiveness of United States manufactured and United States certificated aerospace and aviation products and services throughout the world.

(c) FUNCTIONS.—In carrying out its duties under subsection (b), the Advisory Committee shall:

(1) Foster industry collaboration in an open and transparent manner.

(2) Consult with, and ensure participation by—

(A) the private sector, including representatives of—

(i) general aviation;

(ii) commercial aviation;

(iii) aviation labor;

(iv) aviation maintenance, repair, and overhaul;

(v) aviation, aerospace, and avionics manufacturing;

(vi) unmanned aircraft systems operators and manufacturers; and

(vii) the commercial space transportation industry;

(B) members of the public; and

(C) other interested parties.

(3) Recommend consensus national goals, strategic objectives, and priorities for the most efficient, streamlined, and cost-effective certification and safety oversight processes in order to maintain the safety of the aviation system and, at the same time, allow the FAA to meet future needs and ensure that aviation stakeholders remain competitive in the global marketplace.

(4) Provide policy guidance recommendations for the FAA's certification and safety oversight efforts.

(5) On a regular basis, review and provide recommendations on the FAA's certification and safety oversight efforts.

(6) Periodically review and evaluate registration, certification, and related fees.

(7) Provide appropriate legislative, regulatory, and guidance recommendations for the air transportation system and the aviation safety regulatory environment.

(8) Recommend performance objectives for the FAA and industry.

(9) Recommend performance metrics and goals to track and review the FAA and the regulated aviation industry on

their progress towards streamlining certification reform, conducting flight standards reform, and carrying out regulation consistency efforts.

(10) Provide a venue for tracking progress toward national goals and sustaining joint commitments.

(11) Recommend recruiting, hiring, training, and continuing education objectives for FAA aviation safety engineers and aviation safety inspectors.

(12) Provide advice and recommendations to the FAA on how to prioritize safety rulemaking projects.

(13) Improve the development of FAA regulations by providing information, advice, and recommendations related to aviation issues.

(14) Facilitate the validation and acceptance of United States manufactured and United States certificated products and services throughout the world.

(d) MEMBERSHIP.—

(1) IN GENERAL.—The Advisory Committee shall be composed of the following members:

(A) The Administrator (or the Administrator's designee).

(B) At least 11 individuals, appointed by the Secretary, each of whom represents at least 1 of the following interests:

(i) Transport aircraft and engine manufacturers.

(ii) General aviation aircraft and engine manufacturers.

(iii) Avionics and equipment manufacturers.

(iv) Aviation labor organizations, including collective bargaining representatives of FAA aviation safety inspectors and aviation safety engineers.

(v) General aviation operators.

(vi) Air carriers.

(vii) Business aviation operators.

(viii) Unmanned aircraft systems manufacturers and operators.

(ix) Aviation safety management experts.

(x) Aviation maintenance, repair, and overhaul.

(xi) Airport owners and operators.

(2) NONVOTING MEMBERS.—

(A) IN GENERAL.—In addition to the members appointed under paragraph (1), the Advisory Committee shall be composed of nonvoting members appointed by the Secretary from among individuals representing FAA safety oversight program offices.

(B) DUTIES.—The nonvoting members may—

(i) take part in deliberations of the Advisory Committee; and

(ii) provide input with respect to any final reports or recommendations of the Advisory Committee.

(C) LIMITATION.—The nonvoting members may not represent any stakeholder interest other than that of an FAA safety oversight program office.

(3) TERMS.—Each voting member and nonvoting member of the Advisory Committee appointed by the Secretary shall be appointed for a term of 2 years.

(4) COMMITTEE CHARACTERISTICS.—The Advisory Committee shall have the following characteristics:

(A) Each voting member under paragraph (1)(B) shall be an executive officer of the organization who has decision-making authority within the member's organization and can represent and enter into commitments on behalf of such organization.

(B) The ability to obtain necessary information from experts in the aviation and aerospace communities.

(C) A membership size that enables the Advisory Committee to have substantive discussions and reach consensus on issues in a timely manner.

(D) Appropriate expertise, including expertise in certification and risked-based safety oversight processes, operations, policy, technology, labor relations, training, and finance.

(5) LIMITATION ON STATUTORY CONSTRUCTION.—Public Law 104–65 (2 U.S.C. 1601 et seq.) may not be construed to prohibit or otherwise limit the appointment of any individual as a member of the Advisory Committee.

(e) CHAIRPERSON.—

(1) IN GENERAL.—The Chairperson of the Advisory Committee shall be appointed by the Secretary from among those members of the Advisory Committee that are voting members under subsection (d)(1)(B).

(2) TERM.—Each member appointed under paragraph (1) shall serve a term of 2 years as Chairperson.

(f) MEETINGS.—

(1) FREQUENCY.—The Advisory Committee shall meet at least twice each year at the call of the Chairperson.

(2) PUBLIC ATTENDANCE.—The meetings of the Advisory Committee shall be open and accessible to the public.

(g) SPECIAL COMMITTEES.—

(1) ESTABLISHMENT.—The Advisory Committee may establish special committees composed of private sector representatives, members of the public, labor representatives, and other relevant parties in complying with consultation and participation requirements under this section.

(2) RULEMAKING ADVICE.—A special committee established by the Advisory Committee may—

(A) provide rulemaking advice and recommendations to the Advisory Committee with respect to aviation-related issues;

(B) provide the FAA additional opportunities to obtain firsthand information and insight from those parties that are most affected by existing and proposed regulations; and

(C) assist in expediting the development, revision, or elimination of rules without circumventing public rulemaking processes and procedures.

(3) APPLICABLE LAW.—Public Law 92–463 shall not apply to a special committee established by the Advisory Committee.

(h) SUNSET.—The Advisory Committee shall terminate on the last day of the 6-year period beginning on the date of the initial appointment of the members of the Advisory Committee.

(i) TERMINATION OF AIR TRAFFIC PROCEDURES ADVISORY COMMITTEE.—The Air Traffic Procedures Advisory Committee established by the FAA shall terminate on the date of the initial appointment of the members of the Advisory Committee.

Subtitle B—Aircraft Certification Reform

49 USC 44701 note.

SEC. 211. AIRCRAFT CERTIFICATION PERFORMANCE OBJECTIVES AND METRICS.

(a) IN GENERAL.—Not later than 120 days after the date on which the Advisory Committee is established under section 202, the Administrator shall establish performance objectives and apply and track performance metrics for the FAA and the aviation industry relating to aircraft certification in accordance with this section.

(b) COLLABORATION.—The Administrator shall carry out this section in collaboration with the Advisory Committee and update agency performance objectives and metrics after considering the recommendations of the Advisory Committee under paragraphs (8) and (9) of section 202(c).

(c) PERFORMANCE OBJECTIVES.—In carrying out subsection (a), the Administrator shall establish performance objectives for the FAA and the aviation industry to ensure that, with respect to aircraft certification, progress is made toward, at a minimum—

(1) eliminating certification delays and improving cycle times;

(2) increasing accountability for both the FAA and the aviation industry;

(3) achieving full utilization of FAA delegation and designation authorities, including organizational designation authorization;

(4) fully implementing risk management principles and a systems safety approach;

(5) reducing duplication of effort;

(6) increasing transparency;

(7) developing and providing training, including recurrent training, in auditing and a systems safety approach to certification oversight;

(8) improving the process for approving or accepting certification actions between the FAA and bilateral partners;

(9) maintaining and improving safety;

(10) streamlining the hiring process for—

(A) qualified systems safety engineers to support the FAA's efforts to implement a systems safety approach; and

(B) qualified systems engineers to guide the engineering of complex systems within the FAA; and

(11) maintaining the leadership of the United States in international aviation and aerospace.

(d) PERFORMANCE METRICS.—In carrying out subsection (a), the Administrator shall apply and track performance metrics for the FAA and the regulated aviation industry established by the Advisory Committee.

(e) DATA GENERATION.—

(1) BASELINES.—Not later than 1 year after the date on which the Advisory Committee recommends initial performance

metrics for the FAA and the regulated aviation industry under section 202, the Administrator shall generate initial data with respect to each of the performance metrics applied and tracked under this section.

(2) BENCHMARKS TO MEASURE PROGRESS TOWARD GOALS.—The Administrator shall use the metrics applied and tracked under this section to generate data on an ongoing basis and to measure progress toward the achievement of national goals recommended by the Advisory Committee.

(f) PUBLICATION.—The Administrator shall make data generated using the performance metrics applied and tracked under this section available to the public in a searchable, sortable, and downloadable format through the internet website of the FAA or other appropriate methods and shall ensure that the data are made available in a manner that—

(1) does not provide identifying information regarding an individual or entity; and

(2) prevents inappropriate disclosure of proprietary information.

SEC. 212. ORGANIZATION DESIGNATION AUTHORIZATIONS.

(a) IN GENERAL.—Chapter 447 of title 49, United States Code, is amended by adding at the end the following:

"§ 44736. Organization designation authorizations

49 USC 44736.

"(a) DELEGATIONS OF FUNCTIONS.—

"(1) IN GENERAL.—Except as provided in paragraph (3), when overseeing an ODA holder, the Administrator of the FAA shall—

"(A) require, based on an application submitted by the ODA holder and approved by the Administrator (or the Administrator's designee), a procedures manual that addresses all procedures and limitations regarding the functions to be performed by the ODA holder;

"(B) delegate fully to the ODA holder each of the functions to be performed as specified in the procedures manual, unless the Administrator determines, after the date of the delegation and as a result of an inspection or other investigation, that the public interest and safety of air commerce requires a limitation with respect to 1 or more of the functions;

"(C) conduct regular oversight activities by inspecting the ODA holder's delegated functions and taking action based on validated inspection findings; and

"(D) for each function that is limited under subparagraph (B), work with the ODA holder to develop the ODA holder's capability to execute that function safely and effectively and return to full authority status.

"(2) DUTIES OF ODA HOLDERS.—An ODA holder shall—

"(A) perform each specified function delegated to the ODA holder in accordance with the approved procedures manual for the delegation;

"(B) make the procedures manual available to each member of the appropriate ODA unit; and

"(C) cooperate fully with oversight activities conducted by the Administrator in connection with the delegation.

"(3) EXISTING ODA HOLDERS.—With regard to an ODA holder operating under a procedures manual approved by the Administrator before the date of enactment of the FAA Reauthorization Act of 2018, the Administrator shall—

"(A) at the request of the ODA holder and in an expeditious manner, approve revisions to the ODA holder's procedures manual;

"(B) delegate fully to the ODA holder each of the functions to be performed as specified in the procedures manual, unless the Administrator determines, after the date of the delegation and as a result of an inspection or other investigation, that the public interest and safety of air commerce requires a limitation with respect to one or more of the functions;

"(C) conduct regular oversight activities by inspecting the ODA holder's delegated functions and taking action based on validated inspection findings; and

"(D) for each function that is limited under subparagraph (B), work with the ODA holder to develop the ODA holder's capability to execute that function safely and effectively and return to full authority status.

"(b) ODA OFFICE.—

"(1) ESTABLISHMENT.—Not later than 120 days after the date of enactment of this section, the Administrator of the FAA shall identify, within the FAA Office of Aviation Safety, a centralized policy office to be known as the Organization Designation Authorization Office or the ODA Office.

"(2) PURPOSE.—The purpose of the ODA Office shall be to provide oversight and ensure the consistency of the FAA's audit functions under the ODA program across the FAA.

"(3) FUNCTIONS.—The ODA Office shall—

"(A)(i) at the request of an ODA holder, eliminate all limitations specified in a procedures manual in place on the day before the date of enactment of the FAA Reauthorization Act of 2018 that are low and medium risk as determined by a risk analysis using criteria established by the ODA Office and disclosed to the ODA holder, except where an ODA holder's performance warrants the retention of a specific limitation due to documented concerns about inadequate current performance in carrying out that authorized function;

"(ii) require an ODA holder to establish a corrective action plan to regain authority for any retained limitations;

"(iii) require an ODA holder to notify the ODA Office when all corrective actions have been accomplished; and

"(iv) make a reassessment to determine if subsequent performance in carrying out any retained limitation warrants continued retention and, if such reassessment determines performance meets objectives, lift such limitation immediately;

"(B) improve FAA and ODA holder performance and ensure full utilization of the authorities delegated under the ODA program;

"(C) develop a more consistent approach to audit priorities, procedures, and training under the ODA program;

"(D) review, in a timely fashion, a random sample of limitations on delegated authorities under the ODA program to determine if the limitations are appropriate;

"(E) ensure national consistency in the interpretation and application of the requirements of the ODA program, including any limitations, and in the performance of the ODA program; and

"(F) at the request of an ODA holder, review and approve new limitations to ODA functions.

"(c) DEFINITIONS.—In this section, the following definitions apply:

"(1) FAA.—The term 'FAA' means the Federal Aviation Administration.

"(2) ODA HOLDER.—The term 'ODA holder' means an entity authorized to perform functions pursuant to a delegation made by the Administrator of the FAA under section 44702(d).

"(3) ODA UNIT.—The term "ODA unit" means a group of 2 or more individuals who perform, under the supervision of an ODA holder, authorized functions under an ODA.

"(4) ORGANIZATION.—The term "organization" means a firm, partnership, corporation, company, association, joint-stock association, or governmental entity.

"(5) ORGANIZATION DESIGNATION AUTHORIZATION; ODA.—The term 'Organization Designation Authorization' or 'ODA' means an authorization by the FAA under section 44702(d) for an organization composed of 1 or more ODA units to perform approved functions on behalf of the FAA.".

(b) CLERICAL AMENDMENT.—The analysis for chapter 447 of title 49, United States Code, is amended by adding at the end the following:

49 USC prec. 44701.

"44736. Organization designation authorizations.".

SEC. 213. ODA REVIEW.

(a) ESTABLISHMENT OF EXPERT REVIEW PANEL.—

(1) EXPERT PANEL.—Not later than 120 days after the date of enactment of this Act, the Administrator shall convene a multidisciplinary expert review panel (in this section referred to as the "Panel").

(2) COMPOSITION OF PANEL.—

(A) APPOINTMENT OF MEMBERS.—The Panel shall be composed of not more than 20 members appointed by the Administrator.

(B) QUALIFICATIONS.—The members appointed to the Panel shall—

(i) each have a minimum of 5 years of experience in processes and procedures under the ODA program; and

(ii) represent, at a minimum, ODA holders, aviation manufacturers, safety experts, and FAA labor organizations, including labor representatives of FAA aviation safety inspectors and aviation safety engineers.

(b) SURVEY.—The Panel shall conduct a survey of ODA holders and ODA program applicants to document and assess FAA certification and oversight activities, including use of the ODA program and the timeliness and efficiency of the certification process. In

carrying out this subsection, the Panel shall consult with appropriate survey experts to best design and conduct the survey.

(c) ASSESSMENT AND RECOMMENDATIONS.—The Panel shall assess and make recommendations concerning—

(1) the FAA's processes and procedures under the ODA program and whether the processes and procedures function as intended;

(2) the best practices of and lessons learned by ODA holders and FAA personnel who provide oversight of ODA holders;

(3) performance incentive policies that—

(A) are related to the ODA program for FAA personnel; and

(B) do not conflict with the public interest;

(4) training activities related to the ODA program for FAA personnel and ODA holders;

(5) the impact, if any, that oversight of the ODA program has on FAA resources and the FAA's ability to process applications for certifications outside of the ODA program; and

(6) the results of the survey conducted under subsection (b).

(d) REPORT.—Not later than 180 days after the date the Panel is convened under subsection (a), the Panel shall submit to the Administrator, the Advisory Committee, and the appropriate committees of Congress a report on the findings and recommendations of the Panel.

(e) DEFINITIONS.—The definitions contained in section 44736 of title 49, United States Code, as added by this Act, apply to this section.

(f) APPLICABLE LAW.—Public Law 92–463 shall not apply to the Panel.

(g) SUNSET.—The Panel shall terminate on the date of submission of the report under subsection (d), or on the date that is 1 year after the Panel is convened under subsection (a), whichever occurs first.

SEC. 214. TYPE CERTIFICATION RESOLUTION PROCESS.

(a) IN GENERAL.—Section 44704(a) of title 49, United States Code, is amended by adding at the end the following:

"(6) TYPE CERTIFICATION RESOLUTION PROCESS.—

"(A) IN GENERAL.—Not later than 15 months after the date of enactment of the FAA Reauthorization Act of 2018, the Administrator shall establish an effective, timely, and milestone-based issue resolution process for type certification activities under this subsection.

"(B) PROCESS REQUIREMENTS.—The resolution process shall provide for—

"(i) resolution of technical issues at pre-established stages of the certification process, as agreed to by the Administrator and the type certificate applicant;

"(ii) automatic elevation to appropriate management personnel of the Federal Aviation Administration and the type certificate applicant of any major certification process milestone that is not completed or resolved within a specific period of time agreed to by the Administrator and the type certificate applicant; and

"(iii) resolution of a major certification process milestone elevated pursuant to clause (ii) within a specific period of time agreed to by the Administrator and the type certificate applicant.

"(C) MAJOR CERTIFICATION PROCESS MILESTONE DEFINED.—In this paragraph, the term 'major certification process milestone' means a milestone related to a type certification basis, type certification plan, type inspection authorization, issue paper, or other major type certification activity agreed to by the Administrator and the type certificate applicant.".

(b) TECHNICAL AMENDMENT.—Section 44704 of title 49, United States Code, is amended in the section heading by striking "**airworthiness certificates,,**" and inserting "**airworthiness certificates,**".

SEC. 215. REVIEW OF CERTIFICATION PROCESS FOR SMALL GENERAL AVIATION AIRPLANES.

(a) IN GENERAL.—Not later than 1 year after the date of enactment of this Act, the Comptroller General of the United States shall initiate a review of the Federal Aviation Administration's implementation of the final rule titled "Revision of Airworthiness Standards for Normal, Utility, Acrobatic, and Commuter Category Airplanes" (81 Fed. Reg. 96572).

(b) CONSIDERATIONS.—In carrying out the review, the Comptroller General shall assess—

(1) how the rule puts into practice the Administration's efforts to implement performance and risk-based safety standards;

(2) the extent to which the rule has resulted in the implementation of a streamlined regulatory regime to improve safety, reduce regulatory burden, and decrease costs;

(3) whether the rule and its implementation have spurred innovation and technological adoption;

(4) how consensus standards accepted by the FAA facilitate the development of new safety equipment and aircraft capabilities; and

(5) whether lessons learned from the rule and its implementation have resulted in best practices that could be applied to airworthiness standards for other categories of aircraft.

(c) REPORT.—Not later than 180 days after the date of initiation of the review, the Comptroller General shall submit to the appropriate committees of Congress a report on the results of the review, including findings and recommendations.

SEC. 216. ODA STAFFING AND OVERSIGHT.

(a) REPORT TO CONGRESS.—Not later than 270 days after the date of enactment of this Act, the Administrator shall submit to the appropriate committees of Congress a report on the Administration's progress with respect to—

(1) determining what additional model inputs and labor distribution codes are needed to identify ODA oversight staffing needs;

(2) developing and implementing system-based evaluation criteria and risk-based tools to aid ODA team members in targeting their oversight activities;

(3) developing agreements and processes for sharing resources to ensure adequate oversight of ODA personnel performing certification and inspection work at supplier and company facilities; and

(4) ensuring full utilization of ODA authority.

(b) ODA DEFINED.—In this section, the term "ODA" has the meaning given that term in section 44736 of title 49, United States Code, as added by this Act.

Subtitle C—Flight Standards Reform

49 USC 44701 note.

SEC. 221. FLIGHT STANDARDS PERFORMANCE OBJECTIVES AND METRICS.

(a) IN GENERAL.—Not later than 120 days after the date on which the Advisory Committee is established under section 202, the Administrator shall establish performance objectives and apply and track performance metrics for the FAA and the aviation industry relating to flight standards activities in accordance with this section.

(b) COLLABORATION.—The Administrator shall carry out this section in collaboration with the Advisory Committee, and update agency performance objectives and metrics after considering the recommendations of the Advisory Committee under paragraphs (8) and (9) of section 202(c).

(c) PERFORMANCE OBJECTIVES.—In carrying out subsection (a), the Administrator shall establish performance objectives for the FAA and the aviation industry to ensure that, with respect to flight standards activities, progress is made toward, at a minimum—

(1) eliminating delays with respect to such activities;

(2) increasing accountability for both the FAA and the aviation industry;

(3) achieving full utilization of FAA delegation and designation authorities, including organizational designation authority;

(4) fully implementing risk management principles and a systems safety approach;

(5) reducing duplication of effort;

(6) eliminating inconsistent regulatory interpretations and inconsistent enforcement activities;

(7) improving and providing greater opportunities for training, including recurrent training, in auditing and a systems safety approach to oversight;

(8) developing and allowing utilization of a single master source for guidance;

(9) providing and utilizing a streamlined appeal process for the resolution of regulatory interpretation questions;

(10) maintaining and improving safety; and

(11) increasing transparency.

(d) PERFORMANCE METRICS.—In carrying out subsection (a), the Administrator shall apply and track performance metrics for the FAA and the regulated aviation industry established by the Advisory Committee.

(e) DATA GENERATION.—

(1) BASELINES.—Not later than 1 year after the date on which the Advisory Committee recommends initial performance metrics for the FAA and the regulated aviation industry under

section 202, the Administrator shall generate initial data with respect to each of the performance metrics applied and tracked under this section.

(2) BENCHMARKS TO MEASURE PROGRESS TOWARD GOALS.—The Administrator shall use the metrics applied and tracked under this section to generate data on an ongoing basis and to measure progress toward the achievement of national goals recommended by the Advisory Committee.

(f) PUBLICATION.—The Administrator shall make data generated using the performance metrics applied and tracked under this section available to the public in a searchable, sortable, and downloadable format through the internet website of the FAA or other appropriate methods and shall ensure that the data are made available in a manner that—

(1) does not provide identifying information regarding an individual or entity; and

(2) prevents inappropriate disclosure of proprietary information.

SEC. 222. FAA TASK FORCE ON FLIGHT STANDARDS REFORM.

(a) ESTABLISHMENT.—Not later than 90 days after the date of enactment of this Act, the Administrator shall establish the FAA Task Force on Flight Standards Reform (in this section referred to as the "Task Force").

(b) MEMBERSHIP.—

(1) APPOINTMENT.—The membership of the Task Force shall be appointed by the Administrator.

(2) NUMBER.—The Task Force shall be composed of not more than 20 members.

(3) REPRESENTATION REQUIREMENTS.—The membership of the Task Force shall include representatives, with knowledge of flight standards regulatory processes and requirements, of—

(A) air carriers;

(B) general aviation;

(C) business aviation;

(D) repair stations;

(E) unmanned aircraft systems operators;

(F) flight schools;

(G) labor unions, including those representing FAA aviation safety inspectors and those representing FAA aviation safety engineers;

(H) aviation and aerospace manufacturers; and

(I) aviation safety experts.

(c) DUTIES.—The duties of the Task Force shall include, at a minimum, identifying best practices and providing recommendations, for current and anticipated budgetary environments, with respect to—

(1) simplifying and streamlining flight standards regulatory processes, including issuance and oversight of certificates;

(2) reorganizing Flight Standards Services to establish an entity organized by function rather than geographic region, if appropriate;

(3) FAA aviation safety inspector training opportunities;

(4) ensuring adequate and timely provision of Flight Standards activities and responses necessary for type certification, operational evaluation, and entry into service of newly manufactured aircraft;

(5) FAA aviation safety inspector standards and performance; and

(6) achieving, across the FAA, consistent—

(A) regulatory interpretations; and

(B) application of oversight activities.

(d) REPORT.—Not later than 1 year after the date of the establishment of the Task Force, the Task Force shall submit to the appropriate committees of Congress a report detailing—

(1) the best practices identified and recommendations provided by the Task Force under subsection (c); and

(2) any recommendations of the Task Force for additional regulatory, policy, or cost-effective legislative action to improve the efficiency of agency activities.

(e) APPLICABLE LAW.—Public Law 92–463 shall not apply to the Task Force.

(f) SUNSET.—The Task Force shall terminate on the earlier of—

(1) the date on which the Task Force submits the report required under subsection (d); or

(2) the date that is 18 months after the date on which the Task Force is established under subsection (a).

49 USC 44701 note.

SEC. 223. CENTRALIZED SAFETY GUIDANCE DATABASE.

(a) ESTABLISHMENT.—Not later than 1 year after the date of enactment of this Act, the Administrator shall establish a centralized safety guidance database that will—

(1) encompass all of the regulatory guidance documents of the FAA Office of Aviation Safety;

(2) contain, for each such guidance document, a link to the Code of Federal Regulations provision to which the document relates; and

(3) be publicly available in a manner that—

(A) protects from disclosure identifying information regarding an individual or entity; and

(B) prevents inappropriate disclosure proprietary information.

(b) DATA ENTRY TIMING.—

(1) EXISTING DOCUMENTS.—Not later than 14 months after the date of enactment of this Act, the Administrator shall begin entering into the database established under subsection (a) all of the regulatory guidance documents of the Office of Aviation Safety that are in effect and were issued before the date on which the Administrator begins such entry process.

(2) NEW DOCUMENTS AND CHANGES.—On and after the date on which the Administrator begins the document entry process under paragraph (1), the Administrator shall ensure that all new regulatory guidance documents of the Office of Aviation Safety and any changes to existing documents are included in the database established under subsection (a) as such documents or changes to existing documents are issued.

(c) CONSULTATION REQUIREMENT.—In establishing the database under subsection (a), the Administrator shall consult and collaborate with appropriate stakeholders, including labor organizations (including those representing aviation workers, FAA aviation safety engineers and FAA aviation safety inspectors) and aviation industry stakeholders.

(d) REGULATORY GUIDANCE DOCUMENTS DEFINED.—In this section, the term "regulatory guidance documents" means all forms of written information issued by the FAA that an individual or entity may use to interpret or apply FAA regulations and requirements, including information an individual or entity may use to determine acceptable means of compliance with such regulations and requirements, such as an order, manual, circular, policy statement, legal interpretation memorandum, or rulemaking document.

SEC. 224. REGULATORY CONSISTENCY COMMUNICATIONS BOARD.

49 USC 44701 note.

(a) ESTABLISHMENT.—Not later than 180 days after the date of enactment of this Act, the Administrator shall establish a Regulatory Consistency Communications Board (in this section referred to as the "Board").

(b) CONSULTATION REQUIREMENT.—In establishing the Board, the Administrator shall consult and collaborate with appropriate stakeholders, including FAA labor organizations (including labor organizations representing FAA aviation safety inspectors) and industry stakeholders.

(c) MEMBERSHIP.—The Board shall be composed of FAA representatives, appointed by the Administrator, from—

(1) the Flight Standards Service;

(2) the Aircraft Certification Service; and

(3) the Office of the Chief Counsel.

(d) FUNCTIONS.—The Board shall carry out the following functions:

(1) Establish, at a minimum, processes by which—

(A) FAA personnel and persons regulated by the FAA may submit anonymous regulatory interpretation questions without fear of retaliation;

(B) FAA personnel may submit written questions, and receive written responses, as to whether a previous approval or regulatory interpretation issued by FAA personnel in another office or region is correct or incorrect; and

(C) any other person may submit written anonymous regulatory interpretation questions.

(2) Meet on a regular basis to discuss and resolve questions submitted pursuant to paragraph (1) and the appropriate application of regulations and policy with respect to each question.

(3) Provide to a person that submitted a question pursuant to subparagraph (A) or (B) of paragraph (1) a timely written response to the question.

(4) Establish a process to make resolutions of common regulatory interpretation questions publicly available to FAA personnel, persons regulated by the FAA, and the public without revealing any identifying data of the person that submitted the question and in a manner that protects any proprietary information.

(5) Ensure the incorporation of resolutions of questions submitted pursuant to paragraph (1) into regulatory guidance documents, as such term is defined in section 223(d).

(e) PERFORMANCE METRICS, TIMELINES, AND GOALS.—Not later than 180 days after the date on which the Advisory Committee recommends performance objectives and performance metrics for the FAA and the regulated aviation industry under section 202,

the Administrator, in collaboration with the Advisory Committee, shall—

(1) establish performance metrics, timelines, and goals to measure the progress of the Board in resolving regulatory interpretation questions submitted pursuant to subsection (d)(1); and

(2) implement a process for tracking the progress of the Board in meeting the performance metrics, timelines, and goals established under paragraph (1).

Subtitle D—Safety Workforce

SEC. 231. SAFETY WORKFORCE TRAINING STRATEGY.

(a) SAFETY WORKFORCE TRAINING STRATEGY.—Not later than 60 days after the date of enactment of this Act, the Administrator shall review and revise its safety workforce training strategy to ensure that such strategy—

(1) aligns with an effective risk-based approach to safety oversight;

(2) best uses available resources;

(3) allows FAA employees participating in organization management teams or conducting ODA program audits to complete, in a timely fashion, appropriate training, including recurrent training, in auditing and a systems safety approach to oversight;

(4) seeks knowledge-sharing opportunities between the FAA and the aviation industry in new technologies, equipment and systems, best practices, and other areas of interest related to safety oversight;

(5) functions within the current and anticipated budgetary environments;

(6) fosters an inspector and engineer workforce that has the skills and training necessary to improve risk-based approaches that focus on requirements management and auditing skills; and

(7) includes, as appropriate, milestones and metrics for meeting the requirements of paragraphs (1) through (5).

(b) REPORT.—Not later than 270 days after the date of the revision of the strategy required under subsection (a), the Administrator shall submit to the appropriate committees of Congress a report on the implementation of the strategy and progress in meeting any milestones and metrics included in the strategy.

(c) DEFINITIONS.—In this section, the following definitions apply:

(1) ODA; ODA HOLDER.—The terms "ODA" and "ODA holder" have the meanings given those terms in section 44736 of title 49, United States Code, as added by this Act.

(2) ODA PROGRAM.—The term "ODA program" means the program to standardize FAA management and oversight of the organizations that are approved to perform certain functions on behalf of the Administration under section 44702(d) of title 49, United States Code.

(3) ORGANIZATION MANAGEMENT TEAM.—The term "organization management team" means a team consisting of FAA aviation safety engineers, flight test pilots, and aviation

safety inspectors overseeing an ODA holder and its certification activity.

SEC. 232. WORKFORCE REVIEW.

(a) WORKFORCE REVIEW.—Not later than 90 days after the date of enactment of this Act, the Comptroller General of the United States shall conduct a review to assess the workforce and training needs of the FAA Office of Aviation Safety in the anticipated budgetary environment.

(b) CONTENTS.—The review required under subsection (a) shall include—

(1) a review of current aviation safety inspector and aviation safety engineer hiring, training, and recurrent training requirements;

(2) an analysis of the skills and qualifications required of aviation safety inspectors and aviation safety engineers for successful performance in the current and future projected aviation safety regulatory environment, including the need for a systems engineering discipline within the FAA to guide the engineering of complex systems, with an emphasis on auditing designated authorities;

(3) a review of current performance incentive policies of the FAA, as applied to the Office of Aviation Safety, including awards for performance;

(4) an analysis of ways the FAA can work with industry and labor, including labor groups representing FAA aviation safety inspectors and aviation safety engineers, to establish knowledge-sharing opportunities between the FAA and the aviation industry regarding new equipment and systems, best practices, and other areas of interest; and

(5) recommendations on the most effective qualifications, training programs (including e-learning training), and performance incentive approaches to address the needs of the future projected aviation safety regulatory system in the anticipated budgetary environment.

(c) REPORT.—Not later than 270 days after the date of enactment of this Act, the Comptroller General shall submit to the appropriate committees of Congress a report on the results of the review required under subsection (a).

Subtitle E—International Aviation

SEC. 241. PROMOTION OF UNITED STATES AEROSPACE STANDARDS, PRODUCTS, AND SERVICES ABROAD.

Section 40104 of title 49, United States Code, is amended by adding at the end the following:

"(d) PROMOTION OF UNITED STATES AEROSPACE STANDARDS, PRODUCTS, AND SERVICES ABROAD.—The Secretary shall take appropriate actions to—

"(1) promote United States aerospace-related safety standards abroad;

"(2) facilitate and vigorously defend approvals of United States aerospace products and services abroad;

"(3) with respect to bilateral partners, utilize bilateral safety agreements and other mechanisms to improve validation of United States certificated aeronautical products, services,

and appliances and enhance mutual acceptance in order to eliminate redundancies and unnecessary costs; and

"(4) with respect to the aeronautical safety authorities of a foreign country, streamline validation and coordination processes.".

SEC. 242. BILATERAL EXCHANGES OF SAFETY OVERSIGHT RESPONSIBILITIES.

Section 44701(e) of title 49, United States Code, is amended by adding at the end the following:

"(5) FOREIGN AIRWORTHINESS DIRECTIVES.—

"(A) ACCEPTANCE.—Subject to subparagraph (D), the Administrator may accept an airworthiness directive, as defined in section 39.3 of title 14, Code of Federal Regulations, issued by an aeronautical safety authority of a foreign country, and leverage that authority's regulatory process, if—

"(i) the country is the state of design for the product that is the subject of the airworthiness directive;

"(ii) the United States has a bilateral safety agreement relating to aircraft certification with the country;

"(iii) as part of the bilateral safety agreement with the country, the Administrator has determined that such aeronautical safety authority has an aircraft certification system relating to safety that produces a level of safety equivalent to the level produced by the system of the Federal Aviation Administration;

"(iv) the aeronautical safety authority of the country utilizes an open and transparent notice and comment process in the issuance of airworthiness directives; and

"(v) the airworthiness directive is necessary to provide for the safe operation of the aircraft subject to the directive.

"(B) ALTERNATIVE APPROVAL PROCESS.—Notwithstanding subparagraph (A), the Administrator may issue a Federal Aviation Administration airworthiness directive instead of accepting an airworthiness directive otherwise eligible for acceptance under such subparagraph, if the Administrator determines that such issuance is necessary for safety or operational reasons due to the complexity or unique features of the Federal Aviation Administration airworthiness directive or the United States aviation system.

"(C) ALTERNATIVE MEANS OF COMPLIANCE.—The Administrator may—

"(i) accept an alternative means of compliance, with respect to an airworthiness directive accepted under subparagraph (A), that was approved by the aeronautical safety authority of the foreign country that issued the airworthiness directive; or

"(ii) notwithstanding subparagraph (A), and at the request of any person affected by an airworthiness directive accepted under such subparagraph, approve an alternative means of compliance with respect to the airworthiness directive.

"(D) LIMITATION.—The Administrator may not accept an airworthiness directive issued by an aeronautical safety authority of a foreign country if the airworthiness directive addresses matters other than those involving the safe operation of an aircraft.".

SEC. 243. FAA LEADERSHIP ABROAD.

49 USC 44701 note.

(a) IN GENERAL.—To promote United States aerospace safety standards, reduce redundant regulatory activity, and facilitate acceptance of FAA design and production approvals abroad, the Administrator shall—

(1) attain greater expertise in issues related to dispute resolution, intellectual property, and export control laws to better support FAA certification and other aerospace regulatory activities abroad;

(2) work with United States companies to more accurately track the amount of time it takes foreign authorities, including bilateral partners, to validate United States certificated aeronautical products;

(3) provide assistance to United States companies that have experienced significantly long foreign validation wait times;

(4) work with foreign authorities, including bilateral partners, to collect and analyze data to determine the timeliness of the acceptance and validation of FAA design and production approvals by foreign authorities and the acceptance and validation of foreign-certified products by the FAA;

(5) establish appropriate benchmarks and metrics to measure the success of bilateral aviation safety agreements and to reduce the validation time for United States certificated aeronautical products abroad; and

(6) work with foreign authorities, including bilateral partners, to improve the timeliness of the acceptance and validation of FAA design and production approvals by foreign authorities and the acceptance and validation of foreign-certified products by the FAA.

(b) REPORT.—Not later than 1 year after the date of enactment of this Act, the Administrator shall submit to the appropriate committees of Congress a report that—

(1) describes the FAA's strategic plan for international engagement;

(2) describes the structure and responsibilities of all FAA offices that have international responsibilities, including the Aircraft Certification Office, and all the activities conducted by those offices related to certification and production;

(3) describes current and forecasted staffing and travel needs for the FAA's international engagement activities, including the needs of the Aircraft Certification Office in the current and forecasted budgetary environment;

(4) provides recommendations, if appropriate, to improve the existing structure and personnel and travel policies supporting the FAA's international engagement activities, including the activities of the Aviation Certification Office, to better support the growth of United States aerospace exports; and

(5) identifies cost-effective policy initiatives, regulatory initiatives, or legislative initiatives needed to improve and enhance

the timely acceptance of United States aerospace products abroad.

(c) INTERNATIONAL TRAVEL.—The Administrator, or the Administrator's designee, may authorize international travel for any FAA employee, without the approval of any other person or entity, if the Administrator determines that the travel is necessary—

(1) to promote United States aerospace safety standards; or

(2) to support expedited acceptance of FAA design and production approvals.

SEC. 244. REGISTRATION, CERTIFICATION, AND RELATED FEES.

Section 45305 of title 49, United States Code, is amended—

(1) in subsection (a) by striking "Subject to subsection (b)" and inserting "Subject to subsection (c)";

(2) by redesignating subsections (b) and (c) as subsections (c) and (d), respectively; and

(3) by inserting after subsection (a) the following:

"(b) CERTIFICATION SERVICES.—Subject to subsection (c), and notwithstanding section 45301(a), the Administrator may establish and collect a fee from a foreign government or entity for services related to certification, regardless of where the services are provided, if the fee—

"(1) is established and collected in a manner consistent with aviation safety agreements; and

"(2) does not exceed the estimated costs of the services.".

TITLE III—SAFETY

Subtitle A—General Provisions

49 USC 44701 note.

SEC. 301. DEFINITIONS.

In this title, the following definitions apply:

(1) ADMINISTRATOR.—The term "Administrator" means the Administrator of the FAA.

(2) FAA.—The term "FAA" means the Federal Aviation Administration.

49 USC 44701 note.

SEC. 302. FAA TECHNICAL TRAINING.

(a) E-LEARNING TRAINING PILOT PROGRAM.—Not later than 90 days after the date of enactment of this Act, the Administrator, in collaboration with the exclusive bargaining representatives of covered FAA personnel, shall establish an e-learning training pilot program in accordance with the requirements of this section.

(b) CURRICULUM.—The pilot program shall—

(1) include a recurrent training curriculum for covered FAA personnel to ensure that the covered FAA personnel receive instruction on the latest aviation technologies, processes, and procedures;

(2) focus on providing specialized technical training for covered FAA personnel, as determined necessary by the Administrator;

(3) include training courses on applicable regulations of the Federal Aviation Administration; and

(4) consider the efficacy of instructor-led online training.

(c) PILOT PROGRAM TERMINATION.—The pilot program shall terminate 1 year after the date of establishment of the pilot program.

(d) E-LEARNING TRAINING PROGRAM.—Upon termination of the pilot program, the Administrator shall assess and establish or update an e-learning training program that incorporates lessons learned for covered FAA personnel as a result of the pilot program.

(e) DEFINITIONS.—In this section, the following definitions apply:

(1) COVERED FAA PERSONNEL.—The term "covered FAA personnel" means airway transportation systems specialists and aviation safety inspectors of the Federal Aviation Administration.

(2) E-LEARNING TRAINING.—The term "e-learning training" means learning utilizing electronic technologies to access educational curriculum outside of a traditional classroom.

SEC. 303. SAFETY CRITICAL STAFFING.

49 USC 44701 note.

(a) UPDATE OF FAA'S SAFETY CRITICAL STAFFING MODEL.—Not later than 270 days after the date of enactment of this Act, the Administrator shall update the safety critical staffing model of the Administration to determine the number of aviation safety inspectors that will be needed to fulfill the safety oversight mission of the Administration.

(b) AUDIT BY DOT INSPECTOR GENERAL.—

(1) IN GENERAL.—Not later than 90 days after the date on which the Administrator has updated the safety critical staffing model under subsection (a), the Inspector General of the Department of Transportation shall conduct an audit of the staffing model.

(2) CONTENTS.—The audit shall include, at a minimum—

(A) a review of the assumptions and methodologies used in devising and implementing the staffing model to assess the adequacy of the staffing model in predicting the number of aviation safety inspectors needed—

(i) to properly fulfill the mission of the Administration; and

(ii) to meet the future growth of the aviation industry; and

(B) a determination on whether the staffing model takes into account the Administration's authority to fully utilize designees.

(3) REPORT ON AUDIT.—

(A) REPORT TO SECRETARY.—Not later than 30 days after the date of completion of the audit, the Inspector General shall submit to the Secretary a report on the results of the audit.

(B) REPORT TO CONGRESS.—Not later than 60 days after the date of receipt of the report, the Secretary shall submit to the appropriate committees of Congress a copy of the report, together with, if appropriate, a description of any actions taken or to be taken to address the results of the audit.

SEC. 304. INTERNATIONAL EFFORTS REGARDING TRACKING OF CIVIL AIRCRAFT.

49 USC 40104 note.

The Administrator shall exercise leadership on creating a global approach to improving aircraft tracking by working with—

(1) foreign counterparts of the Administrator in the International Civil Aviation Organization and its subsidiary organizations;

(2) other international organizations and fora; and

(3) the private sector.

SEC. 305. AIRCRAFT DATA ACCESS AND RETRIEVAL SYSTEMS.

(a) ASSESSMENT.—Not later than 90 days after the date of enactment of this Act, the Administrator shall initiate an assessment of aircraft data access and retrieval systems for part 121 air carrier aircraft that are used in extended overwater operations to—

(1) determine if the systems provide improved access and retrieval of aircraft data and cockpit voice recordings in the event of an aircraft accident; and

(2) assess the cost effectiveness of each system assessed.

(b) SYSTEMS TO BE EXAMINED.—The systems to be examined under this section shall include, at a minimum—

(1) various methods for improving detection and retrieval of flight data, including—

(A) low-frequency underwater locating devices; and

(B) extended battery life for underwater locating devices;

(2) automatic deployable flight recorders;

(3) emergency locator transmitters;

(4) triggered transmission of flight data and other satellite-based solutions;

(5) distress-mode tracking; and

(6) protections against disabling flight recorder systems.

(c) REPORT.—Not later than 1 year after the date of initiation of the assessment, the Administrator shall submit to the appropriate committees of Congress a report on the results of the assessment.

(d) PART 121 AIR CARRIER DEFINED.—In this section, the term "part 121 air carrier" means an air carrier with authority to conduct operations under part 121 of title 14, Code of Federal Regulations.

SEC. 306. ADVANCED COCKPIT DISPLAYS.

(a) IN GENERAL.—Not later than 180 days after the date of enactment of this Act, the Administrator shall initiate a review of heads-up display systems, heads-down display systems employing synthetic vision systems, and enhanced vision systems (in this section referred to as "HUD systems", "SVS", and "EVS", respectively).

(b) CONTENTS.—The review shall—

(1) evaluate the impacts of single- and dual-installed HUD systems, SVS, and EVS on the safety and efficiency of aircraft operations within the national airspace system; and

(2) review a sufficient quantity of commercial aviation accidents or incidents in order to evaluate if HUD systems, SVS, or EVS would have produced a better outcome in each accident or incident.

(c) CONSULTATION.—In conducting the review, the Administrator shall consult with aviation manufacturers, representatives of pilot groups, aviation safety organizations, and any government agencies the Administrator considers appropriate.

(d) REPORT.—Not later than 1 year after the date of enactment of this Act, the Administrator shall submit to the appropriate committees of Congress a report containing the results of the review,

the actions the Administrator plans to take with respect to the systems reviewed, and the associated timeline for such actions.

SEC. 307. EMERGENCY MEDICAL EQUIPMENT ON PASSENGER AIRCRAFT.

49 USC 44701 note.

(a) IN GENERAL.—Not later than 1 year after the date of enactment of this Act, the Administrator shall evaluate and revise, as appropriate, regulations in part 121 of title 14, Code of Federal Regulations, regarding emergency medical equipment, including the contents of first-aid kits, applicable to all certificate holders operating passenger aircraft under that part.

(b) CONSIDERATION.—In carrying out subsection (a), the Administrator shall consider whether the minimum contents of approved emergency medical kits, including approved first-aid kits, include appropriate medications and equipment to meet the emergency medical needs of children and pregnant women.

SEC. 308. FAA AND NTSB REVIEW OF GENERAL AVIATION SAFETY.

49 USC 44701 note.

(a) STUDY REQUIRED.—Not later than 30 days after the date of enactment of this Act, the Administrator, in coordination with the Chairman of the National Transportation Safety Board, shall initiate a study of general aviation safety.

(b) STUDY CONTENTS.—The study required under subsection (a) shall include—

(1) a review of all general aviation accidents since 2000, including a review of—

(A) the number of such accidents;

(B) the number of injuries and fatalities, including with respect to both occupants of aircraft and individuals on the ground, as a result of such accidents;

(C) the number of such accidents investigated by the National Transportation Safety Board;

(D) the number of such accidents investigated by the FAA; and

(E) a summary of the factual findings and probable cause determinations with respect to such accidents;

(2) an assessment of the most common probable cause determinations issued for general aviation accidents since 2000;

(3) an assessment of the most common facts analyzed by the FAA and the National Transportation Safety Board in the course of investigations of general aviation accidents since 2000, including operational details;

(4) a review of the safety recommendations of the National Transportation Safety Board related to general aviation accidents since 2000;

(5) an assessment of the responses of the FAA and the general aviation community to the safety recommendations of the National Transportation Safety Board related to general aviation accidents since 2000;

(6) an assessment of the most common general aviation safety issues;

(7) a review of the total costs to the Federal Government to conduct investigations of general aviation accidents over the last 10 years; and

(8) other matters the Administrator or the Chairman considers appropriate.

(c) RECOMMENDATIONS AND ACTIONS TO ADDRESS GENERAL AVIATION SAFETY.—Based on the results of the study required under

subsection (a), the Administrator, in consultation with the Chairman, shall make such recommendations, including with respect to regulations and enforcement activities, as the Administrator considers necessary to—

(1) address general aviation safety issues identified under the study;

(2) protect persons and property on the ground; and

(3) improve the safety of general aviation operators in the United States.

(d) AUTHORITY.—Notwithstanding any other provision of law, the Administrator shall have the authority to undertake actions to address the recommendations made under subsection (c).

(e) REPORT.—Not later than 1 year after the date of enactment of this Act, the Administrator shall submit to the appropriate committees of Congress a report on the results of the study required under subsection (a), including the recommendations described in subsection (c).

(f) GENERAL AVIATION DEFINED.—In this section, the term "general aviation" means aircraft operation for personal, recreational, or other noncommercial purposes.

SEC. 309. CALL TO ACTION AIRLINE ENGINE SAFETY REVIEW.

(a) CALL TO ACTION AIRLINE ENGINE SAFETY REVIEW.—Not later than 90 days after the date of enactment of this Act, the Administrator shall initiate a Call to Action safety review on airline engine safety in order to bring stakeholders together to share best practices and implement actions to address airline engine safety.

(b) CONTENTS.—The Call to Action safety review required pursuant to subsection (a) shall include—

(1) a review of Administration regulations, guidance, and directives related to airline engines during design and production, including the oversight of those processes;

(2) a review of Administration regulations, guidance, and directives related to airline engine operation and maintenance and the oversight of those processes;

(3) a review of reportable accidents and incidents involving airline engines during calendar years 2014 through 2018, including any identified contributing factors to the reportable accident or incident; and

(4) a process for stakeholders, including inspectors, manufacturers, maintenance providers, airlines, labor, and aviation safety experts, to provide feedback and share best practices.

(c) REPORT AND RECOMMENDATIONS.—Not later than 90 days after the conclusion of the Call to Action safety review pursuant to subsection (a), the Administrator shall submit to the appropriate committees of Congress a report on the results of the review and any recommendations for actions or best practices to improve airline engine safety.

SEC. 310. SENSE OF CONGRESS ON ACCESS TO AIR CARRIER FLIGHT DECKS.

It is the sense of Congress that the Administrator should collaborate with other aviation authorities to advance a global standard for access to air carrier flight decks and redundancy requirements consistent with the flight deck access and redundancy requirements in the United States.

SEC. 311. PART 135 ACCIDENT AND INCIDENT DATA.

(a) IN GENERAL.—Not later than 1 year after the date of enactment of this Act, the Administrator shall—

(1) determine, in collaboration with the National Transportation Safety Board and part 135 industry stakeholders, what, if any, additional data should be reported as part of an accident or incident notice—

(A) to more accurately measure the safety of on-demand part 135 aircraft activity;

(B) to pinpoint safety problems; and

(C) to form the basis for critical research and analysis of general aviation issues; and

(2) provide a briefing to the appropriate committees of Congress on the findings under paragraph (1), including a description of any additional data to be collected, a timeframe for implementing the additional data collection, and any potential obstacles to implementation.

(b) DEFINITION OF PART 135.—In this section, the term "part 135" means part 135 of title 14, Code of Federal Regulations.

SEC. 312. SENSE OF CONGRESS; PILOT IN COMMAND AUTHORITY.

It is the sense of Congress that the pilot in command of an aircraft is directly responsible for, and is the final authority as to, the operation of that aircraft, as set forth in section 91.3(a) of title 14, Code of Federal Regulations (or any successor regulation thereto).

SEC. 313. REPORT ON CONSPICUITY NEEDS FOR SURFACE VEHICLES OPERATING ON THE AIRSIDE OF AIR CARRIER SERVED AIRPORTS.

(a) STUDY REQUIRED.—The Administrator shall carry out a study on the need for the FAA to prescribe conspicuity standards for surface vehicles operating on the airside of the categories of airports that air carriers serve as specified in subsection (b).

(b) COVERED AIRPORTS.—The study required by subsection (a) shall cover, at a minimum, 1 large hub airport, 1 medium hub airport, and 1 small hub airport, as those terms are defined in section 40102 of title 49, United States Code.

(c) REPORT TO CONGRESS.—Not later than July 1, 2019, the Administrator shall submit to the appropriate committees of Congress a report setting forth the results of the study required by subsection (a), including such recommendations as the Administrator considers appropriate regarding the need for the Administration to prescribe conspicuity standards as described in subsection (a).

SEC. 314. HELICOPTER AIR AMBULANCE OPERATIONS DATA AND REPORTS.

(a) IN GENERAL.—Not later than 1 year after the date of enactment of this Act, the Administrator, in collaboration with helicopter air ambulance industry stakeholders, shall assess the availability of information to the general public related to the location of heliports and helipads used by helicopters providing air ambulance services, including helipads and helipads outside of those listed as part of any existing databases of Airport Master Record (5010) forms. 49 USC 44731 note.

(b) REQUIREMENTS.—Based on the assessment under subsection (a), the Administrator shall— 49 USC 44731 note.

(1) update, as necessary, any existing guidance on what information is included in the current databases of Airport Master Record (5010) forms to include information related to heliports and helipads used by helicopters providing air ambulance services; or

(2) develop, as appropriate and in collaboration with helicopter air ambulance industry stakeholders, a new database of heliports and helipads used by helicopters providing air ambulance services.

49 USC 44731 note.

(c) REPORTS.—

(1) ASSESSMENT REPORT.—Not later than 30 days after the date the assessment under subsection (a) is complete, the Administrator shall submit to the appropriate committees of Congress a report on the assessment, including any recommendations on how to make information related to the location of heliports and helipads used by helicopters providing air ambulance services available to the general public.

(2) IMPLEMENTATION REPORT.—Not later than 30 days after completing action under paragraph (1) or paragraph (2) of subsection (b), the Administrator shall submit to the appropriate committees of Congress a report on such action.

(d) INCIDENT AND ACCIDENT DATA.—Section 44731 of title 49, United States Code, is amended—

(1) in subsection (a)—

(A) in the matter preceding paragraph (1), by striking "not later than 1 year after the date of enactment of this section, and annually thereafter" and inserting "annually";

(B) in paragraph (2), by striking "flights and hours flown, by registration number, during which helicopters operated by the certificate holder were providing helicopter air ambulance services" and inserting "hours flown by the helicopters operated by the certificate holder";

(C) in paragraph (3)—

(i) by striking "of flight" and inserting "of patients transported and the number of patient transport";

(ii) by inserting "or" after "interfacility transport,"; and

(iii) by striking ", or ferry or repositioning flight";

(D) in paragraph (5)—

(i) by striking "flights and"; and

(ii) by striking "while providing air ambulance services"; and

(E) by amending paragraph (6) to read as follows: "(6) The number of hours flown at night by helicopters operated by the certificate holder.";

(2) in subsection (d)—

(A) by striking "Not later than 2 years after the date of enactment of this section, and annually thereafter, the Administrator shall submit" and inserting "The Administrator shall submit annually"; and

(B) by adding at the end the following: "The report shall include the number of accidents experienced by helicopter air ambulance operations, the number of fatal accidents experienced by helicopter air ambulance operations, and the rate, per 100,000 flight hours, of accidents and fatal accidents experienced by operators providing helicopter air ambulance services.";

(3) by redesignating subsection (e) as subsection (f); and

(4) by inserting after subsection (d) the following:

"(e) IMPLEMENTATION.—In carrying out this section, the Administrator, in collaboration with part 135 certificate holders providing helicopter air ambulance services, shall—

"(1) propose and develop a method to collect and store the data submitted under subsection (a), including a method to protect the confidentiality of any trade secret or proprietary information submitted; and

"(2) ensure that the database under subsection (c) and the report under subsection (d) include data and analysis that will best inform efforts to improve the safety of helicopter air ambulance operations.".

SEC. 315. AVIATION RULEMAKING COMMITTEE FOR PART 135 PILOT REST AND DUTY RULES.

49 USC 44701 note.

(a) IN GENERAL.—Not later than 180 days after the date of enactment of this Act, the Administrator shall convene an aviation rulemaking committee to review, and develop findings and recommendations regarding, pilot rest and duty rules under part 135 of title 14, Code of Federal Regulations.

(b) DUTIES.—The Administrator shall—

(1) not later than 2 years after the date of enactment of this Act, submit to the appropriate committees of Congress a report based on the findings of the aviation rulemaking committee; and

(2) not later than 1 year after the date of submission of the report under paragraph (1), issue a notice of proposed rulemaking based on any consensus recommendations reached by the aviation rulemaking committee.

(c) COMPOSITION.—The aviation rulemaking committee shall consist of members appointed by the Administrator, including—

(1) representatives of industry;

(2) representatives of aviation labor organizations, including collective bargaining units representing pilots who are covered by part 135 of title 14, Code of Federal Regulations, and subpart K of part 91 of such title; and

(3) aviation safety experts with specific knowledge of flight crewmember education and training requirements under part 135 of such title.

(d) CONSIDERATIONS.—The Administrator shall direct the aviation rulemaking committee to consider—

(1) recommendations of prior part 135 rulemaking committees;

(2) accommodations necessary for small businesses;

(3) scientific data derived from aviation-related fatigue and sleep research;

(4) data gathered from aviation safety reporting programs;

(5) the need to accommodate the diversity of operations conducted under part 135, including the unique duty and rest time requirements of air ambulance pilots; and

(6) other items, as appropriate.

SEC. 316. REPORT ON OBSOLETE TEST EQUIPMENT.

(a) REPORT.—Not later than 180 days after the date of enactment of this Act, the Administrator shall submit to the appropriate committees of Congress a report on the National Test Equipment Program of the FAA (in this section referred to as the "Program").

(b) CONTENTS.—The report shall include—

(1) a list of all known outstanding requests for test equipment, cataloged by type and location, under the Program;

(2) a description of the current method under the Program of ensuring calibrated equipment is in place for utilization;

(3) a plan by the Administrator for appropriate inventory of such equipment;

(4) the Administrator's recommendations for increasing multifunctionality in future test equipment and all known and foreseeable manufacturer technological advances; and

(5) a plan to replace, as appropriate, obsolete test equipment throughout the service areas.

SEC. 317. HELICOPTER FUEL SYSTEM SAFETY.

(a) IN GENERAL.—Chapter 447 of title 49, United States Code, is further amended by adding at the end the following:

49 USC 44737.

"§ 44737. Helicopter fuel system safety

"(a) PROHIBITION.—

"(1) IN GENERAL.—A person may not operate a covered rotorcraft in United States airspace unless the design of the rotorcraft is certified by the Administrator of the Federal Aviation Administration to—

"(A) comply with the requirements applicable to the category of the rotorcraft under paragraphs (1), (2), (3), (5), and (6) of section 27.952(a), section 27.952(c), section 27.952(f), section 27.952(g), section 27.963(g) (but allowing for a minimum puncture force of 250 pounds if successfully drop tested in-structure), and section 27.975(b) or paragraphs (1), (2), (3), (5), and (6) of section 29.952(a), section 29.952(c), section 29.952(f), section 29.952(g), section 29.963(b) (but allowing for a minimum puncture force of 250 pounds if successfully drop tested in-structure), and 29.975(a)(7) of title 14, Code of Federal Regulations, as in effect on the date of enactment of this section; or

"(B) employ other means acceptable to the Administrator to provide an equivalent level of fuel system crash resistance.

"(2) COVERED ROTORCRAFT DEFINED.—In this subsection, the term 'covered rotorcraft' means a rotorcraft not otherwise required to comply with section 27.952, section 27.963, and section 27.975, or section 29.952, section 29.963, and section 29.975 of title 14, Code of Federal Regulations as in effect on the date of enactment of this section for which manufacture was completed, as determined by the Administrator, on or after the date that is 18 months after the date of enactment of this section.

"(b) ADMINISTRATIVE PROVISIONS.—The Administrator shall—

"(1) expedite the certification and validation of United States and foreign type designs and retrofit kits that improve fuel system crashworthiness; and

"(2) not later than 180 days after the date of enactment of this section, and periodically thereafter, issue a bulletin to—

"(A) inform rotorcraft owners and operators of available modifications to improve fuel system crashworthiness; and

"(B) urge that such modifications be installed as soon as practicable.

"(c) RULE OF CONSTRUCTION.—Nothing in this section may be construed to affect the operation of a rotorcraft by the Department of Defense.".

(b) CLERICAL AMENDMENT.—The analysis for chapter 447 of title 49, United States Code, is amended by adding at the end the following:

49 USC prec. 44701.

"44737. Helicopter fuel system safety.".

SEC. 318. APPLICABILITY OF MEDICAL CERTIFICATION STANDARDS TO OPERATORS OF AIR BALLOONS.

Commercial Balloon Pilot Safety Act of 2018. 49 USC 449703 note.

(a) SHORT TITLE.—This section may be cited as the "Commercial Balloon Pilot Safety Act of 2018".

(b) IN GENERAL.—Not later than 180 days after the date of enactment of this Act, the Administrator shall revise section 61.3(c) of title 14, Code of Federal Regulations (relating to second-class medical certificates), to apply to an operator of an air balloon to the same extent such regulations apply to a pilot flight crewmember of other aircraft.

(c) AIR BALLOON DEFINED.—In this section, the term "air balloon" has the meaning given the term "balloon" in section 1.1 of title 14, Code of Federal Regulations (or any corresponding similar regulation or ruling).

SEC. 319. DESIGNATED PILOT EXAMINER REFORMS.

49 USC 449703 note.

(a) IN GENERAL.—The Administrator shall assign to the Aviation Rulemaking Advisory Committee (in this section referred to as the "Committee") the task of reviewing all regulations and policies related to designated pilot examiners appointed under section 183.23 of title 14, Code of Federal Regulations. The Committee shall focus on the processes and requirements by which the FAA selects, trains, and deploys individuals as designated pilot examiners, and provide recommendations with respect to the regulatory and policy changes necessary to ensure an adequate number of designated pilot examiners are deployed and available to perform their duties. The Committee also shall make recommendations with respect to the regulatory and policy changes if necessary to allow a designated pilot examiner perform a daily limit of 3 new check rides with no limit for partial check rides and to serve as a designed pilot examiner without regard to any individual managing office.

(b) ACTION BASED ON RECOMMENDATIONS.—Not later than 1 year after receiving recommendations under subsection (a), the Administrator shall take such action as the Administrator considers appropriate with respect to those recommendations.

SEC. 320. VOLUNTARY REPORTS OF OPERATIONAL OR MAINTENANCE ISSUES RELATED TO AVIATION SAFETY.

49 USC 44701 note.

(a) IN GENERAL.—There shall be a presumption that an individual's voluntary report of an operational or maintenance issue related to aviation safety under an aviation safety action program meets the criteria for acceptance as a valid report under such program.

(b) DISCLAIMER REQUIRED.—Any dissemination, within the participating organization, of a report that was submitted and accepted under an aviation safety action program pursuant to the presumption under subsection (a), but that has not undergone

review by an event review committee, shall be accompanied by a disclaimer stating that the report—

(1) has not been reviewed by an event review committee tasked with reviewing such reports; and

(2) may subsequently be determined to be ineligible for inclusion in the aviation safety action program.

(c) REJECTION OF REPORT.—

(1) IN GENERAL.—A report described under subsection (a) shall be rejected from an aviation safety action program if, after a review of the report, an event review committee tasked with reviewing such report, or the Federal Aviation Administration member of the event review committee in the case that the review committee does not reach consensus, determines that the report fails to meet the criteria for acceptance under such program.

(2) PROTECTIONS.—In any case in which a report of an individual described under subsection (a) is rejected under paragraph (1)—

(A) the enforcement-related incentive offered to the individual for making such a report shall not apply; and

(B) the protection from disclosure of the report itself under section 40123 of title 49, United States Code, shall not apply.

(3) AVIATION SAFETY ACTION PROGRAM DEFINED.—In this section, the term "aviation safety action program" means a program established in accordance with Federal Aviation Administration Advisory Circular 120–66B, issued November 15, 2002 (including any similar successor advisory circular), to allow an individual to voluntarily disclose operational or maintenance issues related to aviation safety.

SEC. 321. EVALUATION REGARDING ADDITIONAL GROUND BASED TRANSMITTERS.

The Administrator shall conduct an evaluation of providing additional ground based transmitters for Automatic Dependent Surveillance–Broadcasts (ADS–B) to provide a minimum operational network in Alaska along major flight routes.

49 USC 44720 note.

SEC. 322. IMPROVED SAFETY IN RURAL AREAS.

The Administrator shall permit an air carrier operating pursuant to part 135 of title 14, Code of Federal Regulations, to operate to a destination with a published approach, in a noncontiguous State under instrument flight rules and conduct an instrument approach without a destination Meteorological Aerodrome Report (METAR) if a current Area Forecast, supplemented by noncertified local weather observations (such as weather cameras and human observations) is available, and an alternate airport that has a weather report is specified. The operator shall have approved procedures for departure and en route weather evaluation.

SEC. 323. EXIT ROWS.

(a) REVIEW.—The Administrator shall conduct a review of current safety procedures regarding unoccupied exit rows on a covered aircraft in passenger air transportation during all stages of flight.

(b) CONSULTATION.—In carrying out the review, the Administrator shall consult with air carriers, aviation manufacturers, and labor stakeholders.

(c) REPORT.—Not later than 1 year after the date of enactment of this Act, the Administrator shall submit to the appropriate committees of Congress a report on the results of the review.

(d) COVERED AIRCRAFT DEFINED.—In this section, the term "covered aircraft" means an aircraft operating under part 121 of title 14, Code of Federal Regulations.

SEC. 324. COMPTROLLER GENERAL REPORT ON FAA ENFORCEMENT POLICY.

Not later than 1 year after the date of enactment of this Act, the Comptroller General of the United States shall complete a study, and report to the appropriate committees of Congress on the results thereof, on the effectiveness of Order 8000.373, Federal Aviation Administration Compliance Philosophy, announced on June 26, 2015. Such study shall include information about—

(1) whether reports of safety incidents increased following the order;

(2) whether reduced enforcement penalties increased the overall number of safety incidents that occurred; and

(3) whether FAA enforcement staff registered complaints about reduced enforcement reducing compliance with safety regulations.

SEC. 325. ANNUAL SAFETY INCIDENT REPORT.

(a) IN GENERAL.—Not later than 1 year after the date of enactment of this Act, and annually thereafter for 5 years, the Administrator, shall submit to the appropriate committees of Congress a report regarding part 121 airline safety oversight.

(b) CONTENTS.—The annual report shall include—

(1) a description of the Federal Aviation Administration's safety oversight process to ensure the safety of the traveling public;

(2) a description of risk-based oversight methods applied to ensure aviation safety, including to specific issues addressed in the year preceding the report that in the determination of the Administrator address safety risk; and

(3) in the instance of specific reviews of air carrier performance to safety regulations, a description of cases where the timelines for recurrent reviews are advanced.

SEC. 326. AIRCRAFT AIR QUALITY.

49 USC 40101 note.

(a) EDUCATIONAL MATERIALS.—Not later than 1 year after the date of enactment of this Act, the Administrator shall, in consultation with relevant stakeholders, establish and make available on a publicly available Internet website of the Administration, educational materials for flight attendants, pilots, and aircraft maintenance technicians on how to respond to incidents on board aircraft involving smoke or fumes.

(b) REPORTING OF INCIDENTS OF SMOKE OR FUMES ON BOARD AIRCRAFT.—Not later than 180 days after the date of enactment of this Act, the Administrator shall, in consultation with relevant stakeholders, issue guidance for flight attendants, pilots, and aircraft maintenance technicians to report incidents of smoke or fumes on board an aircraft operated by a commercial air carrier and with respect to the basis on which commercial air carriers shall report such incidents through the Service Difficulty Reporting System.

(c) RESEARCH TO DEVELOP TECHNIQUES TO MONITOR BLEED AIR QUALITY.—Not later than 180 days after the date of enactment of this Act, the Administrator shall commission a study by the Airliner Cabin Environment Research Center of Excellence—

(1) to identify and measure the constituents and levels of constituents resulting from bleed air in the cabins of a representative set of commercial aircraft in operation of the United States;

(2) to assess the potential health effects of such constituents on passengers and cabin and flight deck crew;

(3) to identify technologies suitable to provide reliable and accurate warning of bleed air contamination, including technologies to effectively monitor the aircraft air supply system when the aircraft is in flight; and

(4) to identify potential techniques to prevent fume events.

(d) REPORT REQUIRED.—Not later than 18 months after the date of enactment of this Act, the Administrator shall submit to the appropriate committees of Congress a report on the feasibility, efficacy, and cost-effectiveness of certification and installation of systems to evaluate bleed air quality.

(e) PILOT PROGRAM.—The FAA may conduct a pilot program to evaluate the effectiveness of technologies identified in subsection (c).

SEC. 327. APPROACH CONTROL RADAR.

The Administrator shall—

(1) identify airports that are currently served by FAA towers with nonradar approach and departure control (type 4 classification in the Federal Aviation Administration OPSNET); and

(2) develop an implementation plan, which takes into account budgetary and flight volume considerations, to provide an airport identified under paragraph (1), if appropriate, with approach control radar.

SEC. 328. REPORT ON AIRLINE AND PASSENGER SAFETY.

(a) REPORT.—Not later than 180 days after the date of enactment of this Act, the Administrator shall submit to the appropriate committees of Congress a report on airline and passenger safety.

(b) CONTENTS.—The report required under subsection (a) shall include—

(1) the average age of commercial aircraft owned and operated by United States air carriers;

(2) the over-all use of planes, including average lifetime of commercial aircraft;

(3) the number of hours aircraft are in flight over the life of the aircraft and the average number of hours on domestic and international flights, respectively;

(4) the impact of metal fatigue on aircraft usage and safety;

(5) a review on contractor assisted maintenance of commercial aircraft; and

(6) a re-evaluation of the rules on inspection of aging airplanes.

49 USC 40101 note.

SEC. 329. PERFORMANCE-BASED STANDARDS.

The Administrator shall, to the maximum extent possible and consistent with Federal law, and based on input by the public, ensure that regulations, guidance, and policies issued by the FAA

on and after the date of enactment of this Act are issued in the form of performance-based standards, providing an equal or higher level of safety.

SEC. 330. REPORT AND RECOMMENDATIONS ON CERTAIN AVIATION SAFETY RISKS.

Not later than 1 year after the date of the enactment of this Act, the Administrator shall submit to the appropriate committees of Congress a report that—

(1) identifies safety risks associated with power outages at airports caused by weather or other factors, and recommends actions to improve resilience of aviation communication, navigation, and surveillance systems in the event of such outages; and

(2) reviews alerting mechanisms, devices, and procedures for enhancing the situational awareness of pilots and air traffic controllers in the event of a failure or an irregularity of runway lights, and provides recommendations on the further implementation of such mechanisms, devices, or procedures.

SEC. 331. REVIEW OF FAA'S AVIATION SAFETY INFORMATION ANALYSIS AND SHARING SYSTEM.

(a) AUDIT BY DEPARTMENT OF TRANSPORTATION INSPECTOR GENERAL.—Not later than 90 days after the date of enactment of this Act, the inspector general of the Department of Transportation shall initiate a follow-up review of the FAA's Aviation Safety Information Analysis and Sharing (ASIAS) system to assess FAA's efforts and plans to improve the system.

(b) REVIEW.—The review shall include, at a minimum, an evaluation of FAA's efforts to improve the ASIAS system's predictive capabilities and solutions developed to more widely disseminate results of ASIAS data analyses, as well as an update on previous inspector general recommendations to improve this safety analysis and sharing system.

(c) REPORT.—The inspector general shall submit to the appropriate committees of Congress a report on the results of the review carried out under this section and any recommendations to improve FAA's ASIAS system.

SEC. 332. AIRPORT RESCUE AND FIREFIGHTING.

49 USC 44706 note.

(a) FIREFIGHTING FOAM.—Not later than 3 years after the date of enactment of this Act, the Administrator, using the latest version of National Fire Protection Association 403, "Standard for Aircraft Rescue and Fire-Fighting Services at Airports", and in coordination with the Administrator of the Environmental Protection Agency, aircraft manufacturers and airports, shall not require the use of fluorinated chemicals to meet the performance standards referenced in chapter 6 of AC No: 150/5210–6D and acceptable under 139.319(l) of title 14, Code of Federal Regulations.

(b) TRAINING FACILITIES.—Not later than 90 days after the date of enactment of this Act, the Administrator shall submit to the appropriate committees of Congress—

(1) a report on the number and sufficiency of aircraft rescue and firefighting training facilities in each FAA region; and

(2) a plan, if appropriate, to address any coverage gaps identified in the report.

49 USC 44701 note.

SEC. 333. SAFE AIR TRANSPORTATION OF LITHIUM CELLS AND BATTERIES.

(a) HARMONIZATION WITH ICAO TECHNICAL INSTRUCTIONS.—

(1) ADOPTION OF ICAO INSTRUCTIONS.—

(A) IN GENERAL.—Pursuant to section 828 of the FAA Modernization and Reform Act of 2012 (49 U.S.C. 44701 note), not later than 90 days after the date of enactment of this Act, the Secretary of Transportation shall conform United States regulations on the air transport of lithium cells and batteries with the lithium cells and battery requirements in the 2015–2016 edition of the International Civil Aviation Organization's (referred to in this subsection as "ICAO") Technical Instructions (to include all addenda), including the revised standards adopted by ICAO which became effective on April 1, 2016 and any further revisions adopted by ICAO prior to the effective date of the FAA Reauthorization Act of 2018.

(B) FURTHER PROCEEDINGS.—Beginning on the date the revised regulations under subparagraph (A) are published in the Federal Register, any lithium cell and battery rulemaking action or update commenced on or after that date shall continue to comply with the requirements under section 828 of the FAA Modernization and Reform Act of 2012 (49 U.S.C. 44701 note).

(2) REVIEW OF OTHER REGULATIONS.—Pursuant to section 828 of the FAA Modernization and Reform Act of 2012 (49 U.S.C. 44701 note), the Secretary of Transportation may initiate a review of other existing regulations regarding the air transportation, including passenger-carrying and cargo aircraft, of lithium batteries and cells.

(b) MEDICAL DEVICE BATTERIES.—

(1) IN GENERAL.—For United States applicants, the Secretary of Transportation shall consider and either grant or deny, not later than 45 days after receipt of an application, an application submitted in compliance with part 107 of title 49, Code of Federal Regulations, for special permits or approvals for air transportation of lithium ion cells or batteries specifically used by medical devices. Not later than 30 days after the date of application, the Pipeline and Hazardous Materials Safety Administration shall provide a draft special permit to the Federal Aviation Administration based on the application. The Federal Aviation Administration shall conduct an on-site inspection for issuance of the special permit not later than 20 days after the date of receipt of the draft special permit from the Pipeline and Hazardous Materials Safety Administration.

(2) LIMITED EXCEPTIONS TO RESTRICTIONS ON AIR TRANSPORTATION OF MEDICAL DEVICE BATTERIES.—The Secretary shall issue limited exceptions to the restrictions on transportation of lithium ion and lithium metal batteries to allow the shipment on a passenger aircraft of not more than 2 replacement batteries specifically used for a medical device if—

(A) the intended destination of the batteries is not serviced daily by cargo aircraft if a battery is required for medically necessary care; and

(B) with regard to a shipper of lithium ion or lithium metal batteries for medical devices that cannot comply

with a charge limitation in place at the time, each battery is—

(i) individually packed in an inner packaging that completely encloses the battery;

(ii) placed in a rigid outer packaging; and

(iii) protected to prevent a short circuit.

(3) MEDIAL DEVICE DEFINED.—ln this subsection, the term "medical device" means an instrument, apparatus, implement, machine, contrivance, implant, or in vitro reagent, including any component, part, or accessory thereof, which is intended for use in the diagnosis of disease or other conditions, or in the cure, mitigation, treatment, or prevention of disease, of a person.

(4) SAVINGS CLAUSE.—Nothing in this subsection shall be construed as expanding or constricting any other authority the Secretary of Transportation has under section 828 of the FAA Modernization and Reform Act of 2012 (49 U.S.C. 44701 note).

(c) LITHIUM BATTERY SAFETY WORKING GROUP.—

(1) IN GENERAL.—Not later than 90 days after the date of enactment of this Act, the Secretary of Transportation shall establish a lithium battery safety working group (referred to as the "working group" in this section) to promote and coordinate efforts related to the promotion of the safe manufacture, use, and transportation of lithium batteries and cells.

(2) DUTIES.—The working group shall coordinate and facilitate the transfer of knowledge and expertise among the following Federal agencies:

(A) The Department of Transportation.

(B) The Consumer Product Safety Commission.

(C) The National Institute on Standards and Technology.

(D) The Food and Drug Administration.

(3) MEMBERS.—The Secretary shall appoint not more than 8 members to the working group with expertise in the safe manufacture, use, or transportation of lithium batteries and cells.

(4) SUBCOMMITTEES.—The Secretary, or members of the working group, may—

(A) establish working group subcommittees to focus on specific issues related to the safe manufacture, use, or transportation of lithium batteries and cells; and

(B) include in a subcommittee the participation of non-member stakeholders with expertise in areas that the Secretary or members consider necessary.

(5) REPORT.—Not later than 1 year after the date it is established, the working group shall—

(A) identify and assess—

(i) additional ways to decrease the risk of fires and explosions from lithium batteries and cells;

(ii) additional ways to ensure uniform transportation requirements for both bulk and individual batteries; and

(iii) new or existing technologies that may reduce the fire and explosion risk of lithium batteries and cells; and

(B) transmit to the appropriate committees of Congress a report on the assessments conducted under subparagraph (A), including any legislative recommendations to effectuate the safety improvements described in clauses (i) through (iii) of that subparagraph.

(6) TERMINATION.—The working group, and any working group subcommittees, shall terminate 90 days after the date the report is transmitted under paragraph (5).

(d) LITHIUM BATTERY AIR SAFETY ADVISORY COMMITTEE.—

(1) ESTABLISHMENT.—Not later than 60 days after the date of enactment of this Act, the Secretary shall establish, in accordance with the requirements of the Federal Advisory Committee Act (5 U.S.C. App.), a lithium ion and lithium metal battery air safety advisory committee (in this subsection referred to as the "Committee").

(2) DUTIES.—The Committee shall—

(A) facilitate communication between manufacturers of lithium ion and lithium metal cells and batteries, manufacturers of products incorporating both large and small lithium ion and lithium metal batteries, air carriers, and the Federal Government regarding the safe air transportation of lithium ion and lithium metal cells and batteries and the effectiveness and economic and social impacts of the regulation of such transportation;

(B) provide the Secretary, the Federal Aviation Administration, and the Pipeline and Hazardous Materials Safety Administration with timely information about new lithium ion and lithium metal battery technology and transportation safety practices and methodologies;

(C) provide a forum for the Secretary to provide information on and to discuss the activities of the Department of Transportation relating to lithium ion and lithium metal battery transportation safety, the policies underlying the activities, and positions to be advocated in international forums;

(D) provide a forum for the Secretary to provide information and receive advice on—

(i) activities carried out throughout the world to communicate and enforce relevant United States regulations and the ICAO Technical Instructions; and

(ii) the effectiveness of the activities;

(E) provide advice and recommendations to the Secretary with respect to lithium ion and lithium metal battery air transportation safety, including how best to implement activities to increase awareness of relevant requirements and their importance to travelers and shippers; and

(F) review methods to decrease the risk posed by air shipment of undeclared hazardous materials and efforts to educate those who prepare and offer hazardous materials for shipment via air transport.

(3) MEMBERSHIP.—The Committee shall be composed of the following members:

(A) Individuals appointed by the Secretary to represent—

(i) large volume manufacturers of lithium ion and lithium metal cells and batteries;

(ii) domestic manufacturers of lithium ion and lithium metal batteries or battery packs;

(iii) manufacturers of consumer products powered by lithium ion and lithium metal batteries;

(iv) manufacturers of vehicles powered by lithium ion and lithium metal batteries;

(v) marketers of products powered by lithium ion and lithium metal batteries;

(vi) cargo air service providers based in the United States;

(vii) passenger air service providers based in the United States;

(viii) pilots and employees of air service providers described in clauses (vi) and (vii);

(ix) shippers of lithium ion and lithium metal batteries for air transportation;

(x) manufacturers of battery-powered medical devices or batteries used in medical devices; and

(xi) employees of the Department of Transportation, including employees of the Federal Aviation Administration and the Pipeline and Hazardous Materials Safety Administration.

(B) Representatives of such other Government departments and agencies as the Secretary determines appropriate.

(C) Any other individuals the Secretary determines are appropriate to comply with Federal law.

(4) REPORT.—

(A) IN GENERAL.—Not later than 180 days after the establishment of the Committee, the Committee shall submit to the Secretary and the appropriate committees of Congress a report that—

(i) describes and evaluates the steps being taken in the private sector and by international regulatory authorities to implement and enforce requirements relating to the safe transportation by air of bulk shipments of lithium ion cells and batteries; and

(ii) identifies any areas of enforcement or regulatory requirements for which there is consensus that greater attention is needed.

(B) INDEPENDENT STATEMENTS.—Each member of the Committee shall be provided an opportunity to submit an independent statement of views with the report submitted pursuant to subparagraph (A).

(5) MEETINGS.—

(A) IN GENERAL.—The Committee shall meet at the direction of the Secretary and at least twice a year.

(B) PREPARATION FOR ICAO MEETINGS.—Notwithstanding subparagraph (A), the Secretary shall convene a meeting of the Committee in connection with and in advance of each meeting of the International Civil Aviation Organization, or any of its panels or working groups, addressing the safety of air transportation of lithium ion and lithium metal batteries to brief Committee members on positions to be taken by the United States at such meeting and provide Committee members a meaningful opportunity to comment.

(6) TERMINATION.—The Committee shall terminate on the date that is 6 years after the date on which the Committee is established.

(7) TERMINATION OF FUTURE OF AVIATION ADVISORY COMMITTEE.—The Future of Aviation Advisory Committee shall terminate on the date on which the lithium ion battery air safety advisory committee is established.

(e) COOPERATIVE EFFORTS TO ENSURE COMPLIANCE WITH SAFETY REGULATIONS.—

(1) IN GENERAL.—The Secretary of Transportation, in coordination with appropriate Federal agencies, shall carry out cooperative efforts to ensure that shippers who offer lithium ion and lithium metal batteries for air transport to or from the United States comply with U.S. Hazardous Materials Regulations and ICAO Technical Instructions.

(2) COOPERATIVE EFFORTS.—The cooperative efforts the Secretary shall carry out pursuant to paragraph (1) include the following:

(A) Encouraging training programs at locations outside the United States from which substantial cargo shipments of lithium ion or lithium metal batteries originate for manufacturers, freight forwarders, and other shippers and potential shippers of lithium ion and lithium metal batteries.

(B) Working with Federal, regional, and international transportation agencies to ensure enforcement of U.S. Hazardous Materials Regulations and ICAO Technical Instructions with respect to shippers who offer noncompliant shipments of lithium ion and lithium metal batteries.

(C) Sharing information, as appropriate, with Federal, regional, and international transportation agencies regarding noncompliant shipments.

(D) Pursuing a joint effort with the international aviation community to develop a process to obtain assurances that appropriate enforcement actions are taken to reduce the likelihood of noncompliant shipments, especially with respect to jurisdictions in which enforcement activities historically have been limited.

(E) Providing information in brochures and on the internet in appropriate foreign languages and dialects that describes the actions required to comply with U.S. Hazardous Materials Regulations and ICAO Technical Instructions.

(F) Developing joint efforts with the international aviation community to promote a better understanding of the requirements of and methods of compliance with U.S. Hazardous Materials Regulations and ICAO Technical Instructions.

(3) REPORTING.—Not later than 120 days after the date of enactment of this Act, and annually thereafter for 2 years, the Secretary shall submit to the appropriate committees of Congress a report on compliance with the policy set forth in subsection (e) and the cooperative efforts carried out, or planned to be carried out, under this subsection.

(f) PACKAGING IMPROVEMENTS.—Not later than 180 days after the date of enactment of this Act, the Secretary, in consultation with interested stakeholders, shall submit to the appropriate committees of Congress an evaluation of current practices for the

packaging of lithium ion batteries and cells for air transportation, including recommendations, if any, to improve the packaging of such batteries and cells for air transportation in a safe, efficient, and cost-effective manner.

(g) DEPARTMENT OF TRANSPORTATION POLICY ON INTERNATIONAL REPRESENTATION.—

(1) IN GENERAL.—It shall be the policy of the Department of Transportation to support the participation of industry and labor stakeholders in all panels and working groups of the dangerous goods panel of the ICAO and any other international test or standard setting organization that considers proposals on the safety or transportation of lithium ion and lithium metal batteries in which the United States participates.

(2) PARTICIPATION.—The Secretary of Transportation shall request that as part of the ICAO deliberations in the dangerous goods panel on these issues, that appropriate experts on issues under consideration be allowed to participate.

(h) DEFINITIONS.—In this section, the following definitions apply:

(1) ICAO TECHNICAL INSTRUCTIONS.—The term "ICAO Technical Instructions" has the meaning given that term in section 828(c) of the FAA Modernization and Reform Act of 2012 (49 U.S.C. 44701 note).

(2) U.S. HAZARDOUS MATERIALS REGULATIONS.—The term "U.S. Hazardous Materials Regulations" means the regulations in parts 100 through 177 of title 49, Code of Federal Regulations (including amendments adopted after the date of enactment of this Act).

SEC. 334. RUNWAY SAFETY.

(a) IN GENERAL.—Not later than 6 months after the date of enactment of this Act, the Administrator shall submit to the appropriate committees of Congress a report on improving runway safety.

(b) CONTENTS.—In the report required under this section, the Administrator shall—

(1) review the relative benefits and risks of requiring the use of runway awareness and advisory systems in turbine-powered airplanes with a maximum takeoff weight greater than 19,000 pounds;

(2) review systems capable of detecting wrong-surface alignment to determine whether the capability exists to detect imminent wrong-surface landings at each airport where such a system is in use;

(3) describe information gathered from the use of the Airport Surface Surveillance Capability system at San Francisco International Airport since July 2017;

(4) assess available technologies to determine whether it is feasible, cost-effective, and appropriate to install and deploy, at any airport, systems to provide a direct warning capability to flight crews or air traffic controllers, or both, of potential runway incursions; and

(5) describe FAA efforts to develop metrics that would allow the FAA to determine whether runway incursions are increasing and to assess the effectiveness of implemented runway safety initiatives.

(c) CONSULTATION.—The Administrator shall consult with the National Transportation Safety Board in developing the report required under this section.

49 USC 44701 note.

SEC. 335. FLIGHT ATTENDANT DUTY PERIOD LIMITATIONS AND REST REQUIREMENTS.

(a) MODIFICATION OF FINAL RULE.—

(1) IN GENERAL.—Not later than 30 days after the date of enactment of this Act, the Secretary of Transportation shall modify the final rule of the Federal Aviation Administration published in the Federal Register on August 19, 1994 (59 Fed. Reg. 42974; relating to flight attendant duty period limitations and rest requirements) in accordance with the requirements of this subsection.

(2) CONTENTS.—The final rule, as modified under paragraph (1), shall ensure that—

(A) a flight attendant scheduled to a duty period of 14 hours or less is given a scheduled rest period of at least 10 consecutive hours; and

(B) the rest period is not reduced under any circumstances.

(b) FATIGUE RISK MANAGEMENT PLAN.—

(1) SUBMISSION OF PLAN BY PART 121 AIR CARRIERS.—Not later than 90 days after the date of enactment of this Act, each air carrier operating under part 121 of title 14, Code of Federal Regulations (in this section referred to as a "part 121 air carrier"), shall submit to the Administrator of the Federal Aviation Administration for review and acceptance a fatigue risk management plan for the carrier's flight attendants.

(2) CONTENTS OF PLAN.—A fatigue risk management plan submitted by a part 121 air carrier under paragraph (1) shall include the following:

(A) Current flight time and duty period limitations.

(B) A rest scheme consistent with such limitations that enables the management of flight attendant fatigue, including annual training to increase awareness of—

(i) fatigue;

(ii) the effects of fatigue on flight attendants; and

(iii) fatigue countermeasures.

(C) Development and use of a methodology that continually assesses the effectiveness of implementation of the plan, including the ability of the plan—

(i) to improve alertness; and

(ii) to mitigate performance errors.

(3) REVIEW.—Not later than 1 year after the date of enactment of this Act, the Administrator shall review and accept or reject each fatigue risk management plan submitted under this subsection. If the Administrator rejects a plan, the Administrator shall provide suggested modifications for resubmission of the plan.

(4) PLAN UPDATES.—

(A) IN GENERAL.—A part 121 air carrier shall update its fatigue risk management plan under paragraph (1) every 2 years and submit the update to the Administrator for review and acceptance.

(B) REVIEW.—Not later than 1 year after the date of submission of a plan update under subparagraph (A),

the Administrator shall review and accept or reject the update. If the Administrator rejects an update, the Administrator shall provide suggested modifications for resubmission of the update.

(5) COMPLIANCE.—A part 121 air carrier shall comply with the fatigue risk management plan of the air carrier that is accepted by the Administrator under this subsection.

(6) CIVIL PENALTIES.—A violation of this subsection by a part 121 air carrier shall be treated as a violation of chapter 447 of title 49, United States Code, for purposes of the application of civil penalties under chapter 463 of that title.

SEC. 336. SECONDARY COCKPIT BARRIERS.

Saracini Aviation Safety Act of 2018.
49 USC 44903 note.

(a) SHORT TITLE.—This section may be cited as the "Saracini Aviation Safety Act of 2018".

(b) REQUIREMENT.—Not later than 1 year after the date of the enactment of this Act, the Administrator of the Federal Aviation Administration shall issue an order requiring installation of a secondary cockpit barrier on each new aircraft that is manufactured for delivery to a passenger air carrier in the United States operating under the provisions of part 121 of title 14, Code of Federal Regulations.

SEC. 337. AIRCRAFT CABIN EVACUATION PROCEDURES.

(a) REVIEW.—The Administrator of the Federal Aviation Administration shall review—

(1) evacuation certification of transport-category aircraft used in air transportation, with regard to—

(A) emergency conditions, including impacts into water;

(B) crew procedures used for evacuations under actual emergency conditions;

(C) any relevant changes to passenger demographics and legal requirements, including the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.), that affect emergency evacuations; and

(D) any relevant changes to passenger seating configurations, including changes to seat width, padding, reclining, size, pitch, leg room, and aisle width; and

(2) recent accidents and incidents in which passengers evacuated such aircraft.

(b) CONSULTATION; REVIEW OF DATA.—In conducting the review under subsection (a), the Administrator shall—

(1) consult with the National Transportation Safety Board, transport-category aircraft manufacturers, air carriers, and other relevant experts and Federal agencies, including groups representing passengers, airline crew members, maintenance employees, and emergency responders; and

(2) review relevant data with respect to evacuation certification of transport-category aircraft.

(c) REPORT TO CONGRESS.—Not later than 1 year after the date of enactment of this Act, the Administrator shall submit to the appropriate committees of Congress a report on the results of the review under subsection (a) and related recommendations, if any, including recommendations for revisions to the assumptions and methods used for assessing evacuation certification of transport-category aircraft.

SEC. 338. SENSE OF CONGRESS.

It is the sense of Congress that—

(1) each air carrier should have in place policies and procedures to address sexual misconduct, including policies and procedures to—

(B) facilitate the reporting of sexual misconduct to appropriate law enforcement agencies;

(C) communicate to personnel and passengers of the air carrier the rights of such individuals with respect to sexual misconduct;

(D) train personnel of the air carrier to recognize and respond appropriately to, and to notify the appropriate law enforcement agency of, sexual misconduct; and

(E) ensure other appropriate actions are undertaken to respond effectively to sexual misconduct; and

(2) individuals who perpetrate sexual misconduct should be held accountable under all applicable Federal and State laws.

49 USC 44903 note.

SEC. 339. CIVIL PENALTIES FOR INTERFERENCE.

(a) INTERFERENCE WITH CABIN OR FLIGHT CREW.—Section 46318(a) of title 49, United States Code, is amended—

(1) by inserting "or sexually" after "physically" each place it appears; and

(2) by striking "$25,000" and inserting "$35,000".

SEC. 339A. NATIONAL IN-FLIGHT SEXUAL MISCONDUCT TASK FORCE.

(a) ESTABLISHMENT OF TASK FORCE.—The Secretary of Transportation shall establish a task force, to be known as the "National In-Flight Sexual Misconduct Task Force" (referred to in this section as "Task Force") to—

(1) review current practices, protocols and requirements of air carriers in responding to allegations of sexual misconduct by passengers onboard aircraft, including training, reporting and data collection; and

(2) provide recommendations on training, reporting and data collection regarding allegations of sexual misconduct occurring on passenger airline flights that are informed by the review of information described in paragraph (1) and subsection (c)(5) on passengers who have experienced sexual misconduct onboard aircraft.

(b) MEMBERSHIP.—The Task Force shall be composed of, at a minimum, representatives from—

(1) Department of Transportation;

(2) Department of Justice, including the Federal Bureau of Investigation, Office of Victims for Crimes, and the Office on Violence Against Women;

(3) National organizations that specialize in providing services to sexual assault victims;

(4) labor organizations that represent flight attendants;

(5) labor organizations that represent pilots;

(6) airports;

(7) air carriers;

(8) State and local law enforcement agencies; and

(9) such other Federal agencies and stakeholder organizations as the Secretary of Transportation considers appropriate.

(c) PURPOSE OF TASK FORCE.—The purpose of the Task Force shall be to—

(1) issue recommendations for addressing allegations of sexual misconduct by passengers onboard aircraft, including airline employee and contractor training;

(2) issue recommendations on effective ways for passengers involved in incidents of alleged sexual misconduct to report such allegation of sexual misconduct;

(3) issue recommendations on how to most effectively provide data on instances of alleged sexual misconduct onboard aircraft and to whom the data collected should be reported in a manner that protects the privacy and confidentiality of individuals involved in incidents of alleged sexual misconduct and precludes the release of data that publically identifies an individual air carrier to enable better understanding of the frequency and severity of such misconduct;

(4) issue recommendations for flight attendants, pilots, and other appropriate airline personnel on law enforcement notification in incidents of alleged sexual misconduct;

(5) review and utilize first-hand accounts from passengers who have experienced sexual misconduct onboard aircraft; and

(6) other matters deemed necessary by the Task Force.

(d) REPORT.—Not later than 1 year after the date of enactment of this Act, the Task Force shall submit a report with its recommendations and findings developed pursuant to subsection (c) to the Secretary of Transportation.

(e) PLAN.—Not later than 180 days after receiving the report required under subsection (d) the Secretary of Transportation, in coordination with relevant federal agencies, shall submit to appropriate committees of Congress a plan to address the recommendations in the report required under subsection (d). The Secretary of Transportation shall make changes to guidance, policies and regulations, as necessary, within 1 year of submitting the plan required in this subsection.

(f) REGULATIONS.—Not later than 1 year after submitting the plan required in this subsection, the Secretary of Transportation may issue regulations as deemed necessary to require each air carrier and other covered entity to develop a policy concerning sexual misconduct in accordance with the recommendations and findings of the Task Force under subsection (c).

(g) SUNSET.—The Task Force established pursuant to subsection (a) shall terminate upon the submission of the report pursuant to subsection (d).

SEC. 339B. REPORTING PROCESS FOR SEXUAL MISCONDUCT ONBOARD AIRCRAFT.

49 USC 44903 note.

(a) IN GENERAL.—Not later than two years after the date of the enactment of this Act, the Attorney General, in coordination with relevant Federal agencies, shall establish a streamlined process, based on the plan required under section 339A(e) of this Act, for individuals involved in incidents of alleged sexual misconduct onboard aircraft to report such allegations of sexual misconduct to law enforcement in a manner that protects the privacy and confidentiality of individuals involved in such allegations.

(b) AVAILABILITY OF REPORTING PROCESS.—The process for reporting established under subsection (a) shall be made available to the public on the primary Internet websites of—

(1) the Office for Victims of Crime and the Office on Violence Against Women of the Department of Justice;
(2) the Federal Bureau of Investigation; and
(3) the Department of Transportation.

Subtitle B—Unmanned Aircraft Systems

SEC. 341. DEFINITIONS; INTEGRATION OF CIVIL UNMANNED AIRCRAFT SYSTEMS INTO NATIONAL AIRSPACE SYSTEM.

49 USC prec. 44801.

(a) IN GENERAL.—Part A of subtitle VII of title 49, United States Code, is amended by inserting after chapter 447 the following:

"CHAPTER 448—UNMANNED AIRCRAFT SYSTEMS

"Sec.
"44801. Definitions.
"44802. Integration of civil unmanned aircraft systems into national airspace system.

49 USC 44801.

"§ 44801. Definitions

"In this chapter, the following definitions apply:

"(1) ACTIVELY TETHERED UNMANNED AIRCRAFT SYSTEM.—The term 'actively tethered unmanned aircraft system' means an unmanned aircraft system in which the unmanned aircraft component—

"(A) weighs 4.4 pounds or less, including payload but not including the tether;

"(B) is physically attached to a ground station with a taut, appropriately load-rated tether that provides continuous power to the unmanned aircraft and is unlikely to be separated from the unmanned aircraft; and

"(C) is controlled and retrieved by such ground station through physical manipulation of the tether.

"(2) APPROPRIATE COMMITTEES OF CONGRESS.—The term 'appropriate committees of Congress' means the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives.

"(3) ARCTIC.—The term 'Arctic' means the United States zone of the Chukchi Sea, Beaufort Sea, and Bering Sea north of the Aleutian chain.

"(4) CERTIFICATE OF WAIVER; CERTIFICATE OF AUTHORIZATION.—The terms 'certificate of waiver' and 'certificate of authorization' mean a Federal Aviation Administration grant of approval for a specific flight operation.

"(5) COUNTER-UAS SYSTEM.—The term 'counter-UAS system' means a system or device capable of lawfully and safely disabling, disrupting, or seizing control of an unmanned aircraft or unmanned aircraft system.

"(6) PERMANENT AREAS.—The term 'permanent areas' means areas on land or water that provide for launch, recovery, and operation of small unmanned aircraft.

"(7) PUBLIC UNMANNED AIRCRAFT SYSTEM.—The term 'public unmanned aircraft system' means an unmanned aircraft system

that meets the qualifications and conditions required for operation of a public aircraft.

"(8) SENSE AND AVOID CAPABILITY.—The term 'sense and avoid capability' means the capability of an unmanned aircraft to remain a safe distance from and to avoid collisions with other airborne aircraft, structures on the ground, and other objects.

"(9) SMALL UNMANNED AIRCRAFT.—The term 'small unmanned aircraft' means an unmanned aircraft weighing less than 55 pounds, including the weight of anything attached to or carried by the aircraft.

"(10) TEST RANGE.—The term 'test range' means a defined geographic area where research and development are conducted as authorized by the Administrator of the Federal Aviation Administration, and includes any of the 6 test ranges established by the Administrator under section 332(c) of the FAA Modernization and Reform Act of 2012 (49 U.S.C. 40101 note), as in effect on the day before the date of enactment of the FAA Reauthorization Act of 2018, and any public entity authorized by the Federal Aviation Administration as an unmanned aircraft system flight test center before January 1, 2009.

"(11) UNMANNED AIRCRAFT.—The term 'unmanned aircraft' means an aircraft that is operated without the possibility of direct human intervention from within or on the aircraft.

"(12) UNMANNED AIRCRAFT SYSTEM.—The term 'unmanned aircraft system' means an unmanned aircraft and associated elements (including communication links and the components that control the unmanned aircraft) that are required for the operator to operate safely and efficiently in the national airspace system.

"(13) UTM.—The term 'UTM' means an unmanned aircraft system traffic management system or service.

"§ 44802. Integration of civil unmanned aircraft systems into national airspace system

49 USC 44802.

"(a) REQUIRED PLANNING FOR INTEGRATION.—

"(1) COMPREHENSIVE PLAN.—Not later than November 10, 2012, the Secretary of Transportation, in consultation with representatives of the aviation industry, Federal agencies that employ unmanned aircraft systems technology in the national airspace system, and the unmanned aircraft systems industry, shall develop a comprehensive plan to safely accelerate the integration of civil unmanned aircraft systems into the national airspace system.

"(2) CONTENTS OF PLAN.—The plan required under paragraph (1) shall contain, at a minimum, recommendations or projections on—

"(A) the rulemaking to be conducted under subsection (b), with specific recommendations on how the rulemaking will—

"(i) define the acceptable standards for operation and certification of civil unmanned aircraft systems;

"(ii) ensure that any civil unmanned aircraft system includes a sense-and-avoid capability; and

"(iii) establish standards and requirements for the operator and pilot of a civil unmanned aircraft system, including standards and requirements for registration and licensing;

"(B) the best methods to enhance the technologies and subsystems necessary to achieve the safe and routine operation of civil unmanned aircraft systems in the national airspace system;

"(C) a phased-in approach to the integration of civil unmanned aircraft systems into the national airspace system;

"(D) a timeline for the phased-in approach described under subparagraph (C);

"(E) creation of a safe airspace designation for cooperative manned and unmanned flight operations in the national airspace system;

"(F) establishment of a process to develop certification, flight standards, and air traffic requirements for civil unmanned aircraft systems at test ranges where such systems are subject to testing;

"(G) the best methods to ensure the safe operation of civil unmanned aircraft systems and public unmanned aircraft systems simultaneously in the national airspace system; and

"(H) incorporation of the plan into the annual NextGen Implementation Plan document (or any successor document) of the Federal Aviation Administration.

"(3) DEADLINE.—The plan required under paragraph (1) shall provide for the safe integration of civil unmanned aircraft systems into the national airspace system as soon as practicable, but not later than September 30, 2015.

"(4) REPORT TO CONGRESS.—Not later than February 14, 2013, the Secretary shall submit to Congress a copy of the plan required under paragraph (1).

"(5) ROADMAP.—Not later than February 14, 2013, the Secretary shall approve and make available in print and on the Administration's internet website a 5-year roadmap for the introduction of civil unmanned aircraft systems into the national airspace system, as coordinated by the Unmanned Aircraft Program Office of the Administration. The Secretary shall update, in coordination with the Administrator of the National Aeronautics and Space Administration (NASA) and relevant stakeholders, including those in industry and academia, the roadmap annually. The roadmap shall include, at a minimum—

"(A) cost estimates, planned schedules, and performance benchmarks, including specific tasks, milestones, and timelines, for unmanned aircraft systems integration into the national airspace system, including an identification of—

"(i) the role of the unmanned aircraft systems test ranges established under subsection (c) and the Unmanned Aircraft Systems Center of Excellence;

"(ii) performance objectives for unmanned aircraft systems that operate in the national airspace system; and

"(iii) research and development priorities for tools that could assist air traffic controllers as unmanned aircraft systems are integrated into the national airspace system, as appropriate;

"(B) a description of how the Administration plans to use research and development, including research and development conducted through NASA's Unmanned Aircraft Systems Traffic Management initiatives, to accommodate, integrate, and provide for the evolution of unmanned aircraft systems in the national airspace system;

"(C) an assessment of critical performance abilities necessary to integrate unmanned aircraft systems into the national airspace system, and how these performance abilities can be demonstrated; and

"(D) an update on the advancement of technologies needed to integrate unmanned aircraft systems into the national airspace system, including decisionmaking by adaptive systems, such as sense-and-avoid capabilities and cyber physical systems security.

"(b) RULEMAKING.—Not later than 18 months after the date on which the plan required under subsection (a)(1) is submitted to Congress under subsection (a)(4), the Secretary shall publish in the Federal Register—

"(1) a final rule on small unmanned aircraft systems that will allow for civil operation of such systems in the national airspace system, to the extent the systems do not meet the requirements for expedited operational authorization under section 44807;

"(2) a notice of proposed rulemaking to implement the recommendations of the plan required under subsection (a)(1), with the final rule to be published not later than 16 months after the date of publication of the notice; and

"(3) an update to the Administration's most recent policy statement on unmanned aircraft systems, contained in Docket No. FAA–2006–25714.".

(b) TECHNICAL AND CONFORMING AMENDMENTS.—

(1) TABLE OF CHAPTERS.—The table of chapters for subtitle VII of title 49, United States Code, is amended by inserting after the item relating to chapter 447 the following:

49 USC prec. 44801.

"448 . Unmanned aircraft systems .....44801".

(2) REPEAL.—Section 332 of the FAA Modernization and Reform Act of 2012 (49 U.S.C. 40101 note) and the item relating to that section in the table of contents under section 1(b) of that Act are repealed.

SEC. 342. UPDATE OF FAA COMPREHENSIVE PLAN.

49 USC 44802 note.

(a) IN GENERAL.—Not later than 270 days after the date of enactment of this Act, the Secretary of Transportation shall update the comprehensive plan described in section 44802 of title 49, United States Code, to develop a concept of operations for the integration of unmanned aircraft into the national airspace system.

(b) CONSIDERATIONS.—In carrying out the update under subsection (a), the Secretary shall consider, at a minimum—

(1) the potential use of UTM and other technologies to ensure the safe and lawful operation of unmanned aircraft in the national airspace system;

(2) the appropriate roles, responsibilities, and authorities of government agencies and the private sector in identifying and reporting unlawful or harmful operations and operators of unmanned aircraft;

(3) the use of models, threat assessments, probabilities, and other methods to distinguish between lawful and unlawful operations of unmanned aircraft; and

(4) appropriate systems, training, intergovernmental processes, protocols, and procedures to mitigate risks and hazards posed by unlawful or harmful operations of unmanned aircraft systems.

(c) CONSULTATION.—The Secretary shall carry out the update under subsection (a) in consultation with representatives of the aviation industry, Federal agencies that employ unmanned aircraft systems technology in the national airspace system, and the unmanned aircraft systems industry.

(d) PROGRAM ALIGNMENT REPORT.—Not later than 90 days after the date of enactment of this Act, the Secretary shall submit to the appropriate committees of Congress, a report that describes a strategy to—

(1) avoid duplication;

(2) leverage capabilities learned across programs;

(3) support the safe integration of UAS into the national airspace; and

(4) systematically and timely implement or execute—

(A) commercially-operated Low Altitude Authorization and Notification Capability;

(B) the Unmanned Aircraft System Integration Pilot Program; and

(C) the Unmanned Traffic Management Pilot Program.

SEC. 343. UNMANNED AIRCRAFT TEST RANGES.

(a) IN GENERAL.—Chapter 448 of title 49, United States Code, as added by this Act, is further amended by adding at the end the following:

49 USC 44803.

"§ 44803. Unmanned aircraft test ranges

"(a) IN GENERAL.—The Administrator of the Federal Aviation Administration shall carry out and update, as appropriate, a program for the use of the test ranges to facilitate the safe integration of unmanned aircraft systems into the national airspace system.

"(b) PROGRAM REQUIREMENTS.—In carrying out the program under subsection (a), the Administrator shall—

"(1) designate airspace for safely testing the integration of unmanned flight operations in the national airspace system;

"(2) develop operational standards and air traffic requirements for unmanned flight operations at test ranges;

"(3) coordinate with, and leverage the resources of, the National Aeronautics and Space Administration and the Department of Defense;

"(4) address both civil and public unmanned aircraft systems;

"(5) ensure that the program is coordinated with relevant aspects of the Next Generation Air Transportation System;

"(6) provide for verification of the safety of unmanned aircraft systems and related navigation procedures as it relates to continued development of standards for integration into the national airspace system;

"(7) engage test range operators, as necessary and within available resources, in projects for research, development,

testing, and evaluation of unmanned aircraft systems to facilitate the Federal Aviation Administration's development of standards for the safe integration of unmanned aircraft into the national airspace system, which may include solutions for—

"(A) developing and enforcing geographic and altitude limitations;

"(B) providing for alerts by the manufacturer of an unmanned aircraft system regarding any hazards or limitations on flight, including prohibition on flight as necessary;

"(C) sense and avoid capabilities;

"(D) beyond-visual-line-of-sight operations, nighttime operations, operations over people, operation of multiple small unmanned aircraft systems, and unmanned aircraft systems traffic management, or other critical research priorities; and

"(E) improving privacy protections through the use of advances in unmanned aircraft systems technology;

"(8) coordinate periodically with all test range operators to ensure test range operators know which data should be collected, what procedures should be followed, and what research would advance efforts to safely integrate unmanned aircraft systems into the national airspace system;

"(9) streamline to the extent practicable the approval process for test ranges when processing unmanned aircraft certificates of waiver or authorization for operations at the test sites;

"(10) require each test range operator to protect proprietary technology, sensitive data, or sensitive research of any civil or private entity when using that test range without the need to obtain an experimental or special airworthiness certificate;

"(11) allow test range operators to receive Federal funding, other than from the Federal Aviation Administration, including in-kind contributions, from test range participants in the furtherance of research, development, and testing objectives.

"(c) WAIVERS.—In carrying out this section the Administrator may waive the requirements of section 44711 of title 49, United States Code, including related regulations, to the extent consistent with aviation safety.

"(d) REVIEW OF OPERATIONS BY TEST RANGE OPERATORS.—The operator of each test range under subsection (a) shall—

"(1) review the operations of unmanned aircraft systems conducted at the test range, including—

"(A) ongoing or completed research; and

"(B) data regarding operations by private and public operators; and

"(2) submit to the Administrator, in such form and manner as specified by the Administrator, the results of the review, including recommendations to further enable private research and development operations at the test ranges that contribute to the Federal Aviation Administration's safe integration of unmanned aircraft systems into the national airspace system, on a quarterly basis until the program terminates.

"(e) TESTING.—The Secretary of Transportation may authorize an operator of a test range described in subsection (a) to administer testing requirements established by the Administrator for unmanned aircraft systems operations.

"(f) COLLABORATIVE RESEARCH AND DEVELOPMENT AGREEMENTS.—The Administrator may use the other transaction authority under section 106(l)(6) and enter into collaborative research and development agreements, to direct research related to unmanned aircraft systems, including at any test range under subsection (a), and in coordination with the Center of Excellence for Unmanned Aircraft Systems.

"(g) USE OF CENTER OF EXCELLENCE FOR UNMANNED AIRCRAFT SYSTEMS.—The Administrator, in carrying out research necessary to implement the consensus safety standards requirements in section 44805 shall, to the maximum extent practicable, leverage the research and testing capacity and capabilities of the Center of Excellence for Unmanned Aircraft Systems and the test ranges.

"(h) TERMINATION.—The program under this section shall terminate on September 30, 2023.".

(b) TABLE OF CONTENTS.—The table of contents for chapter 448, as added by this Act, is further amended by adding at the end the following:

49 USC prec. 44801.

"44803. Unmanned aircraft system test ranges.".

SEC. 344. SMALL UNMANNED AIRCRAFT IN THE ARCTIC.

(a) IN GENERAL.—Chapter 448 of title 49, United States Code, as added by this Act, is further amended by adding at the end the following:

49 USC 44804.

"§ 44804. Small unmanned aircraft in the Arctic

"(a) IN GENERAL.—The Secretary of Transportation shall develop a plan and initiate a process to work with relevant Federal agencies and national and international communities to designate permanent areas in the Arctic where small unmanned aircraft may operate 24 hours per day for research and commercial purposes.

"(b) PLAN CONTENTS.—The plan under subsection (a) shall include the development of processes to facilitate the safe operation of small unmanned aircraft beyond the visual line of sight.

"(c) REQUIREMENTS.—Each permanent area designated under subsection (a) shall enable over-water flights from the surface to at least 2,000 feet in altitude, with ingress and egress routes from selected coastal launch sites.

"(d) AGREEMENTS.—To implement the plan under subsection (a), the Secretary may enter into an agreement with relevant national and international communities.

"(e) AIRCRAFT APPROVAL.—

"(1) IN GENERAL.—Subject to paragraph (2), not later than 1 year after the entry into force of an agreement necessary to effectuate the purposes of this section, the Secretary shall work with relevant national and international communities to establish and implement a process for approving the use of a small unmanned aircraft in the designated permanent areas in the Arctic without regard to whether the small unmanned aircraft is used as a public aircraft, a civil aircraft, or a model aircraft.

"(2) EXISTING PROCESS.—The Secretary may implement an existing process to meet the requirements under paragraph (1).".

(b) TABLE OF CONTENTS.—The table of contents for chapter 448 of title 49, United States Code, as added by this Act, is further amended by adding at the end the following:

"44804. Small unmanned aircraft in the Arctic.".

SEC. 345. SMALL UNMANNED AIRCRAFT SAFETY STANDARDS.

(a) IN GENERAL.—Chapter 448 of title 49, United States Code, as added by this Act, is further amended by adding at the end the following:

"§ 44805. Small Unmanned aircraft safety standards

49 USC 44805.

"(a) FAA PROCESS FOR ACCEPTANCE AND AUTHORIZATION.—The Administrator of the Federal Aviation Administration shall establish a process for—

"(1) accepting risk-based consensus safety standards related to the design, production, and modification of small unmanned aircraft systems;

"(2) authorizing the operation of small unmanned aircraft system make and model designed, produced, or modified in accordance with the consensus safety standards accepted under paragraph (1);

"(3) authorizing a manufacturer to self-certify a small unmanned aircraft system make or model that complies with consensus safety standards accepted under paragraph (1); and

"(4) certifying a manufacturer of small unmanned aircraft systems, or an employee of such manufacturer, that has demonstrated compliance with the consensus safety standards accepted under paragraph (1) and met any other qualifying criteria, as determined by the Administrator, to alternatively satisfy the requirements of paragraph (1).

"(b) CONSIDERATIONS.—Before accepting consensus safety standards under subsection (a), the Administrator of the Federal Aviation Administration shall consider the following:

"(1) Technologies or standards related to geographic limitations, altitude limitations, and sense and avoid capabilities.

"(2) Using performance-based requirements.

"(3) Assessing varying levels of risk posed by different small unmanned aircraft systems and their operation and tailoring performance-based requirements to appropriately mitigate risk.

"(4) Predetermined action to maintain safety in the event that a communications link between a small unmanned aircraft and its operator is lost or compromised.

"(5) Detectability and identifiability to pilots, the Federal Aviation Administration, and air traffic controllers, as appropriate.

"(6) Means to prevent tampering with or modification of any system, limitation, or other safety mechanism or standard under this section or any other provision of law, including a means to identify any tampering or modification that has been made.

"(7) Consensus identification standards under section 2202 of the FAA Extension, Safety, and Security Act of 2016 (Public Law 114–190; 130 Stat. 615).

"(8) To the extent not considered previously by the consensus body that crafted consensus safety standards, cost-benefit and risk analyses of consensus safety standards that may

be accepted pursuant to subsection (a) for newly designed small unmanned aircraft systems.

"(9) Applicability of consensus safety standards to small unmanned aircraft systems that are not manufactured commercially.

"(10) Any technology or standard related to small unmanned aircraft systems that promotes aviation safety.

"(11) Any category of unmanned aircraft systems that should be exempt from the consensus safety standards based on risk factors.

"(e) NONAPPLICABILITY OF OTHER LAWS.—The process for authorizing the operation of small unmanned aircraft systems under subsection (a) may allow for operation of any applicable small unmanned aircraft systems within the national airspace system without requiring—

"(1) airworthiness certification requirements under section 44704 of this title; or

"(2) type certification under part 21 of title 14, Code of Federal Regulations.

"(f) REVOCATION.—The Administrator may suspend or revoke the authorizations in subsection (a) if the Administrator determines that the manufacturer or the small unmanned aircraft system is no longer in compliance with the standards accepted by the Administrator under subsection (a)(1) or with the manufacturer's statement of compliance under subsection (h).

"(g) REQUIREMENTS.—With regard to an authorization under the processes in subsection (a), the Administrator may require a manufacturer of small unmanned aircraft systems to provide the Federal Aviation Administration with the following:

"(1) The aircraft system's operating instructions.

"(2) The aircraft system's recommended maintenance and inspection procedures.

"(3) The manufacturer's statement of compliance described in subsection (h).

"(4) Upon request, a sample aircraft to be inspected by the Federal Aviation Administration to ensure compliance with the consensus safety standards accepted by the Administrator under subsection (a).

"(h) MANUFACTURER'S STATEMENT OF COMPLIANCE FOR SMALL UAS.—A manufacturer's statement of compliance shall—

"(1) identify the aircraft make, model, range of serial numbers, and any applicable consensus safety standards used and accepted by the Administrator;

"(2) state that the aircraft make and model meets the provisions of the consensus safety standards identified in paragraph (1);

"(3) state that the aircraft make and model conforms to the manufacturer's design data and is manufactured in a way that ensures consistency across units in the production process in order to meet the applicable consensus safety standards accepted by the Administrator;

"(4) state that the manufacturer will make available to the Administrator, operators, or customers—

"(A) the aircraft's operating instructions, which conform to the consensus safety standards identified in paragraph (1); and

"(B) the aircraft's recommended maintenance and inspection procedures, which conform to the consensus safety standards identified in paragraph (1);

"(5) state that the manufacturer will monitor safety-of-flight issues and take action to ensure it meets the consensus safety standards identified in paragraph (1) and report these issues and subsequent actions to the Administrator;

"(6) state that at the request of the Administrator, the manufacturer will provide reasonable access for the Administrator to its facilities for the purposes of overseeing compliance with this section; and

"(7) state that the manufacturer, in accordance with the consensus safety standards accepted by the Federal Aviation Administration, has—

"(A) ground and flight tested random samples of the aircraft;

"(B) found the sample aircraft performance acceptable; and

"(C) determined that the make and model of aircraft is suitable for safe operation.

"(i) PROHIBITIONS.—

"(1) FALSE STATEMENTS OF COMPLIANCE.—It shall be unlawful for any person to knowingly submit a statement of compliance described in subsection (h) that is fraudulent or intentionally false.

"(2) INTRODUCTION INTO INTERSTATE COMMERCE.—Unless the Administrator determines operation of an unmanned aircraft system may be conducted without an airworthiness certificate or permission, authorization, or approval under subsection (a), it shall be unlawful for any person to knowingly introduce or deliver for introduction into interstate commerce any small unmanned aircraft system that is manufactured after the date that the Administrator accepts consensus safety standards under this section unless—

"(A) the make and model has been authorized for operation under subsection (a); or

"(B) the aircraft has alternatively received design and production approval issued by the Federal Aviation Administration.

"(j) EXCLUSIONS.—The Administrator may exempt from the requirements of this section small unmanned aircraft systems that are not capable of navigating beyond the visual line of sight of the operator through advanced flight systems and technology, if the Administrator determines that such an exemption does not pose a risk to the safety of the national airspace system.".

(b) UNMANNED AIRCRAFT SYSTEMS RESEARCH FACILITY.—The Center of Excellence for Unmanned Aircraft Systems shall establish an unmanned aircraft systems research facility to study appropriate safety standards for unmanned aircraft systems and to validate such standards, as directed by the Administrator of the Federal Aviation Administration, consistent with section 44805 of title 49, United States Code, as added by this section. 49 USC 44805 note.

(c) TABLE OF CONTENTS.—The table of contents for chapter 448 of title 49, United States Code, as added by this Act, is further amended by adding at the end the following:

"44805. Small unmanned aircraft safety standards.".

SEC. 346. PUBLIC UNMANNED AIRCRAFT SYSTEMS.

(a) IN GENERAL.—Chapter 448 of title 49, United States Code, as added by this Act, is further amended by adding at the end the following:

49 USC 44806.

"§ 44806. Public unmanned aircraft systems

"(a) GUIDANCE.—The Secretary of Transportation shall issue guidance regarding the operation of a public unmanned aircraft system—

"(1) to streamline and expedite the process for the issuance of a certificate of authorization or a certificate of waiver;

"(2) to facilitate the capability of public agencies to develop and use test ranges, subject to operating restrictions required by the Federal Aviation Administration, to test and operate public unmanned aircraft systems; and

"(3) to provide guidance on a public agency's responsibilities when operating an unmanned aircraft without a civil airworthiness certificate issued by the Administration.

"(b) AGREEMENTS WITH GOVERNMENT AGENCIES.—

"(1) IN GENERAL.—The Secretary shall enter into an agreement with each appropriate public agency to simplify the process for issuing a certificate of waiver or a certificate of authorization with respect to an application for authorization to operate a public unmanned aircraft system in the national airspace system.

"(2) CONTENTS.—An agreement under paragraph (1) shall—

"(A) with respect to an application described in paragraph (1)—

"(i) provide for an expedited review of the application;

"(ii) require a decision by the Administrator on approval or disapproval not later than 60 business days after the date of submission of the application; and

"(iii) allow for an expedited appeal if the application is disapproved;

"(B) allow for a one-time approval of similar operations carried out during a fixed period of time; and

"(C) allow a government public safety agency to operate an unmanned aircraft weighing 4.4 pounds or less if that unmanned aircraft is operated—

"(i) within or beyond the visual line of sight of the operator;

"(ii) less than 400 feet above the ground;

"(iii) during daylight conditions;

"(iv) within Class G airspace; and

"(v) outside of 5 statute miles from any airport, heliport, seaplane base, spaceport, or other location with aviation activities.

"(c) PUBLIC ACTIVELY TETHERED UNMANNED AIRCRAFT SYSTEMS.—

"(1) IN GENERAL.—Not later than 180 days after the date of enactment of this Act, the Administrator of the Federal Aviation Administration shall permit the use of, and may issue guidance regarding, the use of public actively tethered unmanned aircraft systems that are—

"(A) operated at an altitude of less than 150 feet above ground level;

"(B) operated—

"(i) within class G airspace; or

"(ii) at or below the ceiling depicted on the Federal Aviation Administration's published UAS facility maps for class B, C, D, or E surface area airspace;

"(C) not flown directly over non-participating persons;

"(D) operated within visual line of sight of the operator; and

"(E) operated in a manner that does not interfere with and gives way to any other aircraft.

"(2) REQUIREMENTS.—Public actively tethered unmanned aircraft systems may be operated —

"(A) without any requirement to obtain a certificate of authorization, certificate of waiver, or other approval by the Federal Aviation Administration;

"(B) without requiring airman certification under section 44703 of this title or any rule or regulation relating to airman certification; and

"(C) without requiring airworthiness certification under section 44704 of this title or any rule or regulation relating to aircraft certification.

"(3) SAFETY STANDARDS.—Public actively tethered unmanned aircraft systems operated within the scope of the guidance issued pursuant to paragraph (1) shall be exempt from the requirements of section 44805 of this title.

"(4) SAVINGS PROVISION.—Nothing in this subsection shall be construed to preclude the Administrator of the Federal Aviation Administration from issuing new regulations for public actively tethered unmanned aircraft systems in order to ensure the safety of the national airspace system.

"(d) FEDERAL AGENCY COORDINATION TO ENHANCE THE PUBLIC HEALTH AND SAFETY CAPABILITIES OF PUBLIC UNMANNED AIRCRAFT SYSTEMS.—The Administrator shall assist Federal civilian Government agencies that operate unmanned aircraft systems within civil-controlled airspace, in operationally deploying and integrating sense and avoid capabilities, as necessary to operate unmanned aircraft systems safely within the national airspace system.".

(b) TECHNICAL AND CONFORMING AMENDMENTS.—

(1) TABLE OF CONTENTS.—The table of contents for chapter 448 of title 49, United States Code, as added by this Act, is further amended by adding at the end the following:

"44806. Public unmanned aircraft systems.".

(2) PUBLIC UNMANNED AIRCRAFT SYSTEMS.—Section 334 of the FAA Modernization and Reform Act of 2012 (49 U.S.C. 40101 note) and the item relating to that section in the table of contents under section 1(b) of that Act (126 Stat. 13) are repealed.

(3) FACILITATING INTERAGENCY COOPERATION.—Section 2204(a) of the FAA Extension, Safety, and Security Act of 2016 (Public Law 114-190; 130 Stat. 615) is amended by striking "section 334(c) of the FAA Modernization and Reform Act of 2012 (49 U.S.C. 40101 note)" and inserting "section 44806 of title 49, United States Code". 49 USC 40101 note.

SEC. 347. SPECIAL AUTHORITY FOR CERTAIN UNMANNED AIRCRAFT SYSTEMS.

(a) IN GENERAL.—Chapter 448 of title 49, United States Code, as added by this Act, is further amended by adding at the end the following:

49 USC 44807.

"§ 44807. Special authority for certain unmanned aircraft systems

"(a) IN GENERAL.—Notwithstanding any other requirement of this chapter, the Secretary of Transportation shall use a risk-based approach to determine if certain unmanned aircraft systems may operate safely in the national airspace system notwithstanding completion of the comprehensive plan and rulemaking required by section 44802 or the guidance required by section 44806.

"(b) ASSESSMENT OF UNMANNED AIRCRAFT SYSTEMS.—In making the determination under subsection (a), the Secretary shall determine, at a minimum—

"(1) which types of unmanned aircraft systems, if any, as a result of their size, weight, speed, operational capability, proximity to airports and populated areas, operation over people, and operation within or beyond the visual line of sight, or operation during the day or night, do not create a hazard to users of the national airspace system or the public; and

"(2) whether a certificate under section 44703 or section 44704 of this title, or a certificate of waiver or certificate of authorization, is required for the operation of unmanned aircraft systems identified under paragraph (1) of this subsection.

"(c) REQUIREMENTS FOR SAFE OPERATION.—If the Secretary determines under this section that certain unmanned aircraft systems may operate safely in the national airspace system, the Secretary shall establish requirements for the safe operation of such aircraft systems in the national airspace system, including operation related to research, development, and testing of proprietary systems.

"(d) SUNSET.—The authority under this section for the Secretary to determine if certain unmanned aircraft systems may operate safely in the national airspace system terminates effective September 30, 2023.".

(b) TECHNICAL AND CONFORMING AMENDMENTS.—

(1) TABLE OF CONTENTS.—The table of contents for chapter 448, as added by this Act, is further amended by adding at the end the following:

49 USC prec. 44801.

"44807. Special authority for certain unmanned aircraft systems.".

(2) SPECIAL RULES FOR CERTAIN UNMANNED AIRCRAFT SYSTEMS.—Section 333 of the FAA Modernization and Reform Act of 2012 (49 U.S.C. 40101 note) and the item relating to that section in the table of contents under section 1(b) of that Act (126 Stat. 13) are repealed.

SEC. 348. CARRIAGE OF PROPERTY BY SMALL UNMANNED AIRCRAFT SYSTEMS FOR COMPENSATION OR HIRE.

(a) IN GENERAL.—Chapter 448 of title 49, United States Code, as added by this Act, is further amended by adding at the end the following:

"§ 44808. Carriage of property by small unmanned aircraft systems for compensation or hire

49 USC 44808.

"(a) IN GENERAL.—Not later than 1 year after the date of enactment of the FAA Reauthorization Act of 2018, the Administrator of the Federal Aviation Administration shall update existing regulations to authorize the carriage of property by operators of small unmanned aircraft systems for compensation or hire within the United States.

"(b) CONTENTS.—Any rulemaking conducted under subsection (a) shall provide for the following:

"(1) Use performance-based requirements.

"(2) Consider varying levels of risk to other aircraft and to persons and property on the ground posed by different unmanned aircraft systems and their operation and tailor performance-based requirements to appropriately mitigate risk.

"(3) Consider the unique characteristics of highly automated, small unmanned aircraft systems.

"(4) Include requirements for the safe operation of small unmanned aircraft systems that, at a minimum, address—

"(A) airworthiness of small unmanned aircraft systems;

"(B) qualifications for operators and the type and nature of the operations;

"(C) operating specifications governing the type and nature of the unmanned aircraft system air carrier operations; and

"(D) the views of State, local, and tribal officials related to potential impacts of the carriage of property by operators of small unmanned aircraft systems for compensation or hire within the communities to be served.

"(5) SMALL UAS.—The Secretary may amend part 298 of title 14, Code of Federal Regulations, to update existing regulations to establish economic authority for the carriage of property by small unmanned aircraft systems for compensation or hire. Such authority shall only require—

"(A) registration with the Department of Transportation;

"(B) authorization from the Federal Aviation Administration to conduct operations; and

"(C) compliance with chapters 401, 411, and 417.

"(6) AVAILABILITY OF CURRENT CERTIFICATION PROCESSES.—Pending completion of the rulemaking required in subsection (a) of this section, a person may seek an air carrier operating certificate and certificate of public convenience and necessity, or an exemption from such certificate, using existing processes.".

(b) TABLE OF CONTENTS.—The table of contents for chapter 448 of title 49, United States Code, as added by this Act, is further amended by adding at the end the following:

49 USC prec. 44801.

"44808. Carriage of property by small unmanned aircraft systems for compensation or hire.".

SEC. 349. EXCEPTION FOR LIMITED RECREATIONAL OPERATIONS OF UNMANNED AIRCRAFT.

(a) IN GENERAL.—Chapter 448 of title 49, United States Code, as added by this Act, is further amended by adding at the end the following:

49 USC 44809.

"§ 44809. Exception for limited recreational operations of unmanned aircraft

"(a) IN GENERAL.—Except as provided in subsection (e), and notwithstanding chapter 447 of title 49, United States Code, a person may operate a small unmanned aircraft without specific certification or operating authority from the Federal Aviation Administration if the operation adheres to all of the following limitations:

"(1) The aircraft is flown strictly for recreational purposes.

"(2) The aircraft is operated in accordance with or within the programming of a community-based organization's set of safety guidelines that are developed in coordination with the Federal Aviation Administration.

"(3) The aircraft is flown within the visual line of sight of the person operating the aircraft or a visual observer co-located and in direct communication with the operator.

"(4) The aircraft is operated in a manner that does not interfere with and gives way to any manned aircraft.

"(5) In Class B, Class C, or Class D airspace or within the lateral boundaries of the surface area of Class E airspace designated for an airport, the operator obtains prior authorization from the Administrator or designee before operating and complies with all airspace restrictions and prohibitions.

"(6) In Class G airspace, the aircraft is flown from the surface to not more than 400 feet above ground level and complies with all airspace restrictions and prohibitions.

"(7) The operator has passed an aeronautical knowledge and safety test described in subsection (g) and maintains proof of test passage to be made available to the Administrator or law enforcement upon request.

"(8) The aircraft is registered and marked in accordance with chapter 441 of this title and proof of registration is made available to the Administrator or a designee of the Administrator or law enforcement upon request.

"(b) OTHER OPERATIONS.—Unmanned aircraft operations that do not conform to the limitations in subsection (a) must comply with all statutes and regulations generally applicable to unmanned aircraft and unmanned aircraft systems.

"(c) OPERATIONS AT FIXED SITES.—

"(1) OPERATING PROCEDURE REQUIRED.—Persons operating unmanned aircraft under subsection (a) from a fixed site within Class B, Class C, or Class D airspace or within the lateral boundaries of the surface area of Class E airspace designated for an airport, or a community-based organization conducting a sanctioned event within such airspace, shall make the location of the fixed site known to the Administrator and shall establish a mutually agreed upon operating procedure with the air traffic control facility.

"(2) UNMANNED AIRCRAFT WEIGHING MORE THAN 55 POUNDS.—A person may operate an unmanned aircraft weighing more than 55 pounds, including the weight of anything attached to or carried by the aircraft, under subsection (a) if—

"(A) the unmanned aircraft complies with standards and limitations developed by a community-based organization and approved by the Administrator; and

"(B) the aircraft is operated from a fixed site as described in paragraph (1).

"(d) UPDATES.—

"(1) IN GENERAL.—The Administrator, in consultation with government, stakeholders, and community-based organizations, shall initiate a process to periodically update the operational parameters under subsection (a), as appropriate.

"(2) CONSIDERATIONS.—In updating an operational parameter under paragraph (1), the Administrator shall consider—

"(A) appropriate operational limitations to mitigate risks to aviation safety and national security, including risk to the uninvolved public and critical infrastructure;

"(B) operations outside the membership, guidelines, and programming of a community-based organization;

"(C) physical characteristics, technical standards, and classes of aircraft operating under this section;

"(D) trends in use, enforcement, or incidents involving unmanned aircraft systems;

"(E) ensuring, to the greatest extent practicable, that updates to the operational parameters correspond to, and leverage, advances in technology; and

"(F) equipage requirements that facilitate safe, efficient, and secure operations and further integrate all unmanned aircraft into the national airspace system.

"(3) SAVINGS CLAUSE.—Nothing in this subsection shall be construed as expanding the authority of the Administrator to require a person operating an unmanned aircraft under this section to seek permissive authority of the Administrator, beyond that required in subsection (a) of this section, prior to operation in the national airspace system.

"(e) STATUTORY CONSTRUCTION.—Nothing in this section shall be construed to limit the authority of the Administrator to pursue an enforcement action against a person operating any unmanned aircraft who endangers the safety of the national airspace system.

"(f) EXCEPTIONS.—Nothing in this section prohibits the Administrator from promulgating rules generally applicable to unmanned aircraft, including those unmanned aircraft eligible for the exception set forth in this section, relating to—

"(1) updates to the operational parameters for unmanned aircraft in subsection (a);

"(2) the registration and marking of unmanned aircraft;

"(3) the standards for remotely identifying owners and operators of unmanned aircraft systems and associated unmanned aircraft; and

"(4) other standards consistent with maintaining the safety and security of the national airspace system.

"(g) AERONAUTICAL KNOWLEDGE AND SAFETY TEST.—

"(1) IN GENERAL.—Not later than 180 days after the date of enactment of this section, the Administrator, in consultation with manufacturers of unmanned aircraft systems, other industry stakeholders, and community-based organizations, shall develop an aeronautical knowledge and safety test, which can then be administered electronically by the Administrator, a community-based organization, or a person designated by the Administrator.

"(2) REQUIREMENTS.—The Administrator shall ensure the aeronautical knowledge and safety test is designed to adequately demonstrate an operator's—

"(A) understanding of aeronautical safety knowledge; and

"(B) knowledge of Federal Aviation Administration regulations and requirements pertaining to the operation of an unmanned aircraft system in the national airspace system.

"(h) COMMUNITY-BASED ORGANIZATION DEFINED.—In this section, the term 'community-based organization' means a membership-based association entity that—

"(1) is described in section 501(c)(3) of the Internal Revenue Code of 1986;

"(2) is exempt from tax under section 501(a) of the Internal Revenue Code of 1986;

"(3) the mission of which is demonstrably the furtherance of model aviation;

"(4) provides a comprehensive set of safety guidelines for all aspects of model aviation addressing the assembly and operation of model aircraft and that emphasize safe aeromodelling operations within the national airspace system and the protection and safety of individuals and property on the ground, and may provide a comprehensive set of safety rules and programming for the operation of unmanned aircraft that have the advanced flight capabilities enabling active, sustained, and controlled navigation of the aircraft beyond visual line of sight of the operator;

"(5) provides programming and support for any local charter organizations, affiliates, or clubs; and

"(6) provides assistance and support in the development and operation of locally designated model aircraft flying sites.

"(i) RECOGNITION OF COMMUNITY-BASED ORGANIZATIONS.—In collaboration with aeromodelling stakeholders, the Administrator shall publish an advisory circular within 180 days of the date of enactment of this section that identifies the criteria and process required for recognition of community-based organizations.".

(b) TECHNICAL AND CONFORMING AMENDMENTS.—

(1) TABLE OF CONTENTS.—The table of contents for chapter 448 of title 49, United States Code, as added by this Act, is further amended by adding at the end the following:

49 USC prec. 44801.

"44809. Exception for limited recreational operations of unmanned aircraft.".

(2) REPEAL.—Section 336 of the FAA Modernization and Reform Act of 2012 (49 U.S.C. 40101 note) and the item relating to that section in the table of contents under section 1(b) of that Act are repealed.

49 USC 44909 note.

SEC. 350. USE OF UNMANNED AIRCRAFT SYSTEMS AT INSTITUTIONS OF HIGHER EDUCATION.

(a) EDUCATIONAL AND RESEARCH PURPOSES.—For the purposes of section 44809 of title 49, United States Code, as added by this Act, a "recreational purpose" as distinguished in subsection (a)(1) of such section shall include an unmanned aircraft system operated by an institution of higher education for educational or research purposes.

(b) UPDATES.—In updating an operational parameter under subsection (d)(1) of such section for unmanned aircraft systems operated by an institution of higher education for educational or research purposes, the Administrator shall consider—

(1) use of small unmanned aircraft systems and operations at an accredited institution of higher education, for educational or research purposes, as a component of the institution's curricula or research;

(2) the development of streamlined, risk-based operational approval for unmanned aircraft systems operated by institutions of higher education; and

(3) the airspace and aircraft operators that may be affected by such operations at the institution of higher education.

(c) DEADLINE FOR ESTABLISHMENT OF PROCEDURES AND STANDARDS.—Not later than 270 days after the date of enactment of this Act, the Administrator of the Federal Aviation Administration may establish regulations, procedures, and standards, as necessary, to facilitate the safe operation of unmanned aircraft systems operated by institutions of higher education for educational or research purposes.

(d) DEFINITIONS.—In this section:

(1) INSTITUTION OF HIGHER EDUCATION.—The term "institution of higher education" has the meaning given to that term by section 101(a) of the Higher Education Act of 1965 (20 U.S.C. 1001(a)).

(2) EDUCATIONAL OR RESEARCH PURPOSES.—The term "education or research purposes", with respect to the operation of an unmanned aircraft system by an institution of higher education, includes—

(A) instruction of students at the institution;

(B) academic or research related uses of unmanned aircraft systems that have been approved by the institution, including Federal research;

(C) activities undertaken by the institution as part of research projects, including research projects sponsored by the Federal Government; and

(D) other academic activities approved by the institution.

(e) STATUTORY CONSTRUCTION.—

(1) ENFORCEMENT.—Nothing in this section shall be construed to limit the authority of the Administrator to pursue an enforcement action against a person operating any unmanned aircraft who endangers the safety of the national airspace system.

(2) REGULATIONS AND STANDARDS.—Nothing in this section prohibits the Administrator from promulgating any rules or standards consistent with maintaining the safety and security of the national airspace system.

SEC. 351. UNMANNED AIRCRAFT SYSTEMS INTEGRATION PILOT PROGRAM.

49 USC 44802 note.

(a) AUTHORITY.—The Secretary of Transportation may establish a pilot program to enable enhanced drone operations as required in the October 25, 2017 Presidential Memorandum entitled "Unmanned Aircraft Systems Integration Pilot Program" and described in 82 Federal Register 50301.

(b) APPLICATIONS.—The Secretary shall accept applications from State, local, and Tribal governments, in partnership with unmanned aircraft system operators and other private-sector stakeholders, to test and evaluate the integration of civil and public UAS operations into the low-altitude national airspace system.

(c) OBJECTIVES.—The purpose of the pilot program is to accelerate existing UAS integration plans by working to solve technical, regulatory, and policy challenges, while enabling advanced UAS operations in select areas subject to ongoing safety oversight and cooperation between the Federal Government and applicable State, local, or Tribal jurisdictions, in order to—

(1) accelerate the safe integration of UAS into the NAS by testing and validating new concepts of beyond visual line of sight operations in a controlled environment, focusing on detect and avoid technologies, command and control links, navigation, weather, and human factors;

(2) address ongoing concerns regarding the potential security and safety risks associated with UAS operating in close proximity to human beings and critical infrastructure by ensuring that operators communicate more effectively with Federal, State, local, and Tribal law enforcement to enable law enforcement to determine if a UAS operation poses such a risk;

(3) promote innovation in and development of the United States unmanned aviation industry, especially in sectors such as agriculture, emergency management, inspection, and transportation safety, in which there are significant public benefits to be gained from the deployment of UAS; and

(4) identify the most effective models of balancing local and national interests in UAS integration.

(d) APPLICATION SUBMISSION.—The Secretary shall establish application requirements and require applicants to include the following information:

(1) Identification of the airspace to be used, including shape files and altitudes.

(2) Description of the types of planned operations.

(3) Identification of stakeholder partners to test and evaluate planned operations.

(4) Identification of available infrastructure to support planned operations.

(5) Description of experience with UAS operations and regulations.

(6) Description of existing UAS operator and any other stakeholder partnerships and experience.

(7) Description of plans to address safety, security, competition, privacy concerns, and community outreach.

(e) MONITORING AND ENFORCEMENT OF LIMITATIONS.—

(1) IN GENERAL.—Monitoring and enforcement of any limitations enacted pursuant to this pilot project shall be the responsibility of the jurisdiction.

(2) SAVINGS PROVISION.—Nothing in paragraph (1) may be construed to prevent the Secretary from enforcing Federal law.

(3) EXAMPLES OF LIMITATIONS.—Limitations under this section may include—

(A) prohibiting flight during specified morning and evening rush hours or only permitting flight during specified hours such as daylight hours, sufficient to ensure reasonable airspace access;

(B) establishing designated take-off and landing zones, limiting operations over moving locations or fixed site public road and parks, sidewalks or private property based on zoning density, or other land use considerations;

(C) requiring notice to public safety or zoning or land use authorities before operating; and

(D) prohibiting operations in connection with community or sporting events that do not remain in one place (for example, parades and running events).

(f) SELECTION CRITERIA.—In making determinations, the Secretary shall evaluate whether applications meet or exceed the following criteria:

(1) Overall economic, geographic, and climatic diversity of the selected jurisdictions.

(2) Overall diversity of the proposed models of government involvement.

(3) Overall diversity of the UAS operations to be conducted.

(4) The location of critical infrastructure.

(5) The involvement of commercial entities in the proposal and their ability to advance objectives that may serve the public interest as a result of further integration of UAS into the NAS.

(6) The involvement of affected communities in, and their support for, participating in the pilot program.

(7) The commitment of the governments and UAS operators involved in the proposal to comply with requirements related to national defense, homeland security, and public safety and to address competition, privacy, and civil liberties concerns.

(8) The commitment of the governments and UAS operators involved in the proposal to achieve the following policy objectives:

(A) Promoting innovation and economic development.

(B) Enhancing transportation safety.

(C) Enhancing workplace safety.

(D) Improving emergency response and search and rescue functions.

(E) Using radio spectrum efficiently and competitively.

(g) IMPLEMENTATION.—The Secretary shall use the data collected and experience gained over the course of this pilot program to—

(1) identify and resolve technical challenges to UAS integration;

(2) address airspace use to safely and efficiently integrate all aircraft;

(3) inform operational standards and procedures to improve safety (for example, detect and avoid capabilities, navigation and altitude performance, and command and control link);

(4) inform FAA standards that reduce the need for waivers (for example, for operations over human beings, night operations, and beyond visual line of sight); and

(5) address competing interests regarding UAS operational expansion, safety, security, roles and responsibilities of non-Federal Government entities, and privacy issues.

(h) NOTIFICATION.—Prior to initiating any additional rounds of agreements with State, local, or Tribal governments as part of the pilot program established under subsection (a), the Secretary shall notify the Committee on Transportation and Infrastructure and the Committee on Appropriations of the House of Representatives and the Committee on Commerce, Science, and Transportation and the Committee on Appropriations in the Senate.

(i) SUNSET.—The pilot program established under subsection (a) shall terminate 3 years after the date on which the memorandum referenced in subsection (a) is signed by the President.

(j) SAVINGS CLAUSE.—Nothing in this section shall affect any proposals, selections, imposition of conditions, operations, or other decisions made—

(1) under the pilot program developed by the Secretary of Transportation pursuant to the Presidential memorandum titled "Unmanned Aircraft Systems Integration Pilot Program", as published in the Federal Register on October 30, 2017 (82 Fed. Reg. 50301); and

(2) prior to the date of enactment of this Act.

(k) DEFINITIONS.—In this section:

(1) The term "Lead Applicant" means an eligible State, local or Tribal government that has submitted a timely application.

(2) The term "NAS" means the low-altitude national airspace system.

(3) The term "UAS" means unmanned aircraft system.

SEC. 352. PART 107 TRANSPARENCY AND TECHNOLOGY IMPROVEMENTS.

(a) TRANSPARENCY.—Not later than 30 days after the date of enactment of this Act, the Administrator shall publish on the FAA website a representative sample of the safety justifications, offered by applicants for small unmanned aircraft system waivers and airspace authorizations, that have been approved by the Administration for each regulation waived or class of airspace authorized, except that any published justification shall not reveal proprietary or commercially sensitive information.

(b) TECHNOLOGY IMPROVEMENTS.—Not later than 90 days after the date of enactment of this Act, the Administrator shall revise the online waiver and certificates of authorization processes—

(1) to provide real time confirmation that an application filed online has been received by the Administration; and

(2) to provide an applicant with an opportunity to review the status of the applicant's application.

49 USC 44802 note.

SEC. 353. EMERGENCY EXEMPTION PROCESS.

(a) SENSE OF CONGRESS.—It is the sense of Congress that the use of unmanned aircraft systems by civil and public operators—

(1) is an increasingly important tool in response to a catastrophe, disaster, or other emergency;

(2) helps facilitate emergency response operations, such as firefighting and search and rescue; and

(3) helps facilitate post-catastrophic response operations, such as utility and infrastructure restoration efforts and the safe and prompt processing, adjustment, and payment of insurance claims.

(b) UPDATES.—The Administrator shall, as necessary, update and improve the Special Government Interest process described

in chapter 7 of Federal Aviation Administration Order JO 7200.23A to ensure that civil and public operators, including local law enforcement agencies and first responders, continue to use unmanned aircraft system operations quickly and efficiently in response to a catastrophe, disaster, or other emergency.

(c) BEST PRACTICES.—The Administrator shall develop best practices for the use of unmanned aircraft systems by States and localities to respond to a catastrophe, disaster, or other emergency response and recovery operation.

SEC. 354. TREATMENT OF UNMANNED AIRCRAFT OPERATING UNDERGROUND.

49 USC 44802 note.

An unmanned aircraft system that is operated underground for mining purposes shall not be subject to regulation or enforcement by the FAA under title 49, United States Code.

SEC. 355. PUBLIC UAS OPERATIONS BY TRIBAL GOVERNMENTS.

(a) PUBLIC UAS OPERATIONS BY TRIBAL GOVERNMENTS.—Section 40102(a)(41) of title 49, United States Code, is amended by adding at the end the following:

"(F) An unmanned aircraft that is owned and operated by, or exclusively leased for at least 90 continuous days by, an Indian Tribal government, as defined in section 102 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5122), except as provided in section 40125(b).".

(b) CONFORMING AMENDMENT.—Section 40125(b) of title 49, United States Code, is amended by striking "or (D)" and inserting "(D), or (F)".

SEC. 356. AUTHORIZATION OF APPROPRIATIONS FOR KNOW BEFORE YOU FLY CAMPAIGN.

There are authorized to be appropriated to the Administrator of the Federal Aviation Administration $1,000,000 for each of fiscal years 2019 through 2023, out of funds made available under section 106(k), for the Know Before You Fly educational campaign or similar public informational efforts intended to broaden unmanned aircraft systems safety awareness.

SEC. 357. UNMANNED AIRCRAFT SYSTEMS PRIVACY POLICY.

49 USC 44801 note.

It is the policy of the United States that the operation of any unmanned aircraft or unmanned aircraft system shall be carried out in a manner that respects and protects personal privacy consistent with the United States Constitution and Federal, State, and local law.

SEC. 358. UAS PRIVACY REVIEW.

(a) REVIEW.—The Comptroller General of the United States, in consideration of relevant efforts led by the National Telecommunications and Information Administration, shall carry out a review of the privacy issues and concerns associated with the operation of unmanned aircraft systems in the national airspace system.

(b) CONSULTATION.—In carrying out the review, the Comptroller General shall—

(1) consult with the Department of Transportation and the National Telecommunications and Information Administration of the Department of Commerce on its ongoing efforts

responsive to the Presidential memorandum titled "Promoting Economic Competitiveness While Safeguarding Privacy, Civil Rights, and Civil Liberties in Domestic Use of Unmanned Aircraft Systems" and dated February 15, 2015;

(2) examine and identify the existing Federal, State, or relevant local laws that address an individual's personal privacy;

(3) identify specific issues and concerns that may limit the availability of civil or criminal legal remedies regarding inappropriate operation of unmanned aircraft systems in the national airspace system;

(4) identify any deficiencies in Federal, State, or local privacy protections; and

(5) provide recommendations to address any limitations and deficiencies identified in paragraphs (3) and (4).

(c) REPORT.—Not later than 180 days after the date of enactment of this Act, the Secretary shall submit to the appropriate committees of Congress a report on the results of the review required under subsection (a).

SEC. 359. STUDY ON FIRE DEPARTMENT AND EMERGENCY SERVICE AGENCY USE OF UNMANNED AIRCRAFT SYSTEMS.

(a) STUDY.—

(1) IN GENERAL.—The Administrator shall conduct a study on the use of unmanned aircraft systems by fire departments and emergency service agencies. Such study shall include an analysis of—

(A) how fire departments and emergency service agencies currently use unmanned aircraft systems;

(B) obstacles to greater use of unmanned aircraft systems by fire departments and emergency service agencies;

(C) the best way to provide outreach to support greater use of unmanned aircraft systems by fire departments and emergency service agencies;

(D) laws or regulations that present barriers to career, combination, and volunteer fire departments' ability to use unmanned aircraft systems;

(E) training and certifications required for the use of unmanned aircraft systems by fire departments and emergency service agencies;

(F) airspace limitations and concerns in the use of unmanned aircraft systems by fire departments and emergency service agencies;

(G) roles of unmanned aircraft systems in the provision of fire and emergency services;

(H) technological challenges to greater adoption of unmanned aircraft systems by fire departments and emergency service agencies; and

(I) other issues determined appropriate by the Administrator.

(2) CONSULTATION.—In conducting the study under paragraph (1), the Administrator shall consult with national fire and emergency service organizations.

(b) REPORT.—Not later than 180 days after the date of enactment of this Act, the Administrator shall submit to the appropriate committees of Congress a report on the study conducted under

subsection (a), including the Administrator's findings, conclusions, and recommendations.

SEC. 360. STUDY ON FINANCING OF UNMANNED AIRCRAFT SERVICES.

(a) IN GENERAL.—Not later than 60 days after the date of enactment of this Act, the Comptroller General of the United States shall initiate a study on appropriate fee mechanisms to recover the costs of—

(1) the regulation and safety oversight of unmanned aircraft and unmanned aircraft systems; and

(2) the provision of air navigation services to unmanned aircraft and unmanned aircraft systems.

(b) CONSIDERATIONS.—In carrying out the study, the Comptroller General shall consider, at a minimum—

(1) any recommendations of Task Group 3 of the Drone Advisory Committee chartered by the Federal Aviation Administration on August 31, 2016;

(2) the total annual costs incurred by the Federal Aviation Administration for the regulation and safety oversight of activities related to unmanned aircraft;

(3) the annual costs attributable to various types, classes, and categories of unmanned aircraft activities;

(4) air traffic services provided to unmanned aircraft operating under instrument flight rules, excluding public aircraft;

(5) the number of full-time Federal Aviation Administration employees dedicated to unmanned aircraft programs;

(6) the use of privately operated UTM and other privately operated unmanned aircraft systems;

(7) the projected growth of unmanned aircraft operations for various applications and the estimated need for regulation, oversight, and other services;

(8) the number of small businesses involved in the various sectors of the unmanned aircraft industry and operating as primary users of unmanned aircraft; and

(9) any best practices or policies utilized by jurisdictions outside the United States relating to partial or total recovery of regulation and safety oversight costs related to unmanned aircraft and other emergent technologies.

(c) REPORT TO CONGRESS.—Not later than 180 days after initiating the study, the Comptroller General shall submit to the appropriate committees of Congress a report containing recommendations on appropriate fee mechanisms to recover the costs of regulating and providing air navigation services to unmanned aircraft and unmanned aircraft systems.

SEC. 361. REPORT ON UAS AND CHEMICAL AERIAL APPLICATION.

Not later than 1 year after the date of enactment of this Act, the Administrator shall submit to the appropriate committees of Congress a report evaluating which aviation safety requirements under part 137 of title 14, Code of Federal Regulations, should apply to unmanned aircraft system operations engaged in aerial spraying of chemicals for agricultural purposes.

SEC. 362. SENSE OF CONGRESS REGARDING UNMANNED AIRCRAFT SAFETY.

It is the sense of Congress that—

(1) the unauthorized operation of unmanned aircraft near airports presents a serious hazard to aviation safety;

(2) a collision between an unmanned aircraft and a conventional aircraft in flight could jeopardize the safety of persons aboard the aircraft and on the ground;

(3) Federal aviation regulations, including sections 91.126 through 91.131 of title 14, Code of Federal Regulations, prohibit unauthorized operation of an aircraft in controlled airspace near an airport;

(4) Federal aviation regulations, including section 91.13 of title 14, Code of Federal Regulations, prohibit the operation of an aircraft in a careless or reckless manner so as to endanger the life or property of another;

(5) the Administrator should pursue all available civil and administrative remedies available to the Administrator, including referrals to other government agencies for criminal investigations, with respect to persons who operate unmanned aircraft in an unauthorized manner;

(6) the Administrator should—

(A) place particular priority in continuing measures, including partnering with nongovernmental organizations and State and local agencies, to educate the public about the dangers to public safety of operating unmanned aircraft over areas that have temporary flight restrictions in place, for purposes such as wildfires, without appropriate authorization; and

(B) partner with State and local agencies to effectively enforce relevant laws so that unmanned aircrafts do not interfere with the efforts of emergency responders;

(7) the Administrator should place particular priority on continuing measures, including partnerships with nongovernmental organizations, to educate the public about the dangers to the public safety of operating unmanned aircraft near airports without the appropriate approvals or authorizations; and

(8) manufacturers and retail sellers of small unmanned aircraft systems should take steps to educate consumers about the safe and lawful operation of such systems.

49 USC 44802 note.

SEC. 363. PROHIBITION REGARDING WEAPONS.

(a) IN GENERAL.—Unless authorized by the Administrator, a person may not operate an unmanned aircraft or unmanned aircraft system that is equipped or armed with a dangerous weapon.

(b) DANGEROUS WEAPON DEFINED.—In this section, the term "dangerous weapon" has the meaning given that term in section 930(g)(2) of title 18, United States Code.

(c) PENALTY.—A person who violates this section is liable to the United States Government for a civil penalty of not more than $25,000 for each violation.

SEC. 364. U.S. COUNTER-UAS SYSTEM REVIEW OF INTERAGENCY COORDINATION PROCESSES.

(a) IN GENERAL.—Not later than 60 days after that date of enactment of this Act, the Administrator, in consultation with government agencies currently authorized to operate Counter-Unmanned Aircraft System (C-UAS) systems within the United States (including the territories and possessions of the United States), shall initiate a review of the following:

(1) The process the Administration is using for interagency coordination of C-UAS activity pursuant to a relevant Federal

statute authorizing such activity within the United States (including the territories and possessions of the United States).

(2) The standards the Administration is utilizing for operation of a C-UAS systems pursuant to a relevant Federal statute authorizing such activity within the United States (including the territories and possessions of the United States), including whether the following criteria are being taken into consideration in the development of the standards:

(A) Safety of the national airspace.

(B) Protecting individuals and property on the ground.

(C) Non-interference with avionics of manned aircraft, and unmanned aircraft, operating legally in the national airspace.

(D) Non-interference with air traffic control systems.

(E) Adequate coordination procedures and protocols with the Federal Aviation Administration during the operation of C-UAS systems.

(F) Adequate training for personnel operating C-UAS systems.

(G) Assessment of the efficiency and effectiveness of the coordination and review processes to ensure national airspace safety while minimizing bureaucracy.

(H) Best practices for the consistent operation of C-UAS systems to the maximum extent practicable.

(I) Current airspace authorization information shared by automated approval processes for airspace authorizations, such as the Low Altitude Authorization and Notification Capability.

(J) Such other matters the Administrator considers necessary for the safe and lawful operation of C-UAS systems.

(3) Similar interagency coordination processes already used for other matters that may be used as a model for improving the interagency coordination for the usage of C-UAS systems.

(b) REPORT.—Not later than 180 days after the date upon which the review in subsection (a) is initiated, the Administrator shall submit to the Committee on Transportation and Infrastructure of the House of Representatives, the Committee on Armed Services of the House of Representatives, and the Committee on Commerce, Science, and Transportation in the Senate, and the Committee on Armed Services of the Senate, a report on the Administration's activities related to C-UAS systems, including—

(1) any coordination with Federal agencies and States, subdivisions and States, political authorities of at least 2 States that operate C-UAS systems;

(2) an assessment of the standards being utilized for the operation of a counter-UAS systems within the United States (including the territories and possessions of the United States);

(3) an assessment of the efficiency and effectiveness of the interagency coordination and review processes to ensure national airspace safety while minimizing bureaucracy; and

(4) a review of any additional authorities needed by the Federal Aviation Administration to effectively oversee the management of C-UAS systems within the United States (including the territories and possessions of the United States).

49 USC 44810 note.

SEC. 365. COOPERATION RELATED TO CERTAIN COUNTER-UAS TECHNOLOGY.

In matters relating to the use of systems in the national airspace system intended to mitigate threats posed by errant or hostile unmanned aircraft system operations, the Secretary of Transportation shall consult with the Secretary of Defense to streamline deployment of such systems by drawing upon the expertise and experience of the Department of Defense in acquiring and operating such systems consistent with the safe and efficient operation of the national airspace system.

49 USC 44801 note.

SEC. 366. STRATEGY FOR RESPONDING TO PUBLIC SAFETY THREATS AND ENFORCEMENT UTILITY OF UNMANNED AIRCRAFT SYSTEMS.

(a) IN GENERAL.—Not later than 1 year after the date of enactment of this Act, the Administrator of the Federal Aviation Administration shall develop a comprehensive strategy to provide outreach to State and local governments and provide guidance for local law enforcement agencies and first responders with respect to—

(1) how to identify and respond to public safety threats posed by unmanned aircraft systems; and

(2) how to identify and take advantage of opportunities to use unmanned aircraft systems to enhance the effectiveness of local law enforcement agencies and first responders.

(b) RESOURCES.—Not later than 180 days after the date of enactment of this Act, the Administrator shall establish a publicly available Internet website that contains resources for State and local law enforcement agencies and first responders seeking—

(1) to respond to public safety threats posed by unmanned aircraft systems; and

(2) to identify and take advantage of opportunities to use unmanned aircraft systems to enhance the effectiveness of local law enforcement agencies and public safety response efforts.

(c) UNMANNED AIRCRAFT SYSTEM DEFINED.—In this section, the term "unmanned aircraft system" has the meaning given that term in section 44801 of title 49, United States Code, as added by this Act.

SEC. 367. INCORPORATION OF FEDERAL AVIATION ADMINISTRATION OCCUPATIONS RELATING TO UNMANNED AIRCRAFT INTO VETERANS EMPLOYMENT PROGRAMS OF THE ADMINISTRATION.

Not later than 180 days after the date of the enactment of this Act, the Administrator of the Federal Aviation Administration, in consultation with the Secretary of Veterans Affairs, the Secretary of Defense, and the Secretary of Labor, shall determine whether occupations of the Administration relating to unmanned aircraft systems technology and regulations can be incorporated into the Veterans' Employment Program of the Administration, particularly in the interaction between such program and the New Sights Work Experience Program and the Vet-Link Cooperative Education Program.

49 USC 44806 note.

SEC. 368. PUBLIC UAS ACCESS TO SPECIAL USE AIRSPACE.

Not later than 180 days after the date of enactment of this Act, the Secretary of Transportation shall issue guidance for the expedited and timely access to special use airspace for public unmanned aircraft systems in order to assist Federal, State, local,

or tribal law enforcement organizations in conducting law enforcement, emergency response, or for other activities.

SEC. 369. APPLICATIONS FOR DESIGNATION.

49 USC 40101 note.

Section 2209 of the FAA Extension, Safety, and Security Act of 2016 (Public Law 114–190; 130 Stat. 615) is amended—

(1) in subsection (b)(1)(C)(i), by striking "and distribution facilities and equipment" and inserting "distribution facilities and equipment, and railroad facilities"; and

(2) by adding at the end the following:

"(e) DEADLINES.—

"(1) Not later than March 31, 2019, the Administrator shall publish a notice of proposed rulemaking to carry out the requirements of this section.

"(2) Not later than 12 months after publishing the notice of proposed rulemaking under paragraph (1), the Administrator shall issue a final rule.".

SEC. 370. SENSE OF CONGRESS ON ADDITIONAL RULEMAKING AUTHORITY.

It is the sense of Congress that—

(1) beyond visual line of sight operations, nighttime operations, and operations over people of unmanned aircraft systems have tremendous potential—

(A) to enhance both commercial and academic use;

(B) to spur economic growth and development through innovative applications of this emerging technology; and

(C) to improve emergency response efforts as it relates to assessing damage to critical infrastructure such as roads, bridges, and utilities, including water and power, ultimately speeding response time;

(2) advancements in miniaturization of safety technologies, including for aircraft weighing under 4.4 pounds, have increased economic opportunities for using unmanned aircraft systems while reducing kinetic energy and risk compared to unmanned aircraft that may weigh 4.4 pounds or more, but less than 55 pounds;

(3) advancements in unmanned technology will have the capacity to ultimately improve manned aircraft safety; and

(4) integrating unmanned aircraft systems safely into the national airspace, including beyond visual line of sight operations, nighttime operations on a routine basis, and operations over people should remain a top priority for the Federal Aviation Administration as it pursues additional rulemakings under the amendments made by this section.

SEC. 371. ASSESSMENT OF AIRCRAFT REGISTRATION FOR SMALL UNMANNED AIRCRAFT.

(a) EVALUATION.—Not later than 180 days after the date of enactment of this Act, the Secretary of Transportation shall enter into an agreement with the National Academy of Public Administration, to estimate and assess compliance with and the effectiveness of the registration of small unmanned aircraft systems by the Federal Aviation Administration pursuant to the interim final rule issued on December 16, 2015, titled "Registration and Marking Requirements for Small Unmanned Aircraft" (80 Fed. Reg. 78593).

(b) METRICS.—Upon receiving the assessment, the Secretary shall, to the extent practicable, develop metrics to measure compliance with the interim final rule described in subsection (a), and any subsequent final rule, including metrics with respect to—

(1) the levels of compliance with the interim final rule and any subsequent final rule;

(2) the number of enforcement actions taken by the Administration for violations of or noncompliance with the interim final rule and any subsequent final rule, together with a description of the actions; and

(3) the effect of the interim final rule and any subsequent final rule on compliance with any fees associated with the use of small unmanned aircraft systems.

(c) REPORT.—Not later than 1 year after the date of enactment of this Act, the Secretary shall submit to the to the appropriate committees of Congress a report containing—

(1) the results of the assessment required under subsection (a);

(2) the metrics required under subsection (b) and how the Secretary will track these metrics; and

(3) recommendations to Congress for improvements to the registration process for small unmanned aircraft, if necessary.

49 USC 44810 note.

SEC. 372. ENFORCEMENT.

(a) UAS SAFETY ENFORCEMENT.—The Administrator of the Federal Aviation Administration shall establish a pilot program to utilize available remote detection or identification technologies for safety oversight, including enforcement actions against operators of unmanned aircraft systems that are not in compliance with applicable Federal aviation laws, including regulations.

(b) REPORTING.—As part of the pilot program, the Administrator shall establish and publicize a mechanism for the public and Federal, State, and local law enforcement to report suspected operation of unmanned aircraft in violation of applicable Federal laws and regulations.

(c) REPORT TO CONGRESS.—Not later than 1 year after the date of enactment of the FAA Reauthorization Act of 2018, and annually thereafter through the duration of the pilot program established in subsection (a), the Administrator shall submit to the appropriate committees of Congress a report on the following:

(1) The number of unauthorized unmanned aircraft operations detected in restricted airspace, including in and around airports, together with a description of such operations.

(2) The number of enforcement cases brought by the Federal Aviation Administration or other Federal agencies for unauthorized operation of unmanned aircraft detected through the program, together with a description of such cases.

(3) Recommendations for safety and operational standards for unmanned aircraft detection and mitigation systems.

(4) Recommendations for any legislative or regulatory changes related to mitigation or detection or identification of unmanned aircraft systems.

(d) SUNSET.—The pilot program established in subsection (a) shall terminate on September 30, 2023.

(e) CIVIL PENALTIES.—Section 46301 of title 49, United States Code, is amended—

(1) in subsection (a)(1)(A), by inserting "chapter 448," after "chapter 447 (except sections 44717 and 44719–44723),";

(2) in subsection (a)(5)(A)(i), by inserting "chapter 448," after "chapter 447 (except sections 44717–44723),";

(3) in subsection (d)(2), by inserting "chapter 448," after "chapter 447 (except sections 44717 and 44719–44723),"; and

(4) in subsection (f)(1)(A)(i), by inserting "chapter 448," after "chapter 447 (except sections 44717 and 44719–44723),".

(f) RULE OF CONSTRUCTION.—Nothing in this section shall be construed to limit the authority of the Administrator to pursue an enforcement action for a violation of this subtitle or any other applicable provision of aviation safety law or regulation using remote detection or identification or other technology following the sunset of the pilot program.

SEC. 373. FEDERAL AND LOCAL AUTHORITIES.

(a) IN GENERAL.—Not later than 180 days after the date of enactment of this Act, the Comptroller General of the United States shall—

(1) conduct a study on the relative roles of the Federal Government, State, local and Tribal governments in the regulation and oversight of low-altitude operations of unmanned aircraft systems in the national airspace system; and

(2) submit to the appropriate committees of Congress a report on the study, including the Comptroller General's findings and conclusions.

(b) CONTENTS.—The study under subsection (a) shall review the following:

(1) The current state of the law with respect to Federal authority over low-altitude operations of unmanned aircraft systems in the national airspace system.

(2) The current state of the law with respect to State, local, and Tribal authority over low-altitude operations of unmanned aircraft systems in the national airspace system.

(3) Potential gaps between authorities under paragraphs (1) and (2).

(4) The degree of regulatory consistency required among the Federal Government, State governments, local governments, and Tribal governments for the safe and financially viable growth and development of the unmanned aircraft industry.

(5) The interests of Federal, State, local, and Tribal governments affected by low-altitude operations of unmanned aircraft systems and the authorities of those governments to protect such interests.

(6) The infrastructure requirements necessary for monitoring the low-altitude operations of small unmanned aircraft and enforcing applicable laws.

SEC. 374. SPECTRUM.

(a) REPORT.—Not later than 270 days after the date of enactment of this Act, and after consultation with relevant stakeholders, the Administrator of the Federal Aviation Administration, the National Telecommunications and Information Administration, and the Federal Communications Commission, shall submit to the Committee on Commerce, Science, and Transportation of the Senate, the Committee on Transportation and Infrastructure of the House

of Representatives, and the Committee on Energy and Commerce of the House of Representatives a report—

(1) on whether unmanned aircraft systems operations should be permitted, but not required, to operate on spectrum that was recommended for allocation for AM(R)S and control links for UAS by the World Radio Conferences in 2007 (L-band, 960-1164 MHz) and 2012 (C-band, 5030-5091 MHz), on an unlicensed, shared, or exclusive basis, for operations within the UTM system or outside of such a system;

(2) that addresses any technological, statutory, regulatory, and operational barriers to the use of such spectrum; and

(3) that, if it is determined that some spectrum frequencies are not suitable for beyond-visual-line-of-sight operations by unmanned aircraft systems, includes recommendations of other spectrum frequencies that may be appropriate for such operations.

(b) NO EFFECT ON OTHER SPECTRUM.—The report required under subsection (a) does not prohibit or delay use of any licensed spectrum to satisfy control links, tracking, diagnostics, payload communications, collision avoidance, and other functions for unmanned aircraft systems operations.

49 USC 44801 note.

SEC. 375. FEDERAL TRADE COMMISSION AUTHORITY.

(a) IN GENERAL.—A violation of a privacy policy by a person that uses an unmanned aircraft system for compensation or hire, or in the furtherance of a business enterprise, in the national airspace system shall be an unfair and deceptive practice in violation of section 5(a) of the Federal Trade Commission Act (15 U.S.C. 45(a)).

(b) DEFINITIONS.—In this section, the terms "unmanned aircraft" and "unmanned aircraft system" have the meanings given those terms in section 44801 of title 49, United States Code.

49 USC 44802 note.

SEC. 376. PLAN FOR FULL OPERATIONAL CAPABILITY OF UNMANNED AIRCRAFT SYSTEMS TRAFFIC MANAGEMENT.

(a) IN GENERAL.—In conjunction with completing the requirements of section 2208 of the FAA Extension, Safety, and Security Act of 2016 (49 U.S.C. 40101 note), subject to subsection (b) of this section, the Administrator, in coordination with the Administrator of the National Aeronautics and Space Administration, and in consultation with unmanned aircraft systems industry stakeholders, shall develop a plan to allow for the implementation of unmanned aircraft systems traffic management (UTM) services that expand operations beyond visual line of sight, have full operational capability, and ensure the safety and security of all aircraft.

(b) COMPLETION OF UTM SYSTEM PILOT PROGRAM.—The Administrator shall ensure that the UTM system pilot program, as established in section 2208 of the FAA Extension, Safety, and Security Act of 2016 (49 U.S.C. 40101 note), is conducted to meet the following objectives of a comprehensive UTM system by the conclusion of the pilot program:

(1) In cooperation with the National Aeronautics and Space Administration and manned and unmanned aircraft industry stakeholders, allow testing of unmanned aircraft operations, of increasing volumes and density, in airspace above test ranges, as such term is defined in section 44801 of title 49, United States Code, as well as other sites determined by the Administrator to be suitable for UTM testing, including those

locations selected under the pilot program required in the October 25, 2017, Presidential Memorandum entitled, "Unmanned Aircraft Systems Integration Pilot Program" and described in 82 Federal Register 50301.

(2) Permit the testing of various remote identification and tracking technologies evaluated by the Unmanned Aircraft Systems Identification and Tracking Aviation Rulemaking Committee.

(3) Where the particular operational environment permits, permit blanket waiver authority to allow any unmanned aircraft approved by a UTM system pilot program selectee to be operated under conditions currently requiring a case-by-case waiver under part 107, title 14, Code of Federal Regulations, provided that any blanket waiver addresses risks to airborne objects as well as persons and property on the ground.

(c) IMPLEMENTATION PLAN CONTENTS.—The plan required by subsection (a) shall—

(1) include the development of safety standards to permit, authorize, or allow the use of UTM services, which may include the demonstration and validation of such services at the test ranges, as defined in section 44801 of title 49, United States Code, or other sites as authorized by the Administrator;

(2) outline the roles and responsibilities of industry and government in establishing UTM services that allow applicants to conduct commercial and noncommercial operations, recognizing the primary private sector role in the development and implementation of the Low Altitude Authorization and Notification Capability and future expanded UTM services;

(3) include an assessment of various components required for necessary risk reduction and mitigation in relation to the use of UTM services, including—

(A) remote identification of both cooperative and non-cooperative unmanned aircraft systems in the national airspace system;

(B) deconfliction of cooperative unmanned aircraft systems in the national airspace system by such services;

(C) the manner in which the Federal Aviation Administration will conduct oversight of UTM systems, including interfaces between UTM service providers and air traffic control;

(D) the need for additional technologies to detect cooperative and non-cooperative aircraft;

(E) collaboration and coordination with air traffic control, or management services and technologies to ensure the safety oversight of manned and unmanned aircraft, including—

(i) the Federal Aviation Administration responsibilities to collect and disseminate relevant data to UTM service providers; and

(ii) data exchange protocols to share UAS operator intent, operational approvals, operational restraints, and other data necessary to ensure safety or security of the National Airspace System;

(F) the potential for UTM services to manage unmanned aircraft systems carrying either cargo, payload,

or passengers, weighing more than 55 pounds, and operating at altitudes higher than 400 feet above ground level; and

(G) cybersecurity protections, data integrity, and national and homeland security benefits; and

(4) establish a process for—

(A) accepting applications for operation of UTM services in the national airspace system;

(B) setting the standards for independent private sector validation and verification that the standards for UTM services established pursuant to paragraph (1) enabling operations beyond visual line of sight, have been met by applicants; and

(C) notifying the applicant, not later than 120 days after the Administrator receives a complete application, with a written approval, disapproval, or request to modify the application.

(d) SAFETY STANDARDS.—In developing the safety standards in subsection (c)(1), the Administrator—

(1) shall require that UTM services help ensure the safety of unmanned aircraft and other aircraft operations that occur primarily or exclusively in airspace 400 feet above ground level and below, including operations conducted under a waiver issued pursuant to subpart D of part 107 of title 14, Code of Federal Regulations;

(2) shall consider, as appropriate—

(A) protection of persons and property on the ground;

(B) remote identification and tracking of aircraft;

(C) collision avoidance with respect to obstacles and non-cooperative aircraft;

(D) deconfliction of cooperative aircraft and integration of other relevant airspace considerations;

(E) right of way rules, inclusive of UAS operations;

(F) safe and reliable coordination between air traffic control and other systems operated in the national airspace system;

(G) detection of non-cooperative aircraft;

(H) geographic and local factors including but not limited to terrain, buildings and structures;

(I) aircraft equipage; and

(J) qualifications, if any, necessary to operate UTM services; and

(3) may establish temporary flight restrictions or other means available such as a certificate of waiver or authorization (COA) for demonstration and validation of UTM services.

(e) REVOCATION.—The Administrator may revoke the permission, authorization, or approval for the operation of UTM services if the Administrator determines that the services or its operator are no longer in compliance with applicable safety standards.

(f) LOW-RISK AREAS.—The Administrator shall establish expedited procedures for approval of UTM services operated in—

(1) airspace away from congested areas; or

(2) other airspace above areas in which operations of unmanned aircraft pose low risk, as determined by the Administrator.

(g) CONSULTATION.—In carrying out this section, the Administrator shall consult with other Federal agencies, as appropriate.

(h) SENSE OF CONGRESS.—It is the sense of Congress that, in developing the safety standards for UTM services, the Federal Aviation Administration shall consider ongoing research and development efforts on UTM services conducted by—

(1) the National Aeronautics and Space Administration in partnership with industry stakeholders;

(2) the UTM System pilot program required by section 2208 of the FAA Extension, Safety, and Security Act of 2016 (49 U.S.C. 40101 note); and

(3) the participants in the pilot program required in the October 25, 2017, Presidential Memorandum entitled, "Unmanned Aircraft Systems Integration Pilot Program" and described in 82 Federal Register 50301.

(i) DEADLINE.—Not later than 1 year after the date of conclusion of the UTM pilot program established in section 2208 of the FAA Extension, Safety, and Security Act of 2016 (49 U.S.C. 40101 note), the Administrator shall—

(1) complete the plan required by subsection (a);

(2) submit the plan to—

(A) the Committee on Commerce, Science, and Transportation of the Senate; and

(B) the Committee on Science, Space, and Technology and the Committee on Transportation and Infrastructure of the House of Representatives; and

(3) publish the plan on a publicly accessible Internet website of the Federal Aviation Administration.

SEC. 377. EARLY IMPLEMENTATION OF CERTAIN UTM SERVICES.

49 USC 44802 note.

(a) IN GENERAL.—Not later than 120 days after the date of the enactment of this Act, the Administrator shall, upon request of a UTM service provider, determine if certain UTM services may operate safely in the national airspace system before completion of the implementation plan required by section 376.

(b) ASSESSMENT OF UTM SERVICES.—In making the determination under subsection (a), the Administrator shall assess, at a minimum, whether the proposed UTM services, as a result of their operational capabilities, reliability, intended use, areas of operation, and the characteristics of the aircraft involved, will maintain the safety and efficiency of the national airspace system and address any identified risks to manned or unmanned aircraft and persons and property on the ground.

(c) REQUIREMENTS FOR SAFE OPERATION.—If the Administrator determines that certain UTM services may operate safely in the national airspace system, the Administrator shall establish requirements for their safe operation in the national airspace system.

(d) EXPEDITED PROCEDURES.—The Administrator shall provide expedited procedures for making the assessment and determinations under this section where the UTM services will be provided primarily or exclusively in airspace above areas in which the operation of unmanned aircraft poses low risk, including but not limited to croplands and areas other than congested areas.

(e) CONSULTATION.—In carrying out this section, the Administrator shall consult with other Federal agencies, as appropriate.

(f) PREEXISTING UTM SERVICES APPROVALS.—Nothing in this Act shall affect or delay approvals, waivers, or exemptions granted by the Administrator for UTM services already in existence or approved by the Administrator prior to the date of enactment

of this Act, including approvals under the Low Altitude Authorization and Notification Capability.

SEC. 378. SENSE OF CONGRESS.

It is the sense of Congress that—

(1) each person that uses an unmanned aircraft system for compensation or hire, or in the furtherance of a business enterprise, except those operated for purposes protected by the First Amendment of the Constitution, should have a written privacy policy consistent with section 357 that is appropriate to the nature and scope of the activities regarding the collection, use, retention, dissemination, and deletion of any data collected during the operation of an unmanned aircraft system;

(2) each privacy policy described in paragraph (1) should be periodically reviewed and updated as necessary; and

(3) each privacy policy described in paragraph (1) should be publicly available.

49 USC 44801 note.

SEC. 379. COMMERCIAL AND GOVERNMENTAL OPERATORS.

(a) IN GENERAL.—Not later than 270 days after the date of enactment of this Act, the Administrator shall, to the extent practicable and consistent with applicable law, make available in a single location on the website of the Department of Transportation:

(1) Any certificate of waiver or authorization issued by the Administration to Federal, State, tribal or local governments for the operation of unmanned aircraft systems within 30 days of issuance of such certificate of waiver or authorization.

(2) A spreadsheet of UAS registrations, including the city, state, and zip code of each registered drone owner, on its website that is updated once per quarter each calendar year.

(3) Summary descriptions and general purposes of public unmanned aircraft operations, including the locations where such unmanned aircraft may generally operate.

(4) Summary descriptions of common civil unmanned aircraft operations.

(5) The expiration date of any authorization of public or civil unmanned aircraft operations.

(6) Links to websites of State agencies that enforce any applicable privacy laws.

(7) For any unmanned aircraft system, except with respect to any operation protected by the First Amendment to the Constitution of the United States, that will collect personally identifiable information about individuals, including the use of facial recognition—

(A) the circumstance under which the system will be used;

(B) the specific kinds of personally identifiable information that the system will collect about individuals; and

(C) how the information referred to in subparagraph (B), and the conclusions drawn from such information, will be used, disclosed, and otherwise handled, including—

(i) how the collection or retention of such information that is unrelated to the specific use will be minimized;

(ii) under what circumstances such information might be sold, leased, or otherwise provided to third parties;

(iii) the period during which such information will be retained;

(iv) when and how such information, including information no longer relevant to the specified use, will be destroyed; and

(v) steps that will be used to protect against the unauthorized disclosure of any information or data, such as the use of encryption methods and other security features.

(8) With respect to public unmanned aircraft systems—

(A) the locations where the unmanned aircraft system will operate;

(B) the time during which the unmanned aircraft system will operate;

(C) the general purpose of the flight; and

(D) the technical capabilities that the unmanned aircraft system possesses.

(b) EXCEPTIONS.—The Administrator shall not disclose information pursuant to subsection (a) if the Administrator determines that the release of such information—

(1) is not applicable;

(2) is not practicable, including when the information is not available to the Administrator;

(3) is not in compliance with applicable law;

(4) would compromise national defense, homeland security or law enforcement activity;

(5) would be withheld pursuant to an exception of the section 552 of title 5, United States Code (commonly known as the "Freedom of Information Act"); or

(6) is otherwise contrary to the public interest.

(c) SUNSET.—This section will cease to be effective on the date that is the earlier of—

(1) the date of publication of a Notice of Proposed Rulemaking or guidance regarding remote identification standards under section 2202 of the FAA Extension, Safety, and Security Act of 2016 (Public Law 114–190; 130 Stat. 615); or

(2) September 30, 2023.

SEC. 380. TRANSITION LANGUAGE.

49 USC 44802 note.

(a) REGULATIONS.—Notwithstanding the repeals under sections 341, 348, 347, and 383 of this Act, all orders, determinations, rules, regulations, permits, grants, and contracts, which have been issued under any law described under subsection (b) of this section before the effective date of this Act shall continue in effect until modified or revoked by the Secretary of Transportation, acting through the Administrator of the Federal Aviation Administration, as applicable, by a court of competent jurisdiction, or by operation of law other than this Act.

(b) LAWS DESCRIBED.—The laws described under this subsection are as follows:

(1) Section 332 of the FAA Modernization and Reform Act of 2012 (49 U.S.C. 40101 note).

(2) Section 333 of the FAA Modernization and Reform Act of 2012 (49 U.S.C. 40101 note).

(3) Section 334 of the FAA Modernization and Reform Act of 2012 (49 U.S.C. 40101 note).

(4) Section 2206 of the FAA Extension, Safety, and Security Act of 2016 (Public Law 114–190; 130 Stat. 615).

(c) EFFECT ON PENDING PROCEEDINGS.—This Act shall not affect administrative or judicial proceedings pending on the effective date of this Act.

SEC. 381. UNMANNED AIRCRAFT SYSTEMS IN RESTRICTED BUILDINGS OR GROUNDS.

Section 1752 of title 18, United States Code, is amended by adding after subsection (a)(4) the following:

"(5) knowingly and willfully operates an unmanned aircraft system with the intent to knowingly and willfully direct or otherwise cause such unmanned aircraft system to enter or operate within or above a restricted building or grounds;".

SEC. 382. PROHIBITION.

(a) AMENDMENT.—Chapter 2 of title 18, United States Code, is amended by adding at the end the following:

18 USC 40A.

"§ 40A. Operation of unauthorized unmanned aircraft over wildfires

"(a) IN GENERAL.—Except as provided in subsection (b), an individual who operates an unmanned aircraft and knowingly or recklessly interferes with a wildfire suppression, or law enforcement or emergency response efforts related to a wildfire suppression, shall be fined under this title, imprisoned for not more than 2 years, or both.

"(b) EXCEPTIONS.—This section does not apply to the operation of an unmanned aircraft conducted by a unit or agency of the United States Government or of a State, tribal, or local government (including any individual conducting such operation pursuant to a contract or other agreement entered into with the unit or agency) for the purpose of protecting the public safety and welfare, including firefighting, law enforcement, or emergency response.

"(c) DEFINITIONS.—In this section, the following definitions apply:

"(1) UNMANNED AIRCRAFT.—The term 'unmanned aircraft' has the meaning given the term in section 44801 of title 49, United States Code.

"(2) WILDFIRE.—The term 'wildfire' has the meaning given that term in section 2 of the Emergency Wildfire Suppression Act (42 U.S.C. 1856m).

"(3) WILDFIRE SUPPRESSION.—The term 'wildfire suppression' means an effort to contain, extinguish, or suppress a wildfire.".

(b) CONFORMING AMENDMENT.—The table of sections for chapter 2 of title 18, United States Code, is amended by inserting after the item relating to section 40 the following:

18 USC prec. 31.

"40A. Operation of unauthorized unmanned aircraft over wildfires.".

SEC. 383. AIRPORT SAFETY AND AIRSPACE HAZARD MITIGATION AND ENFORCEMENT.

(a) IN GENERAL.—Chapter 448 of title 49, United States Code, as amended by this Act, is further amended by inserting at the end the following:

"§ 44810. Airport safety and airspace hazard mitigation and enforcement

49 USC 44810.

"(a) COORDINATION.—The Administrator of the Federal Aviation Administration shall work with the Secretary of Defense, the Secretary of Homeland Security, and the heads of other relevant Federal departments and agencies for the purpose of ensuring that technologies or systems that are developed, tested, or deployed by Federal departments and agencies to detect and mitigate potential risks posed by errant or hostile unmanned aircraft system operations do not adversely impact or interfere with safe airport operations, navigation, air traffic services, or the safe and efficient operation of the national airspace system.

"(b) PLAN.—

"(1) IN GENERAL.—The Administrator shall develop a plan for the certification, permitting, authorizing, or allowing of the deployment of technologies or systems for the detection and mitigation of unmanned aircraft systems.

"(2) CONTENTS.—The plan shall provide for the development of policies, procedures, or protocols that will allow appropriate officials of the Federal Aviation Administration to utilize such technologies or systems to take steps to detect and mitigate potential airspace safety risks posed by unmanned aircraft system operations.

"(3) AVIATION RULEMAKING COMMITTEE.—The Administrator shall charter an aviation rulemaking committee to make recommendations for such a plan and any standards that the Administrator determines may need to be developed with respect to such technologies or systems. The Federal Advisory Committee Act (5 U.S.C. App.) shall not apply to an aviation rulemaking committee chartered under this paragraph.

"(4) NON-DELEGATION.—The plan shall not delegate any authority granted to the Administrator under this section to other Federal, State, local, territorial, or tribal agencies, or an airport sponsor, as defined in section 47102 of title 49, United States Code.

"(c) AIRSPACE HAZARD MITIGATION PROGRAM.—In order to test and evaluate technologies or systems that detect and mitigate potential aviation safety risks posed by unmanned aircraft, the Administrator shall deploy such technologies or systems at 5 airports, including 1 airport that ranks in the top 10 of the FAA's most recent Passenger Boarding Data.

"(d) AUTHORITY.—Under the testing and evaluation in subsection (c), the Administrator shall use unmanned aircraft detection and mitigation systems to detect and mitigate the unauthorized operation of an unmanned aircraft that poses a risk to aviation safety.

"(e) AIP FUNDING ELIGIBILITY.—Upon the certification, permitting, authorizing, or allowing of such technologies and systems that have been successfully tested under this section, an airport sponsor may apply for a grant under subchapter I of chapter 471 to purchase an unmanned aircraft detection and mitigation system. For purposes of this subsection, purchasing an unmanned aircraft detection and mitigation system shall be considered airport development (as defined in section 47102).

"(f) BRIEFING.—The Administrator shall annually brief the appropriate committees of Congress, including the Committee on

Judiciary of the House of Representatives and the Committee on the Judiciary of the Senate, on the implementation of this section.

"(g) APPLICABILITY OF OTHER LAWS.—Section 46502 of this title, section 32 of title 18, United States Code (commonly known as the Aircraft Sabotage Act), section 1031 of title 18, United States Code (commonly known as the Computer Fraud and Abuse Act of 1986), sections 2510–2522 of title 18, United States Code (commonly known as the Wiretap Act), and sections 3121–3127 of title 18, United States Code (commonly known as the Pen/Trap Statute), shall not apply to activities authorized by the Administrator pursuant to subsection (c) and (d).

"(h) SUNSET.—This section ceases to be effective September 30, 2023.

"(i) NON-DELEGATION.—The Administrator shall not delegate any authority granted to the Administrator under this section to other Federal, State, local, territorial, or tribal agencies, or an airport sponsor, as defined in section 47102 of title 49, United States Code. The Administrator may partner with other Federal agencies under this section, subject to any restrictions contained in such agencies' authority to operate counter unmanned aircraft systems.".

(b) TECHNICAL AND CONFORMING AMENDMENTS.—

(1) TABLE OF CONTENTS.—The table of contents for chapter 448, as amended by this Act, is further amended by inserting at the end the following:

49 USC prec. 44801.

"44810. Airport safety and airspace hazard mitigation and enforcement.".

(2) PILOT PROJECT FOR AIRPORT SAFETY AND AIRSPACE HAZARD MITIGATION.—Section 2206 of the FAA Extension, Safety, and Security Act of 2016 (Public Law 114–190; 130 Stat. 615) and the item relating to that section in the table of contents under section 1(b) of that Act are repealed.

49 USC 40101 note.

SEC. 384. UNSAFE OPERATION OF UNMANNED AIRCRAFT.

(a) IN GENERAL.—Chapter 2 of title 18, United States Code, is amended by inserting after section 39A the following:

18 USC 39B.

"§ 39B. Unsafe operation of unmanned aircraft

"(a) OFFENSE.—Any person who operates an unmanned aircraft and:

"(1) Knowingly interferes with, or disrupts the operation of, an aircraft carrying 1 or more occupants operating in the special aircraft jurisdiction of the United States, in a manner that poses an imminent safety hazard to such occupants, shall be punished as provided in subsection (c).

"(2) Recklessly interferes with, or disrupts the operation of, an aircraft carrying 1 or more occupants operating in the special aircraft jurisdiction of the United States, in a manner that poses an imminent safety hazard to such occupants, shall be punished as provided in subsection (c).

"(b) OPERATION OF UNMANNED AIRCRAFT IN CLOSE PROXIMITY TO AIRPORTS.—

"(1) IN GENERAL.—Any person who, without authorization, knowingly operates an unmanned aircraft within a runway exclusion zone shall be punished as provided in subsection (c).

"(2) RUNWAY EXCLUSION ZONE DEFINED.—In this subsection, the term 'runway exclusion zone' means a rectangular area—

"(A) centered on the centerline of an active runway of an airport immediately around which the airspace is designated as class B, class C, or class D airspace at the surface under part 71 of title 14, Code of Federal Regulations; and

"(B) the length of which extends parallel to the runway's centerline to points that are 1 statute mile from each end of the runway and the width of which is ½ statute mile.

"(c) PENALTY.—

"(1) IN GENERAL.—Except as provided in paragraph (2), the punishment for an offense under subsections (a) or (b) shall be a fine under this title, imprisonment for not more than 1 year, or both.

"(2) SERIOUS BODILY INJURY OR DEATH.—Any person who:

"(A) Causes serious bodily injury or death during the commission of an offense under subsection (a)(2) shall be fined under this title, imprisoned for a term of up to 10 years, or both.

"(B) Causes, or attempts or conspires to cause, serious bodily injury or death during the commission of an offense under subsections (a)(1) and (b) shall be fined under this title, imprisoned for any term of years or for life, or both.".

(b) TABLE OF CONTENTS.—The table of contents for chapter 2 of title 18, United States Code, is amended by inserting after the item relating to section 39A the following:

18 USC prec. 31.

"39B. Unsafe operation of unmanned aircraft.".

Subtitle C—General Aviation Safety

Fairness for Pilots Act.

SEC. 391. SHORT TITLE.

49 USC 40101 note.

This subtitle may be cited as the "Fairness for Pilots Act".

SEC. 392. EXPANSION OF PILOT'S BILL OF RIGHTS.

(a) NOTIFICATION OF INVESTIGATION.—Subsection (b) of section 2 of the Pilot's Bill of Rights (Public Law 112–153; 126 Stat. 1159; 49 U.S.C. 44703 note) is amended—

(1) in paragraph (2)(A), by inserting "and the specific activity on which the investigation is based" after "nature of the investigation";

(2) in paragraph (3), by striking "timely"; and

(3) in paragraph (5), by striking "section 44709(c)(2)" and inserting "section 44709(e)(2)".

(b) RELEASE OF INVESTIGATIVE REPORTS.—Section 2 of the Pilot's Bill of Rights (Public Law 112–153; 126 Stat. 1159; 49 U.S.C. 44703 note) is further amended by adding at the end the following:

"(f) RELEASE OF INVESTIGATIVE REPORTS.—

"(1) IN GENERAL.—

"(A) EMERGENCY ORDERS.—In any proceeding conducted under part 821 of title 49, Code of Federal Regulations, relating to the amendment, modification, suspension, or revocation of an airman certificate, in which the Administrator issues an emergency order under subsections

(d) and (e) of section 44709, section 44710, or section 46105(c) of title 49, United States Code, or another order that takes effect immediately, the Administrator shall provide, upon request, to the individual holding the airman certificate the releasable portion of the investigative report at the time the Administrator issues the order. If the complete Report of Investigation is not available at the time of the request, the Administrator shall issue all portions of the report that are available at the time and shall provide the full report not later than 5 days after its completion.

"(B) OTHER ORDERS.—In any nonemergency proceeding conducted under part 821 of title 49, Code of Federal Regulations, relating to the amendment, modification, suspension, or revocation of an airman certificate, in which the Administrator notifies the certificate holder of a proposed certificate action under subsections (b) and (c) of section 44709 or section 44710 of title 49, United States Code, the Administrator shall, upon the written request of the covered certificate holder and at any time after that notification, provide to the covered certificate holder the releasable portion of the investigative report.

"(2) MOTION FOR DISMISSAL.—If the Administrator does not provide the releasable portions of the investigative report to the individual holding the airman certificate subject to the proceeding referred to in paragraph (1) by the time required by that paragraph, the individual may move to dismiss the complaint of the Administrator or for other relief and, unless the Administrator establishes good cause for the failure to provide the investigative report or for a lack of timeliness, the administrative law judge shall order such relief as the judge considers appropriate.

"(3) RELEASABLE PORTION OF INVESTIGATIVE REPORT.—For purposes of paragraph (1), the releasable portion of an investigative report is all information in the report, except for the following:

"(A) Information that is privileged.

"(B) Information that constitutes work product or reflects internal deliberative process.

"(C) Information that would disclose the identity of a confidential source.

"(D) Information the disclosure of which is prohibited by any other provision of law.

"(E) Information that is not relevant to the subject matter of the proceeding.

"(F) Information the Administrator can demonstrate is withheld for good cause.

"(G) Sensitive security information, as defined in section 15.5 of title 49, Code of Federal Regulations (or any corresponding similar ruling or regulation).

"(4) RULE OF CONSTRUCTION.—Nothing in this subsection shall be construed to prevent the Administrator from releasing to an individual subject to an investigation described in subsection (b)(1)—

"(A) information in addition to the information included in the releasable portion of the investigative report; or

"(B) a copy of the investigative report before the Administrator issues a complaint.".

SEC. 393. NOTIFICATION OF REEXAMINATION OF CERTIFICATE HOLDERS.

(a) IN GENERAL.—Section 44709(a) of title 49, United States Code, is amended—

(1) by striking "The Administrator" and inserting the following:

"(1) IN GENERAL.—The Administrator";

(2) by adding at the end the following:

"(2) NOTIFICATION OF REEXAMINATION OF AIRMAN.—Before taking any action to reexamine an airman under paragraph (1) the Administrator shall provide to the airman—

"(A) a reasonable basis, described in detail, for requesting the reexamination; and

"(B) any information gathered by the Federal Aviation Administration, that the Administrator determines is appropriate to provide, such as the scope and nature of the requested reexamination, that formed the basis for that justification.".

SEC. 394. EXPEDITING UPDATES TO NOTAM PROGRAM.

49 USC 44701 note.

(a) IN GENERAL.—Beginning on the date that is 180 days after the date of enactment of this Act, the Administrator may not take any enforcement action against any individual for a violation of a NOTAM (as defined in section 3 of the Pilot's Bill of Rights (49 U.S.C. 44701 note)) until the Administrator certifies to the appropriate committees of Congress that the Administrator has complied with the requirements of section 3 of the Pilot's Bill of Rights, as amended by this section.

(b) AMENDMENTS.—Section 3 of the Pilot's Bill of Rights (Public Law 112–153; 126 Stat. 1162; 49 U.S.C. 44701 note) is amended—

(1) in subsection (a)(2)—

(A) in the matter preceding subparagraph (A)—

(i) by striking "this Act" and inserting "the Fairness for Pilots Act"; and

(ii) by striking "begin" and inserting "complete the implementation of";

(B) by amending subparagraph (B) to read as follows:

"(B) to continue developing and modernizing the NOTAM repository, in a public central location, to maintain and archive all NOTAMs, including the original content and form of the notices, the original date of publication, and any amendments to such notices with the date of each amendment, in a manner that is Internet-accessible, machine-readable, and searchable;";

(C) in subparagraph (C), by striking the period at the end and inserting "; and"; and

(D) by adding at the end the following:

"(D) to specify the times during which temporary flight restrictions are in effect and the duration of a designation of special use airspace in a specific area."; and

(2) by amending subsection (d) to read as follows:

"(d) DESIGNATION OF REPOSITORY AS SOLE SOURCE FOR NOTAMS.—

"(1) IN GENERAL.—The Administrator—

"(A) shall consider the repository for NOTAMs under subsection (a)(2)(B) to be the sole location for airmen to check for NOTAMs; and

"(B) may not consider a NOTAM to be announced or published until the NOTAM is included in the repository for NOTAMs under subsection (a)(2)(B).

"(2) PROHIBITION ON TAKING ACTION FOR VIOLATIONS OF NOTAMS NOT IN REPOSITORY.—

"(A) IN GENERAL.—Except as provided in subparagraph (B), beginning on the date that the repository under subsection (a)(2)(B) is final and published, the Administrator may not take any enforcement action against an airman for a violation of a NOTAM during a flight if—

"(i) that NOTAM is not available through the repository before the commencement of the flight; and

"(ii) that NOTAM is not reasonably accessible and identifiable to the airman.

"(B) EXCEPTION FOR NATIONAL SECURITY.—Subparagraph (A) shall not apply in the case of an enforcement action for a violation of a NOTAM that directly relates to national security.".

SEC. 395. ACCESSIBILITY OF CERTAIN FLIGHT DATA.

(a) IN GENERAL.—Subchapter I of chapter 471 of title 49, United States Code, is amended by inserting after section 47124 the following:

49 USC 47124a.

"§ 47124a. Accessibility of certain flight data

"(a) DEFINITIONS.—In this section:

"(1) ADMINISTRATION.—The term 'Administration' means the Federal Aviation Administration.

"(2) ADMINISTRATOR.—The term 'Administrator' means the Administrator of the Federal Aviation Administration.

"(3) APPLICABLE INDIVIDUAL.—The term 'applicable individual' means an individual who is the subject of an investigation initiated by the Administrator related to a covered flight record.

"(4) CONTRACT TOWER.—The term 'contract tower' means an air traffic control tower providing air traffic control services pursuant to a contract with the Administration under section 47124.

"(5) COVERED FLIGHT RECORD.—The term 'covered flight record' means any air traffic data (as defined in section 2(b)(4)(B) of the Pilot's Bill of Rights (49 U.S.C. 44703 note)), created, maintained, or controlled by any program of the Administration, including any program of the Administration carried out by employees or contractors of the Administration, such as contract towers, flight service stations, and controller training programs.

"(b) PROVISION OF COVERED FLIGHT RECORD TO ADMINISTRATION.—

"(1) REQUESTS.—Whenever the Administration receives a written request for a covered flight record from an applicable individual and the covered flight record is not in the possession of the Administration, the Administrator shall request the covered flight record from the contract tower or other contractor of the Administration in possession of the covered flight record.

"(2) PROVISION OF RECORDS.—Any covered flight record created, maintained, or controlled by a contract tower or another contractor of the Administration that maintains covered flight records shall be provided to the Administration if the Administration requests the record pursuant to paragraph (1).

"(3) NOTICE OF PROPOSED CERTIFICATE ACTION.—If the Administrator has issued, or subsequently issues, a Notice of Proposed Certificate Action relying on evidence contained in the covered flight record and the individual who is the subject of an investigation has requested the record, the Administrator shall promptly produce the record and extend the time the individual has to respond to the Notice of Proposed Certificate Action until the covered flight record is provided.

"(c) IMPLEMENTATION.—

"(1) IN GENERAL.—Not later than 180 days after the date of enactment of the Fairness for Pilots Act, the Administrator shall promulgate regulations or guidance to ensure compliance with this section.

"(2) COMPLIANCE BY CONTRACTORS.—

"(A) IN GENERAL.—Compliance with this section by a contract tower or other contractor of the Administration that maintains covered flight records shall be included as a material term in any contract between the Administration and the contract tower or contractor entered into or renewed on or after the date of enactment of the Fairness for Pilots Act.

"(B) NONAPPLICABILITY.—Subparagraph (A) shall not apply to any contract or agreement in effect on the date of enactment of the Fairness for Pilots Act unless the contract or agreement is renegotiated, renewed, or modified after that date.

"(d) PROTECTION OF CERTAIN DATA.—The Administrator of the Federal Aviation Administration may withhold information that would otherwise be required to be made available under section only if—

"(1) the Administrator determines, based on information in the possession of the Administrator, that the Administrator may withhold the information in accordance with section 552a of title 5, United States Code; or

"(2) the information is submitted pursuant to a voluntary safety reporting program covered by section 40123 of title 49, United States Code.".

(b) TECHNICAL AND CONFORMING AMENDMENTS.—The table of contents for chapter 471 is amended by inserting after the item relating to section 47124 the following: 49 USC prec. 47101.

"47124a. Accessibility of certain flight data.".

SEC. 396. AUTHORITY FOR LEGAL COUNSEL TO ISSUE CERTAIN NOTICES. 49 USC 46101 note.

Not later than 90 days after the date of enactment of this Act, the Administrator shall designate the appropriate legal counsel of the Administration as an appropriate official for purposes of section 13.11 of title 14, Code of Federal Regulations.

TITLE IV—AIR SERVICE IMPROVEMENTS

Subtitle A—Airline Customer Service Improvements

49 USC 40101 note.

SEC. 401. DEFINITIONS.

In this title:

(1) COVERED AIR CARRIER.—The term "covered air carrier" means an air carrier or a foreign air carrier as those terms are defined in section 40102 of title 49, United States Code.

(2) ONLINE SERVICE.—The term "online service" means any service available over the internet, or that connects to the internet or a wide-area network.

(3) TICKET AGENT.—The term "ticket agent" has the meaning given the term in section 40102 of title 49, United States Code.

SEC. 402. RELIABLE AIR SERVICE IN AMERICAN SAMOA.

Section 40109(g) of title 49, United States Code, is amended—

(1) in paragraph (2) by striking subparagraph (C) and inserting the following:

"(C) review the exemption at least every 30 days (or, in the case of an exemption that is necessary to provide and sustain air transportation in American Samoa between the islands of Tutuila and Manu'a, at least every 180 days) to ensure that the unusual circumstances that established the need for the exemption still exist."; and

(2) by striking paragraph (3) and inserting the following:

"(3) RENEWAL OF EXEMPTIONS.—

"(A) IN GENERAL.—Except as provided in subparagraph (B), the Secretary may renew an exemption (including renewals) under this subsection for not more than 30 days.

"(B) EXCEPTION.—The Secretary may renew an exemption (including renewals) under this subsection that is necessary to provide and sustain air transportation in American Samoa between the islands of Tutuila and Manu'a for not more than 180 days.

"(4) CONTINUATION OF EXEMPTIONS.—An exemption granted by the Secretary under this subsection may continue for not more than 5 days after the unusual circumstances that established the need for the exemption cease.".

SEC. 403. CELL PHONE VOICE COMMUNICATION BAN.

(a) IN GENERAL.—Subchapter I of chapter 417 of title 49, United States Code, is amended by adding at the end the following:

49 USC 41725.

"§ 41725. Prohibition on certain cell phone voice communications

"(a) PROHIBITION.—The Secretary of Transportation shall issue regulations—

"(1) to prohibit an individual on an aircraft from engaging in voice communications using a mobile communications device during a flight of that aircraft in scheduled passenger interstate or intrastate air transportation; and

"(2) that exempt from the prohibition described in paragraph (1) any—

"(A) member of the flight crew on duty on an aircraft;

"(B) flight attendant on duty on an aircraft; and

"(C) Federal law enforcement officer acting in an official capacity.

"(b) DEFINITIONS.—In this section, the following definitions apply:

"(1) FLIGHT.—The term 'flight' means, with respect to an aircraft, the period beginning when the aircraft takes off and ending when the aircraft lands.

"(2) MOBILE COMMUNICATIONS DEVICE.—

"(A) IN GENERAL.—The term 'mobile communications device' means any portable wireless telecommunications equipment utilized for the transmission or reception of voice data.

"(B) LIMITATION.—The term 'mobile communications device' does not include a phone installed on an aircraft.".

(b) CLERICAL AMENDMENT.—The analysis for chapter 417 of title 49, United States Code, is amended by inserting after the item relating to section 41724 the following:

49 USC prec. 41701.

"41725. Prohibition on certain cell phone voice communications.".

SEC. 404. IMPROVED NOTIFICATION OF INSECTICIDE USE.

Section 42303(b) of title 49, United States Code, is amended to read as follows:

"(b) REQUIRED DISCLOSURES.—An air carrier, foreign air carrier, or ticket agent selling, in the United States, a ticket for a flight in foreign air transportation to a country listed on the internet website established under subsection (a) shall—

"(1) disclose, on its own internet website or through other means, that the destination country may require the air carrier or foreign air carrier to treat an aircraft passenger cabin with insecticides prior to the flight or to apply an aerosol insecticide in an aircraft cabin used for such a flight when the cabin is occupied with passengers; and

"(2) refer the purchaser of the ticket to the internet website established under subsection (a) for additional information.".

SEC. 405. CONSUMER COMPLAINTS HOTLINE.

Section 42302 of title 49, United States Code, is amended by adding at the end the following:

"(d) USE OF NEW TECHNOLOGIES.—The Secretary shall periodically evaluate the benefits of using mobile phone applications or other widely used technologies to provide new means for air passengers to communicate complaints in addition to the telephone number established under subsection (a) and shall provide such new means as the Secretary determines appropriate.".

SEC. 406. CONSUMER INFORMATION ON ACTUAL FLIGHT TIMES.

(a) STUDY.—The Secretary of Transportation shall conduct a study on the feasibility and advisability of modifying regulations contained in section 234.11 of title 14, Code of Federal Regulations, to ensure that—

(1) a reporting carrier (including its contractors), during the course of a reservation or ticketing discussion or other inquiry, discloses to a consumer upon reasonable request the

projected period between the actual wheels-off and wheels-on times for a reportable flight; and

(2) a reporting carrier displays, on the public internet website of the carrier, information on the actual wheels-off and wheels-on times during the most recent calendar month for a reportable flight.

(b) DEFINITIONS.—In this section, the terms "reporting carrier" and "reportable flight" have the meanings given those terms in section 234.2 of title 14, Code of Federal Regulations (as in effect on the date of enactment of this Act).

(c) REPORT.—Not later than 1 year after the date of enactment of this Act, the Secretary shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report on the results of the study.

49 USC 40127 note.

SEC. 407. TRAINING POLICIES REGARDING RACIAL, ETHNIC, AND RELIGIOUS NONDISCRIMINATION.

(a) IN GENERAL.—Not later than 180 days after the date of the enactment of this Act, the Comptroller General of the United States shall submit to the appropriate committees of Congress and the Secretary of Transportation a report describing—

(1) each air carrier's training policy for its employees and contractors regarding racial, ethnic, and religious nondiscrimination; and

(2) how frequently an air carrier is required to train new employees and contractors because of turnover in positions that require such training.

(b) BEST PRACTICES.—After the date the report is submitted under subsection (a), the Secretary shall develop and disseminate to air carriers best practices necessary to improve the training policies described in subsection (a), based on the findings of the report and in consultation with—

(1) passengers of diverse racial, ethnic, and religious backgrounds;

(2) national organizations that represent impacted communities;

(3) air carriers;

(4) airport operators; and

(5) contract service providers.

SEC. 408. TRAINING ON HUMAN TRAFFICKING FOR CERTAIN STAFF.

(a) IN GENERAL.—Chapter 447 of title 49, United States Code, as amended by this Act, is further amended by adding at the end the following:

49 USC 44738.

"§ 44738. Training on human trafficking for certain staff

"In addition to other training requirements, each air carrier shall provide training to ticket counter agents, gate agents, and other air carrier workers whose jobs require regular interaction with passengers on recognizing and responding to potential human trafficking victims.".

(b) CLERICAL AMENDMENT.—The analysis for chapter 447 of title 49, United States Code, as amended by this Act, is further amended by adding at the end the following:

49 USC prec. 44701.

"44738. Training on human trafficking for certain staff.".

SEC. 409. PROHIBITIONS AGAINST SMOKING ON PASSENGER FLIGHTS.

Section 41706 of title 49, United States Code, is amended—

"(d) ELECTRONIC CIGARETTES.—

"(1) INCLUSION.—The use of an electronic cigarette shall be treated as smoking for purposes of this section.

"(2) ELECTRONIC CIGARETTE DEFINED.—In this section, the term 'electronic cigarette' means a device that delivers nicotine to a user of the device in the form of a vapor that is inhaled to simulate the experience of smoking.".

SEC. 410. REPORT ON BAGGAGE REPORTING REQUIREMENTS.

Not later than 6 months after the date of enactment of this Act, the Secretary of Transportation shall—

(1) study and publicize for comment a cost-benefit analysis to air carriers and consumers of changing the baggage reporting requirements of section 234.6 of title 14, Code of Federal Regulations, before the implementation of such requirements; and

(2) submit a report on the findings of the cost-benefit analysis to the appropriate committees of Congress.

SEC. 411. ENFORCEMENT OF AVIATION CONSUMER PROTECTION RULES.

(a) IN GENERAL.—The Comptroller General of the United States shall conduct a study to consider and evaluate Department of Transportation enforcement of aviation consumer protection rules.

(b) CONTENTS.—The study under subsection (a) shall include an evaluation of—

(1) available enforcement mechanisms;

(2) any obstacles to enforcement; and

(3) trends in Department of Transportation enforcement actions.

(c) REPORT.—Not later than 1 year after the date of enactment of this Act, the Comptroller General shall submit to the appropriate committees of Congress a report on the study, including the Comptroller General's findings, conclusions, and recommendations.

SEC. 412. STROLLERS.

(a) IN GENERAL.—Subchapter I of chapter 417 of title 49, United States Code, as amended by this Act, is further amended by adding at the end the following:

"§ 41726. Strollers

49 USC 41726.

"(a) IN GENERAL.—Except as provided in subsection (b), a covered air carrier shall not deny a passenger the ability to check a stroller at the departure gate if the stroller is being used by a passenger to transport a child traveling on the same flight as the passenger.

"(b) EXCEPTION.—Subsection (a) shall not apply in instances where the size or weight of the stroller poses a safety or security risk.

"(c) COVERED AIR CARRIER DEFINED.—In this section, the term 'covered air carrier' means an air carrier or a foreign air carrier as those terms are defined in section 40102 of title 49, United States Code.".

49 USC prec. 41701.

(b) TABLE OF CONTENTS.—The analysis for chapter 417 of title 49, United States Code, is further amended by inserting after the item relating to section 41725 the following:

"41726. Strollers.".

SEC. 413. CAUSES OF AIRLINE DELAYS OR CANCELLATIONS.

(a) REVIEW.—

(1) IN GENERAL.—Not later than 1 year after the date of enactment of this Act, the Secretary of Transportation, in consultation with the Administrator of the Federal Aviation Administration, shall review the categorization of delays and cancellations with respect to air carriers that are required to report such data.

(2) CONSIDERATIONS.—In conducting the review under paragraph (1), the Secretary shall consider, at a minimum—

(A) whether delays and cancellations were the result of—

(i) decisions or matters within the control or within the discretion of the Federal Aviation Administration, including ground stop or delay management programs in response to adverse weather conditions;

(ii) business decisions or other matters within the air carrier's control or discretion in response to adverse weather conditions, including efforts to disrupt the travel of the fewest number of passengers; or

(iii) other factors;

(B) if the data indicate whether and to what extent delays and cancellations attributed by an air carrier to weather disproportionately impact service to smaller airports and communities;

(C) whether it is an unfair or deceptive practice for an air carrier to inform a passenger that a flight is delayed or cancelled due to weather alone when other factors are involved;

(D) limitations, if any, in the Federal Aviation Administration air traffic control systems that reduce the capacity or efficiency of the national airspace system during adverse weather events; and

(E) relevant analytical work by academic institutions.

(3) CONSULTATION.—The Secretary may consult air carriers and the Advisory Committee for Aviation Consumer Protection, established under section 411 of the FAA Modernization and Reform Act of 2012 (49 U.S.C. 42301 prec. note), to assist in conducting the review and providing recommendations on improving the quality and quantity of information provided to passengers adversely affected by a cancellation or delay.

(b) REPORT.—Not later than 90 days after the date the review under subsection (a) is complete, the Secretary shall submit to the appropriate committees of Congress a report on the review under subsection (a), including any recommendations.

(c) SAVINGS PROVISION.—Nothing in this section shall be construed as affecting or penalizing—

(1) the decision of an air carrier to maximize its system capacity during weather-related events to accommodate the greatest number of passengers; or

(2) any decisions of an air carrier or the Federal Aviation Administration in any matter related to or affecting the safety of any person.

SEC. 414. INVOLUNTARY CHANGES TO ITINERARIES.

(a) REVIEW.—

(1) IN GENERAL.—Not later than 1 year after the date of enactment of this Act, the Secretary of Transportation shall review the rate at which air carriers change passenger itineraries more than 24 hours before departure, where the new itineraries involve additional stops or depart 3 hours earlier or later than originally scheduled and compensation or other suitable air transportation is not offered. In conducting the review, the Secretary shall consider the compensation and alternative travel options provided or offered by the air carrier in such situations.

(2) CONSULTATION.—The Secretary may consult with air carriers and the Advisory Committee for Aviation Consumer Protection, established under section 411 of the FAA Modernization and Reform Act of 2012 (49 U.S.C. 42301 prec. note), to assist in conducting the review and providing recommendations.

(b) REPORT.—Not later than 90 days after the date the review under subsection (a) is complete, the Secretary shall submit to appropriate committees of Congress a report on the review under subsection (a).

SEC. 415. EXTENSION OF ADVISORY COMMITTEE FOR AVIATION CONSUMER PROTECTION.

Section 411 of the FAA Modernization and Reform Act of 2012 (49 U.S.C. 42301 prec. note) is amended in subsection (h) by striking "2018" and inserting "2023".

SEC. 416. ONLINE ACCESS TO AVIATION CONSUMER PROTECTION INFORMATION.

Not later than 180 days after the date of enactment of this Act, the Secretary of Transportation shall—

(1) complete an evaluation of the aviation consumer protection portion of the Department of Transportation's public internet website to identify any changes to the user interface, including the interface presented to individuals accessing the website from a mobile device, that will improve usability, accessibility, consumer satisfaction, and website performance;

(2) in completing the evaluation under paragraph (1)—

(A) consider the best practices of other Federal agencies with effective websites; and

(B) consult with the Federal Web Managers Council;

(3) develop a plan, including an implementation timeline, for—

(A) making the changes identified under paragraph (1); and

(B) making any necessary changes to that portion of the website that will enable a consumer, in a manner that protects the privacy of consumers and employees, to—

(i) access information regarding each complaint filed with the Aviation Consumer Protection Division of the Department of Transportation;

(ii) search the complaints described in clause (i) by the name of the air carrier, the dates of departure and arrival, the airports of origin and departure, and the type of complaint; and

(iii) determine the date a complaint was filed and the date a complaint was resolved; and

(4) submit the evaluation and plan to appropriate committees of Congress.

SEC. 417. PROTECTION OF PETS ON AIRPLANES.

(a) PROHIBITION.—Chapter 447 of title 49, United States Code, is further amended by adding at the end the following:

49 USC 44739.

"§ 44739. Pets on airplanes

"(a) PROHIBITION.—It shall be unlawful for any person to place a live animal in an overhead storage compartment of an aircraft operated under part 121 of title 14, Code of Federal Regulations.

"(b) CIVIL PENALTY.—The Administrator may impose a civil penalty under section 46301 for each violation of this section.".

(b) CONFORMING AMENDMENT.—The analysis for chapter 447 of title 49, United States Code, is further amended by adding at the end the following:

49 USC prec. 44701.

"44739. Pets on airplanes.".

49 USC note prec. 42301.

SEC. 418. ADVISORY COMMITTEE ON AIR AMBULANCE AND PATIENT BILLING.

(a) IN GENERAL.—Not later than 60 days after the date of enactment of this Act, the Secretary of Transportation, in consultation with the Secretary of Health and Human Services, shall establish an advisory committee for the purpose of reviewing options to improve the disclosure of charges and fees for air medical services, better inform consumers of insurance options for such services, and protect consumers from balance billing.

(b) COMPOSITION OF THE ADVISORY COMMITTEE.—The advisory committee shall be composed of the following members:

(1) The Secretary of Transportation, or the Secretary's designee.

(2) The Secretary of Health and Human Services, or the Secretary's designee.

(3) One representative, to be appointed by the Secretary of Transportation, of each of the following:

(A) Each relevant Federal agency, as determined by the Secretary of Transportation.

(B) State insurance regulators

(C) Health insurance providers.

(D) Patient advocacy groups.

(E) Consumer advocacy groups.

(F) Physician specializing in emergency, trauma, cardiac, or stroke.

(4) Three representatives, to be appointed by the Secretary of Transportation, to represent the various segments of the air ambulance industry.

(5) Additional three representatives not covered under paragraphs (1) through (4), as determined necessary and appropriate by the Secretary.

(c) CONSULTATION.—The advisory committee shall, as appropriate, consult with relevant experts and stakeholders not captured in (b) while conducting its review.

(d) RECOMMENDATIONS.—The advisory committee shall make recommendations with respect to disclosure of charges and fees for air ambulance services and insurance coverage, consumer protection and enforcement authorities of both the Department of Transportation and State authorities, and the prevention of balance billing to consumers. The recommendations shall address, at a minimum—

(1) the costs, benefits, practicability, and impact on all stakeholders of clearly distinguishing between charges for air transportation services and charges for non-air transportation services in bills and invoices, including the costs, benefits, and practicability of—

(A) developing cost-allocation methodologies to separate charges for air transportation services from charges for non-air transportation services; and

(B) formats for bills and invoices that clearly distinguish between charges for air transportation services and charges for non-air transportation services;

(2) options, best practices, and identified standards to prevent instances of balance billing such as improving network and contract negotiation, dispute resolution between health insurance and air medical service providers, and explanation of insurance coverage and subscription programs to consumers;

(3) steps that can be taken by State legislatures, State insurance regulators, State attorneys general, and other State officials as appropriate, consistent with current legal authorities regarding consumer protection;

(4) recommendations made by the Comptroller General study, GAO–17–637, including what additional data from air ambulance providers and other sources should be collected by the Department of Transportation to improve its understanding of the air ambulance market and oversight of the air ambulance industry for the purposes of pursuing action related to unfair or deceptive practices or unfair methods of competition, which may include—

(A) cost data;

(B) standard charges and payments received per transport;

(C) whether the provider is part of a hospital-sponsored program, municipality-sponsored program, hospital-independent partnership (hybrid) program, or independent program;

(D) number of transports per base and helicopter;

(E) market shares of air ambulance providers inclusive of any parent or holding companies;

(F) any data indicating the extent of competition among air ambulance providers on the basis of price and service;

(G) prices assessed to consumers and insurers for air transportation and any non-transportation services provided by air ambulance providers; and

(H) financial performance of air ambulance providers;

(5) definitions of all applicable terms that are not defined in statute or regulations; and

(6) other matters as determined necessary or appropriate.

(e) REPORT.—Not later than 180 days after the date of the first meeting of the advisory committee, the advisory committee shall submit to the Secretary of Transportation, the Secretary of Health and Human Services, and the appropriate committees of Congress a report containing the recommendations made under subsection (d).

(f) RULEMAKING.—Upon receipt of the report under subsection (e), the Secretary of Transportation shall consider the recommendations of the advisory committee and issue regulations or other guidance as deemed necessary—

(1) to require air ambulance providers to regularly report data to the Department of Transportation;

(2) to increase transparency related to Department of Transportation actions related to consumer complaints; and

(3) to provide other consumer protections for customers of air ambulance providers.

(g) ELIMINATION OF ADVISORY COUNCIL ON TRANSPORTATION STATISTICS.—The Advisory Council on Transportation Statistics shall terminate on the date of enactment of this Act.

SEC. 419. AIR AMBULANCE COMPLAINTS TO THE DEPARTMENT OF TRANSPORTATION.

(a) CONSUMER COMPLAINTS.—Section 42302 of title 49, United States Code, is further amended—

(1) in subsection (a) by inserting "(including transportation by air ambulance (as defined by the Secretary of Transportation))" after "air transportation"; and

(2) by adding at the end the following:

"(e) AIR AMBULANCE PROVIDERS.—Each air ambulance provider shall include the hotline telephone number, link to the Internet website established under subsection (a), and contact information for the Aviation Consumer Advocate established under section 425 on—

"(1) any invoice, bill, or other communication provided to a passenger or customer of the provider; and

"(2) its Internet Web site, and any related mobile device application.".

(b) UNFAIR AND DECEPTIVE PRACTICES AND UNFAIR METHODS OF COMPETITION.—Section 41712(a) of title 49, United States Code, is amended by inserting "air ambulance consumer (as defined by the Secretary of Transportation)," after "foreign air carrier," in the first place it appears.

SEC. 420. REPORT TO CONGRESS ON AIR AMBULANCE OVERSIGHT.

(a) IN GENERAL.—Not later than 180 days after submission of the report required under section 418, the Secretary of Transportation shall submit a report to the appropriate committees of Congress on air ambulance oversight.

(b) CONTENTS OF REPORT.—The report required under subsection (a) shall include—

(1) a description of how the Secretary will conduct oversight of air ambulance providers, including the information sources the Secretary will use to conduct such oversight; and

(2) a timeline for the issuance of any guidance concerning unfair and deceptive practices among air ambulance providers, including guidance for States and political subdivisions of States to refer such matters to the Secretary.

SEC. 421. REFUNDS FOR OTHER FEES THAT ARE NOT HONORED BY A COVERED AIR CARRIER.

49 USC note prec. 42301.

Not later than 1 year after the date of enactment of this Act, the Secretary of Transportation shall promulgate regulations that require each covered air carrier to promptly provide a refund to a passenger of any ancillary fees paid for services related to air travel that the passenger does not receive, including on the passenger's scheduled flight, on a subsequent replacement itinerary if there has been a rescheduling, or for a flight not taken by the passenger.

SEC. 422. ADVANCE BOARDING DURING PREGNANCY.

49 USC note prec. 42301.

Not later than 180 days after the date of enactment of this Act, the Secretary of Transportation shall review air carrier policies regarding traveling during pregnancy and, if appropriate, may revise regulations, as the Secretary considers necessary, to require an air carrier to offer advance boarding of an aircraft to a pregnant passenger who requests such assistance.

SEC. 423. CONSUMER COMPLAINT PROCESS IMPROVEMENT.

(a) IN GENERAL.—Section 42302(c) of title 49, United States Code is amended—

(1) in the matter preceding paragraph (1), by striking "An air carrier or foreign air carrier providing scheduled air transportation using any aircraft that as originally designed has a passenger capacity of 30 or more passenger seats" and inserting "Each air carrier and foreign air carrier";

(2) in paragraph (1), by striking "air carrier" and inserting "carrier"; and

(3) in paragraph (2), by striking "air carrier" and inserting "carrier".

(b) RULEMAKING.—Not later than 1 year after the date of enactment of this Act, the Secretary of Transportation shall promulgate regulations to implement the requirements of section 42302 of title 49, United States Code, as amended by this Act.

49 USC 42302 note.

SEC. 424. AVIATION CONSUMER ADVOCATE.

49 USC 42302 note.

(a) IN GENERAL.—The Secretary of Transportation shall review aviation consumer complaints received that allege a violation of law and, as appropriate, pursue enforcement or corrective actions that would be in the public interest.

(b) CONSIDERATIONS.—In considering which cases to pursue for enforcement or corrective action under subsection (a), the Secretary shall consider—

(1) the Air Carrier Access Act of 1986 (Public Law 99–435; 100 Stat. 1080);

(2) unfair and deceptive practices by air carriers (including air ambulance operators), foreign air carriers, and ticket agents;

(3) the terms and conditions agreed to between passengers and air carriers (including air ambulance operators), foreign air carriers, or ticket agents;

(4) aviation consumer protection and tarmac delay contingency planning requirements for both airports and airlines;

(5) protection of air ambulance consumers; and

(6) any other applicable law.

(c) AVIATION CONSUMER ADVOCATE.—

(1) IN GENERAL.—Within the Aviation Consumer Protection Division of the Department of Transportation, there shall be an Aviation Consumer Advocate.

(2) FUNCTIONS.—The Aviation Consumer Advocate shall—

(A) assist consumers in resolving carrier service complaints filed with the Aviation Consumer Protection Division;

(B) review the resolution by the Department of Transportation of carrier service complaints;

(C) identify and recommend actions the Department can take to improve the enforcement of aviation consumer protection rules, protection of air ambulance consumers, and resolution of carrier service complaints; and

(D) identify and recommend regulations and policies that can be amended to more effectively resolve carrier service complaints.

(d) ANNUAL REPORTS.—The Secretary, through the Aviation Consumer Advocate, shall submit to the appropriate committees of Congress an annual report summarizing the following:

(1) The total number of annual complaints received by the Department, including the number of complaints by the name of each air carrier and foreign air carrier.

(2) The total number of annual complaints by category of complaint.

(3) The number of complaints referred in the preceding year for enforcement or corrective action by the Department.

(4) Any recommendations under paragraphs (2)(C) and (2)(D) of subsection (c).

(5) Such other data as the Aviation Consumer Advocate considers appropriate.

(e) SUNSET ON REPORTING REQUIREMENT.—The reporting requirement of subsection (d) shall terminate on September 30, 2023.

Transparency Improvements and Compensation to Keep Every Ticketholder Safe Act of 2018.
49 USC note prec. 42301.

SEC. 425. TICKETS ACT.

(a) SHORT TITLE.—This section may be cited as the "Transparency Improvements and Compensation to Keep Every Ticketholder Safe Act of 2018" or the "TICKETS Act".

(b) BOARDED PASSENGERS.—Beginning on the date of enactment of this Act, a covered air carrier may not deny a revenue passenger traveling on a confirmed reservation permission to board, or involuntarily remove that passenger from the aircraft, once a revenue passenger has—

(1) checked in for the flight prior to the check-in deadline; and

(2) had their ticket or boarding pass collected or electronically scanned and accepted by the gate agent.

(c) LIMITATIONS.—The prohibition pursuant to subsection (b) shall not apply when—

(1) there is a safety, security, or health risk with respect to that revenue passenger or there is a safety or security issue requiring removal of a revenue passenger; or

(2) the revenue passenger is engaging in behavior that is obscene, disruptive, or otherwise unlawful.

(d) RULE OF CONSTRUCTION.—Nothing in this section may be construed to limit or otherwise affect the responsibility or authority of a pilot in command of an aircraft under section 121.533 of

title 14, Code of Federal Regulations, or limit any penalty under section 46504 of title 49, United States Code.

(e) INVOLUNTARY DENIED BOARDING COMPENSATION.—Not later than 60 days after the date of enactment of this Act, the Secretary of Transportation shall issue a final rule to revise part 250 of title 14, Code of Federal Regulations, to clarify that—

(1) there is not a maximum level of compensation an air carrier or foreign air carrier may pay to a passenger who is involuntarily denied boarding as the result of an oversold flight;

(2) the compensation levels set forth in that part are the minimum levels of compensation an air carrier or foreign air carrier must pay to a passenger who is involuntarily denied boarding as the result of an oversold flight; and

(3) an air carrier or foreign air carrier must proactively offer to pay compensation to a passenger who is voluntarily or involuntarily denied boarding on an oversold flight, rather than waiting until the passenger requests the compensation.

(f) GAO REPORT ON OVERSALES.—

(1) IN GENERAL.—The Comptroller General of the United States shall review airline policies and practices related to oversales of flights.

(2) CONSIDERATIONS.—In conducting the review under paragraph (1), the Comptroller General shall examine—

(A) the impact on passengers as a result of an oversale, including increasing or decreasing the costs of passenger air transportation;

(B) economic and operational factors which result in oversales;

(C) whether, and if so how, the incidence of oversales varies depending on markets;

(D) potential consequences on the limiting of oversales; and

(E) best practices on how oversale policies can be communicated to passengers at airline check-in desks and airport gates.

(3) REPORT.—Not later than 1 year after the date of enactment of this Act, the Comptroller General shall submit to the appropriate committees of Congress a report on the review under paragraph (2).

(g) GATE NOTICE OF POLICIES.—The Secretary may provide guidance on how these policies should be communicated at covered air carrier check-in desks and airport gates.

SEC. 426. REPORT ON AVAILABILITY OF LAVATORIES ON COMMERCIAL AIRCRAFT.

Not later than 180 days after the date of enactment of this Act, the Comptroller General of the United States shall submit to the appropriate committees of Congress a report assessing—

(1) the availability of functional lavatories on commercial aircraft;

(2) the extent to which flights take off without functional lavatories;

(3) the ability of passengers with disabilities to access lavatories on commercial aircraft;

(4) the extent of complaints to the Department of Transportation and air carriers related to lavatories and efforts they have taken to address complaints; and

(5) the extent to which air carriers are reducing the size and number of lavatories to add more seats and whether this creates passenger lavatory access issues.

49 USC note prec. 42301.

SEC. 427. CONSUMER PROTECTION REQUIREMENTS RELATING TO LARGE TICKET AGENTS.

(a) IN GENERAL.—Not later than 180 days after the date of enactment of this Act, the Secretary of Transportation shall issue a final rule to require large ticket agents to adopt minimum customer service standards.

(b) PURPOSE.—The purpose of the final rule shall be to ensure that, to the extent feasible, there is a consistent level of consumer protection regardless of where consumers purchase air fares and related air transportation services.

(c) STANDARDS.—In issuing the final rule, the Secretary shall consider, to the extent feasible, establishing standards consistent with all customer service and disclosure requirements applicable to covered air carriers under this title and associated regulations.

(d) DEFINITIONS.—In this section, the following definitions apply:

(1) TICKET AGENT.—

(A) IN GENERAL.—Subject to subparagraph (B), the term "ticket agent" has the meaning given that term in section 40102(a) of title 49, United States Code.

(B) INCLUSION.—The term "ticket agent" includes a person who acts as an intermediary involved in the sale of air transportation directly or indirectly to consumers, including by operating an electronic airline information system, if the person—

(i) holds the person out as a source of information about, or reservations for, the air transportation industry; and

(ii) receives compensation in any way related to the sale of air transportation.

(2) LARGE TICKET AGENT.—The term "large ticket agent" means a ticket agent with annual revenues of $100,000,000 or more.

(e) ENFORCEMENT.—No large ticket agent may be found in noncompliance of any standard or requirement adopted in the final rule required by this section if—

(1) the large ticket agent is unable to meet the new standard or requirement due to the lack of information or data from the covered air carrier and the information is required for the large ticket agent to comply with such standard or requirement; or

(2) the sale of air transportation is made by a large ticket agent pursuant to a specific corporate or government fare management contract.

SEC. 428. WIDESPREAD DISRUPTIONS.

(a) IN GENERAL.—Chapter 423 of title 49, United States Code, is amended by adding at the end the following:

"§ 42304. Widespread disruptions

49 USC 42304.

"(a) GENERAL REQUIREMENTS.—In the event of a widespread disruption, a covered air carrier shall immediately publish, via a prominent link on the air carrier's public internet website, a clear statement indicating whether, with respect to a passenger of the air carrier whose travel is interrupted as a result of the widespread disruption, the air carrier will—

"(1) provide for hotel accommodations;

"(2) arrange for ground transportation;

"(3) provide meal vouchers;

"(4) arrange for air transportation on another air carrier or foreign air carrier to the passenger's destination; and

"(5) provide for sleeping facilities inside the airport terminal.

"(b) DEFINITIONS.—In this section, the following definitions apply:

"(1) WIDESPREAD DISRUPTION.—The term 'widespread disruption' means, with respect to a covered air carrier, the interruption of all or the overwhelming majority of the air carrier's systemwide flight operations, including flight delays and cancellations, as the result of the failure of 1 or more computer systems or computer networks of the air carrier.

"(2) COVERED AIR CARRIER.—The term 'covered air carrier' means an air carrier that provides scheduled passenger air transportation by operating an aircraft that as originally designed has a passenger capacity of 30 or more seats.

"(c) SAVINGS PROVISION.—Nothing in this section may be construed to modify, abridge, or repeal any obligation of an air carrier under section 42301.".

(b) CONFORMING AMENDMENT.—The analysis for chapter 423 of title 49, United States Code, is amended by adding at the end the following:

49 USC prec. 42301.

"42304. Widespread disruptions.".

SEC. 429. PASSENGER RIGHTS.

49 USC note prec. 42301.

(a) GUIDELINES.—Not later than 90 days after the date of enactment of this Act, the Secretary of Transportation shall require each covered air carrier to submit a summarized 1-page document that describes the rights of passengers in air transportation, including guidelines for the following:

(1) Compensation (regarding rebooking options, refunds, meals, and lodging) for flight delays of various lengths.

(2) Compensation (regarding rebooking options, refunds, meals, and lodging) for flight diversions.

(3) Compensation (regarding rebooking options, refunds, meals, and lodging) for flight cancellations.

(4) Compensation for mishandled baggage, including delayed, damaged, pilfered, or lost baggage.

(5) Voluntary relinquishment of a ticketed seat due to overbooking or priority of other passengers.

(6) Involuntary denial of boarding and forced removal for whatever reason, including for safety and security reasons.

(b) FILING OF SUMMARIZED GUIDELINES.—Not later than 90 days after each air carrier submits its guidelines to the Secretary under subsection (a), the air carrier shall make available such 1-page document in a prominent location on its website.

Subtitle B—Aviation Consumers With Disabilities

SEC. 431. AVIATION CONSUMERS WITH DISABILITIES STUDY.

(a) STUDY.—Not later than 1 year after the date of enactment of this Act, the Comptroller General of the United States shall conduct a study that includes—

(1) a review of airport accessibility best practices for individuals with disabilities, including best practices that improve infrastructure facilities and communications methods, including those related to wayfinding, amenities, and passenger care;

(2) a review of air carrier and airport training policies related to section 41705 of title 49, United States Code;

(3) a review of air carrier training policies related to properly assisting passengers with disabilities; and

(4) a review of accessibility best practices that exceed those recommended under Public Law 90–480 (popularly known as the Architectural Barriers Act of 1968; 42 U.S.C. 4151 et seq.), the Rehabilitation Act of 1973 (29 U.S.C. 701 et seq.), the Air Carrier Access Act of 1986 (Public Law 99–435; 100 Stat. 1080 et seq.), and the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.).

(b) REPORT.—Not later than 1 year after the date the Comptroller General initiates the study under subsection (a), the Comptroller General shall submit to the Secretary of Transportation and the appropriate committees of Congress a report on the study, including findings and recommendations.

SEC. 432. STUDY ON IN-CABIN WHEELCHAIR RESTRAINT SYSTEMS.

(a) STUDY.—Not later than 2 years after the date of enactment of this Act, the Architectural and Transportation Barriers Compliance Board, in consultation with the Secretary of Transportation, aircraft manufacturers, air carriers, and disability advocates, shall conduct a study to determine—

(1) the feasibility of in-cabin wheelchair restraint systems; and

(2) if feasible, the ways in which individuals with significant disabilities using wheelchairs, including power wheelchairs, can be accommodated with in-cabin wheelchair restraint systems.

(b) REPORT.—Not later than 1 year after the initiation of the study under subsection (a), the Architectural and Transportation Barriers Compliance Board shall submit to the appropriate committees of Congress a report on the findings of the study.

49 USC 41705 note.

SEC. 433. IMPROVING WHEELCHAIR ASSISTANCE FOR INDIVIDUALS WITH DISABILITIES.

Following the receipt of the report required under section 2107 of the FAA Extension, Safety, and Security Act of 2016 (Public Law 114–190; 130 Stat. 622), the Secretary of Transportation shall develop, if appropriate, specific recommendations regarding improvements to wheelchair assistance provided by air carriers and recommendations on how training programs by air carriers can address consumer complaints regarding wheelchair assistance.

SEC. 434. AIRLINE PASSENGERS WITH DISABILITIES BILL OF RIGHTS.

49 USC 41705 note.

(a) AIRLINE PASSENGERS WITH DISABILITIES BILL OF RIGHTS.—The Secretary of Transportation shall develop a document, to be known as the "Airline Passengers with Disabilities Bill of Rights", using plain language to describe the basic protections and responsibilities of covered air carriers, their employees and contractors, and people with disabilities under the section 41705 of title 49, United States Code.

(b) CONTENT.—In developing the Airline Passengers with Disabilities Bill of Rights under subsection (a), the Secretary shall include, at a minimum, plain language descriptions of protections and responsibilities provided in law related to the following:

(1) The right of passengers with disabilities to be treated with dignity and respect.

(2) The right of passengers with disabilities to receive timely assistance, if requested, from properly trained covered air carrier and contractor personnel.

(3) The right of passengers with disabilities to travel with wheelchairs, mobility aids, and other assistive devices, including necessary medications and medical supplies, including stowage of such wheelchairs, aids, and devices.

(4) The right of passengers with disabilities to receive seating accommodations, if requested, to accommodate a disability.

(5) The right of passengers with disabilities to receive announcements in an accessible format.

(6) The right of passengers with disabilities to speak with a complaint resolution officer or to file a complaint with a covered air carrier or the Department of Transportation.

(c) RULE OF CONSTRUCTION.—The development of the Airline Passengers with Disabilities Bill of Rights under subsections (a) and (b) shall not be construed as expanding or restricting the rights available to passengers with disabilities on the day before the date of the enactment of this Act pursuant to any statute or regulation.

(d) CONSULTATIONS.—In developing the Airline Passengers with Disabilities Bill of Rights under subsection (a), the Secretary of Transportation shall consult with stakeholders, including disability organizations and covered air carriers and their contractors.

(e) DISPLAY.—Each covered air carrier shall include the Airline Passengers with Disabilities Bill of Rights—

(1) on a publicly available internet website of the covered air carrier; and

(2) in any pre-flight notifications or communications provided to passengers who alert the covered air carrier in advance of the need for accommodations relating to a disability.

(f) TRAINING.—Covered air carriers and contractors of covered air carriers shall submit to the Secretary of Transportation plans that ensure employees of covered air carriers and their contractors receive training on the protections and responsibilities described in the Airline Passengers with Disabilities Bill of Rights. The Secretary shall review such plans to ensure the plans address the matters described in subsection (b).

SEC. 435. SENSE OF CONGRESS REGARDING EQUAL ACCESS FOR INDIVIDUALS WITH DISABILITIES.

It is the sense of Congress that—

(1) the aviation industry and every relevant stakeholder must work to ensure that every individual who experiences a disability has equal access to air travel;

(2) as technology and ease of travel continue to advance, accessibility must be a priority; and

(3) accommodations must—

(A) extend to every airport and service or facility of an air carrier; and

(B) be inclusive of every disability.

SEC. 436. CIVIL PENALTIES RELATING TO HARM TO PASSENGERS WITH DISABILITIES.

Section 46301(a) of title 49, United States Code, is amended by adding at the end the following:

"(7) PENALTIES RELATING TO HARM TO PASSENGERS WITH DISABILITIES.—

"(A) PENALTY FOR BODILY HARM OR DAMAGE TO WHEELCHAIR OR OTHER MOBILITY AID.—The amount of a civil penalty assessed under this section for a violation of section 41705 that involves damage to a passenger's wheelchair or other mobility aid or injury to a passenger with a disability may be increased above the otherwise applicable maximum amount under this section for a violation of section 41705 to an amount not to exceed 3 times the maximum penalty otherwise allowed.

"(B) EACH ACT CONSTITUTES SEPARATE OFFENSE.—Notwithstanding paragraph (2), a separate violation of section 41705 occurs for each act of discrimination prohibited by that section.".

49 USC 41705 note.

SEC. 437. HARMONIZATION OF SERVICE ANIMAL STANDARDS.

(a) RULEMAKING.—The Secretary of Transportation shall conduct a rulemaking proceeding—

(1) to define the term "service animal" for purposes of air transportation; and

(2) to develop minimum standards for what is required for service and emotional support animals carried in aircraft cabins.

(b) CONSIDERATIONS.—In conducting the rulemaking under subsection (a), the Secretary shall consider, at a minimum—

(1) whether to align the definition of "service animal" with the definition of that term in regulations of the Department of Justice implementing the Americans with Disabilities Act of 1990 (Public Law 101–336);

(2) reasonable measures to ensure pets are not claimed as service animals, such as—

(A) whether to require photo identification for a service animal identifying the type of animal, the breed of animal, and the service the animal provides to the passenger;

(B) whether to require documentation indicating whether or not a service animal was trained by the owner or an approved training organization;

(C) whether to require, from a licensed physician, documentation indicating the mitigating task or tasks a service animal provides to its owner; and

(D) whether to allow a passenger to be accompanied by more than 1 service animal;

(3) reasonable measures to ensure the safety of all passengers, such as—

(A) whether to require health and vaccination records for a service animal; and

(B) whether to require third-party proof of behavioral training for a service animal;

(4) the impact additional requirements on service animals could have on access to air transportation for passengers with disabilities; and

(5) if impacts on access to air transportation for passengers with disabilities are found, ways to eliminate or mitigate those impacts.

(c) FINAL RULE.—Not later than 18 months after the date of enactment of this Act, the Secretary shall issue a final rule pursuant to the rulemaking conducted under this section.

SEC. 438. REVIEW OF PRACTICES FOR TICKETING, PRE-FLIGHT SEAT ASSIGNMENTS, AND STOWING OF ASSISTIVE DEVICES FOR PASSENGERS WITH DISABILITIES.

(a) REVIEW.—

(1) IN GENERAL.—Not later than 30 days after the first meeting of the advisory committee on the air travel needs of passengers with disabilities established in section 439 (referred to in this section as the "Advisory Committee"), the Secretary of Transportation shall direct the Advisory Committee to review current regulations with respect to practices for ticketing, pre-flight seat assignments, and stowing of assistive devices for passengers with disabilities.

(2) RECOMMENDATIONS.—In carrying out the review under paragraph (1), the Advisory Committee shall, at a minimum, provide recommendations on whether current regulations should be modified or prescribed to—

(A) provide accommodations for passengers with disabilities, if requested, in ticketing and pre-flight assignments;

(B) require covered air carriers to provide priority access to bulkhead seating to passengers with disabilities who need access to features of those seats due to disabilities regardless of class of service of ticket purchased; and

(C) ensure passengers with disabilities are able to stow assistive devices without cost.

(b) REPORT.—Not later than 6 months after the date of their first meeting, the Advisory Committee shall submit to the Secretary of Transportation and the appropriate committees of Congress a report on the review conducted under subsection (a)(1), including the recommendations developed under subsection (a)(2).

SEC. 439. ADVISORY COMMITTEE ON THE AIR TRAVEL NEEDS OF PASSENGERS WITH DISABILITIES.

49 USC 41705 note.

(a) ESTABLISHMENT.—The Secretary of Transportation shall establish an advisory committee on issues related to the air travel needs of passengers with disabilities (referred to in this section as the "Advisory Committee").

(b) DUTIES.—The Advisory Committee shall—

(1) identify and assess the disability-related access barriers encountered by passengers with disabilities;

(2) determine the extent to which the programs and activities of the Department of Transportation are addressing the barriers identified in paragraph (1);

(3) recommend consumer protection improvements to the air travel experience of passengers with disabilities;

(4) advise the Secretary with regard to the implementation of section 41705 of title 49, United States Code; and

(5) conduct such activities as the Secretary considers necessary to carry out this section.

(c) MEMBERSHIP.—

(1) IN GENERAL.—The Advisory Committee shall be composed of at least 1 representative of each of the following groups:

(A) Passengers with disabilities.

(B) National disability organizations.

(C) Air carriers.

(D) Airport operators.

(E) Contractor service providers.

(F) Aircraft manufacturers.

(G) Wheelchair manufacturers.

(H) National veterans organizations representing disabled veterans.

(2) APPOINTMENT.—The Secretary of Transportation shall appoint each member of the Advisory Committee.

(3) VACANCIES.—A vacancy in the Advisory Committee shall be filled in the manner in which the original appointment was made.

(d) CHAIRPERSON.—The Secretary of Transportation shall designate, from among the members appointed under subsection (c), an individual to serve as chairperson of the Advisory Committee.

(e) TRAVEL EXPENSES.—Members of the Advisory Committee shall serve without pay, but shall receive travel expenses, including per diem in lieu of subsistence, in accordance with subchapter I of chapter 57 of title 5, United States Code.

(f) REPORTS.—

(1) IN GENERAL.—Not later than 14 months after the date of establishment of the Advisory Committee, and annually thereafter, the Advisory Committee shall submit to the Secretary of Transportation a report on the needs of passengers with disabilities in air travel, including—

(A) an assessment of existing disability-related access barriers, and any emerging disability-related access barriers that will likely be an issue in the next 5 calendar years;

(B) an evaluation of the extent to which the Department of Transportation's programs and activities are eliminating disability-related access barriers;

(C) a description of the Advisory Committee's actions;

(D) a description of improvements related to the air travel experience of passengers with disabilities; and

(E) any recommendations for legislation, administrative action, or other action that the Advisory Committee considers appropriate.

(2) REPORT TO CONGRESS.—Not later than 60 days after the date the Secretary receives the report under paragraph (1), the Secretary shall submit to the appropriate committees of Congress a copy of the report, including any additional findings or recommendations that the Secretary considers appropriate.

(g) TERMINATION.—The Advisory Committee established under this section shall terminate on September 30, 2023.

(h) TERMINATION OF THE NEXT GENERATION AIR TRANSPORTATION SYSTEM SENIOR POLICY COMMITTEE.—The Next Generation Air Transportation System Senior Policy Committee established by the Secretary of Transportation shall terminate on the date of the initial appointment of the members of the Advisory Committee.

SEC. 440. REGULATIONS ENSURING ASSISTANCE FOR PASSENGERS WITH DISABILITIES IN AIR TRANSPORTATION.

49 USC 41705 note.

(a) IN GENERAL.—Not later than 180 days after the date of enactment of this Act, the Secretary of Transportation shall—

(1) review, and if necessary revise, applicable regulations to ensure that passengers with disabilities who request assistance while traveling in air transportation receive dignified, timely, and effective assistance at airports and on aircraft from trained personnel; and

(2) review, and if necessary revise, applicable regulations related to covered air carrier training programs for air carrier personnel, including contractors, who provide physical assistance to passengers with disabilities to ensure that training under such programs—

(A) occurs on an annual schedule for all new and continuing personnel charged with providing physical assistance; and

(B) includes, as appropriate, instruction by personnel, with hands-on training for employees who physically lift or otherwise physically assist passengers with disabilities, including the use of relevant equipment.

(b) TYPES OF ASSISTANCE.—The assistance referred to subsection (a)(1) may include requests for assistance in boarding or deplaning an aircraft, requests for assistance in connecting between flights, and other similar or related requests, as appropriate.

SEC. 441. TRANSPARENCY FOR DISABLED PASSENGERS.

The compliance date of the final rule, dated November 2, 2016, on the reporting of data for mishandled baggage and wheelchairs in aircraft cargo compartments (81 Fed. Reg. 76300) shall be effective not later than 60 days after the date of enactment of this Act.

Subtitle C—Small Community Air Service

SEC. 451. ESSENTIAL AIR SERVICE AUTHORIZATION.

(a) IN GENERAL.—Section 41742(a)(2) of title 49, United States Code, is amended by striking "$150,000,000 for fiscal year 2011" and all that follows before "to carry out" and inserting "$155,000,000 for fiscal year 2018, $158,000,000 for fiscal year 2019, $161,000,000 for fiscal year 2020, $165,000,000 for fiscal year 2021, $168,000,000 for fiscal year 2022, and $172,000,000 for fiscal year 2023".

(b) SEASONAL SERVICE.—The Secretary of Transportation may consider the flexibility of current operational dates and airport accessibility to meet local community needs when issuing requests for proposal of essential air service at seasonal airports.

49 USC 41733 note.

SEC. 452. STUDY ON ESSENTIAL AIR SERVICE REFORM.

(a) STUDY.—

(1) IN GENERAL.—The Comptroller General of the United States shall conduct a study on the effects of section 6 of the Airport and Airway Extension Act of 2011, Part IV (Public Law 112–27), section 421 of the FAA Modernization and Reform Act of 2012 (Public Law 112–95), and other relevant Federal laws enacted after 2010, including the amendments made by those laws, on the Essential Air Service program.

(2) SCOPE.—In conducting the study under paragraph (1), the Comptroller General shall analyze, at a minimum—

(A) the impact of each relevant Federal law, including the amendments made by each law, on the Essential Air Service program;

(B) what actions communities and air carriers have taken to reduce ticket prices or increase enplanements as a result of each law;

(C) the issuance of waivers by the Secretary under section 41731(e) of title 49, United States Code;

(D) whether budgetary savings resulted from each law; and

(E) options for further reform of the Essential Air Service program.

(b) REQUIRED ANALYSIS ON COMMUNITIES.—In carrying out subsection (a)(2)(E) the Comptroller General shall include, for each option for further reform, an analysis of the impact on local economies of communities with airports receiving Essential Air Service funding, access to air travel for residents of rural communities and the impact to local businesses in such communities.

(c) REPORT.—Not later than 180 days after the date of enactment of this Act, the Comptroller General shall submit to the appropriate committees of Congress a report on the results of the study conducted under subsection (a).

SEC. 453. AIR TRANSPORTATION TO NONELIGIBLE PLACES.

(a) DEFINITIONS.—Section 41731(a)(1)(A)(ii) of title 49, United States Code, is amended by striking "Wendell H. Ford Aviation Investment and Reform Act for the 21st Century," and inserting "FAA Extension, Safety, and Security Act of 2016 (Public Law 114–190),".

(b) PROGRAM SUNSET.—Section 41736 of title 49, United States Code, is amended by adding at the end the following:

"(h) SUNSET.—

"(1) PROPOSALS.—No proposal under subsection (a) may be accepted by the Secretary after the date of enactment of this subsection.

"(2) PROGRAM.—The Secretary may not provide any compensation under this section after the date that is 2 years after the date of enactment of this subsection.".

SEC. 454. INSPECTOR GENERAL REVIEW OF SERVICE AND OVERSIGHT OF UNSUBSIDIZED CARRIERS.

(a) IN GENERAL.—Not later than 1 year after the date of enactment of this Act, the inspector general of the Department of Transportation shall conduct and complete a review of orders issued by the Department of Transportation from 2005 through the date of enactment of this Act to determine whether the carriers providing

unsubsidized service provided basic essential air service, and whether the Department conducted sufficient oversight of carriers providing unsubsidized service to ensure air service quality and community satisfaction.

(b) CONTENTS.—The review shall include, at a minimum—

(1) a review of the Department's efforts to communicate to the community served by the unsubsidized carrier on any material air service changes; and

(2) a review of the Department's efforts to closely monitor the quality of air service provided by the unsubsidized carrier and request proposals for basic essential air service if necessary.

(c) REPORT.—Not later than 30 days after the date of completion of the review, the inspector general shall submit to the appropriate committees of Congress a report on the results of the review.

SEC. 455. SMALL COMMUNITY AIR SERVICE.

(a) ELIGIBILITY.—Section 41743(c) of title 49, United States Code, is amended—

(1) by striking paragraph (1) and inserting the following:

"(1) SIZE.—On the date of submission of the relevant application under subsection (b), the airport serving the community or consortium—

"(A) is not larger than a small hub airport, as determined using the Department of Transportation's most recently published classification; and

"(B) has—

"(i) insufficient air carrier service; or

"(ii) unreasonably high air fares.";

(2) by striking paragraph (4) and inserting the following:

"(4) OVERALL LIMIT.—

"(A) IN GENERAL.—No more than 40 communities or consortia of communities, or a combination thereof, may be selected to participate in the program in each year for which funds are appropriated for the program.

"(B) SAME PROJECTS.—Except as provided in subparagraph (C), no community, consortia of communities, or combination thereof may participate in the program in support of the same project more than once in a 10-year period, but any community, consortia of communities, or combination thereof may apply, subsequent to such participation, to participate in the program in support of a different project at any time.

"(C) EXCEPTION.—The Secretary may waive the limitation under subparagraph (B) related to projects that are the same if the Secretary determines that the community or consortium spent little or no money on its previous project or encountered industry or environmental challenges, due to circumstances that were reasonably beyond the control of the community or consortium.";

(3) in paragraph (5)—

(A) by redesignating subparagraphs (E) and (F) as subparagraphs (F) and (G), respectively; and

(B) by inserting after subparagraph (D) the following:

"(E) the assistance will be used to help restore scheduled passenger air service that has been terminated;".

(b) AUTHORITY TO MAKE AGREEMENTS.—Section 41743(e)(1) of title 49, United States Code, is amended by adding at the end

the following: "The Secretary may amend the scope of a grant agreement at the request of the community or consortium and any participating air carrier, and may limit the scope of a grant agreement to only the elements using grant assistance or to only the elements achieved, if the Secretary determines that the amendment is reasonably consistent with the original purpose of the project."

(c) AUTHORIZATION OF APPROPRIATIONS.—Section 41743(e)(2) of title 49, United States Code, is amended to read as follows:

"(2) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to the Secretary $10,000,000 for each of fiscal years 2018 through 2023 to carry out this section. Such sums shall remain available until expended.".

SEC. 456. WAIVERS.

Section 41732 is amended by adding at the end the following:

"(c) WAIVERS.—Notwithstanding section 41733(e), upon request by an eligible place, the Secretary may waive, in whole or in part, subsections (a) and (b) of this section or subsections (a) through (c) of section 41734. A waiver issued under this subsection shall remain in effect for a limited period of time, as determined by the Secretary.".

SEC. 457. EXTENSION OF FINAL ORDER ESTABLISHING MILEAGE ADJUSTMENT ELIGIBILITY.

Section 409(d) of the Vision 100—Century of Aviation Reauthorization Act (49 U.S.C. 41731 note) is amended by striking "2018" and inserting "2023".

SEC. 458. REDUCTION IN SUBSIDY-PER-PASSENGER.

49 USC 41731 note.

Section 426 of the FAA Modernization and Reform Act of 2012 (126 Stat. 98) is amended by adding at the end the following:

"(d) REDUCTION IN SUBSIDY-PER-PASSENGER.—

"(1) IN GENERAL.—The Secretary shall waive application of the subsidy-per-passenger cap described under subsection (c) if the Secretary finds that the community's subsidy-per-passenger for a fiscal year is lower than the subsidy-per-passenger for any of the 3 previous fiscal years.

"(2) EXCEPTION.—The Secretary shall waive application of the subsidy-per-passenger cap if the subsidy-per-passenger for a fiscal year is less than 10 percent higher than the highest subsidy-per-passenger from any of the 3 previous fiscal years. The Secretary may only waive application of the subsidy-per-passenger cap under this paragraph once per community.

"(3) RULE OF CONSTRUCTION.—Nothing in this subsection shall be construed to limit the Secretary's ability under subsection (c) to waive application of the subsidy-per-passenger cap.".

TITLE V—MISCELLANEOUS

49 USC 40101 note.

SEC. 501. DEFINITIONS.

In this title, the following definitions apply:

(1) ADMINISTRATION.—The term "Administration" means the Federal Aviation Administration.

(2) ADMINISTRATOR.—The term "Administrator" means the Administrator of the FAA.

(3) ADS–B.—The term "ADS–B" means automatic dependent surveillance-broadcast.

(4) ADS–B OUT.—The term "ADS–B Out" means automatic dependent surveillance-broadcast with the ability to transmit information from the aircraft to ground stations and to other equipped aircraft.

(5) FAA.—The term "FAA" means the Federal Aviation Administration.

(6) NEXTGEN.—The term "NextGen" means the Next Generation Air Transportation System.

SEC. 502. REPORT ON AIR TRAFFIC CONTROL MODERNIZATION.

(a) FAA REPORT.—Not later than 180 days after the date of enactment of this Act, the Administrator shall submit to the appropriate committees of Congress a report describing the multiyear effort of the Administration to modernize the air transportation system (in this section referred to as the "modernization effort"), including—

(1) the number of years that the modernization effort has been underway as of the date of the report;

(2) the total amount of money expended on the modernization effort as of the date of the report (including a description of how that amount was calculated);

(3) the net present value of the benefits reported from aircraft operators resulting from the money expended on the modernization effort as of the date of the report;

(4) a definition for NextGen, including a description of any changes to that definition that occurred between 2003 and the date of the report;

(5) the net present value of the money expended on NextGen as of the date of the report if such money had been deposited into a Government trust fund instead of being expended on NextGen;

(6) a description of the benefits promised and benefits delivered with respect to NextGen as of the date of the report;

(7) any changes to the benefits promised with respect to NextGen between the date on which NextGen began and the date of the report;

(8) a description of each program or project that comprises NextGen, including—

(A) when the program or project was initiated;

(B) the total budget for the program or project;

(C) the initial budget for the program or project;

(D) the acquisition program baseline for the program or project;

(E) whether the program or project has ever breached the acquisition program baseline and, if so, a description of when, why, and how the breach was resolved;

(F) whether the program or project has been rebaselined or divided into smaller segments and, if so, a description of when, why, and the impact to the cost of the program or project;

(G) the initial schedule for the program or project;

(H) whether the program or project was delayed and, if so, a description of how long, why, and the impact to the cost of the program or project;

(I) whether the Administration changed any contract term or deliverable for the program or project and, if so, a description of the change, why it happened, and the impact to the cost of the program or project;

(J) benefits promised with respect to the program or project at initiation;

(K) benefits delivered with respect to the program or project as of the date of the report;

(L) whether the program or project was cancelled and, if so, a description of why and when;

(M) for cancelled programs or projects, whether there were any costs associated with the decision to cancel and, if so, a description of the amount of the costs (including for both the Administration and the private sector);

(N) the metrics, milestones, and deadlines set for the program or project and how the Administration tracked and ensured compliance with those metrics, milestones, and deadlines;

(O) how the Administration conducted oversight of the program or project and any related stakeholder collaboration efforts;

(P) the status of the program or project as of the date of the report; and

(Q) an assessment of the key risks to the full implementation of the program and a description of how the Administration is mitigating, or plans to mitigate, those risks;

(9) the date upon which, or milestone by which, the Administration anticipates NextGen will be complete; and

(10) any lessons learned during the NextGen effort, and whether, how, and to what effect those lessons have been applied.

(b) INSPECTOR GENERAL REPORT.—Not later than 270 days after the date on which the report required under subsection (a) is submitted, the inspector general of the Department of Transportation shall review the report and submit to the appropriate committees of Congress a statement of the inspector general that—

(1) determines the accuracy of the information reported;

(2) describes any concerns with the accuracy of the information reported;

(3) summarizes concerns raised by the inspector general, the Government Accountability Office, and other sources with respect to the Administration's implementation and oversight of NextGen since the date on which NextGen began;

(4) describes—

(A) any pertinent recommendations made by the inspector general related to the Administration's implementation and oversight of NextGen since the date on which NextGen began; and

(B) whether and how the Administration addressed the recommendations; and

(5) provides any other information that the inspector general determines is appropriate.

49 USC 40101 note.

SEC. 503. RETURN ON INVESTMENT REPORT.

(a) IN GENERAL.—Not later than 1 year after the date of enactment of this Act, and annually thereafter until the date that each

NextGen program has a positive return on investment, the Administrator shall submit to the appropriate committees of Congress a report on the status of each NextGen program, including the most recent NextGen priority list under subsection (c).

(b) CONTENTS.—The report under subsection (a) shall include, for each NextGen program—

(1) an estimate of the date the program will have a positive return on investment;

(2) an explanation for any delay in the delivery of expected benefits from previously published estimates on delivery of such benefits, in implementing or utilizing the program;

(3) an estimate of the completion date;

(4) an assessment of the long-term and near-term user benefits of the program for—

(A) the Federal Government; and

(B) the users of the national airspace system; and

(5) a description of how the program directly contributes to a safer and more efficient air traffic control system.

(c) NEXTGEN PRIORITY LIST.—Based on the assessment under subsection (a), the Administrator shall—

(1) develop, in coordination with the NextGen Advisory Committee and considering the need for a balance between long-term and near-term user benefits, a prioritization of the NextGen programs;

(2) annually update the priority list under paragraph (1); and

(3) prepare budget submissions to reflect the current status of NextGen programs and projected returns on investment for each NextGen program.

(d) DEFINITION OF RETURN ON INVESTMENT.—In this section, the term "return on investment" means the cost associated with technologies that are required by law or policy as compared to the financial benefits derived from such technologies by a government or a user of airspace.

(e) REPEAL OF NEXTGEN PRIORITIES.—Section 202 of the FAA Modernization and Reform Act of 2012 (Public Law 112–95; 49 U.S.C. 40101 note) and the item relating to that section in the table of contents under section 1(b) of that Act are repealed.

SEC. 504. AIR TRAFFIC CONTROL OPERATIONAL CONTINGENCY PLANS.

49 USC 40103 note.

(a) AIR TRAFFIC CONTROL OPERATIONAL CONTINGENCY PLANS.—Not later than 1 year after the date of enactment of this Act, the Administrator shall review the Administration's air traffic control operational contingency plans (FAA Order JO 1900.47E), and, as the Administrator considers appropriate, update such plans, to address potential air traffic facility outages that could have a major impact on the operation of the national airspace system, including the most recent findings and recommendations in the report under subsection (c).

(b) UPDATES.—Not later than 60 days after the date the air traffic control operational contingency plans are reviewed under subsection (a), the Administrator shall submit to the appropriate committees of Congress a report on the review, including any recommendations for ensuring air traffic facility outages do not have a major impact on the operation of the national airspace system.

(c) RESILIENCY RECOMMENDATIONS.—Not later than 180 days after the date of enactment of this Act, and periodically thereafter

as the Administrator considers appropriate, the Administrator shall convene NextGen program officials to evaluate, expedite, and complete a report on how planned NextGen capabilities can enhance the resiliency and continuity of national airspace system operations and mitigate the impact of future air traffic control disruptions.

SEC. 505. 2020 ADS-B OUT MANDATE PLAN.

The Administrator, in collaboration with the NextGen Advisory Committee, shall—

(1) not later than 90 days after the date of enactment of this Act—

(A) identify any known and potential barriers to compliance with the 2020 ADS–B Out mandate under section 91.225 of title 14, Code of Federal Regulations;

(B) develop a plan to address the known barriers identified in paragraph (1), including a schedule for—

(i) periodically reevaluating the potential barriers identified in paragraph (1); and

(ii) developing solutions and implementing actions to address the known and potential barriers; and

(C) submit the plan to the appropriate committees of Congress; and

(2) not later than 90 days after the date the plan is submitted under paragraph (1), submit to the appropriate committees of Congress a report on the progress made toward meeting the 2020 ADS–B Out mandate.

49 USC 44704 note.

SEC. 506. SECURING AIRCRAFT AVIONICS SYSTEMS.

(a) IN GENERAL.—The Administrator shall consider, where appropriate, revising Federal Aviation Administration regulations regarding airworthiness certification—

(1) to address cybersecurity for avionics systems, including software components; and

(2) to require that aircraft avionics systems used for flight guidance or aircraft control be secured against unauthorized access via passenger in-flight entertainment systems through such means as the Administrator determines appropriate to protect the avionics systems from unauthorized external and internal access.

(b) CONSIDERATION.—In carrying out subsection (a), the Administrator shall consider the recommendations of the Aircraft Systems Information Security Protection Working Group under section 2111 of the FAA Extension Safety and Security Act of 2016 (Public Law 114–190; 130 Stat. 615).

49 USC 40101 note.

SEC. 507. HUMAN FACTORS.

(a) IN GENERAL.—In order to avoid having to subsequently modify products and services developed as a part of NextGen, the Administrator shall—

(1) recognize and incorporate, in early design phases of all relevant NextGen programs, the human factors and procedural and airspace implications of stated goals and associated technical changes; and

(2) ensure that a human factors specialist, separate from the research and certification groups, is directly involved with the NextGen approval process.

(b) REPORT.—Not later than 1 year after the date of enactment of this Act, the Administrator shall submit to the appropriate

committees of Congress a report on the progress made toward implementing the requirements under subsection (a).

SEC. 508. PROGRAMMATIC RISK MANAGEMENT.

49 USC 40101 note.

To better inform the Administration's decisions regarding the prioritization of efforts and allocation of resources for NextGen, the Administrator shall—

(1) solicit input from specialists in probability and statistics to identify and prioritize the programmatic and implementation risks to NextGen; and

(2) develop a method to manage and mitigate the risks identified in paragraph (1).

SEC. 509. REVIEW OF FAA STRATEGIC CYBERSECURITY PLAN.

49 USC 44903 note.

(a) IN GENERAL.—Not later than 1 year after the date of enactment of this Act, the Administrator shall initiate a review of the comprehensive and strategic framework of principles and policies (referred to in this section as the "framework") developed pursuant to section 2111 of the FAA Extension, Safety, and Security Act of 2016 (49 U.S.C. 44903 note).

(b) CONTENTS.—In undertaking the review under subsection (a), the Administrator shall—

(1) assess the degree to which the framework identifies and addresses known cybersecurity risks associated with the aviation system;

(2) review existing short- and long-term objectives for addressing cybersecurity risks to the national airspace system; and

(3) assess the Administration's level of engagement and coordination with aviation stakeholders and other appropriate agencies, organizations, or groups with which the Administration consults to carry out the framework.

(c) UPDATES.—Upon completion of the review under subsection (a), the Administrator shall modify the framework, as appropriate, to address any deficiencies identified by the review.

(d) REPORT TO CONGRESS.—Not later than 180 days after initiating the review required by subsection (a), the Administrator shall submit to the appropriate committees of Congress a report on the results of the review, including a description of any modifications made to the framework.

SEC. 510. CONSOLIDATION AND REALIGNMENT OF FAA SERVICES AND FACILITIES.

(a) PURPOSE AND INPUT.—Section 804(a) of the FAA Modernization and Reform Act of 2012 (49 U.S.C. 44501 note) is amended—

(1) in paragraph (2) by striking "The purpose of the report shall be—" and all that follows through "(B) to reduce" and inserting "The purpose of the report shall be to reduce"; and

(2) by striking paragraph (4) and inserting the following:

"(4) INPUT.—The report shall be prepared by the Administrator (or the Administrator's designee) with the participation of—

"(A) representatives of labor organizations representing air traffic control system employees of the FAA; and

"(B) industry stakeholders.".

(b) MILITARY OPERATIONS EXCLUSION.—Section 804 of the FAA Modernization and Reform Act of 2012 (49 U.S.C. 44501 note) is amended—

(1) by redesignating subsection (e) as subsection (f); and

(2) by inserting after subsection (d) the following:

"(e) MILITARY OPERATIONS EXCLUSION.—

"(1) IN GENERAL.—The Administrator may not realign or consolidate a combined TRACON and tower with radar facility of the FAA under this section if, in 2015, the total annual military operations at the facility comprised at least 40 percent of the total annual TRACON operations at the facility.

"(2) TRACON DEFINED.—In this subsection, the term 'TRACON' means terminal radar approach control.".

49 USC 106 note.

SEC. 511. FAA REVIEW AND REFORM.

(a) AGENCY REPORT.—Not later than 60 days after the date of enactment of this Act, the Administrator shall submit to the appropriate committees of Congress a detailed analysis of any actions taken to address the findings and recommendations included in the report required under section 812(d) of the FAA Modernization and Reform Act of 2012 (49 U.S.C. 106 note), including—

(1) consolidating, phasing-out, or eliminating duplicative positions, programs, roles, or offices;

(2) eliminating or streamlining wasteful practices;

(3) eliminating or phasing-out redundant, obsolete, or unnecessary functions;

(4) reforming and streamlining inefficient processes so that the activities of the Administration are completed in an expedited and efficient manner; and

(5) reforming or eliminating ineffectual or outdated policies.

(b) ADDITIONAL REVIEW.—Not later than 18 months after the date of enactment of this Act, the Administrator shall undertake and complete a thorough review of each program, office, and organization within the Administration to identify—

(1) duplicative positions, programs, roles, or offices;

(2) wasteful practices;

(3) redundant, obsolete, or unnecessary functions;

(4) inefficient processes; and

(5) ineffectual or outdated policies.

(c) ACTIONS TO STREAMLINE AND REFORM FAA.—Not later than 60 days after the date of completion of the review under subsection (b), the Administrator shall undertake such actions as may be necessary to address the findings of the Administrator under such subsection.

(d) REPORT TO CONGRESS.—Not later than 120 days after the date of completion of the review under subsection (b), the Administrator shall submit to the appropriate committees of Congress a report on the actions taken by the Administrator pursuant to subsection (c), including any recommendations for legislative or administrative actions.

49 USC 40103 note.

SEC. 512. AIR SHOWS.

On an annual basis, the Administrator shall work with representatives of Administration-approved air shows, the general aviation community, and stadiums and other large outdoor events and venues to identify and resolve, to the maximum extent practicable, scheduling conflicts between Administration-approved air shows and large outdoor events and venues where—

(1) flight restrictions will be imposed pursuant to section 521 of title V of division F of Public Law 108–199 (118 Stat. 343); or

(2) any other restriction will be imposed pursuant to Federal Aviation Administration Flight Data Center Notice to Airmen 4/3621 (or any successor notice to airmen).

SEC. 513. PART 91 REVIEW, REFORM, AND STREAMLINING.

49 USC 40101 note.

(a) ESTABLISHMENT OF TASK FORCE.—Not later than 90 days after the date of enactment of this Act, the Administrator shall establish a task force comprised of representatives of the general aviation industry who regularly perform part 91 operations, labor unions (including those representing FAA aviation safety inspectors and FAA aviation safety engineers), manufacturers, and the Government to—

(1) conduct an assessment of the FAA oversight and authorization processes and requirements for aircraft under part 91; and

(2) make recommendations to streamline the applicable authorization and approval processes, improve safety, and reduce regulatory cost burdens and delays for the FAA and aircraft owners and operators who operate pursuant to part 91.

(b) CONTENTS.—In conducting the assessment and making recommendations under subsection (a), the task force shall consider—

(1) process reforms and improvements to allow the FAA to review and approve applications in a fair and timely fashion;

(2) the appropriateness of requiring an authorization for each experimental aircraft rather than using a broader all-makes-and-models approach;

(3) ways to improve the timely response to letters of authorization applications for aircraft owners and operators who operate pursuant to part 91, including setting deadlines and granting temporary or automatic authorizations if deadlines are missed by the FAA;

(4) methods for enhancing the effective use of delegation systems;

(5) methods for training the FAA's field office employees in risk-based and safety management system oversight; and

(6) such other matters related to streamlining part 91 authorization and approval processes as the task force considers appropriate.

(c) REPORT TO CONGRESS.—

(1) IN GENERAL.—Not later than 1 year after the date of enactment of this Act, the Administrator shall submit to the appropriate committees of Congress a report on the results of the task force's assessment.

(2) CONTENTS.—The report shall include an explanation of how the Administrator will—

(A) implement the recommendations of the task force;

(B) measure progress in implementing the recommendations; and

(C) measure the effectiveness of the implemented recommendations.

(d) IMPLEMENTATION OF RECOMMENDATIONS.—Not later than 18 months after the date of enactment of this Act, the Administrator shall implement the recommendations made under this section.

(e) DEFINITION.—In this section, the term "part 91" means part 91 of title 14, Code of Federal Regulations.

(f) APPLICABLE LAW.—Public Law 92–463 shall not apply to the task force.

(g) SUNSET.—The task force shall terminate on the day the Administrator submits the report required under subsection (c).

SEC. 514. AIRCRAFT LEASING.

Section 44112(b) of title 49, United States Code, is amended—

(1) by striking "on land or water"; and

(2) by inserting "operational" before "control".

49 USC 40101 note.

SEC. 515. PILOTS SHARING FLIGHT EXPENSES WITH PASSENGERS.

(a) GUIDANCE.—

(1) IN GENERAL.—Not later than 90 days after the date of enactment of this Act, the Administrator shall make publicly available, in a clear and concise format, advisory guidance that describes how a pilot may share flight expenses with passengers in a manner consistent with Federal law, including regulations.

(2) EXAMPLES INCLUDED.—The guidance shall include examples of—

(A) flights for which pilots and passengers may share expenses;

(B) flights for which pilots and passengers may not share expenses;

(C) the methods of communication that pilots and passengers may use to arrange flights for which expenses are shared; and

(D) the methods of communication that pilots and passengers may not use to arrange flights for which expenses are shared.

(b) REPORT.—

(1) IN GENERAL.—Not later than 180 days after the date on which guidance is made publicly available under subsection (a), the Comptroller General of the United States shall submit to the appropriate committees of Congress a report analyzing Federal policy with respect to pilots sharing flight expenses with passengers.

(2) EVALUATIONS INCLUDED.—The report submitted under paragraph (1) shall include an evaluation of—

(A) the rationale for such Federal policy;

(B) safety and other concerns related to pilots sharing flight expenses with passengers; and

(C) benefits related to pilots sharing flight expenses with passengers.

49 USC 44720 note.

SEC. 516. TERMINAL AERODROME FORECAST.

(a) IN GENERAL.—The Administrator shall permit a covered air carrier to operate to or from a location in a noncontiguous State without a Terminal Aerodrome Forecast or Meteorological Aerodrome Report if—

(1) such location is determined to be under visual meteorological conditions;

(2) a current Area Forecast, supplemented by other local weather observations or reports, is available; and

(3) an alternate airport that has an available Terminal Aerodrome Forecast and weather report is specified.

(b) PROCEDURES.—A covered air carrier shall—

(1) have approved procedures for dispatch or release and enroute weather evaluation; and

(2) operate under instrument flight rules enroute to the destination.

(c) LIMITATION.—Without a written finding of necessity, based on objective and historical evidence of imminent threat to safety, the Administrator shall not promulgate any operation specification, policy, or guidance document pursuant to this section that is more restrictive than, or requires procedures that are not expressly stated in, the regulations.

(d) COVERED AIR CARRIER DEFINED.—In this section, the term "covered air carrier" means an air carrier operating in a noncontiguous State under part 121 of title 14, Code of Federal Regulations.

SEC. 517. PUBLIC AIRCRAFT ELIGIBLE FOR LOGGING FLIGHT TIMES.

49 USC 44703 note.

The Administrator shall issue regulations modifying section 61.51(j)(4) of title 14, Code of Federal Regulations, so as to include aircraft under the direct operational control of forestry and fire protection agencies as public aircraft eligible for logging flight times.

SEC. 518. AIRCRAFT REGISTRY OFFICE.

The Administrator shall designate employees at the Aircraft Registry Office in Oklahoma City, Oklahoma, as excepted employees in the event of a shutdown or emergency furlough to ensure that the office remains open for the duration of the lapse in Federal Government appropriations to the Federal Aviation Administration.

SEC. 519. FAA DATA TRANSPARENCY.

Section 45303 of title 49, United States Code, is amended by adding at the end the following:

"(g) DATA TRANSPARENCY.—

"(1) AIR TRAFFIC SERVICES INITIAL DATA REPORT.—

"(A) INITIAL REPORT.—Not later than 6 months after the date of enactment of the FAA Reauthorization Act of 2018, the Administrator and the Chief Operating Officer of the Air Traffic Organization shall, based upon the most recently available full fiscal year data, complete the following calculations for each segment of air traffic services users:

"(i) The total costs allocable to the use of air traffic services for that segment during such fiscal year.

"(ii) The total revenues received from that segment during such fiscal year.

"(B) VALIDATION OF MODEL.—

"(i) REVIEW AND DETERMINATION.—Not later than 3 months after completion of the initial report required under subparagraph (A), the inspector general of the Department of Transportation shall review and determine the validity of the model used by the Administrator and the Chief Operating Officer to complete the calculations required under subparagraph (A).

"(ii) VALIDATION PROCESS.—In the event that the inspector general determines that the model used by the Administrator and the Chief Operating Officer to complete the calculations required by subparagraph (A) is not valid—

"(I) the inspector general shall provide the Administrator and Chief Operating Officer recommendations on how to revise the model;

"(II) the Administrator and the Chief Operating Officer shall complete the calculations required by subparagraph (A) utilizing the revised model and resubmit the revised initial report required under subparagraph (A) to the inspector general; and

"(III) not later than 3 months after completion of the revised initial report required under subparagraph (A), the inspector general shall review and determine the validity of the revised model used by the Administrator and the Chief Operating Officer to complete the calculations required by subparagraph (A).

"(iii) ACCESS TO DATA.—The Administrator and the Chief Operating Officer shall provide the inspector general of the Department of Transportation with unfettered access to all data produced by the cost accounting system operated and maintained pursuant to subsection (e).

"(C) REPORT TO CONGRESS.—Not later than 60 days after completion of the review and receiving a determination that the model used is valid under subparagraph (B), the Administrator and the Chief Operating Officer shall submit to the Committee on Transportation and Infrastructure, the Committee on Appropriations, and the Committee on Ways and Means of the House of Representatives, and the Committee on Commerce, Science, and Transportation, the Committee on Appropriations, and the Committee on Finance of the Senate a report describing the results of the calculations completed under subparagraph (A).

"(D) PUBLICATION.—Not later than 60 days after submission of the report required under subparagraph (C), the Administrator and Chief Operating Officer shall publish the initial report, including any revision thereto if required as a result of the validation process for the model.

"(2) AIR TRAFFIC SERVICES BIENNIAL DATA REPORTING.—

"(A) BIENNIAL DATA REPORTING.—Not later than March 31, 2019, and biennially thereafter for 8 years, the Administrator and the Chief Operating Officer shall, using the validated model, complete the following calculations for each segment of air traffic services users for the most recent full fiscal year:

"(i) The total costs allocable to the use of the air traffic services for that segment.

"(ii) The total revenues received from that segment.

"(B) REPORT TO CONGRESS.—Not later than 15 days after completing the calculations under subparagraph (A), the Administrator and the Chief Operating Officer shall complete and submit to the Committee on Transportation and Infrastructure, the Committee on Appropriations, and the Committee on Ways and Means of the House of Representatives, and the Committee on Commerce, Science, and Transportation, the Committee on Appropriations, and

the Committee on Finance of the Senate a report containing the results of such calculations.

"(C) PUBLICATION.—Not later than 60 days after completing the calculations pursuant to subparagraph (A), the Administrator and the Chief Operating Officer shall publish the results of such calculations.

"(3) SEGMENTS OF AIR TRAFFIC SERVICES USERS.—

"(A) IN GENERAL.—For purposes of this subsection, each of the following shall constitute a separate segment of air traffic services users:

"(i) Passenger air carriers conducting operations under part 121 of title 14, Code of Federal Regulations.

"(ii) All-cargo air carriers conducting operations under part 121 of such title.

"(iii) Operators covered by part 125 of such title.

"(iv) Air carriers and operators of piston-engine aircraft operating under part 135 of such title.

"(v) Air carriers and operators of turbine-engine aircraft operating under part 135 of such title.

"(vi) Foreign air carriers providing passenger air transportation.

"(vii) Foreign air carriers providing all-cargo air transportation.

"(viii) Operators of turbine-engine aircraft operating under part 91 of such title, excluding those operating under subpart (K) of such part.

"(ix) Operators of piston-engine aircraft operating under part 91 of such title, excluding those operating under subpart (K) of such part.

"(x) Operators covered by subpart (K) of part 91 of such title.

"(xi) Operators covered by part 133 of such title.

"(xii) Operators covered by part 136 of such title.

"(xiii) Operators covered by part 137 of such title.

"(xiv) Operators of public aircraft that qualify under section 40125.

"(xv) Operators of aircraft that neither take off from, nor land in, the United States.

"(B) ADDITIONAL SEGMENTS.—The Secretary may identify and include additional segments of air traffic users under subparagraph (A) as revenue and air traffic services cost data become available for that additional segment of air traffic services users.

"(4) DEFINITIONS.—For purposes of this subsection:

"(A) AIR TRAFFIC SERVICES.—The term 'air traffic services' means services—

"(i) used for the monitoring, directing, control, and guidance of aircraft or flows of aircraft and for the safe conduct of flight, including communications, navigation, and surveillance services and provision of aeronautical information; and

"(ii) provided directly, or contracted for, by the Federal Aviation Administration.

"(B) AIR TRAFFIC SERVICES USER.—The term 'air traffic services user' means any individual or entity using air traffic services provided directly, or contracted for, by the

Federal Aviation Administration within United States airspace or international airspace delegated to the United States.".

49 USC 40113 note.

SEC. 520. INTRA-AGENCY COORDINATION.

Not later than 120 days after the date of enactment of this Act, the Administrator shall implement a policy that—

(1) designates the Associate Administrator for Commercial Space Transportation as the primary liaison between the commercial space transportation industry and the Administration;

(2) recognizes the necessity of, and set forth processes for, launch license and permit holder coordination with the Air Traffic Organization on matters including—

(A) the use of air navigation facilities;

(B) airspace safety; and

(C) planning of commercial space launch and launch support activities;

(3) designates a single point of contact within the Air Traffic Organization who is responsible for—

(A) maintaining letters of agreement between a launch license or permit holder and a Federal Aviation Administration facility;

(B) making such letters of agreement available to the Associate Administrator for Commercial Space Transportation;

(C) ensuring that a facility that has entered into such a letter of agreement is aware of and fulfills its responsibilities under the letter; and

(D) liaising between the Air Traffic Organization and the Associate Administrator for Commercial Space Transportation on any matter relating to such a letter of agreement; and

(4) requires the Associate Administrator for Commercial Space Transportation to facilitate, upon the request of a launch license or permit holder—

(A) coordination between a launch license and permit holder and the Air Traffic Organization; and

(B) the negotiation of letters of agreement between a launch license or permit holder and a Federal Aviation Administration facility or the Air Traffic Organization.

SEC. 521. ADMINISTRATIVE SERVICES FRANCHISE FUND.

(a) IN GENERAL.—Not later than 30 days after the date of enactment of this section, the inspector general of the Department of Transportation shall initiate an audit of the Administrative Services Franchise Fund of the FAA (in this section referred to as the "Franchise Fund").

(b) CONSIDERATIONS.—In conducting the audit pursuant to subsection (a), the inspector general shall—

(1) review the history, intended purpose, and objectives of the Franchise Fund;

(2) describe and assess each program, service, or activity that uses the Franchise Fund, including—

(A) the agencies or government bodies that use each program, service, or activity;

(B) the number of employees, including full-time equivalents and contractors, associated with each program, service, or activity;

(C) the costs associated with the employees described in subparagraph (B) and the extent to which such costs are covered by Federal appropriations or Franchise Fund revenue;

(D) the revenue, expenses, and profits or losses associated with each program, service, or activity;

(E) overhead rates associated with each program, service, or activity; and

(F) a breakdown of the revenue collected from services provided to the FAA, Department of Transportation, other Federal entities, and non-Federal entities;

(3) assess the FAA's governance and oversight of the Franchise Fund and the programs, service, and activities that use the Franchise Fund, including the use of internal and publicly available performance metrics;

(4) evaluate the current and historical unobligated and unexpended balances of the Franchise Fund; and

(5) assess the degree to which FAA policies and controls associated with the Franchise Fund conform with generally accepted accounting principles, Federal policies, best practices, or other guidance relating to revolving funds.

(c) REPORT.—Not later than 180 days after the date of initiation of the audit described in subsection (a), the inspector general shall submit to the appropriate committees of Congress a report on the results of the audit, including findings and recommendations.

SEC. 522. AUTOMATIC DEPENDENT SURVEILLANCE-BROADCAST.

(a) REPEAL.—Subsection (b) of section 211 of the FAA Modernization and Reform Act of 2012 (49 U.S.C. 40101 note) is repealed.

(b) REQUIREMENT.—The Administrator shall ensure that any regulation issued pursuant to such subsection has no force or effect. 49 USC 40101 note.

SEC. 523. CONTRACT WEATHER OBSERVERS.

Section 2306(b) of the FAA Extension, Safety, and Security Act of 2016 (Public Law 114–190; 130 Stat. 641) is amended by striking "2018" and inserting "2023".

SEC. 524. REGIONS AND CENTERS.

(a) IN GENERAL.—Section 44507 of title 49, United States Code, is amended—

(1) by striking the section heading and inserting "**Regions and centers**";

(2) by striking "The Civil Aeromedical Institute" and inserting the following:

"(a) CIVIL AEROMEDICAL INSTITUTE.—The Civil Aeromedical Institute"; and

(3) by adding at the end the following:

"(b) WILLIAM J. HUGHES TECHNICAL CENTER.—The Secretary of Transportation shall define the roles and responsibilities of the William J. Hughes Technical Center in a manner that is consistent with the defined roles and responsibilities of the Civil Aeromedical Institute under subsection (a).".

49 USC prec. 44501.

(b) CLERICAL AMENDMENT.—The analysis for chapter 445 of title 49, United States Code, is amended by striking the item relating to section 44507 and inserting the following:

"44507. Regions and centers.".

49 USC 40101 note.

SEC. 525. GEOSYNTHETIC MATERIALS.

The Administrator, to the extent practicable, shall encourage the use of durable, resilient, and sustainable materials and practices, including the use of geosynthetic materials and other innovative technologies, in carrying out the activities of the Federal Aviation Administration.

SEC. 526. NATIONAL AIRMAIL MUSEUM.

(a) FINDINGS.—Congress finds that—

(1) in 1930, commercial airmail carriers began operations at Smith Field in Fort Wayne, Indiana;

(2) the United States lacks a national museum dedicated to airmail; and

(3) the airmail hangar at Smith Field in Fort Wayne, Indiana—

(A) will educate the public on the role of airmail in aviation history; and

(B) honor the role of the hangar in the history of the Nation's airmail service.

(b) DESIGNATION.—

(1) IN GENERAL.—The airmail museum located at the Smith Field in Fort Wayne, Indiana, is designated as the "National Airmail Museum".

(2) EFFECT OF DESIGNATION.—The national museum designated by this section is not a unit of the National Park System and the designation of the National Airmail Museum shall not require or permit Federal funds to be expended for any purpose related to that national memorial.

SEC. 527. STATUS OF AGREEMENT BETWEEN FAA AND LITTLE ROCK PORT AUTHORITY.

(a) BRIEFING REQUIREMENT.—Not later than 30 days after the date of enactment of this Act, the Administrator shall provide to the appropriate committees of Congress a briefing on the agreement between the FAA and the Little Rock Port Authority to relocate the Little Rock Very High Frequency Omnidirectional Range with Collocated Tactical Air Control and Navigation (LIT VORTAC).

(b) BRIEFING CONTENTS.—The briefing required under subsection (a) shall include the following:

(1) The status of the efforts by the Federal Aviation Administration to relocate the LIT VORTAC.

(2) The long-term and short-term budget projections for the relocation project.

(3) A description of and timeline for each phase of the relocation project.

(4) A description of and explanation for the required location radius.

(5) A description of work completed by the Federal Aviation Administration as of the date of the briefing.

SEC. 528. BRIEFING ON AIRCRAFT DIVERSIONS FROM LOS ANGELES INTERNATIONAL AIRPORT TO HAWTHORNE MUNICIPAL AIRPORT.

Not later than 1 year after the date of the enactment of this Act, the Administrator shall provide a briefing to appropriate committees of Congress on diversions of aircraft from Los Angeles International Airport to Hawthorne Municipal Airport, also known as Jack Northrop Field, in the City of Hawthorne, California. This briefing shall cover at least the previous one-year period and include the total number of aircraft diversions, the average number of diversions per day, the types of aircraft diverted, and the reasons for the diversions.

SEC. 529. TFR REPORT.

(a) IN GENERAL.—Not later than 1 year after the date of enactment of this Act (except as described in subsection (d)), the Administrator shall submit to the appropriate committees of Congress a report containing the results of the study described in subsection (b).

(b) RECOMMENDATIONS.—The Administrator shall make recommendations based on—

(1) an analysis of—

(A) the economic effects of temporary flight restrictions, particularly temporary flight restrictions issued pursuant to section 91.141 of title 14, Code of Federal Regulations, on airports or aviation-related businesses located or based in an area covered by the temporary flight restriction; and

(B) potential options and recommendations for mitigating identified negative economic effects on airports or aviation-related businesses located or based in an area frequently covered by a temporary flight restriction; and

(2) an analysis of the potential for using security procedures similar to those described in the Maryland Three Program (allowing properly vetted private pilots to fly to, from, or between the three general aviation airports closest to the National Capital Region) during temporary flight restrictions in the following airports:

(A) Solberg Airport.

(B) Somerset Airport.

(C) Palm Beach County Park Airport (also known as Lantana Airport).

(c) COLLABORATION.—In making the recommendations described in subsection (b), the Administrator shall consult with—

(1) industry stakeholders; and

(2) the head of any other agency that, in the Administrator's determination, is a stakeholder agency.

(d) SPECIAL DEADLINE.—Not later than 90 days after the date of enactment of this Act, the Administrator shall submit to the appropriate committees of Congress a report containing the results of the portion of the study described in subsection (b)(1)(A).

SEC. 530. AIR TRAFFIC SERVICES AT AVIATION EVENTS.

49 USC 40103 note.

(a) REQUIREMENT TO PROVIDE SERVICES AND RELATED SUPPORT.—The Administrator shall provide air traffic services and aviation safety support for large, multiday aviation events, including airshows and fly-ins, where the average daily number of manned

operations were 1,000 or greater in at least one of the preceding two years, without the imposition or collection of any fee, tax, or other charge for that purpose. Amounts for the provision of such services and support shall be derived from amounts appropriated or otherwise available for the Administration.

(b) DETERMINATION OF SERVICES AND SUPPORT TO BE PROVIDED.—In determining the services and support to be provided for an aviation event for purposes of subsection (a), the Administrator shall take into account the following:

(1) The services and support required to meet levels of activity at prior events, if any, similar to the event.

(2) The anticipated need for services and support at the event.

SEC. 531. APPLICATION OF VETERANS' PREFERENCE TO FEDERAL AVIATION ADMINISTRATION PERSONNEL MANAGEMENT SYSTEM.

Section 40122(g)(2)(B) of title 49, United States Code, is amended—

(1) by inserting "3304(f), to the extent consistent with the Federal Aviation Administration's status as an excepted service agency," before "3308–3320"; and

(2) by inserting "3330a, 3330b, 3330c, and 3330d," before "relating".

49 USC 44701 note.

SEC. 532. CLARIFICATION OF REQUIREMENTS FOR LIVING HISTORY FLIGHTS.

(a) IN GENERAL.—Notwithstanding any other law or regulation, in administering sections 61.113(c), 91.9, 91.315, 91.319(a)(1), 91.319(a)(2), 119.5(g), and 119.21(a) of title 14, Code of Federal Regulations (or any successor regulations), the Administrator shall allow an aircraft owner or operator to accept monetary or in-kind donations for a flight operated by a living history flight experience provider, if the aircraft owner or operator has—

(1) volunteered to provide such transportation; and

(2) notified any individual that will be on the flight, at the time of inquiry about the flight, that the flight operation is for charitable purposes and is not subject to the same requirements as a commercial flight.

(b) CONDITIONS TO ENSURE PUBLIC SAFETY.—The Administrator, consistent with current standards of the Administration for such operations, shall impose minimum standards with respect to training and flight hours for operations conducted by an owner or operator of an aircraft providing living history flight experience operations, including mandating that the pilot in command of such aircraft hold a commercial pilot certificate with instrument rating and be current and qualified with respect to all ratings or authorizations applicable to the specific aircraft being flown to ensure the safety of flight operations described in subsection (a).

(c) LIVING HISTORY FLIGHT EXPERIENCE PROVIDER DEFINED.—In this section, the term "living history flight experience provider" means an aircraft owner, aircraft operator, or organization that provides, arranges, or otherwise fosters living history flight experiences for the purpose of fulfilling its mission.

SEC. 533. REVIEW AND REFORM OF FAA PERFORMANCE MANAGEMENT SYSTEM.

(a) ESTABLISHMENT OF ADVISORY PANEL.—Not later than 90 days after the date of enactment of this section, the Secretary of Transportation shall establish an advisory panel comprising no more than 7 independent, nongovernmental experts in budget, finance, or personnel management to review and evaluate the effectiveness of the FAA's personnel management system and performance management program for employees not covered by collective bargaining agreements.

(b) REVIEW, EVALUATION, AND RECOMMENDATIONS.—The advisory panel shall, at a minimum—

(1) review all appropriate FAA orders, policies, procedures, guidance, and the Human Resources Policy Manual;

(2) review any applicable reports regarding FAA's personnel management system, including reports of the Department of Transportation Office of Inspector General, Government Accountability Office, and National Academy of Public Administration, and determine the status of recommendations made in those reports;

(3) review the personnel management system of any other agency or governmental entity with a similar system to the FAA for best practices with regard to personnel management;

(4) assess the unique personnel authorities granted to the FAA, determine whether the FAA has taken full advantage of those authorities, and identify those authorities the FAA has not fully taken advantage of;

(5) review and determine the overall effectiveness of the FAA's compensation, bonus pay, performance metrics, and evaluation processes for employees not covered by collective bargaining agreements;

(6) review whether existing performance metrics and bonus pay practices align with the FAA's mission and significantly improve the FAA's provision of air traffic services, implementation of air traffic control modernization initiatives, and accomplishment of other FAA operational objectives;

(7) identify the highest, lowest, and average complete compensation for each position of employees not covered by collective bargaining agreements;

(8) survey interested parties and stakeholders, including representatives of the aviation industry, for their views and recommendations regarding improvements to the FAA's personnel management system and performance management program;

(9) develop recommendations to address the findings of the work done pursuant to paragraphs (1) through (7), and to address views and recommendations raised by interested parties pursuant to paragraph (8); and

(10) develop recommendations to improve the FAA's personnel management system and performance management program, including the compensation, bonus pay, performance metrics, and evaluation processes, for employees not covered by collective bargaining agreements.

(c) REPORT.—Not later than 1 year after initiating the review and evaluation pursuant to subsection (a), the advisory panel shall submit a report on the results of the review and evaluation and

its recommendations to the Secretary, the Administrator, the appropriate committees of Congress.

(d) REPORT TO CONGRESS.—Not later than 3 months after submittal of the report pursuant to subsection (c), the Administrator shall transmit to the appropriate committees of Congress a report summarizing the findings of the advisory panel that—

(1) contains an explanation of how the Administrator will implement the recommendations of the advisory panel and measure the effectiveness of the recommendations; and

(2) specifies any recommendations that the Administrator will not implement and the reasons for not implementing such recommendations.

(e) SUNSET.—The advisory panel shall terminate on the date that is 60 days after the transmittal of the report pursuant to subsection (d).

SEC. 534. NEXTGEN DELIVERY STUDY.

(a) STUDY.—Not later than 180 days after the enactment of this Act, the inspector general of the Department of Transportation shall initiate a study of the potential impacts of a significantly delayed, significantly diminished, or completely failed delivery of the Next Generation Air Transportation System modernization initiative by the Federal Aviation Administration, including impacts to the air traffic control system and the national airspace system as a whole.

(b) SCOPE OF STUDY.—In carrying out the study under subsection (a), the inspector general shall assess the Administration's performance related to the NextGen modernization initiative, including—

(1) the potential impacts on the operational efficiency of our aviation system;

(2) an analysis of potential economic losses and stranded investments directly related to NextGen;

(3) an analysis of the potential impacts to our international competitiveness in aviation innovation;

(4) an analysis of the main differences that would be seen in our air traffic control system;

(5) the potential impacts on the flying public, including potential impacts to flight times, fares, and delays in the air and on the ground;

(6) the effects on supply chains reliant on air transportation of cargo;

(7) the potential impacts on the long-term benefits promised by NextGen;

(8) an analysis of the potential impacts on aircraft noise and flight paths;

(9) the potential changes in separation standards, fuel consumption, flight paths, block times, and landing procedures or lack thereof;

(10) the potential impacts on aircraft taxi times and aircraft emissions or lack thereof;

(11) a determination of the total potential costs and logistical challenges of the failure of NextGen, including a comparison of the potential loss of the return on public and private sector investment related to NextGen, as compared to other available investment alternatives, between December 12, 2003, and the date of enactment of this Act; and

(12) other matters arising in the course of the study.

(c) REPORT.—Not later than 1 year after the date of initiation of the study under subsection (a), the inspector general shall submit to the appropriate committees of Congress a report on the results of the study.

SEC. 535. STUDY ON ALLERGIC REACTIONS.

Not later than 120 days after the date of enactment of this Act, the Administrator shall—

(1) study the prevalence of allergic reactions on board flights, whether airlines universally report reactions to the Federal Aviation Administration, and the frequency of first aid inventory checks to ensure medicine to prevent anaphylactic shock is in an aircraft; and

(2) submit a report to the Committees on Transportation and Infrastructure, Energy and Commerce, and Appropriations of the House of Representatives and the Committees on Commerce, Science, and Transportation, Health, Education, Labor, and Pensions, and Appropriations of the Senate.

SEC. 536. OXYGEN MASK DESIGN STUDY.

Not later than 180 days after the date of enactment of this Act, the Administrator shall conduct a study to review and evaluate the design and effectiveness of commercial aircraft oxygen masks. In conducting the study, the Administrator shall determine whether the current design of oxygen masks is adequate, and whether changes to the design could increase correct passenger usage of the masks.

SEC. 537. AIR CARGO STUDY.

(a) IN GENERAL.—Not later than 6 months after the date of enactment of this Act, the Comptroller General of the United States shall begin a study of international air cargo services among the United States and Central American, South American, and Caribbean Basin countries, that—

(1) analyzes the supply of and demand for air cargo transportation services among the United States and Central American, South American, and Caribbean Basin countries;

(2) analyzes the supply of and demand for air cargo transportation services between—

(A) the United States, Central American, South American, and Caribbean Basin countries; and

(B) African and European countries;

(3) identifies the busiest routes in terms of cargo capacity and frequency of air service;

(4) identifies any air carrier or foreign air carrier hubs in Central American, South American, and Caribbean Basin countries at which a significant amount of air cargo is sorted, handled, or consolidated for transportation to or from the United States;

(5) identifies any air carrier or foreign air carrier hubs in the United States at which a significant amount of air cargo is sorted, handled, or consolidated for transportation to or from Central American, South American, and Caribbean Basin countries.

(6) identifies any significant gaps in the air cargo services or cargo air carrier networks—

(A) among the countries described in paragraph (2)(A);

(B) between such countries and African countries; and

(C) between such countries and European countries; and

(7) assesses the possible impact of the establishment of an air carrier hub in Puerto Rico at which air cargo is sorted, handled, or consolidated for transportation to or from the United States, including the impact on—

(A) the employment rate and economy of Puerto Rico;

(B) domestic and foreign air transportation of cargo;

(C) United States competitiveness in the air transportation of cargo;

(D) air cargo operations at other airports in the United States; and

(E) domestic air carrier employment.

(b) REPORT.—Not later than 12 months after the date of enactment of this Act, the Comptroller General shall submit to the appropriate committees of Congress a report on the results of the study described in subsection (a).

(c) DEFINITION.—In this section, the term "Caribbean Basin countries" has the same meaning given the term "Caribbean Basin country" in section 501 of the Food for Peace Act (7 U.S.C. 1737).

SEC. 538. SENSE OF CONGRESS ON PREVENTING THE TRANSPORTATION OF DISEASE-CARRYING MOSQUITOES AND OTHER INSECTS ON COMMERCIAL AIRCRAFT.

It is the sense of Congress that the Secretary of Transportation and the Secretary of Agriculture should, in coordination and consultation with the World Health Organization, develop a framework and guidance for the use of safe, effective, and nontoxic means of preventing the transportation of disease-carrying mosquitoes and other insects on commercial aircraft.

SEC. 539. TECHNICAL CORRECTIONS.

(a) AIRPORT CAPACITY ENHANCEMENT PROJECTS AT CONGESTED AIRPORTS.—Section 40104(c) of title 49, United States Code, is amended by striking "section 47176" and inserting "section 47175".

(b) PASSENGER FACILITY CHARGES.—Section 40117(a)(5) of title 49, United States Code, is amended by striking "charge or charge" and inserting "charge".

(c) OVERFLIGHTS OF NATIONAL PARKS.—Section 40128(a)(3) of title 49, United States Code, is amended by striking "under part 91 of the title 14," and inserting "under part 91 of title 14,".

(d) PLANS TO ADDRESS NEEDS OF FAMILIES OF PASSENGERS INVOLVED IN FOREIGN AIR CARRIER ACCIDENTS.—Section 41313(c)(16) of title 49, United States Code, is amended by striking "An assurance that the foreign air carrier" and inserting "An assurance that".

(e) OPERATIONS OF CARRIERS.—The analysis for chapter 417 of title 49, United States Code, is amended by striking the item relating to section 41718 and inserting the following:

49 USC prec. 41701.

"41718. Special rules for Ronald Reagan Washington National Airport.".

(f) SCHEDULES FOR CERTAIN TRANSPORTATION OF MAIL.—Section 41902(a) of title 49, United States Code, is amended by striking "section 41906" and inserting "section 41905".

(g) WEIGHING MAIL.—Section 41907 of title 49, United States Code, is amended by striking "and" and all that follows through "administrative" and inserting "and administrative".

(h) STRUCTURES INTERFERING WITH AIR COMMERCE OR NATIONAL SECURITY.—Section 44718(b)(1) of title 49, United States Code, is amended—

(1) in the matter preceding subparagraph (A) by striking "air navigation facilities and equipment" and inserting "air or space navigation facilities and equipment"; and

(2) in subparagraph (A)—

(A) in clause (v) by striking "and" at the end;

(B) by redesignating clause (vi) as clause (vii); and

(C) by inserting after clause (v) the following:

"(vi) the impact on launch and reentry for launch and reentry vehicles arriving or departing from a launch site or reentry site licensed by the Secretary of Transportation; and".

(i) FLIGHT ATTENDANT CERTIFICATION.—Section 44728 of title 49, United States Code, is amended—

(1) in subsection (c), by striking "chapter" and inserting "title"; and

(2) in subsection (d)(3), by striking "is" and inserting "be".

(j) FEES INVOLVING AIRCRAFT NOT PROVIDING AIR TRANSPORTATION.—Section 45302 of title 49, United States Code, is amended by striking "44703(f)(2)" each place it appears and inserting "44703(g)(2)".

(k) SCHEDULE OF FEES.—Section 45301(a)(1) of title 49, United States Code, is amended by striking "United States government" and inserting "United States Government".

(l) CLASSIFIED EVIDENCE.—Section 46111(g)(2)(A) of title 49, United States Code, is amended by striking "(18 U.S.C. App.)" and inserting "(18 U.S.C. App.))".

(m) CHAPTER 465.—The analysis for chapter 465 of title 49, United States Code, is amended by striking the following item:

49 USC prec. 46501.

"46503. Repealed.".

(n) ALLOWABLE COST STANDARDS.—Section 47110(b)(2) of title 49, United States Code, is amended—

(1) in subparagraph (B), by striking "compatability" and inserting "compatibility"; and

(2) in subparagraph (D)(i), by striking "climactic" and inserting "climatic".

(o) DEFINITION OF QUALIFIED HUBZONE SMALL BUSINESS CONCERN.—Section 47113(a)(3) of title 49, United States Code, is amended by striking "(15 U.S.C. 632(o))" and inserting "(15 U.S.C. 632(p))".

(p) SPECIAL APPORTIONMENT CATEGORIES.—Section 47117(e)(1)(B) is amended by striking "at least" and inserting "At least".

(q) SOLICITATION AND CONSIDERATION OF COMMENTS.—Section 47171(l) of title 49, United States Code, is amended by striking "4371" and inserting "4321".

(r) OPERATIONS AND MAINTENANCE.—Section 48104 is amended by striking "(a) AUTHORIZATION OF APPROPRIATIONS.—the" and inserting "The".

(s) ADJUSTMENTS TO COMPENSATION FOR SIGNIFICANTLY INCREASED COSTS.—Section 426 of the FAA Modernization and Reform Act of 2012 is amended—

(1) in subsection (a) (49 U.S.C. 41737 note) by striking "Secretary" and inserting "Secretary of Transportation"; and

(2) in subsection (c) (49 U.S.C. 41731 note) by striking "the Secretary may waive" and inserting "the Secretary of Transportation may waive".

(t) AIRCRAFT DEPARTURE QUEUE MANAGEMENT PILOT PROGRAM.—Section 507(a) of the FAA Modernization and Reform Act of 2012 (49 U.S.C. 44505 note) is amended by striking "section 48101(a)" and inserting "section 48101(a) of title 49, United States Code,".

SEC. 540. REPORT ON ILLEGAL CHARTER FLIGHTS.

Not later than 180 days after the date of enactment of this Act, the Secretary of Transportation shall submit to the appropriate committees of Congress an analysis of reports filed during the 10-year period preceding such date of enactment through the illegal charter hotline of the FAA and other sources that includes—

(1) what followup action the Department of Transportation or the Administration takes when a report of illegal charter operations is received;

(2) how the Department of Transportation or the Administration decides to allocate resources;

(3) challenges the Department of Transportation or the Administration face in identifying illegal operators; and

(4) recommendations for improving the efforts of the Department of Transportation or the Administration to combat illegal charter carrier operations.

SEC. 541. USE OF NASA'S SUPER GUPPY AIRCRAFT FOR COMMERCIAL TRANSPORT.

Notwithstanding section 40125 of title 49, United States Code, the Aero Spacelines Super Guppy Turbine B–377–SGT aircraft, serial number 0004, may be used to provide the transport, for compensation or hire, of oversized space launch vehicle components or oversized spacecraft components while continuing to qualify as a public aircraft operation pursuant to section 40102(a)(41)(A) of title 49, United States Code, if—

(1) the aircraft is owned and operated by the National Aeronautics and Space Administration;

(2) commercial operation is limited to operations conducted wholly in United States airspace; and

(3) no commercially available domestic air transport alternative exists.

SEC. 542. PROHIBITED AIRSPACE ASSESSMENT.

(a) IN GENERAL.—Not later than 1 year after the date of enactment of this Act, the Secretary of Transportation, in coordination with appropriate Federal agencies, shall conduct an assessment on the security of United States prohibited airspace designated by the Federal Aviation Administration, with a focus on permanent prohibited airspace (in this section referred to as "United States prohibited airspace").

(b) MINIMUM COMPONENTS.—The assessment developed under subsection (a) shall be unclassified but may contain a classified annex. It shall, at a minimum, include—

(1) a summary of the number and types of violations of United States prohibited airspace and historical trends of such numbers and types;

(2) an assessment of the processes used to establish United States prohibited airspace;

(3) an assessment of manned and unmanned aircraft, current and future, with the ability to penetrate United States prohibited airspace undetected;

(4) an assessment of the current and future capabilities of the United States to mitigate threats to United States prohibited airspace;

(5) recommendations on how to improve security of United States prohibited airspace; and

(6) a process to modify section 99.7 of title 14, Code of Federal Regulations, to expand the Administrator's authority to establish temporary flight restrictions in cooperation with State and local law enforcement agencies, or as required for purposes of national security, homeland security, or law enforcement support.

SEC. 543. REPORT ON MULTIAGENCY USE OF AIRSPACE AND ENVIRONMENTAL REVIEW.

(a) IN GENERAL.—Not later than 180 days after the date of the enactment of this Act, the Administrator, in consultation with the Secretary of Defense, shall submit to the covered committees of Congress a report documenting efforts made toward improving processes to resolve persistent challenges for special use airspace requests in support of, or associated with, short notice testing requirements at Major Range and Test Facility Bases, including the establishment of temporary military operations areas used for conducting short-term, scheduled exercises.

(b) ELEMENTS.—The report required under subsection (a) shall include the following elements:

(1) Analysis of previous efforts to streamline internal processes associated with the designation of temporary military operations areas at Major Range and Test Facility Bases and the use of such areas for scheduled exercises.

(2) Analysis of progress made to ensure consistency of environmental review, including impact analysis, associated environmental studies, or consultation, while complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.) and other environmental requirements.

(3) Identification of challenges, if any, in complying with the National Environmental Policy Act of 1969.

(4) A description of airspace requirements, current test and training needs statements completed during the 10-year period preceding the report, and future 5-year requirements, including all temporary military operating areas, special use airspaces, instrument routes, visual routes, and unfulfilled user requirements.

(5) Proposed options and solutions to overcome identified challenges, if any, including identifying whether—

(A) a solution or solutions can be incorporated within the existing Federal Aviation Administration and Department of Defense Memorandum of Understanding; or

(B) changes to current law are required.

(c) DEFINITIONS.—In this section:

(1) COVERED COMMITTEES OF CONGRESS.—The term "covered committees of Congress" means—

(A) the Committee on Commerce, Science, and Transportation and the Committee on Armed Services of the Senate; and

(B) the Committee on Transportation and Infrastructure and the Committee on Armed Services of the House of Representatives.

(2) MAJOR RANGE AND TEST FACILITY BASE.—The term "Major Range and Test Facility Base" has the meaning given the term in section 196(i) of title 10, United States Code.

(3) SPECIAL USE AIRSPACE.—The term "special use airspace" means certain designations of airspace designated by the Federal Aviation Administration, as administered by the Secretary of Defense.

SEC. 544. AGENCY PROCUREMENT REPORTING REQUIREMENTS.

Section 40110(d) of title 49, United States Code, is amended by adding at the end the following:

"(5) ANNUAL REPORT ON THE PURCHASE OF FOREIGN MANUFACTURED ARTICLES.—

"(A) REPORT.—(i) Not later than 90 days after the end of the fiscal year, the Secretary of Transportation shall submit a report to Congress on the dollar amount of acquisitions subject to the Buy American Act made by the agency from entities that manufacture the articles, materials, or supplies outside of the United States in such fiscal year.

"(ii) The report required by clause (i) shall only include acquisitions with total value exceeding the micro-purchase level.

"(B) CONTENTS.—The report required by subparagraph (A) shall separately indicate—

"(i) the dollar value of any articles, materials, or supplies purchased that were manufactured outside of the United States; and

"(ii) a summary of the total procurement funds spent on goods manufactured in the United States versus funds spent on goods manufactured outside of the United States.

"(C) AVAILABILITY OF REPORT.—The Secretary shall make the report under subparagraph (A) publicly available on the agency's website not later than 30 days after submission to Congress.".

SEC. 545. FAA ORGANIZATIONAL REFORM.

(a) CHIEF TECHNOLOGY OFFICER.—Section 106(s) of title 49, United States Code, is amended to read as follows:

"(s) CHIEF TECHNOLOGY OFFICER.—

"(1) IN GENERAL.—

"(A) APPOINTMENT.—There shall be a Chief Technology Officer appointed by the Chief Operating Officer. The Chief Technology Officer shall report directly to the Chief Operating Officer.

"(B) MINIMUM QUALIFICATIONS.—The Chief Technology Officer shall have—

"(i) at least 10 years experience in engineering management or another relevant technical management field; and

"(ii) knowledge of or experience in the aviation industry.

"(C) REMOVAL.—The Chief Technology Officer shall serve at the pleasure of the Administrator.

"(D) RESTRICTION.—The Chief Technology Officer may not also be the Deputy Administrator.

"(2) RESPONSIBILITIES.—The responsibilities of the Chief Technology Officer shall include—

"(A) ensuring the proper operation, maintenance, and cybersecurity of technology systems relating to the air traffic control system across all program offices of the Administration;

"(B) coordinating the implementation, operation, maintenance, and cybersecurity of technology programs relating to the air traffic control system with the aerospace industry and other Federal agencies;

"(C) reviewing and providing advice to the Secretary, the Administrator, and the Chief Operating Officer on the Administration's budget, cost-accounting system, and benefit-cost analyses with respect to technology programs relating to the air traffic control system;

"(D) consulting with the Administrator on the Capital Investment Plan of the Administration prior to its submission to Congress;

"(E) developing an annual air traffic control system technology operation and maintenance plan that is consistent with the annual performance targets established under paragraph (4); and

"(F) ensuring that the air traffic control system architecture remains, to the maximum extent practicable, flexible enough to incorporate future technological advances developed and directly procured by aircraft operators.

"(3) COMPENSATION.—

"(A) IN GENERAL.—The Chief Technology Officer shall be paid at an annual rate of basic pay to be determined by the Administrator, in consultation with the Chief Operating Officer. The annual rate may not exceed the annual compensation paid under section 102 of title 3. The Chief Technology Officer shall be subject to the postemployment provisions of section 207 of title 18 as if the position of Chief Technology Officer were described in section 207(c)(2)(A)(i) of that title.

"(B) BONUS.—In addition to the annual rate of basic pay authorized by subparagraph (A), the Chief Technology Officer may receive a bonus for any calendar year not to exceed 30 percent of the annual rate of basic pay, based upon the Administrator's evaluation of the Chief Technology Officer's performance in relation to the performance targets established under paragraph (4).

"(4) ANNUAL PERFORMANCE TARGETS.—

"(A) IN GENERAL.—The Administrator and the Chief Operating Officer, in consultation with the Chief Technology Officer, shall establish measurable annual performance targets for the Chief Technology Officer in key operational areas.

"(B) REPORT.—The Administrator shall transmit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report describing the annual performance targets established under subparagraph (A).

"(5) ANNUAL PERFORMANCE REPORT.—The Chief Technology Officer shall prepare and transmit to the Secretary of Transportation, the Committee on Transportation and Infrastructure of the House of Representatives, and the Committee on Commerce, Science, and Transportation of the Senate an annual report containing—

"(A) detailed descriptions and metrics of how successful the Chief Technology Officer was in meeting the annual performance targets established under paragraph (4); and

"(B) other information as may be requested by the Administrator and the Chief Operating Officer.".

(b) CONFORMING AMENDMENTS.—

(1) Section 709(a)(3)(L) of the Vision 100–Century of Aviation Reauthorization Act (49 U.S.C. 40101 note) is amended by striking "Chief NextGen Officer" and inserting "Chief Technology Officer".

(2) Section 804(a)(4)(A) of the FAA Modernization and Reform Act of 2012 (49 U.S.C. 44501 note) is amended by striking "Chief NextGen Officer" and inserting "Chief Technology Officer".

49 USC 44701 note.

SEC. 546. FAA CIVIL AVIATION REGISTRY UPGRADE.

(a) IN GENERAL.—Not later than 3 years after the date of enactment of this Act, the Administrator of the Federal Aviation Administration shall complete covered upgrades of the Administration's Civil Aviation Registry (in this section referred to as the "Registry").

(b) COVERED UPGRADE DEFINED.—In this section, the term "covered upgrades" means—

(1) the digitization of nondigital Registry information, including paper documents, microfilm images, and photographs, from an analog or nondigital format to a digital format;

(2) the digitalization of Registry manual and paper-based processes, business operations, and functions by leveraging digital technologies and a broader use of digitized data;

(3) the implementation of systems allowing a member of the public to submit any information or form to the Registry and conduct any transaction with the Registry by electronic or other remote means; and

(4) allowing more efficient, broader, and remote access to the Registry.

(c) APPLICABILITY.—The requirements of subsection (a) shall apply to the entire Civil Aviation Registry, including the Aircraft Registration Branch and the Airmen Certification Branch.

(d) MANUAL SURCHARGE.—Chapter 453 of title 49, United States Code, is amended by adding at the end the following:

49 USC 45306.

"§ 45306. Manual surcharge

"(a) IN GENERAL.—Not later 3 years after the date of enactment of the FAA Reauthorization Act of 2018, the Administrator shall impose and collect a surcharge on a Civil Aviation Registry transaction that—

"(1) is conducted in person at the Civil Aviation Registry;

"(2) could be conducted, as determined by the Administrator, with the same or greater level of efficiency by electronic or other remote means; and

"(3) is not related to research or other non-commercial activities.

"(b) MAXIMUM SURCHARGE.—A surcharge imposed and collected under subsection (a) shall not exceed twice the maximum fee the Administrator is authorized to charge for the registration of an aircraft, not used to provide air transportation, after the transfer of ownership under section 45302(b)(2).

"(c) CREDIT TO ACCOUNT AND AVAILABILITY.—Monies collected from a surcharge imposed under subsection (a) shall be treated as monies collected under section 45302 and subject to the terms and conditions set forth in section 45302(d).".

(e) REPORT.—Not later than 1 year after date of enactment of this Act, and annually thereafter until the covered upgrades required under subsection (a) are complete, the Administrator shall submit a report to the appropriate committees of Congress describing—

(1) the schedule for the covered upgrades to the Registry;

(2) the office responsible for the implementation of the such covered upgrades;

(3) the metrics being used to measure progress in implementing the covered upgrades; and

(4) the status of the covered upgrades as of the date of the report.

SEC. 547. ENHANCED AIR TRAFFIC SERVICES.

49 USC 40103 note.

(a) IN GENERAL.—Not later than 180 days after the date of enactment of this Act, the Administrator shall establish a pilot program to provide air traffic control services on a preferential basis to aircraft equipped with certain NextGen avionics that—

(1) lasts at least 2 years; and

(2) operates in at least 3 suitable airports.

(b) DURATION OF DAILY SERVICE.—The air traffic control services provided under the pilot program established under subsection (a) shall occur for at least 3 consecutive hours between 0600 and 2200 local time during each day of the pilot program.

(c) AIRPORT SELECTION.—The Administrator shall designate airports for participation in the pilot program after consultation with aircraft operators, manufacturers, and airport sponsors.

(d) DEFINITIONS.—

(1) CERTAIN NEXTGEN AVIONICS.—The term "certain NextGen avionics" means those avionics and related software designated by the Administrator after consultations with aircraft operators and manufacturers.

(2) PREFERENTIAL BASIS.—The term "preferential basis" means—

(A) prioritizing aircraft equipped with certain NextGen avionics during a Ground Delay Program by assigning them fewer minutes of delay relative to other aircraft based upon principles established after consultation with aircraft operators and manufacturers; or

(B) sequencing aircraft equipped with certain NextGen avionics ahead of other aircraft in the Traffic Flow Management System to the maximum extent consistent with safety.

(e) SUNSET.—The pilot program established under subsection (a) shall terminate on September 30, 2023.

(f) REPORT.—Not later than 90 days after the date on which the pilot program terminates, the Administrator shall submit to the appropriate committees of Congress a report on the results of the pilot program.

SEC. 548. SENSE OF CONGRESS ON ARTIFICIAL INTELLIGENCE IN AVIATION.

It is the sense of Congress that the Administration should, in consultation with appropriate Federal agencies and industry stakeholders, periodically review the use or proposed use of artificial intelligence technologies within the aviation system and assess whether the Administration needs a plan regarding artificial intelligence standards and best practices to carry out its mission.

SEC. 549. STUDY ON CYBERSECURITY WORKFORCE OF FAA.

(a) STUDY.—Not later than 1 year after the date of the enactment of this Act, the Administrator shall enter into an agreement with the National Academy of Sciences to conduct a study on the cybersecurity workforce of the Administration in order to develop recommendations to increase the size, quality, and diversity of such workforce, including cybersecurity researchers and specialists.

(b) REPORT TO CONGRESS.—Not later than 180 days after the completion of the study conducted under subsection (a), the Administrator shall submit to the appropriate committees of Congress a report on the results of such study.

49 USC 40101 note.

SEC. 550. TREATMENT OF MULTIYEAR LESSEES OF LARGE AND TURBINE-POWERED MULTIENGINE AIRCRAFT.

The Secretary of Transportation shall revise such regulations as may be necessary to ensure that multiyear lessees and owners of large and turbine-powered multiengine aircraft are treated equally for purposes of joint ownership policies of the FAA.

49 USC 44903 note.

SEC. 551. EMPLOYEE ASSAULT PREVENTION AND RESPONSE PLANS.

(a) IN GENERAL.—Not later than 90 days after the date of enactment of this Act, each air carrier operating under part 121 of title 14, Code of Federal Regulations (in this section referred to as a "part 121 air carrier"), shall submit to the Administrator for review and acceptance an Employee Assault Prevention and Response Plan related to the customer service agents of the air carrier and that is developed in consultation with the labor union representing such agents.

(b) CONTENTS OF PLAN.—An Employee Assault Prevention and Response Plan submitted under subsection (a) shall include the following:

(1) Reporting protocols for air carrier customer service agents who have been the victim of a verbal or physical assault.

(2) Protocols for the immediate notification of law enforcement after an incident of verbal or physical assault committed against an air carrier customer service agent.

(3) Protocols for informing Federal law enforcement with respect to violations of section 46503 of title 49, United States Code.

(4) Protocols for ensuring that a passenger involved in a violent incident with a customer service agent of an air carrier is not allowed to move through airport security or board

an aircraft until appropriate law enforcement has had an opportunity to assess the incident and take appropriate action.

(5) Protocols for air carriers to inform passengers of Federal laws protecting Federal, airport, and air carrier employees who have security duties within an airport.

(c) EMPLOYEE TRAINING.—A part 121 air carrier shall conduct initial and recurrent training for all employees, including management, of the air carrier with respect to the plan required under subsection (a), which shall include training on de-escalating hostile situations, written protocols on dealing with hostile situations, and the reporting of relevant incidents.

(d) STUDY.—Not later than 180 days after the date of enactment of this Act, the Comptroller General of the United States shall—

(1) complete a study of crimes of violence (as defined in section 16 of title 18, United States Code) committed against airline customer service representatives while they are performing their duties and on airport property; and

(2) submit the findings of the study, including any recommendations, to the appropriate committees of Congress.

(e) GAP ANALYSIS.—The study required under subsection (d) shall include a gap analysis to determine if State and local laws and resources are adequate to deter or otherwise address the crimes of violence described in subsection (a) and recommendations on how to address any identified gaps.

SEC. 552. STUDY ON TRAINING OF CUSTOMER-FACING AIR CARRIER EMPLOYEES.

(a) IN GENERAL.—Not later than 1 year after the date of enactment of this Act, the Secretary of Transportation shall conduct a study on the training received by customer-facing employees of air carriers.

(b) CONTENTS.—The study shall include—

(1) an analysis of the training received by customer-facing employees with respect to the management of disputes on aircraft;

(2) an examination of how institutions of higher learning, in coordination with air carriers, customer-facing employees and their representatives, consumer advocacy organizations, and other stakeholders, could—

(A) review such training and related practices;

(B) produce recommendations; and

(C) if determined appropriate, provide supplemental training; and

(3) the effectiveness of air carriers' Employee Assault Prevention and Response Plans required under section 551.

(c) REPORT.—Not later than 1 year after the date of enactment of this Act, the Secretary shall submit to the appropriate committees of Congress a report on the results of the study.

SEC. 553. AUTOMATED WEATHER OBSERVING SYSTEMS POLICY.

49 USC 44720 note.

(a) IN GENERAL.—Not later than 18 months after the date of enactment of this Act, the Administrator shall—

(1) update automated weather observing systems standards to maximize the use of new technologies that promote the reduction of equipment or maintenance cost for non-Federal automated weather observing systems, including the use of remote monitoring and maintenance, unless demonstrated to be ineffective;

(2) review, and if necessary update, existing policies in accordance with the standards developed under paragraph (1); and

(3) establish a process under which appropriate onsite airport personnel or an aviation official may, with appropriate manufacturer training or alternative training as determined by the Administrator, be permitted to conduct the minimum triannual preventative maintenance checks under the advisory circular for non-Federal automated weather observing systems (AC 150/5220–16E) and any other similar, successor checks.

(b) PERMISSION.—Permission to conduct the minimum triannual preventative maintenance checks described under subsection (a)(3) and any similar, successor checks shall not be withheld but for specific cause.

(c) STANDARDS.—In updating the standards under subsection (a)(1), the Administrator shall—

(1) ensure the standards are performance-based;

(2) use risk analysis to determine the accuracy of the automated weather observing systems outputs required for pilots to perform safe aircraft operations; and

(3) provide a cost-benefit analysis to determine whether the benefits outweigh the cost for any requirement not directly related to safety.

(d) AIP ELIGIBILITY OF AWOS EQUIPMENT.—

(1) IN GENERAL.—Notwithstanding any other law, the Administrator is authorized to and shall waive any positive benefit-cost ratio requirement for automated weather-observing system equipment under subchapter I of chapter 471, of title 49, United States Code, if—

(A) the airport sponsor or State, as applicable, certifies that a grant for such automated weather observing systems equipment under that chapter will assist an applicable airport to respond to regional emergency needs, including medical, firefighting, and search and rescue needs;

(B) the Secretary determines, after consultation with the airport sponsor or State, as applicable, that the placement of automated weather-observing equipment at the airport will not cause unacceptable radio frequency congestion; and

(C) the other requirements under that chapter are met.

(2) APPLICABILITY TO LOW POPULATION DENSITY STATES.—This subsection is applicable only to airports located in states with a population density, based on the most recent decennial census, of 50 or fewer persons per square mile.

(e) REPORT.—Not later than September 30, 2025, the Administrator shall submit to the appropriate committees of Congress a report on the implementation of the requirements under this section.

49 USC 45105 note.

SEC. 554. PRIORITIZING AND SUPPORTING THE HUMAN INTERVENTION MOTIVATION STUDY (HIMS) PROGRAM AND THE FLIGHT ATTENDANT DRUG AND ALCOHOL PROGRAM (FADAP).

(a) IN GENERAL.—The Administration shall continue to prioritize and support the Human Intervention Motivation Study

(HIMS) program for flight crewmembers and the Flight Attendant Drug and Alcohol Program (FADAP) for flight attendants.

(b) STUDY AND RECOMMENDATIONS.—

(1) IN GENERAL.—The Secretary of Transportation shall enter into an agreement with the Transportation Research Board (in this subsection referred to as the "Board") under which the Board shall—

(A) conduct a study on the Human Intervention Motivation Study (HIMS) program, the Flight Attendant Drug and Alcohol Program (FADAP), and any other drug and alcohol programs within the other modal administrations within the Department of Transportation;

(B) to the extent justified by the findings from the study described in subparagraph (A), make recommendations to the Federal Aviation Administration and other administrations within the Department of Transportation on how to implement programs, or changes to existing programs, that seek to help transportation workers get treatment for drug and alcohol abuse and return to work; and

(C) upon the completion of the study described in subparagraph (A), submit to the appropriate committees of Congress a report on such study, including the Board's findings, conclusions, and recommendations.

(2) REQUIREMENT.—In conducting the study under paragraph (1), the Board shall identify—

(A) best policies and practices within existing programs; and

(B) best prevention, early intervention, and return to work practices specifically around prescription medication abuse, with a special emphasis on employee use of opioids.

SEC. 555. COST-EFFECTIVENESS ANALYSIS OF EQUIPMENT RENTAL.

41 USC note prec. 3101.

(a) AGENCY ANALYSIS OF EQUIPMENT ACQUISITION.—

(1) IN GENERAL.—Except as provided for under subsection (d), the head of each executive agency shall acquire equipment using the method of acquisition most advantageous to the Federal Government based on a case-by-case analysis of comparative costs and other factors, including those factors listed in section 7.401 of the Federal Acquisition Regulation.

(2) METHODS OF ACQUISITION.—The methods of acquisition to be compared in the analysis under paragraph (1) shall include, at a minimum, purchase, short-term rental or lease, long-term rental or lease, interagency acquisition, and acquisition agreements with a State or a local government as described in subsection (c).

(3) AMENDMENT OF FEDERAL ACQUISITION REGULATION.—Not later than 180 days after the date of the enactment of this Act, the Federal Acquisition Regulatory Council shall amend the Federal Acquisition Regulation to implement the requirement of this subsection, including a determination of the factors for executive agencies to consider for purposes of performing the analysis under paragraph (1).

(4) RULE OF CONSTRUCTION.—Nothing in this subsection shall be construed to affect the requirements of chapter 37 of title 41, United States Code, section 2305 of title 10, United States Code, or section 1535 of title 31, United States Code.

(b) DATE OF IMPLEMENTATION.—The analysis described in subsection (a) shall be applied to contracts for the acquisition of equipment entered into on or after the date that the Federal Acquisition Regulation is amended pursuant to paragraph (3) of such subsection.

(c) ACQUISITION AGREEMENTS WITH STATES OR LOCAL GOVERNMENTS.—

(1) IN GENERAL.—Notwithstanding any other provision of law, including chapter 37 of title 41, United States Code, the Small Business Act (15 U.S.C. 631 et seq.), and section 2305 of title 10, United States Code, the head of an executive agency may enter into an acquisition agreement authorized by this section directly with a State or a local government if the agency head determines that the agreement otherwise satisfies the requirements of subsection (a)(1).

(2) TERMS AND CONDITIONS.—Any agreement under paragraph (1) shall contain such terms and conditions as the head of the agency deems necessary or appropriate to protect the interests of the United States.

(d) EXCEPTIONS.—The analysis otherwise required under subsection (a) is not required—

(1) when the President has issued an emergency declaration or a major disaster declaration pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 et seq.);

(2) in other emergency situations if the agency head makes a determination that obtaining such equipment is necessary in order to protect human life or property; or

(3) when otherwise authorized by law.

(e) STUDY OF AGENCY ANALYSES.—Not later than 2 years after the date of the enactment of this Act, the Comptroller General of the United States shall submit to the Committee on Oversight and Government Reform of the House of Representatives and the Committee on Homeland Security and Governmental Affairs of the Senate a comprehensive report on the decisions made by the executive agencies with the highest levels of acquisition spending, and a sample of executive agencies with lower levels of acquisition spending, to acquire high-value equipment by lease, rental, or purchase pursuant to subpart 7.4 of the Federal Acquisition Regulation.

(f) DEFINITIONS.—In this section:

(1) EXECUTIVE AGENCY.—The term "executive agency" has the meaning given that term in section 102 of title 40, United States Code.

(2) INTERAGENCY ACQUISITION.—The term "interagency acquisition" has the meaning given that term in section 2.101 of the Federal Acquisition Regulation.

(3) STATE.—The term "State" has the meaning given the term in section 6501 of title 31, United States Code.

(4) LOCAL GOVERNMENT.—The term "local government" means any unit of local government within a State, including a county, municipality, city, borough, town, township, parish, local public authority, school district, special district, intrastate district, council of governments, or regional or interstate government entity, and any agency or instrumentality of a local government.

SEC. 556. AIRCRAFT REGISTRATION.

49 USC 44103 note.

(a) IN GENERAL.—Not later than 180 days after the date of enactment of this Act, the Administrator shall initiate a rulemaking to increase the duration of aircraft registrations for noncommercial general aviation aircraft to 7 years.

(b) CONSIDERATIONS.—In promulgating the notice of proposed rulemaking described in subsection (a), the Administrator may consider any events, circumstances, changes in any ownership entity or structure, or other condition that would necessitate renewal prior to the expiration of an aircraft registration.

SEC. 557. REQUIREMENT TO CONSULT WITH STAKEHOLDERS IN DEFINING SCOPE AND REQUIREMENTS FOR FUTURE FLIGHT SERVICE PROGRAM.

Not later than 180 days after the date of enactment of this Act, the Administrator shall consult with stakeholders in defining the scope and requirements for any new Future Flight Service Program of the Administration to be used in a competitive source selection for the next flight service contract with the Administration.

SEC. 558. FEDERAL AVIATION ADMINISTRATION PERFORMANCE MEASURES AND TARGETS.

49 USC 106 note.

(a) PERFORMANCE MEASURES.—Not later than 180 days after the date of enactment of this Act, the Secretary of Transportation shall establish performance measures relating to the management of the Administration, which shall, at a minimum, include measures to assess—

(1) the timely and cost-effective completion of projects; and

(2) the effectiveness of the Administration in achieving the goals described in section 47171 of title 49, United States Code.

(b) PERFORMANCE TARGETS.—Not later than 180 days after the date on which the Secretary establishes performance measures in accordance with subsection (a), the Secretary shall establish performance targets relating to each of the measures described in that subsection.

(c) REPORT.—Not later than 2 years after the date of enactment of this Act, the inspector general of the Department of Transportation shall submit to the appropriate committees of Congress a report describing the progress of the Secretary in meeting the performance targets established under subsection (b).

SEC. 559. REPORT ON PLANS FOR AIR TRAFFIC CONTROL FACILITIES IN THE NEW YORK CITY AND NEWARK REGION.

Not later than 90 days after the date of enactment of this Act, the Administrator shall submit to the appropriate committees of Congress a report on the Administration's staffing and scheduling plans for air traffic control facilities in the New York City and Newark region for the 1-year period beginning on such date of enactment.

SEC. 560. WORK PLAN FOR THE NEW YORK/NEW JERSEY/PHILADELPHIA METROPOLITAN AREA AIRSPACE PROJECT.

Not later than 90 days after the date of enactment of this Act, the Administrator shall develop and publish in the Federal Register a work plan for the New York/New Jersey/Philadelphia Metropolitan Area Airspace Project.

SEC. 561. ANNUAL REPORT ON INCLUSION OF DISABLED VETERAN LEAVE IN PERSONNEL MANAGEMENT SYSTEM.

Not later than 1 year after the date of enactment of this Act, and not less frequently than annually there after until the date that is 5 years after the date of enactment of this Act, the Administrator shall publish on a publicly accessible internet website a report on—

(1) the effect of the amendments made by subsections (a) and (b) of section 2 of the Federal Aviation Administration Veteran Transition Improvement Act of 2016 (Public Law 114–242), on the Administration's work force; and

(2) the number of disabled veterans benefitting from such subsections.

49 USC 40101 note.

SEC. 562. ENHANCED SURVEILLANCE CAPABILITY.

Not later than 120 days after the date of enactment of this Act, the Administrator shall identify and implement a strategy to—

(1) advance near-term and long-term uses of enhanced surveillance systems, such as space-based ADS–B, within United States airspace or international airspace delegated to the United States;

(2) exercise leadership on setting global standards for the separation of aircraft in oceanic airspace by working with—

(A) foreign counterparts of the Administrator in the International Civil Aviation Organization and its subsidiary organizations;

(B) other international organizations and fora; and

(C) the private sector; and

(3) ensure the participation of the Administration in the analysis of trials of enhanced surveillance systems, such as space-based ADS–B, performed by foreign air navigation service providers in North Atlantic airspace.

SEC. 563. ACCESS OF AIR CARRIERS TO INFORMATION ABOUT APPLICANTS TO BE PILOTS FROM NATIONAL DRIVER REGISTER.

Section 30305(b)(8) of title 49, United States Code, is amended to read as follows:

"(8)(A) An individual who is seeking employment by an air carrier as a pilot may request the chief driver licensing official of a State to provide information about the individual under subsection (a) of this section to the prospective employer of the individual, the authorized agent of the prospective employer, or the Secretary of Transportation.

"(B) An air carrier that is the prospective employer of an individual described in subparagraph (A), or an authorized agent of such an air carrier, may request and receive information about that individual from the National Driver Register through an organization approved by the Secretary for purposes of requesting, receiving, and transmitting such information directly to the prospective employer of such an individual or the authorized agent of the prospective employer. This paragraph shall be carried out in accordance with paragraphs (2) and (11) of section 44703(h) and the Fair Credit Reporting Act (15 U.S.C. 1681 et seq.).

"(C) Information may not be obtained from the National Driver Register under this paragraph if the information was entered in the Register more than 5 years before the request unless the information is about a revocation or suspension still in effect on the date of the request.".

SEC. 564. REGULATORY REFORM.

Section 106(p)(5) of title 49, United States Code, is amended—

(1) by striking "Committee, or" and inserting "Committee,"; and

(2) by striking the period at the end and inserting ", or such aerospace rulemaking committees as the Secretary shall designate.".

SEC. 565. AVIATION FUEL.

49 USC 44714 note.

(a) USE OF UNLEADED AVIATION GASOLINE.—The Administrator shall allow the use of an unleaded aviation gasoline in an aircraft as a replacement for a leaded gasoline if the Administrator—

(1) determines that the unleaded aviation gasoline qualifies as a replacement for an approved leaded gasoline;

(2) identifies the aircraft and engines that are eligible to use the qualified replacement unleaded gasoline; and

(3) adopts a process (other than the traditional means of certification) to allow eligible aircraft and engines to operate using qualified replacement unleaded gasoline in a manner that ensures safety.

(b) TIMING.—The Administrator shall adopt the process described in subsection (a)(3) not later than 180 days after the later of—

(1) the date on which the Administration completes the Piston Aviation Fuels Initiative; or

(2) the date on which the American Society for Testing and Materials publishes a production specification for an unleaded aviation gasoline.

(c) TYPE CERTIFICATION.—Existing regulatory mechanisms by which an unleaded aviation gasoline can be approved for use in an engine or aircraft by Type or Supplemental Type Certificate for individual aircraft and engine types or by Approved Model List Supplemental Type Certificate providing coverage for a broad range of applicable types of aircraft or engines identified in the application shall continue to be fully available as a means of approving and bringing an unleaded aviation gasoline into general use in the United States. Such approvals shall be issued when the Administrator finds that the aircraft or engine performs properly and meets the applicable regulations and minimum standards under the normal certification process.

SEC. 566. RIGHT TO PRIVACY WHEN USING AIR TRAFFIC CONTROL SYSTEM.

49 USC 44103 note.

Notwithstanding any other provision of law, the Administrator shall, upon request of a private aircraft owner or operator, block the registration number of the aircraft of the owner or operator from any public dissemination or display, except in data made available to a Government agency, for the noncommercial flights of the owner or operator.

SEC. 567. FEDERAL AVIATION ADMINISTRATION WORKFORCE REVIEW.

(a) IN GENERAL.—Not later than 120 days after the date of enactment of this Act, the Comptroller General of the United States shall conduct a review to assess the workforce and training needs of the FAA in the anticipated budgetary environment.

(b) CONTENTS.—In conducting the review, the Comptroller General shall—

(1) identify the long-term workforce and training needs of the FAA workforce;

(2) assess the impact of automation, digitalization, and artificial intelligence on the FAA workforce;

(3) analyze the skills and qualifications required of the FAA workforce for successful performance in the current and future projected aviation environment;

(4) review current performance incentive policies of the FAA, including awards for performance;

(5) analyze ways in which the FAA can work with industry and labor, including labor groups representing the FAA workforce, to establish knowledge-sharing opportunities between the FAA and the aviation industry regarding new equipment and systems, best practices, and other areas of interest; and

(6) develop recommendations on the most effective qualifications, training programs (including e-learning training), and performance incentive approaches to address the needs of the future projected aviation regulatory system in the anticipated budgetary environment.

(c) REPORT.—Not later than 270 days after the date of enactment of this Act, the Comptroller General shall submit to the appropriate committees of Congress a report on the results of the review.

SEC. 568. REVIEW OF APPROVAL PROCESS FOR USE OF LARGE AIR TANKERS AND VERY LARGE AIR TANKERS FOR WILDLAND FIREFIGHTING.

(a) REVIEW AND IMPROVEMENT OF CURRENT APPROVAL PROCESS.—The Chief of the Forest Service, in consultation with the Administrator, shall conduct a review of the process used by the Forest Service to approve the use of large air tankers and very large air tankers for wildland firefighting for the purpose of—

(1) determining the current effectiveness, safety, and consistency of the approval process;

(2) developing recommendations for improving the effectiveness, safety, and consistency of the approval process; and

(3) assisting in developing standardized next-generation requirements for air tankers used for firefighting.

(b) REPORTING REQUIREMENT.—Not later than 1 year after the date of enactment of this Act, the Chief of the Forest Service shall submit to Congress a report describing the outcome of the review conducted under subsection (a).

SEC. 569. FAA TECHNICAL WORKFORCE.

(a) IN GENERAL.—Not later than 1 year after the date of enactment of this Act, the Administrator shall—

(1) identify and assess barriers to attracting, developing, training, and retaining a talented workforce in the areas of

systems engineering, architecture, systems integration, digital communications, and cybersecurity;

(2) develop a comprehensive plan to attract, develop, train, and retain talented individuals in those fields; and

(3) identify existing authorities available to the Administrator, through personnel reform, to attract, develop, and retain this talent.

(b) REPORT.—The Administrator shall submit to the appropriate committees of Congress a report on the progress made toward implementing the requirements under subsection (a).

SEC. 570. STUDY ON AIRPORT CREDIT ASSISTANCE.

(a) REVIEW.—

(1) IN GENERAL.—The Secretary of Transportation shall conduct a review to determine whether a Federal credit assistance program would be beneficial and feasible for airport-related projects as defined in section 40117(a) of title 49, United States Code.

(2) CONSIDERATIONS.—In carrying out the review under paragraph (1), the Secretary may consider—

(A) expanding eligibility under an existing Federal credit assistance program to include such projects; and

(B) establishing a new credit assistance program for such projects.

(b) REPORT.—Not later than 270 days after the date of enactment of this section, the Secretary shall submit to the Committee on Transportation and Infrastructure of the House of Representatives, the Committee on Commerce, Science, and Transportation of the Senate, and the Committee on the Environment and Public Works of the Senate a report on the results of the review carried out under subsection (a). The report shall include a description of—

(1) the benefits and other effects;

(2) potential projects;

(3) the budgetary impacts, including an estimate of—

(A) the average annual loan volume;

(B) the average subsidy rate; and

(C) any loss of Federal revenue;

(4) impacts on existing programs;

(5) the administrative costs; and

(6) any personnel changes.

SEC. 571. SPECTRUM AVAILABILITY.

(a) FINDINGS.—Congress makes the following findings:

(1) The Spectrum Pipeline Act of 2015 (47 U.S.C. 921 note) requires the Secretary of Commerce to identify 30 megahertz of electromagnetic spectrum below the frequency of 3 gigahertz to be reallocated to non-Federal use, to shared Federal and non-Federal use, or to a combination thereof.

(2) The Spectrum Pipeline Act of 2015 (47 U.S.C. 921 note) authorized the Director of the Office of Management and Budget to use amounts made available through the Spectrum Relocation Fund to make payments to Federal entities for research and development, engineering studies, economic analyses, and other activities intended to improve the efficiency and effectiveness of Federal spectrum use in order to make such spectrum available for reallocation for non-Federal use,

for shared Federal and non-Federal use, or for a combination thereof.

(3) The Federal Aviation Administration, in coordination with the Department of Commerce, the Department of Defense, and the Department of Homeland Security, established the Spectrum Efficient National Surveillance Radar (referred to in this section as "SENSR") Program to assess the feasibility of consolidating certain long-range, short-range, and weather radar systems in order to make available the 1300–1350 megahertz band.

(4) The SENSR Program received approval and approximately $71,500,000 from Office of Management and Budget on June 2, 2017, to proceed with Phase I of the SENSR Spectrum Pipeline Plan, which will focus on requirements and concept development as well as documenting expected costs and information for all impacted Federal spectrum systems.

(b) SENSE OF CONGRESS.—It is the sense of Congress that the SENSR Program of the FAA should continue its assessment of the feasibility of making the 1300–1350 megahertz band of electromagnetic spectrum available for non-Federal use.

SEC. 572. SPECIAL REVIEW RELATING TO AIR SPACE CHANGES.

(a) IN GENERAL.—Not later than 180 days after the date of enactment of this Act, the Federal Aviation Management Advisory Council established under section 106(p) of title 49, United States Code (in this section referred to as the "Council") shall initiate a special review of the Federal Aviation Administration.

(b) REVIEW.—The special review of the Administration required under subsection (a) shall consist of the following:

(1) A review of the practices and procedures of the Federal Aviation Administration for developing proposals with respect to changes in regulations, policies, or guidance of the Federal Aviation Administration relating to airspace that affect airport operations, airport capacity, the environment, or communities in the vicinity of airports, including an assessment of the extent to which there is consultation, or a lack of consultation, with respect to such proposals—

(A) between and among the affected elements of the Federal Aviation Administration, including the Air Traffic Organization, the Office of Airports, the Flight Standards Service, the Office of NextGen, and the Office of Energy and Environment; and

(B) between the Federal Aviation Administration and affected entities, including airports, aircraft operators, communities, and State and local governments.

(2) Recommendations for revisions to such practices and procedures to improve communications and coordination between and among affected elements of the Federal Aviation Administration and with other affected entities with respect to proposals described in paragraph (1) and the potential effects of such proposals.

(c) CONSULTATION.—In conducting the special review, the Council shall consult with—

(1) air carriers, including passenger and cargo air carriers;

(2) general aviation, including business aviation and fixed wing aircraft and rotorcraft;

(3) airports of various sizes and types;

(4) exclusive bargaining representatives of air traffic controllers certified under section 7111 of title 5, United States Code; and

(5) State aviation officials.

(d) REPORT REQUIRED.—Not later than 2 years after the date of enactment of this Act, the Administrator shall submit to the appropriate committees of Congress a report on the results of the special review conducted by the Council, including a description of the comments, recommendations, and dissenting views received from the Council and a description of how the Administrator plans to implement the recommendations of the Council.

SEC. 573. REIMBURSEMENT FOR IMMIGRATION INSPECTIONS.

Section 286(i) of the Immigration and Nationality Act (8 U.S.C. 1356(i)) is amended—

(1) by inserting ", train," after "commercial aircraft"; and

(2) by inserting ", rail line," after "airport".

SEC. 574. FAA EMPLOYEES IN GUAM.

(a) IN GENERAL.—The Secretary of Transportation shall use existing authorities to negotiate an agreement that shall be renegotiated after no sooner than 3 years with the Secretary of Defense—

(1) to authorize Federal Aviation Administration employees assigned to Guam, their spouses, and their dependent children access to Department of Defense health care facilities located in Guam on a space available basis; and

(2) to provide for payments by the Federal Aviation Administration to the Department of Defense for the administrative and any other costs associated with—

(A) enrolling Federal Aviation Administration employees assigned to Guam, their spouses, and their dependent children in any Department of Defense health care facility necessary to allow access pursuant to paragraph (1); and

(B) third-party billing for any medical costs incurred as a result of Federal Aviation Administration employees, their spouses, or their dependent children accessing and receiving medical treatment or services at a Department of Defense health care facility located in Guam.

(b) FUNDS SUBJECT TO APPROPRIATIONS.—Funds for payments by the Federal Aviation Administration described in subsection (a)(2) are subject to the availability of amounts specifically provided in advance for that purpose in appropriations Acts.

(c) REPORT ON ACCESS TO FACILITIES OF THE DEPARTMENT OF DEFENSE IN GUAM.—

(1) IN GENERAL.—Not later than 180 days after the date of the enactment of this Act, the Secretary of Transportation and the Secretary of Defense shall jointly submit a report to the Committees on Armed Services of the Senate and the House of Representatives, the Committee on Commerce of the Senate, and the Committee on Transportation and Infrastructure of the House of Representatives on eligibility for and access to Department of Defense support facilities by Federal Aviation Administration employees in the U.S. territory of Guam.

(2) SCOPE.—The report required under paragraph (1) shall:

(A) Evaluate the ability of Department of Defense support facilities in Guam to adequately serve current military personnel and dependent populations.

(B) Determine how any substantial increases to military personnel and dependent populations in Guam would impact the ability of existing Department of Defense support facilities to provide services for military personnel and dependents stationed in Guam.

(C) Provide recommendations on any improvements to existing Department of Defense facilities which may be needed to ensure those facilities in Guam can support an increased population of military personnel and dependent population in Guam.

(D) Consider the impact of expanded access to Department of Defense support facilities in Guam to Federal Aviation Administration employees and their families on the ability of those facilities to provide services to military personnel and their families.

(E) Recognize the Federal Aviation Administration's vital role as the sole provider of radar air traffic control services for aircraft traversing into and out of the airspace near and above Guam the vast majority of which are military operations, Department of Defense aircraft, or other aircraft traveling to Guam in order to interact with Department of Defense facilities.

(F) Review the existing authorities authorizing eligibility and access for non-military personnel and their dependents to Department of Defense support facilities, including health care facilities, commissaries, and exchanges, outside the continental United States.

(G) Determine the applicability of those existing authorities to Department of Defense support facilities in the U.S. territory of Guam.

(H) Outline the specific conditions on Guam, which may necessitate access to Department of Defense support facilities in Guam by Federal Aviation Administration personnel and their families.

(I) Determine any changes in laws or regulations that may be necessary to authorize Federal Aviation Administration employees and their families access to Department of Defense health care facilities, commissaries, and exchanges in Guam.

SEC. 575. GAO STUDY ON AIRLINE COMPUTER NETWORK DISRUPTIONS.

Not later than 1 year after the date of enactment of this Act, the Comptroller General of the United States shall submit to the appropriate committees of Congress a report containing a review of the following:

(1) Direct and indirect effects on passengers, if any, resulting from significant computer network disruptions of part 121 (of title 49, Code of Federal Regulations) air carriers between January 1, 2014, and the date of enactment of this section, including—

(A) systemwide delays;

(B) flight cancellations; and

(C) disrupted or broken itineraries.

(2) An estimate of any expenses incurred by passengers during significant computer network disruptions, including—
(A) meals, lodging, and ancillary expenses per persons;
(B) late hotel check-in or car rental fees;
(C) missed cruise-ship departures; and
(D) lost productivity.

(3) Air carriers' contracts of carriage and interline agreements to determine if and how air carriers accommodate passengers affected by significant computer network disruptions on other air carriers or foreign air carriers.

(4) Whether passengers who have been displaced by significant computer network disruptions are furnished with alternative transportation aboard another air carrier or foreign air carrier.

(5) Costs incurred by airports, if any, to meet the essential needs of passengers, including increased demands on utilities, food concessionaires, restroom facilities, and security staffing, during significant computer network disruptions.

(6) Other costs, if any, incurred by passengers, airports, and other entities as a direct result of significant computer network disruptions.

(7) Processes, plans, and redundancies in place at air carriers to respond to and recover from such network disruptions.

SEC. 576. TOWER MARKING.

Section 2110 of the FAA Extension, Safety, and Security Act of 2016 (49 U.S.C. 44718 note) is amended to read as follows:

"SEC. 2110. TOWER MARKING.

"(a) APPLICATION.—

"(1) IN GENERAL.—Except as provided by paragraph (2), not later than 18 months after the date of enactment of the FAA Reauthorization Act of 2018 or the date of availability of the database developed by the Administrator pursuant to subsection (c), whichever is later, all covered towers shall be either—

"(A) clearly marked consistent with applicable guidance in the advisory circular of the FAA issued December 4, 2015 (AC 70/7460-IL); or

"(B) included in the database described in subsection (c).

"(2) METEOROLOGICAL EVALUATION TOWER.—A covered tower that is a meteorological evaluation tower shall be subject to the requirements of subparagraphs (A) and (B) of paragraph (1).

"(b) DEFINITIONS.—

"(1) IN GENERAL.—In this section, the following definitions apply:

"(A) COVERED TOWER.—

"(i) IN GENERAL.—The term 'covered tower' means a structure that—

"(I) is a meteorological evaluation tower, a self-standing tower, or tower supported by guy wires and ground anchors;

"(II) is 10 feet or less in diameter at the above-ground base, excluding concrete footing;

"(III) at the highest point of the structure is at least 50 feet above ground level;

"(IV) at the highest point of the structure is not more than 200 feet above ground level;

"(V) has accessory facilities on which an antenna, sensor, camera, meteorological instrument, or other equipment is mounted; and

"(VI) is located on land that is—

"(aa) in a rural area; and

"(bb) used for agricultural purposes or immediately adjacent to such land.

"(ii) EXCLUSIONS.—The term 'covered tower' does not include any structure that—

"(I) is adjacent to a house, barn, electric utility station, or other building;

"(II) is within the curtilage of a farmstead or adjacent to another building or visible structure;

"(III) supports electric utility transmission or distribution lines;

"(IV) is a wind-powered electrical generator with a rotor blade radius that exceeds 6 feet;

"(V) is a street light erected or maintained by a Federal, State, local, or tribal entity;

"(VI) is designed and constructed to resemble a tree or visible structure other than a tower;

"(VII) is an advertising billboard;

"(VIII) is located within the right-of-way of a rail carrier, including within the boundaries of a rail yard, and is used for a railroad purpose;

"(IX)(aa) is registered with the Federal Communications Commission under the Antenna Structure Registration program set forth under part 17 of title 47, Code of Federal Regulations; and

"(bb) is determined by the Administrator to pose no hazard to air navigation; or

"(X) has already mitigated any hazard to aviation safety in accordance with Federal Aviation Administration guidance or as otherwise approved by the Administrator.

"(B) RURAL AREA.—The term 'rural area' has the meaning given the term in section 609(a)(5) of the Public Utility Regulatory Policies Act of 1978 (7 U.S.C. 918c(a)(5)).

"(C) AGRICULTURAL PURPOSES.—The term 'agricultural purposes' means farming in all its branches and the cultivation and tillage of the soil, the production, cultivation, growing, and harvesting of any agricultural or horticultural commodities performed by a farmer or on a farm, or on pasture land or rangeland.

"(2) OTHER DEFINITIONS.—The Administrator shall define such other terms as may be necessary to carry out this section.

"(c) DATABASE.—The Administrator shall—

"(1) develop a new database, or if appropriate use an existing database that meets the requirements under this section, that contains the location and height of each covered tower that, pursuant to subsection (a), the owner or operator of such tower elects not to mark (unless the Administrator has determined that there is a significant safety risk requiring

that the tower be marked), except that meteorological evaluation towers shall be marked and contained in the database;

"(2) keep the database current to the extent practicable;

"(3) ensure that any proprietary information in the database is protected from disclosure in accordance with law;

"(4) ensure that, by virtue of accessing the database, users agree and acknowledge that information in the database—

"(A) may only be used for aviation safety purposes; and

"(B) may not be disclosed for purposes other than aviation safety, regardless of whether or not the information is marked or labeled as proprietary or with a similar designation;

"(5) ensure that the tower information in the database is de-identified and that the information only includes the location and height of covered towers and whether the tower has guy wires;

"(6) ensure that information in the dataset is encrypted at rest and in transit and is protected from unauthorized access and acquisition;

"(7) ensure that towers excluded from the definition of covered tower under subsection (d)(1)(B)(ii)(VIII) must be registered by its owner in the database;

"(8) ensure that a tower to be included in the database pursuant to subsection (c)(1) and constructed after the date on which the database is fully operational is submitted by its owner to the FAA for inclusion in the database before its construction;

"(9) ensure that pilots who intend to conduct low-altitude operations in locations described in subsection (b)(1)(A)(i)(VI) consult the relevant parts of the database before conducting such operations; and

"(10) make the database available for use not later than 1 year after the date of enactment of the FAA Reauthorization Act of 2018.

"(d) EXCLUSION AND WAIVER AUTHORITIES.—As part of a rulemaking conducted pursuant to this section, the Administrator—

"(1) may exclude a class, category, or type of tower that is determined by the Administrator, after public notice and comment, to not pose a hazard to aviation safety;

"(2) shall establish a process to waive specific covered towers from the marking requirements under this section as required under the rulemaking if the Administrator later determines such tower or towers do not pose a hazard to aviation safety;

"(3) shall consider, in establishing exclusions and granting waivers under this subsection, factors that may sufficiently mitigate risks to aviation safety, such as the length of time the tower has been in existence or alternative marking methods or technologies that maintains a tower's level of conspicuousness to a degree which adequately maintains the safety of the airspace; and

"(4) shall consider excluding towers located in a State that has enacted tower marking requirements according to the Federal Aviation Administration's recommended guidance for the voluntary marking of meteorological evaluation towers erected in remote and rural areas that are less than 200 feet above

ground level to enhance the conspicuity of the towers for low level agricultural operations in the vicinity of those towers.

"(e) PERIODIC REVIEW.—The Administrator shall, in consultation with the Federal Communications Commission, periodically review any regulations or guidance regarding the marking of covered towers issued pursuant to this section and update them as necessary, consistent with this section, and in the interest of safety of low-altitude aircraft operations.

"(f) FCC REGULATIONS.—The Federal Communications Commission shall amend section 17.7 of title 47, Code of Federal Regulations, to require a notification to the Federal Aviation Administration for any construction or alteration of an antenna structure, as defined in section 17.2(a) of title 47, Code of Federal Regulations, that is a covered tower as defined by this section.".

49 USC note prec. 42301.

SEC. 577. MINIMUM DIMENSIONS FOR PASSENGER SEATS.

(a) IN GENERAL.—Not later than 1 year after the date of enactment of this Act, and after providing notice and an opportunity for comment, the Administrator of the Federal Aviation Administration shall issue regulations that establish minimum dimensions for passenger seats on aircraft operated by air carriers in interstate air transportation or intrastate air transportation, including minimums for seat pitch, width, and length, and that are necessary for the safety of passengers.

(b) DEFINITIONS.—The definitions contained in section 40102(a) of title 49, United States Code, apply to this section.

SEC. 578. JUDICIAL REVIEW FOR PROPOSED ALTERNATIVE ENVIRONMENTAL REVIEW AND APPROVAL PROCEDURES.

Section 330 of title 23, United States Code, is amended—

(1) in subsection (a)(2), by striking "5 States" and inserting "2 States"; and

(2) in subsection (e)—

(A) in paragraph (2)(A), by striking "2 years" and inserting "150 days as set forth in section 139(l)"; and

(B) in paragraph (3)(B)(i), by striking "2 years" and inserting "150 days as set forth in section 139(l)".

SEC. 579. REGULATORY STREAMLINING.

Not later than 1 year after the date of enactment of this Act, the Administrator of the Federal Aviation Administration shall issue a final regulation revising section 121.333(c)(3) of title 14, Code of Federal Regulations, to apply only to flight altitudes above flight level 410.

SEC. 580. SPACEPORTS.

(a) SENSE OF CONGRESS ON STATE SPACEPORT CONTRIBUTIONS.—It is the Sense of Congress that—

(1) State and local government-owned or -operated spaceports have contributed hundreds of millions of dollars in infrastructure improvements to the national space launch infrastructure, providing the United States Government and commercial customers with world-class space launch and processing infrastructure that is necessary to support continued American leadership in space;

(2) State and local government-owned or –operated spaceports play a critical role in providing resiliency and redundancy

in the national launch infrastructure to support national security and civil government capabilities, and should be recognized as a critical infrastructure in Federal strategy and planning;

(3) continued State and local government investments at launch and reentry facilities should be encouraged and to the maximum extent practicable supported in Federal policies, planning and infrastructure investment considerations, including through Federal, State, and local partnerships;

(4) Federal investments in space infrastructure should enable partnerships between Federal agencies and state and local spaceports to modernize and enable expanded 21st century space transportation infrastructure, especially multi-modal networks needed for robust space transportation that support national security, civil, and commercial launch customers; and

(5) States and local governments that have made investments to build, maintain, operate, and improve capabilities for national security, civil, and commercial customers should be commended for their infrastructure contributions to launch and reentry sites, and encouraged through a variety of programs and policies to continue these investments in the national interest.

(b) ESTABLISHMENT OF OFFICE OF SPACEPORTS.—

(1) ESTABLISHMENT OF OFFICE OF SPACEPORTS.—Title 51, United States Code, is amended by adding at the end of subtitle V the following:

"CHAPTER 515—OFFICE OF SPACEPORTS

51 USC prec. 51501.

"§ 51501. Establishment of Office of Spaceports

51 USC 51501.

"(a) ESTABLISHMENT OF OFFICE.—Not later than 90 days after the date of enactment of this section, the Secretary of Transportation shall identify, within the Office of Commercial Space Transportation, a centralized policy office to be known as the Office of Spaceports.

"(b) FUNCTIONS.—The Office of Spaceports shall—

"(1) support licensing activities for operation of launch and reentry sites;

"(2) develop policies that promote infrastructure improvements at spaceports;

"(3) provide technical assistance and guidance to spaceports;

"(4) promote United States spaceports within the Department; and

"(5) strengthen the Nation's competitiveness in commercial space transportation infrastructure and increase resilience for the Federal Government and commercial customers.

"(c) RECOGNITION.—In carrying out the functions assigned in subsection (b), the Secretary shall recognize the unique needs and distinctions of spaceports that host—

"(1) launches to or reentries from orbit; and

"(2) are involved in suborbital launch activities.

"(d) DIRECTOR.—The head of the Office of the Associate Administrator for Commercial Space Transportation shall designate a Director of the Office of Spaceports.

"(e) DEFINITION.—In this section the term 'spaceport' means a launch or reentry site that is operated by an entity licensed by the Secretary of Transportation.".

51 USC prec. 10101.

(2) TECHNICAL AND CONFORMING AMENDMENT.—The table of chapters of title 51, United States Code, is amended by adding at the end of subtitle V the following:

"515. Office of Spaceports ..... 51501".

(c) REPORT ON NATIONAL SPACEPORTS POLICY.—

(1) SENSE OF CONGRESS.—It is the sense of Congress that—

(A) A robust network of space transportation infrastructure, including spaceports, is vital to the growth of the domestic space industry and America's competitiveness and access to space.

(B) Non-Federal spaceports have significantly increased the space transportation infrastructure of the United States through significant investments by State and local governments, which have encouraged greater private investment.

(C) These spaceports have led to the development of a growing number of orbital and suborbital launch and reentry sites that are available to the national security, civil, and commercial space customers at minimal cost to the Federal Government.

(D) The Federal Government, led by the Secretary of Transportation, should seek to promote the growth, resilience, and capabilities of this space transportation infrastructure through policies and through partnerships with State and local governments.

(2) REPORT.—Not later than 1 year after the date of enactment of this Act, the Secretary of Transportation shall submit to Congress a report that—

(A) evaluates the Federal Government's national security and civil space transportation demands and the needs of the United States and international commercial markets;

(B) proposes policies and programs designed to ensure a robust and resilient orbital and suborbital spaceport infrastructure to serve and capitalize on these space transportation opportunities;

(C) reviews the development and investments made by international competitors in foreign spaceports, to the extent practicable;

(D) makes recommendations on how the Federal Government can support, encourage, promote, and facilitate greater investments in infrastructure at spaceports; and

(E) considers and makes recommendations about how spaceports can fully support and enable the national space policy.

(3) UPDATES TO THE REPORT.—Not later than 3 years after the date of enactment of this Act and every 2 years until December 2024, the Secretary shall—

(A) update the previous report prepared under this subsection; and

(B) submit the updated report to Congress.

(4) CONSULTATIONS REQUIRED.—In preparing the reports required by this subsection, the Secretary shall consult with individuals including—

(A) the Secretary of Defense;

(B) the Secretary of Commerce;

(C) the Administrator of the National Aeronautics and Space Administration; and

(D) interested persons at spaceports, State and local governments, and industry.

(d) REPORT ON SPACE TRANSPORTATION INFRASTRUCTURE MATCHING GRANTS.—

(1) GAO STUDY AND REPORT.—The Comptroller General of the United States shall conduct a study regarding spaceport activities carried out pursuant to chapters 509 and 511 of title 51, United States Code, including—

(A) an assessment of potential mechanisms to provide Federal support to spaceports, including the airport improvement program established under subchapter I of chapter 471 of title 49, United States Code, and the program established under chapter 511 of title 51, United States Code;

(B) recommendations for potential funding options; and

(C) any necessary changes to improve the spaceport application review process.

(2) CONSULTATION.—In carrying out the study described in paragraph (1), the Comptroller General shall consult with sources from each component of the commercial space transportation sector, including interested persons in industry and government officials at the Federal, State, and local levels.

(3) USER-FUNDED SPACEPORTS.—In reviewing funding options, the Comptroller General shall distinguish between spaceports that are funded by users and those that are not.

(4) REPORT.—Not later than 1 year after the date of enactment of this Act, the Comptroller General shall submit to Congress a report containing results of the study conducted under paragraph (1).

(e) DEFINITION.—In this section, the term "spaceport" means a launch or reentry site that is operated by an entity licensed by the Secretary of Transportation.

SEC. 581. SPECIAL RULE FOR CERTAIN AIRCRAFT OPERATIONS (SPACE SUPPORT VEHICLES).

(a) SPACE SUPPORT VEHICLE DEFINITIONS.—Section 50902 of title 51, United States Code, is amended—

(1) by redesignating paragraphs (21) through (25) as paragraphs (23) through (27), respectively; and

(2) by inserting after paragraph (20) the following:

"(21) 'space support vehicle flight' means a flight in the air that—

"(A) is not a launch or reentry; but

"(B) is conducted by a space support vehicle.

"(22) 'space support vehicle' means a vehicle that is—

"(A) a launch vehicle;

"(B) a reentry vehicle; or

"(C) a component of a launch or reentry vehicle.".

(b) SPECIAL RULE FOR CERTAIN AIRCRAFT OPERATIONS.—

(1) IN GENERAL.—Chapter 447, of title 49, United States Code, as amended by this Act, is further amended by adding at the end the following:

49 USC 44737.

"§ 44737. Special rule for certain aircraft operations.

"(a) IN GENERAL.—The operator of an aircraft with a special airworthiness certification in the experimental category may—

"(1) operate the aircraft for the purpose of conducting a space support vehicle flight (as that term is defined in chapter 50902 of title 51); and

"(2) conduct such flight under such certificate carrying persons or property for compensation or hire—

"(A) notwithstanding any rule or term of a certificate issued by the Administrator of the Federal Aviation Administration that would prohibit flight for compensation or hire; or

"(B) without obtaining a certificate issued by the Administrator to conduct air carrier or commercial operations.

"(b) LIMITED APPLICABILITY.—Subsection (a) shall apply only to a space support vehicle flight that satisfies each of the following:

"(1) (1) The aircraft conducting the space support vehicle flight—

"(A) takes flight and lands at a single site that is operated by an entity licensed for operation under chapter 509 of title 51;

"(B) is owned or operated by a launch or reentry vehicle operator licensed under chapter 509 of title 51, or on behalf of a launch or reentry vehicle operator licensed under chapter 509 of title 51;

"(C) is a launch vehicle, a reentry vehicle, or a component of a launch or reentry vehicle licensed for operations pursuant to chapter 509 of title 51; and

"(D) is used only to simulate space flight conditions in support of—

"(i) training for potential space flight participants, government astronauts, or crew (as those terms are defined in chapter 509 of title 51);

"(ii) the testing of hardware to be used in space flight; or

"(iii) research and development tasks, which require the unique capabilities of the aircraft conducting the flight.

"(c) RULES OF CONSTRUCTION.—

"(1) SPACE SUPPORT VEHICLES.—Section 44711(a)(1) shall not apply to a person conducting a space support vehicle flight under this section only to the extent that a term of the experimental certificate under which the person is operating the space support vehicle prohibits the carriage of persons or property for compensation or hire.

"(2) AUTHORITY OF ADMINISTRATOR.—Nothing in this section shall be construed to limit the authority of the Administrator of the Federal Aviation Administration to exempt a person from a regulatory prohibition on the carriage of persons or property for compensation or hire subject to terms and conditions other than those described in this section".

49 USC prec. 44701.

(2) TECHNICAL AMENDMENT.—The table of contents of 447 of title 49, United States Code, as amended by this Act, is further amended by adding at the end the following:

"Sec. 44737. Special rule for certain aircraft operations.".

(3) RULE OF CONSTRUCTION RELATING TO ROLE OF NASA.—Nothing in this subsection shall be construed as limiting the ability of National Aeronautics and Space Administration (NASA) to place conditions on or otherwise qualify the operations of NASA contractors providing NASA services. 49 USC 44737 note.

SEC. 582. PORTABILITY OF REPAIRMAN CERTIFICATES. 49 USC 44703 note.

(a) IN GENERAL.—The Administrator shall assign to the Aviation Rulemaking Advisory Committee the task of making recommendations with respect to the regulatory and policy changes, as appropriate, to allow a repairman certificate issued under section 65.101 of title 14, Code of Federal Regulations, to be portable from one employing certificate holder to another.

(b) ACTION BASED ON RECOMMENDATIONS.—Not later than 1 year after receiving recommendations under subsection (a), the Administrator may take such action as the Administrator considers appropriate with respect to those recommendations.

SEC. 583. UNDECLARED HAZARDOUS MATERIALS PUBLIC AWARENESS CAMPAIGN. 49 USC 44701 note.

(a) IN GENERAL.—The Secretary of Transportation shall carry out a public awareness campaign to reduce the amount of undeclared hazardous materials traveling through air commerce.

(b) CAMPAIGN REQUIREMENTS.—The public awareness campaign required under subsection (a) shall do the following:

(1) Focus on targeting segments of the hazardous materials industry with high rates of undeclared shipments through air commerce and educate air carriers, shippers, manufacturers, and other relevant stakeholders of such segments on properly packaging and classifying such shipments.

(2) Educate the public on proper ways to declare and ship hazardous materials, examples of everyday items that are considered hazardous materials, and penalties associated with intentional shipments of undeclared hazardous materials.

(c) INTERAGENCY WORKING GROUP.—

(1) ESTABLISHMENT.—Not later than 30 days after the date of enactment of this Act, the Secretary of Transportation shall establish an interagency working group to promote collaboration and engagement between the Department of Transportation and other relevant agencies, and develop recommendations and guidance on how best to conduct the public awareness campaign required under subsection (a).

(2) DUTIES.—The interagency working group shall consult with relevant stakeholders, including cargo air carriers, passenger air carriers, and labor organizations representing pilots for cargo and passenger air carriers operating under part 121 of title 14, Code of Federal Regulations.

(d) UPDATE.—Not later than 1 year after the date of enactment of this Act, the Secretary of Transportation shall provide to the appropriate committees of Congress an update on the status of the public awareness campaign required under subsection (a).

SEC. 584. LIABILITY PROTECTION FOR VOLUNTEER PILOTS WHO FLY FOR THE PUBLIC BENEFIT.

Section 4 of the Volunteer Protection Act of 1997 (42 U.S.C. 14503) is amended—

(1) by redesignating subsections (b) through (f) as subsections (c) through (g), respectively;

(2) in subsection (a), by striking "subsections (b) and (d)" and inserting "subsections (b), (c), and (e)"; and

(3) by inserting after subsection (a) the following:

"(b) LIABILITY PROTECTION FOR PILOTS THAT FLY FOR PUBLIC BENEFIT.—Except as provided in subsections (c) and (e), no volunteer of a volunteer pilot nonprofit organization that arranges flights for public benefit shall be liable for harm caused by an act or omission of the volunteer on behalf of the organization if, at the time of the act or omission, the volunteer—

"(1) was operating an aircraft in furtherance of the purpose of, and acting within the scope of the volunteer's responsibilities on behalf of, the nonprofit organization to provide patient and medical transport (including medical transport for veterans), disaster relief, humanitarian assistance, or other similar charitable missions;

"(2) was properly licensed and insured for the operation of the aircraft;

"(3) was in compliance with all requirements of the Federal Aviation Administration for recent flight experience; and

"(4) did not cause the harm through willful or criminal misconduct, gross negligence, reckless misconduct, or a conscious, flagrant indifference to the rights or safety of the individual harmed by the volunteer."; and

(4) in subsection (g)(2), as redesignated, by striking "(e)" and inserting "(f)".

TITLE VI—AVIATION WORKFORCE

Subtitle A—Youth in Aviation

SEC. 601. STUDENT OUTREACH REPORT.

Not later than 180 days after the date of enactment of this Act, the Administrator of the Federal Aviation Administration shall submit to the appropriate committees of Congress a report that describes the Administration's existing outreach efforts, such as the STEM Aviation and Space Education Outreach Program, to elementary and secondary students who are interested in careers in science, technology, engineering, art, and mathematics—

(1) to prepare and inspire such students for aviation and aeronautical careers; and

(2) to mitigate an anticipated shortage of pilots and other aviation professionals.

SEC. 602. YOUTH ACCESS TO AMERICAN JOBS IN AVIATION TASK FORCE.

(a) IN GENERAL.—Not later than 90 days after the date of enactment of this Act, the Administrator of the Federal Aviation Administration shall establish a Youth Access to American Jobs in Aviation Task Force (in this section referred to as the "Task Force").

(b) DUTIES.—Not later than 12 months after its establishment under subsection (a), the Task Force shall develop and submit to the Administrator recommendations and strategies for the Administration to—

(1) facilitate and encourage high school students in the United States, beginning in their junior year, to enroll in and

complete career and technical education courses, including STEM, that would prepare them to enroll in a course of study related to an aviation career at an institution of higher education, including a community college or trade school;

(2) facilitate and encourage the students described in paragraph (1) to enroll in a course of study related to an aviation career, including aviation manufacturing, engineering and maintenance, at an institution of higher education, including a community college or trade school; and

(3) identify and develop pathways for students who complete a course of study described in paragraph (2) to secure registered apprenticeships, workforce development programs, or careers in the aviation industry of the United States.

(c) CONSIDERATIONS.—When developing recommendations and strategies under subsection (b), the Task Force shall—

(1) identify industry trends that encourage or discourage youth in the United States from pursuing careers in aviation;

(2) consider how the Administration; air carriers; aircraft, powerplant, and avionics manufacturers; aircraft repair stations; and other aviation stakeholders can coordinate efforts to support youth in pursuing careers in aviation;

(3) identify methods of enhancing aviation apprenticeships, job skills training, mentorship, education, and outreach programs that are exclusive to youth in the United States; and

(4) identify potential sources of government and private sector funding, including grants and scholarships, that may be used to carry out the recommendations and strategies described in subsection (b) and to support youth in pursuing careers in aviation.

(d) REPORT.—Not later than 30 days after submission of the recommendations and strategies under subsection (b), the Task Force shall submit to the appropriate committees of Congress a report outlining such recommendations and strategies.

(e) COMPOSITION OF TASK FORCE.—The Administrator shall appoint members of the Task Force, including representatives from the following:

(1) Air carriers.

(2) Aircraft, powerplant, and avionics manufacturers.

(3) Aircraft repair stations.

(4) Local educational agencies or high schools.

(5) Institutions of higher education, including community colleges and aviation trade schools.

(6) Such other aviation and educational stakeholders and experts as the Administrator considers appropriate.

(f) PERIOD OF APPOINTMENT.—Members shall be appointed to the Task Force for the duration of the existence of the Task Force.

(g) COMPENSATION.—Task Force members shall serve without compensation.

(h) SUNSET.—The Task Force shall terminate upon the submittal of the report pursuant to subsection (d).

(i) DEFINITION OF STEM.—The term "STEM" means—

(1) science, technology, engineering, and mathematics; and

(2) other career and technical education subjects that build on the subjects described in paragraph (1).

Subtitle B—Women in Aviation

SEC. 611. SENSE OF CONGRESS REGARDING WOMEN IN AVIATION.

It is the sense of Congress that the aviation industry should explore all opportunities, including pilot training, science, technology, engineering, and mathematics education, and mentorship programs, to encourage and support female students and aviators to pursue a career in aviation.

SEC. 612. SUPPORTING WOMEN'S INVOLVEMENT IN THE AVIATION FIELD.

(a) ADVISORY BOARD.—To encourage women and girls to enter the field of aviation, the Administrator of the Federal Aviation Administration shall create and facilitate the Women in Aviation Advisory Board (referred to in this section as the "Board"), with the objective of promoting organizations and programs that are providing education, training, mentorship, outreach, and recruitment of women into the aviation industry.

(b) COMPOSITION.—The Board shall consist of members whose diverse background and expertise allow them to contribute balanced points of view and ideas regarding the strategies and objectives set forth in subsection (f).

(c) SELECTION.—Not later than 9 months after the date of enactment of this Act, the Administrator shall appoint members of the Board, including representatives from the following:

(1) Major airlines and aerospace companies.

(2) Nonprofit organizations within the aviation industry.

(3) Aviation business associations.

(4) Engineering business associations.

(5) United States Air Force Auxiliary, Civil Air Patrol.

(6) Institutions of higher education and aviation trade schools.

(d) PERIOD OF APPOINTMENT.—Members shall be appointed to the Board for the duration of the existence of the Board.

(e) COMPENSATION.—Board members shall serve without compensation.

(f) DUTIES.—Not later than 18 months after the date of enactment of this Act, the Board shall present a comprehensive plan for strategies the Administration can take, which include the following objectives:

(1) Identifying industry trends that directly or indirectly encourage or discourage women from pursuing careers in aviation.

(2) Coordinating the efforts of airline companies, nonprofit organizations, and aviation and engineering associations to facilitate support for women pursuing careers in aviation.

(3) Creating opportunities to expand existing scholarship opportunities for women in the aviation industry.

(4) Enhancing aviation training, mentorship, education, and outreach programs that are exclusive to women.

(g) REPORTS.—

(1) IN GENERAL.—Not later than 2 years after the date of enactment of this Act, the Board shall submit a report outlining the comprehensive plan for strategies pursuant to subsection (f) to the Administrator and the appropriate committees of Congress.

(2) AVAILABILITY ONLINE.—The Administrator shall make the report publicly available online and in print.

(h) SUNSET.—The Board shall terminate upon the submittal of the report pursuant to subsection (g).

Subtitle C—Future of Aviation Workforce

SEC. 621. AVIATION AND AEROSPACE WORKFORCE OF THE FUTURE.

(a) FINDINGS.—Congress finds that—

(1) in 2016, United States air carriers carried a record high number of passengers on domestic flights, 719 million passengers;

(2) the United States aerospace and defense industry employed 1.7 million workers in 2015, or roughly 2 percent of the Nation's total employment base;

(3) the average salary of an employee in the aerospace and defense industry is 44 percent above the national average;

(4) in 2015, the aerospace and defense industry contributed nearly $202.4 billion in value added to the United States economy;

(5) an effective aviation industry relies on individuals with unique skill sets, many of which can be directly obtained through career and technical education opportunities; and

(6) industry and the Federal Government have taken some actions to attract qualified individuals to careers in aviation and aerospace and to retain qualified individuals in such careers.

(b) SENSE OF CONGRESS.—It is the sense of Congress that—

(1) public and private education institutions should make available to students and parents information on approved programs of study and career pathways, including career exploration, work-based learning opportunities, dual and concurrent enrollment opportunities, and guidance and advisement resources;

(2) public and private education institutions should partner with aviation and aerospace companies to promote career paths available within the industry and share information on the unique benefits and opportunities the career paths offer;

(3) aviation companies, including air carriers, manufacturers, commercial space companies, unmanned aircraft system companies, and repair stations, should create opportunities, through apprenticeships or other mechanisms, to attract young people to aviation and aerospace careers and to enable individuals to gain the critical skills needed to thrive in such professions; and

(4) the Federal Government should consider the needs of men and women interested in pursuing careers in the aviation and aerospace industry, the long-term personnel needs of the aviation and aerospace industry, and the role of aviation in the United States economy in the creation and administration of educational and financial aid programs.

SEC. 622. AVIATION AND AEROSPACE WORKFORCE OF THE FUTURE STUDY.

(a) IN GENERAL.—Not later than 90 days after the date of enactment of this Act, the Comptroller General of the United States shall initiate a study—

(1) to evaluate the current and future supply of individuals in the aviation and aerospace workforce;

(2) to identify the factors influencing the supply of individuals pursuing a career in the aviation or aerospace industry, including barriers to entry into the workforce; and

(3) to identify methods to increase the future supply of individuals in the aviation and aerospace workforce, including best practices or programs to incentivize, recruit, and retain young people in aviation and aerospace professions.

(b) CONSULTATION.—The Comptroller General shall conduct the study in consultation with—

(1) appropriate Federal agencies; and

(2) the aviation and aerospace industry, institutions of higher education, and labor stakeholders.

(c) REPORT TO CONGRESS.—Not later than 1 year after the date of enactment of this Act, the Comptroller General shall submit to the appropriate committees of Congress a report on the results of the study and related recommendations.

SEC. 623. SENSE OF CONGRESS ON HIRING VETERANS.

It is the sense of Congress that the aviation industry, including certificate holders under parts 121, 135, and 145 of title 14, Code of Federal Regulations, should hire more of the Nation's veterans.

49 USC 44515 note.

SEC. 624. AVIATION MAINTENANCE INDUSTRY TECHNICAL WORKFORCE.

(a) REGULATIONS.—Not later than 180 days after the date of enactment of this Act, the Administrator of the Federal Aviation Administration shall issue a final rule to modernize training programs at aviation maintenance technician schools governed by part 147 of title 14, Code of Federal Regulations.

(b) GUIDANCE.—Not later than 180 days after the date of enactment of this Act, the Administrator shall coordinate with government, educational institutions, labor organizations representing aviation maintenance workers, and businesses to develop and publish guidance or model curricula for aviation maintenance technician schools referred to in subsection (a) to ensure workforce readiness for industry needs, including curricula related to training in avionics, troubleshooting, and other areas of industry needs.

(c) REVIEW AND PERIODIC UPDATES.—The Administrator shall—

(1) ensure training programs referred to in subsection (a) are revised and updated in correlation with aviation maintenance technician airman certification standards as necessary to reflect current technology and maintenance practices; and

(2) publish updates to the guidance or model curricula required under subsection (b) at least once every 2 years, as necessary, from the date of initial publication.

(d) REPORT TO CONGRESS.—If the Administrator does not issue such final rule by the deadline specified in subsection (a), the Administrator shall, not later than 30 days after such deadline, submit to the appropriate committees of Congress a report containing—

(1) an explanation as to why such final rule was not issued by such deadline; and

(2) a schedule for issuing such final rule.

(e) STUDY.—The Comptroller General of the United States shall conduct a study on technical workers in the aviation maintenance industry.

(f) CONTENTS.—In conducting the study under subsection (e), the Comptroller General shall—

(1) analyze the current Standard Occupational Classification system with regard to the aviation profession, particularly technical workers in the aviation maintenance industry;

(2) analyze how changes to the Federal employment classification of aviation maintenance industry workers might affect government data on unemployment rates and wages;

(3) analyze how changes to the Federal employment classification of aviation maintenance industry workers might affect projections for future aviation maintenance industry workforce needs and project technical worker shortfalls;

(4) analyze the impact of Federal regulation, including Federal Aviation Administration oversight of certification, testing, and education programs, on employment of technical workers in the aviation maintenance industry;

(5) develop recommendations on how Federal Aviation Administration regulations and policies could be improved to modernize training programs at aviation maintenance technical schools and address aviation maintenance industry needs for technical workers;

(6) develop recommendations for better coordinating actions by government, educational institutions, and businesses to support workforce growth in the aviation maintenance industry; and

(7) develop recommendations for addressing the needs for government funding, private investment, equipment for training purposes, and other resources necessary to strengthen existing training programs or develop new training programs to support workforce growth in the aviation industry.

(g) REPORT.—Not later than 1 year after the date of enactment of this Act, the Comptroller General shall submit to the appropriate committees of Congress a report on the results of the study.

(h) DEFINITIONS.—In this section, the following definitions apply:

(1) AVIATION MAINTENANCE INDUSTRY.—The term "aviation maintenance industry" means repair stations certificated under part 145 of title 14, Code of Federal Regulations.

(2) TECHNICAL WORKER.—The term "technical worker" means an individual authorized under part 43 of title 14, Code of Federal Regulations, to maintain, rebuild, alter, or perform preventive maintenance on an aircraft, airframe, aircraft engine, propeller, appliance, or component part or employed by an entity so authorized to perform such a function.

SEC. 625. AVIATION WORKFORCE DEVELOPMENT PROGRAMS.

49 USC 40101 note.

(a) IN GENERAL.—The Secretary of Transportation shall establish—

(1) a program to provide grants for eligible projects to support the education of future aircraft pilots and the development of the aircraft pilot workforce; and

(2) a program to provide grants for eligible projects to support the education and recruitment of aviation maintenance technical workers and the development of the aviation maintenance workforce.

(b) PROJECT GRANTS.—

(1) IN GENERAL.—Out of amounts made available under section 48105 of title 49, United States Code, not more than $5,000,000 for each of fiscal years 2019 through 2023 is authorized to be expended to provide grants under the program established under subsection (a)(1), and $5,000,000 for each of fiscal years 2019 through 2023 is authorized to provide grants under the program established under subsection (a)(2).

(2) DOLLAR AMOUNT LIMIT.—Not more than $500,000 shall be available for any 1 grant in any 1 fiscal year under the programs established under subsection (a).

(c) ELIGIBLE APPLICATIONS.—

(1) An application for a grant under the program established under subsection (a)(1) shall be submitted, in such form as the Secretary may specify, by—

(A) an air carrier, as defined in section 40102 of title 49, United States Code, or a labor organization representing aircraft pilots;

(B) an accredited institution of higher education (as defined in section 101 of the Higher Education Act of 1965 (20 U.S.C. 1001)) or a high school or secondary school (as defined in section 7801 of the Higher Education Act of 1965 (20 U.S.C. 7801));

(C) a flight school that provides flight training, as defined in part 61 of title 14, Code of Federal Regulations, or that holds a pilot school certificate under part 141 of title 14, Code of Federal Regulations; or

(D) a State or local governmental entity.

(2) An application for a grant under the pilot program established under subsection (a)(2) shall be submitted, in such form as the Secretary may specify, by—

(A) a holder of a certificate issued under part 21, 121, 135, or 145 of title 14, Code of Federal Regulations or a labor organization representing aviation maintenance workers;

(B) an accredited institution of higher education (as defined in section 101 of the Higher Education Act of 1965 (20 U.S.C. 1001)) or a high school or secondary school (as defined in section 7801 of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 7801); and

(C) a State or local governmental entity.

(d) ELIGIBLE PROJECTS.—

(1) For purposes of the program established under subsection (a)(1), an eligible project is a project—

(A) to create and deliver curriculum designed to provide high school students with meaningful aviation education that is designed to prepare the students to become aircraft pilots, aerospace engineers, or unmanned aircraft systems operators; or

(B) to support the professional development of teachers using the curriculum described in subparagraph (A).

(2) For purposes of the pilot program established under subsection (a)(2), an eligible project is a project—

(A) to establish new educational programs that teach technical skills used in aviation maintenance, including purchasing equipment, or to improve existing such programs;

(B) to establish scholarships or apprenticeships for individuals pursuing employment in the aviation maintenance industry;

(C) to support outreach about careers in the aviation maintenance industry to—

(i) primary, secondary, and post-secondary school students; or

(ii) to communities underrepresented in the industry;

(D) to support educational opportunities related to aviation maintenance in economically disadvantaged geographic areas;

(E) to support transition to careers in aviation maintenance, including for members of the Armed Forces; or

(F) to otherwise enhance aviation maintenance technical education or the aviation maintenance industry workforce.

(e) GRANT APPLICATION REVIEW.—In reviewing and selecting applications for grants under the programs established under subsection (a), the Secretary shall—

(1) prior to selecting among competing applications, consult, as appropriate, with representatives of aircraft repair stations, design and production approval holders, air carriers, labor organizations, business aviation, general aviation, educational institutions, and other relevant aviation sectors; and

(2) ensure that the applications selected for projects established under subsection (a)(1) will allow participation from a diverse collection of public and private schools in rural, suburban, and urban areas.

Subtitle D—Unmanned Aircraft Systems Workforce

SEC. 631. COMMUNITY AND TECHNICAL COLLEGE CENTERS OF EXCELLENCE IN SMALL UNMANNED AIRCRAFT SYSTEM TECHNOLOGY TRAINING.

49 USC 40101 note.

(a) DESIGNATION.—Not later than 180 days after the date of enactment of this Act, the Secretary of Transportation, in consultation with the Secretary of Education and the Secretary of Labor, shall establish a process to designate consortia of public, 2-year institutions of higher education as Community and Technical College Centers of Excellence in Small Unmanned Aircraft System Technology Training (in this section referred to as the "Centers of Excellence").

(b) FUNCTIONS.—A Center of Excellence designated under subsection (a) shall have the capacity to train students for career opportunities in industry and government service related to the use of small unmanned aircraft systems.

(c) EDUCATION AND TRAINING REQUIREMENTS.—In order to be designated as a Center of Excellence under subsection (a), a consortium shall be able to address education and training requirements

associated with various types of small unmanned aircraft systems, components, and related equipment, including with respect to—

(1) multirotor and fixed-wing small unmanned aircraft;

(2) flight systems, radio controllers, components, and characteristics of such aircraft;

(3) routine maintenance, uses and applications, privacy concerns, safety, and insurance for such aircraft;

(4) hands-on flight practice using small unmanned aircraft systems and computer simulator training;

(5) use of small unmanned aircraft systems in various industry applications and local, State, and Federal government programs and services, including in agriculture, law enforcement, monitoring oil and gas pipelines, natural disaster response and recovery, fire and emergency services, and other emerging areas;

(6) Federal policies concerning small unmanned aircraft;

(7) dual credit programs to deliver small unmanned aircraft training opportunities to secondary school students; or

(8) training with respect to sensors and the processing, analyzing, and visualizing of data collected by small unmanned aircraft.

(d) COLLABORATION.—Each Center of Excellence shall seek to collaborate with institutions participating in the Alliance for System Safety of UAS through Research Excellence of the Federal Aviation Administration and with the test ranges defined under section 44801 of title 49, United States Code, as added by this Act.

(e) INSTITUTION OF HIGHER EDUCATION.—In this section, the term "institution of higher education" has the meaning given the term in section 101 of the Higher Education Act of 1965 (20 U.S.C. 1001).

49 USC 40101 note.

SEC. 632. COLLEGIATE TRAINING INITIATIVE PROGRAM FOR UNMANNED AIRCRAFT SYSTEMS.

(a) IN GENERAL.—Not later than 180 days after the date of enactment of this Act, the Administrator of the Federal Aviation Administration shall establish a collegiate training initiative program relating to unmanned aircraft systems by making new agreements or continuing existing agreements with institutions of higher education (as defined in section 101 of the Higher Education Act of 1965 (20 U.S.C. 1001)) under which the institutions prepare students for careers involving unmanned aircraft systems. The Administrator may establish standards for the entry of such institutions into the program and for their continued participation in the program.

(b) UNMANNED AIRCRAFT SYSTEM DEFINED.—In this section, the term "unmanned aircraft system" has the meaning given that term by section 44801 of title 49, United States Code, as added by this Act.

TITLE VII—FLIGHT R&D ACT

Subtitle A—General Provisions

FAA Leadership in Groundbreaking High-Tech Research and Development Act.

SEC. 701. SHORT TITLE.

49 USC 40101 note.

This title may be cited as the "FAA Leadership in Groundbreaking High-Tech Research and Development Act" or the "FLIGHT R&D Act".

SEC. 702. DEFINITIONS.

49 USC 40101 note.

In this title, the following definitions apply:

(1) ADMINISTRATOR.—The term "Administrator" means the Administrator of the Federal Aviation Administration.

(2) FAA.—The term "FAA" means the Federal Aviation Administration.

(3) NASA.—The term "NASA" means the National Aeronautics and Space Administration.

(4) SECRETARY.—The term "Secretary" means the Secretary of Transportation.

SEC. 703. AUTHORIZATION OF APPROPRIATIONS.

(a) AUTHORIZATIONS.—Section 48102(a) of title 49, United States Code, is amended—

(1) in the matter preceding paragraph (1), by striking "and, for each of fiscal years 2012 through 2015, under subsection (g)";

(2) in paragraph (9), by striking "and" at the end; and

(3) by striking paragraph (10) and inserting the following:

"(10) $189,000,000 for fiscal year 2018;

"(11) $194,000,000 for fiscal year 2019;

"(12) $199,000,000 for fiscal year 2020;

"(13) $204,000,000 for fiscal year 2021;

"(14) $209,000,000 for fiscal year 2022; and

"(15) $214,000,000 for fiscal year 2023.".

(b) RESEARCH PRIORITIES.—Section 48102(b) of title 49, United States Code, is amended—

(1) in paragraph (1), by striking "consider" and inserting "prioritize safety in considering";

(2) by striking paragraph (3);

(3) by redesignating paragraph (2) as paragraph (3); and

(4) by inserting after paragraph (1) the following:

"(2) As safety related activities shall be the highest research priority, at least 70 percent of the amount appropriated under subsection (a) of this section shall be for safety research and development projects.".

(c) ANNUAL SUBMISSION OF THE NATIONAL AVIATION RESEARCH PLAN.—Section 48102(g) of title 49, United States Code, is amended to read as follows:

"(g) ANNUAL SUBMISSION OF THE NATIONAL AVIATION RESEARCH PLAN.—The Administrator shall submit the national aviation research plan to Congress no later than the date of submission of the President's budget request to Congress for that fiscal year, as required under section 44501(c).".

Subtitle B—FAA Research and Development Organization

49 USC 106 note.

SEC. 711. ASSISTANT ADMINISTRATOR FOR RESEARCH AND DEVELOPMENT.

(a) APPOINTMENT.—Not later than 3 months after the date of enactment of this Act, the Administrator shall appoint an Assistant Administrator for Research and Development.

(b) RESPONSIBILITIES.—The Assistant Administrator for Research and Development shall, at a minimum, be responsible for—

(1) management and oversight of all the FAA's research and development programs and activities; and

(2) production of all congressional reports from the FAA relevant to research and development, including the national aviation research plan required under section 44501(c) of title 49, United States Code.

(c) DUAL APPOINTMENT.—The Assistant Administrator for Research and Development may be a dual-appointment, holding the responsibilities of another Assistant Administrator.

SEC. 712. RESEARCH ADVISORY COMMITTEE.

(a) ADVICE AND RECOMMENDATIONS.—Section 44508(a)(1)(A) of title 49, United States Code, is amended to read as follows:

"(A) provide advice and recommendations to the Administrator of the Federal Aviation Administration and Congress about needs, objectives, plans, approaches, content, and accomplishments of all aviation research and development activities and programs carried out, including those under sections 40119, 44504, 44505, 44507, 44511–44513, and 44912 of this title;".

(b) WRITTEN REPLY TO RESEARCH ADVISORY COMMITTEE.—Section 44508 of title 49, United States Code, is amended by adding at the end the following:

"(f) WRITTEN REPLY.—

"(1) IN GENERAL.—Not later than 60 days after receiving any recommendation from the research advisory committee, the Administrator shall provide a written reply to the research advisory committee that, at a minimum—

"(A) clearly states whether the Administrator accepts or rejects the recommendation;

"(B) explains the rationale for the Administrator's decision;

"(C) sets forth the timeframe in which the Administrator will implement the recommendation; and

"(D) describes the steps the Administrator will take to implement the recommendation.

"(2) TRANSPARENCY.—The written reply to the research advisory committee, when transmitted to the research advisory committee, shall be—

"(A) made publicly available on the research advisory committee website; and

"(B) transmitted to the Committee on Science, Space, and Technology of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate.

"(3) NATIONAL AVIATION RESEARCH PLAN.—The national aviation research plan required under section 44501(c) shall include a summary of all research advisory committee recommendations and a description of the status of their implementation.".

Subtitle C—Unmanned Aircraft Systems

SEC. 721. UNMANNED AIRCRAFT SYSTEMS RESEARCH AND DEVELOPMENT ROADMAP.

49 USC 44802 note.

The Secretary shall submit the unmanned aircraft systems roadmap to Congress on an annual basis as required under section 48802(a) of title 49, United States Code, as added by this Act.

Subtitle D—Cybersecurity and Responses to Other Threats

SEC. 731. CYBER TESTBED.

49 USC 40101 note.

Not later than 6 months after the date of enactment of this Act, the Administrator shall develop an integrated Cyber Testbed for research, development, evaluation, and validation of air traffic control modernization technologies, before they enter the national airspace system, as being compliant with FAA data security regulations. The Cyber Testbed shall be part of an integrated research and development test environment capable of creating, identifying, defending, and solving cybersecurity-related problems for the national airspace system. This integrated test environment shall incorporate integrated test capacities within the FAA related to the national airspace system and NextGen.

SEC. 732. STUDY ON THE EFFECT OF EXTREME WEATHER ON AIR TRAVEL.

(a) STUDY REQUIRED.—Not later than 1 year after the date of enactment of this Act, the Administrator of the National Oceanic and Atmospheric Administration and the Administrator of the Federal Aviation Administration shall jointly complete a study on the effect of extreme weather on commercial air travel.

(b) ELEMENTS.—The study required by subsection (a) shall include assessment of the following:

(1) Whether extreme weather may result in an increase in turbulence.

(2) The effect of extreme weather on current commercial air routes.

(3) The effect of extreme weather on domestic airports, air traffic control facilities, and associated facilities.

Subtitle E—FAA Research and Development Activities

SEC. 741. RESEARCH PLAN FOR THE CERTIFICATION OF NEW TECHNOLOGIES INTO THE NATIONAL AIRSPACE SYSTEM.

Not later than 1 year after the date of enactment of this Act, the Administrator, in consultation with NASA, shall transmit

a comprehensive research plan for the certification of new technologies into the national airspace system to the Committee on Science, Space, and Technology of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate. This plan shall identify research necessary to support the certification and implementation of NextGen, including both ground and air elements, and explain the plan's relationship to other activities and procedures required for certification and implementation of new technologies into the national airspace system. This plan shall be informed by the recommendations of the National Research Council report titled "Transformation in the Air—A Review of the FAA Research Plan", issued on June 8, 2015. This plan shall include, at a minimum—

(1) a description of the strategic and prescriptive value of the research plan;

(2) an explanation of the expected outcomes from executing the plan;

(3) an assessment of the FAA's plan to use research and development to improve cybersecurity over the next 5 years;

(4) an assessment of the current software assurance practices, and the desired level or attributes to target in the software assurance program; and

(5) best practices in research and development used by other organizations, such as NASA, NavCanada, and Eurocontrol.

SEC. 742. TECHNOLOGY REVIEW.

(a) REVIEW.—

(1) IN GENERAL.—The Administrator of the Federal Aviation Administration, in coordination with the Administrator of the National Aeronautics and Space Administration, shall conduct a review of current and planned research on the use of advanced aircraft technologies, innovative materials, alternative fuels, additive manufacturing, and novel aircraft designs, to increase aircraft fuel efficiency.

(2) SUMMARIES.—The review conducted under paragraph (1) shall include summaries of projects and missions to examine—

(A) the effectiveness of such technologies, materials, fuels, and aircraft designs to enhance fuel efficiency and aerodynamic performance, and reduce drag, weight, noise, and fuel consumption; and

(B) the potential for novel flight pattern planning and communications systems to reduce aircraft taxiing and airport circling.

(3) RECOMMENDATIONS.—The review conducted under paragraph (1) shall identify potential opportunities for additional research and development, public or private, to increase aircraft fuel efficiency.

(b) REPORT.—Not later than 1 year after the date of enactment of this Act, the Administrator of the Federal Aviation Administration shall submit to the appropriate committees of Congress a report containing the results of the review conducted under subsection (a).

SEC. 743. CLEEN AIRCRAFT AND ENGINE TECHNOLOGY PARTNERSHIP.

(a) COOPERATIVE AGREEMENT.—Subchapter I of chapter 475 of title 49, United States Code, is amended by adding at the end the following:

"§ 47511. CLEEN engine and airframe technology partnership 49 USC 47511.

"(a) IN GENERAL.—The Administrator of the Federal Aviation Administration shall enter into a cost-sharing cooperative agreement, using a competitive process, with institutions, entities, or consortiums to carry out a program for the development, maturation, and testing of certifiable CLEEN aircraft, engine technologies, and jet fuels for civil subsonic airplanes.

"(b) CLEEN ENGINE AND AIRFRAME TECHNOLOGY DEFINED.—In this section, the term 'CLEEN aircraft and engine technology' means continuous lower energy, emissions, and noise aircraft and engine technology.

"(c) PERFORMANCE OBJECTIVE.—The Administrator shall establish the performance objectives for the program in terms of the specific objectives to reduce fuel burn, emissions and noise.".

(b) TECHNICAL AND CONFORMING AMENDMENT.—The table of contents of subchapter I of chapter 475 is amended by inserting after the item relating to section 47510 the following: 49 USC prec. 47501.

"47511. CLEEN engine and airframe technology partnership.".

SEC. 744. RESEARCH AND DEPLOYMENT OF CERTAIN AIRFIELD PAVEMENT TECHNOLOGIES. 49 USC 44505 note.

Using amounts made available under section 48102(a) of title 49, United States Code, the Administrator of the Federal Aviation Administration may carry out a program for the research and development of aircraft pavement technologies under which the Administrator makes grants to, and enters into cooperative agreements with, institutions of higher education and nonprofit organizations that—

(1) research concrete and asphalt airfield pavement technologies that extend the life of airfield pavements;

(2) develop and conduct training;

(3) provide for demonstration projects; and

(4) promote the latest airfield pavement technologies to aid in the development of safer, more cost effective, and more durable airfield pavements.

Subtitle F—Geospatial Data

Geospatial Data Act of 2018.

SEC. 751. SHORT TITLE; FINDINGS.

(a) SHORT TITLE.—This subtitle may be cited as the "Geospatial Data Act of 2018". 43 USC 2801 note.

(b) FINDINGS.—Congress finds that— 43 USC 2801 note.

(1) open and publicly available data is essential to the successful operation of the GeoPlatform;

(2) the private sector in the United States, for the purposes of acquiring and producing quality geospatial data and geospatial data services, has been and continues to be invaluable in carrying out the varying missions of Federal departments and agencies, as well as contributing positively to the United States economy; and

(3) over the last 2 decades, Congress has passed legislation that promotes greater access and use of Government information and data, which has—

(A) sparked new, innovative start-ups and services;

(B) spurred economic growth in many sectors, such as in the geospatial services;

(C) advanced scientific research;

(D) promoted public access to Federally funded services and data; and

(E) improved access to geospatial data for the purposes of promoting public health, weather forecasting, economic development, environmental protection, flood zone research, and other purposes.

43 USC 2801.

SEC. 752. DEFINITIONS.

In this subtitle—

(1) the term "Advisory Committee" means the National Geospatial Advisory Committee established under section 754(a);

(2) the term "Committee" means the Federal Geographic Data Committee established under section 753(a);

(3) the term "covered agency"—

(A) means—

(i) an Executive department, as defined in section 101 of title 5, United States Code, that collects, produces, acquires, maintains, distributes, uses, or preserves geospatial data on paper or in electronic form to fulfill the mission of the Executive department, either directly or through a relationship with another organization, including a State, local government, Indian tribe, institution of higher education, business partner or contractor of the Federal Government, and the public;

(ii) the National Aeronautics and Space Administration; or

(iii) the General Services Administration; and

(B) does not include the Department of Defense (including 30 components and agencies performing national missions) or any element of the intelligence community;

(4) the term "GeoPlatform" means the GeoPlatform described in section 758(a);

(5) the term "geospatial data"—

(A) means information that is tied to a location on the Earth, including by identifying the geographic location and characteristics of natural or constructed features and boundaries on the Earth, and that is generally represented in vector datasets by points, lines, polygons, or other complex geographic features or phenomena;

(B) may be derived from, among other things, remote sensing, mapping, and surveying technologies;

(C) includes images and raster datasets, aerial photographs, and other forms of geospatial data or datasets in digitized or non-digitized form; and

(D) does not include—

(i) geospatial data and activities of an Indian tribe not carried out, in whole or in part, using Federal funds, as determined by the tribal government;

(ii) classified national security-related geospatial data and activities of the Department of Defense, unless declassified;

(iii) classified national security-related geospatial data and activities of the Department of Energy, unless declassified;

(iv) geospatial data and activities under chapter 22 of title 10, United States Code, or section 110 of the National Security Act of 1947 (50 U.S.C. 3045);

(v) intelligence geospatial data and activities, as determined by the Director of National Intelligence; or

(vi) certain declassified national security-related geospatial data and activities of the intelligence community, as determined by the Secretary of Defense, the Secretary of Energy, or the Director of National Intelligence;

(6) the term "Indian tribe" has the meaning given that term under section 4 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450b);

(7) the term "institution of higher education" has the meaning given that term under section 102 of the Higher Education Act of 1965 (20 U.S.C. 1002);

(8) the term "intelligence community" has the meaning given that term in section 3 of the National Security Act of 1947 (50 U.S.C. 3003);

(9) the term "lead covered agency" means a lead covered agency for a National Geospatial Data Asset data theme designated under section 756(b)(1);

(10) the term "local government" means any city, county, township, town, borough, parish, village, or other general purpose political subdivision of a State;

(11) the term "metadata for geospatial data" means information about geospatial data, including the content, source, vintage, accuracy, condition, projection, method of collection, and other characteristics or descriptions of the geospatial data;

(12) the term "National Geospatial Data Asset data theme" means the National Geospatial Data Asset core geospatial datasets (including electronic records and coordinates) relating to a topic or subject designated under section 756;

(13) the term "National Spatial Data Infrastructure" means the technology, policies, criteria, standards, and employees necessary to promote geospatial data sharing throughout the Federal Government, State, tribal, and local governments, and the private sector (including nonprofit organizations and institutions of higher education); and

(14) the term "proven practices" means methods and activities that advance the use of geospatial data for the benefit of society.

SEC. 753. FEDERAL GEOGRAPHIC DATA COMMITTEE. 43 USC 2802.

(a) IN GENERAL.—There is established within the Department of the Interior an interagency committee to be known as the Federal Geographic Data Committee, which shall act as the lead entity in the executive branch for the development, implementation, and

review of policies, practices, and standards relating to geospatial data.

(b) MEMBERSHIP.—

(1) CHAIRPERSON AND VICE CHAIRPERSON.—The Secretary of the Interior and the Director of the Office of Management and Budget shall serve as Chairperson of the Committee and Vice Chairperson of the Committee, respectively.

(2) OTHER MEMBERS.—

(A) IN GENERAL.—The head of each covered agency and the Director of the National Geospatial-Intelligence Agency shall each designate a representative of their respective agency to serve as a member of the Committee.

(B) REQUIREMENT FOR APPOINTMENTS.—An officer appointed to serve as a member of the Committee shall hold a position as an assistant secretary, or an equivalent position, or a higher ranking position.

(3) GUIDANCE.—Not later than 1 year after the date of enactment of this Act, and as needed thereafter, the Director of the Office of Management and Budget shall update guidance with respect to membership of the Committee and the roles of members of the Committee.

(c) DUTIES.—The Committee shall—

(1) lead the development and management of and operational decision making for the National Spatial Data Infrastructure strategic plan and geospatial data policy in accordance with section 755;

(2) designate National Geospatial Data Asset data themes and oversee the coordinated management of the National Geospatial Data Asset data themes in accordance with section 756;

(3) establish and maintain geospatial data standards in accordance with section 757;

(4) periodically review and determine the extent to which covered agencies comply with geospatial data standards;

(5) ensure that the GeoPlatform operates in accordance with section 758;

(6) direct and facilitate national implementation of the system of National Geospatial Data Asset data themes;

(7) communicate with and foster communication among covered agencies and other entities and individuals relating to geospatial data technology development, transfer, and exchange in order to—

(A) identify and meet the needs of users of geospatial data;

(B) promote cost-effective data collection, documentation, maintenance, distribution, and preservation strategies; and

(C) leverage Federal and non-Federal resources, such as promoting Federal shared services and cross-agency coordination for marketplace solutions;

(8) define roles and responsibilities and promote and guide cooperation and coordination among agencies of the Federal Government, State, tribal, and local governments, institutions of higher education, and the private sector in the collection, production, sharing, and use of geospatial information, the implementation of the National Spatial Data Infrastructure, and the identification of proven practices;

(9) coordinate with international organizations having an interest in the National Spatial Data Infrastructure or global spatial data infrastructures;

(10) make available online and update at least annually—

(A) a summary of the status for each National Geospatial Data Asset data theme, based on the report submitted by the applicable lead covered agency under section 756(b)(3)(E)(ii)(I), which shall include—

(i) an evaluation of the progress of each lead covered agency in achieving the requirements under subparagraphs (A), (B), (C), and (D) of section 756(b)(3); and

(ii) a determination of whether, for each of subparagraphs (A), (B), (C), and (D) of section 756(b)(3), each lead covered agency meets expectations, has made progress toward expectations, or fails to meet expectations;

(B) a summary and evaluation of the achievements of each covered agency, based on the annual report submitted by the covered agency under section 759(b)(1), which shall include a determination of whether the covered agency meets expectations, has made progress toward expectations, or fails to meet expectations for each of paragraphs (1) through (13) of section 759(a);

(C) a collection of periodic technical publications, management articles, and reports related to the National Spatial Data Infrastructure; and

(D) a membership directory for the Committee, including identifying members of any subcommittee or working group of the Committee;

(11)(A) make available to and request comments from the Advisory Committee regarding the summaries and evaluations required under subparagraphs (A) and (B) of paragraph (10);

(B) if requested by the Advisory Committee, respond to any comments by the Advisory Committee; and

(C) not less than once every 2 years, submit to Congress a report that includes the summaries and evaluations required under subparagraphs (A) and (B) of paragraph (10), the comments of the Advisory Committee, and the responses of the Committee to the comments;

(12)(A) make available to and request comments from covered agencies regarding the summaries and evaluations required under subparagraphs (A) and (B) of paragraph (10); and

(B) not less than once every 2 years, submit to Congress a report that includes the comments of the covered agencies and the responses of the Committee to the comments; and

(13) support and promote the infrastructure of networks, systems, services, and standards that provide a digital representation of the Earth to users for many applications.

(d) STAFF SUPPORT.—The Committee shall establish an Office of the Secretariat within the Department of the Interior to provide administrative support, strategic planning, funding, and technical support to the Committee.

43 USC 2803.

SEC. 754. NATIONAL GEOSPATIAL ADVISORY COMMITTEE.

(a) ESTABLISHMENT.—The Secretary of the Interior shall establish within the Department of the Interior the National Geospatial Advisory Committee to provide advice and recommendations to the Chairperson of the Committee.

(b) MEMBERSHIP.—

(1) COMPOSITION.—The Advisory Committee shall be composed of not more than 30 members, at least one of which will be from the National Geospatial-Intelligence Agency, who shall—

(A) be appointed by the Chairperson of the Committee;

(B) be selected—

(i) to generally achieve a balanced representation of the viewpoints of various interested parties involved in national geospatial activities and the development of the National Spatial Data Infrastructure; and

(ii) with consideration of a geographic balance of residence of the members; and

(C) be selected from among groups involved in the geospatial community, including—

(i) States;

(ii) local governments;

(iii) regional governments;

(iv) tribal governments;

(v) private sector entities;

(vi) geospatial information user industries;

(vii) professional associations;

(viii) scholarly associations;

(ix) nonprofit organizations;

(x) academia;

(xi) licensed geospatial data acquisition professionals; and

(xii) the Federal Government.

(2) CHAIRPERSON.—The Chairperson of the Committee shall appoint the Chairperson of the Advisory Committee.

(3) PERIOD OF APPOINTMENT; VACANCIES.—

(A) IN GENERAL.—Members shall be appointed for a term of 3 years, with the term of ⅓ of the members expiring each year.

(B) VACANCIES.—Any vacancy in the Advisory Committee shall not affect its powers, but shall be filled in the same manner as the original appointment.

(4) LIMIT ON TERMS.—Except for the member from the National Geospatial-Intelligence Agency, an individual—

(A) may not be appointed to more than 2 consecutive terms as a member of the Advisory Committee; and

(B) after serving for 2 consecutive terms, is eligible to be appointed as a member of the Advisory Committee on and after the date that is 2 years after the end of the second consecutive term of the individual as a member of the Advisory Committee.

(5) ETHICAL REQUIREMENTS.—A member of the Advisory Committee may not participate in any specific-party matter (including a lease, license, permit, contract, claim, agreement, or related litigation) with the Department of the Interior in which the member has a direct financial interest.

(6) INCUMBENTS.—

(A) IN GENERAL.—An individual serving on the day before the date of enactment of this Act as a member of the National Geospatial Advisory Committee established by the Secretary of the Interior may serve as a member of the Advisory Committee until the end of the term of the individual under the appointment.

(B) LIMIT ON TERMS.—Any period of service as a member of the National Geospatial Advisory Committee established by the Secretary of the Interior shall be considered a period of service as a member of the Advisory Committee for purposes of paragraph (4).

(c) SUBCOMMITTEES.—A subcommittee of the Advisory Committee—

(1) may be formed for the purposes of compiling information or conducting research;

(2) shall be composed of members appointed by the Chairperson of the Advisory Committee;

(3) shall act under the direction of the Chairperson of the Advisory Committee and the officer or employee designated under section 10(e) of the Federal Advisory Committee Act (5 U.S.C. App.) with respect to the Advisory Committee;

(4) shall report the recommendations of the subcommittee to the Advisory Committee for consideration; and

(5) shall meet as necessary to accomplish the objectives of the subcommittee, subject to the approval of the Chairperson of the Advisory Committee and the availability of resources.

(d) MEETINGS.—

(1) IN GENERAL.—The Advisory Committee shall meet at the call of the Chairperson, not less than 1 time each year and not more than 4 times each year.

(2) QUORUM.—A majority of the members of the Advisory Committee shall constitute a quorum, but a lesser number of members may hold meetings or hearings.

(e) DUTIES OF THE ADVISORY COMMITTEE.—The Advisory Committee shall—

(1) provide advice and recommendations relating to—

(A) the management of Federal and national geospatial programs;

(B) the development of the National Spatial Data Infrastructure; and

(C) implementation of this subtitle;

(2) review and comment on geospatial policy and management issues; and

(3) ensure the views of representatives of non-Federal interested parties involved in national geospatial activities are conveyed to the Committee.

(f) POWERS OF THE ADVISORY COMMITTEE.—

(1) MEETINGS.—The Advisory Committee may hold meetings (which shall be open to the public) and sit and act at such times and places as the Advisory Committee considers advisable to carry out this subtitle.

(2) INFORMATION FROM COVERED AGENCIES.—

(A) IN GENERAL.—The Advisory Committee, with the concurrence of the Chairperson of the Committee, may secure directly from any covered agency such information as the Advisory Committee considers necessary to carry out this subtitle. Upon request of the Chairperson of the

Advisory Committee, the head of such agency shall furnish such information to the Advisory Committee.

(B) NONCOOPERATION.—The Advisory Committee shall include in the comments of the Advisory Committee submitted under section 753(c)(11) a discussion of any failure by a covered agency to furnish information in response to a request under subparagraph (A) of this paragraph.

(3) POSTAL SERVICES.—The Advisory Committee may use the United States mails in the same manner and under the same conditions as other agencies of the Federal Government.

(g) ADVISORY COMMITTEE PERSONNEL MATTERS.—

(1) NO COMPENSATION OF MEMBERS.—

(A) NON-FEDERAL EMPLOYEES.—A member of the Advisory Committee who is not an officer or employee of the Federal Government shall serve without compensation.

(B) FEDERAL EMPLOYEES.—A member of the Advisory Committee who is an officer or employee of the Federal Government shall serve without compensation in addition to the compensation received for the services of the member as an officer or employee of the Federal Government.

(2) TRAVEL EXPENSES.—The members of the Advisory Committee shall be allowed travel expenses, including per diem in lieu of subsistence, at rates authorized for employees of agencies under subchapter I of chapter 57 of title 5, United States Code, while away from their homes or regular places of business in the performance of services for the Advisory Committee.

(3) DETAIL OF GOVERNMENT EMPLOYEES.—Any Federal Government employee may be detailed to the Committee to support the Advisory Committee without reimbursement, and such detail shall be without interruption or loss of civil service status or privilege.

(4) STAFF SUPPORT.—The Office of the Secretariat established by the Committee under section 753(d) shall provide administrative support to the Advisory Committee.

(h) APPLICABILITY OF FACA.—

(1) IN GENERAL.—Except as provided in paragraph (2), the Federal Advisory Committee Act (5 U.S.C. App.) shall apply to the Advisory Committee.

(2) NO TERMINATION.—Section 14(a)(2) of the Federal Advisory Committee Act (5 U.S.C. App.) shall not apply to the Advisory Committee.

(i) TERMINATION.—

(1) IN GENERAL.—Except as provided in paragraph (2), the Advisory Committee shall terminate 10 years after the date of enactment of this Act.

(2) CONTINUATION.—The Advisory Committee may be continued for successive 10-year periods by action taken by the Secretary of the Interior to renew the Advisory Committee before the date on which the Advisory Committee would otherwise terminate.

43 USC 2804.

SEC. 755. NATIONAL SPATIAL DATA INFRASTRUCTURE.

(a) IN GENERAL.—The National Spatial Data Infrastructure shall ensure that geospatial data from multiple sources (including

the covered agencies, State, local, and tribal governments, the private sector, and institutions of higher education) is available and easily integrated to enhance the understanding of the physical and cultural world.

(b) GOALS.—The goals of the National Spatial Data Infrastructure are to—

(1) ensure—

(A) that geospatial data are reviewed prior to disclosure to ensure—

(i) compliance with section 552a of title 5 (commonly known as the "Privacy Act of 1974"); and

(ii) that personally identifiable information is not disclosed, which shall include an assessment of re-identification risk when determining what data constitute personally identifiable information;

(B) that geospatial data are designed to enhance the accuracy of statistical information, both in raw form and in derived information products;

(C) free and open access for the public to geospatial data, information, and interpretive products, in accordance with Office of Management and Budget Circular A–130, or any successor thereto;

(D) the protection of proprietary interests related to licensed information and data; and

(E) the interoperability and sharing capabilities of Federal information systems and data to enable the drawing of resources from covered agencies and partners of covered agencies; and

(2) support and advance the establishment of a Global Spatial Data Infrastructure, consistent with national security, national defense, national intelligence, and international trade requirements, including ensuring that covered agencies develop international geospatial data in accordance with international voluntary consensus standards, as defined in Office of Management and Budget Circular A–119, or any successor thereto.

(c) STRATEGIC PLAN.—The Committee shall prepare and maintain a strategic plan for the development and implementation of the National Spatial Data Infrastructure in a manner consistent with national security, national defense, and emergency preparedness program policies regarding data accessibility.

(d) ADVISORY ROLE.—The Committee shall advise Federal and non-Federal users of geospatial data on their responsibilities relating to implementation of the National Spatial Data Infrastructure.

SEC. 756. NATIONAL GEOSPATIAL DATA ASSET DATA THEMES.

43 USC 2805.

(a) IN GENERAL.—The Committee shall designate as National Geospatial Data Asset data themes the primary topics and subjects for which the coordinated development, maintenance, and dissemination of geospatial data will benefit the Federal Government and the interests of the people of the United States, which shall—

(1) be representations of conceptual topics describing digital spatial information for the Nation; and

(2) contain associated datasets (with attribute records and coordinates)—

(A) that are documented, verifiable, and officially designated to meet recognized standards;

(B) that may be used in common; and

(C) from which other datasets may be derived.

(b) LEAD COVERED AGENCIES.—

(1) IN GENERAL.—For each National Geospatial Data Asset data theme, the Committee shall designate one or more covered agencies as the lead covered agencies for the National Geospatial Data Asset data theme.

(2) GENERAL RESPONSIBILITY.—The lead covered agencies for a National Geospatial Data Asset data theme shall be responsible for ensuring the coordinated management of the data, supporting resources (including technology and personnel), and related services and products of the National Geospatial Data Asset data theme.

(3) SPECIFIC RESPONSIBILITIES.—To assist in fulfilling the responsibilities under paragraph (2) with respect to a National Geospatial Data Asset data theme, the lead covered agencies shall—

(A) provide leadership and facilitate the development and implementation of geospatial data standards for the National Geospatial Data Asset data theme, with a particular emphasis on a data content standard for the National Geospatial Data Asset data theme, including by—

(i) assessing existing standards;

(ii) identifying anticipated or needed data standards; and

(iii) developing a plan to originate and implement needed standards with relevant community and international practices—

(I) in accordance with Office of Management and Budget Circular A–119, or any successor thereto; and

(II) consistent with or as a part of the plan described in subparagraph (B);

(B) provide leadership and facilitate the development and implementation of a plan for nationwide population of the National Geospatial Data Asset data theme, which shall—

(i) include developing partnership programs with States, Indian tribes, institutions of higher education, private sector entities, other Federal agencies, and local governments;

(ii) meet the needs of users of geospatial data;

(iii) address human and financial resource needs;

(iv) identify needs relating to standards, metadata for geospatial data within the National Geospatial Data Asset data theme, and the GeoPlatform; and

(v) expedite the development of necessary National Geospatial Data Asset data themes;

(C) establish goals that support the strategic plan for the National Spatial Data Infrastructure prepared under section 755(c);

(D) as necessary, collect and analyze information from users of geospatial data within the National Geospatial Data Asset data theme regarding the needs of the users for geospatial data and incorporate the needs of users in strategies relating to the National Geospatial Data Asset data theme; and

(E) as part of administering the National Geospatial Data Asset data theme—

(i) designate a point of contact within the lead covered agency who shall be responsible for developing, maintaining, coordination relating to, and disseminating data using the GeoPlatform;

(ii) submit to the Committee—

(I) a performance report, at least annually, that documents the activities relating to and implementation of the National Geospatial Data Asset data theme, including progress in achieving the requirements under subparagraphs (A), (B), (C), and (D); and

(II) comments, as appropriate, regarding the summary and evaluation of the performance report provided by the Committee under section 753(c)(12);

(iii) publish maps or comparable graphics online (in accordance with the mapping conventions specified by the Committee) showing the extent and status of the National Geospatial Data Asset data themes for which the covered agency is a lead covered agency;

(iv) encourage individuals and entities that are a source of geospatial data or metadata for geospatial data for the National Geospatial Data Asset data theme to provide access to such data through the GeoPlatform;

(v) coordinate with the GeoPlatform; and

(vi) identify and publish proven practices for the use and application of geospatial data of the lead covered agency.

SEC. 757. GEOSPATIAL DATA STANDARDS. 43 USC 2806.

(a) IN GENERAL.—In accordance with section 216 of the E-Government Act of 2002 (44 U.S.C. 3501 note), the Committee shall establish standards for each National Geospatial Data Asset data theme, which—

(1) shall include—

(A) rules, conditions, guidelines, and characteristics for the geospatial data within the National Geospatial Data Asset data theme and related processes, technology, and organization; and

(B) content standards for metadata for geospatial data within the National Geospatial Data Asset data theme;

(2) to the maximum extent practicable, shall be consistent with international standards and protocols;

(3) shall include universal data standards that shall be acceptable for the purposes of declassified intelligence community data; and

(4) the Committee shall periodically review and update as necessary for the standards to remain current, relevant, and effective.

(b) DEVELOPMENT OF STANDARDS.—The Committee shall—

(1) develop and promulgate standards under this section—

(A) in accordance with Office of Management and Budget Circular A–119, or any successor thereto; and

(B) after consultation with a broad range of data users and providers;

(2) to the maximum extent possible, use national and international standards adopted by voluntary standards consensus bodies; and

(3) establish new standards only to the extent standards described in paragraph (2) do not exist.

(c) EXCLUSION.—The Secretary of the Interior shall withhold from public disclosure any information the disclosure of which reasonably could be expected to cause damage to the national interest, security, or defense of the United States, including information relating to geospatial intelligence data activities, as determined in consultation with the Director of National Intelligence.

43 USC 2807.

SEC. 758. GEOPLATFORM.

(a) IN GENERAL.—The Committee shall operate an electronic service that provides access to geospatial data and metadata for geospatial data to the general public, to be known as the GeoPlatform.

(b) IMPLEMENTATION.—

(1) IN GENERAL.—The GeoPlatform—

(A) shall—

(i) be available through the internet and other communications means;

(ii) be accessible through a common interface;

(iii) include metadata for all geospatial data collected by covered agencies, directly or indirectly;

(iv) include download access to all open geospatial data directly or indirectly collected by covered agencies; and

(v) include a set of programming instructions and standards providing an automated means of accessing available geospatial data, which—

(I) harmonize sources and data standards associated with geospatial data, including metadata; and

(II) to the maximum extent practicable, as determined by the Chairperson of the Committee, shall be made publicly available;

(B) may include geospatial data from a source other than a covered agency, if determined appropriate by the Committee; and

(C) shall not store or serve proprietary information or data acquired under a license by the Federal Government, unless authorized by the data provider.

(2) MANAGING PARTNER.—The Chairperson of the Committee shall designate an agency to serve as the managing partner for developing and operating the GeoPlatform, taking direction from the Committee on the scope, functionality, and performance of the GeoPlatform.

(c) CLARIFICATION.—Although the GeoPlatform is intended to include all National Geospatial Data Asset and other Federal datasets, nothing in this subtitle shall be construed to prevent a covered agency from also presenting, providing, or disseminating data that is—

(1) specific to the functions of the covered agency; or

(2) targeted to information consumers that directly interface with the services, portals, or other mechanisms of the covered agency.

SEC. 759. COVERED AGENCY RESPONSIBILITIES. 43 USC 2808.

(a) IN GENERAL.—Each covered agency shall—

(1) prepare, maintain, publish, and implement a strategy for advancing geographic information and related geospatial data and activities appropriate to the mission of the covered agency, in support of the strategic plan for the National Spatial Data Infrastructure prepared under section 755(c);

(2) collect, maintain, disseminate, and preserve geospatial data such that the resulting data, information, or products can be readily shared with other Federal agencies and non-Federal users;

(3) promote the integration of geospatial data from all sources;

(4) ensure that data information products and other records created in geospatial data and activities are included on agency record schedules that have been approved by the National Archives and Records Administration;

(5) allocate resources to fulfill the responsibilities of effective geospatial data collection, production, and stewardship with regard to related activities of the covered agency, and as necessary to support the activities of the Committee;

(6) use the geospatial data standards, including the standards for metadata for geospatial data, and other appropriate standards, including documenting geospatial data with the relevant metadata and making metadata available through the GeoPlatform;

(7) coordinate and work in partnership with other Federal agencies, agencies of State, tribal, and local governments, institutions of higher education, and the private sector to efficiently and cost-effectively collect, integrate, maintain, disseminate, and preserve geospatial data, building upon existing non-Federal geospatial data to the extent possible;

(8) use geospatial information to—

(A) make Federal geospatial information and services more useful to the public;

(B) enhance operations;

(C) support decision making; and

(D) enhance reporting to the public and to Congress;

(9) protect personal privacy and maintain confidentiality in accordance with Federal policy and law;

(10) participate in determining, when applicable, whether declassified data can contribute to and become a part of the National Spatial Data Infrastructure;

(11) search all sources, including the GeoPlatform, to determine if existing Federal, State, local, or private geospatial data meets the needs of the covered agency before expending funds for geospatial data collection;

(12) to the maximum extent practicable, ensure that a person receiving Federal funds for geospatial data collection provides high-quality data; and

(13) appoint a contact to coordinate with the lead covered agencies for collection, acquisition, maintenance, and dissemination of the National Geospatial Data Asset data themes used by the covered agency.

(b) REPORTING.—

(1) IN GENERAL.—Each covered agency shall submit to the Committee an annual report regarding the achievements of the covered agency in preparing and implementing the strategy described in subsection (a)(1) and complying with the other requirements under subsection (a).

(2) BUDGET SUBMISSION.—Each covered agency shall—

(A) include geospatial data in preparing the budget submission of the covered agency to the President under sections 1105(a) and 1108 of title 31, United States Code;

(B) maintain an inventory of all geospatial data assets in accordance with OMB Circular A–130, or any successor thereto; and

(C) prepare an annual report to Congress identifying Federal-wide geospatial data assets, as defined in OMB Circular A–16, as set forth in OMB memo M–11–03, Issuance of OMB Circular A–16 Supplemental Guidance (November 10, 2010), or any successor thereto.

(3) DISCLOSURE.—Each covered agency shall disclose each contract, cooperative agreement, grant, or other transaction that deals with geospatial data, which may include posting information relating to the contract, cooperative agreement, grant, or other transaction on www.USAspending.gov and www.itdashboard.gov, or any successors thereto.

(4) OMB REVIEW.—In reviewing the annual budget justifications submitted by covered agencies, the Office of Management and Budget shall take into consideration the summary and evaluations required under subparagraphs (A) and (B) of section 753(c)(10), comments, and replies to comments as required under paragraphs (11) and (12) of section 753(c), in its annual evaluation of the budget justification of each covered agency.

(5) REPORTING.—The Office of Management and Budget shall include a discussion of the summaries and evaluation of the progress in establishing the National Spatial Data Infrastructure in each E-Government status report submitted under section 3606 of title 44, United States Code.

(c) AUDITS.—Not less than once every 2 years, the inspector general of a covered agency (or senior ethics official of the covered agency for a covered agency without an inspector general) shall submit to Congress an audit of the collection, production, acquisition, maintenance, distribution, use, and preservation of geospatial data by the covered agency, which shall include a review of—

(1) the compliance of the covered agency with the standards for geospatial data, including metadata for geospatial data, established under section 757;

(2) the compliance of the covered agency with the requirements under subsection (a); and

(3) the compliance of the covered agency on the limitation on the use of Federal funds under section 759A.

SEC. 759A. LIMITATION ON USE OF FEDERAL FUNDS. 43 USC 2809.

(a) DEFINITION.—In this section, the term "implementation date" means the date that is 5 years after the date on which standards for each National Geospatial Data Asset data theme are established under section 757.

(b) LIMITATION.—Except as provided otherwise in this section, on and after the implementation date, a covered agency may not use Federal funds for the collection, production, acquisition, maintenance, or dissemination of geospatial data that does not comply with the applicable standards established under section 757, as determined by the Committee.

(c) EXCEPTION FOR EXISTING GEOSPATIAL DATA.—On and after the implementation date, a covered agency may use Federal funds to maintain and disseminate geospatial data that does not comply with the applicable standards established under section 757 if the geospatial data was collected, produced, or acquired by the covered agency before the implementation date.

(d) WAIVER.—

(1) IN GENERAL.—The Chairperson of the Committee may grant a waiver of the limitation under subsection (b), upon a request from a covered agency submitted in accordance with paragraph (2).

(2) REQUIREMENTS.—A request for a waiver under paragraph (1) shall—

(A) be submitted not later than 30 days before the implementation date;

(B) provide a detailed explanation of the reasons for seeking a waiver;

(C) provide a detailed plan to achieve compliance with the applicable standards established under section 757; and

(D) provide the date by which the covered agency shall achieve compliance with the applicable standards established under section 757.

(e) BEST EFFORTS TO COMPLY DURING TRANSITION.—During the period beginning on the date on which standards for a National Geospatial Data Asset data theme are established under section 757 and ending on the implementation date, each covered agency, to the maximum extent practicable, shall collect, produce, acquire, maintain, and disseminate geospatial data within the National Geospatial Data Asset data theme in accordance with the standards.

SEC. 759B. SAVINGS PROVISION. 43 USC 2810.

Nothing in this subtitle shall repeal, amend, or supersede any existing law unless specifically provided in this subtitle.

SEC. 759C. PRIVATE SECTOR. 43 USC 2811.

The Committee and each covered agency may, to the maximum extent practical, rely upon and use the private sector in the United States for the provision of geospatial data and services.

Subtitle G—Miscellaneous

SEC. 761. NEXTGEN RESEARCH.

Not later than 1 year after the date of enactment of this Act, the Administrator shall submit to the Committee on Science, Space, and Technology and the Committee on Transportation and

Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report specifying the top 5 priority research areas for the implementation and advancement of NextGen, including—

(1) an assessment of why the research areas are a priority for the implementation and advancement of NextGen;

(2) an identification of the other Federal agencies and private organizations assisting the Administration with the research; and

(3) an estimate of when the research will be completed.

SEC. 762. ADVANCED MATERIALS CENTER OF EXCELLENCE.

(a) IN GENERAL.—Chapter 445 of title 49, United States Code, is amended by adding at the end the following:

49 USC 44518.

"§ 44518. Advanced Materials Center of Excellence

"(a) IN GENERAL.—The Administrator of the Federal Aviation Administration shall continue operation of the Advanced Materials Center of Excellence (referred to in this section as the 'Center') under its structure as in effect on March 1, 2016, which shall focus on applied research and training on the durability and maintainability of advanced materials in transport airframe structures.

"(b) RESPONSIBILITIES.—The Center shall—

"(1) promote and facilitate collaboration among academia, the Transportation Division of the Federal Aviation Administration, and the commercial aircraft industry, including manufacturers, commercial air carriers, and suppliers; and

"(2) establish goals set to advance technology, improve engineering practices, and facilitate continuing education in relevant areas of study.".

(b) TABLE OF CONTENTS.—The table of contents for chapter 445 of title 49, United States Code, is amended by adding at the end the following:

49 USC prec. 44501.

"44518. Advanced Materials Center of Excellence.".

TITLE VIII—AVIATION REVENUE PROVISIONS

SEC. 801. EXPENDITURE AUTHORITY FROM AIRPORT AND AIRWAY TRUST FUND.

(a) IN GENERAL.—Section 9502(d)(1) of the Internal Revenue Code of 1986 is amended— 26 USC 9502.

(1) in the matter preceding subparagraph (A) by striking "October 1, 2018" and inserting "October 1, 2023"; and

(2) in subparagraph (A) by striking the semicolon at the end and inserting "or the FAA Reauthorization Act of 2018;".

(b) CONFORMING AMENDMENT.—Section 9502(e)(2) of such Code is amended by striking "October 1, 2018" and inserting "October 1, 2023".

SEC. 802. EXTENSION OF TAXES FUNDING AIRPORT AND AIRWAY TRUST FUND.

(a) FUEL TAXES.—Section 4081(d)(2)(B) of the Internal Revenue Code of 1986 is amended by striking "September 30, 2018" and inserting "September 30, 2023". 26 USC 4081.

(b) TICKET TAXES.—

(1) PERSONS.—Section 4261(k)(1)(A)(ii) of such Code is amended by striking "September 30, 2018" and inserting "September 30, 2023". 26 USC 4261.

(2) PROPERTY.—Section 4271(d)(1)(A)(ii) of such Code is amended by striking "September 30, 2018" and inserting "September 30, 2023".

(c) FRACTIONAL OWNERSHIP PROGRAMS.—

(1) FUEL TAX.—Section 4043(d) of such Code is amended by striking "September 30, 2021" and inserting "September 30, 2023".

(2) TREATMENT AS NONCOMMERCIAL AVIATION.—Section 4083(b) of such Code is amended by striking "October 1, 2018" and inserting "October 1, 2023".

(3) EXEMPTION FROM TICKET TAXES.—Section 4261(j) of such Code is amended by striking "September 30, 2018" and inserting "September 30, 2023".

DIVISION C—NATIONAL TRANSPORTATION SAFETY BOARD REAUTHORIZATION ACT OF 2018

National Transportation Safety Board Reauthorization Act.

SEC. 1101. SHORT TITLE. 49 USC 40101 note.

This division may be cited as the "National Transportation Safety Board Reauthorization Act".

SEC. 1102. DEFINITIONS. 49 USC 41101 note.

In this division, the following definitions apply:

(1) BOARD.—The term "Board" means the National Transportation Safety Board.

(2) CHAIRMAN.—The term "Chairman" means the Chairman of the National Transportation Safety Board.

(3) MOST WANTED LIST.—The term "Most Wanted List" means the Board publication entitled "Most Wanted List".

SEC. 1103. AUTHORIZATION OF APPROPRIATIONS.

Section 1118(a) of title 49, United States Code, is amended to read as follows:

"(a) IN GENERAL.—There are authorized to be appropriated for the purposes of this chapter $111,400,000 for fiscal year 2019, $112,400,000 for fiscal year 2020, $113,400,000 for fiscal year 2021, and $114,400,000 for fiscal year 2022. Such sums shall remain available until expended.".

SEC. 1104. STILL IMAGES.

(a) STILL IMAGES, VOICE RECORDERS, AND VIDEO RECORDERS.—

(1) COCKPIT RECORDINGS AND TRANSCRIPTS.—Section 1114(c) of title 49, United States Code, is amended—

(A) by redesignating paragraph (2) as paragraph (3);

(B) in paragraph (3), as so redesignated, by inserting "REFERENCES TO INFORMATION IN MAKING SAFETY RECOMMENDATIONS.—" before "This"; and

(C) in paragraph (1)—

(i) in the first sentence, by striking "The Board" and inserting "CONFIDENTIALITY OF RECORDINGS.—Except as provided in paragraph (2), the Board"; and

(ii) by amending the second sentence to read as follows:

"(2) EXCEPTION.—Subject to subsections (b) and (g), the Board shall make public any part of a transcript, any written depiction of visual information obtained from a video recorder, or any still image obtained from a video recorder the Board decides is relevant to the accident or incident—

"(A) if the Board holds a public hearing on the accident or incident, at the time of the hearing; or

"(B) if the Board does not hold a public hearing, at the time a majority of the other factual reports on the accident or incident are placed in the public docket.".

(2) SURFACE VEHICLE RECORDINGS AND TRANSCRIPTS.—Section 1114(d) of title 49, United States Code, is amended—

(A) by redesignating paragraph (2) as paragraph (3); and

(B) in paragraph (1)—

(i) in the first sentence, by striking "The Board" and inserting "Except as provided in paragraph (2), the Board"; and

(ii) by amending the second sentence to read as follows:

"(2) EXCEPTION.—Subject to subsections (b) and (g), the Board shall make public any part of a transcript, any written depiction of visual information obtained from a video recorder, or any still image obtained from a video recorder the Board decides is relevant to the accident—

"(A) if the Board holds a public hearing on the accident, at the time of the hearing; or

"(B) if the Board does not hold a public hearing, at the time a majority of the other factual reports on the accident are placed in the public docket.".

(3) PRIVACY PROTECTIONS.—Section 1114 of title 49, United States Code, is amended by adding at the end the following:

"(g) PRIVACY PROTECTIONS.—Before making public any still image obtained from a video recorder under subsection (c)(2) or subsection (d)(2), the Board shall take such action as appropriate to protect from public disclosure any information that readily identifies an individual, including a decedent.".

(b) COCKPIT AND SURFACE VEHICLE RECORDINGS AND TRANSCRIPTS.—Section 1154(a) of title 49, United States Code, is amended—

(1) in the heading, by striking "TRANSCRIPTS AND RECORDINGS" and inserting "IN GENERAL";

(2) in paragraph (1)—

(A) by redesignating subparagraphs (A) and (B) as subparagraphs (B) and (C), respectively; and

(B) by inserting before subparagraph (B), as so redesignated, the following:

"(A) any still image that the National Transportation Safety Board has not made available to the public under section 1114(c) or 1114(d) of this title;";

(3) in paragraph (3)—

(A) in the matter preceding subparagraph (A), by striking "recorder recording" and inserting "recorder recording, including with regard to a video recording any still image that the National Transportation Safety Board

has not made available to the public under section 1114(c) or 1114(d) of this title,"; and

(B) in subparagraph (B), by striking "recorder recording" and inserting "recorder recording, including with regard to a video recording any still image that the National Transportation Safety Board has not made available to the public under section 1114(c) or 1114(d) of this title,";

(4) in paragraph (4)—

(A) in subparagraph (A)—

(i) by inserting "a still image or" before "a part of a cockpit"; and

(ii) by striking "the part of the transcript or the recording" each place it appears and inserting "the still image, the part of the transcript, or the recording";

(B) in subparagraph (B)—

(i) by inserting "a still image or" before "a part of a cockpit"; and

(ii) by striking "the part of the transcript or the recording" each place it appears and inserting "the still image, the part of the transcript, or the recording"; and

(5) in paragraph (6)—

(A) by redesignating subparagraph (B) as subparagraph (C); and

(B) by inserting after subparagraph (A) the following:

"(B) STILL IMAGE.—The term 'still image' means any still image obtained from a video recorder.".

SEC. 1105. ELECTRONIC RECORDS.

Section 1134(a)(2) of title 49, United States Code, is amended by inserting "including an electronic record," after "record,".

SEC. 1106. REPORT ON MOST WANTED LIST METHODOLOGY.

(a) IN GENERAL.—Not later than the date on which the first Most Wanted List to be published after the date of enactment of this Act is published, the Chairman shall publish on a publicly available website of the Board and submit to appropriate committees of Congress a report on the methodology used to prioritize and select recommendations to be included by the Board in the Most Wanted List.

(b) ELEMENTS.—The report under subsection (a) shall include—

(1) a detailed description of how the Board accounts for the risk to safety addressed in each of its recommendations, including the extent to which the Board considers—

(A) the types of data and other information, including studies and reports, used to identify the amount and probability of risk to safety;

(B) the reduction of the risk to safety, estimated over a period of time, by implementing each recommendation;

(C) the practicality and feasibility of achieving the reduction of the risk to safety described in subparagraph (B); and

(D) any alternate means of reducing the risk;

(2) a detailed description of the extent to which the Board considers any prior, related investigation, safety recommendation, or other safety action when prioritizing and selecting recommendations; and

(3) a description of the extent of coordination and consultation when prioritizing and selecting the recommendations.

(c) GAO REPORT.—Not later than 15 months after the date that the methodology report is published under subsection (a), the Comptroller General of the United States shall submit to the appropriate committees of Congress a report examining the methodology used by the Board to prioritize and select safety recommendations for inclusion in the Most Wanted List.

SEC. 1107. METHODOLOGY.

(a) REDESIGNATION.—Section 1116 of title 49, United States Code, is amended by adding at the end the following:

"(c) ANNUAL REPORT.—The National Transportation Safety Board shall submit a report to Congress on July 1 of each year. The report shall include—

"(1) a statistical and analytical summary of the transportation accident investigations conducted and reviewed by the Board during the prior calendar year;

"(2) a survey and summary of the recommendations made by the Board to reduce the likelihood of recurrence of those accidents together with the observed response to each recommendation;

"(3) a detailed appraisal of the accident investigation and accident prevention activities of other departments, agencies, and instrumentalities of the United States Government and State and local governmental authorities having responsibility for those activities under a law of the United States or a State;

"(4) a description of the activities and operations of the National Transportation Safety Board Training Center during the prior calendar year;

"(5) a list of accidents, during the prior calendar year, that the Board was required to investigate under section 1131 but did not investigate and an explanation of why they were not investigated; and

"(6) a list of ongoing investigations that have exceeded the expected time allotted for completion by Board order and an explanation for the additional time required to complete each such investigation.".

(b) METHODOLOGY.—

(1) IN GENERAL.—Section 1117 of title 49, United States Code, is amended to read as follows:

"§ 1117. Methodology

"(a) IN GENERAL.—Not later than 2 years after the date of enactment of the National Transportation Safety Board Reauthorization Act, the Chairman shall include with each investigative report in which a recommendation is issued by the Board a methodology section detailing the process and information underlying the selection of each recommendation.

"(b) ELEMENTS.—Except as provided in subsection (c), the methodology section under subsection (a) shall include, for each recommendation—

"(1) a brief summary of the Board's collection and analysis of the specific accident investigation information most relevant to the recommendation;

"(2) a description of the Board's use of external information, including studies, reports, and experts, other than the findings of a specific accident investigation, if any were used to inform or support the recommendation, including a brief summary of the specific safety benefits and other effects identified by each study, report, or expert; and

"(3) a brief summary of any examples of actions taken by regulated entities before the publication of the safety recommendation, to the extent such actions are known to the Board, that were consistent with the recommendation.

"(c) ACCEPTABLE LIMITATION.—If the Board knows of more than 3 examples taken by regulated entities before the publication of the safety recommendation that were consistent with the recommendation, the brief summary under subsection (b)(3) may be limited to only 3 of those examples.

"(d) EXCEPTION.—Subsection (a) shall not apply if the recommendation is only for a person to disseminate information on—

"(1) an existing agency best practices document; or

"(2) an existing regulatory requirement.

"(e) RULE OF CONSTRUCTION.—Nothing in this section may be construed to require any change to a recommendation made by the Board before the date of enactment of the National Transportation Safety Board Reauthorization Act, unless the recommendation is a repeat recommendation issued on or after the date of enactment of such Act.

"(f) SAVINGS CLAUSE.—Nothing in this section may be construed—

"(1) to delay publication of the findings, cause, or probable cause of a Board investigation;

"(2) to delay the issuance of an urgent recommendation that the Board has determined must be issued to avoid immediate loss, death, or injury; or

"(3) to limit the number of examples the Board may consider before issuing a recommendation.".

(2) CLERICAL AMENDMENT.—The analysis for chapter 11 of title 49, United States Code, is amended by inserting after the item relating to section 1116 the following:

49 USC prec. 1101.

(3) by adding at the end the following:

"(G) once certified by a professionally licensed engineer and accepted by the Administrator, the estimates on which grants made pursuant to this section are based shall be presumed to be reasonable and eligible costs, as long as there is no evidence of fraud.".

SEC. 1208. PRIORITIZATION OF FACILITIES. 6 USC 748a.

Not later than 180 days after the date of enactment of this Act, the Administrator shall provide guidance and training on an annual basis to State, local, and Indian tribal governments, first responders, and utility companies on—

(1) the need to prioritize assistance to hospitals, nursing homes, and other long-term care facilities to ensure that such health care facilities remain functioning or return to functioning as soon as practicable during power outages caused by natural hazards, including severe weather events;

(2) how hospitals, nursing homes and other long-term care facilities should adequately prepare for power outages during a major disaster or emergency, as those terms are defined in section 102 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5122); and

(3) how State, local, and Indian tribal governments, first responders, utility companies, hospitals, nursing homes, and other long-term care facilities should develop a strategy to coordinate emergency response plans, including the activation of emergency response plans, in anticipation of a major disaster, including severe weather events.

SEC. 1209. GUIDANCE ON EVACUATION ROUTES. 6 USC 721 note.

(a) IN GENERAL.—

(1) IDENTIFICATION.—The Administrator, in coordination with the Administrator of the Federal Highway Administration, shall develop and issue guidance for State, local, and Indian tribal governments regarding the identification of evacuation routes.

(2) GUIDANCE.—The Administrator of the Federal Highway Administration, in coordination with the Administrator, shall revise existing guidance or issue new guidance as appropriate for State, local, and Indian tribal governments regarding the design, construction, maintenance, and repair of evacuation routes.

(b) CONSIDERATIONS.—

(1) IDENTIFICATION.—In developing the guidance under subsection (a)(1), the Administrator shall consider—

(A) whether evacuation routes have resisted impacts and recovered quickly from disasters, regardless of cause;

(B) the need to evacuate special needs populations, including—

(i) individuals with a physical or mental disability;

(ii) individuals in schools, daycare centers, mobile home parks, prisons, nursing homes and other long-term care facilities, and detention centers;

(iii) individuals with limited-English proficiency;

(iv) the elderly; and

(v) individuals who are tourists, seasonal workers, or homeless;

(C) the sharing of information and other public communications with evacuees during evacuations;

(D) the sheltering of evacuees, including the care, protection, and sheltering of animals;

(E) the return of evacuees to their homes; and

(F) such other items the Administrator considers appropriate.

(2) DESIGN, CONSTRUCTION, MAINTENANCE, AND REPAIR.—In revising or issuing guidance under subsection (a)(2), the Administrator of the Federal Highway Administration shall consider—

(A) methods that assist evacuation routes to—

(i) withstand likely risks to viability, including flammability and hydrostatic forces;

(ii) improve durability, strength (including the ability to withstand tensile stresses and compressive stresses), and sustainability; and

(iii) provide for long-term cost savings;

(B) the ability of evacuation routes to effectively manage contraflow operations;

(C) for evacuation routes on public lands, the viewpoints of the applicable Federal land management agency regarding emergency operations, sustainability, and resource protection; and

(D) such other items the Administrator of the Federal Highway Administration considers appropriate.

(c) STUDY.—The Administrator, in coordination with the Administrator of the Federal Highway Administration and State, local, territorial, and Indian tribal governments, may—

(1) conduct a study of the adequacy of available evacuation routes to accommodate the flow of evacuees; and

(2) submit recommendations on how to help with anticipated evacuation route flow, based on the study conducted under paragraph (1), to—

(A) the Federal Highway Administration;

(B) the Agency;

(C) State, local, territorial, and Indian tribal governments; and

(D) Congress.

SEC. 1210. DUPLICATION OF BENEFITS.

(a) IN GENERAL.—

(1) AUTHORITY.—Section 312(b) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5155(b)) is amended by adding at the end the following:

"(4) WAIVER OF GENERAL PROHIBITION.—

"(A) IN GENERAL.—The President may waive the general prohibition provided in subsection (a) upon request of a Governor on behalf of the State or on behalf of a person, business concern, or any other entity suffering

losses as a result of a major disaster or emergency, if the President finds such waiver is in the public interest and will not result in waste, fraud, or abuse. In making this decision, the President may consider the following:

"(i) The recommendations of the Administrator of the Federal Emergency Management Agency made in consultation with the Federal agency or agencies administering the duplicative program.

"(ii) If a waiver is granted, the assistance to be funded is cost effective.

"(iii) Equity and good conscience.

"(iv) Other matters of public policy considered appropriate by the President.

"(B) GRANT OR DENIAL OF WAIVER.—A request under subparagraph (A) shall be granted or denied not later than 45 days after submission of such request.

"(C) PROHIBITION ON DETERMINATION THAT LOAN IS A DUPLICATION.—Notwithstanding subsection (c), in carrying out subparagraph (A), the President may not determine that a loan is a duplication of assistance, provided that all Federal assistance is used toward a loss suffered as a result of the major disaster or emergency.".

(2) LIMITATION.—This subsection, including the amendment made by paragraph (1), shall not be construed to apply to section 406 or 408 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5172, 5174). 42 USC 5155 note.

(3) APPLICABILITY.—The amendment made by paragraph (1) shall apply to any major disaster or emergency declared by the President under section 401 or 501, respectively, of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5170, 5191) between January 1, 2016, and December 31, 2021. 42 USC 5155 note.

(4) SUNSET.—On the date that is 5 years after the date of enactment of this Act, section 312(b) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5155(b)) is amended by striking paragraph (4), as added by subsection (a)(1) of this section. 42 USC 5155 note.

(5) REPORT.—

(A) IN GENERAL.—Not later than 1 year after the date of enactment of this Act, the Administrator, in coordination with other relevant Federal agencies, shall submit to the congressional committees of jurisdiction a report conducted by all relevant Federal agencies to improve the comprehensive delivery of disaster assistance to individuals following a major disaster or emergency declaration under the Robert T. Stafford Disaster Relief and Emergency Assistance Act.

(B) CONTENTS.—The report required under subparagraph (A) shall include both administrative actions taken, or planned to be taken, by the agencies as well as legislative proposals, where appropriate, of the following:

(i) Efforts to improve coordination between the Agency and other relevant Federal agencies when delivering disaster assistance to individuals.

(ii) Clarify the sequence of delivery of disaster assistance to individuals from the Agency, and other relevant Federal agencies.

(iii) Clarify the interpretation and implementation of section 312 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5155) when providing disaster assistance to individuals, including providing a common interpretation across the Agency, and other relevant Federal agencies, of the definitions and requirements under such section 312.

(iv) Increase the effectiveness of communication to applicants for assistance programs for individuals after a disaster declaration, including the breadth of programs available and the potential impacts of utilizing one program versus another.

(C) REPORT UPDATE.—Not later than 4 years after the date of enactment of this subsection, the Administrator, in coordination with other relevant Federal agencies, shall submit to the congressional committees of jurisdiction an update to the report required under subparagraph (A).

42 USC 5170c note.

(b) FUNDING OF A FEDERALLY AUTHORIZED WATER RESOURCES DEVELOPMENT PROJECT.—

(1) ELIGIBLE ACTIVITIES.—Notwithstanding section 312 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5155) and its implementing regulations, assistance provided pursuant to section 404 of such Act may be used to fund activities authorized for construction within the scope of a federally authorized water resources development project of the Army Corps of Engineers if such activities are also eligible activities under such section.

(2) FEDERAL FUNDING.—All Federal funding provided under section 404 pursuant to this section shall be applied toward the Federal share of such project.

(3) NON-FEDERAL MATCH.—All non-Federal matching funds required under section 404 pursuant to this section shall be applied toward the non-Federal share of such project.

(4) TOTAL FEDERAL SHARE.—Funding provided under section 404 pursuant to this section may not exceed the total Federal share for such project.

(5) NO EFFECT.—Nothing in this section shall—

(A) affect the cost-share requirement of a hazard mitigation measure under section 404;

(B) affect the eligibility criteria for a hazard mitigation measure under section 404;

(C) affect the cost share requirements of a federally authorized water resources development project; and

(D) affect the responsibilities of a non-Federal interest with respect to the project, including those related to the provision of lands, easements, rights-of-way, dredge material disposal areas, and necessary relocations.

(6) LIMITATION.—If a federally authorized water resources development project of the Army Corps of Engineers is constructed with funding provided under section 404 pursuant to this subsection, no further Federal funding shall be provided for construction of such project.

SEC. 1211. STATE ADMINISTRATION OF ASSISTANCE FOR DIRECT TEMPORARY HOUSING AND PERMANENT HOUSING CONSTRUCTION.

(a) STATE ROLE.—Section 408(f) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5174(f)) is amended—

(1) in paragraph (1)—

(A) by striking the paragraph heading and inserting "STATE- OR INDIAN TRIBAL GOVERNMENT-ADMINISTERED ASSISTANCE AND OTHER NEEDS ASSISTANCE.—";

(B) in subparagraph (A)—

(i) by striking "financial"; and

(ii) by striking "subsection (e)" and inserting "subsections (c)(1)(B), (c)(4), and (e) if the President and the State or Indian tribal government comply, as determined by the Administrator, with paragraph (3)"; and

(C) in subparagraph (B)—

(i) by striking "financial"; and

(ii) by striking "subsection (e)" and inserting "subsections (c)(1)(B), (c)(4), and (e)"; and

(2) by adding at the end the following:

"(3) REQUIREMENTS.—

"(A) APPLICATION.—A State or Indian tribal government desiring to provide assistance under subsection (c)(1)(B), (c)(4), or (e) shall submit to the President an application for a grant to provide financial assistance under the program.

"(B) CRITERIA.—The President, in consultation and coordination with State and Indian tribal governments, shall establish criteria for the approval of applications submitted under subparagraph (A). The criteria shall include, at a minimum—

"(i) a requirement that the State or Indian tribal government submit a housing strategy under subparagraph (C);

"(ii) the demonstrated ability of the State or Indian tribal government to manage the program under this section;

"(iii) there being in effect a plan approved by the President as to how the State or Indian tribal government will comply with applicable Federal laws and regulations and how the State or Indian tribal government will provide assistance under its plan;

"(iv) a requirement that the State or Indian tribal government comply with rules and regulations established pursuant to subsection (j); and

"(v) a requirement that the President, or the designee of the President, comply with subsection (i).

"(C) REQUIREMENT OF HOUSING STRATEGY.—

"(i) IN GENERAL.—A State or Indian tribal government submitting an application under this paragraph shall have an approved housing strategy, which shall be developed and submitted to the President for approval.

"(ii) REQUIREMENTS.—The housing strategy required under clause (i) shall—

"(I) outline the approach of the State in working with Federal partners, Indian tribal governments, local communities, nongovernmental organizations, and individual disaster survivors to meet disaster-related sheltering and housing needs; and

"(II) include the establishment of an activation plan for a State Disaster Housing Task Force, as outlined in the National Disaster Housing Strategy, to bring together State, tribal, local, Federal, nongovernmental, and private sector expertise to evaluate housing requirements, consider potential solutions, recognize special needs populations, and propose recommendations.

"(D) QUALITY ASSURANCE.—Before approving an application submitted under this section, the President, or the designee of the President, shall institute adequate policies, procedures, and internal controls to prevent waste, fraud, abuse, and program mismanagement for this program and for programs under subsections (c)(1)(B), (c)(4), and (e). The President shall monitor and conduct quality assurance activities on a State or Indian tribal government's implementation of programs under subsections (c)(1)(B), (c)(4), and (e). If, after approving an application of a State or Indian tribal government submitted under this paragraph, the President determines that the State or Indian tribal government is not administering the program established by this section in a manner satisfactory to the President, the President shall withdraw the approval.

"(E) AUDITS.—The Inspector General of the Department of Homeland Security shall provide for periodic audits of the programs administered by States and Indian tribal governments under this subsection.

"(F) APPLICABLE LAWS.—All Federal laws applicable to the management, administration, or contracting of the programs by the Federal Emergency Management Agency under this section shall be applicable to the management, administration, or contracting by a non-Federal entity under this section.

"(G) REPORT ON EFFECTIVENESS.—Not later than 18 months after the date of enactment of this paragraph, the Inspector General of the Department of Homeland Security shall submit a report to the Committee on Homeland Security and Governmental Affairs of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives on the State or Indian tribal government's role to provide assistance under this section. The report shall contain an assessment of the effectiveness of the State or Indian tribal government's role in providing assistance under this section, including—

"(i) whether the State or Indian tribal government's role helped to improve the general speed of disaster recovery;

"(ii) whether the State or Indian tribal government providing assistance under this section had the capacity to administer this section; and

"(iii) recommendations for changes to improve the program if the State or Indian tribal government's role to administer the programs should be continued.

"(H) REPORT ON INCENTIVES.—Not later than 12 months after the date of enactment of this paragraph, the Administrator of the Federal Emergency Management Agency shall submit a report to the Committee on Homeland Security and Governmental Affairs of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives on a potential incentive structure for awards made under this section to encourage participation by eligible States and Indian tribal governments. In developing this report, the Administrator of the Federal Emergency Management Agency shall consult with State, local, and Indian tribal entities to gain their input on any such incentive structure to encourage participation and shall include this information in the report. This report should address, among other options, potential adjustments to the cost-share requirement and management costs to State and Indian tribal governments.

"(I) PROHIBITION.—The President may not condition the provision of Federal assistance under this Act on a State or Indian tribal government requesting a grant under this section.

"(J) MISCELLANEOUS.—

"(i) NOTICE AND COMMENT.—The Administrator of the Federal Emergency Management Agency may waive notice and comment rulemaking with respect to rules to carry out this section, if the Administrator determines doing so is necessary to expeditiously implement this section, and may carry out this section as a pilot program until such regulations are promulgated.

"(ii) FINAL RULE.—Not later than 2 years after the date of enactment of this paragraph, the Administrator of the Federal Emergency Management Agency shall issue final regulations to implement this subsection as amended by the Disaster Recovery Reform Act of 2018.

"(iii) WAIVER AND EXPIRATION.—The authority under clause (i) and any pilot program implemented pursuant to such clause shall expire 2 years after the date of enactment of this paragraph or upon issuance of final regulations pursuant to clause (ii), whichever occurs sooner.".

42 USC 5174 note.

(b) REIMBURSEMENT.—The Federal Emergency Management Agency (FEMA) shall reimburse State and local units of government (for requests received within a period of 3 years after the declaration of a major disaster under section 401 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5170)) upon determination that a locally implemented housing solution, implemented by State or local units of government—

(1) costs 50 percent of comparable FEMA solution or whatever the locally implemented solution costs, whichever is lower;

(2) complies with local housing regulations and ordinances; and

(3) the housing solution was implemented within 90 days of the disaster.

SEC. 1212. ASSISTANCE TO INDIVIDUALS AND HOUSEHOLDS.

(C) by adding at the end the following:

"(2) SPECIFIC MANAGEMENT COSTS.—The Administrator of the Federal Emergency Management Agency shall provide the following percentage rates, in addition to the eligible project costs, to cover direct and indirect costs of administering the following programs:

"(A) HAZARD MITIGATION.—A grantee under section 404 may be reimbursed not more than 15 percent of the total amount of the grant award under such section of which not more than 10 percent may be used by the grantee and 5 percent by the subgrantee for such costs.

"(B) PUBLIC ASSISTANCE.—A grantee under sections 403, 406, 407, and 502 may be reimbursed not more than 12 percent of the total award amount under such sections, of which not more than 7 percent may be used by the grantee and 5 percent by the subgrantee for such costs.".

SEC. 1216. FLEXIBILITY. 42 USC 5174a.

(a) WAIVER AUTHORITY.—

(1) DEFINITION.—In this subsection, the term "covered assistance" means assistance provided—

(A) under section 408 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5174); and

(B) in relation to a major disaster or emergency declared by the President under section 401 or 501, respectively, of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5170, 5191) on or after October 28, 2012.

(2) AUTHORITY.—Notwithstanding section 3716(e) of title 31, United States Code, the Administrator—

(A) subject to subparagraph (B), may waive a debt owed to the United States related to covered assistance provided to an individual or household if—

(i) the covered assistance was distributed based on an error by the Agency;

(ii) there was no fault on behalf of the debtor; and

(iii) the collection of the debt would be against equity and good conscience; and

(B) may not waive a debt under subparagraph (A) if the debt involves fraud, the presentation of a false claim, or misrepresentation by the debtor or any party having an interest in the claim.

(3) MONITORING OF COVERED ASSISTANCE DISTRIBUTED BASED ON ERROR.—

(A) IN GENERAL.—The Inspector General of the Department of Homeland Security shall monitor the distribution of covered assistance to individuals and households to determine the percentage of such assistance distributed based on an error.

(B) REMOVAL OF WAIVER AUTHORITY BASED ON EXCESSIVE ERROR RATE.—If the Inspector General of the Department of Homeland Security determines, with respect to any 12-month period, that the amount of covered assistance distributed based on an error by the Agency exceeds 4 percent of the total amount of covered assistance distributed—

(i) the Inspector General shall notify the Administrator and publish the determination in the Federal Register; and

(ii) with respect to any major disaster or emergency declared by the President under section 401 or section 501, respectively, of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5170; 42 U.S.C. 5191) after the date on which the determination is published under subparagraph (A), the authority of the Administrator to waive debt under paragraph (2) shall no longer be effective.

(b) RECOUPMENT OF CERTAIN ASSISTANCE PROHIBITED.—

(1) IN GENERAL.—Notwithstanding section 3716(e) of title 31, United States Code, and unless there is evidence of civil or criminal fraud, the Agency may not take any action to recoup covered assistance from the recipient of such assistance if the receipt of such assistance occurred on a date that is more than 3 years before the date on which the Agency first provides to the recipient written notification of an intent to recoup.

(2) COVERED ASSISTANCE DEFINED.—In this subsection, the term "covered assistance" means assistance provided—

(A) under section 408 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5174); and

(B) in relation to a major disaster or emergency declared by the President under section 401 or 501, respectively, of such Act (42 U.S.C. 5170; 42 U.S.C. 5191) on or after January 1, 2012.

(c) STATUTE OF LIMITATIONS.—

(1) IN GENERAL.—Section 705 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5205) is amended—

(A) in subsection (a)(1)—

(i) by striking "Except" and inserting "Notwithstanding section 3716(e) of title 31, United States Code, and except"; and

(ii) by striking "report for the disaster or emergency" and inserting "report for project completion as certified by the grantee"; and

(B) in subsection (b)—

(i) in paragraph (1) by striking "report for the disaster or emergency" and inserting "report for project completion as certified by the grantee"; and

(ii) in paragraph (3) by inserting "for project completion as certified by the grantee" after "final expenditure report".

(2) APPLICABILITY.—

(A) IN GENERAL.—With respect to disaster or emergency assistance provided to a State or local government on or after January 1, 2004—

(i) no administrative action may be taken to recover a payment of such assistance after the date of enactment of this Act if the action is prohibited under section 705(a)(1) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5205(a)(1)), as amended by paragraph (1); and

(ii) any administrative action to recover a payment of such assistance that is pending on such date of enactment shall be terminated if the action is prohibited under section 705(a)(1) of that Act, as amended by paragraph (1).

(B) LIMITATION.—This section, including the amendments made by this section, may not be construed to invalidate or otherwise affect any administration action completed before the date of enactment of this Act.

SEC. 1217. ADDITIONAL DISASTER ASSISTANCE.

(a) DISASTER MITIGATION.—Section 209 of the Public Works and Economic Development Act of 1965 (42 U.S.C. 3149) is amended by adding at the end the following:

42 USC 5165g.

SEC. 1218. NATIONAL VETERINARY EMERGENCY TEAMS.

(a) IN GENERAL.—The Administrator of the Federal Emergency Management Agency may establish one or more national veterinary emergency teams at accredited colleges of veterinary medicine.

(b) RESPONSIBILITIES.—A national veterinary emergency team shall—

(1) deploy with a team of the National Urban Search and Rescue Response System to assist with—

(A) veterinary care of canine search teams;

(B) locating and treating companion animals, service animals, livestock, and other animals; and

(C) surveillance and treatment of zoonotic diseases;

(2) recruit, train, and certify veterinary professionals, including veterinary students, in accordance with an established set of plans and standard operating guidelines to carry out the duties associated with planning for and responding to major disasters and emergencies as described in paragraph (1);

(3) assist State governments, Indian tribal governments, local governments, and nonprofit organizations in developing emergency management and evacuation plans that account for the care and rescue of animals and in improving local readiness for providing veterinary medical response during an emergency or major disaster; and

(4) coordinate with the Department of Homeland Security, the Department of Health and Human Services, the Department of Agriculture, State, local, and Indian tribal governments (including departments of animal and human health), veterinary and health care professionals, and volunteers.

SEC. 1219. RIGHT OF ARBITRATION.

Section 423 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5189a) is amended by adding at the end the following:

"(d) RIGHT OF ARBITRATION.—

"(1) IN GENERAL.—Notwithstanding this section, an applicant for assistance under this title may request arbitration to dispute the eligibility for assistance or repayment of assistance provided for a dispute of more than $500,000 for any disaster that occurred after January 1, 2016. Such arbitration shall be conducted by the Civilian Board of Contract Appeals and the decision of such Board shall be binding.

"(2) REVIEW.—The Civilian Board of Contract Appeals shall consider from the applicant all original and additional documentation, testimony, or other such evidence supporting the applicant's position at any time during arbitration.

"(3) RURAL AREAS.—For an applicant for assistance in a rural area under this title, the assistance amount eligible for arbitration pursuant to this subsection shall be $100,000.

"(4) RURAL AREA DEFINED.—For the purposes of this subsection, the term 'rural area' means an area with a population of less than 200,000 outside an urbanized area.

"(5) ELIGIBILITY.—To participate in arbitration under this subsection, an applicant—

"(A) shall submit the dispute to the arbitration process established under the authority granted under section 601 of Public Law 111–5; and

"(B) may submit a request for arbitration after the completion of the first appeal under subsection (a) at any time before the Administrator of the Federal Emergency Management Agency has issued a final agency determination or 180 days after the Administrator's receipt of the appeal if the Administrator has not provided the applicant with a final determination on the appeal. The applicant's request shall contain documentation from the administrative record for the first appeal and may contain additional documentation supporting the applicant's position.".

SEC. 1220. UNIFIED FEDERAL ENVIRONMENTAL AND HISTORIC PRESERVATION REVIEW.

42 USC 5189g note.

(a) REVIEW AND ANALYSIS.—Not later than 180 days after the date of enactment of this Act, the Administrator shall review the Unified Federal Environmental and Historic Preservation review process established pursuant to section 429 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5189g), and submit a report to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Homeland Security and Governmental Affairs of the Senate that includes the following:

(1) An analysis of whether and how the unified process has expedited the interagency review process to ensure compliance with the environmental and historic requirements under Federal law relating to disaster recovery projects.

(2) A survey and analysis of categorical exclusions used by other Federal agencies that may be applicable to any activity related to a major disaster or emergency declared by the President under section 401 or 501, respectively, of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5170, 5191).

(3) Recommendations on any further actions, including any legislative proposals, needed to expedite and streamline the review process.

(b) REGULATIONS.—After completing the review, survey, and analyses under subsection (a), but not later than 2 years after the date of enactment of this Act, and after providing notice and opportunity for public comment, the Administrator shall issue regulations to implement any regulatory recommendations, including any categorical exclusions identified under subsection (a), to the extent that the categorical exclusions meet the criteria for a categorical exclusion under section 1508.4 of title 40, Code of Federal Regulations, and section II of DHS Instruction Manual 023–01–001–01.

"(2) AVAILABILITY OF INFORMATION COLLECTED.—The Administrator of the Federal Emergency Management Agency shall make the information collected and stored under paragraph (1) available to the Inspector General of the Department of Homeland Security, the Government Accountability Office, and appropriate committees of Congress, upon request.

"(3) REPORT.—Not later than 365 days after the date of enactment of this subsection, the Administrator of the Federal Emergency Management Agency shall submit a report to the Committee on Homeland Security and Governmental Affairs

of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives on the efforts of the Federal Emergency Management Agency to collect the information described in paragraph (1).".

42 USC 5161a.

SEC. 1225. AUDIT OF CONTRACTS.

Notwithstanding any other provision of law, the Administrator of the Federal Emergency Management Agency shall not reimburse a State or local government, an Indian tribal government (as defined in section 102 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5122), or the owner or operator of a private nonprofit facility (as defined in section 102 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5122) for any activities made pursuant to a contract entered into after August 1, 2017, that prohibits the Administrator or the Comptroller General of the United States from auditing or otherwise reviewing all aspects relating to the contract.

SEC. 1226. INSPECTOR GENERAL AUDIT OF FEMA CONTRACTS FOR TARPS AND PLASTIC SHEETING.

(a) IN GENERAL.—Not later than 30 days after the date of enactment of this Act, the Inspector General of the Department of Homeland Security shall initiate an audit of the contracts awarded by the Agency for tarps and plastic sheeting for the Commonwealth of Puerto Rico and the United States Virgin Islands in response to Hurricane Irma and Hurricane Maria.

(b) CONSIDERATIONS.—In carrying out the audit under subsection (a), the inspector general shall review—

(1) the contracting process used by the Agency to evaluate offerors and award the relevant contracts to contractors;

(2) the assessment conducted by the Agency of the past performance of the contractors, including any historical information showing that the contractors had supported large-scale delivery quantities in the past;

(3) the assessment conducted by the Agency of the capacity of the contractors to carry out the relevant contracts, including with respect to inventory, production, and financial capabilities;

(4) how the Agency ensured that the contractors met the terms of the relevant contracts; and

(5) whether the failure of the contractors to meet the terms of the relevant contracts and the subsequent cancellation by the Agency of the relevant contracts affected the provision of tarps and plastic sheeting to the Commonwealth of Puerto Rico and the United States Virgin Islands.

(c) REPORT.—Not later than 270 days after the date of initiation of the audit under subsection (a), the inspector general shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Homeland Security and Governmental Affairs of the Senate a report on the results of the audit, including findings and recommendations.

SEC. 1227. RELIEF ORGANIZATIONS.

Section 309 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5152) is amended—

(1) in subsection (a), by striking "and other relief or" and inserting "long-term recovery groups, domestic hunger relief, and other relief, or"; and

(2) in subsection (b), by striking "and other relief or" and inserting "long-term recovery groups, domestic hunger relief, and other relief, or".

SEC. 1228. GUIDANCE ON INUNDATED AND SUBMERGED ROADS.

42 USC 5172 note.

The Administrator of the Federal Emergency Management Agency, in coordination with the Administrator of the Federal Highway Administration, shall develop and issue guidance for State, local, and Indian tribal governments regarding repair, restoration, and replacement of inundated and submerged roads damaged or destroyed by a major disaster, and for associated expenses incurred by the Government, with respect to roads eligible for assistance under section 406 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5172).

SEC. 1229. EXTENSION OF ASSISTANCE.

(a) IN GENERAL.—Notwithstanding any other provision of law, in the case of an individual eligible to receive unemployment assistance under section 410(a) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5177(a)) as a result of a disaster declaration made for Hurricane Irma and Hurricane Maria in the Commonwealth of Puerto Rico and the United States Virgin Islands, the President shall make such assistance available for 52 weeks after the date of the disaster declaration effective as if enacted at the time of the disaster declaration.

(b) NO ADDITIONAL FUNDS AUTHORIZED.—No additional funds are authorized to carry out the requirements of this section.

SEC. 1230. GUIDANCE AND RECOMMENDATIONS.

42 USC 5172 note.

(a) GUIDANCE.—The Administrator shall provide guidance to a common interest community that provides essential services of a governmental nature on actions that a common interest community may take in order to be eligible to receive reimbursement from a grantee that receives funds from the Agency for certain activities performed after an event that results in a major disaster declared by the President under section 401 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5170).

(b) RECOMMENDATIONS.—Not later than 90 days after the date of enactment of this Act, the Administrator shall provide to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Homeland Security and Governmental Affairs of the Senate a legislative proposal on how to provide eligibility for disaster assistance with respect to common areas of condominiums and housing cooperatives.

(c) EFFECTIVE DATE.—This section shall be effective on the date of enactment of this Act.

SEC. 1231. GUIDANCE ON HAZARD MITIGATION ASSISTANCE.

42 USC 5172 note.

(a) IN GENERAL.—Not later than 180 days after the date of enactment of this Act, the Administrator shall issue guidance regarding the acquisition of property for open space as a mitigation measure under section 404 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5170c) that includes—

(1) a process by which the State hazard mitigation officer appointed for such an acquisition shall, not later than 60 days after the applicant for assistance enters into an agreement

with the Administrator regarding the acquisition, provide written notification to each affected unit of local government for such acquisition that includes—

(A) the location of the acquisition;

(B) the State-local assistance agreement for the hazard mitigation grant program;

(C) a description of the acquisition; and

(D) a copy of the deed restriction; and

(2) recommendations for entering into and implementing a memorandum of understanding between units of local government and covered entities that includes provisions to allow an affected unit of local government notified under paragraph (1) to—

(A) use and maintain the open space created by such a project, consistent with section 404 (including related regulations, standards, and guidance) and consistent with all adjoining property, subject to the notification of the adjoining property, so long as the cost of the maintenance is borne by the local government; and

(B) maintain the open space pursuant to standards exceeding any local government standards defined in the agreement with the Administrator described under paragraph (1).

(b) DEFINITIONS.—In this section:

(1) AFFECTED UNIT OF LOCAL GOVERNMENT.—The term "affected unit of local government" means any entity covered by the definition of local government in section 102 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5122), that has jurisdiction over the property subject to the acquisition described in subsection (a).

(2) COVERED ENTITY.—The term "covered entity" means—

(A) the grantee or subgrantee receiving assistance for an open space project described in subsection (a);

(B) the State in which such project is located; and

(C) the applicable Regional Administrator of the Agency.

42 USC 5170 note.

SEC. 1232. LOCAL IMPACT.

(a) IN GENERAL.—In making recommendations to the President regarding a major disaster declaration, the Administrator of the Federal Emergency Management Agency shall give greater consideration to severe local impact or recent multiple disasters. Further, the Administrator shall make corresponding adjustments to the Agency's policies and regulations regarding such consideration. Not later than 1 year after the date of enactment of this section, the Administrator shall report to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Homeland Security and Governmental Affairs of the Senate on the changes made to regulations and policies and the number of declarations that have been declared based on the new criteria.

(b) EFFECTIVE DATE.—This section shall be effective on the date of enactment of this Act.

SEC. 1233. ADDITIONAL HAZARD MITIGATION ACTIVITIES.

Section 404 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5170c), as amended by this division, is further amended by adding at the end the following:

"(g) USE OF ASSISTANCE FOR EARTHQUAKE HAZARDS.—Recipients of hazard mitigation assistance provided under this section and section 203 may use the assistance to conduct activities to help reduce the risk of future damage, hardship, loss, or suffering in any area affected by earthquake hazards, including—

"(1) improvements to regional seismic networks in support of building a capability for earthquake early warning;

"(2) improvements to geodetic networks in support of building a capability for earthquake early warning; and

"(3) improvements to seismometers, Global Positioning System receivers, and associated infrastructure in support of building a capability for earthquake early warning.".

SEC. 1234. NATIONAL PUBLIC INFRASTRUCTURE PREDISASTER HAZARD MITIGATION.

(a) PREDISASTER HAZARD MITIGATION.—Section 203 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5133) is amended—

(1) in subsection (c) by inserting "Public Infrastructure" after "the National";

(2) in subsection (e)(1)(B)—

(A) by striking "or" at the end of clause (ii);

(B) by striking the period at the end of clause (iii) and inserting "; or"; and

(C) by adding at the end the following:

"(iv) to establish and carry out enforcement activities and implement the latest published editions of relevant consensus-based codes, specifications, and standards that incorporate the latest hazard-resistant designs and establish minimum acceptable criteria for the design, construction, and maintenance of residential structures and facilities that may be eligible for assistance under this Act for the purpose of protecting the health, safety, and general welfare of the buildings' users against disasters.";

(3) in subsection (f)—

(A) in paragraph (1) by inserting "for mitigation activities that are cost effective" after "competitive basis"; and

(B) by adding at the end the following:

"(3) REDISTRIBUTION OF UNOBLIGATED AMOUNTS.—The President may—

"(A) withdraw amounts of financial assistance made available to a State (including amounts made available to local governments of a State) under this subsection that remain unobligated by the end of the third fiscal year after the fiscal year for which the amounts were allocated; and

"(B) in the fiscal year following a fiscal year in which amounts were withdrawn under subparagraph (A), add the amounts to any other amounts available to be awarded on a competitive basis pursuant to paragraph (1).";

(4) in subsection (g)—

(A) by inserting "provide financial assistance only in States that have received a major disaster declaration in the previous 7 years, or to any Indian tribal government located partially or entirely within the boundaries of such States, and" after "the President shall";

(B) in paragraph (9) by striking "and" at the end;

(C) by redesignating paragraph (10) as paragraph (12); and

(D) by adding after paragraph (9) the following:

"(10) the extent to which the State, local, Indian tribal, or territorial government has facilitated the adoption and enforcement of the latest published editions of relevant consensus-based codes, specifications, and standards, including amendments made by State, local, Indian tribal, or territorial governments during the adoption process that incorporate the latest hazard-resistant designs and establish criteria for the design, construction, and maintenance of residential structures and facilities that may be eligible for assistance under this Act for the purpose of protecting the health, safety, and general welfare of the buildings' users against disasters;

"(11) the extent to which the assistance will fund activities that increase the level of resiliency; and";

(5) by striking subsection (i) and inserting the following:

"(i) NATIONAL PUBLIC INFRASTRUCTURE PREDISASTER MITIGATION ASSISTANCE.—

"(1) IN GENERAL.—The President may set aside from the Disaster Relief Fund, with respect to each major disaster, an amount equal to 6 percent of the estimated aggregate amount of the grants to be made pursuant to sections 403, 406, 407, 408, 410, 416, and 428 for the major disaster in order to provide technical and financial assistance under this section and such set aside shall be deemed to be related to activities carried out pursuant to major disasters under this Act.

"(2) ESTIMATED AGGREGATE AMOUNT.—Not later than 180 days after each major disaster declaration pursuant to this Act, the estimated aggregate amount of grants for purposes of paragraph (1) shall be determined by the President and such estimated amount need not be reduced, increased, or changed due to variations in estimates.

"(3) NO REDUCTION IN AMOUNTS.—The amount set aside pursuant to paragraph (1) shall not reduce the amounts otherwise made available for sections 403, 404, 406, 407, 408, 410, 416, and 428 under this Act."; and

(6) by striking subsections (j) and (m);

(7) by redesignating subsections (k), (l), and (n) as subsections (j), (k), and (l), respectively and

(8) by adding at the end the following:

"(m) LATEST PUBLISHED EDITIONS.—For purposes of subsections (e)(1)(B)(iv) and (g)(10), the term 'latest published editions' means, with respect to relevant consensus-based codes, specifications, and standards, the 2 most recently published editions.".

42 USC 5133 note.

(b) APPLICABILITY.—The amendments made to section 203 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5133) by paragraphs (3) and (5) of subsection (a) shall apply to funds appropriated on or after the date of enactment of this Act.

(c) SENSE OF CONGRESS.—It is the sense of Congress that—

(1) all funding expended from the National Public Infrastructure Predisaster Mitigation Assistance created by Section 203(i)(1) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5133), as added by this section, shall not be considered part of FEMA's regular appropriations

for non-Stafford activities, also known as the Federal Emergency Management Agency's Disaster Relief Fund base; and

(2) the President should have the funds related to the National Public Infrastructure Predisaster Mitigation Assistance created by Section 203(i)(1) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5133), as added by this section, identified in and allocated from the Federal Emergency Management Agency's Disaster Relief Fund for major disasters declared pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 et seq.).

42 USC 5133 note.

(d) SUNSET.—On the date that is 5 years after the date of enactment of this Act, section 203 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5133) is amended by striking subsection (m), as added by subsection (a)(8) of this section.

SEC. 1235. ADDITIONAL MITIGATION ACTIVITIES.

(a) HAZARD MITIGATION CLARIFICATION.—Section 404(a) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5170c(a)) is amended by striking the first sentence and inserting the following: "The President may contribute up to 75 percent of the cost of hazard mitigation measures which the President has determined are cost effective and which substantially reduce the risk of, or increase resilience to, future damage, hardship, loss, or suffering in any area affected by a major disaster.".

(b) ELIGIBLE COST.—Section 406(e)(1)(A) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5172(e)(1)(A)) is amended—

(1) in the matter preceding clause (i), by inserting after "section," the following: "for disasters declared on or after August 1, 2017, or a disaster in which a cost estimate has not yet been finalized for a project, or for any project for which the finalized cost estimate is on appeal,";

(2) in clause (i), by striking "and" at the end;

(3) in clause (ii)—

(A) by striking "codes, specifications, and standards" and inserting "the latest published editions of relevant consensus-based codes, specifications, and standards that incorporate the latest hazard-resistant designs and establish minimum acceptable criteria for the design, construction, and maintenance of residential structures and facilities that may be eligible for assistance under this Act for the purposes of protecting the health, safety, and general welfare of a facility's users against disasters";

(B) by striking "applicable at the time at which the disaster occurred"; and

(C) by striking the period at the end and inserting "; and"; and

(4) by adding at the end the following:

"(iii) in a manner that allows the facility to meet the definition of resilient developed pursuant to this subsection.".

(c) OTHER ELIGIBLE COST.—Section 406(e)(1) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5172(e)(1)) is further amended by adding at the end the following:

"(C) CONTRIBUTIONS.—Contributions for the eligible cost made under this section may be provided on an actual cost basis or on cost-estimation procedures.".

(d) NEW RULES.—Section 406(e) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5172(e)) is further amended by adding at the end the following:

"(5) NEW RULES.—

"(A) IN GENERAL.—Not later than 18 months after the date of enactment of this paragraph, the President, acting through the Administrator of the Federal Emergency Management Agency, and in consultation with the heads of relevant Federal departments and agencies, shall issue a final rulemaking that defines the terms 'resilient' and 'resiliency' for purposes of this subsection.

"(B) INTERIM GUIDANCE.—Not later than 60 days after the date of enactment of this paragraph, the Administrator shall issue interim guidance to implement this subsection. Such interim guidance shall expire 18 months after the date of enactment of this paragraph or upon issuance of final regulations pursuant to subparagraph (A), whichever occurs first.

"(C) GUIDANCE.—Not later than 90 days after the date on which the Administrator issues the final rulemaking under this paragraph, the Administrator shall issue any necessary guidance related to the rulemaking.

"(D) REPORT.—Not later than 2 years after the date of enactment of this paragraph, the Administrator shall submit to Congress a report summarizing the regulations and guidance issued pursuant to this paragraph.".

(e) CONFORMING AMENDMENT.—Section 205(d)(2) of the Disaster Mitigation Act of 2000 (42 U.S.C. 5172 note) is amended by inserting "(B)" after "except that paragraph (1)".

42 USC 5196g.

SEC. 1236. GUIDANCE AND TRAINING BY FEMA ON COORDINATION OF EMERGENCY RESPONSE PLANS.

(a) TRAINING REQUIREMENT.—The Administrator, in coordination with other relevant agencies, shall provide guidance and training on an annual basis to State, local, and Indian tribal governments, first responders, and facilities that store hazardous materials on coordination of emergency response plans in the event of a major disaster or emergency, including severe weather events. The guidance and training shall include the following:

(1) Providing a list of equipment required in the event a hazardous substance is released into the environment.

(2) Outlining the health risks associated with exposure to hazardous substances to improve treatment response.

(3) Publishing best practices for mitigating further danger to communities from hazardous substances.

(b) IMPLEMENTATION.—The requirement of subsection (a) shall be implemented not later than 180 days after the date of enactment of this Act.

42 USC 5205a.

SEC. 1237. CERTAIN RECOUPMENT PROHIBITED.

(a) IN GENERAL.—Notwithstanding any other provision of law, the Agency shall deem any covered disaster assistance to have been properly procured, provided, and utilized, and shall restore any funding of covered disaster assistance previously provided but subsequently withdrawn or deobligated.

(b) COVERED DISASTER ASSISTANCE DEFINED.—In this section, the term "covered disaster assistance" means assistance—

(1) provided to a local government pursuant to section 403, 406, or 407 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5170b, 5172, or 5173); and

(2) with respect to which the inspector general of the Department of Homeland Security has determined, after an audit, that—

(A) the Agency deployed to the local government a Technical Assistance Contractor to review field operations, provide eligibility advice, and assist with day-to-day decisions;

(B) the Technical Assistance Contractor provided inaccurate information to the local government; and

(C) the local government relied on the inaccurate information to determine that relevant contracts were eligible, reasonable, and reimbursable.

(c) EFFECTIVE DATE.—This section shall be effective on the date of enactment of this Act.

SEC. 1238. FEDERAL ASSISTANCE TO INDIVIDUALS AND HOUSEHOLDS AND NONPROFIT FACILITIES.

42 USC 5174b.

(a) CRITICAL DOCUMENT FEE WAIVER.—

(1) IN GENERAL.—Notwithstanding section 1 of the Passport Act of June 4, 1920 (22 U.S.C. 214) or any other provision of law, the President, in consultation with the Governor of a State, may provide a waiver under this subsection to an individual or household described in section 408(e)(1) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5174(e)(1)) for the following document replacement fees:

(A) The passport application fee for individuals who lost their United States passport in a major disaster within the preceding three calendar years.

(B) The file search fee for a United States passport.

(C) The Application for Waiver of Passport and/or Visa form (Form I–193) fee.

(D) The Permanent Resident Card replacement form (Form I–90) filing fee.

(E) The Declaration of Intention form (Form N–300) filing fee.

(F) The Naturalization/Citizenship Document replacement form (Form N–565) filing fee.

(G) The Employment Authorization form (Form I–765) filing fee.

(H) The biometric service fee.

(2) EXEMPTION FROM FORM REQUIREMENT.—The authority of the President to waive fees under subparagraphs (C) through (H) of paragraph (1) applies regardless of whether the individual or household qualifies for a Form I–912 Request for Fee Waiver, or any successor thereto.

(3) EXEMPTION FROM ASSISTANCE MAXIMUM.—The assistance limit in section 408(h) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5174(h)) shall not apply to any fee waived under this subsection.

(4) REPORT.—Not later than 365 days after the date of enactment of this subsection, the Administrator and the head of any other agency given critical document fee waiver authority under this subsection shall submit a report to the Committee on Homeland Security and Governmental Affairs of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives on the costs associated with providing critical document fee waivers as described in paragraph (1).

(b) FEDERAL ASSISTANCE TO PRIVATE NONPROFIT CHILDCARE FACILITIES.—Section 102(11)(A) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5122(11)(A)) is amended—

(1) in the second subparagraph (A) (as added by Public Law 115–123), by inserting "center-based childcare," after "facility),"; and

(2) in the first subparagraph (A), by striking "(A) IN GENERAL.—The term 'private nonprofit facility' means private nonprofit educational, utility" and all that follows through "President.".

42 USC 5122 note.

(c) APPLICABILITY.—The amendment made by subsection (b)(1) shall apply to any major disaster or emergency declared by the President under section 401 or 501, respectively, of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5170, 5191) on or after the date of enactment of this Act.

42 USC 5170 note.

SEC. 1239. COST OF ASSISTANCE ESTIMATES.

(a) IN GENERAL.—Not later than 270 days after the date of enactment of this Act, the Administrator shall review the factors considered when evaluating a request for a major disaster declaration under the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 et seq.), specifically the estimated cost of the assistance, and provide a report and briefing to the Committee on Homeland Security and Governmental Affairs of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives.

(b) RULEMAKING.—Not later than 2 years after the date of enactment of this Act, the Administrator shall review and initiate a rulemaking to update the factors considered when evaluating a Governor's request for a major disaster declaration, including reviewing how the Agency estimates the cost of major disaster assistance, and consider other impacts on the capacity of a jurisdiction to respond to disasters. In determining the capacity of a jurisdiction to respond to disasters, and prior to the issuance of such a rule, the Administrator shall engage in meaningful consultation with relevant representatives of State, regional, local, and Indian tribal government stakeholders.

SEC. 1240. REPORT ON INSURANCE SHORTFALLS.

Not later than 2 years after the date of enactment of this section, and each year thereafter until 2023, the Administrator of the Federal Emergency Management Agency shall submit a report to Congress on the number of instances and the estimated amounts involved, by State, for cases in which self-insurance amounts have been insufficient to address flood damages.

42 USC 5172 note.

SEC. 1241. POST DISASTER BUILDING SAFETY ASSESSMENT.

(a) BUILDING SAFETY ASSESSMENT TEAM.—

(1) IN GENERAL.—The Administrator shall coordinate with State and local governments and organizations representing design professionals, such as architects and engineers, to develop guidance, including best practices, for post-disaster assessment of buildings by licensed architects and engineers to ensure the design professionals properly analyze the structural integrity and livability of buildings and structures.

(2) PUBLICATION.—The Administrator shall publish the guidance required to be developed under paragraph (1) not later than 1 year after the date of enactment of this Act.

(b) NATIONAL INCIDENT MANAGEMENT SYSTEM.—The Administrator shall revise or issue guidance as required to the National Incident Management System Resource Management component to ensure the functions of post-disaster building safety assessment, such as those functions performed by design professionals are accurately resource typed within the National Incident Management System.

(c) EFFECTIVE DATE.—This section shall be effective on the date of enactment of this Act.

SEC. 1242. FEMA UPDATES ON NATIONAL PREPAREDNESS ASSESSMENT.

Not later than 6 months after the date of enactment of this Act, and every 6 months thereafter until completion, the Administrator shall submit to the Committee on Homeland Security and Governmental Affairs of the Senate and the Committees on Transportation and Infrastructure and Homeland Security of the House of Representatives an update on the progress of the Agency in completing action 6 with respect to the report published by the Government Accountability Office entitled "2012 Annual Report: Opportunities to Reduce Duplication, Overlap and Fragmentation, Achieve Savings, and Enhance Revenue" (February 28, 2012), which recommends the Agency to—

(1) complete a national preparedness assessment of capability gaps at each level based on tiered, capability-specific performance objectives to enable prioritization of grant funding; and

(2) identify the potential costs for establishing and maintaining those capabilities at each level and determine what capabilities Federal agencies should provide.

SEC. 1243. FEMA REPORT ON DUPLICATION IN NON-NATURAL DISASTER PREPAREDNESS GRANT PROGRAMS.

Not later than 180 days after the date of enactment of this Act, the Administrator shall submit to the Committees on Homeland Security and Governmental Affairs of the Senate and the Committees on Transportation and Infrastructure and Homeland Security of the House of Representatives a report on the results of the efforts of the Agency to identify and prevent unnecessary duplication within and across the non-natural disaster preparedness grant programs of the Agency, as recommended in the report published by the Government Accountability Office entitled "2012 Annual Report: Opportunities to Reduce Duplication, Overlap and Fragmentation, Achieve Savings, and Enhance Revenue" (February 28, 2012), including with respect to—

(1) the Urban Area Security Initiative established under section 2003 of the Homeland Security Act of 2002 (6 U.S.C. 604);

(2) the Port Security Grant Program authorized under section 70107 of title 46, United States Code;

(3) the State Homeland Security Grant Program established under section 2004 of the Homeland Security Act of 2002 (6 U.S.C. 605); and

(4) the Transit Security Grant Program authorized under titles XIV and XV of the Implementing Recommendations of the 9/11 Commission Act of 2007 (6 U.S.C. 1131 et seq.).

SEC. 1244. STUDY AND REPORT.

(a) IN GENERAL.—Not later than 90 days after the date of enactment of this Act, the Administrator shall enter into a contract with the National Academy of Medicine to conduct a study and prepare a report as described in subsection (b).

(b) STUDY AND REPORT.—

(1) STUDY.—

(A) IN GENERAL.—The study described in this subsection shall be a study of matters concerning best practices in mortality counts as a result of a major disaster (as defined in section 102 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5122)).

(B) CONTENTS.—The study described in this subsection shall address approaches to quantifying mortality and significant morbidity among populations affected by major disasters, which shall include best practices and policy recommendations for—

(i) equitable and timely attribution, in order to facilitate access to available benefits, among other things;

(ii) timely prospective tracking of population levels of mortality and significant morbidity, and their causes, in order to continuously inform response efforts; and

(iii) a retrospective study of disaster-related mortality and significant morbidity to inform after-action analysis and improve subsequent preparedness efforts.

(2) REPORT.—Not later than 2 years after the date on which the contract described in subsection (a) is entered into, the National Academy of Medicine shall complete and transmit to the Administrator a report on the study described in paragraph (1).

(c) NO ADDITIONAL FUNDS AUTHORIZED.—No additional funds are authorized to carry out the requirements of this section.

42 USC 5172 note.

SEC. 1245. REVIEW OF ASSISTANCE FOR DAMAGED UNDERGROUND WATER INFRASTRUCTURE.

(a) DEFINITION OF PUBLIC ASSISTANCE GRANT PROGRAM.—The term "public assistance grant program" means the public assistance grant program authorized under sections 403, 406, 407, 428, and 502(a) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5170b, 5172, 5173, 5192(a)).

(b) REVIEW AND BRIEFING.—Not later than 60 days after the date of enactment of this Act, the Administrator shall—

(1) conduct a review of the assessment and eligibility process under the public assistance grant program with respect to assistance provided for damaged underground water infrastructure as a result of a major disaster declared under section 401 of such Act (42 U.S.C. 5170), including wildfires, and shall

include the extent to which local technical memoranda, prepared by a local unit of government in consultation with the relevant State or Federal agencies, identified damaged underground water infrastructure that should be eligible for the public assistance grant program; and

(2) provide to the Committee on Homeland Security and Governmental Affairs of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives a briefing on the review conducted under paragraph (1).

(c) REPORT AND RECOMMENDATIONS.—The Administrator shall—

(1) not later than 180 days after the date of enactment of this Act, issue a report on the review conducted under subsection (b)(1); and

(2) not later than 180 days after the date on which the Administrator issues the report required under paragraph (1), initiate a rulemaking, if appropriate, to address any recommendations contained in the report.

SEC. 1246. EXTENSION.

The Administrator shall extend the deadlines to implement the reasonable and prudent alternative outlined in the jeopardy biological opinion dated April 14, 2016, by up to 3 years from the date of enactment of this Act. Within 18 months from the date of enactment of this Act, the Administrator shall submit to the Committee on Homeland Security and Governmental Affairs, the Committee on Banking, Housing, and Urban Affairs, and the Committee on Environment and Public Works of the Senate; and the Committee on Homeland Security, the Committee on Natural Resources, and the Committee on Transportation and Infrastructure of the House of Representatives a report on the status of implementing these reasonable and prudent alternatives.

(a) PURPOSE.—The purpose of this division is to authorize the establishment of an orderly program for developing, financing, and carrying out an effective, continuous, and coordinated program of research, education, and promotion, including funds for marketing and market research activities, that is designed to—

(1) strengthen the position of the concrete masonry products industry in the domestic marketplace;

(2) maintain, develop, and expand markets and uses for concrete masonry products in the domestic marketplace; and

(3) promote the use of concrete masonry products in construction and building.

(b) LIMITATION.—Nothing in this division may be construed to provide for the control of production or otherwise limit the right of any person to manufacture concrete masonry products.

SEC. 1303. DEFINITIONS.

15 USC 8702.

For the purposes of this division:

(1) BLOCK MACHINE.—The term "block machine" means a piece of equipment that utilizes vibration and compaction to form concrete masonry products.

(2) BOARD.—The term "Board" means the Concrete Masonry Products Board established under section 1305.

(3) CAVITY.—The term "cavity" means the open space in the mold of a block machine capable of forming a single concrete masonry unit having nominal plan dimensions of 8 inches by 16 inches.

(4) CONCRETE MASONRY PRODUCTS.—The term "concrete masonry products" refers to a broader class of products, including concrete masonry units as well as hardscape products such as concrete pavers and segmental retaining wall units, manufactured on a block machine using dry-cast concrete.

(5) CONCRETE MASONRY UNIT.—The term "concrete masonry unit"—

(A) means a concrete masonry product that is a man-made masonry unit having an actual width of 3 inches or greater and manufactured from dry-cast concrete using a block machine; and

(B) includes concrete block and related concrete units used in masonry applications.

(6) CONFLICT OF INTEREST.—The term "conflict of interest" means, with respect to a member or employee of the Board, a situation in which such member or employee has a direct or indirect financial or other interest in a person that performs a service for, or enters into a contract with, for anything of economic value.

(7) DEPARTMENT.—The term "Department" means the Department of Commerce.

(8) DRY-CAST CONCRETE.—The term "dry-cast concrete" means a composite material that is composed essentially of aggregates embedded in a binding medium composed of a mixture of cementitious materials (including hydraulic cement, pozzolans, or other cementitious materials) and water of such a consistency to maintain its shape after forming in a block machine.

(9) EDUCATION.—The term "education" means programs that will educate or communicate the benefits of concrete masonry products in safe and environmentally sustainable development, advancements in concrete masonry product technology and development, and other information and programs designed to generate increased demand for commercial, residential, multifamily, and institutional projects using concrete masonry products and to generally enhance the image of concrete masonry products.

(10) MACHINE CAVITIES.—The term "machine cavities" means the cavities with which a block machine could be equipped.

(11) MACHINE CAVITIES IN OPERATION.—The term "machine cavities in operation" means those machine cavities associated with a block machine that have produced concrete masonry units within the last 6 months of the date set for determining eligibility and is fully operable and capable of producing concrete masonry units.

(12) MANUFACTURER.—The term "manufacturer" means any person engaged in the manufacturing of commercial concrete masonry products in the United States.

(13) MASONRY UNIT.—The term "masonry unit" means a noncombustible building product intended to be laid by hand or joined using mortar, grout, surface bonding, post-tensioning or some combination of these methods.

(14) ORDER.—The term "order" means an order issued under section 1304.

(15) PERSON.—The term "person" means any individual, group of individuals, partnership, corporation, association, cooperative, or any other entity.

(16) PROMOTION.—The term "promotion" means any action, including paid advertising, to advance the image and desirability of concrete masonry products with the express intent of improving the competitive position and stimulating sales of concrete masonry products in the marketplace.

(17) RESEARCH.—The term "research" means studies testing the effectiveness of market development and promotion efforts, studies relating to the improvement of concrete masonry products and new product development, and studies documenting the performance of concrete masonry.

(18) SECRETARY.—The term "Secretary" means the Secretary of Commerce.

(19) UNITED STATES.—The term "United States" means the several States and the District of Columbia.

SEC. 1304. ISSUANCE OF ORDERS. 15 USC 8703.

(a) IN GENERAL.—

(1) ISSUANCE.—The Secretary, subject to the procedures provided in subsection (b), shall issue orders under this division applicable to manufacturers of concrete masonry products.

(2) SCOPE.—Any order shall be national in scope.

(3) ONE ORDER.—Not more than 1 order shall be in effect at any one time.

(b) PROCEDURES.—

(1) DEVELOPMENT OR RECEIPT OF PROPOSED ORDER.—A proposed order with respect to the generic research, education, and promotion with regards to concrete masonry products may be—

(A) proposed by the Secretary at any time; or

(B) requested by or submitted to the Secretary by—

(i) an existing national organization of concrete masonry product manufacturers; or

(ii) any person that may be affected by the issuance of an order.

(2) PUBLICATION OF PROPOSED ORDER.—If the Secretary determines that a proposed order received in accordance with paragraph (1)(B) is consistent with and will effectuate the purpose of this division, the Secretary shall publish such proposed order in the Federal Register not later than 90 days after receiving the order, and give not less than 30 days notice and opportunity for public comment on the proposed order.

(3) ISSUANCE OF ORDER.—

(A) IN GENERAL.—After notice and opportunity for public comment are provided in accordance with paragraph

(2), the Secretary shall issue the order, taking into consideration the comments received and including in the order such provisions as are necessary to ensure that the order is in conformity with this division.

(B) EFFECTIVE DATE.—If there is an affirmative vote in a referendum as provided in section 1307, the Secretary shall issue the order and such order shall be effective not later than 140 days after publication of the proposed order.

(c) AMENDMENTS.—The Secretary may, from time to time, amend an order. The provisions of this division applicable to an order shall be applicable to any amendment to an order.

15 USC 8704.

SEC. 1305. REQUIRED TERMS IN ORDERS.

(a) IN GENERAL.—Any order issued under this division shall contain the terms and provisions specified in this section.

(b) CONCRETE MASONRY PRODUCTS BOARD.—

(1) ESTABLISHMENT AND MEMBERSHIP.—

(A) ESTABLISHMENT.—The order shall provide for the establishment of a Concrete Masonry Products Board to carry out a program of generic promotion, research, and education regarding concrete masonry products.

(B) MEMBERSHIP.—

(i) NUMBER OF MEMBERS.—The Board shall consist of not fewer than 15 and not more than 25 members.

(ii) APPOINTMENT.—The members of the Board shall be appointed by the Secretary from nominations submitted as provided in the order.

(iii) COMPOSITION.—The Board shall consist of manufacturers. No employee of an industry trade organization exempt from tax under paragraph (3) or (6) of section 501(c) of the Internal Revenue Code of 1986 representing the concrete masonry industry or related industries shall serve as a member of the Board and no member of the Board may serve concurrently as an officer of the board of directors of a national concrete masonry products industry trade association. Only 2 individuals from any single company or its affiliates may serve on the Board at any one time.

(2) DISTRIBUTION OF APPOINTMENTS.—

(A) REPRESENTATION.—To ensure fair and equitable representation of the concrete masonry products industry, the composition of the Board shall reflect the geographical distribution of the manufacture of concrete masonry products in the United States, the types of concrete masonry products manufactured, and the range in size of manufacturers in the United States.

(B) ADJUSTMENT IN BOARD REPRESENTATION.—Three years after the assessment of concrete masonry products commences pursuant to an order, and at the end of each 3-year period thereafter, the Board, subject to the review and approval of the Secretary, shall, if warranted, recommend to the Secretary the reapportionment of the Board membership to reflect changes in the geographical distribution of the manufacture of concrete masonry products and the types of concrete masonry products manufactured.

(3) NOMINATIONS PROCESS.—The Secretary may make appointments from nominations by manufacturers pursuant to the method set forth in the order.

(4) FAILURE TO APPOINT.—If the Secretary fails to make an appointment to the Board within 60 days of receiving nominations for such appointment, the first nominee for such appointment shall be deemed appointed, unless the Secretary provides reasonable justification for the delay to the Board and to Congress and provides a reasonable date by which approval or disapproval will be made.

(5) ALTERNATES.—The order shall provide for the selection of alternate members of the Board by the Secretary in accordance with procedures specified in the order.

(6) TERMS.—

(A) IN GENERAL.—The members and any alternates of the Board shall each serve for a term of 3 years, except that members and any alternates initially appointed to the Board shall serve for terms of not more than 2, 3, and 4 years, as specified by the order.

(B) LIMITATION ON CONSECUTIVE TERMS.—A member or an alternate may serve not more than 2 consecutive terms.

(C) CONTINUATION OF TERM.—Notwithstanding subparagraph (B), each member or alternate shall continue to serve until a successor is appointed by the Secretary.

(D) VACANCIES.—A vacancy arising before the expiration of a term of office of an incumbent member or alternate of the Board shall be filled in a manner provided for in the order.

(7) DISQUALIFICATION FROM BOARD SERVICE.—The order shall provide that if a member or alternate of the Board who was appointed as a manufacturer ceases to qualify as a manufacturer, such member or alternate shall be disqualified from serving on the Board.

(8) COMPENSATION.—

(A) IN GENERAL.—Members and any alternates of the Board shall serve without compensation.

(B) TRAVEL EXPENSES.—If approved by the Board, members or alternates shall be reimbursed for reasonable travel expenses, which may include per diem allowance or actual subsistence incurred while away from their homes or regular places of business in the performance of services for the Board.

(c) POWERS AND DUTIES OF THE BOARD.—The order shall specify the powers and duties of the Board, including the power and duty—

(1) to administer the order in accordance with its terms and conditions and to collect assessments;

(2) to develop and recommend to the Secretary for approval such bylaws as may be necessary for the functioning of the Board and such rules as may be necessary to administer the order, including activities authorized to be carried out under the order;

(3) to meet, organize, and select from among members of the Board a chairperson, other officers, and committees and subcommittees, as the Board determines appropriate;

(4) to establish regional organizations or committees to administer regional initiatives;

(5) to establish working committees of persons other than Board members;

(6) to employ such persons, other than the members, as the Board considers necessary, and to determine the compensation and specify the duties of the persons;

(7) to prepare and submit for the approval of the Secretary, before the beginning of each fiscal year, rates of assessment under section 1306 and an annual budget of the anticipated expenses to be incurred in the administration of the order, including the probable cost of each promotion, research, and information activity proposed to be developed or carried out by the Board;

(8) to borrow funds necessary for the startup expenses of the order;

(9) to carry out generic research, education, and promotion programs and projects relating to concrete masonry products, and to pay the costs of such programs and projects with assessments collected under section 1306;

(10) subject to subsection (e), to enter into contracts or agreements to develop and carry out programs or projects of research, education, and promotion relating to concrete masonry products;

(11) to keep minutes, books, and records that reflect the actions and transactions of the Board, and promptly report minutes of each Board meeting to the Secretary;

(12) to receive, investigate, and report to the Secretary complaints of violations of the order;

(13) to furnish the Secretary with such information as the Secretary may request;

(14) to recommend to the Secretary such amendments to the order as the Board considers appropriate; and

(15) to provide the Secretary with advance notice of meetings to permit the Secretary, or the representative of the Secretary, to attend the meetings.

(d) PROGRAMS AND PROJECTS; BUDGETS; EXPENSES.—

(1) PROGRAMS AND PROJECTS.—

(A) IN GENERAL.—The order shall require the Board to submit to the Secretary for approval any program or project of research, education, or promotion relating to concrete masonry products.

(B) STATEMENT REQUIRED.—Any educational or promotional activity undertaken with funds provided by the Board shall include a statement that such activities were supported in whole or in part by the Board.

(2) BUDGETS.—

(A) SUBMISSION.—The order shall require the Board to submit to the Secretary for approval a budget of the anticipated expenses and disbursements of the Board in the implementation of the order, including the projected costs of concrete masonry products research, education, and promotion programs and projects.

(B) TIMING.—The budget shall be submitted before the beginning of a fiscal year and as frequently as may be necessary after the beginning of the fiscal year.

(C) APPROVAL.—If the Secretary fails to approve or reject a budget within 60 days of receipt, such budget shall be deemed approved, unless the Secretary provides

to the Board and to Congress, in writing, reasonable justification for the delay and provides a reasonable date by which approval or disapproval will be made.

(3) ADMINISTRATIVE EXPENSES.—

(A) INCURRING EXPENSES.—The Board may incur the expenses described in paragraph (2) and other expenses for the administration, maintenance, and functioning of the Board as authorized by the Secretary.

(B) PAYMENT OF EXPENSES.—Expenses incurred under subparagraph (A) shall be paid by the Board using assessments collected under section 1306, earnings obtained from assessments, and other income of the Board. Any funds borrowed by the Board shall be expended only for startup costs and capital outlays.

(C) LIMITATION ON SPENDING.—For fiscal years beginning 3 or more years after the date of the establishment of the Board, the Board may not expend for administration (except for reimbursement to the Secretary required under subparagraph (D)), maintenance, and functioning of the Board in a fiscal year an amount that exceeds 10 percent of the assessment and other income received by the Board for the fiscal year.

(D) REIMBURSEMENT OF SECRETARY.—The order shall require that the Secretary be reimbursed by the Board from assessments for all expenses incurred by the Secretary in the implementation, administration, and supervision of the order, including all referenda costs incurred in connection with the order.

(e) CONTRACTS AND AGREEMENTS.—

(1) IN GENERAL.—The order shall provide that, with the approval of the Secretary, the Board may—

(A) enter into contracts and agreements to carry out generic research, education, and promotion programs and projects relating to concrete masonry products, including contracts and agreements with manufacturer associations or other entities as considered appropriate by the Secretary;

(B) enter into contracts and agreements for administrative services; and

(C) pay the cost of approved generic research, education, and promotion programs and projects using assessments collected under section 1306, earnings obtained from assessments, and other income of the Board.

(2) REQUIREMENTS.—Each contract or agreement shall provide that any person who enters into the contract or agreement with the Board shall—

(A) develop and submit to the Board a proposed program or project together with a budget that specifies the cost to be incurred to carry out the program or project;

(B) keep accurate records of all transactions relating to the contract or agreement;

(C) account for funds received and expended in connection with the contract or agreement;

(D) make periodic reports to the Board of activities conducted under the contract or agreement; and

(E) make such other reports as the Board or the Secretary considers relevant.

(3) FAILURE TO APPROVE.—If the Secretary fails to approve or reject a contract or agreement entered into under paragraph (1) within 60 days of receipt, the contract or agreement shall be deemed approved, unless the Secretary provides to the Board and to Congress, in writing, reasonable justification for the delay and provides a reasonable date by which approval or disapproval will be made.

(f) BOOKS AND RECORDS OF BOARD.—

(1) IN GENERAL.—The order shall require the Board to—

(A) maintain such books and records (which shall be available to the Secretary for inspection and audit) as the Secretary may require;

(B) collect and submit to the Secretary, at any time the Secretary may specify, any information the Secretary may request; and

(C) account for the receipt and disbursement of all funds in the possession, or under the control, of the Board.

(2) AUDITS.—The order shall require the Board to have—

(A) the books and records of the Board audited by an independent auditor at the end of each fiscal year; and

(B) a report of the audit submitted directly to the Secretary.

(g) PROHIBITED ACTIVITIES.—

(1) IN GENERAL.—Subject to paragraph (2), the Board shall not engage in any program or project to, nor shall any funds received by the Board under this division be used to—

(A) influence legislation, elections, or governmental action;

(B) engage in an action that would be a conflict of interest;

(C) engage in advertising that is false or misleading;

(D) engage in any promotion, research, or education that would be disparaging to other construction materials; or

(E) engage in any promotion or project that would benefit any individual manufacturer.

(2) EXCEPTIONS.—Paragraph (1) does not preclude—

(A) the development and recommendation of amendments to the order;

(B) the communication to appropriate government officials of information relating to the conduct, implementation, or results of research, education, and promotion activities under the order except communications described in paragraph (1)(A); or

(C) any lawful action designed to market concrete masonry products directly to a foreign government or political subdivision of a foreign government.

(h) PERIODIC EVALUATION.—The order shall require the Board to provide for the independent evaluation of all research, education, and promotion programs or projects undertaken under the order, beginning 5 years after the date of enactment of this Act and every 3 years thereafter. The Board shall submit to the Secretary and make available to the public the results of each such evaluation.

(i) OBJECTIVES.—The Board shall establish annual research, education, and promotion objectives and performance metrics for each fiscal year subject to approval by the Secretary.

(j) BIENNIAL REPORT.—Every 2 years the Board shall prepare and make publicly available a comprehensive and detailed report that includes an identification and description of all programs and projects undertaken by the Board during the previous 2 years as well as those planned for the subsequent 2 years and detail the allocation or planned allocation of Board resources for each such program or project. Such report shall also include—

(1) the overall financial condition of the Board;

(2) a summary of the amounts obligated or expended during the 2 preceding fiscal years; and

(3) a description of the extent to which the objectives of the Board were met according to the metrics required under subsection (i).

(k) BOOKS AND RECORDS OF PERSONS COVERED BY ORDER.—

(1) IN GENERAL.—The order shall require that manufacturers shall—

(A) maintain records sufficient to ensure compliance with the order and regulations; and

(B) make the records described in subparagraph (A) available, during normal business hours, for inspection by employees or agents of the Board or the Department.

(2) TIME REQUIREMENT.—Any record required to be maintained under paragraph (1) shall be maintained for such time period as the Secretary may prescribe.

(3) CONFIDENTIALITY OF INFORMATION.—

(A) IN GENERAL.—Except as otherwise provided in this paragraph, trade secrets and commercial or financial information that is privileged or confidential reported to, or otherwise obtained by the Board or the Secretary (or any representative of the Board or the Secretary) under this division shall not be disclosed by any officers, employees, and agents of the Department or the Board.

(B) SUITS AND HEARINGS.—Information referred to in subparagraph (A) may be disclosed only if—

(i) the Secretary considers the information relevant; and

(ii) the information is revealed in a judicial proceeding or administrative hearing brought at the direction or on the request of the Secretary or to which the Secretary or any officer of the Department is a party.

(C) GENERAL STATEMENTS AND PUBLICATIONS.—This paragraph does not prohibit—

(i) the issuance of general statements based on reports or on information relating to a number of persons subject to an order if the statements do not identify the information furnished by any person; or

(ii) the publication, by direction of the Secretary, of the name of any person violating any order and a statement of the particular provisions of the order violated by the person.

(D) PENALTY.—Any officer, employee, or agent of the Department of Commerce or any officer, employee, or agent of the Board who willfully violates this paragraph shall be fined not more than $1,000 and imprisoned for not more than 1 year, or both.

(4) WITHHOLDING INFORMATION.—This subsection does not authorize the withholding of information from Congress.

15 USC 8705.

SEC. 1306. ASSESSMENTS.

(a) ASSESSMENTS.—The order shall provide that assessments shall be paid by a manufacturer if the manufacturer has manufactured concrete masonry products during a period of at least 180 days prior to the date the assessment is to be remitted.

(b) COLLECTION.—

(1) IN GENERAL.—Assessments required under the order shall be remitted by the manufacturer to the Board in the manner prescribed by the order.

(2) TIMING.—The order shall provide that assessments required under the order shall be remitted to the Board not less frequently than quarterly.

(3) RECORDS.—As part of the remittance of assessments, manufacturers shall identify the total amount due in assessments on all sales receipts, invoices or other commercial documents of sale as a result of the sale of concrete masonry units in a manner as prescribed by the Board to ensure compliance with the order.

(c) ASSESSMENT RATES.—With respect to assessment rates, the order shall contain the following terms:

(1) INITIAL RATE.—The assessment rate on concrete masonry products shall be $0.01 per concrete masonry unit sold.

(2) CHANGES IN THE RATE.—

(A) AUTHORITY TO CHANGE RATE.—The Board shall have the authority to change the assessment rate. A two-thirds majority of voting members of the Board shall be required to approve a change in the assessment rate.

(B) LIMITATION ON INCREASES.—An increase or decrease in the assessment rate with respect to concrete masonry products may not exceed $0.01 per concrete masonry unit sold.

(C) MAXIMUM RATE.—The assessment rate shall not be in excess of $0.05 per concrete masonry unit.

(D) LIMITATION ON FREQUENCY OF CHANGES.—The assessment rate may not be increased or decreased more than once annually.

(d) LATE-PAYMENT AND INTEREST CHARGES.—

(1) IN GENERAL.—Late-payment and interest charges may be levied on each person subject to the order who fails to remit an assessment in accordance with subsection (b).

(2) RATE.—The rate for late-payment and interest charges shall be specified by the Secretary.

(e) INVESTMENT OF ASSESSMENTS.—Pending disbursement of assessments under a budget approved by the Secretary, the Board may invest assessments collected under this section in—

(1) obligations of the United States or any agency of the United States;

(2) general obligations of any State or any political subdivision of a State;

(3) interest-bearing accounts or certificates of deposit of financial institutions that are members of the Federal Reserve System; or

(4) obligations fully guaranteed as to principal and interest by the United States.

(f) ASSESSMENT FUNDS FOR REGIONAL INITIATIVES.—

(1) IN GENERAL.—The order shall provide that not less than 50 percent of the assessments (less administration expenses) paid by a manufacturer shall be used to support research, education, and promotion programs and projects in support of the geographic region of the manufacturer.

(2) GEOGRAPHIC REGIONS.—The order shall provide for the following geographic regions:

(A) Region I shall comprise Connecticut, Delaware, the District of Columbia, Maine, Maryland, Massachusetts, New Hampshire, New Jersey, New York, Pennsylvania, Rhode Island, Vermont, and West Virginia.

(B) Region II shall comprise Alabama, Florida, Georgia, Mississippi, North Carolina, South Carolina, Tennessee, and Virginia.

(C) Region III shall comprise Illinois, Indiana, Iowa, Kentucky, Michigan, Minnesota, Nebraska, North Dakota, Ohio, South Dakota, and Wisconsin.

(D) Region IV shall comprise Arizona, Arkansas, Kansas, Louisiana, Missouri, New Mexico, Oklahoma, and Texas.

(E) Region V shall comprise Alaska, California, Colorado, Hawaii, Idaho, Montana, Nevada, Oregon, Utah, Washington, and Wyoming.

(3) ADJUSTMENT OF GEOGRAPHIC REGIONS.—The order shall provide that the Secretary may, upon recommendation of the Board, modify the composition of the geographic regions described in paragraph (2).

SEC. 1307. REFERENDA. 15 USC 8706.

(a) INITIAL REFERENDUM.—

(1) REFERENDUM REQUIRED.—During the 60-day period immediately preceding the proposed effective date of the order issued under section 1304, the Secretary shall conduct a referendum among manufacturers eligible under subsection (b)(2) subject to assessments under section 1306.

(2) APPROVAL OF ORDER NEEDED.—The order shall become effective only if the Secretary determines that the order has been approved by a majority of manufacturers voting who also represent a majority of the machine cavities in operation of those manufacturers voting in the referendum.

(b) VOTES PERMITTED.—

(1) IN GENERAL.—Each manufacturer eligible to vote in a referendum conducted under this section shall be entitled to cast 1 vote.

(2) ELIGIBILITY.—For purposes of paragraph (1), a manufacturer shall be considered to be eligible to vote if the manufacturer has manufactured concrete masonry products during a period of at least 180 days prior to the first day of the period during which voting in the referendum will occur.

(c) MANNER OF CONDUCTING REFERENDA.—

(1) IN GENERAL.—Referenda conducted pursuant to this section shall be conducted in a manner determined by the Secretary.

(2) ADVANCE REGISTRATION.—A manufacturer who chooses to vote in any referendum conducted under this section shall register with the Secretary prior to the voting period, after receiving notice from the Secretary concerning the referendum under paragraph (4).

(3) VOTING.—The Secretary shall establish procedures for voting in any referendum conducted under this section. The ballots and other information or reports that reveal or tend to reveal the identity or vote of voters shall be strictly confidential.

(4) NOTICE.—Not later than 30 days before a referendum is conducted under this section with respect to an order, the Secretary shall notify all manufacturers, in such a manner as determined by the Secretary, of the period during which voting in the referendum will occur. The notice shall explain any registration and voting procedures established under this subsection.

(d) SUBSEQUENT REFERENDA.—If an order is approved in a referendum conducted under subsection (a), the Secretary shall conduct a subsequent referendum—

(1) at the request of the Board, subject to the voting requirements of subsections (b) and (c), to ascertain whether eligible manufacturers favor suspension, termination, or continuance of the order; or

(2) effective beginning on the date that is 5 years after the date of the approval of the order, and at 5-year intervals thereafter, at the request of 25 percent or more of the total number of persons eligible to vote under subsection (b).

(e) SUSPENSION OR TERMINATION.—If, as a result of a referendum conducted under subsection (d), the Secretary determines that suspension or termination of the order is favored by a majority of all votes cast in the referendum as provided in subsection (a)(2), the Secretary shall—

(1) not later than 180 days after the referendum, suspend or terminate, as appropriate, collection of assessments under the order; and

(2) suspend or terminate, as appropriate, programs and projects under the order as soon as practicable and in an orderly manner.

(f) COSTS OF REFERENDA.—The Board established under an order with respect to which a referendum is conducted under this section shall reimburse the Secretary from assessments for any expenses incurred by the Secretary to conduct the referendum.

15 USC 8707.

SEC. 1308. PETITION AND REVIEW.

(a) PETITION.—

(1) IN GENERAL.—A person subject to an order issued under this division may file with the Secretary a petition—

(A) stating that the order, any provision of the order, or any obligation imposed in connection with the order, is not established in accordance with law; and

(B) requesting a modification of the order or an exemption from the order.

(2) HEARING.—The Secretary shall give the petitioner an opportunity for a hearing on the petition, in accordance with regulations issued by the Secretary.

(3) RULING.—After the hearing, the Secretary shall make a ruling on the petition. The ruling shall be final, subject to review as set forth in subsection (b).

(4) LIMITATION ON PETITION.—Any petition filed under this subsection challenging an order, any provision of the order, or any obligation imposed in connection with the order, shall be filed not less than 2 years after the effective date of the order, provision, or obligation subject to challenge in the petition.

(b) REVIEW.—

(1) COMMENCEMENT OF ACTION.—The district courts of the United States in any district in which a person who is a petitioner under subsection (a) resides or conducts business shall have jurisdiction to review the ruling of the Secretary on the petition of the person, if a complaint requesting the review is filed no later than 30 days after the date of the entry of the ruling by the Secretary.

(2) PROCESS.—Service of process in proceedings under this subsection shall be conducted in accordance with the Federal Rules of Civil Procedure.

(3) REMANDS.—If the court in a proceeding under this subsection determines that the ruling of the Secretary on the petition of the person is not in accordance with law, the court shall remand the matter to the Secretary with directions—

(A) to make such ruling as the court shall determine to be in accordance with law; or

(B) to take such further action as, in the opinion of the court, the law requires.

(c) ENFORCEMENT.—The pendency of proceedings instituted under this section shall not impede, hinder, or delay the Attorney General or the Secretary from obtaining relief under section 1309.

SEC. 1309. ENFORCEMENT. 15 USC 8708.

(a) JURISDICTION.—A district court of the United States shall have jurisdiction to enforce, and to prevent and restrain any person from violating, this division or an order or regulation issued by the Secretary under this division.

(b) REFERRAL TO ATTORNEY GENERAL.—A civil action authorized to be brought under this section shall be referred to the Attorney General of the United States for appropriate action.

(c) CIVIL PENALTIES AND ORDERS.—

(1) CIVIL PENALTIES.—A person who willfully violates an order or regulation issued by the Secretary under this division may be assessed by the Secretary a civil penalty of not more than $5,000 for each violation.

(2) SEPARATE OFFENSE.—Each violation and each day during which there is a failure to comply with an order or regulation issued by the Secretary shall be considered to be a separate offense.

(3) CEASE-AND-DESIST ORDERS.—In addition to, or in lieu of, a civil penalty, the Secretary may issue an order requiring a person to cease and desist from violating the order or regulation.

(4) NOTICE AND HEARING.—No order assessing a penalty or cease-and-desist order may be issued by the Secretary under this subsection unless the Secretary provides notice and an

opportunity for a hearing on the record with respect to the violation.

(5) FINALITY.—An order assessing a penalty or a cease-and-desist order issued under this subsection by the Secretary shall be final and conclusive unless the person against whom the order is issued files an appeal from the order with the appropriate district court of the United States.

(d) ADDITIONAL REMEDIES.—The remedies provided in this division shall be in addition to, and not exclusive of, other remedies that may be available.

15 USC 8709.

SEC. 1310. INVESTIGATION AND POWER TO SUBPOENA.

(a) INVESTIGATIONS.—The Secretary may conduct such investigations as the Secretary considers necessary for the effective administration of this division, or to determine whether any person has engaged or is engaging in any act that constitutes a violation of this division or any order or regulation issued under this division.

(b) SUBPOENAS, OATHS, AND AFFIRMATIONS.—

(1) INVESTIGATIONS.—For the purpose of conducting an investigation under subsection (a), the Secretary may administer oaths and affirmations, subpoena witnesses, compel the attendance of witnesses, take evidence, and require the production of any records that are relevant to the inquiry. The production of the records may be required from any place in the United States.

(2) ADMINISTRATIVE HEARINGS.—For the purpose of an administrative hearing held under section 1308(a)(2) or section 1309(c)(4), the presiding officer may administer oaths and affirmations, subpoena witnesses, compel the attendance of witnesses, take evidence, and require the production of any records that are relevant to the inquiry. The attendance of witnesses and the production of the records may be required from any place in the United States.

(c) AID OF COURTS.—

(1) IN GENERAL.—In the case of contumacy by, or refusal to obey a subpoena issued under subsection (b) to, any person, the Secretary may invoke the aid of any court of the United States within the jurisdiction of which the investigation or proceeding is conducted, or where the person resides or conducts business, in order to enforce a subpoena issued under subsection (b).

(2) ORDER.—The court may issue an order requiring the person referred to in paragraph (1) to comply with a subpoena referred to in paragraph (1).

(3) FAILURE TO OBEY.—Any failure to obey the order of the court may be punished by the court as a contempt of court.

(4) PROCESS.—Process in any proceeding under this subsection may be served in the United States judicial district in which the person being proceeded against resides or conducts business, or wherever the person may be found.

15 USC 8710.

SEC. 1311. SUSPENSION OR TERMINATION.

(a) MANDATORY SUSPENSION OR TERMINATION.—The Secretary shall suspend or terminate an order or a provision of an order if the Secretary finds that an order or provision of an order obstructs or does not tend to effectuate the purpose of this division, or if the Secretary determines that the order or a provision of an

order is not favored by a majority of all votes cast in the referendum as provided in section 1307(a)(2).

(b) IMPLEMENTATION OF SUSPENSION OR TERMINATION.—If, as a result of a referendum conducted under section 1307, the Secretary determines that the order is not approved, the Secretary shall—

(1) not later than 180 days after making the determination, suspend or terminate, as the case may be, collection of assessments under the order; and

(2) as soon as practicable, suspend or terminate, as the case may be, activities under the order in an orderly manner.

SEC. 1312. AMENDMENTS TO ORDERS. 15 USC 8711.

The provisions of this division applicable to the order shall be applicable to any amendment to the order, except that section 1308 shall not apply to an amendment.

SEC. 1313. EFFECT ON OTHER LAWS. 15 USC 8712.

This division shall not affect or preempt any other Federal or State law authorizing research, education, and promotion relating to concrete masonry products.

SEC. 1314. REGULATIONS. 15 USC 8713.

The Secretary may issue such regulations as may be necessary to carry out this division and the power vested in the Secretary under this division.

SEC. 1315. LIMITATION ON EXPENDITURES FOR ADMINISTRATIVE EXPENSES. 15 USC 8714.

Funds appropriated to carry out this division may not be used for the payment of the expenses or expenditures of the Board in administering the order.

SEC. 1316. LIMITATIONS ON OBLIGATION OF FUNDS. 15 USC 8715.

(a) IN GENERAL.—In each fiscal year of the covered period, the Board may not obligate an amount greater than the sum of—

(1) 73 percent of the amount of assessments estimated to be collected under section 1306 in such fiscal year;

(2) 73 percent of the amount of assessments actually collected under section 1306 in the most recent fiscal year for which an audit report has been submitted under section 1305(f)(2)(B) as of the beginning of the fiscal year for which the amount that may be obligated is being determined, less the estimate made pursuant to paragraph (1) for such most recent fiscal year; and

(3) amounts permitted in preceding fiscal years to be obligated pursuant to this subsection that have not been obligated.

(b) EXCESS AMOUNTS DEPOSITED IN ESCROW ACCOUNT.—Assessments collected under section 1306 in excess of the amount permitted to be obligated under subsection (a) in a fiscal year shall be deposited in an escrow account for the duration of the covered period.

(c) TREATMENT OF AMOUNTS IN ESCROW ACCOUNT.—During the covered period, the Board may not obligate, expend, or borrow against amounts required under subsection (b) to be deposited in the escrow account. Any interest earned on such amounts shall be deposited in the escrow account and shall be unavailable for obligation for the duration of the covered period.

(d) RELEASE OF AMOUNTS IN ESCROW ACCOUNT.—After the covered period, the Board may withdraw and obligate in any fiscal year an amount in the escrow account that does not exceed ⅕ of the amount in the escrow account on the last day of the covered period.

(e) SPECIAL RULE FOR ESTIMATES FOR PARTICULAR FISCAL YEARS.—

(1) RULE.—For purposes of subsection (a)(1), the amount of assessments estimated to be collected under section 1306 in a fiscal year specified in paragraph (2) shall be equal to 62 percent of the amount of assessments actually collected under such section in the most recent fiscal year for which an audit report has been submitted under section 1305(f)(2)(B) as of the beginning of the fiscal year for which the amount that may be obligated is being determined.

(2) FISCAL YEARS SPECIFIED.—The fiscal years specified in this paragraph are the 9th and 10th fiscal years that begin on or after the date of enactment of this Act.

(f) COVERED PERIOD DEFINED.—In this section, the term "covered period" means the period that begins on the date of enactment of this Act and ends on the last day of the 11th fiscal year that begins on or after such date of enactment.

15 USC 8716.

SEC. 1317. STUDY AND REPORT BY THE GOVERNMENT ACCOUNTABILITY OFFICE.

Not later than 5 years after the date of enactment of this Act, the Comptroller General of the United States shall prepare a study, and not later than 8 years after the date of enactment of this Act, the Comptroller General shall submit to Congress and the Secretary a report, examining—

(1) how the Board spends assessments collected;

(2) the extent to which the reported activities of the Board help achieve the annual objectives of the Board;

(3) any changes in demand for concrete masonry products relative to other building materials;

(4) any impact of the activities of the Board on the market share of competing products;

(5) any impact of the activities of the Board on the overall size of the market for building products;

(6) any impact of the activities of the Board on the total number of concrete-masonry-related jobs, including manufacturing, sales, and installation;

(7) any significant effects of the activities of the Board on downstream purchasers of concrete masonry products and real property into which concrete masonry products are incorporated;

(8) effects on prices of concrete masonry products as a result of the activities of the Board;

(9) the cost to the Federal Government of an increase in concrete masonry product prices, if any, as a result of the program established by this division;

(10) the extent to which key statutory requirements are met;

(11) the extent and strength of Federal oversight of the program established by this division;

(12) the appropriateness of administering the program from within the Office of the Secretary of Commerce and the appropriateness of administering the program from within any division of the Department, including whether the Department has the expertise, knowledge, or other capabilities necessary to adequately administer the program; and

(13) any other topic that the Comptroller General considers appropriate.

SEC. 1318. STUDY AND REPORT BY THE DEPARTMENT OF COMMERCE. 15 USC 8717.

Not later than 3 years after the date of enactment of this Act, the Secretary shall prepare a study and submit to Congress a report examining the appropriateness and effectiveness of applying the commodity check-off program model (such as those programs established under the Commodity Promotion, Research, and Information Act of 1996 (7 U.S.C. 7411 et seq.)) to a non-agricultural industry, taking into account the program established by this division and any other check-off program involving a non-agricultural industry.

DIVISION F—BUILD ACT OF 2018

Better Utilization of Investments Leading to Development Act of 2018. 22 USC 9601 note.

SEC. 1401. SHORT TITLE.

This division may be cited as the "Better Utilization of Investments Leading to Development Act of 2018" or the "BUILD Act of 2018".

SEC. 1402. DEFINITIONS. 22 USC 9601.

In this division:

(1) APPROPRIATE CONGRESSIONAL COMMITTEES.—The term "appropriate congressional committees" means—

(A) the Committee on Foreign Relations and the Committee on Appropriations of the Senate; and

(B) the Committee on Foreign Affairs and the Committee on Appropriations of the House of Representatives.

(2) LESS DEVELOPED COUNTRY.—The term "less developed country" means a country with a low-income economy, lower-middle-income economy, or upper-middle-income economy, as defined by the International Bank for Reconstruction and Development and the International Development Association (collectively referred to as the "World Bank").

(3) PREDECESSOR AUTHORITY.—The term "predecessor authority" means authorities repealed by title VI.

(4) QUALIFYING SOVEREIGN ENTITY.—The term "qualifying sovereign entity" means—

(A) any agency or instrumentality of a foreign state (as defined in section 1603 of title 28, United States Code) that has a purpose that is similar to the purpose of the Corporation as described in section 1412(b); or

(B) any international financial institution (as defined in section 1701(c) of the International Financial Institutions Act (22 U.S.C. 262r(c))).

TITLE I—ESTABLISHMENT

22 USC 9611.

SEC. 1411. STATEMENT OF POLICY.

It is the policy of the United States to facilitate market-based private sector development and inclusive economic growth in less developed countries through the provision of credit, capital, and other financial support—

(1) to mobilize private capital in support of sustainable, broad-based economic growth, poverty reduction, and development through demand-driven partnerships with the private sector that further the foreign policy interests of the United States;

(2) to finance development that builds and strengthens civic institutions, promotes competition, and provides for public accountability and transparency;

(3) to help private sector actors overcome identifiable market gaps and inefficiencies without distorting markets;

(4) to achieve clearly defined economic and social development outcomes;

(5) to coordinate with institutions with purposes similar to the purposes of the Corporation to leverage resources of those institutions to produce the greatest impact;

(6) to provide countries a robust alternative to state-directed investments by authoritarian governments and United States strategic competitors using best practices with respect to transparency and environmental and social safeguards, and which take into account the debt sustainability of partner countries;

(7) to leverage private sector capabilities and innovative development tools to help countries transition from recipients of bilateral development assistance toward increased self-reliance; and

(8) to complement and be guided by overall United States foreign policy, development, and national security objectives, taking into account the priorities and needs of countries receiving support.

22 USC 9612.

SEC. 1412. UNITED STATES INTERNATIONAL DEVELOPMENT FINANCE CORPORATION.

(a) ESTABLISHMENT.—There is established in the executive branch the United States International Development Finance Corporation (in this division referred to as the "Corporation"), which shall be a wholly owned Government corporation for purposes of chapter 91 of title 31, United States Code, under the foreign policy guidance of the Secretary of State.

(b) PURPOSE.—The purpose of the Corporation shall be to mobilize and facilitate the participation of private sector capital and skills in the economic development of less developed countries, as described in subsection (c), and countries in transition from nonmarket to market economies, in order to complement the development assistance objectives, and advance the foreign policy interests, of the United States. In carrying out its purpose, the Corporation, utilizing broad criteria, shall take into account in its financing operations the economic and financial soundness and development objectives of projects for which it provides support under title II.

(c) LESS DEVELOPED COUNTRY FOCUS.—

(1) IN GENERAL.—The Corporation shall prioritize the provision of support under title II in less developed countries with a low-income economy or a lower-middle-income economy.

(2) SUPPORT IN UPPER-MIDDLE-INCOME COUNTRIES.—The Corporation shall restrict the provision of support under title II in a less developed country with an upper-middle-income economy unless—

(A) the President certifies to the appropriate congressional committees that such support furthers the national economic or foreign policy interests of the United States; and

(B) such support is designed to produce significant developmental outcomes or provide developmental benefits to the poorest population of that country.

SEC. 1413. MANAGEMENT OF CORPORATION.

22 USC 9613.

(a) STRUCTURE OF CORPORATION.—There shall be in the Corporation a Board of Directors (in this division referred to as the "Board"), a Chief Executive Officer, a Deputy Chief Executive Officer, a Chief Risk Officer, a Chief Development Officer, and such other officers as the Board may determine.

(b) BOARD OF DIRECTORS.—

(1) DUTIES.—All powers of the Corporation shall vest in and be exercised by or under the authority of the Board. The Board—

(A) shall perform the functions specified to be carried out by the Board in this division;

(B) may prescribe, amend, and repeal bylaws, rules, regulations, policies, and procedures governing the manner in which the business of the Corporation may be conducted and in which the powers granted to the Corporation by law may be exercised; and

(C) shall develop, in consultation with stakeholders, other interested parties, and the appropriate congressional committees, a publicly available policy with respect to consultations, hearings, and other forms of engagement in order to provide for meaningful public participation in the Board's activities.

(2) MEMBERSHIP OF BOARD.—

(A) IN GENERAL.—The Board shall consist of—

(i) the Chief Executive Officer of the Corporation;

(ii) the officers specified in subparagraph (B); and

(iii) four other individuals who shall be appointed by the President, by and with the advice and consent of the Senate, of which—

(I) The Secretary of State or a designee of the Secretary.

(II) The Administrator of the United States Agency for International Development or a designee of the Administrator.

(III) The Secretary of the Treasury or a designee of the Secretary.

(IV) The Secretary of Commerce or a designee of the Secretary.

(ii) REQUIREMENTS FOR DESIGNEES.—A designee under clause (i) shall be selected from among officers—

(I) appointed by the President, by and with the advice and consent of the Senate;

(II) whose duties relate to the programs of the Corporation; and

(III) who is designated by and serving at the pleasure of the President.

(C) REQUIREMENTS FOR NONGOVERNMENT MEMBERS.—A member of the Board described in subparagraph (A)(iii)—

(i) may not be an officer or employee of the United States Government;

(ii) shall have relevant experience, which may include experience relating to the private sector, the environment, labor organizations, or international development, to carry out the purpose of the Corporation;

(iii) shall be appointed for a term of 3 years and may be reappointed for one additional term;

(iv) shall serve until the member's successor is appointed and confirmed;

(v) shall be compensated at a rate equivalent to that of level IV of the Executive Schedule under section 5315 of title 5, United States Code, when engaged in the business of the Corporation; and

(vi) may be paid per diem in lieu of subsistence at the applicable rate under the Federal Travel Regulation under subtitle F of title 41, Code of Federal Regulations, from time to time, while away from the home or usual place of business of the member.

(3) CHAIRPERSON.—The Secretary of State, or the designee of the Secretary under paragraph (2)(B)(i)(I), shall serve as the Chairperson of the Board.

(4) VICE CHAIRPERSON.—The Administrator of the United States Agency for International Development, or the designee of the Administrator under paragraph (2)(B)(i)(II), shall serve as the Vice Chairperson of the Board.

(5) QUORUM.—Five members of the Board shall constitute a quorum for the transaction of business by the Board.

(c) PUBLIC HEARINGS.—The Board shall hold at least 2 public hearings each year in order to afford an opportunity for any person to present views with respect to whether—

(1) the Corporation is carrying out its activities in accordance with this division; and

(2) any support provided by the Corporation under title II in any country should be suspended, expanded, or extended.

(d) CHIEF EXECUTIVE OFFICER.—

(1) APPOINTMENT.—There shall be in the Corporation a Chief Executive Officer, who shall be appointed by the President, by and with the advice and consent of the Senate, and who shall serve at the pleasure of the President.

(2) AUTHORITIES AND DUTIES.—The Chief Executive Officer shall be responsible for the management of the Corporation and shall exercise the powers and discharge the duties of the Corporation subject to the bylaws, rules, regulations, and procedures established by the Board.

(3) RELATIONSHIP TO BOARD.—The Chief Executive Officer shall report to and be under the direct authority of the Board.

(4) COMPENSATION.—Section 5313 of title 5, United States Code, is amended by adding at the end the following:

"Chief Executive Officer, United States International Development Finance Corporation.".

(e) DEPUTY CHIEF EXECUTIVE OFFICER.—There shall be in the Corporation a Deputy Chief Executive Officer, who shall be appointed by the President, by and with the advice and consent of the Senate, and who shall serve at the pleasure of the President.

(f) CHIEF RISK OFFICER.—

(1) APPOINTMENT.—Subject to the approval of the Board, the Chief Executive Officer of the Corporation shall appoint a Chief Risk Officer, from among individuals with experience at a senior level in financial risk management, who—

(A) shall report directly to the Board; and

(B) shall be removable only by a majority vote of the Board.

(2) DUTIES.—The Chief Risk Officer shall, in coordination with the audit committee of the Board established under section 1441, develop, implement, and manage a comprehensive process for identifying, assessing, monitoring, and limiting risks to the Corporation, including the overall portfolio diversification of the Corporation.

(g) CHIEF DEVELOPMENT OFFICER.—

(1) APPOINTMENT.—Subject to the approval of the Board, the Chief Executive Officer, with the concurrence of the Administrator of the United States Agency for International Development, shall appoint a Chief Development Officer, from among individuals with experience in development, who—

(A) shall report directly to the Board; and

(B) shall be removable only by a majority vote of the Board.

(2) DUTIES.—The Chief Development Officer shall—

(A) coordinate the Corporation's development policies and implementation efforts with the United States Agency for International Development, the Millennium Challenge Corporation, and other relevant United States Government departments and agencies, including directly liaising with missions of the United States Agency for International Development, to ensure that departments, agencies, and missions have training, awareness, and access to the Corporation's tools in relation to development policy and projects in countries;

(B) under the guidance of the Chief Executive Officer, manage employees of the Corporation that are dedicated to structuring, monitoring, and evaluating transactions and projects co-designed with the United States Agency for International Development and other relevant United States Government departments and agencies;

(C) authorize and coordinate transfers of funds or other resources to and from such agencies, departments, or missions upon the concurrence of those institutions in support of the Corporation's projects or activities;

(D) manage the responsibilities of the Corporation under paragraphs (1) and (4) of section 1442(b) and paragraphs (1)(A) and (3)(A) of section 1443(b);

(E) coordinate and implement the activities of the Corporation under section 1445; and

(F) be an ex officio member of the Development Advisory Council established under subsection (i) and participate in or send a representative to each meeting of the Council.

(h) OFFICERS AND EMPLOYEES.—

(1) IN GENERAL.—Except as otherwise provided in this section, officers, employees, and agents shall be selected and appointed by the Corporation, and shall be vested with such powers and duties as the Corporation may determine.

(2) ADMINISTRATIVELY DETERMINED EMPLOYEES.—

(A) APPOINTMENT; COMPENSATION; REMOVAL.—Of officers and employees employed by the Corporation under paragraph (1), not more than 50 may be appointed, compensated, or removed without regard to title 5, United States Code.

(B) REINSTATEMENT.—Under such regulations as the President may prescribe, officers and employees appointed to a position under subparagraph (A) may be entitled, upon removal from such position (unless the removal was for cause), to reinstatement to the position occupied at the time of appointment or to a position of comparable grade and salary.

(C) ADDITIONAL POSITIONS.—Positions authorized by subparagraph (A) shall be in addition to those otherwise authorized by law, including positions authorized under section 5108 of title 5, United States Code.

(D) RATES OF PAY FOR OFFICERS AND EMPLOYEES.—The Corporation may set and adjust rates of basic pay for officers and employees appointed under subparagraph (A) without regard to the provisions of chapter 51 or subchapter III of chapter 53 of title 5, United States Code,

relating to classification of positions and General Schedule pay rates, respectively.

(3) LIABILITY OF EMPLOYEES.—

(A) IN GENERAL.—An individual who is a member of the Board or an officer or employee of the Corporation has no liability under this division with respect to any claim arising out of or resulting from any act or omission by the individual within the scope of the employment of the individual in connection with any transaction by the Corporation.

(B) RULE OF CONSTRUCTION.—Subparagraph (A) shall not be construed to limit personal liability of an individual for criminal acts or omissions, willful or malicious misconduct, acts or omissions for private gain, or any other acts or omissions outside the scope of the individual's employment.

(C) CONFLICTS OF INTEREST.—The Corporation shall establish and publish procedures for avoiding conflicts of interest on the part of officers and employees of the Corporation and members of the Development Advisory Council established under subsection (i).

(D) SAVINGS PROVISION.—This paragraph shall not be construed—

(i) to affect—

(I) any other immunities and protections that may be available to an individual described in subparagraph (A) under applicable law with respect to a transaction described in that subparagraph; or

(II) any other right or remedy against the Corporation, against the United States under applicable law, or against any person other than an individual described in subparagraph (A) participating in such a transaction; or

(ii) to limit or alter in any way the immunities that are available under applicable law for Federal officers and employees not described in this paragraph.

(i) DEVELOPMENT ADVISORY COUNCIL.—

(1) IN GENERAL.—There is established a Development Advisory Council (in this subsection referred to as the "Council") to advise the Board on development objectives of the Corporation.

(2) MEMBERSHIP.—Members of the Council shall be appointed by the Board, on the recommendation of the Chief Executive Officer and the Chief Development Officer, and shall be composed of not more than 9 members broadly representative of nongovernmental organizations, think tanks, advocacy organizations, foundations, and other institutions engaged in international development.

(3) FUNCTIONS.—The Board shall call upon members of the Council, either collectively or individually, to advise the Board regarding the extent to which the Corporation is meeting its development mandate and any suggestions for improvements in with respect to meeting that mandate, including opportunities in countries and project development and implementation challenges and opportunities.

(4) FEDERAL ADVISORY COMMITTEE ACT.—The Council shall not be subject to the Federal Advisory Committee Act (5 U.S.C. App.).

SEC. 1414. INSPECTOR GENERAL OF THE CORPORATION.

(a) IN GENERAL.—Section 8G(a)(2) of the Inspector General Act of 1978 (5 U.S.C. App.) is amended by inserting "the United States International Development Finance Corporation," after "the Smithsonian Institution,".

(b) OVERSIGHT INDEPENDENCE.—Section 8G(a)(4) of the Inspector General Act of 1978 (5 U.S.C. App.) is amended—

(1) in subparagraph (H), by striking "; and" and inserting a semicolon;

(2) in subparagraph (I), by striking the semicolon and inserting "; and"; and

(3) by adding at the end the following:

"(J) with respect to the United States International Development Finance Corporation, such term means the Board of Directors of the United States International Development Finance Corporation;".

22 USC 9614.

SEC. 1415. INDEPENDENT ACCOUNTABILITY MECHANISM.

(a) IN GENERAL.—The Board shall establish a transparent and independent accountability mechanism.

(b) FUNCTIONS.—The independent accountability mechanism established pursuant to subsection (a) shall—

(1) annually evaluate and report to the Board and Congress regarding compliance with environmental, social, labor, human rights, and transparency standards, consistent with Corporation statutory mandates;

(2) provide a forum for resolving concerns regarding the impacts of specific Corporation-supported projects with respect to such standards; and

(3) provide advice regarding Corporation projects, policies, and practices.

TITLE II—AUTHORITIES

22 USC 9621.

SEC. 1421. AUTHORITIES RELATING TO PROVISION OF SUPPORT.

(a) IN GENERAL.—The authorities in this title shall only be exercised to—

(1) carry out of the policy of the United States in section 1411 and the purpose of the Corporation in section 1412;

(2) mitigate risks to United States taxpayers by sharing risks with the private sector and qualifying sovereign entities through co-financing and structuring of tools; and

(3) ensure that support provided under this title is additional to private sector resources by mobilizing private capital that would otherwise not be deployed without such support.

(b) LENDING AND GUARANTIES.—

(1) IN GENERAL.—The Corporation may make loans or guaranties upon such terms and conditions as the Corporation may determine.

(2) DENOMINATION.—Loans and guaranties issued under paragraph (1) may be denominated and repayable in United States dollars or foreign currencies. Foreign currency denominated loans and guaranties should only be provided if the

Board determines there is a substantive policy rationale for such loans and guaranties.

(3) APPLICABILITY OF FEDERAL CREDIT REFORM ACT OF 1990.—Loans and guaranties issued under paragraph (1) shall be subject to the requirements of the Federal Credit Reform Act of 1990 (2 U.S.C. 661 et seq.).

(c) EQUITY INVESTMENTS.—

(1) IN GENERAL.—The Corporation may, as a minority investor, support projects with funds or use other mechanisms for the purpose of purchasing, and may make and fund commitments to purchase, invest in, make pledges in respect of, or otherwise acquire, equity or quasi-equity securities or shares or financial interests of any entity, including as a limited partner or other investor in investment funds, upon such terms and conditions as the Corporation may determine.

(2) DENOMINATION.—Support provided under paragraph (1) may be denominated and repayable in United States dollars or foreign currency. Foreign currency denominated support provided by paragraph (1) should only be provided if the Board determines there is a substantive policy rationale for such support.

(3) GUIDELINES AND CRITERIA.—The Corporation shall develop guidelines and criteria to require that the use of the authority provided by paragraph (1) with respect to a project has a clearly defined development and foreign policy purpose, taking into account the following objectives:

(A) The support for the project would be more likely than not to substantially reduce or overcome the effect of an identified market failure in the country in which the project is carried out.

(B) The project would not have proceeded or would have been substantially delayed without the support.

(C) The support would meaningfully contribute to transforming local conditions to promote the development of markets.

(D) The support can be shown to be aligned with commercial partner incentives.

(E) The support can be shown to have significant developmental impact and will contribute to long-term commercial sustainability.

(F) The support furthers the policy of the United States described in section 1411.

(4) LIMITATIONS ON EQUITY INVESTMENTS.—

(A) PER PROJECT LIMIT.—The aggregate amount of support provided under this subsection with respect to any project shall not exceed 30 percent of the aggregate amount of all equity investment made to the project at the time that the Corporation approves support of the project.

(B) TOTAL LIMIT.—Support provided pursuant to this subsection shall be limited to not more than 35 percent of the Corporation's aggregate exposure on the date that such support is provided.

(5) SALES AND LIQUIDATION OF POSITION.—The Corporation shall seek to sell and liquidate any support for a project provided under this subsection as soon as commercially feasible, commensurate with other similar investors in the project and

taking into consideration the national security interests of the United States.

(6) TIMETABLE.—The Corporation shall create a project-specific timetable for support provided under paragraph (1).

(d) INSURANCE AND REINSURANCE.—The Corporation may issue insurance or reinsurance, upon such terms and conditions as the Corporation may determine, to private sector entities and qualifying sovereign entities assuring protection of their investments in whole or in part against any or all political risks such as currency inconvertibility and transfer restrictions, expropriation, war, terrorism, civil disturbance, breach of contract, or nonhonoring of financial obligations.

(e) PROMOTION OF AND SUPPORT FOR PRIVATE INVESTMENT OPPORTUNITIES.—

(1) IN GENERAL.—In order to carry out the purpose of the Corporation described in section 1412(b), the Corporation may initiate and support, through financial participation, incentive grant, or otherwise, and on such terms and conditions as the Corporation may determine, feasibility studies for the planning, development, and management of, and procurement for, potential bilateral and multilateral development projects eligible for support under this title, including training activities undertaken in connection with such projects, for the purpose of promoting investment in such projects and the identification, assessment, surveying, and promotion of private investment opportunities, utilizing wherever feasible and effective, the facilities of private investors.

(2) CONTRIBUTIONS TO COSTS.—The Corporation shall, to the maximum extent practicable, require any person receiving funds under the authorities of this subsection to—

(A) share the costs of feasibility studies and other project planning services funded under this subsection; and

(B) reimburse the Corporation those funds provided under this section, if the person succeeds in project implementation.

(f) SPECIAL PROJECTS AND PROGRAMS.—The Corporation may administer and manage special projects and programs in support of specific transactions undertaken by the Corporation, including programs of financial and advisory support that provide private technical, professional, or managerial assistance in the development of human resources, skills, technology, capital savings, or intermediate financial and investment institutions or cooperatives, and including the initiation of incentives, grants, or studies for energy, women's economic empowerment, microenterprise households, or other small business activities.

(g) ENTERPRISE FUNDS.—

(1) IN GENERAL.—The Corporation may, following consultation with the Secretary of State, the Administrator of the United States Agency for International Development, and the heads of other relevant departments or agencies, establish and operate enterprise funds in accordance with this subsection.

(2) PRIVATE CHARACTER OF FUNDS.—Nothing in this section shall be construed to make an enterprise fund an agency or establishment of the United States Government, or to make the officers, employees, or members of the Board of Directors of an enterprise fund officers or employees of the United States for purposes of title 5, United States Code.

(3) PURPOSES FOR WHICH SUPPORT MAY BE PROVIDED.—The Corporation, subject to the approval of the Board, may designate private, nonprofit organizations as eligible to receive support under this title for the following purposes:

(A) To promote development of economic freedom and private sectors, including small- and medium-sized enterprises and joint ventures with the United States and host country participants.

(B) To facilitate access to credit to small- and medium-sized enterprises with sound business plans in countries where there is limited means of accessing credit on market terms.

(C) To promote policies and practices conducive to economic freedom and private sector development.

(D) To attract foreign direct investment capital to further promote private sector development and economic freedom.

(E) To complement the work of the United States Agency for International Development and other donors to improve the overall business-enabling environment, financing the creation and expansion of the private business sector.

(F) To make financially sustainable investments designed to generate measurable social benefits and build technical capacity in addition to financial returns.

(4) OPERATION OF FUNDS.—

(A) EXPENDITURES.—Funds made available to an enterprise fund shall be expended at the minimum rate necessary to make timely payments for projects and activities carried out under this subsection.

(B) ADMINISTRATIVE EXPENSES.—Not more than 3 percent per annum of the funds made available to an enterprise fund may be obligated or expended for the administrative expenses of the enterprise fund.

(5) BOARD OF DIRECTORS.—Each enterprise fund established under this subsection should be governed by a Board of Directors comprised of private citizens of the United States or the host country, who—

(A) shall be appointed by the President after consultation with the chairmen and ranking members of the appropriate congressional committees; and

(B) have pursued careers in international business and have demonstrated expertise in international and emerging market investment activities.

(6) MAJORITY MEMBER REQUIREMENT.—The majority of the members of the Board of Directors shall be United States citizens who shall have relevant experience relating to the purposes described in paragraph (3).

(7) REPORTS.—Not later than one year after the date of the establishment of an enterprise fund under this subsection, and annually thereafter until the enterprise fund terminates in accordance with paragraph (10), the Board of Directors of the enterprise fund shall—

(A) submit to the appropriate congressional committees a report—

(i) detailing the administrative expenses of the enterprise fund during the year preceding the submission of the report;

(ii) describing the operations, activities, engagement with civil society and relevant local private sector entities, development objectives and outcomes, financial condition, and accomplishments of the enterprise fund during that year;

(iii) describing the results of any audit conducted under paragraph (8); and

(iv) describing how audits conducted under paragraph (8) are informing the operations and activities of the enterprise fund; and

(B) publish, on a publicly available internet website of the enterprise fund, each report required by subparagraph (A).

(8) OVERSIGHT.—

(A) INSPECTOR GENERAL PERFORMANCE AUDITS.—

(i) IN GENERAL.—The Inspector General of the Corporation shall conduct periodic audits of the activities of each enterprise fund established under this subsection.

(ii) CONSIDERATION.—In conducting an audit under clause (i), the Inspector General shall assess whether the activities of the enterprise fund—

(I) support the purposes described in paragraph (3);

(II) result in profitable private sector investing; and

(III) generate measurable social benefits.

(B) RECORDKEEPING REQUIREMENTS.—The Corporation shall ensure that each enterprise fund receiving support under this subsection—

(i) keeps separate accounts with respect to such support; and

(ii) maintains such records as may be reasonably necessary to facilitate effective audits under this paragraph.

(9) RETURN OF FUNDS TO TREASURY.—Any funds resulting from any liquidation, dissolution, or winding up of an enterprise fund, in whole or in part, shall be returned to the Treasury of the United States.

(10) TERMINATION.—The authority of an enterprise fund to provide support under this subsection shall terminate on the earlier of—

(A) the date that is 10 years after the date of the first expenditure of amounts from the enterprise fund; or

(B) the date on which the enterprise fund is liquidated.

(h) SUPERVISION OF SUPPORT.—Support provided under this title shall be subject to section 622(c) of the Foreign Assistance Act of 1961 (22 U.S.C. 2382(c)).

(i) SMALL BUSINESS DEVELOPMENT.—

(1) IN GENERAL.—The Corporation shall undertake, in cooperation with appropriate departments, agencies, and instrumentalities of the United States as well as private entities and others, to broaden the participation of United States small businesses and cooperatives and other small United States

investors in the development of small private enterprise in less developed friendly countries or areas.

(2) OUTREACH TO MINORITY-OWNED AND WOMEN-OWNED BUSINESSES.—

(A) IN GENERAL.—The Corporation shall collect data on the involvement of minority- and women-owned businesses in projects supported by the Corporation, including—

(i) the amount of insurance and financing provided by the Corporation to such businesses in connection with projects supported by the Corporation; and

(ii) to the extent such information is available, the involvement of such businesses in procurement activities conducted or supported by the Corporation.

(B) INCLUSION IN ANNUAL REPORT.—The Corporation shall include, in its annual report submitted to Congress under section 1443, the aggregate data collected under this paragraph, in such form as to quantify the effectiveness of the Corporation's outreach activities to minority- and women-owned businesses.

SEC. 1422. TERMS AND CONDITIONS. 22 USC 9622.

(a) IN GENERAL.—Except as provided in subsection (b), support provided by the Corporation under this title shall be on such terms and conditions as the Corporation may prescribe.

(b) REQUIREMENTS.—The following requirements apply to support provided by the Corporation under this title:

(1) The Corporation shall provide support using authorities under this title only if it is necessary—

(A) to alleviate a credit market imperfection; or

(B) to achieve specified development or foreign policy objectives of the United States Government by providing support in the most efficient way to meet those objectives on a case-by-case basis.

(2) The final maturity of a loan made or guaranteed by the Corporation shall not exceed the lesser of—

(A) 25 years; or

(B) debt servicing capabilities of the project to be financed by the loan (as determined by the Corporation).

(3) The Corporation shall, with respect to providing any loan guaranty to a project, require the parties to the project to bear the risk of loss in an amount equal to at least 20 percent of the guaranteed support by the Corporation in the project.

(4) The Corporation may not make or guarantee a loan unless the Corporation determines that the borrower or lender is responsible and that adequate provision is made for servicing the loan on reasonable terms and protecting the financial interest of the United States.

(5) The interest rate for direct loans and interest supplements on guaranteed loans shall be set by reference to a benchmark interest rate (yield) on marketable Treasury securities or other widely recognized or appropriate benchmarks with a similar maturity to the loans being made or guaranteed, as determined in consultation with the Director of the Office of Management and Budget and the Secretary of the Treasury.

The Corporation shall establish appropriate minimum interest rates for loans, guaranties, and other instruments as necessary.

(6) The minimum interest rate for new loans as established by the Corporation shall be adjusted periodically to take account of changes in the interest rate of the benchmark financial instrument.

(7)(A) The Corporation shall set fees or premiums for support provided under this title at levels that minimize the cost to the Government while supporting achievement of the objectives of support.

(B) The Corporation shall review fees for loan guaranties periodically to ensure that the fees assessed on new loan guaranties are at a level sufficient to cover the Corporation's most recent estimates of its costs.

(8) Any loan guaranty provided by the Corporation shall be conclusive evidence that—

(A) the guaranty has been properly obtained;

(B) the loan qualified for the guaranty; and

(C) but for fraud or material misrepresentation by the holder of the guaranty, the guaranty is presumed to be valid, legal, and enforceable.

(9) The Corporation shall prescribe explicit standards for use in periodically assessing the credit risk of new and existing direct loans or guaranteed loans.

(10) The Corporation may not make loans or loan guaranties except to the extent that budget authority to cover the costs of the loans or guaranties is provided in advance in an appropriations Act, as required by section 504 of the Federal Credit Reform Act of 1990 (2 U.S.C. 661c).

(11) The Corporation shall rely upon specific standards to assess the developmental and strategic value of projects for which it provides support and should only provide the minimum level of support necessary in order to support such projects.

(12) Any loan or loan guaranty made by the Corporation should be provided on a senior basis or pari passu with other senior debt unless there is a substantive policy rationale to provide such support otherwise.

22 USC 9623.

SEC. 1423. PAYMENT OF LOSSES.

(a) PAYMENTS FOR DEFAULTS ON GUARANTEED LOANS.—

(1) IN GENERAL.—If the Corporation determines that the holder of a loan guaranteed by the Corporation suffers a loss as a result of a default by a borrower on the loan, the Corporation shall pay to the holder the percent of the loss, as specified in the guaranty contract, after the holder of the loan has made such further collection efforts and instituted such enforcement proceedings as the Corporation may require.

(2) SUBROGATION.—Upon making a payment described in paragraph (1), the Corporation shall ensure the Corporation will be subrogated to all the rights of the recipient of the payment.

(3) RECOVERY EFFORTS.—The Corporation shall pursue recovery from the borrower of the amount of any payment made under paragraph (1) with respect to the loan.

(b) LIMITATION ON PAYMENTS.—

(1) IN GENERAL.—Except as provided by paragraph (2), compensation for insurance, reinsurance, or a guaranty issued under this title shall not exceed the dollar value of the tangible or intangible contributions or commitments made in the project, plus interest, earnings, or profits actually accrued on such contributions or commitments, to the extent provided by such insurance, reinsurance, or guaranty.

(2) EXCEPTION.—

(A) IN GENERAL.—The Corporation may provide that—

(i) appropriate adjustments in the insured dollar value be made to reflect the replacement cost of project assets; and

(ii) compensation for a claim of loss under insurance of an equity investment under section 1421 may be computed on the basis of the net book value attributable to the equity investment on the date of loss.

(3) ADDITIONAL LIMITATION.—

(A) IN GENERAL.—Notwithstanding paragraph (2)(A)(ii) and except as provided in subparagraph (B), the Corporation shall limit the amount of direct insurance and reinsurance issued under section 1421 with respect to a project so as to require that the insured and its affiliates bear the risk of loss for at least 10 percent of the amount of the Corporation's exposure to that insured and its affiliates in the project.

(B) EXCEPTION.—The limitation under subparagraph (A) shall not apply to direct insurance or reinsurance of loans provided by banks or other financial institutions to unrelated parties.

(c) ACTIONS BY ATTORNEY GENERAL.—The Attorney General shall take such action as may be appropriate to enforce any right accruing to the United States as a result of the issuance of any loan or guaranty under this title.

(d) RULE OF CONSTRUCTION.—Nothing in this section shall be construed to preclude any forbearance for the benefit of a borrower that may be agreed upon by the parties to a loan guaranteed by the Corporation if budget authority for any resulting costs to the United States Government (as defined in section 502 of the Federal Credit Reform Act of 1990 (2 U.S.C. 661a)) is available.

SEC. 1424. TERMINATION. 22 USC 9624.

(a) IN GENERAL.—The authorities provided under this title terminate on the date that is 7 years after the date of the enactment of this Act.

(b) TERMINATION OF CORPORATION.—The Corporation shall terminate on the date on which the portfolio of the Corporation is liquidated.

TITLE III—ADMINISTRATIVE AND GENERAL PROVISIONS

SEC. 1431. OPERATIONS. 22 USC 9631.

(a) BILATERAL AGREEMENTS.—The Corporation may provide support under title II in connection with projects in any country the government of which has entered into an agreement with the

United States authorizing the Corporation to provide such support in that country.

(b) CLAIMS SETTLEMENT.—

(1) IN GENERAL.—Claims arising as a result of support provided under title II or under predecessor authority may be settled, and disputes arising as a result thereof may be arbitrated with the consent of the parties, on such terms and conditions as the Corporation may determine.

(2) SETTLEMENTS CONCLUSIVE.—Payment made pursuant to any settlement pursuant to paragraph (1), or as a result of an arbitration award, shall be final and conclusive notwithstanding any other provision of law.

(c) PRESUMPTION OF COMPLIANCE.—Each contract executed by such officer or officers as may be designated by the Board shall be conclusively presumed to be issued in compliance with the requirements of this division.

(d) ELECTRONIC PAYMENTS AND DOCUMENTS.—The Corporation shall implement policies to accept electronic documents and electronic payments in all of its programs.

22 USC 9632.

SEC. 1432. CORPORATE POWERS.

(a) IN GENERAL.—The Corporation—

(1) may adopt, alter, and use a seal, to include an identifiable symbol of the United States;

(2) may make and perform such contracts, including no-cost contracts (as defined by the Corporation), grants, and other agreements notwithstanding division C of subtitle I of title 41, United States Code, with any person or government however designated and wherever situated, as may be necessary for carrying out the functions of the Corporation;

(3) may lease, purchase, or otherwise acquire, improve, and use such real property wherever situated, as may be necessary for carrying out the functions of the Corporation, except that, if the real property is for the Corporation's own occupancy, the lease, purchase, acquisition, improvement, or use of the real property shall be entered into or conducted in consultation with the Administrator of General Services;

(4) may accept cash gifts or donations of services or of property (real, personal, or mixed), tangible or intangible, for the purpose of carrying out the functions of the Corporation;

(5) may use the United States mails in the same manner and on the same conditions as the Executive departments (as defined in section 101 of title 5, United States Code);

(6) may contract with individuals for personal services, who shall not be considered Federal employees for any provision of law administered by the Director of the Office of Personnel Management;

(7) may hire or obtain passenger motor vehicles;

(8) may sue and be sued in its corporate name;

(9) may acquire, hold, or dispose of, upon such terms and conditions as the Corporation may determine, any property, real, personal, or mixed, tangible or intangible, or any interest in such property, except that, in the case of real property that is for the Corporation's own occupancy, the acquisition, holding, or disposition of the real property shall be conducted in consultation with the Administrator of General Services;

(10) may lease office space for the Corporation's own use, with the obligation of amounts for such lease limited to the current fiscal year for which payments are due until the expiration of the current lease under predecessor authority, as of the day before the date of the enactment of this Act;

(11) may indemnify directors, officers, employees, and agents of the Corporation for liabilities and expenses incurred in connection with their activities on behalf of the Corporation;

(12) notwithstanding any other provision of law, may represent itself or contract for representation in any legal or arbitral proceeding;

(13) may exercise any priority of the Government of the United States in collecting debts from bankrupt, insolvent, or decedents' estates;

(14) may collect, notwithstanding section 3711(g)(1) of title 31, United States Code, or compromise any obligations assigned to or held by the Corporation, including any legal or equitable rights accruing to the Corporation;

(15) may make arrangements with foreign governments (including agencies, instrumentalities, or political subdivisions of such governments) or with multilateral organizations or institutions for sharing liabilities;

(16) may sell direct investments of the Corporation to private investors upon such terms and conditions as the Corporation may determine; and

(17) shall have such other powers as may be necessary and incident to carrying out the functions of the Corporation.

(b) TREATMENT OF PROPERTY.—Notwithstanding any other provision of law relating to the acquisition, handling, or disposal of property by the United States, the Corporation shall have the right in its discretion to complete, recondition, reconstruct, renovate, repair, maintain, operate, or sell any property acquired by the Corporation pursuant to the provisions of this division, except that, in the case of real property that is for the Corporation's own occupancy, the completion, reconditioning, reconstruction, renovation, repair, maintenance, operation, or sale of the real property shall be conducted in consultation with the Administrator of General Services.

SEC. 1433. MAXIMUM CONTINGENT LIABILITY. 22 USC 9633.

The maximum contingent liability of the Corporation outstanding at any one time shall not exceed in the aggregate $60,000,000,000.

SEC. 1434. CORPORATE FUNDS. 22 USC 9634.

(a) CORPORATE CAPITAL ACCOUNT.—There is established in the Treasury of the United States a fund to be known as the "Corporate Capital Account" to carry out the purposes of the Corporation.

(b) FUNDING.—The Corporate Capital Account shall consist of—

(1) fees charged and collected pursuant to subsection (c);

(2) any amounts received pursuant to subsection (e);

(3) investments and returns on such investments pursuant to subsection (g);

(4) unexpended balances transferred to the Corporation pursuant to subsection (i);

(5) payments received in connection with settlements of all insurance and reinsurance claims of the Corporation; and

(6) all other collections transferred to or earned by the Corporation, excluding the cost, as defined in section 502 of the Federal Credit Reform Act of 1990 (2 U.S.C. 661a), of loans and loan guaranties.

(c) FEE AUTHORITY.—Fees may be charged and collected for providing services in amounts to be determined by the Corporation.

(d) USES.—

(1) IN GENERAL.—Subject to Acts making appropriations, the Corporation is authorized to pay—

(A) the cost, as defined in section 502 of the Federal Credit Reform Act of 1990, of loans and loan guaranties;

(B) administrative expenses of the Corporation;

(C) for the cost of providing support authorized by subsections (c), (e), (f), and (g) of section 1421;

(D) project-specific transaction costs.

(2) INCOME AND REVENUE.—In order to carry out the purposes of the Corporation, all collections transferred to or earned by the Corporation, excluding the cost, as defined in section 502 of the Federal Credit Reform Act of 1990, of loans and loan guaranties, shall be deposited into the Corporate Capital Account and shall be available to carry out its purpose, including without limitation—

(A) payment of all insurance and reinsurance claims of the Corporation;

(B) repayments to the Treasury of amounts borrowed under subsection (e); and

(C) dividend payments to the Treasury under subsection (f).

(e) FULL FAITH AND CREDIT.—

(1) IN GENERAL.—All support provided pursuant to predecessor authorities or title II shall continue to constitute obligations of the United States, and the full faith and credit of the United States is hereby pledged for the full payment and performance of such obligations.

(2) AUTHORITY TO BORROW.—The Corporation is authorized to borrow from the Treasury such sums as may be necessary to fulfill such obligations of the United States and any such borrowing shall be at a rate determined by the Secretary of the Treasury, taking into consideration the current average market yields on outstanding marketable obligations of the United States of comparable maturities, for a period jointly determined by the Corporation and the Secretary, and subject to such terms and conditions as the Secretary may require.

(f) DIVIDENDS.—The Board, in consultation with the Director of the Office of Management and Budget, shall annually assess a dividend payment to the Treasury if the Corporation's insurance portfolio is more than 100 percent reserved.

(g) INVESTMENT AUTHORITY.—

(1) IN GENERAL.—The Corporation may request the Secretary of the Treasury to invest such portion of the Corporate Capital Account as is not, in the Corporation's judgment, required to meet the current needs of the Corporate Capital Account.

(2) FORM OF INVESTMENTS.—Such investments shall be made by the Secretary of the Treasury in public debt obligations, with maturities suitable to the needs of the Corporate Capital Account, as determined by the Corporation, and bearing

interest at rates determined by the Secretary, taking into consideration current market yields on outstanding marketable obligations of the United States of comparable maturities.

(h) COLLECTIONS.—Interest earnings made pursuant to subsection (g), earnings collected related to equity investments, and amounts, excluding fees related to insurance or reinsurance, collected pursuant to subsection (c), shall not be collected for any fiscal year except to the extent provided in advance in appropriations Acts.

(i) TRANSFER FROM PREDECESSOR AGENCIES AND PROGRAMS.—By the end of the transition period described in title VI, the unexpended balances, assets, and responsibilities of any agency specified in the plan required by section 1462 shall be transferred to the Corporation.

(j) TRANSFER OF FUNDS.—In order to carry out this division, funds authorized to be appropriated to carry out the Foreign Assistance Act of 1961 (22 U.S.C. 2151 et seq.) may be transferred to the Corporation and funds authorized to be appropriated to the Corporation may be transferred to the Department of State and the United States Agency for International Development.

(k) DEFINITION.—In this section, the term "project-specific transaction costs"—

(1) means those costs incurred by the Corporation for travel, legal expenses, and direct and indirect costs incurred in claims settlements associated with the provision of support under title II and shall not be considered administrative expenses for the purposes of this section; and

(2) does not include information technology (as such term is defined in section 11101 of title 40, United States Code).

SEC. 1435. COORDINATION WITH OTHER DEVELOPMENT AGENCIES. 22 USC 9635.

It is the sense of Congress that the Corporation should use relevant data of the Department of State, the Millennium Challenge Corporation, the United States Agency for International Development, and other departments and agencies that have development functions to better inform the decisions of the Corporation with respect to providing support under title II.

TITLE IV—MONITORING, EVALUATION, AND REPORTING

SEC. 1441. ESTABLISHMENT OF RISK AND AUDIT COMMITTEES. 22 USC 9651.

(a) IN GENERAL.—To assist the Board to fulfill its duties and responsibilities under section 1421(a), the Corporation shall establish a risk committee and an audit committee.

(b) DUTIES AND RESPONSIBILITIES OF RISK COMMITTEE.—Subject to the direction of the Board, the risk committee established under subsection (a) shall have oversight responsibility of—

(1) formulating risk management policies of the operations of the Corporation;

(2) reviewing and providing guidance on operation of the Corporation's global risk management framework;

(3) developing policies for enterprise risk management, monitoring, and management of strategic, reputational, regulatory, operational, developmental, environmental, social, and financial risks;

(4) developing the risk profile of the Corporation, including a risk management and compliance framework and governance structure to support such framework; and

(5) developing policies and procedures for assessing, prior to providing, and for any period during which the Corporation provides, support to any foreign entities, whether such entities have in place sufficient enhanced due diligence policies and practices to prevent money laundering and corruption to ensure the Corporation does not provide support to persons that are—

(A) knowingly engaging in acts of corruption;

(B) knowingly providing material or financial support for terrorism, drug trafficking, or human trafficking; or

(C) responsible for ordering or otherwise directing serious or gross violations of human rights.

(c) DUTIES AND RESPONSIBILITIES OF AUDIT COMMITTEE.—Subject to the direction of the Board, the audit committee established under subsection (a) shall have the oversight responsibility of—

(1) the integrity of the Corporation's financial reporting and systems of internal controls regarding finance and accounting;

(2) the integrity of the Corporation's financial statements;

(3) the performance of the Corporation's internal audit function; and

(4) compliance with legal and regulatory requirements related to the finances of the Corporation.

22 USC 9652.

SEC. 1442. PERFORMANCE MEASURES, EVALUATION, AND LEARNING.

(a) IN GENERAL.—The Corporation shall develop a performance measurement system to evaluate and monitor projects supported by the Corporation under title II and to guide future projects of the Corporation.

(b) CONSIDERATIONS.—In developing the performance measurement system required by subsection (a), the Corporation shall—

(1) develop a successor for the development impact measurement system of the Overseas Private Investment Corporation (as such system was in effect on the day before the date of the enactment of this Act);

(2) develop a mechanism for ensuring that support provided by the Corporation under title II is in addition to private investment;

(3) develop standards for, and a method for ensuring, appropriate financial performance of the Corporation's portfolio; and

(4) develop standards for, and a method for ensuring, appropriate development performance of the Corporation's portfolio, including—

(A) measurement of the projected and ex post development impact of a project; and

(B) the information necessary to comply with section 1443.

(c) PUBLIC AVAILABILITY OF CERTAIN INFORMATION.—The Corporation shall make available to the public on a regular basis information about support provided by the Corporation under title II and performance metrics about such support on a country-by-country basis.

(d) CONSULTATION.—In developing the performance measurement system required by subsection (a), the Corporation shall consult with the Development Advisory Council established under section 1413(i) and other stakeholders and interested parties engaged in sustainable economic growth and development.

SEC. 1443. ANNUAL REPORT. 22 USC 9653.

(a) IN GENERAL.—After the end of each fiscal year, the Corporation shall submit to the appropriate congressional committees a complete and detailed report of its operations during that fiscal year, including an assessment of—

(1) the economic and social development impact, including with respect to matters described in subsections (d), (e), and (f) of section 1451, of projects supported by the Corporation under title II;

(2) the extent to which the operations of the Corporation complement or are compatible with the development assistance programs of the United States and qualifying sovereign entities;

(3) the Corporation's institutional linkages with other relevant United States Government department and agencies, including efforts to strengthen such linkages; and

(4) the compliance of projects supported by the Corporation under title II with human rights, environmental, labor, and social policies, or other such related policies that govern the Corporation's support for projects, promulgated or otherwise administered by the Corporation.

(b) ELEMENTS.—Each annual report required by subsection (a) shall include analyses of the effects of projects supported by the Corporation under title II, including—

(1) reviews and analyses of—

(A) the desired development outcomes for projects and whether or not the Corporation is meeting the associated metrics, goals, and development objectives, including, to the extent practicable, in the years after conclusion of projects; and

(B) the effect of the Corporation's support on access to capital and ways in which the Corporation is addressing identifiable market gaps or inefficiencies and what impact, if any, such support has on access to credit for a specific project, country, or sector;

(2) an explanation of any partnership arrangement or cooperation with a qualifying sovereign entity in support of each project;

(3) projections of—

(A) development outcomes, and whether or not support for projects are meeting the associated performance measures, both during the start-up phase and over the duration of the support, and to the extent practicable, measures of such development outcomes should be on a gender-disaggregated basis, such as changes in employment, access to financial services, enterprise development and growth, and composition of executive boards and senior leadership of enterprises receiving support under title II; and

(B) the value of private sector assets brought to bear relative to the amount of support provided by the Corporation and the value of any other public sector support; and

(4) an assessment of the extent to which lessons learned from the monitoring and evaluation activities of the Corporation, and from annual reports from previous years compiled by the Corporation, have been applied to projects.

22 USC 9654.

SEC. 1444. PUBLICLY AVAILABLE PROJECT INFORMATION.

The Corporation shall—

(1) maintain a user-friendly, publicly available, machine-readable database with detailed project-level information, as appropriate and to the extent practicable, including a description of the support provided by the Corporation under title II, including, to the extent feasible, the information included in the report to Congress under section 1443 and project-level performance metrics; and

(2) include a clear link to information about each project supported by the Corporation under title II on the internet website of the Department of State, "ForeignAssistance.gov", or a successor website or other online publication.

22 USC 9655.

SEC. 1445. ENGAGEMENT WITH INVESTORS.

(a) IN GENERAL.—The Corporation, acting through the Chief Development Officer, shall, in cooperation with the Administrator of the United States Agency for International Development—

(1) develop a strategic relationship with private sector entities focused at the nexus of business opportunities and development priorities;

(2) engage such entities and reduce business risks primarily through direct transaction support and facilitating investment partnerships;

(3) develop and support tools, approaches, and intermediaries that can mobilize private finance at scale in the developing world;

(4) pursue highly developmental projects of all sizes, especially those that are small but designed for work in the most underdeveloped areas, including countries with chronic suffering as a result of extreme poverty, fragile institutions, or a history of violence; and

(5) pursue projects consistent with the policy of the United States described in section 1411 and the Joint Strategic Plan and the Mission Country Development Cooperation Strategies of the United States Agency for International Development.

(b) ASSISTANCE.—To achieve the goals described in subsection (a), the Corporation shall—

(1) develop risk mitigation tools;

(2) provide transaction structuring support for blended finance models;

(3) support intermediaries linking capital supply and demand;

(4) coordinate with other Federal agencies to support or accelerate transactions;

(5) convene financial, donor, civil society, and public sector partners around opportunities for private finance within development priorities;

(6) offer strategic planning and programming assistance to catalyze investment into priority sectors;

(7) provide transaction structuring support;

(8) deliver training and knowledge management tools for engaging private investors;

(9) partner with private sector entities that provide access to capital and expertise; and

(10) identify and screen new investment partners.

(c) TECHNICAL ASSISTANCE.—The Corporation shall coordinate with the United States Agency for International Development and other agencies and departments, as necessary, on projects and programs supported by the Corporation that include technical assistance.

SEC. 1446. NOTIFICATIONS TO BE PROVIDED BY THE CORPORATION. 22 USC 9656.

(a) IN GENERAL.—Not later than 15 days prior to the Corporation making a financial commitment associated with the provision of support under title II in an amount in excess of $10,000,000, the Chief Executive Officer of the Corporation shall submit to the appropriate congressional committees a report in writing that contains the information required by subsection (b).

(b) INFORMATION REQUIRED.—The information required by this subsection includes—

(1) the amount of each such financial commitment;

(2) an identification of the recipient or beneficiary; and

(3) a description of the project, activity, or asset and the development goal or purpose to be achieved by providing support by the Corporation.

(c) BILATERAL AGREEMENTS.—The Chief Executive Officer of the Corporation shall notify the appropriate congressional committees not later than 30 days after entering into a new bilateral agreement described in section 1431(a).

TITLE V—CONDITIONS, RESTRICTIONS, AND PROHIBITIONS

SEC. 1451. LIMITATIONS AND PREFERENCES. 22 USC 9671.

(a) LIMITATION ON SUPPORT FOR SINGLE ENTITY.—No entity receiving support from the Corporation under title II may receive more than an amount equal to 5 percent of the Corporation's maximum contingent liability authorized under section 1433.

(b) PREFERENCE FOR SUPPORT FOR PROJECTS SPONSORED BY UNITED STATES PERSONS.—

(1) IN GENERAL.—The Corporation should give preferential consideration to projects sponsored by or involving private sector entities that are United States persons.

(2) UNITED STATES PERSON DEFINED.—In this subsection, the term "United States person" means—

(A) a United States citizen; or

(B) an entity owned or controlled by an individual or individuals described in subparagraph (A).

(c) PREFERENCE FOR SUPPORT IN COUNTRIES IN COMPLIANCE WITH INTERNATIONAL TRADE OBLIGATIONS.—

(1) CONSULTATIONS WITH UNITED STATES TRADE REPRESENTATIVE.—Not less frequently than annually, the Corporation shall consult with the United States Trade Representative with respect to the status of countries eligible to receive support from the Corporation under title II and the compliance of those countries with their international trade obligations.

(2) PREFERENTIAL CONSIDERATION.—The Corporation shall give preferential consideration to providing support under title

II for projects in countries in compliance with or making substantial progress coming into compliance with their international trade obligations.

(d) WORKER RIGHTS.—

(1) IN GENERAL.—The Corporation shall only support projects under title II in countries that are taking steps to adopt and implement laws that extend internationally recognized worker rights (as defined in section 507 of the Trade Act of 1974 (19 U.S.C. 2467)) to workers in that country, including any designated zone in that country.

(2) REQUIRED CONTRACT LANGUAGE.—The Corporation shall also include the following language, in substantially the following form, in all contracts which the Corporation enters into with persons receiving support under title II: "The person receiving support agrees not to take actions to prevent employees of the foreign enterprise from lawfully exercising their right of association and their right to organize and bargain collectively. The person further agrees to observe applicable laws relating to a minimum age for employment of children, acceptable conditions of work with respect to minimum wages, hours of work, and occupational health and safety, and not to use forced labor or the worst forms of child labor (as defined in section 507 of the Trade Act of 1974 (19 U.S.C. 2467)). The person is not responsible under this paragraph for the actions of a foreign government.".

(e) IMPACT NOTIFICATION.—The Board shall not vote in favor of any project proposed to be supported by the Corporation under title II that is likely to have significant adverse environmental or social impacts that are sensitive, diverse, or unprecedented, unless—

(1) at least 60 days before the date of the vote, an environmental and social impact assessment or initial environmental and social audit, analyzing the environmental and social impacts of the proposed project and of alternatives to the proposed project, including mitigation measures, is completed;

(2) such assessment or audit has been made available to the public of the United States, locally affected groups in the country in which the project will be carried out, and nongovernmental organizations in that country; and

(3) the Corporation, applying best practices with respect to environmental and social safeguards, includes in any contract relating to the project provisions to ensure the mitigation of any such adverse environmental or social impacts.

(f) WOMEN'S ECONOMIC EMPOWERMENT.—In utilizing its authorities under title II, the Corporation shall consider the impacts of its support on women's economic opportunities and outcomes and shall prioritize the reduction of gender gaps and maximize development impact by working to improve women's economic opportunities.

(g) PREFERENCE FOR PROVISION OF SUPPORT IN COUNTRIES EMBRACING PRIVATE ENTERPRISE.—

(1) IN GENERAL.—The Corporation should give preferential consideration to projects for which support under title II may be provided in countries the governments of which have demonstrated consistent support for economic policies that promote

the development of private enterprise, both domestic and foreign, and maintaining the conditions that enable private enterprise to make a full contribution to the development of such countries, including—

(A) market-based economic policies;

(B) protection of private property rights;

(C) respect for the rule of law; and

(D) systems to combat corruption and bribery.

(2) SOURCES OF INFORMATION.—The Corporation should rely on both third-party indicators and United States Government information, such as the Department of State's Investment Climate Statements, the Department of Commerce's Country Commercial Guides, or the Millennium Challenge Corporation's Constraints Analysis, to assess whether countries meet the conditions described in paragraph (1).

(h) CONSIDERATION OF FOREIGN BOYCOTT PARTICIPATION.—In providing support for projects under title II, the Corporation shall consider, using information readily available, whether the project is sponsored by or substantially affiliated with any person taking or knowingly agreeing to take actions, or having taken or knowingly agreed to take actions within the past 3 years, which demonstrate or otherwise evidence intent to comply with, further, or support any boycott described in section 1773(a) of the Export Control Reform Act of 2018 (subtitle B of title XVII of Public Law 115–232).

(i) ENSURING OPPORTUNITIES FOR SMALL BUSINESSES IN FOREIGN DEVELOPMENT.—The Corporation shall, using broad criteria, make, to the maximum extent possible consistent with this division, efforts—

(1) to give preferential consideration in providing support under title II to projects sponsored by or involving small businesses; and

(2) to ensure that the proportion of projects sponsored by or involving United States small businesses, including women-, minority-, and veteran-owned small businesses, is not less than 50 percent of all projects for which the Corporation provides support and that involve United States persons.

SEC. 1452. ADDITIONALITY AND AVOIDANCE OF MARKET DISTORTION. 22 USC 9672.

(a) IN GENERAL.—Before the Corporation provides support for a project under title II, the Corporation shall ensure that private sector entities are afforded an opportunity to support the project.

(b) SAFEGUARDS, POLICIES, AND GUIDELINES.—The Corporation shall develop appropriate safeguards, policies, and guidelines to ensure that support provided by the Corporation under title II—

(1) supplements and encourages, but does not compete with, private sector support;

(2) operates according to internationally recognized best practices and standards with respect to ensuring the avoidance of market distorting government subsidies and the crowding out of private sector lending; and

(3) does not have a significant adverse impact on United States employment.

22 USC 9673.

SEC. 1453. PROHIBITION ON SUPPORT IN COUNTRIES THAT SUPPORT TERRORISM OR VIOLATE HUMAN RIGHTS AND WITH SANCTIONED PERSONS.

(a) IN GENERAL.—The Corporation is prohibited from providing support under title II for a government, or an entity owned or controlled by a government, if the Secretary of State has determined that the government—

(1) has repeatedly provided support for acts of international terrorism for purposes of—

(A) section 1754(c)(1)(A)(i) of the Export Control Reform Act of 2018 (subtitle B of title XVII of Public Law 115–232);

(B) section 620A(a) of the Foreign Assistance Act of 1961 (22 U.S.C. 2371(a));

(C) section 40(d) of the Arms Export Control Act (22 U.S.C. 2780(d)); or

(D) any other relevant provision of law; or

(2) has engaged in a consistent pattern of gross violations of internationally recognized human rights for purposes of section 116(a) or 502B(a)(2) of the Foreign Assistance Act of 1961 (22 U.S.C. 2151n(a) and 2304(a)(2)) or any other relevant provision of law.

(b) PROHIBITION ON SUPPORT OF SANCTIONED PERSONS.—The Corporation is prohibited from all dealings related to any project under title II prohibited under United States sanctions laws or regulations, including dealings with persons on the list of specially designated persons and blocked persons maintained by the Office of Foreign Assets Control of the Department of the Treasury, except to the extent otherwise authorized by the Secretary of the Treasury or the Secretary of State.

(c) PROHIBITION ON SUPPORT OF ACTIVITIES SUBJECT TO SANCTIONS.—The Corporation shall require any person receiving support under title II to certify that the person, and any entity owned or controlled by the person, is in compliance with all United States sanctions laws and regulations.

22 USC 9674.

SEC. 1454. APPLICABILITY OF CERTAIN PROVISIONS OF LAW.

Subsections (g), (l), (m), and (n) of section 237 of the Foreign Assistance Act of 1961 (22 U.S.C. 2197) shall apply with respect to the Corporation to the same extent and in the same manner as such subsections applied with respect to the Overseas Private Investment Corporation on the day before the date of the enactment of this Act.

TITLE VI—TRANSITIONAL PROVISIONS

22 USC 9681.

SEC. 1461. DEFINITIONS.

In this title:

(1) AGENCY.—The term "agency" includes any entity, organizational unit, program, or function.

(2) TRANSITION PERIOD.—The term "transition period" means the period—

(A) beginning on the date of the enactment of this Act; and

(B) ending on the effective date of the reorganization plan required by section 1462(e).

SEC. 1462. REORGANIZATION PLAN. 22 USC 9682.

(a) SUBMISSION OF PLAN.—

(1) IN GENERAL.—Not later than 120 days after the date of the enactment of this Act, the President shall transmit to the appropriate congressional committees a reorganization plan regarding the following:

(A) The transfer of agencies, personnel, assets, and obligations to the Corporation pursuant to this title.

(B) Any consolidation, reorganization, or streamlining of agencies transferred to the Corporation pursuant to this title.

(C) Any efficiencies or cost savings achieved or additional costs incurred as a result of the transfer of agencies, personnel, assets, and obligations to the Corporation pursuant to this title, including reductions in unnecessary or duplicative operations, assets, and personnel.

(2) CONSULTATION.—Not later than 15 days before the date on which the plan is transmitted pursuant to this subsection, the President shall consult with the appropriate congressional committees on such plan.

(b) PLAN ELEMENTS.—The plan transmitted under subsection (a) shall contain, consistent with this division, such elements as the President deems appropriate, including the following:

(1) Identification of any functions of agencies transferred to the Corporation pursuant to this title that will not be transferred to the Corporation under the plan.

(2) Specification of the steps to be taken to organize the Corporation, including the delegation or assignment of functions transferred to the Corporation.

(3) Specification of the funds available to each agency that will be transferred to the Corporation as a result of transfers under the plan.

(4) Specification of the proposed allocations within the Corporation of unexpended funds transferred in connection with transfers under the plan.

(5) Specification of any proposed disposition of property, facilities, contracts, records, and other assets and obligations of agencies transferred under the plan.

(6) Specification of the number of authorized positions and personnel employed before the end of the transition period that will be transferred to the Corporation, including plans to mitigate the impact of such transfers on the United States Agency for International Development.

(c) REPORT ON COORDINATION.—

(1) IN GENERAL.—The transfer of functions authorized by this section may occur only after the President and Chief Executive Officer of the Overseas Private Investment Corporation and the Administrator of the United States Agency for International Development jointly submit to the Committee on Foreign Affairs and Committee on Appropriations of the House of Representatives and Committee on Foreign Relations and Committee on Appropriations of the Senate a report in writing that contains the information required by paragraph (2).

(2) INFORMATION REQUIRED.—The information required by this paragraph includes a description in detail of the procedures to be followed after the transfer of functions authorized by

this section have occurred to coordinate between the Corporation and the United States Agency for International Development in carrying out the functions so transferred.

(d) MODIFICATION OF PLAN.—The President shall consult with the appropriate congressional committees before making any material modification or revision to the plan before the plan becomes effective in accordance with subsection (e).

(e) EFFECTIVE DATE.—

(1) IN GENERAL.—The reorganization plan described in this section, including any modifications or revisions of the plan under subsection (c), shall become effective for an agency on the date specified in the plan (or the plan as modified pursuant to subsection (d)), except that such date may not be earlier than 90 days after the date the President has transmitted the reorganization plan to the appropriate congressional committees pursuant to subsection (a).

(2) STATUTORY CONSTRUCTION.—Nothing in this subsection may be construed to require the transfer of functions, personnel, records, balances of appropriations, or other assets of an agency on a single date.

22 USC 9683.

SEC. 1463. TRANSFER OF FUNCTIONS.

(a) IN GENERAL.—Effective at the end of the transition period, there shall be transferred to the Corporation the functions, personnel, assets, and liabilities of—

(1) the Overseas Private Investment Corporation, as in existence on the day before the date of the enactment of this Act; and

(2) the following elements of the United States Agency for International Development:

(A) The Development Credit Authority.

(B) The existing Legacy Credit portfolio under the Urban Environment Program and any other direct loan programs and non-Development Credit Authority guaranty programs authorized by the Foreign Assistance Act of 1961 (22 U.S.C. 2151 et seq.) or other predecessor Acts, as in existence on the date of the enactment of this Act, other than any sovereign loan guaranties.

(b) ADDITIONAL TRANSFER AUTHORITY.—Effective at the end of the transition period, there is authorized to be transferred to the Corporation, with the concurrence of the Administrator of the United States Agency for International Development, the functions, personnel, assets, and liabilities of the following elements of the United States Agency for International Development:

(1) The Office of Private Capital and Microenterprise.

(2) The enterprise funds.

(c) SOVEREIGN LOAN GUARANTY TRANSFER.—

(1) IN GENERAL.—Effective at the end of the transition period, there is authorized to be transferred to the Corporation or any other appropriate department or agency of the United States Government the loan accounts and the legal rights and responsibilities for the sovereign loan guaranty portfolio held by the United States Agency for International Development as in existence on the day before the date of the enactment of this Act.

(2) INCLUSION IN REORGANIZATION PLAN.—The President shall include in the reorganization plan submitted under section

1462 a description of the transfer authorized under paragraph (1).

(d) BILATERAL AGREEMENTS.—Any bilateral agreement of the United States in effect on the date of the enactment of this Act that serves as the basis for programs of the Overseas Private Investment Corporation and the Development Credit Authority shall be considered as satisfying the requirements of section 1431(a).

(e) TRANSITION.—During the transition period, the agencies specified in subsection (a) shall—

(1) continue to administer the assets and obligations of those agencies; and

(2) carry out such programs and activities authorized under this division as may be determined by the President.

SEC. 1464. TERMINATION OF OVERSEAS PRIVATE INVESTMENT CORPORATION AND OTHER SUPERCEDED AUTHORITIES. 22 USC 9684.

Effective at the end of the transition period—

(1) the Overseas Private Investment Corporation is terminated; and

(2) title IV of chapter 2 of part I of the Foreign Assistance Act of 1961 (22 U.S.C. 2191 et seq.) (other than subsections (g), (l), (m), and (n) of section 237 of that Act) is repealed. 22 USC 2191–2200b.

SEC. 1465. TRANSITIONAL AUTHORITIES. 22 USC 9685.

(a) PROVISION OF ASSISTANCE BY OFFICIALS.—Until the transfer of an agency to the Corporation under section 1463, any official having authority over, or functions relating to, the agency on the day before the date of the enactment of this Act shall provide to the Corporation such assistance, including the use of personnel and assets, as the Corporation may request in preparing for the transfer and integration of the agency into the Corporation.

(b) SERVICES AND PERSONNEL.—During the transition period, upon the request of the Corporation, the head of any executive agency may, on a reimbursable or non-reimbursable basis, provide services or detail personnel to assist with the transition.

(c) ACTING OFFICIALS.—

(1) IN GENERAL.—During the transition period, pending the advice and consent of the Senate to the appointment of an officer required by this division to be appointed by and with such advice and consent, the President may designate any officer whose appointment was required to be made by and with such advice and consent and who was such an officer before the end of the transition period (and who continues in office) or immediately before such designation, to act in such office until the same is filled as provided in this division. While so acting, such officers shall receive compensation at the higher of—

(A) the rates provided by this division for the respective offices in which they act; or

(B) the rates provided for the offices held at the time of designation.

(2) RULE OF CONSTRUCTION.—Nothing in this division shall be construed to require the advice and consent of the Senate to the appointment by the President to a position in the Corporation of any officer whose agency is transferred to the Corporation pursuant to this title and whose duties following such transfer are germane to those performed before such transfer.

(d) TRANSFER OF PERSONNEL, ASSETS, OBLIGATIONS, AND FUNCTIONS.—Upon the transfer of an agency to the Corporation under section 1463—

(1) the personnel, assets, and obligations held by or available in connection with the agency shall be transferred to the Corporation for appropriate allocation, subject to the approval of the Director of the Office of Management and Budget and in accordance with section 1531(a)(2) of title 31, United States Code; and

(2) the Corporation shall have all functions—

(A) relating to the agency that any other official could by law exercise in relation to the agency immediately before such transfer; and

(B) vested in the Corporation by this division or other law.

22 USC 9686.

SEC. 1466. SAVINGS PROVISIONS.

(a) COMPLETED ADMINISTRATIVE ACTIONS.—

(1) IN GENERAL.—Completed administrative actions of an agency shall not be affected by the enactment of this Act or the transfer of such agency to the Corporation under section 1463, but shall continue in effect according to their terms until amended, modified, superseded, terminated, set aside, or revoked in accordance with law by an officer of the United States or a court of competent jurisdiction, or by operation of law.

(2) COMPLETED ADMINISTRATIVE ACTION DEFINED.—In this subsection, the term "completed administrative action" includes orders, determinations, rules, regulations, personnel actions, permits, agreements, grants, contracts, certificates, policies, licenses, registrations, and privileges.

(b) PENDING PROCEEDINGS.—

(1) IN GENERAL.—Pending proceedings in an agency, including notices of proposed rulemaking, and applications for licenses, permits, certificates, grants, and financial assistance, shall continue notwithstanding the enactment of this Act or the transfer of the agency to the Corporation, unless discontinued or modified under the same terms and conditions and to the same extent that such discontinuance could have occurred if such enactment or transfer had not occurred.

(2) ORDERS.—Orders issued in proceedings described in paragraph (1), and appeals therefrom, and payments made pursuant to such orders, shall issue in the same manner and on the same terms as if this division had not been enacted or the agency had not been transferred, and any such orders shall continue in effect until amended, modified, superseded, terminated, set aside, or revoked by an officer of the United States or a court of competent jurisdiction, or by operation of law.

(c) PENDING CIVIL ACTIONS.—Pending civil actions shall continue notwithstanding the enactment of this Act or the transfer of an agency to the Corporation, and in such civil actions, proceedings shall be had, appeals taken, and judgments rendered and enforced in the same manner and with the same effect as if such enactment or transfer had not occurred.

(d) REFERENCES.—References relating to an agency that is transferred to the Corporation under section 1463 in statutes,

Executive orders, rules, regulations, directives, or delegations of authority that precede such transfer or the date of the enactment of this Act shall be deemed to refer, as appropriate, to the Corporation, to its officers, employees, or agents, or to its corresponding organizational units or functions. Statutory reporting requirements that applied in relation to such an agency immediately before the effective date of this division shall continue to apply following such transfer if they refer to the agency by name.

(e) EMPLOYMENT PROVISIONS.—

(1) REGULATIONS.—The Corporation may, in regulations prescribed jointly with the Director of the Office of Personnel Management, adopt the rules, procedures, terms, and conditions, established by statute, rule, or regulation before the date of the enactment of this Act, relating to employment in any agency transferred to the Corporation under section 1463.

(2) EFFECT OF TRANSFER ON CONDITIONS OF EMPLOYMENT.—Except as otherwise provided in this division, or under authority granted by this division, the transfer pursuant to this title of personnel shall not alter the terms and conditions of employment, including compensation, of any employee so transferred.

(f) STATUTORY REPORTING REQUIREMENTS.—Any statutory reporting requirement that applied to an agency transferred to the Corporation under this title immediately before the date of the enactment of this Act shall continue to apply following that transfer if the statutory requirement refers to the agency by name.

SEC. 1467. OTHER TERMINATIONS. 22 USC 9687.

Except as otherwise provided in this division, whenever all the functions vested by law in any agency have been transferred pursuant to this title, each position and office the incumbent of which was authorized to receive compensation at the rates prescribed for an office or position at level II, III, IV, or V of the Executive Schedule under subchapter II of chapter 53 of title 5, United States Code, shall terminate.

SEC. 1468. INCIDENTAL TRANSFERS. 22 USC 9688.

The Director of the Office of Management and Budget, in consultation with the Corporation, is authorized and directed to make such additional incidental dispositions of personnel, assets, and liabilities held, used, arising from, available, or to be made available, in connection with the functions transferred by this title, as the Director may determine necessary to accomplish the purposes of this division.

SEC. 1469. REFERENCE. 22 USC 9689.

With respect to any function transferred under this title (including under a reorganization plan under section 1462) and exercised on or after the date of the enactment of this Act, reference in any other Federal law to any department, commission, or agency or any officer or office the functions of which are so transferred shall be deemed to refer to the Corporation or official or component of the Corporation to which that function is so transferred.

SEC. 1602. PROTECTION OF CERTAIN FACILITIES AND ASSETS FROM UNMANNED AIRCRAFT.

(a) IN GENERAL.—Subtitle A of title II of the Homeland Security Act of 2002 (6 U.S.C. 121 et seq.) is amended by adding at the end the following:

6 USC 124n.

"SEC. 210G. PROTECTION OF CERTAIN FACILITIES AND ASSETS FROM UNMANNED AIRCRAFT.

"(a) AUTHORITY.—Notwithstanding section 46502 of title 49, United States Code, or sections 32, 1030, 1367 and chapters 119 and 206 of title 18, United States Code, the Secretary and the Attorney General may, for their respective Departments, take, and may authorize personnel with assigned duties that include the security or protection of people, facilities, or assets, to take such actions as are described in subsection (b)(1) that are necessary to mitigate a credible threat (as defined by the Secretary or the Attorney General, in consultation with the Secretary of Transportation) that an unmanned aircraft system or unmanned aircraft poses to the safety or security of a covered facility or asset.

"(b) ACTIONS DESCRIBED.—

"(1) IN GENERAL.—The actions authorized in subsection (a) are the following:

"(A) During the operation of the unmanned aircraft system, detect, identify, monitor, and track the unmanned aircraft system or unmanned aircraft, without prior consent, including by means of intercept or other access of

a wire communication, an oral communication, or an electronic communication used to control the unmanned aircraft system or unmanned aircraft.

"(B) Warn the operator of the unmanned aircraft system or unmanned aircraft, including by passive or active, and direct or indirect physical, electronic, radio, and electromagnetic means.

"(C) Disrupt control of the unmanned aircraft system or unmanned aircraft, without prior consent, including by disabling the unmanned aircraft system or unmanned aircraft by intercepting, interfering, or causing interference with wire, oral, electronic, or radio communications used to control the unmanned aircraft system or unmanned aircraft.

"(D) Seize or exercise control of the unmanned aircraft system or unmanned aircraft.

"(E) Seize or otherwise confiscate the unmanned aircraft system or unmanned aircraft.

"(F) Use reasonable force, if necessary, to disable, damage, or destroy the unmanned aircraft system or unmanned aircraft.

"(2) REQUIRED COORDINATION.—The Secretary and the Attorney General shall develop for their respective Departments the actions described in paragraph (1) in coordination with the Secretary of Transportation.

"(3) RESEARCH, TESTING, TRAINING, AND EVALUATION.—The Secretary and the Attorney General shall conduct research, testing, training on, and evaluation of any equipment, including any electronic equipment, to determine its capability and utility prior to the use of any such technology for any action described in subsection (b)(1).

"(4) COORDINATION.—The Secretary and the Attorney General shall coordinate with the Administrator of the Federal Aviation Administration when any action authorized by this section might affect aviation safety, civilian aviation and aerospace operations, aircraft airworthiness, or the use of the airspace.

"(c) FORFEITURE.—Any unmanned aircraft system or unmanned aircraft described in subsection (a) that is seized by the Secretary or the Attorney General is subject to forfeiture to the United States.

"(d) REGULATIONS AND GUIDANCE.—

"(1) IN GENERAL.—The Secretary, the Attorney General, and the Secretary of Transportation may prescribe regulations and shall issue guidance in the respective areas of each Secretary or the Attorney General to carry out this section.

"(2) COORDINATION.—

"(A) COORDINATION WITH DEPARTMENT OF TRANSPORTATION.—The Secretary and the Attorney General shall coordinate the development of their respective guidance under paragraph (1) with the Secretary of Transportation.

"(B) EFFECT ON AVIATION SAFETY.—The Secretary and the Attorney General shall respectively coordinate with the Secretary of Transportation and the Administrator of the Federal Aviation Administration before issuing any guidance, or otherwise implementing this section, if such guidance or implementation might affect aviation safety,

civilian aviation and aerospace operations, aircraft airworthiness, or the use of airspace.

"(e) PRIVACY PROTECTION.—The regulations or guidance issued to carry out actions authorized under subsection (b) by each Secretary or the Attorney General, as the case may be, shall ensure that—

"(1) the interception or acquisition of, or access to, or maintenance or use of, communications to or from an unmanned aircraft system under this section is conducted in a manner consistent with the First and Fourth Amendments to the Constitution of the United States and applicable provisions of Federal law;

"(2) communications to or from an unmanned aircraft system are intercepted or acquired only to the extent necessary to support an action described in subsection (b)(1);

"(3) records of such communications are maintained only for as long as necessary, and in no event for more than 180 days, unless the Secretary of Homeland Security or the Attorney General determine that maintenance of such records is necessary to investigate or prosecute a violation of law, directly support an ongoing security operation, is required under Federal law, or for the purpose of any litigation;

"(4) such communications are not disclosed outside the Department of Homeland Security or the Department of Justice unless the disclosure—

"(A) is necessary to investigate or prosecute a violation of law;

"(B) would support the Department of Defense, a Federal law enforcement agency, or the enforcement activities of a regulatory agency of the Federal Government in connection with a criminal or civil investigation of, or any regulatory, statutory, or other enforcement action relating to an action described in subsection (b)(1);

"(C) is between the Department of Homeland Security and the Department of Justice in the course of a security or protection operation of either agency or a joint operation of such agencies; or

"(D) is otherwise required by law; and

"(5) to the extent necessary, the Department of Homeland Security and the Department of Justice are authorized to share threat information, which shall not include communications referred to in subsection (b), with State, local, territorial, or tribal law enforcement agencies in the course of a security or protection operation.

"(f) BUDGET.—The Secretary and the Attorney General shall submit to Congress, as a part of the homeland security or justice budget materials for each fiscal year after fiscal year 2019, a consolidated funding display that identifies the funding source for the actions described in subsection (b)(1) within the Department of Homeland Security or the Department of Justice. The funding display shall be in unclassified form, but may contain a classified annex.

"(g) SEMIANNUAL BRIEFINGS AND NOTIFICATIONS.—

"(1) IN GENERAL.—On a semiannual basis during the period beginning 6 months after the date of enactment of this section and ending on the date specified in subsection (i), the Secretary and the Attorney General shall, respectively, provide a briefing

to the appropriate congressional committees on the activities carried out pursuant to this section.

"(2) REQUIREMENT.—Each briefing required under paragraph (1) shall be conducted jointly with the Secretary of Transportation.

"(3) CONTENT.—Each briefing required under paragraph (1) shall include—

"(A) policies, programs, and procedures to mitigate or eliminate impacts of such activities to the National Airspace System;

"(B) a description of instances in which actions described in subsection (b)(1) have been taken, including all such instances that may have resulted in harm, damage, or loss to a person or to private property;

"(C) a description of the guidance, policies, or procedures established to address privacy, civil rights, and civil liberties issues implicated by the actions allowed under this section, as well as any changes or subsequent efforts that would significantly affect privacy, civil rights or civil liberties;

"(D) a description of options considered and steps taken to mitigate any identified impacts to the national airspace system related to the use of any system or technology, including the minimization of the use of any technology that disrupts the transmission of radio or electronic signals, for carrying out the actions described in subsection (b)(1);

"(E) a description of instances in which communications intercepted or acquired during the course of operations of an unmanned aircraft system were held for more than 180 days or shared outside of the Department of Justice or the Department of Homeland Security;

"(F) how the Secretary, the Attorney General, and the Secretary of Transportation have informed the public as to the possible use of authorities under this section;

"(G) how the Secretary, the Attorney General, and the Secretary of Transportation have engaged with Federal, State, and local law enforcement agencies to implement and use such authorities.

"(4) UNCLASSIFIED FORM.—Each briefing required under paragraph (1) shall be in unclassified form, but may be accompanied by an additional classified briefing.

"(5) NOTIFICATION.—Within 30 days of deploying any new technology to carry out the actions described in subsection (b)(1), the Secretary and the Attorney General shall, respectively, submit a notification to the appropriate congressional committees. Such notification shall include a description of options considered to mitigate any identified impacts to the national airspace system related to the use of any system or technology, including the minimization of the use of any technology that disrupts the transmission of radio or electronic signals, for carrying out the actions described in subsection (b)(1).

"(h) RULE OF CONSTRUCTION.—Nothing in this section may be construed to—

"(1) vest in the Secretary or the Attorney General any authority of the Secretary of Transportation or the Administrator of the Federal Aviation Administration;

"(2) vest in the Secretary of Transportation or the Administrator of the Federal Aviation Administration any authority of the Secretary or the Attorney General;

"(3) vest in the Secretary of Homeland Security any authority of the Attorney General;

"(4) vest in the Attorney General any authority of the Secretary of Homeland Security; or

"(5) provide a new basis of liability for any State, local, territorial, or tribal law enforcement officers who participate in the protection of a mass gathering identified by the Secretary or Attorney General under subsection (k)(3)(C)(iii)(II), act within the scope of their authority, and do not exercise the authority granted to the Secretary and Attorney General by this section.

"(i) TERMINATION.—The authority to carry out this section with respect to a covered facility or asset specified in subsection (k)(3) shall terminate on the date that is 4 years after the date of enactment of this section.

"(j) SCOPE OF AUTHORITY.—Nothing in this section shall be construed to provide the Secretary or the Attorney General with additional authorities beyond those described in subsections (a) and (k)(3)(C)(iii).

"(k) DEFINITIONS.—In this section:

"(1) The term 'appropriate congressional committees' means—

"(A) the Committee on Homeland Security and Governmental Affairs, the Committee on Commerce, Science, and Transportation, and the Committee on the Judiciary of the Senate; and

"(B) the Committee on Homeland Security, the Committee on Transportation and Infrastructure, the Committee on Energy and Commerce, and the Committee on the Judiciary of the House of Representatives.

"(2) The term 'budget', with respect to a fiscal year, means the budget for that fiscal year that is submitted to Congress by the President under section 1105(a) of title 31.

"(3) The term 'covered facility or asset' means any facility or asset that—

"(A) is identified as high-risk and a potential target for unlawful unmanned aircraft activity by the Secretary or the Attorney General, in coordination with the Secretary of Transportation with respect to potentially impacted airspace, through a risk-based assessment for purposes of this section (except that in the case of the missions described in subparagraph (C)(i)(II) and (C)(iii)(I), such missions shall be presumed to be for the protection of a facility or asset that is assessed to be high-risk and a potential target for unlawful unmanned aircraft activity);

"(B) is located in the United States (including the territories and possessions, territorial seas or navigable waters of the United States); and

"(C) directly relates to one or more—

"(i) missions authorized to be performed by the Department of Homeland Security, consistent with governing statutes, regulations, and orders issued by the Secretary, pertaining to—

"(I) security or protection functions of the U.S. Customs and Border Protection, including securing or protecting facilities, aircraft, and vessels, whether moored or underway;

"(II) United States Secret Service protection operations pursuant to sections 3056(a) and 3056A(a) of title 18, United States Code, and the Presidential Protection Assistance Act of 1976 (18 U.S.C. 3056 note); or

"(III) protection of facilities pursuant to section 1315(a) of title 40, United States Code;

"(ii) missions authorized to be performed by the Department of Justice, consistent with governing statutes, regulations, and orders issued by the Attorney General, pertaining to—

"(I) personal protection operations by—

"(aa) the Federal Bureau of Investigation as specified in section 533 of title 28, United States Code; and

"(bb) the United States Marshals Service of Federal jurists, court officers, witnesses, and other threatened persons in the interests of justice, as specified in section 566(e)(1)(A) of title 28, United States Code;

"(II) protection of penal, detention, and correctional facilities and operations conducted by the Federal Bureau of Prisons; or

"(III) protection of the buildings and grounds leased, owned, or operated by or for the Department of Justice, and the provision of security for Federal courts, as specified in section 566(a) of title 28, United States Code;

"(iii) missions authorized to be performed by the Department of Homeland Security or the Department of Justice, acting together or separately, consistent with governing statutes, regulations, and orders issued by the Secretary or the Attorney General, respectively, pertaining to—

"(I) protection of a National Special Security Event and Special Event Assessment Rating event;

"(II) the provision of support to State, local, territorial, or tribal law enforcement, upon request of the chief executive officer of the State or territory, to ensure protection of people and property at mass gatherings, that is limited to a specified timeframe and location, within available resources, and without delegating any authority under this section to State, local, territorial, or tribal law enforcement; or

"(III) protection of an active Federal law enforcement investigation, emergency response, or security function, that is limited to a specified timeframe and location; and

"(iv) missions authorized to be performed by the United States Coast Guard, including those described in clause (iii) as directed by the Secretary, and as further set forth in section 104 of title 14, United

States Code, and consistent with governing statutes, regulations, and orders issued by the Secretary of the Department in which the Coast Guard is operating.

"(4) The terms 'electronic communication', 'intercept', 'oral communication', and 'wire communication' have the meaning given those terms in section 2510 of title 18, United States Code.

"(5) The term 'homeland security or justice budget materials', with respect to a fiscal year, means the materials submitted to Congress by the Secretary and the Attorney General in support of the budget for that fiscal year.

"(6) For purposes of subsection (a), the term 'personnel' means officers and employees of the Department of Homeland Security or the Department of Justice.

"(7) The terms 'unmanned aircraft' and 'unmanned aircraft system' have the meanings given those terms in section 44801, of title 49, United States Code.

"(8) For purposes of this section, the term 'risk-based assessment' includes an evaluation of threat information specific to a covered facility or asset and, with respect to potential impacts on the safety and efficiency of the national airspace system and the needs of law enforcement and national security at each covered facility or asset identified by the Secretary or the Attorney General, respectively, of each of the following factors:

"(A) Potential impacts to safety, efficiency, and use of the national airspace system, including potential effects on manned aircraft and unmanned aircraft systems, aviation safety, airport operations, infrastructure, and air navigation services related to the use of any system or technology for carrying out the actions described in subsection (b)(1).

"(B) Options for mitigating any identified impacts to the national airspace system related to the use of any system or technology, including minimizing when possible the use of any technology which disrupts the transmission of radio or electronic signals, for carrying out the actions described in subsection (b)(1).

"(C) Potential consequences of the impacts of any actions taken under subsection (b)(1) to the national airspace system and infrastructure if not mitigated.

"(D) The ability to provide reasonable advance notice to aircraft operators consistent with the safety of the national airspace system and the needs of law enforcement and national security.

"(E) The setting and character of any covered facility or asset, including whether it is located in a populated area or near other structures, whether the facility is open to the public, whether the facility is also used for nongovernmental functions, and any potential for interference with wireless communications or for injury or damage to persons or property.

"(F) The setting, character, timeframe, and national airspace system impacts of National Special Security Event and Special Event Assessment Rating events.

"(G) Potential consequences to national security, public safety, or law enforcement if threats posed by unmanned aircraft systems are not mitigated or defeated.

"(l) DEPARTMENT OF HOMELAND SECURITY ASSESSMENT.—

"(1) REPORT.—Not later than 1 year after the date of the enactment of this section, the Secretary shall conduct, in coordination with the Attorney General and the Secretary of Transportation, an assessment to the appropriate congressional committees, including—

"(A) an evaluation of the threat from unmanned aircraft systems to United States critical infrastructure (as defined in this Act) and to domestic large hub airports (as defined in section 40102 of title 49, United States Code);

"(B) an evaluation of current Federal and State, local, territorial, or tribal law enforcement authorities to counter the threat identified in subparagraph (A), and recommendations, if any, for potential changes to existing authorities to allow State, local, territorial, and tribal law enforcement to assist Federal law enforcement to counter the threat where appropriate;

"(C) an evaluation of the knowledge of, efficiency of, and effectiveness of current procedures and resources available to owners of critical infrastructure and domestic large hub airports when they believe a threat from unmanned aircraft systems is present and what additional actions, if any, the Department of Homeland Security or the Department of Transportation could implement under existing authorities to assist these entities to counter the threat identified in subparagraph (A);

"(D) an assessment of what, if any, additional authorities are needed by each Department and law enforcement to counter the threat identified in subparagraph (A); and

"(E) an assessment of what, if any, additional research and development the Department needs to counter the threat identified in subparagraph (A).

"(2) UNCLASSIFIED FORM.—The report required under paragraph (1) shall be submitted in unclassified form, but may contain a classified annex.".

(b) CLERICAL AMENDMENT.—The table of sections at the beginning of such chapter is amended by inserting after the item relating to section 210F the following:

"Sec. 210G. Protection of certain facilities and assets from unmanned aircraft.".

SEC. 1603. PROTECTING AGAINST UNMANNED AIRCRAFT.

(a) IN GENERAL.—Chapter 5 of title 14, United States Code, is amended by inserting after section 103 the following:

"§ 104. Protecting against unmanned aircraft

14 USC 104.

"For the purposes of section 210G(k)(3)(C)(iv) of the Homeland Security Act of 2002, the missions authorized to be performed by the United States Coast Guard shall be those related to—

"(1) functions of the U.S. Coast Guard relating to security or protection of facilities and assets assessed to be high-risk and a potential target for unlawful unmanned aircraft activity, including the security and protection of—

"(A) a facility, including a facility that is under the administrative control of the Commandant; and

"(B) a vessel (whether moored or underway) or an aircraft, including a vessel or aircraft—

"(i) that is operated by the Coast Guard, or that the Coast Guard is assisting or escorting; and

"(ii) that is directly involved in a mission of the Coast Guard pertaining to—

"(I) assisting or escorting a vessel of the Department of Defense;

"(II) assisting or escorting a vessel of national security significance, a high interest vessel, a high capacity passenger vessel, or a high value unit, as those terms are defined by the Secretary;

"(III) section 91(a) of this title;

"(IV) assistance in protecting the President or the Vice President (or other officer next in order of succession to the Office of the President) pursuant to the Presidential Protection Assistance Act of 1976 (18 U.S.C. 3056 note);

"(V) protection of a National Special Security Event and Special Event Assessment Rating events;

"(VI) air defense of the United States, including air sovereignty, ground-based air defense, and the National Capital Region integrated air defense system; or

"(VII) a search and rescue operation; and

"(2) missions directed by the Secretary pursuant to 210G(k)(3)(C)(iii) of the Homeland Security Act of 2002.".

(b) CLERICAL AMENDMENT.—The analysis for chapter 5 of title 14, United States Code, is amended by inserting after the item relating to section 103 the following:

Supplemental Appropriations for Disaster Relief Act, 2018.

DIVISION I—SUPPLEMENTAL APPROPRIATIONS FOR DISASTER RELIEF, 2018

The following sums are hereby appropriated, out of any money in the Treasury not otherwise appropriated, and out of applicable corporate or other revenues, receipts, and funds, for the several departments, agencies, corporations, and other organizational units of Government for fiscal year 2018, and for other purposes, namely:

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

COMMUNITY PLANNING AND DEVELOPMENT

COMMUNITY DEVELOPMENT FUND

(INCLUDING TRANSFERS OF FUNDS)

For an additional amount for "Community Development Fund", $1,680,000,000, to remain available until expended, for necessary expenses for activities authorized under title I of the Housing and Community Development Act of 1974 (42 U.S.C. 5301 et seq.) related to disaster relief, long-term recovery, restoration of infrastructure and housing, and economic revitalization in the most impacted and distressed areas resulting from a major disaster declared in 2018 pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 et seq.): *Provided*, That funds shall be awarded directly to the State or unit of general local government at the discretion of the Secretary: *Provided further*, That as a condition of making any grant, the Secretary shall certify in advance that such grantee has in place proficient financial controls and procurement processes and has established adequate procedures to prevent any duplication of benefits as defined by section 312 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5155), to ensure timely expenditure of funds, to maintain comprehensive websites regarding all disaster recovery activities assisted with these funds, and to detect and prevent waste, fraud, and abuse of funds: *Provided further*, That prior to the obligation of funds a grantee shall submit a plan to the Secretary for approval detailing the proposed use of all funds, including criteria for eligibility and how the use of these funds will address long-term recovery and restoration of infrastructure and housing and economic revitalization in the most impacted and distressed areas: *Provided further*, That such funds may not be used for activities reimbursable by, or for which funds are made available by, the Federal Emergency Management Agency or the Army Corps of Engineers: *Provided further*, That funds allocated under this heading shall not be considered relevant to the non-disaster formula allocations made pursuant to section 106 of the Housing and Community Development Act of 1974 (42 U.S.C. 5306): *Provided further*, That a State or subdivision thereof may use up to 5 percent of its allocation for administrative costs: *Provided further,* That in administering the funds under this heading, the Secretary of Housing and Urban Development may waive, or specify alternative requirements for, any provision of any statute or regulation that the Secretary administers in connection with the obligation by the Secretary or the use by the recipient of these funds (except for requirements related to fair housing, nondiscrimination, labor standards, and the environment), if the Secretary finds that good cause exists for the waiver or alternative requirement and such waiver or alternative requirement would not be inconsistent with the overall purpose of title I of the Housing and Community Development Act of 1974: *Provided further*, That, notwithstanding the preceding proviso, recipients of funds provided under this heading that use such funds to supplement Federal assistance provided under section 402, 403, 404, 406, 407, 408(c)(4), or 502 of the Robert T. Stafford Disaster Relief and Emergency

Assistance Act (42 U.S.C. 5121 et seq.) may adopt, without review or public comment, any environmental review, approval, or permit performed by a Federal agency, and such adoption shall satisfy the responsibilities of the recipient with respect to such environmental review, approval or permit: *Provided further*, That, notwithstanding section 104(g)(2) of the Housing and Community Development Act of 1974 (42 U.S.C. 5304(g)(2)), the Secretary may, upon receipt of a request for release of funds and certification, immediately approve the release of funds for an activity or project assisted under this heading if the recipient has adopted an environmental review, approval or permit under the preceding proviso or the activity or project is categorically excluded from review under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.): *Provided further*, That the Secretary shall publish via notice in the Federal Register any waiver, or alternative requirement, to any statute or regulation that the Secretary administers pursuant to title I of the Housing and Community Development Act of 1974 no later than 5 days before the effective date of such waiver or alternative requirement: *Provided further*, That of the amounts made available under this heading, up to $2,500,000 may be transferred, in aggregate, to "Department of Housing and Urban Development—Program Office Salaries and Expenses—Community Planning and Development" for necessary costs, including information technology costs, of administering and overseeing the obligation and expenditure of amounts under this heading: *Provided further*, That such amount is designated by the Congress as being for an emergency requirement pursuant to section 251(b)(2)(A)(i) of the Balanced Budget and Emergency Deficit Control Act of 1985: *Provided further*, That the amount designated under this heading as an emergency requirement pursuant to section 251(b)(2)(A)(i) of the Balanced Budget and Emergency Deficit Control Act of 1985 shall be available only if the President subsequently so designates such amount and transmits such designation to the Congress.

SEC. 1701. BUDGETARY EFFECTS.

(a) STATUTORY PAYGO SCORECARDS.—The budgetary effects of this division shall not be entered on either PAYGO scorecard maintained pursuant to section 4(d) of the Statutory Pay As-You-Go Act of 2010.

(b) SENATE PAYGO SCORECARDS.—The budgetary effects of this division shall not be entered on any PAYGO scorecard maintained for purposes of section 4106 of H. Con. Res. 71 (115th Congress).

(c) CLASSIFICATION OF BUDGETARY EFFECTS.—Notwithstanding Rule 3 of the Budget Scorekeeping Guidelines set forth in the joint explanatory statement of the committee of conference accompanying Conference Report 105–217 and section 250(c)(7) and (c)(8) of the Balanced Budget and Emergency Deficit Control Act of 1985, the budgetary effects of this division shall be estimated for purposes of section 251 of such Act.

This division may be cited as the "Supplemental Appropriations for Disaster Relief Act, 2018".

DIVISION J—MARITIME SECURITY

Maritime Security Improvement Act of 2018.
46 USC 101 note.

SEC. 1801. SHORT TITLE.

This division may be cited as the "Maritime Security Improvement Act of 2018".

SEC. 1802. DEFINITIONS.

46 USC 70102 note.

In this division:

(1) APPROPRIATE COMMITTEES OF CONGRESS.—The term "appropriate committees of Congress" means—

(A) the Committee on Commerce, Science, and Transportation of the Senate;

(B) the Committee on Homeland Security and Governmental Affairs of the Senate;

(C) the Committee on Homeland Security of the House of Representatives; and

(D) the Committee on Transportation and Infrastructure of the House of Representatives.

(2) TSA.—The term "TSA" means the Transportation Security Administration.

SEC. 1803. COORDINATION WITH TSA ON MARITIME FACILITIES.

46 USC 70102 note.

The Secretary of Homeland Security shall—

(1) provide the Administrator of the TSA with updates to vulnerability assessments required under section 70102(b)(3) of title 46, United States Code, to avoid any duplication of effort between the Coast Guard and the TSA; and

(2) identify any security gaps between authorities of operating entities within the Department of Homeland Security that a threat could exploit to cause a transportation security incident (as defined in section 70101 of title 46, United States Code).

SEC. 1804. STRATEGIC PLAN TO ENHANCE THE SECURITY OF THE INTERNATIONAL SUPPLY CHAIN.

Section 201 of the Security and Accountability for Every Port Act of 2006 (6 U.S.C. 941) is amended—

(1) in subsection (a), by striking "as appropriate" and inserting "triennially"; and

(2) in subsection (g)—

(A) in the heading, by striking "REPORT" and inserting "REPORTS"; and

(B) by amending paragraph (2) to read as follows:

"(2) UPDATES.—Not later than 270 days after the date of enactment of the Maritime Security Improvement Act of 2018 and triennially thereafter, the Secretary shall submit to the appropriate congressional committees a report that contains any updates to the strategic plan under subsection (a) since the prior report.".

SEC. 1805. CYBERSECURITY INFORMATION SHARING AND COORDINATION IN PORTS.

(a) MARITIME CYBERSECURITY RISK ASSESSMENT MODEL.—The Secretary of Homeland Security, through the Commandant of the Coast Guard and the Under Secretary responsible for overseeing the critical infrastructure protection, cybersecurity, and other related programs of the Department of Homeland Security, shall— 46 USC 70112 note.

(1) not later than 1 year after the date of enactment of this Act, coordinate with the National Maritime Security Advisory Committee, the Area Maritime Security Advisory Committees, and other maritime stakeholders, as necessary, to develop and implement a maritime cybersecurity risk assessment model, consistent with the activities described in section 2(e) of the National Institute of Standards and Technology Act (15 U.S.C. 272(e)), to evaluate current and future cybersecurity risks that have the potential to affect the marine transportation system or that would cause a transportation security incident (as defined in section 70101 of title 46, United States Code) in ports; and

(2) not less than biennially thereafter, evaluate the effectiveness of the cybersecurity risk assessment model established under paragraph (1).

(b) PORT SECURITY; DEFINITIONS.—Section 70101 of title 46, United States Code, is amended—

(1) by redesignating paragraphs (2) through (6) as paragraphs (3) through (7), respectively; and

(2) by inserting after paragraph (1) the following:

"(2) The term 'cybersecurity risk' has the meaning given the term in section 227 of the Homeland Security Act of 2002 (6 U.S.C. 148).".

(c) NATIONAL MARITIME SECURITY ADVISORY COMMITTEE.—

(1) FUNCTIONS.—Section 70112(a)(1)(A) of title 46, United States Code, is amended by inserting before the semicolon the following: ", including on enhancing the sharing of information related to cybersecurity risks that may cause a transportation security incident, between relevant Federal agencies and—

"(ii) relevant public safety and emergency response agencies;

"(iii) relevant law enforcement and security organizations;

"(iv) maritime industry;

"(v) port owners and operators; and

"(vi) terminal owners and operators;".

46 USC 70112 note.

(2) INFORMATION SHARING.—The Commandant of the Coast Guard and the Under Secretary responsible for overseeing the critical infrastructure protection, cybersecurity, and other related programs of the Department of Homeland Security shall—

(A) ensure there is a process for each Area Maritime Security Advisory Committee established under section 70112 of title 46, United States Code—

(i) to facilitate the sharing of information related to cybersecurity risks that may cause transportation security incidents;

(ii) to timely report transportation security incidents to the national level; and

(iii) to disseminate such reports across the entire maritime transportation system via the National Cybersecurity and Communications Integration Center; and

(B) issue voluntary guidance for the management of such cybersecurity risks in each Area Maritime Transportation Security Plan and facility security plan required under section 70103 of title 46, United States Code, approved after the date that the cybersecurity risk assessment model is developed under subsection (a) of this section.

(d) VULNERABILITY ASSESSMENTS AND SECURITY PLANS.—

(1) FACILITY AND VESSEL ASSESSMENTS.—Section 70102(b)(1) of title 46, United States Code, is amended—

(A) in the matter preceding subparagraph (A), by striking "and by not later than December 31, 2004"; and

(B) in subparagraph (C), by inserting "security against cybersecurity risks," after "physical security,".

(2) MARITIME TRANSPORTATION SECURITY PLANS.—Section 70103 of title 46, United States Code, is amended—

(A) in subsection (a)(1), by striking "Not later than April 1, 2005, the" and inserting "The";

(B) in subsection (a)(2), by adding at the end the following:

"(K) A plan to detect, respond to, and recover from cybersecurity risks that may cause transportation security incidents.";

(C) in subsection (b)(2)—

(a) IN GENERAL.—Not later than 30 days after the date of enactment of this Act, the Administrator shall convene a working group consisting of representatives of the TSA and representatives of the labor organization representing security screening personnel to recommend reforms to the TSA's personnel management system, including appeals to the Merit Systems Protection Board and grievance procedures.

(b) REPORT.—Not later than 1 year after the date of enactment of this Act, the working group convened under subsection (a) shall submit to the Administrator and the appropriate committees of Congress a report containing proposed, mutually agreed-upon recommendations to reform the TSA's personnel management system.

(c) IMPLEMENTATION.—To the extent authorized under law, the Administrator may implement 1 or more of the recommendations submitted under subsection (b).

(d) TERMINATION.—The working group shall terminate on the date that the report is submitted under subsection (b).

SEC. 1908. TSA LEAP PAY REFORM.

(a) DEFINITION OF BASIC PAY.—Clause (ii) of section 8331(3)(E) of title 5, United States Code, is amended to read as follows:

"(ii) received after September 11, 2001, by a Federal air marshal or criminal investigator (as defined in section 5545a(a)(2)) of the Transportation Security Administration, subject to all restrictions and earning limitations imposed on criminal investigators receiving

such pay under section 5545a, including the premium pay limitations under section 5547;".

(b) EFFECTIVE DATE; APPLICABILITY.— 5 USC 8331 note.

(1) IN GENERAL.—Subject to paragraph (2), this section, and the amendments made by this section, shall take effect on the first day of the first pay period commencing on or after the date of enactment of this section.

(2) RETROACTIVE APPLICATION.—

(A) IN GENERAL.—Any availability pay received for any pay period commencing before the date of enactment of this Act by a Federal air marshal or criminal investigator employed by the Transportation Security Administration shall be deemed basic pay under section 8331(3) of title 5, United States Code, if the Transportation Security Administration treated such pay as retirement-creditable basic pay, but the Office of Personnel Management, based on an interpretation of section 8331(3) of title 5, United States Code, did not accept such pay as retirement-creditable basic pay.

(B) IMPLEMENTATION.—Not later than 3 months after the date of enactment of this Act, the Director of the Office of Personnel Management shall commence taking such actions as are necessary to implement the amendments made by this section with respect to availability pay deemed to be basic pay under subparagraph (A).

SEC. 1909. RANK AWARDS PROGRAM FOR TRANSPORTATION SECURITY ADMINISTRATION EXECUTIVES AND SENIOR PROFESSIONALS.

Section 114(n), as amended by section 1904 of this Act, is further amended—

(1) by inserting "(1) IN GENERAL.—" before "The personnel management system" and indenting appropriately; and

(2) by adding at the end the following:

"(2) MERITORIOUS EXECUTIVE OR DISTINGUISHED EXECUTIVE RANK AWARDS.—Notwithstanding section 40122(g)(2) of this title, the applicable sections of title 5 shall apply to the Transportation Security Administration personnel management system, except that—

"(A) for purposes of applying such provisions to the personnel management system—

"(i) the term 'agency' means the Department of Homeland Security;

"(ii) the term 'senior executive' means a Transportation Security Administration executive serving on a Transportation Security Executive Service appointment;

"(iii) the term 'career appointee' means a Transportation Security Administration executive serving on a career Transportation Security Executive Service appointment; and

"(iv) The term 'senior career employee' means a Transportation Security Administration employee covered by the Transportation Security Administration Core Compensation System at the L or M pay band;

"(B) receipt by a career appointee or a senior career employee of the rank of Meritorious Executive or Meritorious Senior Professional entitles the individual to a lump-sum payment of an amount equal to 20 percent of annual basic pay, which shall be in addition to the basic pay paid under the applicable Transportation Security Administration pay system; and

"(C) receipt by a career appointee or a senior career employee of the rank of Distinguished Executive or Distinguished Senior Professional entitles the individual to a lump-sum payment of an amount equal to 35 percent of annual basic pay, which shall be in addition to the basic pay paid under the applicable Transportation Security Administration pay system.

"(3) DEFINITION OF APPLICABLE SECTIONS OF TITLE 5.—In this subsection, the term 'applicable sections of title 5' means—

"(A) subsections (b), (c) and (d) of section 4507 of title 5; and

"(B) subsections (b) and (c) of section 4507a of title 5.".

49 USC 114 note.

SEC. 1910. TRANSMITTALS TO CONGRESS.

With regard to each report, legislative proposal, or other communication of the Executive Branch related to the TSA and required to be submitted to Congress or the appropriate committees of Congress, the Administrator shall transmit such communication directly to the appropriate committees of Congress.

Subtitle B—Security Technology

49 USC 114 note.

SEC. 1911. THIRD PARTY TESTING AND VERIFICATION OF SCREENING TECHNOLOGY.

(a) IN GENERAL.—In carrying out the responsibilities under section 114(f)(9), the Administrator shall develop and implement, not later than 1 year after the date of enactment of this Act, a program to enable a vendor of related security screening technology to obtain testing and verification, including as an alternative to the TSA's test and evaluation process, by an appropriate third party, of such technology before procurement or deployment.

(b) DETECTION TESTING.—

(1) IN GENERAL.—The third party testing and verification program authorized under subsection (a) shall include detection testing to evaluate the performance of the security screening technology system regarding the probability of detection, the probability of false alarm, and such other indicators that the system is able to meet the TSA's mission needs.

(2) RESULTS.—The results of the third party detection testing under paragraph (1) shall be considered final if the results are approved by the Administration in accordance with approval standards developed by the Administrator.

(3) COORDINATION WITH FINAL TESTING.—To the extent practicable, but without compromising the integrity of the TSA test and evaluation process, the Administrator shall coordinate the third party detection testing under paragraph (1) with any subsequent, final Federal Government testing.

(4) INTERNATIONAL STANDARDS.—To the extent practicable and permissible under law and considering the national security interests of the United States, the Administrator shall—

(A) share detection testing information and standards with appropriate international partners; and

(B) coordinate with the appropriate international partners to align TSA testing and evaluation with relevant international standards to maximize the capability to detect explosives and other threats.

(c) OPERATIONAL TESTING.—

(1) IN GENERAL.—Subject to paragraph (2), the third party testing and verification program authorized under subsection (a) shall include operational testing.

(2) LIMITATION.—Third party operational testing under paragraph (1) may not exceed 1 year.

(d) ALTERNATIVE.—Third party testing under subsection (a) shall replace as an alternative, at the discretion of the Administrator, the testing at the TSA Systems Integration Facility, including testing for—

(1) health and safety factors;

(2) operator interface;

(3) human factors;

(4) environmental factors;

(5) throughput;

(6) reliability, maintainability, and availability factors; and

(7) interoperability.

(e) TESTING AND VERIFICATION FRAMEWORK.—

(1) IN GENERAL.—The Administrator shall—

(A) establish a framework for the third party testing and for verifying a security technology is operationally effective and able to meet the TSA's mission needs before it may enter or re-enter, as applicable, the operational context at an airport or other transportation facility;

(B) use phased implementation to allow the TSA and the third party to establish best practices; and

(C) oversee the third party testing and evaluation framework.

(2) RECOMMENDATIONS.—The Administrator shall request ASAC's Security Technology Subcommittee, in consultation with representatives of the security manufacturers industry, to develop and submit to the Administrator recommendations for the third party testing and verification framework.

(f) FIELD TESTING.—The Administrator shall prioritize the field testing and evaluation, including by third parties, of security technology and equipment at airports and on site at security technology manufacturers whenever possible as an alternative to the TSA Systems Integration Facility.

(g) APPROPRIATE THIRD PARTIES.—

(1) CITIZENSHIP REQUIREMENT.—An appropriate third party under subsection (a) shall be—

(A) if an individual, a citizen of the United States; or

(B) if an entity, owned and controlled by a citizen of the United States.

(2) WAIVER.—The Administrator may waive the requirement under paragraph (1)(B) if the entity is a United States subsidiary of a parent company that has implemented a foreign

ownership, control, or influence mitigation plan that has been approved by the Defense Security Service of the Department of Defense before applying to provide third party testing. The Administrator may reject any application to provide third party testing under subsection (a) submitted by an entity that requires a waiver under this paragraph.

(3) CONFLICTS OF INTEREST.—The Administrator shall ensure, to the extent possible, that an entity providing third party testing under this section does not have a contractual, business, or other pecuniary interest (exclusive of any such testing) in—

(A) the security screening technology subject to such testing; or

(B) the vendor of such technology.

(h) GAO REVIEW.—

(1) IN GENERAL.—Not later than 2 years after the date of enactment of this Act, the Comptroller General of the United States shall submit to the appropriate committees of Congress a study on the third party testing program developed under this section

(2) REVIEW.—The study under paragraph (1) shall include a review of the following:

(A) Any efficiencies or gains in effectiveness achieved in TSA operations, including technology acquisition or screening operations, as a result of such program.

(B) The degree to which the TSA conducts timely and regular oversight of the appropriate third parties engaged in such testing.

(C) The effect of such program on the following:

(i) The introduction of innovative detection technologies into security screening operations.

(ii) The availability of testing for technologies developed by small to medium sized businesses.

(D) Any vulnerabilities associated with such program, including with respect to the following:

(i) National security.

(ii) Any conflicts of interest between the appropriate third parties engaged in such testing and the entities providing such technologies to be tested.

(iii) Waste, fraud, and abuse.

49 USC 114 note.

SEC. 1912. TRANSPORTATION SECURITY ADMINISTRATION SYSTEMS INTEGRATION FACILITY.

(a) IN GENERAL.—The Administrator shall continue to operate the Transportation Security Administration Systems Integration Facility (referred to in this section as the "TSIF") for the purposes of testing and evaluating advanced transportation security screening technologies related to the mission of the TSA.

(b) REQUIREMENTS.—The TSIF shall—

(1) evaluate the technologies described in subsection (a) to enhance the security of transportation systems through screening and threat mitigation and detection;

(2) test the technologies described in subsection (a) to support identified mission needs of the TSA and to meet requirements for acquisitions and procurement;

(3) to the extent practicable, provide original equipment manufacturers with test plans to minimize requirement interpretation disputes and adhere to provided test plans;

(4) collaborate with other technical laboratories and facilities for purposes of augmenting the capabilities of the TSIF;

(5) deliver advanced transportation security screening technologies that enhance the overall security of domestic transportation systems; and

(6) to the extent practicable, provide funding and promote efforts to enable participation by a small business concern (as the term is described under section 3 of the Small Business Act (15 U.S.C. 632)) that—

(A) has an advanced technology or capability; but

(B) does not have adequate resources to participate in testing and evaluation processes.

(c) STAFFING AND RESOURCE ALLOCATION.—The Administrator shall ensure adequate staffing and resource allocations for the TSIF in a manner that—

(1) prevents unnecessary delays in the testing and evaluation of advanced transportation security screening technologies for acquisitions and procurement determinations;

(2) ensures the issuance of final paperwork certification no later than 45 days after the date such testing and evaluation has concluded; and

(3) ensures collaboration with technology stakeholders to close capabilities gaps in transportation security.

(d) DEADLINE.—

(1) IN GENERAL.—The Administrator shall notify the appropriate committees of Congress if testing and evaluation by the TSIF of an advanced transportation security screening technology under this section exceeds 180 days from the delivery date.

(2) NOTIFICATION.—The notification under paragraph (1) shall include—

(A) information relating to the delivery date;

(B) a justification for why the testing and evaluation process has exceeded 180 days; and

(C) the estimated date for completion of such testing and evaluation.

(3) DEFINITION OF DELIVERY DATE.—In this subsection, the term "delivery date" means the date that the owner of an advanced transportation security screening technology—

(A) after installation, delivers the technology to the TSA for testing and evaluation; and

(B) submits to the Administrator, in such form and manner as the Administrator prescribes, a signed notification of the delivery described in subparagraph (A).

(e) RETESTING AND EVALUATION.—Advanced transportation security screening technology that fails testing and evaluation by the TSIF may be retested and evaluated at the discretion of the Administrator.

(f) RULE OF CONSTRUCTION.—Nothing in this section may be construed to affect the authority or responsibility of an officer of the Department, or an officer of any other Federal department or agency, with respect to research, development, testing, and evaluation of technologies, including such authorities or responsibilities of the Undersecretary for Science and Technology of the

Department and Assistant Secretary of the Countering Weapons of Mass Destruction Office of the Department.

SEC. 1913. OPPORTUNITIES TO PURSUE EXPANDED NETWORKS FOR BUSINESS.

(a) STRATEGY.—Subtitle B of title of title XVI of the Homeland Security Act of 2002 (6 U.S.C. 563 et seq.) is amended by adding at the end following:

6 USC 563f.

"SEC. 1617. DIVERSIFIED SECURITY TECHNOLOGY INDUSTRY MARKETPLACE.

"(a) IN GENERAL.—Not later than 120 days after the date of enactment of the TSA Modernization Act, the Administrator shall develop and submit to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Homeland Security of the House of Representatives a strategy to promote a diverse security technology industry marketplace upon which the Administrator can rely to acquire advanced transportation security technologies or capabilities, including by increased participation of small business innovators.

"(b) CONTENTS.—The strategy required under subsection (a) shall include the following:

"(1) Information on how existing Administration solicitation, testing, evaluation, piloting, acquisition, and procurement processes impact the Administrator's ability to acquire from the security technology industry marketplace, including small business innovators that have not previously provided technology to the Administration, innovative technologies or capabilities with the potential to enhance transportation security.

"(2) Specific actions that the Administrator will take, including modifications to the processes described in paragraph (1), to foster diversification within the security technology industry marketplace.

"(3) Projected timelines for implementing the actions described in paragraph (2).

"(4) Plans for how the Administrator could, to the extent practicable, assist a small business innovator periodically during such processes, including when such an innovator lacks adequate resources to participate in such processes, to facilitate an advanced transportation security technology or capability being developed and acquired by the Administrator.

"(5) An assessment of the feasibility of partnering with an organization described in section 501(c)(3) of the Internal Revenue Code of 1986 and exempt from tax under section 501(a) of such Code to provide venture capital to businesses, particularly small business innovators, for commercialization of innovative transportation security technologies that are expected to be ready for commercialization in the near term and within 36 months.

"(c) FEASIBILITY ASSESSMENT.—In conducting the feasibility assessment under subsection (b)(5), the Administrator shall consider the following:

"(1) Establishing an organization described in section 501(c)(3) of the Internal Revenue Code of 1986 and exempt from tax under section 501(a) of such Code as a venture capital partnership between the private sector and the intelligence community to help businesses, particularly small business

innovators, commercialize innovative security-related technologies.

"(2) Enhanced engagement through the Science and Technology Directorate of the Department of Homeland Security.

"(d) RULE OF CONSTRUCTION.—Nothing in this section may be construed as requiring changes to the Transportation Security Administration standards for security technology.

"(e) DEFINITIONS.—In this section:

"(1) INTELLIGENCE COMMUNITY.—The term 'intelligence community' has the meaning given the term in section 3 of the National Security Act of 1947 (50 U.S.C. 3003).

"(2) SMALL BUSINESS CONCERN.—The term 'small business concern' has the meaning described under section 3 of the Small Business Act (15 U.S.C. 632).

"(3) SMALL BUSINESS INNOVATOR.—The term 'small business innovator' means a small business concern that has an advanced transportation security technology or capability.".

(b) GAO REVIEW.—Not later than 1 year after the date the strategy is submitted under section 1617 of the Homeland Security Act of 2002, the Comptroller General of the United States shall—

(1) review the extent to which the strategy—

(A) addresses the requirements of that section;

(B) has resulted in increased participation of small business innovators in the security technology industry marketplace; and

(C) has diversified the security technology industry marketplace; and

(2) submit to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Homeland Security of the House of Representatives the findings of the review and any recommendations.

(c) TABLE OF CONTENTS.—The table of contents in section 1(b) of the Homeland Security Act of 2002 is amended by inserting after the item relating to section 1616 the following:

"1617. Diversified security technology industry marketplace.".

SEC. 1914. RECIPROCAL RECOGNITION OF SECURITY STANDARDS.

49 USC 44901 note.

(a) IN GENERAL.—The Administrator, in coordination with appropriate international aviation security authorities, shall develop a validation process for the reciprocal recognition of security equipment technology approvals among international security partners or recognized certification authorities for deployment.

(b) REQUIREMENT.—The validation process shall ensure that the certification by each participating international security partner or recognized certification authority complies with detection, qualification, and information security, including cybersecurity, standards of the TSA, the Department of Homeland Security, and the National Institute of Standards and Technology.

SEC. 1915. TRANSPORTATION SECURITY LABORATORY.

49 USC 44903 note.

(a) IN GENERAL.—Not later than 1 year after the date of enactment of this Act, the Secretary, in consultation with the Administrator and the Undersecretary for Science and Technology—

(1) shall conduct a review to determine whether the TSA is the most appropriate component within the Department to administer the Transportation Security Laboratory; and

(2) may direct the TSA to administer the Transportation Security Laboratory if the review under paragraph (1) identifies the TSA as the most appropriate component.

(b) PERIODIC REVIEWS.—The Secretary shall periodically review the screening technology test and evaluation process conducted at the Transportation Security Laboratory to improve the coordination, collaboration, and communication between the Transportation Security Laboratory and the TSA to identify factors contributing to acquisition inefficiencies, develop strategies to reduce acquisition inefficiencies, facilitate more expeditious initiation and completion of testing, and identify how laboratory practices can better support acquisition decisions.

(c) REPORTS.—The Secretary shall report the findings of each review under this section to the appropriate committees of Congress.

49 USC 44912 note.

SEC. 1916. INNOVATION TASK FORCE.

(a) IN GENERAL.—The Administrator shall establish an innovation task force—

(1) to cultivate innovations in transportation security;

(2) to develop and recommend how to prioritize and streamline requirements for new approaches to transportation security;

(3) to accelerate the development and introduction of new innovative transportation security technologies and improvements to transportation security operations; and

(4) to provide industry with access to the airport environment during the technology development and assessment process to demonstrate the technology and to collect data to understand and refine technical operations and human factor issues.

(b) ACTIVITIES.—The task force shall—

(1) conduct activities to identify and develop an innovative technology, emerging security capability, or process designed to enhance transportation security, including—

(A) by conducting a field demonstration of such a technology, capability, or process in the airport environment;

(B) by gathering performance data from such a demonstration to inform the acquisition process; and

(C) by enabling a small business with an innovative technology or emerging security capability, but less than adequate resources, to participate in such a demonstration;

(2) conduct at least quarterly collaboration meetings with industry, including air carriers, airport operators, and other transportation security stakeholders to highlight and discuss best practices on innovative security operations and technology evaluation and deployment; and

(3) submit to the appropriate committees of Congress an annual report on the effectiveness of key performance data from task force-sponsored projects and checkpoint enhancements.

(c) COMPOSITION.—

(1) APPOINTMENT.—The Administrator, in consultation with the Chairperson of ASAC shall appoint the members of the task force.

(2) CHAIRPERSON.—The task force shall be chaired by the Administrator's designee.

(3) REPRESENTATION.—The task force shall be comprised of representatives of—

(A) the relevant offices of the TSA;

(B) if considered appropriate by the Administrator, the Science and Technology Directorate of the Department of Homeland Security;

(C) any other component of the Department of Homeland Security that the Administrator considers appropriate; and

(D) such industry representatives as the Administrator considers appropriate.

(d) RULE OF CONSTRUCTION.—Nothing in this section shall be construed to require the acquisition or deployment of an innovative technology, emerging security capability, or process identified, developed, or recommended under this section.

(e) NONAPPLICABILITY OF FACA.—The Federal Advisory Committee Act (5 U.S.C. App.) shall not apply to the task force established under this section.

SEC. 1917. 5-YEAR TECHNOLOGY INVESTMENT PLAN UPDATE.

Section 1611 of the Homeland Security Act of 2002 (6 U.S.C. 563) is amended—

(1) in subsection (g)—

(A) by striking the matter preceding paragraph (1) and inserting "The Administrator shall, in collaboration with relevant industry and government stakeholders, annually submit to Congress in an appendix to the budget request and publish in an unclassified format in the public domain—";

(B) in paragraph (1), by striking "; and" and inserting a semicolon;

(C) in paragraph (2), by striking the period and inserting "; and"; and

(D) by adding at the end the following:

"(3) information about acquisitions completed during the fiscal year preceding the fiscal year during which the report is submitted."; and

(2) by adding at the end the following:

"(h) ADDITIONAL UPDATE REQUIREMENTS.—Updates and reports under subsection (g) shall—

"(1) be prepared in consultation with—

"(A) the persons described in subsection (b); and

"(B) the Surface Transportation Security Advisory Committee established under section 404; and

"(2) include—

"(A) information relating to technology investments by the Transportation Security Administration and the private sector that the Department supports with research, development, testing, and evaluation for aviation, including air cargo, and surface transportation security;

"(B) information about acquisitions completed during the fiscal year preceding the fiscal year during which the report is submitted;

"(C) information relating to equipment of the Transportation Security Administration that is in operation after the end of the life-cycle of the equipment specified by the manufacturer of the equipment; and

"(D) to the extent practicable, a classified addendum to report sensitive transportation security risks and associated capability gaps that would be best addressed by security-related technology described in subparagraph (A).".

"(i) NOTICE OF COVERED CHANGES TO PLAN.—

"(1) NOTICE REQUIRED.—The Administrator shall submit to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Homeland Security of the House of Representatives notice of any covered change to the Plan not later than 90 days after the date that the covered change is made.

"(2) DEFINITION OF COVERED CHANGE.—In this subsection, the term 'covered change' means—

"(A) an increase or decrease in the dollar amount allocated to the procurement of a technology; or

"(B) an increase or decrease in the number of a technology.".

SEC. 1918. MAINTENANCE OF SECURITY-RELATED TECHNOLOGY.

(a) IN GENERAL.—Title XVI of the Homeland Security Act of 2002 (6 U.S.C. 561 et seq.), as amended by section 1913 of this Act, is further amended by adding at the end the following:

"Subtitle C—Maintenance of Security-related Technology

6 USC 565.

"SEC. 1621. MAINTENANCE VALIDATION AND OVERSIGHT.

"(a) IN GENERAL.—Not later than 180 days after the date of enactment of the TSA Modernization Act, the Administrator shall develop and implement a preventive maintenance validation process for security-related technology deployed to airports.

"(b) MAINTENANCE BY ADMINISTRATION PERSONNEL AT AIRPORTS.—For maintenance to be carried out by Administration personnel at airports, the process referred to in subsection (a) shall include the following:

"(1) Guidance to Administration personnel at airports specifying how to conduct and document preventive maintenance actions.

"(2) Mechanisms for the Administrator to verify compliance with the guidance issued pursuant to paragraph (1).

"(c) MAINTENANCE BY CONTRACTORS AT AIRPORTS.—For maintenance to be carried by a contractor at airports, the process referred to in subsection (a) shall require the following:

"(1) Provision of monthly preventative maintenance schedules to appropriate Administration personnel at each airport that includes information on each action to be completed by contractor.

"(2) Notification to appropriate Administration personnel at each airport when maintenance action is completed by a contractor.

"(3) A process for independent validation by a third party of contractor maintenance.

"(d) PENALTIES FOR NONCOMPLIANCE.—The Administrator shall require maintenance for any contracts entered into 60 days after the date of enactment of the TSA Modernization Act or later for security-related technology deployed to airports to include penalties

for noncompliance when it is determined that either preventive or corrective maintenance has not been completed according to contractual requirements and manufacturers' specifications.".

(b) TABLE OF CONTENTS.—The table of contents of the Homeland Security Act of 2002, as amended by section 1913 of this Act, is further amended by inserting after the item relating to section 1617 the following:

"Subtitle C—Maintenance of Security-related Technology

"1621. Maintenance validation and oversight.".

SEC. 1919. BIOMETRICS EXPANSION. 6 USC 1118.

(a) IN GENERAL.—The Administrator and the Commissioner of U.S. Customs and Border Protection shall consult with each other on the deployment of biometric technologies.

(b) RULE OF CONSTRUCTION.—Nothing in this section shall be construed to permit the Commissioner of U.S. Customs and Border Protection to facilitate or expand the deployment of biometric technologies, or otherwise collect, use, or retain biometrics, not authorized by any provision of or amendment made by the Intelligence Reform and Terrorism Prevention Act of 2004 (Public Law 108–458; 118 Stat. 3638) or the Implementing Recommendations of the 9/11 Commission Act of 2007 (Public Law 110–53; 121 Stat. 266).

(c) REPORT REQUIRED.—Not later than 270 days after the date of enactment of this Act, the Secretary shall submit to the appropriate committees of Congress, and to any Member of Congress upon the request of that Member, a report that includes specific assessments from the Administrator and the Commissioner of U.S. Customs and Border Protection with respect to the following:

(1) The operational and security impact of using biometric technology to identify travelers.

(2) The potential effects on privacy of the expansion of the use of biometric technology under paragraph (1), including methods proposed or implemented to mitigate any risks to privacy identified by the Administrator or the Commissioner related to the active or passive collection of biometric data.

(3) Methods to analyze and address any matching performance errors related to race, gender, or age identified by the Administrator with respect to the use of biometric technology, including the deployment of facial recognition technology;

(4) With respect to the biometric entry-exit program, the following:

(A) Assessments of—

(i) the error rates, including the rates of false positives and false negatives, and accuracy of biometric technologies;

(ii) the effects of biometric technologies, to ensure that such technologies do not unduly burden categories of travelers, such as a certain race, gender, or nationality;

(iii) the extent to which and how biometric technologies could address instances of travelers to the United States overstaying their visas, including—

(I) an estimate of how often biometric matches are contained in an existing database;

(II) an estimate of the rate at which travelers using fraudulent credentials identifications are accurately rejected; and

(III) an assessment of what percentage of the detection of fraudulent identifications could have been accomplished using conventional methods;

(iv) the effects on privacy of the use of biometric technologies, including methods to mitigate any risks to privacy identified by the Administrator or the Commissioner of U.S. Customs and Border Protection related to the active or passive collection of biometric data; and

(v) the number of individuals who stay in the United States after the expiration of their visas each year.

(B) A description of—

(i) all audits performed to assess—

(I) error rates in the use of biometric technologies; or

(II) whether the use of biometric technologies and error rates in the use of such technologies disproportionately affect a certain race, gender, or nationality; and

(ii) the results of the audits described in clause (i).

(C) A description of the process by which domestic travelers are able to opt-out of scanning using biometric technologies.

(D) A description of—

(i) what traveler data is collected through scanning using biometric technologies, what agencies have access to such data, and how long the agencies possess such data;

(ii) specific actions that the Department and other relevant Federal departments and agencies take to safeguard such data; and

(iii) a short-term goal for the prompt deletion of the data of individual United States citizens after such data is used to verify traveler identities.

(d) PUBLICATION OF ASSESSMENTS.—The Secretary, the Administrator, and the Commissioner shall, if practicable, publish a public version of the assessment required by subsection (c)(2) on the Internet website of the TSA and of the U.S. Customs and Border Protection.

49 USC 44903 note.

SEC. 1920. PILOT PROGRAM FOR AUTOMATED EXIT LANE TECHNOLOGY.

(a) IN GENERAL.—Not later than 90 days after the date of enactment of this Act, the Administrator shall establish a pilot program to implement and evaluate the use of automated exit lane technology at small hub airports and nonhub airports (as those terms are defined in section 40102 of title 49, United States Code).

(b) PARTNERSHIP.—The Administrator shall carry out the pilot program in partnership with the applicable airport directors.

(c) COST SHARE.—The Federal share of the cost of the pilot program under this section shall not exceed 85 percent of the total cost of the program.

(d) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to carry out the pilot program under this section $15,000,000 for each of fiscal years 2019 through 2021.

(e) GAO REPORT.—Not later than 2 years after the date the pilot program is implemented, the Comptroller General of the United States shall submit to the appropriate committees of Congress a report on the pilot program, including—

(1) the extent of airport participation in the pilot program and how the program was implemented;

(2) the results of the pilot program and any reported benefits, including the impact on security and any cost-related efficiencies realized by TSA or at the participating airports; and

(3) the feasibility of expanding the pilot program to additional airports, including to medium and large hub airports.

SEC. 1921. AUTHORIZATION OF APPROPRIATIONS; EXIT LANE SECURITY.

There is authorized to be appropriated to carry out section 44903(n)(1) of title 49, United States Code, $77,000,000 for each of fiscal years 2019 through 2021.

SEC. 1922. REAL-TIME SECURITY CHECKPOINT WAIT TIMES.

49 USC 44901 note.

(a) IN GENERAL.—Not later than 18 months after the date of enactment of this Act, the Administrator shall make available to the public information on wait times at each airport security checkpoint at which security screening operations are conducted or overseen by the TSA.

(b) REQUIREMENTS.—The information described in subsection (a) shall be provided in real time via technology and published—

(1) online; and

(2) in physical locations at applicable airport terminals.

(c) CONSIDERATIONS.—The Administrator shall only make the information described in subsection (a) available to the public if it can do so in a manner that does not increase public area security risks.

(d) DEFINITION OF WAIT TIME.—In this section, the term "wait time" means the period beginning when a passenger enters a queue for a screening checkpoint and ending when that passenger exits the checkpoint.

SEC. 1923. GAO REPORT ON DEPLOYMENT OF SCREENING TECHNOLOGIES ACROSS AIRPORTS.

(a) STUDY.—The Comptroller General of the United States shall conduct a study whether the TSA allocates resources, including advanced imaging and computed tomography technologies, appropriately based on risk at Category X, I, II, III, and IV airports at which security screening operations are conducted or overseen by the TSA.

(b) COST ANALYSIS.—As a part of the study conducted under subsection (a), the Comptroller General shall analyze the costs allocated or incurred by the TSA at Category X, I, II, III, and IV airports—

(1) to purchase and deploy screening equipment and other assets, including advanced imaging and computed tomography technologies, at Category X, I, II, III, and IV airports;

(2) to install such equipment, including any related variant, and assets in the airport; and

(3) to maintain such equipment and assets.

(c) REPORT.—Not later than 1 year after the date of enactment of this Act, the Comptroller General shall submit to the appropriate committees of Congress a report on the findings of the study under subsection (a).

49 USC 44901 note.

SEC. 1924. SCREENING TECHNOLOGY REVIEW AND PERFORMANCE OBJECTIVES.

(a) REVIEW OF TECHNOLOGY ACQUISITIONS PROCESS.—

(1) IN GENERAL.—Not later than 180 days after the date of enactment of this Act, the Administrator, in coordination with relevant officials of the Department, shall conduct a review of existing advanced transportation security screening technology testing and evaluation, acquisitions, and procurement practices within TSA.

(2) CONTENTS.—Such review shall include—

(A) identifying process delays and obstructions within the Department and the Administration regarding how such technology is identified, tested and evaluated, acquired, and deployed;

(B) assessing whether the TSA can better leverage existing resources or processes of the Department for the purposes of technology testing and evaluation;

(C) assessing whether the TSA can further encourage innovation and competition among technology stakeholders, including through increased participation of and funding for small business concerns (as such term is described under section 3 of the Small Business Act (15 U.S.C. 632));

(D) identifying best practices of other Department components or United States Government entities; and

(E) a plan to address any problems or challenges identified by such review.

(b) BRIEFING.—The Administrator shall provide to the appropriate committees of Congress a briefing on the findings of the review required under this section and a plan to address any problems or challenges identified by such review.

(c) ACQUISITIONS AND PROCUREMENT ENHANCEMENT.—Incorporating the results of the review in subsection (a), the Administrator shall—

(1) engage in outreach, coordination, and collaboration with transportation stakeholders to identify and foster innovation of new advanced transportation security screening technologies;

(2) streamline the overall technology development, testing, evaluation, acquisitions, procurement, and deployment processes of the Administration; and

(3) ensure the effectiveness and efficiency of such processes.

(d) ASSESSMENT.—The Secretary, in consultation with the Chief Privacy Officer of the Department, shall submit to the appropriate committees of Congress a compliance assessment of the TSA acquisition process relating to the health and safety risks associated with implementation of screening technologies.

(e) PERFORMANCE OBJECTIVES.—The Administrator shall establish performance objectives for the testing and verification of security technology, including testing and verification conducted by

appropriate third parties under section 1911, to ensure that progress is made, at a minimum, toward—

(1) reducing time for each phase of testing while maintaining security (including testing for detection testing, operational testing, testing and verification framework, and field testing);

(2) eliminating testing and verification delays; and

(3) increasing accountability.

(f) TRACKING.—

(1) IN GENERAL.—In carrying out subsection (e), the Administrator shall establish and continually track performance metrics for each type of security technology submitted for testing and verification, including testing and verification conducted by appropriate third parties under section 1911.

(2) MEASURING PROGRESS TOWARD GOALS.—The Administrator shall use the metrics established and tracked under paragraph (1) to generate data on an ongoing basis and to measure progress toward the achievement of the performance objectives established under subsection (e).

(3) REPORT REQUIRED.—

(A) IN GENERAL.—Not later than 2 years after the date of enactment of this Act, the Administrator shall submit to the appropriate committees of Congress a report assessing the extent to which the performance objectives established under subsection (e), as measured by the performance metrics established and tracked under paragraph (1) of this subsection, have been met.

(B) ELEMENTS.—The report required by subparagraph (A) shall include—

(i) a list of the performance metrics established under paragraph (1), including the length of time for each phase of testing and verification for each type of security technology; and

(ii) a comparison of the progress achieved for testing and verification of security technology conducted by the TSA and the testing and verification of security technology conducted by third parties.

(C) PROPRIETARY INFORMATION.—The report required by subparagraph (A) shall—

(i) not include identifying information regarding an individual or entity or equipment; and

(ii) protect proprietary information.

(g) INFORMATION TECHNOLOGY SECURITY.—Not later than 90 days after the date of enactment of this Act, the Administrator shall submit to the appropriate committees of Congress a plan to conduct recurring reviews of the operational, technical, and management security controls for Administration information technology systems at airports.

SEC. 1925. COMPUTED TOMOGRAPHY PILOT PROGRAMS.

49 USC 44901 note.

(a) IN GENERAL.—Not later than 90 days after the date of enactment of this Act, the Administrator shall carry out a pilot program to test the use of screening equipment using computed tomography technology to screen baggage at passenger screening checkpoints at airports.

(b) FEASIBILITY STUDY.—

(1) IN GENERAL.—Not later than 120 days after the date of enactment of this Act, the Administrator, in coordination with the Under Secretary for Science and Technology of the Department, shall submit to the appropriate committees of Congress a feasibility study regarding expanding the use of computed tomography technology for the screening of air cargo transported on passenger aircraft operated by an air carrier or foreign air carrier in air transportation, interstate air transportation, or interstate air commerce.

(2) CONSIDERATIONS.—In conducting the feasibility study under paragraph (1), the Administrator shall consider the following:

(A) Opportunities to leverage computed tomography systems used for screening passengers and baggage.

(B) Costs and benefits of using computed tomography technology for screening air cargo.

(C) An analysis of emerging computed tomography systems that may have potential to enhance the screening of air cargo, including systems that may address aperture challenges associated with screening certain categories of air cargo.

(D) An analysis of emerging screening technologies, in addition to computed tomography, that may be used to enhance the screening of air cargo.

(c) PILOT PROGRAM.—Not later than 120 days after the date the feasibility study is submitted under subsection (b), the Administrator shall initiate a 2-year pilot program to achieve enhanced air cargo security screening outcomes through the use of new or emerging screening technologies, such as computed tomography technology, as identified through such study.

(d) UPDATES.—Not later than 60 days after the date the pilot program under subsection (c) is initiated, and biannually thereafter for 2 years, the Administrator shall brief the appropriate committees of Congress on the progress of implementation of such pilot program.

(e) DEFINITIONS.—In this section:

(1) AIR CARRIER.—The term "air carrier" has the meaning given the term in section 40102 of title 49, United States Code.

(2) AIR TRANSPORTATION.—The term "air transportation" has the meaning given the term in section 40102 of title 49, United States Code.

(3) FOREIGN AIR CARRIER.—The term "foreign air carrier" has the meaning given the term in section 40102 of title 49, United States Code.

(4) INTERSTATE AIR COMMERCE.—The term "interstate air commerce" has the meaning given the term in section 40102 of title 49, United States Code.

(5) INTERSTATE AIR TRANSPORTATION.—The term "interstate air transportation" has the meaning given the term in section 40102 of title 49, United States Code.

Subtitle C—Public Area Security

6 USC 1116 note.

SEC. 1926. DEFINITIONS.

In this subtitle:

(1) BEHAVIORAL STANDARDS.—The term "behavioral standards" means standards for the evaluation of explosives detection working canines for certain factors, including canine temperament, work drive, suitability for training, environmental factors used in evaluations, and canine familiarity with natural or man-made surfaces or working conditions relevant to the canine's expected work area.

(2) MEDICAL STANDARDS.—The term "medical standards" means standards for the evaluation of explosives detection working canines for certain factors, including canine health, management of heredity health conditions, breeding practices, genetics, pedigree, and long-term health tracking.

(3) TECHNICAL STANDARDS.—The term "technical standards" means standards for the evaluation of explosives detection working canines for certain factors, including canine search techniques, handler-canine communication, detection testing conditions and logistics, and learned explosive odor libraries.

SEC. 1927. EXPLOSIVES DETECTION CANINE CAPACITY BUILDING. 6 USC 1116 note.

(a) IN GENERAL.—Not later than 90 days after the date of enactment of this Act, the Administrator shall establish a working group to determine ways to support decentralized, non-Federal domestic canine breeding capacity to produce high quality explosives detection canines and modernize canine training standards.

(b) WORKING GROUP COMPOSITION.—The working group established under subsection (a) shall be comprised of representatives from the following:

(1) The TSA.

(2) The Science and Technology Directorate of the Department.

(3) National domestic canine associations with expertise in breeding and pedigree.

(4) Universities with expertise related to explosives detection canines and canine breeding.

(5) Domestic canine breeders and vendors.

(c) CHAIRPERSONS.—The Administrator shall approve of 2 individuals from among the representatives of the working group specified in subsection (b) to serve as the Chairpersons of the working group as follows:

(1) One Chairperson shall be from an entity specified in paragraph (1) or (2) of that subsection.

(2) One Chairperson shall be from an entity specified in paragraph (3), (4), or (5) of that subsection.

(d) PROPOSED STANDARDS AND RECOMMENDATIONS.—Not later than 180 days after the date the working group is established under subsection (a), the working group shall submit to the Administrator—

(1) proposed behavioral standards, medical standards, and technical standards for domestic canine breeding and canine training described in that subsection; and

(2) recommendations on how the TSA can engage stakeholders to further the development of such domestic non-Federal canine breeding capacity and training.

(e) STRATEGY.—Not later than 180 days after the date the recommendations are submitted under subsection (d), the Administrator shall develop and submit to the appropriate committees of Congress a strategy for working with non-Federal stakeholders

to facilitate expanded the domestic canine breeding capacity described in subsection (a), based on such recommendations.

(f) CONSULTATION.—In developing the strategy under subsection (e), the Administrator shall consult with the Under Secretary for Science and Technology of the Department, the Commissioner for U.S. Customs and Border Protection, the Director of the United States Secret Service, and the heads of such other Federal departments or agencies as the Administrator considers appropriate to incorporate, to the extent practicable, mission needs across the Department for an expanded non-Federal domestic explosives detection canine breeding capacity that can be leveraged to help meet the Department's operational needs.

(g) TERMINATION.—The working group established under subsection (a) shall terminate on the date that the strategy is submitted under subsection (e), unless the Administrator extends the termination date for the purposes of section 1928.

(h) NONAPPLICABILITY OF FEDERAL ADVISORY COMMITTEE ACT.—The Federal Advisory Committee Act (5 U.S.C. App.) shall not apply to the working group established under this Act.

6 USC 1116 note.

SEC. 1928. THIRD PARTY DOMESTIC CANINES.

(a) IN GENERAL.—Not later than 1 year after the date of enactment of this Act, to enhance the efficiency and efficacy of transportation security by increasing the supply of canine teams for use by the TSA and transportation stakeholders, the Administrator shall develop and issue behavioral standards, medical standards, and technical standards, based on the recommendations of the working group under section 1927, that a third party explosives detection canine must satisfy to be certified for the screening of individuals and property, including detection of explosive vapors among individuals and articles of property, in public areas of an airport under section 44901 of title 49, United States Code.

(b) AUGMENTING PUBLIC AREA SECURITY.—

(1) IN GENERAL.—The Administrator shall develop guidance on the coordination of development and deployment of explosives detection canine teams for use by transportation stakeholders to enhance public area security at transportation hubs, including airports.

(2) CONSULTATION.—In developing the guidance under paragraph (1), the Administrator shall consult with—

(A) the working group established under section 1927;

(B) the officials responsible for carrying out section 1941; and

(C) such transportation stakeholders, canine providers, law enforcement, privacy groups, and transportation security providers as the Administrator considers relevant.

(c) AGREEMENT.—Subject to subsections (d), (e), and (f), not later than 270 days after the issuance of standards under subsection (a), the Administrator shall, to the extent possible, enter into an agreement with at least 1 third party to test and certify the capabilities of canines in accordance with the standards under subsection (a).

(d) EXPEDITED DEPLOYMENT.—In entering into an agreement under subsection (c), the Administrator shall use—

(1) the other transaction authority under section 114(m) of title 49, United States Code; or

(2) such other authority of the Administrator as the Administrator considers appropriate to expedite the deployment of additional canine teams.

(e) PROCESS.—Before entering into an agreement under subsection (c), the Administrator shall—

(1) evaluate and verify the third party's ability to effectively evaluate the capabilities of canines;

(2) designate key elements required for appropriate evaluation venues where third parties may conduct testing; and

(3) periodically assess the program at evaluation centers to ensure the proficiency of the canines beyond the initial testing and certification by the third party.

(f) CONSULTATION.—To determine best practices for the use of third parties to test and certify the capabilities of canines, the Administrator shall consult with the following persons before entering into an agreement under subsection (c):

(1) The Secretary of State.

(2) The Secretary of Defense.

(3) Non-profit organizations that train, certify, and provide the services of canines for various purposes.

(4) Institutions of higher education with research programs related to use of canines for the screening of individuals and property, including detection of explosive vapors among individuals and articles of property.

(g) THIRD PARTY EXPLOSIVES DETECTION CANINE PROVIDER LIST.—

(1) IN GENERAL.—Not later than 90 days after the date the Administrator enters into an agreement under subsection (c), the Administrator shall develop and maintain a list of the names of each third party from which the TSA procures explosive detection canines, including for each such third party the relevant contractual period of performance.

(2) DISTRIBUTION.—The Administrator shall make the list under paragraph (1) available to appropriate transportation stakeholders in such form and manner as the Administrator prescribes.

(h) OVERSIGHT.—The Administrator shall establish a process to ensure appropriate oversight of the certification program and compliance with the standards under subsection (a), including periodic audits of participating third parties.

(i) AUTHORIZATION.—

(1) TSA.—The Administrator shall develop and implement a process for the TSA to procure third party explosives detection canines certified under this section.

(2) AVIATION STAKEHOLDERS.—

(A) IN GENERAL.—The Administrator shall authorize an aviation stakeholder, under the oversight of and in coordination with the Federal Security Director at an applicable airport, to contract with, procure or purchase, and deploy one or more third party explosives detection canines certified under this section to augment public area security at that airport.

(B) APPLICABLE LARGE HUB AIRPORTS.—

(i) IN GENERAL.—Except as provided under subparagraph (ii), notwithstanding any law to the contrary, and subject to the other provisions of this paragraph, an applicable large hub airport may provide

a certified canine described in subparagraph (A) on an in-kind basis to the TSA to be deployed as a passenger screening canine at that airport unless the applicable large hub airport consents to the use of that certified canine elsewhere.

(ii) EXCEPTION.—The Administrator may, on a case-by-case basis, deploy a certified canine described in subparagraph (A) to a transportation facility other than the applicable large hub airport described in clause (i) for not more than 90 days per year if the Administrator—

(I) determines that such deployment is necessary to meet operational or security needs; and

(II) notifies the applicable large hub airport described in clause (i).

(iii) NONDEPLOYABLE CANINES.—Any certified canine provided to the TSA under clause (i) that does not complete training for deployment under that clause shall be the responsibility of the large hub airport unless the TSA agrees to a different outcome.

(C) HANDLERS.—Not later than 30 days before a canine begins training to become a certified canine under subparagraph (B), the airport shall notify the TSA of such training and the Administrator shall assign a TSA canine handler to participate in the training with that canine, as appropriate.

(D) LIMITATION.—The Administrator may not reduce the staffing allocation model for an applicable large hub airport based on that airport's provision of a certified canine under this paragraph.

(j) DEFINITIONS.—In this section:

(1) APPLICABLE LARGE HUB AIRPORT.—The term "applicable large hub airport" means a large hub airport (as defined in section 40102 of title 49, United States Code) that has less than 100 percent of the allocated passenger screening canine teams staffed by the TSA.

(2) AVIATION STAKEHOLDER.—The term "aviation stakeholder" includes an airport, airport operator, and air carrier.

6 USC 1116 note.

SEC. 1929. TRACKING AND MONITORING OF CANINE TRAINING AND TESTING.

Not later than 180 days after the date of enactment of this Act, the Administrator shall use, to the extent practicable, a digital monitoring system for all training, testing, and validation or certification of public and private canine assets utilized or funded by the TSA to facilitate improved review, data analysis, and record keeping of canine testing performance and program administration.

SEC. 1930. VIPR TEAM STATISTICS.

6 USC 1112 note.

(a) VIPR TEAM STATISTICS.—

(1) IN GENERAL.—Not later than 90 days after the date of enactment of this Act, and annually thereafter, the Administrator shall notify the appropriate committees of Congress of the number of VIPR teams available for deployment at transportation facilities, including—

(A) the number of VIPR team operations that include explosive detection canine teams; and

(B) the distribution of VIPR team operations deployed across different modes of transportation.

(2) ANNEX.—The notification under paragraph (1) may contain a classified annex.

(3) DEFINITION OF VIPR TEAM.—In this subsection, the term "VIPR" means a Visible Intermodal Prevention and Response team authorized under section 1303 of the National Transit Systems Security Act of 2007 (6 U.S.C. 1112).

(b) AUTHORIZATION OF VIPR TEAMS.—Section 1303(b) of the National Transit Systems Security Act of 2007 (6 U.S.C. 1112(b)) is amended by striking "to the extent appropriated, including funds to develop not more than 60 VIPR teams, for fiscal years 2016 through 2018" and inserting "such sums as necessary, including funds to develop at least 30, but not more than 60, VIPR teams, for fiscal years 2019 through 2021".

SEC. 1931. PUBLIC AREA SECURITY WORKING GROUP. 49 USC 114 note.

(a) DEFINITIONS.—In this section:

(1) PUBLIC AND PRIVATE STAKEHOLDERS.—The term "public and private stakeholders" has the meaning given the term in section 114(t)(1)(C) of title 49, United States Code.

(2) SURFACE TRANSPORTATION ASSET.—The term "surface transportation asset" includes—

(A) facilities, equipment, or systems used to provide transportation services by—

(i) a public transportation agency (as the term is defined in section 1402 of the Implementing Recommendations of the 9/11 Commission Act of 2007 (6 U.S.C. 1131));

(ii) a railroad carrier (as the term is defined in section 20102 of title 49, United States Code);

(iii) an owner or operator of—

(I) an entity offering scheduled, fixed-route transportation services by over-the road bus (as the term is defined in section 1501 of the Implementing Recommendations of the 9/11 Commission Act of 2007 (6 U.S.C. 1151)); or

(II) a bus terminal; or

(B) other transportation facilities, equipment, or systems, as determined by the Secretary.

(b) PUBLIC AREA SECURITY WORKING GROUP.—

(1) WORKING GROUP.—The Administrator, in coordination with the National Protection and Programs Directorate, shall establish a working group to promote collaborative engagement between the TSA and public and private stakeholders to develop non-binding recommendations for enhancing security in public areas of transportation facilities (including facilities that are surface transportation assets), including recommendations regarding the following:

(A) Information sharing and interoperable communication capabilities among the TSA and public and private stakeholders with respect to terrorist or other threats.

(B) Coordinated incident response procedures.

(C) The prevention of terrorist attacks and other incidents through strategic planning, security training, exercises and drills, law enforcement patrols, worker vetting, and suspicious activity reporting.

(D) Infrastructure protection through effective construction design barriers and installation of advanced surveillance and other security technologies.

(2) ANNUAL REPORT.—

(A) IN GENERAL.—Not later than 1 year after the date the working group is established under paragraph (1), the Administrator shall submit to the appropriate committee of Congress a report, covering the 12-month period preceding the date of the report, on—

(i) the organization of the working group;

(ii) the activities of the working group;

(iii) the participation of the TSA and public and private stakeholders in the activities of the working group;

(iv) the findings of the working group, including any recommendations.

(B) PUBLICATION.—The Administrator may publish a public version of such report that describes the activities of the working group and such related matters as would be informative to the public, consistent with section 552(b) of title 5, United States Code.

(3) NONAPPLICABILITY OF FACA.—The Federal Advisory Committee Act (5 U.S.C. App.) shall not apply to the working group established under subsection (a) or any subcommittee thereof.

(c) TECHNICAL ASSISTANCE.—

(1) IN GENERAL.—The Secretary shall—

(A) inform owners and operators of surface transportation assets about the availability of technical assistance, including vulnerability assessment tools and cybersecurity guidelines, to help protect and enhance the resilience of public areas of such assets; and

(B) upon request, and subject to the availability of appropriations, provide such technical assistance to owners and operators of surface transportation assets.

(2) BEST PRACTICES.—Not later than 1 year after the date of enactment of this Act, and periodically thereafter, the Secretary shall publish on the Department website and widely disseminate, as appropriate, current best practices for protecting and enhancing the resilience of public areas of transportation facilities (including facilities that are surface transportation assets), including associated frameworks or templates for implementation.

(d) REVIEW.—

(1) IN GENERAL.—Not later than 1 year after the date of enactment of this Act, the Administrator shall—

(A) review of regulations, directives, policies, and procedures issued by the Administrator regarding the transportation of a firearm and ammunition; and

(B) submit to the appropriate committees of Congress a report on the findings of the review under subparagraph (A), including, as appropriate, information on any plans to modify any regulation, directive, policy, or procedure based on the review.

(2) CONSULTATION.—In preparing the report under paragraph (1), the Administrator shall consult with—

(A) ASAC;

(B) the Surface Transportation Security Advisory Committee under section 404 of the Homeland Security Act of 2002; and

(C) appropriate public and private stakeholders.

SEC. 1932. PUBLIC AREA BEST PRACTICES. 49 USC 114 note.

(a) IN GENERAL.—The Administrator shall, in accordance with law and as received or developed, periodically submit information, on any best practices developed by the TSA or appropriate transportation stakeholders related to protecting the public spaces of transportation infrastructure from emerging threats, to the following:

(1) Federal Security Directors at airports.

(2) Appropriate security directors for other modes of transportation.

(3) Other appropriate transportation security stakeholders.

(b) INFORMATION SHARING.—The Administrator shall, in accordance with law—

(1) in coordination with the Office of the Director of National Intelligence and industry partners, implement improvements to the Air Domain Intelligence and Analysis Center to encourage increased participation from stakeholders and enhance government and industry security information sharing on transportation security threats, including on cybersecurity threat awareness;

(2) expand and improve the City and Airport Threat Assessment or similar program to public and private stakeholders to capture, quantify, communicate, and apply applicable intelligence to inform transportation infrastructure mitigation measures, such as—

(A) quantifying levels of risk by airport that can be used to determine risk-based security mitigation measures at each location; and

(B) determining random and surge employee inspection operations based on changing levels of risk;

(3) continue to disseminate Transportation Intelligence Notes, tear-lines, and related intelligence products to appropriate transportation security stakeholders on a regular basis; and

(4) continue to conduct both regular routine and threat-specific classified briefings between the TSA and appropriate transportation sector stakeholders on an individual or group basis to provide greater information sharing between public and private sectors.

(c) MASS NOTIFICATION.—The Administrator shall encourage security stakeholders to utilize mass notification systems, including the Integrated Public Alert Warning System of the Federal Emergency Management Agency and social media platforms, to disseminate information to transportation community employees, travelers, and the general public, as appropriate.

(d) PUBLIC AWARENESS PROGRAMS.—The Secretary, in coordination with the Administrator, shall expand public programs of the Department of Homeland Security and the TSA that increase security threat awareness, education, and training to include transportation network public area employees, including airport and transportation vendors, local hotels, cab and limousine companies,

ridesharing companies, cleaning companies, gas station attendants, cargo operators, and general aviation members.

SEC. 1933. AIRPORT WORKER ACCESS CONTROLS COST AND FEASIBILITY STUDY.

(a) IN GENERAL.—Not later than 1 year after the date of enactment of this Act, the Administrator, in consultation with ASAC, shall submit to the Comptroller General of the United States and the appropriate committees of Congress a study examining the shared cost and feasibility to airports, airlines, and the TSA of implementing enhanced employee inspection measures at all access points between non-secured areas and secured areas at a statistically significant number of Category I, II, III, IV, and X airports.

(b) ASSESSMENT.—To the extent practicable, in conducting the study, the Administrator shall assess the cost, operational efficiency, and security effectiveness of requiring all employees to present for inspection at every access point between non-secured areas and secured areas of airports, and of deploying some or all of the following screening measures and technologies:

(1) A secure door utilizing card and pin entry or biometric technology.

(2) Surveillance video recording capable of storing video data for at least 30 days.

(3) Advanced screening technologies, including at least 1 of the following:

(A) Magnetometer (walk-through or hand-held).

(B) Explosives detection canines.

(C) Explosives trace detection swabbing.

(D) Advanced imaging technology.

(E) X-ray bag screening technology.

(4) The TSA's Advanced Threat Local Allocation Strategy (commonly known as "ATLAS").

(c) CONTENTS.—To the extent practicable, the study under subsection (a) shall include the following:

(1) Costs associated with establishing an operational minimum number of employee entry and exit points.

(2) A comparison of estimated costs and security effectiveness associated with implementing the security features specified in paragraphs (1), (2), (3), and (4) of subsection (b) based on information on the experiences from those category I, II, III, IV, and X airports that have already implemented or piloted enhanced employee inspection measures at access points between non-secured areas and secured areas of airports.

(d) GAO REVIEW.—Not later than 90 days after the date of receipt of the study under subsection (a), the Comptroller General of the United States shall—

(1) review the study to assess the quality and reliability of the study; and

(2) submit to the appropriate committees of Congress a report on the results of the review under paragraph (1).

49 USC 44903 note.

SEC. 1934. SECURING AIRPORT WORKER ACCESS POINTS.

(a) COOPERATIVE EFFORTS TO ENHANCE AIRPORT SECURITY AWARENESS.—Not later than 180 days after the date of enactment of this Act, the Administrator shall consult with air carriers, foreign air carriers, airport operators, and labor unions representing credentialed employees to enhance security awareness of

credentialed airport populations regarding insider threats to aviation security and best practices related to airport access controls.

(b) CREDENTIALING STANDARDS.—Not later than 180 days after the date of enactment of this Act, the Administrator, in consultation with air carriers, foreign air carriers, airport operators, and labor unions representing credentialed employees, shall assess credentialing standards, policies, and practices, including implementation of relevant credentialing updates required under the FAA Extension, Safety, and Security Act of 2016 (Public Law 114–190; 130 Stat. 615), to ensure that insider threats to aviation security are adequately addressed.

(c) SIDA APPLICATIONS.—

(1) SOCIAL SECURITY NUMBERS REQUIRED.—

(A) IN GENERAL.—Not later than 60 days after the date of enactment of this Act, the Administrator shall revise the application submitted by an individual applying for a credential granting access to the Secure Identification Area of an airport to require the social security number of such individual in order to strengthen security vetting effectiveness.

(B) FAILURE TO PROVIDE NUMBER.—An applicant who does not provide such applicant's social security number may be denied such a credential.

(2) SCREENING NOTICE.—The Administrator shall issue requirements for an airport operator to include in each application for access to a Security Identification Display Area notification to the applicant that an employee holding a credential granting access to a Security Identification Display Area may be screened at any time while gaining access to, working in, or leaving a Security Identification Display Area.

(d) SECURED AND STERILE AREAS OF AIRPORTS.—The Administrator shall consult with airport operators and airline operators to identify advanced technologies, including biometric identification technologies, that could be used for securing employee access to the secured areas and sterile areas of airports.

(e) RAP BACK VETTING .—Not later than 180 days after the date of enactment of this Act, the Administrator shall identify and submit to the appropriate committees of Congress the number of credentialed aviation worker populations at airports that are continuously vetted through the Federal Bureau of Investigation's Rap Back Service, consistent with section 3405(b)(2) of the FAA Extension, Safety, and Security Act of 2016 (49 U.S.C. 44901 note).

(f) INSIDER THREAT EDUCATION AND MITIGATION.—Not later than 180 days after the date of enactment of this Act, the Administrator shall identify means of enhancing the TSA's ability to leverage the resources of the Department and the intelligence community (as defined in section 3 of the National Security Act of 1947 (50 U.S.C. 3003)) to educate Administration personnel on insider threats to aviation security and how the TSA can better mitigate such insider threats.

(g) EMPLOYEE INSPECTIONS.—Consistent with the FAA Extension, Safety, and Security Act of 2016 (Public Law 114–190; 130 Stat. 615), the Administrator shall ensure that TSA-led, random employee physical inspection efforts of aviation workers are targeted, strategic, and focused on providing the greatest level of security effectiveness.

(h) COVERT TESTING.—

(1) IN GENERAL.—Consistent with the FAA Extension, Safety, and Security Act of 2016 (Public Law 114–190; 130 Stat. 615), the Administrator shall continue to conduct covert testing of TSA-led employee inspection operations at airports and measure existing levels of security effectiveness.

(2) REQUIREMENTS.—The Administrator shall provide—

(A) the results of such testing to—

(i) the airport operator for the airport that is the subject of any such testing; and

(ii) as appropriate, to air carriers and foreign air carriers that operate at the airport that is the subject of such testing; and

(B) recommendations and technical assistance for air carriers, foreign air carriers, and airport operators to conduct their own employee inspections, as needed.

(3) ANNUAL REPORTING.—The Administrator shall for each of fiscal years 2019 through 2021, submit to the appropriate committees of Congress a report on the frequency, methodology, strategy, and effectiveness of employee inspection operations at airports.

(i) CENTRALIZED DATABASE.—

(1) IN GENERAL.—Not later than 180 days after the date of enactment of this Act, the Administrator, in consultation with ASAC, shall—

(A) subject to paragraph (2), establish a national, centralized database of the names of each individual who—

(i) has had an airport-issued badge revoked for failure to comply with aviation security requirements; or

(ii) has had an aircraft operator-issued badge revoked for failure to comply with aviation security requirements;

(B) determine the appropriate reporting mechanisms for air carriers, foreign air carriers, and airport operators—

(i) to submit to the Administration data regarding an individual described in subparagraph (A); and

(ii) to access the database; and

(C) establish a process to allow an individual whose name is mistakenly entered into the database to correct the record and have the individual's name expunged from the database.

(2) LIMITATION.—The database shall not include the name of any individual whose badge has been revoked as a result of a termination or cessation of employment unrelated to—

(A) a violation of a security requirement; or

(B) a determination that the individual poses a threat to aviation security.

49 USC 44903 note.

SEC. 1935. LAW ENFORCEMENT OFFICER REIMBURSEMENT PROGRAM.

(a) IN GENERAL.—In accordance with section 44903(c)(1) of title 49, United States Code, the Administrator shall increase the number of awards, and the total funding amount of each award, under the Law Enforcement Officer Reimbursement Program—

(1) to increase the presence of law enforcement officers in the public areas of airports, including baggage claim, ticket counters, and nearby roads;

(2) to increase the presence of law enforcement officers at screening checkpoints;

(3) to reduce the response times of law enforcement officers during security incidents; and

(4) to provide visible deterrents to potential terrorists.

(b) COOPERATION BY ADMINISTRATOR.—In carrying out subsection (a), the Administrator shall use the authority provided to the Administrator under section 114(m) of title 49, United States Code, that is the same authority as is provided to the Administrator of the Federal Aviation Administration under section 106(m) of that title.

(c) ADMINISTRATIVE BURDENS.—The Administrator shall review the regulations and compliance policies related to the Law Enforcement Officer Reimbursement Program and, if necessary, revise such regulations and policies to reduce any administrative burdens on applicants or recipients of such awards.

(d) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to carry out section 44901(h) of title 49, United States Code, $55,000,000 for each of fiscal years 2019 through 2021.

SEC. 1936. AIRPORT PERIMETER AND ACCESS CONTROL SECURITY.

49 USC 44903 note.

(a) RISK ASSESSMENTS OF AIRPORT SECURITY.—

(1) IN GENERAL.—The Administrator shall—

(A) not later than 180 days after the date of enactment of this Act, update the Transportation Sector Security Risk Assessment (referred to in this section as the "TSSRA"); and

(B) not later than 90 days after the date the TSSRA is updated under subparagraph (A)—

(i) update with the most currently available intelligence information the Comprehensive Risk Assessment of Perimeter and Access Control Security (referred to in this section as the "Risk Assessment of Airport Security");

(ii) establish a regular schedule for periodic updates to the Risk Assessment of Airport Security; and

(iii) conduct a system-wide assessment of airport access control points and airport perimeter security.

(2) CONTENTS.—The security risk assessments required under paragraph (1)(B) shall—

(A) include updates reflected in the TSSRA and Joint Vulnerability Assessment findings;

(B) reflect changes to the risk environment relating to airport access control points and airport perimeters;

(C) use security event data for specific analysis of system-wide trends related to airport access control points and airport perimeter security to better inform risk management decisions; and

(D) consider the unique geography of and current best practices used by airports to mitigate potential vulnerabilities.

(3) REPORT.—The Administrator shall report the results of the TSSRA and Risk Assessment of Airport Security under paragraph (1) to—

(A) the appropriate committees of Congress;

(B) relevant Federal departments and agencies; and
(C) airport operators.

(b) AIRPORT SECURITY STRATEGY DEVELOPMENT.—

(1) IN GENERAL.—Not later than 90 days after the date of enactment of this Act, the Administrator shall update the 2012 National Strategy for Airport Perimeter and Access Control Security (referred to in this section as the "National Strategy").

(2) CONTENTS.—The update to the National Strategy shall include—

(A) information from the Risk Assessment of Airport Security; and

(B) information on—

(i) airport security-related activities;

(ii) the status of TSA efforts to address the objectives of the National Strategy;

(iii) finalized outcome-based performance measures and performance levels for—

(I) each activity described in clause (i); and

(II) each objective described in clause (ii); and

(iv) input from airport operators.

(3) UPDATES.—Not later than 90 days after the date the update to the National Strategy is complete, the Administrator shall establish a regular schedule for determining if and when additional updates to the strategy under paragraph (1) are necessary.

Subtitle D—Passenger and Cargo Security

SEC. 1937. PRECHECK PROGRAM.

(a) IN GENERAL.—Section 44919 is amended to read as follows:

"§ 44919. PreCheck Program

"(a) IN GENERAL.—The Administrator of the Transportation Security Administration shall continue to administer the PreCheck Program in accordance with section 109(a)(3) of the Aviation and Transportation Security Act (49 U.S.C. 114 note).

"(b) EXPANSION.—Not later than 180 days after the date of enactment of the TSA Modernization Act, the Administrator shall enter into an agreement, using other transaction authority under section 114(m) of this title, with at least 2 private sector entities to increase the methods and capabilities available for the public to enroll in the PreCheck Program.

"(c) MINIMUM CAPABILITY REQUIREMENTS.—At least 1 agreement under subsection (b) shall include the following capabilities:

"(1) Start-to-finish secure online or mobile enrollment capability.

"(2) Vetting of an applicant by means other than biometrics, such as a risk assessment, if—

"(A) such means—

"(i) are evaluated and certified by the Secretary of Homeland Security;

"(ii) meet the definition of a qualified anti-terrorism technology under section 865 of the Homeland Security Act of 2002 (6 U.S.C. 444); and

"(iii) are determined by the Administrator to provide a risk assessment that is as effective as a fingerprint-based criminal history records check conducted through the Federal Bureau of Investigation with respect to identifying individuals who are not qualified to participate in the PreCheck Program due to disqualifying criminal history; and

"(B) with regard to private sector risk assessments, the Secretary has certified that reasonable procedures are in place with regard to the accuracy, relevancy, and proper utilization of information employed in such risk assessments.

"(d) ADDITIONAL CAPABILITY REQUIREMENTS.—At least 1 agreement under subsection (b) shall include the following capabilities:

"(1) Start-to-finish secure online or mobile enrollment capability.

"(2) Vetting of an applicant by means of biometrics if the collection—

"(A) is comparable with the appropriate and applicable standards developed by the National Institute of Standards and Technology;

"(B) protects privacy and data security, including that any personally identifiable information is collected, retained, used, and shared in a manner consistent with section 552a of title 5, United States Code (commonly known as 'Privacy Act of 1974'), and with agency regulations;

"(C) is evaluated and certified by the Secretary of Homeland Security; and

"(D) is determined by the Administrator to provide a risk assessment that is as effective as a fingerprint-based criminal history records check conducted through the Federal Bureau of Investigation with respect to identifying individuals who are not qualified to participate in the PreCheck Program due to disqualifying criminal history.

"(e) TARGET ENROLLMENT.—Subject to subsections (b), (c), and (d), the Administrator shall take actions to expand the total number of individuals enrolled in the PreCheck Program as follows:

"(1) 7,000,000 passengers before October 1, 2019.

"(2) 10,000,000 passengers before October 1, 2020.

"(3) 15,000,000 passengers before October 1, 2021.

"(f) MARKETING OF PRECHECK PROGRAM.—Not later than 90 days after the date of enactment of the TSA Modernization Act, the Administrator shall—

"(1) enter into at least 2 agreements, using other transaction authority under section 114(m) of this title, to market the PreCheck Program; and

"(2) implement a long-term strategy for partnering with the private sector to encourage enrollment in such program.

"(g) IDENTITY VERIFICATION ENHANCEMENT.—The Administrator shall—

"(1) coordinate with the heads of appropriate components of the Department to leverage Department-held data and technologies to verify the identity and citizenship of individuals enrolling in the PreCheck Program;

"(2) partner with the private sector to use biometrics and authentication standards, such as relevant standards developed by the National Institute of Standards and Technology, to facilitate enrollment in the program; and

"(3) consider leveraging the existing resources and abilities of airports to collect fingerprints for use in background checks to expedite identity verification.

"(h) PRECHECK PROGRAM LANES OPERATION.—The Administrator shall—

"(1) ensure that PreCheck Program screening lanes are open and available during peak and high-volume travel times at appropriate airports to individuals enrolled in the PreCheck Program; and

"(2) make every practicable effort to provide expedited screening at standard screening lanes during times when PreCheck Program screening lanes are closed to individuals enrolled in the program in order to maintain operational efficiency.

"(i) ELIGIBILITY OF MEMBERS OF THE ARMED FORCES FOR EXPEDITED SECURITY SCREENING.—

"(1) IN GENERAL.—Subject to paragraph (3), an individual specified in paragraph (2) is eligible for expedited security screening under the PreCheck Program.

"(2) INDIVIDUALS SPECIFIED.—An individual specified in this subsection is any of the following:

"(A) A member of the Armed Forces, including a member of a reserve component or the National Guard.

"(B) A cadet or midshipman of the United States Military Academy, the United States Naval Academy, the United States Air Force Academy, or the United States Coast Guard Academy.

"(C) A family member of an individual specified in subparagraph (A) or (B) who is younger than 12 years old and accompanying the individual.

"(3) IMPLEMENTATION.—The eligibility of an individual specified in paragraph (2) for expedited security screening under the PreCheck Program is subject to such policies and procedures as the Administrator may prescribe to carry out this subsection, in consultation with the Secretary of Defense and, with respect to the United States Coast Guard, the Commandant of the United States Coast Guard.

"(j) VETTING FOR PRECHECK PROGRAM PARTICIPANTS.—The Administrator shall initiate an assessment to identify any security vulnerabilities in the vetting process for the PreCheck Program, including determining whether subjecting PreCheck Program participants to recurrent fingerprint-based criminal history records checks, in addition to recurrent checks against the terrorist watchlist, could be done in a cost-effective manner to strengthen the security of the PreCheck Program.

"(k) ASSURANCE OF SEPARATE PROGRAM.—In carrying out this section, the Administrator shall ensure that the additional private sector application capabilities under subsections (b), (c), and (d) are undertaken in addition to any other related TSA program, initiative, or procurement, including the Universal Enrollment Services program.

"(l) EXPENDITURE OF FUNDS.—Any Federal funds expended by the Administrator to expand PreCheck Program enrollment shall

be expended in a manner that includes the requirements of this section.".

(b) TECHNICAL AND CONFORMING AMENDMENTS.—

(1) REPEAL.—Subtitle A of title III of the FAA Extension, Safety, and Security Act of 2016 (49 U.S.C. 44901 note) and the items relating to that subtitle in the table of contents of that Act are repealed.

(2) TABLE OF CONTENTS.—The table of contents of chapter 449 is amended by amending the item relating to section 44919 to read as follows:

49 USC prec. 44901.

"44919. PreCheck Program.".

(3) SCREENING PASSENGERS AND PROPERTY.—Section 44901(a) is amended by striking "44919 or".

SEC. 1938. PRECHECK EXPEDITED SCREENING.

49 USC 44919 note.

(a) IN GENERAL.—Not later than 18 months after the date of enactment of this Act, the Administrator shall ensure that only a traveler who is a member of a trusted traveler program specified in subsection (b) is permitted to use a TSA PreCheck security screening lane at a passenger screening checkpoint.

(b) TRUSTED TRAVELER PROGRAMS SPECIFIED.—A trusted traveler program specified in this subsection is any of the following:

(1) The PreCheck Program under section 44919 of title 49, United States Code.

(2) Any other program implemented by the TSA under section 109(a)(3) of the Aviation and Transportation Security Act (49 U.S.C. 114 note).

(3) Any other United States Government program that issues a unique identifier, such as a known traveler number, that the TSA accepts as validating that the individual holding such identifier is a member of a known low-risk population.

(c) EXEMPTIONS.—Nothing in this section shall affect—

(1) the authority of the Administrator, under section 44927 of title 49, United States Code, to carry out expedited screening for members of the Armed Forces with disabilities or severe injuries or veterans with disabilities or severe injuries; or

(2) the Honor Flight program under section 44928 of that title.

(d) LOW-RISK TRAVELERS.—Any traveler who is determined by the Administrator to be low risk based on the traveler's age and who is not a member of a trusted traveler program specified in subsection (b) shall be permitted to utilize TSA PreCheck security screening lanes at Transportation Security Administration checkpoints when traveling on the same reservation as a member of such a program.

(e) RISK MODIFIED SCREENING.—

(1) PILOT PROGRAM.—Not later than 60 days after the date of enactment of this Act and subject to paragraph (2), the Administrator shall commence a pilot program regarding a risk modified screening protocol for lanes other than designated TSA PreCheck security screening lanes at passenger screening checkpoints, in airports of varying categories, to further segment passengers based on risk.

(2) ELIGIBILITY.—Only a low-risk passenger shall be eligible to participate in the risk modified screening pilot program under paragraph (1).

(3) DEFINITION OF LOW-RISK PASSENGER.—In this subsection, the term "low-risk passenger" means a passenger who—

(A) meets a risk-based, intelligence-driven criteria prescribed by the Administrator; or

(B) undergoes a canine enhanced screening upon arrival at the passenger screening checkpoint.

(4) TERMINATION.—The pilot program shall terminate on the date that is 120 days after the date it commences under paragraph (1).

(5) BRIEFING.—Not later than 30 days after the termination date under paragraph (4), the Administrator shall brief the appropriate committees of Congress on the findings of the pilot program, including—

(A) information relating to the security effectiveness and passenger facilitation effectiveness of the risk modified screening protocol;

(B) a determination regarding whether the risk modified screening protocol was effective; and

(C) if the Administrator determined that the protocol was effective, a plan for the deployment of the protocol at as many TSA passenger screening checkpoints as practicable.

(6) IMPLEMENTATION.—In determining whether deployment of the protocol at a TSA passenger screening checkpoint at an airport is practicable, the Administrator shall consider—

(A) the level of risk at the airport;

(B) the available space at the airport;

(C) passenger throughput levels at the airport;

(D) the checkpoint configuration at the airport; and

(E) adequate resources to appropriately serve passengers in TSA PreCheck security screening lanes at the passenger screening checkpoint.

(f) WORKING GROUP.—

(1) IN GENERAL.—In carrying out subsection (e), the Administrator shall establish a working group to advise the Administrator on the development of plans for the deployment of the protocol at TSA passenger screening checkpoints, other than designated TSA PreCheck security screening lanes, in the most effective and efficient manner practicable.

(2) MEMBERS.—The working group shall be comprised of representatives of Category X, I, II, III, and IV airports and air carriers (as the term is defined in section 40102 of title 49, United States Code).

(3) NONAPPLICABILITY OF FACA.—The Federal Advisory Committee Act (5 U.S.C. App.) shall not apply to the working group established under this subsection.

(g) BRIEFINGS.—

(1) IN GENERAL.—The Administrator shall brief, on a biannual basis, the appropriate committees of Congress on the implementation of subsections (a) until the Administrator certifies that only travelers who are members of trusted traveler programs specified in subsection (b) are permitted to use TSA PreCheck security screening lanes at passenger screening checkpoints.

(2) CERTIFICATION.—Upon a determination by the Administrator that only travelers who are members of a trusted traveler program specified in subsection (b) are permitted to use TSA

PreCheck security screening lanes at checkpoints in accordance with subsection (a), the Administrator shall submit to the appropriate committees of Congress a written certification relating to such determination.

(h) INSPECTOR GENERAL ASSESSMENTS.—The Inspector General of the Department shall assess and transmit to the appropriate committees of Congress the Administrator's implementation under subsection (a).

(i) EXPANSION OF TSA PRECHECK PROGRAM ENROLLMENT.—

(1) LONG-TERM STRATEGY.—Not later than 180 days after the date of enactment of this Act, the Administrator shall develop and begin the implementation a long-term strategy to increase enrollment in the TSA PreCheck Program.

(2) CONSIDERATIONS.—In developing the strategy under paragraph (1), the Administrator shall consider the following:

(A) Partnering with air carriers (as the term is defined in section 40102 of title 49, United States Code) to incorporate PreCheck Program promotion opportunities in the reservation process described in section 1560.101 of title 49, Code of Federal Regulations;

(B) Including in the PreCheck Program of an individual who—

(i) holds a Secret, Top Secret, or Top Secret/Sensitive Compartmented Information clearance, unless the individual has had the individual's clearance revoked or did not pass a periodic reinvestigation; or

(ii) is a current, full-time Federal law enforcement officer.

(C) Providing PreCheck Program enrollment flexibility by offering secure mobile enrollment platforms that facilitate in-person identity verification and application data collection, such as through biometrics.

(D) Reducing travel time to PreCheck Program enrollment centers for applicants, including—

(i) by adjusting the locations and schedules of existing PreCheck Program enrollment centers to accommodate demand;

(ii) by seeking to colocate such enrollment centers with existing facilities that support the issuance of—

(I) United States passports; and

(II) Security Identification Display Area credentials (as the term is defined in section 1540.5 of title 49, Code of Federal Regulations) located in public, non-secure areas of airports if no systems of an airport operator are used in support of enrollment activities for such credentials; and

(iii) by increasing the availability of PreCheck Program enrollment platforms, such as kiosks, tablets, or staffed laptop stations.

(E) The feasibility of providing financial assistance or other incentives for PreCheck Program enrollment for—

(i) children who are at least 12 years or older, but less than 18 years old;

(ii) families consisting of 5 or more immediate family members;

(iii) private sector entities, including small businesses, to establish PreCheck Program enrollment centers in their respective facilities; and

(iv) private sector entities, including small business concerns (as the term is described in section 3 of the Small Business Act (15 U.S.C. 632)), to reimburse an employee for the cost of the PreCheck Program application.

SEC. 1939. TRUSTED TRAVELER PROGRAMS; COLLABORATION.

Not later than 180 days after the date of enactment of this Act, the Administrator, in consultation with the Commissioner of U.S. Customs and Border Protection, shall—

(1) review each trusted traveler program administered by U.S. Customs and Border Protection and the PreCheck Program;

(2) identify any improvements that can be made to such programs—

(A) to streamline and integrate the requirements and operations of such programs to reduce administrative burdens, including applications for inclusion and determining whether a valid credential can satisfy the requirements for another credential;

(B) to increase information and data sharing across such programs; and

(C) to allow the public to access and link to the applications for enrollment in all of such programs from 1 online portal;

(3) identify any law, including regulations, policy, or procedure that may unnecessarily inhibit collaboration among Department of Homeland Security agencies regarding such programs or implementation of the improvements identified under paragraph (2);

(4) recommend any legislative, administrative, or other actions that can be taken to eliminate any unnecessary barriers to collaboration or implementation identified in paragraph (3); and

(5) submit to the appropriate committees of Congress a report on the review, including any unnecessary barriers to collaboration or implementation identified under paragraph (3), and any recommendations under paragraph (4).

SEC. 1940. PASSENGER SECURITY FEE.

Section 44940(c) is amended by adding at the end the following:

"(3) OFFSETTING COLLECTIONS.—Beginning on October 1, 2027, fees collected under subsection (a)(1) for any fiscal year shall be credited as offsetting collections to appropriations made for aviation security measures carried out by the Transportation Security Administration, to remain available until expended.".

SEC. 1941. THIRD PARTY CANINE TEAMS FOR AIR CARGO SECURITY.

Section 1307 of the Implementing Recommendations of the 9/11 Commission Act of 2007 (6 U.S.C. 1116) is amended by adding at the end the following:

"(h) THIRD PARTY CANINE TEAMS FOR AIR CARGO SECURITY.—

"(1) IN GENERAL.—In order to enhance the screening of air cargo and ensure that third party explosives detection canine assets are leveraged for such purpose, the Administrator

shall, not later than 180 days after the date of enactment of the TSA Modernization Act—

"(A) develop and issue standards for the use of such third party explosives detection canine assets for the primary screening of air cargo;

"(B) develop a process to identify qualified non-Federal entities that will certify canine assets that meet the standards established by the Administrator under subparagraph (A);

"(C) ensure that entities qualified to certify canine assets shall be independent from entities that will train and provide canines to end users of such canine assets;

"(D) establish a system of Transportation Security Administration audits of the process developed under subparagraph (B); and

"(E) provide that canines certified for the primary screening of air cargo can be used by air carriers, foreign air carriers, freight forwarders, and shippers.

"(2) IMPLEMENTATION.—Beginning on the date that the development of the process under paragraph (1)(B) is complete, the Administrator shall—

"(A) facilitate the deployment of such assets that meet the certification standards of the Administration, as determined by the Administrator;

"(B) make such standards available to vendors seeking to train and deploy third party explosives detection canine assets; and

"(C) ensure that all costs for the training and certification of canines, and for the use of supplied canines, are borne by private industry and not the Federal Government.

"(3) DEFINITIONS.—In this subsection:

"(A) AIR CARRIER.—The term 'air carrier' has the meaning given the term in section 40102 of title 49, United States Code.

"(B) FOREIGN AIR CARRIER.—The term 'foreign air carrier' has the meaning given the term in section 40102 of title 49, United States Code.

"(C) THIRD PARTY EXPLOSIVES DETECTION CANINE ASSET.—The term 'third party explosives detection canine asset' means any explosives detection canine or handler not owned or employed, respectively, by the Transportation Security Administration.".

SEC. 1942. KNOWN SHIPPER PROGRAM REVIEW.

The Administrator shall direct the Air Cargo Subcommittee of ASAC—

(1) to conduct a comprehensive review and security assessment of the Known Shipper Program;

(2) to recommend whether the Known Shipper Program should be modified or eliminated considering the full implementation of 100 percent screening under section 44901(g) of title 49, United States Code; and

(3) to report its findings and recommendations to the Administrator.

SEC. 1943. ESTABLISHMENT OF AIR CARGO SECURITY DIVISION.

(a) IN GENERAL.—Subchapter II of chapter 449 is amended by adding at the end the following:

49 USC 44947 note.

"§ 44947. Air cargo security division

"(a) ESTABLISHMENT.—Not later than 90 days after the date of enactment of the TSA Modernization Act, the Administrator shall establish an air cargo security division to carry out and engage with stakeholders regarding the implementation of air cargo security programs established by the Administration.

"(b) LEADERSHIP; STAFFING.—The air cargo security division established pursuant to subsection (a) shall be headed by an individual in the executive service within the TSA and be staffed by not fewer than 4 full-time equivalents, including the head of the division.

"(c) STAFFING.—The Administrator of the Transportation Security Administration shall staff the air cargo security division with existing TSA personnel.".

(b) TABLE OF CONTENTS.—The table of contents of chapter 449 is amended by inserting after the item related to section 44946 the following:

49 USC prec. 44901.

"44947. Air cargo security division.".

SEC. 1944. AIR CARGO REGULATION REVIEW.

(a) REVIEW.—Not later than 150 days after the date of enactment of this Act, the Administrator shall—

(1) review the Certified Cargo Screening Program, including—

(A) consideration of the degree to which the Program is effective at fully addressing evolving threats to air cargo, particularly as air cargo volumes fluctuate; and

(B) identification of any vulnerabilities in the Program and effectiveness of information sharing with air cargo security stakeholders; and

(2) submit to the appropriate committees of Congress a report on the findings of the review under paragraph (1), including—

(A) a description of the actions the Administrator has taken to improve the Program; and

(B) a description of the actions the Administrator will take to address the findings of the review under paragraph (1), including any plans to issue new rulemaking, if necessary.

SEC. 1945. GAO REVIEW.

Not later than 2 years after the date of enactment of this Act, the Comptroller General of the United States shall—

(1) review the Department's analysis and intelligence prescreening processes and procedures for air cargo entering the United States;

(2) review the pilot program conducted under section 1925;

(3) assess the effectiveness of the Department's risk-based strategy for examining air cargo and ensuring compliance with air cargo security law, including regulations; and

(4) review the Department's information sharing procedures and practices for disseminating information to relevant stakeholders on preventing, mitigating, and responding to air cargo related threats.

SEC. 1946. SCREENING PARTNERSHIP PROGRAM UPDATES.

(a) SECURITY SCREENING OPT-OUT PROGRAM.—Section 44920 is amended—

(1) in the heading by striking "**Security screening opt-out program**" and inserting "**Screening partnership program**";

(2) by amending subsection (a) to read as follows:

"(a) IN GENERAL.—An airport operator may submit to the Administrator of the Transportation Security Administration an application to carry out the screening of passengers and property at the airport under section 44901 by personnel of a qualified private screening company pursuant to a contract entered into with the Transportation Security Administration.";

(3) in subsection (b)—

(A) by amending paragraph (1) to read as follows:

"(1) IN GENERAL.—Not later than 60 days after the date of receipt of an application submitted by an airport operator under subsection (a), the Administrator shall approve or deny the application."; and

(B) in paragraphs (2) and (3), by striking "Under Secretary" each place it appears and inserting "Administrator";

(4) in subsection (d)—

(A) in the heading, by striking "STANDARDS" inserting "SELECTION OF CONTRACTS AND STANDARDS";

(B) by redesignating paragraph (2) as paragraph (3);

(C) in paragraph (1)—

(i) by striking "The Under Secretary may enter" and all that follows through "certifies to Congress that—" and inserting "The Administrator shall, upon approval of the application, provide the airport operator with a list of qualified private screening companies."; and

(ii) by inserting before subparagraphs (A) and (B) the following:

"(2) CONTRACTS.—The Administrator shall, to the extent practicable, enter into a contract with a private screening company from the list provided under paragraph (1) for the provision of screening at the airport not later than 120 days after the date of approval of an application submitted by the airport operator under subsection (a) if—"; and

(D) in paragraph (2), as redesignated—

(i) in subparagraph (A), by striking "; and" and inserting a semicolon;

(ii) in subparagraph (B)—

(I) by striking "Under Secretary" and inserting "Administrator"; and

(II) by striking the period at the end and inserting "; and"; and

(iii) by adding at the end the following:

"(C) the selected qualified private screening company offered contract price is equal to or less than the cost

to the Federal Government to provide screening services at the airport."; and

(E) in paragraph (3), as redesignated—

(i) by striking "paragraph (1)(B)" and inserting "paragraph (2)(B)"; and

(ii) by striking "Under Secretary" each place it appears and inserting "Administrator";

(A) in the heading, by striking "SCREENED" and inserting "SCREENING";

(B) by striking the period at the end and inserting "; and";

(C) by striking "The Under Secretary shall" and inserting "The Administrator shall—";

(D) by inserting "(1)" before "provide Federal Government" and indenting appropriately; and

(E) by adding at the end the following:

"(2) undertake covert testing and remedial training support for employees of private screening companies providing screening at airports.";

(6) in subsection (f)—

(A) in the heading, by inserting "OR SUSPENSION" after "TERMINATION";

(B) by striking "terminate" and inserting "suspend or terminate, as appropriate,"; and

(C) by striking "Under Secretary" each place it appears and inserting "Administrator"; and

(7) by striking subsection (h) and inserting the following:

"(h) EVALUATION OF SCREENING COMPANY PROPOSALS FOR AWARD.—

"(1) IN GENERAL.—Except as provided in paragraph (2), notwithstanding any other provision of law, including title 48 of the Code of Federal Regulations and the Federal Advisory Committee Act (5 U.S.C. App.), an airport operator that has applied and been approved to have security screening services carried out by a qualified private screening company under contract with the Administrator may nominate to the head of the contracting activity an individual to participate in the evaluation of proposals for the award of such contract.

"(2) PARTICIPATION ON A PROPOSAL EVALUATION COMMITTEE.—Any participation on a proposal evaluation committee under paragraph (1) shall be conducted in accordance with chapter 21 of title 41.

"(i) INNOVATIVE SCREENING APPROACHES AND TECHNOLOGIES.—The Administrator shall encourage an airport operator to whom screening services are provided under this section to recommend to the Administrator innovative screening approaches and technologies. Upon receipt of any such recommendations, the Administrator shall review and, if appropriate, test, conduct a pilot project, and, if appropriate, deploy such approaches and technologies.".

(b) FEASIBILITY ASSESSMENT.—

(1) IN GENERAL.—The Administrator, in consultation with airport operators and airlines, shall submit to the appropriate committees of Congress an assessment of the feasibility of modifying the Screening Partnership Program to allow an individual airport terminal to participate in the Screening Partnership Program.

(2) CONSIDERATIONS.—In conducting the assessment under paragraph (1), the Administrator shall consider—

(A) potential benefits and costs, including with respect to the efficacy of security operations, of such an approach;

(B) potential impacts on security operations; and

(C) potential impacts on recruitment, hiring, and retention.

(c) APPLICATIONS SUBMITTED BEFORE THE DATE OF ENACTMENT.—Not later than 30 days after the date of enactment of this Act, the Administrator shall approve or deny, in accordance with section 44920(b) of title 49, United States Code, as amended by this Act, each application submitted before the date of enactment of this Act, by an airport operator under subsection (a) of that section, that is awaiting such a determination. 49 USC 44920 note.

SEC. 1947. SCREENING PERFORMANCE ASSESSMENTS. 49 USC 44901 note.

Subject to part 1520 of title 49, Code of Federal Regulations, the Administrator shall quarterly make available to the airport director of an airport—

(1) an assessment of the screening performance of that airport compared to the mean average performance of all airports in the equivalent airport category for screening performance data; and

(2) a briefing on the results of performance data reports, including—

(A) a scorecard of objective metrics developed by the Office of Security Operations to measure screening performance, such as results of annual proficiency reviews and covert testing, at the appropriate level of classification; and

(B) other performance data, including—

(i) passenger throughput;

(ii) wait times; and

(iii) employee attrition, absenteeism, injury rates, and any other human capital measures collected by the TSA.

SEC. 1948. TRANSPORTATION SECURITY TRAINING PROGRAMS.

(a) IN GENERAL.—Section 44935 is amended—

(1) by striking "(i) ACCESSIBILITY OF COMPUTER-BASED TRAINING FACILITIES.—" and inserting "(k) ACCESSIBILITY OF COMPUTER-BASED TRAINING FACILITIES.—"; and

(2) by adding at the end the following:

"(l) INITIAL AND RECURRING TRAINING.—

"(1) IN GENERAL.—The Administrator shall establish a training program for new security screening personnel located at the Transportation Security Administration Academy.

"(2) RECURRING TRAINING.—

"(A) IN GENERAL.—Not later than 180 days after the date of enactment of the TSA Modernization Act, the Administrator shall establish recurring training for security screening personnel regarding updates to screening procedures and technologies, including, in response to weaknesses identified in covert tests at airports—

"(i) methods to identify the verification of false or fraudulent travel documents; and

"(ii) training on emerging threats.

"(B) CONTENTS.—The training under subparagraph (A) shall include—

"(i) internal controls for monitoring and documenting compliance of transportation security officers with such training requirements; and

"(ii) such other matters as identified by the Administrator with regard to such training.".

(b) GAO STUDY.—Not later than 1 year after the date of enactment of this Act, the Comptroller General of the United States shall—

(1) examine the effectiveness of the new security screening personnel training under section 44935(l) of title 49, United States Code; and

(2) submit to the appropriate committees of Congress a report on the findings under paragraph (1), including any recommendations.

49 USC 44903 note.

SEC. 1949. TRAVELER REDRESS IMPROVEMENT.

(a) REDRESS PROCESS.—

(1) IN GENERAL.—Not later than 30 days after the date of enactment of this Act, the Administrator, using existing resources, systems, and processes, shall ensure the availability of the Department of Homeland Security Traveler Redress Inquiry Program (referred to in this section as "DHS TRIP") redress process to adjudicate an inquiry for an individual who—

(A) is a citizen of the United States or alien lawfully admitted for permanent residence;

(B) has filed the inquiry with DHS TRIP after receiving enhanced screening at an airport passenger security checkpoint more than 3 times in any 60-day period; and

(C) believes the individual has been wrongly identified as being a threat to aviation security.

(2) BRIEFING.—Not later than 180 days after the date of enactment of this Act, the Administrator shall brief the appropriate committees of Congress on the implementation of the redress process required under paragraph (1).

(b) PRIVACY IMPACT REVIEW AND UPDATE.—

(1) IN GENERAL.—Not later than 180 days after the date of enactment of this Act, the Administrator shall review and update the Privacy Impact Assessment for the Secure Flight programs to ensure the assessment accurately reflects the operation of such programs.

(2) PUBLIC DISSEMINATION; FORM.—The Administrator shall—

(A) publish the Secure Flight Privacy Impact Assessment review and update required under paragraph (1) on a publicly-accessible internet webpage of the TSA; and

(B) submit the Secure Flight Privacy Impact Assessment review and update to the appropriate committees of Congress.

(c) RULE REVIEW AND NOTIFICATION PROCESS.—

(1) RULE REVIEW.—Not later than 60 days after the date of enactment of this Act, and every 120 days thereafter, the Assistant Administrator of the Office of Intelligence and Analysis of the TSA, in coordination with the entities specified in paragraph (3), shall identify and review the screening rules established by the Office of Intelligence and Analysis of TSA.

(2) NOTIFICATION PROCESS.—Not later than 2 days after the date that any change to a rule identified under paragraph (1) is made, the Assistant Administrator of the Office of Intelligence and Analysis of the TSA shall notify the entities specified in paragraph (3) of the change.

(3) ENTITIES SPECIFIED.—The entities specified in this paragraph are as follows:

(A) The Office of Civil Rights and Liberties, Ombudsman, and Traveler Engagement of the TSA.

(B) The Office of Civil Rights and Liberties of the Department.

(C) The Office of Chief Counsel of the TSA.

(D) The Office of General Counsel of the Department.

(E) The Privacy Office of the Administration.

(F) The Privacy Office of the Department.

(G) The Federal Air Marshal Service.

(H) The Traveler Redress Inquiry Program of the Department.

(d) FEDERAL AIR MARSHAL SERVICE COORDINATION.—

(1) IN GENERAL.—The Administrator shall ensure that the rules identified in subsection (c) are taken into account for Federal Air Marshal mission scheduling.

(2) REPORT.—Not later than 180 days after the date of enactment of this Act, the Administrator shall submit to the appropriate committees of Congress a report on whether, and if so how, the rules identified in subsection (c) are incorporated in the risk analysis conducted during the Federal Air Marshal mission scheduling process.

(e) GAO REPORT.—Not later than 1 year after the date of enactment of this Act, the Comptroller General of the United States shall—

(1) study the rules identified under subsection (c)(1), including—

(A) whether the rules are effective in mitigating potential threats to aviation security; and

(B) whether, and if so how, the TSA coordinates with the Department regarding any proposed change to a rule; and

(2) submit to the appropriate committees of Congress a report on the findings under paragraph (1), including any recommendations.

SEC. 1950. IMPROVEMENTS FOR SCREENING OF PASSENGERS WITH DISABILITIES.

49 USC 44901 note.

(a) REVISED TRAINING.—

(1) IN GENERAL.—Not later than 180 days after the date of enactment of this Act, the Administrator, in consultation with nationally-recognized veterans and disability organizations, shall revise the training requirements for Transportation Security Officers related to the screening of passengers with disabilities, including passengers with disabilities who participate in the PreCheck program.

(2) TRAINING SPECIFICATIONS.—In revising the training requirements under paragraph (1), the Administrator shall address the proper screening, and any particular sensitivities related to the screening, of a passenger with a disability—

(A) traveling with a medical device, including an indwelling medical device;

(B) traveling with a prosthetic;

(C) traveling with a wheelchair, walker, scooter, or other mobility device;

(D) traveling with a service animal; or

(E) with sensitivities to touch, pressure, sound, or hypersensitivity to stimuli in the environment.

(3) TRAINING FREQUENCY.—The Administrator shall implement the revised training under paragraph (1) during initial and recurrent training of all Transportation Security Officers.

(b) BEST PRACTICES.—The individual at the TSA responsible for civil rights, liberties, and traveler engagement shall—

(1) record each complaint from a passenger with a disability regarding the screening practice of the TSA;

(2) identify the most frequent concerns raised, or accommodations requested, in the complaints;

(3) determine the best practices for addressing the concerns and requests identified in paragraph (2); and

(4) recommend appropriate training based on such best practices.

(c) SIGNAGE.—At each category X airport, the TSA shall place signage at each security checkpoint that—

(1) specifies how to contact the appropriate TSA employee at the airport designated to address complaints of screening mistreatment based on disability; and

(2) describes how to receive assistance from that individual or other qualified personnel at the security screening checkpoint.

(d) REPORTS TO CONGRESS.—Not later than September 30 of the first full fiscal year after the date of enactment of this Act, and each fiscal year thereafter, the Administrator shall submit to the appropriate committees of Congress a report on the checkpoint experiences of passengers with disabilities, including the following:

(1) The number and most frequent types of disability-related complaints received.

(2) The best practices recommended under subsection (b) to address the top areas of concern.

(3) The estimated wait times for assist requests for passengers with disabilities, including disabled passengers who participate in the PreCheck program.

49 USC 44901 note.

SEC. 1951. AIR CARGO ADVANCE SCREENING PROGRAM.

(a) IN GENERAL.—The Commissioner of U.S. Customs and Border Protection and the Administrator, consistent with the requirements of the Trade Act of 2002 (Public Law 107–210) shall—

(1) establish an air cargo advance screening program (referred to in this section as the "ACAS Program") for the collection of advance electronic information from air carriers and other persons within the supply chain regarding cargo being transported to the United States by air;

(2) under such program, require that such information be transmitted by such air carriers and other persons at the earliest point practicable prior to loading of such cargo onto an aircraft destined to or transiting through the United States;

(3) establish appropriate communications systems with freight forwarders, shippers, and air carriers;

(4) establish a system that will allow freight forwarders, shippers, and air carriers to provide shipment level data for air cargo, departing from any location that is inbound to the United States; and

(5) identify opportunities in which the information furnished in compliance with the ACAS Program could be used by the Administrator.

(b) INSPECTION OF HIGH-RISK CARGO.—Under the ACAS Program, the Commissioner of U.S. Customs and Border Protection and the Administrator shall ensure that all cargo that has been identified as high-risk is inspected—

(1) prior to the loading of such cargo onto aircraft at the last point of departure; or

(2) at an earlier point in the supply chain, before departing for the United States.

(c) CONSULTATION.—In carrying out the ACAS Program, the Commissioner of U.S. Customs and Border Protection and the Administrator shall consult with relevant stakeholders, as appropriate, to ensure that an operationally feasible and practical approach to—

(1) the collection of advance information with respect to cargo on aircraft departing for the United States is applied; and

(2) the inspection of high-risk cargo recognizes the significant differences among air cargo business models and modes of transportation.

(d) ANALYSIS.—The Commissioner of U.S. Customs and Border Protection and the Administrator may analyze the information described in subsection (a) in the Department of Homeland Security's automated targeting system and integrate such information with other intelligence to enhance the accuracy of the risk assessment process under the ACAS Program.

(e) NO DUPLICATION.—The Commissioner of U.S. Customs and Border Protection and the Administrator shall carry out this section in a manner that, after the ACAS Program is fully in effect, ensures, to the greatest extent practicable, that the ACAS Program does not duplicate other Department programs or requirements relating to the submission of air cargo data or the inspection of high-risk cargo.

(f) CONSIDERATION OF INDUSTRY.—In carrying out the ACAS Program, the Commissioner of U.S. Customs and Border Protection and the Administrator shall—

(1) consider the content and timeliness of the available data may vary among entities in the air cargo industry and among countries;

(2) explore procedures to accommodate the variations described in paragraph (1) while maximizing the contribution of such data to the risk assessment process under the ACAS Program;

(3) test the business processes, technologies, and operational procedures required to provide advance information with respect to cargo on aircraft departing for the United States and carry out related inspection of high-risk cargo, while ensuring delays and other negative impacts on vital supply chains are minimized; and

(4) consider the cost, benefit, and feasibility before establishing any set time period for submission of certain elements of the data for air cargo under this section in line with the regulatory guidelines specified in Executive Order 13563 or any successor Executive order or regulation.

(g) GUIDANCE.—The Commissioner of U.S. Customs and Border Protection and the Administrator shall provide guidance for participants in the ACAS Program regarding the requirements for participation, including requirements for transmitting shipment level data.

(h) USE OF DATA.—The Commissioner of U.S. Customs and Border Protection and the Administrator shall use the data provided under the ACAS Program for targeting shipments for screening and aviation security purposes only.

(i) FINAL RULE.—Not later than 180 days after the date of enactment of this Act, the Commissioner of U.S. Customs and Border Protection, in coordination with the Administrator, shall issue a final regulation to implement the ACAS Program to include the electronic transmission to U.S. Customs and Border Protection of data elements for targeting cargo, including appropriate security elements of shipment level data.

(j) REPORT.—Not later than 180 days after the date of the commencement of the ACAS Program, the Commissioner of U.S. Customs and Border Protection and the Administrator shall submit to the appropriate committees of Congress a report detailing the operational implementation of providing advance information under the ACAS Program and the value of such information in targeting cargo.

Securing General Aviation and Charter Air Carrier Service Act.
49 USC 44903 note.

SEC. 1952. GENERAL AVIATION AIRPORTS.

(a) SHORT TITLE.—This section may be cited as the "Securing General Aviation and Charter Air Carrier Service Act".

(b) ADVANCED PASSENGER PRESCREENING SYSTEM.—Not later than 120 days after the date of enactment of this Act, the Administrator shall submit to the appropriate committees of Congress a report on the status of the deployment of the advanced passenger prescreening system, and access thereto for certain aircraft charter operators, as required by section 44903(j)(2)(E) of title 49, United States Code, including—

(1) the reasons for the delay in deploying the system; and

(2) a detailed schedule of actions necessary for the deployment of the system.

(c) SCREENING SERVICES OTHER THAN IN PRIMARY PASSENGER TERMINALS.—

(1) IN GENERAL.—Subject to the provisions of this subsection, the Administrator may provide screening services to a charter air carrier in an area other than the primary passenger terminal of an applicable airport.

(2) REQUESTS.—A request for screening services under paragraph (1) shall be made at such time, in such form, and in such manner as the Administrator may require, except that the request shall be made to the Federal Security Director for the applicable airport at which the screening services are requested.

(3) AVAILABILITY.—A Federal Security Director may provide requested screening services under this section if the Federal

Security Director determines such screening services are available.

(4) AGREEMENTS.—

(A) LIMITATION.—No screening services may be provided under this section unless a charter air carrier agrees in writing to compensate the TSA for all reasonable costs, including overtime, of providing the screening services.

(B) PAYMENTS.—Notwithstanding section 3302 of title 31, United States Code, payment received under subparagraph (A) shall be credited to the account that was used to cover the cost of providing the screening services. Amounts so credited shall be merged with amounts in that account, and shall be available for the same purposes, and subject to the same conditions and limitations, as other amounts in that account.

(5) DEFINITIONS.—In this subsection:

(A) APPLICABLE AIRPORT.—The term "applicable airport" means an airport that—

(i) is not a commercial service airport; and

(ii) is receiving screening services for scheduled passenger aircraft.

(B) CHARTER AIR CARRIER.—The term "charter air carrier" has the meaning given the term in section 40102 of title 49, United States Code.

(C) SCREENING SERVICES.—The term "screening services" means the screening of passengers and property similar to the screening of passengers and property described in section 44901 of title 49, United States Code.

(d) REPORT.—Not later than 120 days after the date of enactment of this Act, the Administrator, in consultation with the ASAC, shall, consistent with the requirements of paragraphs (6) and (7) of section 44946(b) of title 49, United States Code, submit to the appropriate Committees of Congress an implementation plan, including an implementation schedule, for any of the following recommendations that were adopted by the ASAC and with which the Administrator has concurred before the date of the enactment of this Act:

(1) The recommendation regarding general aviation access to Ronald Reagan Washington National Airport, as adopted on February 17, 2015.

(2) The recommendation regarding the vetting of persons seeking flight training in the United States, as adopted on July 28, 2016.

(3) Any other such recommendations relevant to the security of general aviation adopted before the date of the enactment of this Act.

(e) DESIGNATED STAFFING.—The Administrator may designate 1 or more full-time employees of the TSA to liaise with, and respond to issues raised by, general aviation stakeholders.

(f) SECURITY ENHANCEMENTS.—Not later than 1 year after the date of enactment of this Act, the Administrator, in consultation with the ASAC, shall submit to the appropriate committees of Congress a report on the feasibility of requiring a security threat assessment before an individual could obtain training from a private flight school to operate an aircraft having a maximum certificated takeoff weight of more than 12,500 pounds.

Subtitle E—Foreign Airport Security

49 USC 44907 note.

SEC. 1953. LAST POINT OF DEPARTURE AIRPORTS; SECURITY DIRECTIVES.

(a) NOTICE AND CONSULTATION.—

(1) IN GENERAL.—The Administrator shall, to the maximum extent practicable, consult and notify the following stakeholders prior to making changes to security standards via security directives and emergency amendments for last points of departure:

(A) Trade association representatives, for affected air carriers and airports, who hold the appropriate security clearances.

(B) The head of each relevant Federal department or agency, including the Administrator of the Federal Aviation Administration.

(2) TRANSMITTAL TO CONGRESS.—Not later than 3 days after the date that the Administrator issues a security directive or emergency amendment for a last point of departure, the Administrator shall transmit to the appropriate committees of Congress a description of the extent to which the Administrator consulted and notified the stakeholders under paragraph (1).

(b) GAO REPORT.—

(1) IN GENERAL.—Not later than 1 year after the date of enactment of this Act, the Comptroller General of the United States shall review the effectiveness of the TSA process to update, consolidate, or revoke security directives, emergency amendments, and other policies related to international aviation security at last point of departure airports and submit to the appropriate committees of Congress and the Administrator a report on the findings and recommendations.

(2) CONTENTS.—In conducting the review under paragraph (1), the Comptroller General shall—

(A) review current security directives, emergency amendments, and any other policies related to international aviation security at last point of departure airports;

(B) review the extent of intra-agency and interagency coordination, stakeholder outreach, coordination, and feedback; and

(C) review TSA's process and criteria for, and implementation of, updating or revoking the policies described in subparagraph (A).

(c) RESCREENING.—Subject to section 44901(d)(4)(c) of title 49, United States Code, upon discovery of specific threat intelligence, the Administrator shall immediately direct TSA personnel to rescreen passengers and baggage arriving from an airport outside the United States and identify enhanced measures that should be implemented at that airport.

(d) NOTIFICATION TO CONGRESS.—Not later than 1 day after the date that the Administrator determines that a foreign air carrier is in violation of part 1546 of title 49, Code of Federal Regulations, or any other applicable security requirement, the Administrator shall notify the appropriate committees of Congress.

(e) DECISIONS NOT SUBJECT TO JUDICIAL REVIEW.—Notwithstanding any other provision of law, any decision of the Administrator under subsection (a)(1) relating to consultation or notification shall not be subject to judicial review.

SEC. 1954. LAST POINT OF DEPARTURE AIRPORT ASSESSMENT.

Section 44907(a)(2)(B) is amended by inserting ", including the screening and vetting of airport workers" before the semicolon.

SEC. 1955. TRACKING SECURITY SCREENING EQUIPMENT FROM LAST POINT OF DEPARTURE AIRPORTS.

(a) DONATION OF SCREENING EQUIPMENT TO PROTECT THE UNITED STATES.—Chapter 449 is amended—

(1) in subchapter I, by adding at the end the following:

"§ 44929. Donation of screening equipment to protect the United States

49 USC 44929.

"(a) IN GENERAL.—Subject to subsection (b), the Administrator is authorized to donate security screening equipment to a foreign last point of departure airport operator if such equipment can be reasonably expected to mitigate a specific vulnerability to the security of the United States or United States citizens.

"(b) CONDITIONS.—Before donating any security screening equipment to a foreign last point of departure airport operator the Administrator shall—

"(1) ensure that the screening equipment has been restored to commercially available settings;

"(2) ensure that no TSA-specific security standards or algorithms exist on the screening equipment; and

"(3) verify that the appropriate officials have an adequate system—

"(A) to properly maintain and operate the screening equipment; and

"(B) to document and track any removal or disposal of the screening equipment to ensure the screening equipment does not come into the possession of terrorists or otherwise pose a risk to security.

"(c) REPORTS.—Not later than 30 days before any donation of security screening equipment under subsection (a), the Administrator shall provide to the Committee on Commerce, Science, and Transportation and the Committee on Homeland Security and Governmental Affairs of the Senate and the Committee on Homeland Security of the House of Representatives a detailed written explanation of the following:

"(1) The specific vulnerability to the United States or United States citizens that will be mitigated by such donation.

"(2) An explanation as to why the recipient of such donation is unable or unwilling to purchase security screening equipment to mitigate such vulnerability.

"(3) An evacuation plan for sensitive technologies in case of emergency or instability in the country to which such donation is being made.

"(4) How the Administrator will ensure the security screening equipment that is being donated is used and maintained over the course of its life by the recipient.

"(5) The total dollar value of such donation.

"(6) How the appropriate officials will document and track any removal or disposal of the screening equipment by the

recipient to ensure the screening equipment does not come into the possession of terrorists or otherwise pose a risk to security."; and

49 USC prec. 44901.

(2) in the table of contents, by inserting after the item relating to section 44928 the following:

"44929. Donation of screening equipment to protect the United States.".

(b) TECHNICAL AND CONFORMING AMENDMENTS.—Section 3204 of the Aviation Security Act of 2016 (49 U.S.C. 44901 note) and the item relating to that section in the table of contents of that Act are repealed.

49 USC 44901 note.

(c) RAISING INTERNATIONAL STANDARDS.—Not later than 90 days after the date of enactment of this Act, the Administrator shall collaborate with other aviation authorities and the United States Ambassador or the Charge d'Affaires to the United States Mission to the International Civil Aviation Organization, as applicable, to advance a global standard for each international airport to document and track the removal and disposal of any security screening equipment to ensure the screening equipment does not come into the possession of terrorists or otherwise pose a risk to security.

49 USC 44901 note.

SEC. 1956. INTERNATIONAL SECURITY STANDARDS.

(a) GLOBAL AVIATION SECURITY REVIEW.—

(1) IN GENERAL.—Not later than 180 days after the date of enactment of this Act, the Administrator, in coordination with the Commissioner of the U.S. Customs and Border Protection, the Director of the Office of International Engagement of the Department of Homeland Security, and the Secretary of State, shall conduct a global aviation security review to improve aviation security standards, including standards intended to mitigate cybersecurity threats, across the global aviation system.

(2) BEST PRACTICES.—The global aviation security review shall establish best practices regarding the following:

(A) Collaborating with foreign partners to improve global aviation security capabilities and standards.

(B) Identifying foreign partners that—

(i) have not successfully implemented security protocols from the International Civil Aviation Organization or the Department of Homeland Security; and

(ii) have not taken steps to implement such security protocols;

(C) Improving the development, outreach, and implementation process for security directives or emergency amendments issued to domestic and foreign air carriers.

(D) Assessing the cybersecurity risk of security screening equipment.

(b) NOTIFICATION.—Not later than 90 days after the date of enactment of this Act, the Administrator, in consultation with the United States Ambassador to the International Civil Aviation Organization, shall notify the Committee on Commerce, Science, and Transportation and the Committee on Foreign Relations of the Senate, and the Committee on Homeland Security and the Committee on Foreign Affairs of the House of Representatives of

the progress of the review under subsection (a) and any proposed international improvements to aviation security.

(c) ICAO.—Subject to subsection (a), the Administrator and Ambassador shall take such action at the International Civil Aviation Organization as the Administrator and Ambassador consider necessary to advance aviation security improvement proposals, including if practicable, introducing a resolution to raise minimum standards for aviation security.

(d) BRIEFINGS TO CONGRESS.—Beginning not later than 180 days after the date of enactment of this Act, and periodically thereafter, the Administrator, in consultation with the Ambassador with respect to subsection (c), shall brief the Committee on Commerce, Science, and Transportation and the Committee on Foreign Relations of the Senate, and the Committee on Homeland Security and the Committee on Foreign Affairs of the House of Representatives on the implementation of subsections (a) and (b).

SEC. 1957. AVIATION SECURITY IN CUBA.

(a) SECURITY OF PUBLIC CHARTER OPERATIONS.—The Administrator of the Transportation Security Administration, in coordination with the Secretary of Transportation and the Administrator of the Federal Aviation Administration, shall—

(1) direct all public charters operating flights between the United States and Cuba to provide updated flight schedules to, and maintain such schedules with, the Transportation Security Administration; and

(2) develop and implement a mechanism that corroborates and validates flight schedule data to more reliably track the public charter operations of air carriers between the United States and Cuba.

(b) BRIEFING ON SECURITY AT AIRPORTS IN CUBA.—The Administrator shall provide to Congress (including the Committee on Homeland Security of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate) a confidential briefing on the following aspects of security measures at airports in Cuba that have air service to the United States:

(1) Details about the type of equipment used at screening checkpoints and an analysis of the capabilities and weaknesses of that equipment.

(2) Information about each such airport's canine screening program, if used.

(3) The frequency of training for screening and security personnel.

(4) Access controls in place to ensure only credentialed personnel have access to the secure and sterile areas of such airports.

(5) An assessment of the ability of known or suspected terrorists to use Cuba as a gateway to entering the United States.

(6) Security of such airports' perimeters.

(7) The vetting practices and procedures for airport employees.

(8) Any other information the Administrator considers relevant to the security practices, procedures, and equipment in place at such airports.

SEC. 1958. REPORT ON AIRPORTS USED BY MAHAN AIR.

(a) IN GENERAL.—Not later than 120 days after the date of enactment of this Act, and annually thereafter through 2021, the Secretary of Homeland Security, in consultation with the Secretary of Transportation, the Secretary of State, the Secretary of the Treasury, and the Director of National Intelligence, shall submit to Congress a report that includes—

(1) a list of all airports at which aircraft owned or controlled by Mahan Air have landed during the 2 years preceding the submission of the report; and

(2) for each such airport—

(A) an assessment of whether aircraft owned or controlled by Mahan Air continue to conduct operations at that airport;

(B) an assessment of whether any of the landings of aircraft owned or controlled by Mahan Air were necessitated by an emergency situation;

(C) a determination regarding whether additional security measures should be imposed on flights to the United States that originate from that airport; and

(D) an explanation of the rationale for that determination.

(b) FORM OF REPORT.—Each report required by subsection (a) shall be submitted in unclassified form, but may include a classified annex.

(c) PUBLICATION OF LIST.—The list required by subsection (a)(1) shall be publicly and prominently posted on the website of the Department of Homeland Security on the date on which the report required by subsection (a) is submitted to Congress.

Subtitle F—Cockpit and Cabin Security

SEC. 1959. FEDERAL AIR MARSHAL SERVICE UPDATES.

49 USC 44917 note.

(a) STANDARDIZATION.—

(1) IN GENERAL.—Not later than 60 days after the date of enactment of this Act, the Administrator shall develop a standard written agreement that shall be the basis of all negotiations and agreements that begin after the date of enactment of this Act between the United States and foreign governments or partners regarding the presence of Federal air marshals on flights to and from the United States, including deployment, technical assistance, and information sharing.

(2) WRITTEN AGREEMENTS.—Except as provided in paragraph (3), not later than 180 days after the date of enactment of this Act, all agreements between the United States and foreign governments or partners regarding the presence of Federal air marshals on flights to and from the United States shall be in writing and signed by the Administrator or other authorized United States Government representative.

(3) EXCEPTION.—The Administrator may schedule Federal air marshal service on flights operating to a foreign country with which no written agreement is in effect if the Administrator determines that—

(A) such mission is necessary for aviation security; and

(B) the requirements of paragraph (4)(B) are met.

(4) NOTIFICATION TO CONGRESS.—

(A) WRITTEN AGREEMENTS.—Not later than 30 days after the date that the Administrator enters into a written agreement under this section, the Administrator shall transmit to the appropriate committees of Congress a copy of the agreement.

(B) NO WRITTEN AGREEMENTS.—The Administrator shall submit to the appropriate committees of Congress—

(i) not later than 30 days after the date of enactment of this Act, a list of each foreign government or partner that does not have a written agreement under this section, including an explanation for why no written agreement exists and a justification for the determination that such a mission is necessary for aviation security; and

(ii) not later than 30 days after the date that the Administrator makes a determination to schedule Federal air marshal service on flights operating to a foreign country with which no written agreement is in effect under paragraph (3), the name of the applicable foreign government or partner, an explanation for why no written agreement exists, and a justification for the determination that such mission is necessary for aviation security.

(b) MISSION SCHEDULING AUTOMATION.—The Administrator shall endeavor to acquire automated capabilities or technologies for scheduling Federal air marshal service missions based on current risk modeling. 49 USC 44917 note.

(c) IMPROVING FEDERAL AIR MARSHAL SERVICE DEPLOYMENTS.— 49 USC 44917 note.

(1) AFTER-ACTION REPORTS.—The Administrator shall strengthen internal controls to ensure that all after-action reports on Federal air marshal service special mission coverage provided to stakeholders include documentation of supervisory review and approval, and mandatory narratives.

(2) STUDY.—The Administrator shall contract with an independent entity to conduct a validation and verification study of the risk analysis and risk-based determinations guiding Federal air marshal service deployment, including the use of risk-based strategies under subsection (d).

(3) COST-BENEFIT ANALYSIS.—The Administrator shall conduct a cost-benefit analysis regarding mitigation of aviation security threats through Federal air marshal service deployment.

(4) PERFORMANCE MEASURES.—The Administrator shall improve existing performance measures to better determine the effectiveness of in-flight operations in addressing the highest risks to aviation transportation based on current intelligence.

(5) LONG DISTANCE FLIGHTS.—Section 44917 is amended—

(A) by striking subsection (b); and

(B) by redesignating subsections (c) through (d) as subsections (b) through (c), respectively.

(d) USE OF RISK-BASED STRATEGIES.—

(1) IN GENERAL.—Section 44917(a) is amended—

(A) in paragraph (7), by striking "and" after the semicolon at the end;

(B) in paragraph (8), by striking the period at the end and inserting a semicolon; and

(C) by adding at the end the following:

"(9) shall require the Federal Air Marshal Service to utilize a risk-based strategy when allocating resources between international and domestic flight coverage, including when initially setting its annual target numbers of average daily international and domestic flights to cover;

"(10) shall require the Federal Air Marshal Service to utilize a risk-based strategy to support domestic allocation decisions;

"(11) shall require the Federal Air Marshal Service to utilize a risk-based strategy to support international allocation decisions; and

"(12) shall ensure that the seating arrangements of Federal air marshals on aircraft are determined in a manner that is risk-based and most capable of responding to current threats to aviation security.".

(2) BRIEFING.—Not later than 270 days after the date of enactment of this Act, the Administrator shall brief the appropriate committees of Congress on the Federal Air Marshal Service's compliance with the requirements under paragraphs (9) through (12) of section 44917(a) of title 49, United States Code, as added by this Act, and the documented methodology used by the Federal Air Marshal Service to conduct risk assessments in accordance with such paragraphs.

49 USC 44917 note.

(3) IMPLEMENTATION DEADLINE.—Not later than 180 days after the date of enactment of this Act, the Administrator shall begin implementing the requirements under paragraphs (9) through (12) of section 44917(a), United States Code, as added by this Act.

49 USC 44918 note.

SEC. 1960. CREW MEMBER SELF-DEFENSE TRAINING.

The Administrator, in consultation with the Administrator of the Federal Aviation Administration, shall continue to carry out and encourage increased participation by air carrier employees in the voluntary self-defense training program under section 44918(b) of title 49, United States Code.

49 USC 44921 note.

SEC. 1961. FLIGHT DECK SAFETY AND SECURITY.

(a) THREAT ASSESSMENT.—Not later than 90 days after the date of enactment of this Act, the Administrator, in consultation with the Administrator of the Federal Aviation Administration, shall complete a detailed threat assessment to identify any safety or security risks associated with unauthorized access to the flight decks on commercial aircraft and any appropriate measures that should be taken based on the risks.

(b) RTCA REPORT.—The Administrator, in coordination with the Administrator of the Federal Aviation Administration, shall disseminate RTCA Document (DO–329) Aircraft Secondary Barriers and Alternative Flight Deck Security Procedure to aviation stakeholders, including air carriers and flight crew, to convey effective methods and best practices to protect the flight deck.

SEC. 1962. CARRIAGE OF WEAPONS, EXPLOSIVES, AND INCENDIARIES BY INDIVIDUALS.

49 USC 44901 note.

(a) INTERPRETIVE RULE.—Subject to subsections (b) and (c), the Administrator shall periodically review and amend, as necessary, the interpretive rule (68 Fed. Reg. 7444) that provides guidance to the public on the types of property considered to be weapons, explosives, and incendiaries prohibited under section 1540.111 of title 49, Code of Federal Regulations.

(b) CONSIDERATIONS.—Before determining whether to amend the interpretive rule to include or remove an item from the prohibited list, the Administrator shall—

(1) research and evaluate—

(A) the impact, if any, the amendment would have on security risks;

(B) the impact, if any, the amendment would have on screening operations, including effectiveness and efficiency; and

(C) whether the amendment is consistent with international standards and guidance, including of the International Civil Aviation Organization; and

(2) consult with appropriate aviation security stakeholders, including ASAC.

(c) EXCEPTIONS.—Except for plastic or round bladed butter knives, the Administrator may not amend the interpretive rule described in subsection (a) to authorize any knife to be permitted in an airport sterile area or in the cabin of an aircraft.

(d) NOTIFICATION.—The Administrator shall—

(1) publish in the Federal Register any amendment to the interpretive rule described in subsection (a); and

(2) notify the appropriate committees of Congress of the amendment not later than 3 days before publication under paragraph (1).

SEC. 1963. FEDERAL FLIGHT DECK OFFICER PROGRAM IMPROVEMENTS.

(a) IMPROVED ACCESS TO TRAINING FACILITIES.—Section 44921(c)(2)(C)(ii) is amended—

(1) by striking "The training of" and inserting the following:

"(I) IN GENERAL.—The training of";

(2) in subclause (I), as designated, by striking "approved by the Under Secretary"; and

(3) by adding at the end the following:

"(II) ACCESS TO TRAINING FACILITIES.—The Administrator shall designate additional firearms training facilities located in various regions of the United States for Federal flight deck officers for recurrent and requalifying training relative to the number of such facilities available on the day before such date of enactment.".

(b) FIREARMS REQUALIFICATION.—Section 44921(c)(2)(C) is amended—

(1) in clause (iii)—

(A) by striking "The Under Secretary shall" and inserting the following:

"(I) IN GENERAL.—The Administrator shall";

(B) in subclause (I), as designated by subparagraph (A), by striking "the Under Secretary" and inserting "the Administrator"; and

(C) by adding at the end the following:

"(II) USE OF FACILITIES FOR REQUALIFICATION.—The Administrator shall allow a Federal flight deck officer to requalify to carry a firearm under the program through training at a Transportation Security Administration-approved firearms training facility utilizing a Transportation Security Administration-approved contractor and a curriculum developed and approved by the Transportation Security Administration."; and

(2) by adding at the end the following:

"(iv) PERIODIC REVIEW.—The Administrator shall periodically review requalification training intervals and assess whether it is appropriate and sufficient to adjust the time between each requalification training to facilitate continued participation in the program under this section while still maintaining effectiveness of the training, and update the training requirements as appropriate.".

(c) TRAINING REVIEW.—Section 44921(c)(2) is amended by adding at the end the following:

"(D) TRAINING REVIEW.—Not later than 2 years after the date of enactment of the TSA Modernization Act, and biennially thereafter, the Administrator shall review training facilities and training requirements for initial and recurrent training for Federal flight deck officers and evaluate how training requirements, including the length of training, could be streamlined while maintaining the effectiveness of the training, and update the training requirements as appropriate.".

(d) OTHER MEASURES TO FACILITATE TRAINING.—Section 44921(e) is amended—

(1) by striking "Pilots participating" and inserting the following:

"(1) IN GENERAL.—Pilots participating"; and

(2) by adding at the end the following:

"(2) FACILITATION OF TRAINING.—An air carrier shall permit a pilot seeking to be deputized as a Federal flight deck officer or a Federal flight deck officer to take a reasonable amount of leave to participate in initial, recurrent, or requalification training, as applicable, for the program. Leave required under this paragraph may be provided without compensation.".

(e) INTERNATIONAL HARMONIZATION.—Section 44921(f) is amended—

(1) in paragraphs (1) and (3), by striking "Under Secretary" and inserting "Administrator"; and

(2) by adding at the end the following:

"(4) CONSISTENCY WITH FEDERAL AIR MARSHAL PROGRAM.—The Administrator shall harmonize, to the extent practicable and in a manner that does not jeopardize existing Federal air marshal agreements, the policies relating to the carriage of firearms on international flights by Federal flight deck officers with the policies of the Federal air marshal program for carrying firearms on such flights and carrying out the duties

of a Federal flight deck officer, notwithstanding Annex 17 of the International Civil Aviation Organization.".

(f) PHYSICAL STANDARDS.—Section 44921(d)(2) is amended—

(1) by redesignating subparagraphs (A), (B), and (C) as clauses (i), (ii), and (iii), respectively;

(2) in clause (ii), as redesignated, by striking "Under Secretary's" and inserting "Administrator's";

(3) by striking "A pilot is" and inserting the following:

"(A) IN GENERAL.—A pilot is"; and

(4) by adding at the end the following:

"(B) CONSISTENCY WITH REQUIREMENTS FOR CERTAIN MEDICAL CERTIFICATES.—In establishing standards under subparagraph (A)(ii), the Administrator may not establish medical or physical standards for a pilot to become a Federal flight deck officer that are inconsistent with or more stringent than the requirements of the Federal Aviation Administration for the issuance of the required airman medical certificate under part 67 of title 14, Code of Federal Regulations (or any corresponding similar regulation or ruling).".

(g) TRANSFER OF STATUS.—Section 44921(d) is amended by adding at the end the following:

"(5) TRANSFER FROM INACTIVE TO ACTIVE STATUS.—In accordance with any applicable Transportation Security Administration appeals processes, a pilot deputized as a Federal flight deck officer who moves to inactive status may return to active status upon successful completion of a recurrent training program administered within program guidelines.".

(h) TECHNICAL CORRECTIONS.—Section 44921, as amended by this section, is further amended—

(1) in subsection (a), by striking "Under Secretary of Transportation for Security" and inserting "Administrator";

(2) in subsection (b)—

(A) in paragraph (1), by striking "Not later than 3 months after the date of enactment of this section, the Under Secretary" and inserting "The Administrator";

(B) in paragraph (2), by striking "Beginning 3 months after the date of enactment of this section, the Under Secretary shall begin the process of training and deputizing" and inserting "The Administrator shall train and deputize"; and

(C) in paragraph (3)(N), by striking "Under Secretary's" and inserting "Administrator's";

(3) in subsection (d)(4)—

(A) by striking "may," and inserting "may"; and

(B) by striking "Under Secretary's" and inserting "Administrator's";

(4) in subsection (i)(2), by striking "the Under Secretary may" and inserting "may";

(5) in subsection (k)—

(A) by striking paragraphs (2) and (3); and

(B) by striking "APPLICABILITY.—" and all that follows through "This section" and inserting "APPLICABILITY.—This section";

(6) by adding at the end the following:

"(l) DEFINITIONS.—In this section:

"(1) ADMINISTRATOR.—The term 'Administrator' means the Administrator of the Transportation Security Administration.

"(2) AIR TRANSPORTATION.—The term 'air transportation' includes all-cargo air transportation.

"(3) FIREARMS TRAINING FACILITY.—The term 'firearms training facility' means a private or government-owned gun range approved by the Administrator to provide recurrent or requalification training, as applicable, for the program, utilizing a Transportation Security Administration-approved contractor and a curriculum developed and approved by the Transportation Security Administration.

"(4) PILOT.—The term 'pilot' means an individual who has final authority and responsibility for the operation and safety of the flight or any other flight deck crew member."; and

(7) by striking "Under Secretary" each place it appears and inserting "Administrator".

49 USC 44921 note.

(i) SENSITIVE SECURITY INFORMATION.—Not later than 180 days after the date of enactment of this Act—

(1) the Secretary of Transportation shall revise section 15.5(b)(11) of title 49, Code of Federal Regulations, to classify information about pilots deputized as Federal flight deck officers under section 44921 of title 49, United States Code, as sensitive security information in a manner consistent with the classification of information about Federal air marshals; and

(2) the Administrator shall revise section 1520.5(b)(11) of title 49, Code of Federal Regulations, to classify information about pilots deputized as Federal flight deck officers under section 44921 of title 49, United States Code, as sensitive security information in a manner consistent with the classification of information about Federal air marshals.

49 USC 44921 note.

(j) REGULATIONS.—Not later than 180 days after the date of enactment of this Act, the Administrator shall prescribe such regulations as may be necessary to carry out this section and the amendments made by this section.

Subtitle G—Surface Transportation Security

49 USC 114 note.

SEC. 1964. SURFACE TRANSPORTATION SECURITY ASSESSMENT AND IMPLEMENTATION OF RISK-BASED STRATEGY.

(a) SECURITY ASSESSMENT.—

(1) IN GENERAL.—Not later than 1 year after the date of enactment of this Act, the Administrator shall complete an assessment of the vulnerabilities of and risks to surface transportation systems.

(2) CONSIDERATIONS.—In conducting the security assessment under paragraph (1), the Administrator shall, at a minimum—

(A) consider appropriate intelligence;

(B) consider security breaches and attacks at domestic and international surface transportation facilities;

(C) consider the vulnerabilities and risks associated with specific modes of surface transportation;

(D) evaluate the vetting and security training of—

(i) employees in surface transportation; and

(ii) other individuals with access to sensitive or secure areas of surface transportation networks; and

(E) consider input from—

(i) representatives of different modes of surface transportation;

(ii) representatives of critical infrastructure entities;

(iii) the Transportation Systems Sector Coordinating Council; and

(iv) the heads of other relevant Federal departments or agencies.

(b) RISK-BASED SURFACE TRANSPORTATION SECURITY STRATEGY.—

(1) IN GENERAL.—Not later than 180 days after the date the security assessment under subsection (a) is complete, the Administrator shall use the results of the assessment—

(A) to develop and implement a cross-cutting, risk-based surface transportation security strategy that includes—

(i) all surface transportation modes;

(ii) a mitigating strategy that aligns with each vulnerability and risk identified in subsection (a);

(iii) a planning process to inform resource allocation;

(iv) priorities, milestones, and performance metrics to measure the effectiveness of the risk-based surface transportation security strategy; and

(v) processes for sharing relevant and timely intelligence threat information with appropriate stakeholders;

(B) to develop a management oversight strategy that—

(i) identifies the parties responsible for the implementation, management, and oversight of the risk-based surface transportation security strategy; and

(ii) includes a plan for implementing the risk-based surface transportation security strategy; and

(C) to modify the risk-based budget and resource allocations, in accordance with section 1965(c), for the Transportation Security Administration.

(2) COORDINATED APPROACH.—In developing and implementing the risk-based surface transportation security strategy under paragraph (1), the Administrator shall coordinate with the heads of other relevant Federal departments or agencies, and stakeholders, as appropriate—

(A) to evaluate existing surface transportation security programs, policies, and initiatives, including the explosives detection canine teams, for consistency with the risk-based security strategy and, to the extent practicable, avoid any unnecessary duplication of effort;

(B) to determine the extent to which stakeholder security programs, policies, and initiatives address the vulnerabilities and risks to surface transportation systems identified in subsection (a); and

(C) subject to subparagraph (B), to mitigate each vulnerability and risk to surface transportation systems identified in subsection (a).

(c) REPORT.—

(1) IN GENERAL.—Not later than 180 days after the date the security assessment under subsection (a) is complete, the Administrator shall submit to the appropriate committees of Congress and the Inspector General of the Department a report that—

(A) describes the process used to complete the security assessment;

(B) describes the process used to develop the risk-based security strategy;

(C) describes the risk-based security strategy;

(D) includes the management oversight strategy;

(E) includes—

(i) the findings of the security assessment;

(ii) a description of the actions recommended or taken by the Administrator to mitigate the vulnerabilities and risks identified in subsection (a), including interagency coordination;

(iii) any recommendations for improving the coordinated approach to mitigating vulnerabilities and risks to surface transportation systems; and

(iv) any recommended changes to the National Infrastructure Protection Plan, the modal annexes to such plan, or relevant surface transportation security programs, policies, or initiatives; and

(F) may contain a classified annex.

(2) PROTECTIONS.—In preparing the report, the Administrator shall take appropriate actions to safeguard information described by section 552(b) of title 5, United States Code, or protected from disclosure by any other law of the United States.

(d) UPDATES.—Not less frequently than semiannually, the Administrator shall report to or brief the appropriate committees of Congress on the vulnerabilities of and risks to surface transportation systems and how those vulnerabilities and risks affect the risk-based security strategy.

49 USC 114 note.

SEC. 1965. RISK-BASED BUDGETING AND RESOURCE ALLOCATION.

(a) REPORT.—In conjunction with the submission of the Department's annual budget request to the Office of Management and Budget, the Administrator shall submit to the appropriate committees of Congress a report that describes a risk-based budget and resource allocation plan for surface transportation sectors, within and across modes, that—

(1) reflects the risk-based surface transportation security strategy under section 1964(b); and

(2) is organized by appropriations account, program, project, and initiative.

(b) BUDGET TRANSPARENCY.—In submitting the annual budget of the United States Government under section 1105 of title 31, United States Code, the President shall clearly distinguish the resources requested for surface transportation security from the resources requested for aviation security.

(c) RESOURCE REALLOCATION.—

(1) IN GENERAL.—Not later than 15 days after the date on which the Transportation Security Administration allocates any resources or personnel, including personnel sharing, detailing, or assignment, or the use of facilities, technology systems, or vetting resources, for a nontransportation security

purpose or National Special Security Event (as defined in section 2001 of Homeland Security Act of 2002 (6 U.S.C. 601)), the Secretary shall provide the notification described in paragraph (2) to the appropriate committees of Congress.

(2) NOTIFICATION.—A notification described in this paragraph shall include—

(A) the reason for and a justification of the resource or personnel allocation;

(B) the expected end date of the resource or personnel allocation; and

(C) the projected cost to the Transportation Security Administration of the personnel or resource allocation.

(d) 5-YEAR CAPITAL INVESTMENT PLAN.—Not later than 180 days after the date of enactment of this Act, the Administrator shall submit to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Homeland Security of the House of Representatives a 5-year capital investment plan, consistent with the 5-year technology investment plan under section 1611 of title XVI of the Homeland Security Act of 2002, as amended by section 3 of the Transportation Security Acquisition Reform Act (Public Law 113–245; 128 Stat. 2871).

SEC. 1966. SURFACE TRANSPORTATION SECURITY MANAGEMENT AND INTERAGENCY COORDINATION REVIEW.

Not later than 1 year after the date of enactment of this Act, the Comptroller General of the United States shall—

(1) review the staffing, budget, resource, and personnel allocation, and management oversight strategy of the Transportation Security Administration's surface transportation security programs;

(2) review the coordination between relevant entities of leadership, planning, policy, inspections, and implementation of security programs relating to surface transportation to reduce redundancy and regulatory burden; and

(3) submit to the appropriate committees of Congress a report on the findings of the reviews under paragraphs (1) and (2), including any recommendations for improving coordination between relevant entities and reducing redundancy and regulatory burden.

SEC. 1967. TRANSPARENCY. 49 USC 114 note.

(a) REGULATIONS.—

(1) IN GENERAL.—Not later than 180 days after the date of enactment of this Act, and every 180 days thereafter, the Administrator shall publish on a public website information regarding the status of each regulation relating to surface transportation security that is directed by law to be issued and that has not been issued if not less than 2 years have passed since the date of enactment of the law.

(2) CONTENTS.—The information published under paragraph (1) shall include—

(A) an updated rulemaking schedule for the outstanding regulation;

(B) current staff allocations;

(C) data collection or research relating to the development of the rulemaking;

(D) current efforts, if any, with security experts, advisory committees, and other stakeholders; and

(E) other relevant details associated with the development of the rulemaking that impact the progress of the rulemaking.

(b) INSPECTOR GENERAL REVIEW.—Not later than 180 days after the date of enactment of this Act, and every 2 years thereafter until all of the requirements under titles XIII, XIV, and XV of the Implementing Recommendations of the 9/11 Commission Act of 2007 (6 U.S.C. 1111 et seq.) and under this title have been fully implemented, the Inspector General of the Department shall submit to the appropriate committees of Congress a report that—

(1) identifies the requirements under such titles of that Act and under this title that have not been fully implemented;

(2) describes what, if any, additional action is necessary; and

(3) includes recommendations regarding whether any of the requirements under such titles of that Act or this title should be amended or repealed.

49 USC 114 note.

SEC. 1968. TSA COUNTERTERRORISM ASSET DEPLOYMENT.

(a) COUNTERTERRORISM ASSET DEPLOYMENT.—

(1) IN GENERAL.—If the Administrator deploys any counterterrorism personnel or resource, such as explosive detection sweeps, random bag inspections, or patrols by Visible Intermodal Prevention and Response teams, to enhance security at a transportation system or transportation facility for a period of not less than 180 consecutive days, the Administrator shall provide sufficient notification to the system or facility operator, as applicable, not less than 14 days prior to terminating the deployment.

(2) EXCEPTION.—This subsection shall not apply if the Administrator—

(A) determines there is an urgent security need for the personnel or resource described in paragraph (1); and

(B) notifies the appropriate committees of Congress of the determination under subparagraph (A).

(b) VIPR TEAMS.—Section 1303 of the Implementing Recommendations of the 9/11 Commission Act of 2007 (6 U.S.C. 1112) is amended—

(1) in subsection (a)(4), by striking "team," and inserting "team as to specific locations and times within the facilities of such entities at which VIPR teams are to be deployed to maximize the effectiveness of such deployment,"; and

(2) by striking subsection (b) and inserting the following:

"(b) PERFORMANCE MEASURES.—Not later than 1 year after the date of enactment of the TSA Modernization Act, the Administrator shall develop and implement a system of qualitative performance measures and objectives by which to assess the roles, activities, and effectiveness of VIPR team operations on an ongoing basis, including a mechanism through which the transportation entities referred to in subsection (a)(4) may submit feedback on VIPR team operations involving their systems or facilities.

"(c) PLAN.—Not later than 1 year after the date of the enactment of the TSA Modernization Act, the Administrator shall develop and implement a plan for ensuring the interoperability of communications among VIPR team participants and between VIPR teams and any transportation entities with systems or facilities that are involved in VIPR team operations. Such plan shall include an

analysis of the costs and resources required to carry out such plan.".

SEC. 1969. SURFACE TRANSPORTATION SECURITY ADVISORY COMMITTEE.

(a) IN GENERAL.—Subtitle A of title IV of the Homeland Security Act of 2002 (6 U.S.C. 201 et seq.) is amended by adding at the end the following:

"SEC. 404. SURFACE TRANSPORTATION SECURITY ADVISORY COMMITTEE. 6 USC 204 note.

"(a) ESTABLISHMENT.—The Administrator of the Transportation Security Administration (referred to in this section as 'Administrator') shall establish within the Transportation Security Administration the Surface Transportation Security Advisory Committee (referred to in this section as the 'Advisory Committee').

"(b) DUTIES.—

"(1) IN GENERAL.—The Advisory Committee may advise, consult with, report to, and make recommendations to the Administrator on surface transportation security matters, including the development, refinement, and implementation of policies, programs, initiatives, rulemakings, and security directives pertaining to surface transportation security.

"(2) RISK-BASED SECURITY.—The Advisory Committee shall consider risk-based security approaches in the performance of its duties.

"(c) MEMBERSHIP.—

"(1) COMPOSITION.—The Advisory Committee shall be composed of—

"(A) voting members appointed by the Administrator under paragraph (2); and

"(B) nonvoting members, serving in an advisory capacity, who shall be designated by—

"(i) the Transportation Security Administration;

"(ii) the Department of Transportation;

"(iii) the Coast Guard; and

"(iv) such other Federal department or agency as the Administrator considers appropriate.

"(2) APPOINTMENT.—The Administrator shall appoint voting members from among stakeholders representing each mode of surface transportation, such as passenger rail, freight rail, mass transit, pipelines, highways, over-the-road bus, school bus industry, and trucking, including representatives from—

"(A) associations representing such modes of surface transportation;

"(B) labor organizations representing such modes of surface transportation;

"(C) groups representing the users of such modes of surface transportation, including asset manufacturers, as appropriate;

"(D) relevant law enforcement, first responders, and security experts; and

"(E) such other groups as the Administrator considers appropriate.

"(3) CHAIRPERSON.—The Advisory Committee shall select a chairperson from among its voting members.

"(4) TERM OF OFFICE.—

"(A) TERMS.—

"(i) IN GENERAL.—The term of each voting member of the Advisory Committee shall be 2 years, but a voting member may continue to serve until the Administrator appoints a successor.

"(ii) REAPPOINTMENT.—A voting member of the Advisory Committee may be reappointed.

"(B) REMOVAL.—

"(i) IN GENERAL.—The Administrator may review the participation of a member of the Advisory Committee and remove such member for cause at any time.

"(ii) ACCESS TO INFORMATION.—The Administrator may remove any member of the Advisory Committee that the Administrator determines should be restricted from reviewing, discussing, or possessing classified information or sensitive security information.

"(5) PROHIBITION ON COMPENSATION.—The members of the Advisory Committee shall not receive any compensation from the Government by reason of their service on the Advisory Committee.

"(6) MEETINGS.—

"(A) IN GENERAL.—The Administrator shall require the Advisory Committee to meet at least semiannually in person or through web conferencing and may convene additional meetings as necessary.

"(B) PUBLIC MEETINGS.—At least 1 of the meetings of the Advisory Committee each year shall be—

"(i) announced in the Federal Register;

"(ii) announced on a public website; and

"(iii) open to the public.

"(C) ATTENDANCE.—The Advisory Committee shall maintain a record of the persons present at each meeting.

"(D) MINUTES.—

"(i) IN GENERAL.—Unless otherwise prohibited by other Federal law, minutes of the meetings shall be published on the public website under subsection (e)(5).

"(ii) PROTECTION OF CLASSIFIED AND SENSITIVE INFORMATION.—The Advisory Committee may redact or summarize, as necessary, minutes of the meetings to protect classified or other sensitive information in accordance with law.

"(7) VOTING MEMBER ACCESS TO CLASSIFIED AND SENSITIVE SECURITY INFORMATION.—

"(A) DETERMINATIONS.—Not later than 60 days after the date on which a voting member is appointed to the Advisory Committee and before that voting member may be granted any access to classified information or sensitive security information, the Administrator shall determine if the voting member should be restricted from reviewing, discussing, or possessing classified information or sensitive security information.

"(B) ACCESS.—

"(i) SENSITIVE SECURITY INFORMATION.—If a voting member is not restricted from reviewing, discussing, or possessing sensitive security information under subparagraph (A) and voluntarily signs a nondisclosure agreement, the voting member may be granted access to sensitive security information that is relevant to

the voting member's service on the Advisory Committee.

"(ii) CLASSIFIED INFORMATION.—Access to classified materials shall be managed in accordance with Executive Order 13526 of December 29, 2009 (75 Fed. Reg. 707), or any subsequent corresponding Executive order.

"(C) PROTECTIONS.—

"(i) SENSITIVE SECURITY INFORMATION.—Voting members shall protect sensitive security information in accordance with part 1520 of title 49, Code of Federal Regulations.

"(ii) CLASSIFIED INFORMATION.—Voting members shall protect classified information in accordance with the applicable requirements for the particular level of classification.

"(8) JOINT COMMITTEE MEETINGS.—The Advisory Committee may meet with 1 or more of the following advisory committees to discuss multimodal security issues and other security-related issues of common concern:

"(A) Aviation Security Advisory Committee established under section 44946 of title 49, United States Code.

"(B) Maritime Security Advisory Committee established under section 70112 of title 46, United States Code.

"(C) Railroad Safety Advisory Committee established by the Federal Railroad Administration.

"(9) SUBJECT MATTER EXPERTS.—The Advisory Committee may request the assistance of subject matter experts with expertise related to the jurisdiction of the Advisory Committee.

"(d) REPORTS.—

"(1) PERIODIC REPORTS.—The Advisory Committee shall periodically submit reports to the Administrator on matters requested by the Administrator or by a majority of the members of the Advisory Committee.

"(2) ANNUAL REPORT.—

"(A) SUBMISSION.—The Advisory Committee shall submit to the Administrator and the appropriate congressional committees an annual report that provides information on the activities, findings, and recommendations of the Advisory Committee during the preceding year.

"(B) PUBLICATION.—Not later than 6 months after the date that the Administrator receives an annual report under subparagraph (A), the Administrator shall publish a public version of the report, in accordance with section 552a(b) of title 5, United States Code.

"(e) ADMINISTRATION RESPONSE.—

"(1) CONSIDERATION.—The Administrator shall consider the information, advice, and recommendations of the Advisory Committee in formulating policies, programs, initiatives, rulemakings, and security directives pertaining to surface transportation security.

"(2) FEEDBACK.—Not later than 90 days after the date that the Administrator receives a recommendation from the Advisory Committee under subsection (d)(2), the Administrator shall submit to the Advisory Committee written feedback on the recommendation, including—

"(A) if the Administrator agrees with the recommendation, a plan describing the actions that the Administrator

has taken, will take, or recommends that the head of another Federal department or agency take to implement the recommendation; or

"(B) if the Administrator disagrees with the recommendation, a justification for that determination.

"(3) NOTICES.—Not later than 30 days after the date the Administrator submits feedback under paragraph (2), the Administrator shall—

"(A) notify the appropriate congressional committees of the feedback, including the determination under subparagraph (A) or subparagraph (B) of that paragraph, as applicable; and

"(B) provide the appropriate congressional committees with a briefing upon request.

"(4) UPDATES.—Not later than 90 days after the date the Administrator receives a recommendation from the Advisory Committee under subsection (d)(2) that the Administrator agrees with, and quarterly thereafter until the recommendation is fully implemented, the Administrator shall submit a report to the appropriate congressional committees or post on the public website under paragraph (5) an update on the status of the recommendation.

"(5) WEBSITE.—The Administrator shall maintain a public website that—

"(A) lists the members of the Advisory Committee; and

"(B) provides the contact information for the Advisory Committee.

"(f) NONAPPLICABILITY OF FACA.—The Federal Advisory Committee Act (5 U.S.C. App.) shall not apply to the Advisory Committee or any subcommittee established under this section.".

6 USC 204 note.

(b) ADVISORY COMMITTEE MEMBERS.—

(1) VOTING MEMBERS.—Not later than 180 days after the date of enactment of this Act, the Administrator shall appoint the voting members of the Surface Transportation Security Advisory Committee established under section 404 of the Homeland Security Act of 2002, as added by subsection (a) of this section.

(2) NONVOTING MEMBERS.—Not later than 90 days after the date of enactment of this Act, each Federal Government department and agency with regulatory authority over a mode of surface or maritime transportation, as the Administrator considers appropriate, shall designate an appropriate representative to serve as a nonvoting member of the Surface Transportation Security Advisory Committee.

(c) TABLE OF CONTENTS.—The table of contents in section 1(b) of the Homeland Security Act of 2002 (Public Law 107–296; 116 Stat. 2135) is amended by inserting after the item relating to section 403 the following:

"Sec. 404. Surface Transportation Security Advisory Committee.".

SEC. 1970. REVIEW OF THE EXPLOSIVES DETECTION CANINE TEAM PROGRAM.

(a) IN GENERAL.—Not later than 90 days after the date that the Inspector General of the Department receives the report under section 1964(c), the Inspector General of the Department shall—

(1) review the explosives detection canine team program, including—

(A) the development by the Transportation Security Administration of a deployment strategy for explosives detection canine teams;

(B) the national explosives detection canine team training program, including canine training, handler training, refresher training, and updates to such training;

(C) the use of the canine assets during an urgent security need, including the reallocation of such program resources outside the transportation systems sector during an urgent security need; and

(D) the monitoring and tracking of canine assets; and

(2) submit to the appropriate committees of Congress a report on the review, including any recommendations.

(b) CONSIDERATIONS.—In conducting the review of the deployment strategy under subsection (a)(1)(A), the Inspector General shall consider whether the Transportation Security Administration's method to analyze the risk to transportation facilities and transportation systems is appropriate.

SEC. 1971. EXPANSION OF NATIONAL EXPLOSIVES DETECTION CANINE TEAM PROGRAM.

6 USC 1116 note.

(a) IN GENERAL.—The Secretary, where appropriate, shall encourage State, local, and tribal governments and private owners of high-risk transportation facilities to strengthen security through the use of explosives detection canine teams.

(b) INCREASED CAPACITY.—

(1) IN GENERAL.—Before the date the Inspector General of the Department submits the report under section 1970, the Administrator may increase the number of State and local surface and maritime transportation canines by not more than 70 explosives detection canine teams.

(2) ADDITIONAL TEAMS.—Beginning on the date the Inspector General of the Department submits the report under section 1970, the Secretary may increase the State and local surface and maritime transportation canines up to 200 explosives detection canine teams unless more are identified in the risk-based surface transportation security strategy under section 1964, consistent with section 1965 or with the President's most recent budget submitted under section 1105 of title 31, United States Code.

(3) RECOMMENDATIONS.—Before initiating any increase in the number of explosives detection teams under paragraph (2), the Secretary shall consider any recommendations in the report under section 1970 on the efficacy and management of the explosives detection canine program.

(c) DEPLOYMENT.—The Secretary shall—

(1) use the additional explosives detection canine teams, as described in subsection (b)(1), as part of the Department's efforts to strengthen security across the Nation's surface and maritime transportation networks;

(2) make available explosives detection canine teams to all modes of transportation, subject to the requirements under section 1968, to address specific vulnerabilities or risks, on an as-needed basis and as otherwise determined appropriate by the Secretary; and

(3) consider specific needs and training requirements for explosives detection canine teams to be deployed across the Nation's surface and maritime transportation networks, including in venues of multiple modes of transportation, as the Secretary considers appropriate.

(d) AUTHORIZATION.—There are authorized to be appropriated to the Secretary to the extent of appropriations to carry out this section for each of fiscal years 2019 through 2021.

SEC. 1972. STUDY ON SECURITY STANDARDS AND BEST PRACTICES FOR PASSENGER TRANSPORTATION SYSTEMS.

(a) SECURITY STANDARDS AND BEST PRACTICES FOR UNITED STATES AND FOREIGN PASSENGER TRANSPORTATION SYSTEMS.—The Comptroller General of the United States shall conduct a study of how the Transportation Security Administration—

(1) identifies and compares—

(A) United States and foreign passenger transportation security standards; and

(B) best practices for protecting passenger transportation systems, including shared terminal facilities, and cyber systems; and

(2) disseminates the findings under paragraph (1) to stakeholders.

(b) REPORT.—Not later than 18 months after the date of enactment of this Act, the Comptroller General shall issue a report that contains—

(1) the findings of the study conducted under subsection (a); and

(2) any recommendations for improving the relevant processes or procedures.

SEC. 1973. AMTRAK SECURITY UPGRADES.

(a) RAILROAD SECURITY ASSISTANCE.—Section 1513(b) of the Implementing Recommendations of the 9/11 Commission Act of 2007 (6 U.S.C. 1163(b)) is amended—

(1) in paragraph (1), by striking the period at the end and inserting ", including communications interoperability where appropriate with relevant outside agencies and entities.";

(2) in paragraph (5), by striking "security of" and inserting "security and preparedness of";

(3) in paragraph (7), by striking "security threats" and inserting "security threats and preparedness, including connectivity to the National Terrorist Screening Center"; and

(4) in paragraph (9), by striking "and security officers" and inserting ", security, and preparedness officers".

(b) SPECIFIC PROJECTS.—Section 1514(a)(3) of the Implementing Recommendations of the 9/11 Commission Act of 2007 (6 U.S.C. 1164(a)(3)) is amended—

(1) in subparagraph (D) by inserting ", or to connect to the National Terrorism Screening Center watchlist" after "Secretary";

(2) in subparagraph (G), by striking "; and" at the end and inserting a semicolon;

(3) in subparagraph (H) by striking the period at the end and inserting a semicolon; and

(4) by adding at the end the following:

"(I) for improvements to passenger verification systems;

"(J) for improvements to employee and contractor verification systems, including identity verification technology; or

"(K) for improvements to the security of Amtrak computer systems, including cybersecurity assessments and programs.".

SEC. 1974. PASSENGER RAIL VETTING.

6 USC 1164 note.

(a) IN GENERAL.—Not later than 180 days after the date on which the Amtrak Board of Directors submits a request to the Administrator, the Administrator shall issue a decision on the use by Amtrak of the Transportation Security Administration's Secure Flight Program or a similar passenger vetting system to enhance passenger rail security.

(b) CONSIDERATIONS.—In making a decision under subsection (a), the Administrator shall—

(1) consider the technological, privacy, operational, and security impacts of such a decision; and

(2) describe such impacts in any strategic plan developed under subsection (c).

(c) STRATEGIC PLAN.—If the Administrator decides to grant the request by Amtrak under subsection (a), the decision shall include a strategic plan for working with rail stakeholders to enhance passenger rail security by—

(1) vetting passengers using terrorist watch lists maintained by the Federal Government or a similar passenger vetting system maintained by the Transportation Security Administration; and

(2) where applicable and in consultation with the Commissioner of U.S. Customs and Border Protection, assessing whether the vetting process should be integrated into preclearance operations established under section 813 of the Trade Facilitation and Trade Enforcement Act of 2015 (19 U.S.C. 4432).

(d) NOTICES.—The Administrator shall notify the appropriate committees of Congress of any decision made under subsection (a) and the details of the strategic plan under subsection (c).

(e) RULE OF CONSTRUCTION.—Nothing in this section shall be construed to limit the Administrator's authority to set the access to, or terms and conditions of using, the Secure Flight Program or a similar passenger vetting system.

SEC. 1975. STUDY ON SURFACE TRANSPORTATION INSPECTORS.

(a) STRATEGY.—Not later than 180 days after the date of enactment of this Act, the Administrator shall submit to the appropriate congressional committees and the Comptroller General of the United States a strategy to guide operations of surface transportation security inspectors that addresses the following:

(1) Any limitations in data systems for such inspectors, as identified by the Comptroller General.

(2) Alignment of operations with risk assessment findings, including an approach to identifying and prioritizing entities and locations for inspections.

(3) Measurable objectives for the surface transportation security inspectors program.

(b) GAO REVIEW.—Not later than 180 days after the date the strategy under subsection (a) is submitted, the Comptroller

General of the United States shall review such strategy and, as appropriate, issue recommendations.

6 USC 1155.

SEC. 1976. SECURITY AWARENESS PROGRAM.

(a) ESTABLISHMENT.—The Administrator shall establish a program to promote surface transportation security through the training of surface transportation operators and frontline employees on each of the skills identified in subsection (c).

(b) APPLICATION.—The program established under subsection (a) shall apply to all modes of surface transportation, including public transportation, rail, highway, motor carrier, and pipeline.

(c) TRAINING.—The program established under subsection (a) shall cover, at a minimum, the skills necessary to recognize, assess, and respond to suspicious items or actions that could indicate a threat to transportation.

(d) ASSESSMENT.—

(1) IN GENERAL.—The Administrator shall conduct an assessment of current training programs for surface transportation operators and frontline employees.

(2) CONTENTS.—The assessment shall identify—

(A) whether other training is being provided, either voluntarily or in response to other Federal requirements; and

(B) whether there are any gaps in existing training.

(e) UPDATES.—The Administrator shall ensure the program established under subsection (a) is updated as necessary to address changes in risk and terrorist methods and to close any gaps identified in the assessment under subsection (d).

(f) SUSPICIOUS ACTIVITY REPORTING.—

(1) IN GENERAL.—The Secretary shall maintain a national telephone number for an individual to use to report suspicious activity under this section to the Administration.

(2) PROCEDURES.—The Administrator shall establish procedures for the Administration—

(A) to review and follow-up, as necessary, on each report received under paragraph (1); and

(B) to share, as necessary and in accordance with law, the report with appropriate Federal, State, local, and tribal entities.

(3) RULE OF CONSTRUCTION.—Nothing in this section may be construed to—

(A) replace or affect in any way the use of 9–1–1 services in an emergency; or

(B) replace or affect in any way the security training program requirements specified in sections 1408, 1517, and 1534 of the Implementing Recommendations of the 9/11 Commission Act of 2007 (6 U.S.C. 1137, 1167, 1184).

(g) DEFINITION OF FRONTLINE EMPLOYEE.—In this section, the term "frontline employee" includes—

(1) an employee of a public transportation agency who is a transit vehicle driver or operator, dispatcher, maintenance and maintenance support employee, station attendant, customer service employee, security employee, or transit police, or any other employee who has direct contact with riders on a regular basis, and any other employee of a public transportation agency that the Administrator determines should receive

security training under this section or that is receiving security training under other law;

(2) over-the-road bus drivers, security personnel, dispatchers, maintenance and maintenance support personnel, ticket agents, other terminal employees, and other employees of an over-the-road bus operator or terminal owner or operator that the Administrator determines should receive security training under this section or that is receiving security training under other law; or

(3) security personnel, dispatchers, locomotive engineers, conductors, trainmen, other onboard employees, maintenance and maintenance support personnel, bridge tenders, and any other employees of railroad carriers that the Administrator determines should receive security training under this section or that is receiving security training under other law.

SEC. 1977. VOLUNTARY USE OF CREDENTIALING.

6 USC 1119.

(a) IN GENERAL.—An applicable individual who is subject to credentialing or a background investigation may satisfy that requirement by obtaining a valid transportation security card.

(b) ISSUANCE OF CARDS.—The Secretary of Homeland Security—

(1) shall expand the transportation security card program, consistent with section 70105 of title 46, United States Code, to allow an applicable individual who is subject to credentialing or a background investigation to apply for a transportation security card; and

(2) may charge reasonable fees, in accordance with section 520(a) of the Department of Homeland Security Appropriations Act, 2004 (6 U.S.C. 469(a)), for providing the necessary credentialing and background investigation.

(c) VETTING.—The Administrator shall develop and implement a plan to utilize, in addition to any background check required for initial issue, the Federal Bureau of Investigation's Rap Back Service and other vetting tools as appropriate, including the No-Fly and Selectee lists, to get immediate notification of any criminal activity relating to any person with a valid transportation security card.

(d) DEFINITIONS.—In this section:

(1) APPLICABLE INDIVIDUAL WHO IS SUBJECT TO CREDENTIALING OR A BACKGROUND INVESTIGATION.—The term "applicable individual who is subject to credentialing or a background investigation" means only an individual who—

(A) because of employment is regulated by the Transportation Security Administration, Department of Transportation, or Coast Guard and is required to have a background records check to obtain a hazardous materials endorsement on a commercial driver's license issued by a State under section 5103a of title 49, United States Code; or

(B) is required to have a credential and background records check under section 2102(d)(2) of the Homeland Security Act of 2002 (6 U.S.C. 622(d)(2)) at a facility with activities that are regulated by the Transportation Security Administration, Department of Transportation, or Coast Guard.

(2) VALID TRANSPORTATION SECURITY CARD.—The term "valid transportation security card" means a transportation security card that is—

(A) issued under section 70105 of title 46, United States Code;

(B) not expired;

(C) shows no signs of tampering; and

(D) bears a photograph of the individual representing such card.

SEC. 1978. BACKGROUND RECORDS CHECKS FOR ISSUANCE OF HAZMAT LICENSES.

(a) ISSUANCE OF LICENSES.—Section 5103a(a)(1) is amended—

(1) by striking "unless" and inserting "unless—";

(2) by striking "the Secretary of Homeland Security" and inserting the following:

"(A) "the Secretary of Homeland Security";";

(3) in subparagraph (A), as designated by paragraph (2) of this subsection, by striking the period at the end and inserting "; or"; and

(4) by adding at the end the following:

"(B) the individual holds a valid transportation security card issued under section 70105 of title 46.".

(b) TRANSPORTATION SECURITY CARD.—Section 5103a(d)(1) is amended, in the matter preceding subparagraph (A), by striking "described in subsection (a)(1)" and inserting "under subsection (a)(1)(A)".

6 USC 982 note.

SEC. 1979. CARGO CONTAINER SCANNING TECHNOLOGY REVIEW.

(a) DESIGNATIONS.—

(1) IN GENERAL.—Not later than 1 year after the date of enactment of this Act, and not less frequently than once every 5 years thereafter until the date of full-scale implementation of 100 percent screening of cargo containers and 100 percent scanning of high-risk containers required under section 232 of the SAFE Port Act (6 U.S.C. 982), the Secretary shall solicit proposals for scanning technologies, consistent with the standards under subsection (b)(8) of that section, to improve scanning of cargo at domestic ports.

(2) EVALUATION.—In soliciting proposals under paragraph (1), the Secretary shall establish measures to assess the performance of the proposed scanning technologies, including—

(A) the rate of false positives;

(B) the delays in processing times; and

(C) the impact on the supply chain.

(b) PILOT PROGRAM.—

(1) ESTABLISHMENT.—The Secretary may establish a pilot program to determine the efficacy of a scanning technology referred to in subsection (a).

(2) APPLICATION PROCESS.—In carrying out the pilot program under this subsection, the Secretary shall—

(A) solicit applications from domestic ports;

(B) select up to 4 domestic ports to participate in the pilot program; and

(C) select ports with unique features and differing levels of trade volume.

(3) REPORT.—Not later than 1 year after initiating a pilot program under paragraph (1), the Secretary shall submit to

the appropriate committees of Congress a report on the pilot program, including—

(A) an evaluation of the scanning technologies proposed to improve security at domestic ports and to meet the full-scale implementation requirement;

(B) the costs to implement a pilot program;

(C) the benefits of the proposed scanning technologies;

(D) the impact of the pilot program on the supply chain; and

(E) recommendations for implementation of advanced cargo scanning technologies at domestic ports.

(4) SHARING PILOT PROGRAM TESTING RESULTS.—The results of the pilot testing of advanced cargo scanning technologies shall be shared, as appropriate, with government agencies and private stakeholders whose responsibilities encompass the secure transport of cargo.

SEC. 1980. PIPELINE SECURITY STUDY.

(a) STUDY.—The Comptroller General of the United States shall conduct a study regarding the roles and responsibilities of the Department of Homeland Security and the Department of Transportation with respect to pipeline security.

(b) CONTENTS.—The study under subsection (a) shall examine—

(1) whether the Annex to the Memorandum of Understanding executed on August 9, 2006, between the Department of Homeland Security and the Department of Transportation adequately delineates strategic and operational responsibilities for pipeline security, including whether it is clear which department is responsible for—

(A) protecting against intentional pipeline breaches and cyber attacks;

(B) responding to intentional pipeline breaches and cyber attacks; and

(C) planning to recover from the impact of intentional pipeline breaches and cyber attacks;

(2) whether the respective roles and responsibilities of each department are adequately conveyed to relevant stakeholders and to the public;

(3) whether the processes and procedures for determining whether a particular pipeline breach is a terrorist incident are clear and effective;

(4) whether, and if so how, pipeline sector stakeholders share security-related information;

(5) the guidance pipeline operators report use to address security risks and the extent to which the TSA ensures its guidelines reflect the current threat environment;

(6) the extent to which the TSA has assessed security risks to pipeline systems; and

(7) the extent to which the TSA has assessed its effectiveness in reducing pipeline security risks.

(c) REPORT ON STUDY.—Not later than 180 days after the date of enactment of the TSA Modernization Act, the Comptroller General of the United States shall submit to the Secretary of Homeland Security and the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Homeland Security and the Committee on Transportation and Infrastructure of the

House of Representatives a report containing the findings of the study under subsection (a).

(d) REPORT TO CONGRESS.—Not later than 90 days after the date the report under subsection (c) is submitted, the Secretary of Homeland Security shall review and analyze the study and submit to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Homeland Security and the Committee on Transportation and Infrastructure of the House of Representatives a report on such review and analysis, including any recommendations for—

(1) changes to the Annex to the Memorandum of Understanding referred to in subsection (b)(1); and

(2) other improvements to pipeline security activities at the Department.

SEC. 1981. FEASIBILITY ASSESSMENT.

(a) EMERGING ISSUES.—Not later than 180 days after the date of enactment of this Act, the Secretary, acting through the Administrator and in coordination with the Under Secretary for Science and Technology of the Department of Homeland Security, shall submit to the appropriate committees of Congress a feasibility assessment of modifying the security of surface transportation assets by—

(1) introducing next generation technologies to be integrated into systems of surface transportation assets to detect explosives, including through the deployment of mobile explosives detection technologies to conduct risk-based passenger and property screening at such systems;

(2) providing surface transportation asset operators with access to the Transportation Security Administration's Secure Flight Program or a similar passenger vetting system maintained by the Transportation Security Administration;

(3) deploying a credential authentication technology or other means of identification document inspection to high-risk surface transportation assets to assist operators conducting passenger vetting; and

(4) deploying scalable, cost-effective technology solutions to detect chemical, biological, radiological, nuclear, or explosive threats within high-risk surface transportation assets that are capable of passive, continuous, and real-time sensing and detection of, and alerting passengers and operating personnel to, the presence of such a threat.

(b) CONSIDERATIONS.—In carrying out the assessment under subsection (a), the Secretary, acting through the Administrator and in coordination with the Under Secretary for Science and Technology of the Department of Homeland Security, shall address the technological, privacy, operational, passenger facilitation, and public acceptance considerations involved with each security measure contemplated in such assessment.

49 USC 114 note.

SEC. 1982. BEST PRACTICES TO SECURE AGAINST VEHICLE-BASED ATTACKS.

Not later than 180 days after the date of enactment of this Act, the Administrator shall disseminate best practices to public and private stakeholders regarding how to enhance transportation security against the threat of a vehicle-based terrorist attack.

SEC. 1983. SURFACE TRANSPORTATION STAKEHOLDER SURVEY.

(a) IN GENERAL.—Not later than 120 days after the date of enactment of this Act, the Secretary shall begin conducting a survey of public and private stakeholders responsible for securing surface transportation assets regarding resource challenges, including the availability of Federal funding, associated with securing such assets that provides an opportunity for respondents to set forth information on specific unmet needs.

(b) REPORT.—Not later than 120 days after beginning the survey required under subsection (a), the Secretary shall report to the appropriate committees of Congress regarding the results of such survey and the Department of Homeland Security's efforts to address any identified security vulnerabilities.

SEC. 1984. NUCLEAR MATERIAL AND EXPLOSIVE DETECTION TECHNOLOGY. 6 USC 1156 note.

The Secretary, in coordination with the Director of the National Institute of Standards and Technology and the head of each relevant Federal department or agency researching nuclear material detection systems or explosive detection systems, shall research, facilitate, and, to the extent practicable, deploy next generation technologies, including active neutron interrogation, to detect nuclear material and explosives in transportation systems and transportation facilities.

Subtitle H—Transportation Security

SEC. 1985. NATIONAL STRATEGY FOR TRANSPORTATION SECURITY REVIEW.

(a) GAO REVIEW.—

(1) IN GENERAL.—Not later than 1 year after the date of enactment of this Act, the Comptroller General of the United States shall evaluate the degree to which the most recent National Strategy for Transportation Security, as updated, under section 114(s) of title 49, United States Code, is reflected in relevant Federal transportation security programs, budgets, research, staffing levels, and related activities.

(2) CONSIDERATIONS.—In conducting the evaluation under paragraph (1), the Comptroller General shall consider the degree to which—

(A) the strategy is sufficiently forward-looking to guide future Federal efforts relating to transportation security;

(B) Federal transportation security programs, budgets, research, staffing levels, and related activities for fiscal year 2019 and subsequent fiscal years would be guided by the strategy; and

(C) any annual progress reports submitted to Congress under that section after the strategy is submitted would provide information on the degree to which that strategy guides Federal efforts relating to transportation security.

SEC. 1986. RISK SCENARIOS. 49 USC 114 note.

(a) IN GENERAL.—The Administrator shall annually develop, consistent with the transportation modal security plans required under section 114(s) of title 49, United States Code, risk-based priorities based on risk assessments conducted or received by the

Secretary across all transportation modes that consider threats, vulnerabilities, and consequences.

(b) SCENARIOS.—The Administrator shall ensure that the risk-based priorities identified under subsection (a) are informed by an analysis of terrorist attack scenarios for each transportation mode, including cyber-attack scenarios and intelligence and open source information about current and evolving threats.

(c) REPORT.—Not later than 120 days after the date that annual risk-based priorities are developed under subsection (a), the Administrator shall submit to the appropriate committees of Congress a report that includes the following:

(1) Copies of the risk assessments for each transportation mode.

(2) A summary that ranks the risks within and across modes.

(3) A description of the risk-based priorities for securing the transportation sector that identifies and prioritizes the greatest security needs of such transportation sector, both across and within modes, in the order that such priorities should be addressed.

(4) Information on the underlying methodologies used to assess risks across and within each transportation mode and the basis for any assumptions regarding threats, vulnerabilities, and consequences made in assessing and prioritizing risks within each such mode and across modes.

(d) CLASSIFICATION.—The information provided under subsection (c) may be submitted in a classified format or unclassified format, as the Administrator considers appropriate.

49 USC 114 note.

SEC. 1987. INTEGRATED AND UNIFIED OPERATIONS CENTERS.

(a) FRAMEWORK.—Not later than 120 days after the date of enactment of this Act, the Administrator, in consultation with the heads of other appropriate offices or components of the Department, shall make available to public and private stakeholders a framework for establishing an integrated and unified operations center responsible for overseeing daily operations of a transportation facility that promotes coordination for responses to terrorism, serious incidents, and other purposes, as determined appropriate by the Administrator.

(b) REPORT.—Not later than 1 year after the date of enactment of this Act, the Administrator shall brief the appropriate committees of Congress regarding the establishment and activities of integrated and unified operations centers at transportation facilities at which the TSA has a presence.

SEC. 1988. NATIONAL DEPLOYMENT FORCE.

(a) IN GENERAL.—Subchapter II of chapter 449, as amended by section 1943 of this Act, is further amended by adding at the end the following:

49 USC 44948 note.

"SEC. 44948. NATIONAL DEPLOYMENT OFFICE.

"(a) ESTABLISHMENT.—There is established within the Transportation Security Administration a National Deployment Office, to be headed by an individual with supervisory experience. Such individual shall be designated by the Administrator of the Transportation Security Administration.

"(b) DUTIES.—The individual designated as the head of the National Deployment Office shall be responsible for the following:

"(1) Maintaining a National Deployment Force within the Transportation Security Administration, including transportation security officers, supervisory transportation security officers and lead transportation security officers, to provide the Administration with rapid and efficient response capabilities and augment the Department of Homeland Security's homeland security operations to mitigate and reduce risk, including for the following:

"(A) Airports temporarily requiring additional security personnel due to an emergency, seasonal demands, hiring shortfalls, severe weather conditions, passenger volume mitigation, equipment support, or other reasons.

"(B) Special events requiring enhanced security including National Special Security Events, as determined by the Secretary of Homeland Security.

"(C) Response in the aftermath of any manmade disaster, including any terrorist attack.

"(D) Other such situations, as determined by the Administrator.

"(2) Educating transportation security officers regarding how to participate in the Administration's National Deployment Force.

"(3) Recruiting officers to serve on the National Deployment Force, in accordance with a staffing model to be developed by the Administrator.

"(4) Approving 1-year appointments for officers to serve on the National Deployment Force, with an option to extend upon officer request and with the approval of the appropriate Federal Security Director.

"(5) Training officers to serve on the National Deployment Force.".

(b) TABLE OF CONTENTS.—The table of contents of subchapter II of chapter 449, as amended by section 1943 of this Act, is further amended by adding after the item relating to section 44947 the following: 49 USC prec. 44901.

"44948. National Deployment Office.".

(c) CONFORMING AMENDMENT.—Section 114(f), as amended by section 1904 of this Act, is further amended—

(1) in paragraph (14), by striking "and" after the semicolon at the end;

(2) by redesignating paragraph (15) as paragraph (16); and

(3) by inserting after paragraph (14) the following:

"(15) establish and maintain a National Deployment Office as required under section 44948 of this title; and".

(d) CAREER DEVELOPMENT.—The Administrator may consider service in the National Deployment Force as a positive factor when evaluating applicants for promotion opportunities within the TSA. 49 USC 44948 note.

(e) REPORT.—Not later than 1 year after the date of enactment of this Act and annually thereafter for 5 years, the Administrator shall submit to the appropriate committees of Congress a report regarding activities of the National Deployment Office, including the National Deployment Force, established under section 44948 of title 49, United States Code. Each such report shall include information relating to the following:

(1) When, where, why, how many, and for how long the National Deployment Force was deployed throughout the 12-month period covered by such report and the costs associated with such deployment.

(2) A description of collaboration between the National Deployment Office and other components of the Department, other Federal agencies, and State and local transportation security stakeholders.

(3) The size of the National Deployment Force, including information on the staffing model of the National Deployment Force and adherence to such model as established by the Administrator.

(4) Information on recruitment, appointment, and training activities, including processes utilized to attract, recruit, appoint, and train officers to serve on the National Deployment Force.

49 USC 114 note.

SEC. 1989. INFORMATION SHARING AND CYBERSECURITY.

(a) FEDERAL SECURITY DIRECTORS.—Section 44933 is amended by adding at the end the following:

"(c) INFORMATION SHARING.—Not later than 1 year after the date of the enactment of the TSA Modernization Act, the Administrator shall—

"(1) require each Federal Security Director of an airport to meet at least quarterly with the airport director, airport security coordinator, and law enforcement agencies serving each such airport to discuss incident management protocols, including the resolution of screening anomalies at passenger screening checkpoints; and

"(2) require each Federal Security Director at an airport to inform, consult, and coordinate, as appropriate, with the respective airport security coordinator in a timely manner on security matters impacting airport operations and to establish and maintain operational protocols with such airport operators to ensure coordinated responses to security matters.".

(b) PLAN TO IMPROVE INFORMATION SHARING.—

(1) IN GENERAL.—Not later than 180 days after the date of enactment of this Act, the Administrator shall develop a plan to improve intelligence information sharing with State and local transportation entities that includes best practices to ensure that the information shared is actionable, useful, and not redundant.

(2) CONTENTS.—The plan required under paragraph (1) shall include the following:

(A) The incorporation of best practices for information sharing.

(B) The identification of areas of overlap and redundancy.

(C) An evaluation and incorporation of stakeholder input in the development of such plan.

(D) The integration of any recommendations of the Comptroller General of the United States on information sharing.

(3) SOLICITATION.—The Administrator shall solicit on an annual basis input from appropriate stakeholders, including State and local transportation entities, on the quality and

quantity of intelligence received by such stakeholders relating to information sharing.

(c) BEST PRACTICES SHARING.—

(1) IN GENERAL.—Not later than 180 days after the date of enactment of this Act, the Administrator shall establish a mechanism to share with State and local transportation entities best practices from across the law enforcement spectrum, including Federal, State, local, and tribal entities, that relate to employee training, employee professional development, technology development and deployment, hardening tactics, and passenger and employee awareness programs.

(2) CONSULTATION.—The Administrator shall solicit and incorporate stakeholder input—

(A) in developing the mechanism for sharing best practices as required under paragraph (1); and

(B) not less frequently than annually on the quality and quantity of information such stakeholders receive through the mechanism established under such paragraph.

(d) CYBERSECURITY.—

(1) IN GENERAL.—The Administrator, in consultation with the Secretary, shall—

(A) not later than 120 days after the date of enactment of this Act, implement the Framework for Improving Critical Infrastructure Cybersecurity (referred to in this section as the "Framework" developed by the National Institute of Standards and Technology, and any update to such Framework under section 2 of the National Institute of Standards and Technology Act (15 U.S.C. 272), to manage the agency's cybersecurity risks; and

(B) evaluate, on a periodic basis, but not less often than biennially, the use of the Framework under subparagraph (A).

(2) CYBERSECURITY ENHANCEMENTS TO AVIATION SECURITY ACTIVITIES.—The Secretary, in consultation with the Secretary of Transportation, shall, upon request, conduct cybersecurity vulnerability assessments for airports and air carriers.

(3) TSA TRUSTED TRAVELER AND CREDENTIALING PROGRAM CYBER EVALUATION.—

(A) EVALUATION REQUIRED.—Not later than 120 days after the date of enactment of this Act, the Secretary shall—

(i) evaluate the cybersecurity of TSA trusted traveler and credentialing programs that contain personal information of specific individuals or information that identifies specific individuals, including the Transportation Worker Identification Credential and PreCheck programs;

(ii) identify any cybersecurity risks under the programs described in clause (i); and

(iii) develop remediation plans to address the cybersecurity risks identified under clause (ii).

(B) SUBMISSION TO CONGRESS.—Not later than 30 days after the date the evaluation under subparagraph (A) is complete, the Secretary shall submit to the appropriate committees of Congress information relating to such evaluation, including any cybersecurity vulnerabilities identified and remediation plans to address such

vulnerabilities. Such submission shall be provided in a classified form.

(4) DEFINITIONS.—In this subsection, the terms "cybersecurity risk" and "incident" have the meanings given the terms in section 227 of the Homeland Security Act of 2002 (6 U.S.C. 148).

SEC. 1990. SECURITY TECHNOLOGIES TIED TO FOREIGN THREAT COUNTRIES.

Not later than 180 days after the date of enactment of this Act, the Secretary shall submit to the appropriate committees of Congress an assessment of terrorist and other threats to the transportation sector, including surface transportation assets, posed by the use of security technologies, including software and networked technologies, developed or manufactured by firms that are owned or closely linked to the governments of countries that are known to pose a cyber or homeland security threat.

Subtitle I—Conforming and Miscellaneous Amendments

SEC. 1991. TITLE 49 AMENDMENTS.

(a) DELETION OF DUTIES RELATED TO AVIATION SECURITY.—Section 106(g) is amended to read as follows:

"(g) DUTIES AND POWERS OF ADMINISTRATOR.—The Administrator shall carry out the following:

"(1) Duties and powers of the Secretary of Transportation under subsection (f) of this section related to aviation safety (except those related to transportation, packaging, marking, or description of hazardous material) and stated in the following:

"(A) Section 308(b).

"(B) Subsections (c) and (d) of section 1132.

(C) by inserting after subsection (e) the following new subsection—

"(f) The Director of the Peace Corps shall consult with health experts outside the Peace Corps, including experts licensed in the field of mental health, and follow guidance by the Centers for Disease Control and Prevention regarding the prescription of medications to a volunteer."; and

Consultation.

(D) in subsection (i), as so redesignated, by striking "section, and" and inserting "section), and"; and

(2) by inserting after section 5 the following new section:

"SEC. 5A. HEALTH CARE FOR VOLUNTEERS AT PEACE CORPS POSTS.

President.
22 USC 2504a.

"(a) IN GENERAL.—The President shall ensure that each overseas post has the services of a medical office that is consistent in size and scope with the needs of the Peace Corps at such post, including, if necessary, by detailing to any such post the licensed medical staff of other United States departments, agencies, or establishments.

"(b) HIRING CRITERIA.—In selecting medical officers and support staff for overseas Peace Corps posts, the Director of the Peace Corps shall hire well-qualified and capable personnel to support the effectiveness of health care for Peace Corps volunteers by evaluating each candidate's—

"(1) medical training, experience, and accreditations or other qualifications;

"(2) record of performance;

"(3) administrative capabilities;

"(4) understanding of the local language and culture;

"(5) ability to work in the English language;

"(6) interpersonal skills; and

"(7) such other factors that the Director determines appropriate.

"(c) CERTAIN TRAINING.—The Director of the Peace Corps shall ensure that each Peace Corps medical officer serving in a malaria-endemic country receives training in the recognition of the side effects of such medications.

"(d) REVIEW AND EVALUATION.—

"(1) IN GENERAL.—The Director of the Peace Corps, acting through the Associate Director of the Office of Health Services and the country directors, shall review and evaluate the

performance and health care delivery of all Peace Corps medical staff, including medical officers, to—

"(A) ensure compliance with all relevant Peace Corps policies, practices, and guidelines; and

"(B) ensure that medical staff complete the necessary continuing medical education to maintain their skills and satisfy licensing and credentialing standards, as designated by the Director.

"(2) REPORT TO CONGRESS.—The Director of the Peace Corps shall include, in the annual Peace Corps congressional budget justification, a confirmation that the review and evaluation of all Peace Corps medical staff required under paragraph (1) has been completed.

Consultation.

"(e) ANTIMALARIAL DRUGS.—The Director of the Peace Corps shall consult with experts at the Centers for Disease Control and Prevention regarding recommendations for prescribing malaria prophylaxis, in order to provide the best standard of care within the context of the Peace Corps environment.".

(b) IMPLEMENTATION OF RECOMMENDATIONS BY THE INSPECTOR GENERAL OF THE PEACE CORPS.—

(1) INSPECTOR GENERAL REPORT.—As promptly as practicable, the Director shall implement the actions outlined in the agency response for all open recommendations of the Inspector General of the Peace Corps set forth in the report entitled "Final Program Evaluation Report: OIG Follow-up Evaluation of Issues Identified in the 2010 Peace Corps/Morocco Assessment of Medical Care" (Report No. IG–16–01–E).

(2) SEMIANNUAL REPORTS.—

(A) INITIAL REPORT.—Not later than 180 days after the date of the enactment of this Act, the Director shall submit a report to the appropriate congressional committees that describes the Director's strategy for implementing the recommendations referred to in paragraph (1).

(B) SUBSEQUENT REPORTS.—Not later than 180 days after the submission of the report required under subparagraph (A), and semiannually thereafter, the Director shall submit a report to the appropriate congressional committees that describes the progress in implementing the recommendations referred to in paragraph (1) until all such recommendations have been implemented in accordance with the agency's response to the report referred to in such paragraph.

Determination.

(3) NOTIFICATION.—After the submission of each report required under paragraph (2), the Inspector General of the Peace Corps may notify the appropriate congressional committees of any recommendations from the report referred to in paragraph (1) that the Inspector General determines remain unresolved.

SEC. 102. POST-SERVICE PEACE CORPS VOLUNTEER MEDICAL CARE REFORM.

Section 8142 of title 5, United States Code, is amended by adding at the end the following new subsection:

Time period. Certification.

"(d)(1) The Secretary shall authorize the Director of the Peace Corps to furnish medical benefits to a volunteer, who is injured during the volunteer's period of service, for a period of 120 days following the termination of such service if the Director certifies

that the volunteer's injury probably meets the requirements under subsection (c)(3). The Secretary may then certify vouchers for these expenses for such volunteer out of the Employees' Compensation Fund.

"(2) The Secretary shall prescribe the form and content of the certification required under paragraph (1).

"(3) A certification under paragraph (1) will cease to be effective if the volunteer sustains compensable disability in connection with volunteer service.

"(4) Nothing in this subsection may be construed to authorize the furnishing of any medical benefit that the Secretary of Labor is not otherwise authorized to reimburse for former Peace Corps volunteers who receive treatment for injury or disease proximately caused by their service in the Peace Corps in accordance with this chapter.".

SEC. 103. PEACE CORPS IMPACT SURVEY.

(a) IN GENERAL.—Beginning not later than 1 year after the date of the enactment of this Act and once every 2 years thereafter for the following 6 years, the Director shall conduct a survey of former Peace Corps volunteers. Deadlines.

(b) SCOPE OF SURVEY.—The survey required under subsection (a) shall assess, with respect to each former Peace Corps volunteer completing the survey, the impact of the Peace Corps on the former volunteer, including the volunteer's— Assessment.

(1) well-being;
(2) career;
(3) civic engagement; and
(4) commitment to public service.

The information published shall be posted in an easily accessible place near the description of the appropriate country and shall be written in an easily understood manner.". President. Public information. Reports.

SEC. 203. CONSULTATION WITH CONGRESS REQUIRED BEFORE OPENING OR CLOSING OVERSEAS OFFICES AND COUNTRY PROGRAMS.

Section 10 of the Peace Corps Act (22 U.S.C. 2509) is amended by adding at the end the following new subsection:

"(k)(1) Except as provided in paragraph (2), the Director of the Peace Corps may not open, close, significantly reduce, or suspend a domestic or overseas office or country program unless the Director has notified and consulted with the appropriate congressional committees at least 15 days in advance. Time periods. Notification. Consultation.

"(2) The Director of the Peace Corps may waive the application of paragraph (1) for a period of not more than 5 days after an action described in such paragraph if the Director determines such action is necessary to ameliorate a substantial security risk to Peace Corps volunteers or other Peace Corps personnel. Waiver authority. Determination.

"(3) For the purposes of this subsection, the term 'appropriate congressional committees' means— Definition.

"(A) the Committee on Foreign Affairs and the Committee on Appropriations of the House of Representatives; and

"(B) the Committee on Foreign Relations and the Committee on Appropriations of the Senate.".

TITLE III—CRIME RISK REDUCTION ENHANCEMENTS

SEC. 301. INDEPENDENT REVIEW OF VOLUNTEER DEATH.

Section 5 of the Peace Corps Act (22 U.S.C. 2504), as amended by section 101 of this Act, is further amended by adding at the end the following new subsection:

"(p)(1) Not later than 10 days after receiving notification of the death of a volunteer, the President shall provide a briefing to the Inspector General of the Peace Corps that includes— Deadline. President. Briefing.

"(A)(i) the available facts and circumstances surrounding the death of the volunteer, including a preliminary timeline of the events immediately preceding the death of the volunteer, subsequent actions taken by the Peace Corps, and any information available to the Peace Corps reflecting on the cause or root cause of the death of the volunteer; and

"(ii) a description of any steps the Peace Corps plans to take to inquire further into the cause or root cause of the death of the volunteer, including the anticipated date of the completion of such inquiry; or

"(B) an explanation of why the Peace Corps has determined that no further inquiry into the cause or root cause of the death of the volunteer is necessary, including—

"(i) a description of the steps the Peace Corps took to determine further inquiry was not necessary; and

"(ii) the basis for such determination.

President. "(2) If the Peace Corps has performed or engaged another entity to perform a root cause analysis or similar report that describes the cause or root cause of a volunteer death, the President shall provide the Inspector General of the Peace Corps with—

"(A) a copy of all information provided to such entity at the time such information is provided to such entity or used by the Peace Corps to perform the analysis;

"(B) a copy of any report or study received from the entity or used by the Peace Corps to perform the analysis; and

"(C) any supporting documentation upon which the Peace Corps or such entity relied to make its determination, including the volunteer's complete medical record, as soon as such information is available to the Peace Corps.

"(3) If a volunteer dies, the Peace Corps shall take reasonable measures, in accordance with local laws, to preserve any information or material, in any medium or format, that may be relevant to determining the cause or root cause of the death of the volunteer, including personal effects, medication, and other tangible items belonging to the volunteer, as long as such measures do not interfere with the legal procedures of the host country if the government of the host country is exercising jurisdiction over the investigation of such death. The Inspector General of the Peace Corps shall be provided an opportunity to inspect such items before their final disposition.

"(4) Consistent with the Inspector General Act of 1978 (5 U.S.C. App.), the Inspector General of the Peace Corps may independently review the facts and circumstances surrounding the death of a volunteer and the actions taken by the Peace Corps in responding to such incident.

Time period. "(5) For the purposes of undertaking a review under this section, an officer or employee of the United States or a member of the Armed Forces may be detailed to the Inspector General of the Peace Corps from another department of the United States Government on a nonreimbursable basis, as jointly agreed to by the Inspector General and the detailing department, for a period not to exceed 1 year. This paragraph may not be construed to limit or modify any other source of authority for reimbursable or nonreimbursable details. A nonreimbursable detail made under this section may not be considered an augmentation of the appropriations of the Peace Corps.

"(6) Upon request, the Peace Corps may make available necessary funds to the Inspector General of the Peace Corps for reviews conducted by the Inspector General under this section. The request shall be limited to costs relating to hiring, procuring, or otherwise obtaining medical-related experts or expert services, and associated travel.

"(7) The undertaking of a review under this section may not be considered a transfer of program operating responsibilities to the Inspector General of the Peace Corps.".

The agreement shall be filed prior to the date of the first commercial marketing of either of the generic drugs for which such ANDAs were submitted.

"(B) BIOSIMILAR BIOLOGICAL PRODUCTS.—A biosimilar biological product applicant that has submitted a biosimilar biological product application for which a statement under section 351(l)(3)(B)(ii)(I) of the Public Health Service Act has been provided with respect to a reference product and another biosimilar biological product applicant that has submitted a biosimilar biological product application for which such a statement for the same reference product has been provided shall each file the agreement in accordance with subsection (c). The agreement shall be filed prior to the date of the first commercial marketing of either of the biosimilar biological products for which such biosimilar biological product applications were submitted."; and

(ii) in paragraph (2)—

(I) by striking "between two generic drug applicants is an agreement" and inserting "is, as applicable, an agreement between 2 generic drug applicants"; and

(II) by inserting ", or an agreement between 2 biosimilar biological product applicants regarding the 1-year period referred to in section 351(k)(6)(A) of the Public Health Service Act as it applies to the biosimilar biological product applications with

which the agreement is concerned" before the period;

(3) in section 1115, by striking "or generic drug applicant" each place such term appears and inserting ", generic drug applicant, or biosimilar biological product applicant"; and

(4) in section 1117, by striking ", or any agreement between generic drug applicants" and inserting "or a biosimilar biological product applicant, any agreement between generic drug applicants, or any agreement between biosimilar biological product applicants".

(a) AMENDMENT.—Section 115 of title 17, United States Code, is amended—

(1) in subsection (a)—

(A) in the subsection heading, by inserting "IN GENERAL" after "AVAILABILITY AND SCOPE OF COMPULSORY LICENSE";

(B) by striking paragraph (1) and inserting the following:

"(1) ELIGIBILITY FOR COMPULSORY LICENSE.—

"(A) CONDITIONS FOR COMPULSORY LICENSE.—A person may by complying with the provisions of this section obtain a compulsory license to make and distribute phonorecords of a nondramatic musical work, including by means of digital phonorecord delivery. A person may obtain a compulsory license only if the primary purpose in making phonorecords of the musical work is to distribute them to the public for private use, including by means of digital phonorecord delivery, and—

"(i) phonorecords of such musical work have previously been distributed to the public in the United States under the authority of the copyright owner of the work, including by means of digital phonorecord delivery; or

"(ii) in the case of a digital music provider seeking to make and distribute digital phonorecord deliveries of a sound recording embodying a musical work under a compulsory license for which clause (i) does not apply—

"(I) the first fixation of such sound recording was made under the authority of the musical work copyright owner, and the sound recording copyright owner has the authority of the musical work copyright owner to make and distribute digital phonorecord deliveries embodying such work to the public in the United States; and

"(II) the sound recording copyright owner, or the authorized distributor of the sound recording copyright owner, has authorized the digital music provider to make and distribute digital phonorecord deliveries of the sound recording to the public in the United States.

"(B) DUPLICATION OF SOUND RECORDING.—A person may not obtain a compulsory license for the use of the work in the making of phonorecords duplicating a sound recording fixed by another, including by means of digital phonorecord delivery, unless—

"(i) such sound recording was fixed lawfully; and

"(ii) the making of the phonorecords was authorized by the owner of the copyright in the sound recording or, if the sound recording was fixed before February 15, 1972, by any person who fixed the sound recording pursuant to an express license from the owner of the copyright in the musical work or pursuant to a valid compulsory license for use of such work in a sound recording."; and

(C) in paragraph (2), by striking "A compulsory license" and inserting "MUSICAL ARRANGEMENT.—A compulsory license";

(2) by striking subsection (b) and inserting the following:

Deadlines.
Notices.

"(b) PROCEDURES TO OBTAIN A COMPULSORY LICENSE.—

"(1) PHONORECORDS OTHER THAN DIGITAL PHONORECORD DELIVERIES.—A person who seeks to obtain a compulsory license under subsection (a) to make and distribute phonorecords of a musical work other than by means of digital phonorecord delivery shall, before, or not later than 30 calendar days after, making, and before distributing, any phonorecord of the work, serve notice of intention to do so on the copyright owner. If the registration or other public records of the Copyright Office do not identify the copyright owner and include an address at which notice can be served, it shall be sufficient to file the notice of intention with the Copyright Office. The notice shall comply, in form, content, and manner of service, with requirements that the Register of Copyrights shall prescribe by regulation.

Compliance.
Regulations.

"(2) DIGITAL PHONORECORD DELIVERIES.—A person who seeks to obtain a compulsory license under subsection (a) to make and distribute phonorecords of a musical work by means of digital phonorecord delivery—

Compliance.
Regulations.

"(A) prior to the license availability date, shall, before, or not later than 30 calendar days after, first making any such digital phonorecord delivery, serve a notice of intention to do so on the copyright owner (but may not file the notice with the Copyright Office, even if the public records of the Office do not identify the owner or the owner's address), and such notice shall comply, in form, content, and manner of service, with requirements that the Register of Copyrights shall prescribe by regulation; or

"(B) on or after the license availability date, shall, before making any such digital phonorecord delivery, follow the procedure described in subsection (d)(2), except as provided in paragraph (3).

"(3) RECORD COMPANY INDIVIDUAL DOWNLOAD LICENSES.—Notwithstanding paragraph (2)(B), a record company may, on or after the license availability date, obtain an individual download license in accordance with the notice requirements described in paragraph (2)(A) (except for the requirement that notice occur prior to the license availability date). A record company that obtains an individual download license as permitted under this paragraph shall provide statements of account and pay royalties as provided in subsection (c)(2)(I).

Account statements.
Royalties.

"(4) FAILURE TO OBTAIN LICENSE.—

"(A) PHONORECORDS OTHER THAN DIGITAL PHONORECORD DELIVERIES.—In the case of phonorecords made and distributed other than by means of digital phonorecord delivery, the failure to serve or file the notice of intention required by paragraph (1) forecloses the possibility of a compulsory license under paragraph (1). In the absence of a voluntary license, the failure to obtain a compulsory license renders the making and distribution of

phonorecords actionable as acts of infringement under section 501 and subject to the remedies provided by sections 502 through 506.

"(B) DIGITAL PHONORECORD DELIVERIES.—

"(i) IN GENERAL.—In the case of phonorecords made and distributed by means of digital phonorecord delivery:

"(I) The failure to serve the notice of intention required by paragraph (2)(A) or paragraph (3), as applicable, forecloses the possibility of a compulsory license under such paragraph.

"(II) The failure to comply with paragraph (2)(B) forecloses the possibility of a blanket license for a period of 3 years after the last calendar day on which the notice of license was required to be submitted to the mechanical licensing collective under such paragraph. Time period.

"(ii) EFFECT OF FAILURE.—In either case described in subclause (I) or (II) of clause (i), in the absence of a voluntary license, the failure to obtain a compulsory license renders the making and distribution of phonorecords by means of digital phonorecord delivery actionable as acts of infringement under section 501 and subject to the remedies provided by sections 502 through 506.";

(3) by amending subsection (c) to read as follows:

"(c) GENERAL CONDITIONS APPLICABLE TO COMPULSORY LICENSE.—

"(1) ROYALTY PAYABLE UNDER COMPULSORY LICENSE.—

"(A) IDENTIFICATION REQUIREMENT.—To be entitled to receive royalties under a compulsory license obtained under subsection (b)(1) the copyright owner must be identified in the registration or other public records of the Copyright Office. The owner is entitled to royalties for phonorecords made and distributed after being so identified, but is not entitled to recover for any phonorecords previously made and distributed.

"(B) ROYALTY FOR PHONORECORDS OTHER THAN DIGITAL PHONORECORD DELIVERIES.—Except as provided by subparagraph (A), for every phonorecord made and distributed under a compulsory license under subsection (a) other than by means of digital phonorecord delivery, with respect to each work embodied in the phonorecord, the royalty shall be the royalty prescribed under subparagraphs (D) through (F), paragraph (2)(A), and chapter 8. For purposes of this subparagraph, a phonorecord is considered 'distributed' if the person exercising the compulsory license has voluntarily and permanently parted with its possession.

"(C) ROYALTY FOR DIGITAL PHONORECORD DELIVERIES.—For every digital phonorecord delivery of a musical work made under a compulsory license under this section, the royalty payable shall be the royalty prescribed under subparagraphs (D) through (F), paragraph (2)(A), and chapter 8.

"(D) AUTHORITY TO NEGOTIATE.—Notwithstanding any provision of the antitrust laws, any copyright owners of nondramatic musical works and any persons entitled to

obtain a compulsory license under subsection (a) may negotiate and agree upon the terms and rates of royalty payments under this section and the proportionate division of fees paid among copyright owners, and may designate common agents on a nonexclusive basis to negotiate, agree to, pay or receive such royalty payments. Such authority to negotiate the terms and rates of royalty payments includes, but is not limited to, the authority to negotiate the year during which the royalty rates prescribed under this subparagraph, subparagraphs (E) and (F), paragraph (2)(A), and chapter 8 shall next be determined.

Time period.

"(E) DETERMINATION OF REASONABLE RATES AND TERMS.—Proceedings under chapter 8 shall determine reasonable rates and terms of royalty payments for the activities specified by this section during the period beginning with the effective date of such rates and terms, but not earlier than January 1 of the second year following the year in which the petition requesting the proceeding is filed, and ending on the effective date of successor rates and terms, or such other period as the parties may agree. Any copyright owners of nondramatic musical works and any persons entitled to obtain a compulsory license under subsection (a) may submit to the Copyright Royalty Judges licenses covering such activities. The parties to each proceeding shall bear their own costs.

"(F) SCHEDULE OF REASONABLE RATES.—The schedule of reasonable rates and terms determined by the Copyright Royalty Judges shall, subject to paragraph (2)(A), be binding on all copyright owners of nondramatic musical works and persons entitled to obtain a compulsory license under subsection (a) during the period specified in subparagraph (E), such other period as may be determined pursuant to subparagraphs (D) and (E), or such other period as the parties may agree. The Copyright Royalty Judges shall establish rates and terms that most clearly represent the rates and terms that would have been negotiated in the marketplace between a willing buyer and a willing seller. In determining such rates and terms for digital phonorecord deliveries, the Copyright Royalty Judges shall base their decision on economic, competitive, and programming information presented by the parties, including—

"(i) whether use of the compulsory licensee's service may substitute for or may promote the sales of phonorecords or otherwise may interfere with or may enhance the musical work copyright owner's other streams of revenue from its musical works; and

"(ii) the relative roles of the copyright owner and the compulsory licensee in the copyrighted work and the service made available to the public with respect to the relative creative contribution, technological contribution, capital investment, cost, and risk.

"(2) ADDITIONAL TERMS AND CONDITIONS.—

"(A) VOLUNTARY LICENSES AND CONTRACTUAL ROYALTY RATES.—

"(i) IN GENERAL.—License agreements voluntarily negotiated at any time between one or more copyright owners of nondramatic musical works and one or more

persons entitled to obtain a compulsory license under subsection (a) shall be given effect in lieu of any determination by the Copyright Royalty Judges. Subject to clause (ii), the royalty rates determined pursuant to subparagraphs (E) and (F) of paragraph (1) shall be given effect as to digital phonorecord deliveries in lieu of any contrary royalty rates specified in a contract pursuant to which a recording artist who is the author of a nondramatic musical work grants a license under that person's exclusive rights in the musical work under paragraphs (1) and (3) of section 106 or commits another person to grant a license in that musical work under paragraphs (1) and (3) of section 106, to a person desiring to fix in a tangible medium of expression a sound recording embodying the musical work.

"(ii) APPLICABILITY.—The second sentence of clause (i) shall not apply to—

Effective date.

"(I) a contract entered into on or before June 22, 1995, and not modified thereafter for the purpose of reducing the royalty rates determined pursuant to subparagraphs (E) and (F) of paragraph (1) or of increasing the number of musical works within the scope of the contract covered by the reduced rates, except if a contract entered into on or before June 22, 1995, is modified thereafter for the purpose of increasing the number of musical works within the scope of the contract, any contrary royalty rates specified in the contract shall be given effect in lieu of royalty rates determined pursuant to subparagraphs (E) and (F) of paragraph (1) for the number of musical works within the scope of the contract as of June 22, 1995; and

"(II) a contract entered into after the date that the sound recording is fixed in a tangible medium of expression substantially in a form intended for commercial release, if at the time the contract is entered into, the recording artist retains the right to grant licenses as to the musical work under paragraphs (1) and (3) of section 106.

"(B) SOUND RECORDING INFORMATION.—Except as provided in section 1002(e), a digital phonorecord delivery licensed under this paragraph shall be accompanied by the information encoded in the sound recording, if any, by or under the authority of the copyright owner of that sound recording, that identifies the title of the sound recording, the featured recording artist who performs on the sound recording, and related information, including information concerning the underlying musical work and its writer.

"(C) INFRINGEMENT REMEDIES.—

"(i) IN GENERAL.—A digital phonorecord delivery of a sound recording is actionable as an act of infringement under section 501, and is fully subject to the remedies provided by sections 502 through 506, unless—

"(I) the digital phonorecord delivery has been authorized by the sound recording copyright owner; and

"(II) the entity making the digital phonorecord delivery has obtained a compulsory license under subsection (a) or has otherwise been authorized by the musical work copyright owner, or by a record company pursuant to an individual download license, to make and distribute phonorecords of each musical work embodied in the sound recording by means of digital phonorecord delivery.

"(ii) OTHER REMEDIES.—Any cause of action under this subparagraph shall be in addition to those available to the owner of the copyright in the nondramatic musical work under subparagraph (J) and section 106(4) and the owner of the copyright in the sound recording under section 106(6).

"(D) LIABILITY OF SOUND RECORDING OWNERS.—The liability of the copyright owner of a sound recording for infringement of the copyright in a nondramatic musical work embodied in the sound recording shall be determined in accordance with applicable law, except that the owner of a copyright in a sound recording shall not be liable for a digital phonorecord delivery by a third party if the owner of the copyright in the sound recording does not license the distribution of a phonorecord of the nondramatic musical work.

"(E) RECORDING DEVICES AND MEDIA.—Nothing in section 1008 shall be construed to prevent the exercise of the rights and remedies allowed by this paragraph, subparagraph (J), and chapter 5 in the event of a digital phonorecord delivery, except that no action alleging infringement of copyright may be brought under this title against a manufacturer, importer or distributor of a digital audio recording device, a digital audio recording medium, an analog recording device, or an analog recording medium, or against a consumer, based on the actions described in such section.

"(F) PRESERVATION OF RIGHTS.—Nothing in this section annuls or limits—

"(i) the exclusive right to publicly perform a sound recording or the musical work embodied therein, including by means of a digital transmission, under paragraphs (4) and (6) of section 106;

"(ii) except for compulsory licensing under the conditions specified by this section, the exclusive rights to reproduce and distribute the sound recording and the musical work embodied therein under paragraphs (1) and (3) of section 106, including by means of a digital phonorecord delivery; or

"(iii) any other rights under any other provision of section 106, or remedies available under this title, as such rights or remedies exist before, on, or after the date of enactment of the Digital Performance Right in Sound Recordings Act of 1995.

"(G) EXEMPT TRANSMISSIONS AND RETRANSMISSIONS.—The provisions of this section concerning digital phonorecord deliveries shall not apply to any exempt transmissions or retransmissions under section 114(d)(1). The exemptions created in section 114(d)(1) do not expand or reduce the rights of copyright owners under paragraphs (1) through (5) of section 106 with respect to such transmissions and retransmissions.

"(H) DISTRIBUTION BY RENTAL, LEASE, OR LENDING.—A compulsory license obtained under subsection (b)(1) to make and distribute phonorecords includes the right of the maker of such a phonorecord to distribute or authorize distribution of such phonorecord, other than by means of a digital phonorecord delivery, by rental, lease, or lending (or by acts or practices in the nature of rental, lease, or lending). With respect to each nondramatic musical work embodied in the phonorecord, the royalty shall be a proportion of the revenue received by the compulsory licensee from every such act of distribution of the phonorecord under this clause equal to the proportion of the revenue received by the compulsory licensee from distribution of the phonorecord under subsection (a)(1)(A)(ii)(II) that is payable by a compulsory licensee under that clause and under chapter 8. The Register of Copyrights shall issue regulations to carry out the purpose of this subparagraph. Regulations.

"(I) PAYMENT OF ROYALTIES AND STATEMENTS OF ACCOUNT.—Except as provided in paragraphs (4)(A)(i) and (10)(B) of subsection (d), royalty payments shall be made on or before the twentieth day of each month and shall include all royalties for the month next preceding. Each monthly payment shall be made under oath and shall comply with requirements that the Register of Copyrights shall prescribe by regulation. The Register shall also prescribe regulations under which detailed cumulative annual statements of account, certified by a certified public accountant, shall be filed for every compulsory license under subsection (a). The regulations covering both the monthly and the annual statements of account shall prescribe the form, content, and manner of certification with respect to the number of records made and the number of records distributed. Regulations. Certification.

"(J) NOTICE OF DEFAULT AND TERMINATION OF COMPULSORY LICENSE.—In the case of a license obtained under paragraph (1), (2)(A), or (3) of subsection (b), if the copyright owner does not receive the monthly payment and the monthly and annual statements of account when due, the owner may give written notice to the licensee that, unless the default is remedied not later than 30 days after the date on which the notice is sent, the compulsory license will be automatically terminated. Such termination renders either the making or the distribution, or both, of all phonorecords for which the royalty has not been paid, actionable as acts of infringement under section 501 and fully subject to the remedies provided by sections 502 through 506. In the case of a license obtained under subsection (b)(2)(B), license authority under the compulsory Deadline.

license may be terminated as provided in subsection (d)(4)(E).";

(4) by amending subsection (d) to read as follows:

"(d) BLANKET LICENSE FOR DIGITAL USES, MECHANICAL LICENSING COLLECTIVE, AND DIGITAL LICENSEE COORDINATOR.—

"(1) BLANKET LICENSE FOR DIGITAL USES.—

Compliance.

"(A) IN GENERAL.—A digital music provider that qualifies for a compulsory license under subsection (a) may, by complying with the terms and conditions of this subsection, obtain a blanket license from copyright owners through the mechanical licensing collective to make and distribute digital phonorecord deliveries of musical works through one or more covered activities.

"(B) INCLUDED ACTIVITIES.—A blanket license—

"(i) covers all musical works (or shares of such works) available for compulsory licensing under this section for purposes of engaging in covered activities, except as provided in subparagraph (C);

"(ii) includes the making and distribution of server, intermediate, archival, and incidental reproductions of musical works that are reasonable and necessary for the digital music provider to engage in covered activities licensed under this subsection, solely for the purpose of engaging in such covered activities; and

"(iii) does not cover or include any rights or uses other than those described in clauses (i) and (ii).

"(C) OTHER LICENSES.—A voluntary license for covered activities entered into by or under the authority of 1 or more copyright owners and 1 or more digital music providers, or authority to make and distribute permanent downloads of a musical work obtained by a digital music provider from a sound recording copyright owner pursuant to an individual download license, shall be given effect in lieu of a blanket license under this subsection with respect to the musical works (or shares thereof) covered by such voluntary license or individual download authority and the following conditions apply:

"(i) Where a voluntary license or individual download license applies, the license authority provided under the blanket license shall exclude any musical works (or shares thereof) subject to the voluntary license or individual download license.

"(ii) An entity engaged in covered activities under a voluntary license or authority obtained pursuant to an individual download license that is a significant nonblanket licensee shall comply with paragraph (6)(A).

"(iii) The rates and terms of any voluntary license shall be subject to the second sentence of clause (i) and clause (ii) of subsection (c)(2)(A) and paragraph (9)(C), as applicable.

"(D) PROTECTION AGAINST INFRINGEMENT ACTIONS.—A digital music provider that obtains and complies with the terms of a valid blanket license under this subsection shall not be subject to an action for infringement of the exclusive rights provided by paragraphs (1) and (3) of section 106 under this title arising from use of a musical

work (or share thereof) to engage in covered activities authorized by such license, subject to paragraph (4)(E).

"(E) OTHER REQUIREMENTS AND CONDITIONS APPLY.—Except as expressly provided in this subsection, each requirement, limitation, condition, privilege, right, and remedy otherwise applicable to compulsory licenses under this section shall apply to compulsory blanket licenses under this subsection.

"(2) AVAILABILITY OF BLANKET LICENSE.—

"(A) PROCEDURE FOR OBTAINING LICENSE.—A digital music provider may obtain a blanket license by submitting a notice of license to the mechanical licensing collective that specifies the particular covered activities in which the digital music provider seeks to engage, as follows: Notices.

"(i) The notice of license shall comply in form and substance with requirements that the Register of Copyrights shall establish by regulation. Compliance. Regulations.

"(ii) Unless rejected in writing by the mechanical licensing collective not later than 30 calendar days after the date on which the mechanical licensing collective receives the notice, the blanket license shall be effective as of the date on which the notice of license was sent by the digital music provider, as shown by a physical or electronic record. Deadline. Effective date.

"(iii) A notice of license may only be rejected by the mechanical licensing collective if—

"(I) the digital music provider or notice of license does not meet the requirements of this section or applicable regulations, in which case the requirements at issue shall be specified with reasonable particularity in the notice of rejection; or

"(II) the digital music provider has had a blanket license terminated by the mechanical licensing collective during the 3-year period preceding the date on which the mechanical licensing collective receives the notice pursuant to paragraph (4)(E). Time period.

"(iv) If a notice of license is rejected under clause (iii)(I), the digital music provider shall have 30 calendar days after receipt of the notice of rejection to cure any deficiency and submit an amended notice of license to the mechanical licensing collective. If the deficiency has been cured, the mechanical licensing collective shall so confirm in writing, and the license shall be effective as of the date that the original notice of license was provided by the digital music provider. Deadline.

"(v) A digital music provider that believes a notice of license was improperly rejected by the mechanical licensing collective may seek review of such rejection in an appropriate district court of the United States. The district court shall determine the matter de novo based on the record before the mechanical licensing collective and any additional evidence presented by the parties. Review. Courts. Determination.

"(B) BLANKET LICENSE EFFECTIVE DATE.—Blanket licenses shall be made available by the mechanical licensing

collective on and after the license availability date. No such license shall be effective prior to the license availability date.

"(3) MECHANICAL LICENSING COLLECTIVE.—

"(A) IN GENERAL.—The mechanical licensing collective shall be a single entity that—

"(i) is a nonprofit entity, not owned by any other entity, that is created by copyright owners to carry out responsibilities under this subsection;

"(ii) is endorsed by, and enjoys substantial support from, musical work copyright owners that together represent the greatest percentage of the licensor market for uses of such works in covered activities, as measured over the preceding 3 full calendar years;

"(iii) is able to demonstrate to the Register of Copyrights that the entity has, or will have prior to the license availability date, the administrative and technological capabilities to perform the required functions of the mechanical licensing collective under this subsection and that is governed by a board of directors in accordance with subparagraph (D)(i); and

"(iv) has been designated by the Register of Copyrights, with the approval of the Librarian of Congress pursuant to section 702, in accordance with subparagraph (B).

Notices.
Federal Register, publications.
Deadlines.

"(B) DESIGNATION OF MECHANICAL LICENSING COLLECTIVE.—

"(i) INITIAL DESIGNATION.—Not later than 270 days after the enactment date, the Register of Copyrights shall initially designate the mechanical licensing collective as follows:

"(I) Not later than 90 calendar days after the enactment date, the Register shall publish notice in the Federal Register soliciting information to assist in identifying the appropriate entity to serve as the mechanical licensing collective, including the name and affiliation of each member of the board of directors described under subparagraph (D)(i) and each committee established pursuant to clauses (iii), (iv), and (v) of subparagraph (D).

Review.

"(II) After reviewing the information requested under subclause (I) and making a designation, the Register shall publish notice in the Federal Register setting forth—

"(aa) the identity of and contact information for the mechanical licensing collective; and

"(bb) the reasons for the designation.

"(ii) PERIODIC REVIEW OF DESIGNATION.—Following the initial designation of the mechanical licensing collective, the Register shall, every 5 years, beginning with the fifth full calendar year to commence after the initial designation, publish notice in the Federal Register in the month of January soliciting information concerning whether the existing designation should be continued, or a different entity meeting the criteria described in clauses (i) through (iii) of subparagraph

(A) shall be designated. Following publication of such notice, the Register shall—

"(I) after reviewing the information submitted and conducting additional proceedings as appropriate, publish notice in the Federal Register of a continuing designation or new designation of the mechanical licensing collective, as the case may be, and the reasons for such a designation, with any new designation to be effective as of the first day of a month that is not less than 6 months and not longer than 9 months after the date on which the Register publishes the notice, as specified by the Register; and Effective date.

"(II) if a new entity is designated as the mechanical licensing collective, adopt regulations to govern the transfer of licenses, funds, records, data, and administrative responsibilities from the existing mechanical licensing collective to the new entity. Regulations.

"(iii) CLOSEST ALTERNATIVE DESIGNATION.—If the Register is unable to identify an entity that fulfills each of the qualifications set forth in clauses (i) through (iii) of subparagraph (A), the Register shall designate the entity that most nearly fulfills such qualifications for purposes of carrying out the responsibilities of the mechanical licensing collective.

"(C) AUTHORITIES AND FUNCTIONS.—

"(i) IN GENERAL.—The mechanical licensing collective is authorized to perform the following functions, subject to more particular requirements as described in this subsection:

"(I) Offer and administer blanket licenses, including receipt of notices of license and reports of usage from digital music providers.

"(II) Collect and distribute royalties from digital music providers for covered activities. Royalties.

"(III) Engage in efforts to identify musical works (and shares of such works) embodied in particular sound recordings, and to identify and locate the copyright owners of such musical works (and shares of such works).

"(IV) Maintain the musical works database and other information relevant to the administration of licensing activities under this section. Database.

"(V) Administer a process by which copyright owners can claim ownership of musical works (and shares of such works), and a process by which royalties for works for which the owner is not identified or located are equitably distributed to known copyright owners. Royalties.

"(VI) Administer collections of the administrative assessment from digital music providers and significant nonblanket licensees, including receipt of notices of nonblanket activity.

"(VII) Invest in relevant resources, and arrange for services of outside vendors and others,

to support the activities of the mechanical licensing collective.

Coordination.

"(VIII) Engage in legal and other efforts to enforce rights and obligations under this subsection, including by filing bankruptcy proofs of claims for amounts owed under licenses, and acting in coordination with the digital licensee coordinator.

Proceedings.

"(IX) Initiate and participate in proceedings before the Copyright Royalty Judges to establish the administrative assessment under this subsection.

Proceedings.

"(X) Initiate and participate in proceedings before the Copyright Office with respect to activities under this subsection.

"(XI) Gather and provide documentation for use in proceedings before the Copyright Royalty Judges to set rates and terms under this section.

"(XII) Maintain records of the activities of the mechanical licensing collective and engage in and respond to audits described in this subsection.

"(XIII) Engage in such other activities as may be necessary or appropriate to fulfill the responsibilities of the mechanical licensing collective under this subsection.

"(ii) RESTRICTIONS CONCERNING LICENSING AND ADMINISTRATIVE ACTIVITIES.—With respect to the administration of licenses, except as provided in clauses (i) and (iii) and subparagraph (E)(v), the mechanical licensing collective may only—

"(I) issue blanket licenses pursuant to subsection (d)(1); and

Royalties.

"(II) administer blanket licenses for reproduction or distribution rights in musical works for covered activities, including collecting and distributing royalties, pursuant to blanket licenses.

Royalties.

"(iii) ADDITIONAL ADMINISTRATIVE ACTIVITIES.—Subject to paragraph (11)(C), the mechanical licensing collective may also administer, including by collecting and distributing royalties, voluntary licenses issued by, or individual download licenses obtained from, copyright owners only for reproduction or distribution rights in musical works for covered activities, for which the mechanical licensing collective shall charge reasonable fees for such services.

"(iv) RESTRICTION ON LOBBYING.—The mechanical licensing collective may not engage in government lobbying activities, but may engage in the activities described in subclauses (IX), (X), and (XI) of clause (i).

"(D) GOVERNANCE.—

"(i) BOARD OF DIRECTORS.—The mechanical licensing collective shall have a board of directors consisting of 14 voting members and 3 nonvoting members, as follows:

"(I) Ten voting members shall be representatives of music publishers—

"(aa) to which songwriters have assigned exclusive rights of reproduction and distribution of musical works with respect to covered activities; and

"(bb) none of which may be owned by, or under common control with, any other board member.

"(II) Four voting members shall be professional songwriters who have retained and exercise exclusive rights of reproduction and distribution with respect to covered activities with respect to musical works they have authored.

"(III) One nonvoting member shall be a representative of the nonprofit trade association of music publishers that represents the greatest percentage of the licensor market for uses of musical works in covered activities, as measured for the 3-year period preceding the date on which the member is appointed.

"(IV) One nonvoting member shall be a representative of the digital licensee coordinator, provided that a digital licensee coordinator has been designated pursuant to paragraph (5)(B). Otherwise, the nonvoting member shall be the nonprofit trade association of digital licensees that represents the greatest percentage of the licensee market for uses of musical works in covered activities, as measured over the preceding 3 full calendar years.

"(V) One nonvoting member shall be a representative of a nationally recognized nonprofit trade association whose primary mission is advocacy on behalf of songwriters in the United States.

"(ii) BYLAWS.—

"(I) ESTABLISHMENT.—Not later than 1 year after the date on which the mechanical licensing collective is initially designated by the Register of Copyrights under subparagraph (B)(i), the collective shall establish bylaws to determine issues relating to the governance of the collective, including, but not limited to— Deadline.

"(aa) the length of the term for each member of the board of directors;

"(bb) the staggering of the terms of the members of the board of directors;

"(cc) a process for filling a seat on the board of directors that is vacated before the end of the term with respect to that seat;

"(dd) a process for electing a member to the board of directors; and

"(ee) a management structure for daily operation of the collective.

"(II) PUBLIC AVAILABILITY.—The mechanical licensing collective shall make the bylaws established under subclause (I) available to the public.

"(iii) BOARD MEETINGS.—The board of directors shall meet not less frequently than biannually and discuss matters pertinent to the operations of the mechanical licensing collective, including the mechanical licensing collective budget.

Recommendations.

"(iv) OPERATIONS ADVISORY COMMITTEE.—The board of directors of the mechanical licensing collective shall establish an operations advisory committee consisting of not fewer than 6 members to make recommendations to the board of directors concerning the operations of the mechanical licensing collective, including the efficient investment in and deployment of information technology and data resources. Such committee shall have an equal number of members of the committee who are—

"(I) musical work copyright owners who are appointed by the board of directors of the mechanical licensing collective; and

"(II) representatives of digital music providers who are appointed by the digital licensee coordinator.

Appointments.

"(v) UNCLAIMED ROYALTIES OVERSIGHT COMMITTEE.—The board of directors of the mechanical licensing collective shall establish and appoint an unclaimed royalties oversight committee consisting of 10 members, 5 of which shall be musical work copyright owners and 5 of which shall be professional songwriters whose works are used in covered activities.

Appointments.

"(vi) DISPUTE RESOLUTION COMMITTEE.—The board of directors of the mechanical licensing collective shall establish and appoint a dispute resolution committee that shall—

"(I) consist of not fewer than 6 members; and

"(II) include an equal number of representatives of musical work copyright owners and professional songwriters.

"(vii) MECHANICAL LICENSING COLLECTIVE ANNUAL REPORT.—

Web posting. Time period.

"(I) IN GENERAL.—Not later than June 30 of each year commencing after the license availability date, the mechanical licensing collective shall post, and make available online for a period of not less than 3 years, an annual report that sets forth information regarding—

"(aa) the operational and licensing practices of the collective;

"(bb) how royalties are collected and distributed;

"(cc) budgeting and expenditures;

"(dd) the collective total costs for the preceding calendar year;

"(ee) the projected annual mechanical licensing collective budget;

"(ff) aggregated royalty receipts and payments;

"(gg) expenses that are more than 10 percent of the annual mechanical licensing collective budget; and

"(hh) the efforts of the collective to locate and identify copyright owners of unmatched musical works (and shares of works).

"(II) SUBMISSION.—On the date on which the mechanical licensing collective posts each report required under subclause (I), the collective shall provide a copy of the report to the Register of Copyrights.

"(viii) INDEPENDENT OFFICERS.—An individual serving as an officer of the mechanical licensing collective may not, at the same time, also be an employee or agent of any member of the board of directors of the collective or any entity represented by a member of the board of directors, as described in clause (i).

"(ix) OVERSIGHT AND ACCOUNTABILITY.—

"(I) IN GENERAL.—The mechanical licensing collective shall—

"(aa) ensure that the policies and practices of the collective are transparent and accountable;

"(bb) identify a point of contact for publisher inquiries and complaints with timely redress; and

"(cc) establish an anti-comingling policy for funds not collected under this section and royalties collected under this section. Royalties.

"(II) AUDITS.—

"(aa) IN GENERAL.—Beginning in the fourth full calendar year that begins after the initial designation of the mechanical licensing collective by the Register of Copyrights under subparagraph (B)(i), and in every fifth calendar year thereafter, the collective shall retain a qualified auditor that shall— Effective dates.

"(AA) examine the books, records, and operations of the collective;

"(BB) prepare a report for the board of directors of the collective with respect to the matters described in item (bb); and Reports.

"(CC) not later than December 31 of the year in which the qualified auditor is retained, deliver the report described in subitem (BB) to the board of directors of the collective.

"(bb) MATTERS ADDRESSED.—Each report prepared under item (aa) shall address the implementation and efficacy of procedures of the mechanical licensing collective—

"(AA) for the receipt, handling, and distribution of royalty funds, including any amounts held as unclaimed royalties; Royalties.

"(BB) to guard against fraud, abuse, waste, and the unreasonable use of funds; and

"(CC) to protect the confidentiality of financial, proprietary, and other sensitive information.

"(cc) PUBLIC AVAILABILITY.—With respect to each report prepared under item (aa), the mechanical licensing collective shall—

"(AA) submit the report to the Register of Copyrights; and

"(BB) make the report available to the public.

"(E) MUSICAL WORKS DATABASE.—

"(i) ESTABLISHMENT AND MAINTENANCE OF DATABASE.—The mechanical licensing collective shall establish and maintain a database containing information relating to musical works (and shares of such works) and, to the extent known, the identity and location of the copyright owners of such works (and shares thereof) and the sound recordings in which the musical works are embodied. In furtherance of maintaining such database, the mechanical licensing collective shall engage in efforts to identify the musical works embodied in particular sound recordings, as well as to identify and locate the copyright owners of such works (and shares thereof), and update such data as appropriate.

"(ii) MATCHED WORKS.—With respect to musical works (and shares thereof) that have been matched to copyright owners, the musical works database shall include—

"(I) the title of the musical work;

"(II) the copyright owner of the work (or share thereof), and the ownership percentage of that owner;

"(III) contact information for such copyright owner;

"(IV) to the extent reasonably available to the mechanical licensing collective—

"(aa) the international standard musical work code for the work; and

"(bb) identifying information for sound recordings in which the musical work is embodied, including the name of the sound recording, featured artist, sound recording copyright owner, producer, international standard recording code, and other information commonly used to assist in associating sound recordings with musical works; and

"(V) such other information as the Register of Copyrights may prescribe by regulation.

"(iii) UNMATCHED WORKS.—With respect to unmatched musical works (and shares of works) in the database, the musical works database shall include—

"(I) to the extent reasonably available to the mechanical licensing collective—

"(aa) the title of the musical work;

"(bb) the ownership percentage for which an owner has not been identified;

"(cc) if a copyright owner has been identified but not located, the identity of such owner and the ownership percentage of that owner;

"(dd) identifying information for sound recordings in which the work is embodied, including sound recording name, featured artist, sound recording copyright owner, producer, international standard recording code, and other information commonly used to assist in associating sound recordings with musical works; and

"(ee) any additional information reported to the mechanical licensing collective that may assist in identifying the work; and

"(II) such other information relating to the identity and ownership of musical works (and shares of such works) as the Register of Copyrights may prescribe by regulation.

"(iv) SOUND RECORDING INFORMATION.—Each musical work copyright owner with any musical work listed in the musical works database shall engage in commercially reasonable efforts to deliver to the mechanical licensing collective, including for use in the musical works database, to the extent such information is not then available in the database, information regarding the names of the sound recordings in which that copyright owner's musical works (or shares thereof) are embodied, to the extent practicable.

"(v) ACCESSIBILITY OF DATABASE.—The musical works database shall be made available to members of the public in a searchable, online format, free of charge. The mechanical licensing collective shall make such database available in a bulk, machine-readable format, through a widely available software application, to the following entities: Public information.

"(I) Digital music providers operating under the authority of valid notices of license, free of charge.

"(II) Significant nonblanket licensees in compliance with their obligations under paragraph (6), free of charge.

"(III) Authorized vendors of the entities described in subclauses (I) and (II), free of charge.

"(IV) The Register of Copyrights, free of charge (but the Register shall not treat such database or any information therein as a Government record).

"(V) Any other person or entity for a fee not to exceed the marginal cost to the mechanical licensing collective of providing the database to such person or entity.

"(vi) ADDITIONAL REQUIREMENTS.—The Register of Copyrights shall establish requirements by regulations Regulations.

to ensure the usability, interoperability, and usage restrictions of the musical works database.

Public information. Lists.

"(F) NOTICES OF LICENSE AND NONBLANKET ACTIVITY.—

"(i) NOTICES OF LICENSES.—The mechanical licensing collective shall receive, review, and confirm or reject notices of license from digital music providers, as provided in paragraph (2)(A). The collective shall maintain a current, publicly accessible list of blanket licenses that includes contact information for the licensees and the effective dates of such licenses.

"(ii) NOTICES OF NONBLANKET ACTIVITY.—The mechanical licensing collective shall receive notices of nonblanket activity from significant nonblanket licensees, as provided in paragraph (6)(A). The collective shall maintain a current, publicly accessible list of notices of nonblanket activity that includes contact information for significant nonblanket licensees and the dates of receipt of such notices.

"(G) COLLECTION AND DISTRIBUTION OF ROYALTIES.—

"(i) IN GENERAL.—Upon receiving reports of usage and payments of royalties from digital music providers for covered activities, the mechanical licensing collective shall—

"(I) engage in efforts to—

"(aa) identify the musical works embodied in sound recordings reflected in such reports, and the copyright owners of such musical works (and shares thereof);

"(bb) confirm uses of musical works subject to voluntary licenses and individual download licenses, and the corresponding pro rata amounts to be deducted from royalties that would otherwise be due under the blanket license; and

"(cc) confirm proper payment of royalties due;

"(II) distribute royalties to copyright owners in accordance with the usage and other information contained in such reports, as well as the ownership and other information contained in the records of the collective; and

"(III) deposit into an interest-bearing account, as provided in subparagraph (H)(ii), royalties that cannot be distributed due to—

"(aa) an inability to identify or locate a copyright owner of a musical work (or share thereof); or

"(bb) a pending dispute before the dispute resolution committee of the mechanical licensing collective.

"(ii) OTHER COLLECTION EFFORTS.—Any royalties recovered by the mechanical licensing collective as a result of efforts to enforce rights or obligations under a blanket license, including through a bankruptcy proceeding or other legal action, shall be distributed to copyright owners based on available usage information and in accordance with the procedures described in

subclauses (I) and (II) of clause (i), on a pro rata basis in proportion to the overall percentage recovery of the total royalties owed, with any pro rata share of royalties that cannot be distributed deposited in an interest-bearing account as provided in subparagraph (H)(ii).

"(H) HOLDING OF ACCRUED ROYALTIES.—

"(i) HOLDING PERIOD.—The mechanical licensing collective shall hold accrued royalties associated with particular musical works (and shares of works) that remain unmatched for a period of not less than 3 years after the date on which the funds were received by the mechanical licensing collective, or not less than 3 years after the date on which the funds were accrued by a digital music provider that subsequently transferred such funds to the mechanical licensing collective pursuant to paragraph (10)(B), whichever period expires sooner.

"(ii) INTEREST-BEARING ACCOUNT.—Accrued royalties for unmatched works (and shares thereof) shall be maintained by the mechanical licensing collective in an interest-bearing account that earns monthly interest—

"(I) at the Federal, short-term rate; and

"(II) that accrues for the benefit of copyright owners entitled to payment of such accrued royalties.

"(I) MUSICAL WORKS CLAIMING PROCESS.—When a copyright owner of an unmatched work (or share of a work) has been identified and located in accordance with the procedures of the mechanical licensing collective, the collective shall—

"(i) update the musical works database and the other records of the collective accordingly; and

"(ii) provided that accrued royalties for the musical work (or share thereof) have not yet been included in a distribution pursuant to subparagraph (J)(i), pay such accrued royalties and a proportionate amount of accrued interest associated with that work (or share thereof) to the copyright owner, accompanied by a cumulative statement of account reflecting usage of such work and accrued royalties based on information provided by digital music providers to the mechanical licensing collective. Royalties.

"(J) DISTRIBUTION OF UNCLAIMED ACCRUED ROYALTIES.—

"(i) DISTRIBUTION PROCEDURES.—After the expiration of the prescribed holding period for accrued royalties provided in subparagraph (H)(i), the mechanical licensing collective shall distribute such accrued royalties, along with a proportionate share of accrued interest, to copyright owners identified in the records of the collective, subject to the following requirements, and in accordance with the policies and procedures established under clause (ii):

"(I) The first such distribution shall occur on or after January 1 of the second full calendar Effective date.

year to commence after the license availability date, with not less than 1 such distribution to take place during each calendar year thereafter.

Determination.

"(II) Copyright owners' payment shares for unclaimed accrued royalties for particular reporting periods shall be determined in a transparent and equitable manner based on data indicating the relative market shares of such copyright owners as reflected in reports of usage provided by digital music providers for covered activities for the periods in question, including, in addition to usage data provided to the mechanical licensing collective, usage data provided to copyright owners under voluntary licenses and individual download licenses for covered activities, to the extent such information is available to the mechanical licensing collective. In furtherance of the determination of equitable market shares under this subparagraph—

"(aa) the mechanical licensing collective may require copyright owners seeking distributions of unclaimed accrued royalties to provide, or direct the provision of, information concerning the usage of musical works under voluntary licenses and individual download licenses for covered activities; and

"(bb) the mechanical licensing collective shall take appropriate steps to safeguard the confidentiality and security of usage, financial, and other sensitive data used to compute market shares in accordance with the confidentiality provisions prescribed by the Register of Copyrights under paragraph (12)(C).

"(ii) ESTABLISHMENT OF DISTRIBUTION POLICIES.—The unclaimed royalties oversight committee established under subparagraph (D)(v) shall establish policies and procedures for the distribution of unclaimed accrued royalties and accrued interest in accordance with this subparagraph, including the provision of usage data to copyright owners to allocate payments and credits to songwriters pursuant to clause (iv), subject to the approval of the board of directors of the mechanical licensing collective.

"(iii) PUBLIC NOTICE OF UNCLAIMED ACCRUED ROYALTIES.—The mechanical licensing collective shall—

"(I) maintain a publicly accessible online facility with contact information for the collective that lists unmatched musical works (and shares of works), through which a copyright owner may assert an ownership claim with respect to such a work (and a share of such a work);

"(II) engage in diligent, good-faith efforts to publicize, throughout the music industry—

"(aa) the existence of the collective and the ability to claim unclaimed accrued royalties for unmatched musical works (and shares of such works) held by the collective;

"(bb) the procedures by which copyright owners may identify themselves and provide contact, ownership, and other relevant information to the collective in order to receive payments of accrued royalties;

"(cc) any transfer of accrued royalties for musical works under paragraph (10)(B), not later than 180 days after the date on which the transfer is received; and Deadline.

"(dd) any pending distribution of unclaimed accrued royalties and accrued interest, not less than 90 days before the date on which the distribution is made; and Time period.

"(III) as appropriate, participate in music industry conferences and events for the purpose of publicizing the matters described in subclause (II).

"(iv) SONGWRITER PAYMENTS.—Copyright owners that receive a distribution of unclaimed accrued royalties and accrued interest shall pay or credit a portion to songwriters (or the authorized agents of songwriters) on whose behalf the copyright owners license or administer musical works for covered activities, in accordance with applicable contractual terms, but notwithstanding any agreement to the contrary—

"(I) such payments and credits to songwriters shall be allocated in proportion to reported usage of individual musical works by digital music providers during the reporting periods covered by the distribution from the mechanical licensing collective; and

"(II) in no case shall the payment or credit to an individual songwriter be less than 50 percent of the payment received by the copyright owner attributable to usage of musical works (or shares of works) of that songwriter.

"(K) DISPUTE RESOLUTION.—The dispute resolution committee established under subparagraph (D)(vi) shall establish policies and procedures—

"(i) for copyright owners to address in a timely and equitable manner disputes relating to ownership interests in musical works licensed under this section and allocation and distribution of royalties by the mechanical licensing collective, subject to the approval of the board of directors of the mechanical licensing collective;

"(ii) that shall include a mechanism to hold disputed funds in accordance with the requirements described in subparagraph (H)(ii) pending resolution of the dispute; and

"(iii) except as provided in paragraph (11)(D), that shall not affect any legal or equitable rights or remedies available to any copyright owner or songwriter

concerning ownership of, and entitlement to royalties for, a musical work.

"(L) VERIFICATION OF PAYMENTS BY MECHANICAL LICENSING COLLECTIVE.—

Audits.

"(i) VERIFICATION PROCESS.—A copyright owner entitled to receive payments of royalties for covered activities from the mechanical licensing collective may, individually or with other copyright owners, conduct an audit of the mechanical licensing collective to verify the accuracy of royalty payments by the mechanical licensing collective to such copyright owner, as follows:

Time periods.

"(I) A copyright owner may audit the mechanical licensing collective only once in a year for any or all of the 3 calendar years preceding the year in which the audit is commenced, and may not audit records for any calendar year more than once.

"(II) The audit shall be conducted by a qualified auditor, who shall perform the audit during the ordinary course of business by examining the books, records, and data of the mechanical licensing collective, according to generally accepted auditing standards and subject to applicable confidentiality requirements prescribed by the Register of Copyrights under paragraph (12)(C).

"(III) The mechanical licensing collective shall make such books, records, and data available to the qualified auditor and respond to reasonable requests for relevant information, and shall use commercially reasonable efforts to facilitate access to relevant information maintained by third parties.

Notice.

"(IV) To commence the audit, any copyright owner shall file with the Copyright Office a notice of intent to conduct an audit of the mechanical licensing collective, identifying the period of time to be audited, and shall simultaneously deliver a copy of such notice to the mechanical licensing collective. The Register of Copyrights shall cause the notice of audit to be published in the Federal Register not later than 45 calendar days after the date on which the notice is received.

Federal Register, publication. Deadline.

Determination. Reports.

"(V) The qualified auditor shall determine the accuracy of royalty payments, including whether an underpayment or overpayment of royalties was made by the mechanical licensing collective to each auditing copyright owner, except that, before providing a final audit report to any such copyright owner, the qualified auditor shall provide a tentative draft of the report to the mechanical licensing collective and allow the mechanical licensing collective a reasonable opportunity to respond to the findings, including by clarifying issues and correcting factual errors.

"(VI) The auditing copyright owner or owners shall bear the cost of the audit. In case of an underpayment to any copyright owner, the

mechanical licensing collective shall pay the amounts of any such underpayment to such auditing copyright owner, as appropriate. In case of an overpayment by the mechanical licensing collective, the mechanical licensing collective may debit the account of the auditing copyright owner or owners for such overpaid amounts, or such owner or owners shall refund overpaid amounts to the mechanical licensing collective, as appropriate.

"(ii) ALTERNATIVE VERIFICATION PROCEDURES.— Nothing in this subparagraph shall preclude a copyright owner and the mechanical licensing collective from agreeing to audit procedures different from those described in this subparagraph, except that a notice of the audit shall be provided to and published by the Copyright Office as described in clause (i)(IV). Notice.

"(M) RECORDS OF MECHANICAL LICENSING COLLECTIVE.—

"(i) RECORDS MAINTENANCE.—The mechanical licensing collective shall ensure that all material records of the operations of the mechanical licensing collective, including those relating to notices of license, the administration of the claims process of the mechanical licensing collective, reports of usage, royalty payments, receipt and maintenance of accrued royalties, royalty distribution processes, and legal matters, are preserved and maintained in a secure and reliable manner, with appropriate commercially reasonable safeguards against unauthorized access, copying, and disclosure, and subject to the confidentiality requirements prescribed by the Register of Copyrights under paragraph (12)(C) for a period of not less than 7 years after the date of creation or receipt, whichever occurs later. Time period.

"(ii) RECORDS ACCESS.—The mechanical licensing collective shall provide prompt access to electronic and other records pertaining to the administration of a copyright owner's musical works upon reasonable written request of the owner or the authorized representative of the owner.

"(4) TERMS AND CONDITIONS OF BLANKET LICENSE.—A blanket license is subject to, and conditioned upon, the following requirements:

"(A) ROYALTY REPORTING AND PAYMENTS.—

"(i) MONTHLY REPORTS AND PAYMENT.—A digital music provider shall report and pay royalties to the mechanical licensing collective under the blanket license on a monthly basis in accordance with clause (ii) and subsection (c)(2)(I), except that the monthly reporting shall be due on the date that is 45 calendar days, rather than 20 calendar days, after the end of the monthly reporting period.

"(ii) DATA TO BE REPORTED.—In reporting usage of musical works to the mechanical licensing collective, a digital music provider shall provide usage data for musical works used under the blanket license and

usage data for musical works used in covered activities under voluntary licenses and individual download licenses. In the report of usage, the digital music provider shall—

"(I) with respect to each sound recording embodying a musical work—

"(aa) provide identifying information for the sound recording, including sound recording name, featured artist, and, to the extent acquired by the digital music provider in connection with its use of sound recordings of musical works to engage in covered activities, including pursuant to subparagraph (B), sound recording copyright owner, producer, international standard recording code, and other information commonly used in the industry to identify sound recordings and match them to the musical works the sound recordings embody;

"(bb) to the extent acquired by the digital music provider in the metadata provided by sound recording copyright owners or other licensors of sound recordings in connection with the use of sound recordings of musical works to engage in covered activities, including pursuant to subparagraph (B), provide information concerning authorship and ownership of the applicable rights in the musical work embodied in the sound recording (including each songwriter, publisher name, and respective ownership share) and the international standard musical work code; and

"(cc) provide the number of digital phonorecord deliveries of the sound recording, including limited downloads and interactive streams;

"(II) identify and provide contact information for all musical work copyright owners for works embodied in sound recordings as to which a voluntary license, rather than the blanket license, is in effect with respect to the uses being reported; and

"(III) provide such other information as the Register of Copyrights shall require by regulation.

Regulations.

"(iii) FORMAT AND MAINTENANCE OF REPORTS.—Reports of usage provided by digital music providers to the mechanical licensing collective shall be in a machine-readable format that is compatible with the information technology systems of the mechanical licensing collective and meets the requirements of regulations adopted by the Register of Copyrights. The Register shall also adopt regulations setting forth requirements under which records of use shall be maintained and made available to the mechanical licensing collective by digital music providers engaged in covered activities under a blanket license.

"(iv) ADOPTION OF REGULATIONS.—The Register of Copyrights shall adopt regulations—

"(I) setting forth requirements under which records of use shall be maintained and made available to the mechanical licensing collective by digital music providers engaged in covered activities under a blanket license; and

"(II) regarding adjustments to reports of usage by digital music providers, including mechanisms to account for overpayment and underpayment of royalties in prior periods.

"(B) COLLECTION OF SOUND RECORDING INFORMATION.—A digital music provider shall engage in good-faith, commercially reasonable efforts to obtain from sound recording copyright owners and other licensors of sound recordings made available through the service of such digital music provider information concerning—

"(i) sound recording copyright owners, producers, international standard recording codes, and other information commonly used in the industry to identify sound recordings and match them to the musical works the sound recordings embody; and

"(ii) the authorship and ownership of musical works, including songwriters, publisher names, ownership shares, and international standard musical work codes.

"(C) PAYMENT OF ADMINISTRATIVE ASSESSMENT.—A digital music provider and any significant nonblanket licensee shall pay the administrative assessment established under paragraph (7)(D) in accordance with this subsection and applicable regulations.

"(D) VERIFICATION OF PAYMENTS BY DIGITAL MUSIC PROVIDERS.—

"(i) VERIFICATION PROCESS.—The mechanical licensing collective may conduct an audit of a digital music provider operating under the blanket license to verify the accuracy of royalty payments by the digital music provider to the mechanical licensing collective as follows: Audits.

"(I) The mechanical licensing collective may commence an audit of a digital music provider not more frequently than once in any 3-calendar-year period to cover a verification period of not more than the 3 full calendar years preceding the date of commencement of the audit, and such audit may not audit records for any such 3-year verification period more than once. Time periods.

"(II) The audit shall be conducted by a qualified auditor, who shall perform the audit during the ordinary course of business by examining the books, records, and data of the digital music provider, according to generally accepted auditing standards and subject to applicable confidentiality requirements prescribed by the Register of Copyrights under paragraph (12)(C).

"(III) The digital music provider shall make such books, records, and data available to the

qualified auditor and respond to reasonable requests for relevant information, and shall use commercially reasonable efforts to provide access to relevant information maintained with respect to a digital music provider by third parties.

Notice.

"(IV) To commence the audit, the mechanical licensing collective shall file with the Copyright Office a notice of intent to conduct an audit of the digital music provider, identifying the period of time to be audited, and shall simultaneously deliver a copy of such notice to the digital music provider. The Register of Copyrights shall cause the notice of audit to be published in the Federal Register not later than 45 calendar days after the date on which notice is received.

Federal Register, publication. Deadline.

Determination. Reports.

"(V) The qualified auditor shall determine the accuracy of royalty payments, including whether an underpayment or overpayment of royalties was made by the digital music provider to the mechanical licensing collective, except that, before providing a final audit report to the mechanical licensing collective, the qualified auditor shall provide a tentative draft of the report to the digital music provider and allow the digital music provider a reasonable opportunity to respond to the findings, including by clarifying issues and correcting factual errors.

"(VI) The mechanical licensing collective shall pay the cost of the audit, unless the qualified auditor determines that there was an underpayment by the digital music provider of not less than 10 percent, in which case the digital music provider shall bear the reasonable costs of the audit, in addition to paying the amount of any underpayment to the mechanical licensing collective. In case of an overpayment by the digital music provider, the mechanical licensing collective shall provide a credit to the account of the digital music provider.

Effective date.

"(VII) A digital music provider may not assert section 507 or any other Federal or State statute of limitations, doctrine of laches or estoppel, or similar provision as a defense to a legal action arising from an audit under this subparagraph if such legal action is commenced not more than 6 years after the commencement of the audit that is the basis for such action.

"(ii) ALTERNATIVE VERIFICATION PROCEDURES.—Nothing in this subparagraph shall preclude the mechanical licensing collective and a digital music provider from agreeing to audit procedures different from those described in this subparagraph, except that a notice of the audit shall be provided to and published by the Copyright Office as described in clause (i)(IV).

"(E) DEFAULT UNDER BLANKET LICENSE.—

"(i) CONDITIONS OF DEFAULT.—A digital music provider shall be in default under a blanket license if the digital music provider—

"(I) fails to provide 1 or more monthly reports of usage to the mechanical licensing collective when due;

"(II) fails to make a monthly royalty or late fee payment to the mechanical licensing collective when due, in all or material part;

"(III) provides 1 or more monthly reports of usage to the mechanical licensing collective that, on the whole, is or are materially deficient as a result of inaccurate, missing, or unreadable data, where the correct data was available to the digital music provider and required to be reported under this section and applicable regulations;

"(IV) fails to pay the administrative assessment as required under this subsection and applicable regulations; or

"(V) after being provided written notice by the mechanical licensing collective, refuses to comply with any other material term or condition of the blanket license under this section for a period of not less than 60 calendar days. Time period.

"(ii) NOTICE OF DEFAULT AND TERMINATION.—In case of a default by a digital music provider, the mechanical licensing collective may proceed to terminate the blanket license of the digital music provider as follows:

"(I) The mechanical licensing collective shall provide written notice to the digital music provider describing with reasonable particularity the default and advising that unless such default is cured not later than 60 calendar days after the date of the notice, the blanket license will automatically terminate at the end of that period. Deadline.

"(II) If the digital music provider fails to remedy the default before the end of the 60-day period described in subclause (I), the license shall terminate without any further action on the part of the mechanical licensing collective. Such termination renders the making of all digital phonorecord deliveries of all musical works (and shares thereof) covered by the blanket license for which the royalty or administrative assessment has not been paid actionable as acts of infringement under section 501 and subject to the remedies provided by sections 502 through 506.

"(iii) NOTICE TO COPYRIGHT OWNERS.—The mechanical licensing collective shall provide written notice of any termination under this subparagraph to copyright owners of affected works.

"(iv) REVIEW BY FEDERAL DISTRICT COURT.—A digital music provider that believes a blanket license was improperly terminated by the mechanical licensing collective may seek review of such termination in an appropriate district court of the United States. The Courts. Determination.

district court shall determine the matter de novo based on the record before the mechanical licensing collective and any additional supporting evidence presented by the parties.

"(5) DIGITAL LICENSEE COORDINATOR.—

"(A) IN GENERAL.—The digital licensee coordinator shall be a single entity that—

"(i) is a nonprofit, not owned by any other entity, that is created to carry out responsibilities under this subsection;

"(ii) is endorsed by and enjoys substantial support from digital music providers and significant nonblanket licensees that together represent the greatest percentage of the licensee market for uses of musical works in covered activities, as measured over the preceding 3 calendar years;

"(iii) is able to demonstrate that it has, or will have prior to the license availability date, the administrative capabilities to perform the required functions of the digital licensee coordinator under this subsection; and

"(iv) has been designated by the Register of Copyrights, with the approval of the Librarian of Congress pursuant to section 702, in accordance with subparagraph (B).

"(B) DESIGNATION OF DIGITAL LICENSEE COORDINATOR.—

Deadline.

"(i) INITIAL DESIGNATION.—The Register of Copyrights shall initially designate the digital licensee coordinator not later than 270 days after the enactment date, in accordance with the same procedure described for designation of the mechanical licensing collective in paragraph (3)(B)(i).

Time periods.

"(ii) PERIODIC REVIEW OF DESIGNATION.—Following the initial designation of the digital licensee coordinator, the Register of Copyrights shall, every 5 years, beginning with the fifth full calendar year to commence after the initial designation, determine whether the existing designation should be continued, or a different entity meeting the criteria described in clauses (i) through (iii) of subparagraph (A) should be designated, in accordance with the same procedure described for the mechanical licensing collective in paragraph (3)(B)(ii).

"(iii) INABILITY TO DESIGNATE.—If the Register of Copyrights is unable to identify an entity that fulfills each of the qualifications described in clauses (i) through (iii) of subparagraph (A) to serve as the digital licensee coordinator, the Register may decline to designate a digital licensee coordinator. The determination of the Register not to designate a digital licensee coordinator shall not negate or otherwise affect any provision of this subsection except to the limited extent that a provision references the digital licensee coordinator. In such case, the reference to the digital licensee coordinator shall be without effect unless and until a new digital licensee coordinator is designated.

"(C) AUTHORITIES AND FUNCTIONS.—

"(i) IN GENERAL.—The digital licensee coordinator is authorized to perform the following functions, subject to more particular requirements as described in this subsection:

"(I) Establish a governance structure, criteria for membership, and any dues to be paid by its members. Criteria.

"(II) Engage in efforts to enforce notice and payment obligations with respect to the administrative assessment, including by receiving information from and coordinating with the mechanical licensing collective.

"(III) Initiate and participate in proceedings before the Copyright Royalty Judges to establish the administrative assessment under this subsection. Proceedings.

"(IV) Initiate and participate in proceedings before the Copyright Office with respect to activities under this subsection. Proceedings.

"(V) Gather and provide documentation for use in proceedings before the Copyright Royalty Judges to set rates and terms under this section.

"(VI) Maintain records of its activities.

"(VII) Assist in publicizing the existence of the mechanical licensing collective and the ability of copyright owners to claim royalties for unmatched musical works (and shares of works) through the collective.

"(VIII) Engage in such other activities as may be necessary or appropriate to fulfill its responsibilities under this subsection.

"(ii) RESTRICTION ON LOBBYING.—The digital licensee coordinator may not engage in government lobbying activities, but may engage in the activities described in subclauses (III), (IV), and (V) of clause (i).

"(iii) ASSISTANCE WITH PUBLICITY FOR UNCLAIMED ROYALTIES.—The digital licensee coordinator shall make reasonable, good-faith efforts to assist the mechanical licensing collective in the efforts of the collective to locate and identify copyright owners of unmatched musical works (and shares of such works) by encouraging digital music providers to publicize the existence of the collective and the ability of copyright owners to claim unclaimed accrued royalties, including by—

"(I) posting contact information for the collective at reasonably prominent locations on digital music provider websites and applications; and Web posting.

"(II) conducting in-person outreach activities with songwriters.

"(6) REQUIREMENTS FOR SIGNIFICANT NONBLANKET LICENSEES.—

"(A) IN GENERAL.—

"(i) NOTICE OF ACTIVITY.—Not later than 45 calendar days after the license availability date, or 45 Deadline.

calendar days after the end of the first full calendar month in which an entity initially qualifies as a significant nonblanket licensee, whichever occurs later, a significant nonblanket licensee shall submit a notice of nonblanket activity to the mechanical licensing collective. The notice of nonblanket activity shall comply in form and substance with requirements that the Register of Copyrights shall establish by regulation, and a copy shall be made available to the digital licensee coordinator.

Compliance.
Regulations.

"(ii) REPORTING AND PAYMENT OBLIGATIONS.—The notice of nonblanket activity submitted to the mechanical licensing collective shall be accompanied by a report of usage that contains the information described in paragraph (4)(A)(ii), as well as any payment of the administrative assessment required under this subsection and applicable regulations. Thereafter, subject to clause (iii), a significant nonblanket licensee shall continue to provide monthly reports of usage, accompanied by any required payment of the administrative assessment, to the mechanical licensing collective. Such reports and payments shall be submitted not later than 45 calendar days after the end of the calendar month being reported.

Notification.

"(iii) DISCONTINUATION OF OBLIGATIONS.—An entity that has submitted a notice of nonblanket activity to the mechanical licensing collective that has ceased to qualify as a significant nonblanket licensee may so notify the collective in writing. In such case, as of the calendar month in which such notice is provided, such entity shall no longer be required to provide reports of usage or pay the administrative assessment, but if such entity later qualifies as a significant nonblanket licensee, such entity shall again be required to comply with clauses (i) and (ii).

"(B) REPORTING BY MECHANICAL LICENSING COLLECTIVE TO DIGITAL LICENSEE COORDINATOR.—

"(i) MONTHLY REPORTS OF NONCOMPLIANT LICENSEES.—The mechanical licensing collective shall provide monthly reports to the digital licensee coordinator setting forth any significant nonblanket licensees of which the collective is aware that have failed to comply with subparagraph (A).

"(ii) TREATMENT OF CONFIDENTIAL INFORMATION.—The mechanical licensing collective and digital licensee coordinator shall take appropriate steps to safeguard the confidentiality and security of financial and other sensitive data shared under this subparagraph, in accordance with the confidentiality requirements prescribed by the Register of Copyrights under paragraph (12)(C).

"(C) LEGAL ENFORCEMENT EFFORTS.—

"(i) FEDERAL COURT ACTION.—Should the mechanical licensing collective or digital licensee coordinator become aware that a significant nonblanket licensee has failed to comply with subparagraph (A), either may commence an action in an appropriate district

court of the United States for damages and injunctive relief. If the significant nonblanket licensee is found liable, the court shall, absent a finding of excusable neglect, award damages in an amount equal to three times the total amount of the unpaid administrative assessment and, notwithstanding anything to the contrary in section 505, reasonable attorney's fees and costs, as well as such other relief as the court determines appropriate. In all other cases, the court shall award relief as appropriate. Any recovery of damages shall be payable to the mechanical licensing collective as an offset to the collective total costs.

"(ii) STATUTE OF LIMITATIONS FOR ENFORCEMENT ACTION.—Any action described in this subparagraph shall be commenced within the time period described in section 507(b).

"(iii) OTHER RIGHTS AND REMEDIES PRESERVED.—The ability of the mechanical licensing collective or digital licensee coordinator to bring an action under this subparagraph shall in no way alter, limit or negate any other right or remedy that may be available to any party at law or in equity.

"(7) FUNDING OF MECHANICAL LICENSING COLLECTIVE.—

"(A) IN GENERAL.—The collective total costs shall be funded by—

"(i) an administrative assessment, as such assessment is established by the Copyright Royalty Judges pursuant to subparagraph (D) from time to time, to be paid by—

"(I) digital music providers that are engaged, in all or in part, in covered activities pursuant to a blanket license; and

"(II) significant nonblanket licensees; and

"(ii) voluntary contributions from digital music providers and significant nonblanket licensees as may be agreed with copyright owners.

"(B) VOLUNTARY CONTRIBUTIONS.—

"(i) AGREEMENTS CONCERNING CONTRIBUTIONS.—Except as provided in clause (ii), voluntary contributions by digital music providers and significant nonblanket licensees shall be determined by private negotiation and agreement, and the following conditions apply:

"(I) The date and amount of each voluntary contribution to the mechanical licensing collective shall be documented in a writing signed by an authorized agent of the mechanical licensing collective and the contributing party.

"(II) Such agreement shall be made available as required in proceedings before the Copyright Royalty Judges to establish or adjust the administrative assessment in accordance with applicable statutory and regulatory provisions and rulings of the Copyright Royalty Judges.

"(ii) TREATMENT OF CONTRIBUTIONS.—Each voluntary contribution described in clause (i) shall be treated for purposes of an administrative assessment

proceeding as an offset to the collective total costs that would otherwise be recovered through the administrative assessment. Any allocation or reallocation of voluntary contributions between or among individual digital music providers or significant nonblanket licensees shall be a matter of private negotiation and agreement among such parties and outside the scope of the administrative assessment proceeding.

"(C) INTERIM APPLICATION OF ACCRUED ROYALTIES.—In the event that the administrative assessment, together with any funding from voluntary contributions as provided in subparagraphs (A) and (B), is inadequate to cover current collective total costs, the collective, with approval of its board of directors, may apply unclaimed accrued royalties on an interim basis to defray such costs, subject to future reimbursement of such royalties from future collections of the assessment.

"(D) DETERMINATION OF ADMINISTRATIVE ASSESSMENT.—

"(i) ADMINISTRATIVE ASSESSMENT TO COVER COLLECTIVE TOTAL COSTS.—The administrative assessment shall be used solely and exclusively to fund the collective total costs.

"(ii) SEPARATE PROCEEDING BEFORE COPYRIGHT ROYALTY JUDGES.—The amount and terms of the administrative assessment shall be determined and established in a separate and independent proceeding before the Copyright Royalty Judges, according to the procedures described in clauses (iii) and (iv). The administrative assessment determined in such proceeding shall—

"(I) be wholly independent of royalty rates and terms applicable to digital music providers, which shall not be taken into consideration in any manner in establishing the administrative assessment;

"(II) be established by the Copyright Royalty Judges in an amount that is calculated to defray the reasonable collective total costs;

"(III) be assessed based on usage of musical works by digital music providers and significant nonblanket licensees in covered activities under both compulsory and nonblanket licenses;

"(IV) may be in the form of a percentage of royalties payable under this section for usage of musical works in covered activities (regardless of whether a different rate applies under a voluntary license), or any other usage-based metric reasonably calculated to equitably allocate the collective total costs across digital music providers and significant nonblanket licensees engaged in covered activities, and shall include as a component a minimum fee for all digital music providers and significant nonblanket licensees; and

"(V) take into consideration anticipated future collective total costs and collections of the administrative assessment, including, as applicable—

"(aa) any portion of past actual collective total costs of the mechanical licensing collective not funded by previous collections of the administrative assessment or voluntary contributions because such collections or contributions together were insufficient to fund such costs;

"(bb) any past collections of the administrative assessment and voluntary contributions that exceeded past actual collective total costs, resulting in a surplus; and

"(cc) the amount of any voluntary contributions by digital music providers or significant nonblanket licensees in relevant periods, described in subparagraphs (A) and (B) of paragraph (7).

"(iii) INITIAL ADMINISTRATIVE ASSESSMENT.—The procedure for establishing the initial administrative assessment shall be as follows: Procedures.

"(I) Not later than 270 days after the enactment date, the Copyright Royalty Judges shall commence a proceeding to establish the initial administrative assessment by publishing a notice in the Federal Register seeking petitions to participate. Deadline. Proceedings. Notice. Federal Register, publication.

"(II) The mechanical licensing collective and digital licensee coordinator shall participate in the proceeding described in subclause (I), along with any interested copyright owners, digital music providers or significant nonblanket licensees that have notified the Copyright Royalty Judges of their desire to participate.

"(III) The Copyright Royalty Judges shall establish a schedule for submission by the parties of information that may be relevant to establishing the administrative assessment, including actual and anticipated collective total costs of the mechanical licensing collective, actual and anticipated collections from digital music providers and significant nonblanket licensees, and documentation of voluntary contributions, as well as a schedule for further proceedings, which shall include a hearing, as the Copyright Royalty Judges determine appropriate. Schedule. Hearings.

"(IV) The initial administrative assessment shall be determined, and such determination shall be published in the Federal Register by the Copyright Royalty Judges, not later than 1 year after commencement of the proceeding described in this clause. The determination shall be supported by a written record. The initial administrative assessment shall be effective as of the license availability date, and shall continue in effect unless and until an adjusted administrative assessment is established pursuant to an adjustment proceeding under clause (iv). Determination. Federal Register, publication. Deadline. Effective date.

Federal Register, publications.

"(iv) ADJUSTMENT OF ADMINISTRATIVE ASSESSMENT.—The administrative assessment may be adjusted by the Copyright Royalty Judges periodically, in accordance with the following procedures:

Time period. Effective date.

"(I) Not earlier than 1 year after the most recent publication of a determination of the administrative assessment by the Copyright Royalty Judges, the mechanical licensing collective, the digital licensee coordinator, or one or more interested copyright owners, digital music providers, or significant nonblanket licensees, may file a petition with the Copyright Royalty Judges in the month of May to commence a proceeding to adjust the administrative assessment.

Notice.

"(II) Notice of the commencement of such proceeding shall be published in the Federal Register in the month of June following the filing of any petition, with a schedule of requested information and additional proceedings, as described in clause (iii)(III). The mechanical licensing collective and digital licensee coordinator shall participate in such proceeding, along with any interested copyright owners, digital music providers, or significant nonblanket licensees that have notified the Copyright Royalty Judges of their desire to participate.

Determination.

"(III) The determination of the adjusted administrative assessment, which shall be supported by a written record, shall be published in the Federal Register during June of the calendar year following the commencement of the proceeding. The adjusted administrative assessment shall take effect January 1 of the year following such publication.

Effective date.

"(v) ADOPTION OF VOLUNTARY AGREEMENTS.—In lieu of reaching their own determination based on evaluation of relevant data, the Copyright Royalty Judges shall approve and adopt a negotiated agreement to establish the amount and terms of the administrative assessment that has been agreed to by the mechanical licensing collective and the digital licensee coordinator (or if none has been designated, interested digital music providers and significant nonblanket licensees representing more than half of the market for uses of musical works in covered activities), except that the Copyright Royalty Judges shall have the discretion to reject any such agreement for good cause shown.

Applicability.

An administrative assessment adopted under this clause shall apply to all digital music providers and significant nonblanket licensees engaged in covered activities during the period the administrative assessment is in effect.

Federal Register, publication.

"(vi) CONTINUING AUTHORITY TO AMEND.—The Copyright Royalty Judges shall retain continuing authority to amend a determination of an administrative assessment to correct technical or clerical errors, or modify the terms of implementation, for good cause,

with any such amendment to be published in the Federal Register.

"(vii) APPEAL OF ADMINISTRATIVE ASSESSMENT.—The determination of an administrative assessment by the Copyright Royalty Judges shall be appealable, not later than 30 calendar days after publication in the Federal Register, to the Court of Appeals for the District of Columbia Circuit by any party that fully participated in the proceeding. The administrative assessment as established by the Copyright Royalty Judges shall remain in effect pending the final outcome of any such appeal, and the mechanical licensing collective, digital licensee coordinator, digital music providers, and significant nonblanket licensees shall implement appropriate financial or other measures not later than 90 days after any modification of the assessment to reflect and account for such outcome.

Deadlines.
Federal Register, publication.

"(viii) REGULATIONS.—The Copyright Royalty Judges may adopt regulations to govern the conduct of proceedings under this paragraph.

"(8) ESTABLISHMENT OF RATES AND TERMS UNDER BLANKET LICENSE.—

"(A) RESTRICTIONS ON RATESETTING PARTICIPATION.—Neither the mechanical licensing collective nor the digital licensee coordinator shall be a party to a proceeding described in subsection (c)(1)(E), except that the mechanical licensing collective or the digital licensee coordinator may gather and provide financial and other information for the use of a party to such a proceeding and comply with requests for information as required under applicable statutory and regulatory provisions and rulings of the Copyright Royalty Judges.

"(B) APPLICATION OF LATE FEES.—In any proceeding described in subparagraph (A) in which the Copyright Royalty Judges establish a late fee for late payment of royalties for uses of musical works under this section, such fee shall apply to covered activities under blanket licenses, as follows:

"(i) Late fees for past due royalty payments shall accrue from the due date for payment until payment is received by the mechanical licensing collective.

"(ii) The availability of late fees shall in no way prevent a copyright owner or the mechanical licensing collective from asserting any other rights or remedies to which such copyright owner or the mechanical licensing collective may be entitled under this title.

"(C) INTERIM RATE AGREEMENTS IN GENERAL.—For any covered activity for which no rate or terms have been established by the Copyright Royalty Judges, the mechanical licensing collective and any digital music provider may agree to an interim rate and terms for such activity under the blanket license, and any such rate and terms—

"(i) shall be treated as nonprecedential and not cited or relied upon in any ratesetting proceeding before the Copyright Royalty Judges or any other tribunal; and

"(ii) shall automatically expire upon the establishment of a rate and terms for such covered activity by the Copyright Royalty Judges, under subsection (c)(1)(E).

"(D) ADJUSTMENTS FOR INTERIM RATES.—The rate and terms established by the Copyright Royalty Judges for a covered activity to which an interim rate and terms have been agreed under subparagraph (C) shall supersede the interim rate and terms and apply retroactively to the inception of the activity under the blanket license. In such case, not later than 90 days after the effective date of the rate and terms established by the Copyright Royalty Judges—

Deadline.

"(i) if the rate established by the Copyright Royalty Judges exceeds the interim rate, the digital music provider shall pay to the mechanical licensing collective the amount of any underpayment of royalties due; or

"(ii) if the interim rate exceeds the rate established by the Copyright Royalty Judges, the mechanical licensing collective shall credit the account of the digital music provider for the amount of any overpayment of royalties due.

"(9) TRANSITION TO BLANKET LICENSES.—

"(A) SUBSTITUTION OF BLANKET LICENSE.—On the license availability date, a blanket license shall, without any interruption in license authority enjoyed by such digital music provider, be automatically substituted for and supersede any existing compulsory license previously obtained under this section by the digital music provider from a copyright owner to engage in 1 or more covered activities with respect to a musical work, except that such substitution shall not apply to any authority obtained from a record company pursuant to a compulsory license to make and distribute permanent downloads unless and until such record company terminates such authority in writing to take effect at the end of a monthly reporting period, with a copy to the mechanical licensing collective.

"(B) EXPIRATION OF EXISTING LICENSES.—Except to the extent provided in subparagraph (A), on and after the license availability date, licenses other than individual download licenses obtained under this section for covered activities prior to the license availability date shall no longer continue in effect.

"(C) TREATMENT OF VOLUNTARY LICENSES.—A voluntary license for a covered activity in effect on the license availability date will remain in effect unless and until the voluntary license expires according to the terms of the voluntary license, or the parties agree to amend or terminate the voluntary license. In a case where a voluntary license for a covered activity entered into before the license availability date incorporates the terms of this section by reference, the terms so incorporated (but not the rates) shall be those in effect immediately prior to the license availability date, and those terms shall continue

to apply unless and until such voluntary license is terminated or amended, or the parties enter into a new voluntary license.

"(D) FURTHER ACCEPTANCE OF NOTICES FOR COVERED ACTIVITIES BY COPYRIGHT OFFICE.—On and after the enactment date—

"(i) the Copyright Office shall no longer accept notices of intention with respect to covered activities; and

"(ii) notices of intention filed before the enactment date will no longer be effective or provide license authority with respect to covered activities, except that, before the license availability date, there shall be no liability under section 501 for the reproduction or distribution of a musical work (or share thereof) in covered activities if a valid notice of intention was filed for such work (or share) before the enactment date.

"(10) PRIOR UNLICENSED USES.—

"(A) LIMITATION ON LIABILITY IN GENERAL.—A copyright owner that commences an action under section 501 on or after January 1, 2018, against a digital music provider for the infringement of the exclusive rights provided by paragraph (1) or (3) of section 106 arising from the unauthorized reproduction or distribution of a musical work by such digital music provider in the course of engaging in covered activities prior to the license availability date, shall, as the copyright owner's sole and exclusive remedy against the digital music provider, be eligible to recover the royalty prescribed under subsection (c)(1)(C) and chapter 8, from the digital music provider, provided that such digital music provider can demonstrate compliance with the requirements of subparagraph (B), as applicable. In all other cases the limitation on liability under this subparagraph shall not apply.

"(B) REQUIREMENTS FOR LIMITATION ON LIABILITY.—The following requirements shall apply on the enactment date and through the end of the period that expires 90 days after the license availability date to digital music providers seeking to avail themselves of the limitation on liability described in subparagraph (A): Applicability. Time period.

"(i) Not later than 30 calendar days after first making a particular sound recording of a musical work available through its service via one or more covered activities, or 30 calendar days after the enactment date, whichever occurs later, a digital music provider shall engage in good-faith, commercially reasonable efforts to identify and locate each copyright owner of such musical work (or share thereof). Such required matching efforts shall include the following: Deadlines.

"(I) Good-faith, commercially reasonable efforts to obtain from the owner of the corresponding sound recording made available through the digital music provider's service the following information:

"(aa) Sound recording name, featured artist, sound recording copyright owner, producer, international standard recording code,

and other information commonly used in the industry to identify sound recordings and match them to the musical works they embody.

"(bb) Any available musical work ownership information, including each songwriter and publisher name, percentage ownership share, and international standard musical work code.

"(II) Employment of 1 or more bulk electronic matching processes that are available to the digital music provider through a third-party vendor on commercially reasonable terms, except that a digital music provider may rely on its own bulk electronic matching process if that process has capabilities comparable to or better than those available from a third-party vendor on commercially reasonable terms.

"(ii) The required matching efforts shall be repeated by the digital music provider not less than once per month for so long as the copyright owner remains unidentified or has not been located.

Account statements. Royalties.

"(iii) If the required matching efforts are successful in identifying and locating a copyright owner of a musical work (or share thereof) by the end of the calendar month in which the digital music provider first makes use of the work, the digital music provider shall provide statements of account and pay royalties to such copyright owner in accordance with this section and applicable regulations.

"(iv) If the copyright owner is not identified or located by the end of the calendar month in which the digital music provider first makes use of the work, the digital music provider shall accrue and hold royalties calculated under the applicable statutory rate in accordance with usage of the work, from initial use of the work until the accrued royalties can be paid to the copyright owner or are required to be transferred to the mechanical licensing collective, as follows:

"(I) Accrued royalties shall be maintained by the digital music provider in accordance with generally accepted accounting principles.

Effective dates.

"(II) If a copyright owner of an unmatched musical work (or share thereof) is identified and located by or to the digital music provider before the license availability date, the digital music provider shall—

Deadline.

"(aa) not later than 45 calendar days after the end of the calendar month during which the copyright owner was identified and located, pay the copyright owner all accrued royalties, such payment to be accompanied by a cumulative statement of account that includes all of the information that would have been provided to the copyright owner had the digital music provider been providing monthly statements of account to the copyright owner

from initial use of the work in accordance with this section and applicable regulations, including the requisite certification under subsection (c)(2)(I);

"(bb) beginning with the accounting period following the calendar month in which the copyright owner was identified and located, and for all other accounting periods prior to the license availability date, provide monthly statements of account and pay royalties to the copyright owner as required under this section and applicable regulations; and

"(cc) beginning with the monthly royalty reporting period commencing on the license availability date, report usage and pay royalties for such musical work (or share thereof) for such reporting period and reporting periods thereafter to the mechanical licensing collective, as required under this subsection and applicable regulations.

"(III) If a copyright owner of an unmatched musical work (or share thereof) is not identified and located by the license availability date, the digital music provider shall—

Deadline. Certification.

"(aa) not later than 45 calendar days after the license availability date, transfer all accrued royalties to the mechanical licensing collective, such payment to be accompanied by a cumulative statement of account that includes all of the information that would have been provided to the copyright owner had the digital music provider been serving monthly statements of account on the copyright owner from initial use of the work in accordance with this section and applicable regulations, including the requisite certification under subsection (c)(2)(I), and accompanied by an additional certification by a duly authorized officer of the digital music provider that the digital music provider has fulfilled the requirements of clauses (i) and (ii) of subparagraph (B) but has not been successful in locating or identifying the copyright owner; and

Effective date.

"(bb) beginning with the monthly royalty reporting period commencing on the license availability date, report usage and pay royalties for such musical work (or share thereof) for such period and reporting periods thereafter to the mechanical licensing collective, as required under this subsection and applicable regulations.

"(v) A digital music provider that complies with the requirements of this subparagraph with respect to unmatched musical works (or shares of works) shall not be liable for or accrue late fees for late payments of royalties for such works until such time as the digital music provider is required to begin paying

monthly royalties to the copyright owner or the mechanical licensing collective, as applicable.

Deadlines.

"(C) ADJUSTED STATUTE OF LIMITATIONS.—Notwithstanding anything to the contrary in section 507(b), with respect to any claim of infringement of the exclusive rights provided by paragraphs (1) and (3) of section 106 against a digital music provider arising from the unauthorized reproduction or distribution of a musical work by such digital music provider in the course of engaging in covered activities that accrued not more than 3 years prior to the license availability date, such action may be commenced not later than the later of—

"(i) 3 years after the date on which the claim accrued; or

"(ii) 2 years after the license availability date.

"(D) OTHER RIGHTS AND REMEDIES PRESERVED.—Except as expressly provided in this paragraph, nothing in this paragraph shall be construed to alter, limit, or negate any right or remedy of a copyright owner with respect to unauthorized use of a musical work.

"(11) LEGAL PROTECTIONS FOR LICENSING ACTIVITIES.—

Applicability.

"(A) EXEMPTION FOR COMPULSORY LICENSE ACTIVITIES.—The antitrust exemption described in subsection (c)(1)(D) shall apply to negotiations and agreements between and among copyright owners and persons entitled to obtain a compulsory license for covered activities, and common agents acting on behalf of such copyright owners or persons, including with respect to the administrative assessment established under this subsection.

"(B) LIMITATION ON COMMON AGENT EXEMPTION.—Notwithstanding the antitrust exemption provided in subsection (c)(1)(D) and subparagraph (A) of this paragraph (except for the administrative assessment referenced in such subparagraph (A) and except as provided in paragraph (8)(C)), neither the mechanical licensing collective nor the digital licensee coordinator shall serve as a common agent with respect to the establishment of royalty rates or terms under this section.

"(C) ANTITRUST EXEMPTION FOR ADMINISTRATIVE ACTIVITIES.—Notwithstanding any provision of the antitrust laws, copyright owners and persons entitled to obtain a compulsory license under this section may designate the mechanical licensing collective to administer voluntary licenses for the reproduction or distribution of musical works in covered activities on behalf of such copyright owners and persons, subject to the following conditions:

"(i) Each copyright owner shall establish the royalty rates and material terms of any such voluntary license individually and not in agreement, combination, or concert with any other copyright owner.

"(ii) Each person entitled to obtain a compulsory license under this section shall establish the royalty rates and material terms of any such voluntary license individually and not in agreement, combination, or concert with any other digital music provider.

"(iii) The mechanical licensing collective shall maintain the confidentiality of the voluntary licenses

in accordance with the confidentiality provisions prescribed by the Register of Copyrights under paragraph (12)(C).

"(D) LIABILITY FOR GOOD-FAITH ACTIVITIES.—The mechanical licensing collective shall not be liable to any person or entity based on a claim arising from its good-faith administration of policies and procedures adopted and implemented to carry out the responsibilities described in subparagraphs (J) and (K) of paragraph (3), except to the extent of correcting an underpayment or overpayment of royalties as provided in paragraph (3)(L)(i)(VI), but the collective may participate in a legal proceeding as a stakeholder party if the collective is holding funds that are the subject of a dispute between copyright owners. For purposes of this subparagraph, the term 'good-faith administration' means administration in a manner that is not grossly negligent. Definition.

"(E) PREEMPTION OF STATE PROPERTY LAWS.—The holding and distribution of funds by the mechanical licensing collective in accordance with this subsection shall supersede and preempt any State law (including common law) concerning escheatment or abandoned property, or any analogous provision, that might otherwise apply.

"(F) RULE OF CONSTRUCTION.—Except as expressly provided in this subsection, nothing in this subsection shall negate or limit the ability of any person to pursue an action in Federal court against the mechanical licensing collective or any other person based upon a claim arising under this title or other applicable law.

"(12) REGULATIONS.—

"(A) ADOPTION BY REGISTER OF COPYRIGHTS AND COPYRIGHT ROYALTY JUDGES.—The Register of Copyrights may conduct such proceedings and adopt such regulations as may be necessary or appropriate to effectuate the provisions of this subsection, except for regulations concerning proceedings before the Copyright Royalty Judges to establish the administrative assessment, which shall be adopted by the Copyright Royalty Judges.

"(B) JUDICIAL REVIEW OF REGULATIONS.—Except as provided in paragraph (7)(D)(vii), regulations adopted under this subsection shall be subject to judicial review pursuant to chapter 7 of title 5.

"(C) PROTECTION OF CONFIDENTIAL INFORMATION.—The Register of Copyrights shall adopt regulations to provide for the appropriate procedures to ensure that confidential, private, proprietary, or privileged information contained in the records of the mechanical licensing collective and digital licensee coordinator is not improperly disclosed or used, including through any disclosure or use by the board of directors or personnel of either entity, and specifically including the unclaimed royalties oversight committee and the dispute resolution committee of the mechanical licensing collective.

"(13) SAVINGS CLAUSES.—

"(A) LIMITATION ON ACTIVITIES AND RIGHTS COVERED.—This subsection applies solely to uses of musical works subject to licensing under this section. The blanket license Applicability.

shall not be construed to extend or apply to activities other than covered activities or to rights other than the exclusive rights of reproduction and distribution licensed under this section, or serve or act as the basis to extend or expand the compulsory license under this section to activities and rights not covered by this section on the day before the enactment date.

"(B) RIGHTS OF PUBLIC PERFORMANCE NOT AFFECTED.—The rights, protections, and immunities granted under this subsection, the data concerning musical works collected and made available under this subsection, and the definitions under subsection (e) shall not extend to, limit, or otherwise affect any right of public performance in a musical work."; and

(5) by adding at the end the following:

"(e) DEFINITIONS.—As used in this section:

"(1) ACCRUED INTEREST.—The term 'accrued interest' means interest accrued on accrued royalties, as described in subsection (d)(3)(H)(ii).

"(2) ACCRUED ROYALTIES.—The term 'accrued royalties' means royalties accrued for the reproduction or distribution of a musical work (or share thereof) in a covered activity, calculated in accordance with the applicable royalty rate under this section.

"(3) ADMINISTRATIVE ASSESSMENT.—The term 'administrative assessment' means the fee established pursuant to subsection (d)(7)(D).

"(4) AUDIT.—The term 'audit' means a royalty compliance examination to verify the accuracy of royalty payments, or the conduct of such an examination, as applicable.

"(5) BLANKET LICENSE.—The term 'blanket license' means a compulsory license described in subsection (d)(1)(A) to engage in covered activities.

"(6) COLLECTIVE TOTAL COSTS.—The term 'collective total costs'—

"(A) means the total costs of establishing, maintaining, and operating the mechanical licensing collective to fulfill its statutory functions, including—

"(i) startup costs;

"(ii) financing, legal, audit, and insurance costs;

"(iii) investments in information technology, infrastructure, and other long-term resources;

"(iv) outside vendor costs;

"(v) costs of licensing, royalty administration, and enforcement of rights;

"(vi) costs of bad debt; and

"(vii) costs of automated and manual efforts to identify and locate copyright owners of musical works (and shares of such musical works) and match sound recordings to the musical works the sound recordings embody; and

"(B) does not include any added costs incurred by the mechanical licensing collective to provide services under voluntary licenses.

"(7) COVERED ACTIVITY.—The term 'covered activity' means the activity of making a digital phonorecord delivery of a musical work, including in the form of a permanent download,

limited download, or interactive stream, where such activity qualifies for a compulsory license under this section.

"(8) DIGITAL MUSIC PROVIDER.—The term 'digital music provider' means a person (or persons operating under the authority of that person) that, with respect to a service engaged in covered activities—

"(A) has a direct contractual, subscription, or other economic relationship with end users of the service, or, if no such relationship with end users exists, exercises direct control over the provision of the service to end users;

"(B) is able to fully report on any revenues and consideration generated by the service; and

"(C) is able to fully report on usage of sound recordings of musical works by the service (or procure such reporting).

"(9) DIGITAL LICENSEE COORDINATOR.—The term 'digital licensee coordinator' means the entity most recently designated pursuant to subsection (d)(5).

"(10) DIGITAL PHONORECORD DELIVERY.—The term 'digital phonorecord delivery' means each individual delivery of a phonorecord by digital transmission of a sound recording that results in a specifically identifiable reproduction by or for any transmission recipient of a phonorecord of that sound recording, regardless of whether the digital transmission is also a public performance of the sound recording or any musical work embodied therein, and includes a permanent download, a limited download, or an interactive stream. A digital phonorecord delivery does not result from a real-time, noninteractive subscription transmission of a sound recording where no reproduction of the sound recording or the musical work embodied therein is made from the inception of the transmission through to its receipt by the transmission recipient in order to make the sound recording audible. A digital phonorecord delivery does not include the digital transmission of sounds accompanying a motion picture or other audiovisual work as defined in section 101.

"(11) ENACTMENT DATE.—The term 'enactment date' means the date of the enactment of the Musical Works Modernization Act.

"(12) INDIVIDUAL DOWNLOAD LICENSE.—The term 'individual download license' means a compulsory license obtained by a record company to make and distribute, or authorize the making and distribution of, permanent downloads embodying a specific individual musical work.

"(13) INTERACTIVE STREAM.—The term 'interactive stream' means a digital transmission of a sound recording of a musical work in the form of a stream, where the performance of the sound recording by means of such transmission is not exempt under section 114(d)(1) and does not in itself, or as a result of a program in which it is included, qualify for statutory licensing under section 114(d)(2). An interactive stream is a digital phonorecord delivery.

"(14) INTERESTED.—The term 'interested', as applied to a party seeking to participate in a proceeding under subsection (d)(7)(D), is a party as to which the Copyright Royalty Judges have not determined that the party lacks a significant interest in such proceeding.

"(15) LICENSE AVAILABILITY DATE.—The term 'license availability date' means January 1 following the expiration of the 2-year period beginning on the enactment date.

"(16) LIMITED DOWNLOAD.—The term 'limited download' means a digital transmission of a sound recording of a musical work in the form of a download, where such sound recording is accessible for listening only for a limited amount of time or specified number of times.

"(17) MATCHED.—The term 'matched', as applied to a musical work (or share thereof), means that the copyright owner of such work (or share thereof) has been identified and located.

"(18) MECHANICAL LICENSING COLLECTIVE.—The term 'mechanical licensing collective' means the entity most recently designated as such by the Register of Copyrights under subsection (d)(3).

"(19) MECHANICAL LICENSING COLLECTIVE BUDGET.—The term 'mechanical licensing collective budget' means a statement of the financial position of the mechanical licensing collective for a fiscal year or quarter thereof based on estimates of expenditures during the period and proposals for financing those expenditures, including a calculation of the collective total costs.

"(20) MUSICAL WORKS DATABASE.—The term 'musical works database' means the database described in subsection (d)(3)(E).

"(21) NONPROFIT.—The term 'nonprofit' means a nonprofit created or organized in a State.

"(22) NOTICE OF LICENSE.—The term 'notice of license' means a notice from a digital music provider provided under subsection (d)(2)(A) for purposes of obtaining a blanket license.

"(23) NOTICE OF NONBLANKET ACTIVITY.—The term 'notice of nonblanket activity' means a notice from a significant nonblanket licensee provided under subsection (d)(6)(A) for purposes of notifying the mechanical licensing collective that the licensee has been engaging in covered activities.

"(24) PERMANENT DOWNLOAD.—The term 'permanent download' means a digital transmission of a sound recording of a musical work in the form of a download, where such sound recording is accessible for listening without restriction as to the amount of time or number of times it may be accessed.

(b) TECHNICAL AND CONFORMING AMENDMENTS TO SECTION 801.—Section 801(b) of title 17, United States Code, is amended—

(1) by redesignating paragraph (8) as paragraph (9); and

(2) by inserting after paragraph (7) the following:

"(8) To determine the administrative assessment to be paid by digital music providers under section 115(d). The provisions of section 115(d) shall apply to the conduct of proceedings by the Copyright Royalty Judges under section 115(d) and not the procedures described in this section, or section 803, 804, or 805.".

17 USC 115 note.

(c) EFFECTIVE DATE OF AMENDED RATE SETTING STANDARD.—The amendments made by subsection (a)(3) and section 103(g)(2) shall apply to any proceeding before the Copyright Royalty Judges that is commenced on or after the date of the enactment of this Act.

Deadline.
17 USC 115 note.

(d) TECHNICAL AND CONFORMING AMENDMENTS TO TITLE 37, PART 385 OF THE CODE OF FEDERAL REGULATIONS.—Not later than 270 days after the date of enactment of this Act, the Copyright Royalty Judges shall amend the regulations for section 115 of title 17, United States Code, in part 385 of title 37, Code of Federal Regulations, to conform the definitions used in such part to the definitions of the same terms described in section 115(e) of title 17, United States Code, as added by subsection (a). In so doing, the Copyright Royalty Judges shall make adjustments to the language of the regulations as necessary to achieve the same purpose and effect as the original regulations with respect to the rates and terms previously adopted by the Copyright Royalty Judges.

17 USC 115 note.

(e) COPYRIGHT OFFICE ACTIVITIES.—The Register of Copyrights shall engage in public outreach and educational activities—

(1) regarding the amendments made by subsection (a) to section 115 of title 17, United States Code, including the responsibilities of the mechanical licensing collective designated under those amendments;

(2) which shall include educating songwriters and other interested parties with respect to the process established under section 115(d)(3)(C)(i)(V) of title 17, United States Code, as added by subsection (a), by which—

(A) a copyright owner may claim ownership of musical works (and shares of such works); and

(B) royalties for works for which the owner is not identified or located shall be equitably distributed to known copyright owners; and

Web posting.

(3) which the Register shall make available online.

17 USC 115 note.

(f) UNCLAIMED ROYALTIES STUDY AND RECOMMENDATIONS.—

Consultation.
Reports.

(1) IN GENERAL.—Not later than 2 years after the date on which the Register of Copyrights initially designates the mechanical licensing collective under section 115(d)(3)(B)(i) of title 17, United States Code, as added by subsection (a)(4), the Register, in consultation with the Comptroller General of the United States, and after soliciting and reviewing comments and relevant information from music industry participants and other interested parties, shall submit to the Committee on the Judiciary of the Senate and the Committee on the Judiciary of the House of Representatives a report that recommends best practices that the collective may implement in order to—

(A) identify and locate musical work copyright owners with unclaimed accrued royalties held by the collective;

(B) encourage musical work copyright owners to claim the royalties of those owners; and

(C) reduce the incidence of unclaimed royalties.

(2) CONSIDERATION OF RECOMMENDATIONS.—The mechanical licensing collective shall carefully consider, and give substantial weight to, the recommendations submitted by the Register of Copyrights under paragraph (1) when establishing the procedures of the collective with respect to the—

(A) identification and location of musical work copyright owners; and

(B) distribution of unclaimed royalties.

SEC. 103. AMENDMENTS TO SECTION 114.

(a) UNIFORM RATE STANDARD.—Section 114(f) of title 17, United States Code, is amended—

(1) by striking paragraphs (1) and (2) and inserting the following:

"(1)(A) Proceedings under chapter 8 shall determine reasonable rates and terms of royalty payments for transmissions subject to statutory licensing under subsection (d)(2) during the 5-year period beginning on January 1 of the second year following the year in which the proceedings are to be commenced pursuant to subparagraph (A) or (B) of section 804(b)(3), as the case may be, or such other period as the parties may agree. The parties to each proceeding shall bear their own costs. Time period.

"(B) The schedule of reasonable rates and terms determined by the Copyright Royalty Judges shall, subject to paragraph (2), be binding on all copyright owners of sound recordings and entities performing sound recordings affected by this paragraph during the 5-year period specified in subparagraph (A), or such other period as the parties may agree. Such rates and terms shall distinguish among the different types of services then in operation and shall include a minimum fee for each such type of service, such differences to be based on criteria including the quantity and nature of the use of sound recordings and the degree to which use of the service may substitute for or may promote the purchase of phonorecords by consumers. The Copyright Royalty Judges shall establish rates and terms that most clearly represent the rates and terms that would have been negotiated in the marketplace between a willing buyer and a willing seller. In determining such rates and terms, the Copyright Royalty Judges—

"(i) shall base their decision on economic, competitive, and programming information presented by the parties, including—

"(I) whether use of the service may substitute for or may promote the sales of phonorecords or otherwise may interfere with or may enhance the sound recording copyright owner's other streams of revenue from the copyright owner's sound recordings; and

"(II) the relative roles of the copyright owner and the transmitting entity in the copyrighted work and the service made available to the public with respect to relative creative contribution, technological contribution, capital investment, cost, and risk; and

"(ii) may consider the rates and terms for comparable types of audio transmission services and comparable circumstances under voluntary license agreements.

"(C) The procedures under subparagraphs (A) and (B) shall also be initiated pursuant to a petition filed by any sound recording copyright owner or any transmitting entity indicating that a new type of service on which sound recordings are performed is or is about to become operational, for the purpose of determining reasonable terms and rates of royalty payments with respect to such new type of service for the period beginning with the inception of such new type of service and ending on the date on which the royalty rates and terms for eligible nonsubscription services and new subscription services, or preexisting subscription services and preexisting satellite digital audio radio services, as the case may be, most recently determined under subparagraph (A) or (B) and chapter 8 expire, or such other period as the parties may agree."; and

(2) by redesignating paragraphs (3), (4), and (5) as paragraphs (2), (3), and (4), respectively.

(b) REPEAL.—Subsection (i) of section 114 of title 17, United States Code, is repealed.

17 USC 114 note.

(c) USE IN MUSICAL WORK PROCEEDINGS.—

(1) IN GENERAL.—License fees payable for the public performance of sound recordings under section 106(6) of title 17, United States Code, shall not be taken into account in any administrative, judicial, or other governmental proceeding to set or adjust the royalties payable to musical work copyright owners for the public performance of their works except in such a proceeding to set or adjust royalties for the public performance of musical works by means of a digital audio transmission other than a transmission by a broadcaster, and may be taken into account only with respect to such digital audio transmission.

(2) DEFINITIONS.—In this subsection:

(A) TRANSMISSION BY A BROADCASTER.—The term "transmission by a broadcaster" means a nonsubscription digital transmission made by a terrestrial broadcast station on its own behalf, or on the behalf of a terrestrial broadcast station under common ownership or control, that is not part of an interactive service or a music-intensive service comprising the transmission of sound recordings customized for or customizable by recipients or service users.

(B) TERRESTRIAL BROADCAST STATION.—The term "terrestrial broadcast station" means a terrestrial, over-the-air radio or television broadcast station, including an FM translator (as defined in section 74.1201 of title 47, Code of Federal Regulations, and licensed as such by the Federal Communications Commission) whose primary business activities are comprised of, and whose revenues are generated through, terrestrial, over-the-air broadcast transmissions, or the simultaneous or substantially-simultaneous digital retransmission by the terrestrial, over-the-air broadcast station of its over-the-air broadcast transmissions.

17 USC 114 note.

(d) RULE OF CONSTRUCTION.—Subsection (c)(2) shall not be given effect in interpreting provisions of title 17, United States Code.

17 USC 114 note.

(e) USE IN SOUND RECORDING PROCEEDINGS.—The repeal of section 114(i) of title 17, United States Code, by subsection (b) shall not be taken into account in any proceeding to set or adjust

the rates and fees payable for the use of sound recordings under section 112(e) or 114(f) of such title that is pending on, or commenced on or after, the date of enactment of this Act.

(f) DECISIONS AND PRECEDENTS NOT AFFECTED.—The repeal of section 114(i) of title 17, United States Code, by subsection (b) shall not have any effect upon the decisions, or the precedents established or relied upon, in any proceeding to set or adjust the rates and fees payable for the use of sound recordings under section 112(e) or 114(f) of such title before the date of enactment of this Act. 17 USC 114 note.

(g) TECHNICAL AND CONFORMING AMENDMENTS.—

(1) SECTION 114.—Section 114(f) of title 17, United States Code, as amended by subsection (a), is further amended in paragraph (4)(C), as so redesignated, in the first sentence, by striking "under paragraph (4)" and inserting "under paragraph (3)".

(2) SECTION 801.—Section 801(b) of title 17, United States Code, is amended—

(A) in paragraph (1), by striking "The rates applicable" and all that follows though "prevailing industry practices."; and

(B) in paragraph (7)(B), by striking "114(f)(3)" and inserting "114(f)(2)".

(3) SECTION 803.—Section 803(c)(2)(E)(i)(II) of title 17, United States Code, is amended—

(A) by striking "or 114(f)(2)(C)"; and

(B) by striking "114(f)(4)(B)" and inserting "114(f)(3)(B)".

(4) SECTION 804.—Section 804(b)(3)(C) of title 17, United States Code, is amended—

(A) in clause (i), by striking "and 114(f)(2)(C)";

(B) in clause (iii)(II), by striking "114(f)(4)(B)(ii)" and inserting "114(f)(3)(B)(ii)"; and

(C) in clause (iv), by striking "or 114(f)(2)(C), as the case may be".

(h) EFFECTIVE DATE OF AMENDED RATE SETTING STANDARD.—The amendments made by subsection (a)(1) shall apply to any proceeding before the Copyright Royalty Judges that is commenced on or after the date of the enactment of this Act. 17 USC 114 note.

(i) TIMING OF RATE DETERMINATIONS.—Section 804(b)(3)(B) of title 17, United States Code, is amended, in the third sentence, by inserting the following after "fifth calendar year": ", except that—(i) with respect to preexisting subscription services, the terms and rates finally determined for the rate period ending on December 31, 2022, shall remain in effect through December 31, 2027, and there shall be no proceeding to determine terms and rates for preexisting subscription services for the period beginning on January 1, 2023, and ending on December 31, 2027; and" "(ii) with respect to pre-existing satellite digital audio radio services, the terms and rates set forth by the Copyright Royalty Judges on December 14, 2017, in their initial determination for the rate period ending on December 31, 2022, shall be in effect through December 31, 2027, without any change based on a rehearing under section 803(c)(2) and without the possibility of appeal under section 803(d), and there shall be no proceeding to determine terms and rates for preexisting satellite digital audio radio services for

the period beginning on January 1, 2023, and ending on December 31, 2027".

SEC. 104. RANDOM ASSIGNMENT OF RATE COURT PROCEEDINGS.

Section 137 of title 28, United States Code, is amended—

(1) by striking "The business" and inserting "(a) IN GENERAL.—The business"; and

(2) by adding at the end the following:

"(b) RANDOM ASSIGNMENT OF RATE COURT PROCEEDINGS.—

"(1) IN GENERAL.—

"(A) DEFINITION.—In this paragraph, the term 'performing rights society' has the meaning given the term in section 101 of title 17.

"(B) DETERMINATION OF LICENSE FEE.—Except as provided in subparagraph (C), in the case of any performing rights society subject to a consent decree, any application for the determination of a license fee for the public performance of music in accordance with the applicable consent decree shall be made in the district court with jurisdiction over that consent decree and randomly assigned to a judge of that district court according to the rules of that court for the division of business among district judges, provided that any such application shall not be assigned to—

"(i) a judge to whom continuing jurisdiction over any performing rights society for any performing rights society consent decree is assigned or has previously been assigned; or

"(ii) a judge to whom another proceeding concerning an application for the determination of a reasonable license fee is assigned at the time of the filing of the application.

"(C) EXCEPTION.—Subparagraph (B) does not apply to an application to determine reasonable license fees made by individual proprietors under section 513 of title 17.

"(2) RULE OF CONSTRUCTION.—Nothing in paragraph (1) shall modify the rights of any party to a consent decree or to a proceeding to determine reasonable license fees, to make an application for the construction of any provision of the applicable consent decree. Such application shall be referred to the judge to whom continuing jurisdiction over the applicable consent decree is currently assigned. If any such application is made in connection with a rate proceeding, such rate proceeding shall be stayed until the final determination of the construction application. Disputes in connection with a rate proceeding about whether a licensee is similarly situated to another licensee shall not be subject to referral to the judge with continuing jurisdiction over the applicable consent decree.".

17 USC 106 note.

SEC. 105. PERFORMING RIGHTS SOCIETY CONSENT DECREES.

(a) DEFINITION.—In this section, the term "performing rights society" has the meaning given the term in section 101 of title 17, United States Code.

(b) NOTIFICATION OF REVIEW.—

Briefings.

(1) IN GENERAL.—The Department of Justice shall provide timely briefings upon request of any Member of the Committee on the Judiciary of the Senate and the Committee on the Judiciary of the House of Representatives regarding the status

of a review in progress of a consent decree between the United States and a performing rights society.

(2) CONFIDENTIALITY AND DELIBERATIVE PROCESS.—In accordance with applicable rules relating to confidentiality and agency deliberative process, the Department of Justice shall share with such Members of Congress detailed and timely information and pertinent documents related to the consent decree review.

(c) ACTION BEFORE MOTION TO TERMINATE.—

(1) IN GENERAL.—Before filing with the appropriate district court of the United States a motion to terminate a consent decree between the United States and a performing rights society, including a motion to terminate a consent decree after the passage of a specified period of time, the Department of Justice shall—

(A) notify Members of Congress and committees of Congress described in subsection (b); and Notification.

(B) provide to such Members of Congress and committees information regarding the impact of the proposed termination on the market for licensing the public performance of musical works should the motion be granted.

(2) NOTIFICATION.—

(A) IN GENERAL.—During the notification described in paragraph (1), and not later than a reasonable time before the date on which the Department of Justice files with the appropriate district court of the United States a motion to terminate a consent decree between the United States and a performing rights society, the Department of Justice should submit to the chairmen and ranking members of the Committee on the Judiciary of the Senate and the Committee on the Judiciary of the House of Representatives a written notification of the intent of the Department of Justice to file the motion.

(B) CONTENTS.—The notification provided in subparagraph (A) shall include a written report to the chairmen and ranking members of the Committee on the Judiciary of Senate and the Committee on the Judiciary of the House of Representatives setting forth— Reports.

(i) an explanation of the process used by the Department of Justice to review the consent decree;

(ii) a summary of the public comments received by the Department of Justice during the review by the Department; and Summary.

(iii) other information provided to Congress under paragraph (1)(B).

(d) SCOPE.—This section applies only to a consent decree between the United States and a performing rights society.

SEC. 106. EFFECTIVE DATE. 17 USC 114 note.

This title, and the amendments made by this title, shall take effect on the date of enactment of this Act.

Classics Protection and Access Act.

TITLE II—CLASSICS PROTECTION AND ACCESS

17 USC 101 note.

SEC. 201. SHORT TITLE.

This title may be cited as the "Classics Protection and Access Act".

SEC. 202. UNAUTHORIZED USE OF PRE-1972 SOUND RECORDINGS.

(a) PREEMPTION OF STATE LAW RIGHTS; PROTECTION FOR UNAUTHORIZED USE.—Title 17, United States Code, is amended—

(1) in section 301, by striking subsection (c) and inserting the following:

"(c) Notwithstanding the provisions of section 303, and in accordance with chapter 14, no sound recording fixed before February 15, 1972, shall be subject to copyright under this title. With respect to sound recordings fixed before February 15, 1972, the preemptive provisions of subsection (a) shall apply to activities that are commenced on and after the date of enactment of the Classics Protection and Access Act. Nothing in this subsection may be construed to affirm or negate the preemption of rights and remedies pertaining to any cause of action arising from the non-subscription broadcast transmission of sound recordings under the common law or statutes of any State for activities that do not qualify as covered activities under chapter 14 undertaken during the period between the date of enactment of the Classics Protection and Access Act and the date on which the term of prohibition on unauthorized acts under section 1401(a)(2) expires for such sound recordings. Any potential preemption of rights and remedies related to such activities undertaken during that period shall apply in all respects as it did the day before the date of enactment of the Classics Protection and Access Act."; and

Applicability.

Time period.

Applicability.

(2) by adding at the end the following:

17 USC prec. 1401.

"CHAPTER 14—UNAUTHORIZED USE OF PRE-1972 SOUND RECORDINGS

"Sec.
"1401. Unauthorized use of pre-1972 sound recordings.

17 USC 1401.

"§ 1401. Unauthorized use of pre-1972 sound recordings

"(a) IN GENERAL.—

"(1) UNAUTHORIZED ACTS.—Anyone who, on or before the last day of the applicable transition period under paragraph (2), and without the consent of the rights owner, engages in covered activity with respect to a sound recording fixed before February 15, 1972, shall be subject to the remedies provided in sections 502 through 505 and 1203 to the same extent as an infringer of copyright or a person that engages in unauthorized activity under chapter 12.

"(2) TERM OF PROHIBITION.—

"(A) IN GENERAL.—The prohibition under paragraph (1)—

"(i) subject to clause (ii), shall apply to a sound recording described in that paragraph—

"(I) through December 31 of the year that is 95 years after the year of first publication; and

"(II) for a further transition period as prescribed under subparagraph (B) of this paragraph; and

"(ii) shall not apply to any sound recording after February 15, 2067.

"(B) TRANSITION PERIODS.—

"(i) PRE-1923 RECORDINGS.—In the case of a sound recording first published before January 1, 1923, the transition period described in subparagraph (A)(i)(II) shall end on December 31 of the year that is 3 years after the date of enactment of this section.

"(ii) 1923–1946 RECORDINGS.—In the case of a sound recording first published during the period beginning on January 1, 1923, and ending on December 31, 1946, the transition period described in subparagraph (A)(i)(II) shall end on the date that is 5 years after the last day of the period described in subparagraph (A)(i)(I).

"(iii) 1947–1956 RECORDINGS.—In the case of a sound recording first published during the period beginning on January 1, 1947, and ending on December 31, 1956, the transition period described in subparagraph (A)(i)(II) shall end on the date that is 15 years after the last day of the period described in subparagraph (A)(i)(I).

"(iv) POST-1956 RECORDINGS.—In the case of a sound recording fixed before February 15, 1972, that is not described in clause (i), (ii), or (iii), the transition period described in subparagraph (A)(i)(II) shall end on February 15, 2067.

"(3) RULE OF CONSTRUCTION.—For the purposes of this subsection, the term 'anyone' includes any State, any instrumentality of a State, and any officer or employee of a State or instrumentality of a State acting in the official capacity of the officer or employee, as applicable. Definition.

"(b) CERTAIN AUTHORIZED TRANSMISSIONS AND REPRODUCTIONS.—A public performance by means of a digital audio transmission of a sound recording fixed before February 15, 1972, or a reproduction in an ephemeral phonorecord or copy of a sound recording fixed before February 15, 1972, shall, for purposes of subsection (a), be considered to be authorized and made with the consent of the rights owner if—

"(1) the transmission or reproduction would satisfy the requirements for statutory licensing under section 112(e)(1) or section 114(d)(2), or would be exempt under section 114(d)(1), as the case may be, if the sound recording were fixed on or after February 15, 1972; and

"(2) the transmitting entity pays the statutory royalty for the transmission or reproduction pursuant to the rates and terms adopted under sections 112(e) and 114(f), and complies with other obligations, in the same manner as required by regulations adopted by the Copyright Royalty Judges under sections 112(e) and 114(f) for sound recordings that are fixed on or after February 15, 1972, except in the case of a transmission that would be exempt under section 114(d)(1).

"(c) CERTAIN NONCOMMERCIAL USES OF SOUND RECORDINGS THAT ARE NOT BEING COMMERCIALLY EXPLOITED.—

"(1) IN GENERAL.—Noncommercial use of a sound recording fixed before February 15, 1972, that is not being commercially exploited by or under the authority of the rights owner shall not violate subsection (a) if—

"(A) the person engaging in the noncommercial use, in order to determine whether the sound recording is being commercially exploited by or under the authority of the rights owner, makes a good faith, reasonable search for, but does not find, the sound recording—

"(i) in the records of schedules filed in the Copyright Office as described in subsection (f)(5)(A); and

"(ii) on services offering a comprehensive set of sound recordings for sale or streaming;

"(B) the person engaging in the noncommercial use files a notice identifying the sound recording and the nature of the use in the Copyright Office in accordance with the regulations issued under paragraph (3)(B); and

Time period.

"(C) during the 90-day period beginning on the date on which the notice described in subparagraph (B) is indexed into the public records of the Copyright Office, the rights owner of the sound recording does not, in its discretion, opt out of the noncommercial use by filing notice thereof in the Copyright Office in accordance with the regulations issued under paragraph (5).

"(2) RULES OF CONSTRUCTION.—For purposes of this subsection—

"(A) merely recovering costs of production and distribution of a sound recording resulting from a use otherwise permitted under this subsection does not itself necessarily constitute a commercial use of the sound recording;

"(B) the fact that a person engaging in the use of a sound recording also engages in commercial activities does not itself necessarily render the use commercial; and

"(C) the fact that a person files notice of a noncommercial use of a sound recording in accordance with the regulations issued under paragraph (3)(B) does not itself affect any limitation on the exclusive rights of a copyright owner described in section 107, 108, 109, 110, or 112(f) as applied to a claim under subsection (a) of this section pursuant to subsection (f)(1)(A) of this section.

Deadline.
Regulations.

"(3) NOTICE OF COVERED ACTIVITY.—Not later than 180 days after the date of enactment of this section, the Register of Copyrights shall issue regulations that—

"(A) provide specific, reasonable steps that, if taken by a filer, are sufficient to constitute a good faith, reasonable search under paragraph (1)(A) to determine whether a recording is being commercially exploited, including the services that satisfy the good faith, reasonable search requirement under paragraph (1)(A) for purposes of the safe harbor described in paragraph (4)(A); and

"(B) establish the form, content, and procedures for the filing of notices under paragraph (1)(B).

"(4) SAFE HARBOR.—

"(A) IN GENERAL.—A person engaging in a noncommercial use of a sound recording otherwise permitted under this subsection who establishes that the person made a

good faith, reasonable search under paragraph (1)(A) without finding commercial exploitation of the sound recording by or under the authority of the rights owner shall not be found to be in violation of subsection (a).

"(B) STEPS SUFFICIENT BUT NOT NECESSARY.—Taking the specific, reasonable steps identified by the Register of Copyrights in the regulations issued under paragraph (3)(A) shall be sufficient, but not necessary, for a filer to satisfy the requirement to conduct a good faith, reasonable search under paragraph (1)(A) for purposes of subparagraph (A) of this paragraph.

"(5) OPTING OUT OF COVERED ACTIVITY.—

"(A) IN GENERAL.—Not later than 180 days after the date of enactment of this section, the Register of Copyrights shall issue regulations establishing the form, content, and procedures for the rights owner of a sound recording that is the subject of a notice under paragraph (1)(B) to, in its discretion, file notice opting out of the covered activity described in the notice under paragraph (1)(B) during the 90-day period beginning on the date on which the notice under paragraph (1)(B) is indexed into the public records of the Copyright Office.

Deadline. Regulations. Time period.

"(B) RULE OF CONSTRUCTION.—The fact that a rights holder opts out of a noncommercial use of a sound recording by filing notice thereof in the Copyright Office in accordance with the regulations issued under subparagraph (A) does not itself enlarge or diminish any limitation on the exclusive rights of a copyright owner described in section 107, 108, 109, 110, or 112(f) as applied to a claim under subsection (a) of this section pursuant to subsection (f)(1)(A) of this section.

"(6) CIVIL PENALTIES FOR CERTAIN ACTS.—

"(A) FILING OF NOTICES OF NONCOMMERCIAL USE.—Any person who willfully engages in a pattern or practice of filing a notice of noncommercial use of a sound recording as described in paragraph (1)(B) fraudulently describing the use proposed, or knowing that the use proposed is not permitted under this subsection, shall be assessed a civil penalty in an amount that is not less than $250, and not more than $1000, for each such notice, in addition to any other remedies that may be available under this title based on the actual use made.

"(B) FILING OF OPT-OUT NOTICES.—

"(i) IN GENERAL.—Any person who files an opt-out notice as described in paragraph (1)(C), knowing that the person is not the rights owner or authorized to act on behalf of the rights owner of the sound recording to which the notice pertains, shall be assessed a civil penalty in an amount not less than $250, and not more than $1,000, for each such notice.

"(ii) PATTERN OR PRACTICE.—Any person who engages in a pattern or practice of making filings as described in clause (i) shall be assessed a civil penalty in an amount not less than $10,000 for each such filing.

"(C) DEFINITION.—For purposes of this paragraph, the term 'knowing'—

"(i) does not require specific intent to defraud; and

"(ii) with respect to information about ownership of the sound recording in question, means that the person—

"(I) has actual knowledge of the information;

"(II) acts in deliberate ignorance of the truth or falsity of the information; or

"(III) acts in grossly negligent disregard of the truth or falsity of the information.

"(d) PAYMENT OF ROYALTIES FOR TRANSMISSIONS OF PERFORMANCES BY DIRECT LICENSING OF STATUTORY SERVICES.—

"(1) IN GENERAL.—A public performance by means of a digital audio transmission of a sound recording fixed before February 15, 1972, shall, for purposes of subsection (a), be considered to be authorized and made with the consent of the rights owner if the transmission is made pursuant to a license agreement voluntarily negotiated at any time between the rights owner and the entity performing the sound recording.

"(2) PAYMENT OF ROYALTIES TO NONPROFIT COLLECTIVE UNDER CERTAIN LICENSE AGREEMENTS.—

"(A) LICENSES ENTERED INTO ON OR AFTER DATE OF ENACTMENT.—To the extent that a license agreement described in paragraph (1) entered into on or after the date of enactment of this section extends to a public performance by means of a digital audio transmission of a sound recording fixed before February 15, 1972, that meets the conditions of subsection (b)—

"(i) the licensee shall, with respect to such transmission, pay to the collective designated to distribute receipts from the licensing of transmissions in accordance with section 114(f), 50 percent of the performance royalties for that transmission due under the license; and

"(ii) the royalties paid under clause (i) shall be fully credited as payments due under the license.

Time periods.

"(B) CERTAIN AGREEMENTS ENTERED INTO BEFORE ENACTMENT.—To the extent that a license agreement described in paragraph (1), entered into during the period beginning on January 1 of the year in which this section is enacted and ending on the day before the date of enactment of this section, or a settlement agreement with a preexisting satellite digital audio radio service (as defined in section 114(j)) entered into during the period beginning on January 1, 2015, and ending on the day before the date of enactment of this section, extends to a public performance by means of a digital audio transmission of a sound recording fixed before February 15, 1972, that meets the conditions of subsection (b)—

"(i) the rights owner shall, with respect to such transmission, pay to the collective designated to distribute receipts from the licensing of transmissions in accordance with section 114(f) an amount that is equal to the difference between—

"(I) 50 percent of the difference between—

"(aa) the rights owner's total gross performance royalty fee receipts or settlement

monies received for all such transmissions covered under the license or settlement agreement, as applicable; and

"(bb) the rights owner's total payments for outside legal expenses, including any payments of third-party claims, that are directly attributable to the license or settlement agreement, as applicable; and

"(II) the amount of any royalty receipts or settlement monies under the agreement that are distributed by the rights owner to featured and nonfeatured artists before the date of enactment of this section; and

"(ii) the royalties paid under clause (i) shall be fully credited as payments due under the license or settlement agreement, as applicable.

"(3) DISTRIBUTION OF ROYALTIES AND SETTLEMENT MONIES BY COLLECTIVE.—The collective described in paragraph (2) shall, in accordance with subparagraphs (B) through (D) of section 114(g)(2), and paragraphs (5) and (6) of section 114(g), distribute the royalties or settlement monies received under paragraph (2) under a license or settlement described in paragraph (2), which shall be the only payments to which featured and nonfeatured artists are entitled by virtue of the transmissions described in paragraph (2), except for settlement monies described in paragraph (2) that are distributed by the rights owner to featured and nonfeatured artists before the date of enactment of this section.

"(4) PAYMENT OF ROYALTIES UNDER LICENSE AGREEMENTS ENTERED BEFORE ENACTMENT OR NOT OTHERWISE DESCRIBED IN PARAGRAPH (2).—

"(A) IN GENERAL.—To the extent that a license agreement described in paragraph (1) entered into before the date of enactment of this section, or any other license agreement not as described in paragraph (2), extends to a public performance by means of a digital audio transmission of a sound recording fixed before February 15, 1972, that meets the conditions of subsection (b), the payments made by the licensee pursuant to the license shall be made in accordance with the agreement.

"(B) ADDITIONAL PAYMENTS NOT REQUIRED.—To the extent that a licensee has made, or will make in the future, payments pursuant to a license as described in subparagraph (A), the provisions of paragraphs (2) and (3) shall not require any additional payments from, or additional financial obligations on the part of, the licensee.

"(C) RULE OF CONSTRUCTION.—Nothing in this subsection may be construed to prohibit the collective designated to distribute receipts from the licensing of transmissions in accordance with section 114(f) from administering royalty payments under any license not described in paragraph (2).

"(e) PREEMPTION WITH RESPECT TO CERTAIN PAST ACTS.—

"(1) IN GENERAL.—This section preempts any claim of common law copyright or equivalent right under the laws of

any State arising from a digital audio transmission or reproduction that is made before the date of enactment of this section of a sound recording fixed before February 15, 1972, if—

"(A) the digital audio transmission would have satisfied the requirements for statutory licensing under section 114(d)(2) or been exempt under section 114(d)(1), or the reproduction would have satisfied the requirements of section 112(e)(1), as the case may be, if the sound recording were fixed on or after February 15, 1972; and

"(B) either—

Deadline.
Notice.

"(i) except in the case of a transmission that would have been exempt under section 114(d)(1), not later than 270 days after the date of enactment of this section, the transmitting entity pays statutory royalties and provides notice of the use of the relevant sound recordings in the same manner as required by regulations adopted by the Copyright Royalty Judges for sound recordings that are fixed on or after February 15, 1972, for all the digital audio transmissions and reproductions satisfying the requirements for statutory licensing under sections 112(e)(1) and 114(d)(2) during the 3 years before that date of enactment; or

"(ii) an agreement voluntarily negotiated between the rights owner and the entity performing the sound recording (including a litigation settlement agreement entered into before the date of enactment of this section) authorizes or waives liability for any such transmission or reproduction and the transmitting entity has paid for and reported such digital audio transmission under that agreement.

"(2) RULE OF CONSTRUCTION FOR COMMON LAW COPYRIGHT.—For purposes of paragraph (1), a claim of common law copyright or equivalent right under the laws of any State includes a claim that characterizes conduct subject to that paragraph as an unlawful distribution, act of record piracy, or similar violation.

"(3) RULE OF CONSTRUCTION FOR PUBLIC PERFORMANCE RIGHTS.—Nothing in this section may be construed to recognize or negate the existence of public performance rights in sound recordings under the laws of any State.

Applicability.

"(f) LIMITATIONS ON REMEDIES.—

"(1) FAIR USE; USES BY LIBRARIES, ARCHIVES, AND EDUCATIONAL INSTITUTIONS.—

"(A) IN GENERAL.—The limitations on the exclusive rights of a copyright owner described in sections 107, 108, 109, 110, and 112(f) shall apply to a claim under subsection (a) with respect to a sound recording fixed before February 15, 1972.

"(B) RULE OF CONSTRUCTION FOR SECTION 108(H).—With respect to the application of section 108(h) to a claim under subsection (a) with respect to a sound recording fixed before February 15, 1972, the phrase 'during the last 20 years of any term of copyright of a published work' in such section 108(h) shall be construed to mean at any time after the date of enactment of this section.

"(2) ACTIONS.—The limitations on actions described in section 507 shall apply to a claim under subsection (a) with respect to a sound recording fixed before February 15, 1972.

"(3) MATERIAL ONLINE.—Section 512 shall apply to a claim under subsection (a) with respect to a sound recording fixed before February 15, 1972.

"(4) PRINCIPLES OF EQUITY.—Principles of equity apply to remedies for a violation of this section to the same extent as such principles apply to remedies for infringement of copyright.

"(5) FILING REQUIREMENT FOR STATUTORY DAMAGES AND ATTORNEYS' FEES.—

"(A) FILING OF INFORMATION ON SOUND RECORDINGS.—

"(i) FILING REQUIREMENT.—Except in the case of a transmitting entity that has filed contact information for that transmitting entity under subparagraph (B), in any action under this section, an award of statutory damages or of attorneys' fees under section 504 or 505 may be made with respect to an unauthorized use of a sound recording under subsection (a) only if—

"(I) the rights owner has filed with the Copyright Office a schedule that specifies the title, artist, and rights owner of the sound recording and contains such other information, as practicable, as the Register of Copyrights prescribes by regulation; and Schedule.

"(II) the use occurs after the end of the 90-day period beginning on the date on which the information described in subclause (I) is indexed into the public records of the Copyright Office. Time period.

"(ii) REGULATIONS.—Not later than 180 days after the date of enactment of this section, the Register of Copyrights shall issue regulations that— Deadline.

"(I) establish the form, content, and procedures for the filing of schedules under clause (i);

"(II) provide that a person may request that the person receive timely notification of a filing described in subclause (I); and

"(III) set forth the manner in which a person may make a request under subclause (II).

"(B) FILING OF CONTACT INFORMATION FOR TRANSMITTING ENTITIES.—

"(i) FILING REQUIREMENT.—Not later than 30 days after the date of enactment of this section, the Register of Copyrights shall issue regulations establishing the form, content, and procedures for the filing of contact information by any entity that, as of the date of enactment of this section, performs a sound recording fixed before February 15, 1972, by means of a digital audio transmission. Deadline. Regulations.

"(ii) TIME LIMIT ON FILINGS.—The Register of Copyrights may accept filings under clause (i) only until the 180th day after the date of enactment of this section.

"(iii) LIMITATION ON STATUTORY DAMAGES AND ATTORNEYS' FEES.—

Time period.
Notice.

"(I) LIMITATION.—An award of statutory damages or of attorneys' fees under section 504 or 505 may not be made against an entity that has filed contact information for that entity under clause (i) with respect to an unauthorized use by that entity of a sound recording under subsection (a) if the use occurs before the end of the 90-day period beginning on the date on which the entity receives a notice that—

"(aa) is sent by or on behalf of the rights owner of the sound recording;

"(bb) states that the entity is not legally authorized to use that sound recording under subsection (a); and

"(cc) identifies the sound recording in a schedule conforming to the requirements prescribed by the regulations issued under subparagraph (A)(ii).

"(II) UNDELIVERABLE NOTICES.—In any case in which a notice under subclause (I) is sent to an entity by mail or courier service and the notice is returned to the sender because the entity either is no longer located at the address provided in the contact information filed under clause (i) or has refused to accept delivery, or the notice is sent by electronic mail and is undeliverable, the 90-day period under subclause (I) shall begin on the date of the attempted delivery.

"(C) SECTION 412.—Section 412 shall not limit an award of statutory damages under section 504(c) or attorneys' fees under section 505 with respect to a covered activity in violation of subsection (a).

"(6) APPLICABILITY OF OTHER PROVISIONS.—

"(A) IN GENERAL.—Subject to subparagraph (B), no provision of this title shall apply to or limit the remedies available under this section except as otherwise provided in this section.

"(B) APPLICABILITY OF DEFINITIONS.—Any term used in this section that is defined in section 101 shall have the meaning given that term in section 101.

"(g) APPLICATION OF SECTION 230 SAFE HARBOR.—For purposes of section 230 of the Communications Act of 1934 (47 U.S.C. 230), subsection (a) shall be considered to be a 'law pertaining to intellectual property' under subsection (e)(2) of such section 230.

"(h) APPLICATION TO RIGHTS OWNERS.—

"(1) TRANSFERS.—With respect to a rights owner described in subsection (l)(2)(B)—

"(A) subsections (d) and (e) of section 201 and section 204 shall apply to a transfer described in subsection (l)(2)(B) to the same extent as with respect to a transfer of copyright ownership; and

"(B) notwithstanding section 411, that rights owner may institute an action with respect to a violation of this section to the same extent as the owner of an exclusive right under a copyright may institute an action under section 501(b).

"(2) APPLICATION OF OTHER PROVISIONS.—The following provisions shall apply to a rights owner under this section to the same extent as any copyright owner:

"(A) Section 112(e)(2).

"(B) Section 112(e)(7).

"(C) Section 114(e).

"(D) Section 114(h).

"(i) EPHEMERAL RECORDINGS.—An authorized reproduction made under this section shall be subject to section 112(g) to the same extent as a reproduction of a sound recording fixed on or after February 15, 1972.

"(j) RULE OF CONSTRUCTION.—A rights owner of, or featured recording artist who performs on, a sound recording under this chapter shall be deemed to be an interested copyright party, as defined in section 1001, to the same extent as a copyright owner or featured recording artist under chapter 10.

"(k) TREATMENT OF STATES AND STATE INSTRUMENTALITIES, OFFICERS, AND EMPLOYEES.—Any State, and any instrumentality, officer, or employee described in subsection (a)(3), shall be subject to the provisions of this section in the same manner and to the same extent as any nongovernmental entity.

"(l) DEFINITIONS.—In this section:

"(1) COVERED ACTIVITY.—The term 'covered activity' means any activity that the copyright owner of a sound recording would have the exclusive right to do or authorize under section 106 or 602, or that would violate section 1201 or 1202, if the sound recording were fixed on or after February 15, 1972.

"(2) RIGHTS OWNER.—The term 'rights owner' means—

"(A) the person that has the exclusive right to reproduce a sound recording under the laws of any State, as of the day before the date of enactment of this section; or

"(B) any person to which a right to enforce a violation of this section may be transferred, in whole or in part, after the date of enactment of this section, under—

"(i) subsections (d) and (e) of section 201; and

"(ii) section 204.".

(b) CONFORMING AMENDMENT.—The table of chapters for title 17, United States Code, is amended by adding at the end the following:

17 USC prec. 101.

"14. Unauthorized use of pre-1972 sound recordings ..... 1401".

TITLE III—ALLOCATION FOR MUSIC PRODUCERS

Allocation for Music Producers Act.

SEC. 301. SHORT TITLE.

17 USC 101 note.

This title may be cited as the "Allocation for Music Producers Act" or the "AMP Act".

SEC. 302. PAYMENT OF STATUTORY PERFORMANCE ROYALTIES.

(a) LETTER OF DIRECTION.—Section 114(g) of title 17, United States Code, is amended by adding at the end the following:

"(5) LETTER OF DIRECTION.—

"(A) IN GENERAL.—A nonprofit collective designated by the Copyright Royalty Judges to distribute receipts from the licensing of transmissions in accordance with subsection

Policy.

(f) shall adopt and reasonably implement a policy that provides, in circumstances determined by the collective to be appropriate, for acceptance of instructions from a payee identified under subparagraph (A) or (D) of paragraph (2) to distribute, to a producer, mixer, or sound engineer who was part of the creative process that created a sound recording, a portion of the payments to which the payee would otherwise be entitled from the licensing of transmissions of the sound recording. In this section, such instructions shall be referred to as a 'letter of direction'.

"(B) ACCEPTANCE OF LETTER.—To the extent that a collective described in subparagraph (A) accepts a letter of direction under that subparagraph, the person entitled to payment pursuant to the letter of direction shall, during the period in which the letter of direction is in effect and carried out by the collective, be treated for all purposes as the owner of the right to receive such payment, and the payee providing the letter of direction to the collective shall be treated as having no interest in such payment.

"(C) AUTHORITY OF COLLECTIVE.—This paragraph shall not be construed in such a manner so that the collective is not authorized to accept or act upon payment instructions in circumstances other than those to which this paragraph applies.".

(b) ADDITIONAL PROVISIONS FOR RECORDINGS FIXED BEFORE NOVEMBER 1, 1995.—Section 114(g) of title 17, United States Code, as amended by subsection (a), is further amended by adding at the end the following:

"(6) SOUND RECORDINGS FIXED BEFORE NOVEMBER 1, 1995.—

"(A) PAYMENT ABSENT LETTER OF DIRECTION.—A nonprofit collective designated by the Copyright Royalty Judges to distribute receipts from the licensing of transmissions in accordance with subsection (f) (in this paragraph referred to as the 'collective') shall adopt and reasonably implement a policy that provides, in circumstances determined by the collective to be appropriate, for the deduction of 2 percent of all the receipts that are collected from the licensing of transmissions of a sound recording fixed before November 1, 1995, but which is withdrawn from the amount otherwise payable under paragraph (2)(D) to the recording artist or artists featured on the sound recording (or the persons conveying rights in the artists' performance in the sound recording), and the distribution of such amount to 1 or more persons described in subparagraph (B) of this paragraph, after deduction of costs described in paragraph (3) or (4), as applicable, if each of the following requirements is met:

Time periods.

"(i) CERTIFICATION OF ATTEMPT TO OBTAIN A LETTER OF DIRECTION.—The person described in subparagraph (B) who is to receive the distribution has certified to the collective, under penalty of perjury, that—

"(I) for a period of not less than 120 days, that person made reasonable efforts to contact the artist payee for such sound recording to request and obtain a letter of direction instructing the collective to pay to that person a portion of the

royalties payable to the featured recording artist or artists; and

"(II) during the period beginning on the date on which that person began the reasonable efforts described in subclause (I) and ending on the date of that person's certification to the collective, the artist payee did not affirm or deny in writing the request for a letter of direction.

"(ii) COLLECTIVE ATTEMPT TO CONTACT ARTIST.— Time period.
After receipt of the certification described in clause (i) and for a period of not less than 120 days before the first distribution by the collective to the person described in subparagraph (B), the collective attempts, in a reasonable manner as determined by the collective, to notify the artist payee of the certification made by the person described in subparagraph (B).

"(iii) NO OBJECTION RECEIVED.—The artist payee Time period.
does not, as of the date that was 10 business days before the date on which the first distribution is made, submit to the collective in writing an objection to the distribution.

"(B) ELIGIBILITY FOR PAYMENT.—A person shall be eligible for payment under subparagraph (A) if the person—

"(i) is a producer, mixer, or sound engineer of the sound recording;

"(ii) has entered into a written contract with a Contracts.
record company involved in the creation or lawful exploitation of the sound recording, or with the recording artist or artists featured on the sound recording (or the persons conveying rights in the artists' performance in the sound recording), under which the person seeking payment is entitled to participate in royalty payments that are based on the exploitation of the sound recording and are payable from royalties otherwise payable to the recording artist or artists featured on the sound recording (or the persons conveying rights in the artists' performance in the sound recording);

"(iii) made a creative contribution to the creation of the sound recording; and

"(iv) submits to the collective—

"(I) a written certification stating, under pen- Certification.
alty of perjury, that the person meets the requirements in clauses (i) through (iii); and

"(II) a true copy of the contract described in clause (ii).

"(C) MULTIPLE CERTIFICATIONS.—Subject to subpara- Time period.
graph (D), in a case in which more than 1 person described in subparagraph (B) has met the requirements for a distribution under subparagraph (A) with respect to a sound recording as of the date that is 10 business days before the date on which the distribution is made, the collective shall divide the 2 percent distribution equally among all such persons.

"(D) OBJECTION TO PAYMENT.—Not later than 10 busi- Deadline.
ness days after the date on which the collective receives from the artist payee a written objection to a distribution

made pursuant to subparagraph (A), the collective shall cease making any further payment relating to such distribution. In any case in which the collective has made 1 or more distributions pursuant to subparagraph (A) to a person described in subparagraph (B) before the date that is 10 business days after the date on which the collective receives from the artist payee an objection to such distribution, the objection shall not affect that person's entitlement to any distribution made before the collective ceases such distribution under this subparagraph.

"(E) OWNERSHIP OF THE RIGHT TO RECEIVE PAYMENTS.—To the extent that the collective determines that a distribution will be made under subparagraph (A) to a person described in subparagraph (B), such person shall, during the period covered by such distribution, be treated for all purposes as the owner of the right to receive such payments, and the artist payee to whom such payments would otherwise be payable shall be treated as having no interest in such payments.

"(F) ARTIST PAYEE DEFINED.—In this paragraph, the term 'artist payee' means a person, other than a person described in subparagraph (B), who owns the right to receive all or part of the receipts payable under paragraph (2)(D) with respect to a sound recording. In a case in which there are multiple artist payees with respect to a sound recording, an objection by 1 such payee shall apply only to that payee's share of the receipts payable under paragraph (2)(D), and shall not preclude payment under subparagraph (A) from the share of an artist payee that does not so object.".

(c) TECHNICAL AND CONFORMING AMENDMENTS.—Section 114(g) of title 17, United States Code, as amended by subsections (a) and (b), is further amended—

(1) in paragraph (2), by striking "An agent designated" and inserting "Except as provided for in paragraph (6), a nonprofit collective designated by the Copyright Royalty Judges";

(2) in paragraph (3)—

(A) by striking "nonprofit agent designated" and inserting "nonprofit collective designated by the Copyright Royalty Judges";

(B) by striking "another designated agent" and inserting "another designated nonprofit collective"; and

(C) by striking "agent" and inserting "collective" each subsequent place it appears;

(3) in paragraph (4)—

(A) by striking "designated agent" and inserting "nonprofit collective"; and

(B) by striking "agent" and inserting "collective" each subsequent place it appears; and

(4) by adding at the end the following:

"(7) PREEMPTION OF STATE PROPERTY LAWS.—The holding and distribution of receipts under section 112 and this section by a nonprofit collective designated by the Copyright Royalty Judges in accordance with this subsection and regulations adopted by the Copyright Royalty Judges, or by an independent administrator pursuant to subparagraphs (B) and (C) of section 114(g)(2), shall supersede and preempt any State law (including

common law) concerning escheatment or abandoned property, or any analogous provision, that might otherwise apply.".

SEC. 303. EFFECTIVE DATE. 17 USC 114 note.

(a) IN GENERAL.—Except as provided in subsection (b), this title and the amendments made by this title shall take effect on the date of enactment of this Act.

(b) DELAYED EFFECTIVE DATE.—Paragraphs (5)(B) and (6)(E) of section 114(g) of title 17, United States Code, as added by section 302, shall take effect on January 1, 2020.

TITLE IV—SEVERABILITY

SEC. 401. SEVERABILITY. 17 USC 114 note.

If any provision of this Act or any amendment made by this Act, or any application of such provision or amendment to any person or circumstance, is held to be unconstitutional, the remainder of the provisions of this Act and the amendments made by this Act, and the application of the provision or amendment to any other person or circumstance, shall not be affected.

115th Congress

An Act

Oct. 11, 2018
[S. 3508]

To reauthorize and amend the Marine Debris Act to promote international action to reduce marine debris, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

Save Our Seas Act of 2018.
46 USC 101 note.

SECTION 1. SHORT TITLE.

This Act may be cited as the "Save Our Seas Act of 2018".

TITLE I—MARINE DEBRIS

SEC. 101. NOAA MARINE DEBRIS PROGRAM.

Section 3 of the Marine Debris Act (33 U.S.C. 1952) is amended—

(1) in subsection (b)—

(A) in paragraph (4), by striking "; and" and inserting a semicolon;

(B) in paragraph (5)(C), by striking the period at the end and inserting a semicolon; and

(C) by adding at the end the following:

Strategies.

"(6) work to develop outreach and education strategies with other Federal agencies to address sources of marine debris;

Consultation.

"(7) except for discharges of marine debris from vessels, in consultation with the Department of State and other Federal agencies, promote international action, as appropriate, to reduce the incidence of marine debris, including providing technical assistance to expand waste management systems internationally; and

"(8) in the case of an event determined to be a severe marine debris event under subsection (c)—

"(A) assist in the cleanup and response required by the severe marine debris event; or

Determination.

"(B) conduct such other activity as the Administrator determines is appropriate in response to the severe marine debris event.";

(2) by redesignating subsection (c) as subsection (d);

(3) by inserting after subsection (b) the following:

Determination.

"(c) SEVERE MARINE DEBRIS EVENTS.—At the discretion of the Administrator or at the request of the Governor of an affected State, the Administrator shall determine whether there is a severe marine debris event."; and

(4) in subsection (d)(2), as redesignated—

(A) in subparagraph (A), by striking "subparagraph (B)" and inserting "subparagraphs (B) and (C)"; and

(B) by adding at the end the following:

"(C) SEVERE MARINE DEBRIS EVENTS.—Notwithstanding subparagraph (A), the Federal share of the cost of an activity carried out under a determination made under subsection (c) shall be—

"(i) 100 percent of the cost of the activity, for an activity funded wholly by funds made available by a person, including the government of a foreign country, to the Federal Government for the purpose of responding to a severe marine debris event; or

"(ii) 75 percent of the cost of the activity, for any activity other than an activity funded as described in clause (i).".

SEC. 102. SENSE OF CONGRESS ON INTERNATIONAL ENGAGEMENT TO RESPOND TO MARINE DEBRIS.

It is the sense of Congress that the President should—

(1) support research and development on systems and materials that reduce—

(A) derelict fishing gear; and

(B) the amount of solid waste that is generated from land-based sources and the amount of such waste that enters the marine environment;

(2) work with representatives of foreign countries that discharge the largest amounts of solid waste from land-based sources into the marine environment, to develop mechanisms to reduce such discharges;

(3) carry out studies to determine—

(A) the primary means of discharges referred to in paragraph (2);

(B) the manner in which waste management infrastructure can be most effective in preventing such discharges; and

(C) the long-term impacts of marine debris on the national economies of the countries with which work is undertaken under paragraph (2) and on the global economy, including the impacts of reducing the discharge of such debris;

(4) work with representatives of the countries with which work is undertaken in paragraph (2) to conclude one or more new international agreements that include provisions—

(A) to mitigate the discharge of land-based solid waste into the marine environment; and

(B) to provide technical assistance and investment in waste management infrastructure to reduce such discharges, if the President determines such assistance or investment is appropriate; and

(5) encourage the United States Trade Representative to consider the impact of discharges of land-based solid waste from the countries with which work is conducted under paragraph (2) in relevant future trade agreements.

SEC. 103. SENSE OF CONGRESS SUPPORTING GREAT LAKES LAND-BASED MARINE DEBRIS ACTION PLAN.

It is the sense of Congress that the Great Lakes Land-Based Marine Debris Action Plan (NOAA Technical Memorandum NOS–OR&R–49) is vital to the ongoing efforts to clean up the Great

Lakes Region and getting rid of harmful debris, such as microplastics, abandoned vessels, and other forms of pollution that are threatening the survival of native marine animals and damaging the Great Lakes' recreation and tourism economy.

SEC. 104. MEMBERSHIP OF THE INTERAGENCY MARINE DEBRIS COORDINATING COMMITTEE.

Section 5(b) of the Marine Debris Act (33 U.S.C. 1954(b)) is amended—

(1) in paragraph (4), by striking "; and" and inserting a semicolon;

(2) by redesignating paragraph (5) as paragraph (7); and

(3) by inserting after paragraph (4) the following:

"(5) the Department of State;

"(6) the Department of the Interior; and".

SEC. 105. AUTHORIZATION OF APPROPRIATIONS.

Section 9 of the Marine Debris Act (33 U.S.C. 1958) is amended to read as follows:

"SEC. 9. AUTHORIZATION OF APPROPRIATIONS.

"(a) IN GENERAL.—There is authorized to be appropriated to the Administrator $10,000,000 for each of fiscal years 2018 through 2022 for carrying out sections 3, 5, and 6, of which not more than 5 percent is authorized for each fiscal year for administrative costs.

"(b) AMOUNTS AUTHORIZED FOR COAST GUARD.—Of the amounts authorized for each fiscal year under section 2702(1) of title 14, United States Code, up to $2,000,000 is authorized for the Secretary of the department in which the Coast Guard is operating for use by the Commandant of the Coast Guard to carry out section 4 of this Act, of which not more than 5 percent is authorized for each fiscal year for administrative costs.".

TITLE II—MARITIME SAFETY

Hamm Alert Maritime Safety Act of 2018.
46 USC 101 note.

SEC. 201. SHORT TITLE.

This title may be cited as the "Hamm Alert Maritime Safety Act of 2018".

SEC. 202. FINDINGS.

Congress finds the following:

(1) On September 29, 2015, the SS El Faro cargo vessel left Jacksonville, Florida bound for San Juan, Puerto Rico, carrying 391 shipping containers, 294 trailers and cars, and a crew of 33 people, including 28 Americans.

(2) On the morning of October 1, the El Faro sent its final communication reporting that the engines were disabled and the ship was listing, leaving the ship directly in the path of Hurricane Joaquin and resulting in the sinking of the vessel and the loss of all 33 lives.

(3) The National Transportation Safety Board and the Coast Guard made recommendations to address safety issues, such as improving weather information and training, improving planning and response to severe weather, reviewing the Coast Guard's program delegating vessel inspections to third-party organizations to assess the effectiveness of the program, and

improving alerts and equipment on the vessels, among other recommendations.

(4) Safety issues are not limited to the El Faro. For 2017, over 21,000 deficiencies were issued to United States commercial vessels and more than 2,500 U.S. vessels were issued "no-sail" requirements.

(5) The maritime industry, particularly the men and women of the United States merchant marine, play a vital and important role to the national security and economy of our country, and a strong safety regime is necessary to ensure the vitality of the industry and the protection of current and future mariners, and to honor lost mariners.

SEC. 203. DEFINITIONS.

46 USC 2101 note.

In this title:

(1) COMMANDANT.—The term "Commandant" means the Commandant of the Coast Guard.

(2) RECOGNIZED ORGANIZATION.—The term "recognized organization" has the meaning given that term in section 2.45–1 of title 46, Code of Federal Regulations, as in effect on the date of the enactment of this Act.

Water Resources Development Act of 2018.

TITLE I—WATER RESOURCES DEVELOPMENT

33 USC 2201 note.

SEC. 101. SHORT TITLE.

This title may be cited as the "Water Resources Development Act of 2018".

33 USC 2201 note.

SEC. 102. SECRETARY DEFINED.

In this title, the term "Secretary" means the Secretary of the Army.

Subtitle A—General Provisions

SEC. 1101. SENSE OF CONGRESS REGARDING WATER RESOURCES DEVELOPMENT BILLS.

It is the sense of Congress that, because the missions of the Corps of Engineers for navigation, flood control, beach erosion control and shoreline protection, hydroelectric power, recreation, water supply, environmental protection, restoration, and enhancement, and fish and wildlife mitigation benefit all Americans, and because water resources development projects are critical to maintaining the country's economic prosperity, national security, and environmental protection, Congress should consider a water resources development bill not less often than once every Congress.

SEC. 1102. STUDY OF THE FUTURE OF THE UNITED STATES ARMY CORPS OF ENGINEERS.

(a) IN GENERAL.—The Secretary shall enter into an agreement with the National Academy of Sciences to convene a committee of experts to carry out a comprehensive study on—

(1) the ability of the Corps of Engineers to carry out its statutory missions and responsibilities, and the potential effects of transferring the functions (including regulatory obligations), personnel, assets, and civilian staff responsibilities of the Secretary relating to civil works from the Department of Defense to a new or existing agency or subagency of the Federal Government, including how such a transfer might affect the Federal Government's ability to meet the current statutory missions and responsibilities of the Corps of Engineers; and

Recommendations.

(2) improving the Corps of Engineers' project delivery processes, including recommendations for such improvements, taking into account factors including—

(A) the effect of the annual appropriations process on the ability of the Corps of Engineers to efficiently secure and carry out contracts for water resources development projects and perform regulatory obligations;

(B) the effect that the current Corps of Engineers leadership and geographic structure at the division and district levels has on its ability to carry out its missions in a cost-effective manner; and

(C) the effect of the frequency of rotations of senior leaders of the Corps of Engineers and how such frequency affects the function of the district.

(b) CONSIDERATIONS.—The study carried out under subsection (a) shall include consideration of—

(1) effects on the national security of the United States;

(2) the ability of the Corps of Engineers to maintain sufficient engineering capability and capacity to assist ongoing and future operations of the United States armed services;

(3) emergency and natural disaster response obligations of the Federal Government that are carried out by the Corps of Engineers; and

(4) the ability of the Corps of Engineers to increase efficiency, coordination, transparency, and cost savings of the project delivery process.

Reports.

(c) SUBMISSION TO CONGRESS.—The Secretary shall submit the final report of the National Academy containing the findings of

the study carried out under subsection (a) to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Environment and Public Works of the Senate not later than 2 years after the date of enactment of this Act.

(d) CONGRESSIONAL APPROVAL.—The Secretary may not implement the findings of the study carried out under subsection (a) unless expressly authorized by Congress.

SEC. 1103. STUDY ON ECONOMIC AND BUDGETARY ANALYSES.

Deadline.

(a) IN GENERAL.—Not later than 180 days after the date of enactment of this Act, the Secretary shall enter into an agreement with the National Academy of Sciences to—

(1) carry out a study on the economic principles and analytical methodologies currently used by or applied to the Corps of Engineers to formulate, evaluate, and budget for water resources development projects; and

Recommendations.

(2) make recommendations to Congress on potential changes to such principles and methodologies to improve transparency, return on Federal investment, cost savings, and prioritization, in the formulation, evaluation, and budgeting of such projects.

Analyses.

(b) CONSIDERATIONS.—The study under subsection (a) shall include—

(1) an analysis of the current economic principles and analytical methodologies used by or applied to the Corps of Engineers in determining the total benefits and total costs during the formulation of, and plan selection for, a water resources development project;

(2) an analysis of improvements or alternatives to how the Corps of Engineers utilizes the National Economic Development, Regional Economic Development, Environmental Quality, and Other Social Effects accounts developed by the Institute for Water Resources of the Corps of Engineers in the formulation of, and plan selection for, such projects;

(3) an analysis of whether such principles and methodologies fully account for all of the potential benefits of project alternatives, including any reasonably associated benefits of such alternatives that are not contrary to law, Federal policy, or sound water resources management;

(4) an analysis of whether such principles and methodologies fully account for all of the costs of project alternatives, including potential societal costs, such as lost ecosystem services, and full lifecycle costs for such alternatives;

(5) an analysis of the methodologies utilized by the Federal Government in setting and applying discount rates for benefit-cost analyses used in the formulation, evaluation, and budgeting of Corps of Engineers water resources development projects;

(6) an analysis of whether or not the Corps of Engineers—

(A) considers cumulative benefits of locally developed projects, including Master Plans approved by the Corps; and

(B) uses the benefits referred to in subparagraph (A) for purposes of benefit-cost analysis for project justification for potential projects within such Master Plans; and

(7) consideration of the report submitted under section 1204, if that report is submitted prior to completion of the study under this section.

(c) PUBLICATION.—The agreement entered into under subsection (a) shall require the National Academy of Sciences to, not later than 30 days after the completion of the study—

(1) submit a report containing the results of the study and the recommendations to the Committee on Environment and Public Works of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives; and

Reports. Recommendations.

(2) make a copy of such report available on a publicly accessible website.

Web posting.

SEC. 1104. DISSEMINATION OF INFORMATION.

33 USC 2282d note.

(a) FINDINGS.—Congress finds the following:

(1) Congress plays a central role in identifying, prioritizing, and authorizing vital water resources infrastructure activities throughout the United States.

(2) The Water Resources Reform and Development Act of 2014 (Public Law 113–121) established a new and transparent process to review and prioritize the water resources development activities of the Corps of Engineers with strong congressional oversight.

(3) Section 7001 of the Water Resources Reform and Development Act of 2014 (33 U.S.C. 2282d) requires the Secretary to develop and submit to Congress each year a Report to Congress on Future Water Resources Development and, as part of the annual report process, to—

(A) publish a notice in the Federal Register that requests from non-Federal interests proposed feasibility studies and proposed modifications to authorized water resources development projects and feasibility studies for inclusion in the report; and

(B) review the proposals submitted and include in the report those proposed feasibility studies and proposed modifications that meet the criteria for inclusion established under such section 7001.

(4) Congress will use the information provided in the annual Report to Congress on Future Water Resources Development to determine authorization needs and priorities for purposes of water resources development legislation.

(5) To ensure that Congress can gain a thorough understanding of the water resources development needs and priorities of the United States, it is important that the Secretary take sufficient steps to ensure that non-Federal interests are made aware of the new annual report process, including the need for non-Federal interests to submit proposals during the Secretary's annual request for proposals in order for such proposals to be eligible for consideration by Congress.

(b) DISSEMINATION OF PROCESS INFORMATION.—The Secretary shall develop, support, and implement education and awareness efforts for non-Federal interests with respect to the annual Report to Congress on Future Water Resources Development required under section 7001 of the Water Resources Reform and Development Act of 2014 (33 U.S.C. 2282d), including efforts to—

(1) develop and disseminate technical assistance materials, seminars, and guidance on the annual process as it relates to non-Federal interests;

Notice.

(2) provide written notice to local elected officials and previous and potential non-Federal interests on the annual process and on opportunities to address local water resources challenges through the missions and authorities of the Corps of Engineers;

Guidance.

(3) issue guidance for non-Federal interests to assist such interests in developing proposals for water resources development projects that satisfy the requirements of such section 7001; and

(4) provide, at the request of a non-Federal interest, assistance with researching and identifying existing project authorizations and Corps of Engineers decision documents.

33 USC 2202.

SEC. 1105. NON-FEDERAL ENGAGEMENT AND REVIEW.

Guidance.

(a) ISSUANCE.—The Secretary shall expeditiously issue guidance to implement each covered provision of law in accordance with this section.

(b) PUBLIC NOTICE.—

(1) IN GENERAL.—Prior to developing and issuing any new or revised implementation guidance for a covered water resources development law, the Secretary shall issue a public notice that—

(A) informs potentially interested non-Federal stakeholders of the Secretary's intent to develop and issue such guidance; and

(B) provides an opportunity for interested non-Federal stakeholders to engage with, and provide input and recommendations to, the Secretary on the development and issuance of such guidance.

Web posting.

(2) ISSUANCE OF NOTICE.—The Secretary shall issue the notice under paragraph (1) through a posting on a publicly accessible website dedicated to providing notice on the development and issuance of implementation guidance for a covered water resources development law.

(c) STAKEHOLDER ENGAGEMENT.—

Time period.

(1) INPUT.—The Secretary shall allow a minimum of 60 days after issuance of the public notice under subsection (b) for non-Federal stakeholders to provide input and recommendations to the Secretary, prior to finalizing implementation guidance for a covered water resources development law.

(2) OUTREACH.—The Secretary may, as appropriate (as determined by the Secretary), reach out to non-Federal stakeholders and circulate drafts of implementation guidance for a covered water resources development law for informal input and recommendations.

(d) SUBMISSION.—The Secretary shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Environment and Public Works of the Senate a copy of all input and recommendations received pursuant to subsection (c) and a description of any consideration of such input and recommendations.

Web posting.

(e) DEVELOPMENT OF GUIDANCE.—When developing implementation guidance for a covered water resources development law, the Secretary shall take into consideration the input and recommendations received from non-Federal stakeholders, and

make the final guidance available to the public on the publicly accessible website described in subsection (b)(2).

(f) DEFINITIONS.—In this section:

(1) COVERED PROVISION OF LAW.—The term "covered provision of law" means a provision of law under the jurisdiction of the Secretary contained in, or amended by, a covered water resources development law, with respect to which—

(A) the Secretary determines guidance is necessary in order to implement the provision; and

(B) no such guidance has been issued as of the date of enactment of this Act.

(2) COVERED WATER RESOURCES DEVELOPMENT LAW.—The term "covered water resources development law" means—

(A) the Water Resources Reform and Development Act of 2014;

(B) the Water Resources Development Act of 2016;

(C) this Act; and

(D) any Federal water resources development law enacted after the date of enactment of this Act.

SEC. 1106. LAKE OKEECHOBEE REGULATION SCHEDULE REVIEW.

The Secretary shall expedite completion of the Lake Okeechobee regulation schedule to coincide with the completion of the Herbert Hoover Dike project, and may consider all relevant aspects of the Comprehensive Everglades Restoration Plan described in section 601 of the Water Resources Development Act of 2000 (114 Stat. 2680).

SEC. 1107. ACCESS TO REAL ESTATE DATA.

33 USC 579e.

(a) IN GENERAL.—Using available funds, the Secretary shall make publicly available, including on a publicly accessible website, information on all Federal real estate assets in the United States that are owned, operated, or managed by, or in the custody of, the Corps of Engineers.

Public information. Web posting.

(b) REQUIREMENTS.—

(1) IN GENERAL.—The real estate information made available under subsection (a) shall include—

(A) existing standardized real estate plat descriptions of assets described in subsection (a); and

(B) existing geographic information systems and geospatial information associated with such assets.

(2) COLLABORATION.—In making information available under subsection (a), the Secretary shall consult with the Administrator of General Services. Such information may be made available, in whole or in part, in the Federal real property database published under section 21 of the Federal Assets Sale and Transfer Act of 2016 (Public Law 114–287), as determined appropriate by the Administrator of General Services. Nothing in this paragraph shall be construed as requiring the Administrator of General Services to add additional data elements or features to such Federal real property database if such additions are impractical or would add additional costs to such database.

Consultation.

(c) LIMITATION.—Nothing in this section shall compel or authorize the disclosure of data or other information determined by the Secretary to be confidential, privileged, national security information, personal information, or information the disclosure of which is otherwise prohibited by law.

(d) TIMING.—The Secretary shall ensure that the implementation of subsection (a) occurs as soon as practicable.

(e) EFFECT ON OTHER LAWS.—Nothing in this section shall be construed as modifying, or exempting the Corps of Engineers from, the requirements of the Federal real property database published under section 21 of the Federal Assets Sale and Transfer Act of 2016 (Public Law 114–287).

33 USC 2263a.

SEC. 1108. AQUATIC INVASIVE SPECIES RESEARCH.

(a) IN GENERAL.—As part of the ongoing activities of the Engineer Research and Development Center to address the spread and impacts of aquatic invasive species, the Secretary shall undertake research on the management and eradication of aquatic invasive species, including Asian carp and zebra mussels.

(b) LOCATIONS.—In carrying out subsection (a), the Secretary shall work with Corps of Engineers district offices representing diverse geographical regions of the continental United States that are impacted by aquatic invasive species, such as the Atlantic, Pacific, and Gulf coasts and the Great Lakes.

Recommendations. Plan.

(c) REPORT.—Not later than 180 days after the date of enactment of this section, the Secretary shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Environment and Public Works of the Senate a report recommending a plan to address the spread and impacts of aquatic invasive species.

36 USC 610 note.

SEC. 1109. HARMFUL ALGAL BLOOM TECHNOLOGY DEMONSTRATION.

(a) IN GENERAL.—The Secretary, acting through the Engineer Research and Development Center, shall implement a 5-year harmful algal bloom technology development demonstration program under the Aquatic Nuisance Research Program. To the extent practicable, the Secretary shall support research that will identify and develop improved strategies for early detection, prevention, and management techniques and procedures to reduce the occurrence and effects of harmful algal blooms in the Nation's water resources.

(b) SCALABILITY REQUIREMENT.—The Secretary shall ensure that technologies identified, tested, and deployed under the harmful algal bloom technology development demonstration program have the ability to scale up to meet the needs of harmful-algal-bloom-related events.

SEC. 1110. BUBBLY CREEK, CHICAGO ECOSYSTEM RESTORATION.

Memorandum.

The Secretary shall enter into a memorandum of understanding with the Administrator of the Environmental Protection Agency to facilitate ecosystem restoration activities at the South Fork of the South Branch of the Chicago River (commonly known as Bubbly Creek).

33 USC 2326 note. Contracts.

SEC. 1111. DREDGE PILOT PROGRAM.

(a) IN GENERAL.—The Secretary is authorized to carry out a pilot program to award contracts with a duration of up to 5 years for the operation and maintenance of harbors and inland harbors referred to in section 210(a)(2) of the Water Resources Development Act of 1986 (33 U.S.C. 2238(a)(2)).

(b) SCOPE.—In carrying out the pilot program under subsection (a), the Secretary may award a contract described in such subsection, which may address one or more harbors or inland harbors

in a geographical region, if the Secretary determines that the contract provides cost savings compared to the awarding of such work on an annual basis or on a project-by-project basis.

(c) REPORT TO CONGRESS.—Not later than 1 year after the date on which the first contract is awarded pursuant to the pilot program carried out under subsection (a), the Secretary shall submit to Congress a report evaluating, with respect to the pilot program and any contracts awarded under the pilot program—

(1) cost effectiveness;

(2) reliability and performance;

(3) cost savings attributable to mobilization and demobilization of dredge equipment; and

(4) response times to address navigational impediments.

(d) SUNSET.—The authority of the Secretary to enter into contracts pursuant to the pilot program carried out under subsection (a), shall expire on the date that is 10 years after the date of enactment of this Act.

SEC. 1112. HURRICANE AND STORM DAMAGE PROTECTION PROGRAM.

33 USC 426g note.
Contracts.

(a) IN GENERAL.—The Secretary is authorized to carry out a pilot program to award single contracts for more than one authorized hurricane and storm damage reduction project in a geographical region, including projects across more than one Corps of Engineers district, if the Secretary determines that the contract provides cost savings compared to the awarding of such work on a project-by-project basis.

Consultation.

(b) PROJECT SELECTION.—In carrying out the pilot program under subsection (a), the Secretary shall consult with relevant State agencies in selecting projects.

(c) CRITERIA.—In carrying out the pilot program under subsection (a), the Secretary shall establish criteria and other considerations that—

(1) foster Federal, State, and local collaboration;

(2) evaluate the performance of projects being carried out under a single contract with respect to whether such projects yield any regional or multi-district benefits; and

(3) include other criteria and considerations that the Secretary determines to be appropriate.

Recommendations.

(d) REPORT.—Not later than 1 year after the date of enactment of this Act, and annually thereafter, the Secretary shall submit to the Committee on Environment and Public Works of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives a report that includes findings and recommendations of the Secretary with respect to the projects completed under the pilot program carried out under subsection (a).

(e) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to carry out this section $75,000,000.

(f) TERMINATION.—The authority of the Secretary to enter into contracts pursuant to the pilot program carried out under subsection (a) shall expire on the date that is 10 years after the date of enactment of this Act.

SEC. 1113. OPERATION AND MAINTENANCE OF EXISTING INFRASTRUCTURE.

33 USC 2351a note.

The Secretary shall improve the reliability, and operation and maintenance of, existing infrastructure of the Corps of Engineers, and, as necessary, improve its resilience to cyber-related threats.

33 USC 634.

SEC. 1114. ASSISTANCE RELATING TO WATER SUPPLY.

The Secretary may provide assistance to municipalities the water supply of which is adversely affected by construction carried out by the Corps of Engineers.

35 USC 598a.

SEC. 1115. PROPERTY ACQUISITION.

(a) IN GENERAL.—In acquiring an interest in land, or requiring a non-Federal interest to acquire an interest in land, the Secretary shall, in accordance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, first consider the minimum interest in real property necessary to support the water resources development project for which such interest is acquired.

Easements.

(b) DETERMINATION.—In determining an interest in land under subsection (a), the Secretary shall first consider a temporary easement or other interest designed to reduce the overall cost of the water resources development project for which such interest is acquired, reduce the time to complete such project, and minimize conflict with property owners related to such project.

(c) PROCEDURES USED IN STATE.—In carrying out subsection (a), the Secretary shall consider, with respect to a State, the procedures that the State uses to acquire, or require the acquisition of, interests in land, to the extent that such procedures are generally consistent with the goals of a project or action.

33 USC 2326b note.

SEC. 1116. DREDGED MATERIAL MANAGEMENT PLANS.

(a) IN GENERAL.—For purposes of dredged material management plans initiated after the date of enactment of this Act, the Secretary shall expedite the dredged material management plan process in order that such plans make maximum use of existing information, studies, and innovative dredged material management practices, and avoid any redundant information collection and studies.

(b) REPORT.—Not later than 60 days after the date of enactment of this Act, the Secretary shall submit to Congress a report on how the Corps of Engineers intends to meet the requirements of subsection (a).

33 USC 549b.

SEC. 1117. INCLUSION OF PROJECT OR FACILITY IN CORPS OF ENGINEERS WORKPLAN.

(a) IN GENERAL.—The Secretary shall, to the maximum extent practicable, include in the future workplan of the Corps any authorized project or facility of the Corps of Engineers—

(1) that the Secretary has studied for disposition under an existing authority, including by carrying out a disposition study under section 216 of the Flood Control Act of 1970 (33 U.S.C. 549a); and

(2) for which a final report by the Director of Civil Works has been completed.

(b) NOTIFICATION TO COMMITTEES.—Upon completion of a final report referred to in subsection (a), the Secretary shall transmit a copy of the report to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Environment and Public Works of the Senate.

33 USC 2292 note.
Guidance.

SEC. 1118. GEOMATIC DATA.

(a) IN GENERAL.—The Secretary shall develop guidance for the acceptance and use of information obtained from a non-Federal interest through geomatic techniques, including remote sensing and

land surveying, cartography, geographic information systems, global navigation satellite systems, photogrammetry, or other remote means, in carrying out any authority of the Secretary.

(b) CONSIDERATIONS.—In carrying out this section, the Secretary shall ensure that use of information described in subsection (a) meets the data quality and operational requirements of the Secretary.

(c) SAVINGS CLAUSE.—Nothing in this section—

(1) requires the Secretary to accept information that the Secretary determines does not meet the guidance developed under this section; or

(2) changes the current statutory or regulatory requirements of the Corps of Engineers.

SEC. 1119. LOCAL GOVERNMENT RESERVOIR PERMIT REVIEW.

33 USC 2347 note.

(a) IN GENERAL.—During the 10-year period after the date of enactment of this section, the Secretary shall expedite review of applications for covered permits, if the permit applicant is a local governmental entity with jurisdiction over an area for which—

Time period.

(1) any portion of the water resources available to the area served by the local governmental entity is polluted by chemicals used at a formerly used defense site under the jurisdiction of the Department of Defense that is undergoing (or is scheduled to undergo) environmental restoration under chapter 160 of title 10, United States Code; and

(2) mitigation of the pollution described in paragraph (1) is ongoing.

(b) COVERED PERMIT DEFINED.—In this section, the term "covered permit" means a permit to be issued by the Secretary to modify a reservoir owned or operated by the Secretary, with respect to which not less than 80 percent of the water rights are held for drinking water supplies, in order to accommodate projected water supply needs of an area with a population of less than 80,000.

(c) LIMITATIONS.—Nothing in this section affects any obligation to comply with the provisions of any Federal law, including—

(1) the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.); and

(2) the Federal Water Pollution Control Act (33 U.S.C. 1251 et seq.).

SEC. 1120. TRANSPARENCY AND ACCOUNTABILITY IN COST SHARING FOR WATER RESOURCES DEVELOPMENT PROJECTS.

33 USC 2315b.

(a) DEFINITION OF BALANCE SHEET.—In this section, the term "balance sheet" means a document that describes—

(1) the funds provided by each Federal and non-Federal interest for a water resources development project; and

(2) the status of those funds.

(b) ESTABLISHMENT OF BALANCE SHEET.—Each district of the Corps of Engineers shall, using the authority of the Secretary under section 10 of the Water Resources Development Act of 1988 (33 U.S.C. 2315)—

(1) maintain a balance sheet for each water resources development project carried out by the Secretary for which a non-Federal cost share is required; and

(2) on request of a non-Federal interest that provided funds for the project, provide to the non-Federal interest a copy of the balance sheet.

(c) UNDER-BUDGET PROJECTS.—In the case of a water resources development project carried out by the Secretary that is completed at a cost less than the estimated cost, the Secretary shall transfer any excess non-Federal funds to the non-Federal interest in accordance with the cost-share requirement applicable to the project.

SEC. 1121. UPPER MISSOURI MAINSTEM RESERVOIR WATER WITHDRAWAL INTAKE EASEMENT REVIEW.

Time period.

(a) IN GENERAL.—During the 10-year period beginning on the date of enactment of this Act, the Secretary shall, to the maximum extent practicable, expedite the review of applications for a covered easement.

(b) PROCESS.—In carrying out this section, the Secretary shall develop an application to obtain a covered easement that requires an applicant for a covered easement to submit information that includes—

(1) all permissible locations for the proposed easement;

(2) the corresponding dimensions of the proposed easement;

(3) the methods of installation of the water withdrawal intakes; and

(4) any other information that the Secretary may require to complete the review.

Deadline. Notification.

(c) RESPONSE.—Not later than 30 days after the date on which the Secretary receives an application under subsection (b), the Secretary shall seek to provide to the applicant a written notification that states—

(1) whether the application is complete; and

(2) if the application is not complete, what information is needed for the application to be complete.

Deadline.

(d) DETERMINATION.—To the maximum extent practicable, not later than 120 days after the date on which the Secretary receives a complete application for a covered easement, the Secretary shall approve or deny the application for the covered easement.

(e) COVERED EASEMENT DEFINED.—In this section, the term "covered easement" means an easement necessary to access Federal land under the control of the Secretary for the placement of water withdrawal intakes in the Upper Missouri Mainstem Reservoirs that does not otherwise involve the alteration or modification of any structures or facilities located on that Federal land, other than those owned by the non-Federal interest.

(f) LIMITATIONS.—Nothing in this section affects any obligation to comply with the provisions of any Federal law, including—

(1) the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.); and

(2) the Federal Water Pollution Control Act (33 U.S.C. 1251 et seq.).

SEC. 1122. LIMITATION ON CONTRACT EXECUTION.

Time period.

(a) LIMITATION.—For any new covered contract entered into during the period beginning on the date of enactment of this Act and ending on December 31, 2020, any local governmental entity that is a party to a covered contract entered into before such period shall be required to pay not more than 110 percent of the contractual rate per acre-foot in effect under the most recent such covered contract.

Definition.

(b) COVERED CONTRACT.—In this section, the term "covered contract" means a contract between a local governmental entity

and the Secretary for water supply storage in a nonhydropower lake within the Verdigris River Basin.

SEC. 1123. CERTAIN LEVEE IMPROVEMENTS. 33 USC 3306.

(a) IN GENERAL.—Notwithstanding section 211 of the Water Resources Development Act of 2000 (31 U.S.C. 6505 note), the Secretary, at the request of a local government, is authorized to provide technical services, on a reimbursable basis, to the local government to assess the reasons a federally constructed levee owned or operated by the local government is not accredited by the Federal Emergency Management Agency.

(b) FEDERAL LEVEES.—In carrying out this section, in a case in which a levee owned and operated by the Secretary is hydraulically tied to a levee described in subsection (a), the Secretary is encouraged to cooperate, to the maximum extent practicable, with the relevant local governmental entities in assessing the reasons the levee described in subsection (a) is not accredited.

(c) LIMITATION.—Nothing in this section—

(1) affects the responsibilities of a local government to operate and maintain its flood control infrastructure; or

(2) obligates the Secretary to expend additional Federal resources on levees owned and operated by the Secretary.

SEC. 1124. COST-SHARE PAYMENT FOR CERTAIN PROJECTS.

The Secretary shall, subject to the availability of appropriations, pay the outstanding balance of the Federal cost share for any project carried out under section 593 of the Water Resources Development Act of 1999 (113 Stat. 380).

SEC. 1125. LOCKS ON ALLEGHENY RIVER.

The Corps of Engineers may consider, in making funding determinations with respect to the operation and maintenance of locks on the Allegheny River—

(1) recreational boat traffic levels; and

(2) related economic benefits.

SEC. 1126. PURPOSE AND NEED. 33 USC 2347b.

(a) PURPOSE AND NEED STATEMENTS.—

(1) IN GENERAL.—Not later than 90 days after the date of receipt of a complete application for a water storage project, the District Engineer shall develop and provide to the applicant a purpose and need statement that describes— Deadline.

(A) whether the District Engineer concurs with the assessment of the purpose of and need for the water storage project proposed by the applicant; and

(B) in any case in which the District Engineer does not concur as described in subparagraph (A), an assessment by the District Engineer of the purpose of and need for the project. Assessment.

(2) EFFECT ON ENVIRONMENTAL IMPACT STATEMENTS.—No environmental impact statement or environmental assessment required under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.) shall substantially commence with respect to a water storage project until the date on which the District Engineer provides to the applicant a purpose and need statement as required under paragraph (1).

(b) APPEALS REQUEST.—A non-Federal interest may use the administrative appeals process described in part 331 of title 33,

Code of Federal Regulations (or any succeeding regulation), in relation to a decision of the Secretary related to an application for a water storage project.

33 USC 2355.

SEC. 1127. PRIOR PROJECT AUTHORIZATION.

In any case in which a project under the jurisdiction of the Secretary is budgeted under a different business line than the business line under which the project was originally authorized, the Secretary shall ensure that the project is carried out in accordance with any requirements that apply to the business line under which the project was originally authorized.

33 USC 7020.

SEC. 1128. MISSISSIPPI RIVER AND TRIBUTARIES PROJECT.

(a) IN GENERAL.—After any flood event requiring operation or activation of any floodway or backwater feature within the Mississippi River and Tributaries Project through natural overtopping of a Federal levee or artificial crevassing of a Federal levee to relieve pressure on the levees elsewhere in the system, the Secretary shall expeditiously reset and restore the damaged floodway's levees.

(b) CONSULTATION.—In carrying out subsection (a), the Secretary shall provide an opportunity for consultation with affected communities.

Definition.

(c) MISSISSIPPI RIVER AND TRIBUTARIES PROJECT.—The term "Mississippi River and Tributaries Project" means the Mississippi River and Tributaries project authorized by the Act of May 15, 1928 (Chap. 569; 45 Stat. 534).

SEC. 1129. INCLUSION OF TRIBAL INTERESTS IN PROJECT CONSULTATIONS.

(a) REPORT REQUIRED.—As soon as practicable following the date of enactment of this Act, the Secretary shall submit the report required under section 1120(a)(3) of the Water Resources Development Act of 2016 (130 Stat. 1643).

(b) CONSULTATION.—The Secretary shall ensure that all existing Tribal consultation policies, regulations, and guidance continue to be implemented, and that consultations with Federal and State agencies and Indian Tribes required for a water resources development project are carried out.

SEC. 1130. BENEFICIAL USE OF DREDGED MATERIAL.

Section 1122 of the Water Resources Development Act of 2016 (33 U.S.C. 2326 note) is amended—

(1) in subsection (b)(1), by striking "10" and inserting "20"; and

(2) in subsection (g), by striking "10" and inserting "20".

SEC. 1131. ICE JAM PREVENTION AND MITIGATION.

Section 1150(c) of the Water Resources Development Act of 2016 (33 U.S.C. 701s note) is amended—

(1) in paragraph (1)—

(A) by striking "During fiscal years 2017 through 2022, the Secretary" and inserting "The Secretary"; and

(B) by striking "10 projects" and inserting "20 projects"; and

(2) in paragraph (2)—

(A) by striking "shall ensure" and inserting the following : "shall—

"(A) ensure";

(B) by striking the period at the end and inserting "; and"; and

(C) by adding at the end the following:

"(B) select not fewer than one project to be carried out on a reservation (as defined in section 3 of the Indian Financing Act of 1974) that serves more than one Indian tribe (as defined in section 4 of the Indian Self-Determination and Education Assistance Act).".

SEC. 1132. REHABILITATION OF CORPS OF ENGINEERS CONSTRUCTED DAMS.

Section 1177 of the Water Resources Development Act of 2016 (33 U.S.C. 467f–2 note) is amended—

(1) in subsection (e), by striking "$10,000,000" and inserting "$40,000,000"; and

(2) in subsection (f), by striking "$10,000,000" and inserting "$40,000,000".

SEC. 1133. COLUMBIA RIVER.

(a) BONNEVILLE DAM, OREGON.—

(1) IN GENERAL.—The Secretary, in consultation with the Secretary of the Interior, shall examine and assess the extent to which Indians (as defined in section 4 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 5304)) have been displaced as a result of the construction of the Bonneville Dam, Oregon, as authorized by the first section of the Act of August 30, 1935 (49 Stat. 1032) and the first section and section 2(a) of the Act of August 20, 1937 (16 U.S.C. 832, 832a(a)). Consultation. Examinations. Assessments.

(2) INCLUSION.—The examination and assessment under paragraph (1) may include assessments relating to housing and related facilities.

(3) ASSISTANCE.—If the Secretary determines, based on the examination and assessment under paragraph (1), that assistance is required or needed, the Secretary may use all existing authorities of the Secretary, including under this Act, to provide assistance to Indians who have been displaced as a result of the construction of the Bonneville Dam, Oregon. Determination.

(4) TRIBAL ASSISTANCE.—Section 1178(c)(1)(A) of the Water Resources Development Act of 2016 (130 Stat. 1675) is amended by striking "Upon the request of the Secretary of the Interior, the Secretary may provide assistance" and inserting "The Secretary, in consultation with the Secretary of the Interior, may provide assistance".

(b) JOHN DAY DAM, WASHINGTON AND OREGON.—

(1) IN GENERAL.—The Secretary, in consultation with the Secretary of the Interior, shall examine and assess the extent to which Indians (as defined in section 4 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 5304)) have been displaced as a result of the construction of the John Day Dam, Oregon, as authorized by section 204 of the Flood Control Act of 1950 (64 Stat. 179). Consultation. Examinations. Assessments.

(2) INCLUSION.—The examination and assessment under paragraph (1) may include—

(A) assessments relating to housing and related facilities; and

(B) the study required by section 1178(c)(2) of the Water Resources Development Act of 2016 (130 Stat. 1675).

Determination.

(3) ASSISTANCE.—If the Secretary determines, based on the examination and assessment under paragraph (1), that assistance is required or needed, the Secretary may use all existing authorities of the Secretary, including under this Act, to provide assistance to Indians who have been displaced as a result of the construction of the John Day Dam, Oregon.

(c) DALLES DAM, WASHINGTON AND OREGON.—

Consultation.
Development plan.

(1) IN GENERAL.—The Secretary, in consultation with the Secretary of the Interior, shall complete and carry out a village development plan for any Indian village submerged as a result of the construction of the Dalles Dam, Columbia River, Washington and Oregon, as authorized by section 204 of the Flood Control Act of 1950 (64 Stat. 179).

(2) ASSISTANCE.—The Secretary may acquire land from willing land owners in carrying out a village development plan under paragraph (1).

Cost estimate.
Schedule.

(3) REQUIREMENTS.—A village development plan completed under paragraph (1) shall include, at a minimum, an estimated cost and tentative schedule for the construction of a replacement village.

SEC. 1134. MISSOURI RIVER RESERVOIR SEDIMENT MANAGEMENT.

Section 1179(a) of the Water Resources Development Act of 2016 (130 Stat. 1675) is amended—

(1) by redesignating paragraphs (4) through (8) as paragraphs (5) through (9), respectively;

(2) by inserting after paragraph (3) the following:

"(4) PRIORITIZATION OF SEDIMENT MANAGEMENT PLANS.—In carrying out the pilot project under this subsection, the Secretary shall give priority to developing and implementing sediment management plans that affect reservoirs that cross State lines."; and

(3) in paragraph (8) (as so redesignated)—

(A) by redesignating subparagraph (B) as subparagraph (D); and

(B) by striking subparagraph (A) and inserting the following:

Applicability.

"(A) IN GENERAL.—The Secretary shall carry out the pilot program established under this subsection in partnership with the Secretary of the Interior, and the program shall apply to reservoirs managed or owned by the Bureau of Reclamation.

"(B) MEMORANDUM OF AGREEMENT.—For sediment management plans that apply to a reservoir managed or owned by the Bureau of Reclamation under subparagraph (A), the Secretary and the Secretary of the Interior shall execute a memorandum of agreement establishing the framework for a partnership and the terms and conditions for sharing expertise and resources.

"(C) PAYMENTS.—The Secretary is authorized to accept and expend funds from the Secretary of the Interior to complete any work under this paragraph at a reservoir managed or owned by the Bureau of Reclamation.".

SEC. 1135. REAUTHORIZATION OF LOCK OPERATIONS PILOT PROGRAM.

Section 1017(f) of the Water Resources Reform and Development Act of 2014 (33 U.S.C. 2212 note) is amended by striking "5 years" and inserting "10 years".

SEC. 1136. CREDIT OR REIMBURSEMENT.

(a) IN GENERAL.—Section 1022 of the Water Resources Reform and Development Act of 2014 (33 U.S.C. 2225) is amended to read as follows:

"SEC. 1022. CREDIT OR REIMBURSEMENT.

"(a) REQUESTS FOR CREDITS.—With respect to an authorized flood damage reduction project, or separable element thereof, that has been constructed by a non-Federal interest under section 211 of the Water Resources Development Act of 1996 (33 U.S.C. 701b–13), or an authorized coastal navigation project that has been constructed by the Corps of Engineers pursuant to section 11 of the Act of March 3, 1925, before the date of enactment of the Water Resources Development Act of 2018, the Secretary may provide to the non-Federal interest, at the request of the non-Federal interest, a credit in an amount equal to the estimated Federal share of the cost of the project or separable element, in lieu of providing to the non-Federal interest a reimbursement in that amount or reimbursement of funds of an equivalent amount, subject to the availability of appropriations.

"(b) APPLICATION OF CREDITS.—At the request of the non-Federal interest, the Secretary may apply all or a portion of such credit to the share of the cost of the non-Federal interest of carrying out other flood damage reduction and coastal navigation projects or studies.

"(c) APPLICATION OF REIMBURSEMENT.—At the request of the non-Federal interest, the Secretary may apply such funds, subject to the availability of appropriations, equal to the share of the cost of the non-Federal interest of carrying out other flood damage reduction and coastal navigation projects or studies.".

(b) CLERICAL AMENDMENT.—The table of contents contained in section 1(b) of the Water Resources Reform and Development Act of 2014 (128 Stat. 1193) is amended by striking the item relating to section 1022 and inserting the following:

"Sec. 1022. Credit or reimbursement.".

SEC. 1137. NON-FEDERAL IMPLEMENTATION PILOT PROGRAM.

Section 1043(b) of the Water Resources Reform and Development Act of 2014 (33 U.S.C. 2201 note) is amended—

(1) in paragraph (3)(A)(i)—

(A) in the matter preceding subclause (I)—

(i) by striking "15" and inserting "20"; and

(ii) by striking "prior to the date of enactment of this Act";

"(3) PERMIT EXCEPTION.—

"(A) IN GENERAL.—For a project described in subsection (a)(1) or subsection (a)(3), or a separable element thereof, with respect to which a written agreement described in subparagraph (B) has been entered into, a non-Federal interest that carries out a project under this section shall not be required to obtain any Federal permits or approvals that would not be required if the Secretary carried out the project or separable element unless significant new circumstances or information relevant to environmental concerns or compliance have arisen since development of the project recommendation.

Compliance.

"(B) WRITTEN AGREEMENT.—For purposes of this paragraph, a written agreement shall provide that the non-Federal interest shall comply with the same legal and technical requirements that would apply if the project or separable element were carried out by the Secretary, including all mitigation required to offset environmental impacts of the project or separable element as determined by the Secretary.

"(C) CERTIFICATIONS.—Notwithstanding subparagraph (A), if a non-Federal interest carrying out a project under this section would, in the absence of a written agreement entered into under this paragraph, be required to obtain a certification from a State under Federal law to carry out the project, such certification shall still be required

if a written agreement is entered into with respect to the project under this paragraph.

"(4) DATA SHARING.—

"(A) IN GENERAL.—If a non-Federal interest for a water resources development project begins to carry out that water resources development project under this section, the non-Federal interest may request that the Secretary transfer to the non-Federal interest all relevant data and documentation under the control of the Secretary with respect to that water resources development project.

"(B) DEADLINE.—Except as provided in subparagraph (C), the Secretary shall transfer the data and documentation requested by a non-Federal interest under subparagraph (A) not later than the date that is 90 days after the date on which the non-Federal interest so requests such data and documentation.

"(C) LIMITATION.—Nothing in this paragraph obligates the Secretary to share any data or documentation that the Secretary considers to be proprietary information.";

(2) by amending subsection (c) to read as follows:

"(c) STUDIES AND ENGINEERING.—

"(1) IN GENERAL.—When requested by an appropriate non-Federal interest, the Secretary shall undertake all necessary studies, engineering, and technical assistance on construction for any project to be undertaken under subsection (b), and provide technical assistance in obtaining all necessary permits for the construction, if the non-Federal interest contracts with the Secretary to furnish the United States funds for the studies, engineering, or technical assistance on construction in the period during which the studies, engineering, or technical assistance on construction are being conducted.

"(2) NO WAIVER.—Nothing in this section may be construed to waive any requirement of section 3142 of title 40, United States Code.

"(3) LIMITATION.—Funds provided by non-Federal interests under this subsection shall not be eligible for credit or reimbursement under subsection (d).

"(4) IMPARTIAL DECISIONMAKING.—In carrying out this section, the Secretary shall ensure that the use of funds accepted from a non-Federal interest will not affect the impartial decisionmaking of the Secretary, either substantively or procedurally."; and

(1) by striking "strengthening, raising, extending, or other modification thereof" and inserting "strengthening, raising, extending, realigning, or other modification thereof"; and

(2) by striking "structure or project damaged or destroyed by wind, wave, or water action of other than an ordinary nature to the design level of protection when, in the discretion of the Chief of Engineers," and inserting "structure or project damaged or destroyed by wind, wave, or water action of other than an ordinary nature to either the pre-storm level or the design level of protection, whichever provides greater protection, when, in the discretion of the Chief of Engineers,".

SEC. 1161. COST AND BENEFIT FEASIBILITY ASSESSMENT.

(a) COST BENEFIT AND SPECIAL CONDITIONS.—Section 5(a) of the Act of August 18, 1941 (33 U.S.C. 701n(a)), as amended by this Act, is further amended by striking paragraph (2) and inserting the following:

"(2) COST AND BENEFIT FEASIBILITY ASSESSMENT.—

"(A) CONSIDERATION OF BENEFITS.—In preparing a cost and benefit feasibility assessment for any emergency project described in paragraph (1), the Chief of Engineers shall consider the benefits to be gained by such project for the protection of—

"(i) residential establishments;

"(ii) commercial establishments, including the protection of inventory; and

"(iii) agricultural establishments, including the protection of crops.

"(B) SPECIAL CONDITIONS.—

"(i) AUTHORITY TO CARRY OUT WORK.—The Chief of Engineers may carry out repair or restoration work

described in paragraph (1) that does not produce benefits greater than the cost if—

"(I) the non-Federal sponsor agrees to pay an amount sufficient to make the remaining costs of the project equal to the estimated value of the benefits of the repair or restoration work; and

Determinations.

"(II) the Secretary determines that—

"(aa) the damage to the structure was not a result of negligent operation or maintenance; and

"(bb) repair of the project could benefit another Corps project.

"(ii) TREATMENT OF PAYMENTS.—Non-Federal payments pursuant to clause (i) shall be in addition to any non-Federal payments required by the Chief of Engineers that are applicable to the remaining costs of the repair or restoration work.".

33 USC 701n note.

(b) CONTINUED ELIGIBILITY.—Notwithstanding a non-Federal flood control work's status in the Rehabilitation and Inspection Program carried out pursuant to section 5 of the Act of August 18, 1941 (33 U.S.C. 701n), any unconstructed emergency project for the non-Federal flood control work that was formulated during the three fiscal years preceding the fiscal year in which this Act was enacted but that was determined to not produce benefits greater than costs shall remain eligible for assistance under such section 5 until the last day of the third fiscal year following the fiscal year in which this Act was enacted if—

(1) the non-Federal sponsor agrees, in accordance with such section 5, as amended by this Act, to pay an amount sufficient to make the remaining costs of the project equal to the estimated value of the benefits of the repair or restoration work; and

Determinations.

(2) the Secretary determines that—

(A) the damage to the structure was not as a result of negligent operation or maintenance; and

(B) repair of the project could benefit another Corps project.

SEC. 1162. EXTENDED COMMUNITY ASSISTANCE BY THE CORPS OF ENGINEERS.

Section 5(a) of the Act of August 18, 1941 (33 U.S.C. 701n(a)), as amended by this Act, is further amended—

(1) by redesignating paragraph (3) as paragraph (4); and

(2) by inserting after paragraph (2) the following:

"(3) EXTENDED ASSISTANCE.—Upon request by a locality receiving assistance under the fourth sentence of paragraph (1), the Secretary shall, subject to the availability of appropriations, enter into an agreement with the locality to provide such assistance beyond the time period otherwise provided for by the Secretary under such sentence.".

SEC. 1163. DAM SAFETY.

Section 14 of the National Dam Safety Program Act (33 U.S.C. 467j) is amended by striking "2015 through 2019" each place it appears and inserting "2019 through 2023".

SEC. 1164. LOCAL GOVERNMENT WATER MANAGEMENT PLANS.

Study. Determination. 42 USC 1962d–5b note.

With the consent of the non-Federal interest for a feasibility study for a water resources development project, the Secretary may enter into a written agreement under section 221(a) of the Flood Control Act of 1970, with a unit of local government in the watershed that has adopted a local or regional water management plan, to allow the unit of local government to participate in the feasibility study to determine if there is an opportunity to include additional feasible elements in the project in order to help achieve the purposes identified in the local or regional water management plan.

SEC. 1165. STRUCTURES AND FACILITIES CONSTRUCTED BY SECRETARY.

Section 14 of the Act of March 3, 1899 (33 U.S.C. 408) is amended by adding at the end the following:

"(d) WORK DEFINED.—For the purposes of this section, the term 'work' shall not include unimproved real estate owned or operated by the Secretary as part of a water resources development project if the Secretary determines that modification of such real estate would not affect the function and usefulness of the project.".

SEC. 1166. ADVANCED FUNDS FOR WATER RESOURCES DEVELOPMENT STUDIES AND PROJECTS.

(a) CONTRIBUTIONS BY STATES AND POLITICAL SUBDIVISIONS FOR IMMEDIATE USE ON AUTHORIZED FLOOD-CONTROL WORK; REPAYMENT.—The Act of October 15, 1940 (33 U.S.C. 701h–1) is amended—

(1) by striking "a flood-control project duly adopted and authorized by law" and inserting "a federally authorized water resources development project,";

(2) by striking "such work" and inserting "such project";

(3) by striking "from appropriations which may be provided by Congress for flood-control work" and inserting "if appropriations are provided by Congress for such purpose"; and

(4) by adding at the end the following: "For purposes of this Act, the term 'State' means the several States, the District of Columbia, the commonwealths, territories, and possessions of the United States, and Indian tribes (as defined in section 4(e) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 5304(e))).". Definition.

(b) NO ADVERSE EFFECT ON PROCESSES.—In implementing any provision of law that authorizes a non-Federal interest to provide, advance, or contribute funds to the Secretary for the development or implementation of a water resources development project (including sections 203 and 204 of the Water Resources Development Act of 1986 (33 U.S.C. 2231, 2232), section 5 of the Act of June 22, 1936 (33 U.S.C. 701h), and the Act of October 15, 1940 (33 U.S.C. 701h–1)), the Secretary shall ensure, to the maximum extent practicable, that the use by a non-Federal interest of such authorities does not adversely affect— 33 USC 701h–2.

(1) the process or timeline for development and implementation of other water resources development projects by other non-Federal entities that do not use such authorities; or

(2) the process for including such projects in the President's annual budget submission to Congress under section 1105(a) of title 31, United States Code.

(c) ADVANCES BY PRIVATE PARTIES; REPAYMENT.—Section 11 of the Act of March 3, 1925 (Chapter 467; 33 U.S.C. 561) is repealed.

SEC. 1167. COSTS IN EXCESS OF FEDERAL PARTICIPATION LIMIT.

Section 14 of the Flood Control Act of 1946 (33 U.S.C. 701r), as amended by this Act, is further amended by inserting ", and if such amount is not sufficient to cover the costs included in the Federal cost share for a project, as determined by the Secretary, the non-Federal interest shall be responsible for any such costs that exceed such amount" before the period at the end.

33 USC 578b.

SEC. 1168. DISPOSITION OF PROJECTS.

Study.

(a) IN GENERAL.—In carrying out a disposition study for a project of the Corps of Engineers, or a separable element of such a project, including a disposition study under section 216 of the Flood Control Act of 1970 (33 U.S.C. 549a), the Secretary shall consider modifications that would improve the overall quality of the environment in the public interest, including removal of the project or separable element of a project.

(b) DISPOSITION STUDY TRANSPARENCY.—The Secretary shall carry out disposition studies described in subsection (a) in a transparent manner, including by—

(1) providing opportunities for public input; and

Publication.

(2) publishing the final disposition studies.

Recommendations.

(c) REMOVAL OF INFRASTRUCTURE.—For disposition studies described in subsection (a) in which the Secretary determines that a Federal interest no longer exists, and makes a recommendation of removal of the project or separable element of a project, the Secretary is authorized, using existing authorities, to pursue removal of the project or separable element of a project in partnership with other Federal agencies and non-Federal entities with appropriate capabilities to undertake infrastructure removal.

SEC. 1169. CONTRIBUTED FUNDS FOR NON-FEDERAL RESERVOIR OPERATIONS.

Section 5 of the Act of June 22, 1936 (33 U.S.C. 701h), is amended by inserting after "authorized purposes of the project:" the following: "*Provided further*, That the Secretary is authorized to receive and expend funds from an owner of a non-Federal reservoir to formulate, review, or revise operational documents for any non-Federal reservoir for which the Secretary is authorized to prescribe regulations for the use of storage allocated for flood control or navigation pursuant to section 7 of the Act of December 22, 1944 (33 U.S.C. 709):".

SEC. 1170. WATERCRAFT INSPECTION STATIONS.

Section 104 of the River and Harbor Act of 1958 (33 U.S.C. 610) is amended—

(1) by amending subsection (b) to read as follows:

"(b) AUTHORIZATION OF APPROPRIATIONS.—

"(1) IN GENERAL.—There is authorized to be appropriated to carry out this section $110,000,000 for each fiscal year, of which—

"(A) $30,000,000 shall be made available to carry out subsection (d)(1)(A)(i);

"(B) $30,000,000 shall be made available to carry out subsection (d)(1)(A)(ii); and

"(C) $30,000,000 shall be made available to carry out subsection (d)(1)(A)(iii).

"(2) CONTROL OPERATIONS.—Any funds made available under paragraph (1) to be used for control operations shall be allocated by the Chief of Engineers on a priority basis, based on the urgency and need of each area and the availability of local funds."; and

(2) in subsection (d)—

(A) by amending paragraph (1) to read as follows:

"(1) IN GENERAL.—

"(A) WATERCRAFT INSPECTION STATIONS.—In carrying out this section, the Secretary shall establish (as applicable), operate, and maintain new or existing watercraft inspection stations—

"(i) to protect the Columbia River Basin;

"(ii) to protect the Upper Missouri River Basin; and

"(iii) to protect the Upper Colorado River Basin and the South Platte and Arizona River Basins.

"(B) LOCATIONS.—The Secretary shall establish watercraft inspection stations under subparagraph (A) at locations with the highest likelihood of preventing the spread of aquatic invasive species at reservoirs operated and maintained by the Secretary, as determined by the Secretary in consultation with States within the areas described in subparagraph (A). Consultation.

"(C) RAPID RESPONSE.—The Secretary shall assist States within the areas described in subparagraph (A) with rapid response to any aquatic invasive species, including quagga or zebra mussel, infestation."; and

(B) by amending paragraph (3)(A) to read as follows:

"(A) the Governors of the States within the areas described in each of clauses (i) through (iii) of paragraph (1)(A), as applicable;".

SEC. 1171. RESTRICTED AREAS AT CORPS OF ENGINEERS DAMS.

Section 2 of the Freedom to Fish Act (Public Law 113–13; 127 Stat. 449, 128 Stat. 1271) is amended by striking "4 years after the date of enactment of the Water Resources Reform and Development Act of 2014" each place it appears and inserting "5 years after the date of enactment of the Water Resources Development Act of 2018".

SEC. 1172. COASTAL EROSION.

33 USC 426i note.

(a) IN GENERAL.—Pursuant to section 111 of the River and Harbor Act of 1968 (33 U.S.C. 426i), the Secretary shall, to the maximum extent practicable, complete operation and maintenance renourishment to mitigate coastal erosion attributed to Federal project structures in the upper northeast United States.

(b) PROJECT SELECTION.—In carrying out the work under subsection (a), the Secretary shall—

(1) identify and carry out not more than five projects—

(A) located in any of the States of Maine, New Hampshire, Massachusetts, Connecticut, Rhode Island, or New York; and State listing.

(B) for which a feasibility study has been completed by December 31, 2019, that includes findings that a Federal project structure is interrupting the natural flow of sediment and causing coastal erosion; and

Consultation.

(2) consult with relevant State agencies in selecting projects.

SEC. 1173. PROHIBITION ON SURPLUS WATER FEES, LAKE CUMBERLAND WATERSHED, KENTUCKY AND TENNESSEE.

(a) IN GENERAL.—The Secretary shall not charge a fee for surplus water under a contract entered into pursuant to section 6 of the Act of December 22, 1944 (33 U.S.C. 708), if the contract is for surplus water stored in the Lake Cumberland Watershed, Kentucky and Tennessee.

(b) TERMINATION.—The limitation under subsection (a) shall expire on the date that is 2 years after the date of enactment of this Act.

(c) APPLICABILITY.—Nothing in this section—

(1) affects the authority of the Secretary under section 2695 of title 10, United States Code, to accept funds or to cover the administrative expenses relating to certain real property transactions;

(2) affects the application of section 6 of the Act of December 22, 1944 (33 U.S.C. 708) or section 301 of the Water Supply Act of 1958 (43 U.S.C. 390b) to surplus water stored outside of the Lake Cumberland Watershed, Kentucky and Tennessee; or

(3) affects the authority of the Secretary to accept funds under section 216(c) of the Water Resources Development Act of 1996 (33 U.S.C. 2321a(c)).

SEC. 1174. MIDDLE RIO GRANDE PEAK FLOW RESTORATION.

(a) RESTARTING OF TEMPORARY DEVIATION.—Subject to subsection (b), the Secretary shall restart the temporary deviation in the operation of Cochiti Lake and Jemez Canyon Dam, that was initiated in 2009 and terminated in 2013, to continue to evaluate the effects of the deviation.

(b) APPROVAL AND CONSULTATION.—Before restarting the temporary deviation under subsection (a), the Secretary shall, as required under the applicable water control manuals—

(1) first obtain approval from—

(A) Pueblo de Cochiti;

(B) Pueblo of Santa Ana; and

(C) the Rio Grande Compact Commission established by the compact approved by Congress under the Act of May 31, 1939 (53 Stat. 785, chapter 155); and

(2) to the maximum extent practicable, consult with the existing Cochiti Lake Environmental Resources Team, which includes other Federal agencies and landowners in the region.

(c) SUNSET.—The authority to conduct the temporary deviation described in subsection (a) shall terminate on the date that is 5 years after the date on which the Secretary restarts the temporary deviation under such subsection.

SEC. 1175. PROHIBITION OF ADMINISTRATIVE FEES IN IMPLEMENTING ROUGH RIVER LAKE FLOWAGE EASEMENT ENCROACHMENT RESOLUTION PLAN.

(a) DEFINITIONS.—In this section:

(1) ELIGIBLE PROPERTY OWNER.—The term "eligible property owner" means the owner of a property—

(A)(i) described in Scenario A, B, C, or D in the Plan; or

(ii) that consists of vacant land located above 534 feet mean sea level that is encumbered by a Rough River Lake flowage easement; and

(B) for which the Rough River Lake flowage easement is not required to address backwater effects.

(2) PLAN.—The term "Plan" means the Rough River Lake Flowage Easement Encroachment Resolution Plan of the Corps of Engineers, dated January 2017.

(b) PROHIBITION ON ASSESSING ADMINISTRATIVE FEES.—Notwithstanding any other provision of law, in carrying out the Plan, the Secretary may not impose on or collect from any eligible property owner any administrative fee, including—

(1) a fee to pay the costs to the Corps of Engineers of processing requests to resolve encroachments under the Plan;

(2) fees for deed drafting and surveying; and

(3) any other administrative cost incurred by the Corps of Engineers in implementing the Plan.

(c) REFUND OF ADMINISTRATIVE FEES.—In the case of an eligible property owner who has paid any administrative fees described in paragraphs (1) through (3) of subsection (b) to the Corps of Engineers, the Corps of Engineers shall refund those fees on request of the eligible property owner.

(d) SAVINGS PROVISION.—Nothing in this section affects the responsibility or authority of the Secretary to continue carrying out the Plan, including any work necessary to extinguish the flowage easement of the United States with respect to the property of any eligible property owner.

SEC. 1176. PRECONSTRUCTION ENGINEERING DESIGN DEMONSTRATION PROGRAM.

33 USC 2232 note.

(a) DEFINITION OF ENVIRONMENTAL IMPACT STATEMENT.—In this section, the term "environmental impact statement" means the detailed written statement required under section 102(2)(C) of the National Environmental Policy Act of 1969 (42 U.S.C. 4332(2)(C)).

(b) DEMONSTRATION PROGRAM.—The Secretary shall establish a demonstration program to allow a project authorized to execute pursuant to section 211 of the Water Resources Development Act of 1996 (33 U.S.C. 701b–13) (as in effect on the day before the date of enactment of the Water Resources Reform and Development Act of 2014 (128 Stat. 1193)) to begin preconstruction engineering and design on a determination by the Secretary that the project is technically feasible, economically justified, and environmentally acceptable.

Determination.

(c) REQUIREMENTS.—For each project authorized to begin preconstruction engineering and design under subsection (b)—

(1) the project shall conform to the feasibility study and the environmental impact statement approved by the Secretary; and

(2) the Secretary and the non-Federal sponsor shall jointly agree to the construction design of the project.

(d) SECRETARY REVIEW OF POTENTIAL ADVERSE IMPACTS.—When reviewing the feasibility study and the environmental impact

statement for a project under subsection (b), the Secretary shall follow current USACE Policy, Regulations, and Guidance, to assess potential adverse downstream impacts to the Pearl River Basin. Upon completion of the Secretary's determination under subsection (b), the non-Federal sponsor shall design the project in a manner that addresses any potential adverse impacts or that provides mitigation in accordance with section 906 of the Water Resources Development Act of 1986 (33 U.S.C. 2283).

(e) SUNSET.—The authority to carry out the demonstration program under this section shall terminate on the date that is 5 years after the date of enactment of this Act.

(f) SAVINGS PROVISION.—Nothing in this section supersedes, precludes, or affects any applicable requirements for a project under subsection (b) under—

(1) section 906 of the Water Resources Development Act of 1986 (33 U.S.C. 2283); or

(2) the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (42 U.S.C. 9601 et seq.).

Subtitle B—Studies and Reports

SEC. 1201. AUTHORIZATION OF PROPOSED FEASIBILITY STUDIES.

The Secretary is authorized to conduct a feasibility study for the following projects for water resources development and conservation and other purposes, as identified in the reports titled "Report to Congress on Future Water Resources Development" submitted to Congress on March 17, 2017, and February 5, 2018, respectively, pursuant to section 7001 of the Water Resources Reform and Development Act of 2014 (33 U.S.C. 2282d) or otherwise reviewed by Congress:

(1) CAVE BUTTES DAM, ARIZONA.—Project for flood risk management, Phoenix, Arizona.

(2) SAN DIEGO RIVER, CALIFORNIA.—Project for flood risk management, navigation, and ecosystem restoration, San Diego, California.

(3) J. BENNETT JOHNSTON WATERWAY, LOUISIANA.—Project for navigation, J. Bennett Johnston Waterway, Louisiana.

(4) NORTHSHORE, LOUISIANA.—Project for flood risk management, St. Tammany Parish, Louisiana.

(5) OUACHITA-BLACK RIVERS, LOUISIANA.—Project for navigation, Little River, Louisiana.

(6) CHAUTAUQUA LAKE, NEW YORK.—Project for ecosystem restoration and flood risk management, Chautauqua, New York.

(7) TRINITY RIVER AND TRIBUTARIES, TEXAS.—Project for navigation, Liberty, Texas.

(8) WEST CELL LEVEE, TEXAS.—Project for flood risk management, Irving, Texas.

(9) COASTAL VIRGINIA, VIRGINIA.—Project for flood risk management, ecosystem restoration, and navigation, Coastal Virginia.

(10) TANGIER ISLAND, VIRGINIA.—Project for flood risk management and ecosystem restoration, Tangier Island, Virginia.

SEC. 1202. ADDITIONAL STUDIES.

(a) LOWER MISSISSIPPI RIVER; MISSOURI, KENTUCKY, TENNESSEE, ARKANSAS, MISSISSIPPI, AND LOUISIANA.—

(1) IN GENERAL.—The Secretary is authorized to carry out studies to determine the feasibility of habitat restoration for each of the eight reaches identified as priorities in the report prepared by the Secretary pursuant to section 402 of the Water Resources Development Act of 2000, titled "Lower Mississippi River Resource Assessment; Final Assessment In Response to Section 402 of WRDA 2000" and dated July 2015.

(2) CONSULTATION.—The Secretary shall consult with the Lower Mississippi River Conservation Committee during each feasibility study carried out under paragraph (1).

(b) ST. LOUIS RIVERFRONT, MERAMEC RIVER BASIN, MISSOURI AND ILLINOIS.—

(1) IN GENERAL.—The Secretary is authorized to carry out studies to determine the feasibility of a project for ecosystem restoration and flood risk management in Madison, St. Clair, and Monroe Counties, Illinois, St. Louis City, and St. Louis, Jefferson, Franklin, Gasconade, Maries, Phelps, Crawford, Dent, Washington, Iron, St. Francois, St. Genevieve, Osage, Reynolds, and Texas Counties, Missouri.

(2) CONTINUATION OF EXISTING STUDY.—Any study carried out under paragraph (1) shall be considered a continuation of the study being carried out under Committee Resolution 2642 of the Committee on Transportation and Infrastructure of the House of Representatives, adopted June 21, 2000.

SEC. 1203. EXPEDITED COMPLETION.

(a) FEASIBILITY REPORTS.—The Secretary shall expedite the completion of a feasibility study for each of the following projects, and if the Secretary determines that the project is justified in a completed report, may proceed directly to preconstruction planning, engineering, and design of the project:

Determination. State listing.

(1) Project for riverbank stabilization, Selma, Alabama.

(2) Project for ecosystem restoration, Three Mile Creek, Alabama.

(3) Project for navigation, Nome, Alaska.

(4) Project for flood diversion, Seward, Alaska.

(5) Project for flood control, water conservation, and related purposes, Coyote Valley Dam, California.

(6) Project for flood risk management, Lower Cache Creek, California.

(7) Project for flood risk management, Lower San Joaquin River, California, as described in section 1322(b)(2)(F) of the Water Resources Development Act of 2016 (130 Stat. 1707) (second phase of feasibility study).

(8) Project for flood risk management, South San Francisco, California.

(9) Project for flood risk management and ecosystem restoration, Tijuana River, California.

(10) Project for flood damage reduction, Westminster-East Garden Grove, California.

(11) Project for flood risk management in East Hartford, Connecticut.

(12) Project for flood risk management in Hartford, Connecticut.

(13) Projects under the Comprehensive Flood Mitigation Study for the Delaware River Basin.

(14) Project for ecosystem restoration, Lake Apopka, Florida.

(15) Project for ecosystem restoration, Kansas River Weir, Kansas.

(16) Project for navigation and channel deepening, Baptiste Collette Bayou, Louisiana, under section 203 of the Water Resources Development Act of 1986 (33 U.S.C. 2231).

(17) Project for navigation and channel deepening, Houma Navigation Canal, Louisiana, under section 203 of the Water Resources Development Act of 1986 (33 U.S.C. 2231).

(18) Project for navigation and channel deepening, Bayou Lafourche, Louisiana, under section 203 of the Water Resources Development Act of 1986 (33 U.S.C. 2231).

(19) Project for flood damage reduction and ecosystem restoration, St. Tammany Parish, Louisiana.

(20) Project for ecosystem restoration, Warren Glen Dam Removal, Musconetcong River, New Jersey.

(21) Project for flood risk management, Rahway River Basin, New Jersey.

(22) The Hudson-Raritan Estuary Comprehensive Restoration Project, New Jersey and New York.

(23) Project for flood control and water supply, Abiquiu Dam, New Mexico.

(24) Project for reformulation, East Rockaway Inlet to Rockaway Inlet and Jamaica Bay, Queens, New York.

(25) Project for navigation, New York-New Jersey Harbor and Tributaries Focus Area.

(26) Project for water resource improvements, Willamette River Basin, Fern Ridge, Oregon.

(27) Project for coastal storm risk management, Pawcatuck River, Rhode Island.

(28) Project for the Rhode Island historical structure flood hazard vulnerability assessment.

(29) Project for coastal storm risk management, Norfolk, Virginia.

(30) Project for navigation, Tacoma Harbor, Washington.

Review. Determination.

(b) LOWER SAN JOAQUIN RIVER, CALIFORNIA.—In expediting completion of the second phase of the Lower San Joaquin River feasibility study under subsection (a)(7), the Secretary shall review and give priority to any plans and designs requested by non-Federal interests and incorporate such plans and designs into the Federal study if the Secretary determines that such plans and designs are consistent with Federal standards.

(c) HUDSON-RARITAN ESTUARY COMPREHENSIVE RESTORATION PROJECT, NEW JERSEY AND NEW YORK.—In the case of a recommendation for restoration activities within the Jamaica Bay Unit of the Hudson-Raritan Estuary Comprehensive Restoration Project, New Jersey and New York, under subsection (a)(22), which are to protect property under the jurisdiction of the National Park Service, the Secretary may recommend to Congress that the Secretary accept and expend funds from the National Park Service to carry out such activities.

(d) POST-AUTHORIZATION CHANGE REPORT.—The Secretary shall expedite completion of a post-authorization change report for the

project for flood risk management, San Luis Rey River Flood Control Protection Project, California.

(e) HUNTINGDON COUNTY, PENNSYLVANIA.—

(1) IN GENERAL.—The Secretary shall expedite the updating of the master plan for the Juniata River and tributaries project, Huntingdon County, Pennsylvania, authorized by section 203 of the Flood Control Act of 1962 (Public Law 87–874; 76 Stat. 1182).

(2) PROCESS.—In carrying out subsection (a), the Secretary shall update the master plan in accordance with section 1309(a)(2) of the Water Resources Development Act of 2016 (Public Law 114–322; 130 Stat. 1693).

(f) UPPER MISSOURI RIVER BASIN FLOOD AND DROUGHT MONITORING.—The Secretary shall expedite activities authorized under section 4003(a) of the Water Resources Reform and Development Act of 2014 (128 Stat. 1311, 130 Stat. 1677).

(g) PROJECT MODIFICATIONS FOR IMPROVEMENT OF ENVIRONMENT.—For fiscal years 2019 and 2020, the Secretary shall give priority to projects that restore degraded ecosystems through modification of existing flood risk management projects for projects—

(1) authorized under section 1135 of the Water Resources Development Act of 1986 (33 U.S.C. 2309a); and

(2) located within the Upper Missouri River Basin.

(h) EXPEDITED COMPLETION OF CERTAIN PROJECTS.—It is the sense of Congress that the Secretary should provide funding for, and expedite the completion of, the following projects:

(1) West Haven, Connecticut, as authorized by section 101 of the River and Harbor Act of 1954 (68 Stat. 1254) and section 3 of the Act of August 13, 1946 (60 Stat. 1056, chapter 960; 33 U.S.C. 426g).

(2) Providence River, Rhode Island, as authorized by the first section of the Act of August 26, 1937 (50 Stat. 845, chapter 832) and section 301 of the River and Harbor Act of 1965 (79 Stat. 1089).

(3) Morganza to the Gulf, Louisiana, as authorized by section 7002(3) of the Water Resources Reform and Development Act of 2014 (128 Stat. 1368).

(4) Louisiana Coastal Area, Louisiana, as authorized by section 7002(5) of the Water Resources Reform and Development Act of 2014 (128 Stat. 1369).

(5) Louisiana Coastal Area–Barataria Basin Barrier, Louisiana, as authorized by section 7002(5) of the Water Resources Reform and Development Act of 2014 (128 Stat. 1370).

(6) West Shore Lake Pontchartrain, Louisiana, as authorized by section 1401(3) of the Water Resources Development Act of 2016 (130 Stat. 1712).

(7) Southwest Coastal Louisiana, Louisiana, as authorized by section 1401(8) of the Water Resources Development Act of 2016 (130 Stat. 1715).

(8) West Thompson Lake, Connecticut, as authorized by section 203 of the Flood Control Act of 1960 (74 Stat. 489).

SEC. 1204. GAO STUDY ON BENEFIT-COST ANALYSIS REFORMS.

Not later than 1 year after the date of enactment of this Act, the Comptroller General of the United States shall— Deadline.

(1) conduct a study on the benefit-cost procedures of the Secretary and the Director of the Office of Management and Budget (referred to in this section as the "Director"), including—

(A) an examination of the benefits and costs that the Secretary and the Director do and do not include in the benefit-cost calculation, including, at a minimum, local and regional economic benefits; and

Review.

(B) a review of the calculation, if any, of navigation benefits used in a benefit-cost calculation for a non-commercial harbor that is used by a State maritime academy (as defined in section 51102 of title 46, United States Code) for military training purposes; and

(2) submit to Congress a report that—

(A) describes the results of the study under paragraph (1); and

Recommendations.

(B) includes recommendations for legislative or regulatory changes to improve the benefit-cost analysis procedures of the Secretary and the Director.

SEC. 1205. HARBOR MAINTENANCE TRUST FUND REPORT.

(a) DEADLINE.—Not later than 180 days after enactment of this Act, the Secretary shall submit reports under section 210(e)(3) of the Water Resources Development Act of 1986 (33 U.S.C. 2238(e)(3)) and section 330 of the Water Resources Development Act of 1992 (26 U.S.C. 9505 note; Public Law 102–580) to the Committee on Transportation and Infrastructure of the House of Representatives and to the Committee on Environment and Public Works of the Senate.

(b) ADDITIONAL INFORMATION.—For each report described in subsection (a) that is submitted after the date of enactment of this Act, the Secretary shall include, on a project-by-project basis, additional information identifying—

(1) the most recent fiscal year for which operations and maintenance activities have been carried out and the cost of those activities; and

(2) the operations and maintenance activities that were performed through either a recommendation from Congress or unspecified funds made available for ongoing work.

Public information.

(c) AVAILABILITY.—The Secretary shall make publicly available all reports described in subsection (a) submitted before, on, or after the date of enactment of this Act.

SEC. 1206. IDENTIFICATION OF NONPOWERED DAMS FOR HYDROPOWER DEVELOPMENT.

Deadline. Lists.

(a) IN GENERAL.—Not later than 18 months after the date of enactment of this section, the Secretary shall develop a list of existing nonpowered dams owned and operated by the Corps of Engineers that have the greatest potential for hydropower development.

(b) CONSIDERATIONS.—In developing the list under subsection (a), the Secretary may consider the following:

(1) The compatibility of hydropower generation with existing purposes of the dam.

(2) The proximity of the dam to existing transmission resources.

(3) The existence of studies to characterize environmental, cultural, and historic resources relating to the dam.

(4) Whether hydropower is an authorized purpose of the dam.

(c) AVAILABILITY.—The Secretary shall provide the list developed under subsection (a) to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Environment and Public Works of the Senate, and make such list available to the public. Public information.

SEC. 1207. STUDY ON INNOVATIVE PORTS FOR OFFSHORE WIND DEVELOPMENT.

(a) DEFINITION OF INNOVATIVE PORT FOR OFFSHORE WIND DEVELOPMENT.—In this section, the term "innovative port for offshore wind development" includes any federally authorized port or harbor that can accommodate (including through retrofitting)—

(1) the upright assembly of the majority of an offshore wind facility, including the foundation, tower, turbine, blade, and electrical components;

(2) an assembly area, ground-bearing pressure, and overhead clearance for the assembly of offshore wind facility turbines, which each have a capacity of up to 20 megawatts;

(3) a heavy-lift quay and not less than 25 acres of port storage;

(4) innovative offshore wind facility and vessel technologies that allow for the rapid installation of an offshore wind facility; and

(5) any other innovative offshore wind facility technology, as determined by the Secretary.

(b) STUDY AND REPORT.—

(1) IN GENERAL.—Not later than 1 year after the date of enactment of this Act, the Secretary shall—

(A) in consultation with the all appropriate Federal agencies, carry out a study of all federally authorized ports and harbors, including in the Mid-Atlantic, Gulf Coast, West Coast, Great Lakes, and New England regions of the United States, to identify— Consultation.

(i) not less than three suitable federally authorized ports and harbors in those regions that could become innovative ports for offshore wind development;

(ii) barriers to the development of innovative ports for offshore wind development;

(iii) the Federal and State actions, including dredging and construction of supporting infrastructure, needed to facilitate the development of the federally authorized ports and harbors identified under clause (i) to become innovative ports for offshore wind development; and

(iv) recommendations on any further research needed to improve federally authorized ports and harbors in the United States for offshore wind facility development and deployment; and Recommendations.

(B) submit to Congress a report describing the results of the study under subparagraph (A).

(2) CONSULTATION.—In carrying out the study under paragraph (1), the Secretary shall consult with, at a minimum—

(A) the Governor of each State in which a port or harbor was identified;

(B) affected port authorities;

(C) units of local government; and

(D) relevant experts in engineering, environment, and industry considerations.

SEC. 1208. INNOVATIVE MATERIALS AND ADVANCED TECHNOLOGIES REPORT.

Not later than 1 year after the date of enactment of this Act, the Secretary shall submit to Congress a report that—

(1) describes activities conducted by the Corps of Engineers at centers of expertise, technology centers, technical centers, research and development centers, and similar facilities and organizations relating to the testing, research, development, identification, and recommended uses for innovative materials and advanced technologies, including construction management technologies, in water resources development projects; and

Recommendations.

(2) provides recommendations for types of water resources development projects in which innovative materials and advanced technologies should be used.

SEC. 1209. STUDY AND REPORT ON EXPEDITING CERTAIN WAIVER PROCESSES.

Not later than 1 year after the date of enactment of this Act, the Secretary shall complete and submit to the Committee on Environment and Public Works of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives a report based on the results of a study on the best options available to the Secretary to implement the waiver process for the non-Federal cost share under section 116 of the Energy and Water Development and Related Agencies Appropriations Act, 2010 (Public Law 111–85; 123 Stat. 2851).

SEC. 1210. REPORT ON DEBRIS REMOVAL.

Public information.

Not later than 180 days after the date of enactment of this Act, the Secretary shall submit to Congress and make publicly available a report that describes—

(1) the extent to which the Secretary has carried out section 3 of the Act of March 2, 1945 (33 U.S.C. 603a); and

(2) how the Secretary has evaluated potential work to be carried out under that section.

SEC. 1211. CORPS FLOOD POLICY WITHIN URBAN AREAS.

Not later than 1 year after the date of enactment of this Act, the Secretary shall report to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Environment and Public Works of the Senate on—

(1) flooding within urban floodplains; and

(2) the Federal policy constraints on the ability of the Secretary to address urban flooding, including the regulations under part 238 of title 33, Code of Federal Regulations (as in effect on the date of enactment of this Act) (including the limitation under section 238.7(a)(1) of that title that allows the Secretary to provide assistance only where the flood discharge of a stream or waterway within an urban area is greater than 800 cubic feet per second for the 10-percent flood).

SEC. 1212. FEASIBILITY STUDIES FOR MITIGATION OF DAMAGE.

Not later than 1 year after the date of enactment of this Act, the Secretary shall submit to the Committee on Transportation

and Infrastructure of the House of Representatives and the Committee on Environment and Public Works of the Senate a report that identifies—

(1) feasibility studies that are incomplete as of the date of enactment of this Act for a project for mitigation of damage to an area affected by weather or other events for which—

(A) during the 8-year period ending on the date of enactment of this Act—

(i) the Secretary provided emergency response under section 5 of the Act of August 18, 1941 (33 U.S.C. 701n); or

(ii) the area received assistance under the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 et seq.); and

(B) there is significant risk for future similar events (as determined by the Secretary); and

(2) for each feasibility study identified under paragraph (1), impediments to completing the study.

SEC. 1213. APPLICATIONS OF MILITARY LEASING AUTHORITIES.

Deadline.

Not later than 2 years after the date of enactment of this Act, the Secretary shall—

(1) complete a study on the application of section 2667 of title 10, United States Code, enhanced use leasing authorities, and other military leasing authorities to the civil works program of the Secretary; and

(2) submit to Congress a report on the results of the study under paragraph (1), including a description of the obstacles that must be removed so that the Assistant Secretary of the Army for Civil Works may implement the authorities.

SEC. 1214. COMMUNITY ENGAGEMENT.

(a) REPORT.—Not later than 2 years after the date of enactment of this section, the Secretary shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Environment and Public Works of the Senate a report on any potential disproportionate and adverse health or environmental effects of programs, policies, and activities of the Corps of Engineers related to water resources development projects on minority communities, low-income communities, rural communities, and Indian Tribes.

(b) CONSULTATION.—In preparing the report under subsection (a), the Secretary shall provide public and private meetings with representatives of minority communities, low-income communities, rural communities, and Indian Tribes, as well as representatives of State and local governments, and shall ensure that sufficient meetings are held in different geographic regions of the United States to ensure that a diversity of views are obtained.

(c) RECOMMENDATIONS.—The report submitted under subsection (a) shall include—

(1) the identification of any disproportionate and adverse health or environmental effects to the communities and Tribes; and

(2) any recommendations of the Secretary for addressing such effects, including recommended changes to the statutory or regulatory authorities of the Corps of Engineers, or changes to the policies or guidance of the Corps of Engineers.

SEC. 1215. TRANSPARENCY IN ADMINISTRATIVE EXPENSES.

Section 1012(b)(1) of the Water Resources Reform and Development Act of 2014 (33 U.S.C. 2315a(b)(1)) is amended by striking "The Secretary" and inserting "Not later than 1 year after the date of enactment of the Water Resources Development Act of 2018, the Secretary".

SEC. 1216. ASSESSMENT OF HARBORS AND INLAND HARBORS.

Section 210(e) of the Water Resources Development Act of 1986 (33 U.S.C. 2238) is amended—

(1) in paragraph (1), by striking "shall assess the" and inserting "shall assess, and issue a report to Congress on, the"; and

(2) in paragraph (2), by adding at the end the following:

"(C) OPPORTUNITIES FOR BENEFICIAL USE OF DREDGED MATERIALS.—In carrying out paragraph (1), the Secretary shall identify potential opportunities for the beneficial use of dredged materials obtained from harbors and inland harbors referred to in subsection (a)(2), including projects eligible under section 1122 of the Water Resources Development Act of 2016 (130 Stat. 1645; 33 U.S.C. 2326 note).".

SEC. 1217. MAINTENANCE OF HIGH-RISK FLOOD CONTROL PROJECTS.

Time periods.

(a) ASSESSMENT.—With respect to each project classified as class III under the Dam Safety Action Classification of the Corps of Engineers for which the Secretary has assumed responsibility for maintenance as of the date of enactment of this Act, the Secretary shall assess—

(1) the anticipated effects of the Secretary continuing to be responsible for the maintenance of the project during the period that ends 15 years after the date of enactment of this Act, including the benefits to the State and local community; and

(2) the anticipated effects of the Secretary not continuing to be responsible for the maintenance of the project during such 15-year period, including the costs to the State and local community.

(b) REPORT.—Not later than 90 days after completion of the assessment under subsection (a), the Secretary shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Environment and Public Works of the Senate a report summarizing the results of the assessment.

SEC. 1218. NORTH ATLANTIC DIVISION REPORT ON HURRICANE BARRIERS AND HARBORS OF REFUGE.

Consultation.

Not later than 1 year after the date of enactment of this Act, the Secretary, in consultation with State and local experts in the North Atlantic Division of the Corps of Engineers, shall submit to Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Environment and Public Works of the Senate a report on the durability and resiliency of existing hurricane barriers and harbors of refuge in the North Atlantic Division, giving particular consideration as to how such barriers and harbors will survive and fully serve their planned levels of protection under current, near, and longer term future predicted sea levels, storm surges, and storm strengths.

SEC. 1219. GREAT LAKES COASTAL RESILIENCY STUDY.

(a) IN GENERAL.—The Secretary shall carry out a comprehensive assessment of the water resources needs of the Great Lakes System under section 729 of the Water Resources Development Act of 1986 (33 U.S.C. 2267a).

(b) COOPERATION.—In carrying out the assessment pursuant to subsection (a), the Secretary shall cooperate with stakeholders and coordinate with all ongoing programs and projects of the Great Lakes Restoration Initiative under section 118(c)(7) of the Federal Water Pollution Control Act (33 U.S.C. 1268).

(c) DEFINITIONS.—The term "Great Lakes System" has the meaning given such term in section 118(a) of the Federal Water Pollution Control Act (33 U.S.C. 1268(a)).

SEC. 1220. MCMICKEN DAM, ARIZONA, AND MUDDY RIVER, MASSACHUSETTS.

(a) REPORT.—The Secretary shall submit a report to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Environment on Public Works of the Senate on the status of—

(1) the project at McMicken Dam, Arizona, authorized by section 304 of the Act of August 7, 1953 (67 Stat. 450); and

(2) the project for flood damage reduction and environmental restoration, Muddy River, Brookline and Boston, Massachusetts, authorized by section 522 of the Water Resources Development Act of 2000 (114 Stat. 2656).

(b) REQUIREMENTS.—The report under subsection (a) shall include a description of the reasons of the Secretary for deauthorizing the projects described in subsection (a).

SEC. 1221. TABLE ROCK LAKE, ARKANSAS AND MISSOURI.

Not later than 120 days after the date of enactment of this Act, the Secretary shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Environment and Public Works of the Senate a report on the implementation of section 1185(c) of the Water Resources Development Act of 2016 (130 Stat. 1680).

SEC. 1222. FORECAST-INFORMED RESERVOIR OPERATIONS.

(a) REPORT ON FORECAST-INFORMED RESERVOIR OPERATIONS.—Not later than 1 year after the date of completion of the forecast-informed reservoir operations research study pilot program at Coyote Valley Dam, Russian River Basin, California (authorized by the River and Harbor Act of 1950 (64 Stat. 177)), the Secretary shall issue a report to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Environment and Public Works of the Senate on the results of the study pilot program.

(b) CONTENTS OF REPORT.—The Secretary shall include in the report issued under subsection (a)—

(1) an analysis of the use of forecast-informed reservoir operations at Coyote Valley Dam, California; Analysis.

(2) an assessment of the viability of using forecast-informed reservoir operations at other dams owned or operated by the Secretary; Assessment.

(3) an identification of other dams owned or operated by the Secretary where forecast-informed reservoir operations may

assist the Secretary in the optimization of future reservoir operations; and

(4) any additional areas for future study of forecast-informed reservoir operations.

SEC. 1223. CEDAR RIVER, IOWA.

Not later than 90 days after the date of enactment of this Act, the Secretary shall complete and submit to the Committee on Environment and Public Works of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives a report summarizing the path forward and timeline to implement the project for flood risk management at Cedar River, Cedar Rapids, Iowa, authorized by section 7002(2) of the Water Resources Reform and Development Act of 2014 (128 Stat. 1366).

SEC. 1224. OLD RIVER CONTROL STRUCTURE, LOUISIANA.

(a) IN GENERAL.—Not later than 180 days after the date of enactment of this Act, the Secretary shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Environment and Public Works of the Senate a report on the structure and operations plan for the Old River control structure authorized by the Flood Control Act of 1954 (68 Stat. 1258), based on the best available science, improved monitoring capabilities, and other factors as determined by the Secretary, including consideration of—

(1) flood control;

(2) navigational conditions;

(3) water supply;

Not later than June 30, 2019, the Secretary shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Environment and Public Works of the Senate a report on the status of the implementation of the water supply contract, Department of the Army, Civil Works Contract No. 29–68–A–0130, at Wright Patman Lake, Texas, that—

(1) describes the implementation of that contract at Wright Patman Lake; and

(2) identifies—

(A) the activities that the Secretary expects to be necessary to complete the execution of the contract;

(B) the expected completion date for each activity identified under subparagraph (A); and

(C) the expected date of completion of the execution of the contract.

Subtitle C—Deauthorizations, Modifications, and Related Provisions

33 USC 579d–1.

SEC. 1301. DEAUTHORIZATION OF INACTIVE PROJECTS.

(a) PURPOSES.—The purposes of this section are—

(1) to identify $4,000,000,000 in water resources development projects authorized by Congress that are no longer viable for construction due to—

(A) a lack of local support;

(B) a lack of available Federal or non-Federal resources; or

(C) an authorizing purpose that is no longer relevant or feasible;

(2) to create an expedited and definitive process for Congress to deauthorize water resources development projects that are no longer viable for construction; and

(3) to allow the continued authorization of water resources development projects that are viable for construction.

(b) INTERIM DEAUTHORIZATION LIST.—

(1) IN GENERAL.—The Secretary shall develop an interim deauthorization list that identifies—

(A) each water resources development project, or separable element of a project, authorized for construction before November 8, 2007, for which—

(i) planning, design, or construction was not initiated before the date of enactment of this Act; or

(ii) planning, design, or construction was initiated before the date of enactment of this Act, but for which no funds, Federal or non-Federal, were obligated for planning, design, or construction of the project or separable element of the project during the current fiscal year or any of the 6 preceding fiscal years;

(B) each project or separable element of a project identified and included on a list to Congress for deauthorization pursuant to section 1001(b)(2) of the Water Resources Development Act of 1986 (33 U.S.C. 579a(b)(2)); and

(C) any project or separable element of a project for which the non-Federal sponsor of such project or separable element submits a request for inclusion on the list.

(2) PUBLIC COMMENT AND CONSULTATION.—

(A) IN GENERAL.—The Secretary shall solicit comments from the public and the Governors of each applicable State on the interim deauthorization list developed under paragraph (1).

(B) COMMENT PERIOD.—The public comment period shall be 90 days.

Deadline.

(3) SUBMISSION TO CONGRESS; PUBLICATION.—Not later than 90 days after the date of the close of the comment period under paragraph (2), the Secretary shall—

(A) submit a revised interim deauthorization list to the Committee on Environment and Public Works of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives; and

(B) publish the revised interim deauthorization list in the Federal Register. Federal Register, publication.

(c) FINAL DEAUTHORIZATION LIST.—

(1) IN GENERAL.—The Secretary shall develop a final deauthorization list of water resources development projects, or separable elements of projects, from the revised interim deauthorization list described in subsection (b)(3).

(2) DEAUTHORIZATION AMOUNT.—

(A) PROPOSED FINAL LIST.—The Secretary shall prepare a proposed final deauthorization list of projects and separable elements of projects that have, in the aggregate, an estimated Federal cost to complete that is at least $4,000,000,000.

(B) DETERMINATION OF FEDERAL COST TO COMPLETE.—For purposes of subparagraph (A), the Federal cost to complete shall take into account any allowances authorized by section 902 of the Water Resources Development Act of 1986 (33 U.S.C. 2280), as applied to the most recent project schedule and cost estimate.

(3) IDENTIFICATION OF PROJECTS.—

(A) SEQUENCING OF PROJECTS.—

(i) IN GENERAL.—The Secretary shall identify projects and separable elements of projects for inclusion on the proposed final deauthorization list according to the order in which the projects and separable elements of the projects were authorized, beginning with the earliest authorized projects and separable elements of projects and ending with the latest project or separable element of a project necessary to meet the aggregate amount under paragraph (2)(A).

(ii) FACTORS TO CONSIDER.—The Secretary may identify projects and separable elements of projects in an order other than that established by clause (i) if the Secretary determines, on a case-by-case basis, that a project or separable element of a project is critical for interests of the United States, based on the possible impact of the project or separable element of the project on public health and safety, the national economy, or the environment. Determination.

(iii) CONSIDERATION OF PUBLIC COMMENTS.—In making determinations under clause (ii), the Secretary shall consider any comments received under subsection (b)(2).

(B) APPENDIX.—The Secretary shall include as part of the proposed final deauthorization list an appendix that—

(i) identifies each project or separable element of a project on the interim deauthorization list developed under subsection (b) that is not included on the proposed final deauthorization list; and

(ii) describes the reasons why the project or separable element is not included on the proposed final list.

(4) PUBLIC COMMENT AND CONSULTATION.—

(A) IN GENERAL.—The Secretary shall solicit comments from the public and the Governor of each applicable State

on the proposed final deauthorization list and appendix developed under paragraphs (2) and (3).

(B) COMMENT PERIOD.—The public comment period shall be 90 days.

(5) SUBMISSION OF FINAL LIST TO CONGRESS; PUBLICATION.—Not later than 120 days after the date of the close of the comment period under paragraph (4), the Secretary shall— Deadline.

(A) submit a final deauthorization list and an appendix to the final deauthorization list in a report to the Committee on Environment and Public Works of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives; and

(B) publish the final deauthorization list and the appendix to the final deauthorization list in the Federal Register. Federal Register, publication.

(d) DEAUTHORIZATION; CONGRESSIONAL REVIEW.—

(1) IN GENERAL.—After the expiration of the 180-day period beginning on the date of submission of the final deauthorization list and appendix under subsection (c), a project or separable element of a project identified in the final deauthorization list is hereby deauthorized, unless Congress passes a joint resolution disapproving the final deauthorization list prior to the end of such period. Time period.

(2) NON-FEDERAL CONTRIBUTIONS.—

(A) IN GENERAL.—A project or separable element of a project identified in the final deauthorization list under subsection (c) shall not be deauthorized under this subsection if, before the expiration of the 180-day period referred to in paragraph (1), the non-Federal interest for the project or separable element of the project provides sufficient funds to complete the project or separable element of the project.

(B) TREATMENT OF PROJECTS.—Notwithstanding subparagraph (A), each project and separable element of a project identified in the final deauthorization list shall be treated as deauthorized for purposes of the aggregate deauthorization amount specified in subsection (c)(2)(A).

(3) PROJECTS IDENTIFIED IN APPENDIX.—A project or separable element of a project identified in the appendix to the final deauthorization list shall remain subject to future deauthorization by Congress.

(e) SPECIAL RULE FOR PROJECTS RECEIVING FUNDS FOR POST-AUTHORIZATION STUDY.—A project or separable element of a project may not be identified on the interim deauthorization list developed under subsection (b), or the final deauthorization list developed under subsection (c), if the project or separable element received funding for a post-authorization study during the current fiscal year or any of the 6 preceding fiscal years. Time period.

(f) GENERAL PROVISIONS.—

(1) DEFINITIONS.—In this section, the following definitions apply:

(A) POST-AUTHORIZATION STUDY.—The term "post-authorization study" means—

(i) a feasibility report developed under section 905 of the Water Resources Development Act of 1986 (33 U.S.C. 2282);

(ii) a feasibility study, as defined in section 105(d) of the Water Resources Development Act of 1986 (33 U.S.C. 2215(d)); or

(iii) a review conducted under section 216 of the Flood Control Act of 1970 (33 U.S.C. 549a), including an initial appraisal that—

(I) demonstrates a Federal interest; and

(II) requires additional analysis for the project or separable element.

(B) WATER RESOURCES DEVELOPMENT PROJECT.—The term "water resources development project" includes an environmental infrastructure assistance project or program of the Corps of Engineers.

(2) TREATMENT OF PROJECT MODIFICATIONS.—For purposes of this section, if an authorized water resources development project or separable element of the project has been modified by an Act of Congress, the date of the authorization of the project or separable element shall be deemed to be the date of the most recent modification.

SEC. 1302. BACKLOG PREVENTION. 33 USC 579c–2.

(a) PROJECT DEAUTHORIZATION.—

(1) IN GENERAL.—A water resources development project authorized for construction by this Act shall not be authorized after the last day of the 10-year period beginning on the date of enactment of this Act unless— Time period.

(A) funds have been obligated for construction of, or a post-authorization study for, such project or such separable element during such period; or

(B) a subsequent Act of Congress modifies the authorization contained in this Act.

(2) IDENTIFICATION OF PROJECTS.—Not later than 60 days after the expiration of the 10-year period described in paragraph (1), the Secretary shall submit to the Committee on Environment and Public Works of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives a report that identifies the projects deauthorized under paragraph (1). Reports.

(b) REPORT TO CONGRESS.—Not later than 60 days after the expiration of the 12-year period beginning on the date of enactment of this Act, the Secretary shall submit to the Committee on Environment and Public Works of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives, and make available to the public, a report that contains— Public information.

(1) a list of any water resources development projects authorized by this Act for which construction has not been completed; Lists.

(2) a description of the reasons each project was not completed;

(3) a schedule for the completion of the projects based on expected levels of appropriations; Schedule.

(4) a 5-year and 10-year projection of construction backlog; and Projections.

(5) any recommendations to Congress regarding how to mitigate the backlog. Recommendations.

SEC. 1303. PROJECT MODIFICATIONS.

(a) CONSISTENCY WITH REPORTS.—Congress finds that the project modifications described in this section are in accordance with the reports submitted to Congress by the Secretary under section 7001 of the Water Resources Reform and Development Act of 2014 (33 U.S.C. 2282d), titled "Report to Congress on Future Water Resources Development", or have otherwise been reviewed by Congress.

(b) MODIFICATIONS.—
