Commission: *Provided further*, That to the extent that the annual appropriations which are hereby authorized to be made from the general fund of the Treasury are insufficient, there are hereby authorized to be appropriated from the general fund of the Treasury such additional amounts as may be necessary to the extent that the amounts of such receipts are in excess of the amounts appropriated: *Provided further*, That such extra compensation shall be paid if such field employees have been ordered to report for duty and have so reported whether the actual inspection of the radio equipment or apparatus takes place or not: *And provided further*, That in those ports where customary working hours are other than those hereinabove mentioned, the inspectors in charge are vested with authority to regulate the hours of such employees so as to agree with prevailing working hours in said ports where inspections are to be made, but nothing contained in this proviso shall be construed in any manner to alter the length of a working day for the inspectors in charge and radio inspectors or the overtime pay herein fixed."

Appropriations authorized to cover deficiencies.

Approved, March 23, 1941.

[CHAPTER 25]

AN ACT
