feet at ordinary mean high tide, and of a width of not less than one hundred and twenty-five feet, ten thousand dollars more, to be paid in manner aforesaid; and should the depth of twenty-five feet at ordinary mean high tide in said channel over said outer bar be procured on or before the time aforesaid, and maintained for two years for the width named thereafter, twenty-five thousand dollars in addition, to be paid in manner aforesaid; and should the depth of twenty-six feet at ordinary mean tide for the width named be procured on or before the date named, and maintained for two years thereafter, twenty-five thousand dollars in addition, to be paid in manner aforesaid. The said C. P. Goodyear, his heirs and assigns, shall perform said work on said outer bar by the explosion of dynamite on the bottom of said channel or sunk beneath the bottom of said channel, in his or their discretion, and not otherwise; and the channel to be deepened as aforesaid shall be north of the present buoyed-out channel, so that said work shall not interfere with the commerce of the port of Brunswick during the progress of such work. The Secretary of War shall detail an officer of engineers to examine and report upon said work from time to time, at such times as the said C. P. Goodyear, his heirs and assigns, announce that they have complied with the conditions as to any of the depths and widths named, or as to the maintenance of depths of twenty five and twenty-six feet, and payments to be made as aforesaid upon the certificate of such engineer that such depth and width, or such maintenance, has been accomplished in accordance with the provisions of this act. And the money necessary to carry out the provisions of this act is hereby appropriated out of any money in the Treasury not otherwise appropriated.
