CHAP. 359.—An Act To prevent the dumping of refuse material in Lake Michigan at or near Chicago.

June 23, 1910.
[H. R. 18700.]

[Public, No. 245.]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That it shall not be lawful to throw, discharge, dump, or deposit, or cause, suffer, or procure, to be thrown, discharged, dumped, or deposited, any refuse matter of any kind or description whatever other than that flowing from streets and sewers and passing therefrom in a liquid state into Lake Michigan, at any point opposite or in front of the county of Cook, in the State of Illinois, or the county of Lake in the State of Indiana, within eight miles from the shore of said lake, unless said material shall be placed inside of a breakwater so arranged as not to permit the escape of such refuse material into the body of the lake and cause contamination thereof; and no officer of the Government shall dump or cause or authorize to be dumped any material contrary to the provisions of this Act: *Provided, however,* That the provisions of this Act shall not apply to work in connection with the construction, repair, and protection of breakwaters and other structures built in aid of navigation, or for the purpose of obtaining water supply. Any person violating any provision of this Act shall be guilty of a misdemeanor, and on conviction thereof shall be fined for each offense not exceeding one thousand dollars.

Lake Michigan.
Dumping refuse in,
near Chicago, Ill., un-
lawful.

Proviso.
Works excepted.

Penalty.

Approved, June 23, 1910.

CHAP. 360.—An Act To amend an Act entitled "An Act to regulate the construction of dams across navigable waters," approved June twenty-first, nineteen hundred and six.

June 23, 1910.
[H. R. 24375.]

[Public, No. 246.]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Act entitled "An Act to regulate the construction of dams across navigable waters," approved June twenty-first, nineteen hundred and six, be, and the same is hereby, amended to read as follows:

Dams.
Vol. 34, p. 386,
amended.

"SECTION 1. That when authority has been or may hereafter be granted by Congress, either directly or indirectly or by any official or officials of the United States, to any persons, to construct and maintain a dam for water power or other purpose across or in any of the navigable waters of the United States, such dam shall not be built or commenced until the plans and specifications for such dam and all accessory works, together with such drawings of the proposed construction and such map of the proposed location as may be required for a full understanding of the subject, have been submitted to the Secretary of War and the Chief of Engineers for their approval, nor until they shall have approved such plans and specifications and the location of such dam and accessory works; and when the plans and specifications for any dam to be constructed under the provisions of this Act have been approved by the Chief of Engineers and by the Secretary of War it shall not be lawful to deviate from such plans or specifications either before or after completion of the structure unless the modification of such plans or

Regulations govern-
ing constructing, over
navigable waters, ex-
tended.

Approval of Secre-
tary of War and Chief
of Engineers.

Changes.
