- For native Hawaiians or community pasture. *Infra*. *Post*, p. 112. SEC. 206. - Notice for selections out of larger areas. SEC. 207. (a) The commission is authorized to lease to native Hawaiians the right to the use and occupancy of a tract of Hawaiian home lands within the following acreage limits:
- Time required. (1) Not less than twenty nor more than eighty acres of agricultural lands; or
- Limitation on disposal of available lands.
- Powers of other officials over home lands restricted.
- Leases permitted to native Hawaiians. *Post*, p. 1221.

(2) Not less than one hundred nor more than five hundred acres of first-class pastoral lands; or

(3) Not less than two hundred and fifty nor more than one thousand acres of second-class pastoral lands.

(b) The title to lands so leased shall remain in the United States. Applications for tracts shall be made to and granted by the commission, under such regulations, not in conflict with any provision of this title, as the commission may prescribe. The commission shall, whenever tracts are available, enter into such a lease with any applicant who, in the opinion of the commission, is qualified to perform the conditions of such lease.

SEC. 208. Each lease made under the authority granted the commission by the provisions of section 207 of this title and the tract in respect to which the lease is made, shall be deemed subject to the following conditions, whether or not stipulated in the lease:

(1) The lessee shall be a native Hawaiian.

(2) The lessee shall pay a rental of \$1 a year for the tract and the lease shall be for a term of ninety-nine years;

(3) The lessee shall occupy and commence to use or cultivate the tract as his home or farm within one year after the lease is made;

(4) The lessee shall thereafter, for at least such part of each year as the commission shall by regulation prescribe, so occupy and use or cultivate the tract on his own behalf;

(5) The lessee shall not in any manner transfer to, or mortgage, pledge, or otherwise hold for the benefit of, any other person, except a native Hawaiian, and then only upon the approval of the commission, or agree so to transfer, mortgage, pledge, or otherwise hold, his interest in the tract. Such interest shall not, except in pursuance of such a transfer, mortgage, or pledge to or holding for or agreement with a native Hawaiian, be subject to attachment, levy, or sale upon court process. The lessee shall not sublet his interest in the tract or improvements thereon. Upon the death of the lessee his interest in the tract and improvements thereon shall vest under the limitations provided for homesteads in section 403 of the Revised Laws of Hawaii of 1915;

(6) The lessee shall pay all taxes assessed upon the tract and improvements thereon within sixty days after they became delinquent. If the lessee fails so to pay, the commission shall thereupon pay the taxes and have a lien therefor as provided in section 216 of this title;

(7) The lessee shall perform such other conditions, not in conflict with any provision of this title, as the commission may stipulate in the lease: *Provided, however,* That the lessee shall be exempt from all taxes for the first five years from date of lease.

SEC. 209. All successors, whether by agreement or process of law, to the interest of the lessee in any tract, shall be deemed to receive such interest subject to the conditions which would rest upon the lessee, if he then were the party holding the interest in the tract: *Provided,* That a successor receiving such interest by inheritance shall not, during the two years next following his inheritance, be deemed to have violated any of the conditions enumerated in section 208 of this title, even though he is not a native Hawaiian and does not on his own behalf occupy and use or cultivate the tract as a home or farm for such part of the year as the commission requires in accordance with the regulations prescribed by it under paragraph (4) of section 208 of this title.

SEC. 210. Whenever the commission has reason to believe that any condition enumerated in section 208, or any provision of section 209, of this title has been violated, the commission shall give due notice and afford opportunity for a hearing to the lessee of the tract in respect to which the alleged violation relates or to the successor

of the lessee's interest therein, as the case demands. If upon such hearing the commission finds that the lessee or his successor has violated any condition in respect to the leasing of such tract, the commission may declare his interest in the tract and all improvements thereon to be forfeited and the lease in respect thereto canceled, and shall thereupon order the tract to be vacated within a reasonable time. The right to the use and occupancy of the Hawaiian home lands contained in such tract shall thereupon revert in the commission and the commission may take possession of the tract and the improvements thereon.

SEC. 211. The commission shall, when practicable, provide from the Hawaiian home lands a community pasture adjacent to each district in which agricultural lands are leased, as authorized by the provisions of section 207 of this title.

SEC. 212. The commission may return any Hawaiian home lands not leased as authorized by the provisions of section 207 of this title to the control of the commissioner of public lands. Any Hawaiian home lands so returned shall, until the commission gives notice as hereinafter in this section provided, resume and maintain the status of public lands in accordance with the provisions of the Hawaiian Organic Act and the Revised Laws of Hawaii of 1915, except that such lands may be disposed of under a general lease only. Each such lease, whether or not stipulated therein, shall be deemed subject to the right and duty of the commission of public lands to terminate the lease and return the lands to the commission whenever the commission, with the approval of the Secretary of the Interior, gives notice to him that the commission is of the opinion that the lands are required by it for leasing as authorized by the provisions of section 207 of this title or for a community pasture.

SEC. 213. There is hereby established in the treasury of the Territory a revolving fund, to be known as the "Hawaiian home loan fund." The entire receipts derived from any leasing of public lands under the provisions of section 212 of this title and 30 per centum of the Territorial receipts derived from the leasing of cultivated sugar-cane lands under any other provision of law or from water licenses shall be covered into the fund until the total amount of the moneys paid therein equals \$1,000,000.

SEC. 214. The commission is hereby authorized to make loans from the fund to the lessee of any tract or the successor to his interest therein. Such loans may be made for the following purposes:

- (1) The erection of dwellings on any tract and the undertaking of other permanent improvements thereon;
- (2) The purchase of live stock and farm equipment; and
- (3) Otherwise assisting in the development of tracts.

SEC. 215. Each contract of loan with the lessee or the successor to his interest in the tract shall be held subject to the following conditions, whether or not stipulated in the contract of loan:

- (1) The amount of loans to any one borrower outstanding at any one time shall not exceed \$3,000.

- (2) The loans shall be repaid upon an amortization plan by means of a fixed number of annual installments sufficient to cover (a) interest on the unpaid principal at the rate of 5 per centum per annum, and (b) such amount of the principal as will extinguish the debt within an agreed period not exceeding thirty years. The moneys received by the commission from any installment paid upon such loan shall be covered into the fund. The payment of any installment due shall, with the concurrence therein of at least three of the five members of the commission, be postponed in whole or in part by the commission for such reasons as it deems good and sufficient and until such later date as it deems advisable. Such postponed pay-

ments shall continue to bear interest at the rate of 5 per centum per annum on the unpaid principal and interest.

(3) In case the borrower's interest in his tract or his successor's interest therein is transferred to or mortgaged, pledged, or otherwise held for the benefit of any native Hawaiian, or agreed so to be transferred, mortgaged, pledged, or otherwise held, as permitted by paragraph (5) of section 208 of this title, the commission may at its option declare all annual installments upon the loan immediately due and payable or permit the successor to the borrower's interest in the tract to assume the contract of loan. In case of the borrower's death, the commission shall permit the successor to the borrower's interest in the tract to assume the contract of loan.

(4) No part of the moneys loaned shall be devoted to any purpose other than those for which the loan is made.

(5) The borrower or the successor to his interest in the tract shall comply with such other conditions, not in conflict with any provision of this title, as the commission may stipulate in the contract of loan.

(6) The borrower or the successor to his interest in the tract shall comply with the conditions enumerated in section 208, and with the provisions of section 209 of this title in respect to the lease of the tract.

SEC. 216. The commission may require the borrower to insure, in such amount as the commission may by regulation prescribe, all live stock and dwellings and other permanent improvements upon his tract, purchased or constructed out of any moneys loaned from the fund; or in lieu thereof the commission may directly take out such insurance and add the cost thereof to the amount of the annual installments payable under the amortization plan. Whenever the commission has reason to believe that the borrower has violated any condition enumerated in paragraphs (2), (4), (5), or (6) of section 215 of this title, the commission shall give due notice and afford opportunity for a hearing to the borrower or the successor to his interest in the tract, as the case demands. If upon such hearing the commission finds that the borrower has violated the condition, the commission may declare all annual installments immediately due and payable, notwithstanding any provision in the contract of loan to the contrary. The commission shall have a lien upon the borrower's or lessee's interest in his tract, dwellings, and other permanent improvements thereon, and his live stock to the amount of all annual installments due and unpaid and of all taxes upon such tract and improvements paid by the commission. Such liens shall have priority over any other obligation for which the tract, dwellings, other improvements, or live stock may be security.

The commission may, at such time as it deems advisable, enforce any such lien by declaring the borrower's interest in his tract or his successor's interest therein, as the case may be, together with the dwellings and other permanent improvements thereon and the live stock, to be forfeited, and the lease in respect to such tract canceled, and shall thereupon order the tract to be vacated and the live stock surrendered within a reasonable time. The right to the use and occupancy of the Hawaiian home lands contained in such tract shall thereupon revert in the commission, and the commission may take possession of the tract and the improvements thereon: *Provided*, That the commission shall pay to the borrower any difference in his favor between (1) the fair value of the live stock and any improvements in respect to the tract made by the borrower or any predecessor to his interest in the tract, and (2) the amount of the lien.

SEC. 217. In case the lessee or borrower or the successor to his interest in the tract, as the case may be, fails to comply with any order issued by the commission under the provisions of section 210 or 216 of this title, the commission may (1) bring action of ejectment

Such court may thereupon order the lessee or his successor to comply with the order of the commission. Any failure to obey the order of the court may be punished by it as contempt thereof. Any tract forfeited under the provisions of section 210 or 216 of this title may be again leased by the commission as authorized by the provisions of section 207 of this title, except that the value, in the opinion of the commission, of all improvements made in respect to such tract by the original lessee or any successor to his interest therein shall constitute a loan by the commission to the new lessee. Such loan shall be subject to the provisions of this section and sections 215, except paragraph (1), and 216 to the same extent as loans made by the commission from the Hawaiian loan fund.
Lessees not eligible for loans under Territorial Act.	SEC. 218. No lessee of any tract or any successor to his interest therein shall be eligible to receive in respect to such tract any loan made under the provisions of the act of the legislature of the Territory entitled "the Farm Loan Act of Hawaii," approved April 30, 1919.
Agricultural experts authorized.	SEC. 219. The commission is authorized to employ agricultural experts at such compensation and in such number as it deems necessary. The annual expenditures for such compensation shall not exceed \$6,000. It shall be the duty of such agricultural experts to instruct and advise the lessee of any tract or the successor to the lessee's interest therein as to the best methods of diversified farming and stock raising and such other matters as will tend successfully to accomplish the purposes of this title.
Duties, etc.	SEC. 220. The commission is hereby authorized directly to undertake and carry on general water and other development projects in respect to Hawaiian home lands. The legislature of the Territory is authorized to appropriate out of the treasury of the Territory such sums as it deems necessary to provide the commission with funds sufficient to execute such projects. The legislature is further authorized to issue bonds to the extent required to yield the amount of any sum so appropriated. The commission shall pay from the Hawaiian home loan fund into the treasury of the Territory:
Water for home lands.	(1) Upon the date when any interest payment becomes due upon any bond so issued, the amount of the interest then due; and
Appropriations authorized for projects.	(2) Commencing with the first such date more than one year subsequent to the issuance of any bond and at each interest date thereafter, an amount such that the aggregate of all such amounts which become payable during the term of the bond, compounded annually at the rate of interest specified therein, shall equal the par value of the bond at the expiration of its term.
Issue of bonds.	SEC. 221. (a) When used in this section—
Payments from home loan fund.	(1) The term "water license" means any license issued by the commissioner of public lands granting to any person the right to the use of Government-owned water; and

(b) All water licenses issued after the passage of this Act shall be deemed subject to the condition, whether or not stipulated in the license, that the licensee shall, upon the demand of the commission, grant to it the right to use, free of all charge, any water which the commission deems necessary adequately to supply the live stock or the domestic needs of individuals upon any tract.
Terms construed.	(c) In order adequately to supply live stock or the domestic needs of individuals upon any tract, the commission is authorized

Supplying water for live stock or domestic needs.	

(1) to use, free of all charge, Government-owned water not covered by any water license or covered by a water license issued after the passage of this Act, or covered by a water license issued previous to the passage of this Act but containing a reservation of such water for the benefit of the public, and (2) to contract with any person for the right to use or to acquire, under eminent domain proceedings similar, as near as may be, to the proceedings provided in respect to land by sections 667 to 678, inclusive, of the Revised Laws of Hawaii of 1915, the right to use any privately owned surplus water or any Government-owned surplus water covered by a water license issued previous to the passage of this Act, but not containing a reservation of such water for the benefit of the public. Any such acquirement shall be held to be for a public use and purpose. The commission may institute the eminent domain proceedings in its own name.

(d) The commission is authorized, for the additional purpose of adequately irrigating any tract, to use, free of all charge, Government-owned water upon the island of Molokai and Government-owned surplus water tributary to the Waimea River upon the island of Kauai, not covered by a water license or covered by a water license issued after the passage of this Act. Any water license issued after the passage of this Act and covering any such Government-owned water shall be deemed subject to the condition, whether or not stipulated therein, that the licensee shall, upon the demand of the commission, grant to it the right to use, free of all charge, any of the water upon the island of Molokai, and any of the surplus water tributary to the Waimea River upon the island of Kauai, which is covered by the license and which the commission deems necessary for the additional purpose of adequately irrigating any tract.

(e) All rights conferred on the commission by this section to use, contract for, acquire the use of water shall be deemed to include the right to use, contract for, or acquire the use of any ditch or pipe line constructed for the distribution and control of such water and necessary to such use by the commission.

SEC. 222. The commission may make such regulations and, with the approval in writing of the governor of the Territory, may make such expenditures including salaries, and appoint and remove such employees and agents, as are necessary to the efficient execution of the functions vested in the commission by this title. All expenditures of the commission shall be allowed and paid, and all moneys necessary for loans made by the commission in accordance with the provisions of this title advanced, from the Hawaiian home loan fund upon the presentation of itemized vouchers therefor, approved by the chairman of the commission. The commission shall make a biennial report to the legislature of the Territory upon the first day of each regular session thereof and such special reports as the legislature may from time to time require. The executive officer and secretary shall give bond in the sum of \$25,000 for the faithful performance of his duties. The sureties upon the bond and the conditions thereof shall be approved annually by the commission.
