The lands hereby excluded from the Whitman National Forest which are not embraced in withdrawals for administrative sites for use in the management of the Forest, or in any other reservation or appropriation, shall be restored to the public domain and become subject to settlement under the general provisions of the homestead laws on such date and after such notice by publication as the Secretary of the Interior may prescribe, but shall not become subject to entry, filing, selection, or other form of appropriation until the expiration of thirty days from the date so fixed, and no person will be permitted to gain or exercise any right whatever under any settlement or occupation begun prior to such date, and all such settlement and occupation are hereby forbidden.

Lands restored to public domain.

It is not intended by this proclamation to release any land from reservation except the areas indicated on the diagram as eliminated, nor to reserve any land not heretofore embraced in a National Forest.
