CHAP. 67.—An Act To authorize the construction of a bridge across the Mississippi River, in the county of Aitkin, State of Minnesota.

Aitkin County,
 Minn., may bridge
 Mississippi River.

Location.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the county of Aitkin, in the State of Minnesota, is hereby authorized and empowered to erect, establish, and maintain, or authorize the erection, establishment, and maintenance of a wagon bridge across the Mississippi River at a point suitable to the interests of navigation from a point on the northerly bank of said river on or near the boundary line between sections twenty-three and twenty-four, township forty-seven north, of range twenty-seven west of the fourth principal meridian, in said county, so as to connect with the opposite shore of said river; that said bridge shall not interfere with the free navigation of said river beyond what is necessary in order to carry into effect the rights and privileges hereby granted.

Drawbridge.

SEC. 2. That the bridge under this Act shall be constructed as a pivot drawbridge, with the draw over the main and at right angles to the axis of the channel: *Provided,* That the said draw shall be opened promptly on reasonable signal for the passage of boats, vessels, and other water craft whose construction shall be such as not to admit of their passage under said bridge.

Proviso.
