And the surveyor general for the state of Louisiana shall be, and he is hereby, authorized to cause to be surveyed the tracts claimed by virtue of this section; and in all cases where, by reason of bends in the river, lake, creek, bayou, or water-course, bordering on the tract, and of adjacent claims of a similar nature, each claimant cannot obtain a tract equal in quantity to the adjacent tract already owned by him, to divide the vacant land applicable to that object between the several claimants, in such manner as to him will appear most equitable: *Provided, however,* That the right of pre-emption granted by this section, shall not extend so far in depth as to include lands fit for cultivation, bordering on another river, creek, bayou or water-course. Whenever it shall be necessary to re-survey the public lands, in order to enable persons entitled to avail themselves of the provisions of this act, the expenses of such re-survey shall be paid by the person or persons, who shall enter the lands so re-surveyed under this act, at the time he or they shall pay the price of such land to the receiver of public money. And if any such person shall fail to deliver such notice within the said period of three years, or to make such payment or payments at the time above mentioned, his right of pre-emption shall cease, and become void; and the land may, thereafter, be purchased by any other person, in the same manner, and on the same terms, as are, or may be provided by law for the sale of other public lands in the said state.
