Street railway pavements.

This appropriation shall be available for the construction and repair of pavements of street railways in accordance with the provisions of the Merger Act, approved January 14, 1933 (47 Stat. 752). The proportion of the amount thus expended which under the terms of the said Act is required to be paid by the street-railway company shall be collected, upon the neglect or the refusal of such street-railway company to pay, from the said street-railway company in

the manner provided by section 5 of "An Act providing a permanent form of government for the District of Columbia", approved June 11, 1878, and shall be deposited to the credit of the appropriation for the fiscal year in which it is collected;

20 Stat. 105.
D. C. Code § 7-604.

Hereafter when any Capital Transit Company street railway operation shall have been ordered abandoned by the Public Utilities Commission of the District of Columbia and the Commissioners of the District of Columbia shall have ordered the removal of abandoned tracks, the Capital Transit Company shall pay the entire cost of removing such abandoned tracks and regrading the track area, and, if the street or bridge in which the said tracks have been ordered abandoned is not being paved, the Capital Transit Company shall pay the entire cost of paving the abandoned track areas, which cost, however, shall not exceed the cost of repaving such abandoned track areas with the type, character, and thickness of the paving of the adjacent roadway left in place, and, if the roadway of the street or bridge is being paved at the time of removal of said abandoned tracks, the Capital Transit Company shall pay one-half of the actual cost of paving the abandoned track areas, irrespective of whether the paving is of the type, character, and thickness as that existing at the time of said removal. The Commissioners of the District are authorized to settle in conformity with the principles herein set forth, any claims it now has, or in the future may have, for the paving of abandoned track areas, upon such terms and conditions as to time of payment or payments as the Commissioners may determine;

Changes in widths of sidewalks and roadways.

The Commissioners of the District of Columbia are authorized and empowered, in their discretion, to fix or alter the respective widths of sidewalks and roadways (including tree spaces and parking) of all highways that may be improved under appropriations contained in this Act.

Open competition for street improvement contracts.

No part of any appropriation contained in this Act shall be available for repairing, resurfacing, or paving any street, avenue, or roadway by private contract unless the specifications for such work shall be so prepared as to permit of fair and open competition in paving material as well as in price.

Period of contractors' liability for repairs for inferior work.

In addition to the provision of existing law requiring contractors to keep new pavements in repair for a period of one year from the date of the completion of the work, the Commissioners of the Dis-

trict of Columbia shall further require that where repairs are necessary during the four years following the said one-year period, due to inferior work or defective materials, such repairs shall be made at the expense of the contractor, and the bond furnished by the contractor shall be liable for such expense.

Use of funds for testing laboratory, etc.

No part of the appropriations contained in this Act shall be used for the operation of a testing laboratory of the highways department for making tests of materials in connection with any activity of the District government.
