 [H. J. Res. 242.]
 [Pub. Res., No. 42.]

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That joint resolution entitled "Joint resolution to provide for eradication of pink bollworm and authorizing an appropriation therefor," approved May 21, 1928 (Forty-fifth Statutes, page 688), is amended to read as follows:

Pink bollworm of cotton.
 Vol. 45, p. 688, amended.

"That when any State shall have enacted legislation and taken measures, including the establishment and enforcement of non-cotton zones, adequate, in the opinion of the Secretary of Agriculture, to eradicate the pink bollworm in any area thereof actually infested, or threatened, by such pests, the said Secretary, under regulations to be prescribed by him, is authorized to pay, out of \$2,500,000 hereby authorized to be appropriated, out of any money in the Treasury not otherwise appropriated, to be expended in cooperation with the proper authorities of the State concerned in compensating any farmer for his actual and necessary loss due to the enforced nonproduction of cotton within said zones: *Provided*, That no part of the funds herein authorized to be appropriated shall be available for compensation in connection with the establishment of a non-cotton zone in any county unless and until the live pink bollworm is found within such county or within a radius of five miles thereof: *Provided further*, That such loss as to noncotton zones established by the State of Texas shall be determined as provided for in existing statutes of that State, and similarly by similar statutes which may later be provided by other States concerned, and that in estimating such loss due account shall be taken of the value of other crops which may be produced on said land, so that the loss shall not exceed the difference in return to the farmer from cotton over such other crops: *Provided further*, That such determination of actual and necessary loss shall be subject to the review and approval of the

Sum authorized to pay farmers for loss due to nonproduction in noncotton zones, established by a State to eradicate pest in affected area.
