wit: The southwest quarter of the southwest quarter of the southwest quarter of section twelve, in township fifteen north, of range one east of the Black Hills meridian, in the county of Butte and State of South Dakota, containing an area of ten acres of land, said patent to contain the provision that said land shall be used for cemetery purposes only: *Provided*, That the said association pay one dollar and twenty-five cents per acre therefor.

Description.

Proviso.
Price.

Approved, April 19, 1906.

CHAP. 1640.—An Act Providing for the establishment of a life-saving station at or near Neah Bay, in the State of Washington, and for the construction of a first-class ocean-going tug to be used in connection therewith, for life-saving purposes in the vicinity of the north Pacific coast of the United States, and so forth.

April 19, 1906.
[S. 5026.]
[Public, No. 111.]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Secretary of the Treasury be, and is hereby, authorized to establish a life-saving station at or near Neah Bay, in the State of Washington, at such point as the general superintendent of the Life-Saving Service may recommend, said station, in addition to the usual equipment, to be supplied with two self-righting and self-bailing lifeboats, at a cost not to exceed thirty thousand dollars.

Life-Saving Service.
Station established near Neah Bay, Wash.

Maximum cost.

SEC. 2. That there shall be constructed, for and under the supervision of the Revenue-Cutter Service, a first-class ocean-going tug, for service in saving life and property in the vicinity of the north Pacific coast of the United States, which said tug shall be equipped with wireless-telegraph apparatus, surfboats, and such other modern life and property saving appliances as may be deemed useful in assisting vessels and rescuing persons and property from the perils of the sea at a cost not to exceed one hundred and seventy thousand dollars.

First-class ocean-going tug.
Post, p. 702.

Maximum cost.

SEC. 3. That said tug shall be manned and operated by the Revenue-Cutter Service, and, under such regulations as the Secretary of the Treasury may prescribe, shall cooperate with the life-saving station hereby authorized to be established.

Regulations.

Approved, April 19, 1906.

CHAP. 1641.—An Act To provide for the establishment of a public crematorium in the District of Columbia, and for other purposes.

April 20, 1906.
[H. R. 14578.]
[Public, No. 112.]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That whenever the dead body of any person who has died from smallpox, Asiatic cholera, typhus fever, the plague, leprosy, glanders, scarlet fever, diphtheria, or epidemic cerebro-spinal meningitis comes into the custody of any officer, employee, or agent of the District of Columbia to be disposed of at public expense, the said officer, employee, or agent shall cause said body to be incinerated.

District of Columbia.
Crematorium established.

SEC. 2. That the Commissioners of the District of Columbia be, and they are hereby, authorized and directed to erect and operate on reservation thirteen, commonly known as the Washington Asylum grounds, in the city of Washington, in said District, a crematorium of size sufficient for the incineration of all bodies that can not, except at public expense, be disposed of within a reasonable time after death, and for the incineration of such other bodies as may be presented for that purpose by the persons having custody thereof. Said Commissioners are hereby authorized to make and enforce all rules necessary for the proper maintenance and operation of said crematorium, and to prescribe and collect for the incineration of bodies not necessarily disposed

Location.

Enforcement of regulations.

Fees for incineration.
