Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That from and after sixty days from the date of this Act the status of the lands allotted heretofore or hereafter to allottees of the Five Civilized Tribes shall, as regards restrictions on alienation or incumbrance, be as follows: All lands, including homesteads, of said allottees enrolled as intermarried whites, as freedmen, and as mixed-blood Indians having less than half Indian blood including minors shall be free from all restrictions. All lands, except homesteads, of said allottees enrolled as mixed-blood Indians having half or more than half and less than three-quarters Indian blood shall be free from all restrictions. All homesteads of said allottees enrolled as mixed-blood Indians having half or more than half Indian blood, including minors of such degrees of blood, and all allotted lands of enrolled full-bloods, and enrolled mixed-bloods of three-quarters or more Indian blood, including minors of such degrees of blood, shall not be subject to alienation, contract to sell, power of attorney, or any other incumbrance prior to April twenty-sixth, nineteen hundred and thirty-one, except that the Secretary of the Interior may remove such restrictions, wholly or in part, under such rules and regulations concerning terms of sale and disposal of the proceeds for the benefit of the respective Indians as he may prescribe. The Secretary of the Interior shall not be prohibited by this Act from continuing to remove restrictions as heretofore, and nothing herein shall be construed to impose restrictions removed from land by or under any law prior to the passage of this Act.
