To carry out the purposes of the Act approved June 11, 1926, entitled "An Act to amend the Act entitled 'An Act for the retirement of public-school teachers in the District of Columbia', approved January 15, 1920, and for other purposes" (44 Stat. 727), \$609,000: *Provided*, That the Treasury Department shall prepare the estimates of the annual appropriations required to be made to the teachers' retirement fund, and shall make actuarial valuations of such fund at intervals of five years, or oftener if deemed necessary by the Secretary of the Treasury: *Provided further*, That the Board of Commissioners of the District of Columbia is authorized to expend from money to the credit of the teachers' retirement fund an amount not exceeding \$5,000 per annum for the expenses necessary in carrying out the provisions of said Act, including actuarial advice.

THE DEAF, DUMB, AND BLIND

For maintenance and instruction of deaf and dumb persons admitted to the Columbia Institution for the Deaf from the District of Columbia, under section 4864 of the Revised Statutes, and as pro-

vided for in the Act approved March 1, 1901 (24 U. S. C. 238), and under a contract to be entered into with the said institution by the Commissioners, \$40,000.

For maintenance and instruction of colored deaf-mutes of teachable age belonging to the District of Columbia, in Maryland, or some other State, under a contract to be entered into by the Commissioners, \$10,000: *Provided*, That all expenditures under this appropriation shall be made under the supervision of the Board of Education.

For maintenance and instruction of blind children of the District of Columbia, in Maryland, or some other State, under a contract to be entered into by the Commissioners, \$7,500: *Provided*, That all expenditures under this appropriation shall be made under the supervision of the Board of Education.

Notwithstanding the provision that no part of any appropriation contained in this Act shall be expended for printing or binding a schedule or list of supplies and materials for the furnishing of which contracts have been or may be awarded, the Board of Education is authorized to have printed and bound schedules or lists of supplies, textbooks, and equipment approved by the Board of Education for use in the schools for requisitioning purposes only: *Provided*, That all such expenditures for printing and binding shall have been specifically approved by the Commissioners of the District of Columbia or by the Purchasing Officer and the Auditor for the District of Columbia, acting for such Commissioners.

No part of any appropriation made in this Act shall be paid to any person employed under or in connection with the public schools of the District of Columbia who shall solicit or receive, or permit to be solicited or received, on any public-school premises, any subscription or donation of money or other thing of value from any pupil enrolled in such public schools for presentation of testimonials to school officials or for any purpose except such as may be authorized by the Board of Education at a stated meeting upon the written recommendation of the superintendent of schools.

No money appropriated in this Act for the purchase of furniture and equipment and school supplies for the public schools of the District of Columbia shall be expended unless the requisitions of the Board of Education therefor shall be approved by the Commissioners of the District of Columbia, or by the Purchasing Officer and the Auditor for the District of Columbia acting for the Commissioners.

The Board of Education is authorized to designate the months in which the ten salary payments now required by law shall be made to teachers assigned to instruction in nature study and school gardening, and in health, physical education, and playground activities.

Section 6 of the Legislative, Executive, and Judicial Appropriation Act, approved May 10, 1916, as amended, shall not apply from July 1 to September 15, 1942, to teachers of the public schools of the District of Columbia when employed by any of the executive departments or independent establishments of the United States Government.

The children of officers and men of the United States Army, Navy, and Marine Corps, and children of other employees of the United States stationed outside the District of Columbia shall be admitted to the public schools without payment of tuition.

Not to exceed \$97,500 of the unexpended balance of the appropriation of \$130,625 for beginning construction of an eight-room addition and assembly hall-gymnasium at the Van Ness School, contained in the District of Columbia Appropriation Act, 1942, is reappropriated and made available for the construction of a temporary eight-room addition at the Van Ness School, including necessary remodeling of the present building.

Not to exceed \$50,000 of the unexpended balance of the appropriation of \$167,500 for a new extensible eight-room elementary school building, to be located on a site to be acquired in the vicinity of Hillside Road and Alabama Avenue Southeast, contained in the District of Columbia Appropriation Act, 1942, is reappropriated and made available for the construction of a temporary four-room school building on such site.

The appropriation of \$45,000 for the completion of six unfinished classrooms at the Lafayette School, contained in the Sixth Supplemental National Defense Appropriation Act, 1942, is made available also for furniture and equipment for those rooms.

In all, \$270,125, to be immediately available and to be disbursed and accounted for as "Buildings and grounds, public schools", and for that purpose shall constitute one fund and remain available until expended: *Provided*, That no part of this appropriation shall be used for or on account of any school building not herein specified.

No part of the foregoing appropriations for public schools shall be used for instructing children under five years of age except children entering during the first half of the school year who will be five years of age by November 1, 1942, and children entering during the second half of the school year who will be five years of age by March 15, 1943: *Provided*, That this limitation shall not be considered as preventing the employment of a matron and the care of children under school age at the Webster School whose parent or parents are in attendance in connection with Americanization work.

None of the money appropriated by this Act shall be paid or obligated toward the construction of or addition to any building the whole and entire construction of which, exclusive of heating, lighting, plumbing, painting, and treatment of grounds, shall not have been awarded in one or a single contract, separate and apart from any other contract, project, or undertaking, to the lowest responsible bidder complying with all the legal requirements as to a deposit of money or the execution of a bond, or both, for the faithful performance of the contract: *Provided*, That nothing herein shall be construed as repealing existing law giving the Commissioners the right to reject all bids.

The plans and specifications for all building provided for in this Act under appropriations administered by the Commissioners of the District of Columbia shall be prepared under the supervision of the municipal architect, and those for school buildings after consultation with the Board of Education, and shall be approved by the Commissioners and shall be constructed in conformity thereto.

The school buildings authorized and appropriated for herein shall be constructed with all doors intended to be used as exits or entrances

opening outward, and each of said buildings having in excess of eight rooms shall have at least four exits. Appropriations carried in this Act shall not be used for the maintenance of school in any building unless all outside doors thereto used as exits or entrances shall open outward and be kept unlocked every school day from one-half hour before until one-half hour after school hours.

For the construction of an underground covered reservoir of approximately ten million gallons' capacity in the vicinity of the existing Anacostia first-high service reservoir in Stanton Park, including necessary appurtenances and auxiliaries, and including not to exceed \$7,200 for the employment, by contract or otherwise, and without reference to section 3709 of the Revised Statutes or the Classification Act of 1923, as amended, of engineering or other professional services, \$240,000, to continue available until June 30, 1944.

For additional pumping equipment at the Anacostia pumping station, including necessary appurtenances, alterations to existing piping, and enlargement of switchgear building, \$75,000, to continue available until June 30, 1944.

On and after July 1, 1942, an additional charge of 10 per centum shall be imposed on all water-rent charges remaining unpaid after the expiration of thirty days from the date of rendition of the bill therefor. This paragraph shall not be construed as depriving the District of Columbia or any of its officers or employees of any other remedy that may exist for the collection of such water-rent charges.

SEC. 2. That the services of draftsmen, assistant engineers, levelers, transitmen, rodmen, chainmen, computers, copyists, overseers, and inspectors temporarily required in connection with sewer, water, street, street-cleaning, or road work, or construction and repair of buildings and bridges, or any general or special engineering or construction work authorized by appropriations may be employed exclusively to carry into effect said appropriations when specifically and in writing ordered by the Commissioners, and all such necessary expenditures for the proper execution of said work shall be paid from and equitably charged against the sums appropriated for said work; and the Commissioners in their Budget estimates shall report the number of such employees performing such services, and their work, and the sums paid to each, and out of what appropriation: *Provided*, That the expenditures hereunder shall not exceed \$42,000 during the fiscal year 1943: *Provided further*, That, excluding inspectors in the sewer department, one inspector in the electrical department, and one inspector in the repair shop, no person shall be employed in pursuance of the authority contained in this paragraph for a longer period than nine months in the aggregate during the fiscal year.

Appropriations in this Act shall be available for payment by the District of Columbia of its contributions as an employer, in accordance with the provisions of the District of Columbia Unemployment Compensation Act (49 Stat. 946).

The Commissioners, or their duly designated representatives, are further authorized to employ temporarily such laborers, skilled laborers, drivers, hostlers, and mechanics as may be required exclusively in connection with sewer, water, street, and road work, and street cleaning, or the construction and repair of buildings and bridges, furniture and equipments, and any general or special engineering or construction or repair work, and to incur all necessary engineering and other expenses, exclusive of personal services, incidental to carrying on such work and necessary for the proper execution thereof, said laborers, skilled laborers, drivers, hostlers, and mechanics to be employed to perform such work as may not be required by law to be done under contract, and to pay for such services and expenses

from the appropriations under which such services are rendered and expenses incurred.

SEC. 3. That all horses, harness, horse-drawn vehicles necessary for use in connection with construction and supervision of sewer, street, street lighting, road work, and street-cleaning work, including maintenance of said horses and harness, and maintenance and repair of said vehicles, and purchase of all necessary articles and supplies in connection therewith, or on construction and repair of buildings and bridges, or any general or special engineering or construction work authorized by appropriations, may be purchased, hired, and maintained, and motortrucks may be hired exclusively to carry into effect said appropriations, when specifically and in writing ordered by the Commissioners; and all such expenditures necessary for the proper execution of said work, exclusive of personal services, shall be paid from and equitably charged against the sums appropriated for said work; and the Commissioners in the Budget estimates shall report the number of horses, vehicles, and harness purchased, and horses and vehicles hired, and the sums paid for same, and out of what appropriation; and all horses owned or maintained by the District shall, so far as may be practicable, be provided for in stables owned or operated by said District: *Provided*, That such horses, horse-drawn vehicles, and carts as may be temporarily needed for hauling and excavating material in connection with works authorized by appropriations may be temporarily employed for such purposes under the conditions named in section 2 of this Act in relation to the employment of laborers, skilled laborers, and mechanics.

SEC. 4. That the Commissioners are authorized to employ in the execution of work, the cost of which is payable from the appropriation account created in the District of Columbia Appropriation Act, approved April 27, 1904, and known as the miscellaneous trust-fund deposits, District of Columbia, necessary personal services, horses, carts, and wagons, and to hire therefor motortrucks when specifically and in writing authorized by the Commissioners, and to incur all necessary expenses incidental to carrying on such work and necessary for the proper execution thereof, including the purchase, exchange, maintenance, and operation of motor vehicles for inspection and transportation purposes; such services and expenses to be paid from said appropriation account: *Provided*, That the Commissioners may delegate to their duly authorized representatives the employment under this section of laborers, mechanics, and artisans.

SEC. 5. That the Commissioners and other responsible officials, in expending appropriations contained in this Act, so far as possible, shall purchase material, supplies, including food supplies and equipment, when needed and funds are available, in accordance with the regulations and schedules of the Procurement Division of the Treasury Department or from various services of the Government of the United States possessing materials, supplies, passenger-carrying and other motor vehicles, and equipment no longer required. Surplus articles purchased from the Government, if the same have not been used, shall be paid for at a reasonable price, not to exceed actual cost, and if the same have been used, at a reasonable price based upon length of usage. The various services of the Government of the United States are authorized to sell such surplus articles to the municipal government under the conditions specified, and the proceeds of such sales shall be covered into the Treasury as miscellaneous receipts: *Provided*, That this section shall not be construed to amend, alter, or repeal the Executive order of December 3, 1918, concerning the transfer of office materials, supplies, and equipment in the District of Columbia falling into disuse because of the cessation of war activities.
