

out the United States; to make investigations in regard to the best methods of road making, and the best kind of road-making materials in the several States; the employment of local and special agents, clerks, assistants, and other labor required in conducting experiments in the city of Washington and elsewhere; and in collating, digesting, reporting, and illustrating the results of such experiments; to enable the Secretary of Agriculture to investigate the chemical and physical character of road materials, for the pay of experts, chemists, and laborers, for necessary apparatus and materials; traveling, and other necessary expenses, and for preparing and publishing bulletins and reports on this subject for distribution, and to enable him to assist the agricultural colleges and experiment stations in disseminating information on this subject, thirty thousand dollars.

SILK INVESTIGATIONS: To enable the Secretary of Agriculture to collect and disseminate information relating to silk culture in the United States, and for all expenses for experimental work in connection therewith, including expert and other labor in the city of Washington and elsewhere, ten thousand dollars: *Provided*, That all existing statutes relating to the Division of Soils, reorganized into the Bureau of Soils; the Division of Forestry, reorganized into the Bureau of Forestry; the Division of Chemistry, reorganized into the Bureau of Chemistry; and the Division of Botany, the Division of Pomology, the Division of Vegetable Physiology and Pathology, the Division of Agrostology and Experimental Gardens and Grounds, reorganized into the Bureau of Plant Industry, not otherwise repealed, shall remain in effect as applying to the respective bureaus into which the divisions named have been reorganized: *And provided further*, That advances of public money from the appropriations for the Department of Agriculture shall be made by the Secretary of Agriculture only to such chiefs of field parties, agricultural explorers, special agents, and others as shall have given bonds in such sums as the Secretary of Agriculture shall direct.

Provided further, That hereafter the estimates of appropriations for the Department of Agriculture shall be prepared and submitted each year according to the order and arrangement of the Act for the year preceding; and any changes in such order or arrangement desired by the Secretary of Agriculture may be submitted by note in the estimates.

It shall be the duty of the Secretary of Agriculture to submit, in the Book of Estimates for the fiscal year nineteen hundred and four, and annually thereafter, immediately following estimates of each of the respective offices, bureaus and divisions of the Department of Agriculture a statement showing in detail the number of clerks who were employed in the District of Columbia upon regular and continuous work for thirty days or more during the previous fiscal year in or under such offices, bureaus or divisions under authority of and paid from general appropriations, indicating in the case of every such employment the rate of compensation received and the appropriation from which paid.

CHAP. 1030.—An Act Authorizing the board of supervisors of Santa Cruz County, Arizona, to issue bonds for the erection of a court-house and jail for said county.

Santa Cruz County,
Ariz.
Bonds for court-
house and jail author-
ized.

Denomination and
interest.

Time of payment.

Sinking fund.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the board of supervisors of the county of Santa Cruz, Territory of Arizona, is hereby authorized to issue bonds on said county in the sum of thirty-five thousand dollars for the construction of a court-house and jail for said county and vaults for the preservation of its records.

SEC. 2. That said bonds may be in such denominations as the said board may prescribe and shall bear not more than five per centum interest per annum, and shall not be sold for less than their par value. Said bonds shall be made payable in thirty years, with an option on the part of the county to pay any or all of them after ten years from the date of their issue.

SEC. 3. That for the purpose of paying the interest on said bonds as it becomes due and provide for a sinking fund to pay said bonds the
