in any such receipt or bill of lading, or in any contract, rule, regulation, or in any tariff filed with the Interstate Commerce Commission; and any such limitation, without respect to the manner or form in which it is sought to be made is hereby declared to be unlawful and void: *Provided*, That if the loss, damage, or injury occurs while the property is in the custody of a carrier by water the liability of such carrier shall be determined by and under the laws and regulations applicable to transportation by water, and the liability of the initial or delivering carrier shall be the same as that of such carrier by water: *Provided, however*, That the provisions hereof respecting liability for full actual loss, damage, or injury, notwithstanding any limitation of liability or recovery or representation or agreement or release as to value, and declaring any such limitation to be unlawful and void, shall not apply, first, to baggage carried on passenger trains or boats, or trains or boats carrying passengers; second, to property, except ordinary livestock, received for transportation concerning which the carrier shall have been or shall hereafter be expressly authorized or required by order of the Interstate Commerce Commission to establish and maintain rates dependent upon the value declared in writing by the shipper or agreed upon in writing as the released value of the property, in which case such declaration or agreement shall have no other effect than to limit liability and recovery to an amount not exceeding the value so declared or released, and shall not, so far as relates to values, be held to be a violation of section 10 of this Act to regulate commerce, as amended; and any tariff schedule which may be filed with the commission pursuant to such order shall contain specific reference thereto and may establish rates varying with the value so declared and agreed upon; and the commission is hereby empowered to make such order in cases where rates dependent upon and varying with declared or agreed values would, in its opinion, be just and reasonable under the circumstances and conditions surrounding the transportation. The term 'ordinary livestock' shall include all cattle, swine, sheep, goats, horses, and mules, except such as are chiefly valuable for breeding, racing, show purposes, or other special uses: *Provided further*, That nothing in this section shall deprive any holder of such receipt or bill of lading of any remedy or right of action which he has under the existing law: *Provided further*, That all actions brought under and by virtue of this paragraph against the delivering carrier shall be brought, and may be maintained, if in a district court of the United States, only in a district, and if in a State court, only in a State through or into which the defendant carrier operates a line of railroad: *Provided further*, That it shall be unlawful for any such receiving or delivering common carrier to provide by rule, contract, regulation, or otherwise a shorter period for the filing of claims than nine months, and for the institution of suits than two years, such period for institution of suits to be computed from the day when notice in writing is given by the carrier to the claimant that the carrier has disallowed the claim or any part or parts thereof specified in the notice: *And provided further*, That for the purposes of this paragraph and of paragraph (12) the delivering carrier shall be construed to be the carrier performing the line-haul service nearest to the point of destination and not a carrier performing merely a switching service at the point of destination: *And provided further*, That the liability imposed by this paragraph shall also apply in the case of property reconsigned or diverted in accordance with the applicable tariffs filed as in this Act provided."
