[Public, No. 105.]

CHAP. 123.—An Act Granting the consent of Congress to the State of New York to construct, maintain, and operate a free highway bridge across the Delaware River at or near Beerston, New York.

Delaware River.
New York may bridge, at Beerston.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the consent of Congress is hereby granted to the State of New York to construct, maintain, and operate a free highway bridge and approaches thereto across the Delaware River at a point suitable to the interests of navigation at or near Beerston, Delaware County, New York, and in accordance with the provisions of an Act entitled "An Act to regulate the construction of bridges over navigable waters," approved March 23, 1906.

Construction.
Vol. 34, p. 84.

Amendment.

SEC. 2. That the right to alter, amend, or repeal this Act is hereby expressly reserved.

Approved, April 8, 1930.

April 9, 1930.
[H. R. 8807.]
[Public, No. 106.]

CHAP. 125.—An Act To provide for the coordination of the public-health activities of the Government, and for other purposes.

Public-health activities.
Cooperation of Public Health Service at request of department, etc., engaged in.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That upon the request of the head of an executive department or an independent establishment which is carrying on a public-health activity the Secretary of the Treasury is authorized to detail officers or employees of the Public Health Service to such department or independent establishment in order to cooperate in such work. When officers or employees are so detailed their salaries and allowances shall be paid by the Public Health Service from applicable appropriations.

Details of personnel to institutions for special studies, etc.

SEC. 2. (a) The Surgeon General of the Public Health Service is authorized to detail personnel of the Public Health Service to educational and research institutions for special studies of scientific problems relating to public health and for the dissemination of information relating to public health, and to extend the facilities of the Public Health Service to health officials and scientists engaged in special study.

Hygienic Laboratory.
Additional divisions in, for solution of health problems.

Post, p. 379.

(b) The Secretary of the Treasury is authorized to establish such additional divisions in the Hygienic Laboratory in the District of Columbia as he deems necessary to provide agencies for the solution of public-health problems, and facilities therein for the coordination of research by public-health officials and other scientists and for demonstrations of sanitary methods and appliances.

Administrative and field service organizations.

SEC. 3. The administrative office and bureau divisions of the Public Health Service in the District of Columbia shall be administered as a part of the departmental organization, and the scientific offices and research laboratories of the Public Health Service (whether or not in the District of Columbia) shall be administered as a part of the field service.

Appointments of officers for general service.

SEC. 4. Hereafter, under such regulations as the President may prescribe, medical, dental, sanitary engineer, and pharmacist officers selected for general service in the regular corps of the Public Health Service and subject to change of station shall be appointed by the President, by and with the advice and consent of the Senate; original appointments shall be made only in the grade corresponding to that of assistant surgeon or passed assistant surgeon, except as provided under sections 5 and 6 of this Act.

Additional appointments authorized.

SEC. 5. The President is authorized to appoint, by and with the advice and consent of the Senate, to grades in the regular corps not above that of medical director, under such regulations as he may prescribe, not to exceed a total of fifty-five medical, dental, sanitary
