[Pub. Res., No. 25.]

[No. 25.] Joint Resolution Directing the selection of a site for the erection of a bronze statue in Washington, District of Columbia, in honor of the late Henry Wadsworth Longfellow.

District of Columbia. Commission appointed to select site for statue to Henry Wadsworth Longfellow.

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the chairman of the Committee on the Library of the Senate, the Chairman of the Committee on the Library of the House of Representatives, the Secretary of War, and the President of the Longfellow National Memorial Association are hereby created a commission to select and prepare a site on property belonging to the United States in the city of Washington, other than the grounds of the Capitol or Library of Congress, and erect thereon a suitable pedestal for a statue in bronze of the late Henry Wadsworth Longfellow, to be provided by the Longfellow National Memorial Association.

Appropriation.

SEC. 2. That for the preparation of the site so selected and the erection of the pedestal the sum of four thousand dollars, or so much thereof as may be necessary, is hereby appropriated out of any money in the Treasury not otherwise appropriated: *Provided*, That the design for said statue shall be approved by the commission herein created.

Proviso. Design.

Approved, June 8, 1906.

June 9, 1906. [S. J. R. 54.]

[Pub. Res., No. 26.]

[No. 26.] Joint Resolution Authorizing a change in the weighing of the mails in the fourth section.

Weighing the mails. Time for ascertaining "average daily weight" reduced in the fourth section.

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That on account of the earthquake calamity in California on April eighteenth, nineteen hundred and six, the Postmaster-General is hereby authorized and directed to use the average daily weight of mails ascertained during the successive working days from February twentieth to April seventeenth, nineteen hundred and six, both inclusive, in adjusting the compensation, according to law, on all railroad routes in the fourth section for the transportation of mails during the quadrennial term beginning July first, nineteen hundred and six, notwithstanding the provision of the Act of Congress approved March third, nineteen hundred and five, requiring that the average daily weight shall be ascertained by the weighing of the mails for such a number of successive working days not less than ninety.

Vol. 33, p. 1088.

Approved, June 9, 1906.
