

discharged from the Navy or Marine Corps on the date of his actual separation therefrom, if his service otherwise was such as would have entitled him to an honorable discharge: *Provided*, That no back pay or allowance shall accrue by reason of the passage of this Act: *Provided further*, That in all such cases the Navy Department shall, upon request, grant to such individual, his widow or next of kin a discharge certificate showing that such former member of the Navy or Marine Corps is held and considered to have been honorably discharged under the provisions of this Act.

Approved, June 22, 1938.

[CHAPTER 577]

AN ACT

To authorize the sale of surplus power developed under the Uncompahgre Valley reclamation project, Colorado.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That whenever a development of power is necessary for the irrigation of lands under the Uncompahgre Valley reclamation project, Colorado, or an opportunity is afforded for the development of power under said project, the Secretary of the Interior is authorized to enter into a contract for a period not exceeding forty years for the sale or development of any surplus power. The provisions of such contract shall be such as the said Secretary may deem to be equitable: *Provided*, That no such contract shall be made without the approval of the Uncompahgre Valley Water Users' Association, which, prior to any development of power on said project, shall be required to contract with the United States to repay the cost thereof, on such terms and conditions and with such provisions for the disposal of the annual net power profits as the said Secretary may deem to be equitable, and with or without interest on the construction cost as the said Secretary may determine: *And provided further*, That if the said association is not required to pay interest on the construction cost of the power plant and power system, the net earnings of the power plant and system, after the association shall have paid the full cost thereof, and its project construction charge indebtedness to the United States shall be payable into the reclamation fund, unless Congress shall hereafter otherwise direct.

Approved, June 22, 1938.
