AN ACT

June 29, 1935.
[H. R. 7160.]
[Public, No. 182.]

To provide for research into basic laws and principles relating to agriculture and to provide for the further development of cooperative agricultural extension work and the more complete endowment and support of land-grant colleges.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

TITLE I

Agricultural extension work and land grant colleges.
Agriculture.
Research into basic laws and principles.
Post, p. 582.

SECTION 1. The Secretary of Agriculture is authorized and directed to conduct research into laws and principles underlying basic problems of agriculture in its broadest aspects; research relating to the improvement of the quality of, and the development of new and improved methods of production of, distribution of, and new and extended uses and markets for, agricultural commodities and byproducts and manufactures thereof; and research relating to the conservation, development, and use of land and water resources for agricultural purposes. Research authorized under this section shall be in addition to research provided for under existing law (but both activities shall be coordinated so far as practicable) and shall be conducted by such agencies of the Department of Agriculture as the Secretary may designate or establish.

Agencies to be established.
