Approved, August 15, 1935.

[CHAPTER 549.]

AN ACT

To prevent the fouling of the atmosphere in the District of Columbia by smoke and other foreign substances, and for other purposes.

August 15, 1935.
[S. 2034.]
[Public, No. 279.]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That no person shall cause, suffer, or allow dense smoke to be discharged from any building, stationary or locomotive engine, or motor vehicle, place, or premises within the District of Columbia. All persons participating in any violation of this provision, either as proprietors, owners, tenants, managers, superintendents, captains, engineers, firemen, or motor-vehicle operators, or otherwise, shall be severally liable therefor. The owners, lessees, tenants, occupants, and managers of every building, or place in or upon which a locomotive or stationary engine, furnace, or boiler is used shall cause all ashes, cinders, rubbish, dirt, and refuse to be removed to some proper place, so that the same shall not accumulate, nor shall any persons cause, suffer, or allow cinders, dust, gas, steam, or offensive or noisome odors to escape or to be discharged from any such building, or place, to the detriment or annoyance of any person or persons not being therein or thereupon engaged.

District of Columbia.
Fouling of atmosphere by smoke, etc., substances forbidden.

Liability of participants.

Removal of ashes, etc.

SEC. 2. The Commissioners of the District of Columbia are hereby authorized and directed to make and promulgate reasonable classifications and regulations for the installation and operation of combustion and all other devices susceptible for use in such manner as to violate the purposes of this Act, and the said Commissioners may from time to time alter, amend, or rescind such regulations and promulgate such amended or additional regulations as they may in their discretion deem necessary.

Regulations.
