CHAP. 144.—An Act To appropriate $200,000 for training the Organized Militia or National Guard of any State, Territory, or of the District of Columbia.

National Guard.
Appropriation for participating in Army encampments, etc.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That for paying the expenses of the Organized Militia or National Guard of any State, Territory, or of the District of Columbia, which may be authorized by the Secretary of War to participate in such encampments as may be established for the field instruction of the troops of the Regular Army, as provided by sections fifteen and twenty-one of the Act of January twenty-first, nineteen hundred and three, entitled "An Act to promote the efficiency of the militia, and for other purposes," as amended, or as may hereafter be authorized by law, to be immediately available and to remain available until the end of the fiscal year nineteen hundred and seventeen, $200,000 is hereby appropriated: *Provided*, That when it is not practicable to obtain the presence of regular troops for a joint encampment, the funds herein appropriated shall be available for such encampments, maneuvers, and field instruction for the Organized Militia or National Guard as the Secretary of War may prescribe.

CHAP. 147.—An Act Creating an additional land district in the State of California, and for other purposes.

Public lands.
Imperial land district, California, created.
Description.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That an additional land district is hereby created for the State of California, to embrace the lands contained in the following-described boundaries: Beginning at the intersection of the range line between ranges five and six east of the San Bernardino meridian with the southern boundary of California; thence north along the range line, between ranges five and six east, to the northwest corner of township nine south, range six east; thence east along the second standard parallel south to the
